Crowell Secures Six First Places and Six Second Places at District Interscholastic League Meet

In the District University Interscholastic League Meet held at Childress last Saturday, Crowell entrants for the literary events received six first places and six second places. Crowell won either first or second place in every event entered. There were ten counties represented at the meet.

Supt. I. T. Graves gives the following report of the entrants and their ratings. First places were taken by Mary Evelyn Edwards in Senior Girls' Declamation; John Thomas Risor in Junior Boys' High School division, Declamation; Milton Hall in Junior Boys' Grammar School division, Declamation; Betty Jean Seale in Junior Girls' Grammar School division, Declamation; Alton Reeder Griffin in Boys' Extemporaneous Speech; and Riley Adams in Typing.

Schools of County Visited by Deputy State Sup't.

J. C. Jernigan, Deputy State Superintendent of Public Instruction, District Number three, in company with County School Superintendent Leslie Thomas visited schools in Foard County on Monday and Tuesday of last week.

The Crowell Schools were visited on Monday and though the official check sheet has not been received, Mr. Jernigan expressed to Judge Thomas and Superintendent I. T. Graves his appreciation for the excellent condition in which the schools were found.

On Tuesday the Margaret, Riverside and Thalia schools were visited. Check sheets from Margaret and Riverside have been received by Judge Thomas which reveal that both of said schools scored above the average rural school. The check sheet from the Thalia school has not been received but from the favorable observations as made by the Deputy there is no doubt but that accreditation will be continued.

Large Profits Realized by F. F. A. Project Entrants

Due to high prices, large profits were reported by the Crowell Future Farmers of America, who carried calf projects during the past winter. Sixteen calves were fed and sold by twelve boys.

The total expenses amounted to \$1,433.93. These expenses include the original cost of the animal, feed costs, labor, interest on borrowed money and rent. The total receipts for the sixteen calves were \$1,750.60. The receipts consist of the selling price and the animals and the prize money.

The net income amounted to \$316.67, which is an average of \$19.80 per calf and the labor income was \$414.38. Labor income is the net income plus the value of the boy's labor.

Last Rites for Edgar Kimsey Held Thursday at 2:30

Interment Made in Crowell Cemetery; Masons in Charge

Funeral services for J. Edgar Kimsey, who passed away in a hospital in San Angelo on Tuesday morning, April 7, were held at the Methodist Church Thursday afternoon at 2:30 with Rev. W. B. Fitzgerald, pastor of the First Baptist Church, officiating at the rites. He was assisted by Rev. H. A. Longino, pastor of the Methodist Church.

Pall bearers were T. S. Haney, M. L. Hughton, J. R. Beverly, A. Y. Beverly, George Self, L. A. Andrews, Merl Kincaid and R. G. Gribble. Assisting with the flowers were Mrs. T. S. Haney, Mrs. M. L. Hughton, Mrs. C. C. McLaughlin, Mrs. Tom Russell, Mrs. Hartley Easley, Mrs. W. B. Tysinger, Mrs. T. V. Rascoe, Mrs. George Hinds and Miss Maye Andrews.

A special song, "The End of a Perfect Day," was rendered by John Risor, who was accompanied by Mrs. A. L. Rucker.

Burial, under the auspices of the Masonic Lodge, was made in the Crowell Cemetery, with the Womack Funeral Home directing.

Mr. Kimsey became suddenly ill at his home in Big Lake on Friday night and was rushed to the hospital in San Angelo, but became worse and did not rally, his death occurring at 8:30 on Tuesday morning.

John Edgar Kimsey, son of Mr. and Mrs. W. W. Kimsey, pioneer residents of Foard County, was born on Jan. 11, 1895. He lived in Crowell and Foard County until about sixteen years ago when he, with his wife, the former Miss Larline Cunningham, moved to Texas, where Mr. Kimsey was postmaster for a number of years. They have resided in Big Lake and San Angelo. He was a member of the Baptist Church of Crowell and was a 32° Scottish Rite Mason of El Paso and also a member of the Blue Lodge of Big Lake.

Survivors include his wife; a daughter, Miss Bette Shaw Kimsey; his parents, Mr. and Mrs. W. W. Kimsey; a sister, Mrs. Joe Brown, of Crowell, and a brother, Lawrence Kimsey, of Munday.

Chillicothe to Have Iris Show April 23

The Chillicothe Garden Club announces that it will have an Iris Show at Wesley Hall of the Methodist Church on Thursday, April 23, at 3 p. m. Admission to the Iris Show will be 25 cents. Following the show, there will be a tea at the home of Mrs. C. E. Carlock.

On Sunday preceding the date of the Iris Show, April 18, there is to be a garden pilgrimage, to start from the Methodist Church at 3 o'clock. Anyone who desires to attend the show, is asked to contact Mrs. W. V. Favor, who is in charge of the reservations for the event for those who attend from Crowell.

MOVING TO DALLAS

Tom Whitby, postmaster at Foard City for the past four years, left this morning for Dallas where he will assume his duties as clerk in the Dallas postoffice. He was checked out of the Foard City office Wednesday afternoon and his successor, Mrs. J. L. Farrar, was installed.

Mr. Whitby, native of Dallas County, is a nephew of Mrs. J. R. Merriman and Mrs. E. R. Roland of the Foard City community. He is Noble Grand of the Crowell I. O. O. F. Lodge and has been an active member of that fraternity.

Mrs. Whitby and their daughter, Edna Jean, will leave soon for Dallas where the family expects to make their permanent home. Mrs. Whitby is the daughter of Mr. and Mrs. A. Weatherall.

Mrs. Pechacek Died Suddenly Thurs., April 9

Funeral Services Held at Catholic Church Saturday

Mrs. Rosalie Pechacek, 79, resident of the Black community for the past 35 years, died suddenly at her home Thursday afternoon, April 9, about 6 o'clock.

Funeral services were held in St. Joseph's Catholic Church in Crowell Saturday morning at 10 o'clock, conducted by Rev. Ed Sepokia of Vernon. A solemn Requiem Mass was sung by Rev. Sepokia, assisted by Mrs. J. A. Huber of Vernon and Mrs. Cummings of Odell.

Pall bearers were Mrs. Pechacek's seven sons. Flower girls consisted of eight grandchildren and one great grandchild.

Interment was in the Crowell Cemetery under the supervision of the Womack Funeral Home.

Rosalie Zahn was born Dec. 19, 1862, in the Province of Moravia in Czechoslovakia, and came to Ellingen, Texas, with her parents when she was 11 years old. In 1879 she was married to Joe Pechacek. Fifteen children were born to this union, eleven surviving. Two of the children died in infancy, Mrs. George Allison died in 1937 and Henry Pechacek died in 1941.

In 1907 Mr. and Mrs. Pechacek moved to Foard County from Jones County and settled in the Black community where they lived until removed by death. Mr. Pechacek died June 30, 1914.

Survivors include seven sons, R. L. Pechacek of Crowell, A. C. Pechacek of Temple, W. L. Pechacek of Vernon, A. G. Pechacek of Chillicothe, E. L. Pechacek of Megargel, Chas. and Joe Pechacek of San Antonio; four daughters, Mrs. August Marek of Yoakum, Mrs. Theresa Marek of San Antonio, Mrs. Joe Drabek and Mrs. Parker Churchill of Crowell.

All of the children and their families were present for the funeral with the exception of Mrs. Marek of Yoakum, who was ill. There were thirty-two grandchildren and twelve great grandchildren present for the funeral, also a number of distant relatives and friends.

CHIEF OF STAFF — Gen. George C. Marshall, Chief of the General Staff, Army of the United States.

District Tournament of One-Act Plays Will be Held Here Friday Night; Crowell To Present "Sun-up"

The District Tournament of One-Act Plays will be held Friday night, April 17, (tomorrow) at the High School auditorium, beginning at 8:30 o'clock. An admission charge of 15 and 25 cents will be made, in order to defray the expenses of the tournament.

Three plays will be presented, the first of which will be that of Quannah, "Two Crooks and a Lady." Crowell will follow with the presentation of "Sun-up" and Carey will play "Shame the Devil."

The tournament will be judged by Prof. Emory Horger, head of the Speech Department of Texas State College for Women at Denton.

The play which will be presented here in Crowell is the same play which the drama class presented here in December.

The three-act play, written by Lula Vollmer, has been reduced to a one-act play by the Speech Director, Mrs. I. T. Graves, and in the shortening, the play has lost very little of the real story as originally written in three acts. The drama is a folk play with universal appeal and written for amateur production. It has a fine plot, full of incident, of humor and sincere sentiment and the characters embody enough essential humanity to make them likeable. The play has a particular appeal due to the present condition of world affairs.

The cast for the local play includes Billie Fred Short, as the preacher; J. T. Hughton, as the stranger; Charlie Thompson as Rufe Carel; June Billington as Emmie Todd; Billie Scott Bruce as Pap Todd; Roy Joe Cates as Bud Todd; Berl Cavin as the Sheriff and Helen Jo Callaway as Gram Cagel.

The Board of Education accepted the resignation of T. B. Burrow, who has taught in the Crowell schools for the past fourteen years, and who has served as principal of the Grammar School for a number of years.

Bus drivers elected at this meeting are C. V. Barker, R. M. Fox, E. C. King, Lewis Sloan, Tom Russell and Henry Teague. The resignation of Pat McDaniel as janitor had been accepted and Elmer Brisco, assistant janitor, was re-elected and is now supervising all the janitor work.

L. A. Andrews was re-elected as tax assessor-collector for the school district. The Board of Education was re-organized and J. W. Bruce was elected as president, R. L. Taylor was made vice president and L. A. Andrews, secretary.

Nursing Classes Now Being Taught

The Home Nursing Classes now in progress, under the leadership of Mrs. L. E. Tackett, are meeting in the court house each Monday and Thursday afternoons, and each Tuesday and Friday nights. A large number of ladies are enrolled for the courses.

At the completion of the present classes, a new class will be organized. Further definite plans will be announced concerning the new class.

MOVED TO NORTH SIDE

Leo Spencer moved his office Tuesday to the north side of the square and is located in the front of the Fox building occupied by the Crowell Shoe Shop. Mr. Spencer's office was formerly located in the building with T. J. Smith on the west side of the square.

Audit of County Finances Finished; Increase Shown

B. A. Barton, Foard County auditor, completed the audit of the county and presented it to the court for approval on the 1st day of April, A. D., 1942, at which time the Commissioners' Court in open session approved the audit and ordered same filed with the county clerk.

Last year at the time the audit was made, the auditor expressed some doubt as to the possibility of the county running the entire year without going into debt, however, as disclosed by the audit, the county, through excellent management, through co-operation, did manage to go through the year without going into debt and, in fact, emerged with an increase in county funds of over \$16,000.00.

The auditor expressed his gratification at the excellent manner in which the financial matters of the county had been handled and lauded the Commissioners' Court and all officials of the county for their fine work.

The general fund of the county, which last year was very low, at this time appears to be in excellent condition; also the sinking funds of the county are now more than sufficient to meet all necessary demands and withdrawals.

The details of the audit will be found on page 2 of this issue of The News.

Boy Scouts Attend Area Camporee

Fifteen Boy Scouts from Crowell attended the Camporee held near Pease River south of Quannah which came to an end Saturday afternoon, April 4. Ernest Patton and Henry Earl Thomson, Scoutmasters and John E. Long, Scout Commissioner, and the following boys were in attendance: Billy Coltharp, J. L. Gobin, Hardy Sanders, Harold Thomson, Ed Thomas, Carl Steele, Glay Dunn, Henry White, Joe Harris Seales, Larry Dan Campbell, C. D. Campbell, Kenneth Ellis, G. W. Johnson and Glendale Dunn.

Crowell, Quannah and Childress were represented at the Camporee, with a total attendance of more than 120. The boys were divided into competitive groups or patrols, according to lot. There were seven boys in each group and in some instances each boy was from a different group and the three towns were represented in every group. These boys buddied together and entered each contest as a group.

A number of visitors were at the Camporee during its duration.

As can be ascertained from the foregoing on the 31st day of December, 1940, the balances in the various funds in toto amounted to \$23,237.60 on the 31st day of December, 1941, the balances in the various funds amounted in toto to \$40,127.84, an increase in county funds of \$16,890.24. The Sinking Funds are all in excellent condition and will be sufficient to make all necessary payments therefrom. The General Fund on December 31st, 1940, had the sum of only \$727.62 now has on hand the sum of \$5,005.53; this is indicative of the fact that this fund, as well as all other county funds, has been wisely and judiciously handled during the past year.
 When the last audit was made I was unable to ascertain just how the county could go through the year without going into the "red" but through excellent management and co-operation of all county officers, the county did go through the year without going into the "red" and did emerge with an increase in county funds. The Commissioners' Court this year expended \$13,004.56 less than was expended by the court in 1939. I desire to commend all the officers of the county for the excellent status of the various offices of the county.

“...and put some teeth into it!”

ONCE UPON A TIME, car owners were merely urged to use good oil, to change it regularly when worn, to adopt a regular schedule of lubrication service.

Now, in the new era filled with priorities, with the manufacture of new automobiles absolutely cut off, real teeth have been put into the idea of caring for a car in order to lengthen its life.

One of the most useful precautions you can take to preserve and protect your motor is to use good oil. But which oil is good? The following facts should help you decide:

Phillips, one of the great independents of the petroleum industry, with a fine reputation for giving greater value, makes this simple, straightforward statement: If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer.

Every time a new 1,000-mile mark clicks up on your speedometer, play safe with your motor, and play fair with your budget, by draining and refilling with Phillips 66 Motor Oil.

HISTORY

Arbor Day, April 22.—Arbor Day was instituted by J. Sterling Morton of Nebraska on April 10, 1872. Mr. Morton was a member of the Nebraska State Board of Agriculture at the time and instituted the day by introducing a motion in the State Legislature setting apart April 10, 1873, as Arbor Day in the State of Nebraska. Nebraska at the time lacked shade trees. Mr. Morton believed they would be useful as wind breaks and to conserve moisture. On the first Arbor Day in Nebraska over a million trees were planted. Within sixteen years over 600,000,000 had been planted and within twenty years over 100,000 acres of waste land

had been planted to trees. In later years the Governors of the state named the third Wednesday in April Arbor Day. This continued to be observed as Arbor Day in Nebraska until 1885 when the Legislature set April 22, the anniversary of the birth of Mr. Morton as Arbor Day and made it a legal holiday. The Arbor Day Memorial Association erected a monument in honor of Mr. Morton on the grounds of his old home, Arbor Lodge, near Nebraska City. The movement grew until it extended into every state. The date of observance in the several states and as a rule is set by the Governor's proclamation each year. Rhode Island is the only other state in which Arbor Day is made a legal holiday. Mr. Morton's old home, Arbor Lodge, occupying a tract of several acres has been made into a park. The old Morton home is maintained just as it was when Mr. Morton lived there. His many public papers and letters from the prominent men of his day are displayed in glass cases on the walls of the house where hundreds of visitors call each year to see them. Mr. Morton came to Nebraska in 1855 from Michigan. He founded the Nebraska City News. He served in the Territorial Legislature and was for a time Territorial governor. He was Secretary in President Cleveland's second Cabinet and President McKinley appointed him in 1901 as one of the United States Commissioners for the Louisiana Purchase Exposition. His death occurred in 1902.

100th Birthday
The Dallas Morning News, Texas' oldest business institution, celebrated its 100th anniversary on Saturday, April 11, with a mammoth Centennial Edition of the paper printed on East Texas newsprint manufactured by the Southland Paper Mills, Inc., of Lufkin, Texas. The Texas-made newsprint was a special order and required a total of 276,000 pounds to print 140,000 copies of the Centennial issue, the largest single edition ever printed during the history of the paper. It is stated that less than six weeks ago this newsprint was part of a stand of loblolly and other pine growing near Lufkin. The publisher, G. B. Dealy, dean of Texas newspaper men, and E. M. (Ted) Dealey, president of the company, and the hundreds of employees of this great newspaper, are to be congratulated on the wonderful historical edition that went to its readers on last Saturday. Its pages contain a valuable history of the State of Texas and its development during the past one hundred years. Texas is the grandest state in the Union and without doubt The Dallas Morning News has done its full duty from its inception as a leader and recorder of the great development of so great a state. Crowell and Foard County is represented in The Dallas Morning News organization by Miss Leona Young, formerly of Crowell, who is a sister of Mrs. N. J. Roberts. Miss Young has been an employee of The News for twenty-one years.

Brief Bits of News From Here and There
Australia is about the size of the United States. It is mostly made up of arid mountains in the east and south with lesser ranges in the west, north and central regions. Much of the central and western area is semi-desert, having low and irregular rainfall and few permanent streams. The southeastern and southwestern parts of Australia have the best climate, the most satisfactory rainfall and streams and the best ports. These regions are also rich in minerals and in forests. The largest rivers are the Darling and the Murray rivers. The largest lakes are the shallow salt lakes of the great basin of South Australia. European, Asiatic and American plants thrive in Australia when introduced there. Wheat is grown extensively as are sheep. The principal exports are wool, wheat, butter, mutton, lamb, beef, flour, hides, fruits, sugar, gold and lead. Coal and silver and copper and tin are mined. Pearl fishing is an important industry along the northwestern and northern coasts. Imports include, cloth and clothing, petroleum products, steel machinery, automobiles, drugs, bags and sacks, paper, tea and tobacco. Australia's trade is principally with Great Britain. Australia is at a disadvantage in the matter of trade owing to her great distance from world markets.

Let's All Pull Our OWN Oar

What We Think (By Frank Dixon)

The past few weeks might be designated as "Family Skeleton Week" or the week in which the closet doors have been flung wide open and the concealed family skeletons exposed to the critical view of the public. There was a case of the Jack & Heintz plant of Bedford, Ohio, engaged in the manufacture of airplane motor starters. This company, for some reason, was subjected to investigation. During the investigation it was brought out through testimony offered by William Jack, head of the firm, that last year he had received \$100,000 in salary, and a bonus of \$45,845, an increase from \$25,000 the year before. His secretary received in salary and bonus last year \$29,356, and there was distributed in bonuses to workers in the plant last year \$694,000. In addition to this, each employee received \$37.50 a month bonus and \$600 bonus at Christmas. Jack received a bonus of \$25,000 in March of this year and all employees receiving over \$10,000 a year received substantial bonuses. This much was brought out in the investigation. There is no doubt that much more was not brought out. This exposure coming at a time when we are being appealed to hourly over the radio to buy defense bonds and stamps, when hundreds and thousands of small businesses are being closed that there may be more necessities for the war machine, when men and women everywhere are being asked sacrifice, sacrifice, sacrifice, and give up even necessities that the government may have machines necessary for war is a disgraceful, disgusting, and indefensible exhibition of a complete lack of patriotism. The incident, in my opinion, is not typical. I believe there are hundreds of industries engaged in the defense program who are being honest and honorable with their government. The incident is, however, not without value. It should awaken the government to the fact that a closer check up is needed. It is the government's responsibility to see to it that the money demanded of the citizens of the country in taxes is not thus criminally wasted. The government owes this to its citizens. The Jack & Heintz case should be the Pearl Harbor for this type of treasury looting. A fault that lies in the system of placing contracts for defense materials on a cost plus basis is that under this system the employer, if he is disposed to take advantage of his country's situation, is not concerned about what costs are. He doesn't mind paying time and a half and double time and bonuses. Whatever the cost his profit is piled upon top of this, and the greater the cost, the greater the profit. As I see it, it isn't a matter that can be altogether regulated by arbitrary and drastic laws, or by government supervision. The problem is too big for that. If it is remedied it will be remedied by the patriotic co-operation of industry and management. These have got to be inherently honest, inherently honorable, inherently patriotic. They have got to realize that while common honesty is to be desired at all times, it is especially to be desired when the country is at war, when everyone else is offering his life as well as his substance that the foe out in front may be met and defeated. There is no defense that can be offered in extenuation for the failure of those behind the lines to just as honestly, just as sincerely, just as patriotically go all out for the defense of their country.

Land Bank System Reaches Its 25th Anniversary Year

Houston, March 31.—The pressure of the all-out war program has cancelled any thought of an elaborate celebration of the 25th anniversary of the Federal Land Bank of Houston on April 3, Sterling C. Evans, president of the institution announces. However, the members of the 300 national farm loan associations, which have on their books more than 99,000 loans in Texas, will make note of the anniversary year in their coming annual stockholders' meetings. The 25-year mark finds the Land Bank with its loans in the best condition in 10 years and steadily improving. Mr. Evans reports, "The flow of the farmers' cash into debt retirement is heavy. Increase in new loans indicates no expansion of outstanding farm debt but rather a desire to put long-term obligations into safer position under prevailing low-rate amortized loans. We believe farm and ranch families are stirring themselves to get their business in order and to avoid mistakes of the last war period." The Federal Land Bank, which reflects the combined condition of the farmer-owned local associations, has more than \$11,000,000 in capital stock and the earned surplus and legal reserve exceeds \$30,000,000. During the past 25 years the bank has made 143,000 loans to Texas farmers and ranchers, for a total of \$419,000,000. The Land Bank system pioneered in lowering and equalizing interest rates, in the establishment of long terms of repayment out of earnings and in the policy of normal production value appraisals rather than market trends. "The normal value policy helped to prevent wholesale foreclosures during the depression and aided in keeping prices from dipping even lower. Now, in better times, this same policy should serve to keep prices from rising to an unsound level."

Wheat Farmers to Vote in Referendum

College Station, April 6.—With so many war crops needed this year, now is no time to expand wheat production, according to Wilmer T. Swink, state AAA committeeman and wheat grower from Olney. "With our country going full blast in the production of war materials to lick international gangsterism, we don't have time to produce things we don't need in the war. Victory means plenty, but not waste and any increase in wheat will be just that much waste," he said. Total supply of wheat on July 1, 1942, is estimated at 1,423 million bushels of which 630 million bushels represents carryover, while the 1942 crop is estimated at 793 million bushels. With this year's domestic consumption estimated at 670 million bushels, the carryover as of July 1, 1943, will be 753 million bushels or the largest supply on record, Swink said. "That means we have enough wheat in sight to last two years without growing another kernel," he said. In national referendum, Saturday, May 2, Texas wheat farmers will go to the polls for the second year to decide whether to continue wheat quotas on this year's crop. Last year, Texas farmers approved quotas by 94 per cent. Wheat marketing quotas divide a limited wheat market cooperatively and democratically among producers, and provide for orderly production, marketing, transportation and storage. Extension of 85 per cent of parity loans are also contingent upon marketing quota approval. Prior to the wheat program, huge supplies always meant low prices but through loans, marketing quotas, and allotments, wheat farmers have built adequate reserves for the nation and at the same time have strengthened prices for the continuation of sound agriculture, Swink said.

Terracing Jumps Into Spotlight
College Station, April 6.—Terracing jumped into the spotlight during March and is likely to stay there the rest of the year, according to Fred Rannels, assistant administrative officer of the AAA in Texas. "This is only a fraction of the work that will be done but it's a step in the right direction," the AAA official said and explained that Texas farmers already have requested approximately 25,518 miles of terraces for this year. Basic fair prices have been established in 73 counties with other counties expected to fall in line immediately, he said. These prices, which are set by county AAA committees, are based on costs for terracing easier type farms in the county. They vary from 24 cents per 100 feet to 75 cents per foot throughout the state, depending on soil type, average of the farms, prices customarily paid, and availability of terracing material. After the basic fair price of a county is determined, the work is done by contractors who are paid immediately by the AAA. Prices for terracing in each county vary according to soil type, terraces, number of hills and other related factors. A cash outlay is needed to set-up since costs are advanced from producers future payments. "In view of labor and material tie-up in the Food for Peace program, this is a valuable through which Texas farmers continue soil-building work to earn maximum AAA price this year," the AAA official said. Halley's comet was in whose pericenter was in Texas in 1704, but was not until 1759.

Jesse Owens Enters Race for District Attorney

Jesse Owens of Vernon was in Crowell Monday and announced that he is a candidate for the office of District Attorney, subject to the action of the Democratic primary in July. While here he authorized The News to make his formal announcement which follows:

"To the Voters of the 46th Judicial District:

"In these trying times every person should do his part to protect and preserve our Democratic Form of Government and keep our country free of sabotage and saboteurs. The best way to do this is to have good law enforcement. I realize that the District Attorney is the head of all law enforcement agencies of this community and in announcing my candidacy for the office of District Attorney I am not unmindful of the following facts:

"1. The individual who serves in this office should, first of all, be qualified, be one of the best lawyers of the bar and well seasoned in the practice of Criminal law.

"2. He should be capable of securing convictions of those guilty of crime.

"3. He should prosecute, with vigor and without fear or favor, those cases where the Grand Jury has returned an indictment.

"4. It is the duty of the District Attorney to develop all the testimony of the State when a case is called for trial.

"5. It is the duty of the District Attorney to prosecute saboteurs, and by all means he should have the will power and backbone to prosecute such cases to the fullest extent of the law.

"6. He should bring all the testimony available before the Grand Jury during the investigation of crime, especially that testimony favorable to the State, and also if it appear to the best interests of society the testimony of defensive matters should be developed so that the Grand Jury may determine whether or not there is sufficient evidence to sustain a conviction, but I do not think that when the trial has been called after the indictment has been returned it is the duty of the District Attorney to develop the defendant's defense.

"Having served four years in the capacity of District Attorney of this District I am sure that most of the voters know who I am and what I will do. I have no apology to make for the record I made in office. Up on that record and the above facts I solicit your vote and influence in the present Democratic campaign and assure you that if I am nominated and elected I shall render you good service.

"I have but one promise to offer you and that is if you want an individual to serve in the capacity of District Attorney who stands for, and will perform or carry out, the above facts, vote for Jesse Owens and you will never regret having so voted."

Experimental Plots to Be Planted in Guayule Over Texas

Lubbock, March 31.—An acre-plot of guayule has been planted on Texas Technological College farm this week, one of several experimental plots to be distributed over a wide area in Texas and other southwestern states. One-year-old plants shipped from the Salinas Valley in California have been transplanted in 40-inch rows, with plants spaced 30 inches apart.

The experiment is being made here as result of a visit to Tech campus March 16 by J. T. Presley, in charge of the federal program for Texas, for conference with Dr. A. W. Young, head professor of plant industry. Rubber from guayule can be used for most purposes for which Para rubber is used, although necessary removal by chemical processes of 16 to 20 per cent of resin adds several cents a pound to production cost.

The guayule plant, a gray, shrubby perennial two or three feet high at maturity, grows wild over north Central Mexico and in the Texas counties of Brewster, Presidio, Pecos and Terrell. It contains 3 to 7 per cent rubber under cultivation. Elevations of 2,500 to 4,000 feet where the climate is dry and warm most of the year, with long periods of hot, dry weather, and winter temperatures which rarely go below 15 degrees Fahrenheit, seem most desirable.

The present experiment is being made by the federal government to determine the extent of the area within the United States which can be used for this plant.

Production information on the growth of guayule indicates that it is necessary to allow the plant to grow for about four years before harvesting, since approximately 300 pounds per acre of extractable rubber is formed each year for the first 4 years during the growth after transplanting. In harvesting, the entire plant, including the root, is removed from the soil and the rubber extracted. It is necessary, therefore, in the culture of the plant that new plantings be made every four years.

Judge E. L. Pitts Seeks Office of Chief Justice

District Judge E. L. Pitts of the 99th District Court at Lubbock, has announced for the office of Chief Justice of the Court of Civil Appeals, 7th District, to succeed Chief Justice M. J. R. Jackson, who retires voluntarily next January 1.

Judge Pitts is 53 years old, a native Texan, born in Fannin County. His parents moved to West Texas when he was a child; and he grew to manhood in Palo Pinto County, where he resided until he moved to Northwest Texas some years ago.

Such a spirit strikes deep into the roots of human life and human character. The individual who forgets to be grateful soon grows into a selfish, grasping being, in whose life the generous impulses are soon crushed out. He demands more and more, and even is willing to become ruthless in the effort to attain it. Gratitude and thankfulness produce quite the opposite effect. They cause the individual to become more generous, more kind, more considerate. One can't be grateful and thankful, and at the same time be greedy, and selfish and grasping and ruthless. For this reason Christ desires that man be grateful and thankful for the things that he receives. It is the virtue of life that such simple virtues build great characters.

Two Minute Sermon (By Thomas Hastwell)

The Fine Art of Being Grateful: Sometimes, it seems to me, the simplest virtues are the easiest overlooked and the most often overlooked. We think about the big things that we might do or would like to do in building life and character and the little things are often forgotten. One of the many little things that is often forgotten by people is the spirit of gratitude and thankfulness.

HOME ECONOMICS STYLE SHOW

Did you see the Home Economic Style Shows? You certainly missed something if you didn't. Even with such capable judges as Miss Florence Black and Miss Ruby Lee Bevil for the Second Year girls, and with Mrs. L. T. Graves and Mrs. J. B. Harrison judging the Third Year Home Economic class, we know it was hard for them to decide among the attractive and well-made dresses of both classes.

The Second Year class' rating were:

Highly Superior: Margaret Davis, Jane Roark, Laverne Archer and Naomi Teal.

Superior: Mary Curtis, Mildred Marlow, Sammy Jones and Betty Johnson.

Excellent: Joann Gentry, Helen Callaway, Mentie Brisco and Gussie Bledsoe.

Good: Juanita Shultz, Helen Smith, Ethel Brown, Edith Dawson and Ann Favor.

The Third Year Class girls were rated:

Highly Superior: Evelyn Flesher, Joyzelle Tysinger, Marge Davidson, Mary Edward and Rita Calloway.

Superior: Marjorie Young, Wanda Ketchersid, Jean Thompson and Marjorie Marlow.

Excellent: Betty Owens, Laverne Smith, Mary Brock and Ludell Murphy.

Good: Dovey Barker, Yvonne McLean, Betty Zeibig, Sammie Mills and Ruth Diggs.

DISTRICT ONE-ACT PLAY TOURNAMENT

Friday's the big day. At least that's the way the Crowell One-Act Play cast feels. Of course, everyone is hoping and praying that Crowell will win, but we all know it will be no cinch.

The tournament will be held Friday night, April 17, at 8:30 in the High School auditorium. The admission will probably be 15c and 35c. The plays that will be given in this tournament are: "Two Crooks and a Lady"—Quannah; "Shame the Devil"—Carry; and "Sun Up"—Crowell.

CORSAGES

"My goodness! What is this, a walking florist shop?" asked one person, who was watching the Juniors and Seniors emerge from the Methodist Church. What? Don't be silly! Why, you should have been there yourself. Well, anyway, everybody wants to know what "so-and-so" wore, and that's where this article comes in. But, girls, if your name should happen not to appear, please forgive, for you would miss a few, too, if you had to find out what kind of flowers everyone wore. Well, as the old saying goes, "Where there is a will there's a way," so here goes:

June Billington wore seven red roses; Mary Edwards, gardenias; Mrs. L. T. Graves, pink snap-drag-

SENIOR WILL

(Joyzelle Tysinger)
 Know all men by these presents: The Senior Class of Crowell, being of sound mind (I hope) but being about to separate and scatter into parts unknown, does hereby declare this as its last Will and Testament.

First of all we request that our memory as a brilliant class be ever kept green; that the good deeds we have performed be regularly retold that they may go down as a shining example to coming Seniors; that our bad or careless deeds be carefully covered and as quickly as possible forgotten, as Shakespeare planned, to-wit: "The good deeds of men live after them, while the evil are often buried with their bones."

Richard Carroll leaves his likable personality and his chuckle to Clifford White.

J. T. Hughton bequeaths the extra six inches of his feet to Wanda Cobb.

Charlie Thompson and Bobby Spears leave their places as co-captains to Albert D. Bird and Arnold Smith.

Virginia Faye Thomas leaves her golden voice to Marjorie Brock.

Mary Tamplin leaves her ability to declaim to Mary Edwards.

Jimmie Cates, Hugh Longino and Harold Longino leave their politeness to Paul Vecera and Bill Owens.

H. A. Taylor bequeaths his mentality and quiet ways to Lowell Campbell.

Gordon Ohlar wills his speaking ability to Billy Braswell.

Truman Taylor, Donald Ward and Alton Roark will all the young ladies of C. H. S. to Glenn Randolph and Gordon Erwin.

Margaret Claire Shirley leaves her slap happy personality and all of her senior memories to Betty Zeibig.

Clonita Russell leaves her blonde hair to Rita Calloway.

Billy Nichols bequeaths to Jean Seales her sweet and loving ways.

To Betty Owens goes Jo Ann Solomon's and Anna Marie Smith's ability to play volley ball.

W. P. Hord leaves his co-operative spirit to Dorothy Nell Young.

T. L. Owens and Berl Cavin donate their manly strength and a can of good old spinach to David Bowley.

Juanita Traweck leaves her 4 a. m. alarm clock to Wanda Evans. So she can meet the school bus.

Joyzelle Tysinger bequeaths to Evelyn Flesher her convertible; she hopes to have in the future.

Jean Orr leaves Dovey Barker her sweet personality and even temper.

Riley and Ruby Adams, Lealys Gilliam and Julie Halenec cheerfully donate the Bookkeeping Room and all of its memories to Rita Jo Bruce.

Marjorie Davidson wills her ability to struggle on the dance floor to Ruth Diggs.

Lee J. Stout leaves his place in the front seat of Sam Franklin's car to Frank Davidson.

John Clark Long willfully leaves to Jack Bomar his ability to get to Quannah without a map, with his eyes closed.

June Billington bequeaths to Dorothy Greening her place in the future One-Act Plays.

Daurice Ray Naron and Billy Diggs unwillingly leave to Weldon Moody their understanding of the act of wooing Dogpatch style.

Estelle Autry leaves her way with the men to Marge Young.

Thelma Wylie leaves her sweet ways and good deeds to Marjorie Marlow.

Mildred Bradford and Evelyn Crosnoe leave Charles Diggs their knowledge of bookkeeping.

Maida Belle Whitaker leaves her knowledge of housekeeping and cooking to La Verne Smith to be used in the future.

James Lee Braswell and J. H. Gillespie will to Leland Lewis their sterling quality of manners.

figure to Yvonne McLean.

Carol Jean Harvey, Opal and Ruby Priest will their silence to Dan Pebackek.

Leota Murphy, Anita Wesley, and Faye Griffin leave all their fun and enjoyment of high school days to Charlie Hickman.

Mary Ellen Haynie leaves her tennis playing to Kenneth Archer and Ray Burrow.

Tom Westbrook leaves his easy-to-get-along-with and ability-to-take-a-joke personality to C. J. Kelton.

Bill Nichols leaves his quiet and easy going ways to C. J. Marts and Joe Allen Minyard.

Of course, we realize that we can never repay. These debts are to our families, the boards of education, our class mothers, Mr. Graves, the taxpayers, our teachers, and Miss Cogdell—our sponsor.

CAMPUS CHAT

Well, Well! Here we are back again after an exciting week. District meet in Childress, six weeks exams, and the event of the year, the Junior-Senior banquet, has kept us quite busy the last few days.

In case everyone doesn't know why many of the students of CHS looked so beautiful and handsome last Thursday night, we had our annual Junior-Senior banquet and it was really something. Also, if you didn't know why everybody looked so drowsy and sleepy, Friday morning, it happened to be the morning after the night before.

Say, we've heard a few rumors from the kids that went to Childress Friday. It seems that Bill Owens had a certain Childress girl on his string, during the day. We don't know who, it must have been someone he met up there a few weeks ago.

Have you all seen Beatrice Lewis' new diamond ring that she is wearing on her third finger, left hand? It is really beautiful and we want to congratulate you, Beatrice. That lucky man seems to be in the army now.

Billy Fred Short and Betty Johnson were at the banquet making as handsome a couple as ever. Also double-dating with them were John Thomas Rason and Glenda Garrett. How these Sophomores do get around.

We wonder how Helen Jo Callaway and Craig Sandlin are getting along. We haven't seen them together in a week or two. Or maybe it is that we're just slow. We wonder!

I mean that we're here to tell you that Virginia Thomas really gets around. She was with a certain Margaret boy Friday night, Saturday night and Sunday night. Also Mary Evelyn Edwards was with a certain Margaret boy Sunday night. And it wasn't Bill Owens. I think his name is Eddie.

Did you know that there were more dates at the banquet this year than there has been in the last 2 or 3 years? Well, it's the truth. Maybe the modern age isn't so slow as it used to be.

One of our dearly beloved ex-seniors was home over the weekend. None other than Charles Davis. Margaret Claire Shirley was with him Saturday night. He also brought another boy home with him.

Roy Jo Cates seemed to have been doing all the good with Evelyn Crosnoe after the banquet Thursday night. My, what this world is coming to! A sophomore and a senior.

Margaret Claire Shirley and Charlie Thompson were seen at church Sunday night.

We're all wondering why Betty Owens put Basil on her American History test instead of Brazil. Hmmm! It looks bad to me.

It seems that Donald Ward is fairly "nuts" about Bessie Gamble. I don't know where I've been all my life but this news "so me." She is wearing his ring and he is wearing her bracelet. Touching, isn't it?

At seventeen, it's about love we storm; at twenty, we're strong for social reform; at thirty, success is the burning question, and at fifty, we'll settle for a good digestion.

Julie Halenec and her boy friend who is in the army, were seen riding around Sunday afternoon. Julie must have it good and that ain't bad.

The one-act play cast has really been working this last week, and they're all ready for the district meet tomorrow night. We're wishing you all the luck in the world and we know that you'll come out first.

We wonder what has happened to Clonita Russell lately? She has changed so much in the last few weeks. We wonder if it could be the influence of a certain boy! We wonder.

We wonder if Jean Orr has changed her mind about the army since she has a special interest down Wichita Falls way.

Glendon Hays and Mary Tamplin made a cute couple at the banquet Thursday night. Also seen with them were Ira Joe Hart and Jean Thompson, who certainly were not bad themselves.

a private secretary for the president of the United States, who will be—

Richard Carroll, who has his hands full taking care of the business of the United States, as well as trying to keep up with his glamorous girl wife, June Billington.

Margaret Claire Shirley will be flying large transports for the "Good to the Last Drop" airplane company. She will be the best-liked pilot on her routes, especially with the male pilots, and I don't mean M-A-I-L.

J. T. Hughton will be running the "Jitney Line" Taxic Service in Foard City. He has been very lucky, only 64 accidents for the three weeks—due, of course, to the dense traffic in that city.

Joyzelle Tysinger will be attracting much attention as the smallest woman in the world. She will be working with the "Stopum, and Rob-um" Carnival Co.

Rudolf Halenec will be running the Pitchfork Ranch. Helping him do the spring plowing will be Lealys Gilliam, who had been in his heart since days in CHS.

John Clark Long will be the leader of the famous "We Swing, You Sing" orchestra in California. His featured pianist will be Jean Orr.

Bobby Spears will be a famous baker, he will do the baking and attend to the children while his wife, an ex-senior of CHS travels.

Thelma Wylie will be working in "Red's Place," a cafe known for its fine foods by all in the Southwest.

Alton: I have lived in this town all my life. By actual count there are fifty-five tap-rooms and saloons in the town, and I'm proud to say that I have never been in one of them.

Margie: Which one is that?

Foster: My wife's cooking is driving me to drink.

Foster: Whisky and champagne?

Foster: No, bicarbonate of soda.

30 YEARS AGO IN THE NEWS

Items below were taken in whole or in part from the issue of The Foard County News of April 19, 1912:

Capt. Jas. Justice and Col. Emmett Walker, inspectors of National Guard units over Texas, inspected the Crowell company last Friday. They were greatly pleased with the equipment of the local company and stated that it had a better appearance, and had more big, stout, healthy, robust, fine looking and gentlemanly men than any other company in the state. After the inspection the officers were banqueted and during the entire time they were here they were royally entertained. They were expecting to find some little jerk water, cross roads village, but in this they were disappointed.

Col. Jake Wolters, candidate for the United States Senate to succeed Hon. Joseph Weldon Bailey, arrived here yesterday and spoke to a large crowd in the district court room. Also a number of ladies were present. He was introduced in a well chosen speech by his life-long friend, Hon. J. G. Witherspoon.

In this issue appeared resolutions of respect of Crowell Lodge No. 840, A. F. & M., on the death of Bro. J. C. Roberts, drafted by the following committee: T. N. Bell, J. H. Self and A. S. Hart.

The sad news of the death of Lois Haisell in Willyard, N. M., was received in Crowell Saturday. Lois was taken by her mother, Mrs. J. D. Haisell, to New Mexico in the hope that the higher climate would be beneficial to her health. Funeral services were held at the cemetery and interment made there yesterday. Rev. G. J. Irvin, Methodist pastor, conducted the services.

Miss Eula Glover of Foard City, who has been here several days visiting Miss Arminde Leffevre, returned home Wednesday.

One of the most enjoyable affairs of the season was the reception given by the Columbians on Wednesday last to their friends, the Merry Wives and the Adelpians, at the home of Mrs. Jas. Witherspoon. This being Texas Day of the club, the program was mostly of Texas and her history and was quite interesting.

Beginning April 26 and lasting two weeks there will be a protracted meeting at the Christian Church. Bro. W. A. Haynes, who preached for the camp meeting last summer, will do the preaching.

Miss Alice McLarty will be at day with homefolks, at Paducah Monday.

Miss Mattie Klepper will be at day with homefolks, at Vivian Sunday afternoon.

Dirty clothes! Yes! Tally the Tailor wants to do class work or no pay.

Don't fail to see the chrysanthemum at the house Saturday night for you.

Russell Beverly, W. B. Mick, Charley Ferguson, Thacker and J. W. W. turned Saturday morning in City, where they were a train of cattle to the fore. Mr. Wishon, who had good price for his stock, other boys told playing in tales about the mess.

The Republican county convention will be held in Crowell, May 7, at 3 o'clock court house. It is important that all Republicans be present.

J. E. Bell, County Judge P. K. Morrill and G. G. Hamilton will debate at Elmer last night. Morrill represents democracy and Hamilton socialism. Stanley J. Morrison was too much for Morrison.—Altus News.

This week The News begins to enter the new year. This paper will come from the Crowell to a good town where she may have some to the growth and development of this city and Foard County will not attempt to say.

Weekly Sermon

By the Rev. Will H. Houghton, D. D., President, Moody Bible Institute, Chicago.

What Christ's Resurrection Says to Us Today

Man did the worst he could when Christ was crucified. Jesus Christ had claimed to be the only begotten Son of God—and for that claim He was nailed to the cross.

When Jesus was arrested, many thought that would be the end of the new teaching. But the way of Christ became more dynamic and challenging after His death than during His life. All men found themselves forced to take sides.

Ordinary observance of Easter will not do. Fashion parades are unintelligent. Symbols in spring and flowers and rabbits are trivial. Much of the worship and music are mere mockery. Jesus Christ is too big for patronage.

If the resurrection of Christ is not a fact, then let us cast Easter aside; but if it is a fact—and it is—let us refuse to be satisfied with externals; let us fall at His feet with one of old and cry, 'My

STATED MEETING of Crowell Lodge No. 840, A. F. & A. M., May 11, 8:00 P. M. 2nd Mon. each month. Members urged to attend, visitors welcome. J. A. STOVALL, W. M. D. R. MAGEE, Secretary

Meet tonight (Thursday), at 8:30 at the Odd Fellows hall. All members are urged to attend. T. M. WHITBY, Noble Grand. J. A. THOMSON, Secretary.

Lord and My God.

The apostle Paul, who was about the same age as Jesus, understood well the value of the cross and the empty tomb. He had once hated and persecuted Christians; he had mocked at the cross and resurrection. But Paul met the living Christ and was transformed.

Hear me, young people, who have already discovered the impermanent character of human existence; hear me, middle aged, you who have lived long enough to be ashamed of the past and afraid of the future; hear me, you whose feet are going with increasing pace down the hill toward life's sunset. Life for the believer in Christ only begins here. Do you want to know of the life that has no end? Jesus Christ is that life. It is written, "He that believeth on the Son of God hath everlasting life." And I declare to you, it is possible for each one of you to know that Christ as your personal Saviour, Lord, and Friend. "If thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved" (Rom. 10:9, 10).

HOUSEHOLD HINTS

Rug cushions should be thoroughly cleaned at least twice a year. Inspect them for signs of moth.

To remove wall paper, use about a tablespoonful of salt peter to one gallon of hot water and apply to paper freely with a brush. Water should be kept hot and applied several times. The paper will then loosen and can be easily pulled from the wall.

Your Horoscope

April 13, 14.—You accept responsibility readily, but weigh a thing well before undertaking it. You have a quick, alert mind, much scientific ability, and are a good planner. You are fond of good society and love a good time, but are not fond of manual labor.

April 15, 16.—You care very much for the good opinion of others, and are generally well liked. You are not afraid to enter into unknown undertakings and seem to be able to bring things to a successful issue. You can tell a good story to perfection, and enjoy hearing them.

April 17, 18, 19.—You have a scientific turn of mind and an insatiable desire for knowledge. You are fond of home, very affectionate and demanding much affection in return. You are never satisfied with conditions as they are but always striving for something better. You are fortunate in usually getting what you want.

CHURCHES

Crowell Methodist Church Our District Conference was held at Odell Tuesday of this week. It was well attended and an interesting program as well as constructive business session was had. Odell has a new church that will be dedicated in the near future. Those attending from Crowell were, H. E. Ferguson, Claude Callaway, J. P. Davidson, Mrs. Jeff Bruce and Mrs. Earl Manard. The Conference will be held in Crowell next April. Dr. W. M. Pearce, District Superintendent, will preach in Crowell this Sunday evening and hold

our second Quarterly Conference. Another interesting feature of this service will be our new song leader for the evening services. Sam Mills is taking over and is asking for your support as singers. Those playing instruments are wanted for an orchestra. With your assistance, this song service can be made an interesting feature of our church worship, and your hearty co-operation will be appreciated.

Requests have come to me for a sermon on the "Home" this Sunday. Our Governor has asked that we observe next week as children's week. A minister with a family hesitates to give a full message on the home but since this person and children's week is at hand, the "Home" it will be this Sunday morning. If you know all you need to know about the American home you might not be interested. "People who are not interested in the church are seldom interested in other worthwhile enterprises." Certainly, the churches are not detrimental to better government or the Democratic way of life. Let's be at our best for the best. H. A. LONGINO, Pastor.

Christian Science Service "Doctrine of Atonement" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 19, 1942. The Golden Text is: "Christ is not entered into the holy places made with hands, which are the figures of the true; but into heaven itself, now to appear in the presence of God for us" (Hebrews 9:24).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "See how high that we have a great high priest, that is passed into

the heavens, Jesus the Son of God, let us hold fast our profession" (Hebrews 4:14).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Jesus' teaching and practice of Truth involved such a sacrifice as makes us admit its Principle to be Love. This was the precious import of our Master's sinless career and of his demonstration of power over death" (page 26).

Patriotic Colors Featured Decorations for Junior-Senior Banquet Held in Methodist Church Thursday Evening

Accentuating the patriotic idea which prevails throughout the country in this eventful, history-making year of 1942, the decorations for the annual Junior-Senior banquet conformed to the traditional red, white and blue for the color scheme. The banquet was held on Thursday evening in the basement of the Methodist Church which was attractive and colorful to a marked degree for the outstanding occasion of the four years of High School.

The tables, covered with snowy white cloths, had red, white and blue runners arranged down their full lengths. Bowls of red, white and blue flowers—red salvia, red gladioli, blue bonnets and sprays—were artfully arranged on each table and beautiful flags were in evidence on every hand. Crystal candelabra holding lighted white candles were also placed at intervals down the tables. Place cards consisted of cleverly improvised "Seniors" in caps and gowns holding simulated diploma scrolls, bearing the name of the guests. On the napkin which carried out the patriotic color scheme, lay the program, which was white with red lettering.

As a particular tribute to the Seniors of 1942, in whose honor the banquet was staged, the large columns throughout the banquet hall were wrapped in white with the letters of "Seniors 1942" in red cut-outs, arranged on them in a clever manner.

As parties for the stage where the program was rendered, lacy strips of red, white and blue paper hung effectively from the arrangement of the colors placed

ADELPHIAN CLUB

The Adelpian Club had for its program subject on April 1, "International Relations" and the leader was Mrs. Verne Walden. The first number of the program was a piano solo, "La Paloma," played by Larue Graves.

Mrs. R. L. Kincaid, who is District chairman of Public Welfare, was guest speaker for the afternoon, and talked on "International American Co-Operation." The club members contributed to a general discussion of "Poster Stamps." Miss Ruby Lee Bevil sang, as the closing number of the program, "America the Beautiful."

Mrs. Jeff Bruce, as hostess, served a delicious refreshment course.

JUNIOR COLUMBIAN CLUB

In spite of inclement weather, the Junior Columbian Club met for the regular meeting of the month on April 8, at the home of Miss Thelma White.

Miss Edleen Motley told of the four hundredth anniversary of the founding of Ansonson, the pictures que capital of Paragway. Miss Mildred Coggett presented two legends of the German Indians of Paraguay. Miss Geneva Ferguson gave a review of the twenty-five years of progress of secondary education in Uruguay.

The club was glad to have as a guest, Mrs. Percy Ferguson of El Paso. The hostess served delicious refreshments to her guests.

Rev. W. B. Fitzgerald, pastor of the First Baptist Church, delivered the invocation before the dinner which was served by the ladies of the Crowell P. T. A. The waitresses for the dinner consisted of members of the Freshman and Sophomore classes of High School. They wore caps and aprons which followed the patriotic color plan.

Lowell Campbell, president of the Junior Class, acted as toastmaster for the banquet and interspersed his remarks with appropriate jokes on his class members and the faculty members. The first number of the program was a duet, "Dear Mom," sung by Marjorie Brock and Wanda Evans. They were accompanied by Lealys Gilliam. The Senior Prophecy was given by Jean Seales. Another duet, "The Sweetest Story Ever Told," followed. It was sung and parodied by Wanda Evans and John Thomas Raso, who were accompanied by Mrs. A. L. Rucker. Joyzelle Tysinger read the Senior Will and the Senior response was given by Truman Taylor, president of the Senior Class. Mrs. Alva Spencer, accompanied by Mrs. Rucker, played a violin solo, "Adoration." Supt. I. T. Graves climaxed the program with an address on the subject of "Patriotism." He paid tribute to the men and boys who have made sacrifices for their country from early days to the present crisis. He cited several instances of the bravery of the early Texans and highlighted his talk by the statement that he was sure that the ladies of the present day would make wonderful soldiers, if they were called upon for their ability.

All arrangements for the lovely banquet were made by the sponsor of the Junior Class, Henry Teague, and the class mothers, Mrs. Dwight Campbell, Mrs. Herbert Edwards, Mrs. Earl Moody and Mrs. Pete Evans. They, with their husbands, were present.

Besides the members of the Junior and Senior classes, guests included the presidents of the Freshman and Sophomore classes with their guests; Rev. and Mrs. W. B. Fitzgerald; Rev. and Mrs. H. A. Longino; Supt. and Mrs. I. T. Graves; County Superintendent Leslie Thomas and Miss Mary Elizabeth Hughton; all the High School teachers; The Senior class mothers and their husbands, Mr. and Mrs. P. Herd of Truett; the president and secretary of the school board and their wives, Mr. and Mrs. Jeff Bruce and Mr. and Mrs. L. A. Andrews; and Mr. and Mrs. T. B. Klepper.

ON HONOR ROLL
Stephenville, April 13.—Among the students making the honor roll at John Tarleton Agricultural College for the second semester was Henry Ed Roark, son of Mr. and Mrs. H. C. Roark, of Crowell.

The honor roll was announced by the registrar, T. V. Crouse, on

a recent date. To be eligible for this honor a student must make at least 80 on every subject for the semester.

A survey of the students of John Tarleton was made and it was found that 98 made the honor roll.

CROWELL GARDEN CLUB
At the regular meeting of the Garden Club on last Friday afternoon, Mrs. Hines Clark served as leader. To answer roll call, the members gave the name of a noted garden. The leader discussed "Wisteria." Mrs. Vance Favor talked on "The Shaw Garden."

The Cypress Garden was the subject of a talk by Mrs. John Carter, and Mrs. Floyd Marshall told of "Magnolia Garden." "The Bellingrath Garden" was explained by Mrs. John Raso. The quiz, "Do You Know Your Garden?" was conducted by Mrs. E. M. Crouse and Mrs. E. A. Dunagan. Mrs. Q. V. Winningham, the president for the next year, appointed the following committees: Program, Mrs. R. L. Kincaid, Mrs. B. R. Magee and Mrs. S. S. Bell; Publicity, Mrs. H. K. NEW BOOK IN THE LIBRARY

The new book which has recently been added to the library, "The Keys to the Kingdom," by Dr. A. J. Cronin, is the best selling novel in America today. It is the August selection of the "Book of the Month Club." It is Dr. Cronin's masterpiece. A lesson is in it for any one who is trying to improve his life. It is a story of intense interest, and one that will hold the attention of the reader to the last page.

FOARD CITY SOCIETY

The Woman's Society of Christian Service of Foard City met in the home of Mrs. J. M. Barker April 13. During the business session, the members decided to make a quilt and send to Scarritt College as a box of supplies for the quarter.

Mrs. Virgil Johnson gave an inspiring devotional, using John 3:2 as a foundation for her talk. Mrs. J. M. Barker gave an article from The Methodist Woman, entitled "The Soldier and the Local Church."

"The Work of the Woman in the City Church" was the subject of a talk given by Mrs. J. M. Glover. She told several interesting stories of the way in which members of the Woman's Society in the large church in the city made the work interesting and helpful to themselves as well as to others.

Mrs. Glover stressed the fact that the practice of the presence of God in everyday life, is the secret of success that crowns the efforts made in special tasks undertaken through the Woman's organization and in other lines of endeavor.

Mrs. Laura Johnson closed the meeting with prayer. The next meeting will be with Mrs. W. L. Glover on April 27 at 3 o'clock.

Vegetable Insect Control Not Difficult

College Station, April 13.—Follow a few simple rules and control of vegetable insects is not difficult, according to Cameron Siddall, A. and M. College Extension Service entomologist.

A duster may be obtained for a dollar up, but one may be made at home with a tin can, a stick and a piece of cheese cloth. Ask the county extension agents how it's done. Next, have ready a supply of insecticides for use at the first sign of insect injury. These are cryolite for control of bean

Night Debut

Miss Bettie Rankin smashes a bottle of champagne as the U.S.S. Endicott, newest of the nation's fighting ships, starts down the ways at the Harbor Island plant of the Seattle-Tacoma shipbuilding corporation in Seattle. It was a night christening. Notice the big "V" for victory on the bow.

Three-Ring Circus Coming to Crowell Wednesday April 29

Arrangements have been completed for the coming of the first three-ring circus to appear in Crowell for many years. The date will be Wednesday, April 29. The Dailey Bros. Three-Ring Circus is the title of the attraction and the fire department is sponsoring it as per contract signed this week by George Self, chief of the department.

Dailey Bros' Circus is one of those three-ring affairs that keeps a person busy trying to see it all. Its permanent quarters are at Yoakum and it opens and closes every season in Texas, and shows in about fifteen other states during the summer months. It has grown and improved so rapidly in recent years that it is now placed in the front rank of tented enterprises. The policy of the management has been to emphasize quality rather than quantity, hence this show does not boast of its magnitude, but rather insists that its performance given in three rings, on the hippodrome track and in mid-air, is unexcelled.

FAMILIES ADJUST TO WAR

College Station, April 13.—Keeping families healthy and happy so they can do their share of work which must be done by civilians is one way to help win the war.

Dosca Hale, Extension Service specialist in parent education and child development, says "keeping up family spirits is a part of the war-time pledge thousands of Victory Demonstrators in Texas are signing. "Plan for good times for the family," she advises. "Don't make life stern and drab, but try to find ways of having fun without spending much money or using up precious automobile tires."

Even though transportation must be drastically reduced, families should not give up all community gatherings. Meetings of organizations of farm men, women and children have meant so much in broadening horizons, in providing recreation, and in promoting better family living they should not be discontinued, the specialist believes.

Here are some other tips: Keep the radio and phonograph in repair. Don't buy new models unless it is absolutely necessary. Encourage children to mend their toys and sports equipment. Do not sacrifice the education of children, for the post-war world will need trained people, able to adapt to new conditions. Provide newspapers and periodicals for the family and save time for reading, and news broadcasts. "Remember, well-informed citizens are the bulwark of a democracy," Miss Hale explains.

beetles, cucumber beetles, cabbage worms and other insects which feed upon the fruit and foliage of the plants; rotenone and sulphur to control tomato fruit worm, flea beetles, plant lice and leaf hoppers; and concentrated pyrethrum dust for squash bugs, stink bugs, and harlequin cabbage bugs. Watch the garden for the first sign of injury and dust both sides of leaves.

Apply poison bait late in the afternoon for control of cut worms, grasshoppers and adult weevils, May beetle, or June bug. Poison bait also will control mole crickets which frequent sandy soils.

A bait made of cryolite, finely chopped carrots or turnips and wheat bran will control the attack vegetable weevil which attacks roots and foliage of carrots, turnips, radishes and beets, together with cabbage, mustard and other leafy vegetables. This pest prevails in 30 or 40 counties adjacent to College Station.

To control the bluish-gray pill bugs, or sow bugs, which damage young tomato plants, sprinkle a mixture of two parts flour, two parts sugar and one part paris green throughout the beds. Flea beetles, also dangerous to these plants, may be controlled by dusting plants with rotenone and sulphur each seven to 10 days. Canfaloups, now coming up in southern areas, may be protected from the striped cucumber

Medical Expansion Needed in the Event of Enemy Action

Austin.—Supplying the need for an immediate program of expansion in the medical personnel available for the Health and Emergency Medical Service, Dr. Geo. W. Cox, State Health Officer, today announced that the United States Public Health Service is offering reserve commissions to physicians and dentists whose services may be used to care for evacuees in the event of enemy action.

Recruitment for those reserve commissions will be largely from older age groups, from those of minor physical disability, making them ineligible for military service, and from women physicians.

Doctor Cox, who serves as State Chairman on Health and Emergency Medical Service, pointed out that it is essential that staffs for operating base hospitals in safe areas be adequately planned to go into immediate effect, in event of disaster. "Caring for the sick and injured in the event of enemy action is a grave responsibility, and no one has the right to assume that we are immune from attack," Dr. Cox said.

"Emergency base hospitals in safe areas to which casualties may be evacuated, together with lines of evacuation, and means of transport have been established in almost all sections of this state."

Farmers Will Vote on Wheat Marketing Quotas, Sat., May 2

Uncle Sam already has his hand full and should not have to worry about a problem farmers can decide for themselves, Grady Halbert, chairman, Foard County AAA committee, pointed out this week.

Solution of the problem is marketing quotas which will be decided at community ballot boxes, Saturday, May 2, when wheat farmers vote in a national referendum.

"We must produce the feed and food it will take to help whip international gangsterism instead of spending time, labor and money raising crops we don't need," the chairman said in explaining that a 2-year supply of wheat is in sight and the United Nations are in desperate need of meat, milk, vegetables, eggs, fats and oils.

"Just as there must be no more 'business as usual,' there must be no more 'farming as usual.' Wheat is no exception and we must fit it into our war program," he continued.

Wheat marketing quotas, which divide a limited market equally among all wheat producers, give farmers opportunity to continue as masters of their own wheat production and reserves.

Also at stake in the referendum is the 85-per cent of parity loan program which is one of the principal reasons for present fair prices of wheat, the chairman said, and added that with abnormal supplies, wheat quotas are essential to maintenance of fair prices.

"We've done a good job of producing wheat, we have adequate reserves, and we're getting a fair price. Wheat marketing quotas is just another method we have of keeping our business-house in order," the AAA official said.

CITIZENSHIP CLUB

The Fourth Grade Citizenship Club met on Tuesday afternoon, April 14, at the school. Dolores Ketchersid gave a play. After the program, the Defense stamps and bonds and counted and the girls had \$64.80 worth, and the boys had \$93.45 worth.

SAVE GOOD LAND

College Station, April 13.—Many Texas farm families have large quantities of sweet, high quality land on hand, and with a little extra work and ingenuity they can save it for use during the fall and summer.

Hot weather causes land stored in big containers, such as five or 10-gallon vats, to become rancid. Grace I. Neely, Extension Service specialist in food preservation, says the solution is to pack the land tight in small containers so full they will be air-tight when sealed.

For example, lard may be stored in syrup buckets, and the friction lids may be completely sealed with paraffin or sealing wax. No larger than gallon buckets are recommended, and No. 3 cans or quart jars are even better, the specialist says. Lard packed in jars should be kept in a dark place.

Since lard containers do not have to be processed in pressure cookers, it is possible to re-sterilize tin containers for this purpose. In fact, it is safer to put lard in used tin than fruits, vegetables, meats and other products which must be processed to keep well, Miss Neely says.

Families who have on hand large quantities of oil or beer cans may use these as lard containers if they are of a size which can be sealed with their home-owned equipment. Their salvage can be valuable to the family, since oil or beer cans cannot be used for preserving foods which must be processed.

CITIZENSHIP CLUB

The third and fourth grade Citizenship Club met Friday afternoon, April 10. The club recently re-organized with the following officers elected: Elizabeth Joy, president; Jenny Vee Welib, vice president; Billy Earl Lynch secretary; Bobby Jack Stinesbaugh, vice secretary; Bobbie Ruth Abston, reporter, and Marion E. Bailey, program chairman.

A discussion of starches and sugar found in different foods was led by Miss Moore. Experiments were made to show which foods contained starch and which contained starch. The club will meet again Friday, April 17.

MEN OF WAR

General Electric men and women—thousands of them! Typical scenes show the spirit with which they are tackling their grim job of producing for war!

1. Thousands of employees, only ten days after war declaration, gathered in mass meetings in most major G.E. plants to pledge all-out war effort!

2. Almost 85 per cent of General Electric employees up to buy U.S. Defense Bonds totalling more than \$29,000,000 a year!

3. A sign chalked by a G.E. workman on a big machine being built for war. The sign carried this challenge to fellow workers: "Remember Wake Island!"

4. And day and night—the clock—G.E. workers steadily at the most important job of building weapons and planes for U.S. fighting men!

General Electric believes that its first duty as a good citizen is to be a good soldier. General Electric Company, Schenectady, N. Y.

ROTARY CLUB

One of the several programs enjoyed by the Crowell Rotary Club last week was heard Wednesday noon in a talk by A. E. of Valparaiso, Chile, who had in that country for many years and organized the first Club in his home country in 1923. Mr. Turner was South American county M. C. A. secretary, and an interesting manner benefit the practice of principles of Rotary and to people of that country the contribution Rotary and is making toward advancement of International.
