Uncle Sam's Selective Service

(Editor's note: Below is one installment of a series of questions and answers on the second peacetime military training program. It has been prepared under the direction of the Texas Director of Selective Service, Maj. Gen. K. L. Berry.)

CLASSIFICATION

Q. What does classification of registrants mean?

A. It means that every man between the ages of 19 and 26 who registers will be classified according to his availability for 21 months of military training.

Q. What will be the classes in which registrants will be placed?

A. There will be five basic classes instead of the four used in the 1940 operation. The main class—Class I—will be composed of those who are available for training immediately. Persons whose services in essential civil occupations are of great importance will be placed in Class II, and their call to training will be deferred. Those with dependents (wife, children, etc.) may be placed in Class III, and deferred on grounds of dependency. Certain individuals will be placed in Class IV when their services are undesirable on moral, physical, or other grounds or because the law defers them (ministers, etc.). Class V is intended to provide a class for all men who register at the age of 25 and who reach 26 before induction.

Q. How will this classification be made?

A. The local boards will classify all registrants on the basis of detailed questionnaires, interviews with registrants, and other information gained through private research.

Q. Will all registrants be placed in Class I unless additional facts prove that they should receive a different classification?

A. Yes. If a registrant does not claim a deferment, for example, he will automatically go into class I. If he fails to fill out his questionnaire, he will be placed in the same class. The only way to get out of Class I is to prove the right to a deferment or to be removed as a result of a physical examination which shows the registrant is not suitable for service.

Q. Suppose some citizen of the community is not satisfied with the classification given to a registrant. What can he do?

A. In each local board area a government appeal agent will appear from any local board decision he believes is wrong. A citizen can present his facts in secrecy to the government appeal agent, who will then act. The government appeal agent will not completely comprehend to secure justice.

Farm Bureau Will Hold Convention at 7:30 p. m. Thurs.

C. C. Ribble, president of the Foard County Farm Bureau, announces that Foard County Farm Bureau Convention will be held in the District Court Room at 7:30 o'clock Thursday evening, Nov. 4 (today). Mr. Ribble says that this meeting ends the year's work and the next year's business will be begun and he expresses the desire for all members to attend.

Herman Sandlin Sells Service Station to Bob Whitaker

Herman Sandlin has sold the Gulf Service Station to Bob Whitaker and Mr. Whitaker took over the operation of the station last week. He has been employed by the West Texas Utilities Co. for several years.

Mr. Sandlin will devote his time to his farming interests in the county.

Next Wednesday Share the Profit Day in Crowell

Crowell merchants again will slice their profits with customers of this trade territory in the third Share the Profit Day next Wednesday.

The special sales day, sponsored by the Retail Trade Committee of the Foard County Chamber of Commerce, is an outgrowth of the old trades day idea and is designed to acquaint residents of towns for miles around Crowell with the advantages of trading here where the low overhead affords merchants the opportunity of beating inflation with their lower prices.

Unlike the old fashioned trades day, however, everybody benefits at Crowell. There are no drawings, no few lucky persons. On Crowell Share the Profit Day, merchants cut their margin of profit on wanted items that are in demand. Buyers have come to Crowell and were pleased at the lower prices. Not only have these people bought special items but also merchandise that was not on sale.

A tabloid newspaper, "Share the Profit News," is distributed to all towns in the trade territory each month, telling families about the bargains on the second Wednesdays of the month.

Those who are wise will come here next Wednesday and get an early start on their Christmas shopping. This way they will get first choice and not leftovers.

Wildkittens to Play Paducah Here Tonight

The Wildkittens, Crowell Grammar School football team, will tangle up with the little Dragons from Paducah here tonight. The Wildkittens dropped their first two games to Quannah by a 6 to 0 score each time, but came bouncing back to defeat the Paducah team by four touchdowns at Paducah two weeks ago.

There will be a small admission charge of 15 and 25 cents for this game to enable the squad to purchase some additional uniforms. The business men of Paducah purchased twenty-two uniforms for their junior team.

Coach Scott Whitaker has the following eleven men in mind for the starting assignments: Billy Johnson and James Pittillo at ends; George Scott and Leon Pechack at tackles; Calvin Luttrell and Ginger Johnson at guards; V. W. Lattimer at center; and Don G. Gobin, Jim Paul Norman, Roy Whitely and Raymond Halecnak in the backfield.

The game will begin at 7 p. m. instead of 8 as has been the custom.

T. L. Owens Buys Publix Cafe from M. J. Rogers

T. L. Owens has bought the Publix Cafe and Steak House, located on the highway in the east part of town, from M. J. Rogers and has taken over operation of the business.

Mr. Owens has employed Crowley women as cooks and will serve home-cooked meals, including steaks, Mexican dinners and seafoods.

Truman Carries Foard County by 661 Votes

In the general election held in Foard County Tuesday, President Harry S. Truman received 751 votes to 90 for Thomas E. Dewey, Republican candidate for President. Thurman received 32 votes, Johnson 728 and Porter 133.

All amendments to the State Constitution carried with the exception of No. 8 which received 176 votes for and 251 against. Amendment No. 1 received 382 for and 92 against; No. 2, 220 for and 92 against; No. 3, 371 for and 69 against; No. 4, 356 for and 62 against; No. 5, 421 for and 45 against; No. 6, 340 for and 97 against; No. 7, 310 for and 102 against; No. 8, 176 for and 291 against.

Crowell Plays at Burkburnett Friday Night

The Crowell High School football team makes its last trip of the year tomorrow night when it goes to Burkburnett to play the Bulldogs in a district 9-A game. The Wildcats get a rest next week and play at home the following week when the Olney Cubs come to Crowell.

The Burkburnett team played in class AA competition for the last several years before the war. Crowell defeated them 14 to 7 two years ago, and the Bulldogs came out on top by two touchdowns here last year. The Wildcats are slightly favored in this contest due to the fact that they have made a little better showing in district play thus far this season. However, there has always been a rivalry between these clubs that calls for hard playing at all times. Burkburnett has very few boys back from last year's runner-up team of this district, but it has a tricky backfield that has led them to several victories this season. In fact, they drove to Archer City's one-yard line before losing the ball on a fumble when those two teams played two weeks ago.

The Wildcats gave the Archer City team its biggest scare of the season last week when they held that strong team to one touchdown until the last two minutes of the game. Coach Scott Whitaker plans on using about the same boys at Burkburnett who saw service in the Archer City game.

Negro Minstrel to Be Presented by High School Class

The Crowell High School Speech Class, under the direction of Mrs. Moody Bursley, their instructor, will present an all-girl Negro Minstrel at the High School auditorium on Thursday night, Nov. 11, beginning at 7:30.

The proceeds of the minstrel are to be used in redecorating the stage and purchasing a spotlight. These repairs and additions are badly needed at the high school.

Defeat never comes to any man until he admits it.—Josephus Daniels.

Wildcats Downed by Archer City 13-0 Friday Night

The Crowell High School football team lost a hard-fought district 9A game to the Archer City Wildcats at Archer City last Friday night by the score of 13 to 0. This makes seven straight games the Archer City boys have played without their goal line having been crossed. The Crowell Wildcats scored eight first downs to Archer City's seven and the game probably would have been a scoreless tie had they not received two tough breaks. Archer's first touchdown resulted after a Crowell fumble on their own 12-yard line early in the game. Bobby Patrick, an excellent ball carrier for Archer City, ran the ball over on an unbalanced line formation. Patrick kicked the extra point to make the score 7 to 0.

The second score came just before the game was over after Crowell had received a nine-yard penalty that placed the ball on the one-yard line. Danny Powell, quarterback for Archer City, passed twenty yards to Patrick that carried to Crowell's ten-yard line before the costly penalty. Patrick also carried this touchdown over that made the final score 13 to 0.

The Wildcats drove within Archer City's twenty-yard line on two occasions but they lacked inches having a first down one of these times and a penalty nullified a twenty-yard run by Jerry Culbertson the second time. In fact, penalties cost the Crowell boys several nice gains that could have resulted into touchdowns.

Crowell's line led by James Bice and Hack Norman played as good a defensive game as has been demonstrated in this district this season.

The following sixteen boys saw service for Crowell in this game: L. McNeese, F. Oliver, F. Borchardt, D. Wilkins, J. Bice, J. Rasberry, J. Barley, D. Biggers, R. Todd, G. Yocham, J. Culbertson, B. Halecnak, T. White, W. Caddell, H. Norman and C. Fittillo.

District Conference To Be Held in Vernon Friday, Nov. 5th

The Vernon Methodist District Conference will be held Friday, (tomorrow) Nov. 5, at 10:00 a. m. in the First Methodist Church in Vernon. Rev. T. M. Johnston, District Superintendent, will preside.

Reports from all the churches of the district will be given. Bishop William C. Martin of Dallas will preach at 11 a. m. The public is cordially invited.

ROTARY CLUB

Rotarians Leonard French, Earl Worley, Hugh Sneed and James B. Baldwin of Quannah were visitors at the Wednesday meeting of the Crowell Rotary Club at the DeLuxe Cafe. Other visitors were Judge I. O. Newton, Judge M. O. McDaniel of Seymour, and Gene Vaughn, Boy Scout field executive of Wichita Falls.

With Glendon Hays in charge of the program Mr. Vaughn made a talk on Boy Scout work in Crowell.

More than 8000 women in the United States have pilots licenses.

EDITORIAL

We wish to call attention of all readers to the two recent evidences of co-operation and loyalty which were manifested by Crowell and Foard County residents, both large and small. First, the response to the call made by the Legion Auxiliary for gifts which will be sent to the Veterans' Hospitals to be given to the patients to be sent to their loved ones at Christmas time when everyone is thinking of an expression of love in gifts. The call was answered by many, many lovely gifts, all of which will be suitable for our hospitalized men to send home.

The second evidence of good-will and co-operation was made on Saturday evening by the School Hallowe'en Carnival. The parade which opened the carnival was entered into by each school grade and was a success from every standpoint. It was an unusual parade, pretty, colorful, interesting and entered into by children, big and little, by teachers, by parents, and a large crowd assembled to witness it and to take part in the Carnival which followed. Each entry was an example of the co-operation and team work which was reflected in the whole carnival. It speaks well for Crowell and Foard County when all its citizens put their shoulders to the wheel as they did on these two occasions and many previous evidences of like cooperation may be recalled.

C. of C. Officials to Attend WTCC Meeting in Abilene

The annual directors' Assembly of the West Texas Chamber of Commerce will be held at headquarters in Abilene on Monday, November 8.

Alton Bell, director of the West Texas Chamber of Commerce, Hubert Brown, president of Foard County Chamber of Commerce, and Manager H. Crane will represent the county chamber of commerce at the all-day meeting.

According to General Manager D. A. Bandeen, the principal item on the agenda is a continuation of the fight to protect water interests of West Texas.

Veterans News

Carl R. Gray, Jr., Administrator of Veterans Affairs, will visit southwestern installations of the Veterans Administration next month.

It will be Gray's first official visit to Texas, Louisiana and Mississippi since he was appointed head of the VA by President Truman to succeed General Omar Gray, now Army Chief of Staff.

Gray left the position of vice president of the Chicago and Northwestern Railway System to come to VA. He has had an active railroad career since his youth in Kansas.

During World War II, Gray served overseas 34 months as director General, Military Railway Service in North Africa, Italy and Southern France. Later, he became Director General of Military Railway Service in the European Theater of Operations.

Gray, a Major General, commanded approximately 25,000 officers and men and supervised military railway traffic over a system embracing more than 46,000 miles of line.

The first GI Bill deadline is not far away. Veterans discharged before July 25, 1947, have only until July 25, 1949, to apply for unemployment allowances for unemployment and self-employment. GI's discharged after the 1947 date have until two years after discharge.

Here's a job tip for veterans scheduled to graduate this year as pharmacists.

VA needs qualified pharmacists who are graduates of accredited colleges of pharmacy and who have registered as pharmacists in one of the states or the District of Columbia.

No experience is necessary for P-1 ratings (\$2,974.80 to \$3,727.20 a year.)

Memorial Rites Held Sunday for Thalia Veteran

Memorial services for Pvt. Clarence M. Booker, 26, were held in the Thalia Church of Christ Sunday afternoon at 3 o'clock, conducted by W. L. Baze, minister of the Church of Christ of Crowell.

Pvt. Booker was killed in action at Vashnak, Germany, on Nov. 4, 1944, while serving with the Ninth Army Infantry Division. The body arrived in Crowell Friday morning and was taken to the Womack Funeral Home where it remained until taken to the home of a sister, Mrs. G. N. Lindsay, in Thalia.

The Womack Funeral Home was in charge of funeral arrangements with military services being conducted at the grave by the Gordon J. Ford Post, American Legion, in charge of Rev. A. C. Haynes, pastor of the Crowell Methodist Church, a former chaplain in the Army.

Pvt. Booker is survived by five sisters, Mrs. Jack Lindsay and Mrs. Ed Lindsay of Thalia; Mrs. Dumas Hopkins of Crowell; Mrs. Ruby Ford of Sacramento, Calif.; and Mrs. Ed Robertson of San Antonio; one brother, A. L. Booker of Sunnyside, Wash.

Training Course for Boy Scout Leaders Planned

A training program for Boy Scout leaders is scheduled for Saturday night and Sunday, Nov. 6 and 7, on the Waggoner Ranch. Those interested in the training course will meet at the First Baptist Church in Vernon at 3 p. m. and will go as a group to the ranch.

The instructors will be Warren Pruitt and Monta Ricketts of Vernon and George Vaughn, field executive, of Wichita Falls.

A Boy Scout troop is being organized in Crowell and Glendon Hays has been selected as Scout Master. A meeting of the boys is planned for next week.

Theft of Trapper's Scals Reported

L. O. Hallmark, Government trapper now working in Foard County on behalf of the farmers and ranchers in the eradication of coyotes in the county, was by the News office Monday morning and remarked that he has found upon making his rounds over the county that a small percentage of coyotes eradicated under his program are being scalped by someone who evidently plans to receive a bounty on such scalps in some other county.

Mr. Hallmark warns that this is a violation of the law and that unless such illegal scalping is discontinued, necessary criminal action will have to be taken against the violators.

Mr. Hallmark has been working in the county for about two months and has caught 135 coyotes up to the present time. He is trapping in the south and southwest portion of the county.

MOVE TO ODESSA

Mr. and Mrs. Henry Fields left Wednesday morning for Odessa to make their future home. Mr. Fields has bought an interest in a drug store at Odessa.

Mr. and Mrs. Fields have made Crowell their home for over two years. Mr. Fields being employed as pharmacist in Ferguson Drug Store since he and Richard Ferguson sold the store several months ago. Mrs. Fields has been employed as a teacher in the Crowell Schools.

Mrs. E. V. Robinson Died Sunday After Long Illness

Funeral Services Were Held Monday Afternoon at 2:30

Funeral services for Mrs. Emma V. Robinson, who passed away at her home at an early hour on Sunday, Oct. 31, following a lingering illness, were held at the Methodist Church Monday afternoon at 2:30 o'clock with Rev. Aubrey Haynes, pastor of the church, officiating.

Pall bearers were grandsons of Mrs. Robinson, Corwin Robinson and Delmar Robinson and James Price of Clinton, Okla., J. H. Garrett of Sayre, Okla., Aubrey Garrett of Vernon, J. C. Rader of Crowell, Roland Washburn of Dallas and Oran Washburn of Paducah.

Flower bearers included Mrs. L. P. Glover, Mrs. Jack Gilliam, Mrs. J. I. Monroe, Mrs. Marion Crowell, Mrs. Jeff Todd, Mrs. John Rader and Mrs. Dwight Campbell.

Mrs. Chas. W. Thompson and Mrs. T. B. Klepper sang as a duet, "Beautiful Isle." They were accompanied by Mrs. Paul Shirley who also played accompaniment for the choir songs.

Interment followed in the Crowell cemetery with the Womack Funeral Service directing.

Mrs. Robinson was born in Kokoma, Indiana, on Oct. 13, 1867 and was married to J. H. Robinson on Jan. 7, 1886. They moved to Foard County in 1910. To them were born eight children, two of whom passed away in infancy, Charlie and Beryl. Mr. Robinson died many years ago. The surviving children are Mrs. Rosa Ford, Crowell; Mrs. Jean Walton, Columbia, Mo.; John Robinson, Dallas; Mrs. Grace Garrett, Vernon; Mrs. Pearl Rader, Foard City; and George Robinson, Clinton, Okla. Other survivors include one brother, Charlie McClammer, of Franklin, Mo.; 13 grandchildren; 3 step-grandchildren, 15 great grandchildren, 1 step-great grandchild.

Mrs. Robinson joined the Methodist Church at an early age and remained a loyal member until her death. She was faithful in attendance upon the church services until ill health prevented. She was a good neighbor, a tender mother, a tireless worker for the causes she considered right. Her influence will live after her, both with her family and with her many friends. She was a consistent Christian character, living her Christianity in her every day life.

The following out-of-town relatives and friends were present for the funeral services: Mr. and Mrs. George Robinson, Mr. and Mrs. Corwin Robinson and son and Mr. and Mrs. James Price and son of Clinton, Okla.; Delmar Robinson of Claremore, Okla.; Mr. and Mrs. J. H. Garrett and children of Sayre, Okla.; Mr. and Mrs. Guy Garrett and son, Phillip Bird, Mr. and Mrs. Owen Rader, B. C. Franklin, Mr. and Mrs. Onie Simmons and Mrs. J. B. Crossland, all of Vernon; Mrs. Dave Walton, Mr. and Mrs. Leon Walton, Miss Virginia Watson, all of Columbia, Mo.; Mr. and Mrs. Noble Tucker and son, Mr. and Mrs. Roland Washburn, Mr. and Mrs. John Washburn, all of Dallas; Mr. and Mrs. Oran Washburn and children of Paducah and Mr. and Mrs. Charlie Smith of Rogers, Ark.

Highway Meeting Held Here Wednesday

District Engineer John Nabers of Childress met on Wednesday with the representatives of the Seymour Chamber of Commerce, the Foard County Chamber of Commerce and Judge Leslie Thomas to discuss plans on the proper procedure to follow in regard to the Crowell-Seymour road, as a continuation of Highway 199 out of Fort Worth.

Those present from Seymour were Judge I. O. Newton and Judge M. O. McDaniel. The Crowell group consisted of Judge Leslie Thomas, Hubert Brown, J. E. Beverly, Claude Callaway and Hilton Crane.

Call for House Numbers at Once

As was announced last week in the Foard County News the house numbers are ready for all business places and all homes northeast of the square. There are still quite a few places that have not called for the numbers. It would facilitate matters a lot if these numbers were called for at the Chamber of Commerce office today or tomorrow.

As soon as these numbers are given out then the committee can begin work on the remaining part of the city.

Redecorating Idea — You can change the entire appearance of a room by redecorating the ceiling. Cover it with a brightly patterned wall-paper to contrast with

plain walls, or paint the ceiling a new deep color—blue or green—to give extra depth and richness to the room. Fluorescent lights concealed in the molding around the ceiling will give the room new charm too.

For we must all appear before the judgment seat of Christ; that everyone may receive the things done in his body, according to that he hath done, whether it be good or bad.—Second Corinthians 5:10.

The progress and the future of a community depends upon the character of its leaders. If a town's leaders are selfish and little minded, the town will always be a little dumpy nonprogressive wide place in the road. If the leaders of a town are big enough to think big things and generous enough of their time and substance and energy, the town can have and enjoy big things. The little fellow in a community cannot do much to change its status. He cannot launch and put through a program no matter how good and how sound it is. Building a good, live, prosperous, aggressive community is the responsibility, the obligation and the duty of its leadership.

When it comes to producing better livestock and better boys and girls, the 4-H tops all movements. It is one of the greatest youth programs in this country.

Although this country has been at work since the war building up a stock pile of strategic materials in the event of another war, it has not yet got the job done. The fact should be a warning to someone. If we can't gather together these strategic materials in times of peace when there is little or no competition for them how are we going to get it done in the event of war with everyone competing for them?

Of this we may be sure, good times are going to continue as long as factories have a back log of unfilled orders and many items are hard to get. As soon as scarcities disappear and we can buy anything we want any time or any place, employment is going to fall off and unemployment increase. Prices are going to go down and wages are going to go down. No one can tell definitely just when this will be, but the formula is sound.

Bernard Baruch diagnoses the nation's ills as caused by too much talking, not enough thinking. This is a formula which could perhaps be applied with equal force to any age.

HISTORY

National Cemetery at Gettysburg Dedicated—Nov. 19: The dedication of the National Cemetery at Gettysburg took place on November 19, 1863. The speakers on this occasion were Edward Everett Hale of Massachusetts, a distinguished orator of that time, and President Abraham Lincoln. Hale delivered the principal address and Lincoln made a short talk which is now known as Lincoln's Gettysburg address. No one attending the dedication paid a great deal of attention to the short address given by the President except the newspaper reporters who recognized it as an outstanding address. The next morning the newspapers of the country printed the text of the President's address consisting of about three hundred words and announced it a classic. Not many people remember that Everett Hale spoke at the dedication but there is no one in this country who has not been thrilled by the beauty and eloquence, and the simplicity of President Lincoln's remarks. The National Cemetery at Gettysburg covers seventeen acres. A tract of thirty-eight square miles which includes the entire battlefield has been bought and is preserved as a park. The battle of Gettysburg occurred on July 1, 2, and 3, 1863. Approximately 160,000 men were engaged on both sides. The total killed, wounded, and taken prisoners were about 45,000 of which 5,750 were killed. Both Union and Confederate dead were buried on the field, but the Confederate dead were later removed to a cemetery at Richmond.

Another increase is scheduled in the price of coffee. It brings back the memory of OPA days when coffee prices, along with others, were held down to a reasonable level. Incidentally the politicians who promised the people that the lifting of price control would result in lower living costs are singing mighty low. They fooled the people again but are not bragging about it.

A little bit of conceit is sometimes a good thing, but the trouble seems to be that there is no such thing as a little conceit. The conceited man usually over does it.

What We Think

(By Frank Dixon)

I was talking the other day to a man who had but a short time before sold out his business which he had conducted continuously for over forty years. "I am lost," he said. I do not know what to do with myself. I have been in this business so long that I am lost without it. I can think of nothing to fill my days. I used to think, when the cares of the business bore heavily upon me that I would like nothing better than freedom that I could go here and go there and visit this friend and that friend. I have tried that and find that it doesn't satisfy me.

That man made a mistake when he sold out and retired. He should not have done it. He should have remained in business as long as he was physically able to attend to its duties. He has gotten into a rut from which he is not able to extricate himself. He will not be happy in his retirement.

Before retiring he should have prepared himself for it. He should have developed new interests, a few hobbies, things to which he could devote his energy and his thought and mind.

Some, like this man, seem to think that all one needs in order to retire is to accumulate sufficient money to keep a roof over their heads and buy the food that they will need and the few clothes to protect them from the weather. This is a mistake. It requires as much preparation to retire as it does to conduct a business. One must prepare himself for it. It is folly for anyone to think they can step out of a business that has called for their utmost resource of mind and muscle and bring abruptly to a halt with the signing of the sale papers all the active mind processes which have become channeled in the subconscious mind through many years of regulated and systematized effort. The human mind and the human body do not function in that way.

Before a man retires he should prepare himself for it. He must have something definite in mind to which his mental and physical resources which have been trained and disciplined through the years can be turned and on which they can be expected to devote their latent force.

If anyone of us were going to take a long journey over an extended period of time he would make complete preparation for it. He would provide for every foreseeable contingency. The same thing is true when it comes to retiring from one's business. He must prepare for his years of retirement. If he cannot do this he had better not retire.

Incidentally I would point out that the world is so full of things for one to do in which one can control the expenditure of his effort that there is no need to be at a loss for something to occupy the years of retirement.

I was talking to a friend the other day who had recently retired from his business who looks forward with confidence and conviction to a new chapter in his life—a new high adventure, every moment of which is to be filled with new plans, new hopes, and new paths to pioneer. He has prepared himself to retire.

Rabies Occurs at All Seasons of Year

Austin, Texas—The "dog-days" of the midsummer months originally derived their name from the prevalence of rabies spread from rabid dogs at that season of the year, but actually rabies occurs at all times of the year. During the past year the State Health Laboratory found 847 animal brains positive for rabies. Four deaths occurred in humans. Dr. Geo. W. Cox, states, "Few persons need to be warned that rabies is a fatal disease yet proper precautions against its spread are often neglected. Stray dogs should be humanely destroyed or impounded, and all household pets should be vaccinated. Annual vaccination efficiently practiced will stamp out rabies in Texas."

The State Health Officer stressed this fact as important: A dog suspected of being rabid should not be killed at once, but should be kept confined for ten days, since this is the infective period before death of the animal. If the dog does not develop rabies within ten days, the individual bitten is safe as far as that particular bite is concerned. Further observation of the animal should be at the discretion of the veterinarian since many other conditions resemble rabies.

The head of the suspected animal should be packed in ice and sent to the State Health Department for examination. Freezing the brain, or killing the dog prematurely or in such manner as to injure the brain may make correct laboratory findings impossible.

Mere handling of a rabid animal is not sufficient reason for treatment, as scratches by the animal's paws ordinarily do not constitute exposure. It should be understood that rabies is transmitted only through exposure to saliva which gains entrance into the body wound, ordinarily through a bite.

A new commemorative stamp, blue in color, depicting the Palomar observatory, of Mt. Wilson California, has been placed on sale at most postoffices of the country.

JOINT MEETING

The American Legion and the Legion Auxiliary met on Monday evening, Nov. 1, at the Legion Hall for a joint meeting. Each held its own business meeting which was followed by a program held in the main hall.

A play, given by the members of Miss Reba Bartley's Dramatic Club, was greatly enjoyed. Mrs. Vernon Newland was a guest of the Auxiliary and was also on the program with an accordion solo.

At the conclusion of the program, a pie sale was conducted. Ebb Seales served as auctioneer. The pies were then used as refreshments and served with coffee which was furnished by the hosts for the evening. Mr. and Mrs. T. G. Robertson and Mr. Mrs. David Lee Owens. The proceeds of the pie sale will be used to buy gifts for the Veterans' Hospitals.

Through the co-operation of Dick Davis, many lovely gifts were purchased at a discount. This co-operation is greatly appreciated and others have offered the same courtesy. Any others who desire to give gifts may do so, as the time has been extended to Nov. 15. Gifts may be sent to Robertson's Hardware Store. They will be sent to Asbury V. A. Hospital at McKinney. The Auxiliary is instructed from Department Headquarters.

Your automobile is your second largest investment—and when you protect it, you also protect your largest investment, your home.

For if your automobile is uninsured or under-insured, it may become necessary for you to place a mortgage on your home in order to pay a liability judgment.

Don't gamble on these unpleasant probabilities when adequate protection costs so little.

REMEMBER? REMEMBER when a bare bulb like this was the last word in lighting? That's when you started calling your electric bill a "light" bill. Then electricity began to take on more chores. It learned to cook and sew and clean, to wash, and iron, preserve food, entertain the family—in general, to make life healthier and happier and easier all around. Lighting became only a fraction of that job. Naturally, you came to depend on electric service for more and more jobs—until now you couldn't imagine living without electric service! Today your electric service bill is just about the biggest bargain in the family budget—yet what else does so much, for so little? Yes, it's a service bill today—it does your chores, cleans your home, cooks your meals, and gives you more time for "living." West Texas Utilities Company

EASTERN STAR

Mrs. J. A. Stovall, secretary of Crowell Chapter O. E. S., returned Friday from Fort Worth where she attended the 66th session of the Grand Chapter of Texas. This session was called "The Tie That Binds" meeting.

All meetings were held in the Will Rogers Memorial Coliseum. Many new laws and rules were adopted during the week. Several breakfasts, luncheons and banquets were tendered the Grand Chapter officers by officers and members of their respective districts.

On Thursday night before her installation as Worthy Grand Matron, Mrs. Esther Baldwin of Wichita Falls, was honored with a banquet in the Crystal Ballroom of the Texas Hotel by members of District 2.

At the installation ceremony Thursday night when Mrs. Baldwin was installed Worthy Grand Matron and Dr. T. G. Rogers of Decatur as Worthy Grand Patron, also all other Grand officers, the installing marshal was Mrs. Mildred Harris of Dallas, a member of the educational committee of General Grand Chapter. Mrs. Harris was formerly Miss Mildred Haney, a former resident of Crowell. Other distinguished visitors were Mrs. Eva Holland Hamilton of Chicago, Most Worthy Grand Matron of General Grand Chapter; R. Donald Stewart of Canada, Most Worthy Grand Patron of General Grand Chapter, and Past Grand Patrons of Texas and other Grand Jurisdictions.

The General Grand Chapter will meet in Toronto, Canada, next August and all were given an urgent invitation to attend by the Most Worthy Grand Patron.

A memorial service was held in which tribute was paid to members who had passed away during the past year. On Wednesday morning, 39 of the 73 residents of the O. E. S. home in Arlington attended the session. All 39 women and the superintendent of the Home were presented corsages furnished by the Worthy Matrons of the 16 Houston chapters.

Hereford Sale to Be Held in Abilene

Abilene, — The West Texas Hereford Association will hold its ninth annual auction sale in Abilene on Friday, Nov. 5, it has been announced. The sale which creates wide interest among the Hereford breeders of West Texas will take place in Sears Arena at Abilene's Fair Park. Breeders have consigned 18 bulls and 28 females to the sale with the first animal scheduled to go under the hammer at 1:00 p. m.

Association members and visitors will be welcomed with a noon barbecue in the arena by the Agriculture and Livestock Committee of the Abilene Chamber of Commerce.

CARD OF THANKS

The officers of the local unit of P-T-A wish to express their appreciation and thanks to each and every one who had a part in making a success of the Halloween Carnival held last Saturday night. Everybody, school pupils, teachers, parents and other citizens, cooperated in all phases of the Carnival and it would be impossible to name each one but all that was done is greatly appreciated and had a distinct part in the outstanding success of the project.

ADELPHIAN CLUB

Mrs. E. C. King and Miss Florence Black were hostesses to the Adelphean Club on October 27. Mrs. John Long was leader and introduced Miss Frankie Kirkpatrick who brought the topic "High Lights of Latin America" which was followed by a film "Good Neighbor Family" depicting life in the Latin American countries, dealing first with the manner of living enjoyed by the most prosperous classes and then showing the very poor existence of the native Indian laborers whose mode of life today is essentially the same as that of the people of hundreds of years ago.

Through the kindness of George Self who brought his machine and showed the film the club was able to enjoy this very fine program.

Mrs. John Hakala of Houston, a former member, was present. The club welcomed Mrs. Dwight Campbell as a new member. The hostesses served a delightful salad course to those present.

livestock. Foods declining included corn, oats, barley, beef, hams, lard, cheese, sugar, cottonseed oil, potatoes, rice hogs and lambs. Advances included flour, wheat, rye, butter, cocoa, raisins and steers.

COURT HOUSE IS SCENE OF HALLOWEEN CARNIVAL

The annual PTA Carnival was held on the Court House Lawn Saturday night beginning at 6:30 and lasting until 9:00.

Although there was no ferris wheel and the barkers may not have had a cigar projected from under their bushy mustaches, the noise and color of the carnival atmosphere prevailed nevertheless.

For individual performance credit goes to Rose Mary Moss singing "Tree in the Meadow."

For those who had their appetite interest at heart, there was plenty of food at small cost. For instance, "The Old Country Store" where you could get canned fruit, vegetables, and everything else that goes with a country store.

Apples, sandwiches, chocolate cake and donuts, candy and coffee composed a menu properly unbalanced for the occasion.

For the daring young men and women who love a game of chance there was the Senior Bingo booth.

For the ever braver Crowellites

there was the Spirit House with ghosts and ghouls of every description. You didn't have to bring your own bait to have fun at the fishing pond. Prizes were plentiful.

In many cases a small investment paid big dividends in the freshman cake walk, and the scenic ride, grab box, blanket lottery, and turtle race were attractions for those who wanted a thrill.

Climax of the evening was the crowning of the king and queen. The queen, Anne Wishon, was crowned "Queen Anne from the House of Wishon." The king, Bobby Weiss, was crowned "King Eob from the House of Weiss."

The crowns were presented by Mr. Graves. The Queen was attired in a plaid evening dress and carried a corsage while the king wore his tuxedo.

To remember the riotous evening Wayne Shultz made a moving picture that will be ready for showing in two or three weeks.

The PTA appreciates very much the work of students, teachers, and patrons in making the carnival a big success, as \$434.00 was realized from the project. Special mention should be made to Mrs. Virgil Johnson, PTA president, whose enthusiasm in making the carnival a success was catching.

The seniors wish to thank the Crowell merchants who are always so generous in giving prizes for Bingo and other contests.

GREETINGS FROM THE SUPERINTENDENT

Upon entering the building, every student, it is hoped, will be reminded of the glorious traditions that surround Crowell High. While the walls and corridors are not sacred, they have contributed much to the development of those who have occupied them; therefore they should be treated with respect; we are very proud of the fact that our students have shown their regard for our building as shown by our corridors and rooms, especially as there has been no re-decoration for several years.

The public high schools of the U. S. have been characterized as the most democratic institutions left in the world today. The ideals of democracy do not imply that the school is governed and administered by the popular vote of the pupils. Democracy is a much broader term which implies that every individual, in so far as his native capacity permits, has equal opportunity to avail himself of the benefits offered in both the field of curricular and extra-curricular activities.

It is the policy and philosophy

of the administrators charged with the responsibility of conducting intelligently and fairly the affairs of the school to allow pupils as great liberty, as great freedom in the choice of their studies and activities and in the course of their conduct as they may prove capable of exercising. A cordial spirit of cooperation between students and faculty is essential to the success of both. Do not hesitate to make friends with your teachers. They have traveled this road before you.

The faculty and students of Crowell High School have worked diligently in making Crowell High what it is today. It is only natural that a part of the work of these people becomes traditional, a part of the school. Traditions are an integral part of the background of a successful school and the good school citizen will respect and add to them.

In the spirit of our Thanksgiving season it is my wish that your stay in high school may be filled with happiness.

The cooperation at our Halloween Carnival showed the spirit of our students and patrons. Also the consideration of our standards in celebrating only with harmless fun.

Let each of us realize that the easiest way to be happy is to make others happy.

Yours sincerely,
Grady Graves.

FUTURE HOMEMAKERS OF AMERICA WEEK ANNOUNCED

By a special proclamation of the Governor of Texas, the week of October 31 through November 6, will be observed in the State of Texas as "Future Homemakers of America Week in Texas." This week will also be observed all over the United States. During FHA Week, the nine purposes of the FHA will be especially emphasized.

In keeping with FHA Week the nine purposes of the FHA will be especially emphasized.

In keeping with FHA Week the spotlight turns to the Homemaking Department.

In the CHS curriculum the Homemaking Department reaches 56 girls, under the direction of Mrs. Doyle Kenner, who has a BS degree and almost enough hours for an MA.

Too much stress cannot be applied to the importance of the home. Today, authorities agree that the greatest influence in the life of a nation is the home. Throughout the ages, the home has been eulogized and its importance accepted, but today, when the term juvenile delinquency is on the tip of every tongue, comes the realization that something has gone wrong with the home teaching and home training of our age.

Recognizing this factor, the Homemaking course of CHS tries to teach the girls practical ideas they will use instead of unimportant frills. The course treats of materials used in the home and of the social and economic interests and activities of the occupants of the home. Homemaking I covers sewing, our relationships with other people, making our homes more livable, understanding the preschool child, and foods. Under Foods, the students become familiar with the kitchen and learn to cook and serve simple breakfasts and lunches. In Homemaking II, the girls study making the kitchen more attractive, study of kitchen equipment, and the cooking and serving of dinners in the first half of the year. In the second half of the year the girls have a play school for children in the Homemaking Department, they sew for themselves and a preschool child, and the last thing of the year is a course in first-aid.

The girls who pass this course are permitted to carry First-Aid Certificates issued by the National Red Cross.

During this week the FHA girls will try to spread knowledge of their organization to others. Do your best to cooperate with them not only during FHA Week but throughout the whole year.

Realizing the vital influence that home-making plays in the life of every girl, it is hoped that this article will serve as an incentive to the girls of CHS and encourage an increase of enrollment in this department as every girl needs this course.

VA BOYS MAKE NAME BELTS

The Homemaking girls are no longer the only ones in CHS who can proudly say, "I made it myself," about wearing apparel. The VA boys have also taken over this phrase, and they are often heard repeating it to a pleased girl when someone compliments them on their name belts. These belts could very easily be mistaken for ten or fifteen dollar belts. The boys have put designs of flowers and leaves on the belts. These were put on with leather stamping tools.

The letters for the names are stamped in the same way. Much originality in design has been shown in the making of the belts. Color is also used in a method of painting the leather with special dyes.

DRAMATIC CLUB PRESENTS "THAT AWFUL LETTER" AND "TOO MUCH MISTLETOE" IN PROGRESS

The Dramatics Club under the direction of Miss Reba Bartley presented "That Awful Letter," a one-act comedy for girls, last Thursday for the Co-Laborers Sunday School Class of the Methodist Church. It was presented again Monday, Nov. 1, for the American Auxiliary Reunion. This play will also be presented to the student body in the near future.

We have three dates to present

"Too Much Mistletoe," a Christmas play, that is now in progress. This club is now a well organized club with a president, Myrtle Bartley; vice president, Betty Barker; secretary, "Sweetpea" Owens. Along with the study of speech, the club sponsors social activities.

This club is also thinking of giving a three-act play for an invited audience. The members have yet to choose the play they consider best suited for this presentation.

This club is growing from week to week, and each member of the club has the privilege of trying for any of the various roles in the plays.

HOW TO IDENTIFY "GRUESOME TWOSOMES"

Going steady is the habit of reserving all Saturday night dates and all other dates too for one special boy or girl. The "steadies" are the couples you see walking down the halls together who aren't allowed to sit close to one another in class because of all the talk that results. One of the reasons so many of the boys are late to class so often is that they stop at their girl's locker between periods and then have to rush to beat the bell.

One way to recognize a girl as having a steady beau is by the things she wears. A boy on the football team often lets his best girl wear his sweater or jacket. One of our CHS cowboys came up with the bright idea of letting his "gal" wear his Levi jacket. The Levi situation being what it is and cowboys what they are, we can only say, "Lucky Girl!"

Boys are often seen wearing class pins, class rings, club pins, and even costume jewelry belonging to their one-and-only. Boys' senior and FFA rings are seen on the hands of as many girls as boys. One confusing way recognizing the steadies is the habit of wearing each other's identification bracelets. Now you know some ways you can tell whether or not it is worth your time to keep on flirting with that sophomore girl who sits across from you in world history or the certain senior boy in Spanish. Just be certain you don't make a mistake!

SPOTLIGHT

Who hasn't noticed the cute, brown haired, blue eyed, vivacious senior bouncing down the hallways of CHS, who goes by the handle of Patsy Fox, though she is better known as just "Pat."

Pat was born five days after New Year's Day, January 5, 1932, in the town of Thalia. She has now reached the ripe old age of sixteen and still considers Thalia tops.

There is nothing that Pat likes to do better than eat. Her favorite dish is a big platter of good ole Southern fried chicken with plenty of gravy. Pat's favorite pastime is sitting down before the piano, dressed in her favorite apparel, a sweater and skirt, and beating out some new version of boogie woogie. You will probably hear her warbling the words of her favorite song, "Ain't Cha Ever Coming Back."

Pat considers basketball her favorite sport because it's so exciting. Of course, mention must be given to Pat's current boy friend, Billy Earl Lynch, a tall, dark and handsome junior.

Pat has made definite plans as to her future. When she leaves the sights of ole CHS, she plans to keep books for the Hairston and Best Lumber Co. in Wichita Falls.

SING WHILE YOU DRIVE

At 45 miles per hour sing: "Highways are Happy Ways."
At 55 miles per hour, sing: "I'm But a Stranger Here, Heaven is My Home."
At 65 miles per hour sing: "Nearer My God to Thee."
At 75 miles per hour, sing: "When the Roll is Called up Yonder, I'll Be There."
At 85 miles per hour, sing: "Lord, I'm Coming Home."

BIG PEP RALLY BEFORE ARCHER CITY GAME

The best pep rally of the year was held in the auditorium Friday afternoon during the sixth period. Crepe paper streamers representing our school colors of black and gold hung from the balcony. A huge "WIN CHS" was on the stage curtain. Also on the curtain were smaller signs such as "Yea, Wildcats" and others. The four pep leaders opened the pep rally with "Dear Old Crowell High" and at the end a cheer that must have rocked the building rose from the students.

The Pep Rally started off at this high speed and kept getting better. Four girls holding signs saying "Beat Archer City" and "We're Backing You, Wildcats," ran in with a whoop'n a holler, Coach Whitaker made a pep talk and then more yells were given. Mr. Graves also gave a talk.

Hands were red from clapping and voices were hoarse when the rally ended. The football boys filled out while the student body sang "Wildcats Fight," after the last boy had passed out the door a yelling began like you never heard before, and the Pep Rally was over. One of our players said that this was the best pep rally he had ever attended and we agree.

PICKIN'S

Well, here I am again, folks, your Mysterious Mr. X.
Last week I guessed two and

missed two; so I suppose that's pretty good. I missed the ones that I wanted to win and guessed the ones I didn't care about. Olney Park beat Valley View 26 to 0 for the only two I guessed right. Holiday beat Seymour 20 to 14 and Crowell lost 13 to 0 to Archer City for the two I guessed wrong.

Many of the readers are wondering just who Mysterious Mr. X is. Maybe after the season, I'll tell my secret; until then I think it best not to reveal my identity. But I certainly hope that the readers of the Wildcat enjoy this bit of stuff.

Now to make my predictions. First off I'll take Holiday over Chillicothe about 20-6. Next in line will be Seymour over Iowa Park 13 to 7. Archer City will keep its stride and beat Olney 20 to 0; Olney may score. I look for Crowell to bounce back into the win column and beat Barkburnett 20 to 0.

THE CAT'S WHISKERS

Well, here we are, in for another exciting week of sweet nothings being whispered into certain people's ears. Ah! Love. To begin with, let's see who had dates over the week-end.

We wonder who Clifford Oh's current pin-up girl is now?

What Would Happen If—
Mary Jones were seen with Jim Hill Erwin.
Dorothy, Norma, and Faye were not always together.
Betty Barker turned to hate men!! She was seen with Jimmy Raspberry Sunday night.
Charles Steele made eyes at Dorothy Wilson!
Bobby Cato and Laverne Farrar were not together constantly!
The Seniors couldn't razz the Freshmen!!
Floyd Oliver's bus didn't have to be pulled in after every ball game.
Weekly Tatter—
"Ham" Tamplin seems to be torn between two loves — Pat Rhodes and Myrtle Bartley.
Well! Well! Mary Alice was seen with one of our ex-seniors over the week-end. It was none other than that casanova, Kendrick Mede Joy.
Couple of the week goes to none other than Peggy Evans and Carlos McBeath. (Pfc., that is!)
We wonder why Clara Jones has favored "My Happiness" since September?
Congratulations to Jackie Wesley—Mrs. Loyd Shultz since Saturday night. Jackie will graduate at mid-term.
What's This We Hear—
Mary Chowning and Victor Christian getting lost Saturday night?
About Ramona Hammonds and Norma Gamble and their Wichita

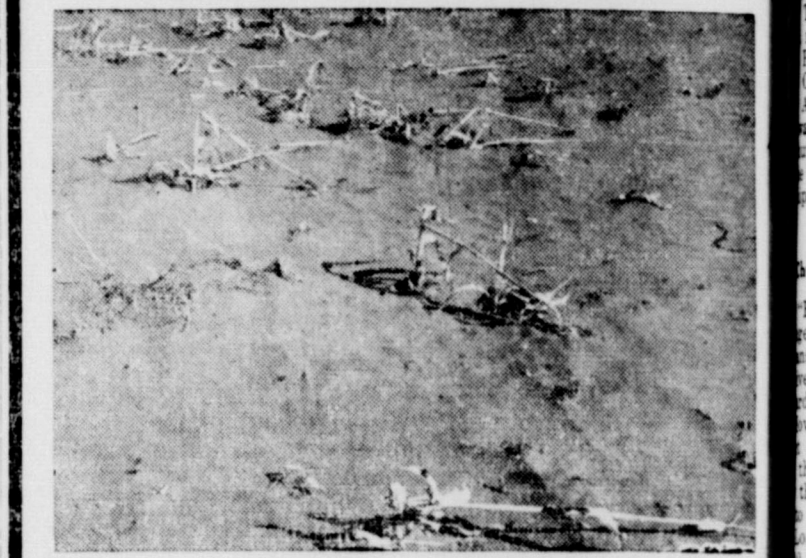

"romeos"??
About the triangle between "Hicky" Brown, Pat Owens and "Rusty" McNeese.
About Fred Glover and Ann Haynie making eyes at each other in the fifth period study hall.
Facts:
Joline and J. P. were together Friday night.
Tommy and Butch are seen around.
Grover and Violet were hitting it off OK Friday night.
We hear Don Wilkins lost a ring on the Vernon football field.
Joline, Betty and Myrtle may have lost something Saturday night in a Quannah car. They were still hunting Sunday night.
There's only two kinds, I caught and the uncaught! You caught.
We, the Wildcat, want to congratulate one of our ex-seniors. She is "Booty" Barker who is wearing a beautiful ring on her

Miss Billington Weds Fort Worth Man on October 29

Miss Billie Jolyne Billington, daughter of Mr. and Mrs. Tanner Billington of Fort Worth, formerly of Crowell, was married to Raymond E. O'Flaherty, son of Mr. and Mrs. T. E. O'Flaherty of Fort Worth, Friday evening in the College Avenue Baptist Church in Fort Worth, with Rev. A. B. Van Arsdale officiating.

After the ceremony, a reception was held at the Billington home. The couple will reside in Ft. Worth following a trip to the Gulf coast.

The wedding party stood beneath a white arch entwined with white flowers and greenery. White gladioli and white tapers in wrought-iron candelabra were

placed on each side of the altar. Music was furnished by Bob Welch, organist, and Leroy McLard, soloist, who sang "Because" and "One Alone."

Mrs. Tim L. Thomas, sister of the bride, was matron of honor and Miss Mary Ann Clifton was bridesmaid. Mrs. Jack Cantwell was bridesmatron while L. H. Rogers served as best man and Raymond E. Ellis, Johnny Ellis, Jack Cantwell and John Therrell were groomsmen.

The bride, escorted by her father, wore an ivory satin gown having a fitted bodice with drop shoulder, Queen Anne sleeves and full skirt with bustle back and long train. Her fingertip veil was held by a seed pearl tiara. She wore a single strand of pearls, a gift of the groom, and she carried gardenias. The feminine attendants wore identical gowns in rose, blue and gold moire taffeta, respectively, fashioned with fitted bodices, full skirts and peplums. Their bouquets matched their frocks.

Miss Gloria Billington, another sister of the bride, was included in the house party for the reception. For going-away, Mrs. O'Flaherty wore a tomato red suit with black accessories and a Kelly green topcoat.

Both young people are former students at TCU. He served for

Miss Jackie Wesley Weds Loyd Shultz Sunday Evening

Loyd Shultz and Miss Jackie Wesley were married Saturday evening, Oct. 31, at the parsonage of the Methodist Church at Crowell by Rev. E. R. McGregor, pastor of the church. Mrs. W. A. Dunn played "Always" during the exchange of vows. The bride wore a blue chiffon velvet dress with a corsage of white and pink carnations. For something old, she wore a locket belonging to her mother. She also wore a penny in her shoe and carried out the rest of the old tradition, something new, something borrowed and something blue.

Mrs. Shultz is the daughter of Mr. and Mrs. George Wesley and has been reared near Margaret. She is a senior in Crowell High School. Mr. Shultz is the son of Mr. and Mrs. J. L. Shultz of Riverside.

Attending the wedding were Mr. and Mrs. John Wesley and family of Iowa Park; Mr. and Mrs. Jimmie Moore and family, Georgetown; Mr. and Mrs. G. C. Wesley and family, all of Wichita Falls; Mr. and Mrs. Roy Shultz and son, Mr. and Mrs. Edward Shultz and son, Mr. and Mrs. Ralph Shultz and daughter, Mr. and Mrs. Eudale Oliver and sons, Mr. Elmer Roberts and Mr. and Mrs. Lee Shultz.

The October social meeting of the Co-Laborers' Sunday School class of the Methodist Church, which was called a Fall Round-Up, was held at the home of Mrs. S. S. Bell on Thursday evening, Oct. 28, with Mrs. A. Bracewell, Mrs. Dwight Campbell, Mrs. Harley Easley, Mrs. Aubrey Haynes and Mrs. Jeff Bruce assisting Mrs. Bell with hostess duties.

The meeting was in the form of a round-up and reunion of all former members and those who are unable to attend all Sunday School meetings. Mrs. Charlie Thompson and Mrs. T. B. Klepper were the program committee, and, in the absence of Mrs. Thompson, Mrs. Klepper supervised the program.

The first number was a playlet, "That Awful Letter," given by the members of the Dramatics Club of Crowell High School, under the direction of their instructor, Miss Reba Bartley. The clever play was enjoyed immensely and the following took part, Betty Barker, Maurine Youree, Tommie Meason, Joline Lanier, Anna Owens, Myrtle Bartley and Edna Jewel Curtis.

Following the play, games and quizzes were indulged in. A sing-song was had, with Mrs. Paul Shirley playing the accompaniment for songs familiar to the class the year it was organized, 1922. A spelling match, in which the words were to be spelled backwards, added to the fun. The whole program was in the form of gayety to make for an evening of pleasure. The class has a Bible study at other social meetings.

Mrs. A. Y. Beverly, class president, held a short business meeting, at which time Mrs. W. C. Erwin read the Constitution and By-Laws, also read the first minutes of the class as recorded in an old secretary's book. A number of the original class members were present at this meeting.

The dining room was made attractive with decorations of the Hallowe'en season and the hostesses wore masks and Hallowe'en capes. The centerpiece was formed of fruit and other Hallowe'en suggestions.

From silver services placed at either end of the pretty table, Mrs. Aubrey Haynes and Mrs. Bruce poured coffee or tea which was served with delicious filled sandwiches, cookies and candies by Mesdames Campbell and Easley. Mrs. Claude Brooks, dressed to represent a Hallowe'en witch, entered during the serving and distributed a fortune to each one and admonished all to look out for spoons and goblets which were abroad.

The many appropriate and lovely gifts were displayed in an adjoining room. These gifts are to be sent to Ashburn Veterans' Hospital in McKinney where they will be given to the patients to be sent to their loved ones at the coming Christmas time.

Mrs. J. C. Rader and Mrs. Roy Ferguson were hostesses to three members of the Sew-N-Sev Club on October 28th.

It was decided to change the time of meeting from 1:30 to 4:00 p. m. After an afternoon engaged in sewing, refreshments of Cokes and cookies were served.

Sixteenth Birthday Celebrated for Miss Jozzell Thomson

Mr. and Mrs. Henry Earl Thomson honored their daughter, Miss Jozzell Thomson, with a birthday party on the occasion of her sixteenth birthday on Thursday evening, Oct. 28, at the family home.

A color scheme of pink, green and white was used in all appointments of the party. The dining table was laid with a lace cloth, over pink. The pretty three-tiered birthday cake, iced in white and decorated with pink rosebuds and green leaves and inscribed with green lettering, "Happy Birthday, Jozzell" was placed at one end and the punch bowl, with frosted lime punch, surrounded by pink roses, occupied the other end. Pink and green mints were served on the refreshment plate and the tiny white inscribed napkins were found in the center of the table.

Members of the house party alternated at the punch and cake service and also at the guest register. The house party, all in formal attire, included Mrs. Richard Hunt, aunt of the honoree, and Misses Gusta Davis, Peggy Weaver, Jane Bruce, Virginia McKown, Peggy Pittillo and Rodyn Self.

Incidental piano music was played during the reception hours by Betty Barker and Jane Bruce.

During the first hour of the party, teachers of the honored guest, were received. Those registering then were Misses Cora Carter, Nina Jo Chessier, Frankie Kirkpatrick, Rev. and Mrs. D. B. Denison, of Phillips, Rev. and Mrs. Aubrey Haynes and Mesdames Allen Sanders, Winnie Brown, Walter Thomson, Jeff Hardin, Richard Hunt and Miss Davis. The following party guests were present: Ina Mae Hardin, Rodyn Self, Peggy Weaver, Jane Bruce, Virginia McKown, Peggy Pittillo, Mildred Tamplin, Neva Lou Potts, Judy Johnson, Betty Barker, Anna Owens, Myrtle Bartley, Edna Curtis, Maurine Youree, Baxter Gentry, E. W. Kidd, Jimmy Tom Cates, Hack Norman, Kenneth Polk, Charles Wishon, Gordon Bell, Jon Sanders, George Johnson, Karl Wayne Thomson, Harold Thomson and the honoree and the hosts.

The compliment included a gift shower of handkerchiefs and Cokes and cookies were served. Mrs. Ferguson has been a valuable member of the Henry Circle during her residence in Crowell and all regret her moving to another place. She and her husband and daughter, Betsy, are planning to make their home in Nashville, Tenn.

Ten members of the Circle and two guests were present. The guests were Mrs. Henry Fields, who is moving to Odessa where she and her husband will reside, and Mrs. Charles Ferguson. Mrs. Fields was also presented a shower of handkerchiefs.

COLUMBIAN CLUB

The Columbian Club members were entertained on Wednesday, Oct. 27, with Mrs. N. J. Roberts as hostess. After a short business session at which Mrs. Grady Halbert, the president, presided, the meeting was turned over to the leader, Mrs. B. W. Self.

The lesson was an art study. Mrs. M. N. Kenner discussed Indian Art. Illustrated and Mrs. Grady Halbert told of the art work of Yeigh. Mr. Leigh developed his talent late in life but in a few years captured a color technique that gave to the world of art some wonderful studies in color and landscapes. Mrs. Self displayed the picture, Mona Lisa, calling attention to her haunting smile and her beautiful hands.

Mrs. Vernon M. Newland was a guest and told something of art in India. She told, especially, of modeling in butter. She stated that from a distance the products were of good form and beautiful. She also spoke of craft work in reeds and bamboo.

Mrs. Charley Smith of Rogers, Ark., was a pleasing guest. She was a Columbian Club member in the early twenties, when she lived in Crowell. Mrs. W. A. Mussetter of La Grange, Mo., was also a guest.

CROWELL GARDEN CLUB

Mrs. M. M. Welch, president of the Crowell Garden Club, reports that, due to an oversight, some errors were made in the report of the Garden Club meeting of October 8th. The following omissions were noted: Mrs. Jeff Hardin gave an interesting and informative talk on "Do You Know Your Garden?" Mrs. Joe Smith served on the hostess committee.

Mrs. Welch also wishes to thank all members of the Garden Club for their splendid cooperation in the drive for funds to complete the Community House, a major project of the Garden Club.

To know one's ignorance is the best part of knowledge.—Leo Tszu.
