## Look To The East

by Aaron Edgar

Country Roads, take me home  
To the place where I belong,  
Munday, Texas, Knox County  
Take me home, Country Roads!

We found ourselves unconsciously humming this revised version of the famed "Country Roads" ditty on Friday, September 30, as our driver pointed the vehicle in the direction of Munday.

It was Bridge's birthday, and she agreed that getting to return home after the long seven weeks in Wichita Falls Nursing Center would be the most wonderful birthday present she could have.

Happiness enveloped us as we came nearer and nearer our home town and our own home. We felt we would have the chore of opening the house, which had been closed for seven weeks, and letting it air out when we got there.

As we pulled happily into the driveway, some of our wonderful neighbors came over to welcome us home, to greet us and help with the unloading. As we stepped inside the kitchen entrance, we found that the house had been opened to air out, and the dining table set and laden with enough food for the four homeward travellers. What a wonderful surprise!

We felt like exclaiming as Jacob did when he awoke from his vision: "God is surely in this place . . .!"

The wordings we'd found in different homes came to mind, such as: "God Bless our Home", "Home is where the heart is", "Home Sweet Home", "Home - the place where we grumble the most and are treated the best", and so on.

Right at the time, however, it was impressed on us that home, our home, is the sweetest place this side of Heaven. How blessed we were to be permitted to return home, to be with loving Christian neighbors and wonderful friends.

Friends had proven themselves far beyond expectations during our stay in Wichita Falls, showering us with an abundance of cards, flowers, personal visits and words of encouragement.

This has continued in a measure since. God puts it into the hearts of friends to extend kindnesses beyond the hospital room or sick room.

The Goodson Sellers brought us a "helping" of her favorite three-tiered cake that was so rich they doubted that we'd be able to eat it. We were!

Only last Saturday, Chan and Rita Hughes came in with some "home spun" eggs, home-made jelly and slices of cake just replete with nuts - a part of our noonday meal.

Bera Spann was brought home Friday night by her son-in-law and daughter, the Bobby Boyds of Hereford. She gathered a lovely arrangement of roses out of her rose garden and brought them over to us. With them she had pinned a little verse with her left hand, since her right was still in bandage. Here it is:

From a tiny green bud,  
God can make a lovely rose.  
He places each soft petal  
Best it's beauty to behold.  
And deep within its heart  
He puts a perfume rare.  
If God can such a gift create,  
I know I'm safe within his care!  
Home without God would be a dreary place indeed! We can sense his presence everywhere. All our get well messages contained a prayer to God for our recovery and well-being.

Which strengthens our assurance that God is everywhere. We may pass Him by, but he never passes us by. His place is in our home and in every home that will permit him entrance. What a shame if there are those who reject him!

The five cornerstones of a community, we're told, are: The home, the church, the school, the bank and the newspaper. Without either of these, the foundation would become shaky.

We've put the home first, because that is where children grow up to become enrolled in the church and school. The bank is the community's standby and financial security, and the newspaper, no matter how small, will be found pulling for the good of our community.

Yes, home is where the heart is. Home in Heaven is the goal of our existence!

## Local Lambs Place At State Fair

Five young people from Munday entered lambs in the livestock show held in conjunction with the State Fair of Texas, and all five placed in the money with their entries. There were approximately 600 lambs entered in the show.

Trey Thompson had the reserve champion finewool lamb. He won first place in finewools, third place in heavyweight Suffolks and seventh in Southdowns.

Tyler Thompson had a seventh place win in finewools, an eighth place in Hampshire crosses, and another eighth in Southdowns. Trey and Tyler are the sons of Mr. and Mrs. Larry Thompson.

Robin Reneau placed ninth in lightweight Suffolks and 17th in Southdowns. Jae Jae Reneau was 17th in lightweight Suffolks and 13th in Southdowns. Missy Reneau won 14th in lightweight Hampshires and 19th with her Southdown.

These girls are the daughters of Mr. and Mrs. John Reneau.

The next show on local fair-goers' agenda will be the King County Fair to be held on November 5.

## Goodie! We Get To Sleep Late Sunday

It's that time of year again, and we almost forgot to call your attention to it! Next Sunday is the date when we can sleep an hour late and still get to church on time!

Daylight saving time will come to an end at 2 a.m. Sunday, and we can prepare to welcome the fact without going to the trouble of waking up to celebrate. Just turn your timepieces back an hour before going to bed, then snooze right on through the extra hour next morning.

This is the time of the year that's welcomed by all right-thinking people, in our opinion, and those who think otherwise will have to suffer under standard time, as we have under daylight savings during the past six months.

Have a happy day Sunday!

## Broom Sale Set Thursday, Nov. 3

The Munday Lions Club's annual mop and broom sale has been set for Thursday, November 3, according to officials of the club.

There's been some changes made in proceedings of the sale. Don't expect the "caravan of Lions" to make a house-to-house canvas this year, as this troublesome chore has been eliminated. Instead, the Lions Caravan for the Blind will "set up shop" on the city hall lawn, and sales will be made from this location. A group of Lions will be on hand to assist customers in making their selections.

All items usually carried in the Lions sale will be displayed on the site, so you may take your time in making your selections. It is believed this will work to the advantage of everyone concerned.

## Halloween Carnival Promises Fun and Laughter For All

The Munday Elementary School gymnasium will be the scene of a repeat performance of Munday's annual Halloween Carnival, and spooks and goblins will be assembling there at 6:30 p.m. Monday, October 31, to join in the fun.

This event is being sponsored jointly by the Munday Chamber of Commerce and Agriculture and the Munday Jaycees.

Some of the old favorite attractions of last year will be repeated for your entertainment.

Featured among these will be the variety show, which was the "talk of the town" for days following last year's event. Heading this feature will be Mr. and Mrs. Don Welch, Mr. and Mrs. Boyd Lynn Meers, Mr. and Mrs. Terry Alexander and Mr. and Mrs. Dan Offutt. Others are being solicited to join these in making the show an outstanding success.

The homemaking class at Munday High School will again sponsor a special fishing pond for pre-schoolers and other youngsters. More games of interest in this age group are also being planned.

Games of fun and excitement are being planned for persons of all ages, so

**TREY THOMPSON SHOWED** this 10-month-old 94 pound lamb to the reserve championship of the finewool division at the State Fair of Texas last weekend. Trey is the son of Mr. and Mrs. Larry Thompson, is 13 years old and an eighth grade student at Munday Junior High. Trey shows hogs and calves as well as lambs, and this is his third year to enter the state fair.

## PENALTY MARS LAST-MINUTE DRIVE

# Haskell Gains Win Over Moguls

A 15-yard penalty late in the fourth quarter against the fighting young Munday Mogul football team could possibly have cost them a victory Friday night against the Haskell Indians.

With the Indians leading 20-14, Munday recovered a Haskell fumble on their own 43 yard line. Led by quarterback Dent Offutt, tailback Tim Collier and fullback Ronny Lowrance, the Moguls began moving the ball downfield. On the Haskell 34, the Moguls were hit with a 15-yard clipping penalty as the clock showed one minute and 15 seconds remaining in the game. Faced with 25 yards needed for the first down, the Moguls had to take to the air, and Haskell defensive back Doug Lanier picked off a Mogul pass, ending the scoring threat and the Moguls' hopes of victory.

The first quarter was a defensive battle by both teams. The Indians scored

first with 48 seconds left in the period on Keith Reed's 12 yard run up the middle. Todd Harris kicked the extra point for a 7-0 lead.

The Moguls came fighting back, and on their second possession, Offutt hit split end Frankie Stinnett with a perfect 60-yard scoring strike. Offutt ran the ball in for the extra points, and the Moguls led 8-7.

The Indians scored again with 48 seconds left in the first half when Carl Dever ran around left end from 10 yards out. Harris again kicked the PAT for the halftime lead. Haskell added to their lead in the third quarter on a 54-yard pass from Harris to Patrick McCoy, but the PAT try was wide.

Starting from their own 20, the Moguls scored in seven plays. Passes of 34 yards to Kent Josselet and 37 yards to Stinnett moved the team downfield, and Tim Collier ran the final nine yards for the TD. The kick was wide, and with 2:26 left in the third quarter, the Indians held on to a 20-14 lead they never relinquished.

## Support Of Amendment Five Is Being Urged

Education leaders, including our own superintendent of schools, Doyle Lowrance, are urging Texas voters to study and support Constitutional Amendment No. 5, which will appear on ballots in the general election November 8.

Cited for consideration is a letter from the office of Bob Bullock, comptroller for public accounts, which reached the Courier's editorial desk recently, which is being reproduced entoto for your consideration:

Taxpayers have a lot to gain and nothing

to lose in voting for Proposition 5, the school bond amendment, in the November 8 constitutional amendments election.

The amendment could save our schools and local taxpayers \$435 million in interest payments alone in just the next 17 years.

It comes as a surprise to many people that the awesome resources the State of Texas dedicates to education are not

## WTU Initiates New Rate Increase Oct. 22

West Texas Utilities Company has filed notice that it intends to put a major portion of its requested retail rate increase into effect October 22 on an interim basis.

The interim rates will reflect an annual increase of \$18.8 million, a level about halfway between the Company's original request and the Public Utility Commission staff's recommendation. WTU asked for \$26.5 million and the staff recommended \$10.6 million.

Texas law allows a utility to place a rate increase into effect subject to refund 125 days after the original request is filed if the PUC and the cities have not taken final action by that date. A hearing on the WTU request was completed September 12 in Austin, but the final rate order from the Commission has not been issued.

"We had rather not place interim rates into effect," said G. Holman King, WTU vice president and director of corporate affairs, "but we have an urgent need for rate relief and cannot afford the revenue loss caused by waiting for final rate approval."

King said the interim rates will be subject to refund, and probably will create a certain amount of confusion when final rates are approved and adjustments are made.

The interim rates will result in an increase of about 7.5 percent to residential customers. A residence using 600 kilowatt hours would be billed \$49.56 under the interim rates and \$46.11 under the present rates, a difference of \$3.45. A customer using 1,000 kilowatt hours would see his bill raised from \$72.02 to \$77.61, a difference of \$5.59.

WTU originally had asked for the new rates to be effective July 16. The new rates are based on revenue requirements of a historical test year, which in this case was the year ended March 31, 1983.

WTU serves 82 incorporated towns and several unincorporated communities. Of the incorporated towns, 28 have denied the rate increase and appealed to the PUC, 32 suspended the rate increase

and 21 ceded jurisdiction to the PUC. Towns denying the rate increase were Alpine, Aspermont, Balmorhea, Bronte, Clyde, Cross Plains, Dodson, Estelline, Hawley, Iraan, Jayton, Junction, Lawn, Lueders, Marfa, Memphis, Menard, Merkel, Miles, Putnam, Quitaque, Rankin, Santa Anna, Sonora, Sterling City, Turkey, Tuscola and Valentine.

Suspending the increase were Abilene, Anson, Baird, Ballinger, Benjamin, Big Lake, Blackwell, Buffalo Gap, Childress, Cisco, Clarendon, Crowell, Eden, Hamlin, Haskell, Impact, Knox City, Melvin, Munday, O'Brien, Paducah, Quanah, Rising Star, Rochester, San Angelo, Spur, Stamford, Throckmorton, Tye, Wellington, Winters and Woodson.

Ceding jurisdiction and allowing the PUC to handle their cases were Albany, Chillicothe, Dickens, Eldorado, Goree, Hedley, Lakeview, Matador, McCamey, Mertzon, Moran, Paint Rock, Presidio, Roaring Springs, Robert Lee, Roby, Rotan, Rule, Shamrock, Trent and Weinert.

## Most Courier Subscriptions Due In November

November is the month in which most Munday Courier subscriptions are due for renewal. Look at the upper right hand corner of your address label, if the numbers 11/4/83 appear there, your paper needs to be renewed.

Since there are so many renewals due at this time, we are asking that you bring in or mail your renewal payment as soon as possible.

The publisher and staff of The Courier appreciate our readers' response to this annual notice. Postal regulations require that we mail only paid-up subscriptions, and we don't want anyone to miss a single issue of The Courier.

This issue of The Courier also contains a list of October subscriptions which are due at this time.

## Local Weather Recorder Receives 10-Year Award

The official cooperative weather observer at Munday, Texas, was recently awarded the United States Government 10 year service pin and letter of appreciation from the department of commerce for his outstanding contribution to the field of meteorology. Mr. Sellers is one of the nearly 12,000 volunteer observers across the country that take various types of weather observations. At the end of each month these weather reports are mailed to the environmental data service's national climatic center in Asheville, N.C., where they are processed by computers, and published in NOAA's Climatological Data to become a part of the permanent record of the world's weather.

This volunteer program predates the national weather service, which is over 100 years old. It was started by the Army Medical Corps and later transferred to the Signal Corps before the U.S. Weather Bureau was founded.

Upon his retirement as manager of West Texas Utilities Co. in Munday, Sellers was not content to accept total retirement, so he agreed to take on the job of weather observer. He compiles and records the temperature readings daily and also records the rainfall for that date, if any.

In addition to his duty with the weather service, he makes a daily telephone call to TV Station KFDX-Channel 3 and gives the readings. This is in cooperation with the Munday Chamber of Commerce and Agriculture, which organization has been carrying on the program for local citizens for a period of several years. His recordings are also published in the Munday Courier each week.

Almost every community has someone interested in keeping weather records, and in most cases, these individuals want to share their information with others. It is upon this fact that the cooperative weather program was established. The climatological information that observers like Mr. Sellers have so faithfully provided over the years, is one of the most extraordinary services ever developed anywhere, and

**GOODSON SELLERS**, Munday's weather observer, recently received a 10-year service pin from the United States Government and a letter of appreciation from the Department of Commerce for his outstanding contribution to the field of meteorology.

nets the public more per dollar expended than any other government service in the world.

The volunteer observers come from all walks of life and from every profession. Some of them are ranchers, farmers, school teachers, lawyers, doctors, bankers, cowboys, etc. These volunteer observers are civic-minded individuals that are interested in weather and want to share this interest with others for self satisfaction and pride in doing something worthwhile.

The National Weather Service, Southern Regional Headquarters, joins the secretary of commerce Malcolm Baldrige, National Oceanic Atmospheric Administrator Dr. John Byrne, and the administrator for weather services Dr. Hallgren, in congratulating Mr. Goodson Sellers on his excellent record of public service.

## IN TOUCH

LARRY SWAN  
MUNDAY CHURCH OF CHRIST

Since the time I have been in the Munday area, I have watched preachers come and go. I know that choosing a preacher can be difficult. Recently an article from Dear Abby crossed my desk and I would like to share it with you. Perhaps you've read it, but I know you will enjoy reading it again.

Dear Abby: One of the toughest tasks a church faces is choosing a good minister. A member of an official board undergoing this painful process finally lost patience. He'd watch the Pastoral Relations Committee reject applicant after applicant for some fault, alleged or otherwise. It was time for a bit of soul searching on the part of the committee. So he stood up and read a letter purporting to be from another applicant.

"Gentlemen: Understanding your pulpit is vacant, I should like to apply for the position. I have many qualifications . . . I've been a preacher with much success

and also some success as a writer. Some say I'm a good organizer. I've been a leader most places I've been.

"I'm over 50 years of age. I have never preached in one place for more than three years. In some places I have left town after my work has caused riots and disturbances. I must admit I have been in jail three or four times, but not because of any real wrongdoing. My health is not too good, though I still get a great deal of work done. The churches I have preached in have been small, though located in several large cities. I've not got along well with religious leaders in towns where I have preached. In fact, some have threatened me and even attacked me physically. I am not too good at keeping records. I have been known to forget whom I have baptized.

"However, if you can use me, I shall do my best for you."  
The board member looked over the committee. "Well,

what do you think? Shall we call him?"

The good church folks were aghast. Call an unhealthy, troublemaking, absent-minded ex-jailbird? Was the board member crazy? Who signed that application? Who had such colossal nerve?

The board member eyed them all keenly before he answered. "It's signed, 'The Apostle Paul.'"

## Coach Edwards Comments

We played well against Haskell. Many of our younger players were on the field, and we had several injuries, so the competitiveness of the Moguls was just super. The coaching staff is very proud of their performance.

We did make some key mistakes and had some breakdowns at the wrong times. There were some bad plays made in the secondary. That is where the errors in judgement show up. We are still somewhat timid at times in going for the ball.

We feel our technique is improving weekly and we are learning good defense. We had some chances to win the game, and our own mistakes may have cost us the win; however, Haskell is a fine team and you can't take anything away from them.

Our Mogul of the Week award goes to Frankie Stinnett, who had a good game both on offense and defense. Paul Wright is our Offensive Player of the Week. He had his best blocking game of the season. Defensive Player of the Week is Jim Earl Dockins, who had 24 tackles in the Haskell game. Jim Earl has really been valuable to us since we moved him up from the junior varsity. Head Hunter of the Week is Pat Angerer, who did an outstanding job filling in for Kregg Sanders and had what was by far his best defensive game.

## Senior Citizens Monthly Singing October 27

The Munday Senior Citizens will have their monthly singing Thursday, October 27 (tonight), in the Community Center at 7:00 p.m. Several out-of-town singers have been invited.

Any Senior Citizen will be welcomed to attend. If you like to sing or just listen, be sure to attend.

## Goree PTO To Hold Carnival And Costume Contest

The Goree parent-teacher organization will sponsor a Halloween carnival on Saturday, October 29.

The costume contest will begin at 7:00 p.m. and is open to surrounding areas as well as Goree. Categories are kindergarten through second grades; third and fourth; fifth and sixth; seventh and eighth; high school; and an adult category. Ribbons for first, second and third places will be awarded in each category by a panel of judges.

Following the contest, the carnival will begin with several booths sponsored by different classes. The main attraction will be Bingo in the school cafeteria sponsored by the PTO.

Admission is free and there will be several food booths, so plan to come to Goree on Saturday night for a good time.

## Donations For Jaws Of Life Are Increasing

A total of \$2,200 has been donated to the Fire Department Jaws of Life fund. This amount has been given by citizens and businesses, and does not include the initial \$500 donation given by the Fire Department or the matching contribu-

tion of the Munday Ambulance Service. Donations were received during the past two weeks from Marshall Benner, Clyde Yost, Edwin Wilde, B. B. Bowden, Petty Flying Service, Gene and Don Haynie, Floyd Reed, Janice Smith, J. E. Hunter and Abel Ag.

A spokesman for the Fire Department said that approximately one-third of the Jaws of Life goal has been reached.

## United Fund Names Section Leaders

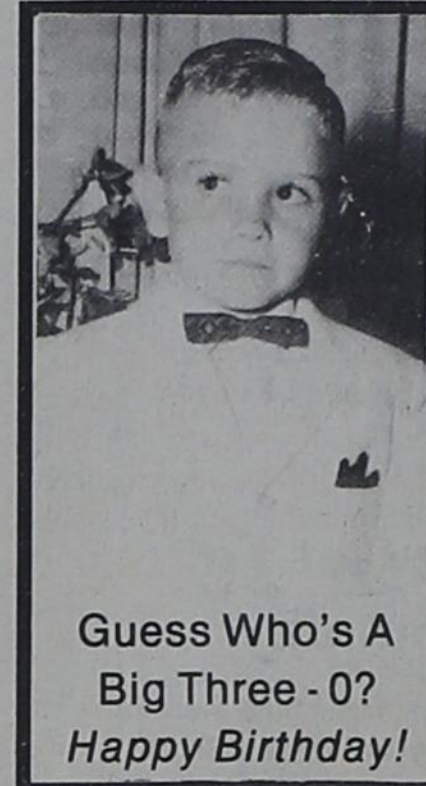

Divisional chairmen for the Munday United Fund drive have been announced.

Ronnie Cude will serve as northeast rural section chairman. Jan Zeissel will have the northwest rural division, Gaye Yost will take the southwest rural section, and Cindy McWhorter is southeast rural chairman.

Linda Smith will be in charge of north residential collections, and Joan Hutchinson is south residential chairman.

Ted Jordan is chairman of the business section.

The United Fund drive is continuing in Munday and Goree through October 30, and area residents are urged to donate generously.

### Local FTA's Attend District Meet

Sixteen local FTA members attended the district Future Teachers of America Convention in Graham on Saturday, October 22. Accompanying the students were their sponsor, Karen Longan, and Mr. and Mrs. Boyd Baker.

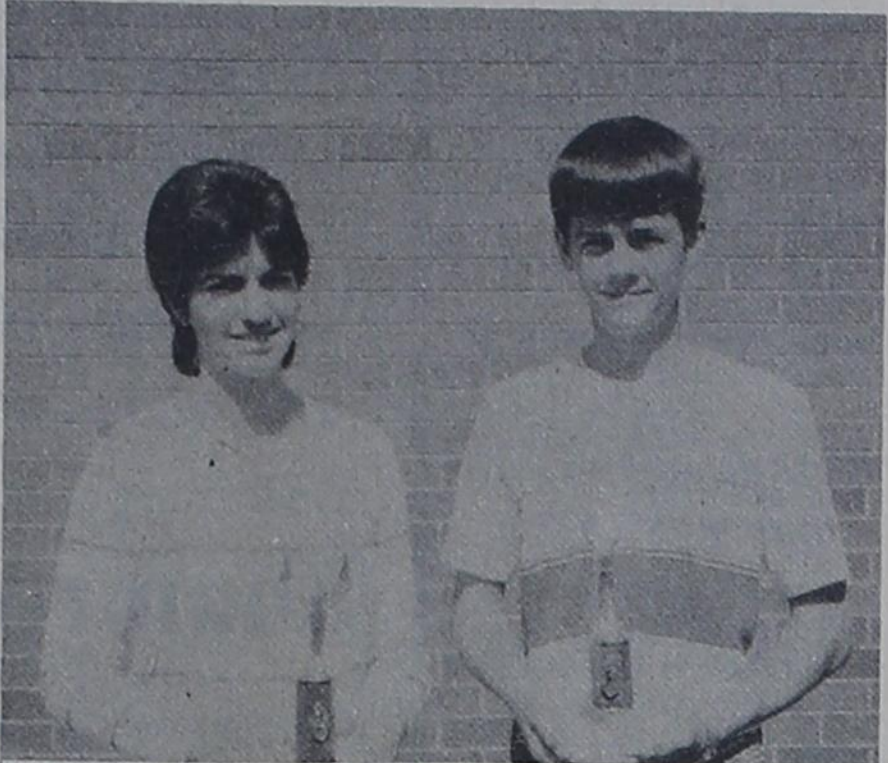

Pam Welch was elected district financial secretary during the convention. Munday challenged Burkburnett for the office. Other officers elected were Susie Muskett of Burkburnett, president; Jill Thompson of Graham, vice-president; Lisa Bleu of Vernon, recording secretary; Kathy Kruse of Olney, historian; and Penny King of Burkburnett, parliamentarian.

During the entertainment section of the convention, Paul Wright of the Munday chapter presented a vocal number, accompanied on the piano by Rhonda Redder.

Donna Welch and Julie Partridge were district voting delegates. At the afternoon House of Delegates session, Julie was elected a delegate to the state convention to be held in Austin in February, 1984.

A highlight of the district convention is the naming of Mr. and Miss FTA. Contestants prepared speeches on the 1983 FTA theme, "Tomorrow's Future - Today's Adventure". Salwa Choucair was runner-up for Miss FTA and Mark Brown placed third in the Mr. FTA competition. Michelle Farmer of Olney was named Miss FTA and Janna Holt of Vernon came in third. The top two winners in the boys' divisions were David Houk of Burkburnett and Jeff Eastan of Graham.

Salwa and Mark were presented trophies for their accomplishments.

**THESE STUDENTS PLACED** in Future Teachers of America contests at the district FTA meeting held recently. Salwa Choucair, at left, was runner-up in the Miss FTA contest. She is a junior and the daughter of Mrs. Joe Choucair. Mark Brown, the sophomore son of Mr. and Mrs. Gene Brown, placed third in Mr. FTA competition. Several other FTA members from Munday attended the meeting.

### Gymnastics Classes Offered

John Mix of Graham, a gymnastics instructor, contacted members of the Munday Council for the Arts this week about beginning gymnastics classes in Munday. Mix has had 17 years of gymnastics experience. In 1974, he was the outstanding gymnast over a five-state area. He now owns and operates a gymnastics studio in Graham.

Mix and another coach have offered to teach two classes on Fridays from 3:00-4:15 and 4:30 - 5:45. Each child must buy a \$15.00 accident insurance policy at the beginning of the lessons. The cost for lessons will be \$5.00 a week. Persons of all ages in Munday and surrounding towns are invited to participate.

Mix stated that he needs approximately 40 students in order for the two coaches to make the weekly drive from Graham.

If you are interested in enrolling your child, please contact Karen Longan at 422-4438 or Judy Nagel at 422-4943.

### Arts and Crafts Bazaar Scheduled In Knox City

The Knox City Circle extension homemakers club will host an arts and crafts bazaar on Saturday, November 19, at the American Legion Hall in Knox City. Anyone interested in arts and crafts is invited to participate.

Entry deadline is November 1, and the fee is \$10 per booth. For more information, call 658-3328 or 658-3197. Entry fees may be sent to Linda Carver at Box 643, Knox City, 79529.

A bake sale will be held in conjunction with the bazaar, and both Thanksgiving and Christmas items will be available.

### LOCAL

Mrs. Frank Nance has returned home from a two weeks visit with her daughters, Mrs. Kenny Smith and Kenny Jr. in Odessa, and Mrs. Jimmy Leach and family in Midland. The Leaches brought her home and remained for the weekend.

## Grid Roundup

### KNOX CITY STREAK CONTINUES

Knox City won the Greyhound race in Throckmorton Friday night with a 53-12 victory over the host team, moving their season record to 7-1.

Knox City took control of the game in the first quarter on touchdowns from Wayne Hutchinson, Steve Oudems and Otis Lockhart, and Lockhart burst open for three more scores in the second half.

Joe Flores also scored for Knox City, while Kevin Latham accounted for both Throckmorton touchdowns.

### NORTHSIDE BLITZES GOREE

Joe Wilkinson and Dan Dockery scored three touchdowns each to lead the Northside Indians to a district six-man victory over the Goree Wildcats.

Northside quarterback Junior McGee rushed for 272 yards and made one touchdown, passing the pigskin for another.

Goree quarterback Kipp Cotton tossed TD passes of 33 yards to Don Dixon and 50 yards to Richard Dixon for the two Goree scores.

### BENJAMIN WINS OVER WEINERT

Benjamin and Weinert engaged in an offensive slugfest with the Mustangs coming out the winner by 80-66. Troy Oxford rushed for over 400 yards and eight touchdowns to lead his team.

Troy Pratt, Chris McGregor and Kent Hertel also scored for Benjamin.

Larry Brueggeman scored four touchdowns for Weinert and Luis and Edward Perez added three each in the Bulldogs' losing effort.

### ROTAN OUTSCORES PADUCAH DRAGONS

Rotan's Charles Williams scored on two punt returns

and passed to Sammy Turner for another touchdown to lead his team to a 21-12 victory over Paducah.

Two George Ludtke field goals and a one-yard TD by Thad Irons gave the Dragons a 12-0 lead in the second quarter, but it proved hard to hold on to.

Rotan's offense sputtered against the stubborn Dragons, but Williams' efforts made the difference. Rotan is 2-1 in district, and Paducah has yet to win a district game.

### HAMLIN DEFEATS SEYMOUR TEAM

A determined Seymour team held Hamlin to only 21 points, but couldn't capitalize on enough errors to win as the Pied Pipers kept their record perfect with a 21-7 victory.

The Pipers fumbled the opening kickoff and Seymour took advantage of the mistake for a quick touchdown by Billy Beamon. In the second quarter Hamlin's Coy McGee took a pass from quarterback Jeff Lawlis and went 59 yards to even the score at 7-7.

The second half was filled with turnovers, but the Pied Pipers were able to put two drives together, with Eddie Bolden scoring both touchdowns. He rushed for 251 yards during the game.

Seymour's defense played hard against the strong Pied Pipers, but the Panthers weren't able to score again.

## ANNUAL BROOM SALE

Thursday, November 3 Beginning at 8 a.m.  
Truck located west of City Hall

**Pamela Beck, Lenny Welch Are Wed October 15 In Early**

Pamela Ann Beck became the bride of Lenny Roy Welch at 3 o'clock in the afternoon on Saturday, October 15, at the First Baptist Church in Early. Rev. Jim Way, pastor of the First Baptist Church in Munday, performed the ceremony.

The bride's parents are Mr. and Mrs. Adron Beck of Early. The groom is the son of Mr. and Mrs. Roy Welch of Munday.

The center altar arrangement was flanked on either side by heart-shaped brass candelabra entwined with greenery and ribbon streamers. Lavender bows marked the family pews.

Rhonda Burdett, pianist, accompanied Brenda Hughes as she sang "You Light Up My Life," "Endless Love" and "The Lord's Prayer." Melinda Cumba, sister of the groom, played the traditional wedding music.

Given in marriage by her father, the bride was attired in a gown featuring a bodice of Chantilly lace and pearls. The Queen Anne neckline and chiffon bishop sleeves were accented with lace appliques and lace cuffs. The skirt, fashioned with five tiers of accordion pleated chiffon enhanced with Chantilly lace, fell to a chapel-length train trimmed with Chantilly lace. The bride's fingertip-length veil, also trimmed with Chantilly lace, was attached to a Camelot headpiece of matching lace accented with pearls. The veil was handmade by the bride's mother.

The bride carried a cascade bouquet of light blue silk camellias encircled by white

lavender-tipped roses, baby's breath, and streamers of white and lavender satin ribbons. She wore a gold diamond pendant, a gift from her parents. The diamond was taken from her mother's wedding ring set. She also had a lucky sixpence in her shoe.

Rhonda Petty was matron of honor. Bridesmaids were Leah Poston, Kim Harris, Christie Tongate and Jamie Allen, cousin of the bride.

in a beige street-length dress with a corsage of lavender roses accented with lavender ribbon and baby's breath.

Windy Lewis attended the bride's book. Guests were registered at a table laid with a white lace cloth.

After the ceremony, a reception was held in the church. The bride's table, laid with white lace over lavender, was centered with the bridal bouquet. The three-tiered wedding cake was decorated with bouquets of blue roses and lavender daisies on the two lower tiers and garlands of blue roses on the top tier. The cake was topped with wedding bells and two white doves.

The cake was served by Windy Lewis while Jo Lynne Mills served the wedding punch.

The groom's table was laid with a navy cloth and decorated with crystal candle holders and blue candles. The groom's heart-shaped chocolate cake was served with coffee from a silver coffee service by Pam and Donna Welch, sisters of the groom, and Shanna Welch, sister-in-law of the groom. Small bags filled with bird seeds were distributed by Karen Fortune.

The bride, a 1980 graduate of Early High School, attended Howard Payne University. Her husband, a 1980 graduate of Munday High School, is a candidate for a B. S. degree in government from Tarleton State University in December. He plans to attend law school.

After a wedding trip, the couple will reside in Stephenville.

**WTU Christmas Program Planned**

Knox County homemakers and their guests are invited to the WTU Christmas program sponsored by the Knox County Extension Homemakers. The program is scheduled for Tuesday, November 8, at St. Isabel Catholic Hall in Knox City.

Each person attending is asked to bring a covered dish for the luncheon which will begin at 11:30 a.m. Carolyn Schur of West Texas Utilities will present a program on Christmas ideas and recipes at 12:30.

Members of the KC Circle Club will be hostesses for the event.

**Miss Lambeth Is Shower Honoree**

Miss Angela Lambeth was honored with a bridal shower on Saturday, October 15, at the Goree Memorial Building. Guests called between the hours of 3 and 4 o'clock in the afternoon.

Mrs. Gerald Myers greeted guests. In the receiving line with the honoree were her mother, Mrs. Sandy Lambeth, Mrs. Jack Bailey, mother of the prospective groom, and Mrs. Lila Fay Mobley, the bride-elect's grandmother.

The serving table was covered with a rose cloth overlaid with white lace. The centerpiece was a silk flower arrangement in the bride's chosen colors of burgundy and rose.

Miss Kelly Lambeth, sister of the honoree, registered guests. Mrs. Jack Wilson and Mrs. David Speck served refreshments.

Miss Lambeth and Phil Bailey will be married on Saturday, November 26, in Goree.

Hostesses for the occasion

were Mmes. Lee Patterson, Everett Barger, Keith Burnison, Philip Homer, Jerry Underwood, Cy Lain, Parnell Skelton, Calbert Haskin, Gerald Myers, George Cotton, James Peek, Billy Don Hutchens, Bob Woodall, Jackie Barger and Donnie Estes.

**Gas ranges keep temperatures under control.**

Almost all great chefs insist on natural gas ranges. Because gas gives them temperature control, par excellence.

The low flame keeps even the most delicate sauces warm without burning them. While the high flame gives immediate, intense heat for a rapid boil.

And when the flame is off, it's off! There's no hangover heat to spoil the

creation.

But control isn't the only reason they cook with gas. Gas saves money. In fact, you can cook 1 1/2 meals on a high-efficiency gas range for the cost of cooking one on a non-gas range.

So get more for your money and get a gas range for your home. Today, we promise you, you'll be in better control of your temperature.

## CARNIVAL

Think everyone agrees that the Halloween Carnival Saturday night was very successful. A good crowd was on hand and enjoyed the fun and frolic.

The program was entitled, "Mardi Gras". Elementary and junior high classes each had a segment. The decorations carried out the "Mardi Gras" theme and gave the whole gym a carnival air. The program and decoration committees are to be commended on their work well done. Also the teachers who had spent several days rehearsing these youngsters did a fine job.

The coronation preceded the program. The duke and duchess were from the kindergarten class. The Duke was Riley Carver, son of Craig and Susan Carver, and the Duchess was Jill Brown, daughter of Christi Brown.

The Prince and Princess were eighth grade representatives. Prince was Phil Boone, son of Mr. and Mrs. Frank Henderson, and Princess was Lorrie Ralston, daughter of Homer and Jan Ralston.

The 1983-84 King and Queen of Benjamin High School were from the senior class. King Kent Hertel is the son of Don and Louise Hertel and Queen Lori Griffith is the daughter of Charles and Linda Griffith.

Congratulations go to all these young people.

The P. T. O. Committee chairmen have expressed their appreciation to all who contributed in any way to this carnival. Without your help it would be very hard, (maybe impossible), to have this each year. So we thank you!

## SCHOOL FAVORITES

The all-school favorites have been released. They are: Mr. and Mrs. Benjamin High School - Troy Oxford and Beverly Tolson. They are seniors and their parents are Davey and Sue Oxford and Buddy and Janice Tolson.

Most Likely To Succeed - Lori Griffith and Troy Pratt. Lori is the daughter of Charles and Linda Griffith. Troy's parents are Jim and Barbara Pratt.

Mr. and Miss School Spirit - Kent Hertel and Beverly Tolson. Kent's parents are Don and Louise Hertel.

Friendliest - Troy Pratt and Lori Griffith. Most Athletic - Troy Oxford and Debbie Bufkin. Debbie's parents are Sonny and Doris Bufkin.

FFA Sweetheart - Beverly Tolson.

FHA Beau - Kent Hertel.

FOOTBALL NEWS  
It looks like a basketball score but it is really the Benjamin-Weinert football score. The result of last Friday night's game was Benjamin 80, Weinert 66.

Benjamin's TDs were made

by Troy Oxford, Kris McGregor, Troy Pratt and Kent Hertel. Troy Pratt kicked the extra points.

Friday night the Mustangs travel to Miami. Good Luck, team!

## SISTER OF LOCAL RESIDENT DIES

Mabel Browning, 84, of Stephenville, died October 1 in a Stephenville hospital. Services were October 3 in Stephenville.

Mrs. Browning was born November 25, 1898, in Knox County and married Van Browning in 1917 in Benjamin. He died in 1967.

She is survived by two daughters, five grandchildren and a sister, Allie Moorhouse of Benjamin.

Mrs. Moorhouse was in Stephenville for the funeral. **HERE 'N THERE**

Beth Pierce and children, Jennifer, Justin and Claudette, of Dallas were Benjamin visitors during the weekend.

Darrell, Mary and Mike Sawyers of Hamlin visited Clodell Duke Saturday and attended the Halloween Carnival.

David and Brenda Jones and daughters of Bridgeport were weekend guests of his parents, Charles and Joy Jones.

Lona Feemster of Vera

was a weekend guests of her daughter and family, the Bobby Robersons.

Mr. and Mrs. Jerry Leaverton and family of Amarillo were weekend guests of his mother, Lou Leaverton.

Mr. and Mrs. Dick Harper of Thalia were visitors with their daughter and family, the Bill Blands.

Michelle Bufkin, with friends from Seymour, attended the Alabama concert in Abilene Saturday night.

Visitors in the Van Green home during the weekend were Gordon and Debbie Taylor of Paducah, Ruby Wynn of Munday, and John McKelvie of Childress.

Ruth Ressel returned home Friday after several days in the Seymour hospital. She is feeling much better and thinks the rest did her good. We're glad she's back home.

Mary Barrientz of North Texas State University in Denton was a weekend guest of her parents, Mr. and Mrs. Raul Barrientz.

Jimmy Melton, Jason and Kobi, of Abilene, visited his parents, Homer T. and Kathleen Melton, over the weekend.

Wendy Pollock, student at Vernon Regional Junior College, visited her mother.

## Farm And Ranch Report

### Lawns Need Fall Fertilizer

If you haven't fertilized your lawn in a while, it's not too late to do so.

Fall fertilization can boost a lawn while minimizing energy requirements for mowing and removal of grass clippings, says Charles Siepel, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

A fall application of fertilizer not only prolongs green color in lawns but also stimulates root growth, reduces winter injury and promotes early spring recovery, points out Charles Siepel. Fall fertilization also increases turf density and reduces weeds.

Warm fall days and cool nights provide conditions favorable for grass to accumulate carbohydrates that promote root growth and help winter survival. And, since leaf growth is also less during the shorter fall days, delaying lawn fertilization until mid-September or October helps reduce mowing requirements and energy use.

Charles Siepel recommends applying a fertilizer high in nitrogen and potassium and low in phosphorus.

"Both nitrogen and potassium are important to leaf growth, color and root growth. Potassium is also important to winter survival, disease resistance, and drought tolerance. Phosphorus is essential but is required in much lesser amounts than the

other nutrients.

Siepel suggests a fertilizer with a 15-5-10, 12-4-8, or similar analysis for the fall application.

Base the rate of application on the nitrogen content, the first number in the fertilizer analysis. Apply 1 to 2 pounds of nitrogen per 1,000 square feet of lawn. So, with a 12-4-8 fertilizer, use 10-15 pounds per 1,000 square feet, depending on when the last fertilizer application was made. If the lawn has not been fertilized for the past three months or longer, use the higher rate.

For the homeowner interested in an attractive lawn this fall and early recovery next spring, fall fertilization is a must, emphasizes Charles Siepel.

### Irrigation Evaluation Checks System

Efficient application of irrigation water is the objective of every irrigation farmer in today's tight money situation. Efficient irrigation water application means that the water is applied uniformly over the irrigated area with the minimum loss to evaporation, deep percolation, and runoff.

Soil Conservation Service personnel have methods to test the efficiency of a wide variety of irrigation systems. Center-pivots and siders can be evaluated to find evaporation losses, uniformity of water application to the soil surface, worn nozzles, and compatibility of the operating pressure with the nozzle in use. Surface irrigation systems are evaluated with respect to seepage losses in open ditch delivery systems, flowrate and total application to individual furrows, water lost for production due to deep percolation, and water lost in tailwater runoff. In each case the SCS will determine the cost to pump the irrigation water and develop alternatives for improvement of the systems.

During the past year the SCS in Knox City has evaluated three systems. One sideroll and two center-pivot systems were checked and after suggested changes in nozzle size were made to improve application efficiency, and reduce evaporation losses, the overall efficiency of these systems were improved from twenty to thirty percent, which will reduce irrigation costs for these systems in years to come.

The SCS in Knox City will continue to evaluate irrigation systems in Knox County at the producer's request to insure that everyone is getting the most from their irrigation dollar while conserving water. For more information or an evaluation of your irrigation system call or come by the Soil Conservation Service office in Knox City.

Have a nice day!

CLASS FAVORITES for the junior class at Munday High School are Pam Welch and Ruben Escamilla.

### Opal Coates Of Knox City Dies Friday

Opal L. Coates, 75, a native of Knox County and former resident of Munday, passed away at 8:15 a.m. last Friday at her home in Knox City. She suffered an apparent heart attack.

She was born on August 28, 1908, in Knox City and married Curtis Coates on January 26, 1931, in Walters, Okla. During the late 30s and early 40s Curtis and Opal operated the Coates Cafe in Munday and are well known to many Munday people. She was a member of the First Baptist Church in Knox City.

Funeral services were held at 3 p.m. Sunday from the First Baptist Church in Knox City with the pastor, Rev. John Gillispie, and Rev. Jack Maddox, pastor of the First Christian Church, officiating. Burial was in Knox City Cemetery under direction of Smith Funeral Home.

Serving as pallbearers were Ed Faulk, Walter Rauch, Vernon Bridges, Neil Perdue, Henry L. White and Buddy Angle.

Surviving her are her husband; a daughter, Mrs. Belinda Tidwell of Houston; a brother, J. M. Bradberry of Knox City; a sister, Mrs. Odell Hitchcock of Knox City; three grandchildren; and two great grandchildren.

### Lions Lend Support To Jaws of Life

Support to the movement to secure a "Jaws of Life" rescue tool was pledged last Tuesday by directors of the Munday Lions Club. This followed a regular program given to the club members by three interested persons.

Bill Williams of the Munday Fire Department which is sponsoring the fund-raising drive, opened the program by explaining the need for this instrument and showing pictures of types available.

Don Comedy, member of the Haskell Fire Department, gave an interesting talk on the versatility of the tool in such uses as rescuing a victim from a wrecked vehicle, to forced entry into a building for fire-fighting purposes and the complete demolition of a structure. He explained the value of this tool to the Haskell area.

Bobby Hutchinson of the Munday Ambulance Service pledged support to the move and said, "It is hoped that some day we will be able to start on an ambulance call and have the 'Jaws of Life' van follow immediately," if its use is necessary.

The directors' recommendation will be voted on at a regular meeting of the Lions Club membership.

An account has been opened at the First National Bank in Munday, and any interested persons may make contributions to the "Jaws of Life" fund.

Kent Hertel will serve as president of the Benjamin High School chapter of Future Farmers of America for the 1983-84 school year.

Other officers are Troy Oxford, vice president; Beverly Tolson, secretary; Tammy Tischler, treasurer; Troy Pratt, reporter; and Debbie Bufkin, sentinel.

Beverly Tolson was named chapter sweetheart and will represent the chapter in the district sweetheart contest to be held in December. Amy Griffith of the Ben-

jamin chapter was elected sentinel of the Oil Belt District FFA at the district meeting in Jacksboro earlier this month. This district is composed of 21 school districts. Shane Spinks was Benjamin's voting delegate at the meeting.

Freshman agriculture students at Benjamin are studying leadership and parliamentary procedure skills. Ag II pupils are learning how to solder and Ag III boys are working on building a pig shed. The Ag IV class is practicing chapter conducting and learning to conduct meetings.

On Tuesday, October 11, Brad Bass of Mount Vernon, the state FFA president, visited Benjamin and spoke to the FFA chapter. The members enjoyed meeting and talking to the state leader.

Dick Dickson is vocational agriculture instructor and FFA advisor at Benjamin High School.

### Dennington Funeral Held On Tuesday

Lillie B. Dennington, 85, of O'Brien died at 9:30 a.m. Sunday at Brazos Valley Care Home in Knox City after a long illness.

She was born on August 2, 1897, the daughter of the late Jim and Sabre Bohannon, and married Jesse Lee Dennington on September 29, 1913, in Knox City. She was a member of the Foursquare Gospel Church.

Funeral services were held at 2 p.m. Tuesday at the Foursquare Gospel Church in Knox City with Rev. Floyd Bailey, retired minister, and Rev. Claudia Shipman, Foursquare Church in Haskell, officiating. Burial was in Knox City Cemetery under direction of Smith Funeral Home. Grandsons served as pallbearers.

Survivors include a son, L. B. "Blue" of Dallas; four daughters, Juanita Edwards of Fort Worth, Carmoleta Graham of Dallas, Opal Dennington of Knox City and Linda Sklower of Albuquerque, N.M.; two sisters, Mrs. Beulah Carter of Tucumcari, N.M., and Mrs. Emma Thomas of Childress; eight grandchildren; and sixteen great-grandchildren.

### New! Affordable Works of Art!

Come in soon and see these exceptionally fine Western Art Sculptures, beautifully hand-painted. See the Indian Chief, or the Marshall, or the Herder, or some of the other sculpture pieces.

Priced from \$29.95 to \$179.95. These fine art pieces are by Daniel Monfort, now of Boulder, Colorado.

Mr. Monfort grew up, attended college, and studied the arts in France. His potential for drawing was exhibited at an early age, and eventually stories of the American West became a vehicle by which he could express his artistic talents.

In 1964, while reproducing famous paintings with colored chalk on the sidewalks of Nice, to help finance his studies, Mr. Monfort met the late Dutch artist Van Dongen. Van Dongen was impressed by Mr. Monfort's work and prompted him to further pursue his abilities. With Van Dongen's encouragement, Mr. Monfort moved to New York City hoping to become an illustrator of books. The following years were spent traveling in Canada, the United States and back and forth to Europe, trying to find a niche in the art world.

His fascination of the West never waning, Mr. Monfort moved to Denver in 1972, bringing with him his wife and two children. He quickly became an established artist, and soon built a solid reputation as a sculptor of fine western art.

Today, Mr. Monfort's work is recognized the world over, with representation on three continents. Thousands of people from all walks of life own a Monfort Original. Many are collectors, for Mr. Monfort's sculptures are the finest of their type, and are sold at very reasonable prices.

### Police Report

Chief of Police Gerald Saffel

For a period of October 3-16, the department gave five traffic citations and one warning. Three accidents were investigated and one person was arrested for driving while intoxicated. Munday officers assisted the county on one occasion.

A study of the 27 accidents reported and investigated in Munday since the beginning of 1983 reveals that over 55% of these accidents happen at intersections, and over 50% are caused by failure to yield to right of way. Citizens can expect to see increased enforcement of traffic offenses which are intersection-related. Only two of these 27 accidents were related to speed. In Munday there have been more accidents this year, which has over two months remaining, than normally occur during a full year.

During this period the Police Department undertook the task of fingerprinting everyone in our school system. The prints are given to parents to keep on file in case the student is ever missing or there is need for positive identification in case of serious accident or crime against that student. This task would have been almost impossible without the assistance of the Munday Law Enforcement Explorer troop 1041. During two and one-half days of partial work, approximately 275 students and pre-schoolers were printed. The department expresses thanks to the Explorers and to school officials for their help. Dates will be set up in the future for make-ups for those who missed having their fingerprints made and for any other pre-schoolers whose parents want prints. I will ask that no children under 4 years of age be brought in for fingerprints.

Two prowler calls, one emergency message and three family disturbances were handled. One of these prowler calls resulted in an arrest being made on a male subject for illegally carrying a dagger.

One subject was arrested for theft of license plates and the plates were recovered.

A ten-speed bicycle belonging to Bill Walker was stolen Friday night, October 7. Later Bill and Allen Clendenen spotted a bike which had been repainted but Bill believed it to be his, so he reported it to the Police Department. Because of Bill's thorough description and quick action, the department was able to recover the \$180 bicycle. The investigation concerning charges to be filed continues. Bill and Allen are Law Enforcement Explorers.

Five skunks and three stray dogs were shot this week. One female dog, blonde in

color and with long hair, was found Tuesday on North 5th Street. The dog was taken to Dr. Stewart's clinic.

### WG's Enjoy Meeting

The W. G. Club met in the home of Mrs. Frankie Ponder Saturday night, October 22, for a 3-F night - fellowship, food and fun.

A bountiful salad supper was enjoyed. Table decorations featured pumpkins. Secret pal gifts were exchanged amid much laughter and members sang "Happy Birthday", accompanied on a whistle by Alta Bowden. Mrs. Bowden also gave a recitation.

Games of 84 and rummy were played to round out the evening. Club members plan to meet next in the home of Mrs. Elba McMahon.

Those attending the meeting were Elba McMahon, Alta Bowden, Ruth Griffith, Allene Beaty, Juanita Massey, Elaine Gulley, Viola Cude, Dorothy Putnam and Frankie Ponder.

## Band, Football Royalty Presented During Game

In special halftime ceremonies during the Munday-Haskell football game Friday night, October 21, Munday High School's band king and queen and football hero and sweetheart were crowned. This event, with the girls in long dresses and the boys in their football or band uniforms, is always a colorful highlight of the football season.

In addition to the presentations of royalty, Munday band director Rodney Bennett recognized the senior members of the band. They are Kathy Booe, daughter of Mr. and Mrs. M. M. Booe, Julie Partridge, daughter of Mr. and Mrs. Wendell Partridge, Wilda Smith, daughter of Mr. and Mrs. James Smith, Paula Waggoner, daughter of Mr. and Mrs. M. L. Waggoner, Cherie Welch, daughter of Mr. and Mrs. Don Welch, Donna Welch, daughter of Mr. and Mrs. Roy Welch, and Paul Wright, son of Mr. and Mrs. Charlie Cooks.

Band Queen candidates were Pam Welch, Julie Partridge and Donna Welch. Pam, the junior daughter of Mr. and Mrs. Roy Welch, was escorted by superintendent Doyle Lowrance. She is a cheerleader, a band officer, class favorite and member of FTA and FHA. Julie, a senior, is president of FTA and FHA, an officer in band and NHS, and is on the annual staff and Student Council. Her parents are Mr. and Mrs. Wendell Partridge, and she was escorted by her father. Donna, the daughter of Mr. and Mrs. Roy Welch, is a senior. She is a member and officer in FTA, FHA and band, and was escorted by her father.

Nominated for Band King were Mark Brown, Ron Redder and Paul Wright.

Mark, the son of Mr. and Mrs. Gene Brown, is a two-year band member and an officer in FFA and FTA. He is a sophomore student. Ron, a junior, is the son of Mr. and Mrs. Rhiney Redder. He is reporter of his class and is a member of band, FTA and annual staff. Paul, who is serving as president of the band, is on the Student Council, is president of FFA and is a member of the varsity football team. He is a senior and the son of Mr. and Mrs. Charlie Cooks.

After the candidates were introduced, Paul Wright and Donna Welch were crowned 1983-84 Band King and Queen.

Presented next were the nominees for Football Sweetheart. They were Bobbie Faye Toliver, Kelli Smith and Mary Jane Kuehler. Bobbie Faye is a junior and the daughter of Mrs. Christine Toliver. She was escorted by superintendent Doyle Lowrance. She is a member of the band, Flag Corps, FTA and FHA and active in sports. Kelli, also a junior, is the daughter of Mr. and Mrs. Richie Smith and was escorted by her father. She is a cheerleader and class officer, member of FTA, FHA, band and student council and participates in sports. Mary Jane is a junior and a cheerleader, class officer, member of FTA, FHA, NHS, annual staff and library staff, and is active in sports. Her parents are Mr. and Mrs. Alfred Kuehler and she was escorted by her father.

Candidates for Football Hero were Johnny Collier, Paul Wright and Kent Josslet. Johnny, a senior, is the son of Mr. and Mrs. Lonnie Collier. He is active in all sports and a member of FFA and FTA. Kent, the son of Mr. and Mrs.

Leo Koenig, is president of the senior class and the student council, is a member of FFA and FTA, and is active in various sports and activities.

Voted Football Sweetheart and Hero for this year were Kelli Smith and Paul Wright.

Flowers were presented to the queens and runners-up by members of the Mogul pep squad.

### AMENDMENTS (Continued from Page 1)

taken into account by national bond markets when setting local school district bond ratings and interest rates. Local bonds are judged solely by the local district's situation.

Proposition 5 would cure that by permitting qualified local school bond issues to be backed by the state's \$3 billion Permanent School Fund. The result would be better bond ratings and lower interest rates for our local districts.

The state's Permanent Fund would simply be lending its good name; it would not be paying off the bonds. Texas schools have a fine bond record. In the unlikely event of a default, the state would simply pick up the payments by withholding the local district's state allotments.

Texas voters are urged to approve Proposition 5.

A brief resume of the other amendments follows:

**Proposition One** proposes fewer justice of the peace and constable precincts in counties with a population of less than 30,000 and providing for continuous service by justices of the peace, constables and county commissioners when precinct boundaries are changed.

**Proposition Two** proposes replacing

the limitation on the value of an urban homestead with a limitation based on size.

**Proposition Three** proposes providing for the advancement of food and fiber production and marketing in this state through research, education and promotion finances by the producers of agricultural products.

**Proposition Four** proposes authorizing statutory provisions for succession of public office during disasters caused by enemy attack, and authorizing the suspension of certain constitutional rules relating to legislative procedure during those disasters or during immediate threat of enemy attack.

**Proposition Six** proposes allowing the legislature to provide for additional remedies to enforce court-ordered child support payments.

**Proposition Seven** proposes financial assistance to veterans and to authorize the issuance of \$800 million in bonds of the state to finance the Veterans' Land Program and the Veterans' Housing Assistance Program.

**Proposition Eight** proposes to authorize taxing units to exempt from taxation property of certain veterans' and fraternal organizations.

**Proposition Nine** proposes providing for assignment of judges of statutory probate courts to other statutory county courts with probate jurisdiction and to county courts.

**Proposition Ten** proposes to permit a city or town to expend public funds and levy assessments for the relocation or replacement of sanitation sewer laterals on private property.

**Proposition Eleven** proposes to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board the power to revoke paroles.

## County Receives Checks For Sales, Mixed Drink Taxes

State Comptroller Bob Bullock sent checks totaling \$38.2 million in local sales tax payments to the 974 cities that levy the one percent city sales tax.

Bullock said this October's payments are 7.2 percent higher than October 1982 but year-to-date totals are still less than what the cities had received by this time last year.

"We're looking at areas that still have economic problems and other areas that show some economic growth. But taken as a whole, nobody's going any where - up or down - very fast," Bullock said.

Munday reversed the statewide trend by receiving a check that was somewhat smaller than the October, 1982 rebate, but our yearly total is still larger than the amount of rebates collected by this time last year.

Munday's October check totaled \$1,910,200, bringing our 1983 tax rebates up to \$38,957,460, a 3.38 percent increase over the 1982 total to this date, which was \$37,683,450. Our check last

October was \$2,098,760.

Knox City jumped up 2.07 percent with a check of \$4,900,460, making that city's 1983 total amount \$57,122,430.

Goree, Benjamin and Weinert did not receive checks this month.

October checks were for taxes collected on sales made in August and reported to the Comptroller by the end of September.

Knox County also received a check for \$201,480 as our remittance on taxes collected from the sale of mixed drinks during July, August and September. Mixed drinks taxes in the county during this quarter totaled \$1,343,200.

Bullock said the state collected a total \$37.2 million in taxes on the sale of mixed drinks during the quarter, up 7.4 percent over the same period last year.

Texas cities and counties each receive a 15 percent rebate on the tax collected on mixed drinks sold within their boundaries under the law that legalized the sale of mixed drinks in the state.

ities and award the bid to best serve the interest of Knox County. 4-3tc

**Junior High, JV Update**

It is hoped that junior high and junior varsity football teams will be able to resume play this week after having last week's games with Haskell canceled. Haskell forfeited their games in order to avoid getting their players wet. Both Munday teams will have a 1-0 win on their record for last week.

In games played on October 13, the Munday Junior High Braves lost 34-0 to a very large Paducah team and the junior varsity took another victory with a 13-6 score over Paducah.

Games this week are scheduled to be played at Seymour, weather permitting, on Thursday, October 27. As in the past few weeks, the junior high team will combine seventh and eighth grade players and eighth grade players. Their game will take place first, followed by the JV contest. \*\*\*\*\*

**Drug Abuse Program To Be Shown**

Goree Mayor Felton Jackson has proclaimed the month of November to be "Chemical People Month" in Goree.

Drug and alcohol abuse have become a way of life for, affected the futures of, and directly caused the untimely deaths of many young Texans. The average age for the first use of marijuana for our youth is now only twelve years of age, and statistics claim two out of three American youths experiment with illicit drugs before graduation from high school.

Strong state laws and dedicated efforts by Federal, state and local law enforcement officers can only scratch the surface of a well-organized drug network. Therefore, only through awareness and education of citizens of all

ages will we be able to effectively battle the chemical epidemic.

A two-part drug and alcohol abuse program called "The Chemical People" will be televised throughout Texas and the nation over all public broadcast stations at 7 p.m. on Wednesday, November 2 and the following Wednesday, November 9. Goree's proclamation urges all area citizens to "view this timely and most important public service program and to participate in community meetings and panel discussions designed to develop local plans of action to turn the tide against illicit drug and alcohol abuse by the young people of this city." \*\*\*\*\*

**Pitchford Infant Is Buried Sunday At Knox City**

Justin Ray Pitchford, infant son of Edward Ray and Mary Pitchford, died on Wednesday, October 19, in a Haskell hospital.

Graveside services were held at 2 p.m. Sunday at Knox City Cemetery with Jim Begin, minister of Little, Okla., Church of Christ, officiating. Arrangements were under direction of Smith Funeral Home.

In addition to his parents, survivors include his grandparents, Mr. and Mrs. Jack Hooten of Dallas and Mr. and Mrs. Tom Pitchford of Lolita; and great-grandparents, Estelline Tackitt of Muskogee, Okla., Lota Pitchford and Mr. and Mrs. Carl Stewart, all of Weatherford.

**CARD OF THANKS**

We want to thank our friends for the prayers, telephone calls, visits and cards for Tonya (Mayo) Tolleson and baby son while she was a patient in the Dallas City Medical Hospital.  
May God bless each of you.  
The family of Tonya Tolleson
