We decided to share them, too!

We're indebted to Virginia Hobert for these little funny-bone teasers that came to us at a time when we couldn't have any ready material for a column filler.

"Tony brought this to us," she said in a footnote. "It was going the rounds in the immigration office in Dallas. We really got a bang out of it and want to share it."

School Trustees Handle Various Business Items

The Munday Independent School District Board of Trustees met in regular session on Tuesday, October 12, 1982.

Routine items were presented and approved. James Rogers of Hamlin was hired as the school auditor for the 1982-83 school year. Substitute teacher pay was raised from \$25.00 to \$30.00 per day beginning on October 13, 1982.

MOGUL DAVE HUNTER is trying to avoid the Haskell defender after bringing in a pass during Munday's losing effort against the host Haskell Indians. Injuries during the last few games have taken their toll on the Munday team.

ADDING INSULT TO INJURY . . .

Munday Moguls Smothered By Relentless Indians Of Haskell

It mattered little to the host team, that Munday was minus important players because of injuries as the Haskell Indians continued their relentless march toward the district championship last Friday night on Indian Field. They gave

the Moguls their first zero of the season, while the Indians chalked a rather easy 29 points.

A touchdown was followed by a safety in the first quarter, with Munday on the minus end of a 9-0 score, gave the

Evening Of Fun Planned At Halloween Carnival

How would you like to win a 55-inch zebra? You can do this by guessing how many beans are in a jug at the ninth annual Munday Halloween Carnival. Action begins at Munday elementary school at 6:30 p.m. Saturday night, October 30, and will continue until 9:30.

Sponsored again by the Munday

Benjamin School To Hold Annual Halloween Carnival

Games, prizes and fun for everyone will be provided at the 1982 Benjamin School Halloween Carnival. Activities begin at 6 p.m., Saturday night, October 30.

Each class will have a booth at the carnival, along with the cake walk, bingo games and food booths which are always popular items.

A program and coronation put on by the school will be held following the carnival at 8 p.m.

Everyone is invited to attend this evening of Halloween entertainment.

Chamber of Commerce and Agriculture and the Munday Jaycees, the Carnival will also feature a musical variety show and a spook house, along with many different games and booths. A concession stand will provide refreshments.

The homemaking class at Munday High School will sponsor a special fishing pond for pre-schoolers and other youngsters. More games of interest to this age group are also being planned.

There will be games, fun and excitement for persons of all ages, so plan on bringing the whole family to enjoy the Halloween activities.

Goree PTO To Hold Carnival And Coronation

Halloween King and Queen candidates will be presented and royalty will be crowned at coronation ceremonies at Goree High School on Saturday night, October 30. A play will precede the coronation and will begin at 7:00 p.m., with the crowning to follow.

Afterwards, a Halloween carnival will be held with refreshment booths open. The evening of fun is sponsored by the Goree PTO.

Halloween King and Queen nominees from Goree High School are Mitch Presnall and Debra Birkenfeld, seniors; Kipp Cotton and Dolores Arismendez, juniors; W. D. Robinson and Sheila Estes, sophomores; and Pete Martinez and Sandra Allen, freshmen.

Junior high candidates are Gabriel Sanchez and Jackie Russell, eighth grade; and Jeff Dormier and Nancy Castillo, seventh grade.

IN THE GENERAL ELECTION . . .

Next Tuesday, We Vote!

Americans everywhere - and that includes we who live in Texas, Knox County, and Munday - will be trekking to our respective voting places next Tuesday to cast our ballots in the November General Election.

All voting places in Knox County will be open and geared for processing the ballots of Knox County voters. Voters of the Munday area will go to their customary places - the Community Cen-

ter, Munday High School, and the Munday Band Hall to cast their ballots. Others over the county are familiar with their voting places.

A sample ballot appears in this issue of The Courier.

It has been stated that more than 200 elective offices, including all top state officials and all Texas house and senate seats in Washington are up for grabs. How important, then, is your own in-

dividual vote?

Some concern is being shown over "voter apathy". You know what that is - "My vote won't change things; it won't amount to anything, or I'm just not interested!" It is important that we exercise the fundamental process of free democracy in a free republic.

This is one time that your vote means just as much as that of our U.S. President! Why, then, not exercise it - as our president surely will!

Our forefathers fought for the right to vote. Let's not neglect that right Tuesday!

See you at the polls!

Goodyear Store Makes Progress; Gets Out Of Mud!

Bob Brown, who has been associated with Munday Tire and Appliance since its beginning, has put up with mud just south of his service center through all these years. Guess he just got tired of it!

He recently had a crew complete the job of putting a black "hard top" just south of the firm's properties. It runs as a wide strip from front to back of the lot, extending east to Highway 277. It covers just about all the land owned by the firm.

Bob's proud to inform his customers they may drive in for service - and stay out of the mud. That's progress, to our notion!

Comptroller Releases Figures For Tax Rebates

State Comptroller Bob Bullock sent \$35.6 million to 967 Texas cities as their share of the one-percent city sales tax for October.

The 1982 statewide total so far this year is up 11 percent over the 1981 total up through the same date of last year. This payment reflects taxable sales made in August and reported to the state by the end of September.

Houston received \$7.7 million. So far in 1982 Houston's payments are up 14.1 percent over 1981.

Dallas got \$4.2 million, up 8.9 percent so far in 1982.

San Antonio got \$1.9 million, up 10 percent for the year.

Munday's rebate check was in the amount of \$2,098.76. This is more than \$800 less than the amount the city received for this pay period last year. 1982 payments to Munday thus far total \$37,683.45.

Knox City received \$3,468.49 for this period, which is an increase over their payment for October, 1981. Knox City's total for 1982 is \$55,961.79.

Goree, Weinert and Benjamin received no payment for October. For 1982, Goree has received \$3,317.24; Weinert has \$1,370.38; and Benjamin's total is \$2,089.53.

In nearby towns, Haskell continues to see an increase in their rebate checks, receiving \$6,480.38 for October.

Seymour's checks are also increasing. The October payment to Seymour was \$4,537.40.

Data On 1981 Oil And Gas Production In Knox County

The sale of crude oil and natural gas from Knox County wells in 1981 enriched the county's economy and accounted for \$34.5 million of the \$44 billion value placed on Texas petroleum production last year.

In a report on the economic impact of oil and gas industry operations in the significant producing counties of Texas, Dallas-based Texas Mid-Continent Oil and Gas Association said the county ranked 153rd among Texas' 254 counties on the basis of value of its marketed petroleum production. This production includes condensate and casinghead gas.

The county's wells produced 991,408 barrels of crude oil, value at \$34.2 million, and 165.8 million cubic feet of natural gas, valued at \$296,304. Owners of royalty in the county received \$4.3 million as their share of the output, the Association noted.

"Although the oil and gas industry is lagging through a slowdown in drilling - attributable in large part to a world-wide decline in demand for petroleum

products - it continues to be the cornerstone of the economy of Texas and many of its counties," said the association's chairman, Avery Rush, Jr., of Amarillo. "Oil and gas producers operating in Texas remain committed to the drilling of every well that is economically feasible," Rush added.

In addition to paying local, county, and state property taxes, producers in the county supported state government through production tax payments estimated at \$1.6 million, according to the association. Crude oil taxes amounted to \$1,572,908, while natural gas levies totalled \$22,223.

Based on Texas Employment Commission figures, some 138 oil and gas industry employees in the county received wages of about \$2.6 million in 1981.

In the search for new petroleum reserves in the county, oil and gas operators spent a reported \$14.9 million in the drilling of 157 wells, including 37 wildcat, or exploratory, wells. This effort resulted in the completion of 63 oil wells, although some \$7.6 million was lost in the drilling of 94 dry holes. As of April 1, 1982, there were 391 producing oil wells in the county.

Petroleum processing also contributed to the county economy, with one natural gasoline plant, having a total daily capacity of 11-million cubic feet of natural gas in operation.

Remain In Step; Turn Clock Back Saturday Night

Next Sunday at 2 a.m., the end will come to 1982 daylight saving time - until next fall, that is. It is time that most of us hail with a certain amount of pleasure, to our way of thinking; for, from the very beginning we'd voiced ire in opposing daylight saving time.

Sunday morning is the time, then, when we return to "decent" time, as we've termed it. And our timepieces will be turned back one full hour even before we close an eye in sleep.

If you're one who will be revelling at our local Halloween carnival, you'll do yourself a favor by making proper adjustments to your timepieces before retiring. By doing so, Old Lazy Bones will get an extra hour of sleep Sunday morning.

Aren't you glad we reminded you?

Extension Clubs To Meet In Benjamin On November 1

The Knox County Extension Homemakers Council will meet at 2 p.m., Monday, November 1, in the assembly room of the Knox County Courthouse in Benjamin. Members will make plans for the Extension Homemakers Christmas party to be held on Monday, December 6.

Also on the agenda for the meeting is the announcement of standing committees, which will be made up of the 1983 Extension Homemakers Council chairmen. The yearbook committee will present a sample yearbook for approval by members.

All council delegates are urged to attend, and all Extension club members are invited.

Following the council meeting, a leader training session will be held at 3:30 in the assembly room. Delegates to the Texas Extension Homemakers Association convention in El Paso will present a program on drug abuse.

Extension club leaders need to be present for this program.

Heart Association To Meet Tuesday

The Munday chapter of the American Heart Association will meet Tuesday, November 2 at 5 p.m. at the Community Center.

All interested persons are invited to attend.

Locals Attend Cousins' Reunion

Mr. and Mrs. Ben Alexander of Burnett visited in the home of Mr. and Mrs. Bill Everett the first of last week. They all attended a "cousins' reunion" in Quartz Mountains of Oklahoma several days during the week. Accompanying them were Mr. and Mrs. Melton Morgan and children.

They reported a very enjoyable time together, also enjoying the lovely scenery of that mountain area.

Castillo-Escobedo Exchange Vows In Haskell Ceremony

Saint George Catholic Church in Haskell was the setting for the wedding of Irene E. Castillo and Jackie Escobedo on Saturday, October 9, 1982, at three o'clock in the afternoon. Officiating were the Rev. Thomas Jordan, pastor of St. George Church and of St. Ann Catholic Church in Stamford, and Rev. James Lynes, pastor of St. Vincent Pallotti Church in Abilene.

Parents of the couple are Mr. and Mrs. David Castillo of Goree and Mr. and Mrs. Chief Escobedo of Haskell.

Providing music for the ceremony were Mrs. Ruth Ann Klose, organist, and Mary Lou Gonzales of Haskell.

Given in marriage by her parents and escorted by her

father, the bride wore a Spanish-style original gown by Alfred Angelo. The bodice was designed with a V neckline and long lace sleeves and was trimmed with lace, rhinestones and pearls. The pleated, medium full skirt of lace and ruffles fell to below knee length over the second layer of embroidered lace flowers and satin. Identical lace flowers and satin formed the chapel length train. Her waist length veil of lace was attached to a crown of embroidered flowers accented by pearls and rhinestones.

She carried a bouquet of blue silk carnations and white baby rosebuds sprinkled with baby's breath and surrounded with fresh ivy tied with blue ribbons.

Mrs. Ricky Sosa of Munday served her sister as matron of honor. She was dressed in a Spanish-style formal gown of white chiffon designed with a fitted off-the-shoulder ruffled bodice and satin tie at the waist. The skirt had two tiers drawn up at the sides and tied into a bow. Her flowers were similar to those in the bride's bouquet.

Bridesmaids were Louisa Howard of Graham and

Cynthia Parker of Chickasha, Okla., sisters of the groom; Marla Gonzales of Haskell, Christina Sanchez of Goree, Gloria Castillo and Nora Castillo of Goree, sisters of the bride; Felix Castillo of Weinert, cousin of the bride, and Frances Alvarez of Stamford, aunt of the groom.

They wore formal gowns of romance blue chiffon styled like that of the matron of honor and carried baby blue and white silk carnations accented by ferns and baby's breath and enhanced by blue ribbons.

Flower girl was Raquel Perez of Stamford, cousin of the groom. Her dress was similar to those of the bridesmaids, with puffed sleeves.

Nati Escobedo, brother of the groom was best man. Groomsmen were Hollis Howard of Graham, David Parker of Chickasha, Okla., Pete Perez of Rochester, Danny Lopez of Lubbock, Ricky Sosa of Munday, Carlos Andrada and Tim Escobedo of Haskell and Julio Alvarez of Stamford.

Ushers were Carl Mayfield and Bill Flannery of Haskell.

Christopher Howard of Graham, nephew of the groom, was ringbearer.

The groom was attired in a white long-tailed tuxedo with a white ruffled shirt. The best man was also dressed in a white tux. The other male attendants wore baby blue three piece formal tuxedos with white ruffled shirts.

The bride's parents hosted a formal reception dinner at the American Legion Hall in Haskell following the ceremony. Assisting in preparing the dinner were Mr. and Mrs. Ruben Castillo, Mr. and Mrs. Francisco Diaz, Mr. and Mrs. Robert Estrada and Mrs. Manuel Estrada, all of Weinert, and Mrs. Jose Rodriguez of Haskell.

A wedding dance was held after the reception. The wedding cake, which was three-tiered and featured a flowing fountain, was cut during intermission.

Wedding scrolls were handed out by Brenda and Nancy Castillo, sisters of the bride, and Cynthia Castillo, cousin of the bride.

The bride is an honor graduate of Goree High School and is employed at Saint Ann Catholic Church

in Stamford as secretary-bookkeeper.

The groom graduated from Haskell High School, and is employed at Chief's Haskell Paint and Body Shop.

After a wedding trip to San Antonio, the couple will live in Haskell.

Voss Family Reunion Is Held

The family of Mrs. Ida Voss met Saturday, October 23, in the home of her youngest daughter, Mrs. Leola Stockton, in Knox City. The occasion was in celebration of the 97th birthday of Mrs. Voss. She was unable to go to Knox City, but the family all went by to visit her at the Munday Nursing Center.

Children, grandchildren and great-grandchildren in attendance were: Joe and Leona Voss, Possum Kingdom; Cecil and Pauline Voss, Burkburnett; Verbon and Maxine Voss, Stephenville; Reginald and Treasure Walling and Randel and Gene Walling, Seymour; Tommy, Loyce, Sharon and Stacia Gage, Rockwall;

Also, Lendon and Joyce Walling, Ray Lynn, Joyce and Lisa Hardin, Gladys Loeer, and Howard and Oleta Voss, all of Munday; Clyde and Velma Voss, Jerry and Glenna Benson and family, and Troy and Pam Lewis and son, all of Knox City; and Joni and Jodi Holmes of Rochester.

All enjoyed eating, reminiscing and taking pictures.

Wayne Rogers of Houston visited his mother, Mrs. Claudia Harrell, and other relatives here the first of this week. He came at this time to help his Uncle Gill Wyatt celebrate his 91st birthday.

Mr. and Mrs. G. W. Hawkins and Mr. and Mrs. M. L. Joyce of Albany vacationed the latter part of last week in Oklahoma and Arkansas.

Scouts To Aid Senior Citizens On Halloween

Munday Girl Scout troops 106 and 103 will be trick or treating for canned food between 5 and 6 p.m., Saturday, October 30. The goods will be donated to the senior citizens who live in the Newsom Apartments. This is the Girl Scouts' way of saying, "Happy Halloween" to our senior citizens.

The girls' costumes will bear tags giving their names and troop numbers. At least one adult will accompany each group of girls.

According to Kay Wilde, Munday Girl Scout coordinator, one canned or boxed food item per residence will be sufficient, and everyone should be able to spare such a small amount of food to help our fellow citizens. Mrs. Wilde added that anyone wishing to donate prior to the girls' drive may drop the goods off at her residence at 721 W. Main Street.

After their good deed is completed, the Girl Scouts will meet at the Wilde home for a Halloween party.

Cancer Unit Plans For Smoke-Out

The Knox County unit of the American Cancer Society enjoyed a salad supper before their meeting on Tuesday, October 19, in the First United Methodist Church in Munday.

The president, Katherine Smith, presided over the meeting. Minutes were read and approved, and reports were given.

A film, "The Priceless Gift", was shown by education director Frances Coffman.

The main topic of planning at the meeting was the "Great American Smoke-Out", which has been set for November 18. Bertha Faye McKinney will serve as Knox County chairman for this event. She reported that Jaycees and FHA members in Texas have agreed to help with this day. Officers of these organizations in this area will be contacted and pledge cards will be placed in

local banks and post offices. Also, posters and buttons will be available, along with Larry Hagman's "Wrist Snappin' Rubber Bands".

The treasurer's report was made on the final amount

collected by the unit in 1982. It was \$6,068.

Motion was made and seconded that the club meet on November 16, then skip the month of December.

Louise Kemletz, new member from Knox City, reported having contacted the Boy Scout leader, and they have agreed to help with the 1983 cancer crusade.

The unit welcomed Dr. J. Patrick Hooker and enjoyed Erma Feemster, a visitor from the Baylor County unit.

Attending the meeting were Shirley Amerson, Ruby Roden and Dr. Hooker, Munday; Louise Kemletz, Knox City; Katherine Smith, Loyd Clark, Frances Coffman and Bertha Faye McKinney, Vera; and Erma Feemster, Seymour.

Bonner Bowden of Broken Arrow, Okla. spent the weekend with his parents, Mr. and Mrs. B. B. Bowden.

Mr. and Mrs. Charles Baker are entertaining their granddaughters, Sandy Baker of Azle and Whitney Baker of Amarillo, this week.

If you're concerned about rising grocery costs, here's something you can do about it.

On November 2, you can make a positive step toward helping hold the line on rising grocery costs.

Proposition 3, one of six proposed Constitutional Amendments which will be offered on the ballot, would correct the tax exemption for agricultural machinery and equipment. The effect of passage of this amendment will be to lower production costs for food and fiber. In the long run, this will be a positive step we can take to help hold the line on grocery price increases.

For you and for your family, both now and especially in the future, this may be one of the most important votes you'll ever cast.

HARROLD WINS EASY VICTORY

Wesley Gates threw three first half touchdown passes, two to Bobby Cato and one to Bo Miser as Harrold took its seventh straight victory Friday night with a 40-0 decision over Miami.

SEYMOUR DROPS GAME TO HAMLIN

Hamlin's Pied Pipers made a stampede in their win over the Seymour Panthers last Friday night at Hamlin. Final score was 34 to 7.

The Pipers out threw, out ran and generally outplayed the Panthers with 10 first-period points on Jeff Markett's 15-yard Td run and 25-yard field goal. The Piper's quarterback also ran for one more score and threw for two more.

Seymour's lone score came

in the first period, when Ernest Curley returned the kickoff after Hamlin's first counter. The loss leaves the Panthers 0-3 in district play and 2-6 for the year. Hamlin is now 2-1 in district and 3-5 for the season.

KNOX CITY STILL LEADS IN DISTRICT

Knox City's Greyhounds held no ill-will for the Throckmorton Greyhounds, although they downed their hosts to the tune of 27-0 in District 3-A play. The win leaves Knox City 4-0 in district and 5-2 for the year. Throckmorton is now 1-3 in district and 3-4-1 for the season.

Knox City's defense held the home team at bay, and the home boys couldn't handle Dwayne Watkins and

receiver Wayne Hutchinson, who combined for three passing Tds. James Stafford ran in from the three for Knox City's other score in the last period.

HIGGINS DEFEATS ROCHESTER STEERS

Higgins' Coyotes scored 25 points in the first period, then continued to hang on for a 65-42 victory over the visiting Rochester Steers last Friday night.

Scoring for Higgins were Ely Burt and Scott Fritzen, while scorers for Rochester included Nache Ortis and Jerry Don Garcia.

ASPERMONT GOES AHEAD OF RULE

Aspermont's Hornets displayed hot stuff as they defeated the Rule Bobcats in a 46-16 riot Friday night in a District 3-A game.

The Hornets kept their district record perfect with their fourth win, while Rule's Bobcats have lost all four of their district games.

PADUCAH SCORES WIN OVER ROTAN

The Paducah Dragons defeated the Rotan Yellowhammers Friday night at Rotan, after the hosts took the first and last touchdowns of the game. The game ended with Paducah on the tall end of a 29-14 score.

Paducah's John Jones scored three touchdowns, and Vernice Walker one to lead the Dragons.

Coach Lankford Comments

by Coach Rogers Lankford
Mistakes and injuries took their toll on us at Haskell, and we had a very disappointing game.

We just were not able to get our offense going. We really only had one drive in the game, and were not able to score on it.

I have to give a lot of credit to the Haskell team. They

have shut out their last three opponents, and have not allowed a score in district play.

Bad field position plagued us all night. This, the mistakes we made and our injury and replacement situation, coupled with their bigger size, determined the game. Haskell was simply bigger and more physical than we were, and they defeated us on the line of scrimmage with their size.

Although there is not a whole lot to say about our defense, we did have some players who scored high defensive points. They were Danny Hertel, Paul Wright, Jim Earl Dockins and Terry Hendrix.

At this point, we do have several injuries which are going to slow us up. Junior Ramirez is out for the season. Quincy Adams and Bryan Kuehler are questionable. Chris Moore is not at full speed, but he will probably play. We are making replacements at these positions as best we can, but our depth was a problem at the beginning of the season, and now we are really hurting in that department.

Seymour will also be a bigger and more physical team, much on the same line as Haskell. The outcome of the game will depend largely on how well we can cope with their size. We will have to execute much better in this game and we must cause some things to happen in our favor.

The coaching staff and the boys urge local fans to make the short trip to Seymour and back the team. I will say that fans can expect to see some new or different things tried, and we expect this to be a good game.

At this point, the district standings are Haskell, with three wins, in first place; Paducah and Hamlin are tied with two wins and one loss apiece; Munday and Rotan both have one win and two losses; and Seymour has lost all three district games.

JV's Defeat Haskell In Close Game

by Coach Redden
Our Junior Varsity team won a real squeaker against Haskell last week, 25-24. The fans attending were treated

to a very exciting second half.

Ronny Lowrance made our first touchdown on a two yard run. The extra point kick was no good.

The second score was made on our very successful hook-up from Dent Offutt to Ryan Wright to Todd Thompson, who ran the ball 35 yards. This time Ronny Lowrance kicked the point after, and the score was 13-0.

Todd tallied again on a five yard run before halftime and we went in with a comfortable lead.

However, after dominating the first half, we let up some in the second half. Haskell scored in the third quarter and again midway in the fourth, bringing the score to a close 19-12.

Todd returned the ensuing kickoff 95 yards to give us our "insurance" touchdown back and we breathed easier. But Haskell returned the favor and ran our kickoff back, and we again had a close ballgame, 25-18.

We took the ball but could not gain much ground and had to punt. Haskell then scored again with about three minutes to go in the game. Because the extra point try was unsuccessful, we were left hanging on to a narrow 25-24 lead.

When we got the ball back we managed to score a crucial first down, and although we eventually had to punt, this enabled us to use up more time on the clock. When Haskell received the ball they were in their own end of the field and could not get downfield quickly enough to score.

I feel our boys deserve a lot of credit for hanging in and winning the game. Haskell fielded a team of sophomores and juniors, while our JV team is almost all freshmen.

Right now we are 7-0-1, with only the tie with Paducah marring our record. We are in pretty good shape injury-wise, also.

This week (tonight), we will play our last home game. We will host Seymour. They will put several sophomores on the field, too, and we expect a good game. We want to urge all the fans to come out and watch the game, since it will be the last chance to see the boys play at home this year.

In Munday Junior High games, both teams lost their games with Haskell

DREAMS COME TRUE, DON'T THEY . . .

The Big Catch Is Longtime Dream Of Kenneth Stubblefield

BY Aaron Edgar

Boys who grow up in Munday - "Heart of the Famous Knox Prairie" - have dreams, just like any other youngster. Kenneth Stubblefield is one who recently had one of his dreams realized.

As he grew up in Munday, his dreams of fishing were possibly limited to local surroundings - like, maybe, a nearby stock tank, our little city lake; or, if fortunate, a trip to Lake Kemp, a fishing mecca for local people after that impoundment opened in the 1920's.

But the dream of catching one of the "denizens of the deep" did not come to Kenneth until he had departed Munday and entered the business world. But he had dreams!

For sometime now, Kenneth and his family have made their home in Hurst, and Ken has been serving as a travelling salesman for Impact Extrusisen, Inc., manufacturers of plastics in Grand Prairie.

As a sort of bonus for some of his prized customers, this salesperson has been awarding them with a deep sea fishing excursion off the coast of Baja, Calif., on the Pacific side of California and Old Mexico.

There were four of them on their most recent excursion - Kenneth, two men

LOST THE BATTLE! The 80-pound striped marlin, shown on your left, lost the battle to Kenneth Stubblefield, who landed the trophy on a recent fishing excursion with friends on the west coast, just off the shore at Baja, Calif.

from Fort Worth and one from California - who were aboard a fishing vessel in quest of the big ones. After

the vacation was over, Kenneth just happened to drop by for a short visit - an overnight stay - with his parents, Mr. and Mrs. H. B. Stubblefield of Munday. It might have been that he was in the vicinity and just whipped by; it might have been to show them something.

Like, maybe, a photo! It was a photo taken October 16, 1982, of Ken with his "catch of a lifetime", a striped marlin that hit the scales at 80 pounds! He said he was using 50-pound test line when he hooked this

monster, and it took 32 minutes before the battle ended with the fish being safely landed aboard the boat.

Two of the others had "nice" catches, too - one a smaller marlin, and another a large sailfish.

It's a trip to long be remembered by these men - and we were warned to take special care of the photo which Ken loaned his Dad so we could reproduce it in The Courier.

What more can we say than "Congratulations, Ken?"

Engineer Talks About Salt Control

An interesting slide presentation was given at Tuesday's meeting of the Munday Lions Club, when Donald J. Sanders, U.S. resident engineer on the Red River brine control system, gave an account of what is accomplished thus far.

The control project in the Truscott area is expected to be completed in November, he said, having a cost of about \$50 million on the present project. This is about one-fourth of the amount needed to complete the entire project.

Water that flows into Lake Kemp from the various sources is not useable 95% of the time, Sanders said. The project will eliminate a major portion of salt contamination in the lake water.

Sanders showed charts of various phases of construction of the Truscott project, which had its beginning on the Bateman Ranch near Guthrie. The low flow dams, pump stations, huge pipelines and construction on the Truscott lake itself were shown.

Sanders spoke of possibilities of a solar pond power plant in the area and said that, if constructed, "we hope to have enough power to run the entire Red River control system."

SOME OF THE beautiful quilts constructed by local residents were seen by members of the Knox County Retired Teachers Association at their monthly meeting held October 26 at the Munday Community Center. Many kinds of handmade articles were displayed at the meeting.

SEVERAL PAINTINGS done by local residents were among the lovely handmade items displayed at the Munday Community Center on Tuesday, October 26. Members of the Knox County Retired Teachers Association enjoyed seeing the articles at their monthly meeting. Needlework, yarn dolls and quilts were displayed along with the paintings.

Retired Teachers Enjoy Display Of Handmade Items

Knox County Association of Retired Teachers met at the Munday Community Center on Tuesday, October 26, at 2:30 p.m. Munday members of the association were hostesses.

An attractive array of refreshments was served from a table accented with an arrangement of flowers in fall colors.

Displayed throughout the meeting room were beautiful handmade items crafted by residents of the Munday area. Paintings, quilts and artistic needlework were among the lovely things shown.

A program was presented to several members attending.

Fellowship Held At St. Joseph's

St. Joseph's Catholic Church sponsored the football fellowship in the Columbus Club hall on Friday night, October 15, following the game against Paducah.

The tables were covered with white paper and purple and gold streamers, and centered with kerosene lamps. Country and western music was played throughout the evening for everyone's entertainment.

Sandwiches, chips, pickles, cookies and tea were served.

Church members who arranged the fellowship thank all the students who attended.

Melton-Schultz Vows Repeated October 24

Betty Carolyn Melton and Harvey Earl Schultz were united in marriage on Sunday, October 24, 1982, at 3:30 in the afternoon, in the home of the groom's sister,

Mr. and Mrs. Jerry Goode, in Merkel. The Rev. David Bugg, pastor of First Baptist Church in Merkel, officiated.

Mr. and Mrs. Goode attended the couple.

The groom is employed by Abtex Beverage in Abilene. Mrs. Schultz will continue her employment at the Sugar Shack. The couple will make their home in Munday.

REUNION

The Trainham family gathered on Sunday, October 10, for a reunion at the Benjamin memorial building. Lots of visiting, renewing old times and good food were enjoyed. Attending were the following:

Mr. and Mrs. Sam Shipman, Lona Feemster, Maurine and Weston Parrish, Frances and Olen Coffman, Janie and Wayne Sutton and June, Jerrell and Minka Trainham, all of Vera; R. J. and Grace Trainham, Roy, N.M.; Lottie Trainham, Maxwell, N.M.;

Also Mozelle Tillery of Stratford, Mac Trainham of Santo, Robbie and Floyd Hill of Stephenville, Paulette and Billy Richards and Kelly Boatman and Logan, Garland; Ruby Trainham and Mr. and Mrs. Charles Trainham, and family, Holliday; Rita, Dana and Joe Lewis, Wichita Falls;

Also Lola Scott and Sammie and D. A. Chapman, Seymour; Walter Hertel, Munday; Mr. and Mrs. Kenneth Trainham and family, Dallas; Donna Sue VanDeusen and family, Coleman; Joy and Charles Jones, Bobby Trainham, Bobby and Philomae Roberson, Justin Waldron, Tres Pierce, Rev. and Mrs. K. E. Wooley and Juanita Burnett, Benjamin.

HERE AND THERE

Charles and Joy Jones returned home Friday from a week's vacation in Ruidoso, N.M.

Visiting the Bobby Robersons last week were Mr. and Mrs. Travis Boone of Sacramento, Cal. Weekend visitors in the home were Corine Parish of Franklin, N. M.; Mr. and Mrs. Bobby Feemster of Brownwood and J. Winston and Robbie Feemster and Lona Feemster of Vera.

Recent guests of Bobby Trainham were R. J. and Grace Trainham of Roy, N.M., and Robbie and Floyd Hill of Stephenville.

Rickie and Diane Herring of Munday and Gordon and Debbie Taylor of Paducah visited their parents, Van and Gladene Green, during the weekend. Mattie Bullion of Truscott dropped in Saturday morning for a visit.

Sheila Jones of VRJC was a weekend guest of her parents, Charles and Joy Jones.

Jack and Mary Young of Lubbock spent Thursday night with her parents, H. T. and Kathleen Melton. They were enroute to Arlington for a weekend visit with their son and wife, Jackie and Cindy Young.

DeAnn and J. D. Lamb of Holliday were weekend guests of her parents, Dutch and Imogean Young.

Betty Parker of Aspermont visited the Leroy Wests

and C. B. Clowers last Wednesday.

Pete and Kay Lindsey of Dickens, former Benjamin residents, visited friends here last Friday night and attended the Benjamin-Patton Springs ball game.

Visiting Ozelle Kilgore and Galen last week were Barbara Kilgore of Los Angeles, Calif., and D. G. Kilgore and Christina of Des Moines, Iowa.

Mr. and Mrs. Raymond Yandell of Safford, Ariz., are visiting her mother, Lora Hall, and her brother and family, the Hes Halls, this

week.

Juanita Burnett, Gladene Green, Philomae Roberson, Kathie Waldron and Judy Conner of Truscott were among those who attended a coffee Saturday morning honoring Mr. and Mrs. J. Winston Feemster in the home of Mrs. Claudell Bratcher in Vera.

Scott Hertel of Wichita Falls and Craig Hertel of Midwestern University were weekend guests of their parents, the Don Hertels.

The Benjamin Mustangs will host the Miami Warriors in an important district football game at 7:30 p.m. Friday.

AN APPEAL

As was mentioned in last week's Courier, a fund to aid the Pate Meinzer family to help defray Pate's medical

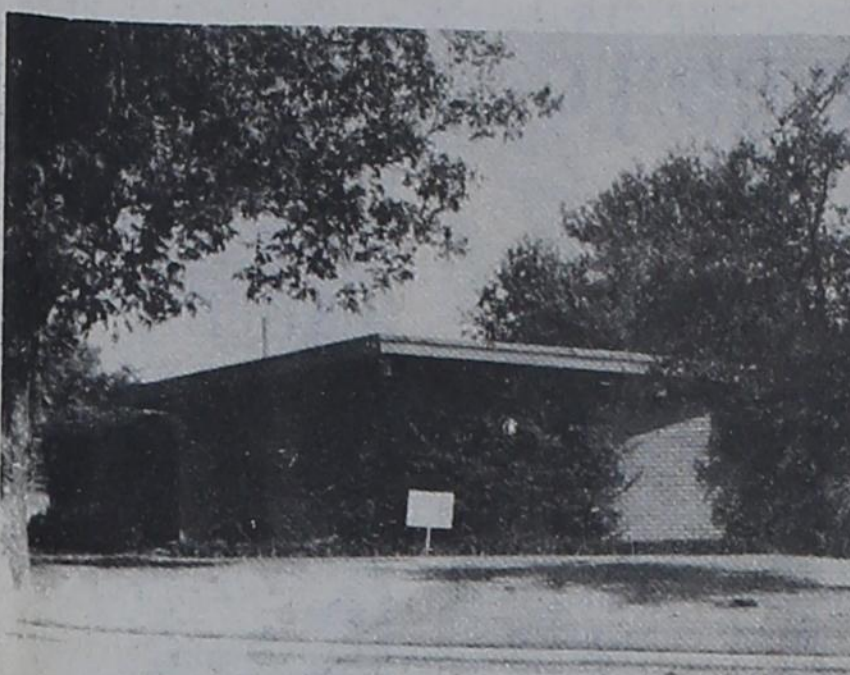

expenses has been set up at both banks in the county. I urge each of you to dig just a little deeper in your pockets and help this family out. Any amount will be appreciated.

They have always done their share to help others in time of need!

LOCAL

Mr. and Mrs. Ronald Coody and Debbie of Farmers Branch visited his parents, Mr. and Mrs. Walter Coody, recently.

Mrs. Dick Moore has returned home after visiting her mother, Mrs. Mary Compton, in Mt. Vernon, Illinois. She reports that the scenery was beautiful, with the maple trees showing vivid fall color.

A BUNCH OF MUMS brighten up the Charles Bakers' yard on N. 14th Street. This, along with the neat yard and shrubbery and the pretty shade trees, influenced the Munday Garden Club judges' opinion when they named it the Yard of the Week.

Mr. and Mrs. Gene Brown and Mark spent the weekend visiting their son, Danny, at College Station and attended the A&M and Rice football game. They attended services

at First Baptist Church in Bryan Sunday morning and visited Gene's cousin, Mrs. Leon Polson, in Hamilton Sunday afternoon.

Legumes - Gaining In Popularity

Legumes are becoming more and more popular among pasture growers in Knox County for some good reasons.

First of all, legumes offer higher quality forage than grass. This means that cattle on legume pastures have higher conception rates and higher weaning weights than cattle on grass pastures and wintered on grass hay. This results in more beef produced per cow and per acre.

Legumes also lengthen the grazing season. Although planted in the fall, legumes can provide an additional six to eight weeks of high quality forage in late winter and early spring when good grazing is at a premium.

Another plus for legumes is that they improve soil fertility and physical condition. Under good management, legumes can provide nitrogen for early season grass

growth after they have matured.

In addition to providing high quality grazing, legumes can be harvested for top quality hay when excess growth occurs in spring and early summer.

Several legumes are adapted to Knox County. These include alfalfa and sweet clover. The alfalfa has been the most successful.

More information about legumes can be obtained from the county Extension Office in Benjamin.

Lawns Need Fall Fertilizer

If you haven't fertilized your lawn lately, it's not too late to do so, says a turf-grass specialist. In fact, fertilization can boost a lawn while minimizing energy requirements for mowing and removal of grass clippings.

A fall application of fertilizer prolongs green color in lawns, stimulates root

growth, reduces winter injury and promotes early spring recovery. Fall fertilization also increases turf density and reduces weeds.

Warm fall days and cool nights provide conditions favorable for grass to accumulate carbohydrates that promote root growth and help winter survival. Leaf growth is also less during the shorter fall days, delaying lawn fertilization until mid-September or October helps reduce mowing requirements and energy use.

You should apply a fertilizer high in nitrogen and potassium and low in phosphorus.

Nitrogen and potassium are important to root growth and color and leaf growth. Potassium is also important to winter survival, disease resistance and drought tolerance. Phosphorus is essential but is required in much lesser amounts than the other nutrients.

He suggests a fertilizer with 15-5-10, 12-4-8 or similar analysis for the fall application.

Base the rate of application on the nitrogen content, the first number in the fertilizer analysis. Apply 1 to 2 pounds of nitrogen per 1,000 square feet of lawn. So, with a 12-4-8 fertilizer, use 10 to 15 pounds per 1,000 square feet, depending on when the last fertilizer application was made. If the lawn has not been fertilized for the past eight weeks or longer, use the higher rate.

The homeowner interested in an attractive lawn this fall and early recovery next spring, fall fertilization is a must.

Benjamin Win Over Weinert

Benjamin's Mustangs remain on a joyful journey down "victory road", as they scored another decisive victory Friday night in the 74-56 win over Weinert's Bulldogs on Weinert Field.

Halfback Randy Engbrock scored four touchdowns to lead Benjamin in the wild scoring spree for both teams. The Mustangs remained among the top teams in District 3-A six-man football.

Also scoring counters for the Mustangs, who upped their record to 5-1 in district and 6-1 overall, were Troy Oxford, for three; James Propps, two; and Alan Beaty, one.

The loss by Weinert offset a fine performance by John Brueggeman, who had six touchdowns and kicked four extra point conversions. Other Bulldog touchdowns were on a run by Ed Perez and a pass from quarterback Shannon Forehand to end Wayne Raynes. The Bobcats are 2-4 in district and 3-4 overall.

GOREE SUFFERS LOSS

Vernon's Northside Indians came to Goree on the warpath Friday night and outscored the Wildcats by 76 to 64 in a wild six-man game.

Scoring for Vernon was by Clint White, six touchdowns; Junior McGee, three; Joe Wilkeson, one; and end Harlan Moore, eight two-point conversions.

Scoring for the Wildcats were Kent Urbanczyk, one touchdown; Virgil Reagins, one point; James Stewart, two touchdowns; Mike Bowman, one point; Bucky Decker, three; Mitch Presnal, two; and Kip Cotton, four points.

The Wildcats dropped to 5-2 for their year's record.

Lone Star Specialist Pam Hacker uses a hot-air balloon to get her message across. The message is that new high-efficiency* gas water heaters can help you stretch your energy dollars.

We used a hot-air balloon to make a point about hot-water efficiency.

77,000 cubic feet. That's how much gas this balloon holds. That's enough gas for 7,700 five-minute showers. That is, if your water heater was built ten years ago.

With a new high-efficiency* water heater, 77,000 cubic feet of gas goes a lot further... more than 20% further. You can still take 7,700 five-minute showers. With the gas left over, you can wash 1,022 loads of dishes and dry 785 loads of clothes.

Gas has always been your most efficient fuel. High-efficiency appliances make it go even further.

If you'd like to stretch your energy dollar, talk to your local appliance dealer. Find out how much a high-efficiency water heater could save you.

Lorena Mahan, Munday Native Dies October 20 in Abilene

Mrs. Carl (Lorena) Mahan, 80, of Abilene and a native of Munday, passed away at 3:48 a.m. Wednesday, October 20, 1982, at Hendrick Medical Center after a brief period of illness.

She was born at Munday on August 17, 1902, and was reared here, graduating from the local schools. She graduated from the University of Arizona in 1925 and taught school in that state for several years.

She married Carl Mahan on July 2, 1931, in Cisco, and they moved to Abilene that same year. They often came to Munday to visit Lorena's mother and other relatives. Mr. Mahan, who was associated with West Texas Utilities Co. for 40 years, died last year.

Mrs. Mahan was an ardent golfer, and was Abilene's city champion for seven times. A member of the Abilene Country Club since 1935, she was club champion on three occasions.

She was medalist in the club championship in 1971 and was made an honorary lifetime member of the Women's Golf Association of Abilene Country Club in 1972. She remained active, having placed in this year's tournament, and also played on her birthday this year. She was a member of several golf associations.

Mrs. Mahan taught English at Hardin-Simmons University and also taught in the McMurry College program at Dyess Air Force Base. She substituted at Abilene High School on occasions.

A world traveller, she visited the People's Republic of China in 1975 as one of a specially chosen 22-person group that visited China under the auspices of a New York newspaper.

Mrs. Mahan was a member of the First Central Presbyterian Church for 50 years. She aided the Munday Historical Committee by providing humorous accounts of

her Munday school days and teaching experience for the history book, "My Home Town".

Memorial services were held at 2 p.m. Friday at the First Central Presbyterian Church in Abilene with Dr. Roy Suefeldt, pastor, officiating. Her body was cremated.

She is survived by two daughters and a son-in-law, David and Linda White of Sante Fe, N. M., and Mary Hufstelder of Ozona; a grandson, Carl Hufstelder of San Angelo; a brother and sister-in-law, Mr. and Mrs. E. M. Daggett of Point, and an aunt and uncle, John and Mora Rhea of Wichita Falls.

WTU Contracts For Cheaper Gas Supply

West Texas Utilities Co. has entered a gas purchase agreement with Haskell Gathering Co. which could result in lower fuel costs at its Paint Creek Station.

WTU has begun taking a small volume of low Btu gas, and is expected to take more when the gathering firm's pipelines are extended to additional wells in Haskell and Throckmorton counties. The Paint Creek plant is on Lake Stamford in southeastern Haskell County.

The gas is cheaper than WTU's main supply, but is of lower quality, according to Walter Meller, WTU's manager of system production.

"Because it is a lower Btu gas, it must be blended with other gas before it can be burned in our boilers," Meller said. "But we are doing everything we can to buy gas where there is a price advantage."

He said WTU is in the process of negotiating for low Btu gas at some of its other power plants. The company's contract with its principle supplier, which was

Leslie Hurst Receives Honor

Leslie James Hurst, son of Mr. and Mrs. M. C. "Red" Hurst of Munday, has been chosen an "Outstanding Young Man of America" for 1982 in recognition of his outstanding professional achievement, superior leadership ability and exceptional service to the community.

Hurst is a graduate of North Texas State University in Denton with a bachelors degree in marketing and merchandising. He and his wife, Susan, are parents of one son, Blake, age 13. The family resides in Spur where they own and operate the Hurst Department Store. He is a member of the Methodist Church and the Masonic Lodge.

renegotiated this past year, permits WTU to purchase gas from other sources, and WTU does so when it is available. The Company has eight major power plants, all of which burn natural gas as the primary fuel.

Local Youths Do Well At State Fair

Several local youths entered their animals in the livestock judging division of the State Fair of Texas. Charles Siepel, county Extension Agent, provided The Courier with the results.

Angie Partridge, daughter of the Wendell Partridges, won eighth place with a light-weight Angus steer and 12th place with a light-weight cross-bred steer.

In the sheep division, Todd Thompson had first place in lightweight fine wools and 21st in lightweight Hampshire cross. Trey Thompson had second and eighth place wins in the light-weight Hampshire cross division, and Tyler Thompson had seventh place in this division and a sixth place win with a lightweight Hampshire.

Robin Reneau won a sixth place ribbon with a South-down cross and a 16th place ribbon in the lightweight Hampshires. Jae-Jae Reneau was 31st in heavyweight Hampshires and 23rd in Southdowns.

The Thompsons are the sons of Mr. and Mrs. Larry Thompson, and Mr. and Mrs. John Reneau are parents of Robin and Jae-Jae.

Police Report

Police Chief Gerald Saffel. Police activities for the period of October 18-24 include the following:

In traffic, there were only two citations issued. One stolen vehicle was reported, but investigation revealed the report was unfounded.

The police received a report that the door to the Church of Christ had been stolen, but investigation revealed that M. M. Booe had taken the door to have it repaired.

The department assisted the county on at least seven occasions, and the county came to our assistance at least three times. The Knox City police also responded twice to help us.

One aggravated assault was investigated. As a result, one subject was arrested for cutting another person with a knife. One assault with a firearm was investigated, but was unfounded and no charges were filed.

A prowler call was handled, and one vandalism was investigated. One dog warning was issued and one skunk was killed.

Everyone should be especially careful with their driving Saturday night, as there will be large numbers of young people on foot for trick or treating. As police officers, we advise the young people to be careful of their "tricks", and keep them legal.

Tom Tom FTA Attends Convention

by Paula Waggoner

Bright and early on Saturday morning, October 23, 21 Munday FTA members left for the District IX FTA Convention held in Vernon. They were accompanied by Mrs. Leona Partridge and Mr. and Mrs. Boyd Baker.

Immediately after registering, members passed out and received various handouts encouraging them to vote for the candidates running for district office. Elections were held in the afternoon. Each FTA'er running for an office had prepared beforehand a skit and/or a speech to present. Kelli Smith and Salwa Chouair both ran for an office, but were not elected. Julie Partridge and Alyson Fisher were the Munday FTA voting delegates.

Various workshops were held while the Mr. and Miss FTA contest was taking place. One workshop widely attended by Munday FTA'ers was the drug work-

shop. Mr. Pass Tobar and students from the Vernon drug center led this workshop.

Paul Wright, who was in the Mr. FTA competition, received second place. Mary Jane Kuehler participated in the Miss FTA contest.

The Munday chapter was also honored by receiving two awards. One award was first place in the name tag contest and the other was the Participation and Attendance Award.

Garden Club To Meet In Offutt Home

The Munday Garden Club will meet at 2 p.m. on Tuesday, November 2, at the home of Mrs. J. T. Offutt. Mrs. Offutt is program leader for the November meeting.

A program will be presented by Mrs. Weldon Floyd and Mrs. Leland Floyd on rooting roses and bulbs for fall planting. All members

are asked to bring extra plants, seeds or bulbs to exchange.

Call your locals in by Tuesday noon. The Munday Courier, 422-4314.

GILL and INA WYATT
... On Gill's 91st Birthday

Gill Wyatt Celebrates 91st Birthday As Festive Occasion

In beautiful surroundings, such as festive balloons, get well cards, a beautifully decorated straw hat with flowers, other floral arrangements and a happy birthday banner across the door, Gill Wyatt celebrated his 91st birthday last Monday in his room at the Knox County Hospital.

Gill and Ina have been "residents" of the hospital since suffering extensive injuries in a car accident several weeks ago. They were both "graduated" to wheel chairs last Monday.

The hallway near the Wyatts' room - they're together, now, in the same

room - was a beehive of activity, with practically all nurses and hospital personnel on duty, family members, and a number of well-wishers were present for Gill's birthday celebration early in the afternoon.

It was reported at the time that this was the Wyatts' second celebration of the day - and there was yet another one to come.

Gill shared his birthday cake, which was baked by Callie Ann Combs, with all those present. He seemed in a very jovial mood, but he'd get mixed up with whether it was time to cry, or laugh.

This was Gill's second birthday celebration in the hospital. His 90th was much along the same style last year. Both Gill and Ina received many expressions of love, coupled with best wishes for their recovery.

Adventures of Snack-Man

Episode III

In Episode 2, Danny and Laura are trying to escape from a strange hissing and evil-looking creature who threatened to attack but grabbed Danny's carrot instead and slid back into the bushes surrounding their home. Danny and Laura run to their hidden club-house in the back of their home and encounter another strange creature, who they help. The creature is Snack-Man, who is searching for the secret ingredients which will make him strong. He tells them that the evil Malinite monsters have invaded his planet and stolen the secret formulas. He asks Danny and Laura to help him.

Danny and Laura discover that the secret ingredients are really spelled backwards . . . klim and sananab are really milk and bananas! They are

just about to get the secret ingredients to Snack-Man to make him super strong again, when they see the hissing creature, who they now know is an evil Malinite, about to attack Snack-Man.

"We must save Snack-Man," Danny yells to his sister.

The Malinite was getting closer and closer to Snack-Man. Suddenly Snack-Man turned around and saw the monster. He looked at Danny and saw the super snacks.

"We must get this food to him," Danny said.

Laura nodded. She darted out of the house yelling, "Here we come, Snack-Man. We'll save you!"

"Like a cavity you will," the monster hissed, turning his leering face toward her.

"I'll save you, Laura!" Danny shouted and ran, spilling half the milk. The monster reached for Laura. She screamed. He laughed, a deep hissing laugh.

"Weakling Malinite,"

Danny jeered, hoping to distract the monster.

"Eat the ananab!" Snack-Man shouted.

"What?" Laura hollered. "The banana, Sis. The banana!" Danny called.

She popped a piece of banana into her mouth, and the Malinite backed away. She ran to Snack-Man with the rest of the bananas.

Snack-Man quickly ate the super snacks, milk and bananas. He got up and stood strong and tall. He reached out like a flash and flipped the monster off his lid. The monster lay there helpless. Snack-Man picked the ugly creature up in one hand and hurled him up, up, up, far into space.

Danny and Laura watched in amazement, their eyes growing wider and wider.

"He's disappearing into space!" said Danny, blinking his eyes to see the dot in the sky gradually fade away.

"Yea! Snack-Man! You did it! Laura was jumping up and down and gleefully cheering.

"Thank you for helping me. I will be back. But first, I must get super snacks back to my planet," he said in a

strong and powerful voice.

"You are real friends. You have understood my secret formulas and have taught me how to say them so that other Earth friends can help me. Let's see . . . storrac will be carrots - and segnaro will be . . ."

"Oranges!" answered Danny, delighted that he knew the code so quickly.

"Yes, that's right. Now I am strong and can go on my journey and find more and more super snacks all over the earth."

"Please don't go," pleaded Laura. "We love you."

"I must go, Laura. But I will leave these secret formulas. Think of me when you prepare them. Perhaps someday . . ."

Laura blinked back tears. "Yes, or we could visit you."

"Yea!" Danny jumped up and down. "Wow! I'd love to zoom into space with you, Snack-Man!"

Snack-Man started to take off.

"Goodbye, friends," he called, "and remember, be a Super Snacker!"

Relative Of Local Woman Dies Sunday

Tommie B. Hawkins, 95, of Haskell passed away at 6:15 Sunday at Haskell Nursing Center, where she had lived for the past 12 years. She was a sister of Mrs. Dorothy Spann of Munday.

She was born on April 10, 1887, on the Boone Ranch in northeast Haskell County

and graduated from Haskell High School in 1905 and from Texas Christian University. She taught music at Midland College for two years, then returned to Haskell in 1931.

She was an active member of the First Christian Church, was first recording secretary

of Texas Federated Magazine Club and was a former member of the Harmony Club.

Funeral services were held at 2:30 p.m. Monday from Holden-McCauley Funeral Home, with Rev. David Martin of the First Christian Church and Dennis Ratliff officiating. Burial was in

Willow Cemetery at Haskell.

Surviving her are a nephew, Nored Boone of Haskell; two nieces, Mrs. Spann of Munday and Irene Sherrill of Floydada; and several grand-nieces and nephews. She was preceded in death by her parents, two brothers and three sisters.

Call in your locals to The Munday Courier.

A Message To The Voters Of Knox County

"For A People's Voice In State Government"

Next Tuesday, November 2nd, is the day of a very important election.

Last May, you selected some very good people to represent the Democratic Party, and I am proud to be among those that you picked.

Now it is time to go to the polls and support the nominees of your party.

We in rural West Texas, faced with every kind of economic hardship imaginable, need the down to earth, progressive, constructive leadership of the Democratic Party now more than any time since the 30's.

We small businessmen, farmers, workers, and senior citizens need folks in office that care about us, will listen to us, and will work for us.

We need a Democratic Governor, a Democratic Legislature, a Democratic Congress, and yes, in two years, Texas needs to help elect a real Democratic President. Your vote counts. Start the ball rolling now! Vote Democratic on Tuesday!

Sincerely,
Steven A. Carriker

Soil Testing Important

Getting your soil tested has always been important, but now this proven practice is more important than ever.

Fertilizer is getting more and more expensive, so it's crucial for producers to get the most from their fertilizer dollar. Getting a profitable on the supply of available nutrients already in the soil. A soil test can provide an estimate of this supply.

A soil test will determine which nutrients are deficient in the soil for a particular crop so that a producer can fertilize to supplement the soil supply. It's not profitable to supply nutrients already available in the soil in sufficient quantities for a particular crop or to supply added nutrients that the crop does not need or cannot use.

Now is an excellent time to take soil samples since soil test results can be obtained more quickly this time of the year due to a smaller volume than in the spring. And, once producers have their test results, they can order the fertilizer they need for the coming season.

So to plan the best fertilizer program, get your soil tested now.

Difficult times demand wise decisions . . . and strong decision-makers like Lt. Gov. Bill Hobby.

Texans are facing some difficult times. Now, more than ever, we need experienced, compassionate leaders in our state government.

We need a leader like Lt. Gov. Bill Hobby who has our interests at heart. Here's how Hobby stands on the issues concerning Texans:

EDUCATION.

HOBBY will not be satisfied until our education system is the best in the nation. His efforts to improve the quality of public education for your children and grandchildren begin in the classroom. He is for improving teacher salaries and benefits. He is for giving more control to local school districts.

JOBS.

HOBBY is working to create more and better jobs for Texans. He is making sure jobless Texans receive their full unemployment benefits. He is working to increase the efficiency to the Texas Employment Commission. He is stimulating economic growth and new jobs through responsible state spending and one of the lowest tax rates in the nation.

CRIME.

HOBBY is for strong laws and certainty of punishment of criminals, backed by better training and pay for our police officers. He is helping upgrade our courts to speed up trials of accused criminals. He is for improving our prison system and parole system.

Re-elect Bill Hobby

... A STRONG
LT. GOVERNOR,
HONESTLY.

Sunday morning, Mrs. Homer attended Mass at St. Joseph's Catholic Church with her grandsons and others: Danny and Karen of Austin, Douglas and a friend, Kim Butts, of Lubbock; and granddaughter, Donna and friend, Rusty Hall, of Dallas. They had lunch at her daughter's home and a time for visiting.

Monday morning, her daughter, Kay Gallagher of Oakville, N. C., along with Kay Gallagher Sr. of Chicago, Ill., and daughter Mag took her to Nazareth to visit another daughter, Sr. Immaculate, and a host of other nuns. They spent Monday night and attended mass there. Tuesday morning they were served brunch, then back home. Tuesday evening, stopping at Blanco Canyon Park for a picnic. She said she was very tired, but it was fun.

Mr. and Mrs. R. J. Walling of Seymour, Randel and Jean Walling of Vietnam and Lendon and Joyce Walling of Munday came by to see their mother, Ida Voss, on Saturday.
