47th Annual Session of Wilbarger-Foard Baptist Association Ends Here Wednesday

PRAIRIE VIEW GIVEN MEETING IN OCT. 1940

Vernon Man Elected To Head Association Again Next Year

The forty-seventh annual meeting of the Wilbarger-Foard Baptist Association closed here Wednesday night after a two-day session with the Crowell church. The meeting was presided over by Dr. C. V. Edwards of Lockett in the absence of Dr. E. S. James of Vernon.

Next Year's Site Named

It was announced at the meeting Wednesday night that the 48th session of the Wilbarger-Foard Baptist Association would be held with the Prairie View Baptist church on Oct. 1-2, 1940. Next year, Rev. John H. Stout of Margaret will deliver the association sermon and the missionary sermon will be given by Rev. W. B. Teel of Prairie View.

Dr. E. S. James Re-Elected

Dr. E. S. James, pastor of the Baptist Church of Vernon, was re-elected moderator of the association at the session Tuesday night. Other officers elected were: Dr. C. V. Edwards of Lockett, vice moderator; Mrs. J. E. Ray of Vernon, clerk; Volus Norsworthy of Vernon, corresponding secretary-treasurer.

The opening program of the two-day session was held Tuesday night at which time Rev. John H. Stout, pastor of the Margaret church, gave the devotional and the report on civic righteousness was given by Judge J. O. Rouse of Vernon. The annual sermon was delivered by Rev. W. E. Lovelace, pastor of the Calvary Baptist Church of Vernon, who used "The Adequacy of My Lord and Savior" as his subject.

The highlight of Wednesday's program was a talk on "Co-operative Programs," by R. A. Springer of Dallas, secretary of the Baptist General Convention of Texas and chairman of the Texas Laymen's Organization. Mr. Springer not only represented the executive committee at the meeting here but also 3,047 churches and 700,000 Baptists. He challenged the association to unite with the other associations of Texas in raising one million dollars for the state mission program, which is headed by Dr. R. C. Campbell of Dallas.

Mr. Springer gave the plan accepted by many of the Texas Baptist churches which proposes that each Baptist give one day's income to the missionary work and that the churches give one Sunday's contribution.

A second state department representative, Robert C. Buckner, the grandson of the founder of the Buckner Home near Dallas, spoke at the meeting Wednesday morning for the home supported by the Baptists of Texas. There are about 700 boys and girls now at the home, which has 19 fireproof buildings.

Wednesday morning's program featured the annual missionary sermon given by Rev. J. T. Furrness of Fargo.

J. M. Riddell, district missionary of district No. 11, gave an annual report at the afternoon session. Mr. Riddell has traveled over 40,000 miles contacting the churches of this district.

There are 108 churches in this district and there are 109 Baptist Associations in Texas. All met between August 21 and October 20 and are now looking forward to the state meeting to be held in San Antonio November 13-19. This time of the year is the most popular time for the associations to hold their meetings, therefore, October is called the "Round-Up Month." Each association will send a messenger to the state meeting with the plans passed upon by the churches.

All of the 18 churches in this association were represented at the meeting and all presented church letters outlining work done during the past year. Reports on all phases of Baptist work were also made.

The two-day session was closed Wednesday night by Mr. Springer who spoke on "Mobilizing Our Men."

Duke Steps Out

In full kit of an English major general, the once-exiled duke of Windsor leaves the London war office en route to the French battle front. Observers noticed the duke preserved his distinctive dress even in wartime, wearing non-regulation shoes.

FUNERAL FOR FOARD YOUTH HELD FRIDAY

C. D. Mullins Jr. Dies In Quannah Hospital Last Thursday

Last rites for C. D. Mullins Jr., 14-year-old son of Mr. and Mrs. C. D. Mullins Sr. of the Black community, six miles north of Crowell, were held in the Christian Church in Crowell Friday afternoon with Rev. Harrell Rea of Fort Worth, pastor, officiating, assisted by Rev. W. B. Fitzgerald, pastor of the Crowell Baptist Church.

Interment was made in the Crowell cemetery with the Womack Funeral Home in charge of arrangements.

C. D. Jr. died in the Quannah Hospital last Thursday morning at 9:30 o'clock after an illness of about twenty-six days.

Funeral bearers were D. Adams, Wade Adams, Ed Gafford, Vernon Gibson, Melton Connell and Reed Thompson. Flower bearers were Pauline Adams, Ruby Adams, Riley Adams, Dorene Gibson, Mary Owens, Velma Furgason, Margaret Long, Winifred Connell and Verna Ray Morrison.

A special number, "In My Father's House Are Many Mansions," was rendered by a male quartet composed of E. C. King, John Rasor, J. P. Davidson and Ebb Scates. A solo, "Some Glad Sweet Day," was sung by Mrs. A. F. Wright. Mrs. Arnold Rucker was accompanist.

C. D. Mullins Jr. was born on Sept. 28, 1925, in the Black community, a short distance from the present Mullins' home. He was reared in Foard County and attended the Crowell school, being a member of the freshman class of Crowell High School at the time of his death. Pupils of his class attended the services in a body.

Although he never united with a church, he was a regular attendant of the Christian Church and was an active member of the Sun. (Continued on Page Five.)

Foard County to Have Booth at State Fair

County Farm Agent John Nagy and County Home Demonstration Agent Miss Joellene Vannoy will leave Crowell Thursday afternoon for Dallas to prepare a Foard County exhibit booth for the State Fair which opens Saturday.

The theme of the exhibit will be the utilization of cotton for the making of mattresses on the farm. This will be the first year that Foard County has been represented with an exhibit booth at the State Fair in a number of years.

LARGE SUBSIDY PAYMENT MADE HERE THIS WEEK

Over \$43,000 Paid To Foard Farmers On Cotton Subsidy

One hundred and eighty government checks in payment for the 1939 cotton subsidy to Foard County farmers were received Wednesday morning by the Crowell AAA office. The sum of the checks was \$43,035.96.

The first group of cotton subsidy payment checks were received here on Sept. 4 and to date, through yesterday, there had been 727 subsidy checks, totaling \$43,012.32, received by farmers of the county.

According to the report from the AAA office, there are yet over 150 subsidy checks to be received here.

Formal Opening of New Motor Co. Set for Saturday

Formal opening of the new automobile agency, Edwards Motor Co., local dealers for the Chrysler and Plymouth cars, will be held Saturday, Sept. 7, when the new 1940 models will be on display in the show rooms of the new company one-half block west of the square, H. K. Edwards, manager, stated Wednesday. Mr. Edwards said that a carload of cars will be unloaded at the Santa Fe depot in Crowell this week.

Officials of the Dallas office of the Chrysler Motor Co., and also members of the Shirley-Self Motor Co. of Wichita Falls, distributors for the Chrysler and Plymouth cars for 17 counties in this section, will attend the opening Saturday and will assist in showing the new automobiles.

Completely new from bumper to bumper, the new 1940 Plymouth presents a new concept of size and luxury obtainable in cars for the lowest price field, Mr. Edwards stated. Stronger "eye appeal" is a feature of the new design, while the new 117-wheelbase permits a longer, wider, lower. (Continued on Page Five.)

Margaret Boy FFA Delegate To Kansas City

J. S. (Cotton) Owens of the Margaret community will represent the Crowell Chapter of the Future Farmers of America at the National F. F. A. convention to be held in Kansas City, Mo., on October 14-20. J. S. was elected by members of the local chapter at their regular monthly meeting held Monday night, Oct. 2.

He will leave Crowell Saturday morning, Oct. 14, for Shamrock where he will take a special bus to the convention in Kansas City, and will return the following Friday, Oct. 20.

Harvey Croshaw was elected as alternate to represent the Crowell chapter in the event that J. S. is unable to attend the national meeting.

William S. Wrenn was born in Stockton, Cedar County, Mo., on Dec. 4, 1858. At the age of three years, he came to Texas with his parents. (Continued on Page Four.)

NOCONA BOWS TO CROWELL LAST FRIDAY

Indians Hold Wildcats To 13-0 Score in Grid Tilt

Coach Grady Graves' Crowell Wildcats romped through their game here last Friday night to defeat the Nocona Indians by a score of 13 to 0 on their last practice tilt before meeting the powerful Burk Burnett Bulldogs on the Crowell gridiron next Friday night to open the District 9-A grid season.

Both teams were not at full strength Friday night as stars of both clubs were forced to watch the game from the sidelines because of injuries.

McBride, spark plug of the Indians and star quarterback, was not in uniform, due to a leg injury received in the Indians' game at Burk Burnett last week.

Que Meason, ground-gaining halfback for the Wildcats, was able to be in uniform but was unable to see service. He suffered a sprained ankle in a workout last week and was forced to sit on the bench during the game.

Frank Dunn, regular Wildcat guard, who received a back injury in the Paducah game was also out of the Crowell lineup.

John Lee Orr, quarterback, who has burned up the gridiron during the games of the season, was slowed down considerably by a sprained ankle which he received two weeks ago, however, he was the principal ground-gainer for the Wildcats against the Indians.

The ground attack of the Crowell eleven against Nocona was consistent and powerful but on several occasions when the Wildcats were in scoring position they failed to produce scoring punches. The defense of the Crowell boys appeared to be as strong as ever. (Continued on Page Four.)

PROBABLE STARTING LINE-UP

New Ford Models to Be Displayed Friday October 6

Enriched by refinements made possible by the manufacture under a single unified management of five cars which virtually bracket the motor car market, the Ford V-8 and the deluxe Ford V-8 cars for 1940, which will be on display in the show rooms of the Self Motor Co., Friday, Oct. 6, present notable advances in styling, comfort, convenience and safety, stated George Self, local Ford dealer, Wednesday.

The new cars are big, substantial and powerful in appearance, said Mr. Self. Body lines are pleasingly streamlined. Front end designs are distinctively modern, with low radiator grilles, long hoods and deeply rounded fenders. The trimly tailored interiors are big and roomy, with plenty of seat room, leg room, elbow room and shoulder room.

An important new feature of the new cars is a finger-tip gearshift mounted on the steering column under the two-spoke steering wheel. This provides increased room for driver and passengers in the front compartment. There is also a new controlled ventilation system. New seal-beamed headlamps are used on all types, providing greatly increased driving vision at night.

On the 85 horse-power cars, an improved spring suspension with a longer, more flexible front spring, and a torsion bar ride. (Continued on Page Five.)

CONOCO FILL-UP DAY

Cooper Service Station announced this week that it will have its annual fill-up day Saturday, Oct. 7. The event has been well advertised by J. G. Cooper, manager of the station, and he is urging people of the county to try Conoco service on this day and help the station reach a desired goal.

CITY OF CROWELL ASKS AID OF PARENTS IN DRIVE TO PROTECT SCHOOL CHILDREN ON HI-WAYS

The City of Crowell asks the parents of Crowell and the Crowell Independent School District to co-operate with it and the State Highway Department in the city's drive to protect the lives of school children, according to a notice released Wednesday by Mayor C. T. Schlagal.

The State Highway Department has co-operated with the city in a very efficient manner and has placed four school zone signs on the highways, two on State Highway 16 leading to north and two on State Highway 28 to the east of the city.

The city asks the co-operation of parents by instructing the school children to stay on the sidewalks, and out of the street, while walking to and from school, and at no time to walk along the highway slab, as this practice is very dangerous. Teach the children to watch at street intersec-

BURK BULLDOGS SEEK REVENGE AS FAVORITES

First Conference Tilt of Year; Wildcats Out for Victory

The football spotlight will be focused on the Crowell gridiron Friday night when the Crowell Wildcats and the Burk Burnett Bulldogs tangle at 8 o'clock in a football game which carries more color and draws more interest from grid authorities than any game which has been played in this district in several years.

The game tomorrow night will be the first District 9-A conference game for both teams, and this is the first time in several years that the Wildcats and Bulldogs have played this early in the season.

The principal reason for the dopesters to be watching this game so closely is because the winner will automatically be tagged as the favorite to go on through the season to win the district title, however, strong teams, such as the Chillicothe Eagles, Throckmorton's Greyhounds and other eleven, will yet have to be hurdled. In spite of the fact that several teams are looming as potential champions, in the past several years the winner of the Wildcat-Burk Burnett contest has won the district crown.

A greater part of the color that will be added to the game is the intense rivalry that has been built up between the two teams. During the past five years, Crowell and Burk Burnett have seen-sawed for the title in games that will never be forgotten. The greatest defeat brought to either club was last season when the Wildcats power-housed over the favored Bulldog eleven by a staggering score of 71-0 to give the Burk Burnett lads something to avenge this year and a blot that will forever be on their record.

Coach Volney Hill will bring his Bulldogs to Crowell tomorrow with a three-fold purpose in mind. The first, of course, is to win the game. The second is to try to get sweet revenge for last year's drubbing, and the third is to give the Crowell boys something to remember them by in their last conference game together.

Next season, Burk Burnett will be traveling in the best company of Class AA competition as that school became a Class AA school recently when Clara consolidated with Burk Burnett to put the scholastic enrollment well over the border line for the team to enter that division next year.

The other side of the picture is that of the Wildcats, who will also enter the fray with several thoughts in mind. Like the Bulldogs, the Crowell boys will have the thought of victory foremost in mind. They will be fighting to keep their old rivals from enjoying a much-wanted victory, and to give the Burk Burnett eleven a real farewell.

A part of the interest that revolves around the approaching game is one that is not known to (Continued on Page Four.)

Tax Discount Brings Rush Of Taxpayers

A large number of Foard County taxpayers are taking advantage of the three per cent discount being allowed on all 1939 state and county taxes paid during October, according to information from A. W. Lilly, tax assessor-collector, who reported that there had been a rush of taxpayers to his office this week.

The first to receive this discount was C. P. Sandifer of Crowell, who paid his 1939 taxes on Monday. Mr. Sandifer was also the first to pay his state and county taxes last year.

During this month, a discount of three per cent will be given on all state and county taxes paid. Next month the discount will be lowered to two per cent, and in December it will be one per cent. No discount will be allowed after December 31.

Why Make the Job Harder?

By T. C. RICHARDSON, Associate Editor Farm and Ranch, Breeder-Feeder Association.

It takes about five times as much labor to soak and feed milk to hogs as to feed it dry, and the pigs actually made more gain on dry milk than on soaked milk, according to tests at the Texas Experiment Station.

Why do pigs do better when the table is set twenty-four hours a day, and they eat free-choice than when hand-fed two or three times a day? That they do, has long been known.

We begin to get the answer when we learn that pigs in these tests made 28 trips to the self-feeder every 24 hours, eating a little each time, masticating it unhurriedly, and digesting it thoroughly.

It seems hardly necessary to refer to the mineral mixture, yet a few people still neglect this important factor in good hog feeding.

ple mineral mixture composed of equal parts by weight of bone meal, ground limestone or oyster shell flour and salt, will furnish the necessary minerals.

Generally speaking there are a better corn and other feed grain crops in the Southwest than last year. There are also more pigs to be fed.

It is understood, of course, that corn and the sorghum grains are deficient in proteins. A protein supplement of half tankage and half cottonseed meal should be provided in a separate self-feeder or a separate compartment from the grain.

Green pasture is the ideal for getting best results in fattening hogs with grain and protein supplement in self-feeders, but if green pasture is not to be had, a protein supplement made up of 40 parts tankage (by weight), 40 parts cottonseed meal, and 20 parts green alfalfa meal may be substituted.

It seems hardly necessary to refer to the mineral mixture, yet a few people still neglect this important factor in good hog feeding.

WINTER'S DASTARD 90 HOURS. 'skipped by OIL-PLATING your engine today. Can you figure on your car's Daily Winter Starting Schedule being any briefer than this?...

- No. 1 Start - GOING TO WORK
No. 2 Start - GOING TO LUNCH
No. 3 Start - RETURNING FROM LUNCH
No. 4 Start - GOING HOME FROM WORK
No. 5 Start - GOING TO THE MOVIE
No. 6 Start - GOING HOME FROM MOVIE

Could half-a-dozen starts or so get you through a day? Will your icy engine turn lukewarm in only 5 or 6 minutes? Even so, just think what that comes to, all through these bad months!... Total: 90 hours!

90 tough hours—and often more. A whole 90 hours when oiling that comes from "fast flow" alone lags far behind the sure lubrication that comes from changing today to OIL-PLATING.

OIL-PLATING is ready to lubricate sooner than any oil ever can flow—sooner than "instantly!"—because patented Conoco Germ Processed oil forces OIL-PLATING into a durable bond with the engine parts. OIL-PLATING becomes part of the parts!

And lo, I am with you always, even unto the end of the world. -Matt. 28:20.

It doesn't seem to us that the circus clowns are as funny as the circus clowns used to be forty and fifty years ago.

It is a nice art to be conscious of criticism but not discouraged by it. The fact that one is criticised is evidence of the fact that he has done something, which is more than can be said of most careless critics.

Too many people in this country who ought to be doing their own thinking are letting others do it for them, and too many people who ought to let others do their thinking are trying to do it for themselves.

The vegetable kingdom parallels the animal kingdom in many respects. Weeds and crab grass grow easily and will take a lawn or a farm if not curbed and rooted out. The same thing is true of the human race.

One of the big problems with keeping a democracy on an even keel is the fact that so often the best campaigner and the best vote getter makes the poorest officer and the poorest campaigner is the best officer material.

The difference between a good employee and a poor one is that the good employee can see what he ought to do and does it without being told. The inefficient workman is blind when it comes to seeing things to do.

Another nail was driven in the coffin of private industry when the government forced the private power company to sell its holdings in Tennessee.

Speaking of super salesmen there is the fellow who sold the farmer with one cow two milking machines and took in the cow as the down payment.

Dr. W. S. Wrenn—

(Continued from Page One) mother during the Civil War. His father was in the Southern Army at the time they moved.

He was married to Miss Georgia A. Huston at Zephyr on Nov. 9, 1892. Dr. and Mrs. Wrenn made their home in that city until 1921 when they moved to Margaret and purchased a drug store from Clyde Graham.

Dr. Wrenn continued the operation of the drug store and an active practice in and around Margaret until a few years ago when he retired because of failing health.

He was converted at Bells, Texas, in 1886, and had been an active member of the Methodist Church ever since that time.

He had at one time been active in the Masonic, Woodman and Odd Fellow organizations, but was forced to stop his lodge work several years ago because of poor health.

Dr. Wrenn is survived by his wife, one sister, Mrs. Bob Blakey of Savoy; two brothers, Charles Wrenn of Quinlan and J. B. Wrenn of Memphis.

Out-of-town relatives present for the last rites were: D. N. Huston, Miss Grace Huston, Brisk Huston and Spencer Graham of Lovington, N. M.; Harry Huston of Hobbs, N. M.; Mr. and Mrs. J. R. Eldridge of Quanah.

Former Crowell Grid Star Showing Up Well In Baylor Practice

Bernice Fitzgerald, all-district Crowell Wildcat end of last year, is showing well in freshman football practice at Baylor University at Waco, according to a report from Charles Blalack, Baylor Sports Editor, whose letter follows:

"Bernice Fitzgerald of Crowell was among the 55 fresh grid performers who reported for freshman football practice at Baylor this week.

"Fitzgerald has shown a lot of promise in practice sessions this week and Baylor grid coaches are going to give the Crowell youth a good chance to show his ability on the frosh eleven this fall.

"Jim Crow, head freshman coach, commented on the strength, speed, and size of the freshman candidates saying that they are the best looking bunch of boys he has ever worked with. 'They don't know any plays yet,' said Coach Crow, 'but I can say that they are a bunch of big, fast boys. They look even better than last year's Cubs'. Last year the Cubs went through an undefeated season."

Burk Game—

(Continued from Page One)

It is the fact that John Lee Orr, Que Meason, Oran Johnson and Wayne Canup will be playing to clear up the only marr on their football careers. These three boys have been playing with the Wildcats for three years and the only game that has been lost in which they played during that time was to Burk Burnett who defeated Crowell on the local gridiron in 1937 by a 21-7 score.

Pre-season and pre-game dope places the Bulldogs as the heavy favorites, however, the loyal fans in this vicinity will string along with the Wildcats, who have failed to roll up as an impressive scoring record as the Bulldogs this season.

With the opening of the second period, the Wildcats drove to the Indians' 32, where Nocona recovered a fumble to end the threat. A few plays later, Oran Johnson pounced on an Indian fumble to give Crowell the ball on their opponents' 30. Orr slipped through right tackle for 17 yards but here the attack abruptly ended when a Wildcat fumble was scooped up on the 12 by a Nocona player.

With the opening of the second period, the Wildcats drove to the Indians' 32, where Nocona recovered a fumble to end the threat. A few plays later, Oran Johnson pounced on an Indian fumble to give Crowell the ball on their opponents' 30. Orr slipped through right tackle for 17 yards but here the attack abruptly ended when a Wildcat fumble was scooped up on the 12 by a Nocona player.

On a pass play, Johnson clipped Martin to give the Indians 15 yards and a position in the Crowell area. Crain and Martin pushed the ball to the 32, but the Wildcat defense stiffened and Crowell took the ball on downs on its own 32. Canup lost 8 yards and Orr picked up 3. Ownbey raced right tackle, reversed the field and scampered 23 yards before being dropped on the Indians' 48. After losing 2 yards, the Wildcats launched a drive which carried them to Indians' 20, where they received a 15 yard penalty. The quarter ended with the Indians in possession of the ball on their own 22.

As the last period opened Nocona punted to the Crowell 38 and Crowell marched back to the enemies' 46, where McCarley intercepted Orr's pass. Taking to the air, Nocona completed a throw for nine yards and on the next play, Dick Smith, Crowell end, intercepted Martin's pass and raced to the Nocona 7-yard line before being dragged down by Martin. A penalty pushed the Wildcats back to the 10. A. Y. Olds, substitute quarterback, picked up 5 and on the fourth down Ownbey crashed through right tackle to cross the goal line standing up. Canup's kick was wide.

Four plays after the kickoff, Nocona punted to the Crowell 29, and the Crowell boys were forced to punt from the 37. The Indians took the ball on their own 22 and the remainder of the game was played deep in Nocona territory. Crowell uncovered a running threat in Bill Ownbey, halfback, who received his first chance at carrying the ball Friday night, and he came through in excellent form. He ripped off runs of 23, 21, and 20 yards and a number of runs for smaller gains.

Glendon Russell played a fine brand of football in the right guard position, replacing Dan Summary.

Score by quarters: Crowell 7 0 0 6—19; Nocona 0 0 0 0—0.

Yards gained rushing by quarters: Crowell 90 48 100 21—259; Nocona 8 12 18 21—59.

Yards lost rushing—Crowell 55; Nocona 24. Passes—Crowell tried 12, completed 4 for 29 yards and had 1 intercepted; Crowell tried 10, completed 2 for 25 yards and had three intercepted. Punt—Crowell fumbled 6 times recovering 2; Nocona fumbled 4 times, recovering 4. Punt—Crowell punted 3 times for an average of 21 yards, after having one punt blocked. Nocona punted 5 times for an average of 36 yards. Penalties—Crowell penalized 6 times for 50 yards. Nocona received no penalties. First downs—Crowell 10, Nocona 2.

Nocona Indians—

because the Indians were unable to drive through or around the forward wall and had very little luck in passing over it.

Orr Scores Early Orr opened the game with a spectacular return of the opening kickoff. He scooped up the ball on the 5-yard line and twisted his way through the entire Nocona team to nearly break into the open before being brought down on his own 46.

Getting underway, the Wildcats launched a drive which featured the running of Orr and netted 56 yards in five plays. On four plays, Orr picked up 45 yards, of which he made 35 yards with one run, and on the fifth play, he dropped back and shot a pass to Wayne Canup, end, for 11 yards and the first score. Canup added the extra point with a place kick.

The remainder of the initial period was played in Indian territory, however, the Wildcats were forced to take punts in their side of the field twice, but they immediately returned to Indian ground. On one series of plays, the Crowell lads marched from their own 35 to the Indians' 23 before the drive bogged down and Nocona took the ball on downs.

With the opening of the second period, the Wildcats drove to the Indians' 32, where Nocona recovered a fumble to end the threat. A few plays later, Oran Johnson pounced on an Indian fumble to give Crowell the ball on their opponents' 30. Orr slipped through right tackle for 17 yards but here the attack abruptly ended when a Wildcat fumble was scooped up on the 12 by a Nocona player.

Nocona punted and Crowell started another drive on the Indians' 42 and advanced to the 22 before losing the ball on downs. Shropshire passed to Frazier to put Nocona on the 44 and two line plays carried the ball to the 50, but the Indians were stopped before crossing into Crowell territory when a Crowell player fell on an Indian fumble on the 50.

Orr took the opening kickoff of the second half on his own 10 and returned to the 39. Ownbey ripped off 21 yards through right tackle and Crowell entered the Indians' side of the field when Orr made 2. A few plays later a Crowell punt was blocked and Nocona recovered on the Crowell 48 to have possession of the ball for the first time on Crowell's side of the mid-stripe. Crain fumbled and lost 4 to place the Indians back on their own ground.

On a pass play, Johnson clipped Martin to give the Indians 15 yards and a position in the Crowell area. Crain and Martin pushed the ball to the 32, but the Wildcat defense stiffened and Crowell took the ball on downs on its own 32. Canup lost 8 yards and Orr picked up 3. Ownbey raced right tackle, reversed the field and scampered 23 yards before being dropped on the Indians' 48. Jr. May God bless each of you. Mr. and Mrs. C. D. Mullins and Family. WEST SIDE H. D. CLUB "If there is any doubt about a dog having rabies do not allow him to be killed," stated Miss Joellene Vannoy to the West Side Home Demonstration Club which met with Mrs. Veatrice Brock Wednesday, Sept. 27. Usually the dog is shot in the head, continued Miss Vannoy. This makes it impossible to find out if the dog had hydrophobia. The dog should be isolated and watched very carefully for a time, and if he is found to have the disease he should be killed, his head packed in ice and sent to be analyzed. Many interesting first aid suggestions were given by Miss Vannoy. CROWELL 4-H CLUB NO. 1 The 4-H Club No. 1 of Crowell met Monday, Sept. 25, and organized a 4-H Club. RIVERSIDE H. D. CLUB The Riverside Home Demonstration Club met Sept. 26 in the home of Mrs. Frank Ward. Mrs. S. H. Hembree made a report on her trip to the Home Demonstration Association at Lubbock. Approximately 450 women attended the session each day. Miss Horton said that "Home Demonstration work offers truest opportunity for real education if we believe that education is a preparation to aid us to understand our environment and to live unselfishly and happily." Miss Lola Clark Pearson, associate editor of Farmer-Stockman, said for 15 years she had watched the growth of home demonstration work in the Southwest and that nothing except perhaps 4-H Club work had contributed so much to improving the standard of the home and, indirectly, the standard of citizenship as the home demonstration clubs. Each club was urged to take more interest in 4-H Clubs. Nine members were present. The next meeting will be with Mrs. R. G. Whitten October 10, unless some one wants a mattress made the club would meet in their home in an all-day meeting. FOARD CITY H. D. CLUB "Comfortable, healthful sleep is largely dependent upon a good mattress," said Miss Joellene Vannoy, county home demonstration agent, to the members of the Foard City Home Demonstration Club which met at the club house Tuesday, Oct. 3, at 10 a. m. The mattress may be considered as a cushion for the body. It should be sufficiently firm to support the body, yet it should be yielding enough to conform to every curve of the body and to the movements of the sleeper, continued Miss Vannoy. One mattress was made for Mrs. A. Weatherall and another was made for the Foard County educational exhibit at the Dallas Fair. Mrs. Grady McLain gave some hints on "Brightening The Corner," and Mrs. E. V. Halbert discussed "Decoration of the Home at Christmas Time." New officers for the coming year were elected as follows: Mrs. Blake McDaniel, president; Mrs. E. V. Halbert, vice president; Mrs. Audren Davis, secretary; and Mrs. Jim Shook, council delegate. Visitors were, Mrs. J. R. Merriman, Mrs. Chas. Merriman, Mrs. Bill Rollins, Mrs. E. M. Whitby and Mrs. Monte Eavenson. The club will meet next with Mrs. Jim Shook Oct. 17, for a yard demonstration. THALIA 4-H CLUB "Teeth should be brushed twice a day," stated Miss Joellene Vannoy, Wednesday, Sept. 20, at the Thalia girls' 4-H Club. "A person that has been greatly injured in a car wreck should not be jammed into a car and rushed to the doctor because further injuries might be made, but the patient should be laid beside the road in as comfortable a position as possible until the ambulance has arrived," continued Miss Vannoy in her safety first talk. Those present were: Bessie Gamble, Mae Melton, Dorothy Mae Hlavaty, Marie Cook, Clairene Roberts, Flodel Wallace, Axie McKinley, Mary Jo Hogan, Hazel Ray Marlow, Carolita Jones, Wilma Flesher, Nell Thompson and Miss Joellene Vannoy, home demonstration agent. CARD OF THANKS We wish to express our sincere thanks and appreciation for the many acts of kindness and for every word of sympathy extended to our family during the illness and death of our loved one, Mr. M. L. Self. We deeply appreciate the kindness and faithful services of the nurses, doctors and the undertaker, Mr. Henderson. The flowers were very beautiful and were deeply appreciated. Mrs. M. L. Self and Children. Mrs. Nancy Fullerton.

Methodist News Notes

It was heartening and inspiring last Sunday to see the good increase in the services of the day. The congregation is responding to the Loyalty Month in a great way.

If you were not present last Sunday, make up for it in the four Sundays that are to follow. There was a marked increase in the Sunday School as well as in the preaching service.

We have been promised special music for each service during the Loyalty Month. Last Sunday it was special music of the best order, and it was appreciated by all. The evening services will be held indoors or outdoors according to the weather, and all services will be planned with an idea of making these Loyalty Month services, worshipful, spiritual and helpful. E. L. YEATS.

all Churches of Christ, Scientist, on Sunday, October 8. The Golden Text is: "Bless the Lord, O my soul, and forget not all his benefits: who forgiveth all thine iniquities; who healeth all thy diseases" (Psalms 103:2, 3).

Among the citations which comprise the Lesson-Sermon, is the following from the Bible: "The law of the Lord is perfect, converting the soul; the testimony of the Lord is sure, making wise the simple. The statutes of the Lord are right, rejoicing the heart; the commandment of the Lord is pure, enlightening the eyes" (Psalms 19:7, 8).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The belief in sin and death is destroyed by the law of God, which is the law of Life instead of death, of harmony instead of discord, of Spirit instead of the flesh" (page 253).

Two Minute Sermon (By Thomas Hastwell)

The Highway To Happiness: The other day I had occasion to sit through a session of a large city police court. One after another of the wrong doers were brought before the judge, who, after inquiring into the facts of the case, sentenced them. One thing I noticed that they all had in common. They all appeared unhappy. There was not a smiling care free face among the lot. There is something in the violation of civil law and the threat of apprehension that seems to destroy happiness and plunge the wrong doer into the depths of unhappiness. In like manner is it true of the man who violates God's laws. His sin makes him unhappy. They are a burden upon his heart and conscience that weigh down his spirits. Once he quits the error of his way and the load is lifted the feeling of a great sense of relief from an oppressive burden comes over the sinner. This fact alone, if there were no other reason, is evidence that no wrong doer can be truly happy, that happiness and contentment, and the fullest measure of living life only in the obedience of God's laws.

Your Horoscope

September 24, 25—You have an uncertainty in your nature which makes life difficult for you. You seem to live in a cloud of fear. You have a good business head and a great deal of natural ability which you would do well to trust. Stop seeking advice and step out on your own merit. You have a fine intuition. September 26, 27, 28—You are of an affectionate nature and demand affection in return. Any little attention sets your world right. You have a determined streak in your nature which is almost obstinacy. You are trust worthy and loyal but can stoop to criticism. Why worry about things you can't change. You have musical ability, are cultured and a lover of beauty. You converse fluently and have many friends. September 29, 30—You have a fearless nature and obstructions melt before you. You have faith in your own abilities and believe yourself equal to any situation. You are fond of your home and always place your own people first. You despise pretense of any kind. There is small chance to change your ideas when you are convinced you are right. October 1, 2—As a trained mechanic you would keep well to the top in your chosen line of work. In the business world you are clever but always the soul of honor and trustworthiness. Your stock contains only reliable brands. Love is your aim in all your dealings and your disposition is genial and happy. You are firm in your religious convictions and your home is your kingdom. October 3, 4—Keeping your own council and a thoughtful pride make you the recipient of many confidences. Friends know you respect a trust. You are well informed on general subjects and talk with conviction. You see through things easily and keep your own council. You pay your debts and expect what is due you. You are successful in trades and other undertakings. Injustice

Our Weekly Sermon

By Rev. P. B. Fitzwater, D. D., Director of Pastors' Course, Moody Bible Institute, Chicago

Prayer

Text—The effectual fervent prayer of a righteous man availeth much.—James 5:16.

It is highly important that the Christian should be able to pray with success. One reason so little is achieved by prayer is because of gross ignorance as to what prayer is.

Prayer in its highest sense is the communion of the believer with God, in which he speaks to God and God speaks to him. It is really the voice of the Holy Spirit interceding in the believer and for him "with groanings which cannot be uttered."

Moses gives us one of the most outstanding examples of true prayer found in the Bible. "And when Moses was gone into the tabernacle of the congregation to speak with him (that is to God), then he heard the voice of one speaking unto him from off the mercy seat that was upon the ark of the testimony, from between the two cherubims; and he spake unto him" (Num. 7:89).

It should be borne in mind that a supreme triumph of the praying soul is not found in supplication to God, but in the revelation of God. This explains our Lord's all-night prayers. They were not so much nights of asking or interceding, but rather the spreading out of His whole personality before the heavenly Father, even as Gideon spread out his fleece on the plains of Jezreel to get it filled with dew.

The Lord in His first great lesson on prayer explicitly taught that the suppliant must above all else cultivate the habit of absolute aloneness with God (Matt. 6:6). The late Dr. Shaffer said, "Prayer is a prodigious force or a disgraceful farce. If a farce, you pray much, and get little; if a force, you pray little and get much."

It is well understood that real prayer rests upon certain conditions. Among them may be mentioned the following: Judging and Forsaking Sin. "If I regard iniquity in my heart, the Lord will not hear me" (Ps. 66:18). The word "regard" means to look at with favor. The person, therefore, who finds pleasure and delight in sin cannot have success in praying. If one does not receive an answer to his prayer, it is well that he enter into a personal examination as to his spirit and practice. Then there must be a forgiving spirit. Jesus declares, "And when

ye stand praying, forgive, if ye have aught against any; that your Father also which is in heaven may forgive you your trespasses" (Mark 11:25).

Further, there should be proper motive. "Ye ask, and receive not, because ye ask not with a right heart. Ye may consume it upon lusts" (James 4:3). The alluring motive of the true Christian is to honor and glorify God for things which will enable him to honor Him. If the motive therefore to gratify the lust of the flesh there will be no success in praying.

There must also be persistence in prayer. In Luke 11:8, we find that the man who came to his friend did not receive bread because of his friend's reluctance, but because of his persistence. God delights in the persistent prayer of the individual, which is proof of his sincerity. It is because God can be taxed doing that which He is unable to do, but because it manifests the earnestness of the petitioner, that He answers the prayer offered in the name of our Lord Jesus Christ. This means, of course, that it must be in harmony with God's will, and offered in recognition of the fact that all blessings come to us through Christ, the mediator.

Prayer is a grace of God. God alone must give it and we must use it. It is necessary that we should pray for open eyes to behold the wonderful things of God's Word. This is the secret of successful Bible study. James 1:5 we are taught that one lacking wisdom should ask God. This means not only spiritual wisdom, but wisdom in common things of life. The person who recognizes his limitations ask God for instruction in all that pertains to his needs. How necessary, therefore, that there be a purified heart and spirit of prayer, that in all our activities and problems we have the help and blessing of God.

Through August, 1938, the University of Texas issued 35 degrees. Bachelors in arts, sciences were more numerous, 10,933, masters of science, and business administration, bachelors of engineering follow with 3,801 and 3,258.

COMING ATTRACTION

Jackson's English One will be in charge of the assembly program this week. Their program will be chiefly in honor of Whitcomb Riley, whose birthday is Saturday. Not only the student body, but their parents and other citizens are invited to attend.

HOME ROOM

Home rooms have been organized and are the first period. The purpose of these is to teach the students parliamentary law, safety, etiquette, and civics of the day. They meet Tuesday class period. Each room will present one assembly program.

CONGRESS ORGANIZED

Civics class has organized a House of Representatives. This organization to help students understand the stages of bills passed, the actual responsibility of a congressman and how

the Government is conducted.

In the class there are eighteen Democrats and five Republicans. The names of actual Representatives were selected by the class members. The officers were elected. Speaker Bankhead is represented by Glendon Russell. There is also a clerk, sergeant-at-arms, door keeper and a chaplain. So far only two bills have been passed before the house.

SPORTS

(By Tom Andrews)

The CHS football team has worked hard all week preparing for the big game of the season with Burkburnett. This game and the district championship, probably; although the rest of the district is stronger than usual. All the injured members of the squad are in good shape and should play most of the game anyway.

Score prediction: Crowell to win by two touchdowns.

Probable starting lineup for Crowell:

Backs: "Booger" Orr, "Buford"

Meason, "Hurry Up" Gibson, "Crusher" Ownbey.
 Line: "Rock Wall" Canup, "Doc" Clark, "Cyclone" Sollis, "Spratt" Fitzgerald, "Panche" Dunn, "Bulger" Johnson, "Dandy Dick" Smith.

In this lineup Crowell has two men who made all-district last year.

JUNIOR PICNIC

Last Tuesday afternoon the Juniors celebrated by having a picnic at the Spring Lake Country Club. They were accompanied by their sponsor, Mr. Rucker, and their class mothers, Mrs. T. F. Hughston, Mrs. Stanley Sanders, Mrs. Dwight Campbell, and Mrs. Sam Mills. Many games were played after which a delicious picnic lunch was spread. There were approximately thirty-five present.

SOPHOMORE WEINER ROAST

Nibdat afterbibb tree signires ebbitad a weuber riarst at the Spring Lake Country Club. They were accompanied by Mr. and Mrs. Meyers and Mrs. Tanner Billington. Games of "spud" and "flying Dutchman" were played. Following the games the group partook of a delicious picnic supper.

HOME MAKING DEPARTMENT

The second year class of the Home Making Department has taken as its class project new equip-

ment for the kitchen. The laboratory is equipped for thirty students with space for eighteen. This plainly shows that our laboratory needs to be enlarged, with the consolidation of new schools. One piece of new equipment replaced was an iron. Somebody took such a fancy to the iron that they took it away and left the department in distress.

Curtains for the Home Making Department were purchased by the P. H. T. club members and they are being made by the Home Making III class. After the curtains are up the student body is invited to see them.

ASSEMBLY PROGRAM

Thursday morning, September 28, Crowell High School students met in the High School auditorium for their first weekly assembly. The program was opened by the entire student body singing "The Star Spangled Banner" and giving the pledge of allegiance to the flag.

Mr. Foster's Chemistry class had charge of the program. Billy Gene Russell gave a talk on "Ten Money Value of an Education." The main event was a pantomime written and directed by Charley Clark. The pantomime was entitled "The Life of a Typical Senior" and was given in eleven acts.

The senior was portrayed by W. D. Hudgins, who received many ovations for his splendid performance. Others taking part in the program were Joyce White, H. C. Brown, Carol Thompson,

Enormous Volume Raw Material Used in Auto Industry

Henry Borchardt of the Borchardt Chevrolet Co., local Chevrolet dealership, in an interview today commented upon the history of the automobile industry of which Chevrolet is an important part. In fact, he stated that the automobile industry is still in its infancy. We look forward to the day when, responding to the demand of the people, Federal, State and County legislation will not only improve the present system of highways, but will continue to increase their number. We look forward to one-direction highways between the bigger and more important centers, and multiple-decked streets in the congested city districts. We look forward to architects' providing plans for apartment houses and public

Ray Burrow, Yvonne McLain, Ruby Adams, Riley Adams, and Estelle Autry. Theda Wright announced the acts. Robert Saunders and Jimmie Williams entertained between acts with jokes in Negro dialect. The program was concluded by singing "The Eyes of Texas."

Superintendent Graves has announced that the chapel programs for the remainder of this year will include singing of a patriotic song, pledge to the flag, some educational program, and closed by singing "The Eyes of Texas."

buildings containing three or more sub-cellars having ramps for ingress and egress, to afford adequate garage and parking facilities.

The importance of the automobile industry in American life and its tremendous growth are indicated by the following figures:

The automobile industry is the largest user of several commodities: steel in all forms, malleable iron, gasoline, lubricating oil, rubber, plate glass, nickel, lead, mohair and upholstery leather.

The number of carloads of automobile freight shipped over railroads annually is well over two and a half million tons.

* United States motor vehicle manufacturing use only.
 ** Estimated by "Automobile

Facts & Figures" for 1934. The foregoing figures show conclusively how important the automobile is to practically every community in America.

It is estimated that the manufacture of one automobile provides seventy-two days' employment.

Miss Virgie Sanders Becomes Bride of Henry Ashford Sat.

The marriage of Miss Virgie Sanders to Henry L. Ashford was solemnized in a quiet ceremony Saturday evening at 8 o'clock at the home of Mrs. Eva Ashford, mother of the groom. Rev. E. L. Yeats, pastor of the Methodist Church, performed the marriage rites.

Attending the wedding were Mrs. Eva Ashford, Mr. and Mrs. George Fox and children, Mr. and Mrs. A. L. Johnson and three children, Mr. and Mrs. Cecil Anderson, Mrs. Charlie Ashford, George Carter, Mr. and Mrs. T. B. Klepper and Billy Klepper.

Mrs. Ashford is the daughter of R. H. Sanders of Leesburg, Texas. She attended the schools of Leesburg, and has resided in Crowell for the past eight years, having made her home with her brother, B. F. Sanders, and family.

Mr. Ashford is the youngest son of Mrs. Eva Ashford and the late J. A. Ashford, pioneer residents of Foard County. He received his education in the Crowell schools, graduating from High School here in 1932. Since that time he has been an employee of the Foard County News.

Mr. and Mrs. Ashford are living at the Ashford family home.

Leland Stovall Wed to San Antonio Girl Last Saturday Night

In a very beautiful and impressive ceremony at St. Mark's Episcopal Church in San Antonio Saturday night, Sept. 30, at 8 o'clock, Miss Norma Lee Clements, daughter of Mrs. J. Verner Clements of San Antonio, and Mr. Leland Stovall, of Corpus Christi, son of Mr. and Mrs. J. A. Stovall of Crowell, were united in marriage by Rev. Everett Jones of San Antonio.

Before the ceremony Onis Harrison of San Antonio sang "Because," accompanied by Walter Dunham of San Antonio, who also played the wedding march.

The bride, given in marriage by her brother, Jesse Clements of San Antonio, wore a white brocaded moire taffeta wedding gown made in princess style. She wore a halo cap and veil of fingertip length. Her bouquet was white rosebuds and lilies of the valley. For something old, she carried a handkerchief made by the groom's great-grandmother.

The bride's sister, Miss Florence Clements of San Antonio, attended her as maid of honor. Miss Clements' dress was of green chiffon velvet and she wore a green velvet halo cap. Her bouquet was pink rosebuds. Dr. Leo Spann of Austin, attended the groom as best man.

Mrs. Stovall's going away dress was of blue wool with a full length coat to match and dubonet accessories. After the ceremony Mr. and Mrs. Stovall left for a short wedding trip to New Orleans, La.

wedding were, Mrs. Glen Hewett of Beaumont and Miss Rent Edwards of Tyler, both aunts of the bride; Mr. and Mrs. Ray Van Eydien of Houston, Dr. and Mrs. Leo Spann of Austin, Miss Modena Stovall of Crowell, sister of the groom, and Mr. and Mrs. J. A. Stovall of Crowell, parents of the groom.

Willard Kerley Weds in Illinois

Rev. Willard Kerley of Hutsonville, Ill., and Miss Freda Bishop of Marshall, Ill., were united in marriage Thursday, Sept. 7, at the home of her parents. Only relatives and a few close friends were present.

Mr. Kerley is the only son of Mr. and Mrs. John Kerley of Margaret. He graduated from Crowell High School in 1934. Following his graduation he spent four years at Johnson Bible School at Kimberlin Heights, Tenn. Since that time he has filled several pastorates in Illinois and at present is located at Hutsonville where the young couple will reside.

Mrs. Kerley is the oldest daughter of Mr. and Mrs. R. E. Bishop of Marshall and was reared in that vicinity.

Shower Compliments Thalia Bride - Elect

Miss Joy Hudgeons, bride-elect of Dr. Loyd Roberson of Amarillo, was named honor guest Friday afternoon when Misses Sybil Gobin and Jonnie Ruth Wisdom entertained with a lovely miscellaneous shower in the basement of the First Baptist Church.

The guests were greeted informally and ushered into the dining room where Mrs. J. D. Miller presided at the punch service.

Mrs. Beecher Wisdom stood at the pretty bride's book as the guests registered. Clever games and contests were enjoyed during the afternoon. The honoree received many lovely and useful gifts. Out-of-town visitors for the event were, Mrs. Roy Hoffman of Five-in-One, Mrs. Lee Roberson, Mrs. Bob Kern and Mrs. Pete Roberson of Lockett.

M. E. MISSIONARY SOCIETY

With Mrs. Hubert Brown as hostess, the Methodist Missionary Society met in a social meeting Monday afternoon. Mrs. Foster Davis was lesson leader on the general theme, "Lifting Our Horizons in Fields Afar Through a United Methodism." Mrs. Sam Crews played soft music for a quiet period preceding the lesson. Mrs. Davis read Phil. 3:7-15 for the meditation, "Seek and Find."

Mrs. M. S. Henry discussed, "Schools in Foreign Countries," in which she stated that the first foreign Methodist Church was established in India in 1865.

Mrs. Hines Clark presented the main features from "The Bulletin." Attention was called to the fact that the Week of Prayer would be held in November. The hostess served a refreshment plate during the social hour.

First New Subscription to Fort Worth Star-Telegram Received at the Foard County News Wednesday

ADELPHIAN CLUB

On the evening of September 28 the Adelpian Club enjoyed Gentlemen's Evening with Mesdames Clint White, Floyd Thomas, Verne Walden, Foster Davis, E. Harwell and Misses Frances Hill and Florence Black as hostesses. A buffet supper was served in the back yard of the club house. The guests then carried their chairs to the front yard where the program was rendered from the porch.

Mrs. Claude Brooks was leader for the evening. The musical part of the program consisted of a vocal solo, "O Solo Mio," by John Thomas Raso; a trombone solo, "The Rosary," by Billie Fred Short and "Alexander's Rag Time Band," by both boys. They were accompanied at the piano by Miss Anne Lee Long. Mrs. Brooks then introduced as the speaker, Mr. Leslie Thomas, whose subject was, "The Art of Conversation." Mr. Thomas stated that conversation really was an art and that it didn't just happen. He told how not to be a yawn-spawner, told all the different types of word walloping and described the art of repartee from its origin down to the present time. His talk included many jokes and stories and was very amusing and interesting.

ROTARY CLUB

John S. Ray was in charge of the program of the Crowell Rotary Club Wednesday which included an interesting talk by Miss Joellene Vannoy, Foard County Home Demonstration Agent, regarding the progress of 4-H Club work in this county. Miss Vannoy gave a detailed outline of the work and pointed out the many advantages the work gives to girls.

Visitors for this meeting were Miss Vannoy, Mrs. John S. Ray, Rotarian R. K. Ayers of Vernon, Rotarians Carl Vestal and Spencer Marrow of Quanaah and B. E. McGlamery of Eastland, supervisor of crippled children's division, State Department of Education. I. T. Graves and Frank Kirkpatrick were named as the program committee for the next two weeks.

The first new subscription to be received at The News office for the Fort Worth Star-Telegram in connection with a clubbing offer with the Foard County News was received Wednesday from Luther Tamplen of Route 2.
