FIRST RAIN SINCE AUGUST 20 FALLS THIS WEEK TO GIVE GOOD PROSPECTS FOR WHEAT

A .96-inch rain which fell in Foard County Sunday night and Monday broke one of the driest October heat waves in the history of the county and gave the land its first moisture in over a month.

The rain was a great boon to wheat crop prospects and farmers will be able to complete the sowing of seed. A number of farmers had already sown wheat for crops, but a large portion waited until enough rain had fallen to insure a good planting season. However, more rain will be needed to give wheat a good start.

The rain this week was the first in Foard County since August when 1.40 inches were recorded. The month of May holds the record this far in 1939 with 29 inches. Recordings for the months in this year are as follows: January, 2.61 inches; February, March, 2.83 inches; April, .98; May, 3.29 inches; June, 2.86 inches; July, 1.70; August, 2.42 inches; September, 0.

FA Boys, Farmers Buy Certified Wheat

Several bushels of Tenmarq wheat were purchased by Foard County farmers and members of the Crowell Chapter of Future Farmers of America from an agriculture experiment station at Chillicothe Saturday, Oct. 7. It has been re-cleaned and graded for smut.

This variety of wheat, when planted in Foard County last year, produced from three to nine bushels more per acre than a different variety planted by it. On the experiment farm at Chillicothe, Tenmarq wheat did not produce more than other varieties, but did produce 30 bushels per acre. Tenmarq has a slightly lower test than other varieties.

Tenmarq seed wheat was purchased by the following persons: H. Cooper, 19 bushels; Thomas, 15 bushels; J. T. 15 bushels; Eldon Crosnoe and son, 22 1/2 bushels; R. L. Taylor and son, Truman, 15 bushels.

LEADER AT TRINITY

James Whitfield, son of Mr. and Mrs. J. A. Whitfield of this city, and a student at Trinity University in Wabash, Mo., has recently been selected as a member of the Benzel Lancer Club, an honorary pep organization, composed of the 16 best freshmen boys on the campus, it was announced this week by Dean Paul J. Schwab.

History Repeats Itself—Australians Win

Bobby Riggs, left, of the U. S., and Adrian Quist, of Australia, shake hands after their singles tennis match at Haverford, Pa., which helped decide the Davis cup championship. History repeated itself, for just 25 years ago Australia won the cup, and the winners marched off to war. This year's victorious Australians, Quist and John Bromwich, received their sailing orders one hour after their triumph.

Boy Scout Executive Meeting Held Here Last Thursday Night

A meeting of the executive committee of the Crowell district was held in the office of the county judge last Thursday evening. The meeting was presided over by John Rator, district chairman, and plans for the fall program in scouting were completed.

Albert Zeff of Electra, area finance chairman, C. H. Peden, area executive of Wichita Falls, and R. K. Ayers of Vernon, field executive, were visitors at the meeting.

To Mr. and Mrs. Bryant Johnson, a boy, Henry Edgar, Sept. 18.

WILDCATS GO TO CHILLICOTHE FRIDAY TO PLAY EAGLES' MOST POWERFUL TEAM IN YEARS

Crowell High School's Wildcats finished their week's training yesterday afternoon without any more injuries being added to the list and will leave Crowell Friday afternoon to meet Chillicothe's strongest Eagle eleven in a number of years under the lights at 8 p. m. in their second District 9-A conference start of the season.

For the first time since about 1929, the Eagles will be favored to defeat a Wildcat team, and this nod is given Chillicothe after studying the performances of the two clubs this year.

The Wildcats got away to a slow start to beat Matador 26 to 13 and looked pretty ragged while doing it. The second week saw the Wildcats flashing championship form all over the gridiron while dumping the Paducah Dragons, 26-0, but injuries took their toll in the third and fourth weeks. A crippled Crowell eleven, minus two regulars, limped through their third game to nose out Nocona, 13-0, and the fourth week the battered Wildcats were no match for the powerful Bulldogs and suffered a 20-7 defeat.

During this time, the Eagles have been having things pretty much their own way, and are making their first championship bid in a number of years. In their first game they blasted the Class AA Quannah Indians to draw a gasp from sport observers, and the following week rolled up a 56-0 score over the Eldorado, Okla., team. Last week, the Eagles showed their strength over a Class A team by defeating the strong Throckmorton Greyhounds, 6-0, without the services of their star ball carrier, Johnson.

This year it appears as though the Eagles have a team with which to make their championship bid as their lineup is practically made up with veterans and experienced players. In glancing over the lineups of the two teams last year, one finds that four of the Eagles were holding regular berths, five were seeing a lot of action as substitutes, and only two of this year's Eagles did not appear in the lineup.

Chillicothe is reported to have a good ground attack and a very dangerous aerial attack, backed by a powerful defense, so the same tomorrow night might easily turn into a defensive battle, as two of the strongest defenses in the district will be pitted against each other.

Public Invited To Participate In F. F. A. Show

The public has been extended an invitation to participate in the third annual F. F. A. project show to be held in Crowell on March 5, 1940, by showing any farm item, members of the Crowell Chapter of Future Farmers of America and their adviser, Marvin L. Myers, have announced.

This new practice will not only be an advantage to the public but it will increase the interest in the project show. The public may enter cattle, hogs, sheep, poultry, crops and any other products of interest.

This invitation has been extended early to allow plenty of time for farmers or ranchers or anyone else to prepare their entries.

Anyone interested in showing any farm animal or product is asked to notify Mr. Myers sometime in the near future.

Negro Wounded by Gun Shot Saturday Night at Thalia

Sheriff Amos W. Lilly ran into another unusual case last Saturday night when he had arrested the accused and had a good case worked up, but when the time came for some one to appear against the defendant, it was discovered that the plaintiff had left the county. This is one of several unusual cases, or incidents, which Sheriff Lilly has had since becoming the sheriff of Foard County three years ago.

Early Saturday night two Negroes became involved in an argument near Thalia and both were armed with shot guns. One of the colored fighters shot the other in the right leg. The injured Negro was rushed to Crowell for medical attention and Sheriff Lilly dashed out to Thalia and arrested the victorious battler.

He then returned to Crowell and lodged his captive in the county jail and set out to get the injured "dusky" to sign a complaint, but the Negro was satisfied with the leg injury and had vanished. He was an out-of-county Negro and no trace has been found of him since he left the doctor's office Saturday night.

BURKBURNETT BULLDOGS BEAT CROWELL WILDCATS BY SCORE OF 20-7 IN DISTRICT OPENER

Burkburnett's Bulldogs got away to a good start toward the district title last Friday night when they defeated Coach Grady Graves' Wildcats by a score of 20 to 7 in the District 9-A opener. Crowell fans' minds go back to 1937 when the Bulldogs came to Wildcatland and won by a score of 21 to 7 in a near repetition of Friday night's game.

All sports authorities contend that champions do not repeat, with the exception of the New York Yankees who set a new baseball record Sunday by defeating the Cincinnati Reds to win the World Series in four games to hang up their fourth consecutive World Series championship, and this contention might hold true with the Wildcats this season, however, Coach Graves' teams hold a string of victories that has not yet been equalled in this district.

Friday night's loss was the second defeat for the Wildcats in twenty-seven starts and both were registered by the Bulldogs, one in 1937 and the second this year. It is not impossible for the Wildcats to finish the season on top, as the Bulldogs have yet to deal with the Chillicothe Eagles and Throckmorton Greyhounds, and some say the Iowa Park Hawks, as does the Crowell boys, but whether or not they win the title this year, they have compiled a victory record at which teams in this district can shoot at in future years.

Fumbles and Injuries
The Wildcats and Bulldogs were more evenly matched than any two teams to take their places on the Crowell gridiron in several years, and the fumbles and injuries of the Wildcats were the principal differences in the two clubs.

Attend Reunion of 36th Division in Ft. Worth Sat.-Sun.

A. Y. Beverly, Clint White and Leonard B. Roberts were in Fort Worth Saturday and Sunday attending the 21st annual reunion of the Thirty-Sixth Division. More than 500 ex-soldiers of Texas, Oklahoma and New Mexico had registered Saturday night.

The home edition of the Fort Worth Star-Telegram Sunday morning carried the pictures of seven war veterans and their views concerning the present war in Europe. Many of the men who fought in the World War seriously doubt that the United States can remain out of the present conflict and there was an under current of feeling that "we ought to stop Hitler before he gets too powerful," the news item stated.

Among the pictures in the Sunday Star-Telegram was that of Leonard Roberts of Crowell, who had the following to say. "My heart goes out to the young men in America today. I know what he is facing. But I know, too, that our younger buddies will be as brave as those who went overseas before. They're better trained today and they ought to be able to clean up that mess quicker than we did."

Thieves Are Jailed Before Stolen Goods Missed From Store

Another unusual case was entered on the record books of the county this week when three Negroes were arrested and placed in jail before the theft which led to their arrest was discovered.

One day last week, three Negroes stole a \$10 radio battery from the Womack Furniture Store in Crowell and the battery was not missed at that time. Saturday evening the Negroes were picked up by officers in Wichita Falls as they were attempting to sell the battery. Upon questioning the Negroes told where they got the battery and Sheriff A. W. Lilly was called. He went to Wichita Falls and returned with the Negroes and battery.

After placing the thieves in jail, he returned the battery to the furniture store, and that was the first time that the battery was missed.

Over \$51,000 Cotton Subsidy Has Been Paid to Farmers in County; More Checks Soon

A group of 129 checks, of which the total was \$8,150.89 to be used in payment for the 1939 cotton subsidy to Foard County farmers was received by the Crowell AAA office Wednesday.

This sum raised the total to be paid to farmers since subsidy payment started on Sept. 4 to \$51,163.21.

There have been 856 cotton subsidy checks received in this county and approximately 120 checks are expected to be received some time in the near future.

TOWNSEND CLUB NEWS

The Townsend clubs of Crowell, Vernon and Quannah are combining their interests in an effort to bring a woman lecturer to their clubs in the near future, according to a report from a committee appointed at the meeting of the Crowell club last Thursday to contact the Vernon and Quannah clubs.

Four Young People Injured Here Last Night When Car Runs Into Dirt Embankment

Four young people were injured here Wednesday night about 10 o'clock when the automobile in which they were riding crashed into an embankment one block west of the Swaim's Garage after the driver had lost control when the vehicle went over one of the newly constructed concrete dips on that street.

The most seriously injured were Daurice Ray Naron, son of Mr. and Mrs. Guy Naron, who live about 9 miles northeast of Crowell, and Sammy Jean Mills, daughter of Mr. and Mrs. Sam Mills of Crowell.

W. S. Carter, son of Mr. and Mrs. W. S. Carter of Margaret, and Reed Sanders, daughter of Mr. and Mrs. A. R. Sanders of Crowell, were the other occupants of the car and were reported not to be seriously injured.

The young couples had attended a motion picture sponsored by their class, the Junior Class of Crowell High School, and the accident occurred shortly after they had left the theatre.

Apparently the automobile entered the dip too fast and the driver lost control when it struck mud at the bottom. The vehicle crashed into a dirt embankment one-half block east.

Sammy Jean Mills' left leg was broken near the hip, and Daurice Ray received injuries about his face and head. His nose was broken and it is thought that he might possibly be suffering a fractured skull. He was unconscious for several hours.

Miss Mills and Daurice Ray were taken to the Quannah hospital this morning for the purpose of having X-ray pictures made of their injuries.

Young Carter was driving the automobile at the time of the accident and was not accustomed to the street upon which he was driving. He received cuts and bruises about the face and body and a chest injury received from the impact of the steering wheel.

He and Reed Sanders were removed to their homes Wednesday night and were able to attend school this morning.

The radiator, front fenders and windshield of the automobile were damaged when the car struck the embankment.

Farmers Must Insure Wheat By Saturday

Farmers who wish to obtain 1940 government wheat insurance must do so this week as the deadline for issuing policies is Saturday, Oct. 14, according to information released by Jesse D. Miller, county supervisor for the Federal Crop Insurance Corporation.

A large number of farmers have not yet obtained policies and a rush is expected during the remainder of the week, and Mr. Miller urges those who are planning to obtain 1940 wheat insurance to come to the county agents office at the earliest possible time.

Mr. Miller stated that he would remain in the office Saturday afternoon.

Losers to Vera

Last Friday afternoon, the Truscott half-dozen bowed to the Vera team by a score of 26 to 6 in a game that was most closely contested as indicated by the score.

With the exception of Vera's touchdown rushes, the most of which were set-up by Truscott fumbles, the two teams played an even terms. Truscott's touchdown came from a pass from Stout to Massingale, who was waiting for the ball behind the goal line after the play had originated on the Vera 20-yard line.

Arnold Smith, substitute, was Truscott's most outstanding defensive player.

The starting Truscott lineup in the Vera game, and which will also probably be the starting lineup in Friday's game, is as follows: Bill English, center; Robert Howard, right end; Milton Massingale, left end; J. T. Cook, quarterback; Wayne Young, halfback; Lee J. Stout, fullback. Truscott

Two Minute Sermon (By Thomas Hastwell)

The Way of Peace—It Is Here: In the days of King Ahaz, Judah was faced with many perplexing problems that threatened to overthrow the government. The king was sorely troubled with wars and rumors of wars and invasion from unfriendly tribes about him. Isaiah sought to dissuade him from a dangerous alliance with Assyria and to strengthen his faith in God. He prophesied to him his wonderful prophecy that out of Judah come a Christ, a savior of the world who would be called Wonderful Counsellor, the Mighty God, the Everlasting Father, the Prince of Peace. Today the world faces wars and rumors of wars. Even the wisest wonder which way to turn, and faith is sorely tried. Today there is no need for a prophet to foretell the coming of the Christ to the earth, but there is a need that the men and the nations of the earth be called back to the principles and the teachings of Christ, that civilization be not drawn into a disastrous and a devastating war. Never before has it been so

JUNIOR FOOTBALL

Twenty-four juniors have been reporting for football during physical education periods for the past two weeks. The fifth period defeated the seventh period boys 26 to 0 in the first game, but the seventh period boys evened the series up last Thursday by winning 7 to 6.

The following boys participated in these games: Ends, J. T. Hughston, Bill Nichols, Clifford White, and Morris Furgason; tackles, T. L. Owens, David Parkhill, Leiland Lewis and Harold Canup; guards, Alton Roark, John Clark; Long, Leroy Hairston, and Roy Lee Weathers; centers, Joe Wells and Kenneth Archer; backs, Charles Nelson, DeWitt Cauthan, Ralph Flesher, Paul Vecera, Albert Bird, Milton Evans, Charlie Thompson, Bill Diggs, Rudolf Halencak and Harry Harwell.

Mr. Foster and J. S. Owens have been working with one group of these boys and Coach Graves and Mr. Meyers have been working with the other group. A team will be selected out of these twenty-four to play Quanah juniors there next Thursday afternoon.

KANSAS CITY BOUND

Harvey Crosnoe is to represent the local chapter of the F. F. A. at the National Convention, October 14 to 20, in Kansas City. Harvey will meet a special bus at Shamrock which is for all boys

clearly shown that the tragic error of mankind—war could be avoided if mankind everywhere would, of one accord turn to the simple but perfect philosophy of Christ, the Prince of Peace.

PEP RALLY

As has been the custom in the past years, a pep rally was held in the auditorium Friday morning. Before games that are considered very important, a pep rally is held in order that the pep squad, the football team and the students may express their sentiments about the coming game. The pep squad opened the rally by giving several yells and songs. The students sang the school song lead by the pep squad. Mr. Graves and Coach Graves both gave talks and a brief, very brief, statement was made by the members of our football club. Two of the main string boys were absent. Coach Graves explained their absence. Que Meason had to stay home and put "horse" liniment on his ankle in order to have it in shape for the game.

F. F. A. PICNIC

The F. F. A. boys entertained the F. H. T. girls with a picnic last Wednesday. The boys made all of the arrangements with the assistance of their sponsor, Mr. Myers. The picnic was very eventful. About forty guests and hosts attended.

ASSEMBLY PROGRAM

Miss Jackson's English One class presented the Assembly program last week which was in hon-

or of James Whitcomb Riley. After the opening exercises, Joe Dodd gave "The Life of James Whitcomb Riley." Joyzelle Ty-singer read several of Riley's poems and Beatrice Lewis read "The Alibi Club."

A group of girls sang several selections after which the student body sang "Battle Hymn of the Republic" and "The Eyes of Texas." Mr. Rucker announced that the Junior Class would sponsor the show, "Invitation to Happiness," Wednesday and Thursday nights.

CONTRIBUTION TO HOME ECONOMICS DEPT.

Each year the home economics club contributes something to the home economics department. Some of the things that they have given are, waste baskets, machine covers, book case, curtains for the dining room and for the clothing room, before now discarded for new ones, table entrance, mirror in entrance, electric iron, frame for club creed, vase for flowers. This year's contribution is not definitely decided, but will probably be curtains for the kitchen.

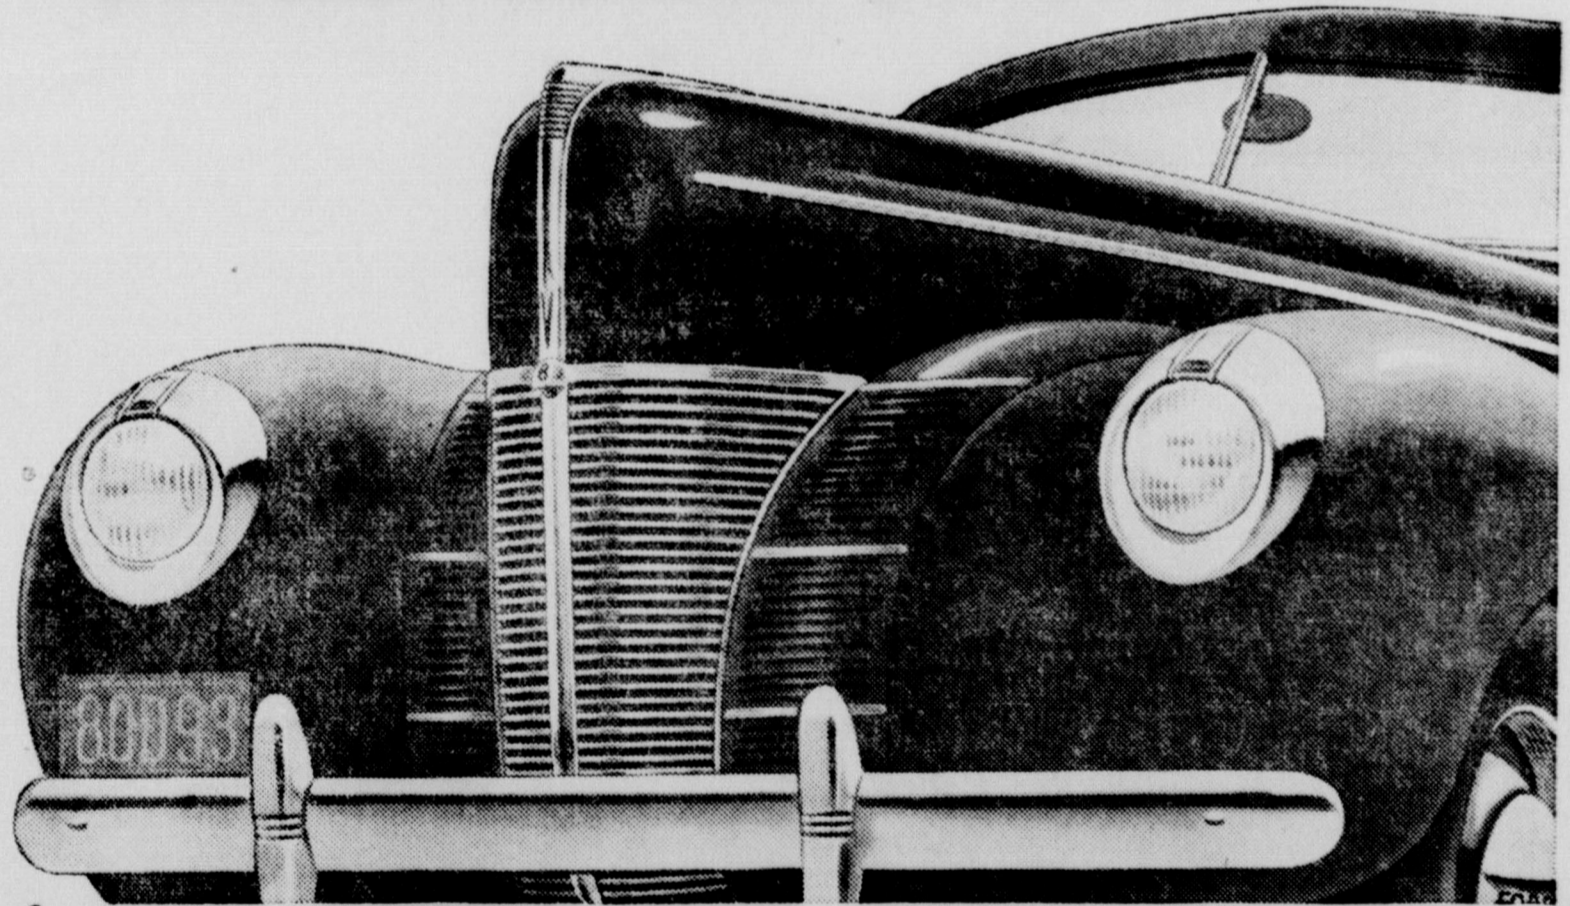

NEW BOOKS

New books have been selected for the library. These books are to be on safety, drama, fiction, prose, poetry, and assembly programs. New dictionaries and new magazines will probably be included in the present order.

Announcing THE NEW FORD CARS FOR 1940

22 important improvements, added to fundamental Ford features, represent the most advanced engineering in the low-price field

WHAT do the Ford cars for 1940 offer to match their brilliant new beauty? New comfort, convenience, quiet, safety—and the roomiest, richest interiors ever designed for a Ford car.

They have a host of interesting new features. Finger-Tip Gearshift on the steering post. An improved transmission, unusually easy to shift. New Controlled Ventilation. Improved shock absorbers. Softer springs, improved spring suspension and a new ride-stabilizer.*

A combination of new features makes the new cars quieter in operation. They have big, powerful hydraulic brakes. They have new Sealed-Beam Headlamps that are safer, stronger and stay brighter longer. They have the famous Ford V-8 engine (85 hp in the De Luxe Ford. Choice of 85 or 60 hp in the Ford)—which blends 8-cylinder smoothness with economy.

You've never seen cars with so much performance, style and comfort at such a low price. Get acquainted. You'll enjoy the experience!

NOBODY'S BUSINESS

BY JULIAN CAPERS JR.

Austin.—The muddy waters of the pension problem grew murkier at this week-end, as the date for the \$6 cut in October pensions drew nearer. Gov. O'Daniel made a trip to Dallas to confer with unnamed advisers, but announced no solution of the problem. In Austin, several legislators dug out the conference report of the special session of 1937, which was estimated to yield \$3,000,000 a year for pensions, with small tax levies on sulphur, gas, public utilities companies and franchise taxes, together with re-allocation of the cigarette tax.

Mann Rules Against Remission

A court battle led by Dallas County officials, seeking to override a ruling given this week by Attorney General Gerald Mann, holding the tax remission bill, under which counties would be given 50 per cent of State ad valorem income for a period of five years unconstitutional, was expected to be filed soon. With courage rarely seen in a political office in Texas, Mann held the remission bill, which was part of a general program fostered by large taxpaying interests to wreck the State's general fund and force a sales tax, violated the Constitution. It was backed solidly by county officials throughout the State, who saw visions of a \$10,000,000 pork barrel to be divided among the counties. Many county tax rates and 1940 budgets were set up with the state gift anticipated. Mann's ruling wrecked these programs, unless the courts overturn it. Most good lawyers think Mann ruled according to law, and the courts will sustain him.

Politically, the ruling was probably the most unpopular made in years by an Attorney General, and it antagonized one of the most powerful political groups in Texas. But political considerations seem not to affect the rulings of Mann.

Beauchamp Slated For Bench

The resignation of Presiding Judge W. C. Morrow of the Court of Criminal Appeals this week gave Gov. W. Lee O'Daniel another major appointment. Best informed observers here believed the place would go to Tom Beauchamp, of Tyler, now Secretary of State. Judge Morrow's term would have expired next year, and the appointee will have to run for election in the July primaries. An appointed incumbent generally has the edge on "outsider" candidates in such an election. Lloyd Davidson, state's prosecutor before the court, and Senator Clay Cotton of Palestine, have indicated they would run.

Cement Companies Pay Off

The anti-trust suit brought by ex-Attorney General William McCraw, and prepared for trial by Attorney General Gerald Mann, was settled before trial opened, when four companies paid \$100,000 each in penalties, paid court costs, and accepted without contest an injunction forbidding them to fix the price of cement in future. Defendants were Lone Star Cement Corporation, Southwestern Portland Cement Corporation, Trinity Portland Cement Company and Universal Atlas Cement Co. Mann charged they agreed to fix a uniform price on cement in bidding, regardless of distance from the construction job. Pending are two additional anti-trust suits against two other cement concerns who were named originally, and later dismissed from the original action. Mann's office is reported working up evidence upon which other anti-trust suits may be filed, including several concerns which sell large quantities of merchandise to the State, and another against liquor interests which backed the so-called fair trades act at the regular legislative session. The fair trades act passed, but was ruled unconstitutional by Mann. The Attorney General is said to be probing reports that liquor interests are doing illegally what they sought to do legally through the fair trades act, fixing retail prices of liquor by coercive tactics against retail dealers.

Texas Notes

Texas editors gave unstinted endorsement to the 51st annual State Fair of Texas, at their Press Day in Dallas last Saturday. Under the leadership of Harry Seay as president, the fair has returned to the basic principle which made it successful originally—a strong emphasis on agriculture, livestock, and the other fundamentals of Texas' economic life. For the amusement lovers, there is a good show, but entertainment is not made the theme-song. Publicitor Paul Jones, who believes a fair ought to tell its story with paid advertising, has done a superb job of selling the Fair this year to the public. Rio Grand Valley residents, long vitally interested in division of the River's water with Mexico for irrigation, will be interested in a forthcoming book, by Dr. Charles A. Exhibit at Fair

Foard County will have an exhibit at the State Fair at Dallas this year, one of the best exhibits we ever had. County Agent Fred Rennels has been working with tireless interest gathering samples from our farms for some weeks and getting them ready for transportation to Dallas and left Tuesday with a truck load of stuff.

Make Money

A family of cotton pickers from Sulphur Springs are working on Charley Gafford's place and have been picking more than a bale a day. Mr. Gafford said they got out eight bales for him last week. There are about eight in the family, six children and the mother and father, all of whom have been going to the cotton patch. He paid them \$132.80 for one week's work, paying them \$1.50 per hundred.

Money in Melons

It is remarkable what a little patch of melons will sometimes do. J. G. Ford has no right to complain at the profits he realized this year on a small patch of melons, only five rows and not very long at that. Mr. Ford says he has sold about \$65 worth from the five rows.

An Auto Accident

As Mrs. M. O'Connell was coming from Margaret Friday night her car collided with the delivery car driven by Herman Fox on the bridge near the Fox home north of town. Some damage was sustained by each car but no one was injured.

New Business

FARM PRODUCTS INTO LUBRICANTS

Chicago, Ill., Oct. 5.—The wide use by the petroleum industry of agricultural products to improve the lubricating qualities of their oils and greases was revealed here today by Dr. B. H. Lincoln, chief chemist of the Continental Oil Company in a statement that manufacturers are now using about \$22,000,000 worth of animal and vegetable fats and oils, largely of agricultural origin, in the production of lubricants. Speaking before the American

Oil Chemists' Society at the Hotel Stevens, Dr. Lincoln named lard and tallow and corn, cottonseed, linseed, rapeseed and soy bean oils as some of the farm products that go into lubricants or provide additional agents used in varying amounts in automobile and industrial oils and greases. The animal and vegetable oils and fats were said to improve the wetting ability or "oiliness" of straight mineral oils, the consistency and other requirements of greases and the load-carrying capacity and resistance to oxidation and corrosion of both oils and greases. The use by the petroleum industry of fatty materials of farm origin is expanding yearly, Dr. Lincoln said.

that he expected his Wildcats to be at full strength for the first time since the Paducah game. John Lee Orr's ankle is well, and it is expected that Que Meason, who spent two days in bed before the Bulldog game, will be running in top form again.

Coach Graves announced that there would be a change in the Wildcats' regular starting lineup. Frank Dunn will be shifted from right guard to left tackle, and Glendon Russell will start in the right guard position and H. C. Brown will start at fullback in place of Leroy Gibson, who is suffering a knee injury.

Oran Johnson and Murphy Solis, injured linemen, will be recovered from minor injuries which handicapped them against the Burk team.

Wildcats Heavier
The Wildcats will carry a weight advantage over the Eagles tomorrow night. The Crowell team averages 159 pounds per man, and Chillicothe's 155 pounds. The Wildcat line tips the scales for an average of 164 pounds to the man, as compared with the Eagles' 156 pound average. In the backfield, the Eagles will be the heavier with an average of 152 pounds to Crowell's 150 pounds.

FSA Blocks War Speculation in More Cash Crops

The Farm Security Administration will discourage its farmers in Foard, Hardeman and Wilbarger counties from speculative expansion of cash crop enterprises because of the European war, county supervisor, Julian Wright, said this week. "Every effort will be made, in co-operation with other representatives of the United States Department of Agriculture, to retain the gains which have been made during the past few years in sound land use practices," he stated, reminding that uncontrolled speculation and expansion in agriculture during the last war resulted in many of our current agricultural evils.

Equipment Complies with New State Law

The Ketchersid Mattress Factory and Furniture Company has been remodeled to comply with the new state health law which recently went into effect. This law requires that all mattresses renovating machines be housed in a separate room in a building and the machine be equipped with a dust exhaust. Each mattress leaving the factory must bear a revenue stamp and a tag bearing the manufacturer's name and stating materials used in mattress. Each piece of overstuffed furniture that is purchased for resale must have all upholstery removed and given a germicidal treatment. All premises also must be kept clean and sanitary. C. V. Ketchersid, owner of the mattress factory and furniture company, invites the public to inspect his newly arranged place of business.

ORR'S Veri-Best Bread

School days are busy days and students need the energy supplied by our bread to maintain good health.

More Money Spent for Health Program Would Be Economical
Austin.—The State could appropriate and spend one million dollars annually on a health program without cost to the State, declares the Texas State Department of Health. This can be demonstrated in connection with our schools alone, without regard to the saving effected in the general economic life of the state. If the State Department of Health had such a sum for the maintenance of a comprehensive health program in all public schools, more than that amount could be shifted back to the general fund by the schools, through savings to their fund effected by the elimination of repeaters and other costs incident to health conditions. At least 25 per cent of the pupils in our public schools do not make a grade per year and have to be taught a second year in the same grade. With a total enrollment in the elementary schools of 1,071,000 pupils there are approximately 289,232 repeaters. The cost of instruction for this group is thereby doubled. It costs \$45.00 per year to educate a child. If this sum is multiplied by the repeaters the loss is \$13,000,000. Not all of this could be chargeable to health conditions, but at least two-thirds, or \$9,750,000 could be so charged. By spending one million dollars per year, in promoting an adequate health program, enough of the money now wasted on repeaters in the elementary grades would be saved in three years to retire the present deficit in the general fund.

We would like to have you come and worship with us, enjoy this program and have a part in our Sunday School. Don Culbertson, Pastor.

Christian Science Services

"Doctrine of Atonement" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 15.

The Golden Text is: "If any man sin, we have an advocate with the Father, Jesus Christ the righteous" (1 John 2:1).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Blessed are they which are persecuted for righteousness' sake: for their's is the kingdom of heaven" (Matthew 5:10).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Trials teach mortals not to lean on a material staff,—a broken reed, which pierces the heart. We do not half remember this in the sunshine of joy and prosperity. Sorrow is salutary. Through great tribulation we enter the kingdom" (page 66).

Shultz and wife, Mamie Shultz, and that on the first Tuesday in November, 1939, the same being the 7th day of said month, at the Court House door, of Foard County, in the Town of Crowell, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said Order of Sale I will offer for sale and sell at public vendue, for cash, to the highest bidder, all the right, title and interest of the said J. L. Shultz and wife, Mamie Shultz, in and to said property.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Foard County News, a newspaper published in Foard County.

Witness my hand, this 4th day of October, 1939. A. W. LILLY, Sheriff, Foard County, Texas. 16-31c

NOBODY'S BUSINESS

BY JULIAN CAPERS JR.

Austin.—The difficulty with Gov. W. Lee O'Daniel's ambitious plan to raise \$2,300,000 for the old folks pensions by public subscription is practical, rather than legal. The Governor announced he has submitted the plan to the Attorney General for a ruling on its legality. The Governor has not published the details of his plan, but presumably it entails the borrowing of \$2,300,000 to take up pension warrants now held by a syndicate of banks, which the State is pledged by law enacted by the last legislature, to begin retiring at the rate of \$200,000 a month in October. The lawyers think there is no way the state's credit could be pledged. A contribution to the fund, then, would literally be a gift.

He Will Find Them Cold

Inasmuch as practically nobody in Texas has \$2,300,000 except the special interests which were so friendly to the Governor's plan to finance pensions with a sales tax upon the people at the regular session, to raise the money might prove an exceedingly difficult task. It is true that the sum represents only a small fraction of the actual cash savings which these special interests have effected in their tax bill by reason of the Governor's insistence upon a sales tax for pensions, which resulted in defeat of all tax legislation. It is probably true, also, that the gratitude of the special interests toward a Governor who has seen eye to eye with them on a program of no taxation has been so warmly and frequently expressed, that Governor O'Daniel may think they would be willing, for his political sake, to donate \$2,300,000.

But \$2,300,000 is a lot of folding money. Those who have studied the operations in Austin of the special interests who dislike to pay taxes are unanimously of the opinion that Gov. O'Daniel will find them extremely warm when he is carrying the flag for their taxation program—and extremely cold and unappreciative when he starts talking about donating \$2,300,000 to the old folks or anybody else. These interests have always exercised a strikingly effective control over their generous impulses, and, so far as anyone here can see, they have not weakened noticeably in recent months.

Solons Have Edge

The Governor has continued to resist the rising tide of pressure from old folks and legislators for a special session, and in this stand he has been warmly supported by the special interests, chiefly because it would be impossible at a special session to submit a constitutional amendment that would protect the special interests, as contained in the famous SJR-12. If O'Daniel does not convene the Legislature, it appears the old folks are simply out of luck until January, 1941. The members of the House, who passed every tax bill introduced seriously, except SJR-12, have a pretty good political alibi. O'Daniel, who fostered a transaction tax, and then abandoned it for a sales tax, and insisted upon that and nothing else, is not in nearly such good political shape as the legis-

lators are. Davis is Appointed Frank Davis, Itasca grocer, who has sold lots of Gov. O'Daniel's flour during the past few years, is the new member of the Board of Control, succeeding Claude Teer. Davis is 37. He has a reputation as a successful business man and civic worker in his home community, and managed O'Daniel's campaign in his district last year. Davis is the third flour merchant to be appointed to remunerative posts by O'Daniel, the other two being Harry Knox, Adjutant General, and T. B. Hill of Austin, member of the Industrial Accident Board.

Rules Humble Owes Tax Comptroller George Sheppard has been advised by Attorney General Gerald Mann that Humble Oil & Refining Co. owes the State \$730,130 in delinquent chain store taxes, and instructed to collect it. Suit will be filed by Mann if payment is not made, which it probably will not be. Mann contends Humble's operation of 250 gasoline stations is taxable under the chain store tax laws; Humble contends the operation is exempt. Mann spent four months investigating, before ruling Humble owes the tax.

M. E. MISSIONARY SOCIETY TO ENTERTAIN
On next Monday afternoon, Oct. 16, the ladies of the Missionary Society of the Methodist Church will entertain the ladies of the various churches of the town in a social meeting at the Methodist Church.
Mrs. A. H. Longino of Munday, an outstanding spiritual life leader of the Northwest Texas Conference, will be the guest speaker for the occasion.
The members of the Missionary Societies are given an urgent invitation to be present.

GARDEN CLUB

The Crowell Garden Club will hold its first 1939-40 meeting Friday (tomorrow) afternoon at 3 o'clock at the First Christian Church.
A program has been arranged and all members are urged to be present, states the president, Mrs. R. L. Kincaid.

MARGARET W. M. S.

The Missionary Society of the Margaret Methodist Church met Monday afternoon at the church. Mrs. S. J. Boman led an interesting program from the World Outlook.
The next meeting will be held in the home of Mrs. Arthur Bell Monday, Oct. 16, with Mrs. Ray Hysinger as leader.

B. & P. W. Club Opens National Celebration with a Tea Sunday

Ushering in National Business Women's Week the Crowell B. & P. W. Club was hostess at a seated tea Sunday afternoon, Oct. 8, at the Adelpian Club house.

Guests were met at the door by Miss Mayme Lee Collins and presented to the receiving line headed by Miss Gusta Davis, president of the club. Others in the line were Mrs. R. L. Liles and Miss Joeline Vannoy. They were then directed to the dining room by Mrs. Henry Borchardt.
The tea table was lovely with lace cloth and centerpiece of pink rosebuds flanked by white candles. The color scheme of pink and green was further carried out in the refreshments. Favors were white cards inscribed with the words "National Business Women's Week, Oct. 8-14," in green ink.
Mrs. M. O'Connell poured tea. Assisting in the dining room were Misses Blanche Hayes, Gussie Todd, Alma Walker and Mrs. L. E. Archer. During the serving hour Mrs. Leon Solomon rendered soft piano selections. Misses Lottie Jussell and Flossie Collins were other members of the house party.

Greetings were brought by Miss Gusta Davis followed by a short musical program composed of a violin solo, "The Holy City," by Mrs. Alva Spencer, accompanied by Mrs. A. L. Rucker. Miss Dorothy Winningham accompanied Miss Wanda Rose Liles, who sang two numbers, "Sunrise" and "Moonlight." A piano solo, "The Holy Mount," by Miss Winningham concluded the program.

Special guests were the business and professional women from Wichita Falls, Electra and Vernon, the Adelpian, Columbian, Junior Columbian and Harmony Clubs of Crowell.

In further observance of National Business Women's Week the club will be hostess to their bosses

Give Dinner for Burkburnett Friends

Mrs. Herman Greening and son, Kenneth, were hosts to a number of friends from Burkburnett at a dinner party at their home Friday evening preceding the football game.

The meal was served cafeteria style and was enjoyed by the following guests: Mr. and Mrs. James Johnson and children, Vera Mae and James Jr., Brack Preston Jr., Marshall Teal, Miss Grace Hardy, Raymond Teal; Miss Gladys Princeton; Mr. and Mrs. H. S. Grace and daughter, Doris Mae; Mr. and Mrs. Will Teal and son, Wayne, and Mrs. Jess Griffin, all of Burkburnett, and Johnnie Gamble and daughters, Misses Savannah and Bessie Lou, of Riverside.

Honored with Shower at Truscott Church

Mrs. J. D. Carroll, a recent bride of Crowell, was complimented with a miscellaneous shower at the Methodist Church in Truscott the latter part of last week. Mrs. Carroll was formerly Miss Ruby Myers of Truscott.

About seventy-five women and girls attended and were entertained with an interesting program, following which refreshments were served.

ADELPHIAN CLUB

A gift of \$92,000 was made by Clara Driscoll to pay off the debt on the Federation headquarters at Austin. In appreciation the Texas Federation of Women's Clubs honored her with a banquet on Oct. 4 at that time unveiling a portrait of Mrs. Driscoll. The Adelpian Club observed "Clara Driscoll Day" at a regular meeting held at the club house last Wednesday. Mrs. W. A. Dunn and Mrs. M. S. Henry reviewed, in a playlet, the life of Clara Driscoll, telling of her career as a business woman and as a club woman. They told of the district meeting of Federated Clubs which was held at Corpus Christi, at which time Mrs. Driscoll was speaker. At the conclusion of her talk she said she wanted to look the door on financial burdens and unlock the door of opportunity. Then she presented her gift which made the Federation headquarters free of debt.

As a magazine feature of this program Mrs. A. D. Campbell brought an article from "Fortune" on the Vatican. She gave a very good description of this city and of the castle of the Pope. Mrs. Henry gave a report of a Federation meeting which she attended in Amarillo. It was an officers' training school and a general get-together of the women of the Seventh District.
Mrs. Raymond Burrow was hostess to club members and one guest, Mrs. Ragdale Lanier.

B. & P. W. CLUB

"Our Town's Business" was the subject for discussion at the regular meeting of the club Thursday evening, Oct. 5.

Plans for the coming week's activities were outlined by the various committees in charge. Members were urged to attend the District No. 1 annual conference to be held at Plainview. Miss Gusta Davis was elected delegate.

After the business session the program was in charge of Mrs. Rose Liles, "Wives Need Their Jobs," was given by Mrs. Inez Spencer and "Protecting the Employment of Women," was given by the leader.

BIRTHDAY PARTY

Mrs. Claude Dodd honored her daughter, Patsy, on her eleventh birthday with a party Friday afternoon, Oct. 6.

Games were enjoyed and pictures of the group were made. Patsy received many nice presents.
Refreshments and the birthday cake were served to the following: Jo Favor, Rebecca Ross, Billye Billington, Betty Jean Seale, La Rue Graves, Leta Jo Carroll, De Alva Thomas, Larry Dan Campbell, Harold Thompson, Hardy Sanders and the honoree.

HENRY BORCHARDT

TRUSCOTT P. T. A.

Truscott Parent-Teacher Association met in regular session Thursday, Oct. 5, with Mrs. Benton Westbrook, president, presiding. Minutes of the last meeting were read and approved.

The membership committee reported that Miss Jones' room won the prize for having obtained the largest number of members for the association.
Mrs. Westbrook asked Superintendent A. F. McMinn to supervise the buying of playground equipment. Mrs. John Holmes, Mrs. Herbert Gillespie and Mrs. Marion Chowning were selected to serve as the committee for beautification of the school grounds. It was announced that the plan for room mothers would be the same as last year.

The P. T. A. unit voted to buy instruments for the rhythm band. With Mrs. Oscar Witte as leader, the following program was given:

Devotional, Benton Westbrook; prayer, A. F. McMinn; reading, "The Query," Mary Kathleen Chowning; piano solo, "Wandering in Dreamland," Viola Navarrete.

Talk, "Character Education and How the P. T. A. Goes About It," Mrs. Steve Mills; playlet, "Red Bird and the Golden Eagle Feather," third and fourth grades, directed by Mrs. Gordon Acker; talk, "Discipline," Mrs. Lee Randolph; accordion solo, "The Eyes of Texas Are Upon You," Veva Mills; reading, "The Chatterbox," Marianne Gillespie.

P. T. A. MEETING TUESDAY

The local P. T. A. unit will hold its October meeting in the grammar school building next Tuesday afternoon, Oct. 17, at 3:30 o'clock.

The leader, Mrs. Adrian Thomson, will give a Texas Congress Birthday feature. Mrs. Gordon Cooper will talk on the subject, "Sing a Song of Six-Pence."
It is desired that a large attendance be present. The first meeting of the year was a picnic in observance of Fathers' Night and this will be the first opportunity for the transaction of business.

FOARD CITY W. M. S.

The Foard City Woman's Missionary Society met Monday, Oct. 9, in the home of Mrs. R. E. Sparks. Mrs. J. M. Glover gave a very interesting devotional.
The subject for the afternoon was "Lifting Our Horizons in Fields Afar." The following members took part: Mrs. Virgil Johnson, Mrs. Blake McDaniel, Mrs. Ruth Marts and Mrs. J. M. Barker.

The society accepted an invitation from the Crowell society to hear a spiritual life message on Monday, Oct. 16, by Mrs. Longino of Munday, and Mrs. P. B. Baker, also of Munday, who will speak about the Methodist Home in Waco.

There were two visitors present, Mrs. Claude Callaway and

Henry Borchardt, manager of the Borchardt Chevrolet Company of this city, has just returned from Dallas where he attended a meeting of all Chevrolet dealers in the Dallas Zone. He was accompanied by Glen Goodwin, of his organization.

While in Dallas, they attended many special meetings to learn all about the many new features incorporated in the new 1940 model, but, according to Mr. Borchardt the highlight of their trip was the banquet given to Chevrolet salesmen and managers by Mr. H. Wilson, zone manager of the Chevrolet Motor Company.

In commenting on the display of the new car, Mr. Borchardt said: "Never in all my life have I attended such a meeting. There were 1,200 dealers and salesmen swarming with eager eyes the curtain behind which was the car we had been looking forward to seeing. When Mr. Wilson drew back the curtain, a most unusual thing happened. There wasn't a single sound. Everybody was speechless with the amazing beauty of the new 1940 Chevrolet. Then, as everyone realized they were seeing something real instead of something they were imagining, the room resounded with cheers for this spectacular creation... the 1940 Chevrolet!"

Elaborating on the luxurious appearance of Chevrolet's 1940 model, Mr. Borchardt continued: "Car buyers are going to get a big surprise when they see this new Chevrolet. It's unbelievable... the number of advantages offered in the 1940 model. Four and one-quarter inches longer than last year's model, the 1940 Chevrolet is bigger inside and bigger outside, giving more comfort and greater driving ease. The body has been completely redesigned by Fisher along lines that will be known as 'Royal Clipper' styling. When you see the graceful, flowing contours of this car, you'll easily understand why every trip in one will be a 'Ride Royal'."

"Mechanically, Chevrolet has left nothing undone to produce a car with improvements that will mean smoother operation and greater economy. Their new, exclusive Vacuum Power Shift will be standard equipment on all cars and is so easy to operate that a mere touch of the finger is all that is required."

"Pioneers of the now-famous Kneec-Action, Chevrolet has been working constantly and steadily with improvements that have made the 1940 Kneec-Action better than ever before, insuring a ride as soft and easy as though you were riding on a feather pillow. And in addition, there are 175 important modern features that will mean greater driving and riding pleasure for Chevrolet owners."

"Safety plate glass is used throughout the new Chevrolets... giving better vision with less eye-strain and greater protection. 'I have never in all my life seen a car with so many outstanding, attractive features. It has beauty in every sense of the word. It gives performance such as you have never dreamed of getting. Its many improvements mean greater economy of operation. It has been designed for increased safety... and... it has the greatest array of fine car features ever offered in any car, anywhere near its price."

A cordial invitation is extended by Mr. Borchardt, to everyone in Crowell and vicinity, to visit their showrooms Saturday, October 14, and see for themselves the remarkable car that is the 1940 Chevrolet.

Mrs. M. J. Girsch, of Crowell, and eight members. Refreshments were served by the hostess. The next meeting will be held on Oct. 23 at the home of Mrs. J. M. Barker.
