## C. H. S. Football Squad Ends Spring Training Wed.

The Crowell High School football squad ended its spring training Wednesday afternoon with an intra-squad scrimmage. Coach Louis Purvis was well pleased with the results of the month of training. He thinks the places left vacant by those who are graduating this year can be well taken care of by some of the new talent that has been uncovered and developed during this training period. C. D. Campbell and R. C. Schlagenbath have shown up extra well on the center position that was so well taken care of by Carlos McBeath, all-district player last season. Thomas Tamplin and Presley Thomson have looked the best at the tackle spot that was filled by Larry Dan Campbell last year. Ed Thomas and Don Wilkins have the edge on the end post that was filled by J. L. Brock, all-district player last season. John Frank Mitchell and Kendrick Joy are the regulars who have been working in the backfield this spring. The other two positions should be filled by Lon Laquey, R. L. Ballard, Ray Black, or Dalton Biggestaff. Horace Todd and A. G. Wallace filled these positions for Crowell last fall. Other regulars who will represent Crowell next fall are Larry Wood, V. Bond, J. C. Patton and Joe Mason. The following boys have received some valuable training this spring and some of them should see a great deal of service next fall: Grover Yocham, Bobby Bonsal, Floyd Borchardt, J. C. Autry, Rouse Todd, Billy Lynch, J. C. Thompson, Thomas White, Raymond Carter, Clifford Orr, Billy Joe Halemeak and James Weathers.

## Grain Rationing by W. F. A. Orders

Severe penalties are provided for any violation of two recent orders of the War Food Administration relating to the sale of corn or wheat and the use of these two grains as feed. It was announced this week by the local AAA administrative officer.

Under these two orders the A. F. A. entirely controls the sale and use of wheat and corn by all except the producers, the orders having the effect of rationing the two grains except as to use by the grower.

Quoted from War Food orders 144 and 145 as follows: "No feeder, feed manufacturer, food manufacturer, dry processor or wet processor shall accept delivery of corn or wheat in excess of 2,000 bushels per month from any person other than a producer and no person other than a producer shall deliver corn in excess of 2,000 bushels per month to a feeder, mixed feed manufacturer, dry processor or wet processor, unless prior to acceptance of delivery the receiver executes and furnishes to his supplier a certificate issued by the Production and Marketing Administration.

No feeder shall purchase grains, grain products or grain by-products for use in feeding hogs for market, other than breeding stock, to a weight beyond 225 pounds or for use in feeding cattle for market to better than grade A. Nor can any poultryman during the period from April 1 to Sept. 30, this year, purchase grain or grain products which, added to his supply, will result in a total feed supply of feed materials in excess of the quantity needed to feed 80 per cent of the total number of pounds fed during the same period of 1945.

"The wheat order prevents the sale of wheat, regardless of the amount, by anyone excepting the producer, without a permit from the Production & Marketing Administration.

Thus it can be seen that a trucker buying corn or wheat from a producer can not sell the grain until such a permit is furnished; and anyone buying grain without this permit is in violation of the W. F. A. order, and is subject to severe penalties and heavy fines.

**EVERYTHING IS IN READINESS** for the 4-H Club Pig, Calf and Poultry Show to be held in Crowell at the Self Motor Company building next Saturday, April 20. County Agent D. F. Eaton announced Monday morning. The public will have the opportunity at this time to see the finished product developed by Foard County boys. Mr. Eaton stated:

There will be on display 20 calves, 25 hogs and 20 pens of poultry, which will be the largest exhibit put on by the 4-H Club boys of the county in the past four years and Mr. Eaton says that the exhibits are of a better quality than at any previous time. The calves for the exhibit were brought in last Saturday for clipping and weighing and those who saw them were surprised at the finish and quality of the calves. They range from 760 to 1,000 pounds and the average weight was 811 pounds. Mr. Eaton says that he has seen most of the hogs and the poultry that will be exhibited and they are a credit to any group of boys. The calves will be shown at 10:30 a. m. and the hogs at 1 p. m., along with the poultry.

The question now most prominent in the minds of the boys is how much will the calves and hogs bring at the auction sale which will begin at 3 o'clock in the afternoon. They are sure of one thing and that is that anyone can get some of the very best pork or beef to be had at this sale with which to stock their lockers. The boys have done their job well and it is now up to the general meat hungry public to buy these calves and pigs at prices that will reward them for their expense and effort.

**Comments on Show**  
The citizens and business interests of Crowell and Foard County have responded in a very substantial way in voluntary contributions to the support of the 4-H Club Show. The boys made an estimate of the amount of funds needed to take care of the expenses and modest premium awards. This amount has been paid in, which takes care of this phase of the program. In addition to the above amount, the Crowell Rotary Club has offered \$6.00 as a first and \$4.00 for a second prize in showmanship to stimulate effort in exhibiting calves by the boys owning them. Glenn Ross, a prominent Hereford breeder from Goddett, will place the calves and he will be assisted by Bill Rector, county agent of Hardeman County, Frank Wendt, county agent of Wilbarger County, will judge the hogs and Marvin Myers, vocational agriculture teacher in the Crowell High School, will judge the poultry division. The boys acting as officers and heads of departments will meet Friday, along with other boys who will exhibit livestock and poultry, to arrange pens and exhibit ring, pens for hogs and poultry in preparation for the show. Stock breeders of the county are also invited to bring in breeding stock to display to the public. County Agent Eaton insists on a good attendance of the people of the county to see the showing and exhibits of these youthful producers who will fill their places in the future with credit to all concerned.

The citizens and business interests of Crowell and Foard County have responded in a very substantial way in voluntary contributions to the support of the 4-H Club Show. The boys made an estimate of the amount of funds needed to take care of the expenses and modest premium awards. This amount has been paid in, which takes care of this phase of the program. In addition to the above amount, the Crowell Rotary Club has offered \$6.00 as a first and \$4.00 for a second prize in showmanship to stimulate effort in exhibiting calves by the boys owning them. Glenn Ross, a prominent Hereford breeder from Goddett, will place the calves and he will be assisted by Bill Rector, county agent of Hardeman County, Frank Wendt, county agent of Wilbarger County, will judge the hogs and Marvin Myers, vocational agriculture teacher in the Crowell High School, will judge the poultry division. The boys acting as officers and heads of departments will meet Friday, along with other boys who will exhibit livestock and poultry, to arrange pens and exhibit ring, pens for hogs and poultry in preparation for the show. Stock breeders of the county are also invited to bring in breeding stock to display to the public. County Agent Eaton insists on a good attendance of the people of the county to see the showing and exhibits of these youthful producers who will fill their places in the future with credit to all concerned.

**Candidate for Lieut. Governor Visits Here**  
Drew C. Nichols, Travis County Veteran of World War II, candidate for Lieutenant Governor, visited in Crowell Monday afternoon. "Mr. Nichols was born in Crowell and expects to open his campaign here within the next few weeks. He is a nephew of Mr. and Mrs. L. I. Saunders of Childress, former Crowell residents. Mr. Nichols was accompanied to Crowell Monday by his brother, Dr. Ford L. Nichols, missionary to China, who during the war was liaison officer between Chiang Kai-Shek and the American Army.

**No Roping Will Be Held Next Sunday**  
There will be no roping at the Crowell Roping Club arena Sunday to let stock rest for the rodeo. A meeting of the club members will be held in the office of the West Texas Utilities Co. Friday night at 7:30. All members are urged to be there to discuss plans for the rodeo to be held Friday and Saturday, April 26 and 27.

**EVERYTHING IS IN READINESS** for the 4-H Club Pig, Calf and Poultry Show to be held in Crowell at the Self Motor Company building next Saturday, April 20. County Agent D. F. Eaton announced Monday morning. The public will have the opportunity at this time to see the finished product developed by Foard County boys. Mr. Eaton stated:

There will be on display 20 calves, 25 hogs and 20 pens of poultry, which will be the largest exhibit put on by the 4-H Club boys of the county in the past four years and Mr. Eaton says that the exhibits are of a better quality than at any previous time. The calves for the exhibit were brought in last Saturday for clipping and weighing and those who saw them were surprised at the finish and quality of the calves. They range from 760 to 1,000 pounds and the average weight was 811 pounds. Mr. Eaton says that he has seen most of the hogs and the poultry that will be exhibited and they are a credit to any group of boys. The calves will be shown at 10:30 a. m. and the hogs at 1 p. m., along with the poultry.

The question now most prominent in the minds of the boys is how much will the calves and hogs bring at the auction sale which will begin at 3 o'clock in the afternoon. They are sure of one thing and that is that anyone can get

Drive with care on your vacation—even a small accident can mar a good vacation.

If you can't swim stay out of deep water. Stay out of water if you do not know its actual depth.

Many lives are lost each year by persons wading or swimming who step off suddenly into deep holes over their depth. Every one should know better than to go into water the depth of which he does not know unless he can swim.

Wash Plant Leaves.—Leaves of house plants should be frequently washed as smoke and dust from fires covers the leaves and kill plants.

Cancer Week

The nation's motion picture theaters, with a war service record which ranks with that of any other industry, have taken on a new and important peace-time project—support of the American Cancer Society's 12-million dollar fund raising campaign to fight the disease which right now has 17 million Americans marked for death.

In enlisting the aid of the motion picture industry, the American Cancer Society has obtained the help of a group whose endeavors have included such noteworthy successes as war bond sales, recruiting campaigns in the early days of the war, Red Cross blood donor drives, the annual March of Dimes campaigns and numerous other worthy causes.

HISTORY

Derby Day—May 5: The Kentucky Derby is run each year at Churchill Downs near Louisville, Ky. It is generally regarded as one of the greatest, if not the greatest racing event held in the United States.

Not many people know it but Hitler's effort came so near succeeding that it informed military men and leaders regard our escape as nothing short of a miracle. There were several points in the campaign which for the ineptness of the German high command the battle of Germany was won.

Reserved Youngsters

As boys and girls grow up and meet, particularly as they form ties with the opposite sex, the reticence and bashfulness of some is an obstacle to their happiness. They long to talk and mingle freely, but they often do not know what to say when they meet, so they remain silent and embarrassed.

Russia plans to make The Palace of Soviets the highest building on earth.

What We Think

I saw a movie the other evening which I think everyone in the United States should see. It reviews the history of the German nation from the time of Bismarck until the present time.

The picture shows in a remarkable manner the clear cut pattern that reaches in an unbroken line down through the past eighty or more years in which the German nation has consistently sought to carry out its program of world domination.

Not many people know it but Hitler's effort came so near succeeding that it informed military men and leaders regard our escape as nothing short of a miracle. There were several points in the campaign which for the ineptness of the German high command the battle of Germany was won.

Those who through ignorance or indifference or inability to comprehend plain facts cling to the idea that Germany is not as bad as she is painted, deliberately overlook the facts of history—facts that are so plainly presented that even average intelligence should not fail to see them.

The real danger of Germany lies in the peculiar type of the German mind. No other people can be so completely dominated and controlled and inspired by fanatical and ruthless leadership.

Not alone in Germany is the insidious program carried on but German agents are constantly at work in this country poisoning the minds of men, women and children against the democratic form of government, glorifying German culture and science and art and industry.

The teaching of the picture is that it is the solemn responsibility that they owe to millions of dead who have stopped the advance of the German war machine with their bodies and their lives that Germany, as potential warring nation shall never use again.

Successful Salespeople

People engaged in sales work may ask how they can tell if they are successful in this occupation. Perhaps the best test relates to the feeling of the customer after he has bought or looked at the goods.

Home Town Thoughts

Almost any town has within itself possibilities of growth and development. To accomplish those possibilities, it takes leadership, organization, and enthusiasm.

A movement for town progress needs a quite general support. If a lot of people say it can't be done and laugh at it, that spirit of dejection chills enthusiasm and spreads pessimism.

Any city that desires may secure a souvenir war plane from the War Assets Corporation for \$350.

Harmonious Business

In the old fashioned town, there was frequently a good deal of jealous rivalry between business concerns. People would often look at business rivals as personal enemies.

In the good modern town that is all gone by. People are keen to increase the total business of the town. If the whole volume of business done can be increased, if many more people come to the town to trade, they know that all the business concerns will get their share of the new trade.

**Income Tax Blues**  
There are many people who  
have complicated Federal income  
tax returns to file, or who have  
difficulty in handling figures, to  
whom the making out of this in-  
come return seems a troublesome  
job. They might consider that  
the people who keep the most  
careful and accurate records of  
their money transactions during  
the year, are likely to have the  
least difficulty on these returns.  
There are many persons who  
frequently make mistakes on ad-  
ditions and subtractions. Adding  
up long columns of figures may  
give them a headache, but mak-  
ing out a return at least gives  
them useful practice in account-  
ing and arithmetic. If they do it  
year after year, they should be  
able to attend to this job more  
easily.  
The making out of a return  
helps people get a clear picture  
of their financial status, and plan  
their expenditures to fit their in-  
come.

**State Medical Ass'n. Approves Prepaid Health Insurance**  
Fort Worth.—A number of in-  
surance companies are submitting  
policies providing medical and  
surgical care to the State Medical  
Association of Texas, so Dr. H. F.  
Connally, president, announces.  
Their action follows the recent en-  
dorsement by the Executive Coun-  
cil of the State Association of  
prepayment medical care plans  
which meet standards set by the  
Council on Medical Economics of  
the association and also those of  
the American Medical Association.  
The action of the Executive  
Council was taken with the pur-  
pose of encouraging voluntary  
prepaid health insurance in Texas  
and as part of the American Med-  
ical Association's nation wide plan  
along the same lines.  
The Blue Cross voluntary non-  
profit plan, known as Group Medi-  
cal and Surgical Service, Inc.,  
was specifically approved by the  
Executive Council at its last meet-  
ing. The council announced at  
that time that any similar state  
wide, non-profit voluntary plans,  
which met the standards of the  
association, would be likewise ap-  
proved. Approval permits such  
health insurance organizations to  
carry the endorsement of the  
American Medical Association on  
their policies and advertising.  
Physicians throughout Texas  
would have members on the di-  
rectorates of such plans and would  
give them their active support.  
The wide expansion of low cost  
voluntary prepaid health insur-  
ance by private enterprise pro-  
vides an answer to socialized med-  
icine, the doctors assert.

**Social Security Offers Co-operation to Workers Over 65**  
Wichita Falls, April 9.—The Social Security Board is offering its full co-operation to workers and former workers who have reached the age of 65 in an effort to help them avoid any loss of benefits through delay in filing claims, it has been announced by Glenn T. Dunn, acting manager of the board's office at Wichita Falls.  
"Any person who has worked enough in private industry and commerce to be insured under the old-age and survivors program can file a claim at age 65 to get his benefits at a point below which they cannot fall," Dunn said. "Then if he keeps on working, or if he gets a new job, and his wage record would produce higher benefits at a later date, he may file a request to have his benefit recalculated to give him the higher rate."  
Dunn pointed out that his office has been urging workers for some time to confer with the Social Security Board officials upon reaching age 65, in order to protect full benefit rights.  
"A great many workers have done just that," Dunn said, "but many have not. They have been under the impression that once a claim was filed, the benefit could not be changed even though subsequent work might produce a higher potential benefit figure."  
"That was true for a time, but last year the Board inaugurated a method of recalculation which will keep benefits from going down, once a claim is filed, but will not keep them from going up. If workers and former workers in private industry and commerce who have passed the age of 65, will just come in to see us, we will give them the information and help necessary to protect their full benefit rights."

**Protection Against Typhoid Fever Needs Early Vaccination**  
Austin.—If you have not been vaccinated against typhoid fever within the last two or three years, Dr. Geo. W. Cox, State Health Officer, advises you to go to your doctor or to the nearest health officer and have him give you the three "shots" that will protect you against the disease.  
"The three shots that will protect against typhoid are given at intervals of one week apart," Dr. Cox stated. "As it takes some time for the protective treatment to be established throughout the system, it is wise not to delay in having it done. My advice is, have it done now so that immunization may be complete before summer arrives and vacation trips are taken."  
This advice was addressed particularly to Boy Scouts, Girl Scouts, and other youngsters who are looking forward to spring and summer hikes and trips. It is, however, meant also for others, young or old, whose business or pleasure during the summer will take them to places where there may be doubt as to the purity or safety of the water supply, or as to the care with which food is handled.  
The old adage that "an ounce of prevention is worth a pound of cure" is particularly applicable to this disease, which is so dangerous and debilitating when it does occur, and which can be prevented so easily through immunization.  
It is predicted that an effort will be made by the Department of Agriculture to reduce poultry flocks by about 15 per cent.

### JUNIOR-SENIOR BANQUET

With Sharon Haney as toastmistress, the Junior-Senior Banquet started off with a bang, and turned out as one of the best and prettiest banquets Crowell High School has given in years.

The theme was a rose garden. Birds were singing in among the flowers; a white garden swing was placed invitingly near a willow tree. Along the walls were vine covered trellises and flowers. Vases of roses were placed in alternate arrangement with holders of pastel candles down the long white covered tables.

First was the invocation by Rev. Streckland. After the welcome was given by Sharon, Joe Scales, Senior president, gave the response. Billy Dean Brown then played "Beautiful Ohio" on his accordion. Janet Roark, Ruth Barker, Kathleen Eddy, Joann Meason, Glenna Self, H. A. White and Larry Woods then began to mourn the loss of the Senior Class from CHS. They cheered up enough, however, to prophesy strange and mysterious things for the Seniors to be twenty years from now. Larry and H. A. drew from the Wishing Well.

After everyone had laughed over the future, Frances and Robert Kincaid danced a graceful waltz, accompanied by Marcia Kincaid at the piano.

Evelyn Barker, senior, couldn't resist a thrust at the Juniors, so she read the will of the Senior Class.

By this time Bobby Cooper was settling down for a chat with his beautiful booty, but then Mr. Warren Pruitt, of Vernon, was introduced as the guest speaker. After a lot of laughs over the very entertaining jokes he told, the guests were then informed with a few simple statements that were true gems of advice concerning himself, ourselves, and the rest of the world.

The Barber Shop Quarter then took over. Bill Chumbley, R. C. Schlarck, Billy Roy Cooper and C. D. Campbell donned long black handlebar mustaches and gave out with "Down by the Old Mill Stream" and "When You Wore a Tulip."

After that everyone said "Good night" and departed, well fed, happy and feeling just a little more grown-up.

### SENIOR WILL

We, the members of the Senior Class of Crowell High School, County of Foard, City of Crowell, in the year of our Lord, one thousand, nine hundred and forty-six, being of sound mind and judgment, do solemnly make and declare this to be our last will and testament:

**Section I**  
Requests to the Honorable Faculty

We do solemnly give and bequeath to our principal and other members of the high and honorable faculty our gratitude and thanks for bearing with our ignorance and lack of knowledge these four years.

To Mr. Graves we do solemnly render our thanks for the use of his office at frequent stormy intervals when we were dismissed

### Section 2

#### Personal Bequests

1. Morris Johnson tearfully wills his slinky white satin evening dress, all trimmed in red to that "quiet natured" Bill Chumbley.

28. Milton Hall leaves his bright, red sweater and socks to Presly Thomson.

29. Since levis seem to belong in the feminine wardrobe, Carlos McBeath leaves his most treasured pair to Martha Johnson.

34. Mary C. Sparks leaves her ability to obtain sixteen credits in 312 to the lucky woman, Wanda Crisp.

35. Bobby Smith leaves just one command to her younger sister, Verna, "Keep up the good name of Smith."

36. Clay Dunn wills to Lajuan Denton his well worn typewriter—also a repair man.

37. Since CHS would not be complete without someone to get-by on the girls on their shoulders (as they fall flat on the floor)—Joe Scales leaves this position to C. D. Campbell.

38. Bill Irvin leaves; period—What more could you ask.

In testimony whereof we hereunto set our hands and publish and declare this to be our last will and testament, in the presence of witnesses, this the twelfth day of April, in the year of our Lord, one thousand nine hundred and forty-six.

Signed, Evelyn Barker.

### SENIOR PROPHECY

(Given by Larry Wood)

Miles Neil:  
You are going to thrive and to prosper  
With your trumpet and music  
You'll stay  
But you'll never be better looking  
Alas, than you are today.

Billy Dean Brown:  
Your neighbors will all call you  
blessed  
You will add to the world's many  
joys  
For you're going to invent a lawn  
mower  
That will run without making a  
noise.

Jack Brown:  
You are fond of wide, open spaces,  
Where the grasses grow lush and  
deep;  
You'll have a big farm in the  
northland  
And grow rich with cattle and  
sheep.

Vandolyn Browning:  
Your voice, Miss, will travel far  
and wide  
Giving lectures by radio;  
You'll talk on cooking, sanitation  
And things that all housewives  
ought to know.

Horace Todd:  
You'll be a splendid window trim-  
mer,  
And the husbands will hate you,  
alas  
For you'll lure their wives into  
spending  
Whenever they happen to pass.

J. L. Brock:  
You're a brave and courageous  
at football  
A hero on the field of strife,  
But you'll marry a nice little  
maiden named Betty  
And mind her the rest of your life.

Hazel Marlow:  
This prophecy to you we proudly  
bestow  
To wild parties and Honkey-Tonks  
you'll never go.  
You'll sit at home and twiddle  
your thumbs  
And feed all the waifs and back-  
door bums.

Sidney Capshaw:  
You will be a cowboy and ride a  
fiery hoss  
Way out into the big and endless  
West  
You'll kill all the wild animals you  
come across and  
Shoot the bald-head eagle from  
his nest.

Clay Dunn:  
You'll be a manufacturer of bas-  
kets and stuff  
And make a million dollars just  
easy enough  
Then you'll sit around in your big  
easy chair  
And tell tall tales with nary a  
care.

Betty Seale:  
And now we come to the ambitious  
Miss Seale  
You will prosper by your integrity  
and zeal  
But the key to your heart will al-  
ways be locked  
Except to the darling—the great  
John L. Brock.

Bobby Gloyna:  
The mellow accents of your  
soft voice  
Are bound to make your admirers  
rejoice  
But the sighings and cryings of  
girls are in vain  
Because of your love for Anna L.  
Payne.

Billie Jean Starr:  
Your eyes in which dreamy shad-  
ows lurk  
Prove that you'll never love hard  
work  
You will do a little sewing and  
stitching perhaps  
But you'll always love your after-  
noon naps.

Virginia Monkhouse:  
Some day when you grow old and

gray  
And without a husband you'll  
lonely sit  
You'll think of all the hearts you  
broke  
Such as Gordon's and Butche's  
and Bit's.

Bobbie Smith:  
To you, Bobby Smith, goes this  
reward  
Music in the world you will cher-  
ish and guard  
Tho you may not gain national  
fame  
Over KVWC you'll make a great  
name.

Evelyn Barker:  
To you we prophesy the wistful  
desire  
To marry a man who smokes a  
brier  
Sometimes you'll look at him and  
say  
I wish you'd get some tobacco  
and stop smoking hay.

Naomi Crisp:  
You are gracious, your voice  
smooth as honey  
And you'll go thru life a making  
money  
By the invention of a fishing de-  
vice with an atomic bait  
That will throw the fish, cleaned,  
cooked and sliced  
Right into your plate.

Morris Johnson:  
You may get fat and you'll likely  
get old.  
But your kindly nature will never  
grow cold  
And as auctioneer at the Vernon  
stock sales  
You'll rattle off—sold American  
in the greatest of gales.

Rebecca Ross:  
Your firm chin gives strong indica-  
tion  
You want to help the men run our  
good nation  
So in U. S. Congress you'll find  
a seat  
And fight those men who want to  
ration meat.

Travis Starnes:  
What an appetite. No wonder  
girls sigh  
To see you demolish cake, cook-  
ies and pie.  
You'll also delight in pretzels and  
beer  
And go home at night when the  
police are not near.

Larry Campbell:  
Don't worry because your feet  
are big  
You'll reach the goal if you pitch  
in and dig  
What a nice looking fellow peo-  
ple will say  
Why he must be working on the  
W. P. A.

Charlene Lankford:  
You'll be a woman racer  
And drive a car that's long and  
slick  
And up and down the track you'll  
hasten  
To the tune of chickery chick.

Mary Sparks:  
Not only men's hearts will inter-  
est you  
But their entire anatomee  
For you're going to study medi-  
cine  
And a famed lady doctor will be.

Milton Hall:  
The biggest person in your class  
Such indeed will be your fate  
When the class reunies twenty  
years from now  
You'll find yourself the heavy-  
weight.

Leta Jo Haynie:  
In twenty years when the class  
comes back  
You will find it's your happy fate  
To discover that you are the only  
one  
Who has raised a family of eight.

Kendrick Joy:  
You like to sing and you like to  
dance,  
You're fond of a life that is gay  
Ah, the change when you wed  
Janet Self  
And have to cook three meals ev-  
ery day.

Dee Alva Thomas:  
You're too gentle to utter harsh  
words  
And cross looks you seldom be-  
stow  
You will marry a handsome man  
named Buddy  
Because you're too kind to hand  
him a no.

Bill Irvin:  
You would like to travel the  
the oceans  
Such trips give you thrills of de-  
light  
But you'll take your trips in the  
water  
In the bathtub on Saturday night.

Carlos McBeath:  
You'll get over being naughty  
As your friends expected you  
would  
You'll become a pastor's assistant  
And make people righteous and  
good.

Lois Hinkle:  
You're inclined to be a dreamer  
With your thoughts in the clouds  
very oft  
You will take up with aviation  
And spend most of your time  
aloft.

Waldon Johnson:  
We can tell by the way your left  
eyebrow curls

That forever you're going to be  
snared by the girls  
But your love will hold true thru  
raining and snowing  
For your one and only—your dar-  
ling, "Miss Owen."  
G. W. Johnson:  
Your elusive nature and love of  
fishing  
Are signs that you'd be a good  
politician,  
But instead of feverish election-  
eering  
The nagging wife you'll be hear-

ing.  
Hardy Sanders:  
The good die young  
out  
You'll live to be eighty  
a doubt  
And these years a load  
don you'll be  
Whiling away the time  
cup of tea.

## AGRICULTURE

(D. F. Eaton, County Agent.)  
BANGS TESTING DELAYED  
In response to an inquiry sent  
to the Bureau of Animal Industry  
at Fort Worth, we have the fol-  
lowing reply from Dr. L. R. Noyes,  
who has been doing the testing in  
this area. We quote:

"Referring to your letter of  
April 8 relative to the time that  
we will return to Foard County  
to test the cows coming under the  
new contracts, we are unable to  
give a definite time at present but  
it will be at least sixty days before  
we return to the county. We re-  
gret that the shortage of person-  
nel makes it necessary for us to  
delay the return there, but this  
is the best we can do under the  
circumstances."

"So the only thing we can do is  
to patiently wait until he can make  
the county. In the meantime if  
you have delayed making your  
application you will still have time  
to do so.

This is a good program and if  
it results in getting rid of cattle  
affected by this disease and get  
our premises clear of this disease  
it is well worth any effort on your  
part.

Fifty-eight per cent of the na-  
tion's known gas reserves are in  
Texas.

**Weekly Sermon**  
By the Rev. S. Maxwell Coder,  
Member of Faculty, Moody  
Bible Institute, Chicago.  
A Formula for Blessing  
Jabez was selected for hono-  
rable mention among the scores of  
people listed in I Chronicles. On  
examining the prayer of this man,  
we learn a formula for blessing  
which is just as fresh and profit-  
able as it was twenty-five hundred  
years ago.

Here was the cry of a yearning  
heart, "Oh that thou wouldst  
bless me indeed!" (I Chron. 4:10).  
All who believe the gospel are  
blessed, but to be blessed indeed,  
we must yearn after God, hunger  
and thirst after him as did this  
saint of long ago.

Here was also the cry of a dis-  
satisfied heart, for he prayed,  
"Enlarge my coast." Divine dis-  
satisfaction precedes the claiming

## of new territory for God.

Here was likewise the cry of a  
lonely heart, "and that thine hand  
might be with me." God desires  
us to be as dependent on him as  
the little child who holds tight to  
her daddy's hand as she takes  
her first steps at his side. Several  
times we read in Scripture of the  
Lord's hand leading, upholding,  
and saving his people.

Here was further the cry of a  
humble heart, "and that thou  
wouldst keep me from evil."  
Jabez knew he had no strength;  
he hated evil with all his being  
and cast himself on God for vic-  
tory over sin.

Here, finally, was the cry of a  
sorrowful heart as it contemplated  
the deceitfulness and misery of  
sin, "that it may not grieve me."  
The only loss of joy be-  
lievers get is the grief  
which results from evil and sin.  
"God granted him that which  
he requested." We have not, be-  
cause we ask not. Let us, like  
Jabez, yearn for greater blessing,  
refuse to be satisfied with our  
spiritual achievements, reach up  
clean hands to God, acknowledge  
our own nothingness and be sor-  
rowful and exercised over sin.  
Praying in this spirit, we may be  
sure that God will grant all our  
requests.

According to the United States  
Census Bureau there were 83,586  
illegitimate births reported in the  
United States in 1943. Of these  
31,755 were white and 60,831  
non-white.

The State of Texas leads in  
the production of fresh fruits and  
vegetables for distant markets.

Texas has produced more cot-  
ton than any other area in the  
world, in the past century.

You're fond of mischief and your  
heart is kind  
As a model for bathing suits you're  
designed  
Never to find two days in the same  
old grind.

A. G. Wallace:  
Your feet, your hands, your broad  
shoulders show  
That you'll win success wherever  
you go  
And don't be surprised if very  
soon  
You'll pilot a Jet Plane right up  
to the moon.

Henry White:  
You've a kindly heart, you're  
strong as a Turk  
All that ails you is that you don't  
love to work  
You'll sell hot dogs two for a  
nickel

And make people like them with-  
out onion or pickle.

Helen Ruth:  
'Tis easy for you to conquer a book  
You'll not be content to scrub and  
cook  
So to N. Y. you'll go with your  
faithful old grip  
And become a famous critic for the  
Pop Eye comic strip.

Tommy Eaton:  
A great horse doctor you're go-  
ing to be  
And you're going to be famous  
because you see  
You'll invent a machine to put in  
his snout that will fill the  
horse's tooth instead of pull-  
ing it out.

Ora Mae Fox:  
You'll be a snake charmer where  
the climates are warmer  
Way down in the tropical land  
You'll please 'em and tease 'em  
and bend 'em and send 'em  
And rule them by the wave of  
your hand.

O. C. Wharton:  
Let it not fill your soul with con-  
ceit  
When I say you will live by your  
pen;  
No books will you write; your  
products  
Will be pork for the tables of men.

Joyce Jones:  
You have vamped your teachers  
in classrooms,  
And made them believe you are  
wise;  
You'll lead old H. A. White to the  
altar  
'Cause he'll think you're a won-  
derful prize.

Joe Meason:  
You are fond of handsome young  
ladies  
You have loved a dozen or more  
But you'll marry a homely, fat  
widow  
Because she has riches galore.

Harold Thomson:  
You'll become a scientist of note,  
North and South will your fame  
be sung,  
And those gathered here will say  
with pride  
We knew him when he was young.

Joe Scales:  
You'll never be noted or wealthy  
And your life a struggle will be  
But when you die a host will say,  
Ah, how good and kind he was to  
me.

## Junior-Senior Banquet Held in Spring Garden Setting in Basement of Baptist Church Friday Evening

In a pretty setting, simulating a spring garden, the annual Junior-Senior banquet was held in the basement of the Baptist Church Friday evening, April 12. The members of the Junior class, their sponsor, Mrs. Earl Manard, their class mothers, Mrs. T. S. Haney, Mrs. Roy Barker, Mrs. Gordon Cooper, Mrs. Dwight Campbell, Mrs. Homer White and Mrs. Walter Thomson, were hostesses to the Senior class members, to their sponsor, Leo Purvis, their class mothers, Mrs. Jack Seale, Mrs. E. J. Thomas, Mrs. Beatrice Brock, Mrs. Joe Monkhouse and Mrs. Roy Todd and their escorts, to the members of the High School faculty, to the pastors of the churches of the town and their wives, to the P. T. A. president, and her husband, to the president and secretary of the school board and their wives, to a representative of the Freshman and the Sophomore classes and their es-

corts and to several other guests, including Warren Pruitt, guest speaker, at this, the outstanding social event of the school year.

The banquet hall was converted into a colorful garden, with spring flowers, greens, singing birds, all of which enhanced the effective garden scene. To further accentuate the spring colors, the chairs had slip covers of crepe paper in pastel shades. The windows were latticed and flowers and greens grew in boxes in some, while birds sang from their cages hung in others. Candles in soft colors and bowls of roses decorated the tables. A garden in the rear of the hall was really enticing with a rock-walled well, trees, flowers, shrubbery, a rock wall, seats, all of which made the garden party setting complete.

The Junior and Senior misses, attired in beautiful formal gowns, with their escorts, added to the colorful picture. Place cards, simulated silhouettes in frames, marked places for the guests. At each place was found the program for the evening, a small booklet, entitled "Memories" with pages for autographs, and memory reminders of the occasion. These followed the garden motif in color and make-up.

The invocation was given by Rev. Otis Strickland, pastor of the local Baptist Church. Miss Sharon Haney, president of the Junior class, presided over the banquet and gave the welcoming address. The response was made by Joe Seales, president of the Senior class. Two accordion numbers, "Beautiful Ohio" and "The Waltz You Saved for Me" were played by Billy Dean Brown. The Senior Phephey was given by Larry Wood, who was assisted by several Junior class members who gathered in the garden and very realistically bade farewell to their friends, the Seniors. Parodies on "Old Black Joe" and several other songs were sadly sung by the group. La Juan Denton played piano accompaniment for the songs. The prophecies were drawn with a cedar bucket from the wishing well by H. A. White and given to Larry, who read them while each Senior stood as his prophecy

was read. Frances and Robert Kincaid danced the Minuet as their sister, Marcela Kincaid, played their accompaniment. They were dressed in colonial attire.

The class will, cleverly given by Miss Evelyn Barker, endowed the Juniors with every bit of Senior property, including their ability to have a good time, for next year.

Miss Haney introduced the guest speaker of the evening, Mr. Pruitt, who is a returned veteran, now practicing law in Vernon. He gave a humorous address, yet one which gave advice to the young people who stand on the threshold of life.

As the closing number of the program, a barbershop quartet, composed of Bill Chumbley, R. C. Schlar, Bill Cooper and C. D. Campbell, all with pointed mustaches, sang several numbers of barbershop lore. Morris Johnson accompanied them and also played incidental music at interim throughout the evening.

The banquet meal was prepared by the ladies of the Baptist Church and served very efficiently by girls of the Sophomore class, who wore colorful skirts of crepe paper, in accord with the planned color scheme.

## Miscellaneous Shower Honors Mrs. Whitaker Friday Afternoon

From 4 to 5 o'clock on Friday afternoon, Misses Iva Ruth Gafford, Yvonne McLain and Tommie Eaton and Mesdames Bob Abston and Herman Biggerstaff were hostesses at the home of Mrs. P. H. McLain to compliment Mrs. Bob Whitaker, who was Miss Wanda Cobb, before her recent marriage.

The guests were greeted at the door by Mrs. Biggerstaff, who introduced them to Mrs. Whitaker, the bride; Mrs. Clyde Cobb, her mother; Mrs. Jack Whitaker, the groom's mother, and Mrs. L. Kamstra, grandmother of the bride.

Miss Gafford presided over the bride's book where each guest registered. In the dining room where punch was served by Miss Eaton and Mrs. Lee J. Stout, of Monday, the table was prettily decorated. White cellophane covered the table and a large blue ribbon bow hung from the center with the words, Bob and Wanda, on the streamers. The ribbons formed a V and the punch bowl, surrounded by roses, rested in the V.

Candles were used on the table and the buffet. A bowl of roses and bridal wreath was placed on the buffet and roses were used in the living room, where Miss Bobby Ruth Abston played piano music during the hour.

Miss McLain and Mrs. Abston presided in the gift room where many lovely gifts to the bride and groom were displayed.

## Out-of-Town Guests Complimented with Several Parties

Mrs. M. O'Connell entertained at her home last Wednesday with a lovely luncheon in honor of Mrs. R. L. Leonard of Memphis, Tenn., and Mrs. Luther Roberts of Dallas, who are visiting relatives and friends in Crowell. Following the two-course luncheon, games of bridge were enjoyed by Mesdames Leonard, Roberts, C. R. Ferguson, R. L. Kincaid, M. S. Henry, W. L. Thurston and T. N. Bell. Mrs. Ferguson was high scorer in the games and the hostess presented the honor guests with attractive gifts.

Mrs. R. L. Kincaid named Mrs. R. L. Leonard of Memphis, Tenn., and Mrs. Luther Roberts as honorees when she entertained two tables of ladies at her home last Thursday afternoon with a bridge party.

Mrs. T. N. Bell was presented high score prize and the two honorees were given guest prizes. Refreshments were served to Mrs. Roberts, Mrs. Leonard, Mrs. C. R. Ferguson, Mrs. M. S. Henry, Mrs. M. O'Connell, Mrs. J. R. Beverly and Mrs. T. N. Bell.

Another compliment to Mrs. Roberts was a reunion of friends of earlier days at the home of Mrs. T. N. Bell on Tuesday afternoon. The guests, with the exception of two, were school mates here when they were girls.

The afternoon was pleasantly spent in renewing remembrances of the happenings of the school days.

The dining table was attractively laid with the refreshment course which was served by the guests and enjoyed in the living room.

Those present were Mrs. Roberts, Mrs. B. W. Self, Mrs. Pearl Carter, Mrs. Carrie Hart, Mrs. W. L. Thurston, Mrs. M. S. Henry, Mrs. Agnes McLaughlin and the hostess.

HAS NEW GODCHILD... Mrs. Eleanor Roosevelt holds Anna Eleanor Martin, two-months-old daughter of Mrs. Hershey Martin, former Mayris Chaney. Mrs. Roosevelt was infant's godmother at San Francisco christening.

## WEST SIDE H. D. CLUB

"Do Your Meals Cost More Than You Can Afford?" was the question discussed at the meeting of the West Side Home Demonstration Club at the home of Mrs. S. H. Ross on Wednesday, April 10. Mrs. Ross, president of the club, had charge of the business meeting. Mrs. W. A. Cogdell gave helpful hints for efficient meals. Mrs. J. C. Prosser told of the food value of peas and beans. "Peas and Beans in Low Cost Meals" was discussed by Mrs. Homer Johnson and Mrs. G. H. Kincheloe discussed "Menus to fit the Income." This program was suggested in the year book by the Vivian H. D. Club.

There were eleven members present and four visitors, Mrs. J. Sumnerford, Mrs. Henry Black, Mrs. Tom Reeder and Rebecca Ross.

Three birthdays were observed, that of Mrs. Ed Norris, Mrs. G. H. Kincheloe and Mrs. J. C. Prosser.

The club will meet on April 24 with Mrs. Homer Johnson when a demonstration on "Storage Worth Looking Into," will be given by Miss Elizabeth Elliott.

## The Road to Success

The time which it takes to build up a successful business depends a good deal on the methods which a concern adopts to win attention and induce people to give it its patronage.

If it calls attention by advertising to the service it renders, if it describes the goods and services that it offers, if it quotes prices and gives people an idea of what the public is buying and what people usually want, the time it will take to build up that business can be greatly shortened.

## Miss Lealys Gilliam Member of T. S. C. W. Chorus at Denton

Miss Lealys Gilliam, daughter of Mrs. Clara Gilliam, Foard City, appeared with the College Chorus at Texas State College for Women in the annual spring concert of the Symphony Orchestra and Chorus Friday, April 12, at 8:15 p. m. in the College Auditorium, according to a special news release from the college.

The seventy-seven piece orchestra, which is the official orchestra of the Texas Federated Women's Club, and the only complete girls symphony orchestra in the south, represents the outstanding student musical talent at the college. E. Laurin Frost, associate professor of violin at the college, who is known throughout the southwest as an efficient organizer and director, conducts the orchestra. Miss Peggy Luecke, pianist from Dallas, will be soloist, playing Moderato Assai from Rubenstein's Concerto No. 4-D Minor. Miss Gladys Mack, senior music student from Springfield, La., is concert mistress.

The chorus, made up of ninety-two voices, and directed by John Murray Kendrick, associate professor of voice at the college, sang two numbers, "Jesus, Jesus, Thou Art Mine," by Bach, and Schubert's "To Music."

Members of the orchestra and chorus were also presented on March 16, when they were part of the entertainment at the coronation of the Redbud Queen.

Miss Gilliam is a senior majoring in music education.

## Warner Drama Opens Sunday at the Rialto

Rousing with moments of action, heartwarming with inspiration and tenderness, Warner Bros.' newest drama, "Pride of the Marines," arrives Sunday, April 28, at the Rialto Theatre. Starring John Garfield as Marine Sgt. Al Schmid, Eleanor Parker and Dane Clark, the film tells the moving story of that generation of Americans who came of age on December 7, 1941.

Here is the tale of a boy who brought bouquets to his girl in the days before Pearl Harbor and who won one himself in the uniform of a United States Marine. Here, in one motion picture, is everything that makes our country great. Our pride in our heritage, our willingness to die if need be, for the rights we believe so deeply are ours, are captured in the story of Al Schmid, "Pride of the Marines."

The newspaper ad talks to hundreds or thousands of people while the salesman is talking to one or a few. So the process of attracting attention and obtaining a wide reputation is reduced, and success comes sooner.

According to a U. S. Treasury announcement the national debt was reduced about 3 1/2 billion dollars in March and will be reduced another 2 billion April 1. The reductions were accomplished by retiring maturity certificates of indebtedness with cash from the Treasury balance.

It is estimated that some 75,000,000 theatergoers of America will see "We Can Do It," dramatic

short subject starring Spencer Tracy, which will be shown at the Rialto Theater in Crowell as in movie houses all country next week. The manager of the local theater that the picture will be shown each evening during the campaign with Easter Sunday.
