2-Weeks Revival to Start at Baptist Church Sunday

The annual revival meeting for the First Baptist Church of Crowell will begin Sunday morning and last for two weeks. Dr. M. E. Davis, professor of Greek and Biblical literature at Howard Payne College at Brownwood since 1920, will do the preaching for this meeting. Before taking up his work as a professor, Rev. Davis was pastor of a number of churches in Texas and was an evangelist for five years, and was elected state evangelist by the Baptist General Convention in 1919, but declined the call to continue his studies in Colgate University.

Singing for the revival services will be under the direction of members of the local church. The morning services will be held at 10 o'clock and the evening services at 8 o'clock.

The pastor, Rev. W. B. Fitzgerald, and members of the church extend an urgent invitation to everybody in the community to attend this meeting.

Pioneer Crowell Woman Succumbs Tuesday Night

Funeral Will Be Held Today for Mrs. J. W. Allison

Funeral services for Mrs. Frances Allison, wife of the late J. W. Allison, pioneer merchant and banker of Crowell, will be held from the First Baptist Church of Crowell this afternoon at 2:30 o'clock, conducted by the pastor, Rev. W. B. Fitzgerald, and Rev. A. C. Gettys of Belton, former Crowell pastor.

Mrs. Allison died at her home in Crowell Tuesday evening at 7 o'clock following an illness of several years and her condition had been critical for several weeks.

Burial will be made in the Crowell cemetery with the Womack Funeral Home in charge of arrangements.

Pall bearers will be Oscar Boman, Claude McLaughlin, Alton Bell, J. R. Beverly, Counts Ray and N. J. Roberts.

Flower bearers will be Mrs. Alton Bell, Mrs. Gordon Bell, Mrs. T. V. Rasco, Mrs. Claude McLaughlin and Mrs. George Hinds.

Frances Hightower was born March 13, 1865, at Morgan's Mill in Erath County, daughter of Mr. and Mrs. J. B. Hightower. She was converted at the age of 15 and joined the Baptist Church. On Aug. 3, 1882, she was married to J. W. Allison at Morgan's Mill. Three children were born to this couple, two of whom survive.

Mrs. Allison came to Foard County in 1892 with her husband and children and has been a resident of Crowell since that time. She was a charter member of the Baptist Church in Crowell and was active in the work of the church until her health began to fail a few years ago.

In the death of Mrs. Allison, the community loses another one of its pioneer builders, one who was active in all civic improvements in her younger days. With her friendly disposition she had made a great host of friends in the long period of years she had spent here.

Survivors include one daughter, Mrs. B. W. Self, of Crowell; one son, Herman Allison, of Covina, Calif.; one brother, R. L. Hightower, of Farwell; two sisters, Mrs. Elton Young, of Breckenridge, and Mrs. Fernella Aiken, of Lipan, Texas; three grandchildren, Mrs. Tom Reeder, Newport Beach, Calif., Miss Mary Frances Self, of Amarillo; and Miss Marjory Allison, of Covina, Calif.

Men to Fill Two Training Calls Named This Week

The names of selectees to fill the ninth and eleventh Selective Service calls for Foard County were named this week by John E. Wofford, county clerk. Of the five men who will be inducted into training in these two calls, all are volunteers and three of them did not have to register last year.

The ninth call for this county will be filled on March 26 when Milton Connell, James Coleman Gray and John W. Mercer go to Fort Bliss, El Paso, for induction into the army for training.

The tenth call did not take any men from this county.

The eleventh call is set for April 17 and will be filled by Charles Branch and W. D. Hudgins who will also go to Fort Bliss at El Paso for induction.

The men who filled the ninth call from this county, Hubert Smith, Edgar Lee Smith and Cecil Short, have been transferred from Fort Bliss to Camp Bowie at Brownwood.

SIXTEEN NEGROES ARE ARRESTED IN TWO RAIDS

Sixteen Negroes were arrested in raids by local peace officers during the past week-end.

Fifteen of the colored men were jailed Saturday night when the officers broke up a dice game in the Negro section of Crowell.

The sixteenth was arrested Sunday night when officers stopped the man from whipping a colored woman with a shovel.

At present, the county is putting its prisoners to good use at the county hospital. They are preparing the grounds for landscaping.

SNOW THURSDAY

Crowell was covered with a light snow Thursday morning. The snow started falling shortly before 7 o'clock.

County Hospital Bonds Voted By Majority of More Than 5 to 1; Orders for Equipment Released

668 Mattresses Delivered from Foard Centers

Large Surplus of Cotton and Ticking Yet to be Consumed

There had been 668 mattresses made and delivered to low-income farm families on Feb. 28 under the mattress-making program now in operation in Foard County, according to information released by A. V. Sheppard, administrative officer of the AAA in the county.

Two hundred and thirty-four mattresses were delivered under the program last year, and since it was re-opened in Crowell on Jan. 27, there have been 434 mattresses delivered to 480 families.

In answer to a question as to how long the program would be continued, Mr. Sheppard replied, "We have on hand a large surplus of cotton and ticking and we will continue the mattress making program as long as we can get the applications that can be certified as eligible for the low-income families."

Any family of three can receive two mattresses and each family of five can receive three mattresses, provided they did not get one from the WPA or any state welfare organization.

MRS. J. C. ROBERTS, pioneer Foard County resident, who was buried here Monday of last week. Mrs. Roberts came to this section in 1885 before Foard County was organized. She died at the home of her daughter, Mrs. M. T. Linecum in Altus, Okla., on Sunday, March 2, where she had made her home for many years.

County League Meet to Be Held Here Next Week

Literary Contests to Start Friday; Track Events Sat.

The Foard County Interscholastic League meet will be held in Crowell on Friday and Saturday, March 21-22, at the Crowell High School building and athletic field, according to information released this week by Supt. I. T. Graves of Crowell, general director. The complete program for the meet will be given in the next issue of The News.

Program Opens Friday

As Crowell is the only class A school and Thalia the only class B school in the county, there will not be a high school choral contest during this meet, however, the rural choral contests will be held Friday afternoon.

All of the other literary events will be held in the high school building Friday afternoon. These events include spelling for all divisions; sub-junior declamation for high school division; junior declamation for high school division; junior declamation for ward and grammar grades; declamation for all rural divisions; ready writers; arithmetic; type-writing; story telling; extemporaneous speech and picture memory.

Tennis matches will be started Friday afternoon and will be continued until all divisions are completed.

Playground baseball games will be held for both boys and girls Friday afternoon.

Track and Field Events
Track and field events and the rural pentathlon will be staged (Continued on Page Five)

Voters of Foard County accepted the issuance of \$12,500 in bonds in the election held Saturday for the furnishing, equipping and operating the new Foard County Hospital for one year, with a majority of slightly more than 5 to 1. Official tabulations showed that 268 voters cast their ballots for the issuance of the bonds, and 53 against it.

The bonds carried in 11 of the 12 voting boxes of the county. Vivian was the only box in which they were turned down. Here the vote was 10 against and 7 for.

Good Creek is the only community that went solidly for the bond issue, as five votes were cast for the bonds and none against it.

Equipment Being Ordered

Immediately following the passage of the bonds by the people of Foard County, officials started ordering equipment for the hospital. This equipment has been selected after a long and careful study by the commissioners' court and the hospital board, and when finished, Foard County will have one of the most modern and best equipped hospitals in this section.

C. B. Graham, president of the hospital board, stated that equipment would start arriving some time during the latter part of next week. This will be placed as fast as possible in order to open the hospital at an early date.

Equipment for the operating room and X-ray room and laboratory rooms had to be placed directly with manufacturers, but a large number of the contracts have been let to local business concerns.

Following are the results in each of the twelve boxes:

Highway Between Crowell-Paducah to Be Levelled

A more comfortable riding surface on the asphalt pavement between Paducah and Crowell was assured last Thursday when the highway commission ordered a leveling course placed on the road, according to an announcement made this week by P. S. Bailey, acting district engineer, Texas Highway Department, of Childress. The work will extend from 4.2 miles east of Paducah to a point 7.1 miles east of the Foard-Cottle County line.

The portion in Cottle County is estimated to cost \$25,300 while the section in Foard County will cost \$15,600. Highway engineers are now preparing plans and specifications for the work which is expected to be placed under contract during the early summer.

MOVED TO NEW HOME

Mr. and Mrs. A. Y. Beverly and son, Joe Wallace, moved into their new rock-veneer home last Friday.

New Tin Roof Placed on Methodist Church

A new tin roof is being placed on the Methodist Church by the department of M. S. Henry this week. It was voted at a recent meeting of the board of church members to have this work done. A committee was appointed to get funds to pay for it. It is estimated that enough money will be available to pay for the job by the time it is completed.

For many years the old roof on church building has been leaky and much damage has been done to the inside. When new roof is completed this work will be over again.

Evelyn Edwards Elected Secretary of H. T. Area II

Evelyn Edwards was elected corresponding secretary of the H. T. Area II organization of the P. H. T. organization of this county at a meeting held in Spur on March 8. These area meetings are held twice a year at a town in this area which is made up of twenty-nine counties. The fall meeting will be held at Rockwall.

The following delegates attended the Spur meeting: June Hinton, president of the local club; Virginia Thomas, vice president; Dovie Barker, secretary; Wanda Ketchersid, treasurer; Marjorie Davidson, parliamentarian; Jean Scates, song leader; Jane Roark and Joyelle Tyler, reporters; Yvonne McLain, Margaret Claire Shirley, nominee area corresponding secretary. The group was accompanied by Ruth Patterson, F. H. T. pastor, and Mrs. Herbert Edwards, one of the honorary members of the local club.

WE ARE YOUR Neighbors

We are the Texas petroleum industry. There are nearly 225,000 of us, living in every section of the State. With our families, we make up one million Texans, nearly one-sixth of the State's population. Each of us has his job. Together we represent almost every type of worker. Some of us live and work in your community. Our children go to school with your children. We trade in your stores, attend your church, pay taxes and vote—as you do—for the betterment of our community and State. We operate an industry which pays 75 million dollars a year in taxes to our State and local governments and our schools. We are your neighbors. When you think of the Texas petroleum industry, remember it is made up of people like you and me.

What We Think (By Frank Dixon)

The Chamber of Commerce of the town in which I live has just gone through an experience which to me is interesting and most unusual.

My home town Chamber of Commerce had arrived at a point where it seemed as though it was going to have to disband, dismiss its secretary, and cease functioning as a civic group.

A committee of seven was appointed to analyze the situation, work out a plan under which the group might operate, and present it at a meeting of the business and professional men of the community two weeks later.

The committee after several hours session came to the conclusion that the secret of the whole problem of lack of interest in the Chamber of Commerce and the lethargy and inactivity that pervaded the organization was due to the fact that the members were not putting enough of themselves into it.

The committee noted that whenever the men of the community project it met with success. It was also noted that those who gave liberally of their time were boosters for the Chamber of Commerce and the town, while those who merely made a contribution of money only, but withheld their time, were critical of the organization.

Accordingly a plan was worked out by the committee whereby each applicant for membership in the Chamber of Commerce would agree to give to community work in addition to a cash pledge, a pledge of a given number of hours of his time.

The plan was submitted to the meeting and was accepted. During the coming year no one will be received into the membership of the organization who is not willing to make a pledge of a given number of hours to be devoted to community work during the coming year along with his money pledge.

The committee, I believe, hit on the essence of the problem. They diagnosed the exact difficulty and prescribed the only remedy for it.

What is true of the Chamber of Commerce in my town is true of every Chamber of Commerce organization, every lodge, every church, that is not making the progress and getting the thing done that it desires to do.

It is not lack of money, it is lack of man power. It is personal sacrifice of self. Without it none of our organizations can succeed, and with it nothing can keep them from succeeding.

U. S. Senators Debate Taxing Securities Now Exempt From Taxation

Hearing on Texas Freight Rate Level Set for March 12

What the West Texas Chamber of Commerce calls the showdown in its long campaign for equalizing the Texas freight rate level with the favored North and East apparently is at hand.

The hearing has been set for Wednesday, March 12. At the week-end it was still undecided whether the sitting will be in Austin or Dallas.

J. S. Bridwell, WTCC president, and D. A. Banteen, regional chamber manager and executive secretary of its affiliate, the Freight Rate Equality Federation, have been in Austin the past week organizing the WTCC-FREEE case for retention of the May, 1940, order.

The commission's prescription for lower transportation charges in Texas was promptly attacked by the carriers—50 rail and 93 motor transport lines, who employed 15 leading law firms and otherwise prepared for a battle on a big scale.

The carriers' resistance of the order is based on contention that freight tonnage in Texas has slipped while operating expense has not. The WTCC-FREEE plea is that economic changes, if they have occurred, similarly affect the carriers throughout the nation; that if losses have occurred, similar losses are being taken by producers, shippers and consumers of goods moving in transportation; that the only principle is that of reasonableness and equality of Texas rates in comparison with rates in other sections of the country, and that the relationship of unreasonableness of Texas rates has not changed.

C. T. Schlagal Seeks Re-Election As Mayor of Crowell

In announcing as a candidate for Mayor of the City of Crowell, I have no new promises to make. If elected I will work for the interest of all the people of Crowell to the best of my ability.

Since the beginning of the depression the tax values have increased 40 per cent, and reducing the tax values has never had to borrow money. At present, with the situation of the bond debt, it owes no bills whatever. The treasury is in shape to meet the obligations of the City.

I am always ready and time to see after the City's business. I have done the best as I see it. I am carrying in this election but myself. If elected my policies in the future will be the same as in the past, to look after the interests of the citizens of Crowell to the best of my ability.

I will be unable to see one before election, so I mean, to earnestly solicit vote and influence of every citizen. Any support given me is greatly appreciated. With malice toward none and charity to all.

Tuberculosis in Sixth Place As Cause of Death in Texas

Austin. — "Tuberculosis, like cancer, may be called an under-cover disease. Its ability to harm and kill is based on the amount of time it has at its disposal to undermine the system before it is discovered. This factor, which only in part can be influenced by public health measures, is one of the biggest stumbling blocks in a further drastic reduction of tuberculosis deaths," states Dr. Geo. W. Cox, State Health Officer. Formerly, tuberculosis occupied the unenviable position of number one in the causes of death. Through the years it has gradually relinquished its preeminence, and in Texas now is in sixth place. However, between the ages of 14 to 45 it still holds first place. Even at that, this means that during 1939, latest year on which complete Texas mortality figures are available, 3,911 persons in the State were its victims; and this, despite the fact that never before has science been so well equipped to fight tuberculosis successfully as it is today.

The majority of persons suffering with undetected tuberculosis usually have themselves to blame

for their ignorance of their illness because, despite consistent loss of weight, faulty digestion, poor appetite, and loss of strength or the existence of a tired feeling in the afternoon, they fail to bring their condition to the attention of a physician. Not only is early detection the best guarantee of arresting the disease, but it also serves to protect others in the family by removing the dangers surrounding the unrecognized contact case.

Modern tuberculosis treatment in homes and sanatoria has been a boon to thousands and a protection against the disease to thousands more. However, personal co-operation, in the form of taking one's earlier suspicious symptoms to the family doctor for a check-up, needs to be more generally applied if the fight against this devastator of life is to show marked progress.

The medical profession, public health officials, and lay agencies are doing their best to prove the

value of this point upon every one. It is hoped that in the not too distant future it will be more widely accepted.

State Establishing Health Unit in Military Areas

Austin.—Establishment of health units in areas where military troops are concentrated has been a specific responsibility of the State Health Department in the National Defense Program. Dr. Geo. W. Cox, State Health Officer, announced.

These health units designed to maintain the health of the civilian population in areas adjacent to military reservations have regulatory public health control of all the territory within a radius of five to fifteen miles from the reservations proper.

The personnel of these units, specially trained in the technique of military and public health, guard against unsanitary practices in the production and distribution of milk and food supplies. Special attention is also given to water supply and sewage disposal within the area. Housing codes have been set up to minimize hazards which might under ordinary circumstances exist.

Personnel are required for the construction and operation of retail establishments within the area showing that sanitary regulations have been complied with in all details.

The control of the communicable diseases is the primary objective in the establishment of these public health units. The presence of military personnel within the civilian areas necessitates constant control measures to keep communicable diseases under check and avert any possible epidemics inside the reservations or in the surrounding area among the non-military population.

These full-time public health units adapted to areas adjacent to military reservations have been established around Camp Bowie at Abilene, Camp Winters at Mineral Wells, and in the Freestone area surrounding Camp Egan at Palestine. Additional public health personnel have been added to the existing health unit at Corpus Christi for special work at the military base and to the health unit at El Paso to serve the territory surrounding Fort Bliss.

It is anticipated that within the near future several additional military health units will be established in areas of the State where military camps are in existence and in areas where ship yards, airplane factories and related defense establishments necessitate the concentration of large bodies of civilian or military population.

Two Minute Sermon

The Blessing of Gratitude: In Luke is told the story of the healing of ten lepers. It will be recalled that after the ten had appealed to Christ to heal them of the dread disease they were sent on their way to the priests that they might be pronounced clean and be permitted again to mingle with their fellows. One of the lepers turned back, fell down at the feet of Christ praising him and giving thanks. And the text continues, Jesus answering said, were there not ten cleansed, but where are the nine? No one can read this passage without expressing a shock at the ingratitude of the nine who neglected to turn back and express their thanks to Christ for cleansing them of the dread affliction. Christ taught that men should be grateful for all which they received. He did not ask that men should be grateful to God because that gratitude is essential or is necessary to God. He desired that men should be grateful because of what an attitude of thankfulness and gratitude would do for man. God's concern is for man, not for God. The quality of being grateful for every good thing one receives is a Christian grace of precious worth, that enhances and adorns within, as no other, the life that it possesses.

Take It Easy After Seige of Flu, Says State Health Officer

Austin.—While influenza is prevalent, the citizens of Texas are warned that they should not be in too big a hurry to return to their work following a siege of this disease. Influenza of itself is seldom fatal, but complications, particularly pneumonia, are the cause of death, asserts Dr. Geo. W. Cox, State Health Officer.

The number of cases of pneumonia reported last week was four times the usual incidence at this season of the year. The increase corresponds almost directly with the amount of influenza reported. The termination of the acute symptoms of influenza does not indicate a complete recovery. Many persons believe this to be true and return to their daily routine, only to suffer a relapse. Others plod along in a weakened state, harbor a sub-acute cold, and by continuing to lower their resistance, insure prolonged trouble.

Past experience indicates that the slighter an epidemic persists, the more severe it becomes. The possibility of complications increases, therefore, early medical care in any suspected case of influenza is very important. Success in handling pneumonia depends on early recognition, and its onset may be unconsciously by the patient. In general a sharp pain in the chest on breathing and coughing may mean that pneumonia has developed.

Proper medical care during attacks of influenza will prevent persons returning to work until it is safe to do so, and thus lessen the chances of having pneumonia. As a result of the war the style outfit has come to America. It is likely it will finally come to remain in Hollywood where the finest in American styles are not only being created but given wide publicity in the pictures.

QUESTIONS and ANSWERS on Cotton Stamp Program

Article Number Two
Moving to help improve living standards through increased production and storage of food for home use, the supplementary cotton program provides for a payment of three dollars which the cotton farmer co-operating with the supplementary program can earn.
The three dollar payment will be paid to those producers who meet certain food production and storage requirements as listed by the Agricultural Adjustment Administration, A. V. Sheppard, administrative officer of the AAA in Foard County, points out in the second of three question and answer articles on the supplementary cotton program.
This additional payment is available only to cotton producers whose farms qualify for a cotton order stamp payment, the AAA official said, and is made in addition to all other payments under the farm program.

How Supplementary Program Aids Home Living
18. Q. Can the acreage not planted to cotton under this Supplementary Cotton Program be used for other crops?
A. Yes. This acreage can be used to produce food and feed crops for home consumption, or for any other crop or land use, except that the sum of the 1941 acreages of wheat, for the farm cannot exceed the sum of its allotment or permitted acreages for such crops under the 1941 Agricultural Conservation Program.

19. Q. What additional assistance is offered for encouraging increased food production and storage for home use, and who is eligible for this assistance?
A. Any owner, landlord, tenant, or sharecropper on the farm which qualifies for a cotton order stamp payment, may also earn a cash payment of \$3 by carrying out a designated practice designed to improve and increase food production and storage for home use.

20. Q. What practice can be carried out in order to earn this special \$3 cash payment?
A. (This practice may vary by areas and this question will be answered by State AAA offices.)
21. Q. Will the \$3 payment be divided among tenants and landlords?
A. No. Each producer who carries out a food production and storage practice will receive the entire payment of \$3.

22. Q. Must the food referred to in this practice be grown on the farm?
A. Yes. The food which qualified the producer for the \$3 payment must be grown on the farm for consumption by the producer and his family.

23. Q. May a producer receive credit for more than one such practice during 1941?
A. No.
24. Q. Must the food requirements under this practice be in addition to the practices customarily carried out by the farm family?
A. Yes. No payment will be made unless performance under this practice is in addition to the producer's usual production of food crops, as indicated by his certificate on the application for payment.

25. Q. Will the \$3 special payment be included in the farm's regular soil-building allowance?
A. No. The \$3 payment is an added payment for a special practice, and will not be included in the soil-building allowance.

Our Weekly Sermon

By Robert Parsons, Member of Radio Staff, Moody Bible Institute, Chicago.

The Only Answer
A missionary was once approached by an old Chinese, who said: "I am an old man. For years I have been troubled. I have examined the writings of Confucius; I have studied the religion of Buddha, and the other religions of my country. But though they have revealed many noble sayings and truths, they have not brought me peace. Sir, what shall I do with my sins?"
Today there are those who deny the existence of sin, but the Bible says that "all have sinned." If we honestly search our hearts, we shall agree with the Bible statement.

Sin is a reality. It mars our earthly lives and bars us from the blessedness of heaven. No wonder the old Chinese was burdened about his sins. Certainly we must all face the same problem sometime.

What shall I do with my sins? There is an answer to the question, but it is not found in the prevalent theory that we can balance our sins with good deeds. This erroneous theory ignores the fact that the Bible counts a man either righteous or wicked, not a composite of the two. There is no middle ground, for "no man can serve two masters." A "corrupt tree cannot bring forth good fruit." We might reform our lives and attain a high moral standard, but what about our sins?
A man once ran up a large bill at the grocers. Then one day he said to the storekeeper, "This buying on credit is bad business. From now on I'm paying cash." And he did. But he never mentioned the bill that was on the books. Finally the merchant asked him about it, and he indignantly replied, "Don't I pay cash for all I buy?" "Yes," answered the merchant, "but paying cash for what you purchase now does not settle the old account."
Many people are like that. They have turned over new leaves, but the old account is not settled; and those old sins will stand on record in the judgment, unless the debt is cancelled.

But there is a way out, a sure remedy for sins. Here it is: "The blood of Jesus Christ His Son cleanse us from all sin" (1 John 1:7). That is the only answer to the question, What shall I do with my sins?

Shower Thursday Given to Honor Mrs. Sam David Russell

Mesdames Marion Crowell, J. L. Davis, Jim Cates, Jim Cook and F. A. Davis were hostesses last Thursday afternoon at Mrs. Crowell's home to honor Mrs. Sam David Russell, who was Miss Sybil Mullins before her marriage on Feb. 7.

The house was decorated in pot plants and bouquets of cut flowers in various colors. Miss Beverly Hughston received at the door and passed the guests to the receiving line which consisted of Mrs. Russell, the honoree; her mother, Mrs. C. D. Mullins; the groom's mother, Mrs. Tom Russell, and his grandmother, Mrs. W. S. J. Russell. Miss Beatrice Mullins, sister of the bride, presided at the bride's book.

During the assembling of the guests, Miss Jean Orr entertained with piano selections. She also accompanied the musical numbers of the program, the first of which was a solo, "Beautiful Dreamer," sung by Miss Evelyn Jean Scales. A clever reading, "The Two Fishes," was given by Miss Lois Pick-

Mrs. Naomi Weathers of Margaret and William King Ray of Dallas were married in Dallas on Feb. 1, the ceremony being per-

formed by Judge W. L. Sterrett. Mrs. Ray is the daughter of Mrs. Alice Evans of Margaret and is well known in this county. Mr. Ray is a native of Madill, Okla., and is a luggage maker and an employee of Padgill Bros. Co. of Dallas.

Mr. and Mrs. Ray are visiting relatives and friends here this week before they return to Dallas where they will make their home.

KINCAID TWINS
CELEBRATE BIRTHDAY

Mrs. Merl Kincaid was hostess at her home Sunday afternoon from 2 to 4 o'clock to a number of little folks to celebrate the fourth birthday of her twin children, Frances and Robert.

Games, which were directed by the children's aunts, Misses Gussie and Hazel Todd, were played, both indoors and outdoors.

A blue cake was prepared by the mother for Robert and a pink one for Frances. Each held four candles and the name of the child. The little boys were served the blue cake and the little girls the pink one. Ice cream was served with the cake and marshmallow bunnies decorated the plate and miniature ships and airplanes were given as favors. The guests were served at three small quartet tables.

The following were present: Robert and Frances, their sister, Marcia Kincaid, Patricia Todd, Carolyn Bell, Elaine Brooks, Carolyn Bursey, Jane Winningham, Leroy Todd, Gordon Tom Graves, Robert Bradley Graves, Bobby Lanier, Bobby Foster Davis, and Joe Vernon Smith.

CROWELL P. T. A.

On next Tuesday afternoon in the Grammar School Study Hall the Crowell P. T. A. will meet for the March program.

Mrs. Clyde Cobb will serve as leader for the program. The Home Economics department of the school will present a feature number, "War, What and Who Makes It," is the subject to be discussed by Mrs. George Self.

The president, Mrs. Frank Fleisher, urges that, since the weather is better than for some time, there be a large attendance.

COLUMBIAN CLUB

The Columbian Club met in the home of Mrs. T. B. Klepper on Wednesday afternoon, March 5.

In the absence of Mrs. M. N. Kenner, president, Mrs. N. J. Roberts presided. Answer to roll call was made with a health or safety hint, in conformance with the subject for study, "Health and Safety."

Following a short business session, Mrs. Grady Halbert reviewed the book, "Your Carriage, Madam," in an intensely interesting and instructive manner. Mrs. S. J. Ferguson talked on "Safety in the Home." Mrs. Klepper read a short article, "Health and Comfort in Summer."

A salad course was served to the members and to one guest, Mrs. J. R. Beverly.

CROWELL GARDEN CLUB

The Crowell Garden Club will have its March meeting in the Christian Church next Friday afternoon, March 14, at 3 o'clock.

Mrs. J. H. Olds is to be program leader. "Garden Hints" appropriate to the season, will be given in answer to roll call. Mrs. Walter Thomson will talk on "Safe-Guarding Your Trees."

"Flowers in Centerpieces," from the text book, will be presented by Mrs. Roy Barker. The exhibit centerpiece will be arranged by Mrs. Eva Ashford.

Mrs. R. L. Kincaid, Garden Club president, insists upon a good attendance.

CO-LABORERS MEET

The Co-Laborers of the Methodist Church met Thursday, March 6, at the church, with Mesdames Bob Bell, Rude Magee and J. A. Thomson as hostesses.

Mrs. H. A. Longino gave a Spiritual Life talk on "Singing Our Way Through Life." She discussed the value and place of Psalms, hymns and spiritual songs in one's life, and then invited those present to join her in singing some old hymns.

After the business session, over which Mrs. Will Erwin presided, refreshments were served to about fifteen members.

FOARD CITY SOCIETY

The Foard City Society of Christian Service met Monday afternoon in the home of Mrs. Laura Johnson. Mrs. Virgil Johnson gave an interesting devotional. Her subject was "Martha," in three acts.

The program was the last of the study, "Uprooted America," given by Mrs. J. M. Barker and Mrs. I. T. Huckabee.

During the social hour Mrs. Huckabee acted as hostess and entertained with interesting games and served a delicious refreshment plate.

Visitors were Mrs. Warren Morton and son, Danny, of Truscott. The next meeting will be in the home of Mrs. G. G. Mills in an all-day meeting to quilt and with a covered dish lunch.

Farmers Obtained \$161,000 Crop and Feed Loans in 1940

Farmers obtained nearly 161,000 emergency crop and feed loans in 1940 for a total of \$19,470,625, according to figures released by S. P. Lindsey Jr., Director of the Emergency Crop and Feed Loan Section of the Farm Credit Administration. This compares with 139,452 loans made in 1939 for \$15,079,509 or an increase of 15.4 per cent in number of loans and 29.1 per cent in amount.

The early launching of the loan program in the storm and flood affected areas of the South, together with broadened activity in the Wenatchee-Okasogan district in the Pacific northwest, was the chief factor in the greater volume of loans made in 1940, the director pointed out. These loans are made for short periods to small farmers who cannot obtain loans from other sources for the production of crops or the feeding of livestock.

Although these loans are made only to farmers who cannot obtain adequate short-term financing from regular credit sources, a high percentage of them are being repaid. Mr. Lindsey pointed out. In the entire nation 89 per cent of the amount loaned in 1939 for all purposes has been repaid and on the 1939 spring crop loans 90.4 per cent has been collected. Over the entire period during which these loans have been made, 1918-1940, approximately 70 per cent of the amount loaned has been collected.

As an indication of the active character of unpaid loans made in previous years, farmers made repayments last year of more than \$3,000,000 on 1939 loans and about \$1,328,000 on loans made in 1932 to 1938. Repayments received on loans granted in 1931 and earlier totaled \$322,000.

Texas has repaid 93.58 per cent of the money loaned for spring crop production in this State in 1939. The Eastern District of Texas, which comprises 125 counties in East and South Texas, repaid 96.78 per cent on these 1939 loans. The Western District of Texas, which includes the Plains, repaid 90.70 per cent, and South-west Texas, known as the San Angelo District and including the El Paso region, repaid its loans 100 per cent.

Miss Fish, "take 1 cup chopped boiled ham, 2 tablespoons butter, 3 tablespoons flour, 1 cup milk, 3 eggs, 1/2 teaspoon salt, dash of paprika, pepper to taste. Make sauce of flour, butter and milk, add ham and stir until well mixed, add egg yolks and stir well. Cool when ready to bake, beat the whites until stiff and fold into ham mixture. Pour into a well-buttered baking dish and bake in a slow oven 30 to 45 minutes at 350 to 375 F."

Among those present were two visitors, Mrs. Claude Vessel and Mrs. H. C. Brown of Crowell and one new member, Mrs. James Sandlin.

"Landscape Improvements" will be the subject of the demonstration March 13 at the home of Mrs. H. H. Beggs.

UNIQUE CAKE AUCTION HELD BY ODD FELLOWS

A unique cake sale netted a sum of \$18.75 at a meeting of the Crowell I. O. O. F. Lodge last Friday night.

In the auction, a person paid the amount which he raised the bid until the bidding was finished and the last person to enter a bid got the cake. In this instance the buyer was Gene Fox, new member of the lodge, and he paid \$1.60 during the bidding.

The cake was baked and given by Mrs. Arnold Bracewell. It was an angel food cake with beautiful decorations carrying the lodge emblem, three links, the letters I. O. O. F. and the number of the local lodge.

Church for a long period of years until recently when she united with the Assembly of God Church. She had lived a devoted Christian all her life.

Amelia Florence Fitzpatrick was born in Memphis, Tenn., on June 7, 1857, and came to Grayson County, Texas, shortly after the Civil War which closed in 1865. She was married in that county on July 30, 1879, to C. B. Garlinghouse, who served four years with the Union Army during the war. A few years later, they moved to Lebanon in the Indian Territory, now Oklahoma.

After remaining there six years, they came to Crowell on Sept. 5, 1891, about five months after the town had been created. She had made her home in the same house here since coming to this section.

Three children were born to Mr. and Mrs. Garlinghouse, two of whom are now living, Bruce Garlinghouse of Crowell, and Elmer Garlinghouse of Boston, Mass.

Mrs. Garlinghouse is survived by two sons, a sister, Mrs. Belle Conrad of Crowell, 5 grandchildren, 5 great-grandchildren and 1 great great grandchild.
