You will probably remember the story of the celebrated artist who was renowned because of his ability to put on canvas colors of accurate hue and great beauty. His secret was that he kept a number of valuable gems of all colors. H would turn frequently from his painting to study the color of these gems.

We need to spend time with the precious gems of the Word of God that we may clearly understand how he would have us live. I. True Wisdom Involves the

If there were no other reward for living for God (and there are many, many others), the benediction at eventide would be enough to cause us to think seriously before we flout the ways of God.

IV. A Representative of True Wisdom (Prov. 31:10-12).

This passage describes the wise woman. She is indeed to be ex-tolled. The worthy woman, the woman who loves God, the woman, who is therefore wise, is in price far above rubies.

The wise man, the man who will be pure in heart and life, ought to understand something of the history of sin in his individual

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today. The history of personal evil is, that because of our lust we are enticed.
