### Crowell Wildcats Show Power in Winning Seymour Cage Tournament; Beat Holliday, 35-20, in Last Game

Coach Grady Graves' Crowell Wildcats jumped into the top flight ranks among basketball teams of Northwest Texas when they decisively defeated a highly-favored Holliday Eagle five, 35 to 20, to win the Seymour cage tournament last Saturday night. This was the first time that a Crowell basketball team had attended the Seymour tourney.

**All-Tourney Team**  
Duane Capps, center, was the only Crowell player to land a berth on the all-tournament team. Capps was not a starter in the first two games but broke into the lineup each time and against the Bomarton five, he tallied ten points within a short time. His floor play against the Eagles was brilliant and played a big factor in Crowell's victory.

Following is the honor team: Capps of Crowell; Fitzgerald of Goree; Andrews of Vernon; Harrison of Holliday; Henson of Seymour.

**Trophies Presented**  
Immediately following the final game, presentation of trophies and awards was made on the court by Cedric Harrison, junior editor of the Baylor County Banner. He first presented a trophy to the Seymour Panthers, who won the consolation prize by defeating Goree, 18-17. Next, a trophy was presented to the Holliday team for second place honor, and last the presentation of the championship trophy was made to Crowell.

Following this, Mr. Harrison named and called the members of the honor team to the court to receive gold basketballs.

**Holiday Favors**  
The Eagles became favored to win the championship when they blasted the Wichita Falls Coyotes, tournament winners last year, by a 22 to 13 score in the last round (Continued on Page Five.)

### Applications for Mattresses Are Being Taken Now

1941 Program to Be Started in Crowell Within Near Future

A cotton mattress making center will be opened in Crowell in the near future and low-income farm families who wish to obtain a mattress are urged to make application at the office of the AAA in Crowell as soon as possible.

Any farm family whose income is \$500 or less per year is eligible for a mattress. Fifty dollars will be allowed for each member in excess of four, which would mean that a family of five with an income of not more than \$550 is eligible.

Any family with three members which did not get a mattress in 1940, will be eligible for one mattress. Any family with 4 or 5 members which did not get a mattress last year may obtain 2 in 1941, and any family with more than 5 members and which did not get a mattress last year will be eligible for three.

This program is sponsored by the Extension Service in co-operation with the Surplus Marketing Association.

It is urgent that applications be made at the local office in the immediate future.

### Board of Review Will Meet in Crowell Tues.

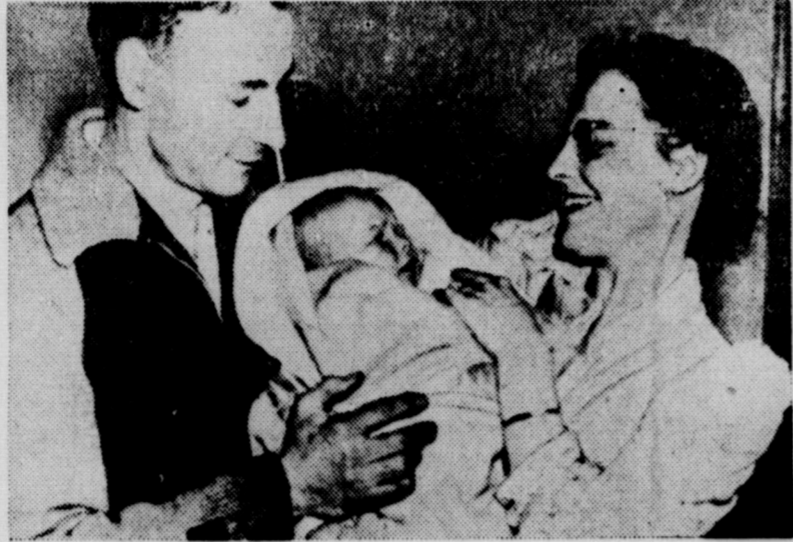

The Boy Scout Board of Review for the Foard County District will be held at the American Legion hall in Crowell on Tuesday night, Jan. 21, at 7:30 o'clock.

All Boy Scouts wanting to make advancements must be present and pass tests in order to receive badges and merit badges at the Board of Honor which will be held at the district court room in Crowell on Tuesday, Jan. 28.

### MARRIAGE LICENSE

A marriage license was issued from the office of County Clerk A. Stovall to Herbert Arvin Anderson of Eldorado, Okla., and Mrs. Naomi Jewell Patterson of Anson on Jan. 14.

### Detective's 'Hunch' Recovers Baby

Mr. and Mrs. George Stubbs of Atlantic City, N. J., are pictured here with their two-month-old baby, George Jr., who was recovered by a detective's "hunch" a short time after he was kidnapped. The child was found in an apartment occupied by a young Negro woman who has only recently been released from a mental institution.

### Men Named to Fill Foard's Selective Service Quota

Six From County to Be Inducted Into Army on January 20

The men who will fill the second Selective Service quota for Foard County have been named, according to information released by John Long, clerk of the local board.

Those who have been called for induction for a year's training in the United States Army are W. H. Adams, Elmer N. Wilson, Clarence W. Nichols, Joe R. Spencer, Vernon R. McClanahan and N. J. Roberts Jr.

These men will report to an induction station in Dallas on January 20 to be assigned to training camps.

The first four listed are volunteers and Mr. McClanahan will become the first man from the ranks of the registered men of Foard County to go to a training camp. His order number with the local board was 14.

Mr. Roberts, who held order No. 47 in this county, asked to be included in this group and his name was moved up three places to be in this list.

Because one or more of the men named above may not be inducted at the induction station by the armed forces, the following named men may be required as replacements: George G. Mills, Thomas E. Owens and Robert F. Kubicek. Their order numbers are 21, 40 and 56, respectively.

**SINGING AT RAYLAND**  
Singing will be held at the First Baptist Church in Rayland on Sunday, Jan. 19. The public is invited to attend.

### Letters Wanted From Old-Timers

All Foard County pioneers who are living in other counties or states are asked to send us a letter telling whether or not they will be in Crowell for the Golden Anniversary Jubilee and what plans they are making. Old-timers are also asked to express their views concerning this celebration now being planned.

These letters will be published in whole or in part in The Foard County News. So if you are an old-timer from this county, we would be glad to receive a letter from you.

Come on, old-timers, let us hear from you. Send your letters to The Foard County News, Crowell, Texas.

### Mother of Local Man Died in Apache, Okla., Early Tues. Morning

Mrs. Ben Seale, mother of C. R. Seale, manager of the Crowell office of the West Texas Utilities Co., died at her home in Apache, Okla., early Tuesday morning after an illness of several weeks.

Funeral services will be held in the First Christian Church of Apache Thursday afternoon at 2:30 o'clock.

Mr. and Mrs. Seale have been in Apache for several days to be at the bedside and attend the services.

### FFA Boys Set Dates for Project Show and Father-Son Banquet

Saturday, March 22, was selected as the date for the fourth annual F. F. A. and 4-H Club show at a regular meeting of the Crowell F. F. A. Chapter Tuesday night, Jan. 13. The show will be held in Crowell.

Friday, Feb. 21, was also chosen as the date for the annual "Father and Son" banquet. The banquet will be held in co-operation with the state F. F. A. advisor in order that all "Father and Son" banquets may be held on the same night.

Members who were present at the meeting were Harvey Crosoe, Daurice Ray Naron, J. T. Hughton, Billie Cox, Truman Taylor, George Cates, S. J. Lewis, Joe Dodd, Cecil Davidson, Kenneth Greening, Kenneth Archer, Ray Burrow, Eugene Fitzgerald, J. W. Sallis, Billie Nichols, Leiland Lewis, Joe Farrar and Wilburn Nichols.

### Olney Cubs to Play Wildcats Here Friday Night in "Big Six" Game; Girls' Volley Ball Game Matched

The Olney Cubs will invade Crowell Friday night for a Northwest Texas Basketball Conference game with the Wildcats in the local gymnasium at 7:30 o'clock.

This will be the first appearance of the Cubs on the Crowell court in some time as Olney came back into "Big Six" play this year for the first time in several years. A Wildcat-Cub clash has always been colorful and one which always draws the interest of the fans, due to a rivalry that has sprung up between the two clubs which has lived through the days since Olney joined the ranks of Class AA.

The game tomorrow night should be one which will carry much excitement for fans, because both clubs have tournament titles to their credits which places them as strong quintets. The Cubs recently won the Olney tournament and the Wildcats carried off the championship at the Seymour tourney last Saturday.

**Volley Ball Game**  
Immediately following the basketball game, the Crowell girls will meet a team of Chillicothe girls in a volley ball game.

This will be the first night game for the local girls and they will (Continued on Page Four)

### John Nagy Elected President of Spring Lake Country Club

John Nagy, Foard County Farm Agent, was elected as president of the Spring Lake Country Club at the annual meeting of the stockholders on Thursday night, Jan. 9.

Alva Spencer was elected as vice president and L. A. Andrews was re-elected as secretary-treasurer.

The directors elected are as follows: Guy Crews, T. S. Haney, Dr. J. M. Hill, A. G. Magee, John Nagy, M. M. Welch, Alva Spencer, J. A. Stovall and L. A. Andrews.

### Band Concert Will Be Given Tuesday Morning at 8:45

The band of the Crowell High School will give a concert in the auditorium of the High School building Tuesday morning, Jan. 21, at 8:45 o'clock, according to announcement made this week by G. C. Collins, band master. Special numbers will be rendered besides the band ensemble.

The public is invited to attend this program and see the progress the band is making.

### Marvin McKown Outstanding Back on Tech Freshman Team

Marvin McKown, former student of Crowell High School and graduate of Altus, Okla., High School, was named as the most outstanding backfield player ever to be with a Texas Tech freshman football team at a banquet given by the Lions Club in Lubbock Thursday night, Jan. 9.

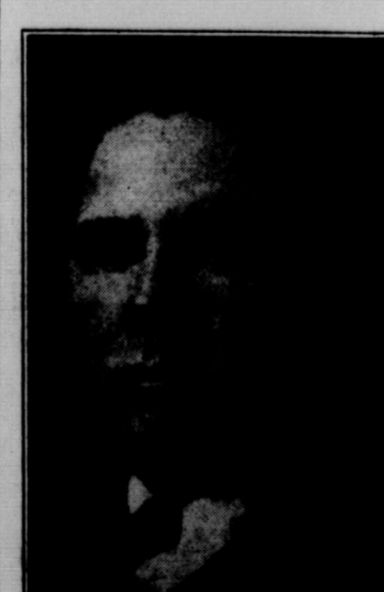

Marvin received a scholarship from the Texas Technological College and a present of \$100 worth of clothes shortly after receiving this honor.

Marvin was a member of the Crowell Wildcat football teams in 1937, 1938 and 1939, before his parents moved to Altus.

### Accepts Position in Vernon Sanitarium

Miss Frances Cook left Crowell Tuesday to assume her recently accepted duties as night supervisor at the Vernon Sanitarium.

Miss Cook is the daughter of Mr. and Mrs. J. W. Cook of Crowell.

#### Start Thinking of Pioneers to Be Sent Jubilee Invitations

Every person in Foard County is asked to start thinking of old settlers who are not living here and to whom they wish to have invitations sent for the "Golden Anniversary Jubilee" on April 27-28.

During the next two weeks, committeemen will contact everyone for these lists. Have yours ready when you are called upon. The invitation committee is striving to get a complete list of old-timers who will be sent invitations to be in Crowell for the celebration.

#### Football Letters Awarded to 22 Wildcats Monday

Members of Team Give Present to Coach Grady Graves

Letters were awarded to twenty-two members of the 1940 Crowell High School Wildcat football squad in the high school auditorium Monday morning by Supt. I. T. Graves and Coach Grady Graves.

#### Co-Captains Elected

Shortly before the letters were presented, members of the squad elected two linemen as co-captains for 1941. They are Charlie Thompson, who played a regular tackle position this past season, and Bobby Spears, regular guard.

In brief talks, both boys complimented A. Y. Olds, who captained the Wildcats through a successful season this year.

Supt. Graves opened the program with a review of the Wildcats' record and commended them for their excellent spirit which was shown both in classes and on the gridiron this year.

Following the awarding of sweaters, Coach Graves thanked the lads for their co-operation and spoke a word of advice to younger boys who are looking forward to the day when they will don the Crowell High School colors.

An expensive leather sport coat was presented to Coach Graves by (Continued on Last Page)

#### Address by Noted Commentator, Paducah, Jan. 27

#### First Appearance in Southwest Since Return from Berlin

William L. Shirer, Berlin correspondent and noted news commentator of the Columbia Broadcasting system, will deliver an address in the Paducah high school auditorium Monday night, Jan. 27, starting at 8 o'clock, according to information received from Paducah Wednesday morning.

The noted news commentator has been in the United States only a few days and comes to Paducah directly from Berlin.

His talk here will not only be the first in the Southwest, but will be one of Shirer's first appearances in the United States since his return from the capital of the German reich.

Shirer was credited a few weeks ago as being "the best informed newsman in Europe."

The public address will be sponsored by the Paducah Lions club and will replace the organization's annual ladies' night banquet. Announcement that Shirer would speak in Paducah was made by J. D. Wilson, president of the Lions Club.

Wilson said that Shirer "is being brought to this section at considerable expense and we feel that we are exceptionally fortunate in securing him to address the residents." (Continued from Page Four)

Plans for the observance of the 50th Anniversary of the organization of Foard County with an outstanding "Golden Anniversary Jubilee" were outlined at a meeting of the Farmers and Business Men's Association held at O'Connell's Lunch Room Tuesday evening.

#### Committees Named

After the invocation by M. S. Henry and the banquet, J. R. Beverly, president, called upon the chairmen of committees already appointed to give a list of their workers, and practically all of the 43 persons present were assigned to committees.

#### General Director Talks

Following the naming of the committees, the meeting was turned over to George Self, who had been previously elected as the general director.

Mr. Self, who was in charge of the 45th Anniversary celebration, briefly outlined the work that must be done by each committee in order that the "Golden Anniversary Jubilee" may be a success. He told the members of the committees that their work started now and there could be no let-up until after the celebration. He urged them to work for a bigger and better celebration than has ever been held before.

#### Everyone Must Help

With every community of the county represented at the meeting, Mr. Self called for the help of everyone in the county, as this will be a Foard County celebration and, for it to be successful, everyone in the county must do his or her part.

#### Program Outlined

The program is yet in the committee room and has not been definitely set, but committees have been named to investigate each phase to determine whether or not it can be worked into the program. It has been definitely decided that the celebration will be held on Sunday and Monday, April 27-28, and if plans for a rodeo are successful, the celebration will also be held on Tuesday, April 29, making it a three-day celebration.

#### To Invite Governor

Gov. W. Lee O'Daniel will be invited to attend one day of the celebration and Judge Leslie Thomas was appointed to extend the invitation. He will contact the governor and have a (Continued on Page Five)

### Walter W. Head to Speak at Annual Boy Scout Council

The Annual Council meeting of the Northwest Texas Council, Boy Scouts of America, will be held at Wichita Falls, at the Wichita Club beginning at 5 p. m. on January 17.

Walter W. Head, the president of the Boy Scouts of America, from St. Louis, Mo., will be the guest speaker. Mr. Head has done much for the progress of the Boy Scouts of America and is noted for his speaking ability. All Unit leaders of the Council are especially urged to attend the five o'clock session which will be devoted entirely to the Unit Leadership.

The theme of the program will be "Better Troop and Pack Programs" and it will be of vital interest to every troop Scouter.

The annual banquet will be held at 7 p. m. at which time the new officers of the Council will be installed and Mr. Head will deliver the address of the evening. Every Scouter and his wife is cordially invited to attend this Council event.

Those who will attend the program from Foard County are the following officers of the District 12 committee: J. H. Roberson and Roy Hoffmann of Rayland, and John Hutchinson, chairman of District 12; John Rasor, H. O. Waters, J. A. Stovall, M. G. Welch, A. Y. Beverly, John Long, G. T. Lanier and Ernest Patton.

#### NO LOOSE LIVESTOCK

Notice has been given to the owners of livestock in the city limits of Crowell this week by Audie Brown, city marshal, that all livestock caught running loose would be impounded and the owners would have to pay a fee for their release.

The marshal also gave notice that anyone caught staking a cow in the City Park would be fined, and also, that anyone found destroying any of the park property would be fined to the fullest extent of the law.

#### BABY DIES

## Miss Catherine Woods Married Los Angeles Man in Canyon Dec. 20

The marriage of Miss Catherine Woods of Crowell to Clyde Clark of Los Angeles, Calif., in Canyon on Dec. 20, 1940, was announced here this week. They were married in the parsonage of the First Methodist Church of Canyon with the pastor, Rev. Thomas, performing the ceremony.  
Mrs. Clark is the daughter of Mr. and Mrs. J. K. Woods of Crowell and was reared in this city. She was graduated from Crowell High School in 1928. She attended Sul Ross State Teachers' College in Alpine and was enrolled in West Texas Teachers' College in Canyon at the time of her marriage. Before her marriage, Mrs. Clark had taught school for five years in this county, having taught at the Good Creek and

Texaco community schools. Mr. Clark is employed as foreman of a ranch near Amarillo and the couple will make their home there.

### B. & P. W. CLUB

The B. & P. W. Club held its regular monthly business meeting last Thursday at O'Connell's. With Mrs. Inez Spencer presiding, it was decided to sponsor a Bridge and "42" party on the evening of Jan. 23, in the Edwards Motor Company's show room. Proceeds from this benefit party will be used to buy books for the county library.

Lottie Russell was elected club treasurer to fill the unexpired term of Mrs. Rose Liles, who has moved away.

After routine business was disposed of, Mrs. Mae Solomon took charge of a program entitled "Helping to Shape Legislation." Blanche Hays told briefly the duties of the different depart-

ments of our Federal Government and Lottie Russell reviewed "Our Constitution."

### MARRIED

Lewis Brown, formerly of Crowell and grandson of Mrs. Della Griffin, and Miss Ada Patton were married in Belton, N. M., on Dec. 24, 1940, according to announcement received this week.

### CROWELL GARDEN CLUB

The home of Mrs. R. L. Kincaid will be the place of meeting for the Garden Club on Friday (tomorrow) afternoon at 3 o'clock.

Mrs. John Carter will be program leader. Response to roll call will be given with garden reminders.

"Roses for American Gardens" is the subject of a talk which will be given by Mrs. E. A. Dunagan. Mrs. Floyd Marshall will discuss "Flowers for the Home" with special stress on "English and Spanish Types" and Mrs. John B. Hutchinson will talk on "Colonial Type and Contemporary Type" of "Flowers for the Home."

This is the time for election of officers for 1941-42 and it is desired that there be a large attendance.

### ROTARY CLUB

Visiting Rotarians attending the Wednesday meeting of the Crowell Rotary Club Wednesday were E. F. Magee, Dr. T. D. Frizzell, Earl Morley and Bob Reed of Quanah. Other visitors were Bill Rowand of Plainsfield, Ill., Richard Johnson of the Riverside community, and Munson Welch. Hubert Brown was in charge of the program and introduced Rotarian Hugh Longino, who gave a very interesting discussion of world conditions.

## Margaret Play Cast Entertained After Initial Performance

Directly following the initial performance of the play, "Aunt Emma Sees It Through," at the Margaret school auditorium on Friday night, Dec. 27, the cast and their escorts enjoyed an informal coffee party at the home of Mr. and Mrs. C. R. Moore in Margaret.

Guests were Rev. and Mrs. Don Culbertson and young son, Mr. and Mrs. Raymond Sikes, Mr. and Mrs. William Bradford, Miss Ethel Kempf and Floyd Ferguson, Mr. and Mrs. A. B. Owens and Mr. and Mrs. John L. Hunter Jr.

On Monday night, Dec. 30, Miss Ethel Kempf was hostess to the same group at the Kempf family home east of Margaret, where they all enjoyed an evening of 42 and 84. Delicious refreshments consisting of dainty sandwiches, fruit cake and coffee were served.

On Thursday night, Jan. 2, a banquet was held at the Margaret school at which time plans were completed to present the play at Truscott school auditorium under the auspices of the Truscott P. T. A. on Friday night, Jan. 10.

Rehearsal nights were set and after the tasty meal consisting of meat balls and gravy, potato salad, green beans, banana pudding, ginger bread and coffee, was served. The banquet hall was converted into a game room and the remainder of the evening was devoted to games of "Progressive 86."

### FOARD CITY SOCIETY

The Foard City Society of Christian Service met Monday, Dec. 30, at the home of Mrs. J. M. Barker in a special meeting to finish out reports for 1940.

The next meeting will be Monday, Jan. 13, with a very special program—"A Pledge Service." Members are urged to attend. Place of meeting will be announced at Sunday School.

### Ed Gossett Answers All Roll Calls

Washington, D. C., Jan. 4.—Representative Ed Gossett did not miss a record vote during the historic third session of the 76th Congress. This session of Congress convened on January 3, 1940, and continued until noon on January 3, 1941. This session set an all time record for length, being rivaled only by the second session of the 65th Congress, which began in 1917 and continued for 354 days.

Representative Ed Gossett was one of the eight members to serve on as many as six committees of the House during this session and was one of a very few members of Congress to answer every roll call and to vote on every question.

### Margaret Play Will Be Presented at Truscott Friday

The play, "Aunt Emma Sees It Through," sponsored by the Margaret P. T. A. and presented at the Margaret school auditorium Friday, Dec. 27, will be staged again in the auditorium of the Truscott High School Friday night, Jan. 10.

When this play was presented in Margaret, it drew a large and enthusiastic audience which was well pleased with the presentation and it is expected that a large crowd will be present Friday night in Truscott.

### Brief Bits of News From Here and There

The average man, according to a study made by Prof. Bernhard Otrok of New York, lived more comfortably during the last decade of depression than in any decade in the nation's history. Records show, according to this authority, that the people of this country have more goods and services than at any time before in the country's history.

He may have certain curable communicable diseases, tonsils, adenoids, simple goiter, or malaria, but must not have irremediable foot defects, a venereal disease, hernia, or other abdominal ailments.

A motor, adaptable as an auxiliary motor on bombing planes, has been perfected by E. B. Myers, New York, research engineer. The motor weighs but 250 pounds, can be produced for \$1,000, develops 4,000 horsepower. A mixture of carbon disulphide and nitrous oxide is used for full fuel. The inventor claims that his motor is suited for auxiliary power to aid heavily loaded bombing planes in taking off, in providing sudden bursts of speed in the air.

At the present time, according to Alfred P. Sloan, chairman of General Motors Corporation, General Motors is producing 350 airplane motors a month. The plans provide for 1,000 motors a month by the end of 1941.

American toy merchants in their pre-Christmas survey estimated that \$330,000,000 worth of toys would be bought this year in the United States. In the past a large but due to the war the importation of toys has practically ceased. As a result most of the toys sold this year were made by American manufacturers.

that the Walsh-Healey Act (imposing special wage and hour restrictions on holders of government contracts) continues to be a disturbing factor in the procurement of some lines of government supplies. A case in point is cited in which bids were called for on 2,000 aircraft clocks. The successful bidder stated that he would accept the contract only if exemption were granted from the provisions of the Walsh-Healey Act which provided for a 40 hour week with time and a half for overtime. The government delayed acceptance of the bid for four months while it searched for another contractor. Being unable to secure another bid the contract was finally let with the exemptions asked for.

## GOLDEN ANNIVERSARY JUBILEE PLANS LAID

### Crowell Wildcats Show Power in Winning Seymour Cage Tournament; Beat Holliday, 35-20, in Last Game

Coach Grady Graves' Crowell Wildcats jumped into the top flight ranks among basketball teams of Northwest Texas when they decisively defeated a highly-favored Holliday Eagle five, 35 to 20, to win the Seymour cage tournament last Saturday night. This was the first time that a Crowell basketball team had attended the Seymour tourney.

**All-Tourney Team**  
Duane Capps, center, was the only Crowell player to land a berth on the all-tournament team. Capps was not a starter in the first two games but broke into the lineup each time and against the Bomarton five, he tallied ten points within a short time. His floor play against the Eagles was brilliant and played a big factor in Crowell's victory.

Following is the honor team: Capps of Crowell, Fitzgerald of Goree, Andrews of Vernon, Harrison of Holliday, Henson of Seymour.

**Trophies Presented**  
Immediately following the final game, presentation of trophies and awards was made on the court by Cedric Harrison, junior editor of the Baylor County Banner. He first presented a trophy to the Seymour Panthers, who won the consolation prize by defeating Goree, 18-17. Next, a trophy was presented to the Holliday team for second place honor, and last the presentation of the championship trophy was made to Crowell.

Following this, Mr. Harrison named and called the members of the honor team to the court to receive gold basketballs.

**Holiday Favors**  
The Eagles became favored to cop the championship when they blasted the Wichita Falls Coyotes, tournament winners last year, by a 22 to 13 score in the last round (Continued on Page Five.)

### Applications for Mattresses Are Being Taken Now 1941 Program to Be Started in Crowell Within Near Future

A cotton mattress making center will be opened in Crowell in the near future and low-income farm families who wish to obtain a mattress are urged to make application at the office of the AAA in Crowell as soon as possible. Any farm family whose income is \$500 or less per year is eligible for a mattress. Fifty dollars will be allowed for each member in excess of four, which would mean that a family of five with an income of not more than \$550 is eligible.

Any family with three members which did not get a mattress in 1940, will be eligible for one mattress. Any family with 4 or 5 members which did not get a mattress last year may obtain 2 in 1941, and any family with more than 5 members and which did not get a mattress last year will be eligible for three.

This program is sponsored by the Extension Service in co-operation with the Surplus Marketing Association.

It is urgent that applications be made at the local office in the immediate future.

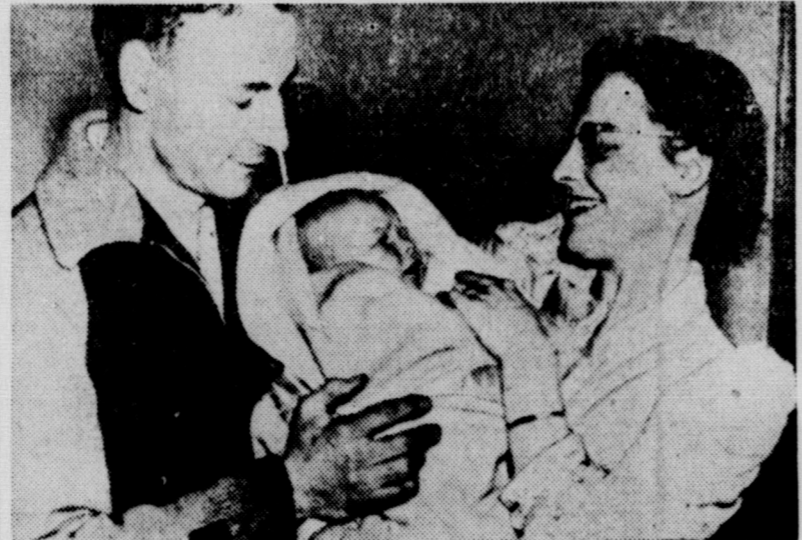

### Board of Review Will Meet in Crowell Tues.

The Boy Scout Board of Review for the Foard County District will be held at the American Legion hall in Crowell on Tuesday night, Jan. 21, at 7:30 o'clock. All Boy Scouts wanting to make advancements must be present and pass tests in order to receive badges and merit badges at the Court of Honor which will be held in the district court room in Crowell on Tuesday, Jan. 28.

### MARRIAGE LICENSE

A marriage license was issued from the office of County Clerk A. Stovall to Herbert Arvin Wilson of Eldorado, Okla., and Naomi Jewell Patterson of Anah on Jan. 14.

### Detective's 'Hunch' Recovers Baby

Mr. and Mrs. George Stubbs of Atlantic City, N. J., are pictured here with their two-month-old baby, George Jr., who was recovered by a detective's "hunch" a short time after he was kidnaped. The child was found in an apartment occupied by a young Negro woman who has only recently been released from a mental institution.

### Men Named to Fill Foard's Selective Service Quota

**Six From County to Be Inducted Into Army on January 20**

The men who will fill the second Selective Service quota for Foard County have been named, according to information released by John Long, clerk of the local board.

Those who have been called for induction for a year's training in the United States Army are W. H. Adams, Elmer N. Wilson, Clarence W. Nichols, Joe R. Spencer, Vernon R. McClanahan and N. J. Roberts Jr.

These men will report to an induction station in Dallas on January 20 to be assigned to training camps.

The first four listed are volunteers and Mr. McClanahan will become the first man from the ranks of the registered men of Foard County to go to a training camp. His order number with the local board was 14.

Mr. Roberts, who held order No. 47 in this county, asked to be included in this group and his name was moved up three places to be in this list.

Because one or more of the men named above may not be inducted at the induction station by the armed forces, the following named men may be required as replacements: George G. Mills, Thomas E. Owens and Robert F. Kubicek. Their order numbers are 21, 40 and 56, respectively.

**SINGING AT RAYLAND**  
Singing will be held at the First Baptist Church in Rayland on Sunday, Jan. 19. The public is invited to attend.

### Olney Cubs to Play Wildcats Here Friday Night in "Big Six" Game; Girls' Volley Ball Game Matched

The Olney Cubs will invade Crowell Friday night for a Northwest Texas Basketball Conference game with the Wildcats in the local gymnasium at 7:30 o'clock.

This will be the first appearance of the Cubs on the Crowell court in some time as Olney came back into "Big Six" play this year for the first time in several years. A Wildcat-Cub clash has always been colorful and one which always draws the interest of the fans, due to a rivalry that has sprung up between the two clubs which has lived through the days since Olney joined the ranks of Class AA.

The game tomorrow night should be one which will carry much excitement for fans, because both clubs have tournament titles to their credits which places them as strong quintets. The Cubs recently won the Olney tournament and the Wildcats carried off the championship at the Seymour tourney last Saturday.

### Volley Ball Game

Immediately following the basketball game, the Crowell girls will meet a team of Chillicothe girls in a volley ball game. This will be the first night game for the local girls and they will (Continued on Page Four)

### County Home Demonstration Agent's Report Reviews Work of Women and Girls' Clubs in Foard During 1940

#### Start Thinking of Pioneers to Be Sent Jubilee Invitations

Every person in Foard County is asked to start thinking of old settlers who are not living here and to whom they wish to have invitations sent for the "Golden Anniversary Jubilee" on April 27-28.

During the next two weeks, committeemen will contact everyone for these lists. Have yours ready when you are called upon. The invitation committee is striving to get a complete list of old-timers who will be sent invitations to be in Crowell for the celebration.

### Football Letters Awarded to 22 Wildcats Monday

#### Members of Team Give Present to Coach Grady Graves

Letters were awarded to twenty-two members of the 1940 Crowell High School Wildcat football squad in the high school auditorium Monday morning by Supt. I. T. Graves and Coach Grady Graves.

#### Co-Captains Elected

Shortly before the letters were presented, members of the squad elected two linemen as co-captains for 1941. They are Charlie Thompson, who played a regular tackle position this past season, and Bobby Spears, regular guard. In brief talks, both boys complimented A. Y. Olds, who captained the Wildcats through a successful season this year.

Supt. Graves opened the program with a review of the Wildcats' record and commended them for their excellent spirit which was shown both in classes and on the gridiron this year.

Following the awarding of sweaters, Coach Graves thanked the lads for their co-operation and spoke a word of advice to young boys who are looking forward to the day when they will don the Crowell High School colors.

An expensive leather sport coat was presented to Coach Graves by (Continued on Last Page)

### Address by Noted Commentator, Paducah, Jan. 27

#### First Appearance in Southwest Since Return from Berlin

William L. Shirer, Berlin correspondent and noted news commentator of the Columbia Broadcasting system, will deliver an address in the Paducah high school auditorium Monday night, Jan. 27, starting at 8 o'clock, according to information received from Paducah Wednesday morning.

The noted news commentator has been in the United States only a few days and comes to Paducah directly from Berlin.

His talk here will not only be the first in the Southwest, but will be one of Shirer's first appearances in the United States since his return from the capital of the German reich. Shirer was credited a few weeks ago as being "the best informed newsmen in Europe."

The public address will be sponsored by the Paducah Lions club and will replace the organization's annual ladies' night banquet. Announcement that Shirer would speak in Paducah was made by J. D. Wilson, president of the Lions Club.

Wilson said that Shirer "is being brought to this section at considerable expense and we feel that we are exceptionally fortunate in securing him to address the resi- (Continued on Page Four)

Plans for the observance of the 50th Anniversary of the organization of Foard County with an outstanding "Golden Anniversary Jubilee" were outlined at a meeting of the Farmers and Business Men's Association held at O'Connell's Lunch Room Tuesday evening.

#### Committees Named

After the invocation by M. S. Henry and the banquet, J. E. Beverly, president, called upon the chairmen of committees already appointed to give a list of their workers, and practically all of the 43 persons present were assigned to committees.

#### General Director Talks

Following the naming of the committees, the meeting was turned over to George Self, who had been previously elected as the general director.

Mr. Self, who was in charge of the 45th Anniversary celebration, briefly outlined the work that must be done by each committee in order that the "Golden Anniversary Jubilee" may be a success. He told the members of the committees that their work started now and there could be no let-up until after the celebration. He urged them to work for a bigger and better celebration than has ever been held before.

#### Everyone Must Help

With every community of the county represented at the meeting, Mr. Self called for the help of everyone in the county, as this will be a Foard County celebration and, for it to be successful, everyone in the county must do his or her part.

#### Program Outlined

The program is yet in the committee room and has not been definitely set, but committees have been named to investigate each phase to determine whether or not it can be worked into the program. It has been definitely decided that the celebration will be held on Sunday and Monday, April 27-28, and if plans for a rodeo are successful, the celebration will also be held on Tuesday, April 29, making it a three-day celebration.

#### To Invite Governor

Gov. W. Lee O'Daniel will be invited to attend one day of the celebration and Judge Leslie Thomas was appointed to extend the invitation. He will contact the governor and have a re- (Continued on Page Five)

### Walter W. Head to Speak at Annual Boy Scout Council

The Annual Council meeting of the Northwest Texas Council, Boy Scouts of America, will be held at Wichita Falls, at the Wichita Club beginning at 5 p. m. on January 17. Walter W. Head, president of the Boy Scouts of America, from St. Louis, Mo., will be the guest speaker. Mr. Head has done much for the progress of the Boy Scouts of America and is noted for his speaking ability. All Unit leaders of the Council are especially urged to attend the five o'clock session which will be devoted entirely to the Unit Leadership.

The theme of the program will be "Better Troop and Pack Programs" and it will be of vital interest to every troop Scouter. The annual banquet will be held at 7 p. m. at which time the new officers of the Council will be installed and Mr. Head will deliver the address of the evening. Every Scouter and his wife is cordially invited to attend this Council event.

Those who will attend the program from Foard County are the following officers of the District 12 committeemen: J. H. Roberson and Roy Hofmann of Rayland, and John Hutchinson, chairman of District 12; John Raser, H. O. Waters, J. A. Stovall, M. G. Welch, A. Y. Beverly, John Long, G. T. Lanier and Ernest Patton.

#### NO LOOSE LIVESTOCK

Notice has been given to the owners of livestock in the city limits of Crowell this week by Audie Brown, city marshal, that all livestock caught running loose would be impounded and the owners would have to pay a fee for their release.

The marshal also gave notice that anyone caught staking a cow in the City Park would be fined, and also, that anyone found destroying any of the park property would be fined to the fullest extent of the law.

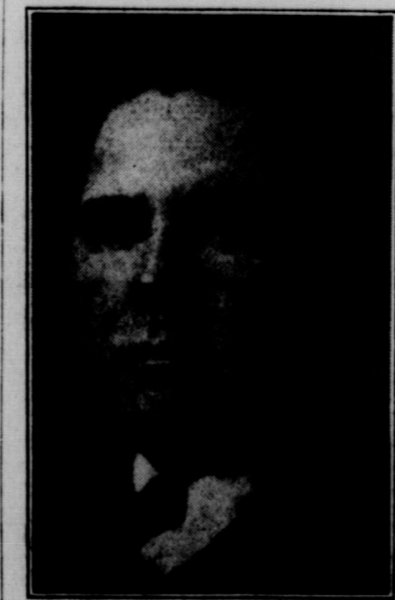

#### BABY DIES

The baby son of Mr. and Mrs. Berl Lovelady of Riverside, Calif., died on Sunday, Jan. 5, according to word received by Mr. Lovelady's mother, Mrs. P. S. Lovelady, of this city. The cause of the baby's death was chronic appendicitis.

#### BIRTHS

To Mr. and Mrs. W. A. Breeding, a girl, Viola Bell, Jan. 8. To Mr. and Mrs. Oran Washburn, a girl, Vivian Marie, Jan. 7.

FRED L. RENNELS

### Fred Rennels Raised To State AAA Office At College Station

Fred Rennels, former Farm Agent of Foard County and, who for the past year and a half has been in charge of the range conservation program of the Agriculture Adjustment Administration in Texas, has been named assistant administrative officer of the Texas AAA, according to information received by The News this week.

Appointment of Mr. Rennels was announced by the state AAA committee at its meeting in College Station. He will succeed B. F. Vance who has been named to the position of administrative officer. The appointment will be effective Feb. 1.

Mr. Rennels farmed and taught school in Foard and Wilbarger counties for a number of years before becoming the Extension Service county agent in Foard County from 1922 to 1936 when he was named county agent of Wilbarger County. Since June, 1939, Mr. Rennels has had charge of the range program of the AAA.

**Two Minute Sermon**

(By Thomas Hastwell)

And Thy Neighbor As Thyself: These words are taken from the Golden Text of the Bible. Into these five words is crowded the whole secret of human relationship with another. The full import of their meaning may be perhaps better realized if we consider how the individual would treat a neighbor that he loved as himself. He would not go about saying mean, unkind, or untrue things about himself, and, if he loved his neighbor as himself he would not say them about his neighbor. He would not knowingly take a wrong, or unfair advantage of himself, neither would

he take a wrong or unfair advantage of his neighbor. No man would willingly or willfully steal from himself, or cheat, or defraud himself, neither would a man who loved his neighbor as himself cheat, wrong, or defraud his neighbor. No man has any thought or desire to injure or harm, in any way, himself, his good name, or any member of his family. There is no temptation or thought of doing so. When we love our neighbor as ourself, we have no desire to harm or injure him in any way. We have no thought or temptation to do so. And thy neighbor as thyself is Christ's perfect rule of perfect human relationship.

**THOUGHTS OF SERIOUS MOMENTS**

Therefore all things whatsoever ye would that men should do to you, do ye even so to them; for this is the law and the prophets.—Matthew 7:12.

Of a truth, men are mystically united; a mysterious bond of brotherhood makes all men one.—Carlyle.

It is good to talk with our past hours, and learn what report they bear, and how they might have reported more spiritual growth.—Mary Baker Eddy.

The true past departs not; no truth or goodness realized by man ever dies, or can die; but all is still here, and recognized or not, lives and works through endless changes.—Carlyle.

Wisdom is the art of doing the right thing at the right time. The facts of the case show that no time could be righter—hence wiser—than NOW for building a home.

**THE FACTS WHY A NEW HOME IS A WISE INVESTMENT TODAY**

Government figures show building costs to be below normal and the outlook for general prosperity excellent. Modern financing methods make monthly home-buying costs less than the average rent. Improvements in building construction methods, materials and equipment have more than doubled the values, conveniences and household work-saving you get in the modern, low-priced home. If inflation comes, your home investment will increase in value while cash savings will not.

Your Horoscope

January 12, 13, 14, 15.—Your nature is sly, farsighted and sometimes crafty. You have talents in an inventive line, which, however, takes the trend of improving patents already made instead of being original. You crave affection and need a helper to make life happy. You usually get your own way because people have faith in your judgment.

January 16, 17, 18.—You have splendid characteristics for leadership and can easily see through humans and conditions. Your integrity is never questioned and above all things you want justice administered. You move slowly until sure of your ground and avoid many mistakes. You use money conservatively, and will never sacrifice principal. You are not much for show and are lenient in your appraisal of others, but are careful to place only those morally qualified in positions of responsibility.

Carefulness never hurt anybody. Don't get hurt—be alert. It always pays to keep danger away. Careful workmen always make good and are seldom injured.

Seven hundred and fifty tickets have been reserved and may be secured through the mail from the president of the Paducah Lions Club. Charge will be \$1. tax included.

Officials have been negotiating for several weeks to secure a speaker of top rank in the field of foreign affairs.

When the contract was signed with Shirer, Wilson said it was specifically understood he would be at liberty to discuss actual military and economic conditions as they are in Germany today.

Wilson said full assurances had been received from the Columbia Lecture Bureau that Shirer would be able "to open up" and discuss conditions as he has personally seen them in Nazi Germany.

An automobile caravan is being planned to tour Northwest Texas and Southern Oklahoma within the next few days to extend an invitation to residents of this section to come to Paducah for the address.

Probable Starters

Coach Grady Graves has not had a regular starting lineup this season but the opening whistle tomorrow night is expected to find W. D. Hudgeons and Charles Nelson at the forward positions and Duane Capps in the center slot.

The starting guards will probably be Alton Roark and Ralph Flesher. Others who will probably see action are T. L. Owens and H. L. Bleivins, forwards; Charles Davis, center; and Joe Wells and Charlie Thompson, guards.

So far this season, the spearhead of Crowell's offensive attack has been formed by Hudgeons and Nelson. Hudgeons has been able to use his height to good advantage by working under the basket for shots.

A big factor in Crowell's victories this season has been the excellent defensive work of Roark and Flesher in the guard positions. Both are fast and agile, which enables them to cover a lot of the opponent's offense by working in front of the opponent's defense.

It is estimated by experts that it will cost Germany two million men when Hitler attempts to invade England.

Coyotes Take 'Big 6' Game From Wildcats

Two Free Tosses in Overtime Period Is Margin 28-26 Tally

The Crowell Wildcats lost their first Northwest Texas Basketball Conference game to the Coyotes in Wichita Falls Friday night by two points which came from two free tosses in the extra period. The final score was 28-26 in favor of the Coyotes.

Playing taller opponents who easily threw an air-tight goal defense on a small court, the Wildcats were unable to work the ball in for shots and were trailing 13-4 at the end of the half.

Starting the second half by throwing a new defense against the Coyotes which allowed the Foard County lads to break fast under the goal for shots, the Wildcats overtook and tied the Wichita Falls five at the end of the regulation playing time.

Going into the overtime period, both clubs played such a defensive type of ball so as not to allow a single field goal, but victory came to the Coyotes with two free pitches.

Hudgeons and Nelson, Crowell forwards and main cogs in the Wildcats' offensive threat, fouled out of the game in the fourth period.

Local Quintet Drops Munday For Second Time

Wildcats Take Free Toss Route to Win Defensive Battle

Coach Grady Graves' Crowell Wildcats won a 14-10 defensive battle over the Moguls in a return practice game at Munday Tuesday night. This was the Wildcats' second victory over the Munday quintet.

Both teams threw a defense that the other could not penetrate as each team made only two field goals and did the greater part of the scoring from free shots.

The Moguls were content to battle the Wildcats off of the goal and let them take the long shots that were missed all during the game, however, neither team was able to find long range of the basket.

Thirteen fouls were called against the Wildcats and of the free shots given the Moguls, they made 6, while the Crowell lads were counting with 10 of the free shots which came from 11 fouls called against the Moguls.

Ralph Flesher, starting guard, and Charlie Thompson, reserve guard, were not able to make the trip to Munday and their absence was felt in the games.

Nelson, Crowell forward, fouled out of the game in the third period.

Reserves Tie The Crowell and Munday reserves played to a 20-20 tie and were content, as the overtime period was not played.

All-Star Team Wins Two Games In Few Days

The Crowell All-Stars rang up two victories during the past few nights in defeating the Thalia All-Stars last Friday night, 28-23, and then dumping the Railroad Gang, 55-28, Monday night.

In the Friday night game, the Thalia lads grabbed the lead in the early minutes and were out in front 8 to 4, and had increased it to 15 to 7 at the half time.

Playing inspired basketball, the Crowell team returned to the floor to score 21 points in the last half while holding their opponents to 8.

Against the Railroad Gang, the Crowell All-Stars apparently had a picnic because they had little trouble in running up a 55 to 22 victory. They started the fireworks in the first period by tallying 14 points. However, the Gang was pushing them with 10 points. In the second period, Crowell scored 13 points while the Gang again came in with 1 point. Taking advantage of their tired opponents, the Crowell sharpshooters went to work to score 28 points in the last half while the Gang was registering 8.

What We Think (By Frank Dixon)

Some one said once, "Most of the things I have worried about never happened." The expression suggests the trite advice: "Do not worry," always easy to glibly give, and always difficult advice to take.

This being true the best way to overcome worry is to scotch it in the very beginning and before it gains the ascendancy. This, like the advice, "Don't Worry," is easy to say and sometimes very difficult to do.

There is one class of worry, however, that can be readily controlled and which in effect is almost as demoralizing as the other type of worry. I refer to the worry by indecision, lack of ability to make up one's mind, halting between two opinions, hesitating, vacillating, doubting, fretting and shrinking from making a decision.

The individual who gives way to it in large and important matters soon finds himself yielding to it even in trivial and inconsequential matters. I have observed persons who have permitted themselves to become victims of the indecision type of worry to the extent that it crept into everything they did and slowed down everything they attempted.

I have seen men who would worry to the extent that it crept into everything they did and slowed down everything they attempted.

I have seen men who would worry over what necktie they should wear with this or that suit, what they should order for dinner, where they should spend the evening and a dozen similar trivial matters. I have seen women who had so conditioned themselves that every undertaking, regardless of its importance, was preceded by a season of indecision, mental debating, weighing one decision against the other, until they finally became lost in a maze of mental confusion.

These same persons when they

have a thing to do that common sense and elemental logic tells them must be done, hesitate, and worry, and mentally debate, and defer, and procrastinate, until they are incapable of making a correct or wise decision, so confused have their minds become.

They have conditioned themselves with the indecision habit.

I am not contending as I alternate that one should make decisions blindly, without thought and without reason. Common sense would teach one better, but I do feel that more mistakes are made by those who fret, and fume, and procrastinate in making their decisions, than are made by those who create the habit of making their decisions, than are made by those who create the habit of making decisions promptly, getting the matter settled and out of the way, and the mind cleared for the next problem.

To do otherwise is like going into a work shop to do a piece of work with the tools scattered about and the litter from the last piece of work cluttering up the shop, or going into the kitchen to get breakfast with last night's unwashed dishes in the sink. These are signs of a poor workman and a poor housekeeper.

This inability to decide is a sign of poor mental housekeeping.

Eight of the cake phase of grain products home food supply demonstrators attained the status of a demonstration, and 8,917 cakes and cookies were baked by the 170 women. A total of 316,200 feet were planted in field gardens and 6,400 feet were planted in frame gardens.

In the mattress program home demonstration club women supervised the making of 234 mattresses.

Approximately 650 families in the county were reached in some way through the extension program.

**Demonstration Council**  
Foard County has a population of 6,315 with an average of 10.3 persons per square mile. Of this population, 1,946 live in the county seat town of Crowell.

The majority of people in the county are native Americans with quite a few Germans and Bohemians. There are 830 farm families in the county and about seventy per cent of these are tenants. The principal crops grown are wheat, cotton, grain sorghums, alfalfa, and some truck gardens and a few orchards in the extreme eastern sandy section. The chief source of income other than agriculture are grain and grain elevators, cattle and in two sections are oil activities.

Approximately 30 clubs for women operate within a radius of a few miles of Crowell. These include home demonstration clubs, Parent - Teachers Associations, garden clubs, music clubs, study clubs, and civic clubs, and County Federation of Clubs. Six branches of the Church have organizations in the county, with fourteen separate groups.

The number of home demonstration clubs and six girls' clubs in the county is the same number as has been in operation for some time. However, in one community practically everyone moved away, since three men owned the entire community, and they decided to farm with tractors rather than have the customary tenants, but another home demonstration club was organized in another community.

The club president; two elected delegates from each woman's club; the chairman, vice chairman, secretary-treasurer of the council; and the chairmen of the special standing committees make up the membership of the Foard County Home Demonstration Council.

On Feb. 22, a tour of the Experiment Station in Chillicothe and the nurseries in Vernon was conducted and 24 club members and the agent were present. One hundred and fifty shrubs were purchased for Foard County yards.

On Feb. 26, a luncheon was held honoring members of the Commissioners Court and their wives.

On April 18, the council chairman and two elected delegates attended the District Home Demonstration Association in Wichita Falls and gave a report of the home demonstration club work in Foard County.

In May, ten members of the Foard County home demonstration clubs entered products in the District Dairy show in Vernon and two first prizes were won.

In May, fifteen women and men made a tour of the frozen food locker in Vernon. The land use planning committee is definitely considering building one in Crowell, and it is hoped that it can be started in 1941.

In May, Miss Helen H. Swift, Sociologist Rural Women's Organizations, visited council and talked on Relationships of Home Demonstration Organizations.

Council paid all of the expenses of the Council Chairman and \$5 each toward the expenses of the Gold Star Girl and the Girls' 4-H Club sponsor. Four home demonstration club women and three 4-H Club girls and the sponsor attended the respective short courses.

Twice during the year, a committee of three women has reported to the Commissioners' Court concerning home demonstration and girls' 4-H Club activities.

The home demonstration club and girls' 4-H club encampments were held jointly on July 23 and 24 at the Spring Lake Country Club and fifty women and twenty-one girls were in attendance.

Twenty-four achievement events in the women's and girls' clubs were held during the year, with a total attendance of 661.

During the year, two county-wide recreational meetings were held at which men, women, boys and girls attended and outdoor games were played.

of play. In the second round, the Eagles skinned by Benjamin, 20-16, and in the semi-finals, they dumped Throckmorton 21-17.

Crowell easily breezed by Bo-

marton, 36-12, in the first round of play on Friday afternoon and on the same night they journeyed to Wichita Falls to meet the Coyotes, who were still smarting from their defeat at the hands of Holliday, and lost 28-26 in a "Big Six" game which went into the extra period. Returning to the tournament, Crowell drew a bye in the second round and barely nosed the Vernon Lions out, 25-24, in the semi-finals.

**Holiday Overpowered**  
With the stage all set for the championship game and the crowd giving the nod to Holliday, the Wildcats started the game slowly and were trailing 5-3 at the close of the first quarter.

With seeming ease, the Wildcats came to life early in the second quarter to show their true power for the first time during the tournament and to give the fans a real thrill. Each Wildcat, apparently refreshed by the brief rest, started starting in his own position to break up the Eagle defense and loop 14 points to be leading 17-10 at the half time.

Desperately the Eagles attempted to turn the tide but failed and the Crowell boys were still out in front at the end of the third period, 25-17. Entering the last stage of the game, the Holiday team started a desperate offense to overtake their opponents, but the Foard County lads took advantage of the wide-open play to increase their lead to 35-20.

port for the next meeting of the association which will be held in the near future.

**Chuck Wagon**  
H. E. Ferguson was appointed as chairman of a committee to make arrangements for the Wichita Falls Chuck Wagon Gang to be here for the celebration and plans will be completed for all of the old-time cowboys present for the celebration to eat at the chuck wagon.

**Official Dress**  
The motion was made, seconded and adopted that the official dress for the people of Foard County, as publicity for the celebration, be as follows:  
The women will wear golden cotton dresses and hose.  
The men will wear golden cotton shirts and socks. Western hats will also be worn by the men.  
If the plans now set, materialize, there will be an official "Pioneer Headquarters" in town during the days of the event. It is planned to obtain a vacant building and equip it with comfortable chairs in order that the old-timers may have a place for visiting.

The forming of a number of other committees was suggested and these will be released as soon as they are selected.

**Memorial Services**  
Plans are being made for each church of the county to arrange for a pioneer service on Sunday morning, April 27, and then on Sunday afternoon, a memorial service will be held in Crowell.

**Pagant Planned**  
The possibilities of presenting a historical pagant of Foard County is being investigated by

Mrs. F. A. Davis and her committee. A number of those present expressed the belief that such a pagant could be arranged in time to present it on Sunday night, April 27.

**Parade**  
Plans were launched for a huge parade to be held on Monday and possibly Tuesday, if the celebration runs three days. Every community of the county has been asked to prepare an entry for the parade and every business house of the county is also urged to enter. Arrangements for the parade cannot be completed until the last morning and more definite information will be released later. A. Y. Beverly, chairman, is arranging for a huge parade.

**Rodeo Being Sought**  
It was voted at the meeting to hold a rodeo if possible and a committee was appointed to make arrangements and have a report within the next few weeks.

**Basket Dinner**  
A basket dinner will be held on the second day of the celebration and Claude Callaway and his committee are starting plans that will assure enough food for all of the visitors. At the 45th Anniversary celebration in 1936, over 8,000 people were fed with a basket dinner served on tables erected in the streets, and plans to take care of that many people and more are being planned at this time. The basket dinner was supplemented with several hundred pounds of barbecued meat.

**Poet Laureate Named**  
S. P. McLaughlin, Foard County pioneer and well known local poet, was named as poet laureate for Foard County's "Golden Anniversary Jubilee," by a unanimous vote.

**Other Arrangements**  
Other than plans given above, the committees discussed the holding of an antique and hobby show for the celebration. Information bureaus will be established in Crowell for accommodation of the visitors. A drive will be made through the clubs of Crowell for the planting of rose bushes in the city in order that they may be blooming on this date.

All of the bands of the neighboring cities of Crowell will be extended invitations to be in Crowell to take part on the Jubilee program and one or two college bands will also be sent invitations. A number of popular string bands will be asked to come to Crowell for the Jubilee.

## Volume UP Price DOWN

IT HAS BEEN SAID that advertising increases the price of goods. True, advertising is part of the manufacturer's and merchant's cost of doing business, all of which must be covered in the price of his goods if he is to stay in business.  
But advertising helps boost sales and production. Bigger volume cuts cost per unit made and old. To meet competition the saving is passed on to the public in the form of a lower price.  
Think of the prices of radios, mechanical refrigerators and heating appliances, automobiles, light bulbs and other products first introduced and sold in small volume. Compare with their prices today, after advertising on them enormous acceptance! Successful advertising decreases the price of goods.

### WE SEE BLACK!

Monday morning at a called assembly Crowell High School really saw black! It was all in the sweaters that 26 of Crowell football players received. After a short talk by Mr. I. T. Graves they were presented to the boys by Mr. Graves and Coach Graves. After this presentation A. Y. Olds, captain of '40 team, presented Coach, in behalf of the boys, with a swank leather jacket. The captains announced for next year were Charlie Thompson and Bobby Spears.

### BOYS LIKE GIRLS WHO—

Never lose their feminine touch; don't act tomboyish. Are never late and never stand a boy up on a date. Know there is a bottom to a pocketbook. Accept gracefully such little courtesies as opening a door. Converse intelligently, with humor but without forced witticism. Are not "glamour girls." Are popular with others.

### GIRLS LIKE BOYS WHO—

Are not showoffs. Earn their own spending money. Take part in school organizations and athletics. Are well groomed. Do not hand you a "line." Have pleasant dispositions. Are well mannered, clean of speech, and mind, considerate of the feelings of others. Are ambitious for the future. Are good sports.

### CAMPUS CHAT

Have you heard? Isn't it too absolutely very and oh, so marvellous! Mr. Foster is getting married! And did you see all those blushes? I didn't think it possible!

## Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood essence by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

### PREPAREDNESS

Your income is worth more to your family than all else in the world. Insure this, your greatest asset for your family's future need. Sooner or later it will stop, from unemployment, disability, old age, or death. Plan your family's future, through Life Insurance. The sooner you plan your future, the better your future will be.  BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CROWELL, TEXAS:

Section 1. That all persons, associations, organizations, and corporations using or maintaining any telegraph, telephone, electric light or other poles, gas pipe lines, pipes and other fixtures in any of the streets, highways, easements, alleys, parks or other places within the corporate limits of the City of Crowell, Texas, shall on the last day of August of each and every year file with the City Secretary a sworn report showing the gross receipts from the business conducted by such persons, associations, organizations and corporations within the corporate limits of the said City for the preceding year ending June 30th.

Section 2. That upon the 1st day of August of each and every year every person, association, or corporation rendering the statement required in Section 1 of this Ordinance, examined by a representative of the City to ascertain whether such statement is accurate, but nothing in this Ordinance shall be construed to prevent the City from ascertaining the facts by any other method.

Section 3. That upon the 1st day of August of each and every year every person, association, or corporation occupying or using the streets, highways, easements, alleys, parks, or other public places in the City of Crowell, Texas, with poles, pipes, and for other fixtures shall as a condition to such further occupancy pay to the City annually for such privileges a rental equal to four (4%) per cent of the gross receipts received by such person, association, organization, or corporation from its business conducted in the corporate limits of the City of Crowell, Texas, for the preceding year which sums shall be paid to the City of Crowell, Texas.

Section 4. That upon receipt of the above rental by the City, the City Secretary shall deliver to the person, association, organization, or corporation paying the same a receipt for such rental, which said receipt shall authorize such person, association, organization, or corporation to use and occupy the streets, highways, easements, alleys, parks and other public ways of the City in carrying on its business for twelve (12) months from August 1st of such year.

Section 5. That the rental for the privilege of using the streets, alleys, highways, easements, and public places of the City of Crowell provided for in this Ordinance is not charged as a tax but is made for the privilege now enjoyed and to be enjoyed by such persons, associations, organizations, and corporations of using the streets, easements, alleys, and other public ways of the City in the conduct of their respective businesses; and such charges are additional to all ad valorem and franchise taxes and to all taxes of every nature whatsoever against the persons, associations, organizations, or corporations mentioned herein.

Section 6. That nothing herein is intended to relieve any persons, association, organization, or corporation of any condition, restriction or requirement imposed by any law or Ordinance of the said City of Crowell, Texas.

 Preaching second and fourth Lord's Days, morning and evening.  
 "Come now, and let us reason together, saith the Lord."  
**ROBERT McCOWN, Minister.**

**Crowell Methodist Church**  
 Some nations may be able to carry on without their churches but the American people are not constituted that way. Individuals may put on a bold front and pass the church up for years but there is always that underneath feeling that has to be reckoned with and we never feel quite right when we go our way and let the church go its way. The difficulty is not to be found in our admitting the need of our form of public worship, nor in giving our assent to the teachings of Jesus, but in pulling ourselves around to the doing the things that our better nature asks of us. Herein is the separate offense.

Section 11. The City fire marshal, building inspector, electrical inspector, City's police officers, and such other persons designated by the City, shall have power, and it shall be their duty, to examine and inspect from time to time all telegraph, telephone, electric light or other poles, gas pipe lines, pipes and other fixtures in the public places within the City for the purpose of seeing that all of same are in a safe and suitable condition, and whenever any such item is found to be unsafe or unsuitable for the purpose for which it is used, the person using, possessing or maintaining same shall be notified and required to place same in a safe and suitable condition.

Section 12. If any section, paragraph, subdivision, clause, phrase or provision of this Ordinance shall be adjudged invalid or held unconstitutional, the same shall not affect the validity of this Ordinance as a whole or any part or provisions thereof other than the part so decided to be invalid or unconstitutional.

Section 13. That the fact that telegraph, telephone, electric, and gas companies have been occupying and using the streets, easements, alleys and other public ways of the City of Crowell, Texas, for many years without the payment of rent for such use creates an emergency, and this Ordinance shall take effect immediately upon its passage, approval and publication required by law.

Passed and approved this 23rd day of December, A. D. 1940. (SEAL)

test of one's worthiness of God's blessings; i. e., can he make himself listen to, and obey, the word of the one who holds the world's destiny in His hand. Man's destiny is determined at the point of personal choices.

It is a delight to meet our friends at church and face up to life from the constructive viewpoint. People in Crowell are going to church, rain or no rain, possibly it would be more nearly correct to say, rain, or more rain. No one has melted, nor have heard of anyone becoming seriously ill from exposure to church. We are delighted through the fine spirit manifested through the loyalty of the substantial citizens of our community. George, in his message to the British people at Christmas, rejoiced that the war had made "One" all peoples of England. Our churches seek to bring about just this fellowship with the American people. Why let it be of us that it took a war to make the American people recognize God as their Lord and Savior?  
**H. A. LONGINO.**

**Christian Science Services**  
 "Life" is the subject of the Lesson-Sermon which will be given in all Churches of Christ, on Sunday, January 19, 1941. The Golden Text is: "I give unto him that is athirst the fountain of the water of life freely. He that overcometh shall inherit all things; and I will be God, and he shall be my people." (Revelation 21:6, 7).

Among the citations which comprise the Lesson-Sermon is that following from the Bible: "Thou art our father, though Abraham be ignorant of us, and Israel acknowledge us not; thou, O Lord, art our father, our redeemer; thy name is from everlasting." (Isaiah 63:16). The Lesson-Sermon also includes the following passage from the Christian Science text: "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We should consecrate our lives, not to the unknown, but to the eternal builder, the everlasting Father, to the God, which mortal sense cannot imagine, nor mortal belief destroy" (p. 428).

### Our Weekly Sermon

By Rev. Kenneth S. Wuest, Member of Faculty, The Moody Bible Institute of Chicago.

**About Confession of Sin**  
Text: If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.  
This verse refers to Christians, not to the unsaved. No Christian wants to sin. But sin does enter his experience. When it is allowed to remain, his fellowship with God ceases. He does not lose his salvation, but he does lose his fellowship with the Lord.  
A beautiful illustration of this is found in John 13:10. The first use of the word "wash" is from a Greek word which refers to a bath. The second word "wash" is from a word meaning to wash part of the body. Our Lord said, "He that hath been bathed completely is bathed, and needeth not save to wash his feet."  
In the time of Christ, a Roman citizen would go to the public baths, where he would bathe completely, and then walk home through the dusty streets. Sandals were always worn, which allowed the dust to cover his feet. When he arrived home, he would have his slave wash his feet. He did not need a bath, for he stayed bathed until he reached home.  
So it is with a Christian. He was washed completely from his sins in the precious blood of Jesus at the time he accepted Christ as Saviour, and, like the Roman bather, he stays bathed until he reaches his heavenly home. But as he walks through this world, sin sometimes enters his life. He does not need to go back to Calvary and be saved all over again, any more than the Roman needed to go back to the public baths. But he does need cleansing. He must confess his sin to the Lord. That means he must take the same attitude toward that sin that God does. He must put it away, and resolve never to commit it again. Then God will cleanse him, and his fellowship with Christ will be restored. We must be careful to keep sin out of our lives in order that we may enjoy fellowship with our Lord.

### 20,500 Youths Leave NYA for Private Work During Last 6 Months

Austin.—During the past six months 20,500 youths have left National Youth Administration Projects in Texas for jobs in private industry, military service, and other types of employment, according to J. S. Kellam, state NYA administrator.  
This rapid turnover, Kellam said, is making way for other boys and girls who are unemployed; between the ages of 16 and 24, inclusive; out-of-school; and who need the work experience provided on NYA Projects.  
On NYA Projects in Texas 22,621 boys and girls now are receiving work experience in manual types of work and on resident centers, local production projects, and construction projects. Peak employment of twenty-five thousand youth will be reached by Jan. 15. This number represents the beginning of the increased employment of jobless youth authorized by Congress in October with a \$32,500,000 supplementary appropriation.  
Youth applications should be presented to the nearest NYA Area office. The 22 NYA Area offices in Texas are located in Amarillo, Lubbock, Wichita Falls, Fort Worth, Eastland, Dallas, Waco, Palestine, Mt. Pleasant, Marshall, Lufkin, Brenham, Beaumont, Houston, San Angelo, El Paso, Austin, Crystal City, San Antonio, Cuero, Robstown and McAllen.

who knows only one thing in life is apt to be bored with life. If you are interested in aviation learn something about radio. If you like football get out and support the track team as well. Life will be just that much more interesting for you. Whatever you achieve, your success will be fundamentally measured by what you yourself really are. If you have a rich, generous character, with many friends, and a warm interest in other people and a desire to be of service to them, you will be successful.  
"For thirty years we in Scouting have been preaching participating citizenship. We have been attempting through the program of activities to develop skills, with the motto be prepared, to develop citizens physically strong, mentally awake and morally straight," writes Dr. James E. West in an editorial in Boys' Life magazine.

**New Magazine Started by Historical Ass'n.**  
Austin.—The Texas State Historical Association, oldest learned society in Texas, issued the Vol. 1, No. 1, copy of its new magazine, The Junior Historian, on Jan. 11. Professor Walter Prescott Webb in the leading editorial, "Salute to Youth," states that the new publication is "devoted to the history of Texas, as discovered and written by young people."  
This new magazine is inaugurated to provide an outlet for the historical writings of high school and younger college students. It enters a field not covered by any present Texas publication and serves to supplement the work of the Southwestern Historical quarterly, which has now been published in Austin for forty-four years by the Texas State Historical Association.  
The Junior Historian appears in an original cover designed by Professor Walter T. Rolfe. The leading article is "Uncle Ed Takes the Trail," by Frankie Music, of Paschal High School, Fort Worth. This article won first prize in the 1940 Junior Historian's writing contest. A Texas Ranger story is written by George Ann Kirby of Ozona High School. This story deals with Captain James B. Gillett, well-known author, ranchman and ranger.  
Another feature of The Junior Historian is the announcement of the Texas State Historical Association plans to send school children of high school and lower-level college age in large buses on tours covering the major historic points in Texas. Guide service will be drawn from persons specially trained in Texas history.  
H. Bailey Carroll, editor of the new magazine, states that any young person in Texas is invited to contribute historical material to The Junior Historian.  
**THIRTY YEARS OF SERVICE TO OTHERS**  
Dr. James E. West, Chief Scout Executive of the Boy Scouts of America, speaking at a breakfast attended by Washington digni-

ties given in his honor said: "Gentlemen, my heart is stirred as we meet here this morning for breakfast in this room because it brings back many associations, and one in particular involving this very place—the Senate Restaurant. I remember my first visit here. I was a lad of fourteen, on crutches, very much underweight. My hair cut close to my head, and I was unattractively dressed. With great timidity I approached what was then the counter in the Senate Restaurant, got up on a stool, laid a nickel on the counter—all the money that I had—and with a great deal of anxiety asked the genial colored man behind the counter to give me what I could get the most of for that nickel. He smilingly sized up the situation and, believe it or not, for that nickel he gave me an extra large glass of milk, a huge doughnut and a great hunk of cheese."  
Commenting on this story in his feature article "Thirty Years of Service to Others" appearing in the January issue of Boys' Life, Irving Crump says: "But James E. West was hungry for more than food, for when he returned to the orphan asylum, which was

then his home, he resolved that some day every boy who came within the sphere of his influence should have the opportunities and educational advantages he so much desired himself." That resolution was not forgotten but took shape in the "Program of character-building and citizenship training of the Boy Scouts of America."  
New York heads the list in motor vehicle registrations with 2,655,733 automobiles and trucks in operation. California runs a close second in the registration race with 2,606,590 motor vehicles. And not far behind is Pennsylvania with 2,054,787 cars and trucks.

**THERE'S REJOICING AT THE JOYCES!**

In spite of the big reduction in electric rates in recent years, many folks say their bills have not been reduced. In many homes that is true because today people are using bigger lamp bulbs, they have radios, refrigerators, washing machines, and in many cases ranges and water heaters they didn't used to have. Their bills are about what they've always been, but today they get from twice to three or four times as much Electric Service for their money. For example, in 1928, \$5 bought about 20 kilowatt-hours but today it buys 100 kilowatt-hours, or five times as much for your money.

### Announcement of Marriage Made at Tea Given Friday

Mrs. Clint White and Mrs. Moody Bursley were hostesses at the White home on Friday afternoon at a pretty tea to announce the marriage of Mr. and Mrs. White's daughter, Miss Joyce White, to Donald Drake of Quanah.

Mrs. Bursley, assisted by Barbara White, sister of the honoree, received the guests at the door. Mrs. Charles Ferguson directed them to the register where Mrs. Hines Clark presided over the bride's book.

From the register they were invited by Mrs. Ferguson into the dining room where tea was poured by Mrs. A. Y. Beverly from a beautifully appointed tea table with a lovely arrangement of snap dragons, chrysanthemums and sweet peas in colors of pink and white. An especially interesting feature of the dining room appointments was a beautiful Dresden china tea pot from which the tea was poured, it being an heirloom of Mrs. White's family. A miniature bride and groom placed in front of the flower arrangement, suggested the marriage secret. Tall, white lighted candles on table and buffet shed a soft light over the room. Miss Theda Wright and Bettie Stinebaugh served the tea with sandwiches, cookies, mints and nuts. Mrs. Lynn McKown also assisted in the dining room. On each plate was a tiny scroll tied with pink and white ribbons which bore the announcement, "Joyce-Donald, Sept. 13."

After leaving the dining room the guests were presented to the receiving line in the living room, which was composed of Mrs. White, Mrs. Donald Drake and the groom's mother, Mrs. Don Drake, of Quanah. The grandmother of the bride, Mrs. J. A. White, of Crowell and the grandmother of the groom, Mrs. J. T. Baker of Goodlett, were introduced to the guests by Mrs. T. B. Klepper.

Miss Thelma Lois Moore and Mrs. Arnold Rucker played piano music throughout the reception hours. The rooms were attractively decorated with pink and white cut flowers.

Other members of the house party included Mrs. Joe Baker of Quanah, Mrs. Homer White and Mrs. Grover Cole.

Out-of-town attendants at the tea were Mrs. Frank Elton, Mrs. P. D. Gillpatrick, Mrs. Bob Gilmer, Mrs. E. R. Barbee, Mrs. D. C. Tyler, Mrs. Clarence Davis and Mrs. Jake Roberts, all of Quanah.

### Party Given to Celebrate Birthday

Mrs. J. T. Billington observed the 12th birthday of her daughter, Billie, with a party at the home last Friday afternoon from 4 to 6 o'clock.

She used a pink and green color scheme and the pretty birthday cake centered the dining table. It was white and held pink candles in green holders and the words, "Happy Birthday, Billie." Billie received numerous gifts.

Indoor games, conducted by June Billington, Marjorie Davidson and Margaret Claire Shirley, were enjoyed by the guests. Pictures were taken of the group.

Billie cut the birthday cake which was served with sandwiches, potato flakes, mints and pink fruit punch to the following guests: Bettie Jean Seale, Larue Graves, Sharon Sue Haney, Janet Roark, De Alva Thomas, Rebecca Ross, Kathleen Eddy, Jo Favor, Joe Harris Seales, Larry Dan Campbell, C. D. Campbell, Horace Todd and Gloria Ruth Billington. Mrs. Billington was assisted in serving by her daughter, June, Marjorie Davidson and Margaret Claire Shirley.

### Marriage of Miss Joyce White, Donald Drake Announced

The marriage of Miss Joyce White to Donald Drake, of Quanah took place on Sept. 13, 1940, at Frederick, Okla., and was announced here last week. The couple was attended by Mr. and Mrs. Billy Knight of Quanah.

Mrs. Drake is the daughter of Mr. and Mrs. Clint White and has been reared to young womanhood in Crowell. She graduated from Crowell High School in June, 1940, and attended Texas Technological College in Lubbock for the first half of this school year.

Mr. Drake is the son of Mr. and Mrs. Don Drake of Quanah. He was born in Huntsville, Ala., but came to Quanah with his parents when he was quite young. He attended the Quanah schools and was a member of the High School Senior class of 1940-41.

Mr. and Mrs. Drake have established their home in an apartment in Quanah.

### BIRTHDAY CELEBRATION

On Thursday of last week, Mrs. Clyde Cobb and Miss Maymie Teague honored their mother, Mrs. L. Kamstra, on her 62nd birthday by inviting a number of her friends and neighbors in for an all-day party.

Mrs. Kamstra was the recipient of many birthday remembrances. The ladies spent a part of the day in quilting a quilt for the honoree.

A lovely dinner was served at the noon hour. Those who were present on the pleasant occasion follow: Mrs. Kamstra, Mrs. J. K. McBeath, Mrs. J. L. Kinchloe, Mrs. Charlie Bryson, Mrs. B. F. Ringgold, Mrs. Earl Moody, Mrs. Claude Nichols, Mrs. Grover Nichols, Mrs. J. H. Olds, Mrs. John Nichols, Mrs. Grover Cole, Mrs. Joe Drabek, Mrs. Lewis Ballard and the two hostesses.

### CROWELL GARDEN CLUB

The Crowell Garden Club met Friday afternoon at 3 o'clock in the home of Mrs. R. L. Kincaid. The following officers were elected: Mrs. Vance Favor, president; Miss Frankie Kirkpatrick, vice president; Mrs. Ernest Spears, secretary-treasurer.

The club voted to supervise the City Park. The City Council recently agreed to turn the park over to the Garden Club for its supervision. Work will be begun on this project in a short time.

Mrs. John Carter was leader of the program. She discussed "Roses for American Gardens" in which discussion she stated that the six roses which have been approved for the South are: Pink Radiance, Red Radiance, Luxembourg, President Hoover, Etrole D. Holland and Talisman. The two-year-old budded roses are best for planting and will bloom more quickly. Roses require an acid soil, and sulphur may be used to produce the acid condition by working the sulphur around the roses.

Mrs. Floyd Marshall brought an interesting lesson from Conway's book on "Flowers for the Home." She says we must select and use flowers and colors according to the type of house. If one had an English type house, then the English type of flowers and colors should be used. The English type calls for flowers ranging in color, purple, red and red going into blue.

The flowers used in a Spanish type house should be cardinal red and deep yellow ranging to red orange.

In the Colonial type of house the pastel colors should be used in flowers, as light pink, light blue, light lavender. In a small cottage, the light colors in flowers, such as pink, orchid and purple should be used.

### COLUMBIAN CLUB

On Wednesday afternoon, Jan. 8, members of the Columbian Club enjoyed the first meeting of the year with Mrs. H. Schindler hostess.

Roll call was answered with suggestions for next year's study programs, and many good ideas resulted. The election of officers for the ensuing year was the main feature of the business session, and Mrs. Hines Clark was elected as the new president. Other officers elected were: Mrs. S. T. Crews, vice president; Mrs. T. B. Klepper, recording secretary; Mrs. Grady Halbert, corresponding secretary; Mrs. H. Schindler, treasurer; Mrs. C. W. Thompson, parliamentarian. The executive board includes Mrs. M. N. Kenner and Mrs. T. L. Hughton.

In the program Mrs. Clark gave the gist of the Federation news. Mrs. R. L. Kincaid, as leader, gave a re-hash of the 1940 news of the year, and these all pertained to the war except the nomination and election of President Roosevelt for a third term. Mrs. Kincaid also told of her visit to Henry Ford's new project, Greenfield Village. This village, consisting of a 200-acre plot and was begun primarily for the recreation and education of Ford employees, but also preserves early American architecture, and to show by contrast the progress of industry, the arts and education.

Mrs. N. J. Roberts, who in March, 1940, reviewed "Women leaders in various fields of activity," on this program called attention to the changed status of the majority of these women.

The hostess served lovely refreshments and had as a guest Mrs. J. R. Beverly.

### ADELPHIAN CLUB

The Adelphian Club met Jan. 8 with Mrs. Q. V. Winningham as hostess. Mrs. A. Y. Beverly was program leader and introduced several guest artists. The first was a musical skit by John Thomas Rator and Paula Plunkett, accompanied at the piano by Mrs. Arnold Rucker.

Mrs. A. D. Campbell reviewed "Embezzled Heaven" by Frank Werfel. Mrs. John Rator gave interesting points on the life of this Austrian writer. The book is one of originality and very different from the usual novel. There is no young and pretty heroine, but instead the heroine is a seventy-year-old cook, who is really very ignorant. Her main thought in life is getting to heaven and she thinks she can buy her place there.

Mrs. H. A. Longino sang, "Morning," accompanied at the

## Over 100 New Subscribers Have Been Added to List Since Bargain Days Started in Fall

In checking over the list of renewals and new subscribers this week The News' staff was thrilled to find out that over one hundred new subscribers had been added in the last two months. The prompt attention to renewals and the addition of new subscribers during the fall months and up to the present time is a source of satisfaction for which we are very thankful. It is hoped that every reader of the paper attends to this important matter in the next few weeks and that many more new subscribers, whose subscription would mean much to the progress of the home paper, may be added to the list of regular readers. If this wish could come true, it would give The Foard County News the largest paid-up subscription list it has had in many years. Twelve hundred papers are printed each week. Clubbing rates with the Wichita Falls dailies are still in effect.

### FROM JOE COUCH

A letter was received this week from Joe Couch of Vernon, who is confined to a hospital with a broken hip. Mr. Couch received this injury on Dec. 15 when he slipped and fell on the icy side walk and has been in the hospital since that time.

The following message to Foard County friends is contained in Mr. Couch's letter: "Many days are yet to follow in the hospital. It takes time and patience to recover from a broken hip. The doctor says the cast that has been on five days must remain two and one-half months and, with the best of care, it will possibly be April 15 before I can walk as usual. Let me pray that every citizen of Foard County may be spared this painful tragedy."

## DOES FORD PAY GOOD WAGES?

### HERE ARE SOME FACTS about Ford Labor.

During the year ended November 30th, 1940, the Ford Payroll throughout the United States averaged 113,628 hourly wage earners, not including office employees, students, or executives. They were paid \$185,105,639.12. On this basis, the average annual wage was \$1,629.05.

According to the latest available government figures, the annual average wage of all workers in employment covered by old age insurance law was \$841.00.

If the 45,000,000 workers of this country received the same average wage as Ford employs, they would have had additional wages of more than \$35,000,000,000, thus increasing the national income about 50%. Think what such an increase would mean to the workers of this country and to the American farmer, whose prices are based on the national income.

Wage scales in the Ford Rouge plants are divided into three classifications:

Unskilled . . . Minimum hiring wage . 75c per hour

Semi-skilled . . . Minimum hiring wage . 80c per hour

Skilled . . . Minimum hiring wage . 90c per hour

Higher wages are in consideration of ability and years of service.

Minimum wage scales for unskilled labor at the Rouge plant are the highest in the industry. Top wages for skilled labor compare favorably with, or are higher than, wages in other automobile plants.

Now some facts on Ford labor conditions:

Not only are sanitation and other health conditions the best in the industry, but Ford also leads in safety devices for the protection of employees. Proof of this is found in the following com-

parison of compensation insurance costs:

The national average rate in automotive manufacturing plants as computed by the National Association of Underwriters is in excess of \$1.50 premium on each \$100 payroll. The Ford cost of workmen's compensation is less than 50c.

This indicates that the chance of injury in a Ford plant is much less than in the average automobile plant.

The Ford Motor Company has no age limit for labor, and in fact deliberately attempts to keep older workers working. The average age of Ford workers at the Rouge and nearby plants is 38.7.

A recent check-up shows that nearly one-half the workers at these Ford plants were 40 or over, falling into these age groups:

25,819	between 40 and 50
14,731	between 50 and 60
3,377	between 60 and 70
417	between 70 and 80
12	between 80 and 90

In addition to the so-called regular employees, the Ford Motor Company has hired, and now has on the payroll, at the same regular hourly wage, thousands of workers who are blind, crippled or otherwise incapacitated for normal productive work. They are not selected for their ability to build cars or to maintain the plant. They are on the payroll because of Henry Ford's belief that the responsibility of a large company to labor goes beyond the point at which the unfortunate worker can no longer produce profitably.

The above are facts. They are open to anyone who really wants to deal in facts. Anyone who wants to get a job . . . buy a car . . . or place a national defense contract on the basis of fair labor treatment must place Ford at the top of his eligible list.
