## Margaret Gin Is Host of Thanksgiving Event

About five hundred people of the Margaret Gin community were guests of the Thanksgiving event at the home of Mrs. W. M. Allen of Childress on Friday afternoon. The event took place under the direction of Worth Hunter, manager of the gin.

A half of a beef, six turkeys and fifty chickens were barbecued by Jesse Lankford and served along with all the trimmings to the large crowd following the invocation by Rev. Marvin Brotherton. There was food aplenty for everybody.

### SERIOUSLY ILL

Mrs. Mary Phillips is dangerously ill at the home of her daughter, Mrs. Kamstra.  
Mr. and Mrs. Harry Cobb of Rayland and Mrs. W. M. Allen of Childress are here with Mrs. Phillips, mother of Mrs. Allen and Mrs. Cobb, and are also looking after their sister, Mrs. Kamstra, who is ill with the flu.

### Bar Association Head

Erance E. Martin, of Martinsville, Va., is the new president of American Bar Association. He has been elected at the fifty-fifth annual meeting at St. Louis.

## Half Payment of City Taxes Is Explained

J. T. Billington, city tax collector for Crowell, informs local taxpayers that if one-half of their 1932 city taxes are paid by Jan. 31, 1933, the balance can be paid by June 30, 1933 without interest, penalty or extra costs.

### MARRIAGE LICENSES

The following marriage licenses have been issued from the office of Grady Magee, county clerk, during the past week:  
Earl Ingle and Miss Lou Tamplin of Margaret, Dan McKown and Miss Clara Huckabee of Crowell, Herman Whately and Miss Robbie Davis of Thalia.

### COTTON GINNINGS

Cotton ginnings in Foard County prior to Nov. 14 amounted to 11,733 bales, compared with 9,706 bales for the same period last year, according to a report of the Census Bureau at Washington.  
Up to Thursday afternoon Crowell's three gins had turned out 6,342 bales.

## To Judge Pantries in Foard Co. Mon.

The pantries of nine pantry demonstrators of the home demonstration clubs of Foard County will be judged on Monday, Dec. 5, by Miss Doris Leggett and Miss Elsie Phillips, home demonstration agents of Wilbarger and Hardeman counties.

The judging will be done on the following basis:  
Budget and food—20; storage and menu—20; results—45; story and picture—15.

Foard's pantry demonstrators are: Mrs. G. J. Benham, Vivian; Mrs. S. E. Tate, West Side; Mrs. Fred Diggs, Gamberville; Mrs. Claude Orr, Ayer; Mrs. Clarence Ross, Margaret; Mrs. A. L. Davis, Good Creek; Mrs. A. T. Beazley, Rayland; Mrs. Jim Cates, Catesville; Mrs. F. C. Borchart, Foard City and Mrs. Luther Ward of West Rayland.

Mrs. Ward's pantry will not be judged as her health has been such that she could not finish her demonstration. For this reason West Rayland did not have an Achievement Day this year as did other clubs.

## CROWELL WINS OVER MATADOR IN FINAL GAME

By PAUL CREWS

Crowell High School defeated Matador Hi 19 to 7 here Thanksgiving afternoon in winning its final football game of 1932, thus ending the season with 8 victories and one loss in 9 games played, and with a record of 241 points to opponents' 37.

Middleton's touchdown in the first quarter gave the Wildcats a 6 to 0 lead at the end of the first period, however, the Bullfighters proved to be real Wildcat fighters in the second stanza and marched straight down the field to a touchdown and scored the extra point to gain a 7 to 6 lead as the first half ended.

Crowell came back strong in the last half and clearly proved its superiority with one touchdown in each of the last two periods, while holding the visitors scoreless. The last two touchdowns were scored by Patton and Allee. Crowell scored a total of 17 first downs to 7 for Matador.

In H. Burnam, Matador furnished one of the finest backfield stars that has performed on the local field this year. As usual the entire Wildcat squad performed brilliantly and one has but to look at the local lineup to pick the Crowell stars.

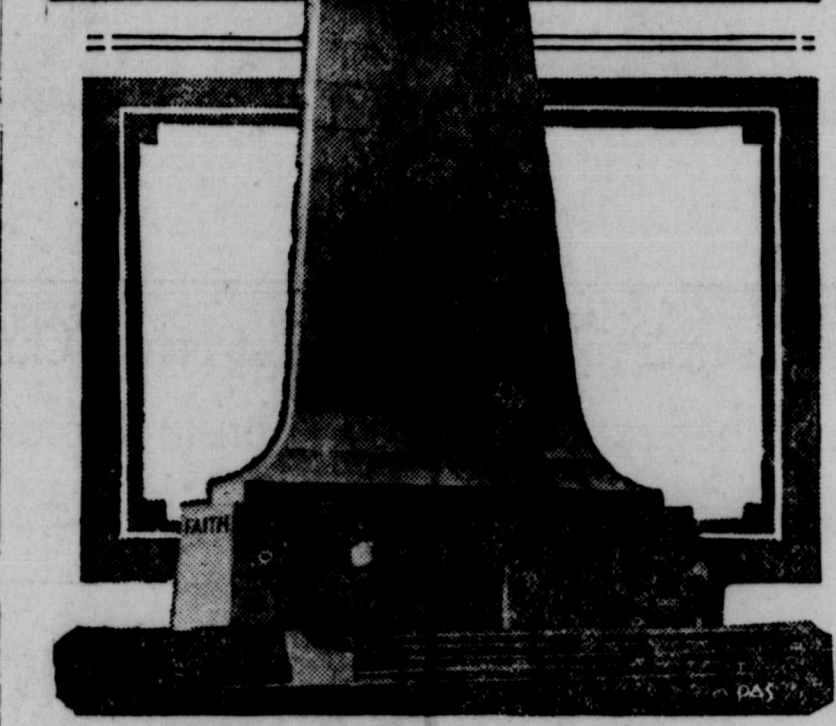

**First Quarter**  
Middleton received the kick-off on his 1-yard line and returned to the 20. Todd failed to gain and punted to the Matador 30 and H. Burnam returned 5 yards. He then went through the line for 10 yards but failed to gain on the next play. J. S. Burnam gained a yard. A pass, H. Burnam to Crowell failed. Hutto punted over the Crowell goal line and the Wildcats took the ball on their 20. Middleton circled right end for 7 yards. Todd and Allee picked up 9 yards and a first down on 2 line plays. Todd and Joy gained 2 yards each and Todd went around left end for 6 yards and another first down. Todd again smashed the line 3 times in gaining 15 yards.

Middleton kept up the drive with a 14-yard gain around right end. Todd made 5 yards and Joy added 4 more to place the ball on the Matador 17-yard line. Todd took Allee's pass to the 1-yard mark and on the next play Middleton crashed through for a touchdown. Allee's place kick for the extra point was blocked, making the score—Crowell 6, Matador 0.

**Second Quarter**  
After gaining 11 yards on 4 plays, Allee broke through and dropped DuPriest for a 5-yard loss. A pass was incomplete and Hutto punted to Middleton, who was downed on his own 11-yard line. Todd circled left end for 11 yards and then gained 2 yards. On an attempted pass, Allee lost 9 yards. Todd picked up 7 yards. Middleton made a yard. Todd gained 14 yards at left end. Joy failed to gain. Middleton gained 4 yards.

Allee's pass to Patton was intercepted by H. Burnam, who returned 25 yards to Crowell's 31-yard line. H. Burnam hit the line for 11 yards. A series of line plays took the ball to the 11-yard line, from which H. Burnam crashed through for a touchdown and then hit the line for

## Where Man Took To Wings

An unusual view of the Wright Memorial at Kitty Hawk N. C. unveiled this month to commemorate the spot where Wilbur and Orville Wright gave wings to man in 1903. The monument is a magnificent triangular granite shaft, topped by an airy beacon, standing 60 feet high upon a hill of sand 90 feet high. The architects were Alfred Easton Poor and Robert Perry Rodgers. The memorial was authorized by Congress.

## Pickle-Relish Show on Dec. 10 Is Attracting Considerable Interest

Considerable interest is being shown in the "Pickle-Relish Show" that is to be held in Crowell on Saturday afternoon, Dec. 10, according to Miss Dosca Hale, home demonstration agent. The display is to be held in the large show-room of Self Motor Co.

All entries must be in by 10 o'clock in the morning, Dec. 10. Miss Hale stated that those who have pickles, that cannot for some reason be placed with the entries announced in The News last week, may place them in the miscellaneous collection.

Over one thousand gallons of pickles have been cured out in brine in Foard County during the past few months according to the methods of pickling in this manner that were given in demonstrations by Miss Hale last spring. When properly used this method is a great improvement over methods commonly used. Better flavor and color and no shriveling are benefits derived from it.

## Fire Destroys 8,000 Bundles of Feed Tues.

Fire of undetermined origin destroyed four stacks, containing about eight thousand bundles of sorghum feed Tuesday morning on the Hall-Shell Ranch farm, about 9 miles southeast of Crowell.

Roy Myers, who lives on the farm, discovered the fire about daylight. The Crowell chemical truck was called to the scene and assisted in preventing the destruction of two adjoining stacks of feed.

## Celebrate Paying Out Gilliland Farmers Gin

A. G. Ilesing was here Saturday from Gilliland and reported that the Farmers Gin in that community was free of debt and that the occasion was appropriately celebrated on Thanksgiving Day.

The Farmers Co-Operative Society of Gilliland furnished 26 turkeys for the celebration and other things necessary for a big feast were furnished by the people of that community who gathered at Gilliland for an all-day picnic and celebration.

It was estimated that between 700 and 800 people were in Gilliland for the occasion. Music was furnished by the Propps string band.  
Up until last Saturday the gin had turned out 3600 bales and it is thought that it will gin 4500 when the cotton is all gathered.

W. J. Farris is manager of the gin.

ball 3 times for 18 yards. Allee, Joy and Middleton added 7 more yards, followed by Todd's punt out of bounds on Matador's 10-yard line. H. Burnam and Hutto gained 11 yards on 2 tries. A series of line bucks took the ball to the Matador 47-yard line as the first quarter ended with Crowell leading 6 to 0.

**Second Quarter**  
After gaining 11 yards on 4 plays, Allee broke through and dropped DuPriest for a 5-yard loss. A pass was incomplete and Hutto punted to Middleton, who was downed on his own 11-yard line. Todd circled left end for 11 yards and then gained 2 yards. On an attempted pass, Allee lost 9 yards. Todd picked up 7 yards. Middleton made a yard. Todd gained 14 yards at left end. Joy failed to gain. Middleton gained 4 yards.

Allee's pass to Patton was intercepted by H. Burnam, who returned 25 yards to Crowell's 31-yard line. H. Burnam hit the line for 11 yards. A series of line plays took the ball to the 11-yard line, from which H. Burnam crashed through for a touchdown and then hit the line for

## J. H. Self Claims Old Clock Record in Foard

Since publishing the item last week about W. F. Thomson's 54-year old clock, J. H. Self calls the attention of The News to the fact that there is a clock keeping perfect time in his home which is about 71 years old. It came into Mr. Self's possession about two years ago when he made a trip to his old home in Buffalo, Mo.

The clock was manufactured in either 1859 or 1860 and was bought from a relative by W. J. Self, father of J. H. Self, in 1865. The clock continued to faithfully serve W. J. Self until his death on Dec. 28, 1924. About two years later J. H. Self brought the clock to Crowell.

Mr. Self states that the clock has the same parts that it had when it was manufactured. It is a Seth Thomas clock.

The News would be pleased to learn of any other old clocks in this section.

## 86.7 Per Cent Crop Loans Collateralized And Paid in Foard

Foard County had 86.7 per cent of its Government Crop Production loans for 1932 paid and collateralized early this week, according to Jno. O. Stovall of Childress, field inspector for this district. At the same time Childress County was leading in this district with 89.2 per cent.

Mr. Stovall had the following statement to make: "For the benefit of the farmers that have taken advantage of collateralizing their loan, it will be necessary that you put up enough cotton to pay the freight on the cotton to the warehouse and to pay storage and insurance for six months. This will be about \$5.00 per bale more than the amount that was given you by the classifier. It is advisable to ship more cotton at once in order that you may get your release earlier and have the balance of the crop to use for other obligations."

### SINGING AT THALIA

The people of this section are invited to the singing that is to be held at the Thalia Baptist Church Sunday afternoon, beginning at 2 o'clock.

## LETTERS GIVEN TO 17 MEMBERS FOOTBALL TEAM

Seventeen members of the Crowell High School football squad received their letter sweaters Monday, sixteen of which were presented by Supt. I. T. Graves at the regular assembly period Monday morning. One player was absent.

Mr. Graves gave appropriate and clever remarks concerning the players as he presented each with his sweater. Short talks were also made by the players. Following the presentation of the sweaters, talks were given by members of the pep squad and local fans.

Those receiving letters this year, with the number of years that each player has lettered opposite that player's name, follows:

Glenn Rasberry, 1; Fred Spears, 1; Francis Todd, 1; Orville Orr, 1; Crockett Fox, 1; George Carter, 1; Melvin Joy, 2; Hubert Smith, 2; Lester Patton, 2; Billy George Dunn, 1; Dan Callaway, 1; Neff Middlebrook, 2; Loraine Carter, 2; Lewis Gibson, 3; Mitchell Allee, 3; Bill Middleton, 4; Capt. Dick Todd, 2.

The sweaters this year are black V-neck pull-overs and each has a large black raised letter "C" the outside of which is trimmed in narrow gold lines.

## Billy George Dunn is Elected Captain of 1933 Football Team

The Rotary Club was host to sixteen members of the Crowell High School football squad, Coach Grady Graves and Miss Peggy Thompson, pep squad representative, with a banquet at the Griffith Hotel Wednesday evening.

One of the features of the program was the election of Billy George Dunn as captain of the team for 1933. Letter men turned in their ballot at the opening of the program.

Short and clever talks were made by all of the boys and Miss Peggy Thompson concerning various experiences during past football seasons. Following a talk by Coach Graves, Capt. Todd presented him with a hunting coat and a box of ammunition as a gift from the Wildcat squad. Rev. O. L. Savage arrived for the latter part of the program and spoke briefly. Talks were also given by Supt. I. T. Graves, Paul Crews, M. S. Henry and H. E. Ferguson. Mack Boswell acted as toastmaster.

The captain-elect, Dunn, is from Margaret and played his first year with Crowell this season. He proved to be a valuable lineman and was named on the all-district team selected by The Foard County News.

## NEWS SELECTS ALL-DISTRICT TEAM FOR 1932

In naming its all-district 4-B team, The Foard County News extends apologies to any players in the district to whom an injustice may be done by our selection. Anyway, the team named below is the one that we conscientiously believe to be the best in District 4, Class B.

Gilmore	L. End	Olney
Bryarly	L. Tackle	Burkhardt
Dunn	C. Guard	Crowell
Callaway	Center	Crowell
Cook	R. Guard	Chillicothe
Coy	R. Tackle	Seymour
Gibson	R. End	Crowell
Allee	Quarterback	Crowell
Ramsey	L. Halfback	Chillicothe
Todd	R. Halfback	Crowell
Graves	Fullback	Olney

We do not wish to appear selfish in placing five Crowell men on this team in comparison with two each for Olney and Chillicothe, one each for Burkhardt and Seymour and none for Megargel or Archer City. It is our honest opinion that everyone of these boys should be on the mythical eleven.

Last year The Foard County News' selection came out several days ahead of the official all-district team selected by vote of the district coaches and with the exception of but one player, it was the same as the official selection announced in the Wichita Falls Record News.

We have seen those named on the mythical team for 1932 in performance with or against Crowell. We have kept up with their records for the season and have discussed their qualities with those who have played with and against them.

**Backfield**  
We feel that the backfield of Ramsey, Todd, Graves and Allee would be the answer to most any coach's dream. Here are four boys that can really carry that ball. They are also efficient punters, passers, blockers and pass receivers. What more could you ask?

Allee is chosen as field general because we believe that for the season as a whole his judgment has been the best of all. He is a wonderful passer and can pick his receivers in a cool headed manner while dodging and stiff-arming would-be tackler and if necessary he can fling the pigskin with deadly accuracy while on a dead run, as he has proven many times.

Graves possesses the greatest line smashing ability of the quartet and can be depended upon to pick up that "necessary yardage." He is one of the outstanding defensive men of the district.

In Ramsey and Todd we have two streaks of lightning for halfbacks. Todd is one of the fastest backfield men to be found anywhere and an exceptionally good pass receiver, broken field runner and blocker.

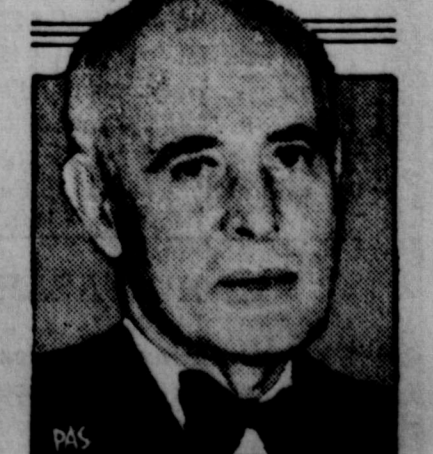

Ramsey is our nomination for the greatest player in the district. We named him as the best backfield man last year also. He can do it all and do it well so why elaborate on his qualities?

It doesn't seem right to leave Bill Middleton of Crowell off the all-district backfield, for he was one of the greatest ball carriers and safeties that the district has ever produced, however, we have tried to name a team that we believe would work most effectively if it should get together and it seems to us that the quartet selected represents part of this combination.

Gilmore and Gibson have been named as ends. Gilmore started out as end for Olney, the position that he also played the last two or three years, but he played part of this season in the backfield. Any backfield in the State would find it no easy matter to get around these wingmen. Crowell has produced some great ends, but we believe that Gibson is the best defensive one to represent the Wildcats.

Had Wighton lived up to his great playing against Crowell in the Chillicothe game, he certainly would have been placed on our team. It is good work throughout the season (Continued on Page Five)

# WOMACK BROTHERS'

THIS SALE BEGINS SATURDAY, DECEMBER 3RD., 1932.

## DECEMBER SALE

THIS SALE CLOSURES 6 P. M., SATURDAY, DECEMBER 24TH, 1932.

For many years now we have put on cash reduction sales just before Christmas, which gives everyone an opportunity to buy all their needs, even things they expect to give as Christmas presents, at the lowest possible cash prices at a time when most merchants hold prices firm. But we've got the habit—and now—we are at it again this year.

### SO WE CALL THIS OUR DECEMBER SALE, OUR CHRISTMAS SHOP-NOW SALE AND WOMACK BROS. PROFIT-SHARING SALE

—Because from Dec. 2, 1932, right on through a whole year—1932 and 1933, we are going to give with each 10c purchase (cash only) a Womack Bros. Profit-Sharing Stamp, also a neat stamp book to paste the stamps in. Keep the book, and when you have it full—\$50.00 worth of stamps representing \$50.00 worth of goods for which you have paid cash at time the stamps were given you, we will redeem the book. We will pay you cash \$1.00 or, second, we will give you \$1.25 worth of merchandise for it. You don't have to buy but 10c worth to get a stamp and book. Then when you buy any amount ask for proper amount of stamps. If you start now, saving them—you get to buy at the special low prices during this sale. Also if you trade as much as \$50.00 you can make another \$1.00 by cashing your stamp book.

## Three Sales In One

We are not going to clutter up all the space here with high sounding phrases and doubtful or misleading statements or even pictures. For everyone wants to see the very article they are interested in, so we are heading each type or character of goods we are offering, assuring you, that the regular price quoted is our regular Cash Price and the special sale tag or sale price card is the very lowest cash price at which we will sell.

**A GOOD SUGGESTION**

The News wishes to add its endorsement to a plan that S. E. Scales suggested to us this week. He stated that other towns were burning grass and weeds on vacant lots in order to prevent dangerous fire hazards and that such a step should be taken by Crowell for it is entirely possible for a fire to break out on lots in many parts of the city that would cause inestimable damage if they happened to start while the citizenship was at rest.

We don't know the best method of going about this work, however, it seems that the citizenship in various parts of the city could co-operate to a great extent in carrying out such a program.

**WHY CAN'T THEY PAY**

It is just a bit difficult for the ordinary man—who isn't an economist, or psychologist, or diplomat, or fool—to understand the logic of all this poor-mouth our overseas debtors are putting over war debts.

Here are some figures, vouched for by indisputable authorities, which even an economist ought to be able to understand:

Great Britain says she can't pay the United States 159 million a year on her debt, yet she can spend 461 million a year for military purposes in time of peace.

France's case is far more ridiculous. She says she can't pay us 50 million, yet she is spending 541 million on her military establishment—more than 10 times as much for arms as it would take to pay her debt to us.

Then there is Italy, which was given an absurdly easy debt settlement, spending 331 million for arms but unable to pay us less than 15 million. Poland and Belgium show a similar situation.

The United States has already given these nations very lenient terms and low interest rates in connection with their war debts, with 60 years in which to pay. We have even intimated that we might further reduce these debts if these nations would make an honest effort to reduce their armaments. This they are too stubborn to do.

Combined European debtor nations are due to pay the United States about 147 million a year. Combined they are paying 2,250

million a year for war preparations. Why can't they cut their military expenditures one-ninth and thereby save enough to pay these honest debts?

**ROOSEVELT'S TERM**

It would be a safe bet that Franklin D. Roosevelt will not serve four years as president on the strength of his election on November 8. And there is no "catch" in this statement.

By terms of the "lame duck" amendment to the Constitution, which will certainly be ratified by the required number of states, the administration of Mr. Roosevelt will end January 20, 1937, instead of March 4, as has been the custom in the past.

Thereby he will have the distinction of serving a shorter entire term than any other president, past or future. Beginning January 20, 1937, presidents will again serve four full years.

Members of Congress will lose even more days at the expiration of their current terms as the new amendment provides that in future a new Congress shall take office on January 3, instead of March 4. Thus future Congresses will meet 17 days before the new president is inaugurated.

There is no doubt that the change provided by the new amendment is desirable. Heretofore members of Congress ordinarily waited about 13 months after election before assuming their duties. In the meantime many who had been defeated continued to serve these being called the lame ducks. Hereafter members elected in November will take office in January, and no member will continue to serve after his defeat at the polls.

The new amendment has been ratified already by the legislatures of 17 states, these representing all that have been in session since it was submitted. Practically all the remaining legislatures will meet in January, 1933, and prompt ratification by the additional 19 required is confidently expected. In fact, it is doubtful that any state legislature will reject this sensible amendment.

**THE FIRST MIRACLE**

The Gospels tell a different story. The life of Jesus, as we read it in the scriptures is what the life of Lincoln would be if we were given nothing of his boyhood and young manhood, very little of his work in the White House and every detail of his assassination. All of the four gospels contain very full accounts of the weeping which attended the crucifixion; John alone remembered the laughter amid which the first miracle was performed.

Bruce Barton

It was the little town of Cana, not far from Nazareth; and Jesus and his mother had been invited to a wedding feast. Often such a celebration continued several days. Everybody was expected to enjoy himself to the utmost as long as the food and drink lasted—and it was a point of pride with the bride's mother that both food and drink should last a long time.

Enthusiasm was at a high pitch on this occasion when a servant entered nervously and whispered a distressing message to the hostess. The wine had given out.

Most of the guests were too busy to note the entrance of the servant or the quick flush that mounted to the hostess's cheek. But one woman's sight and sympathy were keener. The mother of Jesus saw every move in the little tragedy; and with that instinct which is quicker than reason she understood its meaning. She leaned over to her son and confided the message.

"Son, the wine is gone."

Well, what of it? He was only one of a score of guests, perhaps a hundred. There had been wine enough as it was; the party was noisy and none too restrained. Besides, there was a precedent in the matter. Only a few weeks before when he was tortured by hunger in the wilderness, he had refused to use his miraculous power to transform stones into bread. If the recruiting of his own strength was beneath the dignity of a miracle, surely he could hardly be expected to intervene to prolong a party like this.

Did any such thoughts cross Jesus' mind? If they did we have no record of it. He glanced across at the wistful face of the hostess—already tears sparkled under her lids—he remembered that the event was the one social triumph of her self-sacrificing life; and instantly his decision was formed.

He sent for six pots and ordered them filled with water. When the contents of the first one was drawn, the ruler of the feast lifted his glass to the bridegroom, and the bewildered but happy hostess: "Every man setteth on first the good wine," he cried, "and when men have drunk freely, then that which is worse. But thou hast kept the good wine until now."

The mother of Jesus looked on in wonder. She had never fully understood her son; she did not ask to understand. He had somehow saved the situation; she did not question how. And what was sufficient for her, is sufficient for us.

**JUPITER STEALS SHOW**

It looks as if the planet Jupiter has permanently stolen one of the most spectacular heavenly phenomena which inhabitants of the earth were privileged to witness, often in superstitious terror once every 33 years. The swarm of meteors or shooting stars due to have been seen around the middle of November again failed to appear in any large number.

This swarm of small heavenly bodies, called the Leonid meteors from their apparent origin in the constellation Leo, made their first recorded appearance in the year 902. The most brilliant display known to history occurred on November 12, 1833, when the sky was so filled with shooting stars that many believed the end of the world was at hand.

By this time astronomers had figured the periodical return of the meteors and correctly predicted their appearance on November 13, 1866, when another dazzling display was seen. The next return was due in 1899, but only a few appeared, as was the case this year when the 33-year period had again elapsed.

Now it is believed that the main swarm of meteors has been diverted from its former path through the attraction of the planet, Jupiter. If this theory be correct, the giant of

MORE than three thousand births without a single loss of either mother or child! That is the official Platt County record of Dr. W. B. Caldwell, in fifty years' family practice in Illinois.

No wonder mothers have such entire confidence in giving little ones Dr. Caldwell's Syrup Pepsin!

If you have a baby, you have constant need of this wonderful preparation of pure pepsin, active senna, and fresh herbs. A child who gets this gentle stimulant for the stomach, liver and bowels is always healthier. It keeps children's delicate systems from clogging. It will overcome the most stubborn

condition of constipation. It builds them up, and is nothing like the strong cathartics that sap their strength and energy.

A coated tongue or bad breath is the signal for a spoonful of Syrup Pepsin. Children take it readily, for it is really delicious in flavor. Taste it! Take Syrup Pepsin yourself, when sluggish or bilious, or you are troubled with sick headaches and no appetite. Take it for several days when run-down, and see how it picks you up.

It is a prescription preparation, which every drug store has ready; in big bottles, just ask anywhere for Dr. Caldwell's Syrup Pepsin.

## GRID GOSSIP

By SEEG NALLS

Crowell's greatest football season is over—but the memory lingers on, and all of it is pleasant except for thinking of the Wildcat's misfortune in having met the district champions, Olney, in the first district game of the season under adverse circumstances for the local squad.

However, consolation is found in the fact Crowell gave the Cubs the closest race that they have experienced during the five years in which they have reigned supreme in this district. Olney's victory was the only loss suffered by the Wildcats, while Burk Burnett held the Cubs 2 to 0, and Chillicothe outplayed Olney in their scoreless tie. Crowell won clear-cut victories over Chilli and Burk.

But to win second place in a season that has been featured by such strong competition is a great honor and for the champion Cubs, we have nothing but the greatest respect and congratulate them on their fifth straight championship. They won the race in a fair and square manner and Crowell is squarely behind its very friendly enemy to uphold District 4-B laurels in its bi-district battle with Brownfield this week.

Before getting completely away from the Olney-Crowell situation, the table below should prove of interest to local fans, for it shows how each team fared in district competition.

CROWELL	OLNEY
102-0 ..... Megargel .....	0-32
32-0 ..... Seymour .....	0-31
13-2 ..... Burk Burnett .....	0-2
21-14 ..... Chillicothe .....	0-0
1-0 (Forfeit) Archer City .....	6-46
0-14 ..... Olney-Crowell .....	0-14
169-30 ..... TOTALS .....	6-125
139 ..... Difference .....	119
20 ..... Total Difference .....	0

The assistant linotype operator offers apologies to Bill Middleton and George Carter for having left out their names in this column as a result of overlooking them while following Seeg's copy. In giving an account of those who had participated in the Crowell line-up in games this season and the communities from which each player came, Middleton and Carter, were left out of the Crowell list and to leave the names of these two boys from the Crowell line-up is about like giving the list of the New York Yankees and leaving out the names of Babe Ruth and Lou Gehrig.

With the passing of each football season it is the accepted custom for fans to discuss outstanding features of past seasons. In a reflective mood, high-lights that come most quickly to our mind, follow:

Guy Todd's 66-yard broken-field run against Vernon in 1930.

Bill Middleton's stellar work at center in the same game.

Red Brown's work against the Wildcats during Crowell's 73-0 victory over Megargel in 1930. The Megargel youth has since drowned.

The fact that Guy Todd scored 181 points in the '30 season.

The work of the greatest blocker that Crowell has yet produced—Ragsdale Lanier.

Crews Cooper's sensational 65-yard return of a punt that gave Crowell victory over Chillicothe last year.

Dick Todd's 66-yard punt from behind his own goal line in the same game.

Also the last quarter 80-yard drive on line plays by that unforgettable Eagle, Rat Ramsey.

The time last year when John Todd broke through the line to down a Burk Burnett back for a 16-yard gain it looked as if the going was going to be

ures for the first time. Crowell 102, Megargel 0.

The perfection with which the Wildcats clicked in their first night football game at Burk Burnett and that 13 to 2 victory which came as a result of the finest offense that Crowell has ever displayed.

And boy—oh boy! That 21-14 victory over Chillicothe the following week.

The way that Mitchell Allee sidestepped and stiff-armed, would-be tacklers and yet kept his eyes peeled for a receiver and then passing with deadly accuracy while running at full speed to Dick Todd, who in turn took the ball for a nice ride in giving Crowell that early touchdown against the Eagles. And that was by no means the only time that Allee passed in this manner this season.

Thanks to Paul Crews for so accurately covering the Crowell-Matador game during our absence Thanksgiving. He certainly did it in a manner creditable to any sports writer.

Amos Lilly took first place in the final predicting contest and will be the No. 1 guesser in the first contest of 1933. Others last week placed as follows: Jimmy Ashford, Walker Todd, winner of the week before; Grady Graves, our choice for first; Gabe Sanders and Jack Thomas.

The winner's prediction and actual scores, with the winning teams and actual scores coming first, follow: Texas-A. & M., 21-0, 19-0; T. C. U.-S. M. U., 8-0, 14-0; Rice-Baylor, 12-0, 7-0; Centenary-Arkansas, 0-0, 19-6.

Those who predicted this year are: Fred Kimsey, Verne Walden, Merle Kincaid, George Cates, Paul Crews, William Bell, Jimmy Doolen, Frank Weatherall, John Wishon, Irving Fisch, Ragsdale Lanier, T. S. Haney, Glenn Jones, Thomas Perkins, T. P. Duncan Jr., Tom Beverly, Tanner Billington, Wayland Griffith, Alton Bell, Gordon Gribble, Ernest King, Fred Rennels, Lee Black, Hubert Brown, Guy Todd, Ernest Crosnoe, Eli Smith, Floyd Thomas, Oscar Boman, Ralph Burrow, Granville Lanier, Pete Bell, Otis Ross, Joe Roberts, H. C. Roark, Grady Magee, Walker Todd, E. F. Henry, Sam Mills, Henry Borchardt, Crews Cooper, Grady Graves, A. R. Sanders, Jimmy Ashford, Amos Lilly, Jack Thomas.

Winners were: Kimsey; R. Lanier, twice; King; Rennels; Burrow, twice; Walker Todd, and Lilly. Kimsey won the last contest of 1931 and gained 2 consecutive victories by winning the first contest this year. The only others who have done this since the contest was started in 1929 are: Tom Reeder Jr., William Bell, and R. Lanier. Each week the winner has the opportunity to continue predicting until he drops from first. No one has won more than twice.

The writer attempts to pick the winners and in the 9 contests this year we picked one first, four seconds, one third, two fourths, no fifths, and one last.

that qualifies a man for the all-district team and the Eagle end smeared his chances in the all important Olney-Chillicothe game when he dropped a number of passes that would possibly have won the game for the Eagles.

Byrarily of Burk was an all-district tackle last year, but played in the backfield this season. However, we feel that his best service comes at the tackle position, although he is a fine ball carrier and the greatest punter in this section of Texas.

We therefore name Byrarily and Capt. Coy of Seymour as our tacklers. Coy made a great record all season and those who played against him pay the greatest tribute to his work.

At guards, we had no hesitancy in naming Cook and Dunn. We have stated that Ramsey of Chillicothe is our nomination for the best backfield man, and also the greatest player of the district. Another Chilli boy, Cook, is our nomination for the district's best lineman.

Dunn, playing his first year for Crowell, gave a wonderful performance in every game of the season. We would not trade Crowell's future in this 16-year old husky for that of any lineman in the State. If he continues to grow and improve, Crowell should have a player for the next two years that will be unexcelled in high school football. And to get back to the backfield, think of Todd's brilliant future for the next two years with Crowell!

Callaway outplayed every center that he met this season and that is saying a great deal when one considers such good pivot men as Matthews of Burk, Emerson of Chillicothe and Crawford of Olney. Callaway never missed a game and performed in an outstanding manner all season.

## How Modern Women Lose Pounds of Fat Swiftly—Safely

Gain Physical Vigor—Youthfulness With Clear Skin and Vivacious Eye That Sparkle With Glorious Health

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 4 weeks on the scales and note how many pounds of fat have vanished.

Get a bottle of Kruschen Salts—the cost is trifling and it lasts 4 weeks. If even this first bottle does not convince you this is the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

But be sure for your health's sake that you ask for and get Kruschen Salts. Get them at any drugstore in the world.

## CHURCHES

#### Christian Science

Sunday, 11 a. m. Subject for Sunday, Dec. 4. "God, the only Cause and Creator."  
Sunday School at 9:30.  
Wednesday evening service at 8 o'clock.  
The public is cordially invited.

#### First Baptist Church

Sunday morning, 9:45 Sunday School: 11:00 sermon, "Resurrecting the Buried Talent."  
Sunday evening 6:00 Training Service; 7:00 sermon, "Conditional Christianity."  
Wednesday evening 7:00 Prayer-meeting.

The fellow who is always telling humanity how this world ought to be run, may not be able to tell people how to get ready for the next world.  
**O. L. SAVAGE, Pastor.**

#### Methodist Church

The pastor and workers invite you to our services from now until Christmas, which will feature the birth and infancy of the Christ. Sunday evening a sermon from the text, "There was no room in the inn," will open the series of sermons. December 2nd the sermon will be "The Stars that Lead to Christ." In the evening, "A Pilgrimage to Bethlehem." There is grave danger that Christmas instead of being a time when Christ's birthday is honored will be given only to feasting, exchange of presents and revelry, and even dissipation may mark the holy occasion. The Sunday School is planning a pageant on Dec. 18 and a tree will be decorated and filled with presents on Christmas Eve. Communion will be celebrated Sunday morning, December 4. Every class in the Sunday School is asked to look up its absentees and urge their attendance upon the sessions of the classes.  
**GEO. E. TURRENTINE, Pastor.**

#### Christian Church

Truscott services were better Sunday. Plans are going forward for a special Christmas service. On our next preaching day, Dec. 11th, at 3 o'clock in the afternoon we are to have a special conference of the membership of the church for the purpose of making final arrangements to help plan the church program for 1933, and to advise with the board relative to preaching for next year. Every member is urged to make a special effort to be there. We plan a special Christmas service for Christmas night and hope everyone in the community can be with us.

The Evangelistic Association meets next Monday, Dec. 5 with the Paducah Church. A good program is outlined and we want to have at least fifteen or twenty people from the Truscott and Crowell churches. If you have not attended one of these meetings you just can't imagine how wonderful they are. Others attended the meeting here. Paducah is not far distant, so let's go and be with them there. Services start at 2 p. m.

At Crowell next Sunday morning we will decide about our Christmas service which will likely be a special program and tree at the morning service. Also a report will be given of a special board meeting held this week. "Onward Christian Soldiers" will be the sermon subject for Sunday morning.

"Glory to God in the highest, on earth peace, good will among men."  
**C. V. ALLEN.**

#### The Church of Christ

At the Church of Christ last Sunday was another good day. The entire service was good and served to encourage us to fight the battles of life with renewed energy, and to realize the responsibility that is ours to discharge, from an individual duty. The service was in charge of Bro. Leonard Clements, who read and talked from the third chapter of I Peter. The theme was taken from the 15th verse. "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."

The singing Sunday night was better than usual. It seemed that everybody was ready to do their part in making it what it should be. The service was not so large but the service was such that makes us glad to be there and encourages

## SUNDAY SCHOOL LESSON

by Charles E. Dunn

Living with People of Other Races  
Lesson for December 4th  
Acts 10:30-35

Golden Text: Acts 10:34

Our lesson raises an issue of critical importance. The race problem is acute. Those dealing with it realistically live in an atmosphere of prejudice, hatred, and bitterness.

We have in this country over ten million Negroes, about three and a half million Jews, some 337,000 Indians, over 180,000 Orientals, besides large numbers of Mexicans. The presence in our midst of so many colored folk is a source of continual friction and hideous outbreaks.

Rev. Geo. E. Dunn

More than 3,500 Negroes have been lynched in the United States. Our black brethren are also subjected to severe economic discrimination and rigid segregation. And although slavery has been outlawed, it still exists in the South in the form of peonage. Anti-Semitic feeling runs high, forcibly expressing itself in the strict exclusion of Hebrews from certain real-estate developments, colleges and social circles. Our disgraceful treatment of the Indian is well exposed by Helen Hunt Jackson in her book, "A Century of Dishonor." So bitter has been the feeling against Orientals that at one time there were nineteen Chinese hanging from lamp posts in Los Angeles!

Now race prejudice is the outward sign of an inward disgrace. In the light of the Golden Text it has no place within those areas of life we call Christian. Fortunately many forces are at work to introduce a kinder day. The scientist is able to show that the colored races are not inferior. Education has accomplished wonders. Guardians of the law can be just, as indicated by the recent order of the Supreme Court in the notorious Scottsboro case. The Churches, also, are alive to the problem, and have studied it with intelligence and sympathy. The various minority racial groups, moreover, by their own courage and initiative, have done much to soften antagonisms and silence criticisms.

It behooves us all, as Christians, to champion the cause of these oppressed minorities until the Master's day of universal brotherhood dawns.

Let us push the good work right on. We were glad to have W. O. McDaniell back with us as well as other visitors who were present.

When you come to service at the Church of Christ, you are met with such friendliness and a welcome that you can hardly resist coming again. Try it and see.

"Ancient and Modern Necromancy Alias Mesmerism and Hypnotism Denounced" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, November 27.

Among the passages read from the Bible was the following from James 3:13-18: "Who is a wise man and endures his affliction? Where is his wisdom? Is not his wisdom that which makes him foolish? For he that is wise and endures his affliction is foolishly wise."
