CROWELL, FOARD COUNTY, TEXAS, THURSDAY, NOVEMBER 27, 1947

EIGHT PAGES

Farmers Are Using Mechanical Cotton Harvesters

Mechanical cotton strippers being used in Foard County are making a difference in the harvest. The Monroe Karcher, Charlie Monroe and Howard Bursey, this year by a system of rollers and a system of elevators it is the trailer that is being used by the tractor.

The cotton stripper is powered by the tractor on which it is mounted and it will strip better than any other machine because of the construction, the dirt and leaves are not mixed with the cotton sample. It does not require any grass and weeds and will clean the cotton.

Cost of making a cotton stripper is about 45 minutes, and in cotton picking it will strip a one-half bale in an hour, another bale in an hour, and so on. The machine costs about one-quarter bale more than a hand harrow and a boy can run it in one hour and get a full bale.

It is only cost connected with the cotton stripper is that of running the tractor, the driver and one man to run the cotton in the trailer. It usually never runs more than 2000 per bale.

George D. Self, John Deere dealer, the cost of the machine is \$950.00. Mr. Self suggests that farmers plant more cotton than they can strip as the stripper cannot strip as fast as the cotton is being planted and several local farmers are planning on doing this next year.

The cost of planting of \$38.00 per bale on is being reported.

Veterans News

Veterans Administration announced a new plan for VA of houses financed by the VA while the houses are still under construction.

It will make a pre-construction appraisal of reasonable value of the complete plans and specifications are required as well as to assure adherence to the agreed standards. The VA is optionally available to home owners and sponsors of projects.

Home owners and financing agencies may receive a definite commitment to "reasonable value" of construction, provided the homes are completed according to specifications.

The commitment will remain in effect for a period of one year, after which the VA is authorized to complete construction.

Therefore, a definite VA commitment on the maximum price for a house could be sold upon completion was available only where an individual was asked for a construction plan.

The new plan, VA for the VA is assuming directly the responsibility of assuring proper construction from plans to complete houses built for sale to veterans with GI loan financing.

Inspections will not be required in connection with work done by the Federal Housing Administration.

VA job training program provided for World War II veterans and GI Bill has passed its peak. Present laws and conditions, Veterans Administration reported.

Peak apparently was reached in January when 632,000 veterans were training on the job. Job decreases since then to 564,000 by September.

Principal factors in the rise were the ceilings on the plus subsistence allowance two-year limits on all jobs (other than apprentice training).

Training on-the-job in the Branch Area as of September 30 included: Texas, 41,000; Louisiana, 9,000; and Mississippi, 11,500.

The busiest part of the winter arrives or departs from the La Guardia Field, New York City's Municipal Airport.

Miss Carmen Leta Whitis Elected As Home Dem. Agent

Miss Carmen Leta Whitis has been elected County Home Demonstration Agent to succeed Miss Elizabeth Elliott, it was announced here Monday by Mrs. Myrtle D. Negy, district agent of the Extension Service, with the approval of Judge Leslie Thomas and the County Commissioners Court.

Miss Whitis was born and reared in Throckmorton County and graduated in Home Economics from Texas State College for Women in Denton. At present she is teaching school at Oklaunion and will assume her duties here as soon as she is released from her teaching position, which will not be later than the last week in January. The exact date will be announced in this paper as soon as it can be obtained.

Musical Program Will Be Presented by School Music Dept.

The Music Department of the Crowell Schools will present a program in the High School Auditorium on Friday evening, December 5th, to begin at 7:30 o'clock.

The three choirs who will present the program are the Sixth Grade, the Junior Glee Club and the High School Choral Club. A varied and entertaining program has been planned by these three groups.

The program is being sponsored by the Parent Teacher Association in an effort to purchase a record player for the Music Department. Everyone is invited and urged to attend and assist in furthering the worthy cause.

HOSPITAL NOTES

Foard County Hospital

Patients in: Miss Nora Banister, Miss Irene Hunter, Mrs. M. G. Garvin and infant son, Mrs. Robert and infant daughter, and infant daughter.

Patients dismissed: J. W. Klepper, Paul Glover, J. J. McCoy, Mrs. Maggie Killen, Mrs. George Canup.

Patients in: Larry Henry, Mrs. O. A. McGuffin, Miles Welch, Mrs. Orville White, Mrs. Walter Black and infant daughter, Mrs. M. M. Welch, Jimmie Owens.

ROTARY CLUB
The program for the meeting of the Crowell Rotary Club Friday at noon was rendered by nine Brownies from the Girl Scout organization. They were accompanied by Mrs. Foster Davis, Mrs. Woody Bursey and Miss Frankie Kirkpatrick. The enrollment in the Girl Scout organization in Crowell at the present time is about 70. 25 of whom are Brownies. They dramatized the Brownie story and gave the Brownie promise and song.

Rotarians were glad to have these little girls and their leaders as visitors and enjoyed the program they rendered. Brownies present were Gail Knox, Janice Crowell, Nelda Kay Brooks, Louise Gordon, Pat Davis, Janet Bursey, Karen Davis, Carolyn Maxine Danna Loy Roberts and Maxine Walker.

Eastern Star Order Holds Initiation Ceremonies Friday

The local chapter of the Order of Eastern Star held initiation ceremonies at the hall Friday evening for two candidates, Mrs. E. Boman and Mrs. Agnes Dunn. The degrees were conferred by the Quannah chapter in an impressive manner.

Following the work, the local chapter served refreshments of spiced tea, sandwiches, potato flakes and cupcakes. A social hour was enjoyed during the serving of refreshments.

Those attending from Quannah included Hugh I. Messer, Bernice A. Duncan, Elyo Duncan, Alice Lacy, Willie B. Stokes, Mary Agnes Wey, Clarence Lacy, Mary Moore, Neva E. Brooks, Helen Wey, Floy Rowe, C. R. Sherwood, Alice Durham, Mae Lambertson, Jeanette Wey, Velma Hatchett, Elean Welch, Marie Jones, Velma Johnson, Alma Sherwood, Cora Swindell, Elaine Robinson, Mary M. Todd and Emma Lacy. Mr. and Mrs. E. D. Morris and Mrs. Vera Thomas of McLean and Zelma Bracewell from the Breckenridge chapter were also present. Mrs. Thomas is a sister of Mrs. Dunn.

Cemetery Donations Recently Made

Mrs. N. J. Roberts, president of the Crowell Cemetery Association, gives the following report of donations made during the past few days toward the upkeep of the cemetery:

Mrs. T. W. Cooper \$ 1.00
J. F. Long 5.00
Mrs. Nona Backus (Los Angeles, Calif.) 10.00

Texas Press Association Sees Dawn of A New Era

December 1 will mark the dawn of a new era for the Texas Press Association in the opinion of Paul Fulks, president of the Texas association and publisher of the Wolfe City Sun.

On that date the daily and weekly newspapers of Texas join hands to open their staff of experienced press association workers in charge.

Texas Press Association directors have contracted with Vernon T. Sanford, for 13 years secretary-manager of the Oklahoma Press Association, to manage the Texas organization. Officials of the Texas organization are now endeavoring to locate office headquarters in Dallas.

Said Fulks, "Our central office will issue information bulletins to the newspapers, serve as an employment bureau for newspaper workers, look after the legislative interests of the publications, represent our newspapers in the sale of political and state advertising, and arrange our state advertising programs."

The TPA president also stated that "our plans call for activities not alone in the interest of the press of Texas, but for the state in general. Details of a promotion program for Texas will be announced as soon as the central office can complete arrangements with other interested groups and individuals who want to see the great state of Texas grow greater and greater."

Sanford has been with the Okla-

Regulations on Pink Boll Worm Quarantine

According to Joe Burkett, county agricultural agent, he recently received the following information in conversation with the man in charge of the pink boll worm control program in this area.

As the program now stands there won't be any plow-up or clean-up program in Foard County because the winters are cold enough to freeze the pink boll worms that are on the land, or in the soil.

The worms are able to survive the winter here only in the seeds, burs, or some other protected place. It is very important that no burs leave the gins and this regulation will be enforced, according to information obtained by Mr. Burkett.

M. D. Durham Has Installed Mattress Renovating Machine

M. D. Durham has recently installed a mattress renovating machine in connection with his second hand store next to Moyer Pro-

VERNON T. SANFORD

homa organization since August 1, 1934. Prior to then he was manager of the Nebraska Press Association.

He is a native Oklahoman. His newspaper training was received in the Sooner State over a period of 15 years, on the Chickasha Daily Express, Norman Transcript, Anadarko Daily News, and the semi-weekly Cleveland County Democrat - News. He has been a carrier boy, printer's devil, assistant pressman, reporter, classified advertising manager, display advertising manager, and part-

owner.

Boy Loses Life in Car Accident Sunday Afternoon

Last Rites for Love Joy Eubanks Held Monday

Love Joy Eubanks, 11-year-old son of Mr. and Mrs. Tom Eubanks, lost his life Sunday afternoon, having been struck by a car driven by J. F. Bridges of Roaring Springs. The lad was riding a bicycle on the highway in front of his home east of Crowell at the time of the accident. Both man and boy were headed west when the regrettable accident occurred.

Funeral services were held at the Assembly of God Church Monday afternoon, November 24th, with Rev. Warren Everson, pastor of the church, officiating. Two special songs were sung by Elmo Hudgins, "The Old Gospel Ship" and "If We Never Meet Again This Side of Heaven." Mr. Hudgins played his own accompaniment.

Pall bearers were Ike Everson, Wayne Dishman, Jake Denton, Merl Gray, Earl Gray and Johnnie Gamble. Honorary pall bearers were school friends of Love Joy. They were Jimmie Everson, Aldon Ray Garrett, Ginger Johnson, Paul Hudson, Dan Parkhill, Jimmy Wallace, Johnny Harris, Glen Carroll and Billy Abston.

Flower bearers were Ramona Hudgins, Bobby Jean Spears, Martha Lois Gray, Laverne Ford, Mary Lou Denton, Myrna Riley, Nada King and Joyce Dene Ribble.

Interment was made in the Crowell cemetery under the direction of Womack Funeral Home. Love Joy Eubanks was born on January 13, 1936. He passed away at the age of 11 years, 10 months and 10 days. He was converted at the age of 10 and was a member of the Assembly of God Church in Crowell. He was a faithful member of the church, was dependable and always busy and helpful in the home. He was in the 5th grade in school.

Survivors include his parents, one brother, Ellis, and one sister, Oneta. One half-brother and one half-sister also survive.

Business Houses of Crowell Will Be Closed Thanksgiving

Most all places of business in Crowell will be closed all day Thanksgiving, so far as the News has been able to find out. The paper is being printed Wednesday morning instead of Thursday morning and will reach its readers a day early, and the News force will also have a holiday. The co-operation received to help make this possible is greatly appreciated.

Christmas Shopping Season Will Be Opened in Crowell Thursday Night, December 4; Arrangements Complete

All plans are complete for the Christmas Opening for the season's shopping. Thursday night, December 4th, has been chosen as the date for the gala event and large crowds are expected to attend. Irving Fisch is general chairman; Dick Davis is secretary and treasurer and Ray Shirley is chairman of window and yard displays.

Arrangements have been completed with old Santa Claus who will be on hand to present gift bags to all the children of Crowell and the adjacent area. The jolly old man will arrive on time and will help to make an occasion long to be remembered.

Christmas lights will be turned on over the city and all show windows of the business houses will be lighted and decorated with Christmas merchandise.

The lights will go on all over Crowell at 7 o'clock and at that time Santa Claus may be expected to put in his appearance.

A yard lighting contest as well as a contest for the best display of merchandise in the show windows will be carried on. Prizes for the best yard lighting will be two bedroom lights and an electric clock will be given for the best window display. Both prizes will be presented by the West Texas Utilities Co. The judging committee is composed of Virgil Smith, Fred Thompson and Mac Steele.

With the co-operation of the merchants and other citizens the Christmas opening promises to be better than ever before.

Miss Elliott Resigns As County Home Demonstration Agent

Miss Elizabeth Elliott has tendered her resignation to the Extension Service of A. & M. College effective Nov. 30, 1947. She has been County Home Demonstration Agent for Foard County for the past five years and three months which will also come to a close on the same date.

Miss Elliott has accepted a position to teach adult education in the home economics educational department of Texas Tech at Lubbock and will assume her duties in this capacity on Dec. 1. This work is similar to that of a home demonstration agent, but will consist of 4 to 6 weeks courses taught to the women of the city of Lubbock. While employed at the college, Miss Elliott will have opportunity to work on her Master's degree.

During the period Miss Elliott has been Home Demonstration Agent for Foard County she has been an excellent leader and a hard worker for the best interests of the women and girls and the loss of her leadership will be felt keenly by the entire citizenship of the county.

The home demonstration clubs and the 4H Girls Clubs have made great progress under Miss Elliott's leadership. The 1947 enrollment in nine girls' 4H Clubs is 134 and includes all girls in the county from the 4th grade through the 8th grade. There are six Home Demonstration Clubs with an enrollment of 122. The best wishes of the community go with her to her new field of service.

Final Game of the Football Season Will Be Played Here Tonight (Wed.), Archer City Wildcats vs. Crowell Wildcats

The Archer City Wildcats and Crowell Wildcats play their final game of the season here tonight (Wednesday) at 8 o'clock. These teams ended their regular season of play in a tie for the district championship in 1945, with Crowell winning the playoff game. Archer City won last year's contest by a margin of one touchdown. The game this year should be another close one. Archer City has the better record for the season with four victories and four losses, but the fact that Crowell has been showing up better in the last few games, and the contest being played in Crowell should make a good game out of it.

Bob Lewis, left halfback for Archer City, is probably the fastest boy in the district. John Bell, fullback for the Archer City Wildcats, weighs 180 pounds and rather hard to stop on line plunges.

Coach Scott Whitaker has led the inexperienced Crowell Wildcats a long way since their opening game of the season with Floyd-dada that resulted into a 32 to 0 riot. They have tied two conference games and held the other teams of the district to low scores. Coach Whitaker plans on starting the same lineup that looked so good in the Burk game. Three seniors will be playing their last game for Crowell: Captain Thomas Tاملpen, Ray Black and Marvin Brisco. Probable starting lineups for the Archer City-Crowell game:

PROBABLE STARTING LINE-UP

No.	CROWELL	Wt.	Position	Wt.	Archer City	No.
39	C. Ohr	158	Left End	144	B. Pare	25
33	T. Tاملpen	145	Left Tackle	172	J. Norman	41
28	R. Black	142	Left Guard	135	B. Hudson	36
43	M. Brisco	155	Center	181	J. Burney	33
22	F. Borchardt	150	Right Guard	135	B. Abbott	29

Collection of Current Taxes Good in October

With a discount of 3 per cent during the month of October all three tax collection agencies, the State of Texas and County of Foard, the Crowell Independent School District and the City of Crowell, collected a large per cent of the current taxes along with several hundred dollars of delinquent taxes.

The Crowell Independent School District with L. A. Andrews as collector led with 78 per cent collection from the current tax rolls. The school district collected \$14,741.40 from the current rolls and \$493.55 delinquent taxes. As usual, C. F. Sandifer was first in paying his school taxes.

Mrs. Ella Rucker, collector for the City, collected 72 per cent of the amount charged on the current tax rolls, which totalled \$10,940.84. Delinquent taxes collected amounted to \$231.21.

County and State tax collections, which are supervised by R. R. Magee for R. E. Dunn, collector, reached a per cent of 65 and the total amount was \$87,272.86. Poll taxes amounting to \$901.25 were also collected, with \$658.06 delinquent taxes being received.

The discount on all tax payments during the month of November is 2 per cent.

This is a diesel age, some engineers say, and 102 six-cylinder, twin diesel engines are now on sale until December 1 through the Customer Service Center of the Grand Prairie office of War Assets Administration. They are offered at fixed prices to prospective users and to dealers. They are all used and are located at Red River Arsenal near Texarkana, Texas.

A final block of 127 buildings at Blackland Army Air Field at Waco passed into private ownership as a crowd of 250 persons in attendance at a War Assets Administration public sale quickly bid them off for removal from the grounds recently. Less than four hours after the sale opening at 9:00 a. m., all property listed as surplus except a pistol range and an 8 by 10 foot salvage office had been awarded to the bidders. WAA officials said the sale would be chalked up as netting a good cash recovery for the government, "as good or better than" similar sales held recently.

Highest bidders are to get designated lots of oxygen cylinders, valves and accessories in a bid sale on surplus property offered by War Assets Administration until December 5. Thousands of them are being offered through the Customer Service Center of WAA at Grand Prairie, Texas. The items, however, are all located at the Tinker Field disposal depot at Oklahoma City, Okla. The sale is open to everybody and inspections may be made at Tinker Field from 8:30 a. m. until 3:30 p. m. Monday through Friday except holidays until the sale closes.

Three locomotives of various types for sale through competitive bids to priority and commercial buyers are being offered through the Customer Service Center of War Assets Administration at the Grand Prairie zone offices. They are steam, diesel and gasoline powered. Bid opening date on these locomotives is

Mr. and Mrs. William Bradford and children spent Saturday night in Vernon with her mother, Mrs. S. J. Boman.

The Margaret Home Demonstration Club will meet Wednesday, Nov. 26, with Mrs. Bill Bond. "Uncle" Tom Goodman left last week for Dallas where he will spend the winter with Mrs. Joe Goodman and family.

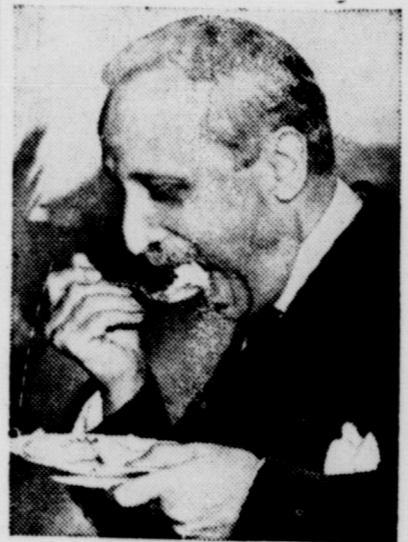

December 11. Casting frames, blocks and lamps are listed in the same sale. The diesel and steam engines are located at the Louisiana Ordnance Plant at Shreveport, La., and the gasoline locomotive is stored at Ellington Field at Houston, Texas.

Eighteen priority applicants sought buildings at Amarillo Army Airfield recently when applicants were opened by the Office of Real Property Disposal of the Grand Prairie zone office of War Assets Administration. Eleven schools and school districts, three counties and one city asked to be awarded structures. Awards were to be announced as soon as duplicated bids could be adjudicated. The remainder of the buildings not applied for will be advertised for public cash bidding at a later date, it was disclosed.

Sanger Bros. Find Three Texans Ninety Years Old on Nov. 7

Texans live a long time. That's the opinion of E. P. Simmons, president of Sanger Bros., Dallas, after a state-wide search for 90 year old Texans whose birthdates coincided with that of Sanger Bros. disclosed three oldsters who were also born on November 7, 1857.

In observance of the occasion, Mr. Simmons sent birthday greetings to the three old timers and asked each what they would like for a 90th birthday present.

HAS HIS CAKE . . . Italy's President Enrico DeNicola was caught in this excellent close-up as he consumed a piece of cake at a wedding party. Like most Italians, he enjoyed the cake all the more because of the little bread he gets.

Mr. B. S. Montgomery, White-wright, Grayson County, decided he would like an easy chair and ottoman. Both were presented to him on his birthday at a party attended by three of his ten grandchildren.

Mr. G. F. Bomar, McKinney, Collin County, shut-in, asked for a battery radio to help him pass the time.

The third 90 year old, Mrs. W. E. Pinkston, Chireno, Nacogdoches County, has not yet told Sanger Bros. officials what she wants for her gift.

"We are happy to salute these pioneers," Mr. Simmons stated in extending birthday congratulations to the three old timers. "That they have defeated life's adversities so long is ample proof that they are of hardy, determined stock—the kind which builds great states such as Texas."

Mr. Simmons also said he deeply appreciated the hundreds of letters sent in about other venerable Texans. "The response was beyond our expectation and we are honored by the interest shown," he declared.

HOUSEHOLD HINTS

Washing Linens.—Remove all stains from table cloths and napkins before putting them into the wash. Washing frequently sets the stain and it becomes difficult to remove.

Cleaning Burned Plates.—When plates or dishes are burned while baking they can be easily cleaned by rubbing them with a cloth dipped in salt.

Keeping Bias Tape Straight.—After breaching the paper open on bias tape it always unwinds and falls on the floor. Slip a rubber band on and you can hold the tape in place after cutting of the desired length. It will then always be straight and ready for use.

The average American according to the national Association of Bedding Manufacturers goes to bed at 10 o'clock on week nights and gets up at 6:30 a. m.

In many countries tourists must secure a camera permit before being permitted to take a camera into the country.

Mr. and Mrs. O. L. Derrington of Plainville were visitors in their daughter's home Wednesday. Their daughter is Mrs. Willie Wright.

Mr. and Mrs. Doyle Ford of Goodlett were dinner guests of her father, G. C. Short, and family Sunday.

Mrs. Charlie Gafford of Crowell visited her daughter, Mrs. Weldon Hammonds, and family last week.

Ida Mints spent the week-end in Vernon.

Mr. and Mrs. Judy Tole were in Wichita Falls Wednesday.

Homer Aaron of Rotan was a visitor in the L. H. Hammonds home Wednesday.

Mr. and Mrs. John Thompson of Gilliland were here last week-end.

Mr. and Mrs. L. H. Hammonds, Mrs. Weldon Hammonds and Mrs. C. E. Gafford of Crowell were in Wichita Falls Thursday.

Less Hammonds and sons, Robert and Billy, and son-in-law, Louis Pyle, were visiting in Rotan Thursday.

Charlie Webb returned Saturday from South Texas where he had been deer hunting.

Mr. and Mrs. Lee Blain of Coffman visited Mr. and Mrs. C. C. Lindsey last week-end. They all spent Sunday afternoon with Mrs. Tom Wayland and Mrs. J. Y. Lindsey and J. Y. Jr. of Vernon.

Mrs. Ida Campbell of Rotan came Friday for a visit with her sister, Mrs. M. H. Jones.

Mr. and Mrs. J. C. Jones spent the week-end in Abilene with their children, Mr. and Mrs. Martin Jones and Doris Jones.

Mr. and Mrs. Otho Ferguson of Nevada are here for a visit with the E. E. Rallsbacks and Mr. and Mrs. Foy McRea.

TRUSCOTT (By Special Correspondent)

Mrs. F. L. McMinn of Dewar, Okla., is visiting in the home of the S. O. Turner family. Mrs. McMinn was formerly Marie Lamb. Miss Vandolyn Joyce Browning, who is attending Hardin College in Wichita Falls, spent the week-end with her parents, Mr. and Mrs. Van Browning.

Mrs. H. C. Chowning of Vernon is visiting in the home of Mr. and Mrs. Jim Chowning and Dr. and Mrs. J. E. Stover.

Mrs. Bill Owens was in Quannah Friday.

Mr. and Mrs. Herbert Gillespie were in Vernon Thursday.

A home coming was held in honor of "Uncle" Billy Chowning at the home of his daughter, Mrs. Edd Good, Sunday. Those present were Mr. and Mrs. H. P. Gardner of Decatur, Ill.; Mr. and Mrs. J. E. Cox of Iowa Park, Mr. and Mrs. Billy Dennis and Mrs. Roy Dennis of Lubbock, Mr. and Mrs. Mart Chowning and granddaughter, Mary, Mr. and Mrs. Jim Chowning and Mr. and Mrs. Marion Chowning Sr.

Mr. and Mrs. Rex Haynie and daughter, Donna, spent Friday night with her parents, Mr. and Mrs. Albert Arp, and family of Odell.

J. H. Lanier Jr. of Crowell was here Sunday.

Mr. and Mrs. Lee Blevins of Quannah visited his parents, Mr. and Mrs. W. T. Blevins, Sunday afternoon.

Rev. and Mrs. J. V. Patterson and daughter, Melissa Ann, attended conference in Lubbock Tuesday and Wednesday.

Rev. and Mrs. C. H. Harris, who are attending school in Ft. Worth, spent the week-end here and he filled his regular appointment.

About 2 1/2 inches of rain fell here last week.

Battle Over State Spending Shaping Up for Next Legislature

A battle over State spending is shaping up as the biggest problem that will confront the next Legislature when it convenes in January, 1949, according to the Texas Research Institute.

The Legislature will either have to cut expenditures or levy additional taxes, declares a report issued this week by the Institute, a statistical agency sponsored by the South Texas Chamber of Commerce.

"The State Government is taking in more money than ever before," says the report. "But it also is spending far more than ever before. The last Legislature appropriated all the money certified by the Comptroller as available, including an accumulated surplus of \$52,000,000. A much smaller surplus will be available when the next Legislature convenes. The difference will have to be raised by more taxes unless the lawmakers reduce expenditures."

State Government cost increased 34 per cent in the fiscal year ended last Aug. 31, over the preceding fiscal period to reach a total of \$319,988,101, the Institute reported. It was the biggest year-to-year gain in history.

"This expenditure will be overshadowed, however, by the anticipated expenditure of more than \$450,000,000 for each year of the present biennium," the report added.

"Demands for still more spending may be expected in the next Legislature. Higher taxes will be difficult to avoid unless Texans alarmed by the prospect make their voices heard between now and January, 1949."

Weekly Sermon (By Glen C. Atkins, Moody Bible Institute, Chicago.)

Salvation of the Lord "Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved" (Acts 4:12).

From the beginning of the dispensation of grace, when the gospel of the Lord Jesus Christ was first preached, there have been two attitudes toward it. Some have believed in the Word of the Lord, taken Him into their hearts by faith and entered into the assurance of salvation. Others have gone stubbornly on in their own way, rejecting the gospel of our blessed Lord.

This rejection of salvation has taken many forms, all of which boil down to the assumption that man is his own saviour. There are those who seek fame for themselves. The ultimate goal of their lives is to appear great before the world—this is salvation in their eyes.

Others, like the rich fool (Luke 12:16-20), seek only to amass all the wealth that they can. To them, money is salvation. Still others strive to earn salvation by their own works, as did the rich young ruler (Mark 10:17-22). These say, "What shall I do that I may inherit eternal life?" being ignorant that salvation is not earned by works, but is received by accepting Christ's finished work in simple faith (John 3:16).

The apostle Peter says emphatically, "Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved." How blessed it is to enter into this salvation by faith, to live by it and know that when we die we shall depart to be with Christ, "which is far better."

The New York City postoffice employs around 33,000 persons.

GRAIN PRICES BOOST LIVING COSTS... Department of agriculture economists attributed soaring food prices, now at all-time high level, to high income, coupled with tremendous demand and prospect of small corn crop. Samuel Williams, a miller at the department's Beltsville, Md., experimental farm, is shown with bags of corn and wheat, retailing for \$3.05 and \$2.95, respectively, per bushel. These peak prices will cause poultry prices to continue rising.

Building Program for Southern Methodist University Announced

Dallas. — Following a called meeting of its board of trustees, Southern Methodist University announced November 1 a multi-million dollar building program on which construction is to begin as soon as possible.

Authorized by the board were the following three major projects: re-location of the Perkins School of Theology on a more ample plot of campus ground and erection of six buildings, including chapel, classrooms, library, and three dormitories; construction of the \$2,000,000 Fondren Science Building as soon as contracts can be let by the SMU executive committee; and completion of a Law School Quadrangle, including construction of a legal center for the Southwestern Legal Foundation, established last year at SMU.

Capacity student enrollment prompted the action taken by the trustees in voting the expansion program and relocation of the theology school.

The new Fondren Science Building will be financed largely by a gift of \$1,000,000 to SMU by Mrs. W. W. Fondren of Houston.

VETERANS' QUESTIONS AND ANSWERS

Q. Is Veterans Administration doing anything to keep abreast of improvements in prosthetic equipment so that we veterans may get the benefit of them?

A. Veterans Administration employees who aid disabled veterans in selecting and fitting artificial arms, legs, eyes and other devices are going to school to learn the latest developments and improvements in the prosthetic field.

Q. I received an overpayment in subsistence allowance after I left school. Will I have to refund the amount I received to the Government?

A. Yes. Q. I am being rehabilitated under Public Law 16 and I would like to know what medical treatment is available to me? A. Under the Vocational Rehabilitation Act (Public Law 16) you are entitled to any kind of medical treatment needed (hospital or out-patient) to prevent interruption of your training.

Q. How and where do I apply for hospitalization for a service-connected disability? A. See your nearest Veterans Administration contact representative or apply at a VA regional office or hospital. A letter addressed to the nearest VA office will suffice. In case of emergency, you can telephone the nearest VA office collect.

California stretches along nearly two-thirds of the Pacific Coast.

ANSWERS (Questions on page 2).

- 1. Grover Cleveland. 2. Calvin Coolidge. 3. Russia. 4. They were a group of Northerners who contended for the emancipation of the slaves without compensation to their owners.

5. The first ten Amendments to the Constitution. 6. To the members of the Progressive Republican party. 7. Northerners who went into the South after the Civil War with nothing but a carpetbag and by fraud gained control of state governments.

8. One who has not been prominent in the public eyes as a candidate but who is brought forward at the psychological moment as a compromise candidate when the nominating convention has reached a deadlock.

9. It was the purchase by the United States from Mexico of about 45,000 square miles of territory now forming the southern part of Arizona and New Mexico. 10. It was a name given Northern men who hid themselves in swamps to escape conscription during the Civil War.

HOUSEHOLD HINTS

Hanging Pictures. — Before hanging another picture on the wall consider whether it will really make the room more beautiful or will simply fill up space.

Fitting Candles Into Holders. — To make a candle fit any candle stick, dip the candle for a moment into very hot water. This will soften the wax so that it may be easily fitted into the candlestick.

Oiling Kitchen Equipment. — A drop, or two of sweet oil on the cogs of the food chopper or egg beater occasionally keeps them in good condition.

Egypt has the highest birth rate per 1,000 inhabitants of all the countries of the world with 43.4. Then follows in order: Mexico 40.4, Palestine 35.1, Venezuela 34.9, Chile 35.2, British India 34.1, Columbia 32.1, Rumania 28.3, Albania 27.7, Japan 22.7. Records were compiled before the war.

Spanning Canyon Diablo Another new bridge on the Santa Fe A new double-track steel bridge now spans Canyon Diablo (a giant gash 225 feet deep in the tableland of northern Arizona) on the main line of the Santa Fe between Chicago and California. This new bridge, which replaces the old single-track viaduct, is 544 feet long, 32 feet wide at track level, and contains over 2,000 tons of structural steel. The heaviest trains can cross it in both directions at once, and it's built to handle anything in rail traffic the future may bring. Canyon Diablo Bridge is just a part of Santa Fe's continuing program of improvements—typical of the Santa Fe spirit of progress and initiative—to provide Santa Fe passengers with smoother riding, and Santa Fe shippers with more efficient freight handling. It is another good reason for traveling or shipping "Santa Fe—all the way." SANTA FE SYSTEM LINES... Serving the West and Southwest

For thus saith the Lord God, the Holy One of Israel: in returning and rest shall ye be saved; in quietness and in confidence shall be your strength; and ye would not.—Isaiah 30:15.

The people of this country are not alone in the matter of high living costs. Here they are about double those of the prewar days. In Mexico and Czechoslovakia they are three times prewar, in Spain four times, in Bulgaria and Finland seven times, in France 13 or 14 times as high as in 1937 and in Italy 50 times as high.

The plane wreck in Bryce Canyon recently which took the lives of 52 persons got big headlines in every newspaper in the country. No one noticed the fact that the same week 600 persons lost their lives in traffic accidents on the highways of the United States, twelve times as many as lost their lives in the plane wreck.

HISTORY

Aviation Day—December 16: Though not much general attention is paid to the date as such, December 16 has been designated as Aviation Day. This day marks the date of the first successful flight in a heavier than air machine by the Wright Brothers at Kitty Hawk, North Carolina, on December 17, 1903. The Wrights, Orville and Wilbur, of Dayton, Ohio, began experiments early in the century. Their first efforts were confined to gliders which were flown in the air like a kite by trailing them behind an automobile. Their first machine was powered with a sixteen horsepower motor. The wings were made so that they could be tilted up or down to control the flight. The first test was made at Kitty Hawk, North Carolina, December 17, 1903, where four successful flights were made. In one of them the machine rose by its own power and remained in the air fifty-nine seconds and traveled a distance of eight hundred and fifty-two feet. This was the first demonstration that man could fly. From then on it was a question of developing the plane. The next machine built by the Wrights traveled twenty-four and a half miles remaining in the air thirty-eight minutes and three seconds. This plane had a maximum speed of thirty-eight miles an hour. The plane was developed slowly until the World War in 1914 when money became available and the effort became intensified. The next few years saw remarkable progress. Planes were made that could fly great distances with machine guns. With this impetus the development of the plane has not let up. Increasingly greater effort is spent each year upon its further development and perfection.

Times have changed. A few years back most businesses and individuals in the country were in the red and the U. S. Treasury was operating in the black. Now a days the U. S. Treasury is in the red and all of the people are out of the red.

The surest way to get the loan you want from your banker is to prove to him that you really do not need it.

What We Think (By Frank Dixon)

It seems to me that there never was a time in which it has been more difficult to chart the course of an individual or the nation than exists today. It may be that the problems that existed in the past and which were solved were at times just as difficult and just as obtruse as are the problems of today. It may be that they appear less complicated from the fact that we are viewing them from a distance after decisions have been made and time with its magic healing effects has smoothed out the rough spots and the element of personal feeling has disappeared. It is even possible that in like manner the problems in individuals, states and nations in the light of fifty and more years will appear as simple to those living then as the problems of fifty and a hundred years ago do to us now. Most people will no doubt join in that hope.

The world problem has the best minds of the age giving their best to work out a solution. No one seems to know just what should be done. The problems at the present moment are: world peace, how to achieve it, and hold it, the best manner to alleviate the need in Europe and the matter of local defense and local strength and what to do about Russia.

All of these are big problems. All are important matters and much depends upon their proper and best solution. The most disturbing problem, it seems to me, with the limited knowledge I have of all the elements involved, is the matter of Russia. The problem is complicated because we are dealing with a people different from ourselves. They have a different background, their concept of government is different, their national life is different, their family life is different. It is but a few years ago that they emerged from the tyrannical dictatorship of the Czars, they suffered defeat in World War I and had a narrow escape from complete annihilation in World War II. Naturally with this background they think differently than we do. They are distrustful, suspicious and fearful, and because of it are taking no chances where they cannot see the pathway all the way ahead.

I believe that in dealing with Russia we cannot crowd things. We are going to have to proceed slowly with patience for some time to get done the things that we seem to think are essential for world peace.

When I find myself becoming impatient because of the obvious suspicion and distrust on the part of Russia I think of the days following World War I when Woodrow Wilson sought to have accepted by this nation a plan for the machinery to work out world peace. The plan, it will be recalled, was defeated by the members of the American Senate and because of bitter and unrelenting partisanship this country never did enter into the negotiation for world peace and never did become a member of the League of Nations, notwithstanding the fact that Woodrow Wilson gave his life for the cause.

Our refusal to join, our repudiation of the life of the plan destroyed completely any hope of its success. With less cause than Russia has today we vetoed its vital and elemental provisions and in the spirit of Molotov today repudiated it before the world.

All controls are now off the price of sugar. From now on out the law of supply and demand and the machinations of the speculators will control the market. It is being freely predicted that the price will begin to advance even though the Department of Agriculture reports that stocks on hand are ample for present needs and there is no occasion for a price increase.

The more business a town has the less parking space it has.

How can the people of this country be expected to agree on whether or not the people of Europe need aid, food, clothing and fuel when the members of Congress who visited Europe can't make up their minds on the matter. One case in point is Senator Toby and Representative John Taber. These men, because of their official connection with the government were permitted to visit any part of the country they chose. Toby was so impressed with the need he saw among the children of Essen that he gave them, as did others, chocolate, gum, anything he had to eat, and, in addition, he gave them all of his extra clothing, including his overcoat. Taber, who was on the same mission, says that he saw no evidence of need or hunger in any of the six European capitals he visited. It is not surprising under the circumstances that the average man is a little confused in his thinking.

The New York Times thus answers the threat of Communism that is being promoted by the small brains in this country under the lying guise of freedom of thought and expression. The Times says: The American system has already given the American people a more abundant life in actual performance than the Communist dictators of Russia dare even promise the Russian people. It has the productive capacity, the know-how and the will to keep so far ahead of the Russians in this respect that they can never catch up in any number of Five-Year Plans.

One thing that time hasn't changed and that is that the best things to eat are the simple things. Corn meal mush and milk are still good, nutritious and moderate in price, good pancakes are still good, fried mush has not been excelled by any of the newer or later dishes and so on down the line. In our quest for something good to eat we often stray away from the good, wholesome foods, and eat the more expensive and less wholesome foods and make up the difference with vitamin pills.

Many of the things we used to throw in the junk pile and sell to the junk man we now take to the community sale where in the exciting atmosphere of competitive bidding they often sell for two or three times more than they are worth.

The oldest U. S. newspaper, established in 1764, is published at Hartford, Conn.

IN THE NEWS 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Nov. 30, 1917:

The Paducah Post reports a surplus of maize raised in that county this year and that it is selling for \$35 and \$40 per ton.

Miss Essie Thacker is spending a few days with the T. H. Clark family in Oklahoma City.

After an illness of a few weeks and declining health of two years, R. F. (Bob) Gilland, 59, died here Monday. Mr. Gilland moved here from Collin County 26 years ago. He is survived by his wife and six children.

J. A. Stovall, M. F. Crowell, Mrs. Pearl Carter, T. L. Hayes, Robert Watson, Leo Spencer and J. F. Oliver were in Quanah Wednesday.

British and French reinforcements have arrived with infantry and artillery in Italy. This aid will be a great relief to the brave and war-torn Italians who have been taxed almost to the limit in holding the Teutons back.

Ross Woodall and Paul Coffman of Goree were here Sunday on business.

Bob Bomar was here the first of the week from Camp Bowie visiting relatives and friends.

There is more money in the country now, as shown by the deposits in the two banks here, than ever before. The two banks carry more than \$600,000 on deposit.

A. R. Brindley, prominent lawyer of Gadsden, Ala., and cousin of R. P. Brindley of Crowell, has been assigned to the Judge Advocate General office in the Army and promoted to the rank of Major.

Miss Vera Waldrop leaves in the morning for Los Angeles, Calif., to appear as a witness in the Federal Court there the 5th of next month.

Misses Leona Young and Marguerite Stephens left Wednesday for Waco to attend the Teachers Association in session there.

Harry Beidleman, Albert Tucker, Evans Mitchell, Adolphus Wright and Sam Randell spent Thanksgiving with friends and relatives here.

The program for individuals to save bread would roll up a tremendous total if it were adopted by everyone. For example, if every person would save one ounce of bread a day it would total 4,500 tons a day, 135,000 tons a month or 1,620,000 tons a year. This, of course, assumes 100 per cent co-operation.

Planners of future cities should lay out the cities so that there is a vacant strip between each block for the parking of cars. It is the only way that the parking problem will ever be solved. It is impossible under present city plans to provide parking space on streets that are scarcely large enough as it is to handle the traffic.

The difference between a Communist and a Democrat or a Republican is that the Democrat and the Republican don't mind wearing a campaign button revealing to which party they are connected, but no Communist has been found wearing a button bearing the picture of Joseph Stalin.

The stock defense of those with Communistic leanings is that the democratic form of government guarantees to everyone freedom of thought and expression. Singularly enough should Communism succeed in taking the country the first thing that would disappear would be this very freedom of thought and expression.

Be Thankful Let us all be cheerful and happy in giving thanks that we live in America, the land of the free and the home of the brave on this Thanksgiving. Many years ago the Pilgrim fathers celebrated on the bleak New England shores and gave thanks to God that they lived in America, and may this custom ever continue in this beautiful land of ours. In order to assist you in this we will have everything for your dinner; hens, cranberries, celery, lettuce, etc. A happy Thanksgiving. WE APPRECIATE YOUR BUSINESS. Thank you very much. Call again.

Chevrolet Sells More Trucks in October to Set Highest Record

Detroit, Nov. 19.—Chevrolet sold a record-breaking 29,461 trucks during October, 1947, more truck sales than have been reported in any single previous month in Chevrolet's 35-year history, it was announced here today by T. H. Keating, general sales manager.

Production and sales have been climbing steadily since the new "advance-design" line of trucks was first announced to the public last June. The previous record-breaking month for truck sales was June, 1941, when 28,367 commercial units were sold. These figures represent sales in the United States by dealers to consumers.

Reflecting an increased demand for trucks over prewar conditions, Keating pointed out that approximately 31 per cent of the unfilled orders on Chevrolet books are for trucks. During the last years before the war, approximately 19 per cent of Chevrolet's total sales were trucks.

Chevrolet's "advance-design" trucks feature numerous comforts for the driver, as well as postwar mechanical improvements. There is a wide variety of models on eight wheelbases for virtually every type of hauling, and Chevrolet dealers are in a position to supply the right trucks for all trades.

Sunbeam pop-up electric toasters at Beverly Hdw. & Furn. Co.

Extra good Christmas tree light sets at Beverly Hdw. & Furn. Co.

Scarlet Fever Raging in Texas, Health Officer Reports

Austin.—The incidence of scarlet fever is at the present time nearly one-third higher than the seven-year median in Texas. One of the most disabling and dangerous of diseases usually associated with childhood, actually it is confined to no age limit, according to Dr. Geo. W. Cox, State Health Officer. Fifty-five cases were reported in the state during the week ending November 15, bringing the year's total to 1,242.

The Doctor described scarlet fever as an acute infectious disease, the onset of which is sudden. The first symptoms including sore throat, vomiting, fever, and headache, may appear in three to five days after exposure. These are followed by the distinctive scarlet rash which gives this disease its name, Dr. Cox stated. Complications can result in prolonged disability or death. Children suffering with scarlet fever may develop sinusitis and middle-ear infections which can lead to mastoiditis. As the germs spread the child's system, the joints, kidneys, and heart may become involved, causing life-long invalidism or crippling.

"A child with any kind of sore throat should be seen by the family physician promptly," Dr. Cox asserted. "If scarlet fever is present, the treatment the doctor prescribes will do much to alleviate discomfort, and reduce the possibility of dangerous complications."

A comparison of the relative military strength of the United States and Russia shows the following: U. S. 10 army divisions, Russia 230 army divisions, U. S. 1,720 combat planes, Russia 44,000 combat planes, U. S. 2,200 cargo ships, Russia none, U. S. 2,140,000 Army-Navy reserves, Russia 12,000,000. Russia has little industry, U. S. a vast mobilized industry. The present status is that the U. S. has the power to get to Russia but not to defeat her on land, while Russia has a great land force but no means to get to this country.

It costs around a cent a pound for a tourist to ship his automobile to Europe. A 3,500-pound car costs \$350.

Ninety percent of the state of Iowa is under the plow.

Uncle Sam Says

Wise Americans are looking beyond this year's Thanksgiving table and building future happy Thanksgiving Days for themselves and their families through regular purchase of Savings Bonds. Millions of Americans can be thankful for the Payroll Savings Plan for the opportunity of buying Bonds where they work and the Bond-A-Month Plan where they bank. Protect your family's future with United States Savings Bonds.

U. S. Treasury Department

CARD OF THANKS

Words cannot express our heartfelt thanks and appreciation to the many friends who came to us with words and deeds of help and comfort when we were overcome by such deep sorrow in the loss of our precious son. The beautiful flowers were particularly comforting. May God's richest blessings rest upon each of you.

Mr. and Mrs. Tom Eubanks and Family.

G. E. lite bulbs at Beverly Hdw. & Furn. Co.

Betty Crocker automatic electric irons at Beverly Hdw. & Furn. Co.

At least something is being done about the housing shortage. According to the U. S. Department of Labor, private builders started 88,000 permanent homes in September, the highest monthly figure on record. By the end of September 576,000 permanent new family dwellings had been completed, more than double the total in the first nine months of 1947.

Tokyo Rose is seeking a passport to return to this country. In as much as she is an American born Jap, officials say the passport cannot be denied, however, if and when she does come, she may be tried for treason. According to the State Department her name is Iva Toguri. She was born in Los Angeles in 1916 on the Fourth of July. During the war she married a Portuguese named D'Aguma. According to the State Department under the law the passport will have to be granted unless protests are made by the government or individuals who can show cause why she should not be allowed entry.

The average cost of tire wear per 1,000 miles is going down as improved methods of manufacture are found. In 1907 it was \$10. In 1939 it was 77 cents and today it is 58 cents.

HOW GREAT A SACRIFICE?

When Congress convenes regularly next January, universal military training—the peacetime draft—will be one of the first questions to be called upon to consider.

The main opposition to this plan comes from the general public. They do not want to sacrifice a whole year from their private lives. They believe that with the atomic bomb we wouldn't need manpower in the case of another war.

Yet such men as George C. Marshall, James F. Byrnes, and General Dwight D. Eisenhower are in favor of U.M.T.

President Truman realized that the American public has a tendency to disregard the advice of the military except during times of war.

VITAMINS

So you don't like carrots, spinach, peas, tomatoes, okra, or asparagus. You are not by yourself! But here are just a few ways these and other foods help you.

Football boys that play better during the day than at night need more eggs, milk, green and yellow vegetables, and liver found in Vitamin A.

Girls who wish their hair were shiner, eyes were brighter, and nails did not chip could use more of the same Vitamin.

If you have to stumble down the aisles of the cinema, bump into a lady, then almost run over a "kid" from kindergarten, and as a climax sit down on someone's lap, for goodness sakes, cram all the Vitamin A you can find.

So you start climbing the stairs, or you get shower and when that last step appears, you feel like crawling. The doctor says you have symptoms of a lack of thiamin. You can find it in seeds, beans, raisins, peas, pork and liver.

Thiamin gives you pep to spare and keeps you from having "Blue Days."

So an oily complexion and

donations from the people of Crowell.

PUBLIC PEP RALLY

Wednesday afternoon the cool fall air will ring with the sound of voices. Those interested enough will be able to trace the sound to the court house square, where they will find the students and ex-students of Crowell High School praising the virtues of the Crowell Wildcats and relating the faults of the Archer City Wildcats. In other words, folks, a pep rally.

The four cheer leaders have expressed the hope of seeing all the students and ex-students at the rally who can possibly come. This will be the first public rally in several years.

The rally will open at six o'clock Wednesday afternoon, with those at the rally singing "Dear Old Crowell High." The program will include all the yells and songs which are familiar to the many loyal fans of the Crowell Wildcats.

DAVIS GIVES ASSEMBLY

Friday, Nov. 21, the biology class presented their program, "Please Stand By." Leon McNeese played the part of Pa Hawley, a typical American farmer in the early nineteenth century.

A part of the play was a radio drama. Violin solo, "That's My Desire," Rondyn Self; solo, "When I Grow Too Old To Dream," Rozella Autry; Nell Canting and Joe Juy, comedians, Edna Lee Dunn and Bobby Stinebaugh; piano solo, "Near You," by Bobbie Abston; the announcer, Carl Shultz.

We wish to thank Mrs. Davis and the cast for a very entertaining program.

SWEETS? YES OR NO

Wednesday, November the 26th, ends our football season; then all the boys that play can stuff on sweets, that is, if they don't mind getting soft like girls that visit the candy store before dinner.

F. H. A. CHAPTER MEETING

Thursday, Nov. 13, the F. H. A. Club of Crowell High had a meeting at the noon hour in the Home Economics room.

After filing into the Home Making laboratory to be served a delectable and pretty plate containing kraut and weiners, tender green beans and new potatoes, citrus fruit, punch, and fresh doughnuts, plates of sour pickles were passed to give us a better appetite—as if we needed it!

Betty Barker talked to the club about "Sitting Pretty" or "Better Posture." Every girl unconsciously sat straighter. Bobby Abston and Rozella Autry sang our F. H. A. song. The club unanimously agreed that it was fun to get together once a month.

TOP RADIO PROGRAMS OF C. H. S.

After having the Hit Parade of songs last week we decided to have the ten favorite radio programs of C. H. S. Honorable mention might go to "Truth or Consequences," "Strike It Rich," and "Wait Time."

- The ten favorite radio programs of C. H. S. are the following: 1. Hit Parade, 2. People Are Funny, 3. Manhattan Merry Go Round, 4. Red Skelton, 5. Baby Snooks, 6. Meet Corliss Archer, 7. Date with Judy, 8. Henry Aldrich, 9. Life of Riley, 10. Bob Hope.

WHAT IS—

"Butch" Biggerstaff were Butch Littlestaff? Charles Steele were Charles Iron? Mary Ayers were Mary Wind? Mary Payne were Mary Ache? Betty Barker were Betty Bow-wow? Pat Rhodes were Pat Street? Blackie White were Whitey Black? Mary Jo Short were Mary Jo Long? Doris Rummel were Doris Bumble? Mr. Graves were Mr. Cemetery? Mrs. Davenport were Mrs. Couch?

WILDCAT PURRS

Girls like the bright shirts being worn by John Potts, Charles Wishon and Kenneth Ownbey. Maybe that certain guy gave "Eddy" the red shirt to mean danger—or keep off private property.

Do you know who has the sweetest smile this side of heaven? Little Joyce Hinkle.

The 1947 "Esquire" calendar can be purchased at all drug stores and news stands. Information from "Ham" Tamplen, "Jake Autry," and Garland Denton.

We wonder how Raymond Carter would look in a new Buick? Probably more at home in his Model A.

none other than Travis Starnes, and Henry White.

Question to Doris Rummel: Who is it these days? Question to Peggy Collins: Does your Mother like your bangs? Question to Bobbie Brock: Why are you so glad Thanksgiving comes this week?

Mary Short and Bob Edwards were seen Saturday night. Rouse and Marvin served as chauffeurs. Mary Payne still hears from that certain guy of hers.

It seems that Thomas Whitteway hasn't decided on Mary, Dorothy or Doris yet. If I were betting I'd say—well you tell us, Tommy.

We wonder why Dorothy, Faye and Norma aren't interested in Vernon any more? It could be that Wichita moved in.

What is this we hear about Pat Rhodes and Dick Traweck "breaking up"? What happened, Pat?

Who is Maggie Eavenson's latest heart throb? Tell us, Maggie! Marvin Brisco and Myrtle Bartley were seen at the show Tuesday night.

Seen at the horse opera Saturday night were Bobby Ruth and Floyd, Mary Ray and Ray, "Rusty" and Mary Alice, and Peggy June and Davie Bowley.

Jenny Webba seems to be looking forward to the holidays. Could it be because Milton Hall is coming home?

Billy Johnson seems to have lost a ring. Could Melba Ward have found it, Billy?

"Ham" Tamplen, Julia Johnson, Betty Brock, Kenneth Owens, Myrtle Bartley, and Travis Starnes were seen breezing around town Saturday night.

Edna Curtis and Presley Thomson, Tommie Meason and Dalton Biggerstaff had fun Friday and Saturday.

Fatsy Fox and Rouse Todd seem to really be getting serious. Is this true? "Could be," says Rouse.

Norma Short, Carlos McBeath, Elizabeth Joy and Mike Hudgens were seen around Saturday night. Carl Shultz and Bobbie Acres make a cute couple Sunday, agree? Yes, we do.

Pat Rhodes and Dick Traweck were seen Sunday evening at the show.

LaVerne Owens and V. Bond would make a cute couple, don't you agree? V. does.

Don Wilkins and Martha Johnson were seen flying around Olney Friday night and at Crowell Saturday night. Good luck, kids.

We wonder if J. P. Bartley and Maureen Youree are fixing to have a long and lasting case. Hope so. Joyce Hinkle seems to really be carrying the torch for H. D. Has-

ton (Paducah). Confidentially, Joyce, the feeling is mutual.

FISH

Roses are red. Violets are blue. Ray Black still holds Peggy Weaver's attention. Don't you wish you could, too?

We wonder who all the Truscott girl's flames are? We won't mention any names, but Martha Orr and Bob Haynie seem true to each other.

Jean Gamble and Leon McBeath are getting along "swell." Why don't Charles Wishon and Joe Williams pay any attention to girls? We know some who would like for you to.

Tell us please, are Wanza and Walter still that way? Haskell Norman thinks Marcia Kincaid is plenty cute.

Would Sweet Pea Owens please acknowledge Billy Halencak's kind attentions? (Paid advertisement).

Taking in the show Sunday afternoon were Richard Brock and La Verne Shultz, Carl Shultz and Bobbie Acres. Hm!

Wayne Greening and Frankie Mabe are at the top of the date list.

Tell us Edna Curtis, is your O. A. O. Jimmy Rasberry, Presley Thomson, or R. C. Schlagal?

Grover, whose ring were you wearing on your little finger Friday night? It couldn't have been yours, but was it Betty's?

Something new: Christine Hanks and George Nichols, as of Sunday afternoon.

Could it be that Essie Franklin and Neva Potts are interested in Gordon Bell and Jimmy Rasberry? They were asking about them Saturday night.

We heard that you had a rough game of table-tennis at the Canteen Saturday night. Posy and Floyd. By the way, who were you playing doubles with?

Beat Archer City.

Beat Archer City.

It is estimated that 25,000 Detroiters cross over to Windsor, Canada, Wednesdays and Saturdays, market days, to make food purchases. Food prices in Canada average 45 per cent under those in the United States. The large scale shopping continues across the border notwithstanding that shoppers have to pay a duty at the border. Duty charges are eggs, five cents a dozen; beef, six cents a pound; turkeys, ten cents a pound; other poultry, six cents a pound; butter, fourteen cents a pound; canned goods, 30 per cent of cost; the same across the border shopping rush prevails in northern Vermont. A American shoppers often line up for blocks waiting for markets to open.

About 90 per cent of the nation's supply of bauxite, source of aluminum, is mined in Arkansas.

The average mileage run each day by freight locomotives is 115.9 miles.

When Your Back Hurts

And Your Strength and Energy Is Below Par
It may be caused by disorder of kidneys that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable because the kidneys fail to remove excess waste and other waste matter from the blood.
You may suffer nagging backaches, rheumatic pains, headaches, dizziness, ringing in the ears, leg pains, swelling, frequent and scanty urination, and a burning and itchy feeling that something is wrong with your kidneys or bladder.
There should be no doubt that prompt treatment is wiser than neglect. Use Dr. Williams' Pink Pills. It is better to rely on a medicine that has won country-wide approval than on something less favorably known. Don't have been tried and tested for many years. Are at all drug stores. Get Dr. Williams' today.

THE BIBLE TODAY
International Union Sunday School Lesson
BY LOUIE D. NEWTON, D.D.

SCRIPTURE: I John 4-5; II John; Acts 4:1-13
DEVOTIONAL READING: Romans 8:1-11

Proof of a Christian

Lesson for November 30, 1947

OPEN your Bible to I John 4-5; II John; and Acts 4:1-13, and you will have the Scripture background for Sunday's lesson. Add to the above passages Romans 8:1-11, as devotional reading, and you will be thinking of the unimpeachable proofs of a Christian.

Two men are brought before us as examples of Christian discipleship. Peter and John had been preaching Christ to the people in Jerusalem, and they were arrested and brought before the Sanhedrin. The rulers and priests scolded them, asking by what power or name they had done this. Peter, filled with the Holy Ghost, answered them:

"Be it known unto you all, and to all the people of Israel, that by the name of Jesus Christ of Nazareth, whom ye crucified, whom God raised from the dead, even by him doth this man stand here before you whole. . . . Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved."

And then follows the verse that reveals the proof that these humble fishermen were really Christians: "Now when they saw the boldness of Peter and John, and perceived that they were unlearned and ignorant men, they marvelled; and they took knowledge of them, that they had been with Jesus."

The Lord Is My Helper

In Hebrews 13:16, we find this revealing statement: "The Lord is my helper; I will not fear."

The more we study the words of John in Sunday's lesson—words that remind us again and again that God is love, that we love him because he first loved us, that when we love him we are made strong in serving him, the clearer we come to understand the incident in Acts 4:1-13, when Peter and John stood boldly before the Sanhedrin, impressing the court with the fact that they had been with Jesus.

They were not afraid because they were conscious of the presence and power of God. The Psalmist put it sublimely when he said, "The Lord is my Shepherd, I shall not want."

When We Walk With God

The incontestable proof of a Christian is the manner in which he reveals when he walks with God. "And this is love, that we walk after his commandments." This is the commandment, that, as we have heard from the beginning, we should walk in it, "If John 4. When we walk with God in the light of his word, what a glory he sheds on our way!"

A group of men sat in the University Club in Boston, discussing religion. Someone asked Professor William James to define Christianity.

"I will not attempt a definition of Christianity, but I can give you an illustration."
And he pointed to Phillips Brooks. There was no argument, Phillips Brooks was proof positive that Christianity is something vital and practical and real and effective in everyday life.

Who is a Christian?

We come now to the question which always emerges when we think along this line, Who is a Christian? Look now at I John 4:15-21. I quote some of these revealing words:

"Whosoever shall confess that Jesus is the Son of God, God dwelleth in him, and he is God. And we have known and believed the love that God hath to us. God is love; and he that dwelleth in love, dwelleth in God, and God in him."
We are not certified as Christians by any man-made creed, nor by any ritual or ceremony. We are certified as Christians by the direct access which every soul may have with God, through Jesus Christ our Great High Priest forever.

Church membership does not make us Christians. Baptism does not make us Christians. Anyone may become a Christian, provided he or she is willing to confess their utter lost estate and, repenting of sin, believe on the Lord Jesus Christ as Saviour and Redeemer. Christ is the Author and the Finisher of our salvation. There is none other name under heaven given among men whereby we must be saved.

The U. S. leads the world with the number of radios per 100 inhabitants with 34.6. Germany is next with 23. Records were compiled before the war.

ORDINANCE

An Ordinance prohibiting the shooting of fireworks in certain areas within the corporate limits of the City of Crowell, in Foard County, Texas, providing a penalty for violation thereof, and declaring an emergency.

Section No. One: Be It Ordained By the City Council of the City of Crowell, Texas, that it shall be unlawful for any person or persons to shoot, ignite or explode fireworks in or under or around the public square of the City of Crowell, Texas, in, upon or around any area within two blocks of said City Square, and in, upon, around or near any public building or public grounds within the said city limits, City of Crowell, Texas.

Section No. Two: Any person or persons violating this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not less than \$1.00 nor more than \$25.00 for such offense.

Section No. Three: The fact that the City of Crowell, Texas, is now flooded with fireworks of every kind and description and further that such fireworks have been carelessly exploded without regard to public safety and property thereby causing possibility of personal injuries and enhancing fire hazards, creates an emergency and an imperative public necessity that the rule requiring ordinances to be read at three several meetings be suspended, and that this ordinance take effect, and be in force from and after its passage and publication, this the 18th day of November, A. D., 1947.

W. H. MOYER, Mayor, City of Crowell, Texas.

Attest:
ELLA RUCKER, (Seal) City Secretary. 19-3tc

Two Minute Sermon

(By Thomas Hastwell)

The Friendly and Neighborly Town: The other day when I went for the mail, I forgot my keys and left them hanging in the box at the postoffice. Since I had all of my keys on one ring I was not long in discovering my loss. I began to check back upon the places I had been that morning and came to the conclusion that I had left them at the postoffice. I went back and asked the clerk if they had been turned in. He said that they had and turned them over to me. Such an experience causes one to feel good about the community in which he lives. Whoever had found them could have kept them either because they might feel no interest or obligation about returning them or they might have put them to a dishonest use, since the ring contained my car and a number of other my car and a number of other

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germs laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Bridal Shower Given as Compliment to Miss Owens, Bride-Elect

With Miss Valeria May Owens, bride-elect of J. W. Sollis, named as honor guest, Mrs. Karl ten Brink, Mrs. Clint White, Mrs. H. K. Edwards and Mrs. Jim Cates were hostesses at a lovely bridal shower Monday afternoon, November 24, at the Adelpian Club House. Calling hours were between 4 and 6 o'clock.

Mrs. ten Brink greeted the guests and presented them to Miss Owens and her mother, Mrs. Leo Owens. Guests then registered in the pretty bride's book where Miss Betty Johnson presided. On the register table were a tiny bride and groom and a bouquet of baby mums, establishing the color scheme of brown and yellow, the bride's chosen colors. Yellow candles were also used on the table.

Mrs. Edwards directed them into the dining room where the lace-laid table was beautiful with a large bowl of bronze chrysanthemums, surrounded by greenery and leaves of autumn hues. The crystal punch bowl was behind the floral arrangement and punch was poured by Mrs. Ray Hysinger. Yellow candles in crystal candleholders illuminated the dining room. Assisting in the serving of tiny sandwiches, cakes, stuffed dates and mints with the punch were Miss Anna Rea Owens, sister of the honoree, and Miss Barbara White. The wee napkins were yellow with brown lettering, "Valeria May and J. W."

From the dining room, the guests were ushered into the lovely gift room where they were shown the many bridal gifts. Mrs. White and Mrs. Cates presided here. Incidental piano music was furnished during the entertaining hours by Mrs. Pat McDaniel Jr.

The house in which Stephen Foster wrote "My Old Kentucky Home" is still standing near Bardonia, Ky., in a state park.

Cecil Parkhill and Miss Foster Wed on Nov. 18, in Sherman

Miss Odessia Foster, daughter of W. H. Wilson, of Vernon was married to Cecil Parkhill, son of Mrs. W. D. Parkhill of Crowell, in a double ring ceremony in Sherman on November 18.

The bride was attired in a grey street length dress with which she wore black accessories. She attended Berger Schools and is a former resident of Long Beach, Calif., where she became acquainted with the groom who was then in the service.

Mr. Parkhill attended Crowell schools. He served three years in the U. S. Navy and spent one and one-half years overseas. He is now employed at the Magee Toggery.

Mr. and Mrs. Parkhill are residing in the home of the groom's mother in Crowell.

Oklahoma Couple Wed Here Sat. A. M.

Daniel Mahoney and Cora Lee Pound, both of Hobart, Okla., were married at the Godwin Cafe at an early hour Saturday morning, Nov. 22, with Rev. Warren Everson, pastor of the Assembly of God Church, officiating.

Jim Hill Erwin contacted the County Clerk's office for the license and made arrangements for the preacher and was present, as was another couple from Hobart, for the wedding.

GIRL SCOUT MEETING

The Girl Scouts of Troop 1 had their regular meeting on Thursday, November 20th. "Summer Activities" was the subject of discussion. The troop is planning to take on some activities which will be a help in community service.

The Scout scrap book was brought up-to-date with snapshots and clippings about Scout work.

NOW THIS IS GOING TOO FAR... All right, so the revolution is upon us; the long skirt is here to stay and no one can do anything about it. But when fashion designers carry their insidious plot to the extent of enmeshing innocent children in their coils—that's just too much. The dread event came out at the American Toy Institute show in New York. Even dolls are wearing wasp-waisted, long-skirted outfits now.

Miss Valeria May Owens Honored at Delightful Breakfast

Miss Valeria May Owens, who will become the bride of J. W. Sollis on November 28, was named as honor guest at a prettily appointed breakfast given at the home of Mrs. D. R. Magee Saturday morning, Nov. 22, at 9 o'clock with Mrs. Magee, Mrs. Bob Gobin and Mrs. James O'Hair as joint hostesses.

The quartet tables, set with silver and crystal, held attractive place cards which were clever pot-holders in the form of tiny aprons. Autumn hues prevailed in the decorative scheme with fruit, nuts and bright leaves being used throughout the home.

A tasty breakfast consisting of grapefruit, shirred eggs and bacon, cinnamon and buttered toast slices, jelly and coffee was served, following which games of hearts were enjoyed. Miss Janet Roark received high score in the games and was presented with a pretty kitchen apron and the honoree was given a guest prize, a cook book.

Guests for the pretty compliment to the bride-elect included Miss Owens, her mother, Mrs. Leo Owens, Mrs. Herman Sandlin, Mrs. Leighton Adams, Mrs. Pat McDaniel Jr., Mrs. T. L. Owens Jr., Mrs. Bill Owens, Miss Sue Jones, Miss Janet Roark, Miss Dorothy Pechacek, Miss Betty Johnson and Miss Mary Jo Brock.

Social Meeting Held by Co-Laborers' Class

Mrs. R. J. Thomas, Mrs. J. W. Bruce and Mrs. J. P. Bartley were hostesses to the members of the Co-Laborers' Class of the Methodist Sunday School at the home of Mrs. Thomas Thursday evening, Nov. 20.

After a song by those present, with Mrs. J. R. Beverly laying piano accompaniment, Mrs. Claude Brooks, as leader, took charge of the meeting. The Bible study was on Proverbs and, with the assistance of Mrs. S. S. Bell, the leader brought the outstanding helpful teachings of the Bible book. Each one present took some part in the discussion.

The hostesses served a salad and dessert course to those present. The next meeting will be the Christmas meeting on Dec. 18.

Sub-Junior Adelpian Club Holds Meeting

The Sub-Junior Adelpian Club had its regular meeting at the Adelpian Club House on November 19th with Mary Norman as hostess.

The president in charge, some new members were voted upon. A beneficial program was presented. "Take Your Ribbing" was given by Peggy Weaver. Myrtle Bartley discussed "How to say 'No' nicely." A piano solo was given by Jane Bruce.

The next meeting will be on Wednesday, Dec. 3rd.

Gov. James E. Folsom, of Alabama, recently issued an order that flogging and other forms of corporal punishment employed in Alabama prisons be abolished except in extreme cases. Flogging of prisoners for certain infraction of the rules has been a long time practice in Alabama prisons.

Rayland Church Will Have Thanksgiving Service Thursday

A Thanksgiving service will be held at the Rayland Baptist Church on Thursday morning at 10:30 o'clock and the public is cordially invited to attend. Rev. P. F. Johnson of Denton, a Baptist evangelist, who is conducting an evangelistic campaign at Rayland, will preach the Thanksgiving sermon. Rev. Charles Phipps of Denton is pastor of the Rayland church and is also assisting in the meeting.

B & PW Club Meets in Dinner Party

The Business and Professional Women's Club met on November 20, in the home of Mrs. Irene O'Connell for a dinner meeting. Mrs. Bertha Burkett, Mrs. Jean Reeder and Miss Lottie Russell were hostesses and used the Thanksgiving motif in the table decorations and in the place cards.

Following a delicious dinner, Mrs. Jim Lois Bursey gave several appropriate Thanksgiving readings. Mrs. Frances Davis, Mrs. Thelma Hunt and Mrs. Wailena Steele were welcomed as new members by Miss Elizabeth Elliott, the club president. Twenty-one members were present at the meeting.

Foard County Council Elects Officers Nov. 15

The Foard County Council of Home Demonstration Clubs met on Nov. 14 in the office of Miss Elizabeth Elliott. Officers elected to serve for

the coming year as follows: Mrs. J. C. Prosser, chairman; Mrs. G. H. Kinchele, vice chairman; Mrs. C. R. Bryson, T. H. D. A. chairman, and Mrs. H. L. Shultz, reporter.

WEST SIDE H. D. CLUB

"Views Through Your Kitchen Windows" was the subject of the Home Demonstration meeting of the West Side Club held at the home of Mrs. J. L. Kinchele Wednesday, Nov. 12.

Miss Elizabeth Elliott gave a demonstration on kitchen curtains.

Mrs. S. E. Tate, the leader, showed some curtains made of food snacks and others gave new ideas formed from pictures.

Ten members answered to roll call. Refreshments of cake and hot chocolate were served by the hostess.

The next meeting will be an all-day meeting with Mrs. S. E. Tate on Nov. 26 and the subject of the lesson will be "Around the Dining Table."

Iowa leads the nation in production of corn and hogs.

Roy Rogers Guest Star in New Film

Throughout his screen career Roy Rogers has been plagued with script troubles! What with his rodeo and personal appearances, his perpetual plait has been lack of time to study his movie script, and on more than one occasion he has moaned: "I wish I could appear in the picture and read the script afterwards!"

In Republic's "Hit Parade of 1947," in which he is doing a guest bit, he gets his chance.

Connie Moore, Eddie Albert, Gil Lamb and Joan Edwards, as newcomers to Hollywood, are ushered for the first time into a Hollywood sound stage. Hit Parade being a movie about a movie.

Included in the "local color" of this scene is none other than Rogers, the King of the Cowboys, studying his script!

"Hit Parade of 1947," produced and directed by Frank McDonald, will come to the Rialto Theatre for a run of one day, Tuesday, December 2.

Howard Hughes' 200-ton flying boat, the largest in the world, is being given water try outs in the harbor at Long Beach, Calif., preliminary to a flying test. It will probably be next spring before the big plane will be given its try out in the air. The plane cost \$23,000,000 to build and has been several years building. The hull is thirty feet high, twenty-five feet wide and 220 feet long. It is equipped with eight engines.

SLEEP Electrically AND ENJOY THE DIFFERENCE!
