CROWELL, FOARD COUNTY, TEXAS, THURSDAY, MAY, 7, 1936

\$2.00 A YEAR EIGHT PAGES

## CONSERVATION PLAN STARTED IN THIS COUNTY

### Day Last Day to Sign Work Sheets, Says County Agent

Hundred and ninety farm-foard county had filed and work sheets by Wednesday according to John Nagy, farm agent.

Friday, May 7, is the last day filing out the work sheets, during the last week many farmers have been in the office.

F. Vance, district farm agent in Crowell Tuesday afternoon and night and reported favorably on the progress of the conservation plan in this

work sheets which are being up at the agent's office as a final step in complying with regulations of the Soil Conservation Plans, and farmers who receive soil building and

payments must sign sheets, Mr. Nagy said. They used in determining what fees must be carried out for producers to obtain grants under program.

Filing of a work sheet does obligate the producer in any conform to the rules of the plan. It merely qualifies him to application for a grant

to be care to do so. Although signing of a sheet does not obligate the producer, it is a requirement for obtaining government grants on the land that is reserved or rebuilt with richness and fertility.

## FOARD COUNTY WILL END ENTRY TO FOLK FESTIVAL

### National Division Will Be Held at Memphis Monday, May 18

Plans are under way for Crowell to enter the regional meeting at Memphis Monday, May 18, of the National Folk Festival to be held in Memphis.

The meeting will include the participation of ten counties and each of them entering will prepare a program for the meet. Some of the features already announced are square dances by Quanaq Wellington and Clarendon College of the old Clarendon College pioneer educational institution.

Foard County's entry will be a short play with the Texas Centennial as the basis for the plot. The play will have four or five acts and a small chorus. It is being written and prepared by Mrs. T. Graves.

Superintendent of the Memphis meeting is the secretary of the Texas Centennial and the Editor of the Memphis Democrat in Crowell Tuesday night arrangements for Crowell's entrance into the competition.

Winner of the regional meet will be qualified to enter the competition to be held at Memphis during the Centennial.

## PRIZES GIVEN WINNERS OF ESSAY CONTEST

### Prizes were awarded the winners of the Walter Woodul History Essay Contest in Crowell

Prizes were awarded the winners of the Walter Woodul History Essay Contest in Crowell Tuesday afternoon. The prizes were awarded by Mrs. N. J. Graves.

Prize for the high school was a Texas History prepared by Mrs. R. L. Kincaid and given to Banks Campbell.

Prize for the third and fourth prizes were presented to Tom Ray Robinson and Missa Braswell and Don Reeder.

## Making the Robber Rob for Camera

The man with the gun in this picture was caught in the act of holding up the man on the left, Jacob Brockman, in a New York building. To clinch the evidence and make sure the victim would not recant, the police made the robber and the victim go through the act again before the camera.

## HALF MILLION AVAILABLE FOR TEXAS FARMS

### Money Must Be Loaned Before July 1, Says Supervisor

A. W. Burkett, supervisor for the Resettlement Administration in Foard County, has been informed by the regional headquarters that almost half a million dollars now available for co-operative loans in Texas and Oklahoma will be diverted to other use unless it is loaned before the end of June.

This fund amounts to \$312,000 in Texas and \$143,000 in Oklahoma, but only a few thousand dollars have been loaned to date. Most of the loans so far have been for pure-bred sires and farm machinery.

The loan is usually made to one man, and his neighbors sign an agreement to use the animal or machinery at a specified price.

Many other types of co-operative enterprises may be financed through such loans from the Resettlement Administration, including syrup mills, feed mills, laundries, canning plants, meat curing plants, threshing outfits, and facilities for grading and shipping farm products such as fruit, vegetables, eggs, and poultry.

Loans may also be made for membership in existing co-operative associations. In one county a loan is now being considered which would enable borrowers to become stock holders in a co-operative hospital.

"I am sure that there are many worthwhile enterprises that should be started co-operatively in this county," Mr. Burkett said. "And I hope that farmers who are interested will call on me at an early date in order that we may make requests for loans before the money is withdrawn." He explained that a sound financial plan must be worked out which will assure repayment and that the co-operative enterprise must not duplicate any already in existence in the community.

Borrowers must either be farmers who are already receiving aid from the Resettlement Administration, or unable to get the desired financial assistance from any other public or private agency. The others who participate in the enterprise need not be borrowers from Resettlement provided they are in the low-income class who would otherwise not be able to obtain the sort of service provided.

Mr. Burkett said that there are many worthwhile enterprises that should be started co-operatively in this county.

## DISTRICT AND COUNTY COURT MEET MONDAY

### Lightest Criminal and Civil Docket in Many Years

Both District and County Court, which started two weeks' terms Monday morning, May 4, after one day's sessions adjourned until next Monday. The docket for the May term of District Court was the lightest in many years with a record low number of criminal and civil cases.

Only one true bill was reported by the grand jury for this term. Those impaneled for petit jury service for District Court had been called for Thursday of this week, but were notified not to report until next Monday.

Those subject for duty as jurors for District Court are: J. C. Autrey, J. F. Bailey, O. N. Baker, R. L. Banister, C. N. Barker, R. N. Beatty, Paul D. Bishop, H. K. Black, C. E. Blevins, Floyd Borchart, G. W. Burkes, J. D. Bursey, D. L. Campbell, Claude Carroll, Jim Christian, Jim Cook, R. H. Cooper Jr., T. H. Matthews, A. L. McGinnis, H. E. Gloyna, W. B. Franklin, Frank Flesher, Geo. Davis, C. C. Joy, John Long, G. W. Jones, M. A. Huckabee, W. O. Fish, B. F. Ivie, Claude Orr, Dave Shultz, Roy Steele, Homer Zebbig, E. H. Crosnoe, S. T. Knox and T. W. Lewis.

Mr. and Mrs. W. W. Nichols of the Black Community have an unusual coincidence in their family which makes an interesting story. Each of them has a baby shoe which was worn when each was about one year old. The shoes are mates, the one worn by Mr. Nichols having been kept by his mother and the other worn by Mrs. Nichols having been kept by a sister, Mrs. Joe Harkey of San Angelo, until about 1910 when she gave it to Mrs. Nichols.

Mr. and Mrs. Nichols did not know each other until 26 or 27 years after having worn the shoes.

Mr. and Mrs. Nichols did not know each other until 26 or 27 years after having worn the shoes.

## Baccalaureate Services to Be Held Sunday at Methodist Church; Will Give Diplomas Friday Night, May 15

## THIRTY-FIVE MAKE TRIP TO CARLSBAD, N.M.

### Spend Sunday Morning At Bottomless Lake State Park

Thirty-five members of the Crowell High School senior class returned Sunday afternoon from a three-day trip to Carlsbad Caverns, New Mexico, as a special senior day outing.

The group left Crowell early Friday morning in a truck and two automobiles. They arrived in Carlsbad Friday afternoon and spent Saturday in the Caverns. Saturday night they went to Roswell, N. M., and spent Sunday morning at the Bottomless Lake State Park at Roswell.

The group was accompanied by the class sponsor, Henry Black, class mothers, Mrs. Clyde McKown, Mrs. S. T. Crews and Mrs. J. R. Allee. Mrs. Marion Hughston, William Ricks and Banks Campbell took automobiles. The truck was furnished by Roy Fox.

Members of the class who made the trip were: Helen Hough, Flossie Collins, Mildred McGinnis, Myrthal Ketchersid, Ruth Ferguson, Mary Byrl Bell, Mary Elizabeth Hughston, Mary Lou Fudge, Lois E. Norris, Therese Gamble, Hazel Todd, Prudence Coffey, Peggy Cooper, Dorothy McKown, Irma Brown, Mozelle Lemons, Frank Meason, B. G. Dunn, David Solis.

Merrill Allee, Oliver Brisco, John Cogdell, Sam Crews Jr., J. W. Connell, John Fish, J. M. Housouer, James Joy, Neil Patton, Milton Mabee, James Stone, Ray Thomas, Austin Wiggins, Mark Saunders, F. L. Rennels and Bank Campbell.

## Foard Fishermen Catch Plenty Hail

Many Crowell and Foard County fishermen were sitting on the banks of Lake Kemp Thursday night to await the opening of the fishing season at 12:01 a. m. Friday morning; but a storming rain, a hail and thunder storm, and other disagreeable weather took much of the enthusiasm from the usual inaugural of the sporting season for fishing fans.

Tents and camps were wrecked and at one place the sportsmen were driven to a stormhouse at their cabin by a threatening storm.

Other fishermen who went to the Clear Fork of the Brazos reported heavy rains to the extent that their catch was washed away. There are grounds, however, for branding this tale as a "fish story."

Graduating exercises for the Crowell High School senior class of 1935-36 will be held in the High School Auditorium Friday night, May 15, at 8 o'clock with W. T. Lofland, superintendent of the Vernon schools, delivering the main address.

Baccalaureate services will be held in the First Methodist Church Sunday night at 8 o'clock with Rev. W. B. Fitzgerald, pastor of the Crowell Baptist Church, preaching the baccalaureate sermon.

Forty-four seniors will be presented diplomas by Superintendent I. T. Graves as one of the features of the commencement program.

At the baccalaureate service Sunday the choir will sing a sacred hymn following the processional by Mrs. A. L. Rucker, Rev. Geo. E. Turentine, pastor of the Methodist Church, will give the invocation. After another song by the choir Mrs. Alva Spencer will play a violin solo. Mrs. A. F. Wright and Mrs. T. B. Klepper will give a vocal duet. Following the main address by Rev. Fitzgerald, Rev. Turentine will pronounce the benediction.

Rev. Turentine will also give the invocation after the processional at the commencement program. Mary Elizabeth Hughston and Lois Evelyn Norris, members of the graduating class, will play a piano duet. Peggy Cooper and Mary Elizabeth Hughston will give a vocal duet.

Superintendent W. T. Lofland of Vernon will give the commencement address after which Superintendent I. T. Graves will present the seniors with diplomas. The benediction will be given by Rev. Fitzgerald.

Members of the class who will receive diplomas Friday night, May 15, are: Merrill Allee, Juanita Boman, Mary Byrl Bell, Irma Brown, Peggy Cooper, George Cook, Mattie Florence Collins, Sam Crews Jr., Prudence Coffey, Billy George Dunn, Lillie Mae Edgin, John Egbert Fish, Mary Lou Fudge, Ruth Ferguson, Therese Gamble, Effie Frances Griffin, Aldon H. Horn, Mary Elizabeth Hughston, J. M. Housouer, Helen Hough, Cecil Wright, Faye Ingie, James Joy, Myrthal Ketchersid.

Bob Lilly, Eva Dale Morrison, Frank Meason, Dorothy Pauline McKown, Mildred McGinnis, Oscar Nichols, Evelyn Norris, Thomas Neely Patton, Martin Owens, Tom Ray Roberts, F. L. Rennels, Mark Saunders, James Stone, Charles Ray Thomas, Hazel Omega Todd, and Austin Wiggins Jr.

Charles Ray Thomas and Irma Brown will not complete their work until the end of the summer session.

Final examinations will start Monday and will continue through Thursday.

## ONLY ONE BILL TURNED IN BY GRAND JURY

Only one true bill was found by the grand jury for the May term of District Court, according to the report turned into the county clerk Tuesday after a one-day session.

The report of the grand jury is as follows: In the District Court, Foard County, Texas, May Term, 1935. To Said Honorable Court:

"We, your grand jury in and for the aforesaid term of the aforesaid court, having been in session for a total of one day wish to make the following report:

"We have made a careful investigation into all matters to us submitted wherein the laws of our state are being violated and into all matters that have come to our knowledge wherein said laws are being violated, as a result of our labors we have found one true bill and in the following cases we wish to report no bills: State of Texas versus Ike Newman.

"Having nothing further to report we respectfully ask to be discharged for the term.

"F. H. CREWS, Foreman."

## Plans Under Way to Take Delegation to Cattle-King Jubilee

Plans are under way for a delegation of over 500 people from Crowell and Foard County to attend the Cattle-King Jubilee to be held at Paducah Tuesday and Wednesday, May 26 and 27.

The rodeo to be held at the Paducah High School football stadium will be promoted by Bax Johnson and Herman Greening, Foard County cattlemen who staged the rodeo here during Foard County's Forty-fifth Anniversary Jubilee. The same Brahma steers, broncs and calves will be used in the Paducah rodeo that were used here, the promoters said. Most of the same contestants will also participate in the competition. Professionals will not be barred from the events.

Prizes to be offered will amount to about \$2,000. Work will be started soon in converting the Dragon football stadium into an arena. The rodeo is under the auspices of the Paducah Athletic Club.

A pioneer parade and a beauty contest will be features of the morning program of the first of the two-day celebration. Ray Loftis is the general director of the Cattle-King Jubilee.

NEW CARS REGISTERED

New automobiles registered in the office of tax assessor-collector this week are as follows: Mrs. R. L. Kincaid, 1936 Chevrolet Master sedan. B. Mills, 1936 Chevrolet Master town sedan.

Wichita Mill & Elevator Company, 1936 Ford tudor. H. G. Beideman, 1936 Plymouth two-door sedan. J. W. Franklin, 1936 Ford tudor.

OIL LEASE

From Mary Lula Self to the Texas Company the south one-half of the northwest one-quarter of Section No. 28 of Block 8 of the H. and T. C. Railway survey.

## DISTRICT NYA MAN CHECKS FOARD WORK

District Representative H. A. Ziegler of the National Youth Administration spent Wednesday in Foard County inspecting NYA projects and conferring with county officials regarding local activities of the Youth Administration.

Representative Ziegler stated that Wednesday's check revealed a total of 25 boys and girls employed on NYA work projects in this county with a monthly payroll of approximately \$200.00. Mr. Ziegler also said that the total funds allotted to Foard County by Lyndon B. Johnson, Texas Director of the NYA, amount to approximately \$1,240.00. These funds are set aside to finance Foard County youth projects until they are completed. The final date for termination of all work is June 30.

According to State Director Johnson, more than 29,000 youths are employed on NYA jobs in Texas. Of that number approximately 11,000 high school students have

expense allotment may be used before any state funds are spent for this purpose. Present estimates indicate that this amount will be sufficient to pay a large part, if not all, of the ordinary running expenses of the Commission after all the applications have been received and acted upon so that probably the entire administrative cost to the State will be only the initial expense of setting up the Texas organization and receiving and checking applications.

Soil building practices have been divided into three parts: seedings, crops plowed under for green manure, and establishment of pastures, forests and terraces. Payments for soil building practices which will be made to the producer who incurs the expense of the soil building practice consist first of seeding alfalfa, sericea, and kudzu—rate of payment from the government will be \$2 per acre when seeded on crop land between January 1, 1936 and October 31, 1936; seeding red clover, mammoth clover, sweet clover, and annual lespedeza—rate \$1.70 per acre; seeding alfalfa, white, bur and crimson clover, Austrian winter peas, vetch and other locally adapted legumes—rate \$1 per acre.

Under the second part of soil building practices comes crops plowed under for green manure. The crops and rates are: soybeans, velvet beans, cowpeas, cratolaria, berger weed and other locally adapted summer legumes—rate \$1.50 per acre if grown on crop land in 1936 and vines or stalks left on land and seed not harvested or if plowed under green; crimson clover, bur clover, Austrian winter peas, vetch and other locally adapted winter legumes—rate \$1.50 per acre when turned under; rye, oats, barley, Italian rye grass, wheat, or mixtures of these—rate \$1 per acre when turned under as green manure after a reasonable growth, provided that such crops have not gone to the dough stage.

Any sorghum, Sudan grass, or millet seeded, solid or broadcast, by Texas farmers will bring them a rate of \$1 per acre when seeded between January 1 and July 31, 1936, and the crop left on the land or plowed under.

One other group of soil building practices pertains to the establishment of pastures or perennial grasses or grass and legume mixtures and will pay a rate of \$2 per acre.

The planting of forest trees will pay a rate of \$5 per acre if planted on crop land or pasture land between September 1, 1935, and October 31, 1935.

In the case of terracing, the government will pay the farmer 40 cents per hundred feet of completed terrace not to exceed \$2 per acre. The terraces must be constructed according to methods recommended by the State Conservation Board and the Texas Extension Service. Proof must be shown to the county soil conservation and allotment board that the terraces have been kept up as specified in the application for a grant.

Mr. and Mrs. Jess Arrp from Paducah, Mr. and Mrs. Leslie McAdams, Mr. and Mrs. Joe Quinn visited Mrs. Ruby Givens and family Sunday night.

Mr. and Mrs. Joe Quinn, Ruby Givens, Christine Givens and Alton Higginbotham went to Paducah Wednesday.

Mr. and Mrs. P. M. Hinkle spent Sunday with Mr. and Mrs. Bill Haggard of Truscott.

R. E. Ballinger of Lazare and C. H. Groomer, O. G. Whitley, A. L. Davis and Charlie Hinkle returned home Sunday from Lake Kemp where they spent several days fishing.

Miss Toots Campbell of Truscott spent last week with her sister, Mrs. Cecil Dunn.

Mrs. Charlie Hinkle and Mrs. C. W. Collins visited Mrs. J. R. Hanks of Crowell Saturday.

F. A. Hinkle returned home Sunday after spending several weeks in Crowell with his wife, who has been sick.

Mrs. F. A. Hinkle is spending this week with her sister, Mrs. J. V. Johnson, at Foard City.

Miss Anna Lou McKinley of Houston and Hugh McKinley and Miss Ada Beidleman of Overton returned home Tuesday after spending the week-end with C. W. Beidleman and family and attending the celebration at Crowell. They were accompanied home by Mrs. McKinley and baby, who had been visiting here.

Johnson Cain of Shamrock visited his cousin, Wallace Scales, and family Tuesday night.

Mrs. Allie Huntley and Mrs. Cap Adkins visited little Patricia Ann Davenport, who is very ill, in a Vernon hospital, Tuesday afternoon.

Bill Manning of Roswell, N. M., visited Mr. and Mrs. Luther Marlow Tuesday night.

Oscar Arrp has returned home from a business trip to Shamrock. Ernest Cribbs and family, accompanied by Frank Butler and family of Thalia, visited at Lake Kemp Thursday and Friday.

Mr. and Mrs. J. F. Matthews of Thalia visited Mr. and Mrs. Wallace Scales Friday night.

Miss Merleiden Whitten and Mrs. Ahe White spent Friday night and Saturday with Mrs. S. C. Starr of Vernon.

Mr. and Mrs. Elmer Key and children, Jerlene and Elton, and Mrs. Grady Walker and son left Friday for a visit with relatives.

Mr. and Mrs. E. C. Burba and daughter, Beverly Lane, of Amarillo spent the week-end with Mrs. Burka's parents, Mr. and Mrs. R. L. Rhea.

Tom Ward, accompanied by R. F. Derrington and son, Buddy, of Vernon and Dick Coffman of Albuquerque, N. M., visited at Lake Kemp Friday.

Mrs. Jewel Ytong and daughter, Mary Elizabeth, are spending the week with Mrs. John Mason of Fargo.

Mrs. Dick Coffman left Saturday for Lubbock and Amarillo, where she will visit before returning to her home at Albuquerque, N. M. Mr. Coffman remained for a longer visit with relatives and friends here.

Mr. and Mrs. Raymond Oliver and baby of Elliot and Ellis Flesher and family of Thalia visited Mr. and Mrs. Wallace Scales Sunday.

Mr. and Mrs. Getrge Fox and baby of Margaret were dinner guests of Mr. and Mrs. E. C. Wheeler Sunday.

M. Owens and Mr. and Mrs. G. L. Owens returned home Sunday from Denison, where they visited Mrs. G. L. Owens' mother and other relatives.

Miss Lora Mae Hembree returned home Sunday afternoon from Dimmitt, where she has been visiting relatives.

Mr. and Mrs. David Lee Owens of Margaret and Mrs. Walter Carr of Thalia spent Sunday with Mr. and Mrs. Ben Bradford.

Mr. and Mrs. C. W. Beidleman visited Mr. and Mrs. Blake McDaniel of Foard City Sunday.

Mr. and Mrs. Delbert Johnson and son visited Mr. and Mrs. Dwight Higgs of Crowell Sunday.

Mr. and Mrs. Herman Gloyna and children visited relatives and friends in the Hinds community Sunday.

Mr. and Mrs. Hugh Bourland of Vernon visited Mr. and Mrs. Ransom Walker Sunday.

Mr. and Mrs. Herman Goodpasture of Levelland visited Mr. and Mrs. Harry Simmonds Sunday. Mrs. Goodpasture is a sister of Mrs. Simmonds.

Maxine Horn of Four Corners is visiting Rudell Blevins and Francis Tamplin this week.

**Spring Fever About To Be An Epidemic, Says Health Officer**

Spring fever, that seasonal malady which accompanies the first warm days and early blossoms, has become more or less of an epidemic, Dr. John W. Brown, State Health Officer, reminds the citizens of Texas with some suggested precautions.

The most outstanding symptom of spring fever is the urge felt by both old and young to get out into the open as often as possible. While people are getting all the benefits possible from contact with Mother Nature, Dr. Brown urges the use of common sense precautions.

"Some of the glamour has been taken from the swimming hole by the modern pools," Dr. Brown said, "but it is more than offset by the sanitation and safety devices which promote health and save lives. Swimming now can be learned by everyone, without the needless sacrifice of lives and without the constant threat of typhoid fever which is a hazard of every out-of-the-way swimming place."

"With the first excursions into woods and fields in quest of wild flowers, everybody should remember that about 75 per cent of snake bites occur on the lower extremities. Snake bites could be prevented to a large extent by wearing boots or heavy leggings and being cautious.

"If one should be bitten by a rattlesnake, prompt action is necessary and a physician should be obtained as soon as possible. No time should be lost in removing the poison by suction. Apply a tourniquet above the wound and make cross-cut incisions over the fang marks. Suction should be applied for at least half an hour. The most dangerous fluid is farthest away from the wound; its absorption must be prevented as it is the source of the systematic poisoning. Release tourniquet every 10 or 15 minutes for about a minute at a time.

"Obtain the services of a physician at the earliest possible moment."

and within five miles of the water supply. It was broadcast over the radio that people were fleeing from the city and from the volcano, but contrary to these reports they fled toward the flow, Mr. Anderson said.

The flow was about to destroy the water supply of the city, so one of the leading volcanologists there conceived a plan to stop the flow. He consulted the United States Army base there and obtained a dozen planes loaded with TNT bombs. These bombs were

- For Constable, Precinct No. 1: G. W. WATSON
- For State Legislatures: GEORGE MOFFETT
- For District Attorney: JOHN MYERS, JESSE OWENS

dropped in the source of the flow and exploded. The explosion released so much of the gas that the lava flow was stopped.

Next to the sugar industry, the most important is the production of pineapples. The tourist trade ranks third.

The income tax paid the Federal Government by the Hawaiian Islands is equal to almost four million dollars. It pays more income tax than Nebraska, Oregon, South Carolina, New Hampshire, Utah, Nevada, Arkansas, Vermont, Arizona, Montana, Mississippi, Idaho, South Dakota, Wyoming, New Mexico and North Dakota combined.

Mr. and Mrs. Anderson and their daughter, Nancy Jo, are visiting Mrs. Anderson's sister, Mrs. J. R. Beverly, and attended Foard County's 45th Anniversary Jubilee here Monday and Tuesday, April 27 and 28. They are en route to Scotland to visit relatives and will leave Crowell this weekend. They are scheduled to leave Montreal, Canada, May 29, for Great Britain and will spend 50 days there, Mr. Anderson said.

Mr. and Mrs. Anderson's nine-year-old daughter, Nancy Jo, was born in the Hawaiian Islands and attends school there. Mrs. Anderson, before her marriage, was a teacher in a school there.

**ANNOUNCEMENT**

I have recently been checked in as the agent for Magnolia Petroleum Co. products in Foard County and take this means of expressing my appreciation for the patronage given me in the past by the people of this section and solicit a continuation of your support under this new arrangement.

I will maintain an office in the Knox Service Station and all orders for petroleum products will receive prompt attention.

**CROWELL NINE STOPS PADUCAH BY SCORE OF 9-6**

**Eighth Inning Rally of Four Runs Cinches Game for Locals**

The Crowell nine took its first league victory from Paducah here Sunday by staging a four-run rally in the eighth inning to win by a score of 9 to 6. Paducah threatened to overcome their handicap in their half of the ninth, but their rally was cut short after one run had been pushed across the plate.

Rogers of Vernon did the pitching for the local nine and except for a bad fifth inning when Paducah touched him for three runs and five hits held the visitors without trouble. C. Bridwell did the chunking for the Paducah boys and turned in an effective game with the exception of a troublesome eighth.

Rogers struck out four men, issued four passes on balls and two by hitting them. Bridwell fanned five and allowed two walks on balls.

After a quiet first inning the Paducah nine sent two tallies across the plate. A base on balls, a fielder's choice, a hit and Letbetter's pass to first after being hit by a pitched ball accounted for the two scores.

It took three hits for Crowell to knot the count in their part of the fourth. The visitors retaliated in the first of the fifth to chalk up three runs and leave the score standing 5 to 2 with Crowell on the short end. Crowell gained two of them back in the same inning and then the scoring stopped until the seventh inning.

Another run in the seventh tied the score five-all. Then came Crowell's big inning in the eighth. After Ashford and LaRue had been called out on close decisions at the plate and runners were on first and third a scratch single between first and second brought in the sixth run to break the tie. Then with runners on second and third Taylor collected his third safe hit of the fray, stole second went to third on the overthrow and scored on a passed ball with the runners in front of him having scored on his single.

Taylor of Crowell led the offensive with three hits, one of them going for three bases. Rushing played his first game this year with Crowell Sunday in right field. He is a former member of the Crowell line-up. Rogers who pitched the game hails from Vernon where he was a former star backfield man on the high school football team.

In a collision at the plate Jim LaRue of the Crowell squad ran into H. Biddy, Paducah first baseman, who was covering home in a close play. Biddy was slightly injured.

The box score:

CROWELL	AB	R	H	E
Graves, 1b	3	2	2	0
Bell, cf	4	1	2	0
Ashford, ss	4	0	2	1
LaRue, c	2	0	0	0
Rushing, lf	2	2	1	0
Duckworth, 3b	3	1	1	2
Tarpley, 2b	4	1	1	0
Taylor, rf	4	2	3	0
Rogers, p	4	0	0	0
Totals	30	9	12	3

- May 17: Medicine Mound at Crowell, Paducah at Eldorado, Truscott at Quanah.
- May 24: Crowell at Paducah, Eldorado at Truscott, Quanah at Medicine Mound.
- May 31: Paducah at Quanah, Truscott at Crowell, Medicine Mound at Eldorado.
- June 7: Quanah at Crowell, Eldorado at Medicine Mound, Paducah at Truscott.
- June 14: Crowell at Eldorado, Medicine Mound at Paducah, Truscott at Quanah.
- June 21: Medicine Mound at Paducah, Crowell at Truscott, Quanah at Eldorado.
- June 28: Quanah at Truscott, Paducah at Crowell, Eldorado at Medicine Mound.
- July 5: Truscott at Quanah, Eldorado at Paducah, Medicine Mound at Crowell.
- July 12: Crowell at Paducah, Quanah at Medicine Mound, Truscott at Eldorado.
- July 19: Crowell at Quanah, Paducah at Truscott, Eldorado at Medicine Mound.
- July 26: Medicine Mound at Paducah, Eldorado at Crowell, Truscott at Quanah.
- August 2: Crowell at Eldorado, Paducah at Medicine Mound, Quanah at Truscott.
- August 9: Eldorado at Quanah, Truscott at Paducah, Medicine Mound at Crowell.
- August 16: Crowell at Truscott, Paducah at Quanah, Medicine Mound at Eldorado.
- August 23: Quanah at Crowell, Truscott at Medicine Mound, Eldorado at Paducah.
- August 29: Crowell at Medicine Mound, Paducah at Truscott, Quanah at Eldorado.

**Hydrophobia May Be Exterminated By Proper Means**

Austin.—Rabies is increasing in prevalence in many parts of Texas, although it may be controlled and even could be exterminated by intelligent measures, according to records of the State Health Department. Unfortunately it has been the practice to wait to apply control measures until the disease is wide spread.

The dog is the chief source of rabies infection in man, but all warm-blooded animals are susceptible. Contrary to a wide spread belief, rabies is not a warm weather disease. It occurs just as frequently in the cold months. The most logical procedure in the control of rabies would be to vaccinate all dogs. Where this is impossible the stray dog should immediately be impounded, for the stray dog is chiefly responsible for the spread of rabies.

Public health authorities are handicapped in their fight against the spread of rabies because rabies in humans occurs only infrequently. However, it must be remembered that rabies is 100 per cent fatal once the disease has developed. Treatment is only preventive and must be taken in time.

Do not kill the dog that is behaving strangely or immediately after it has bitten some one. The animal should be captured and kept under observation for ten days to determine whether it has rabies or not. The confinement should be ample secure, for a dog in the frenzy of furious rabies requires a much stronger collar and chain or enclosure than a non-rabid dog.

When the rabies virus is put into the body by a biting dog the virus travels slowly from the wound along the nerves until it reaches the brain and spinal cord. Thus if the bite is on the face the virus does not have far to travel to reach the brain. Consequently bites on the face are the most dangerous and immunization must be started at once.

It is possible to control rabies, but, owing to the large territory included in Texas, it will take extra efforts on the part of public health workers and the co-operation of the people of each town and county to carry on an educational program for this control.

**Measurements of Venus**

The Venus de Milo is 6 feet 8 3/4 inches tall. The bust measurement is 38 inches, and the waist 31 inches. The weight of a woman of her proportions would be from 165 to 170 pounds.

Mother's Day candy at Speer's.

**Letters**

The following interesting letters have been received from old-time Foard County residents who were unable to attend the 45th Anniversary Jubilee, Monday and Tuesday, April 27-28:

**From Tom Latham**

(Oklahoma City, April 26)  
 "I thought up until yesterday that I would be able to come to your 45th anniversary jubilee. As I told my friend, John Cope, who dropped in to see me a few weeks ago, there is nothing that I can think of that would give me more pleasure and enjoyment than to have been with you on this occasion. I could tell you some history of Hardeman, now Foard County.

"I landed in Eagle Flat, which is now Vernon, on the 4th day of March, 1881. I went to work for the Wichita outfit owned by 'Uncle' Dan Waggoner of Decatur. I worked for them until September 15, 1881. I then hired to the Gainesville Land & Cattle Co., owned by J. G. Witherspoon, P. S. Witherspoon, Frank Witherspoon, Jim Montague and Will Ross, all of Gainesville, but originally from Tennessee. All of these men were sticklers for what they thought was right and they were generally right.

"The terminus of the Denver Railroad. We took a notion later to organize Hardeman County. I voted and signed the petition along with 'Uncle' John Wesley's paint mules he drove to his backboard from Vernon to Teepee City, carrying the U. S. mail, and for this favor 'Uncle' John showed us cow punchers by letting his paint mules vote with us, we got 'Uncle' John the county seat—Margaret. The cow punchers, together with 'Uncle' John's mules, kept the county seat for two elections at Margaret.

After the Denver Railroad built on through the northwest we managed to get Chillicothe in the race and split the Quanah vote, and by so doing, we kept the county seat at Margaret. Now about that time 'Uncle' John Wesley's town was filling up with sand, the calves were walking out over the fences hunting for more and greener pastures. The sand was about to cover up M. F. Thacker's store so he, too, was looking for greener pastures and he followed the calves and landed in Crowell. After whipping Quanah the second time for the county seat, J. G. Witherspoon, M. F. Thacker and myself, went to Quanah and had an understanding with the business men that we would give them the county seat if they would give us a new county. We sent Mr. Witherspoon to the Legislature and divided Hardeman County with Crowell the county seat.

"I feel very grateful to the Quanah people for doing what they agreed to do—such men as Capt. Goode, Doss Swearingen, Sam White, W. B. Tullis, J. E. Ledbetter, J. L. Elbert, Judge M. M. Hankins, Judge A. J. Fires, and many others too numerous to mention."

**From Will Grimm**

(Oklahoma City, April 28)  
 To J. C. Thompson:

"I was disappointed in not getting to be with you and all the Old-Timers in your Centennial Celebration through the 45th anniversary of the organization of Foard County held yesterday and today. I assure you that I would like very much to have been there and now that it is a part of history, may I say that I have great satisfaction in the fact that your committees attained your goal—a great celebration of your county's organization.

"Up to a few days ago I had hopes of being with you on this occasion. Nothing in the sense of a 'get-together' can equal a reunion of old-time residents of a land who have lived through the years in that land and who have helped in its development and growth. Many of the present pioneers there were but boys and girls when their parents moved to that country. Our fathers and mothers who bore the hardships of the earlier day have gone and we ourselves have come up through the years and already attained an age almost to be considered 'aged.'"

"Of course, you and I and many others who were just 'kids' in school then refuse to believe we are old, although our grandchildren remind us that we are not as young as we used to be. Some who were tutored by Benjamin R. Blankenship, the president of Crowell College in the early nineties, are bald-headed now, while others are only gray, yet both symbols indicate very truly the clicking of the clock, the passing of time. It would have been a pleasure to me to have met you and all my old-time friends at this 'near-jubilee' and I regret that circumstances prevented. You may express to the members of your invitation committee my deepest regrets and with best wishes for all of Foard County's old-time and new residents. Mrs. Grimm and her mother, Mrs. Wesley, also send regrets."

**From A. G. (Doc) Johnson**

(Lindrich, N. M., April 19)

"I sure appreciate the invitation and would like the best way to be there, but it would be almost impossible for this is an awful busy time up here on the Continental divide, altitude 7,200 feet, for us farmers and my wife is in bad health. I sure would have the time of my life with my old friends and kinfolks if I could come. I would miss quite a few faces that were so familiar when I was there, but one by one they have answered the summons and have gone on, and there is not many of us old-timers left, and we can see our sun going down and the shadow is approaching. So, dear friends, let's lay hold on eternal life while we have a chance so we will be ushered in through the pearly gates where we will not part any more."

**COTTON BELT LOOP HEADED BY ELDORADO**

**Crowell Squad Goes Medicine Mound For Next Tilt**

After Sunday's games in Cotton Belt Baseball League Eldorado, Okla., was leading with victories and no losses. The Eldorado nine, however, is one game behind schedule having played

"When I first landed in what is now Thalia, it consisted of three wells of pretty good water that all the neighbors hauled water from, and it was quite a public place. Jim Self lived west of it, John Stegall lived east, Jim Covington south, and Luke Johnson north. They were from one-half to three-quarters of a mile apart and we got our mail at Margaret, the county seat, where Mr. Dooly, the county clerk lived in a dugout all under the ground and covered with dirt—looked like just a little sand hill. The country was filling up with farmers and they were getting in small farms.

**Buffaloes Will Be Ridden at Frontier Show in Ft. Worth**

Fort Worth, May 5.—Buffalo, wild Brahmas and bucking broncos are being gathered from over the Southwest for the Fort Worth Frontier Centennial and assembled on a 2,500-acre ranch on Eagle Mountain Lake.

About 100 bucking horses, 50 Brahmas and six buffalo have already been turned into pasture to await the opening of the Fort Worth Frontier Centennial on July 1, John B. Davis, general manager, announced today.

He explained that they are being gathered by Verne Elliot, Johnstown, Colo., who annually serves as arena director for the World Campship Rodeo of the Southwestern Exposition and Fat Stock Show at Fort Worth.

Billy Rose, director general for the amusement attractions that will constitute the Fort Worth Frontier Centennial has asked for the animals for use in the "Last Frontier," one of the major features of the Frontier Show.

Difficulty has been experienced in keeping the Buffalo on the ranch, Davis explained. The small herd of six has on several occasions headed north, but have been driven back by the fence riders of the ranch.

**The Standing**

Team	Won	Lost	Pct.
Eldorado	2	0	1.000
Truscott	2	1	.667
Paducah	2	1	.667
Medicine M.	1	1	.500
Crowell	1	2	.333
Quanah	0	3	.000

Elmer, Okla., the first game at Medicine Mound is also a game behind schedule having managed the opening game. Eldorado defeated Truscott to 3 at Eldorado Sunday for Truscott's first loss of the season. Medicine Mound defeated Quanah 4 to 1. Crowell downed Paducah here 9 to 6 for Crowell's first victory and Paducah's first loss.

Games next week are at Truscott, Eldorado at Paducah and Crowell at Medicine Mound. Managers of the teams are: G. Norton at Medicine Mound, Clyde Myers at Truscott, O. Hollingsworth at Crowell, Paul Fairless at Quanah, Howard Pell at Paducah and Jess Black at Eldorado, Okla.

**METHODIST BROTHERHOOD**

A friend	.....2.00
J. M. Marr	.....1.00
Mrs. R. T. Owens	.....1.00
A friend	.....5.00
Mrs. J. A. White	.....1.00
Mrs. Jeff Halsell	.....5.00
Mrs. J. C. Roberts	.....1.00
Mrs. Henry Borchardt	.....2.50
Total	.....\$19.50

Miss Eleanor Sawyer will demonstrate the qualities of Norge products Friday afternoon, this week, 2:30 p. m. Come!—W. R. Womack.

## Soil Conservation Program to Build Land, End Erosion

College Station.—"Every cultivated crop takes a definite amount of original plant food out of the soil, and the necessary cultivation of such crops exposes the land to erosion. This results not only in additional fertility losses, but also in losses of soil," says Jack Shelton, vice director and state agent of the Extension Service. "Some crops deplete the fertility of the soil more than others and expose the land to a greater amount of erosion. It is the purpose of the new Soil Conservation Act to put part of the land formerly devoted to such soil depleting crops into crops which will prevent erosion and will rebuild the fertility of the land to insure a stable supply of foods and fibres in the future."

"A brief review of figures determined by the Agricultural Experiment Station over a period of nine years shows clearly the extent of soil erosion. "Land with a two per cent slope when planted in cotton showed an average soil loss of 7.96 tons per acre per year. Land in milo lost 3.93 tons of soil. Land in buffalo grass lost 1.54 tons.

"These figures show that aside from the plant food used by the crop, farmers of the state pay more than two times as much washed away soil for a crop of cotton as they do for a crop of milo. Similarly, they pay more than five times as much for a crop of cotton as for a crop of buffalo grass.

"The importance of crops in the conservation of moisture was also demonstrated at Spur, where it was found that the cotton plot lost 2.83 inches of water in runoff; milo lost 1.76 inches; and the buffalo grass lost 1.03 inches.

"These results were obtained at the Substation near Spur in Dickens County, located in the Rolling Plains region of Northwest Texas. The soil on which this work was done is Miles clay loam and the results are considered as directly applicable to parts of 44 counties and approximately 14,000,000 acres of land of the Miles and Abilene and related series, and indirectly applicable to all of the sub-humid portion of Texas.

"Crops and practices which are best for preventing erosion in Texas and for rebuilding the fertility of the soil have been recommended to the regional director of the Soil Conservation Service by the State Conservation and Domestic Allotment Board which has been meeting recently at College Station. These crops and practices will be announced as soon as they have received the approval of the regional director.

"To qualify for payments under the new program, the farmer must take land from soil depleting crops and plant it in soil building and soil conserving crops or must use certain soil building practices on the land.

"Generally speaking, it will be necessary to have at least one acre of soil conserving or soil building crops to every five acres of soil depleting crops in the base acreage. This means that a farmer who has 100 acres of soil depleting crops in his base must have planted on his farm in 1936 at least 20 acres of conserving and building crops to participate in the program," Shelton said.

Come in and let us show you Compo staplers, plier or desk style.—The News.

Clark's O.N.T. thread—Speer's.

Mother's Day cards at Speer's.

## SMOKE TELEGRAPH

Among sight signals, some of the earliest and most widely employed for communication by day were based on the rising of smoke. Since man, alone of all animals, uses fire, the appearance of smoke was always accepted by primitive man as evidence of the presence of another human being. If not self-explanatory, a column of smoke signified the danger of a potential enemy. If, however, the smoke was seen in some particular manner, it was a symbol of friendship, and, through the use of a prearranged code, could be used for communication. By alternately covering a smoldering fire with a blanket and uncovering it, the North American Indian broke the steady column of smoke, which rose from it, up into a series of puffs or clouds, the sequence or combinations of which could be used, according to prearrangement, to "telegraph" from place to place, either directly or by the use of relays.

A picnic is a place where everyone brings olives and pickles and one wonders why the fried chicken runs out so soon.

## Well Known Collin County Man Dies

G. R. (Green) Bishop, resident of Collin County for many years and well-known by many of Foard County's residents who came from that section of the state, died Friday afternoon, April 3, at the home of his son, Andrew Bishop, near Frisco. Funeral services were held the following Sunday in the Bacchus church by Rev. D. W. Nicholas, pastor of the First Christian Church of Plano.

## FARM HOME BURNS

The house on the Mapp farm, one mile east of Crowell, was destroyed by fire Friday afternoon, April 24. It was occupied by Mr. and Mrs. Bill King and was a total loss.

Invention of the iconoscope brings television one step nearer practical use. It is an artificial eye that works exactly on the same principle as the human optic.

## County Federation To Meet Tomorrow At Methodist Church

Mrs. H. Schindler is to be leader of the County Federation meeting next Friday. The meeting will be held at the Methodist Church and will open at 10:30 a. m. The Adelpian Club will be the hostess club.

The program will begin with a song which will be followed by Mrs. Blake McDaniel with "Geographic News Bulletin." "How we could spend our vacation" is the subject of a discussion by Mrs. Ab Dunn. Mrs. Roy Steele will talk on "Monticello."

After lunch the program will be resumed with "Garden Week in Virginia," by Miss Frankie Kirkpatrick. Mrs. R. L. Kincaid will then give a report of the district meeting of Texas Federation of Women's Clubs which she recently attended as a delegate. "Natchez—Where the old South lives" will be told of by Mrs. R. D. Oswald.

A pilgrimage of Crowell yards will be made with Mrs. A. F. McMillan as director. A tea was to have been given at the home of Mrs. M. S. Henry, but on account of the fact that Mrs. Henry has been called out of town, this will not be held.

## School of Instruction For New PTA Officers To Be Held Saturday

On next Saturday afternoon, May 9, at 2 o'clock, a school of instruction for the incoming officers of the local P. T. A. will be held at the home of the present president, Mrs. R. L. Kincaid. Each officer will be given instructions as to the duties of the office she is assuming. At the regular meeting of the P. T. A. on next Tuesday, these officers will be installed.

Mrs. T. F. Hughston will be leader of the meeting on Tuesday, May 12, and Mrs. R. R. Magee will lead the devotional. Mrs. J. R. Self will discuss "The Influence of Music on Children" and members of Mrs. J. C. Self's music class will provide musical numbers.

The magazine study leader will conduct the study of the outstanding articles of the Parent-Teacher.

The mothers of the first grade will be hostesses at this meeting.

### JUNIOR ADELPHIANS

The Junior Adelpian Club met Wednesday, April 29, at the home of Miss Mary Lou Fudge with nine members of the organization attending.

## Muriel Minnick Made President of Society

Muriel Minnick, daughter of Mr. and Mrs. J. H. Minnick of Foard City, was recently elected president of the Oklahoma University Chapter of the Mortar Board, national senior leadership society for women.

The board consists of nine of the leading girls of the school and qualifications require excellent grades and activity in extra-curricular organizations. Miss Minnick's election to the presidency is the highest honor that can be given a girl at the University. She is a senior.

Miss Minnick has participated in several extra-curricular activities and was once May Queen and was also Beauty Queen when she attended the University High School in Oklahoma City.

Mr. Minnick attended the ceremonies at the inauguration of the officers of the Mortar Board at Oklahoma City last Thursday.

## Business Women to Elect Heads Tonight

Members of the Crowell Business and Professional Women's club will meet tonight in the court house to elect new officers. The new officers will be installed in June.

At the last meeting which was held at the home of Miss Myrna Holman Thursday, April 23, a nominating committee composed of Mrs. M. O'Connell, chairman; Mrs. Alva Spencer and Mrs. Leon Solomon was appointed by Mrs. Henry Borchardt, president.

The last meeting was a combination business and social session. Miss Holman, who was a delegate to the district meeting, held at Childress recently reported on the convention. Miss Lennis Woods, who moved to Breckenridge last week, was given a handkerchief shower.

Officers who will retire in June are Mrs. Borchardt, president; Miss Myrna Holman, vice president; and Miss Mayme Lee Collins, secretary.

### HANKS-SPARKS

Vernon Sparks of Crowell and Miss Aline Hanks of Ringling, Okla., were united in matrimony last Saturday afternoon at the W. D. Neal ranch at the home of Mr. and Mrs. A. B. Stermer. The ceremony was performed by Elder E. J. Smith of the Church of Christ. They were accompanied by Mr. and Mrs. Nicholas Huggins. Mrs. Huggins is a sister to Mr. Sparks.

Following the wedding, the party remained at the Stermer home for a short visit before returning to Crowell, where they will make their home.

### GUESTS HONORED

Mr. and Mrs. Alex Anderson and little daughter, Nancy Jo, of Papaikou, Hawaii, were honor guests at a dinner party Monday evening when Mr. and Mrs. T. S. Haney were hosts at their home. Other guests were Mr. and Mrs. J. R. Beverly, in whose home Mr. and Mrs. Anderson are guests.

Following the dinner Mr. and Mrs. M. L. Hughston were additional guests and two tables of bridge were enjoyed throughout the evening.

### CROWELL GARDEN CLUB

The Crowell Garden Club met on Friday, May 1, at the American Legion Hall.

At the business session announcement was made that the annual dues of 50 cents should be paid at the meeting on June 13th. Every member is urged to attend. It will be a social meeting with the members of the Executive Board as hostesses, and will be in the form of a tea in the garden of Mrs. B. W. Self. A pleasing program is in prospect.

The Civic committee reported two Pocket Parks had been secured, one on Beaver Creek and one north of town on the same highway. These plots will be improved by the State Highway Department. Arrangements were made for a bed of flowers on the southwest corner of the court house lawn.

The president's table was a mass of spring flower bouquets brought by the members.

At the election of officers, Mrs. H. Schindler was re-elected president, Mrs. M. O'Connell was made vice president and Mrs. Mason Brown was re-elected secretary and treasurer.

Due to the illness of Mrs. Hubert Brown, who was leader, Mrs. O. R. Boman conducted the program. A review of the year's study revealed that members have learned the importance of the main areas of any garden, the public area and the private area; many items have been stressed such as where to plant flowers; colored-leaved shrubs should be placed in the public area for color and flowering shrubs in the private area. The use of irregular lines, curves and circles should be used in laying out areas; open spaces should be left and corners built up.

Mrs. H. Schindler gave an interesting report of the meeting of the National Garden Clubs recently held in Dallas. Members of garden clubs and owners of beautiful gardens in Dallas made the convention an elaborate social affair with beautiful settings of flowers and color. Mrs. Schindler was one of the Texas hostesses and enjoyed the contacts with flower lovers from almost every state in the United States.

The question box opened by Mrs. Boman revealed some timely questions, which were answered by leader and members.

## For Treasurer

Garland Adair, 47, of Austin, Travis County, veteran Texas newspaper man and originator of the Texas Centennial Commemorative coins now being distributed in Texas banks for the Texas Memorial Museum, today announced his candidacy for the office of Treasurer of the State of Texas, subject to the action of the July democratic primary.

In a brief statement to the press, he says: "Yielding to the request of friends who have broached this subject to me, and after consulting citizens in practically every county in Texas, I have decided to make the race for the honorable office of State Treasurer, subject to the action of the July Democratic primary. Deeply appreciative of generous support already pledged, early in May I expect to carry my campaign to the voters of the state. I wish I might contact every citizen of Texas, but that is impossible. It will be necessary for me to rely upon my friends and upon all who are friendly to my candidacy to place the matter properly before Texas Democrats. I shall make another statement at the beginning of my activities in May."

## Discuss Plans for Co-Operative Revival

A meeting was held Monday afternoon at the Christian Church for the purpose of meeting Dr. James Rayburn, noted evangelist of Newton, Kansas, and discussing with him the possibility of a co-operative evangelistic campaign for Crowell.

There were about 50 from the various churches present at this meeting and they voted unanimously to support such a movement and to present the same to their churches.

## Home Economist for Norge to Be Here Fri.

Miss Eleanor Sawyer, Norge factory home economist, will be in Crowell one day for a special demonstration under the auspices of W. R. Womack, local Norge dealer, May 8th, 2:30 p. m., Friday of this week.

The entire new Norge family will be presented including the new Rollator refrigerator, Norge washer, and the beautiful new models in the Norge range. Norge has created a new motif in kitchen harmony, with the conventional black base and white body in refrigerator and range to match, and in the beautiful new shades of tan, green and peach in both refrigerator and range. This display of Norge products will be offered by the Norge dealer, W. R. Womack. Mr. Womack invites all the ladies of Crowell to come in and inspect these new models. Miss Sawyer will make some of the new special salads and desserts for which the Norge is famous. She points out that this is one of the most interesting phases of her job.

This demonstration is to be held in a limited number of towns in Texas, and Miss Sawyer is booked solid up until August 1st, by the Dallas distributor of Norge products.

New dresses \$1.00 at Speer's. New prints at Speer's.

The only price that counts!

**\$695.00**  
IN CROWELL  
TUDOR SEDAN

BUILT IN TEXAS BY TEXAS LABOR.

**Two things above all are worth looking at carefully before you choose your new car. One is the real dollar value and motoring satisfaction you are going to get for your money. The other is the price of the car delivered and in your garage ready to drive. Here you see the low delivered price of a new Ford V-8. If you will drive this 1936 Ford car, you will also see at once how much greater value it gives you than even Ford has ever offered before. In performance, safety, comfort, and beauty, it is by far the finest Ford car ever built.**

**And all these plus values in any Ford V-8 at NO EXTRA COST TO YOU!**

- Safety glass all around, and a windshield that opens.
- 6.00 x 16-inch Air-Balloon Tires.
- Free Action on all 4 wheels.
- 85 horsepower V-type 8-cylinder engine with dual down-draft carburetion.
- Silent helical gears for all speeds, including low and reverse.
- Super-Safety brakes with more braking surface per pound of car weight than any other car under \$3195.
- Centerpoise Ride—passengers cradled between springs on Ford's 123" spring-base, almost a foot longer than wheelbase.

**Terms as low as \$25 a month, after down payment, under new UCC 1/2 per cent a month plans.**

**BORROW A CAR FROM YOUR FORD DEALER TODAY AND GET THAT V-8 FEELING!**
