Bond Election for Hospital Equipment Called for Saturday, March 8

A petition signed by more than one hundred qualified, taxpaying voters asking the Commissioners' Court to call an election to determine whether or not bonds in the amount of twelve thousand, five hundred dollars (\$12,500.00) should be issued to equip and complete the Foard County Hospital was presented to the Commissioners' Court late last week.

Acting favorably upon this petition, the Commissioners' Court in accordance therewith entered an order calling for such an election to be held on Saturday, March 8, 1941, and the notice for such election appears on page 6 of this issue of The News.

Cost of Equipment

According to information received from the committee composed of Dr. J. M. Hill, Dr. Hines Clark, and Clyde Graham, hospital board representative, and Judge Leslie Thomas, as a representative of the Commissioners' Court, equipment and supplies for the hospital, not including the X-Ray machine, would cost approximately \$4,133.60. The X-Ray machine would cost approximately \$2,000.00; woolen and cotton blankets, pillows, pillow cases, sheets, towels, bath towels, furniture for the lobby, dishes, refrigeration unit, stove, utensils and multiple other small but necessary items would cost approximately \$962.00, according to a release from the commissioners' court this week.

Hospital Fund

In addition thereto, no hospital maintenance fund having been set up to take care of the maintenance of the hospital, it was decided that an amount of \$2,400 should be set up for operation expenses for the first twelve months in order that the hospital may have an ample opportunity to determine whether or not it will be of such a nature financially as can be carried on.

It is not anticipated by the board nor the court that all of the \$2,400 will be needed for such operation, but in the event such an amount is not used for actual operation expenses, it can be used to assist in defraying the bonded indebtedness. In addition, as has been previously explained in The News, around three thousand dollars has already been expended in the hospital in addition to the original bond issue and it is necessary that this amount be returned to the funds of the county in order that such funds will not be short of their needed quotas.

It is the desire of all concerned, that the people of the county shall be apprized fully of the hospital project, as to what the (Continued on Page Five)

Plans to Build Cemetery Sexton's Home Encouraged

Those who are working on the project of building a rock veneer home on the Crowell Cemetery property for the use of the sexton and his family are meeting with much encouragement, according to Mrs. N. J. Roberts, president of the Cemetery association.

The following report was released by Mrs. Roberts Wednesday:

Mention was made in the last two issues of The News that plans were being set in motion to build a sexton's home at the cemetery. At the meeting on Feb. 10, committees were appointed and they immediately began work on their respective duties. Mrs. A. L. Backer, Mrs. Pearl Carter and Mrs. C. C. McLaughlin, are mailing cards to out-of-county friends who might be interested in this building program, these names having been secured from W. R. Womack's records.

Claude Callaway, Mrs. F. A. Davis and Mrs. Paul Shirley were named as the county finance committee and they report that already several substantial gifts have been received. These will be listed in an early edition of The News.

They are not accepting any "desperate attitude," Mrs. Roberts stated.

Property Owners Owing Delinquent County Taxes Requested to Make Some Arrangement to Pay Them

The county attorney, under instructions from the Commissioners' Court, is now busily engaged in preparing delinquent tax statements which will be mailed out in the near future, according to information released Wednesday.

As shown by the auditor's report last week the financial condition of the county demands that delinquent taxes be collected and the report from the tax collector's office asserting that 83.45 per cent of the 1940 taxes have already been collected, gives added impetus to such demand.

It is not the intention of the Commissioners' Court to place any undue burden upon any taxpayer but it is the express intention of the Court that delinquent tax payments be made, and that some arrangement be made by a delinquent taxpayer whereby his delinquent taxes may be liquidated.

This may be done by a down payment, supplemented with regular monthly payments, and any taxpayer who does make pointed effort to pay his taxes by making monthly payments with strict regularity can be assured that no undue burden will be placed upon him.

He will be in Crowell the first Wednesday of each month and can be located at the welfare office in the Ringgold building.

Mr. Baugh comes from Waco, and has had four years experience in old age assistance work.

Mr. Owen also makes a visit to Crowell each month to certify the county welfare cases as well as old age assistance. He stated to a News representative that approximately \$1,250 is distributed to 90 old people in Foard County each month.

More Mattresses Allowed to Low Income Farmers

Changes in qualifications for mattresses being obtained by low income farm families were announced here Wednesday by A. V. Sheppard, administrative officer.

The qualifications are now that a low income family with three members may receive two mattresses, as before they were allowed only one. Families with five members can now receive three mattresses instead of two.

Mr. Sheppard announced that any family with three members which applied for and received one mattress last year, may now place its application for another mattress, and a family of five which received two mattresses last year may apply for another mattress, also. Applications should be made as soon as possible at the local office.

There has been some negligence in reporting to the mattress center in Crowell on the day designated by the Crowell AAA office, and in the future all are urged to report on the day they are assigned. A fine of twenty-five cents per mattress will be assessed to all those who fail to report at their designated time, or failure to notify office before hand.

Sixth Quota to be Filled March 14th Takes No Foard Men

All of the F. F. The banquet will be served by the ladies of the Methodist Missionary Society.

The county AAA office will soon be finished with checking compliance on wheat, and in plain-metering the farms, it has been found that a large number have over-planted their allotment from one to three acres which can be destroyed and the farm will be in compliance with the 1941 wheat program, according to information received from A. V. Sheppard, administrative officer.

There will be a charge of one dollar for the first plot rechecked and fifty cents for each additional plot. This charge is paid by each individual operator, rather than by all of the farmers of the county.

All WPA Workmen in County to Receive Work Cards Soon

There will be no unemployed laborers in Foard County after the next few days, according to Judge Leslie Thomas, who stated that men would be issued work cards in order that workmen can go to the Wichita River bridge project and to other projects in the county.

When the river bridge project was first anticipated, the Commissioners' Court agreed to furnish all the WPA labor necessary for the work. In order to meet this demand, a project in Precinct No. 1 was recently closed down so that the workmen could be transferred. In order that they could be transferred to the project, it was necessary that the workmen be issued "403" cards, which meant notification of a lay-off.

As soon as possible, and as fast as possible, these men with the "403" cards will be issued work cards and assigned to the bridge project, or to some other project in the county.

A great percentage of the taxes assessed last year in Foard County were paid before Feb. 1, 1941, according to reports from the tax collectors in Crowell.

State and County

Sheriff A. W. Lilly, county tax assessor-collector, reported that 83.45 per cent of the taxes charged to the current rolls were collected, which represents a collection of \$77,965.20 of the \$93,428.26 in taxes levied on the rolls. A total of \$15,463.06 in taxes became delinquent on Feb. 1.

Of the total amount of collections, \$56,177.24 were collected in county taxes, representing 84.29 per cent of the county taxes assessed on the current rolls. A sum of \$10,469.01 in county taxes became delinquent on the first of this month.

Of the \$26,782.01 state taxes charged on the current rolls, \$21,787.96 were collected for a percentage of 81.35. Approximately \$4,994.05 state taxes became delinquent this year.

Mr. Andrews also reported that \$907.42 delinquent taxes were collected from Sept. 1, 1940, to Feb. 1, 1941.

The people of the county wanted an outstanding rodeo for the Foard County Golden Anniversary Jubilee to be held in Crowell on April 27-28-29, and they got just what they had been seeking when the board of trustees of the Crowell Independent School District signed a contract with Lynn Beutler and Monte Reger of Elk City, Okla., to bring their rodeo to Crowell for the last two days of the celebration, Monday and Tuesday, April 28-29.

Canada has 32 schools for training airmen. Canada is making plans to turn out 25,000 airmen each year. If England can hold out until spring her dominions will furnish so many airmen and planes that, like the grasshoppers in Kansas in the early days, they will shut out the sun.

furnished all other ex-soldiers in the near future.

The first part of the questionnaire is largely devoted to general information about the veteran, such as Legion membership, home address, number of dependents, education, branch of former war service. The question of the age of the registering veteran is not included in the desired information, due to the fact that there is no age restriction involved in possible anticipated service, if the individual is in reasonably good health.

The more important national defense capacities are covered in the first part of the questionnaire, such as police or fire experience, interpreter ability, as well as type of present vocation and name of employing firm.

"Present Military Status" will apply generally to those who are now in regular forces, organized reserves, national guard, coast guard or state guard groups presently being organized to replace the National Guard.

Under the heading of "Availability for Service" a general statement will be made by the registrant stating his present willingness and ability to respond either immediately or after some period of notice to the request to undertake national defense capacities for which he has expressed

himself in other parts of the questionnaire as being qualified.

1941, met in regular session from the 17th day of February, A. D. 1941, and worked for one full day. We respectfully herewith submit the following report:

"We have carefully investigated into all law violations that have been called to our attention and from our investigation we have returned three true bills, to-wit:

"State of Texas vs. H. L. Groves, charged with perjury.

"State of Texas vs. Andrew Howard, charged with arson.

"State of Texas vs. Bill Selby, charged with burglary.

"We would further show the court that we have passed two cases for further investigation and returned two 'No Bills.' "We wish to commend the Sheriff's Department together with the County Attorney for their work in preparing and presenting cases to the Grand Jury. Although violations have been at a minimum, they are due commendation for their assistance and co-operation in keeping down and preventing law violations throughout the county.

"There was also an inspection made of the jail by the Grand Jury and we found it to be well-kept and in a sanitary condition. We recommend that the jail be painted on the inside.

"There being no further business coming to our attention, we respectfully pray the Court that we be discharged for the term.

Crowell Wildcats and Thalia Tigers Divide Games in Unofficial County Championship Series Played Last Week

The Crowell Wildcats and the Thalia Tigers divided games in the two-game series for the unofficial championship of Foard County. Crowell won the first game played here Thursday night, 23-22, after going into the extra period, and the Tigers turned on the power to take the next game played Friday night at the Thalia gym by a score of 20 to 13.

Crowell Wins First

In their first meeting, the Wildcats took the lead early in the first period and were ahead, 7-4, at the close of the initial quarter. The Tigers rallied in the second stanza and gradually overtook the Crowell lads. Thalia took the lead late in the second period and were leading 12-9 at its close.

Crowell's cagers rallied early in the second half and took the lead at 13-12 but lost it back to the Tigers before the rest period and were behind 19-15 as the game went into the last frame. The last quarter was all the Wildcats' as they outscored the Tigers, 6-2, to knot the game at 21-21 at the end of the regulation playing time.

In the extra 3-minute period, Davis, Crowell center, looped a field goal to finish the Wildcats' scoring, and Long, Thalia forward, sunk a free shot to set the score at 23-22.

Roark and Flesher, Crowell guards, fouled out of play in the extra period.

Wildcats Drop Dragons by 48-21 Score

Turning on full steam, the Crowell Wildcats blasted the Dragons, 48-21, in their practice game at Paducah last Wednesday night.

Led by Hudgeons, forward, and Roark, guard, the Wildcats took control of the game in their first minutes and were not headed. The close of the first frame found the Wildcats out in front, 11-7. They increased their lead to 23-14 by the half time, and in the third frame found the basket consistently to hold an advantage of 40-18 at the rest period.

Coch Grady Graves sent his second string into the game for the fourth quarter and they continued to outplay their opponents. The Crowell lads rung up 8 points to the Dragons' 3 to set the final score at 48-21.

Hudgeons, Crowell forward, carried off scoring honors with 16 points and Stewart, Dragon forward, placed second with 10 points.

VIVIAN H. D. CLUB

"In setting out shrubbery, be sure of size and color," said Miss Joellene Vannoy, home demonstration agent, to the Vivian Home Demonstration Club which met with Mrs. R. S. Haskew Thursday, Feb. 13.

"All shrubs should be set at least three feet from the building," continued Miss Vannoy, "and shrubs which grow tall, should not be placed under windows, as they will cut the light properly pruned."

The club voted to sponsor a concert by the Stamps-Baxter Lone Star quartet in the very near future.

Among those present were two visitors, Mrs. A. L. Walling and Miss Joellene Vannoy.

Mrs. W. C. Golden will be hostess to the next all-day meeting with a demonstration on preparing and serving pork dishes. This meeting will be Thursday, Feb. 27.

Thalia Wins Second

Determined to even the series and to give their home fans a treat, the Tigers launched a fast offensive which carried them to a 20-13 victory over the Wildcats in their second meeting.

Each club had difficulty in breaking the other's defense and the first period closed with Thalia in front, 4-2. The second period was played on the same terms as the first and the half found the Tigers still leading 8-4.

Both quintets stepped up their offensive in the third period, but Thalia continued to pace the fracas and were enjoying a 16 to 9 lead at the rest period following the third frame. The heated battle continued throughout the last stanza but the Tigers were still able to come through with scoring honors and left the floor with a 20 to 13 victory.

Both the Tigers and the Wildcats will represent Foard County at the district meeting in Chillicothe which starts today, so a third game between the teams for the unofficial championship of the county will not be played.

Dragons Dazzle Wildcats With 31 to 24 Score

Smartering from a lopsided defeat handed them on their home court by the Wildcats last week, the Paducah Dragons invaded the Crowell gym Monday night to drop the local dribblers by a 31 to 24 score in the last home game of the season.

The Wildcats, playing without their spark plug guard, Alton Roark, showed signs of this outstanding weakness in the first period, but managed to hold the lead during the greater part of the first period, but were trailing 7-5 at the end of the first quarter.

Led by Biddy, forward, the Dragons started a methodical offensive that increased their lead to 17-12 at the half. The visitors continued to increase their lead and at the last rest period, they were out in front 24-16. It appeared as though the last quarter would also go to the Dragons, but the Wildcats came to life to close the gap and the final score was set at 31-24.

Omaha, Nebr., Feb. 10, 1941. T. B. Klepper, Editor, Foard County News, Crowell, Texas. Dear Sir:

So many people living in various parts of the United States have asked if my wife and I will attend the Golden Anniversary Jubilee to be held in Crowell on April 27-28-29. My wife (Minnie Ringgold) will leave Omaha via train on March 30th and come to Crowell, visiting relatives and friends before the anniversary. I will drive Omaha on April 27th and drive to Crowell and spend the 27-28-29 there, visiting with those friends that are still living that I knew 31 years ago in Foard County.

After the celebration is over the wife and I will drive to Alexandria, La., visiting my sister there, then going to McComb, Miss., where on May 4th we have a family reunion. We expect to go to Meridian, La. Hutsick, Little Rock, Mo. St. Louis, Kansas City and to Omaha.

This will be the first time my wife has ever visited my relatives, or has ever been on the Mississippi River. Plans have been arranged for many things at each of the towns we expect to make it a happy occasion. We will be seeing you in William E. W.

District Meet—

(Continued from Page One)

team in the first round, and if they win that they will meet Memphis' quintet which drew a bye in the preliminaries. If the Tigers can get by Lakeview and Memphis, they will meet the Wildcats in the semi-final round to determine which would go into the final game.

Thirteen teams will be playing for the championship of the district during these two days and the clubs participating will be divided into two brackets, which are as follows named in the games for the first round:

Upper Bracket
Childress, bye; Matador and Paducah; Silverton and Quail; and Shamnorwood and Quanah.

Lower Bracket
Crowell, bye; Kings and Carey; Lakeview and Thalia; and Memphis, bye.

The semi-finals will be played at 10 and 11 o'clock Saturday morning and the championship match will be played at 8 o'clock Saturday night.

As the two Foard County teams go to the tournament, it is difficult to guess just how far toward the finals they will go. Both have pretty impressive records, but both have played inconsistent basketball at times during the season, and if they hit this slump at the meet, their chances of advancing very far will be endangered.

Crowell has played 22 games this season and won fifteen of them. The Wildcats have downed some of the outstanding teams of the section, such as, Vernon, Quanah and Childress, in Northwest Texas Basketball Conference games, and won the Seymour tourney. But they have also played inconsistently at times, as was shown in the Paducah game here this week. The Wildcats finished in third place of the "Big Six" race.

The Tigers have played 15 games this season and won 11, and copped second place in the Tri-County League. They have played more consistently than the Crowell team, but still have shown signs of breaking up under pressure, as was shown in their first game with Crowell and the Five-in-One game at Thalia Tuesday night.

Mr. and Mrs. C. C. Fox returned home Saturday from a visit of several weeks with their children, Mr. and Mrs. Crockett Fox and Mr. and Mrs. A. L. Johnson, of Houston.

Leonard Male of New Orleans, who is with the United States Health Department, spent the week-end with Dr. and Mrs. Hines Clark.

Mr. and Mrs. Oscar Nelson of the Vivian community were called to Ambur, Okla., last week on account of the serious illness of Mrs. Nelson's mother, Mrs. W. W. Stout. Their small children, Geneile and Merl Lynn, are staying with Mr. and Mrs. T. W. Cooper.

CAMPUS CHAT

Happy Hearts! Wow! Did you know that Helen Callaway and Bill Short stepping out after Freshman party Thursday night? Hey, kids! You're not doing bad! You make a cute couple, don't you?
 Joe Wells and Roy Johnson are really sorry! He is moving to Weir, kids, in case you didn't know.
 Have you seen how sweet R. J. Johnson and Wilma Faye Carroll getting in (censored). Boy, that valentine Wilma sent him is a honey!
 And did you know that Roy Johnson had a crush on Betty Johnson? I'll say! His heart is an open book!
 Mary Edwards spent the week-end in Wichita. (Don't get the wrong impression! She went to her aunt!)
 Speaking of travels, Margaret Shirley and Yours Truly, Editor of this paper, journeyed to Abilene last Sunday, visiting the army camp under construction there and finding that you could not enter without a pass. Margaret Claire murmured to the guard, "Shoot, and we're going in and play with the

little boys!"
 Personal to Jimmie Williams from Marjorie Davidson: "The feeling is mutual!"
 Evelyn Jean Scates was doing all right last Friday night after the Sophomore party. She was riding around with Vernon Garrett.
 You should have seen the lovely Valentine that Shorty Roark gave to Virginia Thomas at the Junior party. Hmm, can this be getting serious? I hope!
 A. Y. Olds is still squiring that cute black-headed Sophomore around town!
 Several CHS students celebrated their birthdays on Saturday. Among the celebrators were Evelyn Flesher, Marjorie Davidson, and Billie Diggs.
 Yoanne Weaver is too pretty to be walking around in mid-air. Why don't some of you boys hoot on to her? (Scared?)
 Betty Kimesy looked very lovely at the Christian Education Service at the Baptist Church on Sunday. All the Seniors were there!
 Roy Joe Cates really drives the wheels off that queen car of his. It's surprising that he never shares it with a girl. (Or does he?)
 Well, good bye—don't go away, because I'll be back next week.
 KITTY.
STRANGE FACTS ABOUT NICE PEOPLE
 John Thomas Raser is not so pesky as has been said. He is cute just to the right point.
 Clonita Russell is not so timid as you think. She is one more sweet girl when you get to know her.
 Billy Klepper is not so studious as you think, since he uses all his good common sense in some of his lessons.
 Beverly Hughston does not fit

the suggestion given by her red hair that she is hot-tempered. She is peppered just to the right taste.

Ralph Flesher is not so flippant as you think, he is a genius in V. A.
 Maxine Johnson is not so queer as you think, she is really a girl who will give everlasting friendship.
 Jimmie Cates has a hidden talent. I can see it shining through his curly hair.
 Miss Cogdell is a history genius. If she can't answer any question that you ask her on Ancient or American history—well, I can't either. So there!

Granville Lanier Weds Quanaah Girl Sunday Afternoon

The marriage of Miss Verda Triplitt of Quanaah to Granville Lanier of Crowell was solemnized Sunday afternoon at 3 o'clock in a quiet wedding at the home of the bride's parents in Quanaah. Rev. Frank York, pastor of the Methodist Church, performed the impressive ring ceremony.

The wedding was attended by a few close friends of the bride and the families of both bride and groom.

Mrs. Lanier wore a tailored blue suit and her corsage was of red rosebuds. She is the daughter of Mr. and Mrs. Claude Triplitt. She is a graduate of Quanaah High School and took a business training course in Wichita Falls. She has, for several years, been employed in the auditor's office of the Q. A. & P. Railway in Quanaah.

Mr. Lanier is the son of Mr. and Mrs. J. H. Lanier and has been reared in Crowell. He graduated from High School here in 1926. He later attended Texas A. & M. College and Texas State University. He has been in the hardware and grocery business in Crowell since that time.

Mr. and Mrs. Lanier left immediately after the marriage for a short wedding trip to Oklahoma City. They returned Tuesday afternoon and are established in their home on Main Street, which was formerly owned by Fred Renels.

Valentine Party Given for "42" Club Members Tuesday

The members of the "42" Club, their husbands and several other guests were entertained on Tuesday evening, Feb. 11, at the home of Mrs. W. C. McKown with Mrs. McKown and Mrs. Decker Magee as hostesses.

The house was attractively decorated with hearts and valentines. The place cards were boy-and-girl valentines. Three pairs of these valentines were strung on a thread and hung on the wall, to represent the three absent members and their husbands. Small dishes of candy hearts were placed on each table and enjoyed by the players throughout the evening.

The floating "84" prize, a red heart-shaped box of candy, was captured by A. Y. Beverly.

At the close of the games, the hostesses, assisted by Ada Jane Magee, served a delicious refreshment plate.

Those enjoying the pleasant occasion were, Mr. and Mrs. Thomas Hughton, Mr. and Mrs. L. E. Archer, Mr. and Mrs. John Carter, Mr. and Mrs. Claude Brooks, Mr. and Mrs. A. Y. Beverly, Mr. and Mrs. Paul Shirley, Mr. and Mrs. Chas. Thompson, Mr. and Mrs. F. A. Davis, Mr. and Mrs. Howard Ringgold, Mr. and Mrs. Claude McLaughlin, Mrs. J. A. Johnson, Mrs. O. W. Orr, Clarence Gosden and Decker Magee.

B. & P. W. CLUB

The Valentine season was inspiration for a lovely dinner meeting of the B. & P. W. Club last Thursday evening at O'Connell's. A beautiful arrangement of red and white carnations, white candles and red hearts formed table decorations, and the place cards bore clever rhymes descriptive of each guest. Comic valentines furnished lively entertainment during the meal.

Mrs. Peyton Powers directed a movie quiz; Miss Joellene Vannoy read some timely "Advice"; and then pictures of the guests were taken by Miss Vannoy and Miss Gussie Todd. A surprise of the evening was the exhibit of baby pictures of club members, most of whom could not recognize

themselves.

Enjoying this affair were: Mrs. M. O'Connell, Mrs. Leon Solomon, Mrs. Alva Spencer, Mrs. I. Fisch, Misses Gusta Davis, Lottie Russell, Mayme Lee Collins, Alma Walker, and the hostesses, Mrs. Powers, Miss Vannoy and Miss Todd.

The birthday cake was in pink and white with the words, "Happy Birthday—Ruth Ann," across the top. It was served with ice cream to the following guests: Glen David Jobe, Rosemary Cates, Neva Lee Potts, Joline Lanier, Charles Waters, Jean Hughton, Jana Jones, Carol Ann and Bud Hamilton of Electra, John Franklin Hutchinson and Ruth Ann. Mrs. Charles Jones was also present, as was Mrs. Jennie Brown, Ruth Ann's grandmother, of Electra.

FOARD CITY H. D. CLUB

"Crepe Myrtle is often pulled up for dead when it is actually still alive," Miss Joellene Vannoy told the members of the Foard City Home Demonstration Club Tuesday at a meeting of the club at the home of Mrs. J. R. Merriman. "Bermuda grass will grow without water, if it is well set and watered when planted," continued Miss Vannoy. She also said flowering willow will grow in the driest and hottest locations.

In the absence of the president, the meeting was presided over by the vice president. A round table discussion on country homes with landscaping was participated in by members and one visitor, Mrs. R. J. Owens. The next meeting will be at Mrs. Merriman's Tuesday, March 4.

Rubinoff to Appear in Vernon Friday, February 28th

News of importance to local music lovers was announced this week by the Vernon Optimist Club which has completed arrangements to bring Rubinoff, famous conductor, composer and violinist, and his \$100,000 Stradivarius violin to Vernon for a concert presentation of popular classical music at the Vernon High School auditorium on Friday, February 28.

Breaking a precedent of seven years, during which time he was featured on nation-wide broadcasts as a conductor, Rubinoff is now touring the country offering a concert presentation of modern classics. In negotiation for the celebrated instrumentalist's local engagement, the Vernon Optimist Club believes they have booked one of the country's most popular musical attractions.

Featured on the same program will be Solita de Solis, famous Italian pianist, associate artist with Rubinoff and his violin. He is an artist of the first order, a real master who depends for his success upon the sincerity of his art. Rubinoff and Solis will offer a program of popular and classical music that is distinctive in arrangement and interpretation.

Tickets are on sale now at Huber's Drug Store in Vernon. All seats are reserved and the prices range from \$1.00 to \$1.75.

Miss Frances Henry Johnson to Make Educational Tour

Heeding Horace Greely's historic advice, Miss Frances Henry Johnson, daughter of Mr. and Mrs. W. B. Johnson of Crowell, who is a student in Stephens College, Columbia, Mo., will go west with 650 Stephens College students when they leave Columbia March 13 on the sixteenth annual education and recreational tour, according to a news release from Barry J. Holloway, director of publicity for the college. The extensive trip will carry them through fourteen western states and up into British Columbia.

The natural wonders and man-made marvels of the Far West will become the classrooms for these students during the two-week jaunt offered as part of the Stephens program of functional education. According to an announcement by President James M. Wood, the students will travel in three special all Pullman trains and will be accompanied by twenty-five instructor-chaperones, two nurses and a college physician.

It has long been the philosophy of the college that there is much more to education than can be learned from text books and lectures. With this philosophy in mind, President Wood is for the sixteenth consecutive year offering his girls a chance to travel and learn.

Off to the land of sunshine and "stars" the travelling college will head west from Columbia March 13. Early the next day the special trains will pass through the high conical foothills of New Mexico and arrive at historic old Santa Fe. There the students will visit the Laboratory of Anthropology, the old government house, several missions and the nearby Indian pueblos.

The third day of the trip will find the girls viewing the world's spectacular illustration of erosion, the Grand Canyon.

Arrival at Los Angeles is scheduled for Sunday morning when the students will attend services at the several churches and dine at the famous Miramar Hotel overlooking the Pacific. During the stay in Los Angeles the girls will be entertained at dinner by film personalities at Earl Carroll's noted restaurant, will take part in a broadcast with Fannie Brice and Frank Morgan, and will invade Hollywood in small special interest groups to study the various phases of the movie industry.

From Los Angeles the students will proceed to San Francisco. National defense sight-seeing tours will take up part of the first day there. Also included on the sight-seeing trip will be Twin Peaks, Cliff House, Presidio, Golden Gate Park, Embarcadero, Fisherman's Wharf, Chinatown, Muir Woods, the two great bridges and Stanford University. Attendance at the San Carlos Opera Company's production of Carmen is scheduled for the evening.

Heading north from San Francisco the next day, the special trains will take the travelling college to Portland for a day of sight-seeing. On to Seattle that day, the girls will board a boat for Victoria, British Columbia. While in Victoria, the students

will have ample time for shopping in this "most English of English cities" and will be entertained by the mayor and city aldermen that night with typical English entertainment. Half of the students will sleep aboard the "Princess Elizabeth" in Victoria harbor, the other half at the Empress Hotel. During their stay there the girls will have an opportunity for a swim in the salt water pools at the hotel.

Late Sunday afternoon the three special trains will start the homeward trek from Seattle. A stop at Helena, Montana, is scheduled during which time the students will be entertained by alumnae and patrons of the College at a concert. Lincoln, Nebr., is the last stop. Students and faculty of Nebraska University will entertain the Stephens girls at a tea dance before their return to Columbia, March 25.

In the past Stephens tours have taken students to New York, Washington, Miami, Havana, Costa Rica, Panama, Mexico, El Paso, Los Angeles, San Francisco, Portland, Seattle, Victoria and Vancouver, the Grand Canyon, Salt Lake, Chicago and Detroit, New Orleans, Atlanta, and scores of other cities. Last year 520 students spent the spring holidays in the Republic of Mexico, San Antonio and New Orleans.

Arranged through the Instructional Committee of the College in co-operation with the Columbia Travel and Service Co., Inc., and the various railroad, civic and educational authorities en route, the tour offers to the students an opportunity to have personal experiences with what would otherwise be abstract material.
