IF WE GET THE PROPER CO-OPERATION IN THIS CAMPAIGN OUR PLAN IS TO GIVE "WEEKLY PRIZES" TO REAL WORKERS IN THE FIELD. SO THE SOONER YOU ENTER THE BETTER WILL BE YOUR CHANCE TO WIN SOME OF THESE PRIZES AS WELL AS ONE OF THE LARGER PRIZES.

Enter Campaign Today and Work to Its Close

Ladies, do not think that because the Campaign has been in progress a week that it is too late to win. You have plenty of time to win even if you enter now, however ,the sooner you enter the better chance you will have to win. Call in today and get your Entry Blank and start to work. Work is the only way in which you will be able to win either of these prizes; the work is easy and pleasant, but the lady who turns in the greatest

amount of money within the next six weeks will win the car, it is as well be you. There is not a chance to lose in this Campaign; if you do not win one of the prizes you will be paid a nice cash commission for the money you collect for us. The work is pleasant.

Enter the Campaign Now and Win

Who May Enter Race

Any woman who has reached the age of responsibility is eligible to enter this Campaign. There are no clubs or organizations eligible to enter. There will be a prize or award for everyone who enters this Campaign and works to its conclusion. If you do not win one of the Four Prizes you will be paid a cash commission on all money collected by you. So there is not a chance for any Candidate to lose in this Campaign. It costs nothing to enter. Think it over today.

Any Lady is Eligible to Join

We Tell The World The Campaign's Purpose

The postal regulations do not permit us to mail you the paper unless you are reasonably well paid up with your subscription. The past three years have been unfortunate for all of us, but the TIMES has visited your home each week just the same. Now that we all know conditions have improved we are expecting every subscriber to pay his delin-

quent subscription as well as pay a few years in advance.

Pay Your Subscription to your Favorite

How to Enter and Win

There are no strings of any kind to this Campaign; any Lady is eligible to enter, and all you have to do is to call at the TIMES office and fill out your entry blank, which gives you 5000 votes FREE, get your Receipt Book and Sample copies of the TIMES and you are ready for work. Votes can be secured only by securing new subscribers, or collecting delinquent subcriptions for the TIMES. The prizes are absolutely FREE of any cost to you. Neither does it cost one cent to enter this Campaign—now or later—and if you fail to win one of the four prizes offered you will receive a generous cash commission on all cash you collect.

An early start is a great advantage, for you will have more time and less competition NOW. You will not find it at all difficult to secure new subscriptions or collecting delinquents among your friends and acquaintances and just a few short weeks is all that is necessary for your success. When you are too busy to get out and work use your telephone. One of the commonest expressions is: "I haven't the time." Generally that person has plenty of time, if she would only use it in their right direction. JUST FIGURE FOR A MOMENT: How long would it take you at your present occupation—to save and set aside an amount equal to the amount of the CAPITAL PRIZE? Many people have not saved that much in the past two years and we are offering this to you for only a few short weeks of pleasant work. Somebody is going to win this beautiful new automobile and it might as well be you. Enter this Campaign today and let's all start together.

WHAT IS YOUR SPARE TIME WORTH? What will it bring you if you do not take part in this Campaign? We are offering you on opportunity to profit to an almost unbelieveable extent for every moment you devote to this Campaign. Clip the Entry Blank on first page of this issue, fill it out, bring to the Compaign Manager today and become a member of this Club.
