Red Cross Roll Call Opens Monday; 250 Members Foard County Quota

American Red Cross, confronted with increased demands for current national defense and growing needs for its regular domestic operations, on November 11 will call its greatest membership roll since the days of the World War.

George Self, chairman of the Foard County chapter, declared that 250 memberships are needed for the roll call. Mr. Self declared the success of the national enrollment will hinge upon the success of chapters in attaining their membership goals. Every person who can be a Red Cross member to the Foard County chapter is urged to do so.

Mr. Self said the American Red Cross asked for a fund of \$20,000 to widen its war relief operations in Europe. This amount has been raised and oversubscribed. The Red Cross to ship thousands of tons of food, clothing and medical supplies to the areas where it has been needed.

Mr. Self said that the Red Cross Roll Call each year to support national and local Red Cross activities in their domestic operations. Funds realized at Roll Call, he explained, will not be for war relief, but to enable the Red Cross to continue its day-to-day operations in relief, first aid, life saving, and its assistance to the (Continued on Last Page)

Proclamation by Mayor of Crowell

WHEREAS it is a known fact that no section of the United States and its insular possessions is free from threat of natural catastrophe in one form or another; famine, fire, flood, hurricane, explosion, epidemic, blizzard, drought, tornado, earthquake or other calamities of nature; and

WHEREAS conditions in the world today necessitate an unprecedented peace time expansion of our Army, Navy, Marine Corps, Coast Guard; and

WHEREAS the current European war continues to cause intense distress among innocent victims, making essential the extension of American aid to suffering humanity abroad; and

WHEREAS the American Red Cross is the only organization in our land equipped and ready, first, to protect us against the aforementioned disasters and render relief when they occur; second, to assist, comfort, advise and otherwise serve the men of our armed forces and to act as liaison between them and their loved ones at home; third, to undertake the administration of American mercy to stricken non-combatants and refugees in Europe when assurance is had that such activity will not be interfered with by belligerent powers; fourth, to continue at the same time in our own community such indispensable welfare programs as Red Cross Public Health Nursing, First Aid and Life Saving, Accident Prevention in the Home and on the Farm, Home Hygiene, and the Junior Red Cross in the schools;

THEREFORE, I, Mayor of Crowell, PROCLAIM the period of the 1940 Annual American Red Cross Roll Call, November 11-30, a period during which public spirited men and women of this city should bend every effort to support the Red Cross through their local Red Cross chapter, by becoming members of the Red Cross through their chapter or by renewing memberships therein; and I further Proclaim that it is the sense of all of us, residents of Crowell, that our response to Red Cross Roll Call this year, in view of world events, must be stronger numerically than it has ever been before.

(Signed) C. T. SCHLAGAL

First 250 Draft Numbers for County Released by Local Board; Rest of List Will Be Printed Next Week

Questionnaires To Be Mailed to Registered Men

Selective Service Forms Will Be Sent Out Here This Week

The first 250 order numbers for Foard County were released by the local Selective Service board shortly after the master list was received from Washington, D. C., last Monday.

If the name of a registrant is not included in the first 250 order numbers as printed below, it is practically assured that he will not be called for military training for at least one year and maybe longer. This will depend largely upon the number of volunteers received before each call.

In the list printed in The News last week, which was not a certified list from the local board, there were two or three errors. The name of Hubert Richter should not have been on the list and Robert Frank Crisp should have been listed in his place. Jack Warren Thomas will hold order No. 39 instead of Richard Arthur Parrish as was released last week.

Following are the first 250 order numbers released for Foard County. The first number is the order number and the second is the serial number.

- 1-158 Louis Rivers
- 2-192 Morris William Diggs
- 3-105 James Howard Menefer
- 4-188 George Truett Jones
- 5-120 Otis Hammonds
- 6-161 Elmer Coy Blair
- 7-14 Ernest Murphy McDaniel
- 8-57 George Crockett Fox
- 9-153 Robert Lee Bonsal
- 10-19 Thomas Jefferson Cox
- 11-172 Doyle William McCurley
- 12-126 Savino Pineda Sanche
- 13-187 Walter Earnest Anderson
- 14-167 Vernon Ray McClanahan
- 15-162 Jack Bryant Phillips
- 16-147 J. T. Vessel Jr.
- 17-31 Guyton Webb Sikes
- 18-156 Elmer Nathan Wilson
- 19-112 Glen Benjamin Gunter
- 20-185 H. M. McBeath
- 21-108 George Granis Mills
- 22-109 Willie Edd Mills
- 23-184 John Eddie Van Winkle
- 24-116 Jodie Hawkins Wallace
- 25-174 Elwin Ray Hudgens
- 26-131 Rodney Horace Trammel
- 27-125 Louis Percy Webb
- 28-138 Carlos Leyia
- 29-142 Willie Sillemon
- 30-166 Monroe Bill Karcher
- 31-135 Ewing Wilson Kidd
- 32-183 Dallas Marlow
- 33-148 Jack Levi Tillie
- 34-198 Mark Edwin Saunders
- 35-139 Mark Leroy Self
- 36-146 Thomas Franklin Black
- 37-6 Jim Vassar
- 38-122 Claude Clinton Carr
- 39-83 Jack Warren Thomas
- 40-280 Thomas Edward Owens
- 41-169 Charles Otis Gafford
- 42-145 William Robert Kinsey
- 43-9 Ernest Sylvester Payne
- 44-121 Rogers Wood
- 45-625 Jesse Delmar Miller Jr.
- 46-181 Roscoe Pierce
- 47-660 Nathan Jackson Roberts Jr.
- 48-86 Robert Frank Crisp
- 49-114 Charles Richard Ellis
- 50-136 John Wilson Long
- 51-228 Roger Quinten Dozier
- 52-612 John Mack Toie
- 53-231 Guy Milton Todd
- 54-203 R. E. Weathered
- 55-196 George Elbert Grant

CONDITION UNCHANGED

The condition of E. A. Fox, who has been seriously ill for some time at his home in West Crowell, remains unchanged.

MRS. TUTTLE ILL
Mrs. W. R. Tuttle, who is ill at her home in Crowell, is reported to be resting fairly well.

First Selective Service Call from Foard County Will Probably Be Filled With Volunteers; 7 Sign Up Here

It is now expected that Foard County will not have to send a call for military training in the roll of the Selective Service due to the large number of men volunteering for the training from this county, according to information released last week by the local board.

The first call for men to enter military training is expected to be made during the next 15 or 20 days.

There have been eight youths who have volunteered from this county since October 30. This number includes five white men and three negroes.

Following is the list of white men who have volunteered to the local board:

- Arvell Douglas Bledsoe, Oct. 30.
- L. S. Ray Bledsoe, Oct. 31.
- Arvil Leon Alston, Nov. 2.
- William H. Adams, Nov. 4.
- Fred R. Vecera, Nov. 6.

Below are the names of the negroes who have volunteered:

- Burnell James Powell, Nov. 4.
- Monroe Harris, Nov. 4.
- Taylor S. Perkins, Nov. 4.

All men between the ages of 18 and 36 years who wish to volunteer for a year's military training are urged to contact the local board as soon as possible.

Four Amendments Are Adopted by Voters of Texas

All four of the amendments to the Texas Constitution which were voted on in the general election held Tuesday, Nov. 5, have substantial leads, according to tabulations Wednesday morning.

The amendment providing that the Commissioners Court of Red River County, upon the vote of qualified voters of the county, could levy a tax and issue bonds to refund outstanding indebtedness of the county passed by a 94,390 to 88,356 vote, according to figures Wednesday morning.

The second amendment on the official ballot which provides that Notaries Public be appointed by the Secretary of State was adopted (Continued on Last Page)

Lowell Wells of Dalhart Died Nov. 2 In Kansas City

Lowell Wells of Dalhart, 40, former Foard County resident, died Saturday in a Kansas City hospital of heart disease and complications, according to a message received here by his aunt, Mrs. J. M. Allee. He had been in bad health for several months. Mr. Wells was the youngest son of R. A. Wells of Dalhart and was born in Crowell where the Wells family lived for many years before moving to Dalhart nineteen years ago. He had been a copper smith for the Rock Island Railroad in Dalhart for the past 16 years.

Survivors include his wife and two children, his father and two brothers, Rob and George Wells, of Dalhart, and Mrs. W. W. O'Neal of Amarillo.

Mr. Wells is well known here, having spent his boyhood here where he attended Crowell schools.

Red Cross Section in News This Week

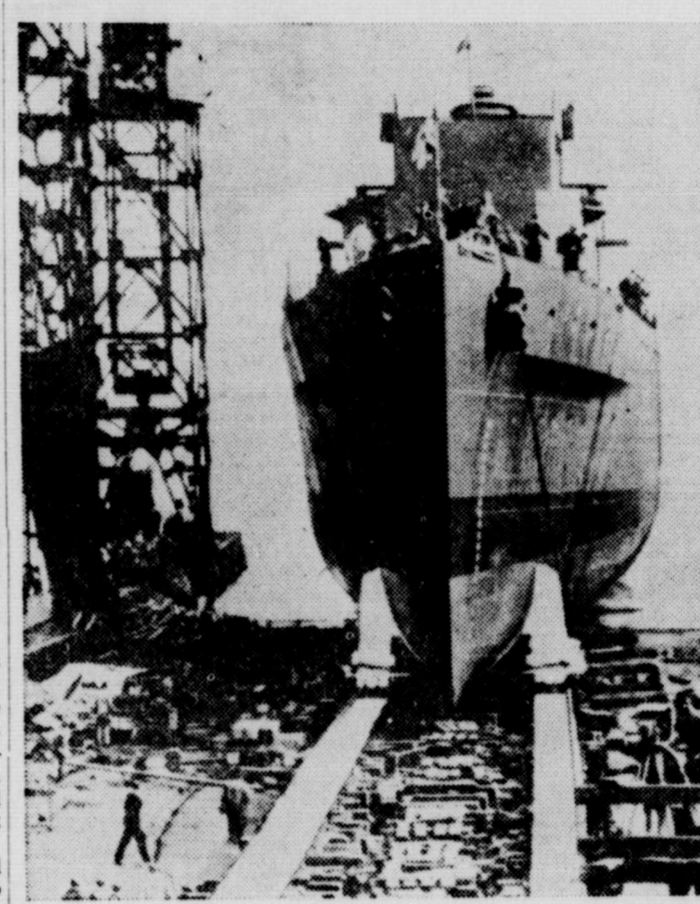

The Foard County News is carrying a special supplement section this week which was published by the United States Red Cross in opening Foard County Red Cross Chapter's drive for members.

The section urges all who are able to assist in the drive to join the Red Cross. The drive will be held throughout the nation from Armistice Day, Nov. 11, through November 30th.

The inserted sheet published by the Red Cross summarizes the work of the organization during the last year and shows how the Red Cross serves throughout the nation.

Franklin Roosevelt Re-Elected President of United States for Third Term With Large Majority

New British Cruiser Launched

A new British cruiser is here shown being launched at an undisclosed port in England, to increase the hitting power of the British navy. "As months go by the British navy is becoming increasingly powerful." So states the British caption which accompanied this picture—which is truly remarkable considering the "strafing" of the embattled isle.

President Given 39 States; 468 Electoral Votes

Roosevelt's Margin In Foard County is 1007 to 142 Votes

Voters of the United States shattered one of America's most ancient traditions and made much history when they so overwhelmingly re-elected Franklin D. Roosevelt to the presidency for the third term. President Roosevelt's running mate was Henry A. Wallace, former Secretary of Agriculture.

Big Majority Vote
President Roosevelt and Mr. Wallace were given a 4,081,749 majority vote over their Republican opponents, Wendell L. Willkie and Senator Charles L. McNary, according to bulletins Wednesday afternoon. Reports are that Roosevelt's majority continues to grow as the vote is tabulated.

Carries 39 States
It is nearly assured that President Roosevelt will carry 39 of the 48 states for an electoral vote of 468 and only 266 electoral votes are necessary for a majority. The president led in such important states as Pennsylvania, Indiana, Wisconsin, California, Ohio, Missouri and Illinois.

Concedes Victory
Within a few hours after the votes started coming in, newspapers in the North which had backed Mr. Willkie throughout his campaign started conceding President Roosevelt's re-election. It was reported that the Republican vice president candidate, Mr. McNary, also conceded the Democrats victory Tuesday night. But Mr. Willkie stated a short time after tabulations started Tuesday night that it was going to be a "horse race" and the final outcome would not be known until Wednesday morning. Mr. Willkie did not concede President Roosevelt's election until 9:30 o'clock Wednesday morning when he sent the following telegram:

"Franklin D. Roosevelt, President of the United States, Hyde Park, New York. "Congratulations on your re-election as President of the United States. I know that we are both gratified that so many American citizens participated in the election. I wish you all personal health and happiness. Cordially, "Wendell L. Willkie."

Garner Doesn't Vote
John Nance Garner of Uvalde, Vice President of the United States, did not cast his vote in the (Continued on Last Page)

Crowell Wildcats Swing Back Into Action to Travel to Archer City For Conference Game With Wildcats

The Crowell Wildcats will swing back into action after a week's rest on Friday night when they invade Archer City for a match with the Wildcats. Dopesters have predicted that the victor will land in second place of the final District A-A standing.

These two Wildcat eleven's will take the field tomorrow night on even terms. Both teams have lost only one game this season and those were to the prospective championship Chillicothe Eagles. Their records are nearly even for the season and their conference records are exactly the same.

During the season, the Archer City lads have won four games, lost one and tied one. Crowell has won four games, lost one and tied two. Going into the conference play, both clubs have won 2 games and lost one. So one of these eleven's will go below the other tomorrow night.

Judging the weights of the clubs neither will hold an advantage. Both average 153 pounds per man. Down to this, it appears that there will not be a favorite for the contest, so one must take game-for-game for a comparison of strength of the grid machines. Archer City defeated Iowa Park. (Continued on Last Page)

MRS. HAYES IMPROVING

The condition of Mrs. T. L. Hayes, who was seriously ill last week, is improved. Her son, Travis Hayes, and family arrived here from Elk City, Okla., Wednesday and remained until Sunday afternoon.

BIRTH

To Mr. and Mrs. Gilbert Choate, a boy, James Gilbert, Nov. 2.

1940 RED CROSS POSTER

Pretty Martha Anderson, a Texas girl who has made a successful career as a model for photographers and artists in New York, posed for the 1940 Red Cross Poster, calling to all patriotic men and women to join the American Red Cross Chapter in their communities from November 11 to 30. Ray Morgan, a distinguished New York portrait and poster artist, created the design, which emphasizes the keynote that the Red Cross "serves humanity."

Casing In Wallace's Gamble No. 1 Cemented; Pipeline to New Field Near Completion; Allee No. 1 Oil Producer

Drilling of Harry B. Wallace E. M. Gamble No. 1, which will be the fifth well in the Gamble-Dickerson oil pool 8 miles northeast of Crowell, was completed this week and casing has been set and cemented. The plug will be drilled out with a spudder rig within the next three or four days. This well is located 660 feet south of the discovery well, Thomason's E. M. Gamble No. 1.

Pipeline Nearing Completion

A pipeline to this new field is nearing completion and it is expected that oil will be flowing through the pipes in a day or two.

This pipeline is being laid to the new wells by the Panhandle Oil Company from The Texas Company pipeline in the Thalia field three and one-half miles east of the new pool. The line will be operated by The Texas Company.

Since production was found in the new field, the oil has been put in storage tanks and when necessary the crude was hauled away from the field in trucks.

After two attempts, the Foster Petroleum Corporation's M. S. Belle Allee No. 1 has been converted from a gas well into an oil producer. Reports are that this appears to be a good well, however, tests have not yet been made. The casing was perforated this week and the formation acidized.

Items from Neighboring Communities

GOOD CREEK (Mrs. E. M. Cox)

Mr. and Mrs. Rex Traweck and children of Claytonville spent Thursday night with her brother, E. M. Cox, and wife.

Mrs. L. R. Scott spent a while Saturday night with her father, A. C. Hinkle, and wife of Crowell.

We had a good rain Tuesday night, about 4 inches, and lots of hail which damaged the cotton.

Wheat in this community is looking good after the rain.

Bobby Stinebough of Claytonville spent Sunday night with Arnold Cox.

Mrs. C. E. Dunn spent Sunday evening with her daughter, Mrs. W. M. Cox, of Claytonville.

Arnold Cox spent Sunday

morning with Bobby and Jimmie Stinebough of Claytonville.

Bobby and Jimmie Stinebough, Arnold Cox and Doris and Bois Cox all went to John Boggs Traweck's birthday celebration Sunday at Claytonville.

Mrs. J. T. Cox left a few days ago for San Angelo where she will spend the winter months with her daughter, Mrs. L. W. Haynes. She was accompanied by Mrs. A. L. Davis and children and Mrs. Jack Stinebough and children.

Miss Ada Groomer of Hollywood, Calif., arrived home Tuesday where she will spend a while with her parents, Mr. and Mrs. C. H. Groomer.

Mr. and Mrs. C. H. Groomer and daughter, Ada, and Betty Lou Stinebough spent a few days at Eastland where they visited relatives. They returned home Sunday.

Bernice D. Fortner of Happy is here spending a while with his uncle, A. B. Fortner.

A large crowd attended the singing at the Methodist Church Sunday afternoon. Several from Rayland, Crowell and Vernon attended.

W. B. Shook and family of Iowa

VICTOR IN THE SOURPUSS SWEEP STAKES?

It's HARD to tell... but EASY to pick a winning oil

PUBLIC ENEMY NO. 1 may well have been a smiling, gurgling baby. And by the same token, there is no reason why this screaming, yawning, sad-eyed child should not end up as a radio comedian.

Only a rash man thinks he can predict a child's future. But any car owner can readily foretell which is a winning oil for his motor.

He has no question or doubt because the integrity of the great Phillips organization is back of this direct statement: If you want our **best oil**, remember we specify that **Phillips 66 Motor Oil is our finest quality**... the highest grade and greatest value... among all the oils we offer.

When you make the seasonal change to lighter lubricant, or the 1,000-mile replacement which every engine needs, pick a winning oil. Refill with Phillips 66 Motor Oil at the Orange and Black 66 Shield.

IN THE NEWS... 40 YEARS AGO

The following items are taken from The Foard County News of Nov. 9, 1900, an edition given us by Howard Williams. The paper was owned and edited by H. W. Norwood, now of Vernon:

For Sale—160 acres school land, 100 acres leased railroad land, 1 1/2 miles of school. All fenced and 50 acres in cultivation. Box house, lots, windbreak, etc. Outside range. Access to living water the year round. \$500 cash. —H. W. Norwood.

The best prescription for Malaria—chills, fever, is a bottle of Grove Tasteless Chill Tonic. It is simply iron and quinine in a tasteless form. No cure, no pay. Price 50c.

Good People—I have the only third class gin plant in the state. And I will do ginning accordingly; it has long been given up for good sample and turnout.—G. T. Crowell.

J. L. Klepper has added a brand new buggy and harness to his livery stable equipment. Call and take a ride.

The front page of this paper contained a dry goods ad for D. P. Beatty—half page—in which he says "Cotton up—Dry Goods Down." D. B. Beatty, always in the lead, Mr. Beatty was conducting a sale on the largest stock of dry goods ever brought to Crowell.

F. G. Hardcastle has sold his interest in the barber shop to J. N. Buttler.

Our own John W. Thompson, who has been away in Oklahoma for several months, came down last Saturday to visit friends and relatives. He will be here about a month. He says "keep the News coming," which we will gladly do.

Miss Lillie Grace, the talented daughter of Dr. J. W. Grace of Quanah, is here visiting her host of friends.

J. F. C. Hays has removed from Vivian to the Hays place east of town.

Prof. R. B. Sherrill arrived in Crowell Wednesday. He will begin teaching school at Vivian next Monday. (More Next Week)

Park visited relatives here a few days last week.

Cleldon Sims, who is attending school in Vernon, visited his parents, Mr. and Mrs. Lee Sims, here a few days last week.

Mrs. Mildred White of Wichita Falls visited her parents, Mr. and Mrs. M. C. Adkins, here Monday.

Mrs. Veda Allen of Childress visited her parents, Mr. and Mrs. Clyde McKinley, here this week.

Mrs. Roy Shultz returned home Thursday from a visit with relatives in Vernon where she had been staying since undergoing an operation several weeks ago.

Mrs. Norman Gray entertained the young folks class of the Methodist Sunday School with a social at the church Tuesday night. Mrs. Gray is teacher of the class.

Mr. and Mrs. Oneal Johnson entertained the young married peoples class of the Baptist Sunday School with a social in their home Tuesday night. Sandwiches and coffee were served to Mr. and Mrs. Mack Edens, Mr. and Mrs. Huston Adkins, Mr. and Mrs. Howard Bursey, Mr. and Mrs. Robert Long, Mr. and Mrs. Sim V. Gamble, Mr. and Mrs. Isaac Shultz, Rev. and Mrs. T. J. Dubose, Mr. and Mrs. Morgan Price, and their teacher, Gus Neill.

Worry Is Nothing New

Do we of today worry more than our ancestors did in the past? There is no yardstick which we can use to make accurate measurement, but it is my impression from what I have read in history, biography, memoirs, and letters that we do. Then why? There are, I think, a number of contributing causes which may be suggested. For one, we are softer. Less than a century ago, for example, there were no anesthetics. People faced their operations, from pulling out their teeth to the amputating of a leg, in cold blood. They were used to suffering as the order of Nature. . . . The physical comforts, which vast numbers of people even on relief now have, were formerly not possible by many of the rich. . . . Psychologists tell us that from lack of use of the brain centers controlling physical emotions and from overuse of the intellectual parts we are upsetting the normal balance of our nervous systems. . . . In addition we are fearful because we are less self-reliant.—James Truslow Adams, noted historian, writing in the Rotarian Magazine.

Custom decrees that when an American flag becomes worn or soiled so as to become unfit for display it shall be burned or disposed of in some other way privately. It should not be thrown in a rubbish pile. The disposition of soiled and worn out flags is not governed by law but the U. S. Government burns worn out flags.

Figure the Price Figure the Features.. Figure the Savings AND YOU'LL BUY CHEVROLET! Price is important, of course... But most important of all is what you get for the price... Your own eyes and your own tests will tell you that you get the highest quality in the lowest price field when you get a new Chevrolet... That's why people have given Chevrolet leadership in motor car sales for nine of the last ten years! You'll Say "FIRST BECAUSE IT'S FINEST" AGAIN CHEVROLET'S THE LEADER! BORCHARDT CHEVROLET CO.

Observe Education Week

"Education for the Common Defense" is the theme of American Education week to be observed November 10 to 16. Above are shown three important phases of education: training for a vocation, learning to read, and preparing for American citizenship. More than 8,000 persons visited public schools during this week last year.

Mr. and Mrs. Dave Shultz and children visited Miss Juanita Shultz in a Vernon hospital Saturday afternoon. Mr. and Mrs. Roy Shultz spent Friday night with his grandparents, Mr. and Mrs. D. M. Shultz. V. A. McGinnis is critically ill at this writing. His daughter, Mrs. Greek Davis of Lorenzo, is attending his bedside. A special nurse is caring for him and Miss Zelma Ward is assisting with household duties in the home. Roy Pawless of Gainesville visited in the Cap Adkins home Saturday afternoon. He also visited other friends here and in Thalia Saturday and Sunday. Roy is with the medical corps of the U. S. Army and is stationed at Gainesville at present. Mrs. Eric Wheeler was on the sick list last week. Mrs. Allie Hantley returned home from Vernon Sunday after an extended visit there. Mr. and Mrs. Carl Zipperly of Vernon visited Mr. and Mrs. Ben Bradford Thursday afternoon. Mrs. Earl McKinley and her father, Tom Burson, visited their sister and daughter, Mrs. E. G. Grimsley, in Wichita Falls Friday. Mr. and Mrs. J. F. Long and son, James Everett, of Crowell visited Mr. and Mrs. Howard Bursey Sunday. Miss Arlene Rice visited in Vernon Sunday. Mr. and Mrs. Cap Adkins and son, Douglas, and Mrs. Allie Hantley attended funeral services for Lon Adkins in the First Baptist Church in Electra Sunday afternoon. Mr. Adkins died in a Vernon hospital Saturday morning after having been critically ill for 6 weeks. Mr. and Mrs. J. E. Calvert of Farmers Valley spent Sunday afternoon with Mr. and Mrs. Ben Bradford. Mrs. J. L. Grisham and Mr. and Mrs. J. B. Buttrill of Quanah visited Mr. and Mrs. Jodie Tole Sunday. Alfred Dunson and family of Chillicothe visited Mr. and Mrs. Tom Dunson recently. Mrs. J. Bailey Rennels left Thursday afternoon for Bridgeport in response to a message that her mother, Mrs. J. W. Walker, was seriously ill. Mrs. Walker died Thursday night and funeral services were conducted at Bridgeport Sunday afternoon. Mr. Rennels left Saturday morning to join Mrs. Rennels and they both returned after the funeral Sunday. Mrs. Walker, who was 74 years of age, died of a heart attack. Mrs. Mildred White of Wichita Falls visited Mrs. Earl McKinley Monday afternoon. Mr. and Mrs. Hibit Grisham of Byers spent the week-end with relatives here. They were accom-

panied home by Carolyn Tole, who will spend the week with them. Quite a number attended the Negro Minstrel at Five-in-One and the Hallowe'en carnival at Thalia Hallowe'en night. Mr. and Mrs. Otis Tole of Vernon spent Saturday night with his parents, Mr. and Mrs. Sam Tole. Mrs. Otto Schroeder and daughters visited Mrs. J. W. Kern and infant son in a Vernon hospital Saturday afternoon. Mr. and Mrs. A. C. Key of Rayland visited in the home of Mrs. J. L. Rennels Wednesday. Mr. and Mrs. Willie Cato and children, Carroll and Mary Kathleen, of Thalia were dinner guests of Mr. Cato's sister, Mrs. Dave Shultz, and family Sunday. Richard Johnson and family spent Sunday with Rev. T. J. Duhose and family of Thalia. Bill Hlavaty and family of Thalia spent Sunday with Roy Ayers and family. Mr. and Mrs. G. A. Shultz and children, Nan Sue and Jo Ann, and Mr. and Mrs. Isaac Shultz of Thalia, Reid and Louis Pyle, and Paul Johnson spent Sunday with Mr. and Mrs. D. M. Shultz.

TRUSCOTT

(Special to The News) Granville Westbrook left last week for Arkansas where he has accepted a position as mathemat-

ics teacher in the Guy-Perkins High School. The twelve-teacher consolidated school at Guy, Ark., was not scheduled to begin until last Monday on account of the large cotton crop. Dick Collier of Margaret visited an old friend, Geo. Brown, here Sunday. Mr. and Mrs. A. F. McMinn and family, Frank, Frances and Betty Anne, visited relatives in Peacock Sunday. Mr. and Mrs. Dan Tarpley of Lubbock visited his parents, Mr. and Mrs. A. S. Tarpley, Sunday. Rev. John Stevens of Fort Worth visited friends in Truscott a short while Sunday. Mr. and Mrs. Alvie Lynch of Chillicothe and Mr. and Mrs. Adair Wraether of Rule visited Mr. and Mrs. L. F. Fannin Sunday. E. G. Campsey of Pueblo, Colo., is visiting his sister, Mrs. S. S. Turner, and other friends and relatives here. Mr. and Mrs. Dallas Benion of Quanah, visited Mr. and Mrs. Wayne Young and Mr. and Mrs. Gilbert Adcock Sunday. Mr. and Mrs. Lee Blevins visited her parents, Mr. and Mrs. Tuck Ingle, at Margaret over the week-end. Mrs. Lester Patton and Mrs. Bill Carroll of Crowell visited their sister, Mrs. Chester Pogue, and family Sunday. Mrs. B. S. Westbrook has been sick for the past week. Mr. and Mrs. L. F. Fannin visited their son, Pearl Fannin, and family in Hamlin last week. Wendell Fannin returned with them Sunday. The Women's Division of Christian Service of the Methodist Church climaxed their study course, "Dangerous Opportunity," with a social at the home of Mrs. C. A. Bullion last Tuesday. Those attending were Mrs. Guynn Hickman, Mrs. L. R. Strange, Mrs. Lee Blevins, Mrs. Oscar Witte, Mrs. Minnie Rudloff, Mrs. Clyde Wood, Mrs. Warren Morton, Mrs. W. T. Blevins, Mrs. Oscar Solomon, Angie Maddox, Mrs. C. C. Schroeder, Mrs. S. E. Mills, Mrs. Geo. Solomon, Mrs. I. T. Huckabee, and the hostess, Mrs. Bullion. The entire community enjoyed the main program and added attractions at the Hallowe'en carnival sponsored by the P. T. A. at the High School building Thursday night. E. G. Connor, highway patrolman of Wichita Falls, lectured to the student body of Truscott High School Monday on safety and first aid. The Junior class of the Truscott school had a picnic supper near Gilliland and skating party in the Gilliland school gymnasium Monday night. The Senior class of Truscott High School was entertained with a party by Mrs. L. A. Haynie and Mrs. S. E. Mills Friday night. Cootie was played throughout the evening and a pretty refreshment plate was served to Ruth Holmes, La Verne Rutherford, Chrystalene Chilcoat, Dorcas Deane Westbrook, Mary Elynn Haynie, Lollie Haynie, Wroena Nichols, Mildred Black, Neva Mills, J. T. Cook, Billy English, Wayne Young Jr., Douglas Burgess, Joe B. Turner, Edward Woodward, Gene Whitaker, Elbert Kenner, Raymond Black, Mr. and Mrs. A. F. McMinn, and Miss Alma Lea Burkett.

MARGARET

(By Mrs. John Kerley) Mr. and Mrs. Glenn Gunter of Rayland visited her parents, Mr. and Mrs. Ralph Bradford, and grandmother, Mrs. Sudie Bradford, Thursday. Mr. and Mrs. William Blevins and Mr. and Mrs. Lee Blevins of Truscott visited relatives here Sunday. Mr. and Mrs. Emory Morrison and children of Altus, Okla., visited his brother, Grant Morrison, and family Sunday of last week. Grant Morrison and family attended the hobo stew which was held at Gambleville Friday night. Born to Mr. and Mrs. William Bradford in a Vernon hospital Wednesday of last week, a boy,

William Gerald, Mother and baby were moved from the hospital to the home of her parents, Mr. and Mrs. S. J. Boman, in Vernon Saturday. Both are doing well.

Mr. and Mrs. David Lee Owens of Crowell visited relatives here Sunday.

Mrs. Johnnie Wright spent from Thursday until Saturday with her parents, Mr. and Mrs. Wiley Jonas, and other relatives of Wichita Falls. Her sister, Mrs. Jimmie Dolberry, and little son, Jimmie Don, returned home with her for several days' visit.

Grandmother Alexander is reported able to sit up after several weeks' illness. Mrs. Carl Furgason of Crowell spent Saturday night with Mrs. Grant Morrison and family.

Born to Mr. and Mrs. Gilbert Choat, Nov. 2, a boy, James Gilbert, Mrs. Choat's mother, Mrs. Gore, is with her. Mr. Choat was also at home several days, returning to San Angelo Tuesday.

Miss Fay McCurley returned Saturday from Olton where she had been visiting her sister, Mrs. Earl Hysinger, and family. She was accompanied home by Mr. Hysinger and daughter, Wanda.

Mr. and Mrs. Herman Blevins and Floyd Boyd of Hamlin visited here Sunday.

Marshall Hill, who had been visiting relatives in Memphis and Nashville, Tenn., several weeks, visited in the home of Grant Morrison recently while en route to his work at Hamlin.

Luke Shel and E. M. Phillips of Alvarado, visited their sister, Mrs. George Pruitt, and family Sunday. Others visiting in the Pruitt home were, Mr. and Mrs. W. C. Thompson and children, J. C. Dorothy, Margaret and Joe Don, of Black, and Mr. and Mrs. Jack Phillips and children, Jane and Leary, of Crowell.

Fred Priest, having volunteered for service in the Air Corps, left Monday for Wichita Falls where he went to stand the examination. He will serve as a mechanic.

Logan Vantine and daughters, Mrs. Loucile Jobe and Miss Daisy Bob, of Quanah and son, John Vantine, of Pampa visited in the W. T. Dunn home one day last week.

Mrs. Naomi Weathers returned Monday from Healdton, Okla., where she had been nursing a patient.

A large crowd attended the Red River Valley Boys program Friday night, which was sponsored by the Y. W. A. girls, who got about \$7.00 as their part.

The heavy rain which fell here Wednesday night will be very beneficial to grain crops, although land was badly washed. Fences washed out, etc., also a few small culverts were washed out.

INTERESTING FACTS OF THIS AND THAT

Gutzon Borglum has been at work carving the faces of four presidents on Mount Rushmore in South Dakota for 13 years. The farm population of the United States is 32,450,000. The auto tire industry provides the second largest market for American cotton ranking next to the textile field. Minnesota ranks first in state owned forest lands with 31 state owned forests covering 5,338,288 acres. The American steel industry has a capacity of 81,000,000 million tons of steel ingots a year. When the present building program is completed the United States will have 688 warships consisting of 32 battleships, 18 aircraft carriers, 85 cruisers, 368 destroyers and 185 submarines. The boundary line between the United States and Canada is 5,600 miles long. When the possibility of war looms those who are in touch with industries vital in defense begin to check up on the nations supply of certain items not produced in this country, and begin to plan to produce them synthetically, or purchase large reserve supplies, or develop their production in this country. Some of these items are rubber, tin, manganese, tungsten, chromium, quinine, optical glass and Manila fiber. For some time the government has been accumulating reserve supplies sufficient for two or three years. At the same time local sources are being looked for and developed. In the case of rubber several successful substitutes have been discovered by chemists. Although synthetic rubber is new, facilities exist for the production of 10,000 tons of the 600,000 tons of rubber used annually in the country. Sources of manganese have been developed in this country sufficient to nearly supply the required amount. No tin is found in the United States, consequently all of the 75,000 tons required annually must be imported from Malaya and from Europe. Other items that are not produced at home are tungsten, quinine, quartz crystals, optical glass, Manila fiber and spices. An interesting advertisement is always read.

- ANSWERS Questions on page 2). 1. Tom Mix. 2. Tony. 3. He is the conductor of an all girl orchestra. 4. California. 5. Russia. 6. He is ambassador to the

Court of Saint James in London. 7. Director of Selective Service. 8. Tarzan. 9. 31 to 35. 10. King Carol of Rumania.

Two Minute Sermon

(By Thomas Hastwell) The Reward Is Sure: On numerous occasions in the Scriptures we are told that the man who does as God wills that he shall do will receive his reward. I think too often that we are prone to complicate the meaning of this by interpreting the term reward as a material reward. While I feel that the one who does God's will often does receive a material reward, the material reward is in-

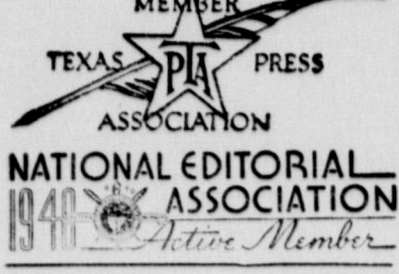

cidental and in addition to the full measure of his true reward. Every one has had the experience of doing a good deed for some one. The satisfaction and the consciousness of having done the good deed brings to the doer a full measure of happiness, oftentimes out of proportion for the size of the good deed done. It comes back again to the mind and warms, and thrills, and fills the soul. It is likewise true when one does a mean, unkind, or a wrong thing. It does not pass with the doing, but again and again rises before the doer to condemn him for his wrong. The reward and the punishment are both sure and inevitable. Man either pays in full for his misdeeds or collects in full for his good deeds. The reward is sure.

THE Foard County News

T. B. KLEPPER, Editor-Owner

Entered at the Post Office at Crowell, Texas, as second class matter.

Crowell, Texas, November 7, 1940

A good man out of the good of the heart bringeth forth good things...

Considerable satisfaction is derived by everyone to whom one talks over the new development in the European War...

A neighboring editor is responsible for this interesting fable. A mighty king was stricken with a strange malady...

Science and invention have made vast improvements in the past hundred years...

Why should German buns be permitted in the United States? An organization of an American bund would not be tolerated in Germany.

Fifty years ago there were no hamburgers or ice cream cones. What did the young folks eat in those days?

What We Think

(By Frank Dixon)

I was talking to the minister of one of the churches of my town recently on the matter of church attendance...

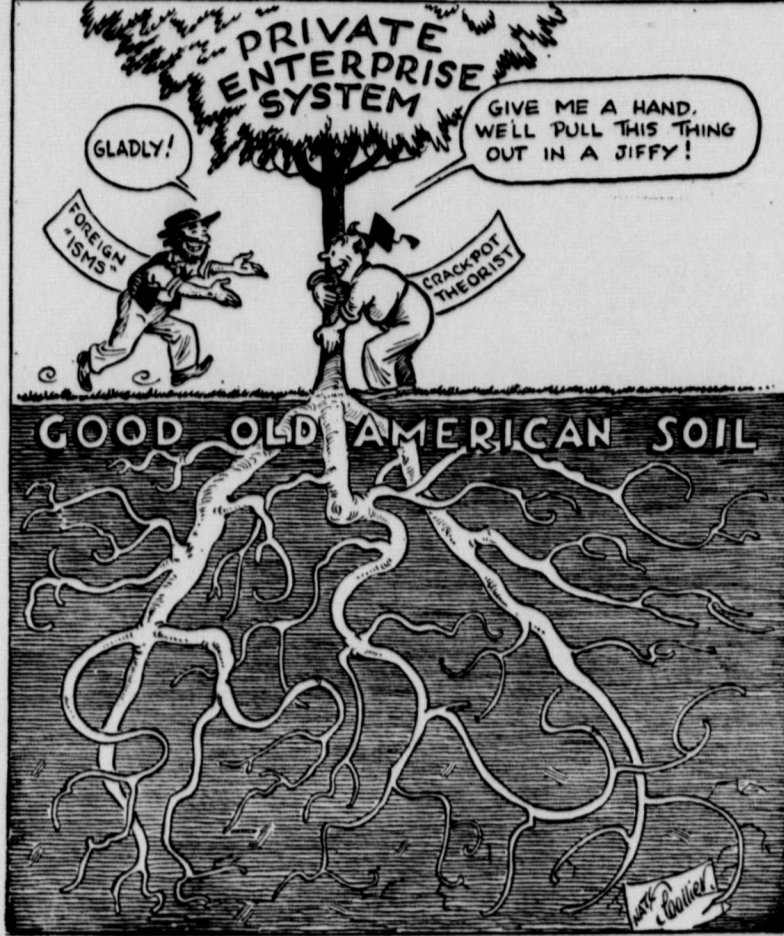

Not long after that I had a talk with the president of our Chamber of Commerce. He was deploring the fact that it was almost impossible to get out a representative crowd of business men...

A few days later I talked with one of the leaders of one of our leading lodges. He had the same story to tell—seeming lack of interest and attendance...

I looked up the minister and told him what I had found out. I thought it would relieve him to know that his church was not the only organization in the community that was having difficulty in getting out its members.

What is the reason? I doubt if the average individual who falls short in his church attendance knows the reason for his indifference...

ROOTED TOO DEEP

think of its being given up or discontinued.

I put the question up to several representative church members and business men. The answer was pretty much the same as the man who said: 'I am under much stress during the day. My time is so taken, I am under such a pressure and worry that when I close my business I like to have the time to do just as I want to do, to relax, to read, without feeling that I have to do anything except what I want to do.'

Brief Bits of News From Here and There

The farm population of the United States is 32,450,000. According to the federal Bureau of Agricultural Economics, this is 3,500,000 more farmers than are actually needed to meet the demand for farm products.

It has been estimated that 1,456,285 man-years of work will be created by building airplanes and naval craft appropriated for in the U. S. defense program this year.

The Curtis-Wright Corporation plans to flood its factory with light dance music. Corporation officials claim that by so doing production can be stepped up 10 per cent.

Carbon dioxide gas, such as is employed to put the fizz in soda water, is being successfully employed in fighting fires. It accomplishes its purpose by smothering out the fire through lack of oxygen.

According to the United States Department of Agriculture, construction for the 1941 insurance crop have been signed by 365,838 wheat growers. This is an increase of 60,000 over the preceding year.

What is said to be the most complete airport in the world is located at Gravelly Point, on the Virginia side of the Potomac River, a ten minute drive from Washington, D. C. The new airport covers 729 acres and cost \$13,000,000. It has four runways, two of which are equipped with blind-landing systems.

Three of the United States mints at Philadelphia, San Francisco and Denver are operating night and day on three shifts in an effort to keep up the demand for small coins. The mint has a backlog of 23,600,000 coins. The heavy demand is attributed to better business, the growth of sales tax and the increasing use of vending machines. In August alone the mint turned out 165,448,773 coins, more than one-fifth as many as were produced in the entire record-breaking year ending June 1940.

The bicycle is coming back. 1,252,029 bicycles were manufactured in 1939. This is the most that has been manufactured in any year since 1899 when 1,182,691 wheels were manufactured. In 1921 only 225,000 were made. For years the catsup user has wrestled with the problem of getting catsup out of the long, slim necked bottles. To remedy this trouble the Owens-Illinois Glass Company has brought out for a packer of catsup, a squat bottle with a mouth not unlike a mustard jar. It is claimed for the new container that catsup can be more easily removed from it than the conventional type bottle.

4-H Club Boys, Girls, FFA Members, Invited to Enter Contest

Special to The News. Four-H Club boys and girls, Future Farmers of America and others interested in vocational agriculture in Foard County and territory covered by The Foard County News are invited to compete in the Fort Worth livestock market calf contest, officials have announced.

A fine heifer calf will be awarded to the boy or girl who writes the best 100 word theme about the market. The contest will follow the course of instruction in livestock marketing being conducted by county agents and vocational agriculture instructors over the state.

The calf will be a fancy heifer calf of outstanding quality, suitable for starting some boy or girl toward a herd of good cattle. The contest will be run from November 7 to December 7 and the winner will be announced shortly thereafter.

All boys and girls between the ages of 10 and 18, inclusive, are eligible to enter the contest. A committee of livestock experts will select the winning theme. Additional information and rules may be secured by writing to Ted Gouddy, livestock market observer, at the Fort Worth livestock exchange building.

GIRLS TO FLY

Denton, Nov. 4.—Flying instruction is now available to students of Texas State College for Women who obtain the full consent of their parents. In answer to popular demand, regents of the college recently approved a plan whereby TSCW girls may take flying lessons at the Denton Municipal Airport, two miles north of the campus.

Girls will receive dual instruction. Although this will not be a government unit, instructors, planes, and other equipment will be the same as that used by the Civil Aeronautics Authority. Instruction will begin at the college as soon as the students receive permission from their parents and take the preliminary physical examinations.

Sandra Jo Bell of Childress spent the week-end visiting relatives and friends here.

Mr. and Mrs. S. E. Tate and nephews, Ed and Earl Manard, visited relatives in Burkburnett Sunday.

J. D. Johnson and his mother, Mrs. Maggie Johnson, and Lonnie Burch of Amarillo visited here over the week-end.

Mr. and Mrs. C. E. Holcombe of Dickens were week-end visitors in the home of Mr. and Mrs. Gordon Gribble.

Mr. and Mrs. W. B. Johnson returned last week from a visit with their daughter, Miss Frances Henry Johnson, who is attending Stevens College in Columbia, Mo.

Miss Helen Yeats, Miss Frankie Kirkpatrick, W. F. Kirkpatrick, Jr., and Mrs. A. Y. Beverly and Mr. and Mrs. S. S. Bell spent Sunday in Memphis in the home of Mr. and Mrs. E. L. Yeats.

Mr. and Mrs. T. E. Duncan of Fyffe are new residents of the Foard City community, moving here recently. Mr. and Mrs. Duncan are now living in Foard City, but will move to the R. C. Stone farm Jan. 1. The farm is owned by Mrs. Duncan's father and has been operated for many years by W. L. Callaway.

For Sale—Seed oats, 40c bu.—J. A. Garrett, Gambleville, 21-31p

Mr. and Mrs. L. E. Archer went to Dallas Sunday. They returned home Wednesday.

Mr. and Mrs. A. W. Keller of Skellytown spent the week-end here visiting relatives.

Rev. and Mrs. Ed Tharp of Rails visited their daughter, Mrs. D. R. Magee, and family Tuesday.

Mrs. T. S. Patton is making an extended visit in San Antonio with her daughter, Miss Ella Patton.

George Carter and Glen Goodwin will leave Friday night to spend the week-end visiting in Dallas.

Mr. and Mrs. Homer Zeibig visited their daughter, Miss Faye, in Wichita Falls Wednesday. She is a student in a business college.

Mrs. Hartley Easley is in the Quanah Hospital following an operation. She is recovering satisfactorily and will return home soon.

Mrs. Chester Henry and little daughter, Carol Ann, of Pampa spent from Thursday until Sunday as guests of Mr. and Mrs. Gordon Gribble.

Mrs. Fred Thompson of Pampa was a week-end guest in the home of Mr. and Mrs. Moody Bursey. She came with Mrs. Chester Henry and little daughter.

Mr. and Mrs. Fred Rennels were in Crowell Tuesday afternoon visiting friends. They came to Thalia Monday where they visited Mrs. Rennels' mother, Mrs. J. A. Abston, and Mr. Rennels' mother, Mrs. J. L. Rennels, of Riverside. They returned to College Station Wednesday.

Vera Defeats Truscott Six By 24-12 Tally

The Vera six-man football team avenged an earlier defeat by overpowering the Truscott Bulldogs, 24-12, last Friday afternoon.

The Truscott lads were cleanly outplayed until late in the game when they rallied to push over two touchdowns. A pass and an outstanding run by Massingill accounted for the Bulldog's first score and a pass interception by Kelton netted the second touchdown.

This was the Bulldogs' second loss of the season and left Vera undefeated in conference play.

The Bulldogs will meet the Sunset half dozen on the Truscott gridiron next Friday afternoon. Sunset has yet to win a game this season, however, the Truscott lads are expecting stiff opposition Friday afternoon.

Fights Mussolini

King George of Greece looking over his troops. Greek naval, air and land forces combined under the king's leadership to resist the invading Italian army.

Wildcats' "B" Team Defeats Quanah, Vernon

The Crowell Wildcat "B" team rang up victories over the Quanah and Vernon "B" teams to remain undefeated in their five games this season.

Last Thursday afternoon the local "B" eleven traveled to Quanah to give the little Indians a 25 to 19 defeat. Crowell started the scoring with Dewitt Cauthan lunging through the line from the 7-yard line early in the game. In the second period Albert Bird tallied Crowell's second touchdown with an end sweep, and later in the quarter, Bird plowed through the line to cross the goal line.

Quanah's first score came from a pass. The half ended with Crowell leading, 18-6.

With the start of the second half, the Indian second stringers replaced the Quanah junior team against the Wildcats and Brown, substitute quarterback, passed for an Indian touchdown in the third quarter. Crowell's last score came when Bird intercepted a pass and sprinted 80 yards for pay dirt. Bird plowed through the line for the extra point. Late in the fourth period, Brown finished the scoring by slipping through the line for the touchdown and then converted the extra point to place the final score at 25-19.

Vernon Game Tuesday Afternoon

The Vernon "B" team invaded Crowell only to be turned back with a 7-0 defeat. This was Crowell's second victory over the Vernon eleven.

Vernon started the game off with a bang by making its only threat of the game. This came with a long run which placed the ball on the Crowell 10-yard line. Vernon was unable to push any farther and Crowell took the ball.

The only score of the game was made by Albert Bird, quarterback, when he spun through the center of the line for 10 yards and a touchdown. Bird plunged through the line for the conversion. The score was set up with a long pass from Nelson to Davidson and three line plays.

Crowell threatened again late in the game. Rudolf Halenack took a long pass to place the ball deep in the Lions' territory. A series of line plays carried the ball to the 1-yard line where a bad pass from center caused a fumble and the Lions recovered to end the threat.

Crowell boys seeing service in these two games are as follows: Kenneth Archer, Alton Roark, Rudolf Halenack, Albert Bird, Dewitt Cauthan, Ralph Fletcher, Maurice Ray, Naron, Wilburn Davidson, Harold Canup, David Parkhill, Charles Nelson, Paul Vecera, Clay Vessel, Billie Fred Short, Gordon Erwin, J. W. Solis, Clifford White, Marion Williamson and Bobby Joe Hunter.

NOTICE TO CITY TAX PAYERS

The City of Crowell will allow a 2 per cent discount on current taxes paid during the month of November. The discount for December payments will be only 1 per cent.

The City Council requests that the City Tax Payers make an effort to pay their City Taxes.

City Council,
City of Crowell, Texas

Mr. and Mrs. Dan Callaway of Saint Jo were here from Saturday until Monday visiting their parents, Judge and Mrs. Claude Callaway of Crowell, and Mr. and Mrs. Bogs Traewek of Antelope Flat.

Mr. and Mrs. R. E. Baines and daughter, Barbara Jane, left last Thursday for Olney to make their home. Mr. Baines is an employee of the Texas Company and has been working at the Texaco plant in the west part of the county.

In Tuesday's Star-Telegram appeared the picture of John W. Templeton, son of the late Judge R. H. Templeton of Wellington and former Crowell school teacher, who recently joined the Canadian Air Force. Young Templeton is in training at Toronto.

Miss Nancy Cogdell and Miss Lillian Buydardt of Wichita, Kan., arrived last Saturday for a visit with Miss Cogdell's parents, Mr. and Mrs. W. A. Cogdell. Miss Buydardt returned to Wichita Tuesday, but Miss Cogdell will remain in Crowell during the next week.

A 7-pound baby daughter, Frankie Lou, was born to Mr. and Mrs. Rudell Russell of Electra on last Wednesday, Oct. 30. Both Mr. Russell and Mrs. Russell, who was formerly Miss Mary Lou Fudge, are former Crowell residents.

Those visiting in the J. C. Davis home Sunday were: Mrs. Bill Barrett and children of Paducah, Mr. and Mrs. Stark Presley and children of Chillicothe, Mrs. Bert Blanton of Vernon, Miss Margie Davis of Vernon and Miss Thelma Raines of Prairie View, and Jack Clark of Vernon.

Mrs. Clifton Taylor and small son of Lockney spent the week-end with her parents, Mr. and Mrs. A. H. Martin.

About four inches of rain fell here Wednesday night, doing some damage to open cotton and blowing down trees. During the rain hail fell pretty thick for a short time, also several windows were blown out or broken.

Mrs. J. H. Shults, who has been in Childress for several weeks with her son, Grady Shults, who has been seriously ill, returned to her home yesterday. She reports that Grady has recovered sufficiently to be removed from the hospital to his home and that he is improving satisfactorily. Mr. Shults wishes to thank the Crowell friends who have been so kind and solicitous during his illness.

Mrs. Hines Clark left this morning for Corpus Christi to visit her son, Dr. Dan Hines Clark, and family. She will also visit her son, Charlie Clark, student in Texas State University in Austin. Mrs. Clark was accompanied by Mrs. J. B. Raspberry and Mrs. Charles Ferguson, who will visit their daughter and sister, Mrs. Ernest Johnson, and family in Corpus Christi.

Jack Spotts, who has been working in Lubbock for the past year selling Ford tractors, was here Wednesday on his way to Dallas where he will be employed by the American Air-Craft Corporation. Jack was in Detroit in the summer where he visited the Ford tractor plant and while there he attended the World's Fair in New York. He stated that he witnessed two football games in which Dick Todd played.

Mrs. Charley Hart and family moved to Wichita Falls this morning and will make their home in that city. Mrs. Hart and family have made Crowell their home during the past several years.

ATTEND FLOWER SHOW

Miss Joellene Vannoy, Mrs. L. A. Andrews, Mrs. N. J. Roberts and Mrs. R. L. Kincaid attended a Flower Arrangement show at the Woman's Forum in Wichita Falls last Thursday morning.

MOVES TO WICHITA FALLS

Mrs. Charley Hart and family moved to Wichita Falls this morning and will make their home in that city. Mrs. Hart and family have made Crowell their home during the past several years.

CARD OF THANKS

We wish to thank our friends who gave us aid and also those who offered to help after our home was so badly damaged from the storm last week.

Mr. and Mrs. Herbert King.

COLLEGE HOMECOMING

Friday, Nov. 8, has been designated as homecoming for Wayland College at Plainview, it was announced this week.

The main event will be a football game between Wayland and DeCATur Junior College on Friday night, and Raymond Gibson of Crowell will play in the game.

RAYLAND
(By J. C. Davis)

Mrs. D. L. Laceyfield and daughter of Maud, Okla., visited her brother, Ernest Churchwell, and family last week.

Mrs. Luther Streit of Parsley Hill visited her sister, Mrs. R. A. Rutledge, and husband Wednesday.

Mrs. R. A. Rutledge visited her brother, Will Lawson, of Tolbert, who has been ill, last Thursday.

Mrs. Charles Reynolds and Mrs. Bert Blanton of Vernon visited in the J. C. Davis home Wednesday afternoon.

Lester Martin of Bonarton spent the week-end with his parents, Mr. and Mrs. A. H. Martin. T. C. Davis and Rufus Lowellen

THOUGHTS OF SERIOUS MOMENTS

We are really grateful for the good already received. Then we shall avail ourselves of the blessings we have, and thus be fitted to receive more.—Mary Baker Eddy.

He that urges gratitude pleads the cause both of God and men, for without it we can neither be sociable nor religious.—Seneca.

To the generous mind the heaviest debt is that of gratitude, when it is not in our power to repay it.—Franklin.

He enjoys much who is thankful for little; a grateful mind is both a great and a happy mind.—Secker.

DIZZY?

Poor eyes cause trouble—

People often wonder why they suffer from dizzy spells. When their eyes are tested vision defects can be revealed and glasses will cure them.

State Health Officer Gives Advice to Prevent Winter Colds

With open season for colds at hand, Dr. Geo. W. Cox, state health officer, suggests ways by which they can be avoided or reduced to a minimum. Here they are:

No. One: Keep yourself as fit as possible. Substitute the simpler and more nourishing foods for rich mixtures. Eggs, milk, and other dairy products, fruits and green vegetables are rich in the vitamins that are a protection against colds. Add them to your diet. Drink several glasses of water daily.

No. Two: Dress according to the weather. Keep comfortably warm. Have a sweater handy or a warm coat to slip on when the days turn cold suddenly. Light a fire or turn on the heat if your house is damp and chilly. If you are a housekeeper, get your warm bedclothes out—and use them.

No. Three: Avoid sudden chilling. Change as quickly as possible to dry shoes and dry clothing if you are caught unprepared in a drenching rain.

No. Four: Get some exercise in the open air every day—a brisk walk, if you can't do more than that. Hold your head up and breathe deeply as you walk. Keep your sleeping quarters and your working rooms well ventilated, and get plenty of sleep.

No. Five: Colds are catching. Don't go where people are coughing or sneezing. Wash your hands before eating.

No. Six: If your powers of resistance have been lowered and a cold "catches" you, don't fight it. You will save time and strength and get well more quickly if you go to bed, eat lightly, drink plenty of water and stay in bed until your physician says you may get up. Don't wait, either, until you are seriously ill to send for your doctor. Send for him promptly, and follow his advice.

No. Seven: Don't broadcast your cold to others. Have your own towel and drinking glass. Don't broadcast your germs. Don't sneeze or cough in your neighbor's face. Keep yourself well supplied with paper handkerchiefs and destroy them after using. Postpone visits to friends until your cold is non-communicable.

EDUCATION INTEGRATOR

Every educator in time works out his own definition of education. I have worked out mine. It is this: Education is the leading out of the individual into an efficient and rightly integrated personality, comfortably at home with himself and with his fellows; serviceable to society; equipped to make a living while he lives the more abundant life; and in rapport with the ultimate spiritual forces that lie behind the visible phenomena of the universe.—Daniel L. Marsh, president of Boston University, writing in the current Rotarian Magazine.

REBUFF ADROIT

Years ago an impulsive American, speaking at a Canadian banquet, proposed a toast to the future, saying that Canada and the United States were cousins and that in the near future he hoped they would be something closer than cousins. This was received in an acute silence. Then the Canadian Premier responded thanking the visitor for his expressions of friendship, and reminding him that when cousins become something nearer than cousins, the results were usually physiologically disastrous.—William Lyon Phelps, author and teacher, writing in the current Rotarian Magazine.

MESCAL IKE By S. L. HUNTLEY

Exhaust Systems of Cars Need Checking to Prevent Poisoning

Austin.—To minimize the danger of carbon monoxide poisoning during winter weather, motorists are urged by Dr. Geo. W. Cox, State Health Officer, to check up on the exhaust systems of their automobiles for defective connections and leaks.

"Colder weather will soon be here, and it will be necessary to drive in closed cars. Carbon monoxide may seep inside from leaky connections and overwhelm occupants of the car," Doctor Cox warned.

He said that "warming up" a car in a closed garage is the greatest cause of carbon monoxide deaths. Leaks from manifold connections, cracked manifolds, defective mufflers, leaks from loose muffler connections, and leaks from hot air heaters or connections are potential sources for release of carbon monoxide and should be checked, Doctor Cox pointed out.

"Pay particular attention to those items and remember that proper carburetor adjustment causes minimum production of carbon monoxide and that the highest proportion of this gas is produced by an idling motor."

The State Health Officer said that headaches which occur during long drives may be an indication that carbon monoxide is leaking into the car. "Sleepiness, dizziness, fatigue and in extreme cases, paralysis, are other symptoms of carbon monoxide poisoning. Truck drivers on long drives are particularly vulnerable," Doctor Cox stated.

Carbon monoxide is colorless, odorless, and tasteless. When it is in the air it gives no sign of its presence and is taken into the blood instead of oxygen. Suffering or collapse result from lack of oxygen.

The same carbon monoxide produced from exhaust gas of cars may also be a by-product of the incomplete combustion of fuel in homes, whether the fuel be gasoline, wood, coal, gas, or oil. Such incomplete combustion is usually brought about by using heating apparatus improperly adjusted or constructed. Periodical check-up of heating equipment and connections should be made to forestall any possibility of carbon monoxide poisoning.

DEPARTMENT OF JUSTICE

The Department of Justice today announced that the Alien Registration Division had received 1,386,675 completed registration forms through noon of Friday, Sept. 27. This total represents receipts from 27 registration days and an average of 51,300 registrations per day.

Earl G. Harrison, Director of Registration, expressed satisfaction at the way the completed blanks continue to pour in. The director also took occasion to point out that the postal officials in the field were doing a careful and accurate job in conducting the actual registration.

"Our daily average of completed forms received," said Mr. Harrison, "is now 51,300. This is 15,000 daily forms above 36,000 average per day which we estimated should be maintained in order to complete registration of the estimated total number of aliens in this country at present."

"As the forms come in and are counted, they are immediately checked to make certain that they conform in each instance with the law. We were unable to give the local postmasters and their assistants much time in which to study the regulations before registration started. It is therefore a source of satisfaction to us that comparatively few of the forms received by us need to be returned to the local post offices for correction or further information."

Mr. Harrison also announced that this week the first large batch of receipt cards were mailed to registered aliens as evidence of their compliance with the Alien Registration Act of 1940. He estimates that by the middle of October at least 50,000 receipt cards will be mailed daily to registered aliens.

"Although the receipt card carried a special warning of the necessity for the registered alien reporting within five days any change in his permanent residence address," said Mr. Harrison, "the fact that he does not receive his receipt card for some weeks after he has registered does not relieve him of the obligation to report any interim change of permanent address."

Mr. Harrison also pointed out that the card itself carries directions that it should be returned to Washington if found by anyone but the rightful holder, or if

Students Refuse to Register for Draft

This soundphoto shows students of the Union Theological Seminary in New York city who refused to register for the selective military service. They are shown leaving the federal building after they had appeared before the U. S. grand jury. Failure to register in accordance with the selective service act carries severe penalties. However, very few incidents of failure to register have been reported to authorities.

the person named on the card depart from the United States, becomes naturalized, or dies.

LEACOCK ON LITERATURE

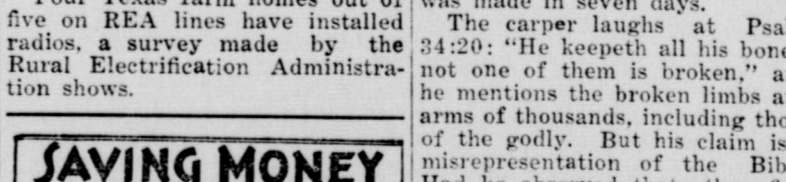

It is we who make our literature and not our literature that makes us. There is, one admits, a certain action and reaction, but broadly and in the main, the trend of national literature reflects the character of a nation. That's sort of an academic way of saying that people make books, not books make people. If you want to "elevate" the books, elevate the people. If you want to raise the fun to a higher level, get up there first. But remember that fun on a higher level is apt to get devilishly dry as compared with fun on a low.—Stephen Leacock, humorist, biographer, and economist, writing in the current Rotarian Magazine.

SAFETY SLOGANS

Fire is a welcome visitor but always see it out.
The price of safety is everlasting watchfulness.
Success is habit—so is safety.
Your hands will keep you, if you keep your hands.
Many accidents are caused by forgetfulness.

Four Texas farm homes out of five on REA lines have installed radios, a survey made by the Rural Electrification Administration shows.

SAVING MONEY With Cotton Bags

Clean kitchen curtains always improve the cook's disposition and certainly do put a new face on the kitchen. Why not have several pairs so that you can put up clean ones at a moment's notice? Attractive sash curtains can be made from two cotton flour bags, in very little time. Carry out the color scheme of your kitchen by binding the edges with bias tape. Colored rick rack stitched in rows about one inch apart across the bottom makes an attractive finish. Or you can simply hem them and put some quaint applique design at the bottom, using up scraps of goods you have about the house. Cotton sugar liners are made of a lighter weight material and any baker or grocer will be glad to sell them to you for a few cents.

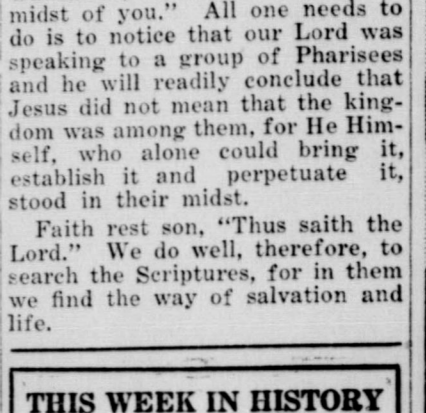

Other Cotton Bag sewing ideas are illustrated in a free booklet. Send to National Cotton Council, Box 18, Memphis, or Textile Bags, 100 N. LaSalle St., Chicago.

HOUSEHOLD HINTS

Soaking a broom in boiling salt water every two weeks will help preserve it.
Handle hot glass cooking utensils with a dry cloth pad; damp or wet cloths are apt to cause them to crack.
To remove grease and dirt from hair brushes and combs, wash them in a quart of water to which a teaspoon of ammonia is added; rinse and dry in the sun.

Plywood, formed by gluing several layers of wood together with the grain of one layer running at right angles to the grain of the other, is one of the strongest known construction material per unit of weight.

First Nurse Called

Agnes C. Rosch, 24, of Washington, D. C., first Red Cross nurse called to active duty in the nurse corps in recently authorized expansion program.

and have the qualifications to make a good analyst. Usually ers get credit for the things do.

THIS WEEK IN HISTORY

November 11.—America's unknown soldier was buried at Arlington National cemetery near Washington, 1921. Armistice signed, 1918.

November 12.—Montreal surrendered to Colonial forces, 1775. Chloroform first used as an anesthetic, 1847.

November 13.—General Sherman begins famous "March to the Sea," 1864.

November 14.—Mason and Dixon, English surveyors, arrive to establish boundary, 1763. Discovery of Pike's Peak, 1806.

November 15.—Articles of Confederation adopted by Continental Congress, 1777. First telephone exchange in Alabama, opened at Mobile, 1879.

November 16.—Oklahoma admitted to the Union, 1907. Fort Washington captured by the British, 1776.

November 17.—Congress meets for first time in new Capitol building, 1800. Panama canal completed, 1913.

Your Horoscope

November 3, 4, 5, 6.—You are impetuous, industrious and very independent in nature. You are interested in the mystery world. Frustration makes you unhappy and you withdraw into yourself. You are grateful for all kindnesses shown you. You should cultivate a hopeful forward look. If adversity comes, remember it is a testing time for your improvement.

November 7, 8, 9.—You are a fun lover, always ready for a good time. You are a schemer but your schemes don't always work out as you anticipate. You despise routine and prefer to do things in your own way. You like to know the cause of things

A TIMELY SUGGESTION

Should you need dental work of course you consult a dentist, a surgeon or an M. D., is employed when a physical examination needs correction. When your automobile goes haywire you call a mechanic, one who is skilled in his endeavor. Consult me as your Life Underwriter NOW to arrange for you a monthly income for your family, so that when either death, disability, or old age, destroys your present income—for the family must live on, should you meet the hazard. I have acquired a certificate from Research & Review School of Finance.

Marjorie Davidson—America's No. 1 model of carons and famous actress of "Minnie the Mooch" which she co-starred in with—

J. T. Hughston—better known as "hoochie-choochie" Hughston nicknamed that by his famous "play girl" wife—

Margaret Claire Shirley—who takes her ups and downs in a convertible airplane. Her pilot is—

Harry Harwell—who never manages to come out of the fog—noor plane! His wife—

Mary Tamplin has become a successful orator and quite startles the world with her frequent outbursts. Her contemporary is—

T. L. Owens—who flirts his way from court to court—but only where they have "lady" juries!

CATS' CLAW

As I was out "snooping" this week I have gotten some "juicy" bits of n-e-w-s.

We have been groping around in our minds for an answer to a puzzling problem: who does Richard Bird really like, does he really mean everything he says to

Thelma Wylie?

"Oh, She's Such a Charming Little Faker." Don't you think that fits some of our Junior and Senior girls? (I do).

What is the matter with Virginia Thomas? Why doesn't she like to be called ??? Or does she like it? Mec-no-ww.

The Country Club seems to be a favorite stomping ground for some CHS students (or should I say, favorite sparking grounds?)

Shame on you, John Thomas

Razor. Why—? Because he's in love. Who? Mildred Marlow—so I've heard.

Get the point? Anita Traweck got it when someone put a tack in her desk in the study hall.

The seniors reverted to their childhood Thursday night at their party. Amen! They played Winkum!

Mr. Foster was sitting in Fay Griffin's chair when someone winked. Fay grabbed, but he got away (as some people do!) And then someone remarked, "Ha! Fay hasn't got the grip her sister has!" But Fay says "Practice Makes Perfect." We wonder how much practice it will take?

Truman Taylor doesn't seem to go with girls much, but we've noticed that every time he has a date, it's with Margaret Claire Shirley.

Have you heard about the male acquaintances that Evelyn Crosse and Lealys Gilliam had at the Chillicothe football game? I think Lealys met one of her old-time friends.

Is the ring that Doris Campbell is wearing really from Throckmorton, or is it from some place nearer that begins with a T?

It seems that Virginia Thomas had the best time of her young life the week-end after Halloween.

There were three Quannah boys visiting Johnnie Long Sunday. (Should I say Johnnie? Anyway they were here. Very cute. I'll admit Bonita and Thelma can really pick 'em.

Well, kids, I have failed at last but I went down trying. I could not find hide nor hair of a Freshman until I spotted John Thomas Razor last Thursday night. After that it was "Hard Luck Razor."

I know several CHS boys who were moaning because the (hayride) wagon broke down after the dance Friday night. Simmer down, boys. Worse luck next time.

What is so rare as a day with June (not Billington, but Brunks). That's right, boys. None other than Miss June Brunks herself entered in CHS last Monday. We will all be very sorry when Friday rolls around because June will float out of CHS as quietly as she floated in. It's been very nice knowing you, June.

Yours in a pickle (sour this time), KITTY.

OUR FAVORITE SONGS

Mildred Marlow—"Oh Johnny."
Edna Lou Brisco—"Scatterbrain."
Ray Burrow—"Margie."

Three Killed in This Wreck

This soundphoto shows a general view where a northbound Atlantic Coastline passenger train was wrecked when it hit an open switch near Lake Alfred, Fla. The engineer and two firemen were killed.

Dorothy Greening — "I Ain't Got Nobody."
Roy Jo Cates—"On Blueberry Hill."
Ruth Diggs—"That's the Way for Billy and Me."
Joe Herman Rucker—"Mr. and Mrs. is the Name."
Lois Pickett—"Only Forever."
Reed Sanders—"There I Go."
Beverly Hughston — "On the Bumpy Road to Love."
Glendon Hays—"On the Jericho Road."
Mr. Foster—"Practice Makes Perfect."
Joe Wallace Beverly—"San Antonio Rose."

CHURCHES

Christian Science Church
Sunday School at 10 a. m.
Sunday services at 11 a. m.
Wednesday evening services at 7:30 o'clock.

Sunday, November 10, 1940.
Subject: "Adam and Fallen Man."
The public is cordially invited.

East Side Church of Christ
Each Lord's Day—Bible classes at 10 a. m. Worship service at 10:45 a. m. Evening service at 7 o'clock.
Mid-week Bible class each Wednesday evening.

"Come now, and let us reason together, saith the Lord."

Christian Science Services
"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 10.

The Golden Text is: "Unto thee will I cry, O Lord my rock. . . Save thy people, and bless thine inheritance: feed them also, and lift them up for ever" (Psalms 28:1, 9).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Then he called his twelve disciples together, and gave them power and authority over all devils, and to cure diseases" (Luke 9:1).
The Lesson-Sermon also includes the following passage from

the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When spiritual being is understood in all its perfection, continuity, and might, then shall man be found in God's image" (page 325).

EDITOR'S NOTICE

The next two editions of the "Wildcat" will be in charge of co-editors, Reed Sanders and Margaret Claire Shirley. We hope they will be good (lots better than they have been) and we trust that they will be, because they will be in such efficient hands. Here's to our co-editors!

SOPHOMORE PARTY

The Sophomores celebrated "Hallow's Eve" at the Crowell Club House. Several games were played until 9:30. Then everyone went into the yard and were served with hot dogs and pop. As one Sophomore expressed "Thanks to the class mummies such a swell time."

FRESHMAN PARTY

Besides several false alarms and lights being turned off once twice, the Freshman party Tuesday night was very peaceful. Everyone had a swell time bob-

bing for apples and getting their fortunes told. It sounded like the "spook house" was enjoyed by all the screams you heard.

A nice plate was served and really everyone was sorry when it was over because they hated to run to town to miss upper classmen.

SENIOR PARTY

The Seniors had a dandy party last Thursday night, Halloween, at the Club House. They played games of Winkum, Knocking for Love, and spinning the bottle.

Chill and spiced tea were served to about thirty class members by the class mothers, Mrs. Earl Davis, Mrs. Stanley Sanders and Miss Nona Olds.

Due to the wet weather the seniors could not carry out their planned hay ride.

JUNIOR CLASS PARTY

The Junior class celebrated Halloween with a party at the home of Margaret Claire Shirley. Games of different types were played,

GREETINGS

As Thanksgiving nears, once again we turn to old friends and to newly made ones . . . to thank them. We are grateful for their praise along the way . . . for their boosts in our behalf . . . and for their earnest and helpful criticism.

For in building an institution like ours, so intimately a part of the glowing west, it becomes a happy privilege to serve . . . to "live and let live". We are grateful for this rugged west where freedom is deeply cherished.

How Winter OIL-PLATING maintains needed lubricant in advance—for Safe Quick Starts

Here's a short easy Quiz that can save you harsh starting wear all Winter . . . When you park, does all the lubricant drain down sooner if the cylinders slant like the sides of the letter V, or if they're straight up like the letter I?

Answer: All the lubricant DOES NOT drain down for hours—days—weeks—in any type of car engine that's OIL-PLATED by changing to Conoco Germ Processed oil for Winter.

Processed into this patented oil is the magnet-like ability to keep inner engine parts surfaced with rich slippery OIL-PLATING

...as close-fitting as other protective plating on your car . . . and just as drainproof!

Then before you can even get near your car, the waiting engine is already OIL-PLATED against the worst Winter wear. And out goes the dread of the starting period. Do you ever read or hear of any Winter help that's more positive? Change today then—simply, quickly, economically—to this patented Germ Processed oil that OIL-PLATES, warding off excess wear to keep up mileage.

Your Mileage Merchant's Conoco station has it for you. Continental Oil Company

Columbian Club Observes Husbands' Evening October 29

A very enjoyable meeting of the Columbian Club was held on the evening of Oct. 29 in the home of Dr. and Mrs. R. L. Kincaid with Mrs. Kincaid and Miss Joellene Vannoy as hostesses and the members and their husbands were guests.

Mrs. A. E. McLaughlin and Dr. Kincaid. After the dinner eight tables of players enjoyed games of 42. High score prize for the ladies went to Mrs. Schindler, and for the men to Merl Kincaid.

ADELPHIAN CLUB

Mrs. Clint White was hostess to the Adelpian Club on Oct. 30 at the club house.

An "Individual Interest" program was presented with Mrs. W. V. Favor as leader. Mrs. John Long presented an article on the fantastic project which the Westinghouse Electric Company has undertaken.

Mrs. Q. V. Winningham reviewed an article taken from the National Geographic on the Virgin Islands explaining how priceless these islands had become to the United States in the past few months.

Mrs. Favor followed with a discussion of Old and Interesting Churches of America. She named, described and showed pictures of a number of churches found in the United States today.

BIRTHDAY CELEBRATION

Jennette Roark was complimented on her eleventh birthday last Thursday afternoon, Oct. 31, by her mother, Mrs. H. C. Roark, with a party for a number of friends.

The refreshment plates held sandwiches, cookies, a plate favor and punch.

THALIA IDLE HOUR CLUB

The Thalia Idle Hour Club met Thursday, Oct. 31, in the home of Mrs. C. H. Wood. The afternoon was enjoyed with games and visiting.

A delicious plate was served to Mrs. John Wright, Mrs. Raymond Grimm, Mrs. T. J. Dubose, Mrs. Walter Long, Mrs. J. M. Jackson, Mrs. G. W. Scales, Mrs. C. C. Lindsey, Mrs. Jesse Miller, Mrs. Mack Edens, Miss Minnie Wood, and Mrs. Hugh Jones, a visitor.

CROWELL GARDEN CLUB

The Crowell Garden Club will meet at the home of the president, Mrs. R. L. Kincaid, Friday afternoon, Nov. 8 (tomorrow), at 2 o'clock.

As a special feature of the meeting, Mrs. Geo. Beavers of Vernon will be a guest speaker. Following this a pilgrimage will be made to various homes to see "Arrangements on Parade."

THALIA 4-H OFFICERS

New officers for the Thalia 4-H Club were elected this week and are as follows: Bobbie Jo Burten, president; Betty Jo Jones, vice president; Emma Matus, secretary-treasurer; Hazel Marlow, reporter; Betty Jo Jones and Robbie Railsback, song leaders.

Sponsors are Mrs. Hazel Ramsley and Mrs. T. J. DuBose.

New Halbert Home, Foard City Community

The above picture shows the new rock veneer home of Mr. and Mrs. Grady Halbert on the Halbert farm in the Foard City community. The 4-room home with bath was completed about one year ago and has electric lights and radio, powered from a Wincharger and is modern in every respect with running water in bath and kitchen.

Native rock used in building this attractive home were secured from land belonging to the Halbert family.

BAPTIST W. M. S.

Mrs. Raymond Burrow and Mrs. W. B. Fitzgerald were hostesses to eleven members of the Baptist Woman's Missionary Society in the home of Mrs. Burrow Monday afternoon, Nov. 4.

Mrs. C. C. McLaughlin conducted a short business session, and good reports were heard from a majority of the standing chairmen.

Mrs. Dock Callaway was leader for a missionary lesson from Royal Service, bringing the Bible study from I Thes. and II Timothy, being Paul's first and last messages. The theme for the year is "Steadfast Purpose in a Changing World."

Mrs. Callaway brought out many interesting thoughts as to conditions in Europe and the Baptist work there. A prayer was offered for all evangelical work in Europe by Mrs. Frank Moore.

Mrs. H. R. Zeibig discussed steadfastness of missionaries in Europe, stating that there were ten Baptist serving there and, so far, only two had been compelled to leave their work, and that in Rumania where the persecutions have been the fiercest, the growth of the Baptist work has been the largest.

At the conclusion of the lesson, a nice plate was served by the hostesses to members and one guest, Mrs. Charles Ferguson.

FOARD CITY H. D. CLUB

"There are five things necessary to prepare a fruit cake for gift," as explained by Mrs. J. M. Barker of the Foard City Home Demonstration Club, at the home of Mrs. Lee LeFevre. They are oil paper, clear cellophane for wrapping, green cotton ribbon for tying, small holiday soles, and white lace or paper doilies.

Miss Joellene Vannoy, home demonstration agent, gave a very interesting demonstration on the making of fruit cakes. She made and decorated two.

Officers for the coming year were elected as follows: Mrs. A. L. Davis, president; Mrs. Grady Halbert, vice president; Mrs. J. M. Barker, secretary; Mrs. Jack Stinebaugh, assistant secretary; Mrs. Blake McDaniell, parliamentarian; and Mary Ermine Owens and Mrs. Glenn Shook, Council representatives.

Two visitors, Mrs. Laura Johnson and Miss Vannoy, were welcome. The next meeting will be at the club house.

Amendments--

(Continued from Page 1) ed by a 120,540 to 70,194 vote. The amendment for removing municipal appointments term limitation was also accepted by the voters: 110,763 to 69,702.

The last amendment which allows the Legislature to provide for appeals direct to the Supreme Court in instances involving the constitutionality of certain laws and orders was passed with a vote of 124,530 for and 61,693 against.

Foard County voters accepted three of the amendments but rejected the one concerning the Red River County tax levy. The vote of the county on the amendments follows: For Red River County tax, 187; against 225.

For authorizing legislative appeal, 367; against, 77. For Secretary of State appointing notaries, 318; against 124. For removing municipal appointments term limitation, 278; against, 136.

Archer City--

(Continued from Page 1)

7-0; Holliday, 18-0; and lost to Chillicothe, 19-0. This adds up to 25 points which have been scored by the Archer City lads while their opponents were tallying 19 points for themselves.

Crowell defeated Holliday, 30-12; Seymour, 22-6; and lost to Chillicothe, 14-9. This sums up 61 points scored by the Crowell Wildcats while their opponents were scoring 32 points.

The Holliday and Chillicothe games are the only ones which dopsters can make comparisons. Crowell's victory over Holliday looked fairly easy and then the Wildcats turned around to soundly out-play and scare the day-

Fall Subscription Campaign of News Has Made Good Start

Since the annual fall subscription campaign of The Foard County News was started recently, many new subscribers have been added to the list of regular readers of the home paper, and many renewals have also been received. The subscription department is truly thankful for the wholehearted support it is now receiving and has received for many years.

New subscribers and renewals received during October follow: H. E. Thomson, city; Oscar Nichols, Alpine; Hub Speck, Wilmington, Calif.; C. B. Graham, city; Mrs. Edith Waechter, Austin; L. I. Saunders, Childress; Mrs. Frank Brisco, city; Clyde Cobb, Rt. 1; Charlie Clark, Austin; W. S. J. Russell, city; Mrs. Susie Johnson, Livingston, Texas.

E. G. Morgan, Rt. 2; T. H. White, San Jose, Calif.; A. B. Fortner, Foard City; H. T. Kenner, Rt. 2; Donald Chapman, Austin; D. J. Brookreson, Benjamin; G. T. Hayes, Elk City, Okla.; Geo. Allison, city; Miss Nancy Cogdell, Wichita, Kan.; Dolph Martin, Gilliland; Mrs. Jane Wither- spoon, Fort Worth.

Mrs. T. M. Beverly, city; Gus Neill, Thalia; Alton Higginbotham, city; J. A. Kenner, Imperial, Calif.; Mrs. R. O. Berg, Clovis, N. M.; Mrs. H. W. Norwood, Vernon; F. B. Flesher, city; John Bennis, North Gulch, Texas; Riverside School, Rt. 1, Thalia; Chas. Wisdom, Freer, Texas;

Economists predict that mechanization of the farm will continue to spread and that by 1950 the number of tractors on the farms of this country will increase from 1,626,000 to 2,126,000 and that from 350,000 to 500,000 farm workers will be forced off the farms.

lief in being rescued, clothed, housed, fed and aided in rehabilitation.

Election--

(Continued from Page 1)

general election Tuesday. Newspapers stated that he "took a walk Tuesday." He did not give any reasons for breaking his voting habits of many years. Mrs. Garner voted at 8:15 o'clock, 15 minutes after the polls opened.

Foard County gave President Roosevelt a majority of nearly 10 to 1 as 1,907 votes were polled for him and 142 votes were cast for Mr. Willkie.

Other Races Governor W. Lee O'Daniel was given a 1,025 to 112 majority over his Republican opponent, Hopkins, in this county. Lauderdale, the Communist candidate for governor, did not receive a vote in Foard County.

In the race for State Commissioner of Agriculture, Foard County gave McDonald a large majority over his two write-in opponents. McDonald received 879 votes; Corry received 190 votes; and Martin 16.

The State of Texas gave President Roosevelt approximately 81 per cent of the votes which had been counted Wednesday morning, at which time the count stood: Roosevelt 546,355; Willkie, 128,379.

Tabulations in other state races are as follows: Governor: O'Daniel, 354,339; Hopkins, 14,206.

State Commissioner of Agriculture: McDonald, 216,496; Corry, 141,679. Corry became a write-in candidate after McDonald announced that he was supporting Willkie.

Red Cross--

(Continued from Page One)

United States Military and other programs. Particular stress was laid on Red Cross operations for the U. S. Military and other programs fitting into the national defense program. Last year when the Army, Navy and Marine Corps had skeletonized peacetime forces, the Red Cross aided more than 53,000 men in uniform with their social and economic problems. Today with an army of more than 1,000,000 men imminent, the Red Cross will need heavy increases in membership to meet proportionate needs arising in its field office in military posts, camps and naval stations.

World conditions have prompted the Red Cross to set up two new programs since last Roll Call. Mr. Self said more than 50,000 medical technologists have been circulated for the formation of a reserve corps being organized at the request of the U. S. Army Medical Corps. In addition, experimental studies are being made for a national "blood bank" which would furnish blood plasma to the U. S. Military in time of emergency. The latter program was being run as a parallel project to a program of furnishing blood plasma to the British Red Cross for war victims.

It is pointed out that last year more than 100,000 persons, victims of 106 disasters in the United States, were aided.

In spite of the week's rest enjoyed last week by the Wildcats, Coach Grady Graves will have one of his regular starters on the sideline when the game starts. Junior Haseloff, crack wingman, and will not be among the starters.

At this time, there are four regulars who might be forced from the game because of old injuries and for that reason, Coach Graves spent much time this week in grooming his substitutes for service in the game, should they be needed.

This will be the first time that a Crowell football team has played in Archer City since 1936. The probable starting lineup for the Crowell Wildcats is as follows: Hudgeons, left end; Owens, left tackle; Spears, left guard; Wells, center; Brisco, right guard; Thompson, right tackle; Diggs, right end; Olds, quarterback; Ownbey, left halfback; Gibson, right halfback; Capps, fullback. Ed States, received Red Cross re-

ROTARY CLUB

Drs. J. J. Hanna and T. Frizzell, Rotarians of Quanah and Judge R. D. L. Killough, Rotarian of Vernon, were visitors at the Wednesday meeting of the Crowell Rotary Club, in addition to Frank S. Roberts of Breckenridge, who paid his official visit as District Governor to the local club on that day. The Governor made an instructive and inspirational talk on Rotary following the luncheon.

The receipts of the last World series ball game totaled \$1,321,817.84.

MARGARET SOCIETY

The Margaret Society of Christian Service met at the home of Mrs. Roy Ayers this week with a covered dish luncheon and a "Week of Prayer" program. Mrs. John Taylor was the leader of the program. There were eleven members and one visitor present.

ARMISTICE DAY

THANK GOD FOR PEACE

Men die. They die of old age and of accidents and of sickness and disease. They die of hunger and privation. Some die in war.

Today, more than ever, we are reminded of the futility of war. That those who died in that other war shall not have lost their lives in vain, let their memory serve as a perpetual warning against ever again subjecting our boys and our nation to the horror that is war. And let their memory make us conscious of Peace.

Thank God for Peace. It is the most treasured heritage we have. Thank God for an America that preserves Peace and that values it as priceless. On this Armistice Day let us all pledge ourselves sincerely and completely to do all we can to keep Peace with ourselves and with our neighbors. Thank God for Peace!
