PIONEERS ARE INVITED TO JUBILEE

Many Companies Will Make Entries in Huge Parade

Invitations were mailed Monday three hundred "old-timers" in the county to attend Foard County's forty-fifth anniversary jubilee April 27-28, according to J. Beverly, chairman of the invitation committee.

The names of all those to whom invitations were sent will be printed in the News next week. The committee has asked that all those who know names and addresses of settlers and pioneers who are now living in Foard County should send them to J. R. Beverly, J. Thompson or H. E. Ferguson.

An invitation to a former Foard County man was mailed to New Mexico. Another went to the Hawaiian Islands. Others were mailed to Oklahoma, New Mexico, Colorado and Arizona.

There has been a great deal of enthusiasm displayed concerning the jubilee. George Self, general manager of the celebration, said that several large companies, wholesale and retail, have announced that they will participate in the parade. We will also have the usual speaking equipment for the entire celebration.

He said that from every indication there will be lots of the old timers come back to help Foard County celebrate its forty-fifth anniversary. Plans are under way to accommodate several thousand.

Use County Pioneer Visiting Niece Here

Pioneer of Wise County, P. Prunty, who lived at Decatur more than 60 years ago, is visiting Mrs. D. C. Greer, of Crowell, this week. He had not been here for many years, he said.

Mr. Prunty, 84 years old, is engaged to Elko Nevada, where he had lived over a half century ago. He heard while visiting his son, John Scott of Decatur, his niece was living at Crowell, so he stepped on his way back home to visit her. Mr. Prunty arrived alone. He expects to leave his journey Sunday.

Best Workout for Track Held Monday

Best workout for the 1936 track season, the county meet, was held at Crowell March 27.

Those who reported were Bob C. Sam Crews, James Stone, Jim McLain, James Long, Gil Lankford, John Lee Orr, Raymond Joy, J. S. Owens, J. W. Bell, Albert Dungan and Lee Zeigler.

HOSPITAL NOTES

Lawrence Orr of Margaret was released Monday, after having been in the hospital for medical treatment.

Charlie Eben Braswell, niece of W. H. Odum, was operated Tuesday for appendicitis.

Center Hinkle, little son of Mr. Mrs. Grady Hinkle, is in the hospital for medical treatment.

Charlie Lawson is in the hospital for medical treatment.

FARMERS GET OVER \$1,600 IN LOAN MONEY

Approximately twenty-five applications for loans have been sent from Foard County to the State Office of the Resettlement Administration, according to A. W. Burnett, resettlement supervisor of the county. Loans are still being made to farmers for purchasing stock, implements, feed and other necessities.

The first checks have arrived and have been delivered to the farmers. They amounted to more than \$1,600. Additional loans are expected soon. The Resettlement Administration from the State Office is processing the disbursement office of checks within forty-eight hours after approval.

All farmers in the county who are eligible are urged to apply to the Resettlement Office. All applications should be made before the 31st of March as the supervisor is expected to complete all applications in this county by that time. The Resettlement office is located in the basement of the courthouse, open Mondays, Tuesdays and Fridays of each week.

President Sent Them This Flag

Austin Gannon of Boston (standing in rear), with six of his seven younger brothers and sisters looking at the new flag which was sent them at the order of President Roosevelt. Austin, who is thirteen years old, had been promised the flag that draped the coffin of his father, a World War veteran who died last August. When the flag didn't come he complained to the President.

THIRTY-ONE REPORT FOR GRID DRILL

Prospective Guards, Ends and Backs Called First

Thirty-one candidates for the 1936 Wildcat team reported at the initial workout of the spring training season Monday at 4 o'clock. The six-week training period will be climaxed with a game between the 1936 prospects and the exes.

Only two veterans reported to Coach Grady Graves. The 19-year and the eight semester rules make practically the entire 1935 squad ineligible.

Raymond Gibson, back, who is a two-year letterman but was ineligible last year on account of grades, and Robert Thompson, reserve linebacker last year, were the only ones named. Ira Klepper, 180-pound grinders who received some experience on the Quannah "B" team last year, is one of the likely prospects for the new Wildcat team.

Granville Mullins and Jim Whitfield are also promising material.

For the first few workouts only the prospective backfield men, guards and ends will be used, Graves said. The first few sessions will stress blocking fundamentals. (Continued on Page Five)

Band Will Present Concert on Square Night of March 13

An open air concert will be given by the Crowell band under the direction of Arnold Rucker, conductor, on the court house lawn Friday night, March 13. There will be no charge.

The concert will be made up of regular band marches, waltzes and overtures. It will be a forty-five minute and an hour program, Mr. Rucker said.

The band was organized Thursday night, February 13, for the purpose of furnishing music for the Forty-fifth Anniversary Jubilee.

New music was received recently, and it is being rehearsed in preparation for the celebration. The music was bought by the Farmers' and Business Men's Association, the organization that is promoting the anniversary program.

Chick With Three Legs Doing Nicely

A freak, three-legged chick was hatched Saturday night at the Hough hatchery. A third limb was attached just above its left thigh. Otherwise the chick was normal.

The chick is of White Leghorn breed. It was hatched from an egg belonging to Claude Callaway. "The chick is normal and healthy in every way with the exception of the third leg and probably will live if it is not handled too much," C. H. Hough, manager of the hatchery, said. Due to the fact that the egg from which the chick was hatched belonged to Mr. Callaway, an active Methodist and most Methodists are fond of chicken. Mr. Hough said he was forced to believe that the freak chicken was of that denomination.

JUNIOR CATS TAKE COUNTY CAGE CROWN

Riverside Seniors Win Class "B" Title at Meet Saturday

The Crowell junior basketball team defeated the Thalia youngsters to take the junior division of the Foard County basketball tournament held in the Crowell High School gymnasium Saturday. The Riverside class "B" seniors took their division from Vivian in a thriller 23 to 21.

Five games were required to determine the winners of the county junior cages and the class "B" senior quintets. The first game was scheduled for 10 a. m. Two junior games and a senior game were staged in the morning so that only the finals in the two divisions were scheduled for the afternoon. Coach Grady Graves of Crowell was in charge of the tournament.

First Game

Crowell Wildcats drew the Margaret juniors for the opening game. Owens of Crowell opened the scoring soon after the first whistle to give the locals the lead. Smith of Margaret promptly looped to knot the count; and before another man scored, hit the bucket for another field goal to place his squad ahead of the Wildcats. Owens, however, roped another tie to tie the score 4-all. Just before the end of the first quarter Joy, Crowell forward, shot a field goal to place his squad ahead at the first intermission.

The Wildcats went wild in the second quarter to double their score while holding the opponents to a field goal. They continued their spree in the third quarter to build up their count to 27 and held Margaret scoreless. Both teams tallied in the final frame and the score ended Crowell 35 and Margaret 12.

Joy captured high honors in the initial fray with an even dozen points. He was followed closely by Owens and Edwards with 9 and 8, respectively. Smith led the attack for Margaret with 6 points.

Mr. Teal was a resident of Foard County from 1907 until 1918 when the family moved to Lubbock. He is survived by his widow and six children.

100-Year-Old Letter Written by Great-Grandmother of Mrs. S. T. Crews Relates Tragedy of Alamo

The following letter is a prized possession of Mrs. S. T. Crews, for it was written by her great-grandmother, Mrs. Frances Menefee Sutherland, wife of Major George Sutherland, who did active service in the State's struggle for independence.

It was written about one hundred years ago, in June, 1836, to be exact, but the happenings spoken of in the letter occurred exactly one hundred years ago, and inasmuch as all Texas is celebrating its one hundredth birthday, we feel it a privilege to reprint the letter. From it can be gained a real idea of the condition of the country at the time and of the hardships that the brave, sturdy pioneers had to face.

June 5, 1836.

I received your kind letter of some time in March, but never had it been my power to answer it 'til now, and now what must I say (O, God support me.) Yes, sister, I must say it to you, I have lost my William. O, yes he is gone. My poor boy is gone, gone from me. The sixth day of March in the morning, he was slain in the Alamo in San Antonio. Then his poor body committed to the flames. Oh, Sally, can you sympathize with me and pray for me that I may have grace to help in this great time of trouble. He was there a volunteer, when the Mexican army came there. At the approach of thousands of enemies they had to retreat in the Alamo where they were quickly surrounded by the enemy. Poor fellows? The Mexicans kept nearly continual firing on them for thirteen days. Then scaled the walls and killed every man in the fort but two black men.

Dear Sister, I think the situation a sufficient excuse for not answering your letter sooner. When I received your letter I had been away from home with a distracted mind and had been wondering about ever since till three weeks ago this day we got back to our house where we found nothing in the world worth speaking of—not one mouthful of anything to eat, but a little we brought home with us. God only know how we will make out. I will try to compose my mind while I give you a short history of a few months back.

The American army was on our frontier. We thought prudent to stay at home and did so until the General thought proper to retreat. We, being on the frontier, were compelled to go (I speak for all.) We went to the Colorado forty miles, there expected to stay. The army camping on the same river, but after some time the General thought proper to retreat farther and of course we had to go too. We proceeded to the Brazos River. There stopped a few days, but dread and fear caused another start; there Mr. Sutherland quit us and joined the army. William Heard was in also with a good many more of our citizens, however, we went on for several miles and again stopped, hoping we would not have to go farther, but something over there that week brought in the news the Mexican army was crossing the Brazos not more than forty miles behind us. Again we started and traveled two days then heard the army was twenty miles behind. (I wish you could know how the people did as they kept going about trying to get somewhere, but no person know where they were trying to get to.) Several weeks passed on without any certain account from the army. All this time you could hardly guess my feelings. My poor William gone, Sutherland in the army, me with my three little daughters and my poor Thomas wandering about, not knowing what to do or where to go. You will guess my feelings were dreadful, but ever the Lord supported me, and was on our side for I think I may boldly say the Lord fought our battles. Only to think how many thousands of musket and cannon balls were flying there over our army and so few touched. I think seven was all that died of their wounds. Some say our army fought double their number and who dares say that the Lord was not on our side. Mr. Sutherland's horse was killed under him, but the Lord preserved his life and brought him back to his family. He found us at the mouth of the Sabine from whence we all returned home. I pray that God will still continue our friend and bless us with peace again.

I will now say that our relations are only in tolerable health, tho' none very sick. Poor Mother went the rounds not very well all the time. I was afraid she would not hold out to get back again, but she is much better. She stopped at Brother William's, and I expect she will stay there all summer. Sister Martha lives there. We are still trying to raise something to eat, but I fear we will miss it.

Brother Thomas' house was burnt with stable and corn crib. Mr. Sutherland's warehouse was burnt, also his houses at the Bay. But if we can have peace and can have preaching I won't care for the loss of what property is gone.

BUSINESS MEN, FARMERS MEET MONDAY NIGHT

Will Discuss Plans for 45th Anniversary Celebration

The Farmers' and Business Men's banquet will be held Monday night, March 8, in the Crowell Methodist Church, with the Col. L. A. Andrews, tax assessor-collector for the county, as the banquet. Further plans for the celebration will be discussed.

The program will be under the direction of the Business and Professional Women's Club of Crowell. A ticket campaign will be launched this week-end. Officers of the Farmers' and Business Men's Organization have expressed the desire that a record number attend. They urged that every school in the county send representatives to the banquet Monday.

Tickets may be obtained from Hubert Brown or Claude Callaway.

DIVIDENDS PAID BY THALIA GIN; BREAK RECORD

\$3.80 Per Bale Given Society Members in Rebates

A total of \$11,563.41 was distributed to farmers of the Thalia area last week, according to C. D. Haney, secretary-treasurer of the Thalia Farmers Co-Operative Society, which declared a dividend of that amount in connection with the operation of its cotton gin for the season.

Mr. Haney stated this represented the largest dividend ever declared by the society, rebates averaging about \$3.80 per bale being made to members. Although the gin has not shut down for the season, a total of 3,016 bales from the 1935 crop had been ginned when the books were audited. The Thalia society was started in 1924 and is now entirely out of debt, despite the fact that a new plant had to be built a few years ago when the original one was destroyed by fire.

Four dividends have been declared since the organization started. Mr. Haney said, H. W. Gray, president; J. C. Taylor, manager, and Secretary Haney have served several years in their positions with the organization.

Auction Sale Held as Trades Day Feature

An auction sale was held here Saturday as a special feature of Trades Day which is observed every first Monday. Livestock, farm tools and implements were bought and sold with Dave Sallis as auctioneer.

The Trades Day program was held under the auspices of the Farmers' and Business Men's Association. A. Y. Beverly was chairman of the committee in charge of the sale. It was held on a vacant lot about two blocks west of the square.

START TAKING FOARD COUNTY SCHOOL CENSUS

The taking of the 1936 scholastic census of the school districts of Foard County began Monday, March 2. The census must be completed by March 31.

The number of scholars in the county determines the amount of money the schools of the county receive from the state funds. L. A. Andrews, tax assessor-collector for the Crowell Independent School District, will be assisted by his wife in the taking of the census of this district. Children between the ages of 6 and 17, inclusive, will be included in the scholastic census.

This year the state funds allotted the schools for each scholastic amount to \$7,750. In the county last year there were a total of 1648 scholars. This is the number that this year's appropriation is based on.

Margaret H. D. Club To Prepare Float in Anniversary Parade

A float prepared by the Home Demonstration Club members of Margaret will be entered in the county's Forty-fifth Anniversary Jubilee, according to Mrs. G. M. Sikes, club reporter.

A committee consisting of Mrs. J. L. Hunter Jr., Mrs. Arthur Bell, Mrs. J. S. Owens, Mrs. G. M. Sikes, Mrs. T. B. Dunn and Mrs. Clara Haseloff was appointed to be in charge of the float at the last meeting of the club.

Boy Loses Finger As Dynamite Cap Explodes in Hand

Jerry Sanders, six-year-old son of Mr. and Mrs. Reuben Sanders, lost the end of his thumb and the ends of two fingers of his left hand Sunday as a dynamite cap exploded while he held it in his hand. The index and middle fingers were blown off at the second joint.

Another piece of the dynamite cap entered the child's cheek. Other pieces entered his throat on each side of the trachea.

The boy's condition was reported to be improving.

Brother of Crowell Lady Dies Friday

Dave Johnson of Dover, Okla., 58, brother of Mrs. John Diggs of Crowell, died at his home Friday at 12:30 a. m. Mrs. Diggs received the telegram announcing that he was not expected to live, and he died before Mr. and Mrs. Diggs could reach him.

Mr. Johnson was buried Saturday afternoon at 4 o'clock at Valliant, Okla., in the Valliant cemetery. The pastor of the Baptist Church there officiated.

Mr. and Mrs. Diggs returned Sunday after having attended the funeral of her brother.

Mr. Johnson is survived by his wife, a son, R. D., of Wright City, Okla., and a grandson, Clark on McBride. He is also survived by two brothers, Ernest and I. V., of Valliant, and three sisters, M. S. C. P. Raney of Mt. Pleasant, Mrs. Mary A. Simons of Mt. Vernon, and Mrs. John Diggs of Crowell.

Nature's Weather Signs Do Not Agree

Two of nature's own weather prophets have given conflicting prognostications regarding the coming of summer. It is an old proverb that says that if March comes in like a lion, it will go out like a lamb and if it comes in like a lamb, it will go out like a lion.

According to this proverb March will end raving and roaring after coming in meek as a lamb with sunshine and warmth. If this omen holds true there will still be cold and disagreeable weather.

If judgment is based on the forecast of the groundhog who did not see his shadow February 2 and remained out all day, summer is here. But evidently the truest of all prophets is the one that says: "He who predicts the weather in West Texas is either a fool or a newcomer."

WILL JOIN NAVY

Hearrell Scales of Thalia, son of Mr. and Mrs. Wallace Scales, will leave next Sunday for Dallas where he will take the examination for entry into the U. S. Navy. From Dallas he will go to San Diego, Calif., for twelve weeks' training before being assigned to active service.

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN.

He will tell you that before the discovery of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate Bayer Aspirin among the fastest methods of relief for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this.

You can get Genuine Bayer Aspirin at any drug store—simply ask for it by its full name, Bayer Aspirin. Make it a point to do this—and see that you get what you want.

Along the Mexican Border

(By Las Vegas Kim)

Some time ago I wrote about conditions along our Mexican border of Texas and promised to report later. Conditions are much improved in some respects since liquor became legal in Texas. At least there is not nearly so much U. S. money going into Mexico.

Mother Crosby at Villa Acaena is doing a nice business, mostly in the eating line, but practically the total business is brief parties that return to the U. S. side shortly and the former waste of good American cash across the river is no longer in evidence. At Juarez Mexican business took a big slump with repeal in Texas, as in all Mexican border towns but law violation is at a minimum. Prices on Mexican gifts and goods are lowest in history with Mexican shops bidding for American trade.

Everything is better all along the border except Mexican business.

There are, of course, some instances of bad relations, arising mostly from depredations of both Americans on the other side and Mexicans on this side of the border. Matters of revenge and retaliation keep a bad state of affairs and it will be years if ever there is true peace.

It is estimated that there are three hundred persons across the Rio Grande from Castalon in Mexico that live by thefts in Texas. Bees, are stolen in Texas and driven across to Mexico where they are butchered and the dressed beef smuggled back to this side and sold. In one instance a Texas man by the name of Gomez lost nineteen head of mules which he lays to thieves from Mexico.

At one time recently when American officers were investigating Mexican bandits the Mexicans across the river signalled with fires and smoke signals just like the old Indian days of long ago. Texas Rangers have a new camp in this section under Pete Crawford who is a famous border character. Some of the officers floated down Santa Helena Canyon recently on a canoe made of

inner tubes in making an investigation. Santa Helena Canyon proper is 21 miles long. A little farther below is Hell's Hat where the canyon is seven or eight miles longer. Together there are about fifty miles of the most primitive and wild canyon country imaginable. However, this section is probably the wildest and worst along the border.

An airport and radio station have been established near this section and the Army Post at Marfa under Colonel Lewis has equipped some big cars that carry seven to eight men each and are able to rush to the scene of trouble in three hours.

There are many American ranchers in Mexico and both Mexican and American business men are striving to keep relations the best possible. The Musquin Ranch owned by Sanford & Richey of Eagle Pass has had a representative, Howard Rau, in San Angelo buying horses to use in the cattle business across the river. Quite a few cattle have been brought across legally and on the whole our relations with Mexico are very good. Both the U. S. and the Mexican Government are striving in every way possible to better conditions to the advantage of both countries.

There is a great deal of American tourist traffic into Mexico, of which I will try to write later. With proper attention in a few matters interesting and educational excursions may be made into the interior of Mexico with perfect safety, convenience and comfort. In fact, all that is needed is a few more Crowell people down in this section and the United States and Mexico will come to such good terms that they will annex each country to the other.

Long Beards Are Traced to Days of Israel

Tradition says that Adam had a bushy beard, and the Israelites in Egypt distinguished themselves from their masters by culturing long ones. Thus all artistic depictions of Biblical patriarchs depict them long-bearded. A beard is proverbial, and to wear the beard constituted the most solemn oath. Mahomet, following the ancient tradition and never allowed a razor on his face, Mohammedans still swear by the beard of the Prophet. The Romans of the unshaven, bearded stitans of northern Europe, eventually brought about the beard's fall. "Barbarians," the Latin barba, a beard, and which we got our "barber," from which the famous Barber-Tit-Bits Magazine.

Queen Mary I sent four ages to Moscow, all bearded, and of them, George Killingworth, said, made even Ivan the Terrible laugh! Hans Steininger, Bishopmaster of Braunau, who died 1567, is shown in his monogram in the parish church there with a beard, beautifully worn, which reaches below his feet. It was pulled straight, would six feet long. The actual beard is preserved in the local museum. It is in two ropes, and its color reddish brown.

A prodigal son is more tolerated than a prodigal father.

New Bus Placed on Route by Red Star

A new 21-passenger stream line white bus has been put into operation on the route from Vernon to Plainview by the Red Star Coaches.

The bus is equipped with inside baggage racks, a baggage compartment in the rear, an all-steel body, safety glass throughout, hydraulic brakes with BK vacuum booster and all-leather seats with head-rests. It is a 1936 model.

This bus has already been put into operation and another of the same type will be placed on the line in about 60 days. C. M. Owens, manager of the Red Star Coaches, said.

PAY YOUR CITY TAXES

AND SAVE PENALTY, INTEREST AND COSTS

To the Tax Payers of the City of Crowell, Texas:

Tax collection reports show that the majority of the Tax Payers of Crowell are paying other taxes and allowing their City Taxes to go Delinquent.

The City Council urges and requests that the City taxpayers, whose taxes are delinquent, make an effort to pay their taxes, so it will be possible for the City to pay the interest and principal on the City Bonds when due. The City Council considers the bonded indebtedness to be a moral and legal obligation of the City. As the duty of handling these payments was vested in the present City Council at the city's elections, the City Council asks your full co-operation, by making your best effort to pay your current and delinquent taxes.

Also the General and Street funds are badly in need of money. The expenses of these funds have been cut to rock bottom, and still the yearly tax collections will pay only one-third of these expenses. The money prorated to these funds, goes to pay the general expense of the City government, the street light bills and maintaining the streets and bridges.

The City Council has allowed the City Tax to be paid for several years without any interest, penalty or costs being added, and to help the City taxpayers who are delinquent the City Council has extended this time to May 1, 1936. And to be fair to the taxpayer who has paid his taxes after May, 1, 1936, interest, penalty and costs will be added to all delinquent City taxes.

If the Delinquent City Taxes are not paid, the City Council will be forced to take more extreme measures.

Pay your City Taxes and help Crowell back to a cash basis.

The senior and junior boys of the school disbanded basketball at the close of the season and started work for track and playground ball.

Velma Heaton of Odell is visiting John and Bob Adkins. Ernest Cribbs and family visited Mr. and Mrs. F. W. Butler of Thalia Sunday.

I came of voting age, and have participated in the party conventions, precinct, county, state and national, as a delegate since 1924. I believe that my party is the better agency through which to work out the Nation's economic and social troubles.

"There are economic troubles ahead of us, in my judgment. These will not be solved by political panaceas, and I promise no cure-all nostrums or remedies, if elected to Congress. This country will not return to normal conditions until we quit spending tax money in unproductive manners, provide stable conditions for labor and capital, and all hands get back to work. An individual, a nation, or business can never be stable, financial, so long as out-go exceeds income.

"The nation cannot tax itself back to prosperity. Specifically, the so-called Townsend Plan is a fallacy fraught with hardships upon the ones it is supposed to help and disaster to the nation; having first gone into the matter thoughtfully, I fear that millions of our people are being imposed upon and misled for the selfish gain of some of the promoters of the plan. I am opposed to it. I want to repeat that you cannot take half of the entire national income, labor, wages, profits and pay it out to 11 millions of the aged without destroying absolutely the personal initiative to work for wages and salaries.

"These advanced are for selfish purposes of individuals. I will not resort to such schemes to get votes. The time has come for some straight thinking and plain speaking in this country. I know it is not popular politically to tell a man that he cannot get something for nothing, that the law of compensation still is in effect and that somewhere, somehow, somebody pays.

"I was born on a tenant farm in Wise County 42 years ago; attended the public schools, Deatur Baptist College, Baylor University and the University of Texas, after I was 18 years of age and worked for expenses while doing it. My father was a native of Wise County, and I am the only native son of the district now a candidate for Congress from it.

"For two years before, and one year after the World War I was a school teacher and was superintendent of a small town school. I am a member of the First Baptist Church of Deatur, and also of the Lions Club, Mason, Chamber of Commerce, American Legion, Wise County Board of Child Welfare.

"I was in the military service during the World War, and served as a private in Div. Hdq. Troops, 36th Div. overseas, and was honorably discharged from the service in August, 1919.

"In 1924 I was elected to the State Legislature from Wise County, and have served continuously since, being now a member of the Senate from the 22nd District.

"As a member of the State Legislature I have had a wide experience in working with public problems from the state standpoint.

and I feel that this should enable me more effectively to serve you in Washington.

"If elected to Congress I shall try to give this district effective, constructive representation; I shall assume full responsibility for my actions in Congress, and vote wrong some of the time or all of it, but it will be my vote. We need in Congress more independence of thought upon the part of the individual member, less rubber-stamp legislation. I propose to give for this district.

"I shall make an active campaign, meeting as many of you as possible and discussing issues of important bearing at this time. I cannot revolutionize the government—and wouldn't if I could—but I think I can 'make you a hand'."

Respectfully submitted,
Grady Woodruff,
Candidate for Congress.

THE DOCTORS ARE RIGHT

laxative, and keep reducing the dose until the bowels need no help at all.
Reduced dosage is the secret of aiding Nature in restoring regularity. You must use a little less laxative each time, and that's why your laxative should be in liquid form. A liquid dose can be regulated to the drop.
The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara—both natural laxatives that form no habit even with children. Syrup Pepsin is the nicest tasting, nicest acting laxative you ever tried.

Three Governors Pay Texas Tribute On 100th Birthday

One hundred years after the Declaration of Texas Independence, March 2, 1836, the governors of three states—Texas, Tennessee and Wisconsin—paid tribute to the deeds of those freemen who made possible the commonwealth of Texas.

At Old-Washington-On-the-Brazos, Governor Allred recalled to Texans the indomitable spirit of those men, who, on this sacred spot, subscribed this scroll of independence and liberally offered their lives, their all as willing sacrifice upon the altar of Texas freedom.

"Full well did each one know the price to be paid should the venture fail," said the 43rd Governor of Texas. "There were no cowards to stand aside, doubting in an abject spirit till their state was crucified."

"From such occasions as this it behooves us to take increased devotion to that cause for which these immortals gave the last full measure of devotion, to strive for a renaissance of pride in Texas ideals, traditions and institutions; to offer up prayers of thanksgiving for this our sublime ancestry and sublimer Texas heritage."

Governor Allred, accompanied by Governor Philip LaFollette of Wisconsin, joined Governor Hill McAlister of Tennessee at the dedication ceremonies in Huntsville honoring the memory of General Sam Houston, a Tennessean.

In Houston, the three Governors attended the annual banquet of the University of Texas Extension and spoke over a coast-to-coast hookup.

Governor Allred invited the nation to Texas for the Centennial Celebration in order that America might see us, and catch with us a vision of the greater Texas of tomorrow.

Crowellites Aid in Shelter Belt Plan

"Crowell is doing more than her part in helping carry out the Shelter Belt planting project," said Clint White after noticing patches of whiskers which bedeck upper lips, chins and cheeks of some of Crowell's most prominent standbys.

About thirty men have turned their whiskers loose in patches over their face to aid in an advertising campaign for the celebration of Foard County's Forty-fifth Anniversary Jubilee, Ebb Scales, member of the whisker committee, estimated.

The campaign proper does not start until March 10. At that time pledges will be circulated whereby the signee agrees to grow a mustache or goatee until April 27-28, the date of the celebration. Failure to keep the vow will subject the signee to a fine. The amount of the fine will be added to the anniversary fund.

Due to the fact that some of the men could not grow whiskers as rapidly as others, the date for the beginning of the beard campaign has been moved up from March 15 to next Tuesday, March 10, the whisker committee announced.

So deeply has the jubilee spirit become rooted that some of the women have appeared with curly bangs worn in a manner characteristic of half a century ago.

Prizes Offered for Data About Relics

Dallas.—Cash prizes totaling \$2,850 and numerous medals, plaques and certificates are offered in a statewide contest for obtaining information about relics, documents, and pictures which existed in Texas prior to 1900. The contest is sponsored by the Historical Exhibits department of the Texas Centennial Exposition.

The contest, arranged in four divisions, offers prizes to individuals, clubs and other organizations, to high school students and to pupils of elementary grades of all public, private and parochial schools in Texas.

"Thousands of unknown bits of Texas history are hidden away in the homes of Texans," declared Miss Emma Kyle Burleson, Austin, contest chairman, "and the purpose of this contest is to obtain information about these historical materials. We are not asking that owners send in these relics, documents, and pictures. We are merely trying to find out where they are, what they are and what they represent in the history of our state."

In the contest divisions for clubs and individuals, three prizes will be awarded for information about relics, three for documents, and three for pictures. Plaques will be awarded to club winners in addition to the cash prizes of \$100, \$50 and \$25 in each of the three classes.

The contest divisions for school children are arranged in 10 districts. A grand prize of \$100 will be awarded in both elementary and high schools, will be \$50, \$20, \$10, with medals for fourth and fifth place winners. Plaques will be given schools for which winners are chosen. Each student entering the contest will receive a lapel pin signifying membership in the Centennial Historical Club.

"This is not a writing contest, and does not require tedious research work," declared George Waverly Briggs, chairman of the Historical Advisory Board. "The purpose of the contest is to discover, to disclose and report upon material now privately owned, about which historians knew little or nothing. We are trying to get information about the vast store of Texas historical materials now hidden away in homes which may add new chapters to the history of our state."

Inquiries about the contest should be addressed to the Historical Exhibits Department, Texas Centennial Exposition, Dallas.

State Centennial Revival to Be Held At Wichita Mar. 13

One of the series of state-wide Centennial Revival Rallies being sponsored by the Methodist, Presbyterian U. S. A., Episcopal, Nazarene, Baptist and Christian Churches, will be held at Wichita Falls on March 13. Dr. J. H. Juniors Win—

(Continued from Page One) Crowell's victory gave them the right to go into the finals.

Foard City-Thalia Thalia juniors trounced the Foard City youngsters 22 to 8 in the other semi-final game in the junior division. Banister, Thalia guard, drew first blood in the fray with a field goal. Thalia built up a substantial lead in the first quarter and never relinquished it. They were never in danger of being eliminated by the Foard City boys. At the first quarter the score stood 9 to 2 for Thalia. In the next period Thalia added a half dozen points to their score and held their opponents to two. At the end of the third period the score was 19 to 8. The final quarter was featured by a lack of scoring by Foard City and only a field goal and a free toss by Thalia. The score at the end stood Thalia 22, Foard City 8.

Crowell vs. Thalia

The finals for the junior division were played Saturday afternoon between Crowell and Thalia. The little Wildcats took the battle 37 to 12. Banister, of Thalia was good for the first two points to give his squad the first advantage. Joy, Crowell forward, retaliated with a field goal to tie the score, and Owens hit the circle to forge ahead of the visitors.

The score was again tied in the first quarter by Banister's and Gray's two free goals and Joy's two points. Little Edwards, Crowell forward, gave the local lads the advantage of two points as the first quarter ended with Crowell leading 8 to 6.

In the second period the Graves boys staged a rally which netted them 11 points while the Thalia quintet failed to register in the scoring columns. In the third quarter the Thalia squad doubled their score to make it 12, but the Crowell school boys had chalked up 27 points by that time. In the last frame the Thalia juniors were again held scoreless. The score ended 37 to 12, giving the game and the championship title to Crowell. The tilt ended the season for the Crowell boys without a single defeat.

Owens, Wildcat guard, captured individual honors with 13 points. His team mate, Joy, was next in line with 10. Long of Crowell and Gray of Thalia were both good for 8.

Juniors End Cage Season Without Loss

The Crowell junior basketball squad completed its season Saturday afternoon by defeating Thalia seniors 37 to 12 in the finals of the Foard County tournament. The Wildcats finished the season without a single defeat.

In their 15 games the Wildcats more than doubled their opponents. The youngsters chalked up 101 points against 233 for the opposition.

The following games show the Wildcat record: Wildcats 54, Electra 14, Wildcats 25, Foard City 14, Wildcats 47, Thalia 17, Wildcats 26, Foard City 13, Wildcats 32, Quannah 11, Wildcats 27, Electra 24, Wildcats 28, Quannah 24, Wildcats 33, Vivian 13, Wildcats 21, Vernon 4, Wildcats 33, Acme 11, Wildcats 41, Vivian 27, Wildcats 30, Vernon 17, Wildcats 32, Acme 25, Wildcats 35, Margaret 12, Wildcats 37, Thalia 12. Totals: Crowell 501, Opposition 233.

ARREST CHICKEN THIEVES

Two men were arrested here Wednesday morning by Sheriff R. J. Thomas for stealing chickens. The suspects were arrested as they attempted to sell the chickens to Moxey Produce Company. The men were taken to Vernon, where the chickens were stolen, by chief deputy L. D. Campbell and J. D. Klepper, deputy sheriff, of Vernon.

O. B. Webb of Daas, assistant to the president of the Texas and Pacific Railway, will be the speaker at the men's dinner at 6 o'clock. Bud Thompson, of Texas Technological College of Lubbock, will address the young people's dinner at 6 o'clock, and Bishop Frank Smith of Houston, of the Methodist Church, will address the great mass meeting to be held at 8 o'clock. The capacity of the dining rooms for the young people's and men's dinners is limited. Therefore, early reservations should be made. Send reservations for the men's dinner to Bart Magee, Harvey-Snyder Building, and for the young people's dinner to Oral Jones, Hamilton Building. Popular prices will be charged.

Foard City-Vivian Vivian were in the class "B" senior division. Riverside drew a bye. The Vivian lads drew first blood as Davidson, center, sank two free tosses, but the quintet failed to register in the score pad again during the initial quarter. Andrews and Baker of Foard City each hit the circle and their team mate, Golden, rang a gratis pitch for five points during that period. It was an even battle in the second act of the game as each squad tallied with a field goal and a free pitch. Vivian broke loose in the third period for a dozen points while holding the Foard City seniors to 8. Throughout the quarter the teams took turn about leading, and the period ended with Vivian setting the pace 17 to 16. A last quarter rally of 10 points gave Vivian the game and the right to battle Riverside for the title. The Vivian-Foard City game ended 27 to 18 with Vivian on the long end. Davidson, Vivian center, was high point man with 11 points. His squad mate, Bowley, was next in line with 7. Andrews set the pace for Foard City with 6.

Vivian vs. Riverside

Riverside trumped Vivian 23 to 21 in the final match to win the Foard County class "B" senior division. The fray was a thriller all the way from start to finish. By the time the whistle sounded announcing the end of the first quarter both teams had scored only two points. The second quarter was close. Benham of Vivian rang a field goal and a couple of gratis shots to take the lead. Davidson also hit the circle for Vivian, but Carr, Sitton and Bradford of Riverside got field goals to bring the count to a knot shortly before the half. The Riverside center slipped one through just before the whistle to make the score 10 to 8 at the half.

Riverside jumped ahead in the third quarter with 10 points while holding the enemy to a free toss and a field goal. The score at the end of the third quarter was 20 to 11. Gray of Riverside opened the final frame with a gratis pitch to total 21 points. It was Vivian's time to rally as Benham, Everson and Davidson began hitting to tie the score 21-all scores before the game ended. Bradford, Riverside forward, jammed one through just before the final whistle to win the game and the title, 23 to 21.

Monday and Tuesday the House and Senate considered legislation to exempt from all kinds of taxation all bank stock held by the RFC. This legislation passed the Senate by a vote of 38 to 28 and was defeated in the House by a vote of 165 to 173. It was pointed out that the banks of the nation have sold about \$230,000,000 of their stock to the RFC who receive whatever dividends are declared upon same. The records show this legislation would exempt the RFC from paying taxes of \$5,512,736.38 on such stock, all of which is earning profits for the RFC. It was also pointed out that any such stock held by anyone else was not exempt from taxation and that 31 states in the nation permit the taxation of such stock. That many of the officers in banks selling large blocks of their stock to the RFC, are paying their officers and directors large salaries and should be required to pay their proportionate part of their taxation to help support their local communities, such as state, county, school and municipal taxes. The Texas Bankers Association are demanding that this legislation be enacted. Why should these banks who make profits of the business they do in the community be exempted from such taxes when the farmers, the merchant and the small home owner, who own a small equity in their property are required to pay full taxes whether the lien is held by the Government or otherwise.

Some Benefits Banks Receive

The Government records show that from 1900 to 1929 from 72 per cent to 75 per cent of the deposits of National Banks were invested in commercial loans. From 1920 to 1930 about 65 per cent were so invested and since 1930 approximately only 30 per cent of such deposits are invested in commercial loans. On June 30th the banks held \$12,201,506,000 in Government securities. At the average rate of 3 1/4 per cent interest this would require the Government to pay the banks \$396,548,970 per year interest. The Government is today paying on its outstanding obligations \$1,000,000,000 per year in interest. The Government should not be required to pay this interest for the use of its own credit. The banks receive an exclusive franchise protecting them from competition unless and until additional banking facilities are proven necessary; the free use of Government credit and the right to loan money at the average of \$10.00 to every \$1.00 the bank possesses. The Government guaranteed the banks' deposits and furnished \$300,000,000 of the \$330,000,000 necessary for this purpose. The banks have been relieved of the responsibility of paying interest on demand deposits thus saving them about \$250,000,000 per year. The interest allowed on time deposits has been reduced, saving the banks at least \$200,000,000 per year. The interest received from their tax exemption securities is exempt from taxation, saving them about \$50,000,000 per year. The banks have a right to deposit Government bonds and have the Government print new money for them as needed, at actual cost of the print-

APPLICATIONS FOR SUBSIDIES BEING TAKEN

Disbursing Station to Take Care of Payments

The taking of applications for the subsidy payment on cotton already sold began Monday, March 2, in the office of John Nagy, Foard County farm agent. Farmers may make application at the agent's office.

Authority was received from the State Cotton Board to take the applications. A disbursing station has been established at College Station to make the subsidy payments.

The subsidy payment is the difference in the selling price of the cotton per pound at the time it was marketed and 12c. The government is making the payment of the difference.

A table has been prepared so that producers who have sold cotton up to late as February 21 may be able to determine the amount of subsidy payment due them.

The following table has been prepared for the convenience of cotton producers who wish to determine the amount of subsidy payment due on cotton already sold. These figures represent the average price per pound as reported on the ten markets.

To determine the amount of subsidy payment due on a bale of cotton, find the date in the table below, on which the cotton was sold and subtract the price listed on that date from 12 cents and the result will be the amount per pound due in subsidy payment. For example:

SATURDAY IS LAST CHANCE TO GET SUBSCRIPTIONS AT SPECIAL REDUCED PRICES

Saturday, March 7, is the last day for you to renew your subscription to The Foard County News for \$1.50 per year. Although a large per cent of the subscribers on our list have renewed their subscriptions for another year, there is a few that have neglected to attend to this matter. If you are among this number, please see us before Saturday, if possible, and make arrangements for your local paper to make its regular weekly visits to your home during the year. If you do not have the money right at this particular time, see us anyway so that arrangements can be made to keep your paper coming.

This is election year and many important announcements will be printed from time to time concerning speakings and other campaign news of interest to all citizens of the county.

Accounts of the activities of the county farm agent and home demonstration agent, and the clubs under their supervision, are carried in each issue of the paper that are interesting and valuable to our rural subscribers.

Special effort is put forth to publish any items of interest concerning the schools and churches of the county, a special correspondent from each community who sends in items every week, together with the many other important news stories of local happenings—these and other interesting features make it important that you do not miss a single issue of the paper.

Call at this office or mail your subscription and it will receive prompt attention.

Those who have renewed their papers or have become new subscribers since Feb. 26 follow:

M. F. Bowley, city; A. W. Owens, city; Paul Bishop, city; M. L. Bird, city; S. W. Gentry, Rt. 1; D. G. Russell, Los Angeles, Calif.; L. B. Roberts, Rt. 1; Geo. Cates, Rt. 1; Leonard Boren, Rt. 1.

of cotton, find the date in the table below, on which the cotton was sold and subtract the price listed on that date from 12 cents and the result will be the amount per pound due in subsidy payment. For example:

A 490 pound (net lint) bale of cotton was sold on Oct. 15th. From the table it is determined that the average price on that date is 10.84 cents per pound. Subtracting 10.84 from 12.00 leaves 1.16. Therefore 490 pounds at 1.16 per pound equals \$5.68 subsidy payment.

Blannard W. Spearman, who for three years has been coach at Olney High School, has been elected to the coaching staff of Paducah High School. His selection was announced this week.

A graduate of Texas Christian University in 1933, where he was a star halfback mentioned for All-American, Mr. Spearman was an All-Southwest halfback with the Frogs.

The school superintendent of Olney High School stated that Spearman's successor would be chosen soon.

BUYS PARTNER'S INTEREST

Hubert Brown has bought the interest of his partner, Brown Franklin, in the Brown-Franklin Motor Co., however, Mr. Franklin remains with the company as salesman. The show room at Swain's Garage is being used and Miss Harriett Swain has been employed to keep books for the company which will be known in the future as Brown Motor Co.

BUILDING DAYS for YOUTH

Thoughtful parents, who have observed and experienced the wisdom of thrift in recent years, now realize that it is very important to direct children's thoughts in constructive channels. Most important of all is the appreciation of the rewards of thrift. To teach the child the value of material thrift, there is no better method than establishing a bank account for him.

CHURCHES Crowell High News

Christian Science Church
 Service Sunday at 11 a. m. Wednesday evening service at 8 o'clock.
 The public is cordially invited.
 Sunday, March 8, 1936. Subject: "Man."

Methodist Church
 We wish to thank the goodly number of people who returned to church and Sunday school last Sunday. There are still a few absentees whom we need in attendance to bring our number up to normal. In the morning the sermon will be "The New Birth." Evening services at 7:15 will be in charge of the young people. We obtained the promise of our Conference Lay Leader, Mr. Ray Nichols, to bring a similar program to the one held by G. L. Morelock in Quanah, to our Crowell church in the near future.
 G. E. TURRENTINE.

East Side Church of Christ
 Sunday services: Bible study at 10 a. m. Worship in songs, prayers, communion, contribution and preaching at 11 a. m. Sermon subject: Christian growth. Evening services: Young people's meeting at 6:30 p. m. and preaching at 7:30 p. m. Sermon subject: "Is the Church Jesus built on earth today?" The preaching will be done by Arley E. Moore, who is the minister of the congregation. Everyone is invited to attend these services.

Senior B. Y. P. U.
 Subject: "Faith and God's Provinces in the Life of Joseph." Introduction—Herbert King. Discussion 1—Beulah Ivis; 2—Vera Dawson; 3—James Adams; 4—Maude Dawson; 5—Edith Hutchinson; 6—Louise Adams.

Presbyterian Church
 The regular services at the Presbyterian Church will be as follows: Sunday School at 10 a. m., preaching at 11 a. m. and 7:30 p. m. We are anxious that, in addition to regular members, many visitors, those without church home and those without home church services worship with us. You are cordially invited to attend. May we welcome you?
 J. A. PHIPPS, Pastor.

Christian Science Service
 "Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist on Sunday, March 8.
 The Golden Text is: "Thou hast dealt well with thy servant, O Lord, according unto thy word. Thy hands have made me and fashioned me (Psalms 139:65, 73)."
 Among the citations which comprise the Lesson-Sermon is the following from the Bible: "In him dwelleth all the fullness of the Godhead bodily. And ye are complete in him, which is the head of all principality and power" (Colossians 2:9, 10).
 The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spiritually to understand that there is but one creator, God, unfolds all creation, confirms the Scriptures, brings the sweet assurance of no parting, no pain, and of man deathless and perfect and eternal" (page 69).

APPRECIATION
 Coach Graves and other faculty members wish to express their sincere appreciation to the following:
 for their service in taking the basketball boys home after the workouts—Amos Lilly, Rev. W. B. Fitzgerald, Mrs. T. V. Rascoe, Oscar Boman, Virgil Smith, Henry Black, I. T. Graves, Gordon Bell, Vance Swain, Grady Magee, John Todd, Jack Roberts, Brudge Andrews, Merl Kincaid, Hid Haney, Fred Spears, T. P. Reeder, Ernest King, O. O. Hollingsworth, and Ted Burrow. If it were not for the efforts of this transportation committee, it would be impossible for the boys who live in the country to participate in athletics.

HERE AND THERE
 "These are the times that try men's souls." Why doesn't somebody do something, like dynamiting Good Creek or breaking into the safe again. Just anything to cause some excitement. This lull between basketball and track season seems to be getting the best of most everyone.

TEXAS
 Texas is undoubtedly the "out-bowlingest" state in the Union. She sent Southern Methodist to the Rose Bowl, Texas Christian to the Sugar Bowl in New Orleans, and Hardin-Simmons to the Sun Bowl in El Paso.

N. Y. A.
 Shame on you, Students! A curious teacher in the Crowell High School after giving out the N. Y. A. workers checks found that three out of the thirty said "Thank you."

WE WONDER—
 What happened to John Cogdell Sunday night?
 What happened when Tom Ray and Banks sang "The Indian Love Song" in a downtown Wichita Falls hotel. (It is rumored that they were asked to stop warbling.)
 Why Billie and Camille refuse to look at a crow, maybe it was the dark meat they ate at the banquet. (However, Camille says it tastes almost like guinea.)
 How many letters Juanita has written to Ed and in what class she wrote them.
 Why Malcolm has been so worried lately.

HOME ECONOMICS DEPT.
 The classes in the Home Economics Department under the direction of Miss Ruth Patterson will sponsor a baby show during the early part of March. This will be given in the high school auditorium. The money derived from the show will be used to send six delegates, who qualify as the best students in Home Economics, to the state meet which is to be held in San Angelo in the spring.

DEBATERS
 An invitation Debate Tournament took place Friday and Saturday of last week at Wichita Falls in the Junior College. Crowell was represented by Camille Graves, Billie Brown, Tom Ray Roberts, and Banks Campbell, who were accompanied by Miss Vera Patton. Only the girls participated in the debate. About ninety teams entered the tournament. Crowell debated Bowie, Quanah and Harrold and was defeated by the latter.

SCHOOL PHOTOS
 Mrs. Sloan, English teacher, blonde, good natured, blushes easily, and is inclined to be plump.
 Dorothy Erwin, Junior, brunette, likes to diet, can take teasing, very studious, comes from Four Corners.
 H. K. Edwards, Sophomore, brunette, champion junior basketball player, likes to annoy people, looks as though he had better stop dieting, and will some day be a great chemical research worker.
 Bill Owens, Freshman, "red headed," mischievous, small, liked by all.

LEAP YEAR
 One of our news reporters has dug up the fact that Scotland has a law concerning Leap Year. The statute was enacted in 1288 and has never been revoked. In modern English it reads: "It is hereby ordained that during the reign of

RIVERSIDE 4-H CLUB
 The Riverside 4-H Club girls were entertained with a Centennial program planned by some of the members Tuesday, February 25, at the home of Bennie Bradford.
 "Beautiful Texas" was the opening song after which other features were given about Texas.
 The next meeting will be Tuesday, March 10, at the home of Bennie Bradford, and Mary Frances Tamplin will help arrange the program.

MARGARET H. D. CLUB
 Plans for a float to be entered in the Forty-fifth Anniversary Jubilee of Foard County April 27-28 were made by the Margaret Home Demonstration Club at its meeting Friday, February 28, at the home of Mrs. J. S. Owens.
 Mrs. J. L. Hunter Jr., Mrs. Arthur Bell, Mrs. J. S. Owens, Mrs. G. M. Sikes, Mrs. T. B. Dunn and Mrs. Clara Hasehoff were placed on a committee to be in charge of the float.
 Members of the organization who will attend the clothing demonstration by Mrs. Dora R. Barnes at Paducah March 11 are: Mrs. T. B. Dunn, Mrs. John Wesley, Mrs. J. P. Davidson, and Miss Alta B. Tamplin.
 Mrs. Clara Hasehoff, Mrs. T. B. Dunn, Mrs. Arthur Bell and Mrs. Clarence Ross were placed on a committee to get a club house. The next meeting will be held March 13 at the home of Mrs. Frank Dunn.

VIVIAN 4-H CLUB
 An interesting Texas History program was led by Miss Myrna Holman at the Vivian 4-H Club meeting February 27, at the Vivian school house.
 Those on the program were: Syble Terris, Dorothy Nell Bezgs, Berdell Nelson, Ethel Marie Myers, and Geneva Marr.
 The club girls wish to express their appreciation to the ladies who brought pies to be sold at the pie supper Friday night, February 21. They also thank the attendance. The pies sold from 20c to 65c, and brought \$9.45. Several games were played.

her most blessed Majesty, for this year known as leap year, the maiden lady of both high and low estate shall have the liberty to bespeak the man she likes; albeit he refuses to take her to be his lawful wife, he shall be fined the sum of one pound or less, as his estate may be; except and if he can prove that he is betrothed to another woman, he shall be free." We suppose that all the unattached young ladies will rush right over.

CHAPTER VI

Saturday

It was a grander breadth into which the Iowa morning lighted than Hal had pictured how it would be in the car this day; it would be in the car this day; it would be in the car this day.

Hal heard Kerrigan say, "Get up." Then he looked at him, smiling, an attempt at unremorseful apology, and said, "Finish our drinks, shall we?"

Stella Machac and Henry Hrabal Wed

Miss Stella Machac, daughter of Mr. and Mrs. Charles Machac of Crowell, and Henry Hrabal, son of Mrs. John Mihar of Crowell, were married in Vernon Saturday afternoon, February 29. Mrs. Hrabal was born and reared near Crowell. Mr. Hrabal has been a prominent farmer of this county for some time. They will make their home six miles north of Crowell.

Garden Club to Meet Mar. 13 at Legion Hall

The Crowell Garden Club will meet in its March meeting on Friday afternoon of next week at 3 o'clock in the American Legion Hall. The time was changed from Saturday to Friday at the last meeting. The general theme of this program is the "Clean-Up Campaign." The Garden Club is co-operating in every way possible with the Centennial committee and the individual co-operation of the citizenship is needed to put over the plans outlined. The program follows: "Second Division of the Private Area—The Outdoor Living Room," Mrs. H. K. Edwards; "Roses and Their Culture," Mrs. R. L. Kincaid; "The Care of Water Lilies," Mrs. Arthur McMillan; "A Discussion of Health Hazards," Mrs. J. R. Self. A question box will be available. There will be an exhibit of fa-

vorite bouquets of the month and it is desired that the members bring plants for exchange. The time of year has come for the planting of shrubs and seeds and these programs have been planned to be of real help to the members and a large attendance is urged.

Mrs. A. F. Wright and Daughter Hostesses To Seventh Graders

Mrs. A. F. Wright and her daughter, Theda La Verne, were hostesses last Friday evening at their home at a party in honor of the seventh grade of which Theda La Verne is a member. Games of ruck were played and these were followed by various other forms of entertainment. A delicious salad course was served to the following guests: Wanda Rose Liles, Frances Henry Johnson, Margaret Long, Joyce White, Thelma Lois Moore, Jennie Dee Coffey, Mary Housouer, Juanita Brown, Alice Frances Burks, Minnie Ola Ballard, Virginia Hough, Theda La Verne, Que Meason, Joe Reavis Spencer, Robert Louis Saunders, Jimmie Williams, Charles Stuart Clark, Tom Alton Andrews, Joe Mark Magee, George Thomas Burruss and Hubert Carl Brown.

THALIA IDLE HOUR CLUB

Mrs. C. C. Lindsey was hostess to the Idle Hour Club in her home Thursday afternoon. A very pleasant hour was spent in working and talking, then a vegetable contest was enjoyed, after which refreshments were served to one visitor, Mrs. W. E. Latham, of Sulphur Springs, and the following members: Mrs. Joe Johnson, Mrs. W. N. Cato, Mrs. G. W. Seales, Mrs. G. A. Shultz, Mrs. J. A. Stovall, Mrs. Fred Dennis, Mrs. Bob Abston, Mrs. L. A. Roberts, Miss Minnie Wood, Mrs. M. G. Dye, Mrs. T. H. Matthews, Mrs. Mack Edens, Mrs. Clyde Bray, Mrs. W. L. Cox, Mrs. Ben Hogan, Mrs. Raymond Grimm, and the hostess, Mrs. Lindsey. The next meeting will be March 12 with Mrs. Joe Johnson as hostess in her home.

ADELPHIAN CLUB

Mrs. John Long was hostess to the members of the Adelpian Club Wednesday, February 26. Mrs. A. Y. Beverly led the program for the afternoon which was concerning "The Deep South." Mrs. T. S. Haney gave the facts about the author, Carmer, of "Stars Fell on Alabama," which was reviewed by Mrs. Beverly. Mrs. A. F. McMillan gave outstanding current topics. Refreshment plates were served to twenty-three club members.

COUNTY FEDERATION

The Foard County Federation will meet at the Foard City club house next Wednesday, March 11, and will carry out a well-planned program. The Foard City Club will be hostesses for the day. Mrs. Roy Steele will be leader. The morning program will be a "Texas Day" program and in the afternoon the subject will be "Easter."

CENTENNIAL PARTY

Mr. and Mrs. Jno. L. Hunter, Jr., of Margaret, celebrated Texas Independence Day with a Centennial party Monday night, March 2nd. The guests appeared in costumes representing those of one hundred years ago. A prize was given for the prettiest dress, which was blue and white print with a touch of red at the neck and on the sleeves, worn by Miss Juanita Boman. A spelling bee and other old-fashioned games were played at the beginning of the party, followed by card games.

Refreshments consisted of punch and old-fashioned molasses cookies with favors made of red Texas stars with a white marshmallow and a life saver topped off by a blue candle for Texas' one hundredth birthday. Red, white and blue were the predominant colors. Those present were: Misses Lottie Bradford, Pinkie McCullough, Erma Brown, Lenora Bradford, Sue Gorrell, Jo Roark, Alice Hunter, Dorothy Bell, Floetta Bradford, Juanita Boman, Edna McCurley, Nadine McCurley, Messrs. FOARD CITY W. M. S.

The Foard City W. M. S. met Monday, February 24, at the home of Mrs. R. L. Morris with seven members present. Two visitors, Mrs. Elmer Davis of Dallas and Miss Lola Eavenson were welcomed. Several interesting subjects were discussed by Mrs. J. M. Glover. The next meeting will be on March 9, at the home of Mrs. Ruth Marts.

Demonstration Club Members Are Given 2 Training Schools

Representatives from the various home demonstration clubs attended a training school held on Friday, February 28. They were given instructions which were to be carried back and presented to their clubs. One group met in the Gusto Davis Beauty Shop where Miss Davis gave instructions on the care of hair and hands. The other group met in the office of the home demonstration agent receiving information on the care of the feet and selection of shoes given by Ernest King. Those attending the meetings were: Mrs. C. L. Scott, Mrs. R. L. Thomas and Mrs. A. L. Davis from Good Creek; Mrs. F. E. Diggs and Miss Mildred Solls from Gambelville; Mrs. W. B. Jones, Mrs. Floyd Borchardt, and Mrs. Blake McDaniell from Foard City; Misses Rosalie Fish, Bernice Walling and Anita Fish and Mrs. T. W. Cooper from Vivian; Mrs. W. A. Dunn and C. T. District NYA--

(Continued from Page One) County Judge Vance Swain at 2 o'clock. Members of the board are: I. T. Graves, Mrs. R. I. Kincaid, Mrs. N. J. Roberts, Vance Swain, H. E. Thompson, Eli Smith, George D. Self and T. B. Klepper. This board will hold periodic meetings, and in a general way, will guide the NYA program in Foard County. Mr. Ziegler also visited a number of county and school officials and government agencies explaining the functions of the National Youth Administration to these people. At the present there are three young persons under the NYA working in the WPA sewing room, four in the county home demonstration agent's office, and six in the Texas Relief Commission office. Plans are under way for a state highway NYA project to be started about March 15 which will employ about 40 persons. A school ground beautification project will be stated later, Mr. Ziegler said. All boys and girls from relief families or who have a father or mother working on a WPA project are urged to register at the Relief Commission office so as to be eligible for assignments on NYA projects. Mr. Ziegler explained that the community recreation program is now ready for development and that Texas has been allotted approximately a half million dollars for the development of recreational, rural, public service, and research projects for the training and employment of needy youth. The share of funds received by each county from this program depends partly upon the need in the county, and to a large extent, upon the interest and co-operation of its citizens. Foard County has 40 young men and 10 young women between the ages of 16 and 25, who will be eligible for work projects under the NYA program.

Frank Cates Will Be Candidate for Com. Precinct 1

The News is authorized this week to place the name of Frank Cates in its announcement column as a candidate for the office of Commissioner of Precinct No. 1, subject to the action of the Democratic primary. Mr. Cates has been a resident of Foard County for 37 years and has resided in Precinct No. 1 most of that time. In making an announcement for this office Mr. Cates has the following to say: "Having been employed by the commissioners court for about seven years on road work in Foard County, I gained experience during this time that would be beneficial to me in the discharge of the duties of this office, should the voters of this precinct see fit to elect me as commissioner of precinct No. 1 at the coming Democratic primaries. I feel that I am well qualified to discharge the obligations of this office and solicit a careful consideration of my candidacy by the voters of this precinct. "I will put forth every effort possible to make a personal canvass of the precinct and see every voter in the interest of my campaign, but if I fail to see you personally, I will greatly appreciate your support."

Training School for 4-H Club Reporters Is Held Saturday

"Does this report carry a piece of information given at the meeting which will be useful to someone who was not at the meeting" was given to the 4-H club reporters as a "measuring rod" for their club reports at their meeting on Saturday, February 29. Each reporter was given a pattern for writing reports and then given practice in using it by writing a report on a demonstration given for the purpose. In the demonstration on tufted bedspreads that was given, the girls picked out twelve different leads, each selecting a different one to write about. Those attending the meeting were Frances Haseloff, Margaret, Zeldia Scales, Thalia; Geneva Marr, Vivian, and Helen Wisdom, Black. Several other 4-H club girls were visitors at most of the meeting.

School Gives--

(Continued from Page One) "Boots and Saddle." Mrs. Jack Roberts made a speech pertaining to Texas under six flags. She displayed some of the flags that were to be used in connection with the Texas Centennial celebrations and told how they were to be officially arranged. She also gave other interesting side lights on Texas history. Helen Harwell read "Dreamers on Horseback," a patriotic poem. The girls' quartet sang "Bury Me Out on the Prairie," and "Oie Faithful," after which the audience concluded the program with "Home on the Range." The songs used in the program were part of the ones to be used in the Interscholastic league meets. They are official Centennial songs. A similar program was given by the grammar school Wednesday morning. It, too, was a patriotic program featuring Texas and its history.

FOARD GETS \$6,050.85 FOR PIT PRIVIES

More than six thousand dollars of WPA money has been appropriated for Community Sanitation projects in Foard County, but as yet no such project is under way along that line, said Ne Cochran, district 12 Supervisor of Community Sanitation and Malaria Control of the State Health Department, who was here Monday. He was accompanied by the Project Supervisor of Wichita County, C. A. Purcell. The exact amount of the appropriation for sanitation projects in this county is \$6,050.85. These projects provide for the building of pit privies where sewage systems are not available. The privies which are constructed in these projects are built according to approved government specifications. They are the type of privies recommended by the State Department of Health where sewage systems or septic tanks are unavailable. For those persons on direct relief who own their homes, such privies will be built without charge to the owner, Cochran said. Others may have them built simply by furnishing the material. The labor will be furnished by the Federal Government, and the laborers will utilize all the suitable material before requiring new material, he said. It is the chief purpose of these sanitation projects to prevent the spreading of typhoid and other such communicable diseases, the supervisor said. "The more sanitary privies that are built now the more that will be built later even after the Works Progress Administration projects have all been finished," he said. To obtain these projects people in the communities must apply to the county planning board. The district supervisor urged that these communities do so. The Foard County planning board is made up of A. W. Barker of Foard City, W. A. Dunn of Margaret, I. T. Graves, M. S. Henry, Clarence Self and Vance Swain, chairman of the board, said that at present there were no WPA laborers available for such projects. All of them are now employed on other projects.
