## AAA Sponsoring Mattress Making Project In Foard County For Farmers With Incomes Below \$400

The AAA, in connection with Extension Service and work in co-operation with the Survey and Commodity Corporation, will sponsor a mattress making campaign in Foard County, according to information released Wednesday from the Crowell AAA office.

This campaign, all farmers with incomes below \$400 will be allowed to receive a mattress. The mattress will be made of cotton and ten feet long, which is the standard size for one double mattress. Only those farmers whose income is below \$400 are eligible to receive a mattress.

The mattress making campaign will call at the Foard Agriculture Conservation Service to make application for the materials, and only one mattress will be allowed to the farmer regardless as to the number of families.

The total income of the family considered in determining eligibility of the farmer.

Conservation has arisen in families receiving Works Administration employment. It is, whether or not, eligible for the mattress making campaign and receives at least \$100 income from agricultural products, or as laborers, the income does not exceed \$400 per year.

Those receiving more than \$400 per year on WPA and the income from agricultural products, will not be eligible, but those receiving \$200 or more from WPA and the remainder of \$400 income from agricultural products are eligible.

County officials are ready to take these applications. For further details contact either Miss Joellannoy, county home demonstration agent; John Nagy, farm agent, or any of the Crowell AAA office.

## Texas Co. Well No. 19 Completed at 3,555-79 Feet

The Texas Co. No. 19 L. K. Johnson has been completed in the lime at 3,557-79 feet and is making 70 barrels of oil accompanied by 165,000 cubic feet of wet gas.

The well is located in section 35, block "L," in S. P. R. R. survey, Texaco pool, 20 miles west of Crowell.

## Training School at Baptist Church Closed Friday Night

The First Baptist Church closed its annual Training Union week of study Friday night. Miss Margaret Curtis is the Training Union director and Rev. W. B. Fitzgerald is the pastor.

Mrs. A. Adamek of the State Training Union Department, with headquarters in Dallas, conducted the campaign again this year and reports an increase in attendance and interest over last year.

A class for adults was conducted by Rev. W. B. Fitzgerald, seniors were taught by Mrs. Adamek, intermediates by Mrs. Raymond Burrow, juniors by Mrs. W. B. Fitzgerald, and primaries by Mrs. Earl Davis and Mrs. Ben Greening. The enrollment for the entire school was 182.

There are approximately 9,000 organizations in Texas with a combined membership of 200,000, the purpose of which is to enlist, enlighten and develop the members of the Baptist Churches.

The program for the week was of a varied nature consisting of songs, study and fellowship. Mrs. Adamek stated that the local Baptist Church is to be congratulated upon its sincere and earnest desire for study and its fine spirit of co-operation and progress, under the direction of its pastor, Rev. Fitzgerald.

## Birthday of Former Resident Will Be Celebrated Saturday

The 90th birthday of A. N. Roach of Cordell, Okla., will be celebrated Saturday, April 20, with a pioneer reunion and homecoming of first pupils of the Black school, which was built in 1886 by Mr. Roach. The all-day program will be given at the Black school building and all old-time former pupils of the school, county officials and candidates and all others who want to attend, are invited.

Mr. Roach is a pioneer resident of Foard County, coming to this county in 1885, at which time he settled on the Henry Teague place. He is the uncle of Walter, Claude and Grover Nichols and Mrs. Clyde Cobb, all of the Black community.

The first part of the morning will be devoted to visiting and renewing of acquaintances. The program will be started at 11 a. m. by the master of ceremonies, Leslie Thomas, Crowell attorney, who will introduce the honor guest, Mr. Roach.

The story of the building of the first Black school house by Mr. Thomas will be followed with a roll call of the first students of the school. A song, "Silver Haired Daddy," will be given by Mrs. Henry Fish of the Vivian community.

S. P. McLaughlin of Crowell will give a reading and a talk will be made by Mrs. N. J. Roberts of Crowell. A number of songs will be rendered by Mrs. T. B. Klepper and Mrs. Charlie Thompson of Crowell, and H. E. Ferguson of Crowell will entertain with old cowboy songs.

The Five-in-One school band, under the direction of Henry C. Teague, will render several numbers and favorite songs will be given by a quartet from Crowell. The musical part of the program will be concluded with a song by Mrs. Otis Tole and Mrs. Henry Teague of Vernon.

The remainder of the day will be devoted to recreation which will include ball games for men and boys, and games for young boys and girls under the direction of Miss Joellene Vannoy and Mrs. John Nichols.

A basket lunch will be spread at the school house at the noon hour.

## Dist. Conference To Be Held At Thalia Church

District conference will be held at the Thalia Methodist Church on next Tuesday, according to an announcement by Rev. Don Culbertson, the pastor.

The all-day program will start at 9 o'clock Tuesday morning and will feature Dr. Frank Turner, president of McMurry College in Abilene, as the principal speaker. Rev. Cal Wright of Vernon, presiding elder, will be in charge of the program. Dinner will be served in the basement of the church at the noon hour.

Churches in Foard, Hardeman, Cottle, Hall, Wilbarger, Childress and King Counties will be represented at the Thalia church Tuesday.

This meeting is open to the public and everyone is invited to attend the program.

## 91st Birthday of Mrs. G. M. Jones Celebrated Sunday

Relatives of Mrs. G. M. Jones gathered at noon Sunday at her home four miles southwest of Crowell with basket lunches to honor her on her 91st birthday which came on Monday, April 15.

Mrs. Jones is the mother of eight living children, five sons and three daughters. She lives with her son, W. A. Jones.

Those present for the celebration Sunday were: D. B. Jones, and Mr. and Mrs. Dibrel Jones and daughter, Leola, of Gore; Garnett Jones of Ralls, Mr. and Mrs. W. B. Jones and daughter, Miss Evelyn; Mr. and Mrs. Glenn Jones and son, Glenn Norris; Mr. and Mrs. Dale Jones and son, Dale Keith, and Ed Thomas, all of Crowell.

Mrs. Jones was the recipient of a number of lovely gifts.

Visitors during the afternoon were Mr. and Mrs. H. E. Davis and son, Byron Davis, of Crowell.

## Birthday Celebrated

MRS. G. M. JONES

## Teachers of Crowell Schools Are Re-Elected At Called Meeting of School Board Wednesday Afternoon

## Wishon Wildcat Drilling Around 2,000 Wednesday

The depth of the wildcat oil test being drilled on the Wishon ranch 10 miles southwest of Crowell by the Domain Oil Company, with Fred Poole as the drilling contractor, is around 2,000 feet. Formations in this well are being encountered about 200 feet higher than in the Texaco field a few miles to the west, according to reports.

**Raspberry Well**  
The contract depth of the Raspberry well 15 miles west of Crowell was reached Wednesday of last week by the Ohio Oil Co., however, it was decided to drill the test 1,000 feet deeper and the depth is around 5,500 feet at the present time.  
J. F. Postelle of Odessa is the drilling contractor.

## Crowell Youth Confesses Wednesday to Three Burglaries

A Crowell youth confessed to three recent burglaries of the Cooper Service Station here during the past few weeks after being arrested in Wichita Falls Wednesday morning by Sheriff Amos W. Lilly. The boy was returned to Crowell Wednesday and after waiving examining trial is being held under a bond of \$3,000.

According to the signed confession, the first burglary was on the night of April 3, at which time he stated he took about \$5.95. The second burglary was on the night of April 14 and he took a box of cigars after finding no money, but returned the cigars to the station later in the night. The last burglary occurred Tuesday night when he took a carton of cigarettes, one box of cigars, two cans of smoking tobacco and several packages of chewing gum. He sold the stolen merchandise for \$3.00 but it was recovered at the time of the arrest.

The boy had left Crowell Wednesday morning to enter a CCC camp, but his actions here before leaving for Wichita Falls led to his arrest. The stolen goods were found in a suitcase owned by another boy in the group who told officials how he obtained it.

Local officials have been somewhat faced with a blank wall in this series of burglaries as no clues were left. The youth stated that he entered the building through a window and kept his hands covered with a handkerchief in order not to leave fingerprints.

## Members of Third Year Homemaking Class Win Honors

The Third Year Homemaking group that won at the style show last week failed to get into the News last week, and the judges said they were the prettiest special occasion dresses that they had ever judged. So apologies, please, for the oversight and here they are:

Highly Superior — Iva Mae Bradford, Beverly Huggston, Frances Henry Johnson, Vern Joy and Mary Ella Rettig.  
Superior — Doris Campbell, Frances Garrett, Faye Griffin and Laura Bell Whitfield.  
Excellent — Lola Mae Donaldson, Christine Hicks, Verna Ray Morrison and Betty Stinebaugh.  
Good — Iva Ruth Gafford, Lou Martin and Tonabel Carter.

Next week four or five girls will leave for Dallas for the Future Homemakers Rally to be held there April 24-27. Girls are already adding points to see who the winners will be and several girls have about the same number. It is too bad that they can't all go. The winners will be in next week's edition.

## FRACTURES HIP

C. L. Rucker fell Saturday afternoon and fractured his left hip. The accident happened when he slipped after getting out of the bath tub. Reports are to the effect that he is getting along as well as could be expected, considering his age.

## SERIOUSLY ILL

R. Davis is seriously ill in the Quannah hospital, having been taken to the hospital last Saturday. Mr. Davis received a bruise on his arm last week and within a few days he was suffering from blood poisoning.

## Crowell One-Act Play Cast Wins District 4 Tourney Here Saturday

## Vehicle Owners Warned to Fix Lights, Brakes

## Mayor Schlagal Asks Co-Operation In This Campaign

Motor vehicle owners of Crowell are given warning on page 6 of this issue of The News by Mayor C. T. Schlagal to inspect their vehicles and see that they are in good condition for safe operation.

This interest is taken by Mayor Schlagal to avoid arrests of Crowell motorists in the future, as State Highway Patrolmen are visiting cities throughout the state and are making arrests. Mayor Schlagal stated that Crowell would be visited in the near future and a drive is being made to have automobiles in proper condition.

In inspecting your vehicle be sure that both headlights are burning and brakes and horn are in good condition.

Not only will co-operation in this drive avoid possible arrest in the future, but it will also make Crowell's traffic safer.

## Class A Schools To Retain 19 Year Age Limit

## Five Players Are Returned to Team; Two Are Ineligible

The 19-year age limit and 8 semester rule will prevail in the Class A and B divisions of Texas Interscholastic League football competition during the next season as the result of a vote made by the superintendents of schools in Texas. The announcement of the vote was made Saturday.

## 56 Bales of Cotton Sold from Crowell Yard Last Thursday

The sale of 56 bales of cotton in the Crowell cotton yard last Thursday by J. D. Miller to Geo. Crockett of Wichita Falls, cleared the local yard entirely of cotton for the first time perhaps in several years. The cotton was owned by Foard County farmers and brought an average of 9c per pound.

## NEW CAR REGISTRATIONS

The following new motor vehicles have been registered in the office of the tax assessor-collector:  
J. T. Gribble, Chevrolet sedan.  
D. E. Todd, Chevrolet sedan.  
W. R. Womack, Chevrolet pickup.  
W. E. Appenselt, Chevrolet sedan.  
Marvin L. Myers, Chevrolet sedan.  
E. L. Martin, Chevrolet sedan.

Crowell High School won its eighth district one-act play championship last Saturday night when the play cast under the direction of Mrs. L. T. Graves won top honors with its presentation of "The Valiant."

**State Director Judge**  
F. L. Winship, state director of one-act plays, served as judge of the tournament. In making the awards, he commended Wanda Rose Liles of Crowell and named her as the outstanding performer of the tourney. He also complimented George Tipps of Childress for the best male performance.

## All-Star Cast

The all-star cast, as selected by Mr. Winship, is composed of the following actors and actresses:

**Boys**  
John Lee Orr of Crowell who portrayed Jim in "Radio."  
George Tipps of Childress, who played the part of the prisoner in "The Valiant."  
Graham Smith of Childress who characterized the part of the priest in "The Valiant."

**Girls**  
Wanda Rose Liles of Crowell, who played the part of Mayme in "Radio."  
Martha Price of Childress, who acted the part of Josie in "The Valiant."

**Four Counties Represented**  
Only four of the nine counties of the district were represented at the tournament Saturday. It was planned for five schools, but Memphis announced Friday morning that the winner of Hall County would not enter the district meet, and the other four plays were presented Saturday night.

The entries in the tournament and plays are as follows: Crowell, Foard County, "Radio"; Quannah, Hardeman County, "The Tangled Web"; Childress, Childress County, "The Valiant"; Quail, Collingsworth County, "The Tangled Web."

**Record for District**  
Below are the winners of the district one-act play tournament and the names of the plays which carried off high honors since 1929. Of these ten years, Crowell casts have won the district title eight times, which is probably a record for a high school in the State of Texas.

1940—Crowell, "Radio."  
1939—Childress, "The Florist Shop."  
1938—Childress, "Neighbors."  
1937—Crowell, "Sparkin'."  
1936—Crowell, "The Severed Cord."  
1935—Silverton, "Pink and Patches."  
1934—Crowell, "Stocking Money."  
1933—Crowell, "The Severed Cord."  
1932—Crowell, "The High Heart."  
1931—Crowell, "On Vengeance Height."  
1930—Crowell, "Two Crooks and A Lady."

The records of the one-act play tournaments show that John Lee Orr has been named on the all-star play cast for four years and Wanda Rose Liles has received this honor for three years. Orr also placed on the regional play cast in 1937 as the outstanding boy actor of the tourney.

## BIRTHS

To Mr. and Mrs. Raymond Rasberry, a girl, Virginia Rae, April 6.  
To Mr. and Mrs. L. R. Scott, a girl, Virginia Lee, April 4.

## New Cub House Nearly Finished By C. P. Sandifer

## New Building Will Be Opened With Program on May 7

A meeting house for the Cubs of Crowell, which is being built by their Cubmaster and wife, Mr. and Mrs. C. P. Sandifer, is rapidly nearing completion and plans are underway for an opening program on Wednesday, May 1. The new Cub house is located a short distance east of the residence of Mr. and Mrs. Sandifer in the north part of Crowell.

In discussing the opening day of the new Cub house, Mr. Sandifer stated that the program would be open to the public and everyone is invited to come and inspect the \$1,500 structure in which the Cubs will make their headquarters.

Special invitation is extended to the communities and schools of the county and to the counties adjoining. The Cubs and their leaders would be nappy to receive everyone, whether they live in Crowell or miles away, when they open their meeting house.

The building will be complete in every detail, having brick walls and a 22 feet by 34 feet floor space. The inside walls are of plaster and the room is sealed overhead. The outside walls will be of stucco. A 7-foot porch is located on the east side of the building.

The remaining work on the building and grounds will be completed within the next few days and a detailed outline of the opening program will be given in the next issue of The News.

## Local School to Send 15 Pupils To Regional Meet

Crowell High School will send fifteen students to Canyon next Friday and Saturday to represent it in five events of the Region I Interscholastic League meet. This number is probably a record for any school in this region.

Those who go to Canyon from Crowell and the events in which they will enter follow:  
One-act play—John Lee Orr, Jimmie Williams, Wanda Rose Liles, John Clark Long, Charlie Thompson, June Billington and (Continued on Page Four.)

## MOVING TO DALLAS

Mr. and Mrs. Edgar Womack leave today for Dallas where they will make their home. Mr. Womack has accepted a position as salesman for the Rawleigh products in the west half of Dallas County, a position his brother, E. S. Womack, had held for the past 28 years.

Mr. Womack has been serving the City of Crowell as night watchman for the past sixteen months.

Mr. and Mrs. Womack will live near Love Field in the edge of Dallas and their new address will be Route No. 7, Box 218, Dallas.

## Crowell Youth Confesses Wednesday to Three Burglaries

A Crowell youth confessed to three recent burglaries of the Cooper Service Station here during the past few weeks after being arrested in Wichita Falls Wednesday morning by Sheriff Amos W. Lilly. The boy was returned to Crowell Wednesday and after waiving examining trial is being held under a bond of \$3,000.

According to the signed confession, the first burglary was on the night of April 3, at which time he stated he took about \$5.95. The second burglary was on the night of April 14 and he took a box of cigars after finding no money, but returned the cigars to the station later in the night. The last burglary occurred Tuesday night when he took a carton of cigarettes, one box of cigars, two cans of smoking tobacco and several packages of chewing gum. He sold the stolen merchandise for \$3.00 but it was recovered at the time of the arrest.

The boy had left Crowell Wednesday morning to enter a CCC camp, but his actions here before leaving for Wichita Falls led to his arrest. The stolen goods were found in a suitcase owned by another boy in the group who told officials how he obtained it.

Local officials have been somewhat faced with a blank wall in this series of burglaries as no clues were left. The youth stated that he entered the building through a window and kept his hands covered with a handkerchief in order not to leave fingerprints.

## Members of Third Year Homemaking Class Win Honors

The Third Year Homemaking group that won at the style show last week failed to get into the News last week, and the judges said they were the prettiest special occasion dresses that they had ever judged. So apologies, please, for the oversight and here they are:

## FRACTURES HIP

C. L. Rucker fell Saturday afternoon and fractured his left hip. The accident happened when he slipped after getting out of the bath tub. Reports are to the effect that he is getting along as well as could be expected, considering his age.

## SERIOUSLY ILL

R. Davis is seriously ill in the Quannah hospital, having been taken to the hospital last Saturday. Mr. Davis received a bruise on his arm last week and within a few days he was suffering from blood poisoning.

Teachers of the Crowell Public Schools were re-elected at a called meeting of the school board in the office of the secretary in Crowell Wednesday afternoon. Election returns of the recent trustee election were canvassed and the board was re-organized at this meeting.

**High School Teachers**  
The following teachers in Crowell High School were re-elected: Miss Mildred Cogdell, Garland C. Foster, Mrs. I. T. Graves, Marvin L. Myers, Miss Ruth Patterson, Joe H. Rucker, Mrs. Lewis Sloan and Miss Helen Yeats.

**Grammar School Teachers**  
Grammar school teachers re-elected were:

W. Brown, Ted Burrow, Miss Cora Carter, Mrs. O. W. Davenport, Miss Frances Hill, Mrs. E. C. King, Miss Anne Lee Long, Miss Evelyn Manly, Miss Dovie Moore, Mrs. F. B. Thomas, Miss Mary Ragland Thompson and Miss Thelma White.  
Mrs. Lillian Powell was re-elected teacher in the colored school.

**Other Employees**  
Pat McDaniel and Elmer Brisco were re-elected as janitors of the school buildings.

The following bus drivers were also re-elected: R. M. Fox, Dale Jones, Lewis Sloan, Ernest Spears, W. C. Golden, Charles Merriman, M. N. Morris, R. S. Carroll, W. M. Cox and Ted Wisdom.

Mrs. Stanley Sanders was again appointed as supervisor of the school cafeteria.

Supt. I. T. Graves had previously been re-elected head of the Crowell school for a two-year term, and C. G. Graves' contract does not expire until next year.

**Board Re-Organized**  
At the meeting Wednesday afternoon, J. W. Bruce was re-elected as president of the school board and C. E. Gafford as vice president. L. A. Andrews was re-elected as school board secretary and also tax assessor-collector of the Crowell Independent School District.

## District Court To Open Here On April 29th

## Names of Impaneled Jurors Are Released By County Clerk

The April term of the 46th District Court for Foard County will open in Crowell on Monday, April 29, according to information released from the county clerk's office.

Those who will serve as jurors during the coming term of court have already been impaneled and are as follows:

**Grand Jurors**  
The following men are to appear at the court house in Crowell (Continued on Page Five.)

## Many Pupils Are Listed on Honor Rolls of School

## Sixth Term Rolls Released This Week By Supt. Graves

The honor rolls for the fifth term of the Crowell Public Schools, which were released Tuesday by Superintendent I. T. Graves, carried the names of 167 students on the scholastic rolls and 121 pupils were named for perfect attendance during the past six weeks.

As has been evidenced during the past few months, the honor rolls of the high school department (Continued on Page Four.)

## ROYAL ARCH DEGREES

A team composed of Grady Halbert, C. D. Haney and R. L. Taylor took the first section of the Royal Arch degrees at the local Masonic lodge hall Tuesday night. L. E. Kester and Billy McKee of Vernon assisted in giving the work.

Conferring of the degrees will be continued next Tuesday night and all Royal Arch Masons are invited to attend. Mr. Kester and Royal Arch Masons from other towns will be invited to be present.

## Trustees for County Schools Elected

Trustees for the schools of Foard County were in the election held Saturday. This group includes sixteen trustees for rural two precinct trustees and one at-large.

**Trustees Elected**  
Precinct No. 1—No election.  
Precinct No. 2—H. L. Swan, L. Monnds and W. J. Long.  
Precinct No. 3—H. L. Ayers, E. G. Morgan.  
Precinct No. 4—John L. Hunt.

Precinct No. 5—C. O. Nichols.  
Precinct No. 6—S. M. Lewis.  
Precinct No. 7—H. L. Ayers, G. Whitten and Herman Gloy.

Precinct No. 8—Joe Rader, Welch and T. W. Lewis.  
Precinct No. 9—No election.  
Precinct No. 10—L. R. and J. B. Fairchild.  
Precinct No. 11—N. J. re-elected.  
Precinct No. 12—S. J. (Continued on Page Five.)

## Annual Father-Son Banquet of FFA Boys Held for May 7

Annual Father-and-Son banquet of the Crowell F. F. A. will be held in Crowell today, May 7, according to announcement made this week by W. L. Myers, local F. F. A. leader.

Nichols of Vernon will be principal speaker of the annual banquet which will be for the members of the chapter and their families.

## NIGHT WATCHMAN

Spencer was appointed as watchman for the City of Crowell at a meeting of the City Tuesday night. He will be in place of Edgar Womack, who signed the first of the week. Spencer assumed his duties Tuesday night.

Mrs. C. L. Adkins and Mrs. Iva Ruth Cribbs visited Mrs. Martha Ann Rice of Vernon Friday.

A large crowd attended the "stunt night" program in the Riverside school auditorium Friday night. The following organizations presented stunts: 4-H Club Boys, Parent-Teacher Association, Grades 6, 7, 8 and 9, the candidates, the Riverside faculty, Women's Home Demonstration Club, Basketball boys and 4-H Club Girls. The rhythm band and choral club each gave several numbers on the program. The stunt given by the 4-H Club girls won 1st place. Thirteen dollars and ninety cents was received from door receipts and \$8.65 was realized from the sale of refreshments.

William Haney left Wednesday for the CCC camp. He went to Wichita Falls to find out where

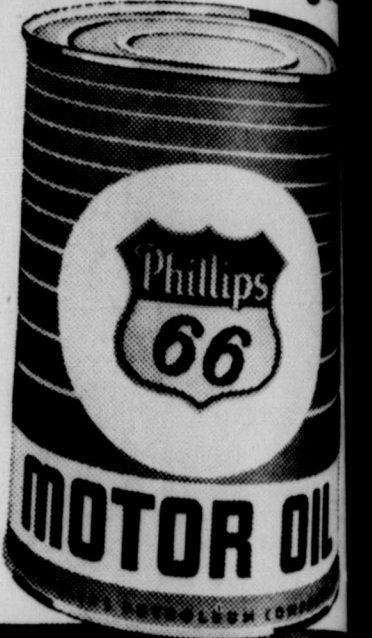

Will this calf bring 66¢ a pound?

It's HARD to tell... but EASY to pick a winning

To encourage the great work of the 4-H Clubs, Phillips representatives frequently bid in 4-H Club prize animals, offering 66¢ a pound in honor of Phillips 66 products.

Which of the thousands of animals now being raised will win? Even experienced judges of cattle can't answer the question until all the animals appear in the ring. But when you want a winning oil for your motor... you have a simple, easy, rapid way to pick the champion lubricant.

To do away with all question and doubt, the great Phillips refining organization makes this plain, straightforward statement. If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer. Ask for it, when you make the seasonal change in lubricants which every engine needs.

Announcements have been received here that a baby girl was born to Mr. and Mrs. Fred Dennis in the Quannah hospital on Wednesday, April 10. Mrs. Dennis is a former teacher in the Foard City school.

RAYLAND

(By J. C. Davis)

Mrs. Evelyn Garvin, nee Miss Evelyn Beazley, is taking the U. S. census in the Margaret community.

Mr. and Mrs. O. W. Holland and children of Kilgore visited relatives here last Wednesday.

Mrs. R. A. Rutledge spent last week-end with relatives in Amarillo.

Grady Halbert of Foard City was taking the U. S. census here last week.

Mr. and Mrs. Luther Streit of Parsley Hill spent Thursday with Mr. and Mrs. R. A. Rutledge.

Mr. and Mrs. Quincy Rutledge of Elliott spent the week-end with his parents, Mr. and Mrs. R. A. Rutledge.

Ewell Williams of Wichita Falls spent the week-end with his mother, Mrs. Ola Williams.

Mrs. Bill Barrett and children of Paducah and Mr. and Mrs. Bert Blanton of Vernon spent the week-end with relatives here.

Mrs. Willie Lee Lyles was carried to a doctor in Vernon Friday.

Mrs. J. C. Davis was ill with

the flu last week. The freeze here Friday night killed all the gardens and sweet potato plants that were up and an undetermined amount of fruit.

QUESTIONS AND ANSWERS

1. How many deaths from accidents occurred in commercial air travel in the country last year?

2. What governor of what state made an effort to prevent the gates of a dam constructed by the government in that state from being closed unless the government should pay damages for flooded state roads and bridges?

3. For what is Lester Barlow known in the news?

4. Of what state is Luren D. Dickenson governor?

5. Before her marriage what was the name of Mrs. H. R. Cromwell, wife of the United States Minister to Canada?

6. What well known radio star made famous the bazooka?

7. What nation recently requested that Russia recall her ambassador from its borders?

8. Who is the author of the story "Grapes of Wrath"?

9. From what European country was the United States recently requested to withdraw its consulate?

10. What federal set up does J. Edgar Hoover head, (Answers on page 3).

Sponge Rubber Tires

To prevent serious consequences from blowouts, a new type pneumatic rubber tire has been patented. A sponge rubber is inflated by compressed air into the tire in the usual manner. In the event of a puncture a cushion on which to ride while riding to a garage.—Rotary Magazine.

Hydrogenated Rosin

By treating ordinary rosin with hydrogen under proper conditions of temperature and pressure, color and stability are much improved. The product yields superior varnishes, soaps, and paper sizes which have much less tendency to become yellow with age and from which rosin odor is practically absent.—Rotary Magazine.

For deliberately giving wrong information to an enumerator in the federal census a federal law provides as a maximum penalty a fine of \$500 or imprisonment for one year.

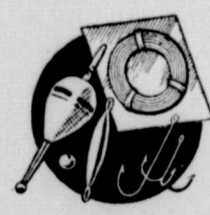

It is predicted that in the future air plane wings will be made of plastics giving them greater strength, and making production much more rapid.

year age limit and 8 semester rule, while Class AA will abide by the rule which was put into effect this year, which is an 18-year age limit and 10 semesters.

Five Gained, Two Lost

With this change in the Inter-scholastic League rules, Coach Grady Graves was forced to change his plans for the latter part of the spring training season, which will enter its last week Monday, as two boys, Glendon Russell and H. C. Brown, co-captains, who have been training in important positions are lost to the team by the 8 semester rule.

Four boys who were ineligible next season under the 18-year age rule are eligible under the 19-year limit and donned uniforms for the first time during the practice season on Monday afternoon, and the lineup had to be shifted.

Those who will return to the team under the present rule are Leroy Gibson, Murrell Diggs, Daniel Brisco, Eugene Everson and Junior Haseloff. Gibson played regularly in the fullback position last season, while Diggs and Brisco were strong reserves. This is the first time that Haseloff and Everson have reported for football practice.

RIVERSIDE H. D. CLUB

To be successful in perfect cake making it is important to remember: to use a reliable tested recipe, use best ingredients, measure all ingredients accurately, be sure measurements are level, mix correctly, bake at proper temperature, and take special care of the product after it is baked.

Cake flour, which is made of soft wheat, is recommended for better cakes, but if you must use hard wheat flour, put 1 tablespoon of cornstarch in a cup and finish filling the cup with the flour. If hard wheat flour is used altogether use 3/4 cup of same to substitute for 1 cup of cake flour. The finer the sugar the finer will be the texture of the cake crust.

Because the atmosphere in this section is dry it is nearly always necessary to add more milk than the recipe calls for in order to make the cake batter the right consistency. It is better to add the flavoring with the milk for it is more evenly distributed in this manner. When egg whites have been beaten stiff enough the bowl may be turned upside down and the whites will remain in the bowl. Line the pans with waxed paper. Grease paper and sides of pans and dust with flour. Pour dough in pans and tap them on table to bring air bubbles to top. To make level cakes scoop dough to the sides of pans leaving a low place in center.

These helpful directions in the art of cake making was learned by members of the Riverside Home Demonstration Club in the home of Mrs. Frank Ward April 9. The county home demonstration agent, Miss Joellene Vannoy, made a white cake with boiled icing and a new chocolate cake with fudge frosting during her demonstration on preparation of butter cakes and icings.

In the business session Mrs. C. L. Adkins and Mrs. R. G. Whitten were elected council delegates to succeed Mrs. S. C. Kuehn, who has been elected vice chairman of council, and Mrs. Annie Ayers,

in a cake baking demonstration at the home of Mrs. E. A. Fox on April 10.

Fudge frosting may be made moist and creamy if sweet cream is added when it begins to harden, Miss Vannoy stated.

Mrs. T. A. Spears, Mrs. Sheldon Ferguson, Mrs. Nick Chatfield and Misses Beatrice Mullins and Edith Fox were visitors.

The club will meet with Mrs. G. H. Kincheloe on April 24 with a program on "The Outdoor Fire Place."

who is in Kentucky. All members were urged to make entries of sweet milk, butter and cottage cheese in the Vernon Dairy Show May 9.

The club voted to give a shower of fruit and favors to Otto Schroeder, who is confined to his home by illness.

Mrs. Judy Tole will be hostess to the club in her home April 23 at 2 p. m. Outdoor fireplaces will be the theme for the meeting.

MARGARET H. D. CLUB

A demonstration on butter cakes was given by Miss Joellene Vannoy county home demonstration agent, at the meeting of the Margaret Home Demonstration Club in the home of Mrs. J. S. Owens last Friday, April 19.

"Mix the ingredients correctly for best results in making butter cakes," Miss Vannoy stated in opening the demonstration. "Cream butter until it has texture of very thick cream and a satiny sheen. Add sugar gradually, about two tablespoons at a time, creaming after each addition until mixture is blended and very light."

"Add egg yolks, which have been beaten until thick and lemon colored. Gradually add flour and liquid alternately, beginning and ending with flour. Fold in stiffly beaten egg whites, quickly and thoroughly until blended," Miss Vannoy said in concluding the demonstration.

Baking powder was added to the flour and both sifted three times and flavoring was added to the milk.

Fifteen club members and Miss Vannoy were present for the meeting. The next meeting of the club will be on Friday, April 26, in the home of Mrs. G. C. Wesley.

VIVIAN H. D. CLUB

"There are two classes of cakes," said Miss Joellene Vannoy, home demonstration agent, to members of the Vivian Home Demonstration Club which met with Miss Rosalie Fish Thursday, April 14.

"Sponge cakes," continued Miss Vannoy, "are those made without shortening, and butter cakes are those in which shortening is used."

Miss Vannoy demonstrated the making of a white cake and a chocolate cake.

The next meeting will be with Miss Neoma Fish Thursday, April 25, in an all-day meeting. Members please bring their thimbles, as a quilt is to be quilted.

The demonstration will be "making a fireplace and properly screening it."

Wildcats Win Over Thalia All-Stars, 33-0

To Open Last Week of Spring Practice With Scrimmage

Coach Grady Graves' Wildcats opened the week's practice session on Monday afternoon by defeating a Thalia all-star eleven in a scrimmage, 33-0. They exhibited a smoother working offense and a little stronger defense as a result of practice drills during the past weeks.

In a return match, the Wildcats defeated the Crowell all-star eleven on Friday afternoon by an 18 to 13 score. H. C. Brown scored twice and Bill Ownbey tallied once for the high school boys. J. S. Owens and Joe Eddy did the scoring for the all-stars.

Play All-Stars Again Coach Graves' cohorts will meet the Crowell all-stars for the third time next Monday afternoon, at which time the Wildcats will start the fourth and last week of the spring training season.

Showing more power, both on the ground and in the air, in Monday's practice, the Wildcats struck three times in the first half and twice in the last.

A. Y. Olds, Crowell quarterback, climaxed a sustained drive of about 50 yards when he spun through center to travel 5 yards and over the goal line. The try for extra point failed.

The longest run of the scrimmage was turned in by Murrell Diggs, when he circled left end and galloped about 60 yards. The extra point was made on a line play.

Shortly before the half, the Wildcats drove down to Thalia's 10-yard line and Bill Ownbey, halfback, skirted right end for the score. Duane Capps, fullback, kicked the extra point.

In the third period, the Wildcats got under way again and scored on a pass from Olds to W. D. Hudgeons, end. Capps' place kick was blocked and Hudgeons picked the ball up and ran it over the line for the extra point.

The last touchdown was a near repetition of the first with Olds again spinning through center for 5 yards and a score. The extra point failed.

The squad was struck a blow when the changing of the Inter-scholastic League football rule lost Glendon Russell and H. C. Brown from the group, however, the Wildcats will be strengthened in numbers, as five graders became eligible under the 19-year rule. Of the five, one was a regular last year, two played as reserves and two are rookies.

Honor Rolls--

(Continued from Page One)

ments are gradually increasing and at present are leading the grammar school rolls by thirty names. As a general rule, the larger number of names on the rolls are those of grammar school students.

Thirty-nine high school pupils were named on the "A" honor roll and 60 were listed on the "B" roll. The grammar school "A" roll carried 36 names and 32 names were on the "B" roll.

The honor rolls for the local schools are as follows:

High School "A" Roll

Ruby Adams, Tom Andrews, Mary Lou Brisco, Richard Bird, Albert Bird, Billy Beggs, Lowell Campbell, Evelyn Crosnoe, Rita Crosnoe, Doris Campbell, Rita Callaway, Ila Mae Cassie, Charles Davis, Billy Diggs, Mary Evelyn Edwards, Wanda B. Evans, Gordon Erwin, Dorothy Hall, Faye Griffin.

**Petit Jurors**

The following have been impaneled for petit jury service and are to appear at the court house on Monday morning, May 6, at 10 o'clock.

J. C. Owens, Jim Moore, Otis Gafford, S. H. Gentry, G. C. McLain, Arthur Sandlin, H. L. Taylor, W. A. Johnson, Henry Borchart, M. C. Adkns, Emmett Martin, J. W. Tole, R. B. Lilly, Lloyd Owens, Leon Solomon, Elton Crossnoe, Wilson Long, James S. Ashford, B. A. Whitman, C. E. Blevins, Fred Gibson, C. C. Wisdom, C. E. Merriman, W. R. Ferguson, Oran Ford, R. F. Adkins, J. E. Long, Mack Edens, J. L. McBeth Jr., J. J. McCoy, Ted Carter, F. W. Weatherall, M. F. Hunter, Charlie Huskey, Lee Black and Tom Beverly.

**FFA Boys Doing Much Work Under Projects**

Members of the Crowell F. F. A. Chapter have started two new projects during the past few days, according to information received from Marvin L. Myers, chapter adviser.

A pasture improvement program is being sponsored by the Crowell chapter on the farm of Claude Nichols, seven miles north of Crowell.

Ten acres of pasture land is being improved by building terraces and grubbing mesquites and prickly pear. Grubbing will be completed within a short time.

Six terraces have been built across the pasture with the use of a turning plow. These terraces are expected to hold enough water to prevent erosion and, also, to obtain a better growth of grass. The improvement of grass is expected to pay for the cost of the improvements within one year.

One dozen Chinese elm trees were set out on the Crowell High School campus by the F. F. A. boys last Thursday, April 16.

The trees, which were purchased from a Vernon nursery, will serve as a class project and also bring several points to the boys' F. F. A. score card.

Miss Stella Jackson, Mrs. W. C. McKown, Mrs. A. Y. Beverly, Mrs. H. Schindler and Mrs. M. S. Henry went to Vernon Saturday afternoon to hear a review of the book, "This Side of Glory," given by Mrs. John Hampton of Wichita Falls. Mrs. Hampton was presented by the Beta Gamma chapter of Delta Kappa Gamma sorority for members and their guests.

## THOMAS' GULF STATION

FLOYD THOMAS, Manager

**MANY SEE GORILLA**

Many men, women and children of Foard County saw a live gorilla for their first time here Saturday and Sunday when Kongo was shown in Crowell by its owners, Mr. and Mrs. J. L. Lewis, of Los Angeles, Calif. The gorilla was shown under the auspices of the Crowell Fire Department.

Kongo has been seen on the motion picture screens by many in this county as he was the original "Cheeta" in the Tarzan films.

Kongo was purchased from the late Martin Johnson at the age of eleven months and was raised and trained by Mr. and Mrs. Lewis. The gorilla is nine years old and weighs 270 pounds. Mrs. Lewis stated that she was able to handle the gorilla until it was four years of age and since that time she is afraid to enter the cage with it.

Mr. and Mrs. Lewis were en route from California to New York to show the gorilla, which is one of the seven now in captivity in the United States, at the fair in the city, when the hitch on their combination trailer and cage broke. They had the damages repaired in Crowell Friday and showed the animal on Saturday and Sunday.

**County Trustees—**

(Continued from Page 1)

Moore, Trustee, precinct No. 3—A. Weatherall.

**County Board Meet**

The county school board met in the office of the county judge last Friday, April 12, at which time the board was re-organized. N. J. Roberts was elected as chairman, S. Moore as vice-chairman and Judge Claude Callaway is the ex-officio secretary.

The members of the school board are Mr. Roberts, Mr. Moore, Mr. Weatherall, Ed Cates of precinct No. 1, and R. N. Beatty of precinct No. 4.

**Trustees Appointed**

Trustees to serve the schools at which no elections were held were appointed at the meeting of the county school board.

Zeke Bell and Ernest McFadden were elected to serve the Four Corners school until next election date, and W. M. Cox and Glen Jones were appointed for the Claytonville school. George Rietzmayer was appointed to succeed John L. Hunter Jr., who gave written notice to the school board that he would not qualify as trustee.

# How Do We Do It?

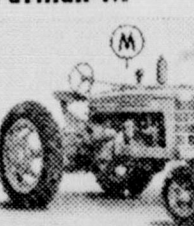

Buying in large quantities, fast sales, and small profits enables us to offer you the lowest grocery prices in Crowell. These prices start Friday at 12 o'clock

CHURCHES

Christian Science Church Sunday School at 10 a. m. Sunday services at 11 a. m. Wednesday evening services at 8 o'clock. Sunday, April 21, 1940. Subject: "Doctrine of Atonement." The public is cordially invited.

Baptist Training Union The Baptist Training Union of the First Baptist Church of Crowell will meet at 7 o'clock Sunday evening.

The Baptist Training Union is making the most important and necessary contributions to its members—in providing religious guidance, in deepening convictions, in pointing to paths of nobler living, in strengthening our churches, in building a better tomorrow for our churches and denomination.

The Training Union seeks to lead young people to shape their lives according to the New Testament standards of church membership and character. Let's give ourselves to this service in prayer and in diligent study.

We have a union for every age from the youngest to the oldest member of the church, and it is necessary for every age to train. You are welcome in our training service.

Margaret Curtis, Director.

First Christian Church Sunday School at 10 a. m., John Rasor, superintendent. There is a class in our school for every member of the family.

Morning worship at 11 a. m. Sermon subject: "The Leadership of Jesus"—Pastor. Evening worship at 7:45 p. m. Sermon subject: "Thy Kingdom Come—But Not Now"—Pastor.

Your future is largely what you make it. You can plan ahead and make each day another step toward becoming the person you want to become, or you can simply let it waste away into nothingness by doing nothing. Of one thing you may be sure, the future will hold much more of richness and growth if you take God with you.

What will the future mean to you—and what will you mean to the future? It is the aim of this church to help men and women mould and shape their lives into Christian channels that the future may find them living more vital lives. Come, worship with us. You are always welcome. HARRELL REA, Minister.

Christian Science Services "Doctrine of Atonement" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 21.

The Golden Text is: "The Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many" (Matthew 20:28).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous Judge, shall give me at that day; and not to me only, but unto all them also that love his appearing" (II Timothy 4:7, 8).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universalized" (page 202).

Eastside Church of Christ Bible classes each Lord's day at 10 a. m.; worship service, at 11 a. m.; young people's class, 7 p. m. Second and fourth Lord's days, preaching, 11 a. m. and 8 p. m. Wednesday, mid-week Bible class, 8 p. m. "Come now, let us reason together, saith the Lord." Robert McCown, Minister.

Vivian Church There will be church services at the Vivian Church every Wednesday and Saturday nights at 8 o'clock. Next Sunday, Sunday school

will be held at 10:30 a. m. and preaching at 11:30 a. m. by Bro. Everson. Bro. Pieman will deliver the sermon at 8 o'clock Sunday night. Singing will be held after preaching services. Everyone invited to attend. Come and worship with us. —Reporter.

Our Weekly Sermon

By Rev. Will H. Houghton, D. D., President Moody Bible Institute, Chicago, Ill.

How Faith is Acquired Text: He that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. — Hebrews 11:6.

The center of man's spiritual life is faith—not a blind faith, but an instructed faith; not abstract belief in an absent God, but an informed confidence in a living God.

It should be no harder to understand that faith is needed to take in the Bible than it is to understand that taste is needed for the appreciation of the arts. Look at the great audience gathered for the symphony concert. What percentage of them really enter into the music, and how is it that some discern and others fail to comprehend what the composer and the director have in mind? How is it that some eyes can see what the artist saw, and some ears interpret the dream of the poet? Taste is perhaps the best word to describe the mystic something.

Now if taste is needed to bring within the realm of appreciation the world of art, is it unreasonable that faith would be necessary to unlock the Bible?

D. L. Moody, after he was a Christian, and after he by faith had entered into the abundant life which is ours through the acceptance of Christ, once said, "I suppose that if all the time that I have prayed for faith was put together, it would be months. I used to say, 'What we want is faith. If we only have faith we can turn Chicago upside down, or rather, right side up.' I thought that some day faith was going to come down and strike me like lightning, but faith did not seem to come. One day I read in the tenth chapter of Romans, 'Now faith cometh by hearing, and hearing by the word of God.' I had closed my Bible and prayed for faith. I now opened my Bible and began to study, and faith has been growing ever since."

Isn't it remarkable how complete is the Bible presentation of things? Faith is needed to understand the Bible, but the reading of the Bible begets faith and grows faith.

THIS WEEK IN HISTORY

April 15.—First railroad reached the Mississippi at Prairie du Chien, Wisconsin, 1837. English settlers arrived in New Haven, 1638.

April 16.—Charles Chaplin, comedian, born, 1883. President Lincoln signed the bill of abolishing slavery in the District of Columbia, 1862.

April 17.—First CCC camp opened, 1933. Final arrangements made by Ferdinand, Isabella and Columbus, 1492.

April 18.—Paul Revere's famous ride, 1775. Booker T. Washington, educator, born, 1845.

April 19.—Roger Sherman, statesman, signer of Declaration of Independence, born, 1721.

April 20.—Lindbergh flew from Los Angeles to New York, 14 hours, 45 minutes, one stop, 1930. New York state constitution adopted, 1777.

April 21.—First steamboat, the Virginia, ascended the Mississippi River as far as Fort Snelling, (729 miles), 1823.

LEARNING FRENCH

Waco, April 15.—Working on the axiom that students can learn to speak a language best by hearing it from the natives of that country, the Baylor University French department is employing electric phonographs for the playing of recorded French dialogues.

The dialogues are from French actors and actresses and from everyday life conversations. Dr. John A. Ray explained, and give clearly the intonations of the French language. In advance French courses, a recording is made of the student's voice at the beginning and another at the close of the term. By studying both records, the student's progress can be evaluated.

Your Horoscope

April 17, 18.—You have a temperamental disposition and when disturbed inopportune you can give your opinion of the offender in definite terms. You are affectionate and demand affection in return. You are well adapted to home life and you have learned to get some good out of all the experiences that come to you. You are always looking forward to something better ahead. You are fortunate in usually getting what you want. You have a scientific turn of mind and love to travel by water.

April 19, 20.—You are best fitted for a public life. Despite a show of determination you are easily influenced. You are systematic and keep your home with particular neatness. You have great skill in making over clothes and are a wizard in changing the style and appearance of hats so they can be worn for several seasons in succession. In fact, people often wonder how you are able to dress so well.

April 21, 22.—You like to have friends in to dine and revel in a well spread table. You are generous in sharing your friends. You can't see any good in those you dislike. You are fond of good clothes and liberal in sharing with your friends.

All the distinctive features and superiority of our republican institutions are derived from the teachings of Scripture.—Edward Everett.

Again DR. MILES NERVINE — makes good

At Your Drug Store: Small Bottle 25¢ Large Bottle \$1.00 Read full directions in package.

Health Officer Advises Protection Against Typhoid

Austin.—Now that spring is here, Dr. Geo. W. Cox, State Health Officer, advises out-of-door enthusiasts to include protection against typhoid fever among their preparations for spring outings unless they have been immunized against typhoid within the last two to three years.

The advice applies particularly to fishermen, hikers, boy and girl scouts, campfire girls, and any others who are looking forward to out-of-door activities. "The danger from typhoid has been greatly reduced," Dr. Cox said, "through the protection of public water supplies from pollution; careful medical supervision of each case of the disease and painstaking investigation of the sources of infection; improved sanitation of milk production; the sanitary supervision of other food supplies; and through individual and community co-operation in the disposal of sewage. But there are still sources of infection to which individuals are exposed, for which vaccination affords the only protection.

"Some of the danger that persists after the means of public protection have been carefully observed is literally 'handed out' by people who are 'carriers' of the disease. A 'carrier' is a person who has had typhoid and who continues to pass germs that cause the disease, in bodily discharges, long after he or she has recovered.

"Typhoid is contracted by way of the mouth, through water, milk, or other foods contaminated by typhoid germs. Some of the most serious outbreaks have been traced to 'carriers' who were careless in their personal habits.

"Typhoid control demands constant fight against the disease through both public protection and individual precautions. Young people are particularly susceptible to typhoid. Vaccination against the disease gives individual protection against typhoid. Three injections of the typhoid vaccine—a week apart—will put you in the protected class. It takes several weeks for the protective treatment to establish itself in the system. Therefore the State Health Department urges you to be immunized against typhoid now."

HOUSEHOLD HINTS

Mustard adds flavor to cheese dishes, ham, fresh pork, beef, lamb and salad. Tips on selected fresh fish at the market. Be sure that: 1. The flesh is firm; 2. The scales cling to the skin; 3. The gills are free from odor or taint; 4. The eyes are bright and not sunken. Cooking rice in milk instead of water increases the food value of the dish.

The taking of the present federal census will cost \$45,000,000.

Two Minute Sermon (By Thomas Hastwell)

To Live Is To Fight: To live is to fight. It is the law among animals of the jungle, the birds of the air, the denizens of the sea, and even in the vegetable kingdom. The law of the human race is the law of struggle. Without it there is no success, no achievement, no accomplishment worth while. When man ceases to struggle he is on the way to extinction. With man it is not the same physical encounter found in the jungle. It is a struggle for accomplishment, for achievement to do a good job of living, to build a life up to the best that in one lies. It is a struggle that does not end as long as life lasts. Some look forward to the time and even pray that it be hastened when struggle and effort shall no longer be necessary. This should not be the prayer of any man. The prayer should be that one have the strength and the courage and the faith to fight the good fight, to keep the faith. This is the life that God intends every man to live, because only in the living of a victorious life can man approach the future confidently and unafraid.

THOUGHTS OF SERIOUS MOMENTS

The Gospel is not merely a book—it is a living power—a book surpassing all others. I never omit to read it, and every day with the same pleasure.—Napoleon on St. Helena.

When you have read the Bible, you will know it is the Word of God, because you will have found it the key to your own heart, your own happiness and your own duty.—Woodrow Wilson.

SAFETY SLOGANS

Are you doing all you can every day to prevent accidents? It is better to be careful a sand times than to be injured once.

Remember — Safety first, and all the time. A moment of carelessness can cause a lifetime of regret.

New Blackout

Electroplating a black coating on metals is accomplished by new process which plates a negative film of nickel and magnesium oxides. The coating, of special value in optical instruments, is a lustrous, deep black said to be superior in color to previously used. The process is rapid and the result permanent. Both nickel and magnesium are important metals used in modern alloy steels.—Rotary Magazine.

Cobalt Makes Mutton

Abundant forage crops in various parts of the world, notably New Zealand, fail to produce healthy sheep. The reason: soil lacks cobalt, a metal alloy of nickel and iron. Now half a pound of cobalt sulfate per acre is applied with other fertilizer annually and the sheep thrive.—Rural Magazine.

The South's best-equipped engineering laboratory is located at the University of Texas College of Engineering.

William L. Austin has been rector of the U. S. Census Bureau for forty years.

SAYS MRS. JOHN LINDSEY, NOCONA, TEX. "My Servel Electrolux is six years old, and I can truthfully say that in these six years we have owned it our grocery bill has been cut one-third! It costs only a few cents a month to operate."

See the new 1940 Electrolux—the one automatic refrigerator with no moving parts in its freezing system—operates on butane, bottled gas or kerosene, as well as natural gas. Just a small down payment—savings can pay for it. Come in TODAY!

### COMING SOON!

The date of the senior play is being nearer and nearer. Be sure to look out for characters like "The Crazy Family." Make your arrangements now to see, "The Smith Family."

turn. Wasp type corset revival hinders good feeling. Good girls no get as drunk as they think they are. Chorus girls dress may not have many hooks but plenty eyes on them. Model leads dog's life because always shedding.

### OUR PRESS CLUB

The Press Club, of course, is the most important thing in all of our Crowell High School. To prove it I will give you "Personality Scraps" of our very beloved Press Club members. "Gone With the Wind" for instance furnishes us with material. Scarlett O'Hara, who captured all the boys' hearts but the one she really wanted, is Margaret Claire Shirley. Melanie is really composed of two people—Reed Sanders' sweet personality and Mary Evelyn Edwards' "looks." Rhett Butler is Charlie Clark, of course. Movie stars have nothing on our Press Club, for instance, Jimmie Williams talks as much as W. C. Fields and Bob Burns put together, and then some. Ben Bernie is Billy Russell (note the resemblance). And Hollywood who is proud of Walt Disney would turn green with envy of our Truman Taylor. All agree that Richard Greene is a "wow" but even he pales like pink against red, when compared to Bob Saunders. Virginia Thomas is a cute combination of Ginger Rogers and Alice Faye. Mary Evelyn Edwards has all of Hedy Lamarr's beauty and what more can a girl ask for? June Billington has enough poise, good taste, sweetness, and ability to be any famous fashion model. Evelyn Jean Scates is like Carol Lombard in that she is full of pep, fun, personality and a spitfire. Jean Orr could be compared to Judy Garland in that both are sweet, simple and natural.

Model leads dog's life because always shedding.

### CONFUCIUS SAY

wise man, (like me, Confucius), talk little; say a lot. A talkie through his hat. Girls with thick ankles have trouble than girls with thick thighs. A boy's pocketbook no betan his blond. A girl who says motor stalled old stall. A business good secretary take of everything that comes her way. A shop-money sometimes make it talk. A girl can always draw queens if she jacks. A girl who show girl see light work with man. A girl who men like alarm clock—wound up by bedtime. A girl who accidents caused when make left, instead of right.

### CAT'S CLAW

Jeepers creepers, Richard D. Bird is coming out of the dark age into life. He is stepping out with Virginia Reed Sanders. What have college girls got that high school girls don't have. They sure must have something. At least Bill Russell and Hank Saunders really go for 'em. The students of CHS are really ginning around. Guess what for? You guessed it! The Junior and Senior banquet and it's staged for tonight (Thursday). The too-old question is "what color is your dress?" and "who are you going with?" Well, here's hoping it's a success and we know it will be! Spring is here and the spring fever has got Ruth Diggs and H. L. Blevins. They are certainly getting friendly. (There's a c-

tain little boy who had better watch out. However, he is not so little).

A storm was raging between Betty Stinebough and Sonny Eddy several days last week, but now it has blown over and everything is running smoothly. (We hope). Great scott, it is all over! Jimmie Williams and Betty Miller. Too bad! They made such a cute couple! Well, they still do 'cause they have made up! Goody!

Well, a bunch of cute little girls went to Margaret Sunday! What is it that attracts their attention down there? You guess. I can't!

Well, kiddies, in just two more editions after this one the Kitty's name is going to be revealed. And are you going to have a surprise? I don't know, are you? Love, KITTY.

### HIGH SCHOOL WANT ADS

Wanted: Some subject I can pass. No written work. No oral work and no books.—A. Y. Olds.  
 Lost, strayed or stolen: Ability to work geometry. Anyone knowing whereabouts of such, inform H. C. Brown.  
 Found: One extra large piece of second hand chewing gum on bottom of desk 6, row 6, in study hall. Owner may call for it in the office.  
 Wanted: A shorter route to Quanah.—Charlie Clark and John Lee Orr.  
 For rent: My heart—large and roomy. Reasonable terms—bring all applications to Tom Andrews.  
 Wanted: One good-looking junior girl. Make application to Jimmie Williams.  
 To Let: One back seat of a black Chevy. Rent—one gallon of gasoline. See Joe Herman Rucker.

### LUCILLE

Oh, gee! Ain't she purty! Who? Lucille, of course! What, you haven't seen Lucille? Well, she's a blonde and boy does she have curves and how! Well, she takes 'em anyway! She can even do the Rumba on two wheels! Oh, course, dope! On two wheels! Why not? Most cars have at least two wheels, don't they? Yes, Lucille is a car, and she belongs to Charlie Clark, Jimmie Williams and John Lee Orr. It's a '31 Chevrolet sports roadster and it, pardon me, she can really whiz! The funny part is that all the boys wanted to name it after their individual girls and so to save an argument they just named it Lucille. Charlie wanted to name it Betty, John Lee wanted to name it Klina and Don Drake, from Quanah, wanted to name it Joyce. Come along with me Lucille, in my merry auto—

### THE FAMILY DOCTOR

(By John Joseph Gaines, M. D.)

### Adolescence

By this word, is meant the period at which boys and girls arrive at the estate of young manhood and young womanhood. All family doctors know this to be one of the most critical periods of human existence; here human beings of greater or less worth are started on the voyage of life for better or worse; the very existence and excellence of our race depend on parental care and discipline at this stage, through which all young people must pass. Many valuable and helpful articles appear in the many parent-teacher publications of our land; all are well worth deep study by parents who are heads of families. The average boy, at puberty has his world before him; as a rule, it is a period of dreams—a sprinkle of ambition—and, much of searching for animal pleasures. He is certain of nothing; here he needs, above all else, the counsel and companionship of prayerful parents more than at any other time in his career; impressions which he receives during this stage will surely abide with him longest; how important that these impressions are correct ones! Many earnest fathers have tripped at this, most important time in administering parental duties. See to it that your conduct is beyond reproach; that neglected boy may live to haunt your hours of what should be a blissful dotage. Experience and careful observation have shown that girls require your deepest, tenderest consideration at the early-teen age; watch your girls, not with coldness, grimness or suspicion and distrust but, in your parental arms, retain and love them into the straight and narrow path; for, there is nothing sweeter, that will pay happier dividends than a loving, and appreciative daughter; nothing can surpass the love of perfectly-raised youngsters of your own flesh and blood.

### Trees As Friends

The man who plants a tree conveys a lasting benefit to himself and posterity. What invested money, put to work at par in 1850, say, is worth today what was paid for it then? Business cycles come and go; so do gilt-edge companies. Governments change; the races of man trample and pass on. Trees remain. . . . Trees are friends of men, as they are the friends of the birds. Trees have distinctive personalities; each has as much individuality as a dog or a horse. They outlive all such pets; they ask nothing. They only give.—Donald Culross Peattie in the Rotarian Magazine.

## NOBODY'S BUSINESS

BY JULIAN CAPERS JR.

Austin. — Important week-end political developments in the Governor's race served to clarify the situation in the No. 1 contest considerably. Ernest Thompson, who had planned to announce for Governor about May 1, withdrew from that contest to get into the Congressional battle in his Amarrillo home district, following appointment of Marvin Jones, veteran Texas solon, to a place on the U. S. Court of Claims.

That left Highway Commissioner Harry Hines in the top spot as a possible man to beat W. Lee O'Daniel for re-election, and immensely strengthened Hines' chances. Political students here have felt all along that Jerry Sadler will take a lot of the "blue shirt" vote which O'Daniel carried solidly last time, from the Governor. But they do not regard the East Texas rail commissioner, who has almost out-promised O'Daniel so far in his campaign, as a likely runoff opponent of the Governor. With Thompson and Hines splitting the conservative element, they have felt there was considerable doubt that there would be any runoff. But with Thompson out, the conservatives can and probably will flock to Hines' banner enmasse. If the Ferguson get in, and week-end rumors had it they will, the best observers here think that will hurt Hines not a bit, but will cut substantially into the votes that Hines and Sadler will divide.

### Hines Has Strength

O'Daniel has obviously lost a lot of strength from two years ago. Retail merchants of all kinds, one of his strongest bloc of votes last time, have quit him cold on the sales tax issue. The barbers are carrying the axe for O'Daniel all over the state, because of his veto of the barber-price-fixing bill. Labor has never liked him since he ignored them in naming a Labor Commissioner. He still has much of the old age pension vote, and a substantial part of the fanatically religious group.

Hines is an able speaker. He has offered a conservative platform, refusing to make promises about taxation and pensions that he knows no Governor can fulfill, but has merely pledged himself to work with the Legislature, to submit and recommend an omnibus tax bill, and in absolute opposition to a sales tax. The big business element, which supported O'Daniel last time, is still behind him, in the hope that his reelection would mean another tax deadlock, and thus postpone the evil day another two years. But they are very friendly to Hines, and if Hines makes a showing of strength sufficient to impress them in the next 60 days, he doubtless will pick-up considerable support from this powerful group. Hines has a strong church following, a considerable support from the county political group, because of his Highway Commission hook-up, and a good many friends among the school people. Where he goes in the race will probably be largely determined by the campaigning of the next few weeks.

### Big Boys Afraid of Lee

O'Daniel's fantastic program of \$60,000,000 of new taxes—a 50 per cent increase at one whack—and his stubborn insistence on his pet form of economic lunacy which he calls the "transaction tax"—the equivalent of a 6 to 8 per cent sales tax—has left all but the most radical "gimme" element in Texas pretty cold. The Governor may win in spite of his transaction tax, but he will never win because of it. The "big boys" who are supporting O'Daniel are literally scared to death of him, because of his unpredictable and unsound economic ideas, borrowed from the good Dr. Townsend. The Chief Justiceship of the Supreme Court of Texas, the highest honor that can come to a Texas lawyer, was still begging for a taker at the week-end, following the refusal of Gerald Mann, Attorney General, and of Eugene Locke, distinguished Dallas civil practitioner, to accept appointment to the post at the hands of Gov. O'Daniel. Mann, ruling against himself, on the ground he cannot qualify, because he has not been in practice seven years, as required by the Constitution, again declined when O'Daniel named him, effective Sept. 1, because he said, he "felt he could be of more service in his present post." Mann, unopposed for Attorney General, will be in splendid position two years from now, to run either for Governor, if O'Daniel gets a second term, or against Sen. Morris Sheppard, if Hines or some other candidate ousts W. Lee this time.

### Overture To Mann

O'Daniel's tender of the post to the Attorney General was a shrewd political move. The governor violently antagonized many of Mann's friends two years ago when he endorsed Mann's runoff opponent, Walter Woodul, and since Mann's splendid service in the Attorney General's office has made him probably the most popular man in Texas with the people, the Governor has several times made overtures to Mann, in an effort to placate the Mann supporters. Mann himself, while he has been respectful and courteous, has remained very cold to W. Lee's efforts to warm up to him. The rejection of the Supreme Court post required moral cour-

age of a high order, but it also represented political sagacity that will make Mann even stronger with the folks. It leaves Mann's strong personal followers free to go where they want to in the Governor's race.

### An Economist Speaks

Mr. Peter Molyneux, the erudite editor of The Texas Weekly, shrewdly analyzes the \$60,000,000 tax demand of O'Daniel, in last week's issue of that periodical. He shows that W. Lee's expectation of getting 35 or 40 million of "matching" money from the Federal government for social security use is as unlikely of fulfillment as was his promise of \$30 a month to all over 65, two years ago. Molyneux writes as a friendly critic who has dealt very generously with O'Daniel since he became governor. But he points out that California, with twice as many old folks over 65, as Texas, is receiving only \$19,745,000 a year from the U. S. for social security, more than any other State. New York, with nearly three times as many oldsters as Texas' 232,459, gets a little less than California, and Pennsylvania, with 508,278 gets only \$16,426,500. He points out Texas isn't likely to get as much as New York and California combined, with more than five times as many oldsters as Texas has. The boys in Washington just don't play that way, and O'Daniel's promises this time are going to take a lot of high-class work with the bull fiddle and the Ten Commandments to get them down the people's throats.

### INTERESTING FACTS OF THIS AND THAT

More than 96 per cent of the Finns belong to the Evangelical Lutheran Church.  
 The film "Gone With the Wind" is the longest film ever made. It is 19,800 feet long, a little over 3 1/2 miles.  
 A typewriter concern in the

United States builds typewriters to write eighty different languages. Only about one-fifth of the people in the United States brush their teeth.

Sonja Henie's revue and her motion pictures will net her over \$1,000,000 this year after enormous income taxes are paid. No other woman has approached this earning in the field of sports.

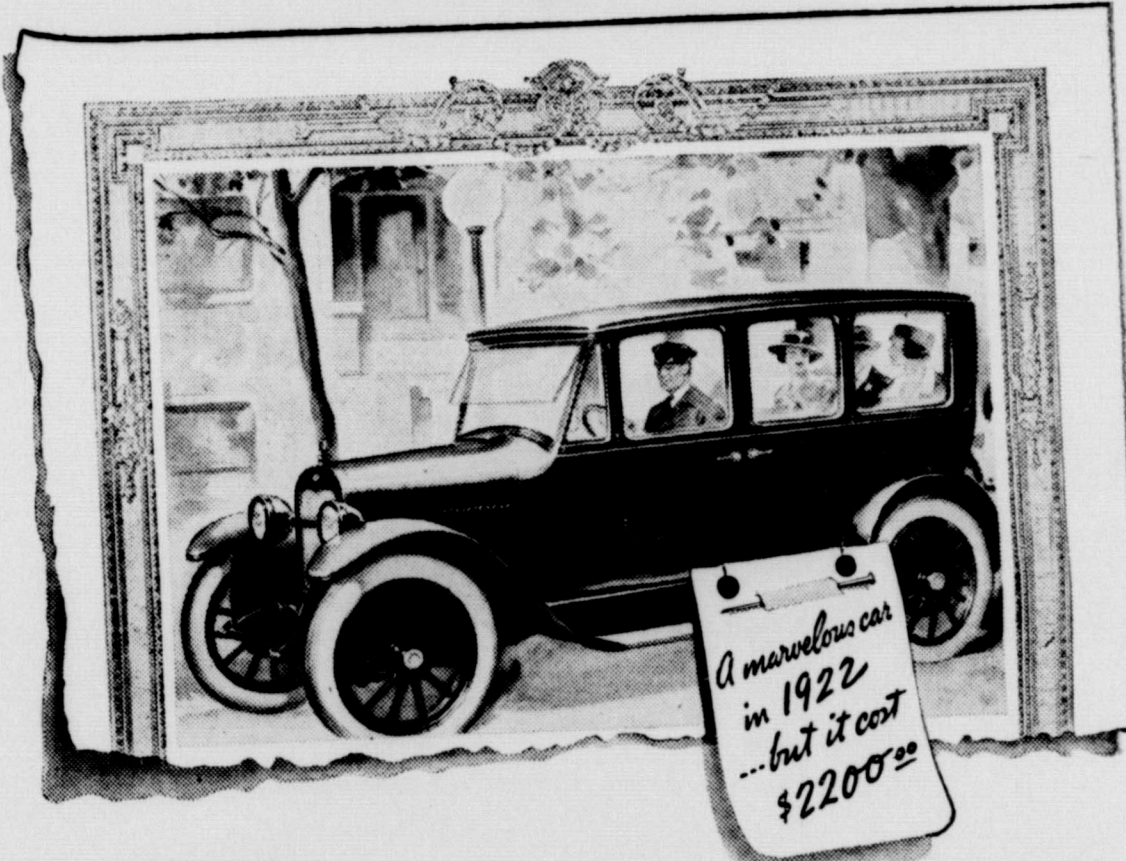

## ANNOUNCING

### Cameron's Annual Showing of Wallpaper and Building Materials

APRIL 19 and 20  
 9:00 A. M. to 6:00 P. M.

You are cordially invited to attend our Display on one of these days.

Wm. CAMERON & COMPANY, Inc  
 Crowell, Texas

### ... but what has this automobile to do with your ELECTRIC SERVICE?

FRANKLY, it has nothing to do with your electric service. We use it here to illustrate a point.

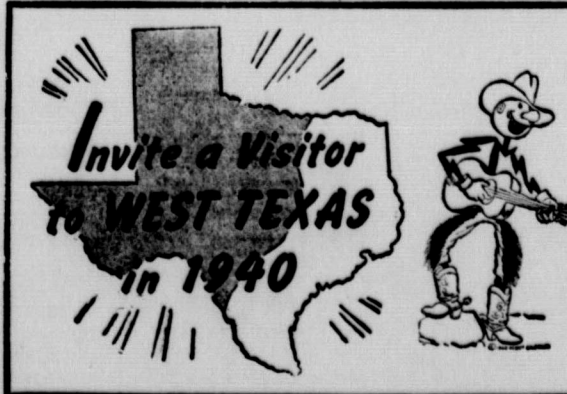

Automobiles were "rich man's toys" not so many years ago. They cost a lot of money and they cost a lot to run. They were gas-eaters and oil-eaters. The hills they could climb in high were few and far between. If you got them up to fifty miles an hour, the noise and vibration were terrific.

Today millions of American families can afford beautiful, powerful cars that outsmart, outshine and outperform the best models of the Twenties in every way, yet cost less than half as much.

This progress has not been confined to the automobile. Time was when electric service provided only your light. Today you can use more lights,

a radio, refrigerator, vacuum cleaner, washing machine and other appliances, and the electricity to operate all of these costs very little more than you used to pay for light alone.

Like the automobile, your electric service improves steadily year after year. At the same time, its price comes down. This is possible because of the constant effort of the people of your electric company to improve service and reduce rates. It's an effort that goes on and on. Because of it, your electric service will be better and cheaper in the future than it is today. The credit belongs to a group of people who are never content to rest on their laurels, who strive to do their job just a little better today than they did it yesterday. They're the people of your electric company.

REDDY KILOWATT is singing the praises of West Texas, "the Land of Opportunity." We have many things of which to be proud—opportunities for agricultural and industrial growth; sites of scenic beauty and historical significance; great natural resources; fine highways; splendid educational institutions; and a delightful all-year climate. When you write friends in other states, invite them to visit West Texas on their 1940 vacation trip.

More for your money  
 In the last 10 to 15 years, the engineering improvements and operating economies of your electric company have made it possible to cut the average price of household electricity just about in half. Many customers now using more household appliances, lots of light, a radio and refrigerator pay very little more to operate all of these than they used to pay for light alone.

**GARDEN CLUB MEETING**

P. T. A.

The Crowell Garden Club met Friday, April 11, at the Christian Church in a very interesting meeting. During the business session, the club voted to buy an upper-ground cistern for the Girl Scouts' Little House. One of the projects for the year has been the beautification of the Scout grounds, but it was impossible to do much without water.

Mrs. Geo. Self, civic chairman, asked for reports from members of the clean-up campaign committee, who have asked people in all parts of town to do their part in this work. The city council has co-operated with the Garden Club and is making it possible to have cans hauled off where it could not be done otherwise.

Mrs. H. Schindler, county highway beautification chairman, reported that several vacant lots on the highway would be cleared off during the next few days.

Five ladies were voted in as new members: Mrs. H. E. Thomson, Mrs. Roy Barker, Mrs. Moody Bursey, Mrs. Ernest Spears and Mrs. T. N. Bell.

Mrs. Mason Brown was leader for the afternoon study and at this time Mrs. O. E. Boman gave an interesting chapter from Colman's book on arrangements, "Preparation of Flowers for the Containers, for the Japanese Shin, Nageiri School of Arrangement." Mrs. Boman said that in the Shin, Nageiri school, there must be a traditional naturalism obtained in the composition, the low flat containers are not used nor are holders used in this school. High containers must be used high enough to support the stems which have been cut at an angle to make the position of the plant secure. Very little plant material is required for these arrangements.

Effort is made to emphasize the beauty of the individual flowers and an odd number of flowers must be used. The design brings out the angles of vision. A flower may be made to lean forward to such an extent that it appears larger than it really is or by receding it, it is made to look smaller. All Shin, Nageiri arrangements are viewed from the front, as the angles have been made from the front.

Mrs. Eva Ashford brought garden reminders for April. She stated that it is now time to set indoor plants outside. Chrysanthemums should be divided and transplanted soon, small seed should be planted and roses should be sprayed.

Several members displayed bouquets of wild flowers, but since the rains came so late, wild flowers are also late.

Rose Sunday has been postponed until the third Sunday in May, due to the freeze last week.

**COLUMBIAN CLUB**

On Wednesday afternoon, April 10, Mrs. C. R. Ferguson was hostess to the Columbian Club. A health or safety suggestion was given as each responded to roll call. The subject of the program of which Mrs. S. J. Ferguson was leader, was "Health and Safety."

Mrs. B. J. Smith reviewed a splendid article on "Mind Health." "Insulin" was the topic of a talk by Mrs. T. B. Klepper. This brought out new uses of the drug, which have not become commonly known.

The practically new medical discovery, "Sulfanilimide" and its effects, was discussed by Mrs. T. L. Hughton. Mrs. B. E. Baines gave some timely hints on "The Safety Train—Drive to the Right." A clever reading was given by Mrs. B. J. Smith, "Mammy's Little Boy," which was much enjoyed.

The hostess served a lovely ice course to club members and Mrs. Smith.

**ADELPHIAN CLUB**

Mrs. John Long led a Bible program on April tenth for the Adelpian Club. Mrs. Long described the beautiful ancient Easter which time has combined with the resurrection of Jesus. She displayed a print of DeVinci's "The Last Supper," and gave an interesting discussion of it.

Mrs. J. A. Stovall described an Easter service in England.

Mrs. M. J. Girsch gave a brief talk on Women of the Bible, saying she thought we might find something in their lives that would be helpful to us.

Mrs. F. S. Brooks played two piano solos, "The Palms" and "The Rosary."

Mrs. Henry Borchardt was hostess, serving a delicious refreshment plate to club members.

**Y. W. A.**

The Young Woman's Auxiliary of the First Baptist Church met Monday evening at 7 o'clock in its regular weekly meeting. The meeting was opened with a song. A devotional, "Co-operation," was given by Frances Hart.

After a business session, a program on co-operation was given with four members taking part.

The next meeting will be April 22, at the same time and place.

Mrs. Roy Barker was leader of the P. T. A. at the meeting held Tuesday afternoon in the Grammar School study hall.

The subject for consideration was "The House That Jack Built" and was presented in a most interesting manner by Mrs. Jim Cates. The subject was divided into five different phases. Rev. Harrell Rea discussed "Building Homes for Tomorrow." Mrs. Verne Walden representing Jane, who runs the house that Jack built, talked on "What a Home Should Give a Child." Miss Mildred Cogdell had for a subject, "How the School Should Co-operate with the Home in Its Teachings." Then Beverly Hughton, as Joan, daughter of Jane, who runs the house that Jack built, talked on "What a Home Should Teach a Son." Last, A. Y. Olds, impersonating Jim, son of Joan, who runs the house that Jack built, presented "What a Home Should Teach a Daughter." The discussions were very helpful and interesting.

Mrs. R. L. Kincaid, hobby chairman of the local unit, made a talk on the importance of hobbies in a person's life and announced the winners in the exhibit and presented the prizes. There were three divisions: Boys Ward School, Girls Ward School and the High School. In the boys division, Hardy Sanders won first place with a rock exhibit. John Franklin Hutchinson won second with woodwork and match-case collection; John Sanders third, with a scrapbook. In the girls division, Vonnie Odell was winner of first place with a quilt; Joyce Drew was second with a cake and Ruth Catherine Cates third with a dress which she had made. Harry Harwell was first placer in High School with a Spanish house and a Spanish notebook. The exhibit of hobbies was arranged in the office and was viewed after the meeting.

A large number was present and in the room court Mrs. Floyd Thomas' room ranked first in the Primary department; Miss Anne Lee Long's in the Intermediate, and the Freshman class in High School.

The next meeting, scheduled for May 14, will be held one week earlier, on May 7, in order to avoid conflict with the closing of school.

**MARGARET W. M. S.**

The Margaret Woman's Home Missionary Society met Monday at the home of Mrs. George Wesley in the Margaret community with Mrs. Don Culbertson as leader, who conducted a very interesting and instructive program. Mrs. Leo Owens conducted the devotional.

At the business session it was decided to sponsor a candidate speaking to be held at the church building in Margaret on Friday, May 10.

**ROTARY CLUB**

The girls' and boys' debating teams of the Crowell High School and Rotarian H. B. Sneed of Quanah were visitors at the Wednesday meeting of the Crowell Rotary Club.

Hubert Brown was in charge of the program for this meeting which consisted of debate on the subject, "Resolved, That Texas Should Adopt a System of Complete Medical Service Available to All Its Citizens at Public Expense," with Joe Wallace Beverly and A. Y. Olds, taking the affirmative and Virginia Thomas and Joyzelle Tysinger, the negative. At the conclusion of the discussion, it was voted by Rotary members that the debate resulted in a tie.

Last year airplane plants in this country produced \$225,000,000 worth of planes with a backlog of unfilled orders totaling \$700,000,000.
