AND OUT OF SERVICE

Edward Gafford of the Charles Air Field at Lake Charles, La., was here for a short time with his mother, Mrs. C. E. Gafford, and other relatives the week.

Steele, F. C., son of Mrs. Earl Steele of Crowell, was honorably discharged from the Navy on August 5, 1946, at the Naval Personnel Separation Center in Shoemaker, Calif. He served overseas at Hunters Point from March to June.

Murphy (Pat) McDann, Quartermaster 3-C, received an honorable discharge from the Navy at the Naval Personnel Center at Norman, Okla., July 29 and is at home with his parents, Mr. and Mrs. Pat McDann, of the Foard City community.

Albert Bird recently received his discharge from the service at Fort Sam Houston and is at home with his father, D. Bird, and family. He had been in the Army for two years and eight months in Germany.

Box City Defeats Crowell All-Stars Last Friday Night

Box City defeated Crowell's All-Stars in a softball game on the field on Friday night, August 10, by a score of 8 to 3. The Box City boys hit the ball and made only one error as the locals were unable to hit in any of their at-bats. Lefty was allowed a total of eleven runs but was not in the game when he had meant runs, as he was out nine Crowell batsmen. Carver, left fielder, and J. Carver, right fielder, each hit a home run for the Knox City nine. Banks safely three times for Crowell.

Revival Series Will Start at Margaret Friday

A series of evangelistic services will begin at the Margaret Methodist Church on Friday evening, August 16. Rev. L. B. Taylor, pastor of the church, states that he has engaged the services of Rev. A. Stifford of Avoca, to do preaching for the meeting. He invites everyone to attend these services. Week-day services will begin on Monday morning, August 19, at 8 o'clock and will continue until meeting closes. The evening meeting will begin at 8 p. m.

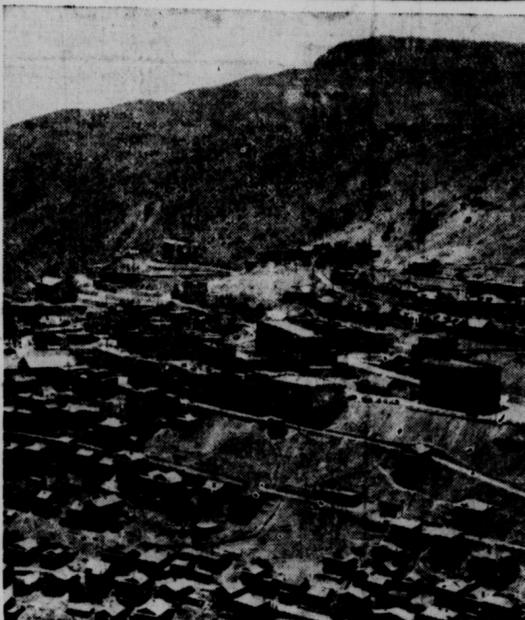

We Invite—

Mr. and Mrs. G. D. Self and Mrs. Belle McKown and Mrs. Fred Wachsmuth

attend any picture advertisement for the coming week at the Theatre in Crowell. We want you to be our guests.

NEW ARIZONA GHOST TOWN... Photo shows town of Jerome, Ariz., founded on the sloping sides of the mountain from which rich ore was taken over a period of more than 60 years of mining, leaving the town dry from ore. The site produced more than \$600,000,000 in copper, silver and gold and will be abandoned next year. Business men plan to develop the area as a tourist center with dude ranches, resorts and private schools, so it will not be a ghost city.

Revival Will Start at Baptist Church Sunday

A series of evangelistic services will begin at the First Baptist Church on Sunday, August 18, and Rev. C. E. Matthews of Dallas will preach for the meeting. The evangelist will bring a song leader and Mrs. Otis Strickland and Mrs. Arnold Rucker will be pianists for the song services which will be an important phase of the campaign.

Rev. Matthews is the outstanding evangelist among Southern Baptists, states Rev. Otis Strickland, pastor of the local church, in announcing the meeting. He left one of the greatest churches in the world to accept the position he now holds, that of chairman of Evangelism of Texas Baptists. He was pastor of Travis Avenue Baptist Church in Fort Worth for 24 years.

Morning services for the meeting will be at 10 o'clock and evening services will be held at 8 o'clock. However, no morning services will be held on Monday nor Saturday morning.

Rev. Strickland invites everyone to attend the meeting.

Ferguson Drug Team Takes Firmer Grip on First Place

In one of the fastest softball games of the season on Thursday night, August 8, Ferguson Drug Store took a firmer grasp on first place as they whipped out DeLuxe Cafe, 5 to 2. Gus Russell again was on the mound for the Druggrists and allowed only three hits while amassing a strikeout total for the night of thirteen men. Wilson Myers started the game off in the first inning with a home run, Gus Russell hitting one in the third inning.

Bill Bell was the leading hitter for DeLuxe Cafe with two singles. J. W. Whitley and Raymond A. Bell hit safely twice for the Druggrists.

Grocery Store Broken Into Early Thursday Morning

Burglars entered the store of Brooks Food Market early Thursday but nothing was taken from the store, according to J. T. Brooks, owner. Mr. and Mrs. C. C. Ribble, who live near the store, were awakened by the would-be robbers and they notified Mr. Brooks and officers immediately.

Trucks are now built for large contractors capable of hauling 20 tons of dirt or rock at one load. Special heavy duty tires for these big dirt movers cost around \$800 each. A record of 18,000 miles is considered good for one of these big tires.

Strikes the past few months have cost this country something over 13,000,000 tons of steel vitally needed for the reconstruction program. That is more steel than Russia can produce in a whole year.

Provisions National Service Life Insurance Liberalized

Five principal changes in the liberalized G. I. Insurance Bill, signed August 2nd by President Truman, were outlined today by Hugh McKinney, Veterans Administration Contact Representative, from the Vernon Contact Office.

The new measure, which materially extends benefits, will provide:

- (1) Lump sum payments to beneficiaries if desired.
- (2) Total disability protection upon payment of a slight additional premium.
- (3) Endowment type policies.
- (4) Removal of restrictions in the naming of beneficiaries.
- (5) Extends eligibility for NSLI policies to all persons who served in the American Armed Forces between October 8, 1940, and September 2, 1945, and allows an increase in the amount of policies already in force up to a \$10,000 maximum.

According to information received by Mr. McKinney, VA Contact Representative, who performs itinerant service to Crowell, Texas, the second and fourth Thursdays of the month, the new amendments to the National Service Life Insurance Act make G. I. Insurance benefits in line with those of commercial companies at a great saving to the veteran. The NSLI bill was designed originally to meet wartime needs, but it has now been adjusted to meet the needs of peacetime life.

Here are how some of the new changes will affect the veteran: Previously, the only settlement provided for death claims was monthly payments or annuity benefits. These are still available, however, under the new bill, the former serviceman may have his insurance paid in a lump sum to the beneficiaries of his choice. He also may elect payments to be made in equal monthly installments extending from 36 to 240 months.

Another feature is the payment of benefits to an insured veteran who becomes totally disabled after having added this new disability benefit to his policy. Such a veteran is paid \$5.00 a month for each \$1,000 of NSLI insurance in force after he has been totally disabled for six consecutive months.

Formerly, veterans were allowed to designate only close relatives as beneficiaries. This part of the law has been changed so that policy holders may now name any person or persons, a corporation or his estate as beneficiary.

Any inquiries concerning the new liberalized provisions of National Service Life Insurance policies should be taken up with your Veterans Administration Contact Representative when he visits your city.

Paper to Be Printed One Day Early Next Week

In order to give the editors and publishers a chance to take a short vacation, the Foard County News will be printed one day early next week and will be mailed to subscribers on Wednesday instead of Thursday.

We will appreciate the co-operation of our advertisers and contributors, especially rural correspondents, in this effort. All advertising and rural correspondence should be in this office Monday, if possible.

Please remember this, and assist us in every way possible, and we will be deeply appreciative.

The office will be open the balance of the week to take care of any rush printing.

T. B. KLEPPER, Publisher.

Producers Allowed to Buy Wheat They Were Forced to Sell

1946 wheat producers will be permitted to purchase the amount of wheat that they were required to sell under War Food Order 144 between the dates May 21, 1946, and June 30, 1946, by tendering to the local AAA office the amount of money that the producer received for the wheat at the time of sale, according to A. V. Sheppard, secretary Foard County AAA.

When the producer has purchased this amount of wheat, he will enter into an agreement with Commodity Credit Corporation to sell the wheat at the market price of the day of his choice, provided he chooses a date on or after the date he purchased the wheat from Commodity Credit, and prior to April 1, 1947. The producer will be allowed to choose any market date between the date of purchase and March 31, 1947.

The producer will be required to purchase the wheat that he was forced to sell any date on or before August 24, 1946, which is the last day the wheat producer will be allowed to purchase his wheat.

Birthday Calendar Being Sponsored by H. D. Council

A birthday calendar is being sponsored by the Foard County Home Demonstration Council, which will be distributed before December of this year. The cost of printing each name is ten cents and your dime entitles you to the complete 1947 calendar.

The deadline date for getting names turned in for the birthday calendar is Saturday, August 17, it was announced by Council officials this week. Names may be left at the office of the Home Demonstration agent in the basement of the court house or given to any of the following women: Mrs. T. W. Cooper, Mrs. Hugh Shultz, Mrs. Charley Wishon, Mrs. Luther Marlow, Mrs. Bax Middlebrook, Mrs. Sam Kuehn, Mrs. Bert Mathews and Mrs. Charlie Bryson.

Wheat Insurance Available Now

The local AAA office is now ready to write 1947, 1948, 1949 wheat insurance contracts, as announced by A. V. Sheppard, administrative officer.

The United States Government All-Risk Insurance to farmers through the local AAA office, covers all causes of loss including dry weather, hail, green bugs, or any other natural cause beyond the control of the producer.

The cost is 1.7 bushels per acre for 75 per cent coverage of the producer's normal yield. This cost is figured on past loss experiences for the county. The cost is reasonable for the protection that it provides.

Revival at Assembly of God Church Still in Progress

The revival meeting being held at the Assembly of God Church two blocks west of the square is still in progress and will continue through Sunday night, it was announced Tuesday by the pastor, Rev. Warren Everson.

He also announced that they were having large crowds and much good is resulting from the services.

Field Day to Be Held Aug. 21, Chillicothe Experiment Station

Plans have been made for this year's Chillicothe Experiment Station Field Day to be held in the morning of August 21 beginning at 9 a. m. As farmers probably know this is the first field day for the station in several years.

At present crops look good at the station and J. Roy Quinby, superintendent, and J. C. Stephens, agronomist, have worked out a nice program to include a field day and discussion relative to the crops grown there. Wheat and grain sorghum producers will especially find the visit to the station beneficial.

The Chillicothe Lions Club will have on hand sandwiches for the noon meal which may be had at a small charge. Plenty of watermelons is expected to be on hand, too.

The Chillicothe Station is located four miles south and two miles west of Chillicothe. (Follow the signs.)

Rotary and Roping Clubs to Play Ball Saturday Night

The Crowell Rotary Club and the Crowell Roping Club will stage a soft ball game at the lighted field near the depot Saturday night beginning at 8 o'clock. It was announced Wednesday at the Rotary Club meeting.

Rotary Club team will be Marion Crowell, Grady Graves, Bill Bell, Otis Strickland, R. R. Jones, Grady Halbert, Merl Kincaid, Jack Seale, Joe Burkett, Izzie Fisch, A. V. Sheppard and Leslie Thomas.

Roping Club team will be Rusty Russell, Gordon Erwin, Bud McLain, Skeet Rasberry, S. T. Knox, Pete Collins, Woodrow Lemons, Jack Walker, Earl Davis, Jim Erff, Bill Drabek and Raymond Rasberry.

PTA Activities and Interests

"When is a Man Educated?" is the question asked and the following quotation by Joseph Fort Newton answers the question, "When he can look upon the universe with a sense of his own littleness in the great scheme of things and yet have faith and courage."

"When he knows how to make friends and keep them and above all things, when he can keep friends with himself; when he can look into the wayside puddle and see something besides mud, and into the face of the most forlorn mortal and see something besides sin, when he knows how to live, how to love, how to hope, how to pray—glad to live and not afraid to die, in his hands a sword for evil, and in his heart a bit of song."

This is truly the goal of every right thinking parent and teacher for our children of today. In order to reach this goal, parents must co-operate with teachers and the local Parent-Teacher association to bring about the education of the youth of the community.

Story Hour Will be Observed Friday

Miss Florence Black will relate the story for the weekly Story Hour tomorrow (Friday) morning at 9:30 in the District Court room at the court house. All children are invited to attend and enjoy the hour of story telling.

Nut meats have a caloric content of 3,000 units per pound.

Crowell Volunteer Fire Department Re-Organized Early in July; Ten Weeks Training Period Now Being Held

The Crowell Volunteer Fire Department was re-organized about the first week in July at which time Leon Speer, local automobile dealer, was elected fire chief.

Under the leadership of Mr. Speer the department now consists of sixteen members, who are devoting their time and energy in helping to build up an efficient fire fighting membership. The fire department is truly volunteer as none of the members receive pay for fighting a fire any time or place in the city. Ernest Breed-

love has been elected assistant fire chief.

Four weeks ago the department started a ten-weeks training period and the meetings are held on Wednesday night. Wednesday of this week was the fourth such meeting held. There were nine men present at the first practice, 11 at the second and 14 at the third.

Drills consist of locating plugs and spotting houses close to them, checking all plugs to see that they are in good working order and hose and nozzle drills. Another important part in this training is drilling and familiarizing men with pumper and pumper hook-ups. At the meeting last night the men received practice on using suction hose to draw water out of tank, creek or shallow well.

At least twenty men are needed for a volunteer fire department. They invite anyone who would like to join to report to them. Volunteers need this training.

The public is urgently requested not to park closer than one block to a fire and not to drive closer than a block or better behind truck on run.

F. W. Alger Dies in Vernon Thurs.; Funeral Friday

F. W. Alger, father of Mrs. J. A. Stovall of Crowell, passed away at the home of another daughter, Mrs. C. D. Judd, in Vernon Thursday morning at an early hour, following a long period of frail health due to his advanced age. Mr. Alger would have been 90 years of age had he lived until September 29th.

Funeral services were held Friday morning at the Texas Street Methodist Church in Vernon of which he was a member. Rev. M. P. Hines, the pastor, conducted the services. Interment was made in East View Memorial Park at Vernon where his wife, who passed away Oct. 8, 1926, is buried.

Pall bearers included Bud Judd, W. L. Cooper, John Rasor, Dee Norwood, Curtis Renfro and W. W. Barnes.

Mr. Alger is survived by two sons, Roy Alger of Arlington and Carey Alger of Vernon; three daughters, Mrs. Stovall, Crowell, and Mrs. Judd and Mrs. W. E. Latham of Vernon. One sister, Mrs. Mollie V. Kennedy of Chicknell, Ind., and eleven grandchildren also survive.

The deceased was born in Bloomington, Ind., in 1856. He was married to Miss Susan Frances Kennedy on Nov. 9, 1888, in Sullivan, Ind. The family came to Texas in 1906 and resided at Crowell until July 3, 1919, when they moved to Vernon. He was engaged in the hauling and trucking business. Since the death of his wife, he has lived with his children and had been in Crowell for a part of the time. He had many friends here. In the past several months, he had become almost blind but his general health was good, considering his age.

Memphis Production Credit Holds Meeting

Memphis Production Credit Association was represented at the annual district directors' conference held in Amarillo July 29 and 30 by President R. B. McMurry of Memphis, Vice President Otis Wilson of Quitaque, and S. M. Jelly, Paducah; R. O. Ross, Mador; Tom Berry, Wellington, directors, and Don Wright, secretary-treasurer.

Mr. McMurry reported that the group discussed plans to complete paying off the government capital by the end of 1947, and to build even a stronger farmer and rancher owned association able to carry on with adequate and dependable credit to meet future needs. It was decided that each association should have about \$25,000 in member owned capital and surplus for each \$100,000 in loans in order to safely see members through in case destructive times should be experienced later.

Miss Olga Larson Will Reside in Hawaii for 2 Years

Mrs. T. W. Cooper of the Vivian community and others have received letters from Miss Olga Larson, who taught Home Nursing classes in Foard County last summer and who made many friends here, stating that she is leaving this month for a two-year assignment in the Hawaiian Islands with the Board of Health.

Miss Larson has undergone an operation recently but has entirely recovered and will leave San Francisco, Calif., on August 30 for Hawaii. She asks to be remembered to the Foard County friends.

ROTARY CLUB

Dr. J. T. Gilmore was a visitor at the Wednesday meeting of the Crowell Rotary Club at the DeLuxe Cafe. The club scout committee as appointed by President Grady Halbert, includes Virgil Smith, Merl Kincaid and Joe Burkett. C. P. Sandifer was elected as an honorary member of the club and Mrs. Alva Spencer was elected as pianist.

With Marion Crowell as program chairman, John Sanders entertained the Rotarians with two vocal solos, "Peggy O'Neal" and "Let Me Call You Sweetheart." The concluding business transacted at this meeting was the election of M. S. Henry and Claude Callaway to represent the county in the Red River Basin Flood Control Association of Wichita Falls.

The game of golf originated in Scotland in 1457, some 500 years ago.

Gospel Meetings to Be Held at Church of Christ

A series of gospel meetings will begin at the East Side Church of Christ on Friday evening, August 16, and continue through August 25, it has been announced by officials of the church.

Evangelist Jesse Powell will do the preaching and Edgar Johnson will be the song leader.

Services will be held at 10 o'clock in the morning and at 8:15 in the evening.

Football Coach Attends Coaching School Last Week

Coach Louis Purvis of the Crowell High School attended the Coaching School at Corpus Christi last week. The school is sponsored by the Texas Coaches Association, 820 Texas High School coaches attended the School. Football, basketball and first aid treatment were the principal subjects taught at the School. The football instructors were Dana X. Bible, head coach of the University of Texas, Ray Eliot, head coach of Illinois University, Frank Kimbrough, head coach of Baylor University, and Bully Gilstrap and Eck Curtis of the University of Texas. The basketball was handled by Adolph Rupp of the University of Kentucky, Red Cramer and Jim Logan of the Cramer Chemical Co. demonstrated in first aid treatments.

Graduate stars from last year's football and basketball teams of Texas High Schools were used to demonstrate with. The "South team" won in basketball by a 34 to 33 score, while the football was won by the "North team" by a 20 to 13 count. These games climaxed the week's work at the Coaching School.

AGRICULTURE in County

(Joe E. Burkett, County Agent)

WATERING TREES, SHRUBS

Many trees and shrubs which were set out in West and Central Texas last fall have been lost due to lack of moisture. J. F. Rosborough and C. R. Heaton, horticulturists for the Texas A. & M. College Extension Service, say that these losses are due largely to improper watering methods.

The tight soils of West and Central Texas must be watered very slowly in order to get deep moisture penetration, the horticulturists say. Every 10 to 14 days is often enough to water if it is done properly.

A soil covering placed around the trees will hold the moisture in the soil. Hay, weeds, or any cured material that will make a mulch may be used for a ground covering. Experiments have shown that a mulch will cool the soil as much as 20 degrees.

GRAZING PRECAUTIONS

About this time of year, dairymen are likely to lose a few cat-

tle by grazing them on sorghums, including sudan and Johnson grass. This is commonly called hydrocyanic or prussic acid poisoning, says E. A. Grist, veterinarian with the Texas A. & M. College Extension Service. The poisoning usually occurs after a good growing season, when plants are given a setback by drouth, heavy grazing or a bad trampling by livestock.

Cattle affected by this poisoning don't usually last long, says Dr. Grist. They suffer stupor, difficult breathing and convulsions, and there is little time for treatment.

To help prevent this poisoning, see that your cattle get plenty of other feed besides sorghums, such as dry hay. If they eat proper amounts of feed in the barns they are less likely to be affected.

This word of caution is no cause for alarm on the part of dairymen, but it might prevent severe losses in many cases.

ORCHARD CULTIVATION

Texas fruit growers must cultivate their orchards continuously during the summer months in order to produce a good fruit crop, warns J. F. Rosborough, horticulturist with the Texas A. & M. College Extension Service.

Fruit buds must have foliage to maintain proper health throughout the growing season, the horticulturist says. Trees that shed leaves due to drouth, malnutrition or improper care will not produce good fruit the following season, because the buds will be weakened. The care of the trees now and into the fall season will largely determine the fruit crop for next season.

KEEP CALVES HEALTHY

4-H Club boys who are feeding show steers must keep their calves in clean, comfortable quarters and follow feeding instructions closely if they want to produce fat, prize-winning animals, according to A. L. Smith, beef cattle specialist with the Texas A. & M. College Extension Service. During hot weather build a brush arbor in the open air and spread some clean sand underneath it for the calf to lie in. Muddy,

unclean stalls will make the calf's feet sore, and even bad odors will often prevent him from eating like he should, says Mr. Smith.

Stomach worm infestation is high this year, says the Specialist, so if your steer is not fattening well, consult the county agricultural agent for instructions on drenching. On a recent tour of Washington and Montgomery Counties, Mr. Smith took fecal specimens from nine calves, and found that all were infected with stomach worms to some extent and two were badly infected. He recommends phenothiazine as an effective drench, using 10 grams of the powder for each 100 pounds of the animal's weight. The calves usually pick up the worms off the grass when turned out to graze with other stock. Your calf will be healthier if you keep him in a small trough lot and feed plenty of good hay.

Finding that many of the boys are having trouble making their calves eat hay, Mr. Smith offers this advice: Cut bundles of cane, hegari or Johnson grass just before it heads and hang it in the barn for curing. This type hay is high in food value and the calf will eat it when he won't eat old, dry hay that might be musty.

Essential grains, such as corn, may now be bought in quantity, so avoid feeding horse and mule rations or any such substitutes.

HOUSEHOLD HINTS

Soggy Vegetables.—Vegetables, if allowed to stand in water after they are boiled, become soggy. Drain off the water they are boiled in and use it for soup stock.

Cool Chicken First.—Always allow chicken to thoroughly cool before covering it with a lid. This is most important. Harmful toxins develop if chicken is covered while hot.

Filling Salt Shakers.—When filling pepper or salt shakers, put the salt or pepper into envelopes, tear off a corner of the envelope and pour the salt or pepper through. Salt or pepper will not then be wasted.

 Mrs. A. E. McLaughlin
 Allan Shivers Is People's Favorite
 Senator Allan Shivers, in the heavy lead they gave him in July primary to make him the
 favorite candidate for lieutenant governor, also warned that attempts will be made "scheming minority pressure groups" to defeat him in the next 24 run-off.
 The Jefferson County lawyer and farmer, pointed to pride in the overwhelming support which he received in his home county and in the city where he was reared to hood. Shivers, a World War combat war veteran (the coplan in this race), polled approximately 75 per cent of the vote in Jefferson County, his home, and was a 25 to 1 favorite over his runoff opponent in the County, where he spent his youth. Senator Shivers led his runoff opponent by approximately 100 votes in Texas.
 "I am deeply grateful for confidence the people of Texas have shown in me and the aggressive program for Texas I advocate," Shivers said. "I strive even harder to work for the welfare of Texas."
 "Because I represent the people of the people, there will be no conspiracies to defeat me," he predicted. "I will not be swayed by these radical, minority groups—the C.I.O., noisemakers in particular. My opponent is weak to the support which they are giving him. I will continue to work for the right and welfare and progress of our people who are up the backbone of Texas."

Navy Orders Retention of Hospital Corpsmen

New Orleans, Aug. 12.—The Navy will retain all male naval Hospital Corpsmen who have completed less than 18 months of active duty, regardless of eligibility for discharge, Eighth Naval District Headquarters announced today.

"The Navy regrets that because of the large number of war casualties remaining in naval hospitals it is necessary to retain these men," the announcement said. The action will result in an additional one to six months of duty for some Hospital Corps reservists to provide service urgently needed for Navy sick and wounded.

A report of the Navy's Bureau of Medicine and Surgery revealed that on July 31 there were 23,000 naval personnel in Navy hospitals. Demobilization of WAVES enlisted Hospital Corps personnel was not affected by the order, but a plea was made for voluntary postponement of demobilization for any period between Sept. 1, 1946 and July, 1947.

Terminor this a "critical period in postwar demobilization," the announcement requested commanding officers of Navy activities in the eight-state Eighth Naval District to encourage female enlisted Hospital Corps personnel to remain on duty.

THANK YOU for waiting for delivery of your NEW CHEVROLET
We are doing our best to see that you get your new car as quickly as possible

We want to thank our customers and prospective customers for your friendly patience while awaiting your new Chevrolets.
We know it is a hardship to wait for needed transportation; but we believe you will understand that we, and Chevrolet, are as eager to deliver cars as you are to obtain them. Unfortunately, production so far this year is far under expectations. Chevrolet Motor Division sums up the situation thus:
"Even though our rate of production normally exceeds that of any other manufacturer, we have been able to build up to July 1, only 12.4 per cent as many cars as we had built up to that date in 1941. Production is still far below normal, because of frequent shortages of essential materials and parts. Strike after strike at the plants of our suppliers has seriously impeded our progress toward full production, and the cumulative effect severely hampers every manufacturing and assembly plant. In June we were able to build only 29.2 per cent as many cars as we produced in the same month in 1941."
While production is restricted, so—in proportion—are shipments of cars to us. As production increases, we are assured of getting our proportionate share of the total—and as quickly as cars are received, we will speed deliveries to our customers.

Remember—Our CAR-SERVICE is your best CAR-SAVER. Keep your present car "alive" until you get delivery of your new Chevrolet by bringing it to us for skilled service now and at regular intervals.

Two All-Time Hits on Same Program

Two all-time hits on one great program. That's the unusual screen fare coming to the Rialto on Aug. 18, with the showing of two 20th Century-Fox epics...

Packed with thrills, action and romance of America's most colorful period, "Jesse James" and "The Return of Frank James" have been acclaimed as two of the greatest Westerns ever filmed.

"Jesse James," with Tyrone Power in the title role, Henry Fonda appearing as his brother, and Nancy Kelly as Jesse's romantic interest, covers the spectacular story of the young outlaw through his daring exploits over five states to his cowardly betrayal at the hands of the Ford brothers.

"The Return of Frank James," with Gene Tierney and Henry Fonda, co-starred in the title role, brings the saga to a smashing climax with Frank's thrilling deeds in avenging his brother's murder.

light touch, her gentle wisdom about human nature, not in a comedy but in a sympathetic chronicle of a life spanning three generations.

"The King's General" by Daphne du Maurier, is the roughest story of love and battle in England's Civil War. The author of "Rebecca" wrote "The King's General" in the great house, Menability, in which much of the action of the novel takes place.

sible because it isn't impossible. We couldn't do things that way and play our particular brand of expensive politics as we seem set on playing it.

What We Think

(By Frank Dixon)

I suppose that government of a country such as ours by two or more political parties is what might be called a necessary evil, but I catch myself dreaming quite frequently as I read of the antics of Congress over the different bills that come before it from time to time for consideration.

I find myself speculating on what a wonderfully well governed country we would have if every act and every decision of Congress and the administration was based solely on what was best for the country and its people, rather than on what is best for this or that political party.

We have all seen legislation presented before Congress, the passage of which has been delayed for weeks and months because of the fencing and the sparring and the political debate that has clouded the issue and has prevented a clean cut appraisal of the issue.

Under our present scheme of government there is too much thought given to what will get the most votes, what will help to reelect the party members who will be voted upon at the coming election.

Too often issues are presented, not because of any merit they may have when it comes to making ours a better governed nation, but rather because they will attract a certain element of the voters.

All of us have seen this happen; A matter is presented that is clearly for the best interests of every one. Its merits are so obvious that it does not seem that any time at all should be wasted in its passage.

I find myself wondering what would be the effect if for one session of Congress party lines could be forgotten entirely and every bill that was presented would be regarded wholly upon its merits as they pertained to the whole people.

I think it would be a revelation to the nation and the world. I think that we would present an example of government efficiency that would attract and astonish the whole world.

I realize that such a thing under our system of government is an idle dream. It is an Utopian dream. Not because it is impos-

Taking the cost of living in 1935-39 as the index of 100, living costs have risen to 133.8 and by next year it is predicted will rise to 142.

Washington housing officials are making slow progress with the housing program. Washington officials persist in tying up with the big contractors. It is generally believed outside of Washington that if the government would confine its efforts to getting building materials to the lumber dealers of the country local mechanics could build most of the houses needed cheaper than the large contractors would build them. Priorities for building materials could be granted local yards when plans filed with the proper authorities were approved.

Mrs. C. W. Ross Entertains S. S. Class with Party

Improved Uniform International SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D. Of The Moody Bible Institute of Chicago. Released by Western Newspaper Union.

Lesson for August 18

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education, used by permission.

JESUS AND THE SACREDNESS OF HUMAN LIFE

Lesson Text—Exodus 20:13; Matthew 5:21-24; 10:29-31; 18:10-14.

Memory Selection—But I say unto you, That whosoever is angry with his brother without a cause shall be in danger of the judgment.—Matthew 5:22.

Human life is sacred, and that is not primarily because of any law of man, but because God created man in his own likeness and image.

Since that is true, no man has any right to take the life of another for any cause except at the direct command of God. Only by the orderly process of law for the protection of society and in accordance with the Word of God may there be any such action by man toward man.

Both of these truths are declared in Scripture in God's covenant with Noah (Gen. 9:5, 6), which was made possibly a thousand years before the Ten Commandments were given to Moses.

I. The Prohibition of Murder (Exod. 20:13).

The word "kill" in this commandment is one which means a violent and unauthorized taking of life, and is therefore more properly translated "murder."

Not all killing is murder. A man may kill another entirely accidentally, or he may be the duly constituted legal officer carrying out the law of the land in taking the life of one who has forfeited his right to live because he has slain another.

There is also the right of self-defense, be it individual or collective as in war. But these are the only exceptions; let us not attempt to justify any other.

Murder is more prevalent than

most of us suppose. In 1944 there was a murder every fifty minutes in our land.

Do not forget the deaths, the destruction of life, by avoidable automobile accidents. Some of these were really murder because the one responsible drove with defective brakes, dangerous tires, or while he was intoxicated. Add to these the deaths in industry caused by failure to provide proper safeguards or healthy working conditions, and by the exploitation of child labor, and we say that we should cry aloud, "Thou shalt do no murder."

II. The Provocation to Murder (Matt. 5:21, 22).

Murder finds its provoking cause in the heart of man. Our Lord was concerned about correcting the desires rather than to apprehend the offender after the act had been committed. It is the better way, and the more effective one.

In this matter of murder, Jesus cut right through the outward aspects of the matter and pointed out that an angry hatred in the heart is the root of all murder. If we hate, we have murder in our hearts. Circumstances may hinder its fulfillment, but the danger is always there until we remove the cause.

May God help those of us who have strong feelings that we may not yield them to the devil in such anger against our brother!

III. The Prevention of Murder (Matt. 5:23, 24; 10:29-31; 18:10-14).

Prevention with God means more than putting up a barrier to try to keep men from killing one another. He deals with the heart of man, and when that is right the whole life will be right. There must be

1. A Right View of Self (Matt. 5:23, 24). We must learn by prayer and humility of heart to suffer at the hands of others, to keep peace, to seek out brother's weakness.

Note that it is not even a question of how we may feel against our brother. If he has sinned against us we are to do all we can to win him.

We who believe in Christ are to be in deed as well as word the children of our heavenly Father (Matt. 5:45), loving not only those who are kind to us but also our enemies.

2. A Right View of God (Matt. 10:29-31). He who knows when a sparrow falls to the ground is concerned about the smallest detail of our lives. No man can lay hands of violence on another man without having to reckon with God about his misdeeds.

Our God is not afar off and too concerned with eternal affairs to be interested in the sufferings of the individual. He is here now, and we should count him into every relationship of life.

3. A Right View of Man (Matt. 18:10-14). Even the little ones, apparently defenseless and at the mercy of a cruel world, have guarding angels who have access to the throne of God. He has a special interest in the lost and rejoices in the rescue of the one who has strayed, so we see that even those whom the world regards as weak and unimportant are in the mind of God for good. He watches over them.

The man who sees himself for what he is, and who realizes what God thinks of man, will find that he agrees with the command of God, "Thou shalt not kill."

Less beer and alcohol in this country means more food for the starving families overseas.

To avoid accidents, basements and basement stairs should be well lighted.

NATIONAL PRO NET CHAMP... Bobby Riggs holds the victor's trophy after winning the national professional tennis championship at Forest Hills, N. Y. He defeated Don Budge (right), in the finals, 6-3, 6-1, 6-1. The Forest Hills competition has long been considered the classic of American professional tennis matches. Riggs won the U. S. tennis championship in 1939 and 1941.

George J. Steinman Added to McMurry Teaching Staff

Ahlens, August 12.—George J. Steinman, since 1944 dean of the Westminster junior college at Tehuacana, has been named to the department of education and psychology of McMurry college here, Dr. Harold G. Cooke, president, announced this week.

Steinman has been identified with educational work in Texas for the past eight years, serving earlier as director of the Wesley Bible chair of Stephen F. Austin State Teachers college six years.

He is a graduate, with great honors, of Southwestern university, Georgetown, and received his bachelor of divinity at Southern Methodist university. He holds a bachelor of Sacred theology degree from Yale university. Steinman has served as a Methodist pastor at Bracketville, Eagle Pass, Crystal City and San Saba.

A "resource" person, Steinman has been in considerable demand by camps and assemblies for his varied number of hobbies. Principal among these is his collection of crosses from twenty countries, in addition to hundreds of drawings on variations of the crosses of Christendom. His lectures based on this collection, have been given before many churches, conferences and service clubs.

"We are endeavoring to meet the demand for additional trained teachers," Dr. Cooke added. "Mr. Steinman is an addition to this department so that we may train more teachers for the schools of West Texas."

Ferguson Drug Team Out-Scores Crowell Radio Team Aug. 6

Ferguson Drug Store outscored Crowell Radio Service, 11 to 9, on Tuesday night, August 6, thus moving into undisputed first place in the league standings. In this game the lead changed hands several times and the outcome was in doubt up until the final out. Leading 2 to 0 at the end of the first inning the Druggists found themselves deadlocked 2-2 at the end of the second inning and the score was 3 to 3 at the end of four full innings of play. In the fifth inning Crowell Radio Service rallied, scoring five runs to take a lead of 8 to 3. The Druggists, however, came back in their half of the same frame to put eight runs across the plate. The Radio-men scored one more run in the final inning and had two men in scoring position as big Gus Russell struck out Bit Adams to ring down the curtain on a thrilling contest.

Gus Russell pitched good ball, only allowing three hits, but ten walks and four errors helped the Radio team run up its score. Cotton Owens, Gus Russell and Cecil Ingle hit home runs for the Druggists. J. W. Whitley with three singles, was leading hitter for the night.

One means of releasing atomic energy are at present extremely inefficient. From uranium fission we realize only one-tenth of one per cent of the energy available. Theoretically, if we could develop the full use of atomic power, the energy from a breath of air could run an airplane continuously for a year. Or out of the pastboard in a railroad ticket a passenger train could run several times around the world. And a handful of snow would heat a large apartment house for a year. Scientists say all this is true, but unpredictably remote. They add that we can't forget it for keeps unless we learn to control the one per cent of one per cent we can now get.

Potatoes, of which there is a bumper crop this year, are the number one vegetable calory-provider to help make up for the cut in bread consumption.

Shivers Opposed to General Sales and State Income Tax

Austin.—"I want the people of Texas to know there are certain types of taxes to which I am opposed, both personally and as shown by my record of 12 years in the senate," Allan Shivers, who led his runoff opponents in the lieutenant governor's race by approximately 100,000 votes in the first primary, said here this week.

"I oppose a general sales tax, and always have, because I feel that it would place undue burdens on the people. I oppose a state income tax, because that field is pre-empted by the Federal government."

"If any additional taxes do become necessary, and I don't think they will in the near future, the burden should be spread on as broad a tax paying base as is possible," he continued.

"I have always considered myself a conservative, both in expenditures and in taxation, and on many occasions have opposed appropriations of the taxpayers money because I thought the expenditure was unwise and unnecessary. I have also opposed many tax bills because I thought they were levied on the wrong principle or that they were unnecessary."

"I have had to work hard all my life and that is probably the reason that I am conservative about the expenditure of tax money. I feel the same way about expending my own funds."

So when goods are well advertised, they are half sold. When people come to see the advertised goods, they are likely to see something else in the store that was not advertised, and to buy these things. Thus advertising attracts new customers and holds old ones, and it is sure to increase the business of a store.

If every man, woman and child in the United States would eat one less slice of bread each meal, three-fourths of a million tons of wheat would be free for overseas shipment within 90 days.

Cates Parts Company Team Defeated in First Game in League

On Monday night, August 5, Cates Parts Company entered the Foard County Softball league only to go down in defeat in their opener, 23 to 6. The pitching of Doyle Whitley and Kenneth Payne proved ineffective as the Grocery-men blasted out a total of twenty-five hits, including two home runs by Otis Strickland and one each by Gordon Bell and Bert Ekern. Howard Gamble, Otis Strickland, John Rader and Bert Ekern each hit safely four times while Jake Wisdom and Gordon Bell hit three times each. Pat McDaniel and J. B. Weatherhead were the leading hitters for Cates Parts Company with three hits each.

REVIVAL SERVICES —AT— First Baptist Church TO BEGIN SUNDAY, AUGUST 18

Crowell Baptist Church will begin a series of Revival Services next Sunday. Bro. C. E. Matthews of Dallas will do the preaching. Bro. Matthews was pastor of the Travis Avenue Baptist Church in Fort Worth for twenty-four years. He was recently elected Chairman of Evangelism of Texas Baptists.

Bro. Matthews is the outstanding evangelist among Southern Baptists today. You will enjoy his preaching. He left one of the greatest churches in the world to accept the position he now holds. It was because he was led of God. His salary is much lower in this new position than it was in the pastorate.

He comes to us with a heart of compassion for the lost. We use this means to invite the people of Crowell to come hear this great preacher during these two weeks. The morning services will be at 10 o'clock. The evening services will be at 8 o'clock.

Our auditorium is air-conditioned. We will have two pianos for the singing. Mrs. Arnold Rucker and Mrs. Otis Strickland will be the pianists for the meeting. Bro. Matthews will bring someone to lead the singing.

Two Minute Sermon (By Thomas Hastwell)

Sand in the Works: I was visiting with a watch repair man in the town in which I live recently when a young woman brought in a watch and asked to have it cleaned. She stated that her little brother had gotten hold of the watch and had succeeded in opening the case and had gotten sand in the works. The repair man took the watch apart and carefully cleaned each piece, put it back together, oiled it and wound it and it ran as good as ever. I thought as I watched him what a fine thing it would be if there was a way of taking humans apart when they got sand in their works and cleaning out the sand and putting them back together. It isn't as easy as that with humans who get things into their lives that clog up its working but it can be done. In the first place it is necessary to shut out the things that interfere with the smooth operation and then proceed to get out of the life and the mind every grain of wrong acts and wrong thinking that interfere with smooth and regular living. We can't take ourselves to the watchmaker for a clean up job. We have to do it ourselves.

Weekly Sermon

By the Rev. John H. Cable, D. D., Member of Faculty, Moody Bible Institute, Chicago.

The Two Appearings of Christ "He hath appeared... he shall appear the second time" (Reb. 9: 26, 28). The first coming of Christ was the greatest event of all time; his second coming is the most important prophecy of Scripture.

Observe the wonder of Christ's two appearings. The marvelous happenings which accompanied his first appearing indicate how meaningful it was. So momentous will be his second coming that it likewise will be attended by wonderful occurrences. His first coming was characterized by angelic manifestations. His disciples felt that the ushering in of his kingdom at his second coming would be accompanied by cataclysmic occurrences (Matt. 24: 2, 3). He warned them not to be deceived by false Christs, of which there have been many; and he urged them not to be troubled by wars, famines, pestilences and earthquakes.

Then there is the timeliness of Christ's appearings. The birth of our Lord came in "the fullness of the time" (Gal. 4: 4), after there had been due preparation. One would naturally suppose that such a character as Christ appearing on earth would have had a universal following. Such might have been the case if sin had not been in the world. But the presence of sin made a difference, and men were prone to reject him who came to die for them. His second appearing is demanded by the desperation of the hour (Heb. 9: 28).

Finally, there is the necessity of the two appearings of Christ. As Jesus joined the two disconsolate disciples on the way to Emmaus, he said, "Ought not Christ to have suffered these things, and to enter into his glory?" (Luke 24: 36). The crucified and risen Lord affirmed the moral necessity of his suffering and coming glory. And the law of moral necessity demands that the suffering Son of God should come into his glory. If he must suffer for our sins in the interest of divine justice, then he must be glorified in the interest of that same justice. Therefore, the Scriptures place the second coming of Christ as a necessary consequence of his first appearance.

First, Christ came as a suffering Saviour; next he shall come as a glorious King. If his first appearance was necessary in the interest of our salvation, his second appearance is necessary in the interest of his rightful recognition as King of glory.

Fifty New Faculty Members Added to University Staff

Austin, August 12.—More than 50 new faculty members have been added to the University of Texas staff for the 1946-47 long session beginning in September. Approximately 50 more will be appointed before the session starts, administrative officials said. Some of the positions to be filled are the those created by resignations; others are new positions.

The new faculty members will come from universities throughout the nation, from government research and teaching positions, from private employment, and some were recently separated from military service.

Included in these appointees approved by the Board of Regents are four professors, ten associate professors, 18 assistant professors, and more than a score of instructors.

Miss Margaret Claire Shirley and Mike Rasberry Married by Candlelight at Methodist Church Saturday P. M.

The Methodist Church, beautifully decorated for the occasion, was the scene of the marriage of Miss Margaret Claire Shirley and Mike Rasberry Saturday evening, August 10, which was solemnized at 8 o'clock, with Rev. E. L. Yeats of Hamlin reading the impressive double ring ceremony.

The church was candlelighted with white tapers in Swedish iron candelabras of graduated heights.

The wrought iron candelabras were used in the altar arrangement and also on the chancel rail, in each window and at the ends of the reserved pews. A beautiful archway of white with greens intertwined and a wedding bell in a huge ribbon bow at the top, centered the decorations while graduated candelabras using the same effect of intertwined greenery interspersed with tall baskets of white gladioli completed the floral effect.

The altar rail was festooned with wide satin ribbon caught at intervals with bows and flowers. The prayer bench and aisle carpets of white completed the setting for the marriage. Guests were asked to register by Misses Nancy Anderson and Ada Jane Magee, as they entered the church.

Mrs. Leon Speer, attired in a dress of pink net and a headdress of pink carnations, played the wedding music. As pre-nuptial offerings she played "Melody in E," "Traumerie" and "Let Me Call You Sweetheart" and also played accompaniment for Miss Helen Sloan of Mission, who sang "My Devotion" and "Always."

She wore a pink brocaded satin dress and a gardenia headdress. Mrs. Speer played the traditional wedding march and strains of "Claire de Lune" during the ceremony. "Perfect Day" was used as the recessional.

Miss Sandra Bell and Miss Jean Orr, dressed in pink net over taffeta, and carrying tapers centering a colonial bouquet with ribbon streamers of blue and soft green, respectively, lighted the altar candles while Ushers Richard Carroll and Leon Speer lighted the remaining candles. Henry Black and Charles Ferguson also were ushers.

Little Miss Janice Crowell, daughter of Mr. and Mrs. Marion Crowell, was flower girl and strewed flowers for the bride from a pretty white ribboned basket. She wore a blue lace dress, Jacob Julian Wright, cousin of the bride, was ring-bearer with a white satin pillow holding the rings.

The bride was given in marriage by her father and wore a beautiful wedding dress of embroidered duchess satin, fashioned with a round yoke of illusion, a tight-fitting bodice, long sleeves coming to a point over the hands and a graduated peplum over the very full skirt of net, over satin, which fell into a cathedral length train. The cathedral length veil of illusion was bordered and had inserts of Valenciennes lace. The veil was held by a coronet tiara of sequins and seed pearls, and was worn over the face, before the ceremony. Her bouquet of white gardenias on a white maline muff had a shower of white satin streamers and tube roses.

She carried a beautiful imported lace handkerchief, the gift of Mrs. B. W. Self. Her only ornament was a single strand of pearls given her by the groom. For something old, she wore a pin which had belonged to her maternal grandmother; for something new, the handkerchief; something borrowed, a petticoat and blue garters for the something blue. She wore a six-pence in her shoe for luck, the gift of J. T. Hughton.

Miss Virginia Thomas served the bride as maid of honor. Her dress was of white net over taffeta and she carried a blue muff with gardenias. Mrs. Fred Carr, matron of honor, was attired in a blue lace dress with matching coronet and pink muff with gardenias.

Bridesmaids were Misses Mary Edwards, who wore a lime net over taffeta dress, and Miss Joan Mackey of Austin, who wore a dress of three shades of orchid over taffeta. Each carried a candle centered colonial bouquet, the first with fuschia ribbon streamers and the latter with purple ribbon streamers.

Immediately following the marriage, the bridal party stood in a receiving line on the lawn to informally greet the guests. At the Shirley home, a very informal reception was given for the bridal party and relatives of bride and groom. The bride's table with an embroidered Irish linen cloth was enhanced with a bouquet of blue, yellow and white daisies, which held a gold ribbon wedding band inscribed within. From the punch bowl ran wide streamers of white ribbon with "Congratulations, Margaret Claire and Mike." Each corner of the table was ornamented with a pretty bouquet. The wedding cake of three tiers held the bride and groom within a simulated archway with bell atop, similar to the church archway. Napkins were white with blue letters. Misses Ada Jane Magee and Nancy Anderson served while Mrs. Jack Sauls poured punch.

For going away on a bridal trip to points in Colorado, Mrs. Rasberry wore a suit of red with black accessories. The couple was given a send-off with rice and old shoes. They will make their home in Crowell in a home recently purchased by the groom on North Main. He will continue to engage in farming.

Mrs. Rasberry, the daughter of Mr. and Mrs. Paul Shirley, is a graduate of Crowell High School, attended Texas State College for Women at Denton and graduated from the University of Texas this summer, receiving a B. S. degree. She attended Boulder University two summers. She was a member of Alpha Gamma Delta at Texas University. She did volunteer Red Cross Nurses' Aid work during the war and was a member of the Inter-American League.

Mr. Rasberry, the son of Mrs. Maude Rasberry, is a graduate of Crowell High School. He served in World War II and has recently received a discharge.

Out-of-town relatives and friends present for the wedding included Miss Joan Mackey, Austin; Miss Sandra Bell, Fort Worth; Miss Helen Sloan, Mission; Mr. and Mrs. Fred Carr, Amarillo; Mr. and Mrs. Jack Sauls, Wichita Falls; Mr. and Mrs. Julian Wright and sons, Jacob Julian and Paul, of Vernon; Mrs. Laura Giddings, Vernon; Mrs. E. Mr. and Mrs. Julian Wright Hosts at Dinner

Mr. and Mrs. Julian Wright of Vernon were hosts to the members of the bridal party for the marriage of their niece, Miss Margaret Claire Shirley and Mike Rasberry, which took place on Saturday evening, at the rehearsal dinner which was given at the Adelphian Club House on Friday evening, August 9th. Mrs. E. G. Boman of Five-in-One assisted in entertaining and serving.

Colonial bouquets of tiny asters and other summer flowers in pastel colors formed the decorative motif, the same colors being used in all appointments of the dinner party. The tables were attractive with white Madeira cloths, each table being centered with a low bowl of the chosen flowers and breads from which pastel ribbons led to the distinctive bridal party cards.

At the bride's table, places were marked for Miss Shirley, Mr. Rasberry, Merl Sandlin, Miss Virginia Thomas, Bob Thompson of Fort Worth and Mrs. Fred Carr of Amarillo. Other guests were Mr. and Mrs. Paul Shirley, parents of the bride; Mrs. Maude Rasberry, mother of the groom; Julian Wright, Richard Carroll, Miss Sandra Bell, Henry Black, Miss Joan Mackey of Austin; Miss Helen Sloan of Mission; Ray Shirley; Rev. E. L. Yeats; Miss Nancy Anderson; Mr. and Mrs. Leon Speer; Mr. and Mrs. Charles Ferguson, Miss Jean Orr, Jacob Julian Wright and Janice Crowell. Plate favors were attractive little bags of rice.

Announcement of Marriage Made at Luncheon

Naming Miss Bertha Womack as honor guest, Mrs. Clint White, Mrs. Moody Bursey, Mrs. Ora Orr and Miss Mayme Lee Collins were hostesses Tuesday at a delightful luncheon at the home of Mrs. White.

Quartet tables were laid with centerpieces formed of four colonial corsages of pastel flowers and a card at each plate, with the words, "Bertha-Joe, August 15, 1946," so the luncheon was also an announcement party for Miss Womack. Her marriage to Joe Burkett will take place Thursday morning.

A delicious three-course luncheon was served by the hostesses who were assisted by Mrs. Jack Thomas and Barbara White.

After the meal was finished, the honor guest was completely surprised when she was presented with pretty personal gifts from the guests present.

Those present for the delightful party were Miss Womack, Mrs. W. R. Womack, her mother; Miss Lottie Russell, Miss Gusta Davis, Miss Cora Carter, Miss Blanche Hays, Miss Maye Andrews, Mrs. P. H. Stevens of Vernon, Mrs. Crockett Fox of Lubbock, Mrs. Henry Borchardt, Mrs. Alva Spencer, Mrs. Jack Turner, Mrs. T. S. Harvey, Mrs. Bill Ownbey, Mrs. L. E. Archer, Mrs. Jack Thomas, Mrs. Harriett Griffith, Mrs. Irving Fisch, Mrs. Arnold Rucker, Mrs. Byron Davis and Mrs. T. B. Klepper.

Bride-Elect is Complimented with Bridge Breakfast

Miss Margaret Claire Shirley, who was the bride-elect of Mike Rasberry until their marriage on Saturday evening, was complimented by Mrs. B. W. Self and Miss Mary Frances Self with a bridge breakfast on Saturday morning, August 10th.

Miniature double wedding bells in vari-colored china floral holders marked each place at quartet tables while the table centerpiece was made of wristlet corsages for each guest made of frilled net and abelia and crepe myrtle. Summer flowers and English ivy were used in the house decorations.

The hostesses were assisted by Misses Betty Seale and Virginia Monkhouse in serving the delicious breakfast.

Mrs. Gordon Bell was high scorer in the games and Mrs. Jack Seale made second high and were presented attractive gifts and the honoree was also given a pretty gift.

The guest list for the breakfast included Miss Shirley, Miss

Granahan, Raton, N. M.; Mr. and Mrs. Earl Moody and son, Weldon, Clayton, N. M.; H. M. Hiatt, Vernon; M. L. Cottingham, Seymour; Bob B. Thompson, Fort Worth; Mrs. Sidney Puddicombe, Miami, Fla.; Mrs. J. T. Billington and daughters, June, Billie and Gloria, Fort Worth; Mr. and Mrs. G. C. Morris, Vernon; Mrs. J. E. Harwell and son, Harry, Lawton, Okla.

Sandra Bell of Fort Worth, Mrs. Fred Carr of Amarillo, Miss Joan Mackey of Austin, Miss Helen Sloan of Mission, Miss Mary Edwards, Miss Ada Jane Magee, Mrs. Bert Ekern, Mrs. Foster Davis, Mrs. Leon Speer, Mrs. Gordon Bell and Mrs. Jack Seale.

Slumber Party Surprises Miss Vandolyn Browning

Vandolyn Browning, daughter of Mr. and Mrs. Van Browning of Truscott, was surprised with a hobo-slumber party at her home Wednesday night in observance of her seventeenth birthday.

After a nosebag supper, the guests serenaded the neighbors. The girls slept on bedrolls in the Browning garden. Those present were Vandolyn, Winnie Turner, Connie Wood, Rachel Hickman, Clara Jones, Jean Wood, Joyce Jones, Gaye Chilcoat, Pat Owens and Ann Haynie.

Mrs. Browning was assisted by Mrs. Seth Woods, Mary Lou Woods and Jimmy Woods.

Out-of-Town Guest Honored with Coke Party

One of the loveliest informal social affairs of the summer season was given Friday morning when Mrs. Karl ten Brink complimented her house guest, Mrs. Karl C. ten Brink of Houston with a coke party at her home.

Guests enjoying the party and meeting Mrs. ten Brink were Mesdames M. L. Hughton, Leon Speer, Grady Magee, Leo Owens, Jack Seale, T. S. Haney, Merl Kincaid, Charles Ferguson, R. B. Jones, Gordon Bell, Richard Ferguson, Foster Davis and Fred Wachsmuth.
