

THE FOARD COUNTY NEWS

AND CROWELL INDEX

CROWELL, FOARD COUNTY, TEXAS, THURSDAY, MARCH 29, 1945

EIGHT PAGES

IN SERVICE

Pvt. Daniel F. Brisco, son of Mr. and Mrs. Elmer Brisco, who served more than 27 months overseas, is now at Hammond General Hospital in Modesto, Calif., according to a news release from that place. Most of the 27 months, Brisco fought with his unit, the 504th Parachute Infantry Regiment, to help drive the German army out of Africa, on the Italian, where he won the Bronze Star at Anzio, and finally to Germany itself. Now, at Hammond Hospital, he is recovering from wounds received in Germany in Sept. '44. He served at Oran, Casablanca, and Bizerte, then in Sicily. In the early stages of the Italian campaign he won the Purple Heart, from shrapnel wounds in a heavy engagement. At Anzio, Pvt. Brisco earned the coveted Bronze Star award for his part in a patrol into enemy lines. From Anzio, he was sent to England to prepare for the forthcoming invasion of France. In Sept., the paratroopers went into Holland and began one of the most valiant phases of action in their history. In the 1 1/2 mile span of the Meuse river, which was closely guarded by suicidal SS troops, the paratroopers battled their way to the bridge through frantic enemy resistance and frustrated every attempt of the German SS guard to destroy the huge structure. For that action, the unit was honored with a special citation. Shortly after this encounter, Brisco was sent out of action by enemy mortar fire in Germany. He was evacuated, after treatment abroad, and is doing well recuperating. Besides his unit citation, he wears the European campaign ribbon with five battle stars, a Paratrooper Qualification badge, the Bronze Star, the Purple Heart with cluster and the Combat Infantryman's Badge.

Cpl. Hubert V. Smith, son of Mr. and Mrs. W. L. Smith of Margaret, writes his parents that he has a nice place in France to stay, the home of an old couple who try hard to make him comfortable and that he will hate to leave them. He has recently been in a rest camp but is now back at duty. Cpl. Smith, who is in the medical detachment, has recently been awarded the Bronze Star Medal for meritorious service in direct support of combat operations from Sept. 11 to Dec. 19, 44, in France. The citation states that he frequently led his litter bearers into hazardous areas under heavy enemy fire in order to insure the evacuation of the wounded. He often volunteered to drive the litter jeep to take the place of the regular drivers, who were fatigued to drive. Smith entered the army in 1941 and has been overseas for the past two years. His wife, Mrs. Mildred Smith, is now employed as a nurse in the Vernon Sanitarium.

T-Sgt. Virgil A. Dockins, aerial radio operator, son of Mr. and Mrs. A. J. Dockins of Crowell, has been awarded a second Oak Leaf to his Air Medal. It has been announced by the commanding general of the India China Division, Air Transport Command, special news item to The News. The award was made upon the completion of 750 hours of operational flight in transport aircraft over the dangerous and difficult India-China air routes. The trail over the Hump, famed for its towering peaks of the Himalayan Mountains, is recognized by air men as the world's toughest. The award was made for the period of service, May 12, 1943, to Dec. 4, 1944.

With the 32nd Division in the Philippines. — Pvt. Lunsford C. Sanders, husband of Mrs. Mary Sanders of Crowell, has arrived overseas and been assigned to the veteran 32nd Division. Entering the army in July, 1944, Mr. Sanders had basic training at Camp Wolters and left the United States in December, 1944, to come overseas as a replacement and join the Red Arrow Division. He is now serving as a rifleman in an infantry company of the 32nd somewhere on the island of Luzon. He is a brother of Barney Sanders of Crowell.

Cpl. Billie J. Cox, son of Mr. and Mrs. W. M. Cox, recently arrived at a U. S. strategic air force station in England, according to information received from the public relations office. He received a brief orientation course at the air force station to help him adjust himself to life in a combat zone. He will soon transfer to his permanent station from which America's fighting planes over the advance into Germany.

Mr. and Mrs. L. F. Ward of Dallas have recently received word that their son, Cpl. Weston Ward, has arrived somewhere in the Philippines. He trained at Camp Field, Fla., and at Stinson Field, San Antonio, in the Service Group. His wife and two children reside in Gainesville with her parents. Another son of Mr. and Mrs. Ward, Sgt. Alfred L. Ward, is stationed at Fort Myers, Fla. He is an instructor in Gunnery. His wife and baby son re-

Arctic Rescue Head

Lt. Col. Norman D. Vaughn, above, head of the Arctic search and rescue division of the AAF air transport command, which has rescued many Yanks.

Pete Gobin Accepts Position As Ass't. City Secretary

Pete Gobin has been appointed assistant city secretary by the City Council and announcement that he had accepted the position was made this week. Mr. Gobin and family are moving today to the apartment at the city hall and he will assume his duties immediately. In addition to his duties as assistant to Mrs. Arnold Rucker, city secretary, he will be in charge of the fire truck and also act as city marshal.

side there also. He received his training at Kearns Field, Utah, and at Denver, Colo. Pfc. Frankie Halenec, who has been in the Southwest Pacific for the past 35 months, arrived here Thursday of last week to visit his parents, Mr. and Mrs. Frank Halenec. He wears the Good Conduct Medal, two Bronze Stars, the Purple Heart, six overseas bars, one unit citation, one Combat Infantryman's Medal.

S 2-C Kenneth Ellis left Tuesday for Port Hueneme, Calif., after a 13-day leave here with his parents, Mr. and Mrs. C. R. Ellis, and other relatives. Ellis finished his basic training at San Diego, Calif. He entered the Seabees and was sent to Rhode Island for more training and is now stationed at Port Hueneme.

Pfc. Foy E. Nichols, son of Mr. and Mrs. R. G. Nichols of Crowell, has been assigned to the AAF Training Command Radio School at the Sioux Falls Army Air Field, Sioux Falls, S. D., for training as a radio operator-mechanic, according to a news dispatch from the public relations office. Upon completion of a 26-week course, he will be fully trained to take his place as a member of a highly skilled bomber crew of the Army Air Forces.

David H. Scott, machinist mate, first class, of the Navy Seabees, has reported to Camp Parks, Calif., after a 30-day leave here with relatives and friends. He was overseas 25 months and wears three battle stars for the Guadalcanal, New Guinea and Admiralty Islands campaigns. He was accompanied to Crowell by his wife and daughter, Sandra, of Lubbock.

Pfc. John T. Tamplin, son of Mr. and Mrs. W. H. Tamplin, is returning home on a rotation furlough from 26 months overseas with a military police battalion in the Mediterranean Theater of Operations. He arrived at Fort Sam Houston about Sunday, March 27, and reached home Tuesday.

Mr. and Mrs. C. R. Ellis have received a telegram from their son, Pfc. Jimmy M. Ellis, stating that he had arrived in the States and is now in Jackson, Mich., visiting his wife. Pfc. Ellis has been overseas for 28 months. He will arrive in Crowell soon for a visit with his parents.

Pvt. Fred Borchardt left yesterday for Fort Ord, Calif., to report for duty after spending a 10-day furlough here with his wife and baby and parents. Mr. Borchardt, Fred Borchardt, Fred finished his basic training at Camp Roberts, Calif., before his visit at home.

Sgt. Edgar E. Marlow, son of Mr. and Mrs. Arthur Marlow, is recovering satisfactorily from an appendix operation which he submitted to on March 8 in Avon Park, Fla. He has been trained as an aerial engineer-gunner and will be ready for overseas duty when he recovers fully from the operation.

Mr. and Mrs. A. B. Curtis have recently received letters from their son, Sgt. Frank Curtis, that he is in a hospital in England, having been wounded in action and had been awarded the Purple

S. T. Simpson Died Early Sunday at Halsell Ranch

S. T. Simpson died at his home at an early hour Sunday morning, after an illness of several weeks. Mr. Simpson recovered, sufficiently, however, to be on the streets lately.

Funeral services were held at the Womack Funeral Home Tuesday afternoon with Rev. R. S. Watkins, pastor of the Crowell Methodist Church, officiating at the rites. A special musical number, "Tell it to Jesus," was sung by Mrs. Chas. W. Thompson and Mrs. J. R. Beverly. Mrs. T. S. Hancy played the accompaniment. Pall bearers were Chester Graham, Darvin Bell, W. D. Dryden, L. B. Smith, Arch Owens and L. B. Cunningham. Burial followed in the Crowell cemetery.

Samuel Thomas Simpson was born April 1, 1866. He was married to Miss Ada Allen in 1890. To the couple eight children were born, five of whom died in infancy. The wife passed away on Jan. 17, 1910.

Survivors include one son and two daughters: S. D. Simpson of Madera, Calif., Mrs. L. H. Tepper of the Rising Star and Gertrude Simpson of Crowell, who has made her home with her father. There are ten grandchildren and six great grandchildren and a number of nephews and nieces also surviving.

Mr. Simpson and his wife united with the Methodist Church in early life.

Heart the day the letter was written, March 3rd. He says that he thinks he will soon be out of the hospital.

Pfc. Alton Roark of the U. S. Marine Corps, who has been here on a furlough visiting his parents, Mr. and Mrs. Jim Roark, of the Y Ranch, and other relatives and friends, left Saturday for Amarillo on his return trip to San Francisco. He was accompanied by his parents to Amarillo.

Cpl. Lowell Campbell, son of Mr. and Mrs. Dwight Campbell, is here spending a 12-day furlough in the home of his parents. He has been training at Yuma, Ariz., and will report at Lincoln, Neb., at the close of his furlough.

T-Sgt. Barney G. Smith of the 10th Air Corps, who has been in Calcutta, India, for some time, is here visiting his mother, Mrs. W. L. Callaway. After a 21-day furlough, he will report to Santa Ana, Calif., for re-assignment.

Basil Nelson, who has been stationed in Washington, D. C., at the Naval Base, arrived here Saturday for a visit in the home of his parents, Mr. and Mrs. O. H. Nelson, of Vivian.

Sgt. Weldon E. Hays has recently arrived safely in India, according to letters received by his wife, the first in several weeks.

T-5 C. V. (Jiggs) Barker and wife of Fort Ord, Calif., are here on a furlough visiting his parents, Mr. and Mrs. A. W. Barker, and other relatives and friends.

Mr. and Mrs. John Black received a letter from their son, Cpl. Walter C. Black, Monday, which stated he was alright. He is stationed somewhere in France.

The Bureau of Agricultural Economics estimates that the output of all meats in 1945 will be two and a half million pounds less than in 1944. This reduction isn't large as the figures might indicate since the estimated production of meat in 1945 will be 27.7 billion pounds.

Mine Detector Combats Crime

Military police are shown using an army mine detector, whose duties are usually confined to the battlefield, in the search for a gun believed to have been used in a murder. A gun was found but it was not the one sought. This is believed to be the first time the military mine detector has been used in crime detection. The mine detector indicates the presence of metal. This improved mine detector, developed during the present war, offers many possibilities in addition to that of a crime detector. Already plans are being formulated to utilize a modified form in a group to be organized for treasure hunting.

Farmers Are Urged Knox County to Attend AAA Meeting April 4

The A. A. A. Farm Program, as it relates to the production of food for the War Effort, conservation of soil and water and the Cotton Crop Insurance program for 1945, will be the topic of discussion at a meeting to be held at the court house Wednesday, April 4, at 2 p. m.

Shirley Taylor, District Field Representative, will be in charge of the meeting. Mr. Taylor will be accompanied by Cliff Day, an outstanding speaker. D. F. Eaton, County Agent, will lead a discussion on soil and water conservation. All farmers and business men in the county are invited to attend this meeting.

Meeting at Methodist Church Next Week

Rev. John H. Crow, pastor of the Methodist Church at Paducah, will begin a week's revival at the local Methodist Church on Sunday morning at the 11 o'clock hour, announces Rev. R. S. Watkins, pastor of the church. The services will be held at night only and the public is cordially invited to attend each service. The Sunday evening service will begin at 7:30 and the rest of the services will begin at 8 o'clock.

Rev. Watkins announces that there will be infant baptism at the church Sunday morning between the Sunday School and preaching services.

CEMETERY DONATIONS

The following donations have recently been made to the cemetery fund through the president, Mrs. N. J. Roberts:

E. T. Evans	\$ 5.00
J. E. Langford	1.00
Henry Ross	1.00
Mrs. H. D. Poland	1.00
Mrs. Eosa Perkins	1.00
J. S. Owens	5.00
J. Frank Calvin	10.00

Landscaping of Court House Lawn Completed; Trees and Shrubs Planted Under Supervision of Miss Elliott

After several weeks' work, the landscaping of the court house yard is almost completed. The lawn was plowed and leveled down and will be planted again in Bermuda grass. Western Green Ash trees have been set out on the outer edges of the lawn on all sides of the court house with a clump of various shrubs in each corner. Shrubs of numerous varieties have been artistically placed around the building. The beautification project was authorized by the commissioners court and the landscaping and planting has been under the supervision of Miss Elizabeth Elliott, county home demonstration agent.

City Election to Be Held Tuesday, April 3, City Hall

An election will be held Tuesday, April 3, on the lower floor of the City Hall for the purpose of electing a mayor and three aldermen to serve for a period of two years. The ballots will have the names of C. T. Schlagal, who is seeking re-election, and Jim Cook for mayor, and R. J. Roberts, Tom Russell and L. G. Andrews for aldermen, all of whom are seeking re-election. Since there are only three aldermen to be elected these candidates do not have any opposition. Citizens of Crowell, who are eligible to vote in this election, are those who have lived in the city for six months and have a county poll tax, or who are entitled to vote by reason of the fact that they are past sixty years of age.

Mrs. Pearl Carter has been appointed presiding judge of the election. The polls will open at 8 o'clock and close at 7 o'clock.

Ray E. Davis on Submarine Reported Lost

Ray Ellis Davis, G M 3-C, USN, son of Mr. and Mrs. Earl Davis, was a crew member of the USS Albacore Submarine which was reported lost by the Navy Tuesday, March 27. He was reported as missing Dec. 19, 1944, and no other word had been received about him since that time. Ray joined the Navy on his 17th birthday, Sept. 3, 1942. He spent a 30-day leave at home one year ago this month and left for the return trip to his ship one year ago today.

1944 Cotton Crop in Foard County Reaches 10,478

According to Government tabulation of the card reports made by the cotton enumerators for Foard County, A. Y. Beverly, shows 10,478 bales of cotton, counting round as half bales, ginned and to be ginned in Foard County from the crop of 1944, as compared with 8,552 bales from the crop of 1943, an increase of 2,126 bales.

Owing to the shortage of labor, the gathering of the 1944 cotton crop was delayed and the gins have had a longer season than in previous years.

The 1945 goal in milk production for Texas, is nearly four and one-half billion pounds of milk.

Allies Agree—Never Again!

U. S. 9th army signalmen repair wires while standing under a sign painted by Germans as part of a propaganda program in Echt, Holland. Translation: "1918? Never Again." The Allies have pledged themselves to this slogan—that never again will a peace be made that will permit Germany to conduct another world war.

Lest They Forget—This Is War

Cpl. E. A. Nault of Meadow Lake, Saskatoon, Canada, posts a dramatic sign on the road to Calcar, Germany, to remind Allied soldiers not to fraternize with the enemy. The American command has published similar orders, having information that German agents are still working actively in conquered territory. Some reports have been received of Nazis cultivating friendship of Allied servicemen in order to carry on underground work against the armed forces. Arrests are made daily.

Jimmie Moore has gone to Wichita Falls to work with the Wichita Engineering Company.

Oral Wharton and Lock Reinhardt have gone to Texarkana to work in defense work.

A Diesel engine has no spark plugs.

Research Work Necessary for Health of Texas

Austin.—Additional full-time research is necessary if health work in Texas is to meet the requirements demanded of it, according to Dr. Geo. W. Cox, State

Health Officer.

Texas is expanding industrially, and new problems are constantly arising regarding water, sewage disposal, transmission of disease, and many other problems. New development of ideas and processes in treatment devices in water, sewage, milk, and food are needed.

New diseases of foreign, especially tropical diseases, will be present in the post-war era, and the State Department of Health must be in a position to combat them. It will be necessary to train returning waterworks and sewage personnel and sanitarians, who have physical impairments, as technicians in their field of work.

Much can be done to prevent future illness and prevent loss of man days in labor if studies are started immediately so that knowledge of their control can be given to all citizens of the state.

PRODUCE EGGS ECONOMICALLY with FUL-O-PEP LAYING MASH

"GRIM" is the word, used by Washington authorities in a recent statement, to describe the immediate future of civilian passenger car transportation.

Tire trouble and tire shortages . . . motor trouble and parts shortages . . . are forcing so many cars off U. S. streets and highways every day, that the nation is rapidly approaching the low point in cars needed to keep our country's civilian economy at an efficient operating level.

It's danger all the way, because every mile you drive places extra hazards and added burdens on your already over-age car. So in our country's interest, and in your own, be thrifty with your dwindling stock of car and tire miles.

Care For Your Car For Your Country to help prevent the threatened crisis in home-front transportation. Get the patriotic cooperation of your Phillips 66 Service Man in making your car and tires

last longer and go farther: Phillips Tire-Saving Service includes checking air pressure . . . inspecting for nail holes, cuts, and bruises . . . examination of the tire carcass to warn you when recapping is necessary and still possible . . . crisscrossing with the spare every 3,000 miles.

Phillips Car-Saving Service includes inspection of battery, air filter, and anti-freeze protection . . . regular lubrication of every friction point specified by the maker of your car.

Our country needs the mileage remaining in your car and tires. You need to stretch the life of your personal essential transportation. So visit your Phillips 66 Service Man at least once a week and he will gladly share both responsibilities with you . . . at the Orange and Black 66 Shield . . . the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.

New Santa Fe Bridge Speeds War Traffic

"bottle-neck" created by the old single-track bridge it replaces and has ample strength to take care of future requirements as to weights to be imposed on it.

The new Topock bridge is an impressive engineering feat, but it is only one step in Santa Fe's program of plant improvement—started long before Pearl Harbor. These improvements have speeded up war traffic today, and they will enable a higher standard of Santa Fe service in the days of peace to come.

Santa Fe trains are now rolling across a new double-track steel bridge over the Colorado River near Topock, Arizona, speeding up vital war traffic along the route to Tokyo through California's ports of war.

This new Santa Fe bridge removes the

Mrs. E. V. Halbert.

Mrs. John Wheeler was taken to the hospital in Crowell Wednesday of last week, where she submitted to an operation Thursday.

O. N. Baker is ill at this writing.

Mrs. Roy Ferguson was ill at the home of Mr. and Mrs. R. B. Lilly several days last week.

Mr. and Mrs. R. B. Lilly and Mr. and Mrs. Blake McDaniel visited Mr. and Mrs. Ozzie Turner of Tuscott Sunday.

Mr. and Mrs. Luther Marlow visited his mother, Mrs. J. N. Marlow, who is ill in the home of his daughter, Mr. and Mrs. R. E. Weathers, in Crowell, Sunday afternoon.

RAYLAND

(Norma Jeanne Beazley)

Miss Loretta Tuggle of Dallas spent the week-end with her parents, Mr. and Mrs. Capp Tuggle.

Miss Earlene Edwards, who is employed at Pan Tex, spent the week-end with her parents, Mr. and Mrs. Dewitt Edwards, and family.

Mrs. A. W. Crisp has returned from an extended visit with Mr. and Mrs. Allan French in Fredericksburg, Texas.

Mr. and Mrs. O. E. Haney are visiting in San Angelo.

Mrs. Sanford Haney of Lockett visited Mr. and Mrs. Dewitt Edwards and family Friday evening.

Mrs. W. M. Faughn and daughter, Hazel, Mrs. G. T. Key and Miss Norma Jeanne Beazley were business visitors in Abilene over the week-end.

Miss Grace Abston, who is attending a business college in Wichita Falls, spent the week-end here with her parents, Mr. and Mrs. B. P. Abston.

Mr. and Mrs. A. T. Beazley and Mrs. W. E. Schoolcraft were business visitors in Wichita Falls Saturday.

Mr. and Mrs. Buck Clark visited Mr. and Mrs. Joe Hayes of Lockett and Mr. and Mrs. L. D. Mansel of Vernon Sunday.

Alex Green of Farmers Valley and Miss Pauline Vault of Vivian visited in the Dewitt Edwards home last week.

Mr. and Mrs. Hubert Abston and family of Northside visited Mr. and Mrs. B. P. Abston and family Sunday.

Carroll Edwards visited with Jackie Ashcraft of Lockett Sunday evening.

Patsy Mooley spent the week-end with Wanda Ruth Abston.

Mr. and Mrs. T. E. Lawson and Barbara Ann visited in Vernon Sunday.

J. A. Harrington of Vernon visited here last week.

Idress Phillips has returned from a Vernon hospital, where he has been under treatment of a doctor.

Miss Mary Tom Lawson of Vernon and Mrs. W. E. Schoolcraft were dinner guests of Misses Doris and Earlene Edwards Friday evening.

Mr. and Mrs. A. T. Beazley and daughters, Jeanne and Mrs. W. E. Schoolcraft, Mr. and Mrs. T. T. Beazley and Miss Hazel Faughn visited Mrs. R. G. Lewis of Vernon, Sunday evening.

RIVERSIDE

(By Mrs. Cap Adkins)

Morris Wilson went to Tyler Saturday. He was accompanied home by his mother for a visit here.

M. L. Cribbs left last week for Savannah, Mo., where he will receive medical treatment.

Mr. and Mrs. Bill Hlavaty of Vernon visited in the Ignac Zacek home Sunday.

Emma Matus is spending the week in Temple visiting friends.

Mr. and Mrs. Joe Cerveny of Munday were visitors in Mrs. Mary Richter and John Matus homes Sunday.

Mr. and Mrs. Autry Pope and daughter of South Lockett spent Sunday with Melvin Barnes and family.

Mr. and Mrs. August Rummel visited Mr. and Mrs. Hubert Gossett and Mrs. Hugh Solis in Davidson, Okla., Friday.

Frances Bedling of Lockett spent the week-end with her cousins, Doris and Violet Rummel.

Mr. and Mrs. Johnnie Matus and sons returned Friday from a visit with relatives in East Texas.

Mr. and Mrs. Dave Shultz and family spent Sunday with her parents, Mr. and Mrs. E. V. Cato, of Thalia.

Mr. and Mrs. Houston Adkins and daughter and James Adkins of Fort Worth spent Sunday and Sunday night with their parents, Mr. and Mrs. Cap Adkins.

Mr. and Mrs. Arlie Cato and sons of Fort Worth returned home Sunday after a visit with relatives here.

Pvt. Ellis Wilson has returned to California after a visit with Morris Wilson and family.

Mr. and Mrs. Herman Gloyana and sons spent Sunday with her parents, Mr. and Mrs. Fred Riethmayer, of near Crowell.

Mr. and Mrs. Johnnie Matus visited relatives in Bomarton Sunday.

Mr. and Mrs. S. P. Farrar visited with Marshal Doyle and family of Oklahoma Sunday.

T. C. Pope and Mrs. Reed Pyle spent the week-end with relatives at County Lane, Okla.

Mr. and Mrs. Jady Tole spent

Legislative News

(By Claude Callaway)

Saturday, March 24.

One of the major pieces of legislation which took place in the capitol this week was when the Senate passed out the Old Age Assistance bill making additional monthly appropriation of \$300,000. This was the same amount that was passed by the House six weeks ago—the exact number of dollars put in the Piggy bank in the appropriation room under my substitution amendment in January.

This makes an amount of \$2,200,000 per month to be matched by Federal money, making \$4,400,000 per month which will be spent for old age assistance. In a conversation with Johnny Winters, head of the department of public welfare this morning he assured me that by the time papers went to press next week if the Governor had signed the bill, he would be making out the checks for April, which would only restore the \$1.25 cut for each recipient, but in May there will be a general adjustment on account of the increase in the price of food and other items. In the May checks the recipients of assistance will receive the full benefit of the emergency appropriation.

Mr. Winters estimates \$50,000 or one-third of the number on the rolls will receive the maximum of \$30 per month. The increase in other pensions will be adjusted from \$2 to \$3. In fact, he considered this was the first time that the Legislature had appropriated enough money to actually meet the needs of the old people, according to the amount that could be spent under the Federal law. He emphasized the fact that no one on the rolls would need to write the department or be interviewed to receive the May adjustment, and only the unusual cases would have to be investigated.

On Wednesday night of this week we had in the House local and uncontested bill calendar. That is, all bills of an uncontested nature were put on the calendar and in a four-hour session the Legislature made laws by passing 53 bills to final passage. In the appropriation room the subcommittee that had written the appropriation bill for the eleemosynary budget for the next two years was voted out by the main committee. An appropriation of eight million dollars per year for each year of the biennium was recommended—this is an increase of approximately 15 per cent over the budget for the past two years. I feel sure this bill will be passed out of the House by the time you are reading this article.

This is the first major appropriation. Next will be the judiciary budget for all courts in Texas, then the education budget which will take care of all the colleges and junior colleges, then the departmental budget, setting up a salary schedule and appropriation for every state employee in all departments.

Last, but not least, is the rural school budget, which will probably be passed in the next two weeks. It will carry an appropriation of \$28,000,000, which will be \$14,000,000 for each year of

Sunday with her parents, Mr. and Mrs. Grisham, of Quanah.

the biennium. Just one more word about the eleemosynary bill. This takes care of all our state institutions for the insane, feeble-minded, deaf and dumb, blind, and others, making a total of 28 institutions in the State of Texas.

I was on the sub-committee of five men who wrote this bill, and it has been very interesting to be brought closer to our eleemosynary institutions, and to realize the great work that is being done for the thousands who are taken care of. I was caused to wonder if our American population would not look quite different if these thousands of people were in our homes and among society, instead of being taken care of and separated from people.

It would do any of us good and make us appreciate more fully the fine work that is being done by eleemosynary institutions if each of us had the opportunity of visiting a number of these institutions. I find that Judge Weaver Baker, who is chairman of the Board of Control, has done one of the most wonderful pieces of work ever done in the history of the institutions, in his direct supervision and management. He has saved us more than a million dollars in operational cost, has increased the efficiency in management, and it is indeed a pity that the people of Texas are not in a position to know how much difference it has made with a man who is an outstanding business manager, with the interest of the people at heart, and who works long hours every day to bring about this wonderful improvement.

Today is a summer day in Austin. I don't think I have ever seen the capitol grounds when they were more beautiful. Every tree is in full foliage. Most of the flowers—especially roses—are in full bloom. Summer is here!

Boast not thyself of tomorrow; for thou knowest not what a day may bring forth.—Proverbs 27:1.

We have heard the objections that have been offered against the conscription of labor but we have yet to hear of any sound reason why young men can be drafted to give their lives in the foxholes and the filth of the foreign battlefield and men at home cannot be drafted to work in safety and security in war plants at good wages at home among friends.

lation that will put men on an equal basis in this country in time of war.

The Red Cross quota in every city, village and hamlet in this country should be oversubscribed at least fifty per cent during the present drive. The Red Cross brings to the doorstep of every person in this country an opportunity to help clothe and feed the hungry and the unfortunate of the world. This is no time to be niggardly with the Red Cross. This is the time to give and give generously.

The stand taken by Senator Arthur Vandenberg of Michigan for United States participation in the peace and the world affairs sounds a wholesome and independent note in a day when so many are giving lip service to world peace while at the same time quibbling over minor details that have no bearing on the overall picture.

Germany will come out of the war without a friend among the nations of the earth. Germany gave the world a taste of her culture and her ethics when she thought she was on the march to victory and no nation or individual was attracted by the sample. Ruthlessness and bestial brutality, and heartless cruelty, and wanton destruction, are not traits that attract friends and win people.

Nowadays the rising generation retires when the retiring generation rises.

HISTORY

Arbor Day: Arbor Day, the day set as a time for planting trees, was first observed in Nebraska on April 10, 1872. Because of the different days in different parts of the country it is observed on different days in different parts of the country and different states. The observance of Arbor Day came as the result of a resolution adopted by the State Board of Agriculture of Nebraska on motion of J. Sterling Morton, a member of the board. The resolution read: "Resolved that April 10, 1873, be and the same is hereby especially set apart and consecrated for tree planting in the State of Nebraska, and that the State Board of Agriculture hereby name it Arbor Day. And to urge upon the people of the state the vital importance of tree planting, hereby offers a special premium of \$100 to the Agricultural Society of that county in Nebraska which shall upon that day plant properly the largest number of trees and a farm library of \$25 worth of books to the person who shall on that day plant properly in Nebraska the greatest number of trees."

Nebraska at that time lacked trees. Mr. Morton believed that trees were needed as wind-breaks and to conserve the moisture in the soil. As a result of the move there were planted in Nebraska the first year over 1,000,000 trees. Within sixteen years over 600,000,000 trees had been planted and within twenty years over 100,000 acres of waste land had been converted to forests. Arbor Day is now generally observed over the country with appropriate exercises in the schools included in which is the planting of at least one tree. Arbor Day is a legal holiday in Nebraska and Rhode Island. Arbor Day, because of the difference in climate, is observed in different states on different days. In some it is earlier and others later. In Georgia it is observed in December and in the Northern states as late as May.

War Weariness

Military leaders are said to fear that a kind of war weariness may spread among the people after the first joy passes over their victory against Germany. It may take six months to get the soldiers and their equipment and supplies transferred from the European theater to the Pacific.

It is predicted that the number of discharges when the German war ends will be relatively few. The idea is expressed that some people may begin to clamor for the return of the troops to the United States. Military leaders perhaps fear that a demand may gain power to have some kind of compromise peace fixed up with Japan.

So far there appears little sign of any widespread demand for such a peace. The feeling of Americans against Japan is even hotter than that which exists against the Nazis. The Japs made a foul and treacherous attack on our forces at Pearl Harbor. Countless acts of abominable cruelty have been committed by them. Indignation against a country which can perpetrate such outrages is intense, and it still demands a fight to a finish.

Our people long for the end of the war. They are weary of fighting and destruction, and saddened by the casualty lists. But they do not want Japan left in any such shape that it can renew his war in a period of years, and subject our people to any such sorrow and misery again.

So our people are still going strong, and public sentiment says that this time a thorough job should be done and one that will last. Many people feel that if the Allies had in 1918 marched to Berlin, the spectacle of such thorough conquest would have so scared the Germans that they would not have supported a new war. A similarly thorough conquest of Japan will help maintain permanent peace.

Business and Friendship

Friendship plays an important part in people's success in life. Many people win promotion and business success by their attractive personalities. People like to trade with them. They feel confidence in these persons, and are governed by their advice.

How do people win that degree of favor? Partly by their very cordial manner. They greet the world with smiles. They have a memory for people's faces, and an call a large number of folks by their names. They sometimes speak of the kind of thing these people bought before, and ask how far the article purchased gave satisfaction. This gift of a friend-

What We Think (By Frank Dixon)

The situation presented by the demand made by John L. Lewis for a bonus of ten cents a ton on all coal mined by the 400,000 miners belonging to the Coal Miners Union is one that commands the thought and attention of everyone.

It is interesting, not from the fact that it will add several million dollars to the nation's fuel bill, but from the fact that it indicates a trend in this country that is practically without limit in its possibilities.

As I see it the powers that be cannot escape granting the bonus of ten cents a ton upon all coal mined by the miners. All sorts of meetings may be held and in all possibility will be held, to debate the question, but in our opinion in the end John L. Lewis will get the ten cents a ton bonus.

Our reason for believing that Lewis will be granted his demand is that the pattern has already been set, and the precedent was established when Caesar Petrillo was permitted to levy a tribute against the buyers of records for taking machines by exacting a royalty on each record. This royalty does not go to the musicians who play the music from which the record is made. It goes to Petrillo to be spent as he chooses. He is not even required to render a public account of how the money is spent. The fund that will be raised by this plan, will, it is estimated, approximate \$4,000,000 a year.

While the Petrillo strike was on, the President of the United States personally appealed to Petrillo, in the interest of the men in the armed forces who desired recorded music, production of which had been stopped during the strike, but he was politely but definitely turned down.

The outcome was that the lug was granted and Petrillo is accumulating a huge slush fund, and the helpless public is paying the bill.

To a man on the side lines it appears that Lewis will follow the precedent set by Petrillo and will secure the bonus of ten cents a ton for which he is asking. As it appears to us there is no other possible outcome to this controversy.

Singularly enough, as in the case of Petrillo, the approximately \$60,000,000 which will result from the bonus will not go to the miners but to a fund to be controlled by John Lewis to be spent as he sees fit.

We are not prepared to say whether or not the miners are underpaid when compared with other classes of workers in this country. Only an extensive investigation and much research would show this and so far we have not seen any report of such research.

The point we wish to make, however, in the Lewis matter of a bonus is not one of pay increases, but rather as an indication of a trend in this country. Under an administration that has encouraged and nourished this sort of thing we are witnessing the beginning of the building of a powerful pressure group that is going to force accession to its demands. The Petrillo pattern has limitless possibilities when it comes to building up pressure group war chests. Let no one think it will not be used—and to the limit.

It is something for the common man of this country to think about—by whom is he really going to be governed in the future?

Washington News

By Congressman Ed Gossett, 13th District, Texas.

Washington, D. C., March 16.—Of the many complicated bills now being studied by Congressional Committees one of the most difficult is before the House Committee on Banking and Currency. It proposes American adherence to the Bretton Woods convention setting up an international bank designed to help stabilize international currency.

Testifying before the Committee this week Secretary Morgenthau was questioned by Congressman Jessie Sumner of Illinois. Addressing the Secretary, she began, "You are more of a diplomat than I am." Mr. Morgenthau replied, "I won't agree with that," to which Chairman Spence of Kentucky added, "Mr. Secretary, that proves you are a diplomat."

Figures placed in the Congressional Record last week on national milk production show Wisconsin to lead all states of the Union by a large margin, with 14 billion pounds. The second state is Minnesota with over 8 billion pounds. Next leading states in order are New York, Iowa and Michigan. Texas' 1944 production was nearly four and a half billion pounds.

Washington has proclaimed a recent news photo of raising the flag on Iwo Jima as unquestionably the picture of the year. Senator O'Mahoney of Wyoming proposes to use this picture on a postage stamp. Representative Hendricks of Florida has introduced a resolution to create a Marine Memorial in the City of Washington by copying in bronze and stone an exact replica of this photograph. It is an actual picture of four Marines hoisting Old Glory to a flagpole on a pile of two rocks. Most of the many statues in Washington are cold and lifeless, and some are ridiculous and genial manner is something that anyone can cultivate, and it makes a lot of friends.

IN THE NEWS 30 YEARS AGO

Items below were taken in whole or in part from the issue of The News of Friday, April 2, 1915. Martin & Kimsey, publishers:

H. L. Kimsey has bought a half interest in The Foard County News from J. L. Martin and has again located in Crowell after an absence of several years.

Rev. J. C. Johnson of San Angelo has sold to G. P. Lester of Burnett the double brick building on the north side of the square in Crowell, occupied by the W. R. Wonaack Furniture store and valued at \$16,000. An exchange of land was also included in the deal.

John Willard Simmons, a resident of Foard County, died at Medicine Mound Tuesday, March 2. He was born at Jamestown, Ind., Sept. 1, 1855.

Fred Riethmayer and wife and two children returned this week from a visit at Taylor. Mr. Riethmayer says that he was in the big "anti-Taylor" oil field, which bids fair to be one of the greatest in the state. He said some were selling leases for as much as \$200 per acre.

In our announcement column this week will appear the announcement of W. B. McCormick for city secretary.

Foard County has gained this season 14,000 bales of cotton, 9,000 having been weighed here. These figures broke the county's record by a large margin.

The public schools of this place closed Friday with appropriate exercises. Although the term was short, by diligent labor on the part of the pupils and each member of the faculty, nine pupils finished the required high school course.

A. A. Perkins and Mrs. John Montgomery of Glen Rose, father and sister of Mrs. Frank Hill, are here visiting in the Hill home.

C. P. Sandifer, George Burks and H. H. Fish went to Wichita Falls Tuesday and brought back a fine Overland car for J. E. Fish.

Miss Allie Tuttle, one of our popular teachers, has been elected to fill a vacancy in the O'Brien public school for the remainder of the term.

In their attempt to depict historical events, the proposed memorial would outrank all statutory in grandeur and exact portrayal of outstanding heroism. Lieut. General Walter Krueger, who has been recommended for promotion to four-star rank was born in Germany. He is considered one of the ablest officers of the American Army and is typical of many fine officers of German blood now serving this country. On the subject of officers, at last count Texas had 64 generals on active duty. Figures show Texas A. & M. to have more ex-students in the officer personnel of the American Army than West Point.

Within the City of Washington there are 6,667 acres of parks owned and supervised by the National Park Service of the Department of Interior.

A history-conscious friend, discussing the Americans' capture of the Ludendorff bridge at Remagen last week reminded me that the loss of bridges has often played important roles in wars. He contends the failure of Lee's ragged and starving soldiers to destroy a bridge across the Appomattox River in 1865 hastened the fall of the Confederacy. Deaf Smith did a better job at San Jacinto. His destruction of a bridge enabled Houston decisively to defeat the army of Santa Anna. Maybe the Lord was looking after the Americans at Remagen as He did the Israelites of old in the crossing of the Red Sea.

At a luncheon of the Texas delegation last week Senator Tom Connally of Texas, Chairman of the Committee gave us an off-the-record report on the just completed Pan-American Conference in Mexico City. An agreement was entered into there which will be known in history as the Act of Chapultepec. In effect, the 20 American republics in attendance simply adopted the Monroe Doctrine as their own.

The incendiary bombs now being used on Japan are vast improvements over the fire bombs heretofore used. They scatter over a wide area a sort of gasoline jelly which burns for a long period of time and is almost impossible to extinguish.

On Tuesday Captain Walter Jenkins of Wichita Falls paid me a visit in my office. He is serving with our army in Italy, and had flown across the Atlantic, having left Italy on Wednesday. He has come home for a short leave before returning to his post of duty. Not quite 18 years ago the world was amazed at Lindbergh's non-stop flight from New York to Paris. It is interesting to speculate what may take place in aviation within the next 18 years.

Texas poultrymen shipped 722 carloads of eggs (shell equivalent) in Texas during January, the University of Texas Bureau of Business Research records show. This was a slight decrease over the 785 carloads shipped in January, 1944.

Home Town Thoughts

People who live 1,000 miles away see fine features when they come to our community, which are not always noticed by the home people.

The impression which a community makes on the outside world depends a good deal on whether the band of greeting which the people hold out are reaching for people's money, or are hands of friendly welcome.

People who claim that advertising does not pay, might explain why the people who have built up big business concerns are usually very liberal advertisers.

It is estimated that there is a shortage of 1,000,000 pounds of fat for making glycerine which is essential in the manufacture of munitions. Presently the war much of the necessary fat came from the Pacific. This supply has been cut off by the war. The greatest remaining service is the kitchens of America. Fats should be put in a clean tin can and taken to the butcher. He will pay four cents and red points per pound.

St. Joseph's Altar Society is sponsoring a Food and Rummage Sale at Lanier Building, Saturday, March 31, beginning at 10 a. m. Patronize the ladies and buy a good dinner.

Mr. and Mrs. E. A. Dunagan and Mrs. Bill Dunagan and baby daughter went to Dallas Saturday and returned Monday. They were accompanied by Mrs. Dunagan's parents, Mr. and Mrs. J. N. Bryson.

S. C. C. Kenneth Ellis and his parents, Mr. and Mrs. C. R. Ellis, and Mrs. Richard Ellis and two little daughters, Mary Sue and Sharon Ann, spent Sunday in Paducah visiting relatives and friends.

W. M. Howell of Hart, Texas, former Foard County resident, arrived here Tuesday to visit relatives and friends. Mrs. Howell has been here for several days visiting relatives.

Mr. and Mrs. O. G. Maynard moved last week from Sweetwater to a farm east of the City lake. Mr. and Mrs. Maynard are former residents of the Rayland community but have lived in Sweetwater since 1924.

Pvt. A. C. Killough and wife of DeQueen, Ark., spent Saturday here visiting his sister, Mrs. Cecil Daniels, and family. Pvt. Killough has recently returned from 22 months service in the Transportation Corps in Persia.

O. R. Boman and Mrs. T. V. Rascoe went to Guthrie Sunday to visit with Lt. Maude Williams, who was a civilian nurse in the Philippines when war was declared. She was in the Santo Tomas Internment Camp and associated with Mrs. Boman and Mrs. Hodges, during the three years of their imprisonment and gave the husband and sister first hand information concerning them.

Miss Jeanne Scales of Houston is visiting in the home of her parents, Mr. and Mrs. Ebb Scales.

D. C. Greer and son, Virgil, went to Fort Worth last week where they are visiting relatives.

Mrs. S. E. Tate returned Sunday from Ralls and Crosbyton, where she visited several days with relatives.

Mrs. Faye Barron and children have moved to Wichita, Kan., where Mrs. Burrow is employed in a defense plant.

Mrs. T. M. Haney of Vernon spent the week-end in Crowell visiting in the home of her daughter, Mrs. John Kasor.

Food and Rummage Sale, Saturday, March 31, at 10:00 a. m., at Lanier Building. St. Joseph's Altar Society. Come early.

Miss Reed Sanders visited over the week-end in the home of Mr. and Mrs. Linus Bromert of Amarillo.

T-5 Garland Foster and Mrs. Foster and their little daughter spent last week in Floydada visiting in the home of his parents, Mr. and Mrs. C. Foster.

Mrs. Sewell Roy and Mrs. P. P. Cooper of Amarillo spent the week-end here visiting in the homes of Mr. and Mrs. Gordon Cooper, Mr. and Mrs. Roy Cooper and Mr. and Mrs. Oscar Gentry.

W. M. Howell of Hart, Texas, former Foard County resident, arrived here Tuesday to visit relatives and friends. Mrs. Howell has been here for several days visiting relatives.

Mr. and Mrs. O. G. Maynard moved last week from Sweetwater to a farm east of the City lake. Mr. and Mrs. Maynard are former residents of the Rayland community but have lived in Sweetwater since 1924.

Pvt. A. C. Killough and wife of DeQueen, Ark., spent Saturday here visiting his sister, Mrs. Cecil Daniels, and family. Pvt. Killough has recently returned from 22 months service in the Transportation Corps in Persia.

O. R. Boman and Mrs. T. V. Rascoe went to Guthrie Sunday to visit with Lt. Maude Williams, who was a civilian nurse in the Philippines when war was declared. She was in the Santo Tomas Internment Camp and associated with Mrs. Boman and Mrs. Hodges, during the three years of their imprisonment and gave the husband and sister first hand information concerning them.

Air Force Establishes Record

"Lil Audrey," veteran bomber of the famous U. S. army 7th air force, has made 100 missions, flown 343,000 miles and has dropped 416,900 pounds of bombs on Jap targets across the Pacific. The bomber will tour the United States combat crew training centers. Capt. Jim Braddock is shown shaking hands with the pilot, Lt. Francis Poulos of Pasadena, Calif.

West Texas Baptist Churches to Honor Dr. George Truett

Dallas, March 26.—Baptist churches of West Texas are joining in a regional project to underwrite the cost of one entire floor in the proposed Truett Memorial Hospital Building at Baylor University Hospital, Dallas, as their united gift to honor the memory and perpetuate the work of the late Baptist leader, Dr. George W. Truett.

The floor, to be provided at a cost of \$100,000, will be decorated and furnished in true western style. A bronze plaque in the hall will designate the floor as the gift of West Texas people, as an expression of their love for Dr. Truett, and will list the churches whose congregations have contributed.

Plan for the united gift was developed by leaders of the Piasano Baptist Encampment, near Alpine, where Dr. Truett preached for 27 summers to cowboy camp meetings.

All Baptist churches of Texas will observe April 8th as Truett Memorial Hospital Day, taking pledges and contributions for the state's \$1,200,000 building fund. All churches west of Fort Worth have been invited to add their collections to the regional collection to provide the West Texas floor in the building. In this manner, their gift will be distinguished from donations from other parts of the state.

CIVIL SERVICE POSITIONS

Persons with experience in personnel administration in public or private large scale organizations are invited to apply for the position of Classification Analyst, with salary ranges from \$2,433 to \$4,428 per annum including overtime.

No written test is required and application Form 57 should be filed with the Director, Tenth U. S. Civil Service Region, 210 S. Harwood Street, Dallas 1, Texas. Application forms and additional information may be secured there or from any first or second class post office in Texas.

Persons appointed in this position will administer position classification in Federal agencies in the field. This involves classification surveys and investigations, the development of information required to evaluate positions, and the preparation of factual and analytical reports thereon with recommendations for correct allocations.

Appointments will be made in conformance with War Manpower Commission regulations and veterans will be given preferential consideration in accordance with the Veterans Preference Act of 1944.

General's Pet Mount

Pistol slung at hip, Lt. Gen. Dan I. Sultan, commanding general of India-Burma theater, rides this sure-footed pack mule over a steep jungle trail during a front line visit to the Maras task force along the Burma road. This is a familiar picture of General Sultan.

CARD OF THANKS

We wish to take this means to partially express our appreciation for all the nice cards and words of sympathy given us during our recent sorrow in giving up our loving son and brother. May each of you have such kindness if ever you have the same to bear. All the kind words and everything done have helped so much.

Mrs. Mattie Davis, Cecil, Robbie Dell and Billie Ray Davis, Mrs. Marie Patterson, all of Crowell; Mrs. Fay Holladay, Floydada; Mrs. Ann Morris, Dalhart; R. E. Davis, Amarillo.

Rexall Drug Store Announces Supply of Penicillin

Extensive preparations have been completed by the United Drug Company of Boston and St. Louis to make the wonder-drug Penicillin instantly available to its distributors, the Rexall Drug Stores throughout the country, on March 15th when the War Production Board authorized the general release of this amazing drug for civilian use on doctors' prescriptions, it was announced here this week by Richard Ferguson, owner of the Rexall Store in Crowell.

Up to now "life-saving" Penicillin has been almost wholly reserved for the exclusive needs of the armed forces. However, production of the drug has advanced so rapidly in recent months that limited amount can now be regularly set aside for use on the home-front without endangering the supply going overseas. That is why the long-awaited "date" for its release by the War Production Board was history-making.

Realizing the tremendous, expected demand for this precious drug ready for general public use, Rexall-United has utilized every possible means that its international facilities afford to see that all Rexall Drug Stores receive an adequate allotment to take care of pent-up demands.

The story of Penicillin is well known to the public. It was discovered in 1929 by Dr. Alexander Fleming, a London bacteriologist, but it wasn't until ten years later that Penicillin "came to life." Sulfa drugs meanwhile were in practical use and their effectiveness stimulated further study by a group of research men at Oxford, headed by Dr. Chain and

SUNNY SQUIBLET'S

It is said to be a good idea for the children to get home early in the evening. When some of them do so, they are likely to find the house deserted.

A good many people are said to have a habit of being late. Probably a good part of them are quite prompt in drawing their pay.

Babies are said to need strict watching during the first months of their lives. It has been said also that some in Texas need it when they get old enough to step out with the boys.

The women folks are advised to develop beautiful hands. Pop may say that any hand that makes good pie looks beautiful to him.

It has been claimed that freedom of speech is curtailed, but the babies are still yelling and the dogs are barking.

Considerable freedom of speech is reported in some cases where automobiles collide, on the part of the drivers of both cars.

Many of our national troubles are ascribed to the unwillingness of the American people to think. They should not think so constantly that they forget to show up on the job.

It is said that the three year old child should be able to feed himself without spilling, but a good many men can't seem to do so.

HAIL INSURANCE On Your WHEAT CROP Written in Old-line stock companies. See us for Rates LEO SPENCER Phone 83-M Office North Side of Square

Dr. Florey. Dr. Florey came to the United States in 1941 to confer with the National Research Council and the U. S. Department of Agriculture and particularly to initiate further study on a method of producing sufficient amounts of the potent anti-bacterial substance obtained from a common mold known as Penicillium notatum. Soon Penicillin surpassed sulfa drugs in potency and effectiveness beyond all reasoning. The United States Government placed unlimited financial resources behind the program for the large-scale production of Penicillin for military requirements. This entire production comes under the control of the War Production Board which has kept the pharmaceutical profession informed as to the availability of stocks. With peak production of the drug now at hand, plans have been made for its widespread release for general civilian use through the customary channels—the retail drug store.

FARMERS GIN TO CLOSE DOWN The Farmers Co-Operative Gin in Crowell will have had a good season's run and appreciate very close for the season Saturday night, March 31. Pruning Tree to Make It Strong Most Important Lubbock, March 26.—"Pruning a tree to make it strong is the most important part of pruning," says Dr. W. W. Yocum, professor of plant industry at Texas Technological College. The same elements of strength apply to shade trees, fruit trees and evergreens, he says, and offers the following detailed instructions: There are some important differences, however, in shaping the tops of various trees. Upright evergreen trees naturally grow into ideally formed trees. When planted on the lawn or in windbreaks they should have branches down to the ground as in nature. Then they show their natural symmetry. Very little pruning is needed usually on the inside of up-right evergreen trees. Street and shade trees on the other hand, must of necessity have their lower branches removed to a height of 7 or 8 feet preferably. These branches should be removed while they are small so no large wounds are made. Each year a whorl of these low branches should be removed until there is plenty of room beneath the tree for adults to walk, and traffic to move safely in the streets. If shade trees are properly placed, there is no need to limit their height. They are more highly admired and valued as they grow taller, and larger. Fruit trees, however, must be limited in height so that all orchard operations will be made easier. Large fruit trees, like apple and pear, should never be allowed to grow beyond 25 feet, in over-all height. For this reason, the trunk or main stem is checked 8 to 10 feet from the ground. Stone fruits are smaller and short lived trees, so need 4 or 5 feet of trunk. The primary branches of fruit trees should be distributed evenly along the trunk down to the ground in West Texas. Because of so much wind and sunshine in West Texas fruit trees should be kept low and dense, especially on the southwest side. In East Texas where it is damp, and the sun shines less hours, and is less brilliant, fruit trees need low branches removed so there is 2 to 3 feet of clearance for the air to circulate under the trees. The tree top needs to be much more open to permit sun and wind to dry off the foliage and prevent diseases. Pruning of fruit trees in East and West Texas should differ in proportion to the climate differences, and because of them. Fine trees can only be had by giving them plenty of space. Shade trees should be at least 10 to 50 feet apart if they are to live a long time and be developed into their mature beauty. There is not space for more than two shade trees in front of a 50 feet lot. Of the months in the year, September has the longest name.

SCHOOL SPIRIT

All students of CBS should have school spirit. There are some who have school spirit, and some who do not have any.

The development of school spirit helps both the students and the faculty to co-operate with each other better. A development helps the morale of the school.

Before there can be school spirit, there must be class spirit. Students, when you enter the assigned room for a class meeting, be sure that you co-operate with the class on the subjects which are being discussed, instead of making a great deal of noise and considering that it is a time to sleep classes, and that it is a good chance for you to "cut out."

As you have probably noticed, school spirit is lacking at CBS. Let's each of us develop it individually.

BOX SUPPER

It was pretty swell, wasn't it? Did you have a good time? The Senior box supper was a huge success. Bessie Gamble did an excellent job of announcing the program. Marion Self not only accompanied all the specials but also played for intermission.

The first skit was an "Up-side-down" Quartet presented by Mrs. Lester's Home Economics III class. While Norma Pfister and Eva Lou Gray held the curtain, Frances Ayers, Ada Jane Magee, Rebecca Ross and Marie Sanders sang "Bill Gordon's Goat." Following this skit, Jimmy Johnson played an accordion solo. The contest for the popularity contest were called in the stage and last minute votes were taken.

The next skit found Travis Verner as a clerk, and Ruth Ebbels as a very odd customer. J. L. Ebbels was the manager in the skit presented by Mr. Wilkinson's class. Ada Jane Magee sang, "Don't Fence Me In" with an encore of "Hot Time in The Town of Berlin."

Bill Levin was the young bill collector and the two revenue agents were Joe Seales and Larry Campbell in a skit entitled "Out Yonder" presented under the direction of Mrs. Ebbels. After the skit the "Smith Sisters" played and sang two songs, "Each Night At Nine" and "Love Yonder."

Following them a clever dramatization entitled "Angel Child" was presented. The characters were Sharon Haney as Mrs. Jones, E. A. White as Eddie, Ruth Barker as the Nurse, and Bobby Cooper as the Doctor. "Do you really think Eddie had too much milk?"

Virginia Wade and Doris Jeanne Breedlove sang "Enter Parade" and "Accosted The Postman." Mrs. Murrell sponsored "A Lady's Complaint" which was sung by E. A. White. Following the Lady's contest, Helen Ruth Marks of Mrs. Murrell's room, presented a melodrama in which she acted villain, her mother and daughter.

Sharon Sue Haney sang "A Little On The Lovely Side" and

"Goodnight, Sweetheart." At the point of the program—Ada Jane Magee rushed down the aisle proclaiming she knew the winner of the popularity contest. She told Bessie to announce that the winners were Sharon Haney and Kenneth Owen. The second place winners were Travis and Betty while third place went to Eva Lou Gray, Larry and Betty won fourth place. (By the way, the first place winners want to thank all who voted for them.)

After this the program continued with Miles Nell playing a trumpet solo, "Song of India."

The last skit of the program was entitled "Auto Suggestion." The characters were Mary played by Jeanne Breedlove, Mr. Hanning played by Miles Nell, and Ted played by Larry Wood.

To end the entertainment part of the program, Jimmy Johnson and Miles Nell "gave out" with their rendition of "In The Mood." J. A. Stovall, Ed Haney and Lee Purvis auctioned off the proceeds. The total amount raised by the Senior Class was \$170.60, and we wish to thank each of you for co-operating so wonderfully with us.

Ins One Street
 Go Oryville
 Wichita Falls, Texas

Dear Marion:

I sat down with pen in hand to type you a letter with a pencil. I don't live where I lived before I moved where I live now. When you come to see me, ask anyone where I live because to me it's new.

I'm sorry we are so far apart. I wish we were closer apart. My Aunt Willie died and is going to the home. I wish you were the same. My mother is at death's door. I wish the doctor will pull her through.

I started to New York to see you, and I saw a sign that said, "This takes you to N. Y." I got on the sign and sat there three hours and the darn thing didn't move.

I'm making you a shirt by express. I cut off the buttons to make it lighter. If you want them, they are in the left pocket.

If you don't get this letter write and tell me. I will send it to you. The neighbor only swallowed some pins, but they fed it a pin cushion so every thing is all right now.

I would have sent you the money I owe you, but I didn't think of it until after I sealed this envelope.

Sincerely,
 E. A. White
 Your little nephew,
 P. S. Enclosed is a picture of me, but for fear of losing it, I took it out. I hope you receive it.

WELL, HELLO, THERE

Have you noticed all the Ex-Senators of CBS now in service around lately? You haven't? Well, I'm ashamed of you. You mean you haven't seen Vernon Garner? Oh, you saw him and he told you he was being sent to Lincoln.

E. A. White
 Your little nephew,
 P. S. Enclosed is a picture of me, but for fear of losing it, I took it out. I hope you receive it.

Next, well, that's just what he told me. What, Yes, Dan Pechequet, Billie Nichols, and Booty Bird are here, too. What did they tell you? Oh, that they're being sent to Maryland. Funny, they told me the same thing. But you haven't seen Perry Todd. You say he and he said he was going to Oregon. Yep, that's just what he told me. And Lovell Campbell is here, too. He just breezed in. It's the first time he's been here in almost a year, you know. Said he was going to Nebraska, too. Glen Taylor was here, too. But I didn't talk to him—What? Oh, you knew everything I've told you. Ah, well, so what? You'll never agree that they all look pretty swell. Well, So-long!

BRIEF BIOGRAPHY

Name: Bessie Gamble.
 Nickname: "Stoory."
 Community: Crowell.
 Age: 16.
 School Activities: Thespians, Pep Squad.

What I Think of Being a Senior: I think it's wonderful. Something I have been looking forward to for a long time.

Name: Joe Ed Gillespie.
 Nickname: Sammie E.
 Community: Truett.
 Age: 18.
 School Activities: Baseball, Pep Squad.

What I Think of Being a Senior: Lovely.

Name: Beverly Gray.
 Nickname: Beba.
 Age: 16.
 School Activities: Baseball, Pep Squad.

What I Think of Being a Senior: I think it's swell.

Name: Marian Hays.
 Nickname: "Lute."
 Community: Crowell.
 Age: 17.
 School Activities: Press Club, Pep Squad.

What I Think of Being a Senior: For a long time I have wished I were a senior, and now that I am one, it is marvelous.

THESPIAN MEETING

The Thespians met Tuesday morning for the purpose of taking the names for Thespian pins for new members, such as he is named. The pins like those of previous years, will be gold and have eight pearls and the gold guard. The members ordering their pins were: Betty Seale, E. A. White, Bobby Cooper, Sharon Haney, Jeanne Breedlove, Hendrick Joy, Billy Joe Taylor and Joe Harris Seales.

WILDCATS PURR

"Thirty-four more days and we'll be free—from the dreadful misery." That's right, children—only about eight weeks to go. And speaking of going places—guess it's "So Long For Awhile" to France—Good luck, guy.

On this event, Boy—one girl has his brand new football jacket ("Betty") and then comes Sunday night, he goes with someone else ("Virginia Monkhouse"). And in the meantime poor little old Ray gets left out in the cold.

It's rumored that everything is a new between Mary Kay and Kenneth, even if he did buy Ava's box Thursday night.

And Betty Lee keeps right on looking Ed's way.

Naturally Bobbie Lee and Beverly were seen together at the box supper. My, but they make a nice couple.

Listen, women, Miles is still after two whole weeks in CBS, on the loose. Can't let this go on, you know.

Jane were you a little worried Thursday? After all, Larry did bid our dollars on Sharon's box.

Carole is certainly not "lucky nucky" but she has been seen with one certain soldier just a lot lately.

Billy Joe and Bessie—Thursday night, Friday night, Saturday night, Sunday night—need we say more?

Frances Ann and Ada Jane were doing alright after the box supper. They were with a couple of well known "exas," "Booty" Bird and "Bud" Campbell.

It must have started all over again, speaking of Travis and Sister.

Say, those "Smith Sisters," Bobbie, Helen, Verna May, and Joyce Dean, are plenty alright.

Personal to Carl Steele: Give the girls a break, will ya?

Why hasn't somebody noticed Rebecca Ross and Marie Sanders? They're practically always together.

Jane, you'll just have to understand that Horace can't get the car now, that big brother, Perry, is here.

Talk about fun—just ask Sister Doris, Betty, Dee, Maggie, Helen, Bessie or Sharon—about "Arnie's" slumber party Friday night.

That man was here again—speaking of "Tiny"—and Billy Morrison, the lucky girl was with him. Or was she with his buddy?

Have you ever stopped to think what cute girls come from Thalia? Take a gander at a few such as: Janet Self, Hazel Marlow, Bobbie Ralback, and see if you don't agree.

Genevieve Nelson's brother, Basil, is home. If you remember, Tommie Eaton went with him when he was on leave before. Will she be the lucky girl or will it be someone else?

Have you ever noticed Lois

Hinkle's beautiful black hair?" Guess a good way to end this column should be to mention something that looks as if it will never end—speaking of course, of DeAlva and Buddy.

Till next week,
 Sneaky Kittens.

JOKES

Mrs. Wilkinson: "What's the difference between the Eskimos at the North Pole and those at the South Pole?"
 Ruth Cautman: "At the North Pole they say 'Glug, glug' and at the South Pole they say 'Glug, glug, y'all.'"

A patent medicine manufacturing company received the following letter from Mr. Purvis, a satisfied customer: "I am very much pleased with your remedy. I had a wart on my chest, and after using six bottles of your medicine, it moved to my neck, and now I use it for a collar button."

DAFFY DEFINITIONS

Goldbrick—Soldier who can't scratch a ten-minute break into a three-day pass.

Diplomat—Man who convinces his wife that a woman looks about as fat as a turd.

Highlow—Person who enjoys a thing until it becomes popular.

Shod—One who mistakes rudeness for sophistication.

Miracle—A place where the little nut who isn't there keeps his car.

Tact—Ability to give a person a shot in the arm without letting him feel the needle.

Night Club Dancing—Merely lifting one's eyebrows in time to the music.

Critic—Man whose watch is five minutes ahead of other people's.

Philosophy—Ability to explain why you are happy when you are poor.

Success—Making more money to meet obligations you wouldn't have if you didn't have so much money.

TWO MINUTE SERMON

(By Thomas Hartwell)

The Snowball of Sin: When a small boy lived in that section of the country that received each winter several snow storms that covered the ground from an inch to a foot or more of snow. When the snow fall occurred on a day when the temperature was above freezing the snow was known as a damp snow. On such occasions the boys and girls used to roll huge balls of snow. We would start with a small ball no bigger than our two hands. As it rolled along it gained in size and weight until it became so large and heavy that we could no longer move it. I have thought many times since those days as I have watched boys and girls roll snowballs, how like had habits and wrong doing the snowballs were. In the beginning a man can overcome his wrong doing and sinful ways, but if he clings to them and persists in them they will finally become, like the snowball, a burden too great for

WHEN NERVOUS HEADACHES PESTER ME

I FIND THAT MILES NERVINE HELPS NERVOUS TENSION TO RELAX AND LEAVES ME CALM, SERENE

WHEN Functional Nervous Disturbances such as Sleeplessness, Crankiness, Excitability, Restlessness or Nervous Headache interfere with your work or spoil your good times, take

Dr. Miles Nervine (Liquid or Effervescent Tablets)

Nervous Tension can make you Wakeful, Jittery, Irritable, Nervous Tension can cause Nervous Headache and Nervous Indigestion. In times like these, we are more likely than usual to become overwrought and nervous and to wish for a good sedative. Dr. Miles Nervine is a good sedative—mild but effective.

If you do not use Dr. Miles Nervine you can't know what it will do for you. It comes in Liquid and Effervescent Tablet form, both equally soothing to tense and over-wrought nerves.

WHY DON'T YOU TRY IT?

Get it at your drug store, Effervescent Tablets 35¢ and 75¢, Liquid 25¢ and \$1.00. Read directions and use only as directed.

Your Horoscope

March 20, 21, 22, 23.—You are kind, sympathetic, faithful, just and intellectual. You are especially fond of music and poetry, are thorough in your work and would make a good architect. You love your home and kind to your children but not overly so to those of others. Possessing a roving disposition, you want to see for yourself what is going on in the world.

March 20, 21, April 1.—You know when your work is done right and are not easily satisfied with it. You are somewhat opinionated, often rather nervous and sometimes gain the undesired reputation of being a crank. Possessing strong reasoning power, you are not apt to believe everything that is told you.

INTERESTING FACTS OF THIS AND THAT

The coal strike in 1943 cost the nation at war 28,000,000 tons of coal.

Experts estimate that there are from 25 to 28 per cent fewer boys on the farms than in February of 1944.

Some statistics estimate that the United States will enter the post-war period with between \$20,000,000,000 and \$1,000,000,000,000 put away in savings.

Nearly four times as many Americans were killed in accidents in 1942 as lost their lives in the Chicago fire of 1871, the Johnstown flood in 1889, the Galveston tidal wave of 1900, the San Francisco earthquake of 1906, the sinking of the Titanic in 1912, the Boston night club fire in 1942. These and all other major disasters since 1865 have killed less than 25,000 persons.

There is an accidental death in the United States every five and one-half minutes.

They will block his path to progress no matter alert he may be strong or mentally alert he may be.

HOUSEHOLD HINTS

Gravy from meat pies.—To prevent gravy from soaking through the bottom of a two-crust pie, brush over the lower crust with a little egg yolk.

Orange pulp in apple sauce.—If you want your apple sauce to be a little different, try this method: Make the sauce in the usual way. Add to the sauce a third as much orange pulp. Boil it for a few minutes. Sweeten with honey instead of sugar. You may add a little grated orange rind, too.

All rod-eating animals, namely cattle, sheep, goats, deer, antelope and camels, invariably get up with their hind legs first.

Eaton, County Agent.) MEETING EXTENSION REPRESENTATIVES

Meeting was held in Crow-Thursday, March 22, and attended by County and Demonstration Agents, Dis-

Following attended: Miss Thompson, District Home Extension Agent; J. A. Sco-

More vegetables were grown in Texas last year than ever before and it is hoped that even more will be grown this year than last.

SMALL GRAIN OUTLOOK

Today conditions for the small grain crop were never better over the entire area in West Texas as there is at present an abundant supply of reserve moisture for present needs and the condition of the crop is very favorable, according to D. A. Adam, who has visited every grain growing county in this area, extending from Wichita Falls north and west including the Panhandle of Texas.

Of course many things could happen and the crop could be cut short. However, based on the present outlook, there are several things to take into consideration, which may vitally effect each individual grower.

The first is the question of storage and transportation of the grain to terminal grain centers. Conditions are less favorable now.

It appears that there is a shortage in local and terminal elevators now more grain than is produced in any one year of good production. That this grain is moving out very slowly, owing to car shortage; so that in the case of a good crop a lot of grain may have to be stored on the farm or piled out in the open, so it may be well to provide as much storage as possible on the farm.

There will also be a shortage of trucks and labor for hauling and handling grain, and for operating combines and tractors.

The combine outlook is rather favorable so far as our section is concerned if weather conditions are favorable at harvest time.

Combine operators and truckers are being contacted and a system of routing is being planned so that combines, trucks and labor may be more thoroughly directed to areas where the need is greatest. All calls for combines should function through the County Agent's office.

TREATING GRAIN SORGHUM FOR SMUT

The loss from kernel smut in grain sorghums has reached alarming proportions in this section. Especially since we now use the combine to harvest the grain instead of the old hand method, which tends to spread the disease. This disease can be controlled by the use of certain chemicals applied to the seed as an outer coating.

Apply either Arasan or Spergon dust at the rate of 1 1/2 to 2 oz. per bushel. Mix seed and dust thoroughly, preferably by using a rotary mixing machine which may be improvised from an old oil barrel. We will be glad to furnish plans.

This may be used for treating either the grain or sweet sorghums or sweet sudan. Also 50 per cent copper carbonate may be used at the rate of 3 oz. per bushel and applied in the same way. Be sure the seed are well coated. Your grain dealer should have these chemicals.

THOUGHTS OF SERIOUS MOMENTS

Study the past if you would divine the future.—Confucius. We ought not to look back unless it is to derive useful lessons from past errors and for the purpose of profiting by dear bought experience.—George Washington.

The past is for us, but the sole terms on which it can become ours are its subordination to the present.—Emerson.

ELECTION ORDER

State of Texas, County of Foard, City of Crowell.

Notice is hereby given that an election will be held in the lower floor of the City Hall, in the City of Crowell, Texas, on the 3rd day of April, A. D., 1945, the same being the first Tuesday in April, in obedience to an order duly entered by the City Council on the 6th day of March, A. D., 1945, for the purpose of electing the following: Mayor and three Aldermen to serve for a period of two years or until their successors have been elected and qualified.

Mrs. Pearl Carter is hereby appointed Presiding Judge of said election, and is hereby authorized to appoint such help as prescribed by law.

Any person desiring to have his, her or their names placed on the Official Ballot as a candidate for an elective office within the City of Crowell, shall file his, her or their names with the City Secretary not later than seven days immediately preceding such election.

All qualified voters who have resided within the corporate limits of the City of Crowell for a period of six months preceding said election shall be entitled to vote.

Said election shall be held in accordance with the laws pertaining to general elections in this State insofar as they are applicable.

All candidates for City office are required to sign and execute a loyalty affidavit and file with the City Secretary. Blanks can be obtained at the City Hall.

C. T. SCHLAGAL, Mayor. Mrs. Ella Rucker, City Secretary. (SEAL) 35-4tc

Preaching services are held at Gilliland on the first and third Sundays, and at Truscott on the second and fourth Sundays.

A most cordial welcome is extended to all. Delightful Christian fellowship.

J. W. ENGLISH, Pastor.

Loans to Industry to Be Made by RFC

In order to be of further assistance to business in re-converting from a wartime to a peacetime economy, Reconstruction Finance Corporation will consider applications for loans to industry to include working capital for completion of non-war orders, interim financing for cancelled contracts and sub-contracts, as well as working capital for war contracts and sub-contracts.

L. B. Glidden, manager Dallas Loan Agency, Reconstruction Finance Corporation, announced last week. Mr. Glidden stated that: "In circumstances where private financial institutions do not find it possible to supply needed credit, Reconstruction Finance Corporation will consider making such loans directly, or in participation with lending institutions."

Mr. Glidden also revealed that Reconstruction Finance Corporation will make available to banks, a blanket form of participation agreement in connection with secured loans which they may make to business enterprises. These agreements, subject to certain requirements, will provide for an automatic deferred participation by Reconstruction Finance Corporation up to 75 per cent in any secured loan not in excess of \$250,000 which may be made by approved lending institutions to industry. This form of participation is, for all practical purposes, a guaranty of loans by the Corporation to the extent specified.

Mr. Glidden advised, and is contemplated to encourage maximum employment by assuring industry of the availability of sufficient credit in the post war period.

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 30th day of April, A. D., 1945, at or before 10 o'clock A. M., before the Honorable District Court of Foard County, at the Court House in Crowell, Texas.

Said plaintiff's petition was filed on the 17th day of March, 1945. The file number of said suit being No. 2827. The names of the parties in said suit are: M. W. Wagon and wife, Susan Wagon, as Plaintiffs; and J. M. Kennedy Sr., deceased; Prudence Rowe Kennedy, deceased; Henry Kennedy, if living, and if dead, all of the heirs and legal representatives of the said Prudence Rowe Kennedy, deceased; Walter Kennedy, if living, and if dead, all of the heirs and legal representatives of the said Walter Kennedy, deceased; Doll Kennedy, if living, and if dead, all of the heirs and legal representatives of the said Doll Kennedy, deceased; Charlotte Kennedy, if living, and if dead, all of the heirs and legal representatives of the said Charlotte Kennedy, deceased; Andrew Jackson, if living, and if dead, all of the heirs and legal representatives of the said Andrew Jackson, deceased; Mattie Jackson, if living, and if dead, all of the heirs and legal representatives of the said Mattie Jackson, deceased; S. Miss Faye Zeibig and W. F. Statser Married Saturday Evening at 8 o'Clock in Ceremony Held at Baptist Church

In a beautiful setting of white flowers and candles at the First Baptist Church, Miss Faye Zeibig became the wife of W. F. Statser, S. T. C. Saturday evening at 8 o'clock.

Graduated candleholders and tall arrangements of white carnations and fern formed a background for the marriage. Bill Ervin and Billy Joe Taylor served as ushers and lighted the candles, just preceding the entrance of the bridal party. Miss Betty Jo Zeibig, only sister of the bride, sang "I Love Thee Now" as a pre-nuptial solo. She was accompanied by Mrs. Arnold Rucker, who also played the traditional wedding marches.

Miss Zeibig also was maid of honor for her sister. She was attired in a dress of light blue and wore a beautiful corsage of white iris. The groom was attended by F. S. Garland pastor as best man.

The bride, given in marriage by her father, wore a dress of dark blue with matching hat and a corsage of white orchids. She carried a white Bible. The double ring ceremony was impressively read by Rev. Otis Strickland, pastor of the church.

Following the wedding, an informal reception was held at the home of Rev. and Mrs. Strickland, where the beautiful three-tiered wedding cake was first cut by the bride and groom and then served with frosted punch to the guests. Misses Bertha Womack and Faye Griffin presided at the serving table, and Miss Helen Callaway secured the signatures of the guests at the register.

Mrs. Statser is the daughter of Mr. and Mrs. Homer Zeibig and was reared in Crowell. She is a graduate of Crowell High School and also Howard-Payne College at Brownwood. She was listed in the

1943-44 issue of Who's Who in American Colleges and Universities. She is at present employed as secretary and treasurer of the First Baptist Church of Brownwood.

Mr. Statser is the son of LeRoy Statser of Paducah and received his early education in the Crowell schools. He is a graduate of North Texas State Teachers' College at Denton. He has been in the service for several years.

After a short trip, the couple went to Brownwood for a few days and the groom will leave for Great Lakes Naval Training Center for a period of training and will then go to North Carolina. Mrs. Statser will continue with her duties in Brownwood.

S. S. Class Has Social Meeting

The Co-Laborers' Class of the Methodist Sunday School held its monthly social at the home of Mrs. J. R. Beverly Thursday evening with Mrs. Beverly, Mrs. Pete Holcombe, Mrs. Hartley Easley, Mrs. R. R. Magee and Mrs. A. S. Hart as joint hostesses at a covered dish dinner.

Places were found at quartet tables and the meal was served, cafeteria style, from a beautifully appointed dining table. Following the dinner, the program was heard, with Mrs. A. Y. Beverly serving as leader. Mrs. Will Erwin gave the devotional and Mrs. Beverly talked on "The Life of Dorcas," giving the outstanding qualifications which gave Dorcas a prominent place in Bible history. Mrs. Claude Brooks and Mrs. J. R. Beverly sang "Have Thine Own Way" as a duet and were accompanied by Mrs. Allen Sanders.

The usual routine of business was transacted, with Mrs. Erwin, class president, in charge. About twenty ladies attended the meeting. Two visitors, Mrs. Leslie McAdams and Mrs. R. S. Carroll, were present.

Surprise Birthday Party Friday Night

Mrs. R. R. Magee was given a surprise birthday celebration Friday evening, when Mrs. Grady Magee, as hostess, invited several friends in to play games of 42. The group gathered at the home of Mr. and Mrs. T. B. Klepper and went, together, to the Magee home. Mrs. A. S. Hart shared hostess duties with Mrs. Magee.

Games of 42 were played and an informal hour of visiting was enjoyed. Mrs. Magee was further surprised with numerous remembrances. Mrs. Grady Magee served a delicious course, with coffee, to the following: Mr. and Mrs. R. R. Magee, Mrs. T. L. Hughton, Mr. and Mrs. Charlie Thompson, Mr. and Mrs. John E. Long, Mr. and Mrs. J. R. Beverly, Mr. and Mrs. T. B. Klepper, Grady Magee and Bill Ervin.

Family Reunion at C. D. Hall Home

The entire family of Mr. and Mrs. C. D. Hall was present at the home Sunday, March 25, for a family reunion.

The members present were Mr. and Mrs. Hall, Sgt. Olen Vinson Hall, who has just returned from overseas on a 15-day furlough, his wife of Denton; Cpl. John W. Roberts, who is en route to Lincoln, Neb., as a lower ball turret gunner, and his wife of Crowell; Mr. and Mrs. Hollis Reagan of Fort Worth and Mr. and Mrs. C. M. Carroll and Dorothy and Milton Hall of Crowell.

Lunch was served at the noon hour and pictures were taken in the afternoon. The occasion was a happy one.

An informative program concerning "The Strategic Islands of the Mediterranean Area," was presented at a meeting of the Adelpian Club Wednesday afternoon. Mrs. E. C. Brooks was hostess to the group at her home.

Miss Florence Black, leader, opened the program with "Sally, Again in the Path of War," pointing out the size, location, industries of the land. Almond trees grow in large quantities, white and pink almond, the white, used for flavoring. The main exports are sulphur and sardines. Many facts concerning the bombing of Sicily and the results were discussed.

"Sardinia" was the subject discussed by Mrs. Virgil Smith. A trip from Rome to Sardinia was very vividly described. She gave detail the location, products, language and scenery of the island. Their main musical instrument is the accordion, and the waltz dance is the favorite dance. Each village has its distinct dress. Politeness is their

main characteristic.

Mrs. S. S. Bell discussed "Maita" which is located south of the toe of Italy, and is controlled by the English and is called the rock of the Mediterranean. Every foot of soil is cultivated and about three crops a year are produced. There is but one university on the island but many primary and secondary schools. All radio programs are recorded with no commercials. The Roman Catholic Church is the outstanding church.

Miss Black concluded the study by discussing "Corsica." Corsica is southeast of France and about the size of Puerto Rico. It is the home of Napoleon Bonaparte. A detailed description of Napoleon's statue and home was given. The cork oak tree of Corsica produces a large per cent of the world's supply of cork fiber. The tree is 20 years old before it begins producing and each tree then produces from 450 to 6,000 lbs. of bark.

Preceding the program, a short business session was held by Mrs. Merl Kincaid, president. War Bond and Stamp chairman Mrs. W. B. Johnson sold \$17.25 worth.

Mrs. Verne Walden, Federation Counselor, reported on Texas Federation News. She described a contest for city beautification, based on progress made. Some of Texas' outstanding legislation was discussed. The chairman for the beautification of Merl Kincaid thanked all clubs in the state for their donations of shrubs. As a result of this report a committee from the Adelpian Club was appointed to work with the officials of Crowell toward a beautification project. The committee consists of Mrs. Walden, Mrs. Jim Cates and Mrs. L. A. Andrews.

A new song for the Texas Federation was played by Mrs. W. A. Dunn. During an informal social period a delicious salad plate was served by the hostess to 25 guests.

The club will meet at the Club house on April 4, with Mrs. W. A. Dunn as hostess and Mrs. John Raser as leader on the subject "Russia."

COLUMBIAN CLUB

The Columbian Club members have enjoyed two excellent meetings recently at the home of Mrs. S. T. Crews, the president.

For one on March 7, Mrs. Carvel Thompson was hostess and Miss Elizabeth Elliott was leader for the program on "Health and Safety."

"Safety Goes to War; Accident and Who causes accidents" was ably discussed by the leader. "Meet the Aves," a story of accident Grimlins, proved amusing and instructive. Mrs. W. R. Womack presented the Grimlin that induces falls in the home and out. The Aves that dares one to cross the crowded street and the one that sits on the shoulder and prompts one to mis-manage the steering wheel were discussed.

Mrs. Hines Clark spoke convincingly of the service rendered by the medical corps. She noted that improved transportation, the new sulfa drugs, and penicillin have reduced the death rate in army casualties to a very low per cent of those injured.

The other meeting at the home of Mrs. Crews, was a Natural History program conducted by Mrs. H. A. Smith on March 21. Mrs. J. B. Harrison was hostess for the

meeting.

"Giant Fishes of North America" proved an interesting and informative subject and was presented by the leader. "The Story of a Tree" given by Mrs. S. J. Ferguson, was the history of the petrified forests of Arizona and Colorado. "Ice Age Winter" by Mrs. Carvel Thompson explained the age of glaciers and the animal track to the south and the magic winter ground of animals in Florida during the time. "Wild Wisdom," taken from articles in the Reader's Digest was the last number and was presented by Mrs. D. F. Eaton. A special number was music rendered by two Frances Crews' pupils, Robert and Frances Kincaid. The children showed talent and training and added a cultural note to the program.

The next meeting will be on April 4, at the home of Mrs. R. L. Kincaid with Miss Zelma Ferguson as hostess.

VIVIAN H. D. CLUB

The Vivian H. D. Club met twice in March. The first meeting was in the home of Mrs. Arthur Sandlin on March 8th, with 16 members, one new member and five visitors present.

The hostess was called to order by Vice President Mrs. I. D. Gilbert, and songs were led by Mrs. B. W. Matthews.

Roll call was answered by "A bad break Veterans got after World War I," after which the following program was given: Miss Bessie Fish discussed "Give him a break." Mrs. Hall, "Saving his face." Mrs. Glenn Raspberry, "How to torture a returning service man." Miss Neoma Fish, "Awards he may be wearing;" and Mrs. Maude Raspberry, "The G. I. Bill of Rights."

The following visitors were present: Mrs. Johnnie Marr, Mrs. James Sandlin, Grandma Rutledge, Mrs. J. M. Marr and Mrs. Ernest Johnson of Crowell.

The club adjourned to meet with Miss Neoma Fish on March 22.

The second meeting was held in the home of Miss Neoma Fish on March 23, with nine members, seven visitors and Miss Elizabeth Elliott present. The house was called to order by the president, Mrs. Ed Self, and roll call was answered by "A time-saving device in my kitchen." An oven mitt was made and displayed by Miss Neoma Fish, and a poem, "A woman in a garden" was given by Miss Bessie Fish.

Miss Elliott gave a demonstration on making marshmallows. The following visitors were present: Mrs. Allen Fish, Miss Marion Self, Mrs. John Brothers, Mrs. Roscoe Pierce, Mrs. J. W. Carroll and Mrs. Parris Raspberry of Paducah.

The club adjourned to meet with Mrs. Sam Hall on April 12.

TRUSCOTT H. D. CLUB

The Truscott Home Demonstration Club met in regular session Thursday, March 22, in the home of Miss Lena Reed. The meeting opened with the song, "School Days." The club pledged was then given.

Miss Reed was in charge of the program on the subject, "How Young Are You?" Mrs. S. O. Turner gave an interesting and amusing explanation of games. "Good Magazines" was discussed by Mrs. J. E. Stover. Several leading magazines were on display. The program closed with a

quiz game conducted by Mrs. Turner.

Refreshments were served to eleven members and two visitors.

Payment of five dollars an acre to farmers for each acre planted in flax have been announced by the War Food Administration. The reason is the desire to boost the production of linseed oil. The WFA goal is five million acres of flax this year, an increase of 64 per cent over last year. The Bureau of Agricultural Economics sees a possibility of six million acres and says that there is a need for all the oil.

No two persons' finger prints are identical.

ROTARY CLUB

Rotarians Earl Morley, V. Favor of Quanah and R. Hendricks of Wichita were visitors at the noon meeting of the Rotary Club at the DeLuxe.

Following the news on the progress of the Grady Graves, Decker member of the club made an interesting and enlightening talk on the clearing business. Hulse was in charge of the

There is no law that the Congressmen of the States to attend any Congress.

KATE SMITH asked to write this message on Saving Used Fats!

"The help of every woman is needed in saving used fats for hundreds of battlefield and homefront essentials. But some of us don't know all the ways we can do it. Here are a few points I've found helpful." —Kate Smith

MANY WOMEN SAY: "But I never have fats left over. Certainly it's good economy to re-use your fats...but there's some left over even after that...and that little is more important than you can imagine. Only one tablespoonful of used fat will make 5 machine-gun bullets. So there just can't ever be too much to save! Come on, everybody, scrape your broiling pan, roaster, skillet. Save meat trimmings and scraps of fat left on pan."

OTHERS TELL ME: "But my fats are often too dark to use." It doesn't make a mite of difference how dark or black...or what smelly things like onion or fish you've cooked in fat. Every drop of it will help make parachutes, synthetic rubber soaps for the fighting and war fronts. Don't feel ashamed to take it in to your butcher. If you save every bit of fat you possibly can, you're doing a job to be proud of!

THEN YOU HEAR: "But what sort of container will I use?" Any kind of tin can will do. The next time you open a can of juice or soup or vegetables, save it. But please don't use it...it almost always breaks and makes the fat difficult to save. When the can is full, take it to your butcher. For every pound you'll get 2 red points. If you have any difficulty disposing of fats, call your Home Demonstration or County Agent.

Approved by WFA and OPA. Paid for by Industry
