Wildcats Play Newcastle In Crowell Friday for Regional Football Championship

TWO OF MOST POWERFUL TEAMS OF CLASS B TO CLASH; TILT IS FIRST BIG GAME IN CROWELL

Ledbetter to Tangle With Joy and Meason In Grid Classic

Two of the most powerful Class B teams in the State will be playing for the championship of Region 3, in Crowell Friday afternoon at 2 o'clock, when Coach Grady Graves' Wildcats and the Newcastle Bobcats meet on the local gridiron in the first regional championship game ever to be played in Crowell, or in this section of District 10-B, of which the Wildcats are rulers.

Only Game In Section
The tilt in Crowell Friday afternoon will be the only football game within a radius of two hundred miles of this city. The nearest game being played to the west is in Lubbock and to the east is in Fort Worth.

Vernon Band Coming

The 75-piece Vernon High School band has accepted an invitation to be present at the regional football game in Crowell Friday.

The band will probably give a concert on the streets of Crowell before the game and will also play during the game. The crowd pep squad has courteously relinquished the half-time period to the Vernon band in order that fans might see this well-trained group of marching musicians drill.

The Crowell and Vernon bands will furnish music for the game, with the local pep squad "whooping it up" for the Wildcats.

Fort Worth. South of Crowell the nearest site of a game will be in Fort Worth.

Crowell is a center point of the section, fans wishing to see the best Class B grid clash of the year, will be able to reach it with only a short drive. The game has promise of being one that will be worth the drive, when Ledbetter of Newcastle tangles with Raymond Joy and Que Meason of Crowell for the honors of the day.

Great Show for Fans
The game Friday afternoon should be one that will keep fans on the edge of their seats, because the game should be wide open, as both teams use many passes and reverses, plays that always bring a thrill of excitement to football followers.

Great Records at Stake
Not only will two of the best mid-ovens be performing Friday afternoon, but two of the best football records will be placed at stake when the teams take the field.

Newcastle, which is the most improved class B team in this section of the state, having lost two games while playing out of conference and out of class, but bounced back to humble their conference opponents, and powerfully their way through the bi-district game to reach the high-point game to team is permitted to go, the regional championship game.

The Bobcats, starting the season with a green backfield, that made up of four former line-backers, were whipped to top form by Coach Pete Acker in fast time when he won the south half of the split district 12-B. To win their district, Newcastle blasted Nocona with a three-touchdown victory, and Nocona is in the habit of winning district regional championships, having won that district two consecutive years. Again in the district tilt, Newcastle shattered an excellent record by beating Baird 20 to 13, and Baird had been scored upon in conference play.

The Bobcats will also be aiming for the excellent record of the Wildcats, that of coming through seven games undefeated or unblemished with 398 points to their opponents' 13. The Newcastle defense will try to stop the hitherto unstoppable offense of Crowell's team and power house its way through the Wildcats' defense to bring up a victory over an undefeated team and win a regional championship.

Many All-District Players
The game will probably bring many all-district players onto the field, other than an all-star team, than ever before played in

MANY PEOPLE ATTEND SHOW OF H. D. CLUBS

Over 300 See Exhibits At Self Motor Co. Saturday

Three hundred and ninety-three people registered at the exhibit held at Self Motor Company on Friday and Saturday of last week. The hostesses report that numbers of others came and left without registering.

Educational exhibits were featured at the event, each club being responsible for one of these. The exhibit sponsored by the Riverside Home Demonstration Club showed the corresponding amounts of various foods necessary to provide as much calcium or lime as could be obtained from one pint of milk. The Vivian Club showed the various steps in making candlewick bedspreads and curtains and the Margaret Club demonstrated the steps in making hooked rugs. Gambleville displayed daily food requirements; West Side showed increased dish storage by use of small shelves; and Foard City, a step-saving kitchen.

All of the clubs contributed to the general exhibits of needlework, gift suggestions, kitchen curtains, quilts, articles made of sacks, and canned fruits and vegetables. The 4-H Club girls had on display articles they had made during the last month.

These exhibits were sponsored by the clubs as an educational feature and no prizes were offered. The only products judged were the canned fruits and vegetables which was a part of a contest sponsored by the Ball Jay Company. Those winning in this contest were:

Fruits: First, Mrs. F. A. Davis, West Side; second, Mrs. Lewellyn Morgan, Gambleville; third, Mrs. E. A. Dunagan, Gambleville.

Vegetables: First, a tie between Class B or A, as nine all-district selections will be placed on the field. Three of these are from Newcastle and six from Crowell.

O. Simpson at left tackle, Bladwell at center and Ledbetter at fullback, will lead the Bobcats in their first invasion of Crowell Friday afternoon. This all-district player will be Newcastle's main threat to Crowell, and from his play this season, he will deal the Wildcats plenty of misery. Not only is he an outstanding back, but last year he was an all-district end and the year before that he was picked at center. The first year he played football with the Bobcats, he played at a tackle position.

"Best in State"
Ledbetter is the best high school backfield man in the state, Coach Acker stated last Friday, shortly after Ledbetter had led the Bobcats to a victory over Baird to win the bi-district championship.

End of Trail for Nine
The regional championship tilt Friday afternoon will close the high school football career for nine of the Crowell Wildcats. They are Raymond Joy, Bernice Fitzgerald, Ed Gafford, J. S. Owens, Charles Branch, Hugh Solles, Jack Bailey, Whitley Mitchell and Reid Thompson.

Even in Weight
The two clubs will be evenly matched in weight, as each team has an average weight of between 158 and 159 pounds, which is heavy for a Class B eleven. In the line, Crowell will be a few pounds heavier, but the Bobcats' backfield will outweigh the Wildcats' by several pounds.

Wildcats Crippled
The Wildcats will enter the

Large Barn Burns on McGinnis Farm

A large barn on the V. A. McGinnis farm was destroyed by fire of unknown origin last Tuesday morning. The tenant on this farm, W. H. Tamplin, suffered the loss of 15 tons of maize, 1,200 bundles of cane, about 4 bales of cotton seed, a trailer, 1,200 pounds of lint cotton and 4 hogs. About five tons of the maize belonged to Mr. McGinnis.

It is thought the fire originated in the loft and had gained such headway when it was discovered that not much could be done to extinguish it.

game Friday in the worst physical condition they have been at any game this season. At least six of the boys are suffering injuries that will hamper them, but the injury list is headed by Ed Gafford and Que Meason. Gafford and Meason received injuries in the Haskell game that have not healed quickly, and there is a possibility that Gafford will not be in the starting lineup.

Crowell Has Edge
Crowell will hold an edge over the invaders due to the Wildcats' impressive record and the fact that the game is being played in Crowell, although the Wildcats' injuries might prove disastrous and Ledbetter and his mates will be ready to take advantage of any breaks coming their way.

Officials
The officials for the game will be: Jack Sisco, head coach of NTSTC in Denton, referee; Choc Sportsman, backfield coach at NTSTC in Denton, umpire; McFlinnigan, head coach of the Arlington Heights High School in Ft. Worth, headlinesman.

Crowell Defeats Haskell For Third Bi-District Title

Coach Grady Graves' Wildcats won their third bi-district championship last Friday afternoon when they over-powered a heavier and strong Indian eleven on the Haskell gridiron by a score of 18 to 0.

Speed Big Difference
With both squads nearly evenly matched in defensive power, Crowell's great speed marked the big difference between the teams. Crowell's light and fast backs were able to be underway before the heavy Indians were fully prepared for the onslaught, and once in the open field the slippery Wildcat backs were very hard to catch.

On the other hand, speed came to Crowell's rescue on two different occasions when Sam and Otis Henshaw, outstanding Indian backs, worked their way into the clear and appeared to be well on their way for a touchdown, only to be overtaken by feet-footed Wildcats. Crowell's fast and hard-charging line clicked to dump the Indians' backs for a total of 55 yards in losses.

Backed by excellent defensive secondary power, the great Wildcat line played near perfect defensive football, not giving enough to endanger their lead at any time in the game, and only once were the Indians able to penetrate the line for a gain of 20 yards or more.

Only one time during the game were the Indians playing inside of Crowell's 20-yard line, and that for only one play before being forced to yield the ball on downs. This was early in the third period when an Indian intercepted a pass on the Crowell 24 and Has-

kell was able to advance the ball to the 19 in four plays.

Pep Squad and Band
Crowell's pep squad and band kept up a lively tempo throughout the game Friday with their cheering and playing for the Wildcats. The pep squad and band are small in number but are known as the loudest little group in West Texas. These two groups have boosted the local football players in practically every game this season and can rightfully claim much honor in connection with the Wildcats' great record this year.

The pep squad girls gave a drill exhibition with yells at the between-half period.

Joy Scores in First
After being shoved and bruised around the gridiron for the first half of the opening period, the Wildcats got their scoring machine to functioning. Owens returned an Indian punt 20 yards to the Crowell forty-five yard line, and running plays by Joy and Meason carried the ball to the Haskell 37. Joy followed his blockers through right tackle, reversed the field and eluded the backfield to scamper over the goal line standing up for the first score.

Meason Shows Heels
After yielding the second period to the hard-fighting Indians, Crowell again got under way in the third quarter to score again. Stopping the Indians and taking the ball on their own 19, the Wildcats started a touchdown drive that the Indians were not able to stop. Passing, running and (Continued on Page Five.)

SANTA TO BE HERE WITH CANDY FOR KIDDIES; TEN TURKEYS TO BE GIVEN; CONTESTS FOR ALL

Merchants of Crowell will hold their annual opening of the Christmas Shopping Season here Thursday afternoon and night, with the program starting at 5 o'clock.

Versatile Program
Committees in charge of arrangements have completed plans for the most versatile and entertaining Christmas program ever to be held in Crowell. Every little detail has received the utmost attention in the program that has been prepared for the people of Crowell's trade territory.

Many Contests
Contests for both young and old will be held Thursday and two of the three contests are novel and will be staged here for the first time. The contest for the youngsters will furnish much enjoyment for adults and the remaining contests are for both young and old.

Band Concert
The Christmas opening program will be started Thursday at 5 o'clock sharp with a concert by the Crowell band, under the direction of Arnold Rucker. The concert will continue from 5 o'clock until 6 o'clock.

Turkey Catching Contest
Immediately after 5 o'clock, the annual Turkey Catching Contest, which has always furnished Christmas dinners and much laughter for the visitors, will be held. Ten turkeys will be freed from the top of the court house, one at a time from various corners. Those who catch a turkey will automatically become its owner.

Window "Mystery" Contest
At 5 o'clock one of the most novel and unique contests ever to be staged in Crowell will be held. This is the merchants' Window "Mystery" contest, and in which everyone will have an opportunity to obtain unique bargains from merchants, other than having a chance to win the grand prize gift offered by the merchants.

Windows will be unveiled at 5 o'clock, and that will be the signal for the start of the window contest. The windows will be gaily decorated and will be chock full of Christmas bargains with price tags attached, but in each window there will be one article that will be marked below cost. The first person to find the article marked below cost in a window may buy that article at the price listed, if he finds the correct item and is the first to claim the bargain.

That is only half of the contest. Listed elsewhere in this issue of The News are the names of Crowell business firms co-operating in the window contest. Clip this list to bring with you to Crowell Thursday night. When the article is found, write beside the merchant's name the article and the price. When the list is completed, turn it over to judges at The Foard County News office. The person turning in the first correct list of merchants, articles and prices will be given the grand prize gift. The gift will be a \$10 woolen blanket, now on display at Speer's Variety Store.

Children Speech Contest at 6:30
The public address system of Marion Crowell's, local radio repair man, will be assembled on the steps of the court house for the children's Santa Speech Contest and for use during the entire evening.

All children of pre-school age are eligible to enter this contest, in which they will give Santa Claus speeches over the loud speakers. Every mother in this trade territory is invited and urged to prepare her son or daughter with a short speech for this occasion. The boy and girl who delivers the best talk, according to judges, will be given a beautiful Christmas gift by the merchants of Crowell.

Parade at 7 O'clock
The highlight of the evening's festivities will be the annual visit of Santa Claus, which will be at 7 o'clock. Santa Claus' arrival will be heralded by a blast from the fire siren, which will also be a signal for the start of the parade. Santa Claus will lead the parade through the streets of Crowell and will stop and deliver a sack of delicious candy and a present to every boy and girl who visits him in Crowell Thursday night.

Home Lighting Contest
The spirit of Christmas will be carried to the residential section of Crowell as the result of the home lighting contest being sponsored by the West Texas Utilities Company. This company will give two valuable prizes to the two best and most appropriately decorated homes in Crowell. To

COLUMBIAN CLUB

Mrs. Chas. W. Thompson was hostess to members of the Columbian Club on Wednesday, Nov. 30. Mrs. J. S. Ray was leader of a very instructive lesson on Brazil, bringing out many facts about this interesting country. Response to roll call was to name a Caribbean Island and something concerning it. The "Story of Rubber" was given by Mrs. C. C. McLaughlin. The first shipment of rubber was from Brazil and the United States uses 50 per cent of the world's supply.

Mrs. S. J. Ferguson told of the "Story of Coffee," Brazil being the greatest producer. Several other countries now produce it. The coffee plants bear from May to October.

As a safety measure, Mrs. Hines Clark warned us of "Fatal Foolishness," bringing out the well known fact that some of the fatal and many of the serious accidents happen through carelessness around the home.

The club is to follow a thoughtful practice of many years and will send Christmas Cards to all absent members.

TRUSCOTT H. D. CLUB

The Truscott Home Demonstration Club met Thursday, Dec. 1, in the home of Mrs. S. S. Turner with Mrs. C. S. Woodward as hostess.

Mrs. Herbert Gillespie, the president, was in charge of the meeting which opened with the repetition of the Lord's prayer and roll call was answered with a verse of scripture.

Mrs. L. B. Balcom, program chairman, announced the topic for discussion: "Getting the Most Out of Christmas." Mrs. A. F. McMinn read an interesting paper on Christmas in other lands and Mrs. Marion Chowning gave an enjoyable talk on "The Gifts to Give are the Ones We Like to Get." To conclude the meeting the membership gave a rising vote of thanks to Mrs. Gillespie in appreciation for her splendid service as club president.

Refreshments were served to fourteen members and one visitor. There will be one more club meeting this year which will be the Christmas party, Dec. 15.

GARDEN CLUB HOSTS

The Crowell Garden Club will meet on Thursday afternoon, Dec. 8, at 3 o'clock at the First Christian Church. At this time, the Garden Club will have as guests the members of the Children and Wellington clubs.

The Childrens members will furnish the program for this meeting, and a large attendance of the Crowell membership is urged.

CROWELL P. T. A. TO MEET

Mrs. T. B. Klepper will be the leader of the Christmas program when the Crowell P. T. A. meets next Tuesday afternoon, Dec. 13. First grade children will be featured and the leader will give the Christmas story.

Work of the Home Economic Department will be on exhibit. Everyone is urged to attend this meeting. First grade mothers will be hostesses.

Nominations for FFA Sweetheart Started This Week

The annual FFA Sweetheart race of the Crowell Chapter was started by its members this week. Two nominations have been made to date.

The race opened on Tuesday, Nov. 30, and will run until the beginning of the Christmas holidays. The following is a plan worked out by the boys to secure votes: one cent, 1 vote; 1 egg, 2; one turkey, 100; one hen, 50; one rooster, 25; one pig, 400. The tickets sold to sponsor a picture show will count 25, 10, 15 for adults, children and negroes, respectively. The leading nominee receives ten votes extra each day. A total of \$1.25 has been made so far.

The girls who have been nominated are Miss Theda Wright, who has 119 votes, and Miss Verne Joy, present P. F. A. sweetheart, who has 45 votes.

Did You Know That—

Miss Myrna Holman

During the past month 57 visits have been made to homes of club members by the agent, accompanied by a club woman and that plans are made for a visit to all others as well as to all non-club members?

Oils are more satisfactory for frying potato chips than lard? Peanut oil is most desirable with cottonseed and corn oils next according to tests by the Bureau of Home Economics.

In foods cooked with honey, drying out will be no problem? Honey has the ability to absorb and retain moisture.

Needy Children Will Be Aided by Local FFA Chapter

Plans for aiding needy children at Christmas were discussed at a regular meeting of the Crowell Chapter of Future Farmers Monday night, Dec. 5.

The boys plan to collect old toys and repair them for gifts. They will furnish toys, fruit, candy, and nuts and give them to the

children who otherwise would not receive anything for Christmas. A plan of this kind was carried out last year, and it proved to be very satisfactory. The boys hope to make the program larger this year.

A committee to arrange the program was appointed. Members of this committee are, Ralph Flesher, Que Meason, Blaine Barker and James Welch. Several games of basketball were played in the gymnasium after the meeting was adjourned.

Members present at the meeting were, Sam Russell, Kenneth Halbert, Jesse Whitfield, Blaine Barker, Carlie Franklin, Harvey Crossnoe, Dick Smith, Merrell Sandlin, Que Meason, Frank Dunn, Eugene Everson, John Gray, Curtiss Nelson, R. J. Everson, Carl Conell, Wilburn Davidson, Ralph Flesher, Bob Middlebrook, Junior Hasehoff, Cecil Carroll, Glendon Russell, James Welch and Marvin L. Myers, local advisor.

Haskell Game—

(Continued from Page One) driving. Haskell found the Wildcats camped on its 25-yard line in a very few plays. Meason duplicated Joy's run by following his blockers through right tackle and reversing the field. He also crossed the goal line standing up without an Indian in several yards of him.

B. Fitzgerald Tallies On Pass The remainder of the third period and the first part of the last quarter were scoreless with Crowell and Haskell exchanging punts, pass interceptions and fumbles. Crowell recovered a fumble on the Haskell 12 and marched on for a score. Three plays carried the Wildcats to the 4, with fourth down and 2 yards to go. Meason made this first down with 3 yards at left tackle, and on the following play, Joy lobbed a pass to B. Fitzgerald over the goal line.

Several Stars Crowell's powerful ground-gaining machine was led by Raymond Joy, Bernice Fitzgerald and Que Meason, each of whom scored touchdowns, but there were many more Wildcat stars on the field that day.

John Lee Orr, who was forced to be out of the line up for several weeks due to an injury, played every minute of the game and he and J. S. Owens formed a deadly blocking combination that helped pave the way for the touchdowns. Wayne Canup, all-district wingman, played an outstanding defensive game and his play was equal to that of his wing mate, Fitzgerald. Oran Johnson turned in his best game of the season, both offensively and defensively, and his play matched that of Ed Gafford, all-district tackle. These two tackles were largely responsible for Haskell's bad passing record in the fray and the Indian's small ground gain.

Hugh Sollis and Charles Branch, guards, did an excellent job for the fleet backs with their blocking against the heavy Indians. Jack Fitzgerald lived up to the all-district honors recently given him and was a stellar star in Crowell's line.

Hold Indian Stars Sam and Otis Henshaw shouldered most of the Indian backfield duties, but were unable to make too much against the speedy and fighting Wildcats. On one occasion each, these Indians broke into the open but were easily out-distanced by the Wildcats before being able to score.

The Crowell line worked excellently Friday afternoon in stopping the heavy Indian backs to cinch the "greatest line" name for itself, while the speedy and light Wildcat backs took advantage of the powerful work of the linemen to overcome their opponents.

First Quarter Haskell opened the bi-district game by kicking off to Crowell and the kick rolled over the goal line and off the playing field. Taking the ball on the Crowell 20-yard line, Joy hit center for 1. Meason lost two at left end and Joy slipped through left tackle for 3. B. Fitzgerald punted 41 yards and Haskell returned to its own 40.

On the Indians' first offensive play, Joy knifed through center to drop S. Henshaw for a 9-yard loss and on the second play, Joy dropped an Indian for a yard loss. Rogers punted 35 yards and Owens returned to the Crowell 25.

Joy made 1 yard at left end and then passed to Meason for 10 yards and a first down. Meason and Joy failed to gain. Joy passed to B. Fitzgerald for 6 yards. B. Fitzgerald punted to the Haskell 20 and Rogers returned to the 30.

S. Henshaw made 3 at center. Gafford stopped an Indian for no gain. Rogers passed incomplete and then punted 39 yards with

the ball going out on the Crowell 32.

Joy fumbled and O. Henshaw recovered on the Crowell 29, but H. Sollis evened the breaks when he recovered a Haskell fumble on the Crowell 33-yard marker.

Meason made 1 at right end. Joy passed incomplete and then circled left end for 1 yard. B. Fitzgerald punted to the Haskell 28 and the ball was returned to the 27.

H. Sollis knocked down O. Henshaw's pass. Rogers passed incomplete and Joy broke up Thomason's pass. Rogers punted to the Crowell 27, and Owens returned to his own 45.

Joy slipped through center for 12 yards. Meason picked up 6 at right end to put the ball on Haskell's 37. Joy passed incomplete. Joy picked a hole at right tackle, got up past the line of scrimmage and cut back to the left, dropping two would-be tacklers with stiff arms and outrunning the rest of the secondary defense to the goal line. B. Fitzgerald passed incomplete to Canup for the attempted conversion. Crowell 6, Haskell 0.

B. Fitzgerald kicked to the Haskell 17 and Rogers returned the ball to the 26. O. Henshaw made 2 at right tackle and Sam Henshaw added 3 more at center.

Sam Henshaw broke into the clear and raced for 43 yards before being overtaken by a number of Crowell players, with Owens going in to make the tackle on the Crowell 33-yard line. A completed pass failed to gain. Johnson smashed through the line to dump

NOBODY'S BUSINESS

BY JULIAN CAPERS JR.

Austin.—The "kitchen cabinet"—a group of citizen-advisors who will tell the Governor how to run the state—has long been a dream of certain candidates who aspired to the state's highest office. Tom Hunter was the first to make the kitchen cabinet a campaign issue, way back when he made the first of his many unsuccessful races for Governor. This week the kitchen cabinet became a reality, as a group of 34 Texans—mostly business and professional executives who have made outstanding successes of their own lines—were assembled at Ft. Worth for a secret conference closed to the press, with Gov.-Elect W. Lee O'Daniel. The Governor-Elect announced personnel of the cabinet with considerable publicity, pointing out to those selected that their choosing was without political significance or pressure. The list includes heads of utility corporations, major oil companies, educational institutions, wholesalers, an independent merchant, a labor paper editor, a hotel man, and the wife of a tenant farmer. The committee will not be without some expert political advice, however, should the need arise. After the original list was announced, O'Daniel added the name of Captain J. F. Lucey of Dallas, Capt. Lucey, an oilman and asphalt refiner, was national campaign manager for Herbert Hoover in his pre-convention campaign in 1920, and again in 1928, he was manager for Hoover in five southwestern states, including

Texas, which the Republican nominee carried, for the first Republican victory in a Texas national election since the Civil War.

Pension Plan Still Dark

Out of his conferences with this group, O'Daniel may formulate some plan of raising money to pay promised pensions, for submission to the Legislature, although he has said he will not reveal his program in advance of his first message to the sons. State Auditor Tom King, completing an audit of the Pension Fund's operations for the year, revealed that to pay over \$15 a month to all Texans over 65, estimated to number 284,742, will cost a total of \$51,250,000 annually, or about \$42,000,000 more than the present pension cost. About 113,000 pensioners now on the rolls receive an average of \$13.76 per month each. At present, Texas pensions 392 persons per 1,000 over 65, being outranked by only four states, Oklahoma, Utah, Colorado and Montana in percentage of aged pensioned. Only two states—Illinois and California—actually pension a larger number of aged persons than Texas.

Journalist Urges Force

Isaac Marzesson, noted author, lecturer and student of world affairs, who has interviewed virtually every important world political figure for 30 years, commented on the position of the United States in Latin-America while in Austin for a lecture. He praised a proposal by Senator Clint Small and other Texas legislators to seek adoption of a resolution asking the State Department to take more aggressive action on Mexican seizure of land and oil properties belonging to Americans. "Mexico is like the European dictators," he said. "She respects only force, and that is what the United States should use. The problems never will be satisfactorily solved under this fantastic Good Neighbor policy."

Benefit Aids Refugees

A generous gesture to aid the thousands of European Jews who are suffering medieval persecution in European states were the benefit performances held this week in the 137 Interstate theatres of Texas, Arizona and New Mexico. The benefit shows were 100 per cent for the cause named, all expenses being paid by the theatre circuit, and the entire gross receipts going to the sufferers. The plan was typical of Karl Hobbitzelle, whose wide-spread charitable and civic contributions are usually masked behind his extreme modesty, and given little or no publicity. Bob O'Donnell, Hobbitzelle's able associate, worked out details of the circuit-wide benefit performances.

Economy Move Balked

Austin observers were slightly amused, after all of the economy

talk that has been going around, when Railroad Commissioner Lon A. Smith, and Commissioner-Elect Jerry Sadler were offered a "show-down" on a real economy move this week, and backed away hurriedly. Smith and Sadler have been filling the newspapers with announcements of the firing of various appointees of retiring Commissioner C. V. Terrell, and the appointment of their successors. Thompson quietly submitted a list of 45 employes, including some named by himself, some by Terrell and some by Smith—whose salaries total over \$8,000 a month—and suggested they be let out as an economy measure and their salaries saved. Smith hurriedly announced he thought it would be "bad taste" to act on the matter, with Sadler not yet in office, and the matter was dropped.

Names and News

Secretary of State Ed Clark and Railroad Commissioner C. V. Terrell will join the ranks of those practicing law in Austin after January 1, Clark probably in partnership with Everett L. Looney, a former assistant to Gov. Allen when the latter was Attorney General. Official launching of the Garner-for-President boom was staged Monday at Detroit, Garner's old home, with Roy Miller, of Corpus Christi, Garner's close political friend, directing the show. Bascom Giles, new Land Commissioner-elect, made a hit with the Senate economy committee when he asked for a budget \$13,000 less than the current figure for his first year in office, as a contribution to the economy movement. The Senate economy committee will recommend appropriation bills with each employe and each salary listed separately, so the Governor may abolish any job he sees fit, by vetoing the salary appropriation for that particular bill, without killing the entire bill. The Supreme Court will pass finally upon the highly controversial Polk County vacancy suits, which were a campaign issue in the Land Office and other races this summer. The court agreed to review the decision of the Beaumont Court of Appeals, which ruled in favor of the land holders, and against the vacancy claimants.

Henshaw lost 2. A pass was incomplete and a second was completed for 8. On a fake punt play, S. Henshaw was stopped at right tackle and Crowell took the ball on its own 39.

Henshaw made 5 at center. Haskell drew a 15 yard holding penalty. O. Henshaw passed incomplete. A lateral and run at right end failed to gain. On the Crowell 44, Rogers punted and the ball was killed on the 11.

Last Half
Haskell elected to kick off. Owens took the kick on the 15 and returned to the 28, but Crowell was given a roughing penalty and the ball was put in play on the Crowell 18. Meason cut through right tackle for 5 and on the next play Haskell intercepted a pass on the Crowell 24.

S. Henshaw failed to gain and then made 1 at center. O. Henshaw tried the same hole for 2, and Crowell took the ball on downs on its own 19 when Haskell passed incomplete. This marked the first and only time the Indians penetrated Crowell's 20-yard marker.

Joy cut through right tackle and raced 24 yards to put the ball on the Crowell 44. Orr failed to gain. Joy hit right tackle again for 3. Meason slipped through right guard for 9. Joy fumbled and recovered. Joy completed a pass to Meason but both teams were offside and the play was voided. Joy passed to Canup for 18 yards and then went through center for 9 to put the ball on the Haskell 25. On the next play, Meason went through right tackle and cut back to his left to score for the Wildcats with one of the prettiest runs of the game. The extra point place kick was blocked. Crowell 12, Haskell 0.

Haskell returned B. Fitzgerald's kick from the 20 to the 30. O. Henshaw circled right end for 11. Gafford and O. Henshaw were injured on the play and both removed from the game. S. Henshaw made 3 and Branch knocked down a pass. Rogers punted from the Haskell 44 to the Crowell 5, where the ball went off the field.

Joy made 5 yards in two tries. Meason made 2. B. Fitzgerald punted short but the ball went out on the Crowell 33.

Haskell was given an offside penalty of 5 yards. A pass was incomplete and S. Henshaw made 3. Crowell 12, Haskell 0.

Fourth Quarter

On the first play of the last quarter, B. Fitzgerald intercepted a pass and ran 70 yards to cross the goal line in the longest run of the game but the ball was called back and put in play from the Haskell 40, where the official had blown his whistle. Joy lost a yard and Meason fumbled with Haskell recovering on the Crowell 39.

OUR BLACKEST MOMENT

The students of Crowell High School are lamenting the loss of their beloved teacher, Henry Black, who has been the leader both the fun and the serious side of CHS for the past ten years. Mr. Black graduated from Crowell School in 1923, then attended Denton Teachers College, and later Sul Ross at El Paso. At Sul Ross he obtained a Bachelor of Arts and Bachelor of Business Administration degrees. After graduating from col-

lege he taught several summers in the Demonstration School at Sul Ross. He then obtained a position in a small country school of Foard County. He taught one year there and then was transferred to the Crowell Grade School. The next round, up the ladder of success, was a position in Crowell High School. He has taught practically every subject that is offered in high school, including history, civics, several sciences, typing, Spanish and physical education. We students of CHS join to-

gether in a tribute to this teacher whom we all love and admire.

WELCOME TO NEW TEACHER

CHS welcomes Miss Helen Yeats into its fold to take the place of one of our old and much loved teachers. Miss Yeats will have a large niche to fill when she takes over Henry Black's place in Crowell High, but we students feel from the little we have seen of Miss Yeats that she will be on our O. K. list. Formerly Miss Yeats was at Kress where she taught.

THE COURTESY CLUB

Mrs. Brown's room has recently organized the Courtesy Club. The officers of the club are: Bobby Edwards, president; T. H. Russell, vice president; Joyce Archer, secretary. The object of this club is to learn manners, and sportsmanship. We feel that it is a very good organization. We are happy that our primary pupils have this club to help them to be better citizens.

Why shouldn't I come right out with it? If people want to switch they will. Using Conoco Bronz-z-z they don't want to, and why should they? Just suppose it is 20 degrees colder today and they bought their Special Winter Blend Conoco Bronz-z-z yesterday. Just the same, they can start right up, and they won't lose out on mileage, either—because their Conoco Bronz-z-z is refinery-adjusted according to all the weather records ever made here at this exact time of year. Probably most of my customers don't even think of that, because they just know they can start. That's all—they start. That's what everybody wants—quick-starting—and so that's what I've got here... quick-starting Conoco Bronz-z-z.
