Beatty Sr. and daughters, Lillie Faye and Thelma, and Miss Rosalie Fish of Abilene, also Mr. and Mrs. Henry Fish and children, Robert, Gordon and Martha, of this community.

Automobiles Need Safety Check-up

"In line with the traffic safety drive of the National Safety Council being conducted this spring, motorists should give their automobiles a thorough safety check-up," E. L. Harrig, director of service for the Chevrolet Motor Division, said today.

"A thorough examination of brakes, tires, wheel alignment, steering, glass and lights can easily mean the difference between life and death on the highway," said Harrig. "A preliminary examination of these potential danger points on the car can be made by the motorist himself. Chevrolet dealers are well equipped to make a more detailed inspection of those items on the car that the owner may think needs attention."

Harrig listed the various points of the car that have a bearing on its safety, and told how to ascer-

Rev. Haynes Adds Contribution to Child Welfare Month

Rev. Aubrey C. Haynes, pastor of the Crowell Methodist Church, writes the following as his part of the guest articles for the American Legion and Auxiliary Child Welfare efforts being made through the month of April.

"The American Legion and the American Legion Auxiliary have set aside the month of April to stress people attending church school and the worship services of all churches of Crowell.

"In the last two wars in which the United States has had a major part, every person in the service realized that the United States was fighting in order that her citizens might live, physically, but in order that they could continue to enjoy the privi-

lege for which our forefathers came to this country—the right to worship God according to the dictates of their own consciences.

"Attendance of the church schools and worship services of the churches of the United States has produced the finest type of men, women, boys and girls that the world knows.

"It behooves every member of the American Legion and the Legion Auxiliary to set up the example by attending church school and worship in some church in Crowell and to put God first and to use their influence to get others to do likewise. The chief thing which will prevent a third world war is Christianity. Communism is seeking to destroy God, the church and the home.

"May all of us help the American Legion and the Auxiliary to increase the attendance of the church schools and the worship services of all the churches in Crowell. If you and your family are not attending a church school, avail yourselves of the opportunity for which men and women have died. Put God first, give Christianity a chance, help prevent a third world war."

tain whether they are functioning properly:

Brakes—If you can push the brake pedal to within one inch of the floor, it should be inspected. If the brakes pull the car to either side when stopping they should be inspected and brought up to standard. If, under customary driving conditions, it takes you longer to stop than previously, this also is a danger signal. Have the brakes inspected.

Tires—If they are worn smooth they will skid more easily. If irregular wear spots show on some tires, it is an indication of improper wheel alignment. It is well in any case to have wheel alignment inspected in a regular service department.

Steering—If there is more than an inch or so of play in the steering wheel, or if the front wheels are slow to react to a turn of the steering wheel, this feature should be inspected and brought to standard.

Glass—Check windshield and all windows for discoloration which sometimes is found in old cars. If your vision in any direction is restricted by faulty glass it should be replaced for protection of passengers and other cars. Never drive with a dirty windshield.

Lights—Make certain that both headlights burn on both upper and lower beams, and that tail and stop lights are working. Stand in front of the car with headlights on the lower beam and be certain that they do not blind approaching motorists. Keep headlight and tail light lenses clean at all times.

HOUSEHOLD HINTS

How to Darken Molasses—If you prefer dark gingerbread and your molasses on hand is light colored, add a teaspoon of melted chocolate to each cup of molasses used.

To Clean Baby Bottle Discolored from Boiling—Add a tablespoon of salt to one-third of a cup of vinegar. Put this solution into the bottles and shake well. Then rinse in clear water with a drop of bluing.

WASHINGTON NEWSLETTER
(By Congressman Ed Gossett)

Washington, D. C., April 23, 1949.—This is Saturday afternoon. I have just returned from making a speech to the Washington Chapter of The American Association of University Women. At their invitation, I discussed the Displaced Persons problem. I am getting letters from numerous organizations all over the country urging me to support the so-called DP bill. This is a classic example of how people fall for propaganda and respond to organized pressure campaigns.

I am very much opposed to the bill to bring in 400,000 more displaced persons from the DP camps of Europe. This bill would reward the least deserving, the most desirable and the most dangerous of millions of people who would like to come to this country. There are 14,000,000 expellees in our military zones of Europe. These fourteen million people are those who were driven out from behind the iron curtain because they were supposedly of German blood. They are not classified as DPs and are wholly ignored and overlooked in this program. Most of them are in greater distress, in greater need, and are of better stock than those who have stayed in our camps under our care and custody for the last several years.

Each year, many bills are introduced in Congress to authorize special stamp issues. Commemorative stamps were first issued to commemorate the 400th anniversary of the discovery of America. This was the beginning of the issuance of these commemorative stamps which are only supposed to commemorate some historical event of national importance—not sectional—and should be issued on appropriate anniversaries. The Philatelic Agency in the Post Office Department was set up in 1921 for the purpose of serving the stamp collectors who collect commemorative stamps. When the number of these stamps are kept down to 8 or 12 issues per annum, this Agency is equipped to handle the issues without additional employees or equipment. Under the present setup of the Philatelic Agency, maximum issuance of these stamps should be kept down to 12.

At the beginning of each calendar year, the Post Office Department considers its program for the ensuing year for the commemorative stamps. In 1948, the Department planned for the issuance of 10 of these stamps, but Congress passed resolutions for 19 additional stamps, making a total of 29 for the calendar year of 1948. Up to last week, 59 resolutions have been introduced in the House of Representatives for commemorative stamps, the purposes of a few of them are as follows: 100th anniversary of the birth of Hambletonian, (famous sire of American trotting horse); Commemoration of the centennial of the Angora goat; Dedication of Theodore Roosevelt National Park; Stamp in furtherance of national safety against accident hazards; Booth Tarkington commemoration; stamp in honor of soil conservation districts; Booker T. Washington birth; Lake Washington Floating bridge; First cotton mill in the United States; Commemorative of Old Home Week; 100th anniversary of the Michigan Annual State Fair; Commemoration of 100th anniversary of Independence, Missouri; Special stamp for volunteer workers and contributors to the community chests, the cutting of Cass River Cork pine Vassar, Michigan in 1849; 100th anniversary of the cranberry industry; commemorating eleventh Tennessee Walking horse celebration; and many others of a more significant or more serious nature.

There are approximately ten to twelve million stamp collectors in the United States, many of whom are school children. The filling of mail orders for these collectors is approximately 90 days in arrears, with over 33,000 unfilled mail orders for stamps valued at \$850,000.

Because of the numerous stamps authorized, the Philatelic Agency receives many complaints from collectors all over the country, criticizing the number of commemorative stamps issued, the designs, the color, subject matter, et cetera. The Post Office Department says if they are required by law to issue all the commemorative stamps proposed in bills and resolution now pending before the Congress, it would be impossible for them to get this job done in a three-year period.

SEW-N-SEW CLUB

Mrs. Harry Traveek and Mrs. Eugene Owens were co-hostesses to thirteen members of the Sew-N-Sew Club on April 14 for a regular meeting held in the Foard City recreation room.

The members voted by secret ballot on the children's garments made by the members. Mrs. Jack Welch received first place in the girls' garments, with Mrs. Harry Traveek placing second. Mrs. Kenneth Halbert and Mrs. Glen Shook placed first and second in the boys' garments.

A delicious salad plate with combination sandwiches, potato flakes, cherry chip cookies and iced Cokes was served to Messdames Fred Borchardt, Howard Ferguson, Kenneth Halbert, W. L. Johnson, Bob Myers, R. J. Owens, J. C. Rader, Glen Shook, Jack Welch, James Sandlin, Junior Chowning and the hostesses.

Miss Marie Gordon of Wichita Falls was here the first of the week visiting relatives and friends.

CARD OF THANKS

I wish to express my grateful thanks to my friends, also to the doctor and nurses who were so kind to me while I was ill. Thanks for the visits, cards and flowers. I did appreciate all of your kindnesses so much.

Mrs. W. M. Hord

CARD OF THANKS

I wish to express my sincere thanks to the kind doctors and the hospital staff and to the many friends who sent cards, letters and flowers. May God's richest blessings go with each of you.

Mrs. W. O. McDaniel

Dick Traweek and Miss Hightower Are Married on April 15

Miss Mary Ann Hightower, daughter of Mr. and Mrs. Clifford Hightower of Spur became the bride of Dick Traweek, son of Mr. and Mrs. Boggs Traweek of Truscott in a ceremony read on Friday, April 15, at 9 p. m. in the parsonage of the Methodist Church in Spur with the pastor, Rev. L. L. Hill officiating with the double ring ceremony.

A few close friends and relatives of the couple attended the quiet wedding and a reception held at the parsonage immediately following the marriage.

The bride wore a two-piece suit of powder blue with white accessories and an orchid corsage. Traditional wedding music was played by Miss Shirley Hairgrove.

After a short wedding trip, the couple returned to Spur where the groom will be engaged in farming on his land near there.

The bride was the honoree at several pre-nuptial parties and showers before the marriage.

Rev. Berl Cavin to Wed Miss Thompson in June Wedding

Mr. and Mrs. O. H. Thompson of Kerrville, Texas, are announcing the approaching marriage of their daughter, Agnes, to Rev. Otis Berl Cavin of Crowell. The wedding date is set for June 18 and will take place in the First Baptist Church of Kerrville.

Miss Thompson is a graduate of Colorado City High School and is a junior in Howard Payne College in Brownwood. Mr. Cavin is a graduate of Crowell High School and will receive his B. A. degree in Bible from Howard Payne College in May. He is pastor of the Admiral Baptist Church.

NEW SUB-DEB MEMBERS

Peggy Traweek and Norma Jones received formal initiation into the Lone Star Sub-Deb Club at Truscott on Friday evening, April 15, in the home of Clara Jones.

The new members were brought into the living room from the library to stand before a semi-circle of officers and members. Two candles stood on a table before a reflector. Cedar boughs were banked in front of the table. As each girl's name was called, she stepped forward to receive a candle from Pat Owens, the president. The candle was then lighted from the lighted candles

Forest Ryan and Miss Preston Wed Sunday, April 17, in Childress

Forest Ryan of Crowell and Miss Dorothy Kate Preston of Childress were united in marriage on Sunday morning, April 17, in the First Methodist Church in Childress.

The church was beautifully decorated with Easter lily arrangements and palms and lighted by fourteen white candles in branched candelabra for the early morning service which took place at 9 o'clock.

The bride is the daughter of Mrs. Leo Preston and Mr. Ryan is the son of Mrs. Dora Ryan of Wellington. Rev. E. E. White, pastor of the church, officiated at the informal ceremony.

The bride, escorted to the altar and given in marriage by her brother, Howard Preston, was lovely in a powder-blue suit with a complementary pink blouse and

navy accessories with pink trim. She carried a white Bible topped with white gardenias.

Her sister and matron of honor, Mrs. Varner Stevens, wore a pink street-length dress with blue accessories. Candle-lighters, Misses Laverne Hander and Mildred Sikes, were attired in blue and pink metallic chambray dresses and wore corsages of white carnations.

Charles Davis of Crowell was best man to the groom.

Preceding the ceremony, Miss Cornelia Maness, organist, softly played "Ave Maria" by Schubert and "Meditation" from Thais by Massenet. Mrs. Arthur Caradine, accompanied by Miss Maness, sang "Because," the only vocal selection.

Ushers were Varner Stevens, the bride's brother-in-law, and Dick Preston, her cousin.

Following the ceremony, a reception in the Varner Stevens' home, honored the couple. Sharing hostess duties with Mrs. Stevens were Mrs. John Starkey, and

Mrs. Geraldine Braly, who assisted in serving coffee with the wedding cake. Miniature bride and groom figurines topped the tiered wedding cake which rested on a reflector circled by blue blossoms and centering the lace-covered table.

The reception room was decorated to feature the bride's colors, blue and gold, with bouquets of gladioli, baby's breath and other spring flowers.

After a short trip, Mr. and Mrs. Ryan have returned and are making their home here at 411 Logan

St. Mr. Ryan is employed with the Weiss Farm Equipment. The bride, prior to her marriage, was employed by the West Texas Utilities Co. in Childress. She was an active member of the Childress chapter of Beta Sigma Phi.

Attending the wedding from Crowell, aside from Charles Davis, were Mr. and Mrs. Alva Spencer and Mrs. Alyene Graham.

Mrs. Ryan was honored by numerous social features during the weeks preceding her marriage and a rehearsal dinner was given the bridal party on Saturday evening

at the home of Mr. and Mrs. Howard Preston, brother and sister-in-law of the bride.

CARD OF THANKS

Words cannot express the appreciation I feel to those who were so kind to me in so many ways during my recent illness. For the cards, letters, flowers, visits and gifts of any nature, I am gratefully thankful. God bless each of you.

WE'RE HERE TO SAVE YOU WORK ... help you make MORE MONEY

Sure, we like to sell tractors and implements, but we try to take a bigger view of our job than that. Our first aim is to help the farmer make more money. His success means our success. So, we make a study of farming, just as the farmer does.

Maybe we have some good ideas that might work well on your farm . . . to save work and make your work pay better. In any case, we want to know you, and your farm better. We are visiting the farms around here and hope to get to yours soon.

Meanwhile, if we can serve you in any way, call up, and we'll come right out. And drop in whenever you are near us. You'll find this is a good place to exchange ideas on the subject that you and we are most interested in . . . more profitable farming.

We are headquarters for Ford Tractors, Dearborn Farm Equipment and genuine Ford Tractor and Dearborn Implement parts. Call on us any time for prompt, efficient tractor and implement service.

DEARBORN ANGLE DOZER

Makes money - Don't wait!

Maintain roads, excavate, build ponds and dams, clean barns and feedlots with this great time-work-money-saving tool.

Attaches quickly to Ford Tractor (by means of a Dearborn Universal Frame—sold as a separate attachment), lifts and lowers by Hydraulic Touch Control. Adjustable, and rugged! Get one.
