CROWELL, FOARD COUNTY, TEXAS, THURSDAY, OCTOBER 5, 1944

EIGHT PAGES

## Service

Pt. Henry Moss of Sheppard, Wichita Falls, spent the weekend here visiting his family.

Pt. Robert E. Everson of Fort Monr, S. C., who has been here on furlough visiting his family, has returned to his base. His wife accompanied him back here and his little daughter remained with her grandparents.

Pt. Bill Owens, who is stationed at Abilene, spent the week-end here visiting his wife and his parents, Mr. and Mrs. Leo Owens.

Headquarters of the Army Service Forces Training Center at Camp Barkeley, Abilene, announced this week the promotion of Lt. Reeder to the grade of staff sergeant.

Pfc. T. L. Owens, who has been assigned to Camp Lee, Va., arrived here Thursday for a visit of five days. He goes to Camp Beale, Va.

Sgt. Joe Spencer is stationed somewhere in France, according to recent letters received by his parents, Mr. and Mrs. Alva Spencer. Until a short time ago, he was in England. At the time the last letter was written, he had been in one issue of The News and the letters since he had arrived in France.

Mr. and Mrs. John Matus of Abilene, parents of Pfc. Rudolph Matus, 2nd Div. Infantry, who was wounded in France, have reason to believe that their son is not seriously wounded than they first thought. Pfc. Matus is in hospital in England, he was recently awarded the Purple Heart. Pfc. Robert E. Matus, another son of Mr. and Mrs. Matus, is stationed at Camp Shelton, Miss. He entered the service December, 1943.

Mrs. Randall Tullous has recently received a letter from her husband, Sgt. Tullous from somewhere in the South Pacific in which he stated that his section always had 8 Japanese flags to its credit. He is with a searchlight unit.

St. Steve Richter, son of Mrs. Richter of Thalia, has returned to the States from service in the South Pacific and will be home soon to spend some time.

Gordon Thomson, Ph. M. I.-C., returned to the States recent from two years' service in the Pacific, having served on Guadalcanal, New Zealand, Tarawa, Saipan, and Tinian Islands. He was awarded the Purple Heart and was sent to Okinawa for several days visiting his parents, Mr. and Mrs. Adrian Thomson. He, with his parents, visited in Crowell this week-end.

Basil Nelson, M. I.-C., who spent a 30-day furlough visiting his parents, Mr. and Mrs. O. Nelson, has gone to San Diego, Calif., where he will enter an advanced training school at the Navy Air Base there. Nelson has spent 20 months in the South Pacific and was glad to be at home.

Sgt. Joe McKinley, son of Mr. and Mrs. Clyde McKinley of Thalia, who has been stationed at Fort Belknap, Calif., has been transferred to Langley Field, Va. He is in a Radar training unit.

Pt. Martin Jones, son of Mr. J. C. Jones of Thalia, has been transferred from Fort Benning, Ga., to Camp Haan, Tex., for a period of training in Anti-Aircraft Artillery.

Cpl. Lloyd K. Gray, son of Mr. and Mrs. C. F. Gray of Thalia, is home on furlough, having arrived at his parent's home on Oct. 29. His wife, the former Mrs. Gay Nell Harris, is with him. Gray arrived overseas on Sept. 29, 1943, at Algiers. He says he has traveled across country in motor cars, which they called "hot rods," and which they used to eat but sea rotations and some fresh grapes. At Oran, he was assigned to guard of the warehouse and also of a prison camp port duty guarding boats. On a large transport, "The Empress of Japan," formerly "The Empress of India," a British liner, he sailed on Dec. 26, 1943, with 16,000 prisoners of war, which he says that he would be sunk and rescued by his own people. He was sent to Newport News, Va., on Dec. 2, 1944, and later was sent to Houston for M. P. training. He has been there since that time, and he plans to return to Houston after his furlough. Another son of Mr. and Mrs. Gray, Sgt. James C. Gray, is in Fort Benning, Ga., where he is receiving anti-airplane training. He was awarded his wings in Nov., 1943, and he has 16 jumps to his credit. He also has been previously trained in both bayonet and bayonet and

## Crowell High School Football Team to Play Seymour Panthers at Wildcat Stadium Tomorrow Night at 8:30

The Crowell High School football team will play the Seymour High School Panthers in football here Friday night at 8:30 p. m. According to the records of these two teams this should be a well matched game. Seymour is undefeated for the season with victories over Nocona, Munday and Spur. The Wildcats have defeated Floydada and Matador, and lost to the Quannah Indians, a class AA team. Crowell defeated Seymour by a 7 to 6 score last year at Seymour, and Seymour defeated Crowell by one touchdown here the year before.

Coach Harold Wilkinson has been working the Wildcats out hard on blocking assignments during this week. They showed much improvement last week at Matador in this department.

### Probable Starting Line-Up

No.	Crowell	Wt.	Position	Wt.	Seymour	No.
80	Joe Mason	170	Left End	160	Cole	58
71	Glen Taylor	230	Left Tackle	178	Smith	64
62	O. C. Wharton	145	Left Guard	180	Stout	56
51	Travis Vecera	140	Center	160	Tuck	50
41	Kenneth Payne	145	Right Guard	167	Porter	67
70	Bobby Cooper	158	Right Tackle	170	Parks	69
83	J. L. Brock	150	Right End	155	Meads	61
11	Pat McDaniel	158	Quarterback	150	Owen	62
30	Ray Tamplin	165	Left Half	160	Sims	70
10	Kendrick Joy	140	Right Half	175	Starkey	67
21	John Carter	169	Fullback	155	Rogers	65

### Seymour Reserves

Linemen: Keck, 59, wt. 155; Cox, 70, wt. 130; Golden, 51, wt. 135; Kisinger, 53, wt. 160; Rodney, 55, wt. 152; Jones, 77, wt. 142; Ross, 63, wt. 146.

### Crowell Reserves

Linemen: Bell, 82, wt. 170; Gobin, 81, wt. 140; Short, 50, wt. 150; Wood, 63, wt. 136; Nichols, 70, wt. 145; Ballard, 60, wt. 126; James, 73, wt. 130; White, 75, wt. 140.

### Officials

Capt. Barksdale, (Baylor), Childress, referee Lt. Holt, (Austin College), Childress, umpire Bill Clynch, (A.C.C.), Childress, Head linesman.

## Foard County News and Local Sponsors of Advertising for 5th War Loan Congratulated by Treasury Dept.

The News received a letter of congratulations from Loyal Phillips, Newspaper Advertising, War Finance Division, of the U. S. Treasury Department, in connection with the amount of advertising carried in this newspaper to promote the sale of bonds in the 5th War Loan campaign, which was sponsored by local business firms. Mr. Phillips' letter follows:

"Dear Mr. Klepper: It is with genuine pleasure that we enclose a Special Citation letter which has been awarded to you—Congratulations. Your newspaper was among the top 100 weeklies in total war bond lineage during the fifth drive. The citation letter from Mr. S. George Little, the Treasury's Special Newspaper Consultant, is in recognition of your contribution to the War Bond program." Signed, Loyal Phillips.

The special citation letter from Mr. Little follows:

"Dear Mr. Klepper: We would like to express our most sincere appreciation for the outstanding support that you and your advertisers gave the Fifth War Loan Drive.

## Gov. Coke Stevenson Asks All Texans to Support War Fund

Austin.—Gov. Coke Stevenson this afternoon called on all Texans to give full support to the National War Fund through "generous contributions to their county and community war fund campaigns."

"Every Texan should exhibit on the home-front the same determination and spirit of sacrifice that our fighter men are showing on the firing lines," the governor declared in a letter to Judge Ben H. Powell, president of the United War Chest of Texas. "It is our duty to give them every support at our command."

"During the next few weeks we will have the opportunity to help our Texas fighting men by contributing to the great war-related agencies which serve them and their allies." Governor Stevenson continued. "Through the state-wide campaign conducted on behalf of the National War Fund by the United War Chest of Texas, every Texan can help bring earlier victory and peace."

"The National War Fund deserves and should have the full support of all patriotic Americans. I call upon all Texans to support this great effort through generous donations to their county and community war fund campaigns. I am confident that the response will be typical of the people of this state. 'Sure, I'll Give a Texan's Share.'

"Please accept the sincere appreciation of the Treasury for your outstanding contribution to this most vital war financing program." Signed, S. George Little, Special Newspaper Consultant, War Finance Division.

"The importance of sustaining our war effort is emphasized. Newspapers have been consistent in their voluntary support of this essential financing effort and their co-operation is indispensable."

"War Bond advertising is not only helping sell War Bonds that must be sold to finance the war, but it is also aiding materially in our Nation's fight to control inflation. The importance of sustaining our war effort is emphasized. Newspapers have been consistent in their voluntary support of this essential financing effort and their co-operation is indispensable."

"Please accept the sincere appreciation of the Treasury for your outstanding contribution to this most vital war financing program." Signed, S. George Little, Special Newspaper Consultant, War Finance Division.

The National War Fund deserves and should have the full support of all patriotic Americans. I call upon all Texans to support this great effort through generous donations to their county and community war fund campaigns. I am confident that the response will be typical of the people of this state. 'Sure, I'll Give a Texan's Share.'

Through county and community campaigns to be conducted in every county, Texas is scheduled to raise almost \$5,000,000 for the National War Fund, which provides funds for more than 24 agencies serving American troops, troops of Allied nations and war-victims throughout the world.

The Bulova watch company has built an \$80,000 school at Woodside, Long Island, where disabled veterans will be taught watch and clock repair. In one week's time after the announcement was made, jewelers from all over the country pledged to hire 500 of the vet's errands so trained. The school's capacity is 250 students.

## Texan Is Legion's "Man of the Year"

Selected as "Man of the Year" for his outstanding record in advancing the principles of Americanism advocated by the American Legion, Horace H. Shelton (left), attorney of Austin, Tex., is shown at the national convention in Chicago as he received the \$1,000 Lewis S. Rosenstiel Award for distinguished community service. The award is presented annually by Rosenstiel, chairman of the board of Schenley Distillers Corp. Making the presentation is James F. O'Neil, of Manchester, N. H., vice-chairman of the Legion's National Americanism Commission.

## Crowell Wildcats Defeat Matador Bullfighters

The Crowell Wildcats chalked up their second football victory with the defeat of the Matador Bullfighters. The team showed a marked improvement over the previous week. Blocking and tackling were hard and the interference on plays was excellent.

Crowell tallied in the first few minutes of the game after J. L. Brock, left end, recovered its own kick-off. Pat McDaniel scored first on an end run. The team failed to convert for the extra point. The second score came in the first quarter also. Kendrick Joy ran it over after it had been advanced down the field on a series of downs by the whole backfield. John Carter kicked the extra point.

## Cotton Picking Ceiling for Area Fails to Carry

The state committee on establishing a cotton picking ceiling, reports that not more than 40 per cent of the growers in the designated area voted on the proposition, according to County Agent D. P. Eaton.

Out of 33,227 producers only 13,643 were in favor and 1,998 against the plan, or only 41 per cent were in favor of the proposition. Therefore the proposition failed and no ceiling for snapping cotton will be set, Mr. Eaton stated.

In the second quarter Ray Tamplin scored on an off-tackle smash and Carter again kicked the extra point. Outstanding blocking was done by Travis Vecera, who played the game as substitute guard for Kenneth Payne, who was out due to illness.

The final results of the vote on cotton pulling price ceilings in Foard County taken by mail were as follows: Of the 304 growers in the county, 110 voted for price ceilings and 32 voted against. A majority of three to one. However, the total vote was only 46.4 per cent in the area. Of those voting for the plan only 36.2 per cent voted for it.

It would have caused some disorder since it was so late and the price proposed was rather low. However, the agent's part of the program was to secure the sentiment of the growers and so far as this county is concerned the above report reflects their attitude and is a fair sample of the feeling of the growers.

The 501st Parachute Infantry Regiment has as its motto "Geronimo." The Apache Indian cry "Geronimo" was shouted in furore by the regiment's first parachutist on his maiden jump. Ever since then this has been the regiment's battle cry.

Upward of 11,000 four-engine bombers came off American assembly lines in the first eight months of this year. The schedules for September call for 7,934 planes of all types.

The continued and insistent impact of War Bond advertising messages in thousands of weekly and daily newspapers has forced and fully stressed to the American people the urgent necessity of buying more and more war bonds. This generous support of newspapers and their advertisers has played an essential and outstanding role in the nation's phenomenal war bond sales record.

The same situation seems to have materialized over the area so the county agent has been informed proposition failed for the proposed area in the state.

It would have caused some disorder since it was so late and the price proposed was rather low. However, the agent's part of the program was to secure the sentiment of the growers and so far as this county is concerned the above report reflects their attitude and is a fair sample of the feeling of the growers.

War Bond advertising is not only helping sell War Bonds that must be sold to finance the war, but it is also aiding materially in our Nation's fight to control inflation. The importance of sustaining our war effort is emphasized. Newspapers have been consistent in their voluntary support of this essential financing effort and their co-operation is indispensable.

## Fat Rides To Battle

Chemical Warfare Lt. James E. MacDonald, of Passaic, N. Y. (right) recently returned from Italy where he won the Purple Heart, demonstrates to his friend, Col. William H. Creighton, of Charleston, W. Va., how this new weapon of chemical warfare, the smoke generator, works and keeps German "eggs" from hitting their mark. The generator blows out a smoke screen that blots out cities, harbors, important industrial and military installations or landing operations. Lubricating oils and paints for this generator require the products of used cooking fat.

"The continued and insistent impact of War Bond advertising messages in thousands of weekly and daily newspapers has forced and fully stressed to the American people the urgent necessity of buying more and more war bonds. This generous support of newspapers and their advertisers has played an essential and outstanding role in the nation's phenomenal war bond sales record."

"War Bond advertising is not only helping sell War Bonds that must be sold to finance the war, but it is also aiding materially in our Nation's fight to control inflation. The importance of sustaining our war effort is emphasized. Newspapers have been consistent in their voluntary support of this essential financing effort and their co-operation is indispensable."

"Please accept the sincere appreciation of the Treasury for your outstanding contribution to this most vital war financing program." Signed, S. George Little, Special Newspaper Consultant, War Finance Division.

The National War Fund deserves and should have the full support of all patriotic Americans. I call upon all Texans to support this great effort through generous donations to their county and community war fund campaigns. I am confident that the response will be typical of the people of this state. 'Sure, I'll Give a Texan's Share.'

Through county and community campaigns to be conducted in every county, Texas is scheduled to raise almost \$5,000,000 for the National War Fund, which provides funds for more than 24 agencies serving American troops, troops of Allied nations and war-victims throughout the world.

The Bulova watch company has built an \$80,000 school at Woodside, Long Island, where disabled veterans will be taught watch and clock repair. In one week's time after the announcement was made, jewelers from all over the country pledged to hire 500 of the vet's errands so trained. The school's capacity is 250 students.

## Campaign for Raising Funds for United War Chest for Texas Will Be Launched Monday, October 9, in Foard County

The week of October 9-14 has been proclaimed "War Fund Week" and will be observed throughout the United States, Texas and Foard County. "War Fund Week" in Crowell and Foard County will coincide with the state-wide campaign being conducted in behalf of the National War Fund by the United War Chest of Texas. Through county and community war fund campaigns in every part of the state, Texans will contribute approximately \$5,000,000 to support

USO, War Prisoners Aid and other National War Fund agencies serving "our own and our allies." Foard's part of the \$5,000,000 amounts to \$2,350.

Plans are complete for the furthering of the local campaign in each community in Foard County, says County Chairman Claude Callaway, and the work will begin according to schedule on Monday, Oct. 9 and is expected to be finished by Oct. 14.

## Staff Sgt. Clyde C. James Reported Missing in Action

Staff Sgt. Clyde C. James, husband of Mrs. Opal James, who resides at the home of her parents, Mr. and Mrs. Bud Minyard, has been reported by the War Department to have been missing in action on the battle front in France since Sept. 9, according to a telegram received by Mrs. James Sunday.

The public schools of Texas will observe the opening of the campaign with appropriate services in all schools, according to State Superintendent of Schools L. A. Woods. In his response to the plea for co-operation, Supt. Woods writes to Judge Ben H. Powell, president of the United War Chest of Texas, that all teachers, students and patrons of the schools are urged to support the agencies whose duties it is to render services to the men in our armed forces.

The Texas campaign will be opened with a "Kick-off" radio program from 9:30 to 10 p. m. Monday night, October 9. The program will be carried by all networks and it is expected that the radio show will be carried by every radio station in the state.

Before entering the service Sgt. James lived in Vernon. He took his basic training at Camp Bowie, Brownwood, and had been overseas since June of 1943. He was attached to an anti-tank company.

Chairman Claude Callaway announces the following quotas for the communities and their committees: Crowell, \$1,000. Judge Leslie Thomas, chairman, Thalia, \$400. E. G. Grimsey, chairman, Jack Woodson, J. M. Jackson, J. C. Taylor and A. B. Wisdom; Rayland-Riverside, \$250. Monroe Karcher, chairman, Joe Johnson, Roy Ayers, Mrs. T. E. Lawson and Mr. Martin; Margaret, \$200. W. A. Dunn, chairman, Box Middlebrook, C. W. Ross and Joe L. Orr; Fossil City, \$200. Virgil Johnson, chairman, Miller, J. L. Farner and Clarence Barker; Vivian, \$150. Hartley Easley, chairman, Otis Gafford, Allen Fish and Karl ten Brink; Good Creek, \$50. Glen Jones, chairman, Jack Stinebough; Black, \$40. J. J. McCoy, chairman, Roy Steele and C. F. Hunter.

## Son-in-Law of Dr. and Mrs. Kincaid Died at Lubbock

Harvey Turnbough, son-in-law of Dr. and Mrs. R. L. Kincaid, passed away in Lubbock Saturday night, following an illness of six months. He submitted to an operation one week before his death and seemed to be responding well but grew worse on Friday prior to his passing.

Funeral services were held at the Church of Christ in Lubbock, of which deceased was a member, on Monday afternoon, Oct. 2, with the pastor of the church, officiating. Dr. and Mrs. Kincaid and Mr. and Mrs. Mel Kincaid were present for the funeral, however, Mrs. R. L. Kincaid had been in Lubbock for several days. Burial was made in the Lubbock cemetery.

Mr. Turnbough was a native of Quanah, where his father and other relatives reside. He had been living in Lubbock for the past fourteen years and had been connected with the Citizen's National Bank during that time. He was head cashier of the bank at the time of his death. He was married to Miss Lorette Kincaid in June, 1932. To them was born one child, Joan, 9 years of age. Mrs. Turnbough and daughter will continue to make their home in Lubbock.

## Missionary to China Speaks at Baptist Church

Miss Blanche Groves, a Baptist missionary to China, who was returned to the States two years ago, spoke at the Baptist Church Tuesday evening, as the closing feature of the two-day Wilbarger-Foard Association, on the subject, "China, Rising Above the War."

Miss Groves was located at Soochow, China. She told in a convincing way of the sufferings and urgent needs of the Chinese people, who have so long, fought through the ravages of war and distresses of many kinds and of their courage and faith and their determination to rise above all their difficulties.

The same situation seems to have materialized over the area so the county agent has been informed proposition failed for the proposed area in the state.

It would have caused some disorder since it was so late and the price proposed was rather low. However, the agent's part of the program was to secure the sentiment of the growers and so far as this county is concerned the above report reflects their attitude and is a fair sample of the feeling of the growers.

## Nearly Two Inches of Rain Falls in Past Two Weeks

Foard County received .46 of an inch rain last week; 1.26 inches fell Monday night and Tuesday of this week. From reports received the rain was heavier in some parts of the county, particularly in the south portion where a good rain fell that did not reach Crowell.

The rain fell in such a manner that it is believed that the cotton crop was not damaged and the moisture will put the land in fine shape for fall wheat sowing. Some wheat had already been planted in the dry ground and will come up immediately following the good rain.

The dire need of the Chinese people and the missionaries who are trying to help them, was illustrated by Miss Groves by the story of one experience. The compound where she lived had the privilege of taking in one hundred children for protection, food and care. They had tried to be very quiet about the proceedings but when the morning came to receive the children and the gates were opened, the news had got abroad and there were literally hundreds of children lined up down the streets hoping that they might be taken in by the missionaries.

## WCSZ Zone Meeting to be Held in Thalia

Zone No. 2 of Vernon District of Methodist Churches, will have its meeting in Thalia on Friday, Oct. 6, to begin at 10 a. m. A program has been outlined for the all-day meeting with Mrs. Virgil Johnson of Foard City, zone president, in charge.

A covered dish lunch will be served at the noon hour with the Thalia ladies as hostesses.

Miss Groves stressed the fact that the Chinese need the prayers of the Christian nations more than they need anything else. She relayed the thanks and appreciation of the Chinese people to America for the food, clothing and money they have sent to them and which, they say, has saved thousands of people from starvation and freezing.

Miss Groves is planning to return to China at the first opportunity and to give the rest of her life to that work and says that if she had 10,000 lives to live, they would all be lived for China. Her address was received with appreciation by her hearers, who responded to her moods with earnestness.

Mme. Chiang Kai-shek, China's first lady, will come to the United States from Brazil for medical treatment.

According to the FBI, 10,000 Americans have been sentenced for efforts at draft violations. The fines total 25,355 years and \$963,149. A total of 394,335 cases were closed, up to August 1.

Shook and daughter, Norma Louise, and sister, Norma Lee, of Leveland and Lona Abston of Thalia were here Sunday afternoon. Jewel Johnson of Foard City visited Verna Mae Smith here over the week-end.

SAFETY SLOGANS

The druggist keeps the poisons in his prescription case under lock and key. Don't keep poisons in the medicine cabinet with cough syrups and headache tablets. Remember that infection can start from a pin prick. A hit and run driver is a criminal. Be sure if you observe such an accident to get the license number.

There are a lot of things to learn about living that many do not learn until it is too late.

Back Legislative Redistricting Fight

Let the People Be Heard! WTCC To Open Campaign (Lubbock Avalanche-Journal)

Within the next several weeks, the West Texas Chamber of Commerce will hold eight meetings in as many points in its 132-county area, and one of the principal discussions programmed for each gathering has to do with legislative redistricting in Texas.

West Texas Chamber of Commerce has for one of its broad-gauged 1945 goals legislative redistricting in this state and is being joined in its effort by the South Texas Chamber of Commerce and other similar civic organizations in the lower half of the state. With Governor Stevenson pledged to support redistricting in the regular legislative session opening in January, prospects for success in this old fight look rosier than they have heretofore.

FOR VICTORY... Buy U.S. War Bonds and Stamps

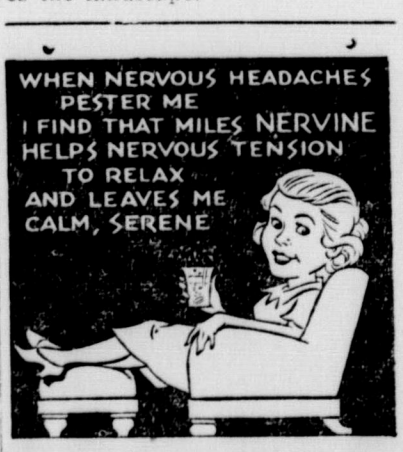

TWO BOTTLES OF QUININE

New Guinea. While completing Christmas inventories, putting her merchandise in shape, and dusting off the shelves of her general store in Carlsbad, Texas, Lida M. Duncan discovered two bottles of quinine tablets. They had gathered dust on the shelves for months. Then Mrs. Duncan read

Leadership of West Texas Chamber of Commerce is on firm and familiar ground in the matter of legislative redistricting.

In 1936, WTCC's leadership was largely responsible for the addition to the constitution of the Moffett amendment, which prohibits great centers of population from attaining more than seven legislative representatives, thus preventing the "big cities" from more than a just voice in the state's legislative affairs. As WTCC's drive for the Moffett amendment succeeded in 1936, the campaign for legislative redistricting in 1945 can and will succeed if Texans vitally affected will back up the West and South Texas chambers and their co-operating organizations. It is up to the rank and file of the people. For their own good, and that of all Texas, they should aggressively respond.

It takes 1,500 nuts to hold an automobile together, but one at the wheel can scatter them all over the landscape.

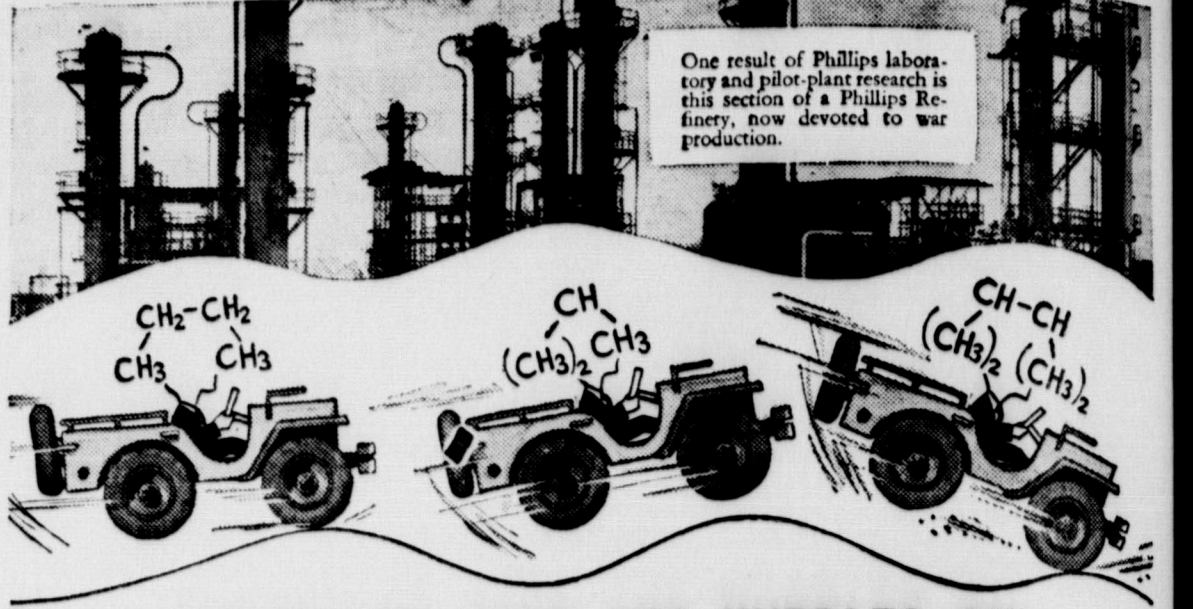

WHEN Functional Nervous Disturbances such as Sleeplessness, Crankiness, Excitability, Restlessness or Nervous Headache interfere with your work or spoil your good times, take

Dr. Miles Nervine

(Liquid or Effervescent Tablets) Nervous Tension can make you Wakeful, Jittery, Irritable. Nervous Tension can cause Nervous Headache and Nervous Indigestion. In times like these, we are more likely than usual to become overwrought and nervous and to wish for a good sedative. Dr. Miles Nervine is a good sedative—mild but effective.

If you do not use Dr. Miles Nervine you can't know what it will do for you. It comes in Liquid and Effervescent Tablet form, both equally soothing to tense and over-wrought nerves. WHY DON'T YOU TRY IT? Get it at your drug store, Effervescent tablets 55¢ and 75¢, Liquid 25¢ and \$1.00. Read directions and use only as directed.

MOLECULES TAKE THE HURDLES ON PHILLIPS NEW "PROVING GROUNDS"

Almost buried in a recent Phillips Petroleum Company report was this simple statement: "The Company has completed, in recent weeks... an additional research laboratory which is one of the largest in the industry."

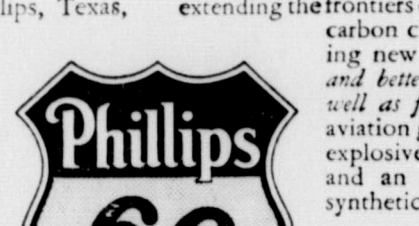

To every patriotic citizen interested in new products, and particularly excited by the thought of our nation's finest products—complete and final victory over the Axis powers—the statement deserves to be underscored and spotlighted.

The new research laboratory at Phillips, Texas, more than doubles Phillips existing research facilities. Judging from the previous record and long list of achievements of the Phillips research and technical staff, it is obvious that this enlargement will mean new weapons for the war effort, significant improvement in old ones, and vastly better post-war gasolines and lubricants for car owners.

A laboratory originally meant "the workshop of a chemist." But the new Phillips laboratory is much more than that. It is a series of experimental, pilot

(small-scale) plants... which are true proving-grounds for products, processes, and full-scale manufacturing plants. And these are the workshop, not of a chemist, but of literally hundreds of technically trained enthusiasts, whose ranks represent graduate degrees from 142 of the nation's universities.

Devoted to science, both pure and applied, these experts are engaged in the never-ending study, test, and analysis, which has made Phillips a leader in extending the frontiers of knowledge concerning hydrocarbon chemistry. Always they are seeking new and better ways to make new and better things from petroleum gas as well as from petroleum: 100-plus octane aviation gasoline... synthetic rubber... explosives... plastics... medicines... and an almost limitless list of other synthetic chemicals.

No wonder the Phillips 66 Shield reminds so many people that Phillips refineries, in addition to producing gasolines, lubricants, and fuel oils, are also gigantic chemical plants, pouring out weapons for victory. Phillips Petroleum Co., Bartlesville, Okla.

Mr. and Mrs. Greek Davis of Lorenzo spent Thursday and Friday with Mr. and Mrs. A. L. McGinnis and other relatives.

Mr. and Mrs. John Matus and Mr. and Mrs. Johnnie Matus spent Sunday with Mr. and Mrs. Edd Jokel and family of Vernon.

Mr. and Mrs. S. B. Farrar and daughters attended a farewell dinner given for Ralph Hudgeons at his parents' home in Vernon Sunday.

Ellis Wilson has returned to Camp Bowie after a visit with his brother, M. Wilson, and family.

Mr. and Mrs. George Grant and sons of Hollister, Okla., spent Wednesday with her parents, Mr. and Mrs. T. C. Pope.

Mr. and Mrs. Forrest Durham of Littlefield spent the week-end with her parents, Mr. and Mrs. Sim Gamble.

Mrs. Jim Sansbury of Celera, Okla., came Thursday for a visit with her daughter, Mrs. Edward Brock, and family, and other relatives.

James Adkins of Fort Worth and Mr. and Mrs. Houston Adkins and daughter of Thalia spent Sunday with their parents, Mr. and Mrs. Cap Adkins.

Mr. and Mrs. Fred Rennels of Bryan spent Saturday night with Mesdames J. L. and Bailey Rennels.

Mr. and Mrs. Jody Tole, daughter, and Mr. and Mrs. Ben Hopkins and children were dinner guests of Mr. and Mrs. John Wright of Thalia Sunday.

Eldon Wheeler spent the week-end with his uncle, Edgar Wheeler, of Knox City.

Mr. and Mrs. Edgar Wheeler and family of Knox City spent Saturday with his brother, Wayne Wheeler, and family.

Mrs. Hazel Simmonds and son, Darrell, of Guthrie, Okla., have been visiting Mr. and Mrs. R. G. Whitten and family.

Mrs. J. L. Rennels and Mrs. Bailey Rennels attended a gathering at the home of Mr. and Mrs. Rob Abston of Crowell Sunday, honoring Mr. Abston's nephews, A. C. and Damon Phillips, who have recently returned from overseas duty in the Pacific.

Captain F. L. Rennels of Coffeyville, Kan., spent a while with his grandmother, Mrs. J. L. Rennels, and Mrs. Bailey Rennels Tuesday. He was met at the airport Sunday morning north of Vernon by Mrs. parents and the Mesdames Rennels.

Mr. and Mrs. Sim Gamble observed their 47th wedding anniversary at their home Sunday. A large crowd of relatives and friends were present.

2,000 Students Are Enrolled at Tech

Lubbock.—With approximately 2,000 students already enrolled for the current session at Texas Technological College, an increase of 20 per cent is indicated over last year. Most of the increase is reflected in the larger number of freshmen.

Since the opening of the college in 1925 until the beginning of the war the men enrolled at Texas Tech accounted for about 60 per cent of the student body and the women 40 per cent. This balance of the sexes rarely varied more than one per cent. However, women in the college this semester outnumber men two to one.

Vanguard of a great army of ex-service men and women who are expected to attend college under the government educational program, 51 ex-service men have enrolled in the college this term. But youthfulness is probably the word that would most appropriately describe the complexion of the present student body.

French fried potatoes stay in your mouth a few minutes, in your stomach a few hours, and on your hips the rest of your life.

If post war air transportation will be as great as some people anticipate, we'll have to find a new place to build our castles.

AGRICULTURE  
(D. F. Eaton, County Agent.)

Fire Prevention Week

Fire takes a heavy toll yearly of the least expendable property, the homes and buildings of Texas farm families. But even more tragic is the precious lives snuffed out in many of these fires.

President Franklin D. Roosevelt by proclamation has designated October 8 to 14, inclusive, as Fire Prevention Week in order to rally the nation to a determined effort to check this waste on the home front.

Farm fires in Texas take more than a score of lives annually and represent property losses of millions of dollars. Over the nation, fires exact more than three thousand lives and 100 million dollars in values of buildings, livestock, crops and farm machinery.

These losses are disastrous in normal times, but in war time they become a menace to the nation. Food, as much of it as we can produce, is vital to winning the war, and building material is hard to obtain to repair damaged buildings or to erect new ones.

The majority of farm fires are preventable. We urge families in cities and towns here in Foard County, especially during Fire Prevention Week, to study how they can remove fire hazards, and to equip themselves to control unavoidable blazes.

It is further suggested that before fall fires are lighted chimneys and flues should be examined for chinks and repairs made. Attics and basements should be cleared of rags, papers and other waste. Paper and rags can be turned into cash because they are needed for war purposes. Gasoline and oil should be stored away from barns, and smoking should be avoided in places containing inflammable materials.

Members of Texas 4-H Clubs have done commendable work in removing fire hazards, and have given careful study to fire prevention here in Foard County. Fire Prevention Week offers an opportunity to intensify this effort.

Grasshopper Surveys

State and Federal entomologists will conduct surveys in Texas and several other southwestern and western states this fall to determine the probability of grasshopper infestation next year, according to information from the U. S. Department of Agriculture.

Paul Gregg, assistant entomologist for the A. & M. College Extension Service says that since there was no outbreak of migratory hoppers during 1943 and 1944, the outlook for Texas is favorable. The survey, however, will reveal whether the spring generation will be sufficient to threaten damage. This information will be available in time to enable Federal, State and County organizations to take necessary steps to prepare control measures. There is a large carry-over of hoppers in Foard County. Some damage is being done to fall wheat. It would not be a surprise if we have increased numbers next spring. The hopper will deposit eggs pretty soon. The present hoppers will pass with frost.

August Hatched Chickens Fewer

There will be fewer August-hatched chickens in Texas poultry houses and meat markets than was the case last year. The USDA Bureau of Agricultural Economics, Austin, estimates that only 600,000 chicks were hatched in Texas commercial hatcheries during August, compared with nearly one and three-fourths million in the same month last year. Eggs set during August were estimated at slightly more than one and one-quarter million against more than two and one-half millions in August, 1943. The total output of commercial hatcheries in Texas from January through August was forty-four and three-quarters million, a decrease of thirty-seven per cent from the corresponding period one year ago. Operations during 1943 were of record volume.

Overheard in a restaurant: "Walter this steak is tough." Reply: "Well, what do you expect for \$2.50?"

During these summer days it is not hard to see why they call this country the melting pot.

Navy Day - October Twenty-Seven: The beginning of the U. S. Navy dates back to October 27, 1775...

A local boy in the overseas service writes home that as far as he is concerned none of the countries he has visited during his service...

Why is it that though most small communities removed from defense industries report a loss in population they have the greatest housing shortage in their history?

If even a small per cent of the thought and attention and planning had been given to affairs before the war that is being given to the world after the war there would have been no war.

BECAUSE THEY KNOW what USO, War Prisoners Aid and other agencies of the National War Fund are doing for their buddies abroad...

What We Think

Temperance, in my opinion, can be sold the American people the same as radios, washing machines, soap, cosmetics, cigars, cigarettes...

Scarcely a publication today that does not have in it advertising for these items. In presenting the sales story in each case the best skill of advertising artists, copy writers and printers art is used to create interest, desire and stimulate buying action.

Too often the cause of temperance is presented ineffectively. Too often those promoting it have ignored or overlooked the fact that the present day world wants to be sold on the thing it uses.

Either this is the natural attitude of men and women or this attitude has been developed by advertising copy writers through the years that selling has been going on through the printed page.

Whatever the reason back of it the idea has been carried out by advertising agencies, artists and copy writers until the most beautiful and attractive portions of many of our leading magazines are given over to advertising.

One of the problems that is facing the earnest group that is working for the temperance cause is that they are unable to reach enough people with their message.

There are many fine and attractive things about temperance around which present day copy writers and advertising artists could build a winning sales talk.

What more could clever advertising artists and copy writers want for a theme. They could show these things graphically. They could show the drinker who dribbles away his income, who robs himself of his efficiency...

Such a program would cost money to be sure but I believe that such a program would attract financial support. It would be meeting the enemy on equal grounds and that is where, if the best results are to be attained, he is going to have to be met.

We are a people who pretend to vote for the principles for which our party stands but we think it a safe bet that not one person in 1,000 has read their party's platform.

If a disastrous depression does not follow this war there will have been a lot of high class worrying done for nothing.

As usual this year Maine rolled up the biggest Republican vote in her history.

Don't Fire On Our Own Men!

The Germans and the Japs would like for us to believe that the war is almost over. Nothing would suit them better than to have Americans let down on the home front.

That is why the enemy propagandists are working overtime to pull us into a false sense of security. They know that only if we grow over-confident can they hope to stage a successful military come-back.

Soldiers in the thick of the fight know better. Out where the bullets are flying, no one is thinking about the end of the war. The boys there are thinking of only one thing—to fight to the finish.

If we let them down now—if we let down in our home front jobs just because of good news from Europe—our fighting men will be endangered not only by the enemy in front of them, but by their own people at home!

We just can't let them down! Now, more than ever before, they need our full support. Now, when victory is in sight but the fighting hasn't ended, they need to know that we are solidly behind them.

All Texans can show that support by working and contributing toward the success of the National War Fund campaign. Through this single state-wide drive, Texans may contribute to USO, War Prisoners Aid and all the other National War Fund agencies that are serving our own fighting men, our Allies and war victims everywhere!

The county leaders who are conducting the campaigns are the leaders in the home front fight for victory. They deserve the support of every Texan.

Red Cross to Send Clothes, Equipment To Blind in Russia

Washington.—Clothing supplies valued at \$450,000 have been ordered by the American Red Cross for the relief of Russian war blind.

Red Cross national headquarters announced this week that of this \$1,310,000 worth has been produced by Red Cross local volunteers and the balance will be procured through government funds.

In addition to clothing, the American Red Cross is providing 1,000 Braille watches and a large quantity of occupational therapy equipment.

Red Cross officials are also investigating the possibility of obtaining 100 Braille typewriters for shipment to Russia.

The supplies were requested by the Union of Red Cross and Red Crescent Societies of Russia for distribution to 8,000 men and women blinded in battle.

Red Cross Builds Food Reserves For American Prisoners

Washington.—A three-month reserve stock of American Red Cross standard food packages has been established in virtually all German prison camps.

Red Cross national headquarters announced this week that this reserve will be used for the expected increase in American prisoners of war captured during that transportation facilities are the invasion, and also in the event disrupted, rutting off additional shipments from Geneva.

Reserve clothing stocks have also been built up through the International Red Cross Committee which distributes all American Red Cross supplies to prison camps.

Operations of concessions in Washington, D. C., federal building net from \$3,500 to \$15,000 a year.

IN THE NEWS

30 YEARS AGO

News items below were taken in whole or in part from the issue of The News of October 9, 1914.

A team belonging to J. M. Jonas Jr. ran away with Mr. Jonas while in Crowell Friday. Mr. Jonas managed to hold on to the team, but he declares that they threw him as high as the lines would let him go.

W. F. Wood, who is farming a part of the Ab Miller place, was in town Monday. He came to bring a load of corn he had raised, which is yielding 44 bushels per acre.

D. D. Adams brought two beets to The News office this week which weighed seven and three-quarter pounds.

The derrick at the oil test on the Halsell Ranch has been torn down and all work discontinued and the hole will be fit for nothing but post holes.

G. W. Watson, one of our farmer friends residing eleven miles south of Crowell, had the misfortune to cut his left foot open with an ax while chopping wood last Saturday.

A case of smallpox is reported at the Muldoon place south of town, the patient being a cotton picker and a stranger here.

J. W. Harris, one of our well-known farmers, passed away at the family residence northeast of town Wednesday after an illness of several months. He had been in failing health for more than a year.

Claude McLaughlin of Edmond, Okla., is here for a few days' visit with relatives and to recuperate from an appendicitis operation.

Miss Vera Waldrop, sister of R. R. Waldrop, arrived here last week from Comanche, and began at once her duties as bank stenographer for the First State.

Frank Cates and family returned home from Arkansas Monday night.

Grady Magee left Sunday morning for Dallas to attend the Metropolitan Business College.

Mr. and Mrs. R. J. Roberts left Wednesday for a visit at Harrold and Wichita Falls. They will return in their Ford which they left down the Denver while on their trip to East Texas a few weeks ago.

Mrs. G. F. Elliott came home Sunday morning from Hammond, Okla., where she was called on account of the death of her mother.

Miss Bonnie Gordon spent last week in Rayland visiting her sister, Mrs. C. T. Bowers.

RED CROSS OVERSEAS KITS

Washington, D. C.—More than 6,000,000 kit bags, made and packed by the 3,500,000 women volunteers of the American Red Cross Production Corps, have been provided for members of the armed forces embarking for foreign service.

This total includes 5,524,672 olive-drab bags for soldiers and 504,173 blue bags for sailors. Each kit contains razor blades, writing paper, pencils, sewing materials, shoe laces, soap, pocket novel, candy and other articles. The drawing bags, when emptied, may be used for many purposes. One Army flier reported taking the bag on flights, to hold flares ready for use in an emergency landing.

ATTENTION, PLEASE. Protect the fruits of your labor—make sure that all of your property is insured adequately. Don't put it off any longer. Call on us for a property check-up now. Hughston Insurance Agency. Office Phone 238. Residence Phone 225.

Brief Bits of News From Here and There. Red Cross Repair Kits For Wounded Returning to U. S. Since the Russian capture of the town of Maidanek in Poland new stories of German atrocities committed in the 670 acre concentration camp have come to light. Here in the past three years more than 1,500,000 men, women and children have been put to death. Some were hanged, some shot and many were gassed in specially built chambers. After being stripped of their clothing they were herded into buildings and carbon monoxide gas was released or poison gas crystals were thrown in. Germans watched their death struggles through specially prepared windows. In one month 18 freight car loads of clothing from murdered victims were sent back to Germany. Specially built furnaces cremated the bodies in 12 minutes. One young woman who refused to disrobe before being shot was thrown into the crematory alive. The facts regarding the atrocities committed by the Germans at Maidanek were secured from four different German prisoners interviewed separately and on different occasions.

We Depend on YOU... and You Can Depend on US! The well-being of a whole nation depends on the farmers of America. The wheels of industry could not turn without the support of this essential one-fourth of the Nation. And with today's developments in organic chemistry we people of America are becoming more and more aware how many industries are dependent for their very existence upon the farmer. Through the channels of sound finance we hope we can partially repay this indebtedness to you. When you need help, you can depend on us. CROWELL STATE BANK. Member Federal Deposit Insurance Corporation.

CHRISTMAS PACKAGES FOR G. I. JOE. Let's Get Them Off Early! REDDY KILOWATT Your Electric Servant. Army and Navy rules for shipping unsolicited Christmas packages overseas are the same as for last year—but correct addressing is more important than ever. The package must be mailed between September 15 and October 15. They cannot weigh more than 5 pounds, be more than 15 inches in length, nor more than 36 inches in length and girth combined. Perishables are not allowed and fragile things will be strongly discouraged. Remember that incorrect addressing can delay delivery for 90 days or more. One reason this is true: Just among the Navy's enlisted men there are 16,000 Smiths, 300 of them with identical first names and middle initials. West Texas Utilities Company.

## October 9 to 14 Proclaimed As "War Fund Week" in Texas

Austin.—The week of October 9-14 has been proclaimed as "War Fund Week," and will be observed with appropriate services in all Texas public schools, State Superintendent of Schools L. A. Woods announced today.

In a letter to Judge Ben H. Powell, president of the United War Chest of Texas, Superintendent Woods urged all teachers, students and patrons of the schools to "support the agencies whose duties it is to render services to the men in our armed forces."

"War Fund Week" will coincide with the opening of the statewide campaign being conducted on behalf of the National War Fund by the United War Chest of Texas. Through county and community war fund campaigns in every part of the state, Texans will contribute approximately \$5,000,000 to support USO, War Prisoners Aid and other National War Fund agencies serving "our own and our allies."

In his letter to the state war chest president, Superintendent Woods said:

"In order that the public schools may more fully participate in the United War Chest, I am proclaiming the week of October 9th through the 14th as "War Fund Week" in the Texas Public Schools.

"I sincerely urge every teacher, student, and patron whose heart beats in unison with the cause for which our boys are fighting, to add their bit—whatever it may be—to the financial effort which the citizens of this country are being called upon to make to support the agencies whose duty it is to render services to the men in our armed forces and their families, as well as their many other activities.

"I know full well that the public schools will enter into this most patriotic endeavor with the same spirit of enthusiasm with which they have entered all activities that have applied to our present national struggle."

## West Texas Chamber of Commerce President Issues Statement on Broadening of Social Security

A plea for broadening national security coverage to farm workers and other now excluded classes, but with less federal and more state administration of the program, will be made by the West Texas Chamber of Commerce at its 1944 referendum convention, if affiliates back up the stand of President M. C. Ulmer.

WTCC headquarters announced this week that Ulmer has voted affirmatively, subject to affiliates' approval, on all 21 points of a U. S. Chamber of Commerce referendum covering all phases of post-war social security. The USCC is calling for an expression by members on whether benefits should be broadened to cover farm and ranch workers, members of the armed forces with full credit for periods of service, employees of government land of non-profit organizations, and domestic servants; and if so, at what levels. Also asked are expressions on socialized medicine and on how the entire program should be financed and administered.

In Texas, some chambers of commerce and other USCC-affiliated groups have voted "no" on some of the planks, including notably, extending of benefits to the farms and ranches and to the military. For the WTCC, on the other hand, it is proposed to go all out for these classes.

**WTCC Stand**

Stand of the West Texas chamber, as recommended by President Ulmer, is set forth as Plank No. 6 of its own referendum ballot to be taken to the territory in a series of district meetings early in October; then voted on in town meetings with eight other proposals and finally determined at the directors' clearance assembly at the Abilene headquarters Nov. 8. Plank 6 says: "On substance levels only, we favor a general broadening of our national Social Security program so as to embrace all workers including the Armed Forces, financed on a 50-50 employer and employee basis, and administered with the maximum of state authority and the minimum of federal authority."

Surveying all the reports and bills offered on the subject "from the standpoint of charity and of a liberal," Ulmer, in his recommendation of Plank 6, says in part:

"Only a small portion of the workers are now included in unemployment compensation and many are also excluded from old age insurance. Completely ineligible from any benefits whatsoever are agricultural workers and domestics. Workers for concerns employing eight or less people and non-profit concerns are ineligible for employment compensation, and many of these for old age insurance. This I think is wrong. I decidedly also think it is wrong to exclude agricultural workers from any Social Security benefits, and in the U. S. Chamber of Commerce referendum now going on I resent seeing some of our larger communities voting against benefits for the agricultural worker... who is, after all, the fountainhead worker of them all, without whose labor none of us in the shops or in the cities would have employment."

**For the Military**

As to carrying benefit payments to the services, the WTCC headman says, "It seems to me that it is not fair for the boys in the armed forces, most of whom already have their Social Security cards, to earn no credits

## Presence of Typhus Fever Over Texas Is Announced

Austin.—Reports coming into the State Health Department indicate the presence of typhus fever in almost all sections of the state without any particular apparent regard to city or rural population, according to Dr. Geo. W. Cox, State Health Officer. There were 1,452 cases in Texas reported last year, and unless the disease is brought under control speedily, this year's total will reach nearly 1,700 cases.

In urging full co-operation from all communities in a campaign to exterminate rats and thus control the possibly increasing incidence of typhus, Dr. Cox said, "It must be kept in mind that the rat acts as a reservoir of the typhus germ, and the rat flea is the means by which typhus is transmitted to man. Rats are known to travel many miles from one community to another, and it is therefore obvious," Dr. Cox said, "that it will be necessary to conduct a vigorous rat extermination program over the entire state."

Dr. Cox recommends a four-point extermination program, in addition to the already widely used poisoning campaign, which he asserts will assure more than temporary typhus control. This program includes making all food stuff inaccessible to rats through proper storage, collection and disposal of garbage; rat proofing of homes, businesses and public places; keeping at least two traps set and baited in every home which is not rat-proof, and widespread effective educational measures.

In discussing the educational measures, Dr. Cox stated that the Department of Health has available motion picture films on the subject of rodent control and that the Department has also issued a bulletin outlining rodent control measures. "This bulletin will be mailed free upon request," Dr. Cox said, "and the films may be had for public showing upon application through local health units."

People in the Margaret community who have clothes that they will donate in co-operation with the United Nations Relief and Rehabilitation Administration for relief work in Europe, are urged to leave them at the post office Friday, Mrs. Ray Hysinger, chairman, for this community, has announced.

To be of service the clothes

## Rotary Club

Two visitors, Lieut. H. C. Brown, and Rotarian Vance F. C. Brown, of Quanah, attended the Wednesday noon meeting of the Crowell Rotary Club at the DeLuxe Cafe. All members were present with the exception of the president, H. K. Edwards, who was out of the city.

W. F. Kirkpatrick, news commentator, made his weekly report concerning the war fronts. Merl Kincaid was program chairman and he called on Claude Callaway for a talk on the United War Fund drive in this county. Mr. Callaway is county chairman and he announced that he expected the county's quota would be reached in a short time after the campaign starts, which is Monday, Oct. 9.

## European Relief

People in the Margaret community who have clothes that they will donate in co-operation with the United Nations Relief and Rehabilitation Administration for relief work in Europe, are urged to leave them at the post office Friday, Mrs. Ray Hysinger, chairman, for this community, has announced.

for themselves by their employment in the services of the U. S. If we are to have Social Security, I think we should have it for everybody and not just for a few."

On the issue of benefit payments, at what levels, Ulmer contends that Social Security should be paid on subsistence levels only. He says, "There is another school of thought which advocates benefit payments on employment levels. In this way, a fellow would never have to work but instead could live off the government always. Social Security, I believe, should be confined to merely extending a helping hand."

On financing the program, the WTCC president believes the employee should share equally with the employer. At present the employer pays much more. Recently labor has come through with an OK on the 50-50 financing plan. Ulmer continued: "The last principle of our proposition up for your vote, and, we hope, your ratification, is to oppose nullification of state rights and the complete federalization of the Social Security program. The Wagner bill, in including certain sickness and health benefits, virtually gives us socialized medicine wherein a government doctor would take charge of us rather than a doctor of our own choice. I am opposed to this and believe that the city, county and state, knowing the people at home, can better administer Social Security programs than far-away federal bureaus."

Ulmer concluded: "Social Security is here to stay. I regard as very unwise and shortsighted the stand of some business groups in heaping a blanket condemnation on social security in any form. In my opinion it is smart for business to co-operate in a sane and fair program, to avoid having one of pure communism and socialization forced on us."

## LOCKER 44

Did you know that there is an "extra special" locker at the west end of the building? Look at the very last locker on the left side of the hall. Look's just like the rest of 'em, doesn't it? But take a look at the number—it's forty-four. That's the Wildcat's locker and that's the place to unload all your troubles, likes, dislikes, and anything you want printed. Leave it there, and there will be no questions asked—and just in case it isn't printed, follow our footsteps, and ask no questions! You can help us lots by dropping news there, sooo—'I'll be seeing you around Locker 44.

## PEP SQUAD GOES TO MATADOR

The "cheering squad" of Crowell High School made an exciting trip to Matador, Friday. The girls left at about 5 o'clock in the back of Audran Davis' truck. There was excitement all the way to Matador and twice as much after they reached their destination.

There were only about twenty-two girls who went, but Friday night it sounded like two hundred and twenty-two. They really yelled for their "Wildcats" and will keep that spirit up. Matador had a good pep squad but could not beat our little band of girls. CHS is really proud of its pep squad—so let's keep the good work going.

## THE INQUIRING REPORTER

What would you do if you had your own way for a day?  
 Polly Davis: Start to San Diego.  
 Janet Roark: I'd tell some people just what I think of them and receive no back talk.

Pat McDaniel: I'd do everything that's not in the books!  
 Jenny Mahe: Oh, what I wouldn't do!

Bessie Gamble: I'd close school, take time to tell the faculty my personal opinion, and spend the rest of the day with a certain little guy from Vivian.

What have you to be thankful for?  
 Evelyn Barker: Everything!  
 Betty Brown: Nothing!  
 De Alva: Happiness!  
 Billy Taylor: Women.

Travis Vecera: That I haven't got a girl.

What would you do if you had a thousand dollars?  
 Howard Bell: Get married.  
 Wayne Short: Say, I don't know.

Sister Owens: Not much telling.  
 Dorothy Pechacek: Little of everything.  
 Carol Cato: Get an airplane.

## FHT GIRLS PREPARE DINNER FOR FOOTBALL OFFICIALS

The football officials of District 12A held their annual meeting at the Crowell High School Wednesday, September 29, and were served dinner by the FHT girls. This is the third successive meeting held in Crowell and the FHT girls have had the pleasure of serving a meal for them each time.

## FOOTBALL GAME

The Wildcats went to Matador last Friday night and beat the Bullfighters 33 to 0. The Wildcats kicked to the Bullfighters and after a series of plays got the ball and McDaniel ran over for the first touchdown, but we failed to make the extra point.

The next two scores were made by Joy. He made one through the line, and one on a double reverse. Both the extra points were kicked

by Carter. This was the way the game ended at the half. The last half the Wildcats were still going strong. Tampien drove over from the one yard line for the next score. The extra point was kicked. The next score came by Carter on a screen pass from McDaniel. The Wildcat reserve team then came in and played the rest of the game. These reserves showed up well, making several yards, and held the Bullfighters. All through the game the Wildcats had excellent blocking led by Wharton, Wildcat guard, Payne, regular guard, was unable to play, due to illness. The defensive playing was led by Wharton, Vecera and Taylor.

This Friday night the Wildcats will play the Seymour Panthers. These two teams are nearly an even match, and it should be a good game. Hope the Wildcats will beat them. This will be a conference game for the Panthers, but will not be for the Wildcats. These two teams are nearly an even match, and it should be a good game. Hope the Wildcats will beat them.

## BEST MANNERED BOY AND GIRL IN CROWELL HIGH

Maybe the student body was not aware that they were being "looked over" very carefully last week to find the girl and the boy with the best manners, but nevertheless that very thing happened. Rex Whitten was selected as the best mannered boy and Frances Ann Ayers as the best mannered girl. There will be another selection soon so better start "minding your P's and Q's."

## BOXES FOR RED CROSS PACKED

Last week the Junior Red Cross of the Foard County Schools packed ninety-nine boxes to be sent overseas to the children of war-torn countries. Last week grade school in Crowell packed twenty-six gift boxes and the high school packed fifty.

The Sub-Ded Club in Truscott, as one of their wartime activities, packed seven of these boxes under the supervision of the Crowell school and their president.

The Riverside and Thalia schools packed sixteen gift boxes.

## KEY HOLE KATY

"If your heart goes bumpy, bumpy, bump, it's love, love, love." You've probably heard this tune and it certainly describes the CHS youngsters.

We girls are having a swell leap year. As proof, look at Kathleen Eddy whose heart is certainly over at Thalia with Waldon Johnson.

I heard that Ruth Barker thinks Bobby Cooper is it. Could it be love?

Benny Brown is drooling after Thos. Razor. Another tid-bit came my way the other day.

Betty Seale is back in circulation. I see. She's doing all right with none other than Horace Todd.

Another fickle fellow is this Kenneth Payne. He's been making eyes at LaVerne Archer of late. I hear he still likes Betty Seale. How about glancing my way?

What is this? J. L. Brock and Evelyn Barker were double dating Saturday night with John Carter and Virginia Monkhouse, but Benny Brown had on J. L.'s sweater Friday night, and she was seen with him at various times during the day, but Saturday night she was with John "Thos." Razor. Whew!

Let's Jo Carroll and LaVerne

# TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

### REMINDERS

**Meats, Fats.**—Red stamps A8 through Z8 and A5 through K5, good indefinitely. No new stamps until November 1.

**Processed Foods.**—Blue stamps A8 through Z8 and A5 through R5, good indefinitely. No new stamps until November 1.

**Sugar.**—Sugar stamps 30, 31, 32 and 33, each good for five pounds indefinitely. Sugar stamp 40, good for five pounds of canned sugar through February, next year.

**Gasoline.**—In 17 East Coast States, A-11 coupons, good for three gallons each through November 8. In States outside the East Coast Area, A-13 coupons in new "A" book, good for four gallons each through December 21.

**Fuel Oil.**—Period 4 and 5 coupons and new period 1 coupons, good throughout coming heating year.

**Shoes.**—Airplane stamps 1 and 2, good indefinitely.

**Plentiful Food.**—Onions.

**Overseas Christmas Package Mailing.**—October 15, last day.

**U. S. Will Buy 1944 Wheat**

The War Food Administration through the Commodity Credit Corporation will buy all unredeemed 1944 crop wheat under loan May 1, 1945, at parity prices (1944 loan rates plus 15 cents a bushel) less all carrying charges to the end of the storage year. In addition, Commodity Credit Corporation purchase prices for wheat in store in terminal and subterminal elevators, which is being acquired to meet feed wheat and other Government requirements, will be advanced from time to time during the season.

**Cotton Goods Will Be "Tight"**

The supply of cotton goods is "tighter" now than it has been any time during the war and is expected to remain "tight" for from one to two years after the collapse of Germany, the Office of War Information reports, on the basis of facts supplied by the War Production Board and the Foreign Economic Administration. Production is insufficient to meet military and civilian demands, and the market is short in basic types of cotton fabrics used in low-cost garments. The Pacific war will require more cotton as the basic military clothing staple, whereas wool has been heavily used in Europe. Cotton fabrics such as certain denims and chambrays will continue to be needed by the military, and cotton duck is now on the urgent list. During the first six months after the fall of Germany the United Nations Relief and Rehabilitation Administration is expected to ask for 300 million yards of cotton textiles, and the food industry must depend upon cotton bagging due to a shortage of jute from India.

**Dutch Dobbins To the Rescue**

When bad weather caused Allied pilots to drop supplies for another sure nuff go for Truscott. Excuse us please, how could we have overlooked Bessie Gamble and Evelyn Everson?

Beverly Gray seems to take a big interest in Bobbie Lee McDaniel. Notice the noon interest.

I see that DeAlva and Gobin are still going strong. However, that isn't the case with Larry Woods, whose love affair is rumored to be on the rocks.

Well, fellow love sick characters, I must leave you now 'til next issue.

Wasting a fellow.  
 Katy.

### RAILINGS

Why does a woman say that she's been shopping when she has not bought anything?

Why does a man say that he's been fishing when he hasn't caught anything?

Billy Ray: Lo, fishin'!

R. L.: Naw, drowning worms.

Janet: Can you keep a secret?

Ruth: I can, but it's just my luck to tell things to other girls who can't.

Mrs. Kenner (helping fasten Bessie Gamble's coat): Did your mother hook this coat for you?

Bessie: "No, ma'am, she bought it."

Beverly Gray: If you were in my shoes what would you do?

Jimmie Johnson: "I'd shine them."

Sharon: "They laughed when I sat down at the piano."

Betty: "Why?"

Sharon: "There wasn't any stool."

H. A.: "I have a cold in my head."

J. C.: "Well, that's something."

Mrs. Manard: What's the deadliest fluid known?

M. W.: Embalming fluid. "You are dead when it touches you."

Doris Denton: "I don't see how football players ever get clean!"

Sister: "Silly, what do you suppose they have scrub teams for?"

"Hello! Is this Smith, Smith, Smith, and Smith?"

"Yes. Hello, hello, hello, hello."

"When you asked her to dance, did she accept quickly?"

"Did she? Why, she was on my feet in an instant!"

air-born troops outside their lines recently, Dutch farmers got out their horses and carts, picked up the supplies and delivered them to their air-born Allies, Aneta, official Netherlands News Agency, reports.

**Use Same "A" Coupons Nov. 9**

The 17 East Coast States and the remainder of the country will get together on the same "A" gasoline coupons November 9, when "A-13's" in the renewal ration books will be good throughout the country, the Office of Price Administration has announced. The last strip of coupons in the books of East Coast motorists, the "A-12's", will not be used. Only three of the "A-13's" will be good for East Coast motorists, because they will be used only for six weeks. On December 21, all "A-13's" will expire throughout the country, and on December 22, "A-14's" will be good. East Coast motorists will be advised locally to apply for renewal of their "A" rations before November 9. Motorists in the rest of the country already have their new ration books.

**Sugar For Small "Jam Sellers"**

Sugar for making home-made fruit butters, jams, jellies and other processed foods for sale—even though these products are ration-free—may be obtained by farm families, housewives and others to the extent that they used sugar for this purpose in 1941 or to the extent of 250 pounds, whichever is greater, OPA says. Prior to September 27, sugar was not authorized for home-processing non-rationed or point-free foods for

sale. Application for sugar for this purpose should be made to the local War Price and Rationing Board, OPA says.

**Free Job Choice For Veterans**

All manpower controllers have been removed insofar as veterans of the present war are concerned, the War Manpower Commission announced. Veterans do not need statements of availability in order to change jobs, they may be hired by any employer without referral by the United States Employment Service, they may be hired without regard to employment ceilings and in seeking employment through the USES they are entitled, as a matter of right, to a referral to any jobs of their choice, without regard to essentiality or priority status of such jobs.

**School For Veterans Overseas**

After the defeat of Germany, education or practical training for civilian jobs will be offered soldiers in the army of occupation and those awaiting shipment home, the War Department says. Soldiers may choose the phases of the program they desire, but they will be encouraged to select activities having bearing on their individual postwar plans. Academic curricula will range in level from the sixth grade through second year college and will include courses in liberal arts, scientific and pre-professional fields. Special classes will be provided for soldiers whose ability to read and write is below fifth grade standard. In mechanical and technical courses and in practical training for trades and vocations, equipment of the signal corps, quartermaster corps and ordnance department will be used.

**Furlough Rations Increased**

Inasmuch as processed foods are now valued only in multiples of 10 ration points, the rations of these foods for service men on leave or furlough for 72 hours or more have been increased from eight to ten points for each nine meals, OPA announces. Civilians

eligible for temporary food rations will be issued processed food rations on the basis of 10 points for each seven days.

**Danger Season For Forest Fires**

Dry weather in late summer and large amounts of debris left in the woods as a result of wartime logging have increased the forest fire hazard this year, the United States Forest Service warns. It urges special care in smoking, handling camp fires and in using arms in the woods this fall. California, for example, has been experiencing one of its worst forest fire seasons in history, its fires drawing hundreds of sailors and soldiers from training camps to fire lines and interrupting war production in lumber operations.

**British Report On Flying Bomb**

First reports that the Germans were developing a long range bombardment weapon of a novel type reached London in April, 1943, the British reveal in a recently issued "report on the flying bomb." After reconnaissance photographs in November, 1943, revealed that the Germans were building concrete structures all along the French coast from Calais to Cherbourg, British and U. S. Air Forces in December began attacks on these flying bomb sites, forcing the Germans to abandon them and to construct less efficient, camouflaged sites of simplified design. During 80 days bombardment, approximately 8,000 bombs were launched, of which 2,300 reached London—killing 5,479 persons, injuring 15,031 persons and damaging 139 schools, 111 churches and 98 hospitals. In fighting this menace from August, 1943, the British and U. S. Air Forces dropped 100,000 tons of bombs on launching and experimental stations, losing 450 aircraft and 2,900 flyers.

**Seven Years Of Casualties**

The Chinese Army from July 7, 1937, to June 31, 1944, suffered 2,802,220 casualties, to say nothing of the civilian casualties,

of which there are no accurate statistics, the Chinese news reports. The only country to lose approximately the same number of casualties as the Chinese from the 1937-1944 period was the rear.

**Round-Up**

WPB says—Production of bicycles and "B" hearing aids is authorized again on an industry-wide basis. . . . Portable electric lights are to be high enough to supply essential civilian users, but now get them without any "per work" . . . Veterans are to establish or re-establish businesses will get special consideration in priorities assignments, appeals and applications for special authorization.

OPA says—To relieve a demand, particularly from

(Continued on Page 7)

Keep them in your MEDICINE CABINET

Alka-Seltzer

Try Alka-Seltzer for Headache, "Morning After" Hangover, Acid Indigestion, Stomach Ache, Colds, Flu, Fever, and more.

ONE-A-DAY VITAMIN TABLETS

High Vitamin potency at low cost. ONE-A-DAY Vitamin Tablets A, B, C, D, E, K, and Iron. 25 tablets in the yellow box—50¢. 50 tablets in the gray box—95¢.

OR WILD NERVE

For Sleeplessness, Irritability, Headache, Nervousness, when due to Nervous Tension. Use only as directed.

Your Fat's in the Fire

Pic. James Echols, Chemical Warfare, of Atlanta, Ga., shows a flame thrower in action. The tanks on his shoulders hold fuel oil and nitrogen. Fuel oil, forced up by the nitrogen, feeds the flames that spurt out to a distance of 160 feet. Used fat is an essential ingredient in the manufacture of this fuel. What used to be thrown away in the kitchens, now throws back our enemies

## They Look to the West

THEY LOOKED to the West for strength of arms . . . for liberation from the yoke of the oppressor.

And still they look. But they look now for food to keep alive the spark of life. They look for food for their children . . . their hope of the future . . . the hope of their unhappy, war-racked lands.

They look for clothing . . . warm clothing to protect them against the dread, sickening chill of coal-less houses.

They look for medicines and vitamins . . . to help them save their wounded, their ill, and their plague-stricken victims.

They look for seed . . . to plant the fallow earth once more . . . to eke out their famine rations of grass and weeds and ersatz, sawdust bread.

They look for hope.

Out of the cradle of liberty they pray that there will come the inspiration to build anew . . . with new rights, new freedoms, new opportunities for themselves.

They have suffered long, and they are weary. We cannot fail them . . . we must not fail them . . . now that a new day is so close at hand.

The things they need . . . food and clothing, medicines and vitamins . . . and hope for the future . . . are all made possible by your contribution this year to your Community War Fund, representing the National War Fund.

Now is the time to open your heart . . . and open your checkbook. Now is the time to give, as you have never given before, that others may have the chance to life, and liberty, and the pursuit of happiness.

Give generously to your Community War Fund Representing the National War Fund

Two Minute Sermon

(By Thomas Hastwell)

Our Best People: I have a neighbor whose principle concern seems to be maintaining what she regards as her social position in the community. Society to her means everything. She has an expression which she frequently uses and which never fails to amuse me. She refers to acquaintances of hers as belonging to "our best people." To her the best people of the community are the people who have means, and who, because of their means, belong to a restricted social group in the community. My neighbor makes a mistake common to many people of assuming that possession of means has anything to do with belonging to the community's "best people." If she would say the community's best to do people her statement would be true. As she makes it, it is not. I know a number of her so-called "best people" of the community who do not measure up by any standard to the man who hauls me my coal or mows my yard. The best people of any community are those who live right, who are honest, industrious, kindly, charitable and democratic in spirit. These are the true aristocrats and these are the best people in my community or in any other community, regardless of the size of their bank account or the house in which they live.

CHURCHES

Christian Science Church Sunday services at 11 a. m. Wednesday evening services at 8:00 o'clock. Sunday School at 10 a. m. Sunday, October 8. Subject: "Are Sin, Disease and Death Real?"

First Christian Church Bible School at 10 a. m. Preaching at 11 a. m. Bible Reading at 8 p. m. We welcome you to these services. G. O. McMillan, Minister.

St. Joseph's Catholic Church Time of Masses: October-April (inclusive), 1st Sunday at 11:00, 3rd and 5th Sundays, 9:00, May-September (inclusive), 1st Sunday at 10:30, 3rd and 5th Sundays, 8:00.

Truscott and Gilliland Baptist Churches Preaching services are held at Gilliland on the first and third Sundays, and at Truscott on the second and fourth Sundays. A most cordial welcome is extended to all. Delightful Christian fellowship. J. W. ENGLISH, Pastor.

Christian Science Services "Are Sin, Disease and Death Real?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 8.

The Golden Text is: "O Lord my God, I cried unto thee, and thou hast heeded me. O Lord, thou hast brought up my soul from the grave; thou hast kept me alive, that I should not go down to the pit" (Psalms 30:2, 3).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "O death, where is thy sting? O grave, where is thy victory? The sting of death is sin; and the strength of sin is the law. But thanks be to God, which giveth us the victory through our Lord Jesus Christ" (1 Corinthians 15:55-57). The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Because Life is God, Life must be the everlasting I AM, the Being who was and is and shall be, whom nothing can erase" (page 289).

KID VICTORY

INTERESTING FACTS OF THIS AND THAT

The thickest vein of coal known in the world is in a mine near Cologne, Germany.

Coal is known to have been used by blacksmiths in Greece and Rome as early as 300 years B. C.

Rationing of coal and wood heating stoves will end October 15.

The designation "all wool" on a fabric may mean that it is made of reclaimed wool or wool that has been used before. The designation "virgin wool" means that the wool has never been used before.

Dear veterans of the war will get life time license tags under a proposed Los Angeles city ordinance.

Civilian postal service to Normandy and Brittany has been opened to personal post cards at the 3 cent post-war rate.

A subsidy is being considered by OPA for bread. A subsidy of one-third of a cent a pound would cost \$35,000,000 a year.

HOUSEHOLD HINTS

Brown stains on dishes, caused by burns, can be removed by letting them stand in borax water for a day, then washing them in soap and water.

When hanging trousers, prevent hanger creases by looping a piece of cardboard over the hanger. (Don't fold the cardboard; let it curve gently and fasten it with paper clips at the bottom).

Delaware was the first State to ratify the Federal Constitution, and its own constitution adopted in 1792 still forms the fundamental law.

Weekly Sermon

By George S. Schuler, Member of Faculty, Moody Bible Institute, Chicago.

The Twenty-Third Psalm "The Lord is my shepherd"—what a classic phrase. But how good of meaning to one who does not know Christ. To the one who does know Him, this verse is comfort and encouragement regardless of circumstances.

Since our Shepherd is divine, no wonder first verse concludes with the statement, "I shall not want." Putting it in everyday language we might say, "Since the Lord is my Shepherd, I should worry." While inelegantly expressed, the meaning is exactly that.

By way of contrast, think of bleeding Europe being controlled by men who style themselves the people's shepherds. These self-imposed shepherds demand the living down of their people's lives for their personal success and glory. But the Lord Jesus Christ, our Shepherd, "giveth His life for His sheep."

Verses 2 to 5 of this psalm go into detail regarding the sustaining qualities, the abounding provisions, and the motherly instincts for her offspring, our Lord has provided for His sheep.

Prophetically Isaiah speaks similarly when he wrote: "Ho, every one that thirsteth, come ye to the waters." This psalm pictures us being led beside the still waters, and with cups running over with plenty.

Isaiah writes again: "Come ye, buy, and eat . . . without money . . . without price . . . eat ye that which is good, and let your soul delight itself in fatness." The psalm symbolizes the same thought by referring to green pastures, rich and ripe with nourishment, and to a table spread in the presence of our enemies, laden with heaven's abundance.

Verse 3 speaks of the restoration of the soul; and as a climax, reference is made to the head (the crowning part of men) being anointed with oil (v. 5.) Wherever anointing oil is mentioned in scripture the person so anointed is a chosen, cherished, favored, honored one. Mary anointed the Lord because of her love and devotion for Him. Here the anointing is done by the Shepherd. When the sheep are so anointed, truly they are heaven blessed.

The concluding verse has two thoughts, though similar in character. "Surely goodness and mercy shall follow me all the days of my life." What could be more desired?

"And I shall dwell in the house of the Lord forever." This is the capstone of this glorious psalm. As the bride of Christ we shall inherit all things in Him. When He sits upon His throne, we shall reign with Him throughout the countless ages of eternity.

What a heritage and what a future awaits those who can truly say, "The Lord is my shepherd." And this cherished life may be yours, if you will take the Lord as your Shepherd.

THOUGHTS OF SERIOUS MOMENTS

Today is not yesterday; we ourselves change; how can our Works and Thoughts, if they are always to be the fittest, continue always the same?—Carlyle.

To re-create cheerfulness, hope in God, or change the object of attention to one more elevated and worthy of thought.—C. Sim-

Your Horoscope

October 2, 3, 4.—You are shrewd in business but always honest and reliable. You are methodical with the faculty of making your abilities pay, but always fair in your dealings. You are sensitive, affectionate and generally have a very sunny and happy disposition. You are demonstrative in your affection and want love in return.

October 5, 6, 7, 8.—You are master of your trade and take much pride in your work. You are well informed on matters besides your own occupation or trade. You possess a very artistic nature, are exact and precise in every line, and can work out any detail of artistic design. If a woman you are likely to be found in the best establishments, in charge of the most artistic department.

To cultivate the sense of the beautiful, is one of the most effective ways of cultivating an appreciation of the divine goodness.—Bovee.

The production of lactose, or milk sugar, this year is expected to reach 14 million pounds, the War Food Administration predicts. Used to grow the mold that yields penicillin, six to seven million pounds of lactose will be needed annually by penicillin manufacturers.

TWO WAY STRETCH Saving used fat and selling it to the meat dealer for cash and extra ration points is a two way stretch of fat as well as a war service. Salvage fat, turned over to industry for use in the manufacture of hundreds of products the armed forces and civilians require, saves food fat by making it unnecessary to divert food fat for industrial use. Using fat first for food then for industry makes the country's fat supply work twice, and its second use is as essential in our economy as the first.

## 47th Wedding Anniversary of Mr. and Mrs. Sim Gamble Celebrated Sunday at Their Home with Covered Dish Dinner

To celebrate the 47th anniversary of the marriage of Mr. and Mrs. Sim Gamble, their children held open house at the Gamble home Sunday which featured a covered dish dinner spread in the shady yard at the noon hour. The children are Mrs. Walter Johnson of Thalia, Mrs. Frank Gamble of Thalia, Mrs. Forest Durham of Littlefield, and Sim V. Gamble of Thalia.

Mr. and Mrs. Gamble were married on Oct. 3, 1897, and have been living at the present farm home for about 45 years. They have been outstanding citizens of the community during the years and number their friends by their acquaintances.

Visiting of friends with the honor guests and with each other provided the main diversion of the day. Mr. and Mrs. Gamble were the recipients of many nice remembrances. A beautiful white three-tiered wedding cake centered the dining table and was cut by Mrs. Gamble.

Present for the day were the children and their families; grandchildren Mr. and Mrs. Willie Garrett, Crowell, Mrs. D. H. Allen, Littlefield; Edgar and Walden Johnson, Thalia; and Jean Lavoy and Dorothy Gamble, Thalia; Mrs.

John W. Bradford, another grand-daughter, of Spokane, Wash., was unable to attend; one great-grandchild, Alton Ray Garrett; other relatives, Mrs. C. C. Lindsey, Thalia; Mrs. Mollie Sansbury, Celera, Okla.; Rufus Gamble and daughter of Clarendon; Mrs. Carrie Hart and Mr. and Mrs. R. R. Magee, Crowell; Mr. and Mrs. Joe Johnson and family, Mr. and Mrs. Walter Ramsey and baby daughter, of Thalia; Mr. and Mrs. J. C. Bredlove and family of Chillicothe; Mr. and Mrs. Mack Gamble, Mrs. Will Gamble, Mrs. Herman Greening and Mr. and Mrs. J. E. Brock and family, all of Crowell.

Friends present included Mr. and Mrs. Will Johnson, Mr. and Mrs. T. K. Cates, Mr. and Mrs. R. H. Cooper Jr. and family, Mrs. Nona Johnson, Mrs. W. E. Pigg, Rev. and Mrs. Herbert Brown and family, Mrs. L. H. Hammonds and daughter, O. M. Grimm, and Mrs. Margie Hammonds, all of Thalia; Rev. and Mrs. R. I. Hart, Mrs. Mary F. Hunter, of Margaret, and the following from Crowell, Mrs. Jennie Reed, Mr. and Mrs. F. H. Crews, Mr. and Mrs. H. Greenlee, Mr. and Mrs. W. A. Cogdell, and Mr. and Mrs. T. B. Klepper.

### COLUMBIAN CLUB

Continuing the study of "Strategic Points of Allied Nations," the Columbian Club enjoyed the first lesson of the 1944-45 calendar, when Mrs. T. L. Hughton was hostess to club members on Wednesday, September 28.

Eighteen members responded to roll call with items on topics assigned to each. Mrs. R. L. Kincaid directed the program and presented an interesting and timely lesson on "World Peace." In discussing "The Peace that Failed," Mrs. Kincaid gave the outstanding reasons for the failure of the Treaty of Versailles, Miss Zelma Ferguson talked about "The Last Peace and the Next," contrasting the peace treaty of World War I with the treaty which would mark the close of the present conflict.

Mrs. N. J. Roberts, in describing "The United States in a New World," gave a vivid picture of the affairs after peace has been made.

During the social hour, Miss Beverly Hughton assisted the hostess in serving a delicious refreshment plate consisting of angel-food cake and ice cream. Mrs. R. L. Leonard of Memphis, Tenn., and Mrs. Frank Berna of Houston were guests.

## Family Reunion Honors Returned Service Men

Members of the family of Gordon Thomson, Pn. M 1-C, who has returned from 20 months of service in the Pacific, met at the Premier Hotel Sunday, and enjoyed a day of visiting with a covered dish dinner featured at the noon hour. Gordon has served on Guadalcanal, where he contracted malaria, was sent to New Zealand, then to Tarawa and to Saipan. He received injuries on Saipan but has recovered. He has been in the States for about two weeks.

Those present at the reunion, besides the honor guest, were Mr. and Mrs. Adrian Thomson, Mr. and Mrs. C. C. Fox, Mrs. Crockett Fox, Mr. and Mrs. Henry Earl Thomson and children, Harold, Joyelle and Karl Wayne, Mrs. Frank Thomson, Mr. and Mrs. J. E. Daniel of Vernon, Mrs. Charles Dickerson, Mrs. Richard Hunt and Mrs. Mary Fox of Taylor and her daughters, Misses Mollie and Mary Lena Fox. A number of friends called during the afternoon.

## B. & P. W. Club Has Victory Dinner

On September 21st the B. & P. W. Club entertained with a "Victory Dinner" in the home of Mrs. Belle McKown, with Inez Spencer, Elizabeth Elliott and Alma Walker, hostesses.

The house was decorated with U. S. flags and flags of the allied nations were on display, as also were pictures of servicemen brought by club members.

The table decorations carried out the patriotic color scheme in red, white and blue. Place cards were small red, white and blue baskets filled with mints, and favors were small toy soldiers and sailors. In the center of each table was an army tank.

The program opened with the singing of the "Star Spangled Banner" and "When The Lights Go On Again."

Elizabeth Elliott gave a summary of the main events of the war up to the present time.

Alma Walker conducted a flag contest and a musical contest which brought out much hidden talent in some of the members.

Jim Lois Bursley, in costume, read G. I. Joe which delighted everyone and as an encore she read one of Edgar A. Guest's patriotic poems.

Each club member, showing the picture of the serviceman she had brought, told where this serviceman was at the present time.

In conclusion the club sang "God Bless America."

Jim Lois Bursley and Ruth Andrews, guests, and the following members enjoyed this occasion: Sallie Archer, Ila Borchardt, Bevie Brooks, Claudia Carter, Mayme Lee Collins, Gusta Davis, Hazel Harrison, Blanche Hays, Ura Orr, Jean Reeder, Lottie Russell, Mae Solomon, Gussie Todd, Bertha Womack and the hostesses.

## W. S. C. S. Meets in Social Meeting

The Woman's Society of Christian Service met in the home of Mrs. J. W. Bruce with Mrs. Pearl Lovelady as co-hostess on Monday afternoon, Oct. 2, at 3:30. There were twenty-two ladies present.

The meeting was opened with the group singing, "Savior, Thy Dying Love." Mrs. Hines Clark, president of the society, conducted an inspirational devotional service on "Called According to His Purpose," reading from Matt. 10:24-26; Romans 8:28; 2 Tim. 1:12.

Mrs. M. J. Girsch was leader of the missionary program, "The Call and the Answer." She related the story of Dr. Clara Swain's work as a medical missionary in India. She was assisted by Mesdames R. S. Watkins, R. R. Magee, H. E. Thomson and T. L. Hughton. Mrs. M. S. Henry dismissed the meeting with prayer.

The hostesses served a delicious refreshment plate to those present.

### THALIA SERVICE CLUB

About 40 ladies of the Thalia Service Club met on Friday, Sept. 29, to prepare the 70 boxes of Christmas gifts for overseas service men. These boxes have now been mailed and the club will, a little later, send about 60 more boxes to those in service who are yet in the States.

The club has solicited no funds for any of these boxes since there were sufficient funds in the treasury to purchase the gifts. The club continues to receive voluntary donations which are greatly appreciated. A postal card to file the correct address of each service

## New Way To Weigh Fat

Onriett Murtagh visits the Jersey City Stockyards, and Joseph Whalen, of Astoria, L. I., shows her the new way to weigh cattle, using a weigh tape instead of scales. He also tells her how much fat this steer should have, and how much fat this steer should not have, and how that fat not used for food should be saved and turned in for extra ration points, so that its valuable products and by-products can be put to work in factories and war plants to speed Victory.

## Former District Agent Goes to Iowa

Mrs. Isla Mae Chapman, district agent in charge of home demonstration work for 20 counties in North and Northwest Texas, which includes Foard County, left late last month for Ames, Iowa, where she will do advanced work in home economics leading to a master's degree at Iowa State College.

She will major in the field of home management and household equipment. Mrs. Chapman obtained her bachelor's degree in home economics at the North Texas State Teachers College at Denton, and has done graduate work there and at Colorado State College at Fort Collins.

First Extension assignment given to Mrs. Chapman was as Parker County home demonstration agent. She also served as county home demonstration agent for Lubbock County in the early thirties.

Mrs. Chapman joined the headquarters staff of the Extension Service in 1936, serving as home industries specialist. She became district agent for Extension District 3 in February, 1940.

A successor has not been announced by Miss Maurine Hearn, vice director for women's work and state home demonstration agent.

Appointment of Mrs. Eloise Trigg Johnson of Denton as specialist in parent education and child development for the A. & M. College Extension Service has been announced by Miss Hearn.

Mrs. Johnson assumed her duties in late September. She succeeds Miss Dorcas Hale, who resigned June 1 to be married.

The new specialist is a daughter of Mrs. Edna Trigg, Denton County home demonstration agent emerita, Texas' first county home demonstration agent.

At one time Mrs. Johnson was county home demonstration agent in Eastland County and she also taught in the public schools there. For the past several years Mrs. Johnson has been teaching family relationships to graduate and undergraduate students at T. S. C. W. She also has supervised the college nursery school.

### MORALE BOOSTER

## S. S. Class Has Social Meeting

Mesdames Clint White, Jim Shook and Sam Mills were hostesses to the members of the Co-Laborers' S. S. Class of the Methodist Church on Thursday, Sept. 28, at the home of Mrs. White at a covered dish dinner. The members of the W. S. C. S. were special guests for the day.

The dinner was served cafeteria style and places were found at quartet tables. Following the meal, for which the invocation was given by Mrs. T. L. Hughton, the program was presented under the leadership of Mrs. J. W. Bruce, who gave the devotional on "Spiritual Guidance." A duet, "Jesus Will Come Again," was sung by Mrs. Charlie Thompson and Mrs. Crockett Fox. Mrs. Gordon Cooper gave articles from "The World Outlook." Mrs. Moody Bursley gave a humorous reading to close the program.

A business meeting followed the program with Mrs. Oscar Gentry, president, in charge.

### WESLEYAN GUILD

The Wesleyan Service Guild met in regular session on September 28, 1944. The Book of Genesis was adopted as the study.

The treasurer's report was given by Mrs. Claude Brooks. The group voted to give clothing to be sent for European Relief.

Miss Thelma White and Mrs. Carrie Hart discussed "Rewards of the Kingdom." The question was asked, "Is it necessarily wrong to work for a reward?" Working to a goal is for the satisfaction of accomplishing something. God gave life that we might have life and have it more abundantly.

### WEST SIDE H. D. CLUB

The West Side Home Demonstration Club met last week with Mrs. S. E. Tate as hostess. Eight members and two visitors were present.

Following the business session, the selected subject, "Women of the World," was discussed. The first number, "I am a Woman," was given by Mrs. Charlie Carroll, "Madame Chiang" was presented by Mrs. Charlie Bryson, and "Women of England" by Mrs. W. A. Cogdell. Mrs. Tom King and Mrs. Mary Fox talked on "Free Women of Russia" and Mrs. Donald Norris had for her subject "Slave Women of Japan."

Mrs. Tate's birthday was observed by a gift shower by the club members. The next meeting will be at the home of the president and this is the achievement event for home improvement.

According to the OPA at Atlanta, Ga., a black market ring in eight states has reaped fabulous profits from smuggled-in bananas.

The Kingbird can sight a small insect flying 50 yards away.

man should be sent to Mrs. E. H. Capps, secretary of the club.

### THALIA 4-H CLUB

The Thalia Grammar School 4-H Club met in the typing room at Thalia School on September 27 at 3:15 p. m. for the purpose of organizing for the new year. Miss Elizabeth Elliott, County Home Demonstration Agent, discussed plans for the coming year. Twenty-two members were enrolled.

The following officers were elected: Jean Sims, president; Virginia Hammonds, vice president; Dorothy Gamble, secretary; Faye Jones, reporter; Clementine Hammonds, assistant reporter; County committee delegates, Norma Gamble and Ramona Hammonds.

A garden and bedroom demonstrator will be elected at the next meeting which will be held on October 5.
