## WASHINGTON News Letter

By W. D. McFarlane, M.C.

### Adjusted Service Certificates

Most of the week beginning March 18 was devoted by the House to the consideration of the question of payment of the balance due on the Adjusted Service Certificates. Tuesday, March 19th, the Patman Bill advocates won their first victory when the House adopted without a record vote a rule that insured a vote on the Patman Bill, H.R. 1. All of Wednesday was devoted to a continuation of the debate and discussion with both sides striving for votes. The first real test came Thursday with a motion to substitute the Patman Bill for the Vinson Bill which has been reported by the Ways and Means Committee. A standing vote of 183 to 142 gave the Patman Bill a comfortable lead at first. But a teller vote was taken with the result of 180 to 157 in favor of the substitution. The Vinson Bill advocates then demanded a roll call which sustained the motion by 202 to 191, a majority of only 11 votes. The most intense part of the fight developed Friday when Congressman Vinson was recognized to make a motion to send the bill back to the committee. At the end of the roll call the vote stood 204 to 204 and Speaker Byrnes promptly voted for the recommitment. Cox of Georgia then switched his vote from "present" to "nay" thereby creating another tie and before the House knew what was happening, Oliver of Alabama switched from "aye" to "nay" and Summers of Texas switched from "present" to "nay" thereby defeating the motion to recommit by 204 to 207. The final vote on the measure for passage was 318 to 90.

### Works Relief Bill

Just as the House has been devoting a major portion of its time to the Adjusted Service Certificate question, so has the Senate been working constantly on the Works Relief Bill. Tuesday, March 19th, a determined drive was begun to get the huge appropriation. Senator Byrd first offered an amendment proposing a pruned of \$1,800,000,000 the proposal was immediately defeated. Senator Adams then proposed to pare the total to \$2,000,000,000 and limit the act to one year instead of two, but both of these were defeated 57 to 30. Wednesday one amendment was adopted allocating \$4,000,000,000 for schools. Thursday, Senator Borah offered an amendment to restore the anti-trust laws but this also was defeated. Friday Senator Thomas started a filibuster for a silver inflationary measure and addressed the Senate for almost six hours. When he had finished various threats of a real filibuster began to appear and the angry majority leader threatened to invoke the cloture rule, however, the Senate met Saturday and finally passed the measure 68 to 16. It now goes to conference to work out the differences.

### Next Week

The tentative program for the week beginning March 25th has been set as follows:  
Monday the air mail bills will be considered; Tuesday, consideration of a rule to amend the Private Calendar and if this can be disposed of quickly the House will take up the troublesome question of the elimination of profits of war as given in the Navy Bill, H.R. 5529; Wednesday, District of Columbia Bills, and Friday the Private Calendar will be taken up as it has on it already more than 300 bills. No action has been scheduled for Saturday as yet.

### CHURCH OF CHRIST

Elder J. E. L. Harrison of Holiday will preach at the Church of Christ at both the morning and the evening hours on Sunday, and a most cordial welcome is extended to all to attend these services.  
A special feature of the evening service will be several numbers by the girls' quartette of the Church of Christ at Holiday, and this feature will be a most enjoyable one.

### ATTEND ANNIVERSARY DINNER

Mr. and Mrs. S. E. McStay and Judge D. C. Osborne were in Rayland Sunday where Judge Osborne was one of the honor guests at the 30th wedding anniversary dinner of Mr. and Mrs. Frank Lambert. Judge Osborne performed the wedding ceremony for this couple at Whitteboro 35 years ago. Twenty-five guests were present for this anniversary celebration and dinner.

## 25 Movie Stars!

PRESENTED AT COMMUNITY AUDITORIUM AT A BIG SHOW "THE WOMANLESS WEDDING"

Dolf Eiland, the bride, and Rid Campbell, the groom, will be united in the terrible bonds of matrimony on TUESDAY EVENING, April 2nd, at the Community Auditorium at 8:15 sharp. Admission 10c and 25c.

The bridal party consists of—  
Mother—J. A. Caughran  
Father—Jess Kennedy  
Little Nell, sister of the bride—Mr. Parker  
Little Grace, sister of the bride—Mr. Coody  
Ring Bearer—Dorse Rogers  
Train Bearer—Sebern Jones  
Flower Girls—Keith Meador, Bill Billingsley, Dick Rayburn, Albert "Boogy" Aycock, Sidney Lee, Vincent Lane.  
Butler—M. F. Billingsley  
Minister—Harvey Lee

Arrangements have been made for many of the notables to be present, including: "Two-Gun" Buck Jones—L. M. Palmer; Greta Garbo—J. Horace Bass; Zazu Pitts—L. S. Hardigree; Mae West—Vinton Tiner; Shirley Temple—Billy Arthur Lee, also Mutt—John Spann; Jeff—Jimmie Harpham; Popeye—John Easley.

We are also adding a touch of Grand Opera, as Geraldine Farrar—U. R. Houser—will favor us with a few selections.

### UP AT THE METHODIST CHURCH

We had the most representative congregation last Sunday at 11 A.M. that we have had during the present conference year. That is, we had more families of the church represented in the congregation. Had 174 in Sunday School; would have had 250 if all the folks in the church that need to study the Word of God had been there. The fellow that knows the least about the Bible cares the least for it.

It is amazing how ignorant of the Bible the average man and woman is that have average intelligence. Subject sermon next Sunday 11:00 A.M. Why Have the Church, Any way? The pastor has in mind all of his membership in the preparation of this sermon. An important announcement will be made at the close of the sermon.

Subject at 7:45 P.M., THE PROBLEMS OF YOUTH.  
The pastor is much pleased that the Baptist have decided to hold a Pre-Easter Meeting at the same time the Methodist are to hold theirs.

A solid front and united action mean much in any kind of community work.  
GEO. S. SLOVER

### RHINELAND

The trustees are having a new curtain hung in the auditorium within the next week or two. We are very anxious to get it. Our old curtain was ruined by water. Lightning struck the school building several years ago and damaged the roof, allowing water to run into the building.

The parts of the Senior play were given out this week. The name and date of presentation will be announced later.

Messrs George Wilde and Chris Birkenfield spent last week end in Wichita Falls.

Messrs Clement and Pete Albus and Tony Peyton visited on the Plains last week.  
Mrs. Fidelia Moylette visited in Dallas and Fort Worth last week.  
Messrs John and Robert Schumacher and Miss Leona Schumacher visited in Abilene last Saturday. They were accompanied home by Miss Veronica Schumacher.  
Mr. George Wilde left Thursday for Nashville, Tennessee, where he will attend a mechanical school.

## Mayes, Mansell, Borden Drafted City Aldermen

In response to a petition graciously signed by a large number of Munday citizens Messrs C. L. Mayes, Tom Mansell and J. C. Borden have consented to have their names placed on the city ballot for Aldermen in the city election to be held next Tuesday.

Two of these gentlemen have had previous experience on the council and citizens who have interested themselves in procuring their consent to be candidates feel that their long experience in handling the city's affairs will prove helpful during these trying times when financial barriers are difficult to overcome.

Following is the petition which has brought forth their consent to become candidates:

To Messrs: W. H. Atkinson, J. C. Borden, C. L. Mayes.

Gentlemen: We the undersigned request that you submit your names for Aldermen in the coming City Election and we assure you of our support.

We think it the duty of each and every citizen to serve on the council one term each and to rotate the service in order that no undue burden will be placed on anyone. It being our desire to make the City function in a way that will meet with the approval of everyone and give everyone a chance at the management, to the entire satisfaction of all.

SIGNED: John C. Spann, Tom Haney, W. R. Moore, G. W. Haney, Lee Hixson, Mrs. Jack Mayes, Mrs. E. Dickerson, Mrs. Jack Mayes, Mrs. Ike Hoskinson, E. E. Chamberlain, A. C. Brock, D. T. Mauldin, Floy Mauldin, S. D. Smith, U. W. Wilson, Sidney Lee, H. E. Stubbiefield, C. M. Brown, W. A. Isbell, Henry Flowers, J. H. Yarbrough, H. D. Warren, A. B. Warren, Troy Warren, J. W. Beaver, W. B. Tomlinson, J. F. Lowrance, Eddie Johnson, James Rayburn, U. R. Houser, H. F. Barnes, Jack Mayes, W. H. Chapman, J. C. Campbell, W. M. Huskinson, R. G. Campbell, Oates Golden, J. Horace Bass, Mrs. H. F. Barnes, L. R. Williams, M. L. Joyce, C. C. Pippin, A. L. Maples, E. H. Bauman, Mrs. E. H. Bauman, Paul Mansell, U. G. Richards, Leland Hannah, M. F. Billingsley, J. A. Caughran, Mrs. W. E. Braly, Ira Bowden, G. A. Blanton, W. E. Braly, G. R. Eiland, Howard Collins, John Ed Jones, Burnice L. Bowden, J. A. Kennedy, Fred Broach, J. L. Stodghill, P. V. Williams, R. B. Bowden, Joe L. Mayes, J. V. Easley, Scott Ford, Nick Peyson, Sid Wahed, J. D. Kethley.

When the petition was presented to him W. H. Atkinson refused to become a candidate and prevailed upon Tom Mansell to take his place on the ticket, hence the ticket will bear the names of these three gentlemen and possibly others.

Of the three members of the council whose terms expire next week, two have definitely refused to become candidates for re-election, Messrs H. F. Barnes and J. C. Campbell, however, Alex Jones, the other member has stated that he will likely be a candidate to succeed himself.

### "Texas Under Six Flags" Illustrated Lecture Next Week

Mr. Chas. W. Hodges of the Historical Lecture Bureau, Waco, Texas, will present his wonder map of "Texas Under Six Flags" at the Community Auditorium next Wednesday afternoon at 3:30 o'clock. The presentation was obtained for the special education of the school but all are invited. The admission will be ten cents.

In giving the lecture, Mr. Hodges uses a remarkable, illuminated map of Texas. The map is eight by ten feet in dimensions, has 62 separate circuits and over 240 separate lights. The lecturer traces the history of Texas in a most graphic way by using the lights. Those who have heard and seen the presentation say it is the most interesting and educational attraction they have experienced.

Time—three-thirty o'clock next Wednesday afternoon.  
Place—The Community Auditorium.  
Admission—Ten cents for all.

Oral Jones, vice president of the Citizens National Bank of Wichita Falls of H. A. Pendleton, Jr. of the same institution were business visitors in Munday Thursday.

P. W. Bryan, who has been ill with pneumonia the past week, is reported to be getting along very well.

## Applications Seed Loans May Be Made At Benjamin Office

Applications for Seed Loans are being taken for Knox County by Glen T. Burnett Committee Clerk at the Relief Office in Benjamin, Texas. These loans are for non-rebel farmers only and are from a special fund made available by the Federal Emergency Relief Administration for seed for spring planting of truck, forage and commercial crops.

These funds have been made available to meet the emergency created by lack of funds of Emergency Crop and Feed Loan section of the Farm Credit Administration and will be discontinued when, and if, that office makes crop loans.

No loans will be made to farmers who are able to obtain credit locally or elsewhere.

The same County Loan Committee will serve this loan that has heretofore functioned for the Crop Loan Office.

The farmer who is on relief receives the necessary funds to finance his crop through B. K. Webb Rural Supervisor who has an office at Benjamin, Texas.

Crop mortgages, non-disturbance agreements on work stock, and crop waivers are necessary in all cases. This loan is to permit the immediate planting of food, feed and commercial crops.

### Cartwright News

The farmers were very glad to see the nice rain which fell last Thursday night.

Mr. A. D. Wallace has been visiting his mother, Mrs. Wallace, who is ill in the home of her daughter, Mrs. Felix Franklin.

Mr. and Mrs. Melvin Cooksey of Goree visited in the home of her father last Saturday afternoon.

Mr. J. A. Hill and family spent the week end with Mr. and Mrs. Claude Hill of Thorp.

Relatives from Threeknots spent the week end with J. W. Kemp and family.

Mrs. Emma Hill and Mr. and Mrs. Delmar Hill of Munday visited in the home of A. M. Searcy Saturday night.

Mr. and Mrs. J. W. Davis visited relatives at Haskell last Sunday.

Mr. and Mrs. Cecil Galley and Miss Lily McAfee spent Saturday night in the home of Mr. and Mrs. Whitt Gully.

Lloyd Hicks visited relatives at Goree last week.

Mr. Bruce Dobbs and family spent Sunday afternoon in the A. M. Searcy home.

Our school won several first and second places in the interscholastic league meeting which was held at Truscott last Friday and Saturday.

Elizabeth Ann Smith is ill at this writing.

Relatives from Goree visited in the home of Oliver Hicks last Sunday afternoon.

### Lake Creek News

There was no school Friday of last week. We went to Haskell to the County Meet. The choral singers took first place, the rhythm band took third place and the sixth and seventh grade spellers took third place. The fifth grade spellers did not place. There was no school Tuesday due to the fact that the baseball boys went to Cottonwood to play ball.

Pauline Frost who has been sick for about a month is back in school this week.

Mr. and Mrs. Archie Yarbrough spent Saturday night and Sunday with Mr. Lloyd Lemley.

Mr. and Mrs. S. E. Kitchens spent Saturday evening with Mr. and Mrs. J. M. Voyles.

Jewel Lemley spent the week end with Bulah Mae Voyles.

## OBSERVER

THIS MECHANICA AGE, AND WHAT OF IT

Machinery has no sense, no reasoning power, no moral nature. It is totally irresponsible, still it is doing so many things that affect our whole being. You can't educate it or teach it morals.

From the time Observer first saw a McCormick binder tie a knot around a bundle of wheat until he looked on the combine that did the whole thing, leaving the grain sacked in the field or poured in a wagon, he wondered what was going to be next.

We now see machinery doing so many more things, we are still wondering what is going to be next. We not only have the fast train, the fast automobile and the airplane but now it looks like we are going to have a successful Robot driver of the airplane. It is now being planned to try out robot flights of hundreds of miles. The time doesn't seem far away when an airplane can be hooked up to a mechanical driver to rise in Berlin, drive over London, Paris or Rome, Italy, drop bombs or release poison gas of sufficient quantities to destroy any of these cities and return to its home base.

This leads us to say, with the mad frenzy in Europe today about war, its equipment as far as finance and man power will permit, portends a great holocaust. It may sound alarming, but conditions in various directions threaten civilization, as we know it at present.

Racial and national prejudices and hate of long standing control reason and common sense. That intelligent humanity would build great death-dealing machines and put them in operation against one another, where there is, and can be no personal hate, is inexplicable to the thinking decent man. If this is not to be the sickening sight upon which we are to gaze, all signs and indications will have to reverse themselves.

Yes, there is the dread of war. Yes there is an experience of war that tells of its inexplicable horrors to the combatants, non-combatants and the generations to follow. The history of untold financial distress and suffering, yet the spirit of the god of war is dominating a large part of the human race.

Lack of the sinews of war must have its restraining effect as well as control to some extent the effectiveness of the nations engaged, but your Observer is glad that a good big pond is between us and Europe and that poison gas and robot pilots will have a good distance to come.

The observance of one sentence would solve the whole problem. "Do unto others as you would have them do unto you." Then there would be peace on earth and good will toward men. We could beat our hellish implements of war into implements of industry. We would know war no more and have a brotherhood of all nations.

But the machinery itself has no character, has not sympathy, it will crush out the hearts of the womanhood of all nations and run ruthlessly over children's unprotected bodies.

And yet American citizens will manufacture these implements of destruction, purely to make money.

Our own nation, supposedly a Christian nation, is armed to the teeth and we are spending 80 per cent of our income on wars, past, present or preparation while a large part of our population are underfed and many ragged and hungry.

What Makes A Nation Great? Not serried ranks with flags unfurled.

Nor armored ships that gird the world.

Not hoarded wealth nor busy mills, Not a cattle on a thousand hills, Not sages wise, nor schools nor laws, Not boasted deeds in freedom's cause—

All these may be, and yet the state in the eye of God be far from great.

That land is great which knows the Lord,

Whose songs are guided by His word, Where justice rules 'twixt man and man,

Where love controls in art and plan, Where, breathing in his native air, Each soul finds joy in praise and prayer—

Thus may our country, good and great, Be God's delight—Man's best estate.

### CANDIDATES FOR OFFICE OF ALDERMAN MUST FILE APPLICATION THIS WEEK

Candidates for the office of Alderman of the City of Munday must file applications at the office of the County Clerk on or before Saturday at 5 o'clock March 28th.

### METHODIST W. M. S. TO HAVE CAKE SALE HERE SATURDAY

The members of the Woman's Missionary Society of the Methodist Church will conduct a cake sale at the Holder Grocery and Market Saturday, March 30th.

**KNOX COUNTY'S PERMANENT SCHOOL FUND**

County Superintendent J. Lyndal Hughes has been making an effort to have the permanent school fund of Knox County invested in revenue bearing bonds, but so far has been unsuccessful in his efforts.

In conversation with Mr. Hughes some days ago he stated that there was a total of \$13,312.00 in this fund which is lying idle in the county depository, and upon learning that this fund was bearing no interest he took it upon himself to get in touch with bond buyers with a view of placing this fund where it would be perfectly safe and at the same time yield revenue to the fund, and in response to his efforts he has received an offer of \$9,000.00 in bonds of the Rhineland school district at par, the issue bearing 5 per cent, and at a recent meeting of the Commissioner's Court a motion by Commissioner Jones proposing that the securities be purchased died for lack of a second. Another motion by Commissioner Jones that the funds be invested in securities that were entirely acceptable to the court also died for the same reason.

When it is considered that the investment of this fund in safe and sound securities such as are the bonds of the Rhineland school district, which have never defaulted, and that 5 per cent interest on the \$9,000 issue tendered would bring to the fund \$480.00 per year, it is in-

Our school was well represented at Truscott Friday and Saturday. The following places were won in literary events:

Senior spelling, first place, Elizabeth Larp and Juanita Forehand.  
Senior boy's declamation, first place, Jack Frost.

Junior boy's declamation, first place, Howard Payne Shannon.  
Extemporaneous speaking, second place, Margaret Shannon and Woodrow Myers.

Picture Memory, first place, Joe Clifford Gray, Kenneth White, Eliza Frances Moore and Rachel Strickland.

Grade school spelling, first place, E. G. Parkhill and Virginia Mae Parkhill, second place, Jackson Allen, and Jennie Smith.

Arithmetic, second place, Virginia Mae Ivy and J. E. Hunter.

These places were won in track events:

120 yard hurdle, third place, Lloyd Walker.  
880 yard run, second place, Leland Crouch, third place, Rogers Curry.  
220 low hurdle, third and fourth place, Elwood Hackney and Garland Forehand.  
440 yard dash, first place, Herman Reeves.  
220 yard dash, fourth place, Herman Reeves.

100 yard dash, first and third, Arvel Strickland and Leroy Lain.  
440 yard relay, third, Sunset.  
Running high jump, tie for fourth, Strickland.

Chinning bar, first and second, Woodrow Myers and J. B. King.  
Running broad jump, fourth, Strickland.

We are exceedingly proud of our students and our school. We hope we may continue to do this well.

**HOWARD'S EAGLE CRY**

Our contestants in the annual county track and field meet at Truscott last Saturday let the other schools know that Sunset was still

dead difficult to understand the action of the court in refusing the offer, and it is even more difficult to understand why \$13,312.00 is allowed to lie idle which, if invested in 3 per cent securities, would yield \$660 to the school fund, and which at the present time is yielding absolutely nothing.

on the map.

Our senior boys won 45 points, being defeated by Knox City, who won 50 points. The high school junior boys won 14 points, being defeated by Munday junior boys who won 34 points. The ward school junior boys won 25 1-2 points, defeating the Knox City junior boys who won 25 points.

The winners will continue training and enter the district track and field meet at Breckenridge.

The ones that won a first or second place in the county meet will participate in the state track and field meet at Denton.

Our junior boys will start practice in playground ball and participate in the county meet which is to be held in April.

The girls are continuing practice in volleyball. They have played several practice games. They were defeated by the Throckmorton girls last week in a practice game.

Mat Verhalen and Garland Forehand represented Sunset in Tennis on Monday at Knox City. They were defeated by Truscott. However, Mat Verhalen will represent the school in singles.

**SENIOR REPORT**

Did you know that: Eina's face was almost as red as her dress Sunday. We wonder why? Rex has a new car? (At least it is new to him.)

Drucilla has changed her motto from "When it rains, it pours (Morton's Salt)" to "Go preach the Gospel!" Ask her why.

J. C. is an old maid? We heard that Herman and Rex are going to get to go to the show one time without paying, but they certainly did have to work on their debate. (Drucilla and Eina might furnish a little information along this line.)

Here is some more low-down on

our Seniors: May I introduce to you all Mr. Howard Coleman Voss? Howard C. Voss

Howard tells us that he discovered American in 1913 at Stephenville, Texas. He moved from there to Weimer, Texas, and lived four years. From there he moved to Lone Star, where his school days began. He attended the Lone Star school one year and went from there to Gillespie where he attended until the four schools consolidated under the name of Sunset. He has lettered two years in basketball and one year in track at Sunset. He is our present sports writer.

Here are a few of his hobbies: Favorite sport: track. Favorite poet: Longfellow. Ambition: To be one of the best coaches in the great south west of a successful farmer.

Favorite subject: Physical education. Favorite song: In the Valley of the Moon.

**JUNIOR REPORT**

Next week we have six weeks examination again. It will help to determine the graduating class next year.

The Juniors captured a good many points that Sunset received at Truscott Saturday, even though they did come back with pink noses and red backs.

We will work out for the next two weeks for the district meet.

It looks as if some of the Juniors have started out early this year with the spring fever. We hope it does not bother them the rest of the year.

Most of the Juniors had rather be Joe Penners or Eddie Cantors and get lots of money for telling something someone else thought up, but Mat had rather be an old married man.

**FRESHMAN REPORT**

The track meet is over and the Juniors are proud of their part in it. We won first place in the relay and Leroy Henderson placed in the dashes. We are now ready for playground ball.

Some of us are going to have to work hard to pass. With only seven more weeks of school it is going to be pretty hard.

We are sorry of the absence of Fuller Shannon and Dorothy Gamill because of illness. Fuller had an appendicitis operation and Dorothy has scarlatina.

There seems to be some eighth period classes for certain pupils in

General Science. This is strange, as regular periods are sixth and seventh. J. B. is one who has a desperate time acting like "a decent person."

**H. D. CLUBS**

**DREAMS DO COME TRUE**

The President and the Wardrobe 1 Demonstrator of the newly organized Goree Home Demonstration Club, Mrs. Jack Bilderback of Goree, has the whole family working with her. She said, "I asked my father to come over and build my closet, for I do want it to be just right; he said to decide how I wanted it, and he would build to my liking. I am so anxious to get the closet built, for there is only one in my house now. I have realized all the time how much I needed one. At last being the Wardrobe Demonstrator make you do things and finish things you have been wanting done for a long time."

**HOT-BED NEWS**

The 4-H Pantry Demonstrator of the New Hope H. D. Club, Mrs. E. T. Clark, says, "We are so proud of our new hot-bed, and though it is a big one, we could use one that is larger, for we try to plant every kind of seed in it, affording more variety. This bed which is 4 1-2 x 12 feet, cost us only \$1.30. After making it by the standard pattern, we covered the back side with some scrap tin; this protects the bed from any draughts and makes it more stable."

Mrs. R. M. Almonrode, chairman of the Reporter's Club; Mrs. S. B. Crump, reporter of the Munday H.D.

**Chickens-Turkeys**

Give them Star-Sulphurous-Compound in drinking water regular. Use as directed and it will keep them free of germs and worms that cause diseases. Also free of blood-sucking lice, mites, fleas and blue-bugs that sap their vitality and we will guarantee you to have healthy, good egg-producing fowls and strong, healthy baby chicks at a very small cost or your money refunded. Howard's Eagle Cry

Our contestants in the annual county track and field meet at Truscott last Saturday let the other schools know that Sunset was still dead difficult to understand the action of the court in refusing the offer, and it is even more difficult to understand why \$13,312.00 is allowed to lie idle which, if invested in 3 per cent securities, would yield \$660 to the school fund, and which at the present time is yielding absolutely nothing.

**FORD V-8**

**In A Class By Itself**

THERE is no way to compare the Ford V-8 with any other car because there is no other car like it.

The Ford enables you to step up into the fine-car class in performance, beauty, comfort and safety. But there is no stepping up in price. That is kept down by Ford low-profit policies and unique manufacturing methods. These are as different as the car itself.

It takes eight cylinders to give the modern performance you need these days. The Ford is powered by a V-8—the finest type of eight-cylinder engine. You have to pay more than \$2000 for that in any other car.

Club: Mrs. Frank Bowley, Chairman of the County Council; Miss Katherine Jones, Secretary to the Agent; and Miss Helen Burchard, County Home Demonstration Agent, attended the Reporter's School in Seymour March 20. There were five Counties represented: Knox, Baylor, Stevens, Archer and Young. Mrs. Minnie Fisher Cunningham, Extension Editor from A. & M. College, was in charge of the school.

GREEN-S IS THE COLOR AND THE FOOD

"I intend to use some lamb's-quarters this spring," says Mrs. R. M. Almonrode, of the Sunset H.D. Club, "for one of my green vegetables. There is such a nice patch of them just down the road from the house, and they look as if some one planted them there."

Mrs. J. M. Perdue, Miss Jewell and Odie Perdue of Abilene and Mr. and Mrs. Zeri Perdue of Hamlin were guests of Mr. and Mrs. Terrell Perdue here Monday. Mrs. J. M. Perdue has recently purchased a home at 642 Peach Street, Abilene, and will occupy it April 1.

**Monday Defeats Goree in Opener Sunday Afternoon**

Monday defeated Goree in the first pre-season game of the year Sunday afternoon in the tune of 8-5. King, Payson and Wallace did the hurling for the Monday aggregation. Home runs were registered by Coody and L. Kuhler, and all the leads demonstrated that Monday would have a team in the running this season that would be hard to contend with, while the Goree aggregation gave every evidence of having a team that would come up to the old days.

MAVERICK . . . . . sans party  
Old Sam Maverick, who signed the Texas Declaration of Independence in 1836, has the rare distinction of having his name become a common noun. A "maverick," as every western cow-man knows, is an unbranded steer. Sam Maverick owned so many head of cattle, and had so much trouble during the war between the states in hiring enough cowboys to brand them all, that thousands of them ran wild, as did those of many others. When the unbranded cattle were rounded up at the end of the war Sam Maverick was foremost in his claim of ownership, until it became a common place saying in Texas that any unbranded steer must be one of Maverick's.

The word came into other uses, until it signifies today any person who plays a lone hand and does not run with the herd.

Sam Maverick's grandson, Congressman Maury Maverick of Texas, lives up to the definition implicit in his name. He is one of a little group in Congress, 35 of them, who have banded together to work for their own ideas of advanced legislation, regardless of party orders. Of course, they have been nicknamed "mavericks" and the name fits. I think there is a very useful place in public life for mavericks—for men who refuse to be branded with party tags.
