## Lyman L. Jackson Building 40x80-Ft. Business House

Lyman L. Jackson, new Crowell business man, is building a 40x80-ft. business house across the street from the Womack Furniture Home. The building will be constructed of concrete blocks and will be plastered on the inside.

Mr. and Mrs. Jackson and two children, James and Eddy, moved to Crowell recently to make their home. They have bought Mrs. H. Schindler's residence. Mr. and Mrs. Jackson have two other children, Ray Jackson, of Pampa and Doris Jackson, of Ft. Worth.

Mr. Jackson will become the general manager of the new business house. He will sell farm equipment manufactured by that company.

Mr. and Mrs. Jackson have moved into their new home and the children enrolled in the Crowell schools at the beginning of the school term.

## Bluebonnet Seed Should Be Planted During September

The best time to plant Texas bluebonnets is when the seeds ripen, but they can't be planted after September for next spring's bloom, says Sadie Hatfield, extension landscape gardening specialist of Texas A & M College.

Bluebonnets have tough little seeds so it's a good idea to soak them in water around 24 hours before planting. This helps sprout them out. Then after soaking, take them into the soil at once and give them a good watering. It's during the cold months that the little plants grow, says Miss Hatfield, and they are injured by only the worst freezes. Only a few are killed by the coldest weather.

The state flower of Texas grows in many kinds of soil, but the best is the light, sandy soil. One of the beauty spots of the state during bluebonnet time is Old Ironsides, down on Matagorda Bay, says Miss Hatfield. Here the soil is a coarse white and mixed with sand, which means it's rich in lime.

In rich, well fertilized soil, the bluebonnets grow tall stalks, lots of leaves, but few blooms. People who live in the acid soils of East Texas could grow more bluebonnets if they would spread one pound of lime or ashes to each ten square feet of sandy soil. That means two pounds for clay or heavy soil, and no other fertilizer is needed.

Bluebonnets need plenty of sunshine and good drainage at all times. They can be transplanted, but will do better if they are left where planted. Up in the Panhandle area of Texas, it gets a little too cold for bluebonnets the year round, so they can be grown in frame gardens or pots during the winter and set out in the open in the early spring.

Where this flower is well adapted, it really grows, and after a fight with a spell of dry weather, it usually comes out on top. The bluebonnet is one flower that doesn't have to be cared for like the rose or the glad, says Miss Hatfield.

It can take lots of neglect.

## First Meeting of Local P. T. A. to Be on Tuesday Night

The initial meeting of the local P. T. A. will be held in the Crowell Grammar School on Tuesday night, Sept. 21. All parents and children from the schools of the surrounding communities who have students enrolled in the Crowell schools are urgently invited to be present. The meeting is to be Family Night with entertainment features and refreshments will be served. It is desired by those who have the P. T. A. responsibilities for the coming year that there be a large attendance at the first meeting.

Officers who will serve during the current school year are Mrs. Virgil Johnson, president; Mrs. J. T. Brooks, vice president; Mrs. Marion Crowell, secretary; Mrs. Gary Morgan, treasurer; Miss Nina Jo Chesser, publicity chairman and Mrs. J. B. Harlan, program chairman.

## THALIA CEMETERY REPORT

The Thalia Cemetery has received the following donations for upkeep, according to Mrs. Cap Adkins, secretary-treasurer.

W. F. Hlavaty, \$5.00  
H. S. Wallace, \$1.00

The amount reported for Mrs. Tennie Reed in a previous report should have been \$2.50 instead of \$2.00.

Last year 1,250,000 persons were injured in highway accidents.

## Kansas Couple to Open New Cafe in Crowell Soon

Mr. and Mrs. M. J. Rogers of Scott City, Kansas, are making preparations to open a cafe in the Frank Hudson building on the highway, four blocks east of the square, which was formerly occupied by the Hays Food Market. Mr. and Mrs. Rogers arrived here two weeks ago to make Crowell their home.

The building is being redecorated and plumbing fixtures installed by T. L. Owens, local contractor. The cafe fixtures are being made to order by the West Texas Coffee Co. of Abilene, and will be installed by this company. The fixtures will cost around \$4,000.

Mr. Rogers says that he expects to have one of the best and most up-to-date cafes in this section of the country. Women cooks will be employed. Mrs. Rogers will be cashier and will also serve as waitress. Mr. Rogers will be manager.

It is planned to have the opening of the new cafe on Saturday, Sept. 25. Watch this newspaper for definite date.

## Attend Funeral for Brother Lost in Italy in 1944

Mr. and Mrs. Charlie Cavin attended funeral and re-burial services in Collinsville Wednesday afternoon for S-Sgt. Herschell Cavin who lost his life in Italy on June 10, 1944.

Sgt. Cavin volunteered for service on April 28, 1942. He trained in Mineral Wells, went to North Ireland, North Africa, Sicily and Italy with the 133rd Infantry in the Fifth Army.

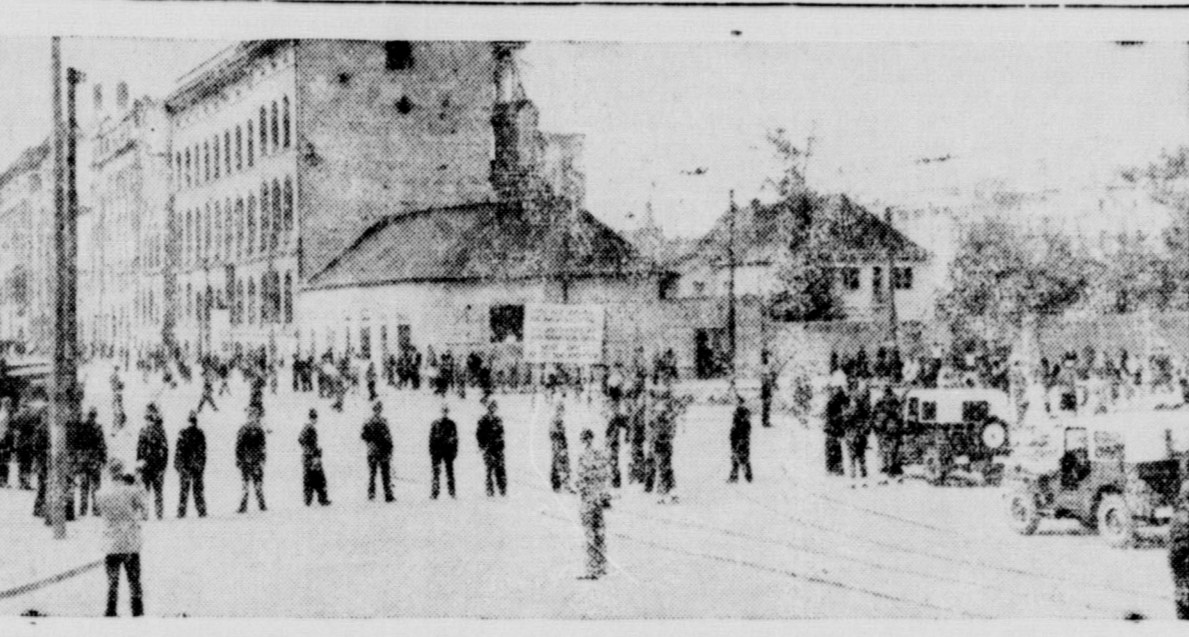

## ROTARY CLUB

Visitors at the Wednesday meeting of the Crowell Rotary Club Wednesday noon at the DeLuxe Cafe were Rotarians Vance Favor and D. L. Hickey of Quanah, Rotarian Rufus Starnes of Abilene, S. L. Julian, new manager of the Rialto Theatre, and Miss Frankie Kirkpatrick. Pete Yates of Wm. Cameron & Co. attended this meeting for the first time as a new member.

Miss Kirkpatrick entertained the Rotarians and visitors with colorful pictures of interesting scenes in Old Mexico while visiting in Mexico summer while which she took this City. The pictures were shown on a screen from a slide machine.

## SCHOOL STORE OPENED

Mrs. Clyde Cobb has opened and is operating a School Store immediately across the street from the Crowell High School and is offering the students school supplies, sandwiches, hamburgers, ice cream, etc. Mrs. Cobb operated a school store a number of years ago and is not inexperienced in the business.

WHERE EAST MEETS WEST IN BERLIN . . . One of the most tender and aching spots on the bruised body of this trouble-plagued world is the Potsdamer platz in Berlin where Russians, Americans and British all stand within arm's length of each other and don't feel too happy about it. There have been Russian forays across the line, ostensibly in search of black marketeers. There have been kidnappings of western Berlin police and there have been seizures of Americans who strayed a foot over the line. Here is a long line of U. S. MPs and jeeps drawn across the street to prevent influx of black marketeers into American zone.

## Street Marker Posts Will Be Erected Soon

The Civic committee of the Chamber of Commerce had hoped to start digging the holes for the street marker posts today, Thursday, however, an experiment yesterday showed that the ground was so hard that they may have to wait until after a rain to get the holes dug.

A group of members have already bolted together the markers and the angle iron posts. At the proper time they will assist Jake Denton who has been contracted to erect the markers.

These markers will be a definite sign of progress for Crowell, not to mention a relief to visitors who always have a hard time finding a place here, and likewise to delivery trucks.

After the posts are painted with aluminum paint they will be very attractive.

Work has already begun on the planning of the house numbers. It is quite a task, however, it is in the capable hands of Chairman J. R. Beverly and his civic committee.

## Legion Auxiliary to Sponsor "Poster Contest" in Schools

Mrs. Wanda Whitaker, chairman for the "Poster Contest" to be held in the local schools, sponsored by the American Legion Auxiliary, announces that plans are well under way.

The committee for the Veterans Gift Shop Tea, for which the Poster Contest is being held, announces that although the public in general is aware of this annual gift-giving to the Veterans Hospitals, they feel that many do not know just how this is operated.

Briefly, the gifts are sent from various Legion Posts and their auxiliaries to the hospitals assigned and there they are displayed in a shop set up for this purpose. Then early in December, each patient in the hospital selects whatever gifts he needs to send to his family, at no cost whatever to the patient.

Those patients not able to go to the gift shop are served with rolling tables carrying the various gifts and are permitted to select their needs from their beds.

It is hoped that the residents of Foard County will respond to this request, for it is just a small way to show the veterans that their sacrifices are still remembered. Without this project, many of the patients would have no gifts to send to their loved ones at the holiday season.

Anyone wishing to donate articles such as books, stationery, cigarettes, candies, toilet articles for either men or women, handkerchiefs, ties, hose, pens, pencils, games or any appropriate gift, may do so when this Auxiliary will sponsor a "gift tea" in October at the Adolphian Club House, or any member of the committee will be glad to call and pick up your gift.

Anyone desiring any further information regarding the Veterans gift shop, contact Mrs. Marjorie Magee, Mrs. Wanda Whitaker, Mrs. Thelma Hunt or Mrs. Alyne Graham.

## Officers Elected for 4-H Clubs at Meeting This Week

## Out-of-Town Speaker Will Be at Methodist Church Sunday Night

Dr. Glenn Flinn, director of Methodist Student Work in the State Schools of Texas, will speak at the Methodist Church Sunday evening, Sept. 18. Rev. T. M. Johnston of Vernon, District Superintendent of the Vernon district, will also be present at the service.

Rev. Aubrey Haynes, pastor of the Crowell church, extends a cordial invitation to the public to attend the service at 7 o'clock Sunday evening.

## Special Trades Day for October Will Be Held

The first "Share the Profit" Day in Crowell was such a huge success for the shoppers and likewise the merchants that everyone is already looking forward to the next one on the second Wednesday of the coming month, October 13, Hilton Crane has announced.

Many merchants are already planning even bigger and better bargains for the opening of the fall season. The shoppers have a real treat in store for them on Wednesday, October 13. It will be the lucky 13th for every shopper in Crowell that day.

"There was a pleasing and reassuring reaction on the part of the shoppers," Mr. Crane said. After they saw the quality of the articles on sale they realized that the merchants were sharing their profits with them. The low cost, the service and the good quality are something that is hard to meet in larger cities, because of the large overhead and the numerous clerks that have to be employed.

"No wonder the Crowell merchants can give high quality merchandise at so much lower prices than in a city with a larger population," the Chamber of Commerce secretary observed.

It was a welcoming sight to see the many friends here from Rayland, Thalia, Benjamin, Trustcott, Gilliland and, in fact, the entire county.

Many wives came with their husbands for the Livestock Barn sales that day and also for the bargains in the stores.

## First Meeting of Wildcat Canteen Will Be Saturday p.m.

Mrs. Doc Borchardt, president of the Parents' Club, announces that the opening meeting of the Wildcat Canteen will be on Saturday night, September 18, at 7 o'clock at the Community House. All further meetings of the Canteen will be held in the Community House.

All teen-agers are asked to be prepared to pay their registration fee and secure their membership cards. All parents of the teen-agers are urged to attend this meeting as well as all the following meetings of the Canteen.

A surprise will be given those present at the close of the business meeting. Officers for the Parents' Club, sponsors of the Canteen, are Mrs. Borchardt, president; Mrs. M. A. Wilkins, vice-president; Mrs. Ralph McKown, secretary; Mrs. J. B. Rasberry, treasurer and Mrs. Allen Sanders, press reporter.

## First Home Football Game of Season Will Be Played Here Friday Night; Crowell Wildcats vs. Paducah Dragons

The Crowell High School football team will be playing its first home game of the season here Friday night at 8 o'clock when the Paducah Dragons come to town. Both teams won their opening game last Friday night. The Wildcats defeated Monday 19 to 6 and Paducah won over Chillicothe by a 13 to 12 score.

Clifford Ohr, left end for Crowell, is the only Wildcat that was injured seriously enough in the Monday game to be forced out of the lineup this week. Clifford received a broken ankle that will probably keep him from playing for the next several weeks. Charles Pittillo, a scrappy red-headed sophomore, will likely take Ohr's place in the lineup.

The Paducah game should be a pretty good gauge for the Wildcats in their own district. Chillicothe, Crowell's old rival in district 12-A, played within one point of the Cottle County boys and the Wildcats will have to do as well to keep their prestige in good standing. There should be no favorite in this game.

The probable starting lineup for the Crowell-Paducah game:

PROBABLE STARTING LINE-UP			
No.	CROWELL	Position	WT. PADUCAH
35	C. Pittillo	L. E.	160 M. Guinn

## Entrants in Farm Bureau Contest to Choose Queen

Seven Crowell High School girls have already entered the Foard County Farm Bureau queen contest. Their names are as follows: Rozella Autry, Julia Rose Johnson, Mary Johnson, Joline Lanier, Ronyon Self, Peggy Pittillo and Dorothy Thompson.

Many other entries are expected as the contest is open to all single girls between the ages of 16 and 22. So, all girls interested in entering this contest should submit their names before noon, Thursday, September 23rd.

Three out-of-county judges will select the queen, who will be judged on poise, personality, and appearance. The selection of the queen will take place in the Crowell High School Auditorium on Thursday, Sept. 23 at 8 p. m.

The queen will receive fifty dollars in cash and the same amount in merchandise from the merchants of Crowell. She will represent the county in the District contest in Wichita Falls on October 1st. All her expenses to Wichita Falls will be paid by the Farm Bureau.

There will be prizes for the four runner-ups. The second place winner will receive a \$17.50 Samsonite Over-Nite make-up case. The third place girl will win a \$10.00 Full-View camera. The fourth place winner will get a \$5.00 cash prize and the fifth place girl will win a \$5.00 G. E. Electric Clock.

## Mesquite Spraying Done from Plane

According to Wm. Hosey, the AAA agent in Foard County, 300 acres of mesquite trees were sprayed by plane with a new formula, 24D and oil.

It is hoped that this experiment will prove successful in killing the mesquite trees in the county.

This experimental spraying took place on the land of Leslie Thomas, Dwight Campbell, Virgil Johnson, Bill Bell, Grady Halbert and Archie Campbell.

Recruiting Officer Here Each Tuesday

The local U. S. Army and Air Force recruiting sergeant, M-Sgt. Joe Patterson, will be in Crowell Tuesday afternoon of each week. Enlistments are 1 year, 21 months, and 3, 4, 5, and 6 years.

As a colony, Virginia was often called The Old Dominion.

Niagara Falls lies between Lake Ontario and Lake Erie.

## Crowell Wildcats Win Victory from Munday Moguls

The Crowell High School football team opened its 1948 season at Munday last Friday night with a decisive 19 to 6 victory. However, the Moguls retained a 6 to 0 tie with the Wildcats until the last quarter. Crowell led in first downs seven to three and in yards gained 162 to 61.

The Moguls scored first in the game when they recovered a Crowell fumble on the Wildcat 30-yard line and on a pass from Scott McGraw netted twenty-five yards and on the next play, Scott slipped over his own left tackle for the score. Munday did not threaten to score any more in the game.

Late in the second period the Wildcats turned the tables by intercepting a pass on the Moguls' 35-yard line. On Biggerstaff's 15-yard thrust and several short gains they moved the ball to the Munday one-yard mark, and Biggerstaff poked it through center for the score. The try for extra point failed, to leave the score 6 to 6 at half time.

After a scoreless third period, Biggerstaff set up another Wildcat score by racing 18 yards to the two-yard line, from which point Billy Joe Halenack circled left end for a touchdown. Halenack repeated the same play for the extra point. Just before the game ended, Rouse Todd broke over right tackle and galloped 51 yards for the longest run of the game and the final counter. The try for extra point was no good to leave the final score 19 to 6 for Crowell.

Crowell's blocking and tackling were much superior to that of the Munday boys. Grover Yocham led in the blocking department and Don Wilkins, center, led in the defensive work. However, it would be unfair to mention these two boys without stating that Crowell's entire line looked much better in both blocking and tackling than they did last season. Coach Scott Whitaker used the following twenty-two players in the game: Clifford Ohr, Charles Pittillo and J. P. Bartley at ends; Hack Norman, Jimmy Rasberry, Fred Glover, Leon McNeese and Bobby Lax at tackles; James Bice, Floyd Borchardt, Walter Caddell and Jimmy Franklin at guards; Thomas White and Don Wilkins at center; and F. L. Ballard, Rouse Todd, Billy Joe Halenack, Jerry Culbertson, Dalton Biggerstaff, Grover Yocham, Buddy Rader and Buster Laquey in the backfield.

The Wildcats play the Paducah Dragons here this Friday night for their last practice game of the season.

Joseph Caillaux, tried for treason during World War I, became France's Minister of Finance in 1925.

VETERANS'

QUESTIONS AND ANSWERS

Q. I am a World War II veteran and intend to go abroad for several years. Does VA have representatives in foreign countries?

A. The Foreign Service of the Department of State cooperates with Veterans Administration in the administration of certain benefits available to veterans in foreign areas.

Q. Does VA attempt to improve types of prosthetic aids available to veterans?

A. Yes, Veterans Administration conducts extensive research projects in attempting to discover new and better prosthetic devices.

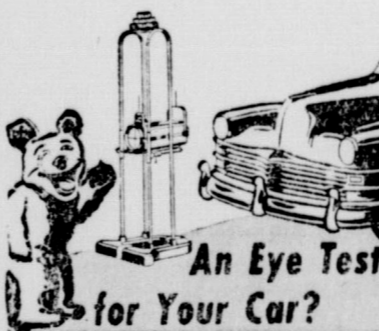

Q. Is a disabled veteran in on-the-job training permitted to receive wages and if so, how much can he receive?

A. A disabled veteran in on-the-job training may receive wages while training, but if the wages plus his subsistence allowance exceeds the journeyman rate for a trained worker in that occupation, the subsistence allowance will be reduced by VA proportionately. However, other payments that he receives from VA because of his disability will not be affected.

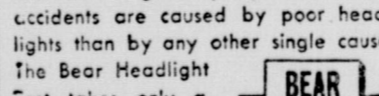

Q. Will Veterans Administration pay for the medical care of my dependents?

A. No. Under existing laws, only eligible veterans are entitled to VA medical care.

### A Plea for Help in Auxiliary Work

Members of the American Legion Auxiliary submit the following editorial:

"Has it ever occurred to you just what the American Legion and Auxiliary stand for and how much they mean to you? A handful of members of these organizations in our community have been working their collective 'heads off' to make this outfit what it is today, and who are still working on their own time and money to secure better things not only for the veteran, but for you, right here at home.

"Every community has veterans within its bounds and every veteran is a potential patient for one of the many Veterans Hospitals within this United States. The wars have touched every home, either directly or indirectly and although it seems hard to believe, too many of us are prone to forget. Not so the mothers and fathers, widows and orphans whose loved ones made the supreme sacrifice. In our many Veterans Hospitals there are wrecked pieces of humanity today, with not only physical disabilities but men who once were fine and gay men who had great ambitions now lying there day after day, year after year with warped minds and maimed bodies. Surely, we can do our part for these brave heroes and in memory and honor of those who gave their lives.

"Friends, profess your belief in the cause for which our boys died.

"If you are already a member of the Legion or Auxiliary, be one that the organization will hail with pride. Our men are ready when the crucial moments arrive to serve their country—let's not let those brave men down, uphold the things they fought to save and put forth our efforts to do all we can for the ones left in the Veterans Hospitals. One of the best ways you can serve is by joining one of these service organizations. If you haven't joined and are eligible, join today.

"Have you forgotten? "Did you or your loved one come through safely? Thank God for His mercy in sparing so many of our men, but don't forget that many hearts are broken now for their Johnnies who didn't "come marching home."

You need not tell all the truth, unless to those who have a right to know it all. But let all you tell be truth.—Horace Mann.

Success: Making enough money, by the time you break down, to pay the sanitarium.—Robert Quillen.

What men want is not talent, it is purpose; not the power to achieve, but the will to labor.—Bulwer.

By working faithfully eight hours a day you may eventually get to be a boss and work twelve hours a day.—Frost.

### What We Think

(By Frank Dixon)

The recent election brought again to attention of everyone the fact that there are not enough people in this country going to the polls to vote. The stay at home portion of those qualified to vote is almost as large as those who get out to vote.

This represents a greater danger than most people realize. The danger lies in the fact that our form of government in which the leaders and officials are chosen by the vote of the people.

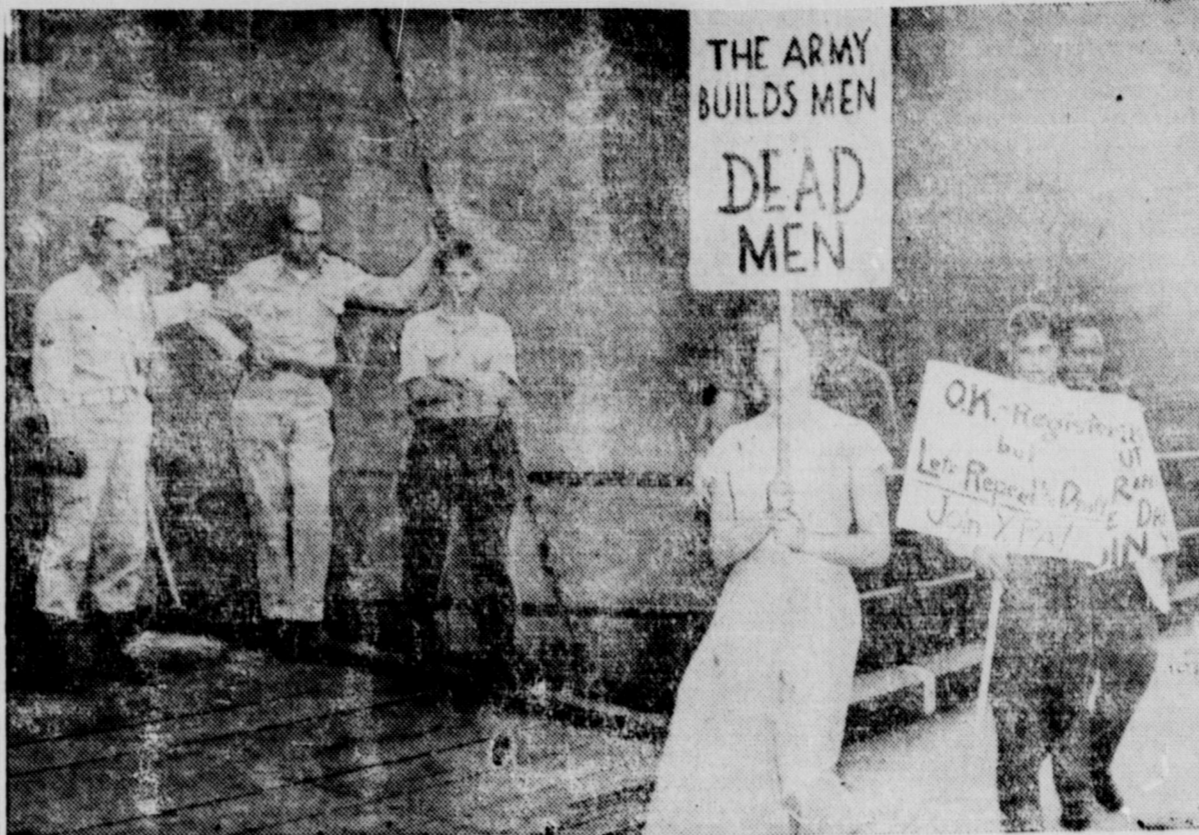

In one of the recent presidential elections but 52 per cent of the qualified voters took the trouble to go to the polls and vote. In that particular election a minority party, hostile to our form of government could have elected its candidate with a vote totaling less than one third of the eligible voters of the country.

This fact should serve to disturb even the most indifferent, especially at a time when every one knows that every effort possible is being made by the Communists and their fellow travelers to overthrow this government. They are watching every opportunity and resorting to every trick and scheme possible to deceive the voters in the hope that they may be able to get a foothold in this country. Once they succeed we are going to discover that it will be extremely difficult to dislodge them.

No end of effort has been put forth by the press, by public speakers, by the pulpit and by the radio, to urge upon the citizens of the land the necessity, the very urgent necessity of voting. So far it has seemed to produce but scant results. About the only time some citizens vote is when they want to beat some local candidate in favor of another, not because he is an inferior citizen or official but because of political partisanship purely, or because of personal reasons. This is patriotism, as expressed by the ballot, in its lowest form. Those who are inspired to vote for these reasons alone, are not assuming any measure of responsibility for their country, they are not inspired by patriotic or loyal motives. They may not even have an intelligent concept of what responsibility and loyalty to our form of government means.

I have come to the conclusion that there is nothing to be gained in talking to the adults of the country. Whatever relief or progress we make in this field is going to come through the children. The adults like to tell the children what they should do but rarely is it possible to teach an adult even concerning the vital matter of his country's welfare.

In my opinion, if we ever correct this growing fault, and in difference and escape the threat that the indifference carries we are going to have to put into our

**VISUAL PROTEST AGAINST PEACETIME DRAFT . . .** All over the nation young men were lining up again. The occasion was the second peacetime draft in the U. S. within eight years. There were the usual long lines of impatient men wanting only to sign up and get it over with. And there were the usual delays and snarled up procedure. In short, the draft registration seemed to be progressing pretty normally, even to the inevitable "protests." In Boston, as soldiers looked on, a group of picketers carrying placards objecting to the draft marched in front of the first corps cadet armory during the first registration day.

schools a course that will impress upon the young people the importance, and the necessity, and the imperative need of every one to vote at every election.

I think the course should run throughout the grade and high school year. It should be given equal consideration with arithmetic and grammar. We must see to it that the coming generation is better than our own, and has a more sensitive concept of its obligation to the past, and its responsibility to the future. If we fail we are going to lose something out of our way of life in this country that once lost cannot be recovered.

### HISTORY

Laying of the Corner Stone of the White House—October 13; The President's house in Washington, D. C., is known as the White House. It is sometimes called the executive mansion. Construction on the White House was started on October 12, 1792. A prize of \$500 had been previously offered to the person who would submit the most acceptable plan. Many plans were submitted and the prize was won by James Hoban, an architect of Charleston, South Carolina. The White House is said to be modeled somewhat after the mansion of the Duke of Leinster in Dublin. It is 179 feet long and 86 feet deep. The East Room is 40x80. Hoban, who submitted the winning design was chosen to superintend its construction. Though construction was begun in 1792 it was not completed until 1800. John Adams was the first President to occupy it. Until the administration of Theodore Roosevelt it was both the office and the residence of the President. President Roosevelt had an office building built which is connected with the White House by a corridor. The White House was damaged by fire when the British burned Washington in the War of 1812. To cover the smoke blackened walls the building was painted white. It was from its white color that it receives its name.

We have lost track of the woman who offered to sell herself as a wife for \$10,000. Is she still engaged in the quest, or, having looked them over, has she come to the conclusion that the average man, after he has worked hard enough and long enough to save \$10,000 is no prize catch?

The steel companies last week granted an increased wage to all steel workers. As a result the public will have to pay an increased price for its steel and all products into the manufacture of which steel enters. The circle of advancing prices which will soon cause a demand for another wage increase is thus started.

### Uncle Sam's Selective Service

(Editor's note: Below is one installment of a series of questions and answers on the second peacetime military training program. It has been prepared under the direction of the Texas Director of Selective Service, Maj. Gen. K. L. Berry.)

#### Exemptions and Deferments, No. 2

Q. Are regular or duly ordained ministers of religion exempt from training and service?  
 A. Yes, but they must register.  
 Q. What does the term "duly ordained minister of religion" mean?

A. A person who has been ordained by a church or religious organization to preach and teach its doctrine and administer its ceremonies in public worship. It must be his regular, customary vocation.  
 Q. How about the term "regular minister of religion"?  
 A. Such a person is the same as the duly ordained minister, except that he has not been formally ordained, yet is recognized by the church, sect, or organization as a regular minister.

Q. Does either of the terms include a person who irregularly or incidentally preaches and teaches?  
 A. No.  
 Q. Do these terms include a person who may have been ordained but does not preach, teach, or administer rites of his religious organization regularly?  
 A. No.

Q. Are students preparing for the ministry exempt from training and service?  
 A. If they are preparing under the direction of recognized churches or religious organizations, and if they are satisfactorily pursuing full-time courses of instruction in recognized theological or divinity schools or full-time courses leading to entrance into such schools, in which they have been pre-rolled, they are exempt from training and service, but not from registration.

Q. How about men involved in study, research, farm work, medical, scientific or other endeavors found to be necessary for national health, safety, or interest?  
 A. The President has ruled that such men can be deferred for one year or less. These deferments may be changed by the President or local boards if these registrants change jobs.

There are some things that you—and your family—consider worth striving for. Perhaps a home of your own—the education of your children—capital to start a business of your own.

Saving a small amount each week or month, will get you the things you want. It's not the idea of saving a whole lot now, and then putting aside a large amount later. It is the practice of making regular deposits in your account.

Save a little or save a lot, but save something. It's the regularity that counts.

### Only Two Cases of Smallpox Reported in Texas This Year

Austin, Texas. An interesting sidelight on public health in Texas was revealed in the morbidity report of the Texas State Department of Health for the week ending August 28th, which showed a total of 2 cases of smallpox for this year, while in the same period there were 588 cases of diphtheria.

Commenting on these comparative figures, Dr. Geo. W. Cox, State Health Officer, stated that diphtheria is as readily controlled by immunization as is smallpox, but that apparently the public has failed to recognize this fact, or to act upon it.

"Smallpox, which is highly contagious, is no longer considered a major health problem in Texas," Dr. Cox said, "and this is due to widespread vaccination against the disease. Diphtheria, equally contagious, can also be reduced to the point where a single case is a rarity, but only when parents awake to the fact that every child should be immunized in infancy. The baby's doctor will recommend when this should be done, and if all children were given this protection, there would be none susceptible to contract this killing disease."

Ordinarily the immunity provided by diphtheria toxoid lasts a child until he is of school age, however a Schick test should be given before the child enters school. If needed, an additional shot of toxoid should be administered.

### Governor Proclaims September as "Child Safety Month"

Austin, Sept. 13 — Governor Beauford Jester has proclaimed September as "Child Safety Month" to focus attention on the need for protecting children from traffic accidents as they start back to school.

A statewide program reaching into every community that has an American Legion Post is being sponsored jointly by the Legion and the Texas Safety Association.

Motorists are being urged to "watch out for the kids—give them a brake." Parents are encouraged to help teach safe habits to youngsters. The kids themselves are reminded not to play in the street or road and always to look before crossing a thoroughfare.

Governor Jester in his proclamation pointed out that 218 children below the age of 14 were killed in Texas traffic accidents last year, while 1826 boys and girls were injured.

### Quanah Invitation Golf Tournament to Be Held October 1-3

The Quanah Country Club has announced the 1948 Quanah Invitation Golf Tournament. "In celebration," the announcement reads, "of our new bent grass greens, now in good condition."

The tournament will be held October 1-3, with qualifying closing at 7:00 p. m. September 30. Qualifying scores should be sent in before that time, and qualifying for medalist honors will be at the Quanah Country Club on that day.

Work began on the new greens last fall, and the maiden tournament was the Quanah City Golf Tournament played there in August.

To open the tournament a Dutch Supper will be held at the Club at 7:00 p. m. September 30, and a Calcutta Pool will follow at 8:30.

Among nearby towns from which golfers are expected are Vernon, Electra, Crowell, Paducah, Childress, Memphis and Altus. Golfers are also expected from Wichita Falls, Fort Worth, Oklahoma City and Frederick.

Other towns to which at least one invitation is being sent are Shamrock, Borger, Amarillo, Lubbock, Abilene, Plainview, Sweetwater, Lawton and Seymour.

St. Edwards Catholic parish of Minnesota, Minnesota, has a matrimonial record. Five children of Mr. and Mrs. Will Gossen have married five children of Mr. and Mrs. Nick Janssen during the past five years. Neighbors say there is still a chance to make the record better as Mr. and Mrs. Gossen, farmers, have fourteen children, and Mr. and Mrs. Janssen have twelve children.

During the five years of the war the U. S. Navy increased from 1,900,000 tons to 13,800,000 greater than all the other fleets of the world.

## "ON YOUR KNEES," YOU LOWLY FISH

Another September has rolled around, this means a new school year, and, of course, with each school year comes many new faces in the freshman department.

We juniors and seniors treat these freshmen as fish, and we are very thoughtful in welcoming them to the halls of old CHS. So if you happen to see several shoe shine stands in various places on the campus, it is only a new business started by the freshmen at the command of the juniors and seniors.

Don't think that Christmas has suddenly erupted upon unexpectedly if you see red faces and green ribbons, because it is only a welcoming sign for the fish posted by the juniors and seniors.

Of course, good sportsmanship is a must in this welcoming campaign by both the fish and upper classmen.

Even though we, the upper class-

## DANCE, BONFIRE, WEINER ROAST, HIGHLIGHTS OF WEEK

On Friday, Sept. 3, a dance was given at the community house in honor of the football squad. Hostesses for this enjoyable occasion were Myrtle Bartley and Joline Lanier.

The ones who attended were all in a gay spirit, and this was one thing that made the dance a success. The crowd danced to everything from western to popular tunes, with a few specials in between. The house was gayly decorated with tiny paper footballs of all assorted colors.

On Tuesday night, Sept. 7, the pep squad girls sponsored a huge bonfire on the high school campus in honor of the football squad. The highlight of the ceremony came when the bonfire was lighted and the dummy which represented Monday came toppling down, along with the pep yells of the pep squad.

After the ceremonies were over, the football squad was treated to a weiner roast by the pep squad girls.

## CLOSE, SAULS, HUNTER, HULSE NEW TEACHERS

It was not the female students of CHS who were receiving the "hubba-hubba" this week, but the attractive brunette civics teacher who hails from Alexandria, La. Miss Mary Alice Close is also teaching world history and band. She was elected pep squad sponsor last week.

She majored in music at Abilene Christian College, where she received an A. B. degree.

Her favorite sport is tennis, and her favorite pastime is reading and eating candy. Her pet peeve is onion eaters, and her favorite screen star is Ingrid

Bergman.  
 We, the students of CHS, welcome this new personality to the faculty of our school.

We are proud to have on our faculty this year, Mrs. Jack Sauls. Mrs. Sauls is one of our own dear old CHS graduates. She received her B. S. degree from Texas State College for Women, where she majored in home economics. She is now teaching chemistry, reading and writing. She confesses chemistry is her favorite.

Her favorite sport is football, and she also likes heavy drama. Her favorite actor and actress are Humphrey Bogart and Lauren Bacall. She likes to cook, and when it comes to CHS, she thinks there is nothing that will compare. Her pet peeve is show-offs and braggarts.

Mrs. Sauls and her husband have recently built an attractive home one block west of CHS.

Miss Emma Belle Hunter is a new teacher in grammar school this year. She is teaching in the fifth grade and says she likes it very much.

She received her BA degree at Texas Wesleyan College at Fort Worth, where she majored in social science, English and Bible. Her favorite sports are football and basketball. She likes to read novels and to eat rhubarb pie. Her pet peeve is to have too many talkative children in her room.

Miss Hunter said, "I do not believe I could find a finer place to teach than right here in Crowell Grammar School."

"Mrs. Hulse, can I—"  
 "Now, Jimmy, you must remember—it's May 1."  
 These are words which are often said by Mrs. Zelma Hulse, the new first grade teacher who has taken the first grade which was taught by Miss Thelma White. Mrs. Hulse attended NTSTC at Denton where she majored in English. She also attended CHS where she was head librarian for two years.

At present she is majoring on tending to her baby boy and reading; these are her two favorite hobbies.

## RECEIVES INJURY

Vernon Jones has acquired a dislike for two white Brahma calves. This is understandable if you have heard what happened to Vernon Saturday afternoon.

Vernon was helping pen some Brahma calves and two of the calves decided to run over him. He grabbed the fence which seemed to be made of barbed wire, when the calves pushed Vernon down onto the fence and his hand was cut deeply. The doctor says he will not have a stiff hand so he can still be a cowboy.

## PEP SQUAD ATTENDS OPENING GAME AT MUNDAY

The 1948 Wildcat Pep Squad is backing the boys all the way. The Tuesday night Bonfire and Pep Rally and the Friday afternoon Pep Rally were climaxed by the enthusiasm of the Pep Squad and other fans Friday night at the Crowell-Munday game at Munday.

The Pep Squad bus left Crowell Friday afternoon at six o'clock with about forty girls, the drum, and Miss Mary Close, Pep Squad sponsor. Howard Gamble drove and Charlie Bartley also went with the Pep Squad. A short stop was made in Truscott to pick up more girls and then the bus rolled on to Munday. Old yells and new

were in the air as the Pep Squad exercised their voices for the game. "Here Come the Grand Old Wildcats" the traditional song by which our CHS Pep Squad enters and leaves every town on the night of a game, was heard in every town the bus passed thru. The Pep Squad leaders, Betty Parker, head leader, Julie Rose Johnson, Betty Lou Brock and Peggy Evans led the Wildcat football squad onto the field. Throughout the game the Pep Squad was yelling for its team. We think this faithfulness had something to do with the 19-6 score in favor of Crowell.

## NEW UNIFORMS FOR CHEER LEADERS

Those four flashes of color you saw in the Pep Squad Friday night were the cheer leaders in their new uniforms.

These uniforms are the cutest that CHS has had in several years. The suits are black gored skirts and fitted weskits worn with gold satin blouses. The blouses have long full sleeves that end in a close fitting tapered cuff. The skirts are lined with gold satin which peeps out briefly when the girls swirl around. All four of the leaders wear black suede ballet slippers trimmed with gold.

## WILDCATS COME FROM BEHIND TO CLIP MUNDAY 19-6

Last Friday night the Crowell Wildcats broke into the winning column for the first time in eleven starts by defeating Munday at Munday to the tune of 19 to 6.

Munday made the first touchdown after covering a Wildcat fumble on the Wildcat thirty yard line. Two plays later, after a pass which netted twenty-five yards, Scott ran over for the counter.

In the second period Crowell began to roll. Halenack intercepted a Mogul pass on the Munday thirty-five. And after several short gains, Biggerstaff plunged over from the one yard line. The try for extra point was unsuccessful and the half ended 6 to 6.

The third quarter went scoreless for both teams with the Wild-

cats being penalized time after time.

Then in the fourth quarter the Wildcats turned it on once more. Good blocking on a run set the ball on the two yard line. Halenack skirted left end for the touchdown. The same play netted the extra point. Late in the game, Todd raced 51 yards for a score and the longest run of the game. The final score was 19 to 6.

One of the most impressive things of the game was the way the Crowell boys held their spirit. The line showed up very well in setting Munday back time after time especially for the backfieldmen.

Crowell will play Paducah Friday. This should be a very exciting game.

## SENIOR RINGS ARRIVE

The Senior rings have at last arrived!

Under the supervision of Marvin Myers, last year's Junior class selected their senior rings—and so they arrive in September.

The boys' and girls' rings are alike except that the girls' rings are smaller than the boys'. The rings are gold. In the center of the ring is a rectangle with a silver and pink gold oval mounted on the rectangle. The crest in the middle of this oval is a gold CHS on black enamel. The year, 1949, is found on the sides of the ring. Inside the band each Senior has his initials.

The rings were well worth waiting for—just think how long the freshmen have to wait!

Something New! Anna Owens and Charles Steele, Edna and Buddy Rader, and Joline and Donald (Knox City).

Something borrowed! Mr. Black's test papers.  
 Something Blue! Myra Don. We wonder what about? If anyone is of a pugilistic na-

ture, see J. P. Bartley.

Edna Jewel's dream man seems to be Rouse Todd.

J. C. seems to have a crush on a certain Dorothy Thompson. We hear that Julia and George are going steady.

Maggie Faye thinks this column should be reserved for her and Kendrick Joy.

Grover and Betty Lou are a cute couple seen around.

Jean Lavoy and Bob, Edna Jew-el and Rouse were whispering sweet nothings in each other's ears after the bonfire Tuesday night.

Peggy and Clifford, Walter and Frankie were making the rounds Saturday night.

Pat Rhodes looks very happy. Harold is here.

J. C. Thompson and Mary Johnson were together Sunday night, and with them were Peggy and Dick.

Floyd and Pozy still make a two-some in dear old CHS.

Has anybody else—  
 Wished we'd beat Paducah tomorrow night?

Noticed the pep leaders white coveralls?  
 Gotten hit over the head with Betty Fern's megaphone?

Asked Peggy "Who fired that shot?"  
 Wished we'd have another bonfire?

Noticed our new office girls? Liked that Mississippi Mud?

Been in by 10 o'clock besides the football boys?

Eaten crackers for breakfast besides the pep leader?

Be seen ya',

# STAYS SILENT LASTS LONGER...

Only Servel is Guaranteed for 10 years

More and more Texas families prefer Servel! For Servel is the one refrigerator that offers permanent silence, longer life—and proves it with a ten-year guarantee!

Why is it possible to guarantee this modern refrigerator for ten years? Servel has no moving parts in its freezing system. No motor or machinery that can wear or cause noise. A tiny gas flame (butane gas, natural gas or manufactured gas) does the work. So the Gas Refrigerator stays silent, lasts longer. And actually, among its 2,000,000 delighted owners many tell us, "Still silent, worry-free, after 20 years!"

But a different, simpler freezing system is only part of the story. The new Servels bring you every new food-keeping feature, too. Come see the famous Gas Refrigerator—first choice of more and more Texas families. See it today.

 Do you know the best way to assure your children a fine education? Possibly right now you are picturing them in a college cap and gown. But you must realize that college education is the entire cost of a college education. You need not wait until they enter college to start paying for it. Start now on the safe, sure-saving way with U. S. Savings Bonds. In ten years you'll have \$4 to spend for every \$3 you put in. There are two automatic ways for the purchase of U. S. Savings Bonds, your firm's Payroll Savings Plan, or, if self-employed, your bank's Bond-a-Month Plan.

**THE BIBLE SPEAKS**  
 International Uniform Sunday School Lessons  
**By DR. KENNETH J. FOREMAN**  
 SCRIPTURE: Acts 19:23-41. DEVOTIONAL READING: Romans 13:1-16.

**For a Better City**  
 Lesson for September 19, 1948

**Dr. Foreman**  
 The question is: What makes a city better? Four different ideas on that line—two very bad ones and two good ones—can be seen in the story of Acts 19.

**You should read the story itself before looking over these comments.** Because we are beginning toward the end of the story, with the very lowest and silliest of the four ideas how to make a city better. It is a very simple idea: Just "holler," yell, make a demonstration. Make it long, make it loud, and the city will be the better for it. For two mortal hours that absurd mass-meeting kept the uproar going: "Great is Diana of the Ephesians!"

**A curious thing, the mob-mind.** If something is true, how can noise make it true? If a thing is a lie, how can all the shouting in the world make it respectable? But the mob-mind thinks that if a thing is said loudly enough and by enough people, it is bound to be true.

**So that theater-full of fools** wasted a good afternoon shouting a lie into the deaf blue heavens. It did Diana no good. She was as dead as Marley's ghost, she had never lived, in fact. It was no use drumming up the decibels. Do you know people who think they can make your town better by shouting about it? It won't work. You can make a town or county famous if you shout long enough; but you won't make it better.

### MAKING MONEY

**The silversmiths there in Ephesus** had another theory. The way they looked at it, the big thing is money. They used to make money selling their little silver shrines. Now this fellow Paul had come along, persuading people that hand-made gods are no gods at all, and the trade in "sacred" trinkets had fallen off. It looked like a bad year for the silversmiths. To make things better, they decided they needed more money. More business! More production! The fact that what they produced was not only worthless but actually harmful, did not seem to bother them.

### ABIDING BY THE LAW

**The town clerk of Ephesus** had a simple idea, vastly better than these other two. He saw no sense in the mass meeting, he seems not to have been taken in by the silversmiths' crocodile tears. If anything was wrong in Ephesus, he said, the courts were open, and trials were open, and trials could be held. We have laws—let us live by them; that was the gist of his idea. That is not bad advice. All honor to the honest servants of the public who now as then give their best efforts to seeing that good laws are made and well enforced.

### CHANGING LIVES

**Speaking of laws, there are three kinds of people in the world.** One kind will not obey the laws whatever they are. These are the criminal classes. A second kind stay "inside the law" but they never advance a step beyond them. A third kind, too rare, will go far beyond the law's requirements in personal living and in social helpfulness.

**Now Paul had been in the city of Ephesus** for some months, and he had nothing to do with the laws of that city. Yet what he was doing was more effective in making that city better than anything the courts could have done. For what he was doing was nothing less than changing lives. "The trouble with people is that they're people," and the business of Christianity first of all is changing people. It is no use hanging out the slogan "For a Better City" unless you are working for better people.

**A tree is no healthier than its roots, and a community's roots** are the characters of her people. And from St. Paul's day to this, the one and only organization which sets out to change people from the inside is the Christian church.

## Items from Neighboring Communities

## JUNIOR BOYS VISIT NEWS

**Grover Yocham and Bobby Stinebaugh** visited the Foard County News office Wednesday, Sept. 8, to examine the various equipment used in publishing a newspaper. The staff was very cooperative, giving them all the information they could.

**Most interesting of the equipments** used by the paper is the Linotype machine, which molds letters and sets them in place, the printing press, which prints the paper, the stereotype machine from which pictures for advertisements are made.

**Bill Klepper, who has taken a course in Linotype operation** and maintenance at the Southwest School of Printing in Dallas, has recently overhauled the Linotype machine, so that the machine works like new.

**Bill Bruce, who was working in the place of Goodloe Meason,** while he is ill, explained the tele-type machine, photo-engraving and how the Associated Press operates.

**The boys came back to school** with an enthusiastic report of their visit.  
 Ex-Senior Larry Wood, who was a former Wildcat editor, has had a profitable position writing script for radio this summer, ex-senior Marvin Briscoe, who was a sports editor last year, is now working on the Houston Chronicle.

## J. C. Baty Weds Miss Cerveny in Rhineland

The Rectory of St. Joseph's Catholic Church in Rhineland was the scene of a lovely informal wedding on Saturday, September 12th at 10 o'clock in the morning uniting Miss Carolyn Cerveny, daughter of Mr. and Mrs. Frank Cerveny of Rhineland, and Joseph C. Baty, son of Mr. and Mrs. Ray Baty of Gilliland.

Father Fabian Diersing officiated at the nuptials for which the bride was attended by her aunt, Mrs. Wilma Homer, of Rhineland. The bride wore a dress of tissue faille moire of champagne toast with brown accessories and a corsage of white gardenias. Her attendant wore black faille and a corsage of yellow roses. Best man was Phillip Homer of Rhineland.

Following the ceremony a luncheon was served at the home of the bride to honor the bridal party and members of each family. A beautiful wedding cake formed

the centerpiece for the table.

Mrs. Baty is a graduate of Rhineland High School and was employed in Dallas at the time of her wedding. Mr. Baty is a graduate of Truscott High School and is employed by Browning Motor Co. in Truscott.

Out-of-town guests for the wedding included Mrs. Larvalce Berg, Misses Vandolyn Browning and Ann Haynie of Truscott and Mr. and Mrs. Richard Hunt of Crowell.

The couple now reside in the home of Mrs. Smartt in Truscott.

## Sunday School Has Class Entertainment

The Young Married Couples' Class of the Margaret Methodist Church was entertained with a 42 party on Friday night, Sept. 10, at the home of Mr. and Mrs. Clois Orr with Mrs. Orr and Mrs. Raymond Bell as hostesses.

Those present were Mr. and Mrs. Cecil Ray Moore, Rev. and Mrs. C. R. McGregor, Mr. and Mrs. Wm. Bradford, Mr. and Mrs. Grover Moore, Mr. and Mrs. Clarence Ross, Mr. and Mrs. Carl Ingie, Mr. and Mrs. Charles Hasehoff of Houston, Frank Dunn of Odessa, Mr. and Mrs. Clois Orr, and Mr. and Mrs. Raymond Bell. Cake and punch were served after a gift was presented to the high scorers, Mrs. Grover Moore and Charles Hasehoff.

Babe Ruth's real name is Geo. Herman Ruth.

## Morning Coffee Is Given to Compliment Mrs. Jeff Hardin

As a parting compliment to Mrs. Jeff Hardin and her daughter, Miss Ina Mae, who are leaving soon to make their home in Galveston, Mrs. S. B. Hord, Mrs. Grady Magee, Mrs. C. B. Graham and Mrs. Richard Hunt were hostesses at a delightful coffee at the Premier Hotel Wednesday morning between the hours of 9 and 11.

Mrs. Hunt received at the door and the guests greeted Mrs. Hardin and her daughter before going to the register where Mrs. Henry Earle Thomson presided. They then went into the dining room where the coffee table was beautifully decorated with colorful zinnias and other seasonal flowers. A Mexican gayly colored cloth covered the table while the small tables from which the coffee was served were laid with gay cloths.

Mrs. Magee poured coffee which was served with dainty sandwiches and tiny doughnuts.

The hostesses presented the honor guest with a lovely silver cream and sugar and she also presented a gift by the Business and Professional Women's Club.

After visiting with the honorees and bidding them goodbye and extending good wishes, the guests departed.

## Engagement of Miss Richardson to Donald Ward Told

Mr. and Mrs. W. A. Richardson of Tulsa, Okla., have announced the engagement of their daughter, Miss Martha Ann Richardson, to Donald J. Ward, son of Mr. and Mrs. J. A. Ward, of Crowell.

A definite date for the wedding has not yet been set. Miss Richardson is a graduate of Will Rogers High School in Tulsa. Mr. Ward graduated from Crowell High School and attended the University of Tulsa. He served three years with the 9th Air Force.

### VIVIAN H. D. CLUB

"In electrical equipment," said Mrs. James Welch, Home Demonstration agent, to the Vivian Home Demonstration Club, which met with Mrs. Egebert Fish, Thursday, Sept. 9, "it has been found that irons come first and lamps second."

"In buying an iron," continued Mrs. Welch, "don't buy the first one you see or one that is a bargain. See that it has a name behind it so that it can be repaired. Get one that has a heat control with the cord in the end of the handle and one that is plugged in. Lift the iron to see if it is light in weight as it is the heat and not the weight that does the ironing. Have the dealer plug the iron in and set it on a piece of paper to see if it heats evenly. If the paper scorches all over it means that the iron heats evenly."

"In vacuum cleaners the upright kind is better for rugs, but more expensive. There are several attachments available for cleaning different things. In selecting one, choose the kind that is adjustable with dust-proof bag and parts protected."

Visitors for the day were Mesdames J. W. Carroll, Henry Fish and James Welch.

The club will meet with Mrs. W. O. Fish Thursday, Sept. 23, in an all-day meeting. Officers will be elected and a demonstration will be given.

In 1939 taxes took one out of every thirteen dollars of our national income; today taxes exact one out of every four dollars Americans earn.

The war expenditures of the United States exceeded those of Great Britain and Russia combined.

More than one-half of all the munitions used in World War II were made in the United States.

The Olympic games of 1928 were held in Amsterdam.

Nearly every small town in the country at one time or another has wished and even hoped that it might one day have an industry of its own. Its leaders have groped about in their minds for some industry that they might take from some other town where it is already established and transport it bodily into their town and set it up a going concern with its technique and marketing facilities intact. It sounds good, but it isn't the smart way or the best way to get the job done. The best way is to sit down and figure out an industry that will fit into the community and for which the community is adapted in the matter of raw materials, labor, distribution and transportation. This done the next thing is to find some one who will start the industry in a small way and pioneer it until all the bugs are worked out of it and it has become a proven possibility. When this point is reached expanding the industry becomes a simple mechanical procedure. It is the surest and best way for any community to build an industrial payroll. The fact that it lacks the spectacular causes it to be ignored and the opportunities of this kind that exist to be overlooked in view of bigger and greener pastures further away.

IT'S ALL PLANE TO HIM NOW... Practically any airplane seems big to a small boy, but when you come up against a mammoth like this the total effect is almost overwhelming. Ten-year-old David Bonvouloir of Washington, D. C., is completely nonplussed by the tremendous bulk of this new navy airliner, a Lockheed Constellation, recently christened and opened for public inspection.

## Veterans News

Dependents of deceased World War II veterans who get death compensation checks from the Veterans Administration will receive individual reminders of their possible entitlement to income tax refunds, and of the necessity for applying for them before the end of the year, VA reports.

The refunds, authorized by Public Law 367 of the 80th Congress, apply to certain income taxes of members of the armed forces who died while in active service between Dec. 7, 1941 and Dec. 31, 1947. Application must be made by December 31, 1948.

Subject to refund under the law are all Federal income taxes paid by or on behalf of such members of the armed forces for the taxable year in which they died, and for prior tax years dating back to Dec. 7, 1941, during any part of which they served.

Most members of the armed forces—particularly enlisted men—were exempt from income tax under special wartime law. Consequently, the number entitled to rebates is not expected to be large, and the VA notice advises dependents first to make sure taxes actually were paid before seeking refunds.

Forms for applying may be obtained from the office of any collector of internal revenue (Form 843). Applications for refunds and any correspondence on the subject also should be directed to the Collector of Internal Revenue where the tax was paid, and not to VA or the Bureau of Internal Revenue in Washington.

The number of veterans of all wars reached 18,744,000 on May 1, 1948. The VA reports. Of these, 14,887,000 served in World War II. The remainder were veterans of World War I and other wars. In 1955, VA predicts, the number of veterans of all wars will be 17,200,000 and the number of persons in their families, 42,900,000.

## New Municipal Airport at Abilene to Be Dedicated

Jet planes will be among the ultra-modern aircraft performing and on display at the Air Show in Abilene, September 11, Air Force Day, dedicating Abilene's new municipal airport, the former Army Air Field at Tye.

Another highlight of the program, to be staged at the field will be the dedication address by Major General Roger M. Ramey, Commanding General of the Eighth Air Force, stationed at Carswell Air Force Base, Ft. Worth.

The show is free, but a fee of 25 cents per automobile will be charged for parking inside the field. This fee will be donated to the under-privileged children's milk fund.

General Ramey's address will be shortly after 2:30 p. m. Mayor B. R. Blankenship will make the opening speech at that hour, after which Col. Karl Wallace of the War Assets Administration will present to Blankenship the deed for the airport from the WAA to the City of Abilene. The mayor will present Ramey as the main speaker.

The whole show is to start at 1 p. m. with a flying demonstration of model airplanes by mem-

bers of the Abilene Model and the Air Scouts on the flying ramp area. At 1:30 there will be a raising ceremony with the school Eagle band playing Star Spangled Banner.

### SEW-N-SEW CLUB

Mrs. Howard Ferguson and Harold Canup were hostesses for fourteen members of the Sew Club on Friday, Sept. 11.

A delicious salad plate, cake and iced cakes were served to Mesdames James Sandness, Garret, Kenneth H. Robert Lee, Hughston H. Rader, Willie Roberts, Shook, Harry Traub, Bobers and Jack Welch.

Names of unknown friends revealed. It was decided to draw names but to draw money for gifts to be drawn treasury to buy curtains and other articles to finish the room.

A committee was appointed to buy the paint and the room to be painted. The club is to thank everyone who has helped with the project.

Next meeting will be Sept. 18 with Mrs. Robert Lee and H. R. McLain as hostesses.

Few men can afford to grieve.—Edmund Burke.
