Two Colorful Movies to Be Shown by Local Implement Dealer

A colorful program which will include the showing of two feature films in color and in sound has been arranged for farmers and their families in this community. This program, which will be held on March 23rd, is sponsored by the Foard County Implement Co., local Minneapolis-Moline farm machinery dealer, and will be held in the Rialto Theatre. Special invitations were mailed out by the local dealer to farmers in this area inviting them to bring their families and their friends to enjoy the program, which, according to the sponsor, promises to be a gala event. The two movies are said to be of special interest to agricultural audiences.

Margaret S. S. Class Will Sponsor Program on Monday Night

The Young Married Couple's Sunday School class of the Methodist Church of Margaret is sponsoring an appearance of Rusty Gubard and the Valley Boys at the Margaret School house on Monday evening, March 21, at 8 o'clock. Everyone is invited to attend.

Celebrate 50th Wedding Anniversary

To honor Mr. and Mrs. L. D. Fox on their golden wedding anniversary on Saturday, March 12, their children entertained with their children entertained with open house at the home of Mr. and Mrs. Roy Fox in Crowell. The pretty new home was decorated with gold and lavender flowers.

Friends who called during the hours between 2 and 5 o'clock were greeted by Mrs. Roy Fox who presented them to the honorees. They were then asked to register in the guest book which was presided over by Mrs. Kenneth Myers, of Wichita Falls, a granddaughter. A beautiful lavender bouquet adorned the register table, where 87 friends signed.

At the lovely dining room table, Mesdames Loyd Fox, Glenn Fox, D. H. Hairston and Cecil Carpenter poured lavender punch from a pretty punch bowl which occupied one end of the lace-covered table. The decorated three-tiered wedding cake, topped by the tiny bride and groom, all white, occupied the center of the table and was surrounded by gold flowers. Tall two-branched candelabra with white candles flanked the cake. The tiny napkins bore the inscription, "Golden Anniversary."

Mrs. W. S. Douglas Talks on American Art at High School

Mrs. W. S. Douglas of San Angelo, state chairman of art in the Texas Federation of Women's Clubs, spoke at the High School auditorium Wednesday afternoon, March 9th. She illustrated her talk with pictures from the Colonial Art Exhibit then on display.

The speaker, though no stranger to Crowell, was introduced by Mrs. Hubert Brown, president of the Adelpian Club and general chairman of the exhibit. Musical numbers which added to the charm of the program were rendered by Misses Marcia Kincaid, Rozella Autry and Bobby Ruth Abston. A reading taken from Millet, "The Man with the Hoe" was given by Miss Maurine Youree.

Assembly of God Church Will Have Special Service

Rev. Warren Everson, pastor of the Assembly of God Church, which has recently moved from the old site to a lot on the highway, announces that there will be a special service at the church on Saturday evening, March 19. Bro. John Franklin, missionary to Guatemala, will be the speaker at that time and the public is cordially invited to attend. The service will be at 7:30 p. m.

Rev. Everson also states that Sunday, March 20, is National C. A. day with all Assembly of God churches. Christ's Ambassadors are the young people of the church and the young people of the church will wear tags indicating the day. The services of the church are now being held in the church on the new location on West Commerce.

Junior Basketball Team Won Tourney at Chillicothe

Coach Gordon Erwin's Junior Basketball Team won another tournament last week-end when it defeated Williams, Five-in-One, and Quanah in the Chillicothe Grade School basketball tournament. The Crowell eighth grade boys had very little trouble defeating Williams 35 to 8 on Friday night. They got off to a good lead in the first quarter against Five-in-One Saturday afternoon to win by a 24 to 17 score. They also got off to a good start against Quanah Saturday night in the final game of the tournament but the little Indians tied the score up in the third quarter. The Crowell boys went out ahead in the fourth quarter to win by a 21 to 14 count. The Wildkittens' ability to make free shots meant the difference in two of the games. They made well over fifty per cent of their free tosses. Ginger Johnson made six out of seven free shots during the tournament. Jim Paul Norman, center for Crowell, made the all-tournament team. Other boys playing for Crowell were Don Gobin, Roy Whitley, Jimmy Stinebaugh, Billy Abston, Glyndon Johnson, Billy Johnson, V. W. Lattimer and Leon Pechacek. Crowell will receive a nice trophy for winning this first place. Williams School defeated Kings for the Consolation trophy. The following schools participated in the tournament: Chillicothe, Odell, Kings, Williams, Medicine Mound, Five-in-One, Quanah and Crowell.

C. H. S. Baseball Team Wins 1st Tilt of Year at Quanah

The Crowell High School baseball team won its first exhibition game of the season last Friday afternoon at Quanah when the Wildcats took the Quanah Indians into camp to the tune of 2 to 1. The Cats looked very weak at the plate with only four boys collecting six hits. Billy Lynch and Jimmy Rasberry garnered two hits each, and Floyd Borchardt and Rouse Todd got a single each. Todd was robbed of another hit when he hit right field and Rasberry was slow about going to second. Fourteen Crowell boys struck out in the seven-inning game. Quanah was able to hit safely only six times off of Ohr, too. However only eleven Quanah boys were retired by the strikeout route.

G. A. Mitchell Observed 92nd Birthday Wednesday

G. A. Mitchell, pioneer resident of Crowell and Foard County, observed his 92nd birthday at his home on Wednesday, March 16. No celebration was planned for the occasion but Bro. Mitchell, as his friends generally call him, received friends and congratulations throughout the day.

Former Foard Farmer Brings in Water Well Near Clayton, N. M.

A water well which produced 800 gallons per minute was tested Tuesday of last week on the farm of E. S. Flesher, former Thalia farmer who lives near Clayton, N. M. Mr. Flesher's farm is located 6 1/2 miles northeast of Clayton. The well is 310 feet deep and proves another shallow water well area in that section which will be easily adaptable to irrigation.

Former Crowell Woman Retires

Miss Gertrude B. Culp, a veteran of 31 years as teller and later as manager in the savings department of the Pueblo Savings & Trust Co., of Pueblo, Colo., retired the first of February. She was one of the first women in Colorado to work at a paying window in a bank.

Officers Have Busy Week-End

The city and county officers had a busy week-end. One man was picked up for illegal possession of liquor, three for drunkenness, two for fighting, and several for traffic violations.

Annual Drive for Cancer Society Opens Here April 1

Foard County opens its annual educational and membership campaign for the American Cancer Society, Texas Division, on April 1st.

DISLOYALTY SUSPECT

Samuel L. Wahraftig, AMG aid, is pictured in a telephone booth upon arrival in Boston. He was flown to the U. S. by military transport to answer disloyalty charges.

Samuel L. Wahraftig, AMG aid, is pictured in a telephone booth upon arrival in Boston. He was flown to the U. S. by military transport to answer disloyalty charges.

Final Chapter of Strange Story to Be Given Sunday Evening

The second and final chapter of a true-life experience among the Tibetans, entitled "The Strangest Story Ever Told," will be narrated by the pastor, Vernon M. Newland, at the First Christian Church Sunday evening.

C. of C. President Appoints Committee Chairmen This Week

The Foard County Chamber of Commerce board of directors met on Tuesday night in its regular monthly meeting and approved the report of the auditor, L. A. Andrews.

Lake Kemp Anglers Club Organized

Officials of the Chamber of Commerce called a meeting last Friday night to coordinate and help organize the Lake Kemp Anglers Club for Crowell.

West Side H. D. Club Meeting Postponed

The West Side Home Demonstration Club which was scheduled to meet Wednesday, March 16, has been postponed until March 23. The meeting will be held in the home of Mrs. Herman Kincheloc.

New 1949 Plymouth Will be Displayed Friday, March 18

The new 1949 Plymouth automobile will be on display at the show rooms of Cates & Hays Motor Co., DeSoto-Plymouth dealers, and Speer Motor Co., Chrysler-Plymouth dealers in Crowell, on Friday, March 18.

The new Plymouth features beauty, performance, safety and comfort and everyone is invited to see this new car Friday. It is sleek in appearance. New rear-end styling provides a graceful balance with the horizontal grill lines which emphasize the broadness in the front. Fenders which blend perfectly into body lines are nevertheless separate and detachable.

1949 Grid Schedule Is Announced by School Officials

Superintendent Grady Graves and Coach Scott Whitaker have announced a 10-game schedule for football for the Wildcats this year.

Crowell Golfers to Play Paducah Next Sunday

An inter-city match between golfers of Crowell and Paducah will be played Sunday afternoon, it was announced Wednesday by T. S. Haney.

Cemetery Donations Recently Made

Mrs. N. J. Roberts announces the following donations which have recently been made to the Upkeep Fund for the local cemetery:

ACCEPTS NEW POSITION

Mr. and Mrs. Bob Gobin and small son, Bobby, made a trip to Lubbock Tuesday at which time Mr. Gobin accepted a position with the Dunlap Federated Stores. He will be located in Monahans. Mr. Gobin has been employed for several years by the Fish Department Store. He will assume his new duties Monday.

J. H. Sauls Died Friday at Home of Daughter Here

J. H. Sauls passed away Friday, March 11, at 12:01 o'clock at the home of his daughter, Mrs. Pete Holcombe, where he had made his home almost continuously since the death of his wife on June 9, 1945. Mr. Sauls had been ill for several months.

Funeral Was Held Sunday at Methodist Church in Hamlin

The body was taken overland to Hamlin, the former home of the deceased, where funeral services were held from the First Methodist Church on Sunday afternoon, March 13, at 3 o'clock. Dr. Will C. House, pastor of the church, officiated at the last rites, being assisted by Rev. J. E. Harrell of Anson and Rev. Aubrey C. Haynes, pastor of the Methodist Church in Crowell.

Favorite songs of the family, "In the Sweet Bye and Bye," "The Old Rugged Cross" and "Shall We Gather at the River," were sung by the choir.

Final Chapter of Strange Story to Be Given Sunday Evening

The second and final chapter of a true-life experience among the Tibetans, entitled "The Strangest Story Ever Told," will be narrated by the pastor, Vernon M. Newland, at the First Christian Church Sunday evening.

C. of C. President Appoints Committee Chairmen This Week

Dates Set for 1949 Chicken-of-Tomorrow Contest Campaign

The 1949 Texas Chicken-of-Tomorrow contest will be held May 30 to June 3 at Gonzales. In making the announcement today, State Chairman F. Z. Beamblossom, poultry marketing specialist at Texas A & M College, reported that birds competing in the contest must be hatched the week of March 16, in order to meet contest specifications. "Goal of the new three-year program," Beamblossom said, "is a 1951 model chicken patterned along the lines of progress made in the initial Chicken-of-Tomorrow breeding contest. The new bird, to grow faster, with still more meat, is being scientifically re-designed to bring increased consumer satisfaction, in the same fashion that science has converted cattle, hogs and other food animals," he said. Breeders and growers throughout the state are encouraged to help develop and produce the

How To Relieve Bronchitis
Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.
CREOMULSION
for Coughs, Chest Colds, Bronchitis

meatier bird—one with beefier drumsticks and extra layers of white meat. State, regional and national contests are scheduled from coast-to-coast, and \$10,000 in awards from the A & P Food Stores is awaiting breeders turning out the prize specimens. "In many respects, the Chicken-of-Tomorrow is here today," Beamblossom said. "Birds judged at the national finals last June in Delaware, where a California hatchery won the top \$5,000 prize for its Cornish-New Hampshire cross, are a better meat type chicken than consumers have had in the past. The main objective now is to spread and expand production of these birds, so that more and more superior chickens will soon be reaching American dinner tables." The state committee urges 4-H, Future Farmer and school participation, and has set up a special junior division of the state-wide contest, with the same rules and hatching dates to apply as in the adult competition. In order to compete, entrants must have 100-300 straight run chicks or 50-150 sexed cockerels, Beamblossom announced. Entry blanks and complete information about the contest are available at

WHAT DO YOU HAVE IN MIND?

Are you going to be an engineer, a lawyer, a doctor, a scientist? Or are you just going to be John Q. Whitecollar?
 No matter what your future plans are, you are laying ground work for it now. If you sleep in study halls, perhaps you will be a manufacturer; if you think of excuses for not getting engaged, you may be a lawyer; if you throw spit wads in the library, you may be a great artilleryman, but chances are you won't.
 The chance for learning is now. Don't pass it up. Remember, opportunity knocks but once. Be here to let him in.

TEACHERS ATTEND OIL BELT DISTRICT CONVENTION

The second general session of the Oil Belt Teachers composed of 23 counties was held in the Senior High School Auditorium at Wichita Falls, Saturday, March 12 at 9:30 a. m. From Crowell those attending the meeting were Mr. Grady Graves, Mr. Marvin Myers, Mrs. John Nichols, Mrs. F. A. Davis and Miss Cora Carter.
 All the teachers seemed to be agreed that Dr. Andy Holt, vice-

president of the National Education Association from Nashville, Tenn., was the outstanding speaker. Dr. Holt explained the new school program in Tennessee and compared it with the plan set forth in the Gilmer-Akin Bill.

Other numbers on the program were music by Wichita Falls High School A Capella Choir with Sara Dunn Sistrunk, director and an address on Gilmer-Akin Bill by Joe C. Humphrey, President of Texas State Teachers' Association.

We asked Mrs. Davis if she attended the banquet at noon. Her reply was, "Shore did and it cost me a dollar and a half."

ONE-ACT PLAY CONTEST TO BE HELD IN CONLEY

The one-act play cast has been diligently practicing for the past few weeks. Mrs. Bursey reports special improvement has been shown at the last few rehearsals by changing some of the stage "business." A rehearsal will be attended by the speech class this week. Next week rehearsals will be held for the grammar and high school.

The play is "The Severed Cord." Marion Bailey plays the part of Jake, the father; Melvin Newland plays Carl, his son; the charac-

ter of Anna, Jake's wife and Carl's mother, will be played by Clara Jones.
 The contest will be held at the Olney High School Auditorium, Friday, April 1.

SENIORS START SATURDAY SLAVING

The seniors again started their Saturday work to add to the funds for the much-looked-forward-to Senior Day.

Helen Reithmayer, Magee Toggery, looked for left-handed needles.

J. P. Bartley, Cicero - Smith, tasted sawdust. Found plenty of two-by-fours.

Peggy Pittillo, Crowell's Radio Shop where she almost got an airplane ride.

Dorothy Gamble, Foard County Mill, learned how to weigh wheat.

Norma Gamble, White's Auto in morning, Arner's Variety in afternoon.

Billy Bond, Borchardt's Chevrolet. Did everything but wash the owner and thought he was going to have to do that before he quit.

Julia Johnson, Shirley-Youree Drug, gained weight eating ice cream.

We will try to hear more comments next Saturday. Others who worked were:

Faye Jones - Bank.
 Dalton Biggerstaff - Fox-Thompson Grocery.
 Floyd Borchardt - Mac's Food Market.
 Bobby Cato - Weiss Implement Co.
 Ray Gable - Barker Implement Co.
 Baxter Gentry - Weiss Farm Equipment.
 Clifford Orr - Humble plant.
 John Potts - Chrysler Motor Co.
 Maggie Edverson - Karo's Cafe.
 Peggy Evans - Texas Natural Gas Co.
 Ramona Hammonds - White's Auto Store.
 Mary Johnson - Farmers Elevator.
 Mary Jones - DeLuxe Cafe.

THE FOARD COUNTY NEWS

Emilie Kajs - Spencer Insurance Co.
 Dorothy Thompson - Ferguson Drug Store.
 Rose Marie Werley - Ben Franklin Store.

CROWELL F. H. A. CHAPTER TO ATTEND AREA MEETING IN CANYON

The auditorium of the West Texas State College at Canyon will be the scene of the Area 1 F.H.A. meeting on Saturday, March 26.

Members of the Crowell chapter who had so much fun at last year's meeting in Plainview have already turned in their names to attend the meeting. Over twenty girls are expecting to make the trip. A bus driven by Allan Taylor will leave from the north side of the courthouse square at six o'clock on the morning of March 26.

If the bus arrives at the college before the meeting starts, the girls are invited to visit the different departments in the college which will be open to visitors until the meeting starts at 10:15. Dr. Owen Jacks and Perry Bell are the sponsors of the hostess chapters.

The meeting will be presided over by Mabel Graham, area president; Nanene Campbell, National Projects Chairman, will also be present. Nanene only recently returned from a trip to Milwaukee on which she transacted some club business. At the meeting, area officers will be elected and a nominee for a state office from Area 1 will be chosen.

After the business meeting a style show will be held. Two or three girls from each chapter are to model dresses they have made themselves.

TRAFFIC COP VISITS CROWELL SATURDAY NIGHT

Everyone thought everyone else was crazy Saturday night because they were driving carefully and giving hand signals. That is nearly everyone was.
 Well, it wasn't because of craziness for the sudden change of driving, but because there was a "Polecat Car" in town. Some weren't so fortunate as others. Everyone who was driving trucks had clearance on them, except one. Ask Todd.

Seriously speaking, we need the highway patrol; they should visit us often.

Do you stop at the red blinker light going south or east to the square?
 Do you use the proper hand signals?
 Do you park only 10 minutes in front of the post office?
 How many traffic rules do you break?

MARY COMER, NEW STUDENT, FINDS CHS FRIENDLY

Dark brown hair, blue eyes, and a slender figure, describes Mary Comer, new addition to CHS. Mary was born in Groesbeck, Texas, 15 years ago and lived there until the age of four when the family moved to Arkansas. At the age of 8 she moved back to Groesbeck and lived there until a week ago when her bright and smiling countenance disappeared from Groesbeck and she came to CHS.

In Groesbeck High School she was interested in dramatics and belonged to the Dramatic Club. Her favorite subject is English. As for sports and hobbies, Mary is an ardent football and baseball fan, and loves volley ball. Her hobby is collecting picture post cards. She also frequents the cinema, specially when she can see her favorites, Van Johnson and June Allyson.

Her secret ambition, she stated, is to be a secretary; therefore she plans to go to business college after high school.

"WATCH THE BIRDIE"

All classes of CHS will assemble once again on the north side of the Crowell High School building to have their pictures taken. Jimmy Ashford, CHS's official photographer, will journey to Crowell from Quanah on Tuesday, March 15, to take these pictures. These pictures are taken only for the individual students as we do not have annuals this year.

CROWELL OPENS SEASON VICTORIOUS

The Crowell Wildcats encountered the Quanah Indians of District 2AA in their first baseball skirmish of a new season. Coach Whitaker nominated Clifford Orr a starting pitcher. Danny Ozark, the starting pitcher for Quanah, struck out the first three Wildcats at the plate.

After Orr had retired Quanah in order, the Wildcats found the range but didn't scratch. The next inning "Willie" Lynch got a "bingle" and stole second. Then "Booger Babe" Rasberry drove out a single and "Willie" scored. The score stayed that way until the sixth inning when Logan, Quanah's left fielder, scored on an infield out. Then in their half of the seventh, Crowell again counted with Lynch scoring. Quanah threatened in their half of the seventh, but didn't count. The game ended two to one for the CHSites. Orr allowed two hits and one unearned run.

BOUQUETS AND BRICKBATS

Bouquets to Mrs. Hubert Brown for working so hard with the art exhibit.
 Bouquets to the seniors who worked Saturday for the senior trip.
 Brickbats to people who trample chalk on the floor.
 Bouquets to Mrs. Simmons and

her staff for serving good meals.
 Brickbats to people who put their gum in the fountains.
 Bouquets to the lovers of CHS.
 Brickbats to students who throw paper on the campus.
 Bouquets to the beautiful spring weather.

Brickbats to snobbish students.
 Bouquets to the baseball team.
 Brickbats to the teachers for assigning themes the same week.
 Bouquets to Mr. Graves for improving the lighting system in the auditorium.
 Bouquets to the VA boys for roofing their building.
 Brickbats to the Speech Class for getting ready to catch the bus before the bell rang.
 Bouquets to FHA girls for adding a smart fashion note to the CHS styles.
 Bouquets to Mr. Black and Mr. Graves for letting FHA girls go to Canyon.
 Brickbats to Algebra II for getting harder every day.
 Bouquets to Elwin Setliff's red cap.

WILDCAT PURRS

Back again, bounding in on the back of the March lion, or was it a lamb? Only four more winter days until spring. . . the flowers that bloom in the spring, tra la. Oh, but even I, the Cat's Tail, catch the fever when it's spring-time on the prairies.
 Only one trouble with the coming of spring. . . the going of sweaters and ear muffs. But my last issue's traps were well set and the dance Saturday night was carried on.

Bobby Lax and Virginia McKown are "twipperated."
 Seen Saturday night were Mary Bergt and Bobby Joe Railsback.
 Norma Mathews just can't seem to keep her mind on anything but that cute freshman boy, James McBeath. (pd. adv.)
 Lucille seems to be waiting for her OAO, Alton Johnson.
 Jean Gamble seems to be forgetting about James Pyle. We wonder why!!
 Dorothy Wilson's heart beats only for Joe Williams.
 Why doesn't Jon Sanders give the local girls a chance?
 Mary Matus' heart still beats for none other than Doyle Wright.
 An eternal triangle is "Kildee" Cates, Rosemary Moss and James McBeath.
 Wonder why Ruth McRae is so secretive about that particular

In the spring a young man's fancy turns lightly to . . . what the gal has been thinking about all year.
 Betty Barker seems to be playing the field, Rusty McNeese, Bob Edwards and Charles Wishon.
 Wanza Spears and Mary Rader were lonesome this week-end. James was in Dallas and Jon Coffey was at Zachahwiesta.
 Myrtle Bartley has captured Nile "Fat" Bryant's heart.
 Since when has Rouse Todd started picking flowers for girls - namely, Myra Self.
 Everyone had a good time coming back from the ball game at Quanah.
 Lad King, "Pee Wee" Polk, and "Hickey" Brown sure had a swell time at the dance Saturday night.
 Bobby Lax and Virginia McKown are "twipperated."
 Seen Saturday night were Mary Bergt and Bobby Joe Railsback.
 Norma Mathews just can't seem to keep her mind on anything but that cute freshman boy, James McBeath. (pd. adv.)
 Lucille seems to be waiting for her OAO, Alton Johnson.
 Jean Gamble seems to be forgetting about James Pyle. We wonder why!!
 Dorothy Wilson's heart beats only for Joe Williams.
 Why doesn't Jon Sanders give the local girls a chance?
 Mary Matus' heart still beats for none other than Doyle Wright.
 An eternal triangle is "Kildee" Cates, Rosemary Moss and James McBeath.
 Wonder why Ruth McRae is so secretive about that particular

someone!!
 Violet thinks this space should be reserved for her and Virgil Patton.
 We wonder who "Budda's" latest dream girl is??
 Barbara White and Marshall Carroll are a prospective steady.
 Billy Johnson's eyes are not for our local girls anymore. It's a South Lockett belle that's keeping him occupied.
 Bertha Johnson and Oran Carroll are spending a lot of time together.
 Lenora Gray and Marion Gobin are still topping the steady list.
 Patsy Carroll's mind stays on the Vernon boys now.
 Dorothy Wilson's heart beats for James Weathers only. Cute couple, don't you agree?
 Peggy Pittillo and Harold Thomson are still that way.
 It seems as tho Mary Matus would give some of the Crowell boys a break.
 Peggy, Betty Lou, Pat and Julia had a good time telling ghost stories Saturday night, until Rouse walked up.
 Thanks so much for the juicy scandal, but let's have more of it in locker 29.
 Thanks a lot,
 The Cat's Tail.

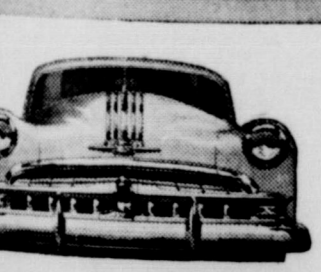

VITAMIN A IN BUTTER

Butter is noted for being an excellent source of vitamin A. However, it is well to remember that the amount of vitamin A a pound of butter contains varies according to the season, from 11,000 units in winter to 18,000 units in summer.

General Motors' Lowest-Priced Eight!

It's no wonder that thousands and thousands of people all over the country have decided—once and for all—to move up to the magnificent new 1949 Pontiac.
 It's an easy step to take, because the new 1949 Pontiac—beautiful and distinguished as it is—is still priced just above the lowest! Pontiac is General Motors' lowest-priced eight! As a matter of fact—if you can afford any new car you can probably afford one of the new Pontiacs!
 When you do buy a Pontiac—you will be driving an outstanding automobile, a car that's a sweet-heart for performance; a car that just goes and goes—mile after mile—with only the minimum of routine servicing.
 In short, you will be proud and happy to own and drive a Pontiac—the most beautiful thing on wheels!

THE MOST BEAUTIFUL THING ON WHEELS
 Silver Streak Styling and striking new Bodies by Fisher, combine to make the 1949 Pontiac truly "the most beautiful thing on wheels."

LOWEST-PRICED CAR WITH GM HYDRA-MATIC for unsurpassed "automatic" driving ease. No clutch pedal. No continuous shifting. You just sit back and drive! Optional on all models at extra cost.

The Business People of Crowell Honor the Doctors of Our Community

Dr. Hines Clark Serves Community Almost Half Century

Dr. Hines Clark, who is active in his profession, rode into Crowell on a gray horse on Dec. 8, 1900, at 3 o'clock and put his horse up at a livery stable on the corner where Weiss Farm Equipment is now located, and this community has been his home since that time. He secured a room at the Commercial Hotel and his first professional call was to the home of Mr. and Mrs. W. L. Ricks and he has remained their family doctor during the years that have followed.

On Oct. 13, 1902, Dr. Clark married Miss Arrie Thomson, daughter of the late Mr. and Mrs. Dan Thomson. Six children were born to this couple, four of whom are living. Their two sons are doctors, Dr. Dan H. Clark and Lt. (jg) Charles S. Clark, M. C., U. S. N., both of Corpus Christi, Texas. Their daughters are Mrs. Leonard Male of La Grange, Ill., and Mrs. J. C. Cumley of Dallas.

Dr. Clark served almost two years in World War I. He received his commission as first lieutenant in the Medical Reserve Corps in June, 1917, and was ordered to active duty with the regular army at El Paso on August 29, 1917. In December he was transferred to the 34th Infantry which was moved to Waco in June, 1918, and was promoted to captain and in July, 1918, sailed for active duty in France. He was honorably discharged from the army at Camp Bowie with the rank of major on May 23, 1919. Two years after leaving the service, Dr. Clark accepted a commission with the National Guard of Texas on Dec. 21, 1921, and served as surgeon with the 142nd Infantry with the rank of major until being relieved

Dr. J. H. Barnebee Has Opened Offices in Ferguson Drug

Dr. James H. Barnebee Jr. opened offices in Ferguson Drug Store on March 8 for the practice of medicine here. Dr. Barnebee's offices are well equipped. He comes to Crowell from Blooming Grove, Texas. Dr. Barnebee bought the Bert Ekeem home and Mrs. Barnebee and their three children, Jimmy, Jo Hanna and Michael, arrived here last week and they are now located in their new home.

Dr. Barnebee attended medical school at Western Reserve University in Cleveland, Ohio, and served his internship at Jefferson Davis Hospital in Houston.

He entered the service as a captain in the Medical Corps in 1914 and was released in 1916, and placed on inactive status.

Dr. Barnebee has had considerable experience in surgery, much of this experience being gained while he was serving in the Army.

from active duty on Aug. 6, 1919.

When Dr. Clark began his practice here his mode of transportation was the gray horse he rode into town. However, when he bought his first automobile in 1909, he had five horses in his barn. This car was a Brush and it took four days to drive it from Dallas to Crowell. He has worn out many cars since that time.

Dr. Clark took his pre-med training at Texas A & M College and graduated from the Ft. Worth Medical School in 1909 and has taken many post-graduate courses during the years. He has served as City and County Health official and was instrumental in securing the Foard County Hospital which opened for business in April, 1941.

Dr. J. M. Hill Came Here with Parents in 1886

Dr. J. M. Hill came to what is now Foard County with his parents, the late Mr. and Mrs. G. T. Crowell, in a covered wagon from Dallas County, the family arriving in November, 1886. He is a native of the state of Georgia.

It took an entire week, seven days, to make the trip. Mr. and Mrs. Crowell settled on the land where the court house now stands which also includes the south part of town. The town was named for Mr. Crowell.

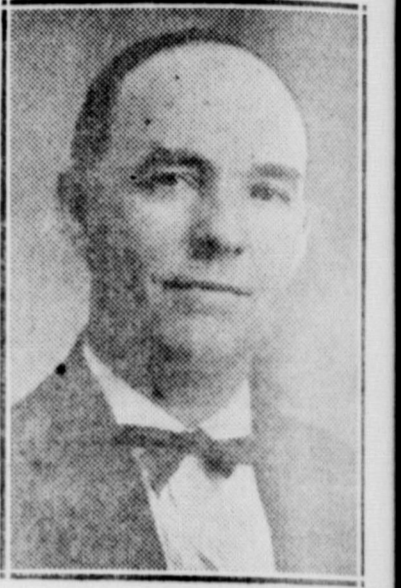

After attending the Crowell school, which is known to early settlers as "the Old College," with the late E. R. Blankenship as superintendent, Dr. Hill went to Nashville, Tenn., in 1899, where he took his two years of pre-med work at the University of Nashville and University of Tennessee. He later attended Emory Medical College in Atlanta, Ga., and graduated in 1902.

In later years Dr. Hill took post-graduate work in San Francisco in 1906, in New York in 1908 and in Chicago in 1913.

Dr. Hill was married to Miss Edna Thacker in 1904. Dr. and Mrs. Hill have three children, Mrs. Mack Norman of Crowell, Mrs. A. V. McCombs of Las Cruces, N. M., and J. M. Hill Jr. of Crowell.

Dr. Hill started his practice here first on horseback, then in a one-horse cart, later in a two-horse buggy. After the railroad came, he made many calls in muddy weather to Margaret and Trustcott by hand-car or road a steam engine. When he made a call to Margaret on a hand-car, he rode a big work mule to the home of the patient. His first car was an Overland, bought in 1910. It took three days to drive it from Dallas.

His first patient was John L. Hunter Sr. of the Margaret community and he is still Mr. Hunter's doctor, having made a call to his home last week.

Dr. R. L. Kincaid Locates in Crowell in January, 1908

Dr. R. L. Kincaid and family came to Crowell in 1908 and arrived here on Jan. 9 from Ellis County. Crowell didn't have a railroad at that time, so they came to Vernon by train and from Vernon in a wagon. Dr. Kincaid practiced medicine in Ellis County before coming here. He moved to Crowell just as Dr. Howell was moving away and had several calls right at the beginning. When he first started, he drove two sorrels to a buggy and bought his first car, a Brush, on the same day Dr. Clark did. The cars were in Dallas and Dr. Kincaid says that Dr. Clark wanted to ship the cars, but he wouldn't agree to it. So they drove them to Crowell in four days. They had to drive until midnight each day in order to make it in four days.

Dr. Kincaid received his college work in Memphis Hospital College, Memphis, Tenn., graduating in 1909.

In 1904 Dr. Kincaid was married to Miss Elizabeth Stephens in Denton. They have three children, Merl Kincaid of Crowell, Mrs. Harvey Tarnough of Lubbock and Mrs. Dale Grimes of Quemada, Texas, and six grandchildren.

Dr. Kincaid says he will never forget one call he made when he delivered a baby weighing 16 pounds.

In 1932, Dr. Kincaid retired from the practice of medicine and organized the Crowell State Bank after buying out the old First State Bank. He was active president of the bank for several years until he turned the duties of this position over to his son, Merl, active vice president.

At the present time, Dr. Kincaid is spending his time looking after his ranching and farming interests in the county.

Dr. D. E. Sanders Opens Offices Here Early in December

The young man who chose to follow in the footsteps of Foard County's pioneer dentist, the late Dr. H. Schindler, opened his attractively decorated offices in the Jonas building on Dec. 6th.

Dr. Sanders has the very latest equipment for the practice of dentistry and he is well pleased with the patronage he has received from the people of Crowell and surrounding communities since he has been here.

Graduate of Quanah High School, Dr. Sanders did two years pre-dental work at Abilene Christian College before entering the School of Dentistry of Baylor University in Dallas where he graduated in 1938. After graduating from College, Dr. Sanders did dentistry work for the children of Tipotn's Orphans Home in Tipton, Okla.

Dr. Sanders was married to Miss Jacqueline Vick of Longview in a ceremony held in Longview on Feb. 10. Dr. and Mrs. Sanders are now making their home in an apartment prepared by the groom adjoining his dental offices.

MARGARET
(By Mrs. S. B. Middlebrook)

Several from here attended the funeral of Jim Olds in Crowell Tuesday.
Mr. and Mrs. Lon Goodman of Vernon visited his father, "Uncle Tom" Goodman, Sunday afternoon.
Mrs. Roy Ayers left Thursday for Houston to visit her mother, Mrs. George Kampen.
Mr. and Mrs. W. A. Priest spent Sunday with Mr. and Mrs. Ralph Shultz and daughter, Judy, in Thalia.
Mr. and Mrs. Morris McCarty and family of Thalia were Sunday visitors here.
Mr. and Mrs. I. J. Jackson and children of Black visited their grandmother, Mrs. Sadie Bradford, Sunday.
Mrs. Valeria Owens is visiting her sons, A. B. and Jim, after being dismissed from the hospital.
Mr. and Mrs. Ray Hysinger, Mr. and Mrs. R. A. Bell and children, A. B. Owens, William Bradford and J. T. Tamplin were visitors in Quanah Friday.
Mr. and Mrs. Will Tamplin visited Mr. and Mrs. Dave Shultz of Thalia Wednesday.
Mrs. Luke Bledsoe left Saturday for an indefinite visit with her daughter, Mrs. George Lynch, and family in Oak Arbor, Wash.
Mr. and Mrs. Kenneth Payne from Decatur spent the week-end with his parents, Mr. and Mrs. Coy Payne, and family.
Owen Ketchersid killed a large bobcat at his place north of town Saturday.
Chigger Bledsoe of Dumas visited relatives here Saturday.
Gilbert Choate spent several hours between trains with benefactors Sunday.
Mr. and Mrs. Bill Murphy visited Mr. and Mrs. Dewitt Edwards of Lockett Sunday.

Mr. and Mrs. Ernest Tovey and children visited Mr. and Mrs. John L. Hunter Jr. Sunday.
Mr. and Mrs. Bobby Long and children and Wayne Lindsay were Wichita Falls visitors Saturday.
Mr. and Mrs. Hugh Shultz visited relatives in Iowa Park Saturday.
Earl Manard of Crowell was in town Monday.
Dallas Marlow is visiting Mr. and Mrs. Bill Marlow this week.
Chester Parramore of Brownfield, Mrs. Pearl Parramore of Ropesville, Mrs. Lamian Burno and children of Amarillo and Mr. and Mrs. Raymond Gentry and baby of Paducah visited Mr. and Mrs. Ernest Elliott over the week-end.
Mr. and Mrs. Fred Reed of Vernon and Mr. and Mrs. A. D. Scott visited Mr. and Mrs. Dink Russell Wednesday evening.
Mrs. W. R. McCurley and Mrs. O. C. Allen visited in Quanah Monday.
Mrs. Lillie Marlow and son, Arthur, of Thalia visited over the week-end with Mr. and Mrs. Bill Marlow.
Mr. and Mrs. R. A. Bell and children visited Mr. and Mrs. Clary Flowers and family in Vernon Saturday evening.
Mrs. Carl Ingle and children of Quanah visited her parents, Mr. and Mrs. R. H. Blevins, over the week-end.
Mrs. C. W. Ross and Mrs. Frankie Halenak were Vernon visitors Thursday.
Mr. and Mrs. Joe Fox of Crowell spent Sunday afternoon with Mr. and Mrs. Bill Marlow.
Mr. and Mrs. Luther Brown of Kirkland visited Mr. and Mrs. Dink Russell Tuesday.
Mr. and Mrs. Hugh Shultz and son, Wayne, entertained Mr. and Mrs. Bill Ewing of Abilene, Mr. and Mrs. Jim Ewing of Crowell, Mr. and Mrs. G. C. Wesley, Mr. and Mrs. Richard Johnson and family and Mr. and Mrs. Paul Johnson of Crowell, Mr. and Mrs. Fred Priest and daughter, Carolyn, Mrs. Eudale Oliver and family, Mrs. Ralph Shultz and daughter of Thalia, Mrs. Bob Choate and children and Mr. and Mrs. W. A. Priest with a musical and picture show Thursday evening.

Miss Irene Hunter has been dismissed from the Crowell hospital.
Mr. and Mrs. Charlie Hunter were visitors in the John L. Hunter Sr.'s home Sunday.
Mr. and Mrs. Hubert Smith and son of Vernon were visitors in the Dick Smith home Sunday. Mrs. W. L. Smith returned home with them for a visit.
Mr. and Mrs. Frank Halenak visited Mr. and Mrs. Zacek of Thalia Sunday.
Mrs. Louise Spotts of Hico is here because of illness of her father, John L. Hunter Sr.
Mr. and Mrs. Ernest Tovey and children visited Mr. and Mrs. John L. Hunter Jr. Sunday.
Mr. and Mrs. Bobby Long and children and Wayne Lindsay were Wichita Falls visitors Saturday.
Mr. and Mrs. Hugh Shultz visited relatives in Iowa Park Saturday.
Earl Manard of Crowell was in town Monday.
Dallas Marlow is visiting Mr. and Mrs. Bill Marlow this week.
Chester Parramore of Brownfield, Mrs. Pearl Parramore of Ropesville, Mrs. Lamian Burno and children of Amarillo and Mr. and Mrs. Raymond Gentry and baby of Paducah visited Mr. and Mrs. Ernest Elliott over the week-end.
Mr. and Mrs. Fred Reed of Vernon and Mr. and Mrs. A. D. Scott visited Mr. and Mrs. Dink Russell Wednesday evening.
Mrs. W. R. McCurley and Mrs. O. C. Allen visited in Quanah Monday.
Mrs. Lillie Marlow and son, Arthur, of Thalia visited over the week-end with Mr. and Mrs. Bill Marlow.
Mr. and Mrs. R. A. Bell and children visited Mr. and Mrs. Clary Flowers and family in Vernon Saturday evening.
Mrs. Carl Ingle and children of Quanah visited her parents, Mr. and Mrs. R. H. Blevins, over the week-end.
Mrs. C. W. Ross and Mrs. Frankie Halenak were Vernon visitors Thursday.
Mr. and Mrs. Joe Fox of Crowell spent Sunday afternoon with Mr. and Mrs. Bill Marlow.
Mr. and Mrs. Luther Brown of Kirkland visited Mr. and Mrs. Dink Russell Tuesday.
Mr. and Mrs. Hugh Shultz and son, Wayne, entertained Mr. and Mrs. Bill Ewing of Abilene, Mr. and Mrs. Jim Ewing of Crowell, Mr. and Mrs. G. C. Wesley, Mr. and Mrs. Richard Johnson and family and Mr. and Mrs. Paul Johnson of Crowell, Mr. and Mrs. Fred Priest and daughter, Carolyn, Mrs. Eudale Oliver and family, Mrs. Ralph Shultz and daughter of Thalia, Mrs. Bob Choate and children and Mr. and Mrs. W. A. Priest with a musical and picture show Thursday evening.

Southern Baptists Set Record in 1948

Southern Baptists set a baptism record in 1948, with reports indicating that the denomination's 26,825 churches immersed 312,246 persons during the year.
Porter Routh, statistical officer of the Southern Baptist Convention, said that the baptisms pushed the membership of the churches to 6,491,981. Sunday school enrollment jumped more than 300,000 during the year to bring the total enrolled in weekly Bible study to 4,308,374.
Gifts for all causes channeled through the churches reached

\$156,605,521, a gain of almost \$25,000,000 over 1947. Of the total given, \$124,855,222 was used for local church work, and \$31,750,299 was used for missions, education and benevolences.
Treasury officials have set May 15 for the sale of a 6-week savings bonds campaign to be called the "opportunity drive." The purpose of the drive, Secretary of the Treasury Snyder said was to fight inflation and expand ownership of the federal debt. The idea is to use all funds from the drive to pay off bonds now held by banks.
The average per capita income on farms in India is now less than \$25 per year.

Savings Bonds 14 Years Old March 1

U. S. Savings Bonds are 14 years old March 1, it has been announced.
The first of these securities—then popularly known as "Baby Bonds"—was issued by the Treasury Department on March 1, 1935. Since then 80 million American citizens have bought more than one billion bonds, worth \$83 billion. Today they still own \$55 billion worth of these bonds, or 66 per cent of all that have been sold.
In citing these figures, Harry Owens, of Dallas, state director for Savings Bonds, recalled that these securities have been known by several popular names, varying since 1935 to meet changing circumstances caused by national and world events.
"When first issued they obtained the name of Baby Bonds from the fact that they were smaller in size and were available in lower denominations than the government's other securities," he said.
"When the United States launched into an intensive program for preparedness with the outbreak of war in Europe in 1939, they became Defense Bonds. Then, following the attack at Pearl Harbor, they won quick acceptance as War Bonds. Immediately following the war, they were known as Victory Bonds, and during 1948 they were called Security Bonds to emphasize that, although they performed a vital function of war, they also have far-reaching value in peace by helping to strengthen the national economy and provide financial security for the individuals owning them."
"For nearly all of these 14 years they have also been known as 'people's bonds' because of their popularity with people of small or moderate means who otherwise would not have a completely safe security of small denominations in which to invest their savings."
"But, whatever popular name they may bear from time to time, they are still U. S. Savings Bonds."
Mr. Owens explained that money derived from the sale of Sav-

RIVERSIDE
(By Mrs. Cap Adkins)

Mr. and Mrs. Ewald Schroeder left Saturday for a trip to Galveston. Mrs. Mary Gfeller and Mrs. A. B. Stoniesfer of Vernon accompanied them. Mrs. Gfeller will visit for two months in Galveston with her daughters, Mesdames Schroeder and Stoniesfer will attend the Woodman Circle Life Insurance Convention and Mr. Schroeder will catch up on his fishing. They will return by way of Austin for a few days visit with Mrs. Schroeder's son's family.
H. H. Hopkins visited with Mr. and Mrs. G. A. Creager of East Vernon Sunday afternoon.
Mrs. Cap Adkins attended funeral services for Mrs. John Scott at Lockett Friday afternoon. Mrs. Scott was the grandmother of Wayne Matthews.
Mr. Cooper of Olton is here visiting his sister, Mrs. Sam Toie, and Mr. Toie.
Mr. and Mrs. M. L. Cribbs and daughter attended funeral services Friday at Wellington for Mrs. Cribbs' brother-in-law, Will Huffman.
Jimmie Hopkins, of ACC at Abilene, spent the week-end with his parents, Mr. and Mrs. Ben Hopkins.
Mr. and Mrs. Gus Neill of Thalia spent Sunday afternoon with Mr. and Mrs. Cap Adkins and mother.
Mr. and Mrs. Ray Pyle of Vernon visited Reid Pyle and family Sunday afternoon.
Mr. and Mrs. Johnnie Kirkpatrick and children of Oklaunton spent Saturday night with her parents, Mr. and Mrs. T. C. Pope.
Mr. and Mrs. Paul Baska and Mrs. Mary Richter spent the week-end with their sister and daughter and family. T-Sgt. and Mrs. Bill Cerveny of Ft. Sill.
Mrs. Jim Whitten and daughter returned Saturday from a visit with relatives at Guthrie, Okla.
Mr. and Mrs. Floyd Ferguson of Crowell spent Sunday with her parents, Mr. and Mrs. L. Kempf.
Mr. and Mrs. Grover Moore and daughter visited in Wichita Falls Friday.
Mrs. W. H. Ellis of Guthrie, Okla., is visiting her daughter, Mrs. Jim Whitten, and family.
Mr. and Mrs. Freeman Pope and family of California visited his brother, T. C. Pope, and family Sunday en route to Gaines-

CHEVROLET HEAVY-DUTY TRUCKS

Right on the job!

Right on the job day after day because they're tough and ruggedly built. . . Right on the job all of the time with a model to meet every hauling need!

In every State in the Union, more Chevrolet trucks were sold last year than any other make. That's because only Chevrolet offers power with economy . . . strength with convenience . . . and duty-proved dependability in a variety of models to meet every need . . . up to 16,000 lb. Gross Vehicle Weight!

And only Chevrolet offers 3-Way Thrift—low cost operation, low cost upkeep and the lowest list prices in the entire truck field!

OFFICIAL REGISTRATIONS PROVE THERE ARE MORE CHEVROLET TRUCKS IN USE THROUGHOUT THE NATION THAN ANY OTHER MAKE!

BORCHARDT CHEVROLET COMPANY

Now then we are ambassadors for Christ, as though God did beseech you by us; we pray you in Christ's stead, be ye reconciled to God.—Second Corinthians 5: 20.

There is a lively discussion among government circles regarding this country's stock of atomic bombs. One group contends that the people and the world should be told exactly how many atomic bombs we have on hand. Another group contends that we should not disclose this information to possible enemies. There is argument on both sides. Under our form of government once this information is revealed to Congress, it is revealed to the whole world. The question is: Is it better to tell the world every time we make a new bomb, or a new gun, or a new tank, or is it better to keep these things to ourselves?

The very fact that the Russian leaders strive to keep the truth regarding the outside world away from the Russian people is evidence of the falseness and injustice of their rule. It is the constant fear that the people of Russia might learn the truth about the rest of the world and the rest of the world might learn the truth about Russia, that makes the Russian leaders feel that the iron curtain is necessary.

Life Magazine in a recent issue devoted considerable space to "dogs of America." According to Life there are a million purbred dogs in this country and the mongrels outnumber them 20 to 1. There are 111 different breeds recognized by the American Kennel Club. In all there are 20 million. It is believed by some that the ancestors of the dog is the wolf. Others claim that the dog was the ancestor of the wolf.

This from one of our exchanges: There are three kinds of weather, the kind we want, the kind the forecaster predicts we will have, and the kind we get.

A hundred years ago the great rush for gold to California started. Incidentally the rush for gold has been going on ever since.

Sign on a doctor's desk: I complained about having to get up so early until I met a man who couldn't leave his bed.

HISTORY

Girl Scout Day—March 12 — What is now known as the Girl Scouts was organized on March 12, 1912, by Miss Daisy Gordon with ten other young girls in an unused stable in Savannah, Ga. It was then called the Girl Guides. Miss Gordon was a niece of Mrs. Juliette Low. Mrs. Low, the daughter of General W. E. Gordon, had married William Low of Warwickshire, England. She maintained a home in London, as well as Savannah. While in England she became acquainted with Sir Robert Baden-Powell, the founder of the Boy Scouts and became, thru him, interested in the Girl Guides, which had been founded by his sister in 1909. The Girl Guides were designed to do for the girls what the Scouts did for the boys.

It was at her suggestion that her niece, Daisy Gordon, started the organization in Savannah. The movement spread rapidly to other cities. In 1915 the headquarters were moved to Washington, D. C., and the name changed to Girl Scouts. Later the headquarters were moved to New York. The movement spread rapidly over the country. The organization is very similar to that of the Boy Scouts. Members are from 10 to 16 years old. A troop consists of from 8 to 32 girls. Each troop is divided into patrols four to eight members. Each patrol has its own name and special emblem and leader. Patrol leaders with the captain and lieutenant of the troop form the executive board called "the Court of Honor." A girl must attend four meetings of the troop to become eligible for membership. A new recruit becomes a tenderfoot, advancing the several degrees as she completes the requirements. After a girl has earned twenty-one badges she is eligible for the Golden Eaglet badge, the highest award. A Girl Scout, as in the case of the Boy Scout, is expected to do a good turn for someone every day, and to obey the Scout Law which requires that she be worthy of trust, loyal, obedient, cheerful, courteous, helpful, thrifty, clean in thought, word and deed.

Soil conservationists believe that unless there is a radical change in soil conservation methods in Mexico that country will be a desert within the next 100 years.

planes with this paint can fly through an area of radar without being detected. Our government should keep such patents a secret and should rigidly control the manufacture of such paint. We are also told that we have guided missiles that "think." For example, it is said a photograph of a particular area is arranged in the nose of such missile and such missile seeks out an area and attacks it. When missiles are so sensitive and effective as to follow planes accurately, then planes may become very vulnerable to these ingenious monsters.

A graphic illustration of the difference between government operation of industry and private operation of industry is the history of American railroads during World War I and World War II. During World War I under government operation, the railroads operated at a loss of \$1,123,000,000. During World War II under private operation, the railroads made perhaps billions of dollars. Furthermore, during World War I we had near chaos in the movement of freight, while during World War II we moved vast quantities of goods with no piling up or confusion. In other words, private enterprise operated vastly more efficiently and economically than did government enterprise. This is something to think about.

This morning I had the pleasure of shaking hands with Captain James Gallagher who recently flew our B-50 non-stop around the world. Scientific development in the field of aviation, both offensively and defensively, is amazing. I am told that our scientists have recently developed a new paint which makes planes impervious to radar. In other words,

WASHINGTON NEWSLETTER

(By Congressman Ed Gossett)

Washington, D. C., March 12, 1940.—We have let Saturday slip up on us again before writing this newsletter which means we have to send it air mail in order to reach our district papers in time. This delay was occasioned primarily by the bitter debate in the House over the extension of rent controls. We have not yet disposed of this bill on which final vote will be taken on Tuesday.

Tomorrow I am flying down to New Orleans with the Immigration Subcommittee to see the landing of the first boat load of DPs to dock in the Southwest. Heretofore, all have gone into New York City. The Committee will fly back to Washington Monday afternoon. It is doubtful that we will learn much on this trip.

I have just finished examining a huge contour relief map in the main lobby of the House Office Building. This is probably the largest such map in the world. It required the work of 20 engineers and a period of 8 months to build. It depicts 50,000 square miles of land extending from Hoover Dam to the Mexican border and west from the Colorado River to the Pacific Ocean. The map contains 250 separate pieces and is built to scale. It follows closely engineering maps which took 16 surveying parties more than 4 years to prepare. The Hoover Dam is 727 feet tall and creates Lake Mead, the largest reservoir in the United States. The cost of Hoover Dam and its tremendous power plant exceeds \$500,000,000.00. All of this cost will be repaid by the users of the water and electricity, largely people of Los Angeles and southern California. The Imperial Valley irrigation district which gets its water from this project has a gross area of 882,788 acres of which more than 500,000 are under cultivation. Our great rivers with their gigantic dams and power projects constitute one of our most valuable natural resources.

This week I have received telegrams from organizations of Jewish war veterans asking me to support a bill pending before the Judiciary Committee to give them a national charter. This means to incorporate them similar to the incorporation of the American Legion and the Veterans of Foreign Wars, which organizations have national charters granted under laws passed by Congress. Most members of our Committee are opposed to this legislation. We do not think that the Jewish War veterans, or the Catholic War veterans, or the Protestant War veterans should be incorporated as such. This, it seems to us, tends to create class consciousness along racial and religious lines and to be contrary to the democratic spirit which should permeate our citizenship.

We are glad to report that Rude Magee was able to be in town most of this week following a long, severe illness.

The hardware men are now getting in their shipments of machinery for the coming big harvest and preparations on the part of the farmers will probably be the greatest ever made to take care of a wheat crop.

One pair of horses for sale.—First State Bank.

Mrs. Belle Bulkeley was here the first of the week from Nacoma attending to some business.

Mr. and Mrs. John Hays, Mr. and Mrs. L. A. Beverly and Jake Hays were here from Burkburnett last week visiting relatives.

Mrs. W. R. Womack and children left Sunday for Moran.

IN THE NEWS 30 YEARS AGO

News items below were taken from the issue of the Foard County News of March 14, 1919: W. B. Tysinger has bought the North Side Restaurant and expects to open it up the last of the week. Extensive improvements will be made before the opening.

The Boy Scouts met at the gymnasium last Friday. After a talk by Scoutmaster J. H. Hamblen, the troop was given a short drill in calisthenics by Lee Allan Beverly.

Individual deposits in the First State Bank at the close of business on March 4, 1919, were \$128,420.78. Total liabilities were \$241,532.04.

Another good rain came Friday night, continuing most of the night. The rain started from the south, but shifted to the north so that the rain was converted into a light snow before morning.

Mrs. W. R. Womack and children left Sunday for Moran.

Mr. and Mrs. John Hays, Mr. and Mrs. L. A. Beverly and Jake Hays were here from Burkburnett last week visiting relatives.

Mrs. Belle Bulkeley was here the first of the week from Nacoma attending to some business.

Adolphus Wright came in last Friday from overseas, being discharged at Camp Travis.

J. G. Ford made a trip to Rochester last week to visit his son, P. H., and family.

One pair of horses for sale.—First State Bank.

Chamber of Commerce Books Audited by L. A. Andrews

With the end of the fiscal year on Feb. 28, the Chamber of Commerce secretary manager, Hilton A. Crane, requested that the board of directors have the books audited as a sound business policy. Following is the report of L. A. Andrews: "I have made a careful check of the records as maintained by your secretary, both as to receipts and disbursements. I find that all monies have been properly accounted for and certify that the balances in the various funds as shown in the schedules are true and correct. I have no unfavorable comment to offer."

Measles in State Reached Highest Mark on March 5th

Austin, Texas — Measles and chickenpox have been widespread throughout the State during the past few weeks, and in the week ending March 5th measles reached a total number of cases, 3909, that was the second highest in history. Chickenpox was almost twice the seven year median and Dr. Geo. W. Cox, State Health Officer has stated that there is an unusual number of adults suffering from this so-called "childhood" disease.

"Both these diseases are extremely contagious," Dr. Cox said, "and the strictest isolation and sanitation precautions are necessary to halt their spread. Dishes, toys, towels, or anything that has been around the patient can carry the germs to other members of the household, and all such articles should be thoroughly disinfected before being handled by others susceptible to these diseases."

The State Health Officer recommended that a physician be called immediately when a child shows any beginning symptoms of chickenpox or measles, and that his advice be followed implicitly until complete recovery. Dangerous complications often accompany or follow measles, and a child may have his entire future health endangered unless he receives competent care during his illness.

It is not advisable to treat these childhood diseases too lightly," Dr. Cox said. "They are sometimes responsible for nothing more than a few days discomfort, but we cannot count on that. They should be taken seriously, and receive a competent doctor's supervision and attention."

"Tap Roots" Makes Thrilling Picture

It strikes into one's heart with the impact of an atom bomb, so great is the force of the flaming Technicolor production, "Tap Roots," a highly combustible film story of a county in southern Mississippi during the time leading to the Civil War. It will be shown at the Rialto Theatre on Wednesday and Thursday, March 23 and 24, with lovely Susan Hayward and handsome Van Heflin in the co-starring roles.

There is violence and tenderness, heartache and paced excitement in the thrilling spectacle adapted to the screen from the now famous novel by James Street.

The matter of permitting high school students, boys and girls, to smoke during recess has been presented in the Medford, Massachusetts, school. The suggestion has been opposed by Mrs. Pearl J. Larson, secretary of the school committee. It was reported that about 75 per cent of the boys and about 50 per cent of the girls in the school smoke. Mrs. Larson took the position that the school authorities should prohibit smoking by the children during school hours. She admitted that if they were not permitted to smoke during school hours they would after school hours, but then it is the parents' responsibility, not the school committee's.

Southern Baptists operate thru their 21 state conventions a total of 30 senior colleges, 23 junior colleges and eight academies. The Southern Baptist Convention operates four theological seminaries for the training of ministers.

Through the United States due to deforestation of watersheds an improper land use the subsoil water level is falling. Near Baltimore, Md., the subsoil water level has dropped 146 feet in 32 years.

John Stewart died recently Young Harris, Ga., at the age of 110 years. He was a retired farmer and had served as a deacon in the local Baptist church for the past 70 years.

As Bankers, We Recognize that Farming Is Really Big Business Skill and judgment are required every day in the year in the management of any farm property. We realize it takes a considerable original investment plus access to ready cash from time to time to operate a farm. As a farmer you are entitled to bank credit when you need it just as much as the merchant or manufacturer. This bank is glad to take care of good farm loans. You do not have to be a depositor with us to get a loan and we make no charge for facts you should know about financing. CROWELL STATE BANK Member of Federal Deposit Insurance Corporation.

New Plymouth on Display

Plymouth's new special deluxe four-door sedan (above). Throughout the new Plymouth line beautifully streamlined bodies are lower and narrower, seats are wider and headroom greater. At the same time overall exterior dimensions are reduced, but wheelbase has been lengthened to 118 inches and glass area is increased. Horsepower is raised to 97. Although fenders flow gracefully into the body they are detachable for ease in repair.

New Plymouth Features Beauty, Performance, Safety and Comfort

Brilliant new styling is combined with outstanding riding comfort, increased roominess, and sweeping mechanical improvements in the new line of Plymouth automobiles. Completely redesigned, the new Plymouth has a longer wheelbase for a better ride and more road stability, but less front and rear overhang for easier parking and garaging. While the silhouette has been lowered and the width decreased, there is more head and leg room and seats are wider. Typical of Plymouth's many refinements is the ignition-starter combination, with which a turn of the key starts the engine. The new Plymouths are sleek in appearance. New rear-end styling provides a graceful balance with the horizontal grille lines which emphasize the broadness of the front. Fenders which blend perfectly into body lines are nevertheless separate and detachable, thus avoiding sheet metal panels so costly to repair or replace. The new Plymouth line includes nine distinct automobiles. Special deluxe and deluxe types are on a 118-inch wheelbase, one inch longer than last year's. Special deluxe models are: four-door sedan, club coupe, convertible club coupe and station wagon. In the deluxe group are the four-door sedan and the club coupe. In addition, Plymouth will build three deluxe models on a brand new 111-inch wheelbase, a two-door sedan, a three-passenger coupe, and a new body type, the Suburban. The 97-horsepower engine has im-

proved performance and efficiency with a new design cylinder head which increases compression ratio to 7 to 1. A new chrome plated compression piston ring reduces cylinder wear and provides greater protection during the break-in period. There are improved oil rings for greater oil economy, while a newly-designed intake manifold induces quicker, smoother engine warm-up and produces faster throttle response. Body styling which produces greater passenger room without excessive bulk also increases visibility. V-type windshields have 37 percent more area and provide excellent vision without distortion. Windshield wipers clear 61.5 percent greater area and the rear window is 35.4 percent larger.

 We wish to thank each and every friend who ministered to us in any way during the long illness and at the death of our dear father and grandfather, J. H. Sauls. For the flowers, the food sent, the visits, for the comforting words spoken, we are deeply grateful. Such friendship is greatly appreciated. May God bless each of you. The J. H. Sauls Family.
 St. Patrick's Day, March 17 — Saint Patrick, according to the Roman Catholic authorities, was born near Dumbarton, Scotland in 387. His father was a member of a Roman family of high rank and held an office under the Roman government in Gaul or Britain. At the age of 16 Patrick was captured by a band of Irish marauders and was sold by them as a slave to a high priest in Ireland. After six years he escaped and made his way back to Britain. He decided to devote himself to religious work and went to the Monastery of St. Martin at Tours. He remained on the continent for eighteen years preparing himself for religious work. He made his way to Rome where he visited the Pope. The Pope commissioned him to work in Ireland. He arrived in Ireland in 433. His presence was resented by the Druids, and he fled to more favorable territory. He first went to his old master from whom he had escaped and paid the price of his freedom, and, as the story goes, converted his former master and his family to Christianity. He devoted himself to the work of preaching and building churches in Ireland for many years. During his ministry he and his companions were captured by the Druids 12 times. On one occasion he was bound with chains and was condemned to death. His death occurred on March 17, 493. A number of traditions have grown up concerning St. Patrick, the most familiar one of which is the driving of the snakes out of Ireland. Celebration of St. Patrick's Day began in Boston with the Charitable Irish Society in 1737. Other Irish societies as they were formed, gave recognition to the day. The day is generally recognized in this country by the wearing of a shamrock or a bit of green in the button hole.
 The great increase in living costs has created an understandable demand for an increase in the minimum wage. However, we should realize the dangers that would result if the minimum wage were raised to too high a level. The minimum wage is precisely what the name implies. It is the bare minimum on which a worker can maintain himself. It is not supposed to provide for even the simplest luxuries. It is, even in other words, the wage paid to a very small minority of workers who are completely inexperienced, are learners, or are congenitally incompetent and unam-

 Mr. and Mrs. Junior Chowning and son, Carroll, of Truscott, Mr. and Mrs. Glen Shook and son, Stanley, Mr. and Mrs. Howard Ferguson were dinner guests of Mr. and Mrs. J. C. Rader and daughter, Gail, Sunday. Mr. and Mrs. John Rader and sons, Billy John and Jimmy, of Crowell, Mr. and Mrs. Bob Myers and son, Robert Les, Floyd Carl Borchardt and Miss Rosella Autry were visitors in the afternoon.
 Mrs. Bill Backus of Los Angeles, Calif., and Mrs. Preston Owens of Crowell spent Wednesday night and Thursday with Mr. and Mrs. Clyde Owens.
 Mr. and Mrs. Robert Hudgens and family and Mrs. Flora Belle Arrington and daughter, Paula, of Thalia and Mr. and Mrs. Will Hudgens of Ralls spent Sunday with Mr. and Mrs. Thad Hopkins and family.
 Mrs. J. L. Farrar visited W. A. Patton and daughter, Miss Alma, of Crowell Saturday night.
 Mrs. J. C. Rader and daughter, Gail, and Mrs. Howard Ferguson visited Mrs. John Rader of Crowell Friday afternoon.
 Billy Johnson spent Thursday night with Mrs. G. G. Mills and son, Marcus, of Crowell.
 Mrs. Doc Borchardt spent the week-end with her mother, Mrs. Shannon, of Vernon who is ill.
 Mr. and Mrs. Hughston McLain and family of Truscott visited Mr. and Mrs. Grady McLain Sunday.
 Mr. and Mrs. J. L. Farrar entertained with a 42 party Thursday night. Refreshments of sandwiches, cookies, coffee and Cokes were served to Mr. and Mrs. T. G. Robertson, Mrs. C. B. Graham, Mr. and Mrs. Joe Eddy and daughter, Zonelle, and Earl Davis of Crowell, Mr. and Mrs. Miller Rader and Mr. and Mrs. Clyde Owens.
 Mr. and Mrs. Blake McDaniel have been at the bedside of his father, J. H. McDaniel, of Cross Plains, who is in the hospital.
 Mr. and Mrs. Junior Chowning and son, Carroll, of Truscott, Mr. and Mrs. J. C. Rader and daughter, Gail, Mr. and Mrs. Glen Shook and son, Stanley, Mr. and Mrs. Howard Ferguson, Floyd Borchardt and Rosella Autry visited Mr. and Mrs. Bob Myers and son, Les, Sunday night.
 Mr. and Mrs. Delmar McBeath and daughter, Paulette, of Thalia spent Friday night with Mr. and Mrs. Luther Marlow.
 Mrs. Dwight Campbell and Mrs. John Rader of Crowell and Mrs. Howard Ferguson were in Quanah Saturday.

Truscott H. D. Club to Sponsor Clean-Up Campaign Soon

With the Truscott Home Demonstration Club spearheading the campaign, Truscott organizations have united for a city-wide clean-up program. Mrs. Q. D. Williams, Home Demonstration president, appointed Mrs. J. H. Gillespie to serve as the campaign chairman with Mrs. W. R. Owens and Mrs. Jack Whitaker as her assistants.
 Representatives from each organization and church met with the committee leaders Monday afternoon at 1:30 in the hotel lobby. The needs for a cleaned-up town was discussed with special mention being made about the danger of summer epidemics, polio foremost, getting started in the community. Plans are under way for the whole town to be sprayed with DDT following the clean-up campaign. The results of the meeting are that beginning Monday, March 28 through Friday, April 1, Truscott citizens will observe clean-up week.
 Vacant lots will be checked, each individual will be responsible for his yard and alley space and merchants will clean up the alleys and side grounds around their business places. All trash, dead trees, boxes, etc., will be ready to haul away by Friday. On that day, the campaign will be climaxed by a general turnout of people of the whole community when they will cooperate in clearing vacant lots, the school grounds and other large areas. The Clean-Up Day, Friday, April 1, will begin at 9 a.m. and a basket dinner will be spread at noon. Coffee will be served by the committee. Trucks will be donated to be used to haul away the trash from over town. The persons desiring this service will leave their names with Eimo Todd, who is chairman of the hauling committee.
 Everyone is urged, for his own benefit, to participate in Truscott's clean-up campaign.

gent standards of service, and prices which are as low as conditions permit.
 Thus, retailing has made a very real contribution to American living standards. The proportion of income which most workers must spend for the basic necessities has gone down—and the proportion which may be used for savings, recreation, luxuries or anything else the worker desires, has gone up. It's the fashion these days to gripe about high prices—but the average man enjoys a great many more of the good things of life than he used to. Retailing has done much to bring that about. — Industrial News Review.

CARD OF THANKS

Our hearts are filled with grateful thanks to the many friends who ministered to us in so many ways during the illness and at the passing of our loved one. Such evidences of friendship and neighborliness are deeply appreciated. The Davis Family.

CARD OF THANKS

We wish to thank each and every friend who ministered to us in any way during the long illness and at the death of our dear father and grandfather, J. H. Sauls. For the flowers, the food sent, the visits, for the comforting words spoken, we are deeply grateful. Such friendship is greatly appreciated. May God bless each of you. The J. H. Sauls Family.

HISTORY

St. Patrick's Day, March 17 — Saint Patrick, according to the Roman Catholic authorities, was born near Dumbarton, Scotland in 387. His father was a member of a Roman family of high rank and held an office under the Roman government in Gaul or Britain. At the age of 16 Patrick was captured by a band of Irish marauders and was sold by them as a slave to a high priest in Ireland. After six years he escaped and made his way back to Britain. He decided to devote himself to religious work and went to the Monastery of St. Martin at Tours. He remained on the continent for eighteen years preparing himself for religious work. He made his way to Rome where he visited the Pope. The Pope commissioned him to work in Ireland. He arrived in Ireland in 433. His presence was resented by the Druids, and he fled to more favorable territory. He first went to his old master from whom he had escaped and paid the price of his freedom, and, as the story goes, converted his former master and his family to Christianity. He devoted himself to the work of preaching and building churches in Ireland for many years. During his ministry he and his companions were captured by the Druids 12 times. On one occasion he was bound with chains and was condemned to death. His death occurred on March 17, 493. A number of traditions have grown up concerning St. Patrick, the most familiar one of which is the driving of the snakes out of Ireland. Celebration of St. Patrick's Day began in Boston with the Charitable Irish Society in 1737. Other Irish societies as they were formed, gave recognition to the day. The day is generally recognized in this country by the wearing of a shamrock or a bit of green in the button hole.

MINIMUM WAGE PROBLEM

The great increase in living costs has created an understandable demand for an increase in the minimum wage. However, we should realize the dangers that would result if the minimum wage were raised to too high a level. The minimum wage is precisely what the name implies. It is the bare minimum on which a worker can maintain himself. It is not supposed to provide for even the simplest luxuries. It is, even in other words, the wage paid to a very small minority of workers who are completely inexperienced, are learners, or are congenitally incompetent and unam-

WHAT YOUR WORK WILL BUY

Are you one of the many people who are troubled by the high cost of food? If so, an analysis prepared by The National Industrial Conference Board will come as a surprise.
 In 1948, twelve hours of work by the average worker would purchase a week's food for his family—whereas, in 1914, 30 hours of work was required. Putting it another way, the worker in 1914 had to spend about three-fifths of his total wages on food, while in 1948 one-third would take care of the grocery bill. In the last third of a century, food costs have increased a little more than 150 per cent while hourly earnings have risen sixfold.
 There are many reasons for this—notably the great increases in pay gained by labor. There is, however, one important factor which may be overlooked, and that is the enormous increase in efficiency registered by retailing. What is true of food is true to a greater or lesser extent of practically all the commodities we buy. There has been something resembling a retail revolution in the last decade or so. It was led by the chain systems, which pioneered the idea of cutting the profit earned on each sale to the bone, and still earning a satisfactory overall profit by increasing the volume of business. Other kinds of stores quickly adopted the same plan. The result is the store of today, with its extensive stocks and its attractive displays, its excel-

Would Texas Land Be Good for Goldfish Ponds?

Austin.—In the course of 113 years the public domain of Texas has been sought for all kinds of purposes, but Land Commissioner Bascom Giles believes a modern-day potential customer must be reckoned as the most unique.

Giles was visited recently by E. C. Shireman of Martinsville, Indiana, who was wondering if any of the public school land would be suitable for building goldfish ponds.

Or for several goldfish ponds. When Mr. Shireman builds goldfish ponds, he builds them. At his present hatchery in Martinsville, Shireman has some 400 acres of goldfish breeding grounds. His present stock of goldfish is about 25 million, of nine different varieties, including the Calico Telescope.

Shireman has no intention of removing his headquarters to Texas, not at present, though he is considering testing the Texas weather and climatic conditions. Goldfish, explains the man who sells about 15 million per year, start laying eggs when the temperature rises to 60 degrees. In Texas that would mean they lay most of the time, though it remains to be seen what effect the "blue" northerners would have upon

their schedule.

As a 14-inch goldfish (Shireman claims they grow 'em that big in Indiana) will lay some 75,000 eggs per spawning season, a few more weeks of warm weather could produce results.

Shireman, the "goldfish king of the world," started his unique industry as a hobby. Now he employs 125 "goldfish nurses" and sells his products in 48 states. His hatcheries require some 20,000 pounds of fish food daily and specially built trucks deliver fish to jobbers in all sections of the country. Fish are also shipped by express.

Some 10 per cent of his production is used for bait by sportsmen, as about that many of the newly spawned never turn "gold."

Interested in acquiring Texas land, Shireman explains that he does not contemplate such operations in this state.

"However," he smiled, "if the college kids will go back to eating goldfish, we may have to expand."

Bascom Giles, who has leased state land for jackrabbit and rattlesnake ranches, and shore properties for inventors of perpetual motion machines, promised to inform Mr. Shireman if and when any public school land is up for sale.

"And if they grow 14 inches long in Indiana," the Commissioner assured the "Goldfish King,"

they'll really be whoppers in Texas. They'll be big enough to fight off all the cats in the neighborhood."

More Children Taking Part in Community School Lunch Program

The number of Texas school children taking part in the community school lunch program has jumped 13 per cent above a year ago.

This announcement came today from M. F. Thurmond, school lunch director, State Department of Education.

Latest count shows 293,136 children are eating lunches daily in 2,314 schools. About 72 per cent are served Type A lunch with milk.

Since last July, USDA's Production and Marketing Administration in cooperation with 79 county school superintendents throughout the state have distributed to these schools about 336 carlots of farm products, most of which were bought from farmers under USDA price support programs. Major foods are dried eggs, dried and canned fruits and Irish potatoes.

In addition, PMA also has purchased other foods which children need for a balanced meal. Included are cheese, dried milk, canned tomatoes, tomato paste and orange juice.

"The school lunch program continues to be an ever increasing outlet for a lot of farm products which are not being absorbed through regular trade channels," Thurmond emphasized.

He added that this is one of the reasons for the joint sponsorship of the national school lunch program by USDA and the State Department of Education. It is essentially a community project with the state government matching funds put up by the federal government and looking after funds received from USDA.

This partnership makes it possible to shift plentiful foods into areas where these foods are less plentiful. For instance, Texas school children benefit from raisins, prunes and peaches grown in other parts of the country, he explained.

"INTRODUCTION" . . . This photo, made some time ago, seems prophetic in view of the resignation of Secretary of State George C. Marshall. Secretary Marshall is pointing to Under-Secretary of State Dean Acheson as if introducing him. In announcing Marshall's resignation, President Truman said Acheson had been named to succeed him. The post of undersecretary will be filled by James E. Webb, budget director.

FOARD CITY W. S. C. S.

The Foard City Woman's Society of Christian Service met at the church on Monday, Feb. 21. "Tell It To Jesus" was sung by the group after which a short business session was held. A nominating committee was named to select officers for the coming year. Plans for a day of Advance were also made.

The current study, "Newness of Life" was again resumed. Mrs. Howard Ferguson talked on the miracle recorded in John 6, Jesus walking on the water. She compared the accounts according to Matthew, Mark and John. This story teaches that Jesus manifests His glory as perfectly on stormy waters as in peaceful pastures. Too often the lives of His followers are misdirected and futile because we have shut off His presence certain areas of our lives.

Mrs. J. C. Rader continued the day's lesson by talking on "Illumination" and used the healing of the man born blind by Jesus as the basis of her thoughts. Illumination of one through Christ so transforms a life that as in the blind man, there is something so different about us after new sight has been received that many can-

not recognize us as the same person. The truth is, the person is not the same. "I live, yet not I, but Christ liveth in me." "The constant aim of a Christian should be that he will, at all times and in all places, reflect the grace and loveliness of Jesus and keep the vision so undimmed so that 'whereas I was blind, but now I can see' may be a glad certainty of our lives."

Mrs. Howard Ferguson led the group in singing "Jesus Savior, Pilot Me" and Mrs. J. M. Barker led the closing prayer. The study will be completed at the next meeting.

VETERANS' QUESTIONS AND ANSWERS

Q. I served more than 3 years in the U. S. Army during World War II. I now wish to take institutional on-farm training and would like to know how much training I will be permitted to take?

A. An institutional on-farm training course may be as long as, but no longer than, is necessary to meet your individual training needs or until you have exhausted your four-year period of eligibility.

Q. Do I have to meet any set standard if I am taking an on-farm training course?

A. Yes. Once you start training, it is your responsibility to meet the standards of progress set by the institution in which you are enrolled. If you fail, your benefits will be discontinued.

Q. What farming tools and farming implements do I get while I am taking an on-farm training course under the GI Bill?

A. VA will furnish you with no tools or farm equipment since these are articles with which the farm must be equipped to meet the provisions of the law. However, books and incidental supplies required for classroom work will be furnished you.

Q. I am a veteran of World War II. What is the latest date on which I can start on-farm training under the GI Bill?

A. You may commence training within four years from July 25, 1947, or within four years from your discharge or separation from service, whichever is later.

1953 Will Find a Shortage of Teachers

Austin, Texas, Feb. 14 — Schoolhouses in 1953 may be bulging with students but lacking in teachers, a survey of elementary teaching positions in Texas by a University of Texas graduate student indicates.

Hollis A. Moore, Jr., who is assistant to Dean L. D. Haske of the College of Education, found there will be a shortage of more than 20,000 teachers by 1953.

He drew his figures from the Bureau of Vital Statistics and elementary enrollment data in the State Department of Education.

His survey showed Texas schools will require 29,844 new elementary teachers in the five-year period, 1949-50 through 1953-54, to replace experienced teachers who leave the classroom, and to provide additional teachers for each 30 pupils due to increased enrollment. Less than 2,000 elementary teaching certificates of all kinds were issued in 1947-48 and if this production rate continues, the shortage is inevitable, he emphasized.

One of the leading mail order houses of the country, dealing in women's wear, announces that its new spring catalogue will show cuts in prices to 33 per cent. Cuts were made on women's cotton dresses, woman's wearing apparel, shoes and house furnishings, yard goods were down 25 per cent and rayons 10 to 15 per cent.

Because of range deterioration due to over grazing Texas cattle men have been forced to increase the use of commercial cattle feed over 400 per cent.

"We get faster handling of larger payloads ...with our new 145-horsepower Ford Model F-7 BIG JOBS!"

THE ACTUAL operation cost for our fleet of Ford F-7 Big Jobs is the same as the two-ton trucks they replaced, but we get faster handling of larger payloads," reports Mr. H. B. McCuiston of Beaumont, Texas. "We find our new 145-horsepower Ford Model F-7 Big Jobs are more versatile, more capable. They are far superior to the two-ton trucks."

Sensational reports on the new F-7 and F-8 Ford Big Jobs are coming in from everywhere. Men who know trucks claim 6,000 miles per month, for months on end, with no time out . . . gross loads of 50,000 lbs. . . power that leaves other trucks eating dust . . . passenger-car type of driving ease and comfort . . . gasoline economy that even smaller two-ton trucks cannot excel on comparable runs. Come in and let us give you more facts on the Mr. Big of big-time trucking—the Ford Big Job.

- ★ Brand New 145-Horsepower Ford V-8 Truck Engine

Two Minute Sermon

(By Thomas Hastwell)

If We Will It So: There is a story that Ponce de Leon searched this country over for a fabled spring of eternal youth. History does not record that Ponce de Leon found such a spring. At any rate if he did he failed to avail himself of its potent waters and himself in due course of time he was gathered to his fathers, as all who lived before him, and those who lived after him. There is no such fabled spring. There is nothing that one can take into his system that will give him eternal youth. If there were the world would lay its treasure at the feet of its possessor, just to be permitted to drink of the waters of the spring. The secret of eternal youth does not come from without. It is contained in nothing other than the human heart. The heart cannot keep the body young and free from the disabling ills of age, but it can keep the spirit young. It can if we will it so.

Since the close of the war this country has sent to the aid of European nations one out of six troops manufactured.

of Crowell, shall file his, her or their names with the City Secretary not later than thirty days immediately preceding such election.

All qualified voters who have resided within the Corporate limits of the City of Crowell for a period of six (6) months preceding said election shall be entitled to vote.

Said election shall be held in accordance with the laws pertaining to general election in this State in so far as they are applicable.

W. H. MOYER, Mayor.
Ella Rucker,
City Secretary.

Early Diagnosis of Pylorhea May Effect Cure

Austin, Texas—Contrary to the popular belief that pylorhea is always incurable, this is only true in the most advanced cases, according to Dr. Geo. W. Cox, State Health Officer. His advice to parents who even suspect the presence of pylorhea is to seek an early diagnosis from their dentist so that proper treatment can be instituted while the disease is still

Weekly Sermon

The Dimensions of God's Love
by D. L. Moody, founder, Moody Bible Institute, Chicago.
(Feb. 5 marked the 11th anniversary of D. L. Moody's birth. This sermon is taken from his book, "The Way to God.")

"That ye, being rooted and grounded in love, may be able to comprehend with all saints what is the breadth, and length, and depth, and height; and to know the love of Christ, which passeth knowledge" (Eph. 3:17-19).

Many of us think we know something of God's love, but centuries hence we shall admit we have never found out much about it. Columbus discovered America; but what did he know about its great lakes, rivers, and forests? He died without knowing much about what he had discovered.

When we wish to know the love of God, we should go to Calvary. Can we look upon that scene and say God did not love us? Greater love than that which the cross teaches has never been taught.

What prompted Christ to die if it was not love? "Greater love hath no man than this, that a man laid down his life for his enemies; Christ laid down His life for His murderers and for them that hated Him. The spirit of the cross is love. When they were mocking and deriding Him, what did He say? "Father, forgive them, for they know not what they do." That is love.

at the first began to be spoken by the Lord, and was confirmed unto us by them that heard him?" Lord's Day services 10:30 and 6:00.

NOTICE

A representative of the Hardeaman-Foard National Farm Loan Association will spend each Saturday in Crowell for the purpose of taking applications for loans and for the transaction of any other business incident to its operations.
Office in court house, southwest corner room, in the basement.

HARDEMAN-FOARD NAT'L. FARM LOAN ASSOCIATION

FARMING is our BUSINESS too!

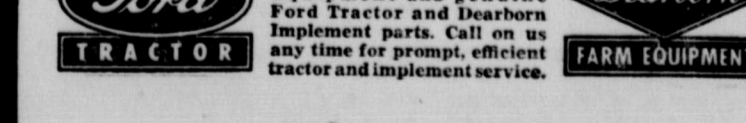

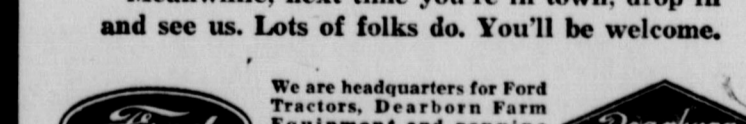

It's our job to help make farm work easier and better paying. That means doing a lot more than just selling tractors and implements; it means that we must make farming our business, too.

That's why we like to spend as much of our time as we can out visiting our farmer friends. That's how we learn why and how one farm is different from another . . . and see how the many different problems can be licked.

If we haven't been around to see you lately, we're hoping to do it soon. We'd like to get better acquainted . . . both with you and your farm. The better we know you, the better we'll be able to serve you.

Meanwhile, next time you're in town, drop in and see us. Lots of folks do. You'll be welcome.

You Need it... We Have it! DEARBORN MOLDBOARD PLOW

Think! No wheels, axles, levers, springs, tongues or clutches! And how it plows! Quickly attached to Ford Tractor, lifts and lowers by Hydraulic Touch Control; uniform depth easily maintained. Different bottoms available for different soils. We say it's the plow for you... we'll prove it!

Major Frances Patton Weds Capt. Lindsey in Washington, Feb. 18

Major Frances Patton, daughter of Mrs. T. S. Patton of Crowell, was married to Capt. L. B. Lindsey at Fort Lawton, Seattle, Washington, on February 18. The double ring ceremony was read by the chaplain of the post.

The wedding took place before an altar decorated with white flowers and lighted by sixteen tall white candles. Attendance were friends of the couple.

Immediately following the ceremony, a reception was held at the Nurses' Home on the post. The couple then went to their new home in Tacoma, Wash., where they will reside.

Mrs. Lindsey is a graduate of Crowell High School and of Baylor College Nurses' School. She entered the service in 1941 and was stationed at Camp Bowie and Camp Campbell, Ky. She went overseas to the ETO where she was with the 52nd Nurses' Hospital in England. There she was promoted to captain. At the close of the war she was made a major. She has now retired with a reserve commission of major in the Nurses' Section of Officers' Reserve Corps.

Capt. Lindsey is a native of Lenoix, Ga. He has spent 19 years in the Army, most of which was served at El Paso, Texas. He was two years in Panamax and two years in Europe. He is attached to the Medical Corps at Madigan General Hospital in Tacoma.

Local Lady Weds at Home Here on Saturday Evening

Mrs. Mary Fox became the wife of T. J. Long of Conroe, Texas, in a simple home wedding in the home of the bride in Crowell on Saturday, March 12, at 8:30 in the evening. The vows were read by V. M. Newland, pastor of the First Christian Church of Crowell. Only members of the immediate family and a few close friends were present.

Mrs. Long is well-known in Crowell, having lived here for a

number of years. Mr. Long is a retired mail carrier, having carried the mail out of Conroe for a period of thirty years. Mr. and Mrs. Long plan to make their home in Conroe.

Those present for the marriage service were Gene Fox, of Houston, son of Mrs. Long; Mr. and Mrs. L. D. Fox, Mr. and Mrs. Roy Fox, Mr. and Mrs. Travis Fox, all of Crowell; Ab Fox and daughter of Amarillo; Mr. and Mrs. Glenn Fox of San Angelo; Mr. and Mrs. Loyd Fox, Mr. and Mrs. Cecil Carpenter and Mr. and Mrs. Billy Hammonds, all of Thalia; Mr. and Mrs. Dennis Hairston of Quanah; Herman Fox Jr. of Paducah; Mr. and Mrs. W. A. Cogdell of Crowell and daughter, Mrs. James Brothers, of Shamrock.

Birthday Celebration Honors Seven Friends

Mrs. Howard Ferguson, Mrs. Delmar McBeath, Mrs. Floyd Ferguson, Mrs. John Rader, Mr. and Mrs. Jess Autry and Mrs. Glenn Shook were honor guests at a covered dish dinner held at the Foard City Recreation Room Saturday evening, March 12. Each honor guest observed a birthday in the first 19 days of March.

A variety of entertainment was enjoyed throughout the evening. A sing-song of popular numbers was led by Mrs. Bob Myers, accompanied at the piano by Mrs. Floyd Ferguson. Table games and an old fashioned square dance also provided entertainment.

Those present on the enjoyable occasion were the honor guests and their families: Mr. and Mrs. J. C. Rader; Mr. and Mrs. Marion (Howling) Jr.; Mr. and Mrs. Bob Myers; Mr. and Mrs. Dwight Campbell; Mr. and Mrs. Homer Matthews; Mr. and Mrs. Miller Rader and Floyd Borchardt.

Birthday Surprise Party Honors Mrs. Richard Hunt Tuesday

A small group of friends gathered at the Jeff Hardin home Tuesday morning for coffee to compliment Mrs. R. L. Hunt on her birthday anniversary. The en-

joyable surprise affair was planned by the hostesses, Mrs. Jeff Hardin and Mrs. Grady Magee.

In the dining room where the coffee was poured by the honoree's aunt, Mrs. H. E. Thomson, a blue pottery bowl with an arrangement of japonica centered the table. White pottery vases filled with lavender sweet peas and white stock flanked either end of the buffet. Gaily colored pottery provided the service for the coffee and appropriate birthday napkins added a party air. Mrs. S. B. Hord also assisted in the dining room.

During the seated coffee hour, Mrs. Hunt opened the many attractively wrapped gifts which were presented by the guests.

Those enjoying the informal morning compliment to Mrs. Hunt were Mesdames Charles Dickerson of Abilene, mother of the honor guest, Adrian Thomson of Paducah, her aunt, C. W. Thompson, Crockett Fox, L. E. Archer, Howard Williams, Hilton Crane, H. E. Thomson, S. B. Hord, George Carille, C. B. Graham, Russel Ferguson, Ted Reeder, Ernest Johnson, Joe Burkett and daughter, Jean, T. B. Klepper and Misses Mayme Lee Collins and Lottie Russell.

Gentlemen's Evening with Columbian Club

On Thursday, March 10, Gentlemen's Evening was enjoyed by the Columbian Club members and their guests.

Mesdames Pearl Carter, D. R. Magee, G. C. Morgan and Jack Welch were joint hostesses for the affair which featured a covered dish dinner followed by spirited games of 42.

Quartet tables, bright in colors featuring spring, were laid in the large living room of the Adolphian Clubhouse. The tables were set in silver and crystal.

Following the dinner, tables were cleared and the 42 games furnished diversion for the social hour. High score for the men was won by Lee Black and the woman's high score by Mrs. M. N. Kerner. A floating 84 prize went to Mrs. Lee Black.

The guest list included Mesdames T. N. Bell and E. V. Halbert and Messrs. Leo Spencer and George Carter.

LEGION AUXILIARY MEETS

The next monthly business session of the American Legion Auxiliary, Unit No. 130, met at the Graham home on Monday night with Mrs. Alyene Graham in charge of the meeting.

Following the usual business routine, the committees gave their respective reports. Included in these was the Child Welfare report given by Mrs. Clyde Cobb, who announced that since April is Child Welfare month, this would be observed with the cooperation of the various churches in the county.

A letter from the McKinney Veterans' Hospital was read by Mrs. Grady Magee, again thanking the local unit and all of the Foard County citizens who so generously sent gifts at Christmas time for the veterans' gift shop. Mrs. Graham also reported that at the time she was at McKinney, the counselors expressed appreciation and stated that the local unit sent a larger number of gifts than many of the city units.

A motion was made and carried to get plans under way for the annual Memorial service on May 30.

Mrs. Magee, local Bluebonnet chairman, reported that a young lady, a member of the local High School Junior class, will be selected within the next month to attend the Bluebonnet State at Austin early in June.

The Thirtieth District Convention will be held in Vernon April 30 and May 1, and it is hoped that a large number of the local unit members will attend.

The session closed with a prayer offered by Mrs. Magee.

TRUSCOTT SUB-DEB CLUB

The Truscott Sub-Deb Club met Saturday afternoon, March 12, in the home of Miss Clara Jones. During the business meeting the goals for the year were chosen. The main project is to be completing the decoration of the Club Hut.

Montez Laquey read an article from March Seventeen. Mrs. Q. D. Williams, club sponsor, gave a talk on the purposes and goals of a girls' club.

In the dining room the members were served hot spiced tea, salted nuts, mints and dainty sandwiches. Elba Caddell presided at the table with Martha Ohr assisting her.

Members present were Elba

Caddell, Peggy Traweck, Martha Ohr, Montez Laquey, Mrs. Williams, sponsor, the hostess and a visitor, Camille Todd. The next meeting will be held Saturday afternoon.

Second Lesson in Flower Arrangement Held Tuesday p. m.

The second in a series of interesting lessons in flower arranging was conducted Tuesday afternoon at the Premier Hotel with Mrs. O. R. Boman giving a lecture and demonstrations to twenty-five members of the Garden Club. She also explained the rules and classification for the forthcoming flower show, the exact date not yet decided.

At this flower show, prizes will be given to the winner of the most blue ribbons in the show. There will be first, second and third prizes awarded. Where the exists, then the red ribbons will be counted and awards made accordingly.

During the afternoon's instructions, Mrs. Boman explained the three schools of flower arranging, namely, Oriental, Flemish and Modern American. She said that the Oriental School has in its scanty arrangement the chief purpose of characteristic lines based upon nature. The three lines, namely heaven, man and earth, must be observed in all flower and foliage arrangements, stated Mrs. Boman. Several display arrangements of Japanese quines, had been prepared and these were shown and comments made by the leader. During the afternoon, the ladies made various models and these were ably criticized by Mrs. Boman.

"In the Flemish class there are English, Victorian, Early American and French types of arrangements, with masses, colors and stressing linking of angle lines," added Mrs. Boman.

She also explained in detail and showed photographs of arrangements where the Oriental and Flemish had been linked by filling in the open spaces, adding mass and color. Mrs. Boman used japonicas in demonstrating this time. The Modern American stresses design, mass, color and the arranger's personality. For this type she had prepared a beautiful arrangement on a flat glass cake plate. In the center was a mass of violets surrounded to the edge of the plate with large lemon leaves laid flat.

Balance and angles were stressed throughout the session, with types of holders, vases and containers being discussed.

Mrs. Boman also explained the mixing of colors, using japonicas and apricot blossoms for the demonstrations.

The third in the series of instructions will be held next Tuesday at 2 p. m. in the Premier Hotel.

Crowell Garden Club Holds Regular Meeting

The Crowell Garden Club held its regular meeting Friday, March 11, at 3 p. m. at the Community House. Mrs. Munson Welch, president, conducted the business session. Roll call was answered by naming "my favorite flower and why."

A report of the progress of the Flower Show project was given by Mrs. O. R. Boman, chairman. She announced that three prizes had been donated for those who win the most blue ribbons in the show. They are as follows: Wallpaper for any room in the home, any choice of pattern, by Wm. Cameron and Co.; 50 feet of best garden hose and one garden rake by Cicero Smith Lumber Co.; Pyracantha, red or orange, in bucket, donated by Crowell Flower Shop.

Everyone who wishes to enter an exhibit is urged to do so even though he or she is not a member of the Garden Club. The invitation has been extended to those interested in flower arrangement to attend the classes being held at the Premier Hotel on Tuesdays at 2 p. m. Mrs. Boman is giving the instruction gratis to promote interest in this art and to insure the success of the April Flower Show. Anyone attending the classes is asked to bring a container and plant material with which to work. Old scissors or snips are needed, also.

As chairman of the Community House board, Mrs. Boman reported that the foundation landscaping around the House is now complete, all plants necessary to do this having been recently donated by members of the Garden Club.

Mrs. S. B. Hord reported completion of the landscaping of the grounds in front of the Voca-

tional Agriculture shop. The Garden Club had assumed this project at the request of the PTA. The work was done by Mrs. Hord and Mrs. Boman and most of the shrubs and plants were taken from yards of Garden Club members.

Mrs. Boman reported that the monument suitable to contain the names of Foard County War Dead which has been planned to be placed in the City Park will cost about \$125.00. The club voted to make individual donations through the Garden Club toward the fund for the purchase of this memorial monument and to sponsor the project to its completion.

The president appointed a nominating committee to report in May. Following the business session, the meeting was turned over to Mrs. N. J. Roberts, who discussed possible projects for the club. She stated that the most timely project for anyone at this time of year is a spring clean-up of our premises before the wild rye and weeds grow.

She had received several suggestions for projects through the boxes which had been placed in the local drug stores last week. These were read by Mrs. C. B. Graham, club secretary. While most of them were out of the sphere of the Garden Club, some are listed here so that the proper groups or individuals may take note. (1) kill all dogs without

a tag. This was the most frequent. (2) no double parking. (3) clean the streets. (4) beautify Court House lawn. (5) business employees park on the square and leave business fronts for customers.

Some suggestions by members present included (1) enforce city ordinances about chickens, (2) plant pecan trees, it is not too late, (3) plant trees in the cemetery.

The more you say, the less people remember.—Fenelon.

For every barrel of oil in older fields classed as recovered there are between five and barrels classed as unrecovered—that is, no way has been found to bring it out of the ground.

The country's heavy bomb strength in Western Europe, translated into the terms of atomic fire power is comparable to a fleet of 79,200 fully loaded B-17's carrying TNT. The B-17's were the planes used to bomb Germany in World War II.
