

Kracker Krumb

Odd Bits Salvaged
By The Editor

We were called a V. I. P. (very important person) last Saturday! k-k
The finger wasn't pointed directly at us, and the V. I. P. was used in a broad sense to include everyone in the newspaper field in attendance at the press meeting in Abilene.

k-k
The speaker was Dr. James H. Landes, former Wichita Falls pastor who is the new president of Hardin-Simmons University. He said we were V. I. P.'s first because we were people—then again because we were in the newspaper field.

k-k
He declared the press is "the chief educator and molder of America" and made some interesting comparisons of the press and the university.

k-k
"We in education influence thousands; you (the press) teach millions," he declared. "We in education influence the young and uninfluential; you mold the opinions and activities of those who are doing the world's work and building the world's future."

k-k
"Our teaching and influence cover only the years of youth; yours the whole life. We teach only a half-dozen hours a day, five days in the week, nine months in the year. Our newspapers and magazines teach every day in the week, every month in the year, every year in life's span from early childhood to the last days of old age."

k-k
The distinguished educator said that editors deal with facts, events, hopes and fears that are thrilling the hearts of readers. "Newspapers and magazines of today are determining the answer to the weightiest of world problems," he said.

k-k
Dr. Landes said the newspaper editor has many complex functions, some of them highly important, and cited the following:

k-k
1. The first and perhaps the most valuable is to make every otherwise isolated reader a world citizen."

k-k
2. "... to life with every issue ten thousand human lives above daily cares and petty local interests."

k-k
3. "... to interpret our storm-tossed world to its inhabitants and to reveal to the individual and to his country what place each person holds..."

k-k
Enroute to Abilene, we ran into a thundershower just out of Stamford. It rained like everything on us for about three miles—then right out into the hot sunshine again. Editors from other sections made the same sort of report, and it seemed the showers were in all directions.

k-k
That tenth of an inch we received Saturday night was increased to larger amounts in different directions. Gill Wyatt reported .40 at his place—the same amount as in Goree. Heavier rains were reported both south and north of Munday. Actually, though, what we need is more than just a little cotton slower, don't you think?

k-k
"We haven't seen it so hot so long," we heard Lee A. Parks say Monday, but we didn't know just how long it had been so hot. As we tuned in the 5:55 weather report that evening, the man giving the report stated that Monday was the 13th day in a row that Munday's temperature went above 100.

k-k
Then along came that little cool front and norther on Tuesday that put a stop to such foolishness, at least for one day.

k-k
Willard Reeves, who has been visiting here from down in Kentucky remarked that it got hot where he lived, too. "This heat here doesn't seem to bother like where I live. It's the humidity that gets you there."

k-k
Quarterback Club members and football fans are already making plans for the coming football season. The stadium is being repaired and repainted and other plans made. "After all," Paul Pendleton said last Friday, "our first game of the season is just four weeks from tonight!"

Mr. and Mrs. Riley Bell, Vickie and Mindy, visited Miss Donna Bell in Wichita Falls last Tuesday night.

Rhineland Gins First 1963 Bales

Rhineland Cooperative Gin ginned the first two bales of their 1963 season on Monday, August 12th. They were grown by Robert Hertel, who farms Southwest of Rhineland. Both of these bales graded strict middling, one ipch and fifteen-sixteenths in staple, with lint turnout of over twenty six percent.

Rhineland has completely remodeled and rebuilt the entire gin plant. All overhead cleaning and drying equipment has been repaired and reset to do the best possible job of cleaning and drying. New Murray 80-18 gin stands, new Mitchell feeders, and new Moss-Gordon Lodestar lint cleaners have been installed. This equipment has the reputation as being the best and most efficient ginning and cleaning machinery in the industry.

A new Murray Fiber-Rite moisture control system has been added. This system is the only drying method controlled by moisture content of seed cotton, and the only drying control which determines heat for drier before cotton ever enters the drier. The dual unit, as installed at Rhineland, is designed to take the guess work out of double drying systems. One meter indicates moisture content of seed cotton as it comes from the trailer and the other indicates the percentage of moisture content of seed cotton prior to entering the second drier.

Mr. Coy Tuggle, who has had many years of experience in ginning cotton and operating ginning equipment, is the new gin foreman. Both he and A. J. Kuehler, manager, extend to their many friends a personal invitation to try this new equipment and pledge to give them top notch service and highest dollar value for their cotton. "Come visit with us, try us and be convinced," is their slogan.

Decker Receives Equipment Training

Joe Decker, Horton Equipment Company of Munday, has just completed an intensive one-week training course on tractors and farm equipment at International Harvester's Training Center near Tifton, Georgia.

Joe, along with a class of 20 other dealers and salesmen from all parts of the United States, studied and operated a large number of tractors, tillage, planting, and hay machines in actual field conditions.

Classes are small enough for each person to receive ample personal direction. Each operates a wide variety of International Harvester and competitive farm equipment during the day and attends two-hour discussion classes at night.

The school is designed to help dealers and salesmen become better acquainted with tractors and farm equipment. The association with other dealers and salesmen, combined with the actual exposure to the latest equipment, enables those attending to better serve their trade areas.

Church Members Thank Contributors

We, the Spanish Assembly of God Church, in behalf of Mr. Pablo S. Lizalde, thank those who contributed financially to make possible his return to Mexico.

We also thank Y. Ramirez and his son, Tacho, who made the trip July 31 to take Mr. Lizalde to his relatives in Calvillo, Aguascalientes, Mexico.

Mr. Lizalde, 77, a resident of Munday for many years was very sick and unable to do any work for the last several months. He was supported by the church and friends. He did not have any relatives in the United States. When he decided to go back to Mexico, the church appointed Y. Ramirez, Frank Lopes and Francisco Sarabia as a committee to solicit financial help among Mr. Lizalde's friends. A total of \$104.17 was contributed.

MARRIAGE ANNOUNCED

Mr. and Mrs. Beal Walker of Weinert are announcing the marriage of their daughter, Oneida, to Melville Rister of Lubbock, son of Mr. and Mrs. Warren Rister of Munday.

The couple were married in Benjamin Saturday night, August 3. Their attendants were Mr. and Mrs. Joe Voss, Jr.

Mr. and Mrs. Lowry Wilson, Kathy, Lowry, Jr., and Connie of Hale Center visited relatives in Munday and Goree last week.

Leroy Lain Dies At Big Spring

Leroy Lain passed away August 12, 1963 in the Veteran's Hospital in Big Spring following a lengthy illness. He was born in Stamford on November 1, 1920.

Funeral services will be graveside rites at the Military Cemetery in El Paso, with full military services, on Friday, August 16, at 2:30 p.m. with River Funeral Home of Big Spring in charge of arrangements.

Survivors include his widow, Trindiad; three stepsons, Rogorberta, Charlie and Bill Scott of Villa Ahuamada; two daughters, Vickie Rose of Freeport and Karen Lee of El Paso; his mother, Mrs. Mary Lain of Goree; three brothers, Fred of Midland, Homer of Abilene and C. W. of Goree; two sisters, Nina Morton and Virginia Land of Goree.

Award Winners Will Be Honored

Twenty-four outstanding Texas 4-H Club members have been selected to receive honor awards from the State Fair of Texas. The State Fair for many years has honored similar groups of 4-H members on an annual basis.

The 1963 girl honorees and the counties they represent are: Priscilla Swink, Ochiltree; Sharon Baumgardner, Hale; Janice Johnson, Hardeman; Charlotte Wolf, Cooke; Judy Potts, Hopkins; Linda Berkley, Ector; Betty McAninch, Taylor; LaJauna Wright, Comanche; Vicki Keeling, Panola; Debra Witzsche, Travis; Patty Donaldson, Wharton and Kay Gessling, Jim Wells.

The boys and their counties are Allen McCloy, Hansford; Charles Church, Hale; Tommy Isbell, Childress; Raymond Abbott, Montague; Billy Ray Cabiness, Gregg; Smitty Smith, Martin; Roy Birk, Llano; Tom Greenwade, Bosque; William Platt, Anderson, Lanier Bohls, Travis; Barry Tobola, Wharton and Glen Berg, Willacy county.

The list of winners was released by the state 4-H Club office and they added that the winners, their parents and county extension agents concerned would be the guests of the State Fair of Texas for a dinner-dance on the evening of October 4. Medals will be presented to each of the winners during the evening and the following day, all will participate in Rural Youth Day activities at the Fair.

The announcement added that the State Fair Honor Award is designed to give special recognition to a boy and girl from each of the 12 Extension Service Districts in Texas based on their all-around achievement and leadership records for a period of three or more years.

Chamberlain With Communication Group

OSAN AB, Korea — Airman First Class Alton K. Chamberlain of Goree, has arrived here for assignment with an Air Force Communications Service unit.

Airman Chamberlain, son of Mr. and Mrs. Horace O'Neal of Whitney, will serve with the 214th Communications Group as a radar repairman. He entered the service in 1957 and was stationed at Clark AB, Philippines, prior to his assignment here.

The airman is a graduate of Goree High School. His wife, Patricia, is the daughter of Mrs. Lester Rains of 7502 Avenue "H", Lubbock.

Pendleton To Get 50-Year Masonic Pin

Having completed 50 years of unbroken membership in the Masonic Lodge, H. A. Pendleton, member of Knox Lodge No. 851, AF&AM, will receive his 50-year award at a special meeting of the lodge on Thursday night, August 22. The meeting will be in the form of a pie and ice cream supper, it was stated Wednesday.

A large portion of Mr. Pendleton's 50 years of membership has been in the local lodge. A suitable program is being planned for this occasion, and the honored member will receive both a 50-year pin and a certificate. Masons and their families are invited to this meeting.

Mr. and Mrs. Leo Kuehler of Lorenzo spent last week with their parents, Mr. and Mrs. Frank Herring and Mrs. Anna Kuehler.

STATE FAIR KIDS Cindy and Marla Hill swap hot dogs for chop sticks and rice with the little Japanese sisters, Naoko and Mari Iwada, in a miniature version of the largest-ever Texas International Trade Fair to be featured at the 1963 State Fair of Texas October 5 through 20 in Dallas. Countries from around the world will take part in the Trade Fair with Japan the largest single exhibitor.

McKnight Gins First 1963 Bale

Carrell McKnight, who farms west of Munday, brought in the first bale of 1963 cotton to be ginned in Munday. It was brought in to the Knox Prairie Seeds, Inc., last Friday and was ginned around 2 p.m.

From 2,040 pounds of pulled cotton, Mr. McKnight received a 470-pound bale and 660 pounds of seed. The cotton was strict middling, 1-inch staple.

McKnight said the cotton was pulled from about eight acres. He, along with several other farmers in the area, was pulling again Monday.

This first bale was ginned about eight days earlier than the first 1962 cotton.

Quarterback Club To Meet On Tuesday

The first meeting of the Munday Quarterback Club for this season will be held on Tuesday, August 20, at 8 p.m. in the Mogul field house, at which time plans will be made for the coming football season.

Hilton Stubblefield, president, is urging all members to attend this important meeting.

Membership tickets for the club are now on sale. Tickets are \$2.00 each and can be purchased from members of the club. Contact Hilton Stubblefield, Paul Pendleton, or W. O. Smith for further ticket information.

Cotton Defoliation Guides Available

Getting the Texas cotton crop ready for machine picking or stripping is no small operation. Last year 77 per cent of the state's crop was harvested by mechanical means and the use of defoliants or desiccants reached an all-time high, reports Fred C. Elliott, extension cotton specialist.

To emphasize the importance of this phase of cotton production, Elliott said that in 1948 only 2,000 farms in 50 Texas counties used these harvest aids. In 1962 they were used on 82,219 farms in 164 counties and on 4,750,000 acres of cotton at a cost of more than \$17 million.

In order for cotton producers to have the latest information on the recommended harvest aid chemicals, Elliott has recently released the 1963 "Cotton Defoliation Guide for Texas." Copies of the leaflet are available from the offices of local county agents or from the Agricultural Information Office, College Station.

In the guide, Elliott has listed the recommended defoliants and desiccants along with their chemical and trade names and the amounts of each which should be used per acre. Both dusts and sprays are included.

In addition, he has included important information on many aspects of the harvest aid program. He especially calls attention to the need for following the instructions printed on the chemical containers and offers other hints on harvesting cotton for the best yields and quality.

He suggests a visit with the local county agent for detailed information on other cotton production problems and for a copy of the guide, L-145.

Road Project Is Begun In County

Work has begun on the 13-mile section of State Highway 283 from the Haskell County line to Benjamin, it was reported this week. The project will involve widening the existing culverts and seal coating the existing pavement.

A. & A. Construction Co. of Olney was low bidder on the project. Work is expected to be completed in 170 working days. Palmer Massey of Childress, district engineer, said the work is under the direction of Howard Bartley of Quanah. Inspection will be handled by George Wall, Knox County project engineer.

John Baker Jones, above, son of Mr. and Mrs. John Jones of Goree, will be graduated from East Texas State Teachers College in Commerce on Friday, August 23. He will receive his B. S. degree in agriculture.

Kindergarten Is Important Year In Child's Life

Kindergarten is an important year in your child's life, educators point out. The child is at the age when he is eager, active, interested and curious. The experiences and activities included in kindergarten are designed to stimulate his desire for independence and group acceptance.

Emphasis is placed on building good habits and developing necessary skills that will make him a better student in school.

He learns to work and play in a group and to follow simple and reasonable directions.

He will learn self expression through sharing experiences, singing, drawing and painting.

Kindergarten is an adventure that is both exciting and helpful.

Knox County Hospital Notes

Patients in the hospital August 12, 1963:

Miss Maude Isbell, Munday; Oscar Hudspeth, Benjamin; Mrs. Susan Dunn, Benjamin; Charlene Johnson, Goree; Mrs. Hattie Keith, Bryan; Regina Mitchell, Rochester; Mrs. E. S. Allen, Vera; Mrs. Fred Bufkin, Jr., Benjamin; Mrs. Jesse Acosta, Sr., Knox City; Mrs. Ennis Carter, Rochester; Mrs. Ed Johnson, Munday; F. G. Offutt, Munday; Mrs. Isabel Sandoval and baby boy, Munday; Miss Willie Jones, Knox City; Carl Coulston, Vera; Eddy Lee Giles, Munday; Phyllis Bellinghausen, Goree; Roy D. Snody, Benjamin.

Patients dismissed since August 5:

Mrs. Ruby Bateman, Knox City; R. S. Shelton, Knox City; Mrs. Hattie Keith, Bryan; Mrs. J. O. Yarbrough, Rochester; H. E. Rogers, Rochester; Mrs. M. S. Gipson, Munday; Morgan Dennis, Munday; Mrs. B. E. Leach, Knox City; Manuel Hernandez, O'Brien; Ora Lee Garcia, O'Brien; Carman Gonzales and baby, O'Brien; Mrs. Dick Moore, Munday; Jackie Leflar, Munday; Tom West, Benjamin; L. N. Burleson, Rochester; Olga Espinosa, O'Brien; Mrs. J. E. Leach, Knox City; Mrs. Fred Bufkin, Jr., Benjamin; Markus Wayne McDonald, Munday; Mrs. C. B. Yates, Goree; Tommy Barnes, Benjamin; Mrs. J. H. McGee, Knox City; Mrs. Freddie Caram and baby, Munday; Mrs. Paul Pendleton, Munday; Mrs. Francesca Martinez, Munday; Mrs. Ida Hertel, Benjamin; Mrs. Tony Rodriguez and baby, Munday; Warren Chandler, Munday; Sharon Beaty, Munday; A. L. Conner, Benjamin; Mrs. R. A. Clements, Dallas, expired; J. C. Brown, Midland; D. R. Stephens, Munday; J. V. Bridges, Knox City; O. O. Putnam, Munday; Mrs. Maude Merrill, Munday; Mrs. Moses Saenz and baby boy, Knox City; Mrs. Garry Johnson and baby girl, Knox City; Mrs. Mickey Davila and baby girl, Munday; Mrs. W. A. Park and baby boy, Gilliland; Dean Partridge, Munday; E. M. Farmer, Knox City.

Last Rites For Mrs. R. A. Clements Held On Monday

Mrs. R. A. Clements, 90, longtime resident of Munday, passed away at 1:30 a.m. Sunday in the Knox County Hospital. She had been in ill health for 18 months and seriously ill for a week.

A former school teacher at Munday, she had been living in Dallas but was returned to Knox County to enter the hospital a week prior to her death.

Funeral services were held at 10 a.m. Monday from the First Methodist Church in Munday with Rev. H. Doyle Ragle, pastor of the First Methodist Church in Vernon and former pastor here, officiating. Burial was in Johnson Memorial Cemetery under the direction of McCauley Funeral Home.

Serving as pallbearers were James Amerson, Kenneth Baker, Gene Haynie, Don Haynie, Hilton Stubblefield and Jesse George Smith.

Pallbearers were all former pupils of Mrs. Ferguson when she taught in the Munday School. Mrs. Clements was born Minnie Geneva Rosser on March 1, 1873, in Georgia. She came to Munday in 1905 and taught school here a number of years. She married Rev. R. A. Clements in Munday on November 11, 1910. He preceded her in death in 1930.

Mrs. Clements lived in Munday most of the time until 1953, when she moved to Dallas. She was a member of the Methodist Church and was very active in several organizations of the church.

Survivors include one daughter, Mrs. Victoria Ferguson of Dallas; one sister, Mrs. Chas. Moorhouse of Munday; three grandchildren and six great-grandchildren.

Out of town relatives attending were Mr. and Mrs. Paul Ferguson and Mrs. Martha Singley and children of Dallas and Mrs. Edna Lawlis and daughter, Mignon, of Brady.

Tax Refund Claims Due September 30th

Farmers and ranchmen are reminded that claims for the Federal Gas Tax refund must be submitted before September 30, says C. H. Bates, farm management specialist, Texas Agricultural Extension Service.

This refund is on the four cents per gallon excise tax paid on gasoline and diesel fuel used by operators on their farms during the period July 1, 1962 to June 30, 1963, says Bates. He explains that this refund has no connection with the claim for refunds sent to the State Comptroller's office. The gasoline used on an operator's farm by custom contractors is also eligible for the refund, points out Bates, but fuel used in highway travel is not.

The special postcard form, 2240, is the proper one to use to submit fuel claims, says Bates, and they have been mailed to operators who reported in 1962. New farmers and those who have not received the Form 2240, may obtain them from the office of the county extension agent or the area offices of Internal Revenue Service, he says.

Bates reminds that claims are subject to audit, just as other reports submitted to the Internal Revenue Service, and records should be kept to support refund claims. The specialist emphasizes that the deadline for reporting claims is September 30.

Fields Serving On Polaris Submarine

USS THOMAS A. EDISON (FHTNC) — M. J. Fields, electrician's mate first class, USN, son of Mrs. Dessie L. Fields of Munday, is serving with the Gold Crew of the Polaris missile submarine USS Thomas A. Edison, which is preparing to depart on patrol.

It will be the third patrol for the Edison, a unit of the powerful nuclear deterrent, Submarine Squadron 14. The Edison is one of several submarines which carry the Polaris A-2 missile. The missile contains a nuclear warhead and can be launched while the submarine is still submerged. Each submarine carries 16 missiles.

Two crews, the Blue and the Gold, alternate duty aboard the submarine to enable her to meet her patrol commitments. While one crew mans the submarine, the other is in training ashore.

Dr. Anson Jones, last President of the Republic of Texas was also a physician and author.

Annual Meeting Of B-K Electric Set For August 22

Members of the B-K Electric Cooperative, Inc., have announced their annual meeting for Thursday, August 22, at the football stadium in Seymour.

Registration will begin at 6 p.m., and the meeting will be held at 7:30 o'clock. A number of gifts and attendance awards will be given away.

Musical entertainment will be furnished by Leon Miller and his six-piece orchestra, and principal speaker will be Tom Reavley of Austin.

All members and friends of the B-K Electric are cordially invited to attend this meeting.

Munday Sargeant In Carolina Maneuvers

WITH SWIFT STRIKE III FORCES in the Carolinas—Technical Sergeant Charlie R. Wilson, son of Mrs. Naomi Wilson of Munday, is one of the Air Force's Tactical Air Command (TAC) members now providing combat air support for ground forces in exercise Swift Strike III being held in this area through August 16.

Sergeant Wilson is an aircraft mechanic. He and other TAC personnel are flying and maintaining more than 500 combat and assault aircraft involved in the U. S. Strike Command training maneuver.

New techniques, concepts and equipment are being tested to better develop independent and centrally controlled tactical air power as the most effective means of supporting land operations. Air Force tactical air support will get emphasized attention during a special flying phase of the exercise.

Sergeant Wilson, whose wife is the former Naomi R. Gibbs of Amarillo, is permanently assigned to a TAC unit at Dyess AFB, Texas.

GIRL SCOUT LEADERS IN NEIGHBORHOOD MEETING

Mrs. Ruth Smithie of Wichita Falls, field advisor for NorCentTex Girl Scout council met for a neighborhood meeting Wednesday morning with the Knox City Munday group at the home of Mrs. Jesse George Smith.

BENJAMIN NEWS

Recent visitors of Mrs. Lillie Ryder were Mrs. Melvin Ryder and children, Paul, Reene and Melissa, of Gallup, N. M.; Mrs. Andy Brown and Sandra and Keath of Muleshoe; and Mrs. Jim Cash, Fred, Kerry and Trenna Ray of Gilbland.

visiting Mr. and Mrs. Bill Hamilton, other relatives and friends here this week.

Mr. and Mrs. William Ryder and daughter, Judy, visited Mr. and Mrs. Davie Oxford and son in Grand Prairie and Mr. and Mrs. Donnie Ryder in Denton last week.

Mrs. Bob Meinzer and children of Albuquerque, N. M., and Mrs. Verlin Miller and children of Al-

mogardo, N. M., are here visiting their parents, Mr. and Mrs. Orb Russell, other relatives and friends.

Rev. and Mrs. Lynn Wilson and children, Dannie and Sherry, of Olney visited with friends here Saturday. Sherry spent Saturday night with Mr. and Mrs. Pete Barnett and Mrs. Della Barnett and they and Mrs. Mary West accompanied her to her home in Olney Sunday.

Guest of Mr. and Mrs. William Ryder and Judy this week is her sister, Mrs. Fred Searcey, and granddaughter from Dallas.

Mr. and Mrs. Marvin Ryder of Wichita Falls visited his mother, Mrs. Lillie Ryder, here Sunday. Kay and Justin Jones accompanied them to Seymour to visit a few days with their grandmother, Mrs. Jones.

Mr. and Mrs. Nolan Parker and sons, John and Richard, of Stanton visited Judge and Mrs. L. A. Parker last week.

Mr. and Mrs. Bill Dodd, Charles and Deanne, spent the week end at the State Park in Brownwood. Mrs. Bill Dodd, Charles and Deanne, visited her parents, Mr. and Mrs. C. D. Hall, in Crowell last Wednesday.

Mr. and Mrs. Hester Hall and David Gentry spent the week end with their son, Donald Hall, and family in Odessa. Their daughter, Janis, returned home with them Sunday after spending several days in the home of her brother.

Mrs. Annie Mae Redwine of Savoy spent the week end with Mrs. Willie Redwine and Mr. and Mrs. James Redwine and son, and friends.

Carolyn Cook of Odessa is spending a few days in the home of Mr. and Mrs. Hester Hall and Janis.

Mr. and Mrs. Dave Nelson of Mt. Vernon spent the week end with Mr. and Mrs. Oscar Hudspeth.

Mrs. A. Golden left Monday to visit her mother, Mrs. Fuller, in McKinney.

Mr. and Mrs. David Kyle and children of Pueblo, Colo., visited

his mother, Mrs. Lizzie Kyle, here last week.

Mr. Oscar Hudspeth underwent surgery on his arm last week. He is doing nicely and will return home Tuesday.

Miss Pat Waldron, who has been in Fort Worth the past several days, returned home Saturday. She was accompanied home by her brother, Jack Waldron, and Buddy Sams of Fort Worth.

Mrs. Ruby Melton of Seymour visited with relatives and friends here one day last week.

Visitors in the home of Mr. and Mrs. Pete Barnett and Mrs. W. A. Barnett last week were Carl Howard of Lubbock, Carl and Weldon Motley of Olton and Mr. and Mrs. Jim Horton of Whitharrel.

LOCALS

Mrs. Ned Eiland and Mrs. James Carden and Mary Ann were in Dallas on August 3 where Mary Ann left by jet plane from Love Field for Chicago, Ill., where she is visiting her grandparents, Mr. and Mrs. A. Masiraz, and other relatives. She will return home on August 25.

Miss Linda Mahan of Abilene visited her grandmother, Mrs. Less Smith, this week.

Mrs. Dub Gresham and children visited her parents, Mr. and Mrs. H. D. Henson, enroute to their home in Wichita Falls from a vacation in McCamey, Odessa and Carlsbad Caverns.

Mrs. Claudia Rodgers left last Tuesday for an extended visit with Mr. and Mrs. Homer Glaze and Mr. and Mrs. Charley Griffith and families in Chula Vista, Calif.

Mrs. Aaron Edgar visited her sister, Mrs. Roy Rogers, and other relatives near Quanah last Sunday and Monday.

Mr. and Mrs. James David Gaither and sons of Shreveport,

La., visited Mr. and Mrs. J. W. Gaither, Mr. and Mrs. Bill Gaither and Mr. and Mrs. Lee Bruce last Saturday.

Mrs. Lee Bruce and her mother, Mrs. Bill Gaither, took Lee to El Paso on Friday, August 2, for two weeks of summer camp. They went on to Artesia, N. M., and visited with their grandparents and parents, Mr. and Mrs. Carl Jones. Enroute home they visited Mr. and Mrs. James Gaither and Tim in Lubbock.

Misses Debra Link of Brownfield and Cindy and Charmon Spann of Irving are spending this week with their grandparents, Mr. and Mrs. Oscar Spann.

Mr. and Mrs. Bob Shemanski of Dallas visited her grandfather, F. L. Bowley last Sunday. He returned home with them for several weeks visit.

Patte and Dicke Patterson accompanied their grandparents, Mr. and Mrs. L. B. Patterson, to San Antonio over the week end and they all attended a family reunion on a Dude Ranch near San Antonio.

Mrs. Mary Hill of Lubbock visited with friends here from Friday until Wednesday.

Mr. and Mrs. Scotty Ponder and Michael of Lubbock visited his parents, Mr. and Mrs. E. R. Ponder, last Friday night. They all left on Saturday morning for

Miss Jane Grammer And Jerry Thomas Burkett Marry In Ceremony At Lamesa

Miss Marilyn Jane Grammer of Lamesa and Jerry Thoms Burkett of Welch were united in marriage in the Grammer home Saturday, August 3, at 5 p.m. Rev. E. D. Landreth, pastor of the First Methodist Church in Lamesa, read the double ring rites.

The bride is the daughter of Mr. and Mrs. Jim Grammer of Lamesa and the bridegroom's parents are Mr. and Mrs. Rusty Burkett of Welch.

Traditional wedding music was presented by Mrs. Weldon Lindsey at the piano and accompanied John Fraser as he sang "Because" and "The Wedding Prayer." Kay Walker, cousin of the bride, from Fort Worth played the wedding march. Vows were repeated in front of the fireplace featuring an arch of greenery of lemon leaf and leather fern. White and apricot gladiolas interspersed the greenery. Tree candelabras flanked each side of the archway.

The bride was escorted and given in marriage by her father. She wore a floor-length all over chantilly lace over satin gown featuring fitted bodice with long sleeves tapering to petal points over her hands. The gown was enhanced with a scalloped neckline and four tiered skirt with chapel train accented with lace bows. Her veil of silk illusion was attached to a aurora borealis crown. For something old and borrowed, she wore a gold brooch set with pearls and diamonds belonging to Mrs. C. A. Eiland, aunt of the bride. Her wedding dress was new and she wore the traditional blue garter and penny in her shoe. She carried a bridal bouquet of gardenias and stephanotis atop a white pearl Bible which was a gift from her mother and father.

June Grammer, twin sister of the bride, was maid of honor. The honor attendant wore a silk organza paisley print in shades of apricot. The dress featured a fitted sleeveless bodice with a bell skirt. Her veil of silk illusion was topped by an apricot rose. She wore white accessories and carried a bouquet of cascading white pom pom mums.

Toy Fikes of Lubbock and Lynn Middleton of Lamesa, both cousins of the bride, served as train bearers. They wore identical dresses of apricot sheer batiste with sheer bodices and ruffled circular skirts. Their dresses featured crushed belts that were tied in the back with bouffant sashes. They wore white accessories and their headpieces were of bands of apricot roses.

Ray Burkett, brother of the groom, was best man with Mike Grammer, brother of the bride, Randy Eiland, and Bill Walker, cousin of the bride, from Fort Worth serving as ushers. Mike Grammer, brother of the bride, and Randy Eiland, cousin of the bride, lighted the candles.

Following the ceremony, a reception was held in the Grammer home. Assisting the couple in the receiving line were their parents, bridal attendants and the bride's grandparents, Mrs. G. R. Eiland of Munday and Mr. and Mrs. C. O. Fowler of Lamesa.

Others assisting the couple in the houseparty were Mrs. Kenneth Cox, Lorna Ferguson, Con-

nie Morrisett, Judy Burleson, Carolyn Crawley, Mrs. C. A. Eiland, Mrs. A. U. Hathaway of Munday, Mrs. Scott King of Lubbock, Mrs. Jay Fikes of Lubbock, Mrs. Marshall Middleton, Mrs. George Eiland and Mrs. J. N. Walker of Fort Worth.

The serving table was laid with an appliqued silk organza cloth and accented with crystal cut glass punch bowl and crystal appointments. The three tiered wedding cake with apricot and white roses was topped with a miniature bride and groom. Gold candelabras with crystal shaded prisms holding white tapers and an arrangement of apricot and white pom pom mums centered the table.

Wedding guests were registered from Fort Worth, Munday, Lubbock and Welch. The couple will make their home in Welch after a wedding trip to Colorado. For traveling, the bride chose an apricot, brown, and beige checked suit in silk organza featuring a pleated skirt and short fitted jacket. She wore bone accessories and a gardenia corsage from her bridal bouquet.

The bride is a graduate of Lamesa High School and the bridegroom is a graduate of Dawson High School. The bridegroom is presently engaged in farming.

Munday Couple Celebrate Golden Wedding August 11

Mr. and Mrs. M. W. Parks of Munday celebrated their Golden Wedding Anniversary with an open house in the home of their daughter, Mrs. Garland Heatley, in Breckenridge on Sunday, August 11, 1963.

The house was decorated throughout with bouquets of flowers with gold flowers predominating.

An all white tiered wedding cake and milk glass punch bowl graced the serving table, which was covered with a gold net cloth over gold underskirt decorated with gold felt and sequin wedding bells.

The register table was the same as the serving table except white bells were used for the decoration. The register book was white with gold trim and was filled with the names of some 120 guests.

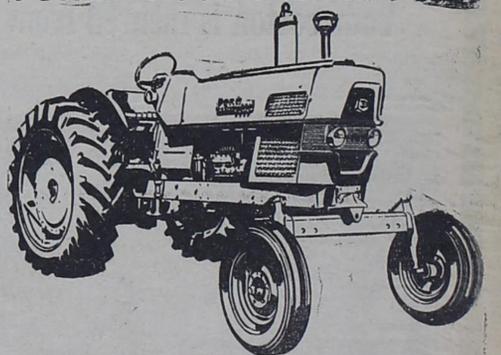

All the granddaughters took turns presiding over the register table, gift table and serving table. Along with the host of friends and relatives, all the immediate family were present except one granddaughter and family and one grandson and wife.

The hosts and hostesses were their children as follows; L. A. Parks and Mrs. Warren Rister of Munday, Mrs. Garland Heatley and Mrs. Ted Brown of Breckenridge and Mrs. Russell Bledsoe of Lamesa.

COKE PARTY HONORS MISS JUDY ANDERSON

Miss Judy Anderson was invited to attend a "Coke Party" at the home of Mrs. C. P. Baker last Tuesday morning. When Judy arrived she was surprised by approximately twenty of her friends honoring her with a kitchen shower. Mrs. Charles Baker was co-hostess.

3" stalks and brush—a cinch!

Heavy duty, for sure! Has been demonstrated on rows of 4" x 4" posts. Easily cuts tough growth like bois d'arc, salt cedar, broom corn. Yet, fits lighter tractors: 20 to 40 HP. Fine shredding. Optional shredding attachment features patented intermeshing blades, makes fine litter of cotton and grain stalks to turn under for soil enrichment. Cuts 60" swath.

Fan-type blades available to lift light materials like corn stalks off ground.

A-shaped blade carrier and free swinging blades protect against stump damage. Extra heavy blades and carrier develop tremendous momentum, are the secret of the efficient "gyro action" cutting.

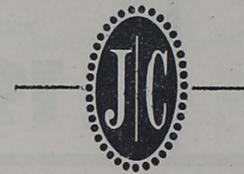

Also lift models and other sizes. 60" lift model fits all standard 3 pt. lift, 2 pt. Fast Hitch, and AC Snap Coupler. Larger models include 66", 84", 100".

Our New Gin Plant Is Ready To . . .

GIN YOUR COTTON

We started ginning on Friday, August 9, doing custom ginning for all cotton farmers, as well as members of Knox Prairie Seed, Inc.

Your cotton is insured from the time it is loaded on our trailer in your field.

One of Three Continental "Comet" Gin Stands

We Solicit Your Ginning This Season

Our plant is equipped with the very latest Continental machinery for all type of cotton—snapped, stripped and hand picked. Installed are the latest types of lint cleaning and seed handling machinery, as well as Continental "Comet" high capacity gins.

Our modern gin plant can process from 10 to 12 bales of cotton per hour very efficiently, and is the only gin in this area equipped for pure seed handling.

It has ample drying and lint cleaning facilities

—two stages of each, which can be controlled to give you the best turnout, along with better samples.

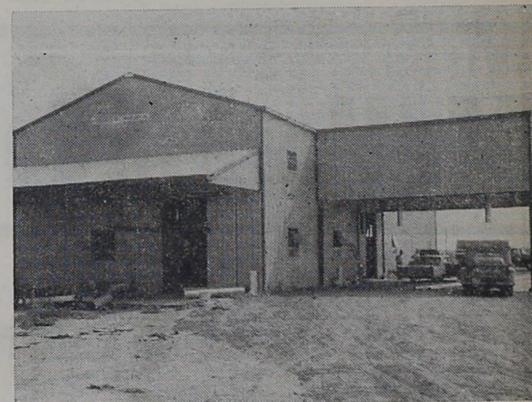

We are well pleased with the grade, staple and turnout from last year's operation. We have also installed two 14-ft. burr machines to better handle your tripped cotton.

Mr. Farmer, we have hand pullers, hand pickers and machine strippers and pickers available to you. Gin with us. You'll be pleased with our service!

Miss Judy Anderson Honored At Shower

Judy Beth Anderson, who will be married to John Walter Massey on August 24 at the First Methodist Church, was complimented with a gift party in the home of Mr. and Mrs. Dwight Key Thursday evening.

Mrs. Key received guests with the honoree; her mother, Mrs.

Jeff Anderson; Mrs. Joel Massey, mother of the prospective bridegroom, and Mrs. A. H. McMurry of Merkel, grandmother of the bride-elect.

The serving table was covered with an off-white cutwork linen cloth with a centerpiece of Happiness roses and carnations. Appointments were silver and crystal.

Mrs. Wayne Smith of Irving, sister of the future bridegroom,

registered guests. Misses Peggy Booe, Nancy Penick, Pat Penick and Jan Hawkins served, and Phylis Yost played piano selections throughout the evening.

Hostesses were Mmes. Dwight Key, Oscar Spann, Charles McCauley, Varney Moore, A. L. Smith, Edd Jetton, Oscar Cypert, Sargent Lowe, Charles Baker, Leroy Leflar, George Beaty, Tom Bullington, Billy Stewart, J. T. Offutt, W. R. Moore Jr., and Russell Penick.

Mr. and Mrs. Tom Morton took Mrs. Clayton Wren and Erwin to Lubbock last Sunday where they are visiting Mr. and Mrs. Oscar Pollard this week. They also plan to visit Mrs. Juna Williams in Ballinger.

Dr. and Mrs. Willard Reeves and sons, Lynn and Sam, who have been living in Louisville, Ky., came in last Thursday and remained until Wednesday for a visit with his parents, Mr. and Mrs. J. E. Reeves. They will return to Williamsburg, Ky., where Dr. Reeves will be associated with Cumberland College.

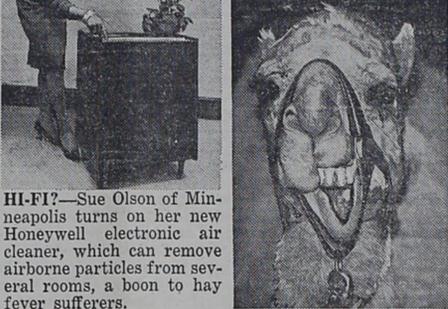

Mr. and Mrs. Jesse George Smith returned home on Wednesday of last week from a vacation in Waco and Dallas.

Mrs. Joe Ward and Timmy of Blackwell visited last Wednesday with Rev. and Mrs. Jesse Dea and family.

Visiting the George Nix home Sunday night were Mrs. Nix's sister and husband, Mr. and Mrs. Bob Skains of Dallas.

Mr. and Mrs. Tom Cloud and family visited her sister, Mr. and Mrs. Gene Shackelford and family in Stamford Sunday. They enjoyed a birthday dinner in honor of Vicki Shackelford birthday.

Mrs. Nell Stratton is visiting her daughter and family, Mr. and Mrs. Norman Frey and Mike, in Littlefield this week.

Mr. and Mrs. Roy Parker of La Habra, Calif., visited from Saturday until Monday with Mrs. I. J. Troy.

Mr. and Mrs. Glenn Russell and Glenn Jr., of Weatherford and Mr. and Mrs. Jack Elliott of Abilene visited Mr. and Mrs. Dewey Struck and family Sunday.

Mr. and Mrs. Billy Lee Lambeth and daughter of El Paso visited his parents and other relatives here last week.

Mrs. Christine Moore of Wichita Falls visited from Thursday until Saturday with her mother, Mrs. Nell Hargrove.

Mr. and Mrs. J. C. Watson and family, Mrs. Lloyd King, Eddie

and Gary, Mr. and Mrs. P. H. Rounton and Mr. and Mrs. Vernon Rounton attended the Smith reunion at the Clapp Park in Lubbock over the week end.

Mr. and Mrs. Wayne Feemster and family of Hurst spent the week end with her mother, Mrs. W. E. Blankenship and family.

Mrs. Roy Purdue of Grand Prairie visited with her parents, Mr. and Mrs. H. W. Moore, Saturday.

Mr. and Mrs. Orville Kinnibrugh visited her sister and husband, Mr. and Mrs. Luther Williams, Saturday night.

Visiting Mr. and Mrs. Archie Struck and family Sunday were Mr. and Mrs. Jack Evans of Plainview and Mr. and Mrs. Bill Cavender of Odessa.

Mr. and Mrs. W. L. Dea and grandson of Altus, Okla., are visiting their son and family, Rev. and Mrs. Jesse Dea, this week.

Mr. and Mrs. Jimmy Massey and Phillis of Wichita Falls visited Mr. and Mrs. LeRoy Brooks on Lake Kemp over the week end.

Mr. and Mrs. Jack Steward, Pat and Tonya, are visiting her sister and family, Mr. and Mrs. Boyd Baker and children in Amarillo this week.

Mr. and Mrs. S. R. Hudson and Ray visited their daughter and family, Mr. and Mrs. Tommy Hattox and Lynette in Irving several days this week.

Mr. and Mrs. Herbert Struck and family, Mr. Dewey Struck and children, Mr. and Mrs. Philip Struck and family and Mr.

and Mrs. Archie Struck and family and Mrs. Charlene Guier of McDermitt, Nev., attended the Struck reunion at the Seymour Park in Seymour Sunday.

Mrs. Dan Rounton of Farwell spent the week end with her daughter and family, Mr. and Mrs. J. D. Hicks and Donald Lynn. Donald Lynn returned home with his grandmother for a visit.

Jackie Barger of Hardin-Simmons, Abilene, spent the week end with his parents, Mr. and Mrs. Everett Barger.

Mr. Van Thornton and his sister, Mrs. Helen West of Ft. Worth, and Mrs. Winnie Meads of Seymour returned Monday night from an eight day vacation trip to the New Mexico mountains near Cloudcroft. They also visited the Ruidosa Downs, the Indian Reservation at Mescalero, the White Sands, the Sun Spot, Jaurez, Old Mexico and in El Paso. They also visited with Mr. Lem Coltharpe, a pioneer resident of this area, while in Ruidosa. They report a very enjoyable trip.

Mr. Fred Lain of Midland visited his mother, Mrs. W. R. Lain and other relatives here Monday night.

Mr. Charles Wendell Atkinson of Houston came Monday after his children, Jerry Dan, Marriann and Scott who had been visiting their grandparents, Mr. and Mrs. L. L. Atkinson and Mr. and Mrs. Walter Coffman for several weeks. They returned home later in the week.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963.

SENATE JOINT RESOLUTION NO. 16 proposing an amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Three Hundred Fifty Million Dollars (\$350,000,000.00); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Three Hundred Fifty Million Dollars (\$350,000,000.00) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Two Hundred Million Dollars (\$200,000,000.00) of which have heretofore been issued and sold. Such bonds or obligations shall be sold at not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, which phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half percent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by said Board, be approved by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or pur-

chasers, be incontestable and shall constitute the legal obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party, a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board until the sale price thereof, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such lands to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformity with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the

principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys to satisfy the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased by said Board as a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands not so contributed to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law, to any veteran who served not less than ninety (90) continuous days, unless sooner discharged by reason of a disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1945, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, advertising, and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, and sold by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1945, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing lands, to be sold as provided herein, until December 1, 1965; provided, however, that all such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon, and when there are sufficient moneys to retire all of such

bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of bonds heretofore issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds heretofore issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$150,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1945; such funds to be expended in accordance with the restrictions and requirements that may be provided by law; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$150,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1945; such funds to be expended in accordance with the restrictions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and shall be effective as set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

Section 4. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

Section 5. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

Section 6. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

Section 7. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

Section 8. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

Section 9. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

Knox Prairie Philosopher Willing To Take On The Rain-Making Job If He Is Given Wide Enough Territory

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek must need a rain, his letter this week indicates.

Dear editor:
According to an article I ran across in a newspaper which a dry August wind blew across my front screen door and which I pulled off as fast as I could because it was stopping what breeze there was, a scientist claims that rain-making is now within the reach of man but before he goes any further we've got to have a sort of Rain Commission to decide where and when a rain should be produced, for legal protection.

Regardless of how dry it is in any given spot, he said, some farmer can always be found who doesn't want it to rain at this particular moment, he's still got a crop he's gathering and next week would be a better time.

Therefore, he claims, we need a National Rain Commission to decide when the majority need a rain, then turn it on, regardless.

This seems to me to be just another example of needless government spending. There's no need to set up a government bureau. I can handle this job on my own. It's a job for private enterprise.

If the government will stick to drought relief and turn all the rain over to me, and let me make a nominal charge, I will contract to make it rain everywhere. It's volume that counts.

My charge would be one cent per acre for every acre that gets as much as one inch, and where's the farmer needing a rain who wouldn't pay a penny an acre for an inch?

I might not be able to please everybody, even a President can't do that, but I doubt if a week would go by when I didn't produce rain somewhere in the United States. Oh I know there'd be soreheads in drought areas complaining I was neglecting

PUBLIC NOTICE
Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963. SENATE JOINT RESOLUTION NO. 1 proposing an amendment to Sections 2 and 4 of Article VI of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 2 and 4 of Article VI of the Constitution of the State of Texas be amended to read, respectively, as follows:

"Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this state one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that any member of the Armed Forces of the United States or component branches thereof, or in the military service of the United States, may vote only in the county in which he or she resided at the time of entering such service so long as he or she is a member of the Armed Forces; and provided further, that before offering to vote at an election a voter shall have registered if required by law to do so. The Legislature may authorize absentee voting. This Amendment shall take effect on December 1, 1963.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the state at an election to be held on the first Saturday after the first Monday in November, 1968, at which election all ballots shall have printed thereon the following:

"FOR the amendment of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters."

"AGAINST the amendment of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters."

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

Farm Facts

An annual crop of 200,000 tons of raisins is produced in this country. This, according to the California Raisin Advisory Board, accounts for half the world's supply.

The industry, upon which some 100,000 persons depend for their livelihood, is located in the San Joaquin Valley of California. This is the only spot on this continent where the exacting requirements for growing raisins—a rainless summer, consistently sunny skies and hot, but not too hot, weather—are met. It is one of the few spots in the world so blessed.

The raisin vineyards, most of them growing the Thompson seedless grapes from which dark, or natural, raisins are made, are located entirely within a 75-mile radius of Fresno.

Late frost, early rain, or excessively hot weather can ruin a raisin crop. The raisin farmer gets the jitters around

The U.S. produces 1/2 the world's supply of raisins.

the first of September. He must leave the grapes on the vine long enough to sugar well; yet, if he is too late in putting them down to dry, the fall rains may catch him and ruin the crop on the ground.

the chemical containers and consult with those who have had experience with weed killers, he said.

LOCALS

Guests of Mr. and Mrs. Herby Peek last week were her mother, Mrs. Nora Owens, and brother and family, Mr. and Mrs. Thomas Heard Owens and sons, Tommy, Jr. and Steve, all of El Cajon, Calif.

Don Haynie visited Mr. and Mrs. Joe Mac Hill and son in Lubbock a few days this week.

Mr. and Mrs. Charles Kotulek and daughter of Odessa spent last week with their parents, Mr. and Mrs. Charley Kotulek in Seymour and Mr. and Mrs. C. J. Albus and children in Rhineland. Richard Albus returned home with them for a week's visit.

Mr. and Mrs. Earl Ray Ingram, Dianne and Tommy, of Dallas visited Mr. and Mrs. D. A. Melton, Mr. and Mrs. Edward Melton and Mrs. Sidney Winchester several days this week.

Mr. and Mrs. Riley Bell spent last Thursday and Friday visiting in Medina and Kerrville. Their daughter, Vickie, returned home with them after spending two weeks at Texas Lions Camp in Kerrville.

Jimmy Bell of Abilene was a business visitor here last Monday. He also visited his mother, Mrs. Jim Bell, and other relatives.

The heart, a muscular pump about the size of a man's fist, daily drives five to ten tons of blood through the arteries and veins.

FOR SALE—One female Boston Terrier screw tail, perfectly marked. Ralph Glass, phone 2286. 1tc

LONE STAR AGRICULTURE

Inexperience Kills Crops

Absentee ownership and "week-end farmers" have created a unique problem in Texas agriculture this year.

Already this season, some 7,000 to 8,000 acres of Texas cotton has been affected by damaging doses of hormone-type herbicides such as 24D and 245T. Field investigations by Texas Department of Agriculture inspectors reveal most of the effect is caused by "new" or part-time farmers who are not acquainted with the dangerous potential of the chemicals.

Modern herbicides have been a real boon to farmers and ranchers in recent years in the constant fight against choking weeds and moisture-sapping brush. But when mishandled, the chemicals can be as harmful to susceptible crops as a raging fire. It has taken several years of experience with the herbicides by farmers and commercial applicator companies to develop proper safety techniques in field operations.

Under certain wind conditions, the spray has been known to drift and cause noticeable damage to crops as far as 15 miles away.

This year, a new pattern of crop damage from the careless use of weed killer chemicals emerged. Investigators checking field damage reported that most of the careless spraying had been done on Saturdays and Sundays. They immediately set out to discover why these two days of the week resulted in more damage reports than the other five. The answer wasn't long in coming. A survey of land adjacent to the affected crops revealed that the spraying had been done by persons who had only recently become acquainted with the herbicides. In most cases, these were landowners living in the city who had applied the chemical during week end visits to the property, or they had ordered their tenants to do the spraying.

The Texas Department of Agriculture teams made certain the absentee owners quickly became acquainted with the dangerous power of the chemicals and instructed them in safe usage.

Some areas, but not all, of Texas are in a regulated zone where the use of weed killers is strictly supervised. In the regulated areas, spraying must be applied only under the direction of TDA personnel. Most of the damage occurred, however, in areas that are uncontrolled.

Commissioner John C. White has urged new landowners to use extreme caution in herbicide applications. Follow directions on

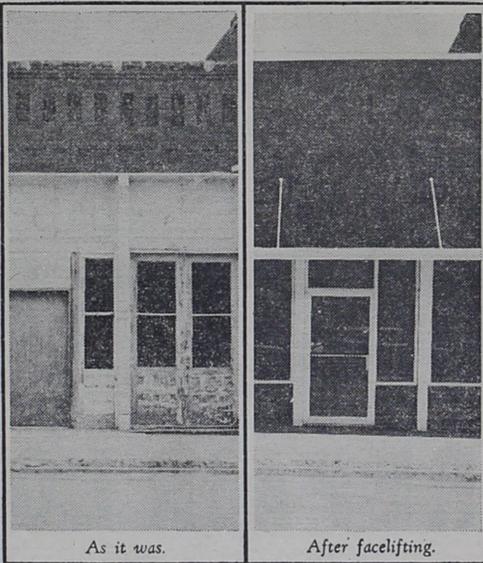

Notice, Parents

Those who desire to enroll your child in kindergarten and have not contacted me, please do so during the week of August 19-23.

GENERAL TELEPHONE TOWNS ON THE MOVE

Wylie prepares for more growth

When Wylie, Texas planned civic improvements, its progressive citizens went all the way. Showing a population increase of 34% over 1960 census figures of 1804, Wylie set out to prepare for even more growth.

They launched a street paving program, downtown business modernization, construction of a new school, new bank building, new residences and a new post office.

This combination of public and private improvement is well under way today,

as shown in the "before and after" facelifting photos above. The Wylie story is another reason we say big things are happening in General Telephone towns.

These towns are on the move. Community improvements are under way, local resources are being developed, new businesses, new industries are coming in. If your town seeks additional information about expansion, perhaps we can help. Just write our Community Development Department, Box 1001, San Angelo, Texas.
