WILDCATS WIN 36 TO 0 OVER ARCHER CITY

The Crowell High School football team won its first conference game of the 1961 season here last Friday night from the Archer City Wildcats by the score of 36 to 0. The margin of victory was probably as much as it should have been, but the Crowell boys looked rather sloppy at times in this important game. They were not as sharp in their blocking as they had been in some of their pre-conference games. However, they did make some outstanding plays at certain stages of the contest that should not be denied. Then, too, the Archer City boys deserve some credit for their improved defensive play that was lacking in their three previous losses.
Game at a glance:
Crowell Archer City
21 First downs 39
22 Yards rushing 99
133 Yards passing 25
3 of 6 Passes completed 2 of 4

The Value of a Smile

Every second of every day we are being judged by someone. Opinions are being formed about us every time we move. We are known by what we do, say and think. Even if no one on earth sees what we do, there is a higher Being whose judgment means more than that of mortal man.

What Freedom Means to You

Have you ever asked yourself, "What does freedom mean to me?" Does freedom mean simply the privilege of not having to worry about living under the dictator's rule?

Freedom, taken apart letter by letter, could well mean the following:

F—could stand for franchisee or the right of suffrage.

R—could be for representative in making today's laws as the people want them.

E—could stand for education for all, not just for the gifted and wealthy.

E—could stand for economics in our government, as well as in our industry.

D—could stand for democracy and the democratic way of life.

O—could be for your occupation.

M—could be for morality and your moral ideas.

Take freedom apart letter by letter and see what freedom is to you.

Would You Buy HALF a House?

A silly question? Not at all — for it may be your present fire insurance policy only covers about half the cost of rebuilding your home today. If your home was built and insured 10 years ago or more and you haven't brought your insurance up to today's rebuilding values, you should immediately check your fire insurance protection.

Memorial Gifts and Donations Listed for Cemetery

Memorial gifts to the Crowell Cemetery have been made by Mrs. Hazel Thomas, in memory of Mrs. Carl Cox; Mr. and Mrs. Walker Todd, in memory of Denny Todd; Mrs. F. W. Mabe, in memory of Mrs. Carl Cox; Marie Callaway, in memory of Mrs. W. L. Callaway; Mrs. Gregg Lawrence, Van Vleck, in memory of D. E. Thomson; Mrs. O. B. Davis, in memory of D. E. Thomson; Mrs. J. M. Denton, Abilene, in memory of Mrs. B. W. Mathews.

Mrs. N. J. Roberts added "Last fall after weed growing season was over, we hired extra help and had the entire cemetery completely gone over and we expect to do the same this fall. Saturday will be our third day of rummage sale. We do not expect to operate many Saturdays, and there's still time to bring wearable garments. We have calls for children's clothes, men's good shoes and shirts and work jackets.

"We aren't doing this for fun. We need this money to help keep our cemetery looking presentable. We urge lot owners to watch for the favorable season. Flatten your graves and set out native grass and upkeep will be much lighter. The damage to our evergreens this summer by the scourge of grass hoppers has been irreparable. Thanks for your help."

The following cash donations to the cemetery were also reported by Mrs. Roberts:

- Mrs. W. O. McDaniel, \$1.00;
- G. C. Morgan, \$10.00; Alton Cavin, \$10.00; Emel Ryder, Bellflower, Calif. \$5.00; J. W. Allison Estate, \$12.25; Mrs. Will Jones, \$10.00; Mrs. George Wilkins, Odessa, \$5.00; Mr. and Mrs. G. E. "Is Your Seat Belt Fastened?"

The question of "Is your seat belt fastened?", so long associated with the airplane, has been adopted by the Long Island Lighting Company in a new automobile safety program for its employees. Convinced of the very real safety benefits afforded by the belts, the company's aim is to make their use second nature on the part of both drivers and passengers.

Rotary Club Has New Bulletin with Ray A. Brown As Editor

The Rotary Club of Crowell has a new club bulletin, Raytorian, edited by Ray A. Brown. Herbert Edwards, club historian, recently gave in one edition the history of club bulletins since the club was organized in 1928. The history as written by Mr. Edwards follows:

"The Rotavox, meaning the voice of Rotary. This was the name of our first local club bulletin started in 1928. Mack Boswell, our first secretary, was editor and publisher. It was a small mimeographed sheet and was titled by the 'Voice of Rotary,' as Mack used it liberally to disseminate much needed Rotary information. After about seven years of editorship, Mack moved away and his successor, Dan Tarpley, continued the Rotavox for a year until he moved to Lubbock. Too bad no copies were preserved in our files.

"The Wheel Screaks—This was the name of our next club bulletin, edited and published by Grady Halbert during his first year as club president in 1946-47. Grady attended the district assembly for that year and became sold on the value of a club bulletin, so he proceeded to put out 'The Wheel Screaks' all by himself, in addition to his regular duties as president. It was a nice little bulletin, full of Rotary news, information and items of interest to all. Too bad, again, that no copies of this fine little sheet were not preserved.

"The Rotary Rambler — In 1947-48 Marion Crowell succeeded Grady as president and he continued the publication of a club bulletin, but changed the name to 'The Rotary Rambler.' This was truly a fine club bulletin and soon became an institution in our club. Marion's particular style of writing was unique and he had the knack of combining membership interest with Rotary news and information, which made this bulletin a superb publication. For several years it was issued regularly but finally began to appear periodically and at last ceased publication entirely, much to the

Two Minutes With the Bible

The Forgiveness of Sins

Some three thousands years ago and about one thousand years before Christ, the Psalmist said: "If Thou, Lord, shouldst mark iniquities, who should stand? But there is forgiveness with Thee..." (Psa. 130:3).

The Psalmist did not explain, however, upon what basis a just and holy God could forgive a guilty sinner. This was to be proclaimed one thousand years later by the Apostle Paul, himself once "a blasphemer, a persecutor and injurious" and the "chief of sinners," but forgiven and saved by the infinite grace of God (I Tim. 1:13-15).

Preaching Christ at Antioch in the province of Pisidia, Paul declared,

"Be it known unto you therefore, men and brethren, that through this man is preached unto you the forgiveness of sins, and by Him all that believe are justified from all things, from which ye could not be justified by the law of Moses" (Acts 13:38, 39).

But even this does not fully answer our question, for we must still ask: On what basis does God forgive sins through "this Man"? The answer is: On the basis of His payment for our sins on Calvary's cross. Thus the apostle wrote to the Romans, explaining how we may be...

"...justified freely by His (God's) grace, through the redemption that is in Christ Jesus" (Rom. 3:24).

Now, thank God, through Christ's finished work, there is not a sinner who needs to remain unforgiven, for:

regret of every member. Marion did all of this by himself—maybe we just worked a good horse to death.

"Last year our president, James Herring, attempted to revive the club bulletin, but after two issues he became discouraged and gave up."

Easy to Account for Low Rates of TVA

From a column by Donald I. Rogers in the New York Herald Tribune: "To be fair, it must be stated that the TVA rates are lower than some rates charged by the privately-owned utilities, but this is easily accounted for by the fact that TVA pays only token taxes, that it borrows from the Treasury at less than cost and that it is able to charge off much of the cost of hydro-electric dams to flood control and navigation."

"In Christ we have redemption, through His blood, the forgiveness of sins according to the riches of His Grace" (Eph. 1:7).

Wildkittens Lose to Paducah Team

The Crowell ball teams, Grade School and High School "B" team, broke even in games at Paducah Monday night. The Wildkittens lost their first game out of four for the season 28 to 26. The "B" stringers won their scrimmage 8 to 0.

Paul Campbell, Stephen Kraliecke, Randy Smith and Dan Mike Bird scored touchdowns for the Kittens. Ronny Mints and Danny Walling were the big shots for the little Dragons in their offensive efforts. The touchdowns were even for these two teams, but the extra points spelled the difference.

Crowell's "B" string had little trouble in its scrimmage, but the touchdown run over by Larry Henry was the only score of the contest. Larry, Winston Nickel, Jon Lee Black, Jimmy Hudgens and Paul Bax Ekern looked good on defense for Crowell.

These teams will square off against one another again here next Monday night. The Wildkittens can get back into the district crown race by taking this one. However, it is a "must." The Wildcats are large and aggressive. The local fans have a treat in store in both of these contests. The first

The Henry Circle met Monday, Oct. 2, with Mrs. Foster Davis, in the absence of the chairman, Mrs. Cornelia McDaniel. Mrs. Virgil Johnson presided.

Rev. John Fitzgerald opened the meeting with prayer after which he gave a devotional based on Philippians 4:8. Mrs. Vera Manard conducted the Bible study from the book, "The Household of God." Mrs. Johnson gave the special feature, "The Good Shepherd," based on the life and work of Dr. Tom Shipp, pastor of Lovers' Lane Methodist Church in Dallas. Having always helped alcoholics, he started his church with seven ex-alcoholics. It has increased to several thousand members, about two hundred of whom are rehabilitated alcoholics. He will hold five services at the First Methodist Church in Quanah beginning Oct. 5.

The hostess served sandwiches, cookies and coffee. The next meeting will be Nov. 6 with Mrs. Guy Bourds.

Dorothy Erwin was hostess at the September meeting. On the program were Mrs. Cornelia McDaniel, Mrs. Ruth Kenner, Miss Lennis Woods and Mrs. Henry Borchardt.

Mrs. Corder read an article written by John Robert Powers, stating that feathers for trimming are especially good this season. Decorative feathers, flowers and other trimmings were displayed.

The meeting opened with singing, scripture by each club member and the story of the hymn, "Bless Be the Tie That Binds," given by Mrs. J. M. Chowning. Mrs. Jack Hickman, chairman of special foods committee, reported, and assignments for entertainment of Geree club on Oct. 12 were made. She used as her theme the various instruments of the orchestra, and pointed out that the officers of the W. M. S. must work together as musicians in an orchestra.

Installed as local W. M. S. president was Mrs. W. F. Statser. The other officers of the local society were also installed and also the officers of the three Girls' Auxiliaries. The G. A. girls sang their hymn, "We've a Story to Tell to the Nations."

Do you have a small cotton shag throw rug which you wash? How it looks after tubbing depends a great deal on your laundering methods.

First, decide whether your washer can take your rug. Any rug of more than five pounds dry weight probably is a bit heavy for a washer and should be sent to a laundry. If you decide to wash your rug, vacuum it thoroughly first. Use only warm water if the rug is not too dirty and use the soap or detergent you like for colored cottons.

Place the rug so that the load is balanced in the washer. A wash period of six to eight minutes should be enough. Rinse well. A dryer fluffs shag rugs beautifully. Overdrying has a tendency to mat the pile, so check the drying time carefully. Rugs can be successfully dried on a line, too. With a ringier type machine, loosen the rollers before you pass the rug through.

Pioneer Circle Meets

Thirteen members of the Pioneer Circle of the Woman's Society of Christian Service met in the home of Mrs. Jeff Bruce Monday, Oct. 2. Mrs. Grover Cole assisted with the hostess duties.

The meeting was opened by the group singing "The Church's One Foundation," followed by Mrs. Cole reading the scripture, I Cor. 3:9-11. The program, "New Churches for New Times," was presented by Mrs. John Fitzgerald. Discussion followed on what can be done to make the church more effective and how the gaps that are opened can be filled. The decision was made to visit shut-ins after the monthly circle meeting.

The meeting was closed with all singing, "I Love Thy Kingdom, Lord," and prayer was offered by Mrs. Fitzgerald.

The T. E. L. Class of the First Baptist Church met Sept. 28 in the home of Mrs. Arthur Sandlin with Mrs. Martha Dunagan assisting with hostess duties. The meeting was opened with prayer by Mrs. C. C.
