## Cancer Fund Drive Will Open on April 1; \$500 Set as Goal

A goal of \$500 has been assigned to Foard County in the American Cancer Society fund campaign for 1949 which will open on April 1. This information was made public today by Mrs. Grady Magee, county chairman for the drive.

Mrs. Magee further stated "Fixing this goal will provide a general objective, a target which can be striven for, but not once, but many times over as possible. The relationship between the goal and the actual money raised will be the real test. The National headquarters of the American Cancer Society has informed the public that \$500,000 will be needed at least \$3,000,000 to continue the research projects now under way. The Society supports only the most promising among the hundreds of possible avenues which may eventually lead to cancer cure. The extension of educational and diagnostic facilities in Texas, retarded last year due to insufficient funds, can continue only through increased contributions.

The chairman concluded by saying that she feels confident that the people of Foard County are ready to accept the goal as a challenge and will carry the drive along that extra mile which really comes from the heart.

## Flower Clinic Holds Meeting Tuesday

Mrs. O. R. Boman conducted another successful lesson on Tuesday afternoon at the Premier Hotel. This was the third in the series, following the Garden Club Flower Show, which will be held in April.

Mrs. Boman announced, before starting the lesson that Mrs. Esthler, of New York City, a nationally known authority on the subject of flower arranging, will lecture at the Women's Forum on Thursday afternoon. Several members of the Garden Club have made arrangements for tickets to hear Mrs. Esthler, a recognized florist.

"Classification" was the main topic for the Tuesday lesson and the recognition of the various types of arrangements was stressed. The difference between the Eastern and Western styles was explained and demonstrated. A number of models had been made earlier by Mrs. Boman and these were explained as to section and class of arrangement. Those present asked questions concerning these and much knowledge was obtained.

One of the outstanding arrangements was a beautiful table piece, consisting of lemons, squash, apples, carrots, bananas, nuts, lemons, leaves, and nandina sprays, artistically laid out on a rectangular tray. A lovely display of red and white japonicas in a round crystal bowl and a blue and white spray holding forth sprigs was the basis for discussion regarding their arrangement and the schools to which they belong.

Several pictures were brought to the class and each was ably discussed by the leader who brought out the relationship of the material to the flower pictured.

One of these was an oil painting by Mrs. Charles Dickerson of Abilene and is a floral arrangement depicting lilies in an unusual vase with large deep green leaves bringing out the delicacy of the flowers. "Oddity attracts the eye," stated Mrs. Boman during her remarks on floral art.

Floral foliage plants properly arranged in suitable containers, and coffee arrangements for bridge length. Miniature landscape gardens were another subject and at the close of the afternoon, several of the class made models which were constructively criticized by Mrs. Boman as to color, lines and shape of container.

The next class will be held at the Premier Hotel next Tuesday.

## SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending March 5, 1949, were 6,532 compared with 27,559 for same week in 1948. Cars received from connections totaled 11,331 compared with 13,093 for same week in 1948. Total cars moved were 22,963 compared with 40,622 for same week in 1948. Santa Fe handled a total of 31,378 cars in preceding week of this year.

As part of its health program the Romanian Red Cross operates 18 small maternity homes in isolated sections of Moldavia where infant mortality is high because of lack of medical care and poor health of prospective mothers. The homes, five to six bed capacity, are made available by the Ministry of Health. They are directed by a Romanian Red Cross nurse and need medical supplies and equipment needed for their operation are supplied by the society.

## Soil Conservation News of District

Lower Pease River Soil Conservation District Board: W. C. Howard, Grady Halbert, S. Z. Bailey, I. H. Brannon, Roy Ayers.

Terraces were constructed last week on the following cooperators' farms: Joe L. Orr, W. A. Dunn, Mrs. S. E. Tate, A. G. Pechack and J. R. Pittillo. Terrace lines have been run and terraces will be constructed soon on the following farms: W. L. Pechack, C. O. Nichols, S. B. Middlebrook and Jack Murphy.

Several operators are seeding native grass seed to areas being retired from cultivation and bare areas in pastures. Joe L. Orr seeded 12 acres to a mixture of Little bluestem, Blue grama and Side-oats grama. Dr. R. L. Kincaid has seeded about 40 acres to Little blue stem. C. C. Ribble is seeding approximately 70 acres with a mixture of Little bluestem, Blue grama and Sideoats grama. H. L. Ayers, Joe L. Orr and C. C. Ribble have made small seedings of King Ranch bluestem on a trial basis.

Ed Mechell has an excellent stand of Madrid sweetclover. Ed sowed about 6 acres to clover. This was seeded broadcast by hand and double harrowed. Other operators that sowed clover are just now getting their seed up.

## Organizing of Retail Merchants Ass'n Now Underway

Preliminary plans were laid Wednesday afternoon, March 16, in the district jury room at a meeting of all the merchants by the Chamber of Commerce for the organizing of a Retail Merchants Association in Crowell, according to Hilton Crane, Chamber of Commerce secretary.

C. R. Pennington, manager of the Abilene Association for the past twenty-three years, spoke to the assembled group and explained them the requirements essential to the establishing and functioning of the retail merchants association in a town of this size.

As a result of this meeting, three businessmen were appointed on a committee to further investigate the matter and approach the merchants not present to see if enough would join to warrant the opening of an office here.

The committee consists of Merle Kincaid, Irving Fisch and Recie Womack.

## History of Texas Public Domain Has Been Written

Austin, Texas—Land Commissioner, Bascom Giles, has seen a long-time ambition realized — a History of the Texas Public Domain has finally been written.

The story of how Texas disposed of its 187 million acres of domain will be released by the State Company, Austin, on March 28. It is entitled "Lots of Land."

Giles had intended to author the book himself, but has been busy making land history to write it.

"This menace to our tidelands popped up," said the Commissioner. "I felt it was more of a public duty than ever to get such a history into print."

Taus Giles turned over his personal collection of material, as well as the historical research done by various members of his staff, to Curtis Bishop, whose syndicated feature, "This Day in Texas," appears in several papers.

"I guess you can call me sponsor, collaborator and now chief booster," smiled Giles. "I defy any intelligent person or even the U. S. Attorney General to read this book and then deny that the tideland oil properties belong to the Public Free School Fund of Texas."

## VISIT IN GEORGIA

Mrs. T. M. Haney of Vernon and her daughter, Mrs. B. A. Martin, of Artesia, N. M., went to Savannah, Ga., recently by plane to visit their daughter and sister, Mrs. H. W. Boykin, and husband. They were joined there by Mrs. W. H. Rowand of Madison, N. J., another daughter of Mrs. Haney.

## Wichita Easter Service to Be Carried on Without Founder

Lawton, Okla. (Special)—The year has come which many persons have foreseen and dreaded—that in which the famed Wichita Mountain Easter Sunrise Service must be presented without the direction and inspiration of its founder, the late Mark Wallock.

Rev. Wallock, the quiet little minister whose spirit possessed more power than many combined purses and intellects, passed away a few weeks ago—just as time was at hand to begin thinking of the 1949 Easter service to be held April 17.

Rev. Wallock left such well-laid plans and such a definite idea as to how he conceived the service, no one doubts that it can be continued. But whether the citizens of Lawton can be brought together again under a united leadership of the type afforded by the "little minister" is the question which causes much shaking of the head.

Nevertheless, the many trained lieutenants which Mark Wallock designated are facing the task with great energy. Jimmy Hysaw, co-director of Lawton's Easter personnel association, states his belief that this year, and for a few years to come, the service can be continued as if Mr. Wallock were here.

To Hysaw and his fellow-director, Mayor George Hutchins of Lawton, fall the duty of training and supervising the activities of approximately 1,000 persons who will take part in the 1949 service. To Fred Larrance, former mayor and new president of the Easter Sunrise Service Association, falls the burden of leading the organizing of the finances and physical production of the massive spectacle. Dozens of other equally important names might be listed.

"The Prince of Peace" is the theme and title of the 1949 service, which as always depicts the life, death, and resurrection of Christ. This year's production, automatically, has been dedicated to the memory of the founder of the service.

Several events connected with the Easter service this year might well be pleasing to Rev. Wallock as he watches from above.

"The Lawton Story," a Hollywood production featuring the Wichita Mountain Service, will have its world premiere in Lawton, April 1. Proceeds from the premiere and subsequent showings promise to go far toward putting the great religious service on a sound financial basis—something which it has never as yet enjoyed. During all of Rev. Wallock's 25-year career with the service, it lived only a hand-to-mouth existence.

Organ music, long a desire of the late director, will be heard from the mountainside for the first time this year. An Oklahoma City firm has offered to provide an organ and an accomplished organist for the event.

Choir music, always impossible because of limited housing and sound facilities at Holy City, site of the service, will become a reality in 1949. An Easter choir, under the direction of Mrs. Dorothy Bell and Morgan Roberts of Lawton, will soon begin rigorous practice. Rainbow girls from various cities in southwestern Oklahoma have volunteered to take part in the 1949 service.

"The Prince of Peace" will contain 59 scenes. A music hour will begin at 12:00 midnight. The service proper will last from 4:00 a. m. until sunrise. From above a very special person will be watching. His spirit will be felt among all the participants and in the hearts of thousands of the hillside crowd. "Be with us, Mark Wallock," they will all be hoping as they pray to their Maker that Easter will be the resurrection of Christ-like living.

All free governments are managed by the combined wisdom and folly of the people.—James A. Garfield.

Q. I am an honorably discharged World War II veteran. At present, I am in prison for a minor offense. May I receive a correspondence course under the provisions of the GI Bill?

A. Yes. The Veterans Administration makes contracts with approved schools and will pay for accredited courses, but no subsistence allowance will be paid.

Q. I am a World War I veteran and have been working out my income tax report. Do I have to show my compensation from VA?

A. Disability compensation is exempt from federal income tax. However, this is a matter within the jurisdiction of the Internal Revenue Bureau.

Q. I would like to know why the pension I had been receiving under the law is now called compensation?

A. Public Law 494, 79th Congress, provided that the term "compensation" be applied to all service-connected disability or death benefits paid through Veterans Administration.

Q. What income limitation provision is attached to the pension I will get as the widow of a soldier who died in a Japanese prison?

A. No income provisions are applicable to compensation payable for service connected death.

## C. H. S. Baseball Team Wins Game from Quanah Fri.

The Crowell High School baseball team came up with another outstanding pitcher last Friday when it defeated the Quanah Indians for the second time this season in an exhibition game. The game was played on the Crowell field and the score was 8 to 6. Jon Coffey, new addition to the club this season, struck sixteen men out in the seven inning game to set a new record for the Wildcats. Crowell's defensive playing on the infield was rather ragged to allow five unearned runs cross the plate during the contest. Coffey allowed only three hits in the game, two of them being the scratch variety. The Wildcats collected only seven hits off of Danny Mahan, pitcher for the Indians. Floyd Borchardt, Crowell catcher, hit a long homerun with one man on base, to give the Crowell team the margin in the scoring department. Jimmy Rasberry continued to lead the Wildcats at the bat, collecting three hits in this contest. Jon Sanders, Jon Coffey and Hack Norman were the other Crowell boys that were able to hit safely.

The Wildcats dropped a heartbreaker to the Vernon Lions at Vernon Tuesday afternoon. Clifford Ohr, pitcher for Crowell, was a little wild but he struck out fourteen Vernon boys and allowed only one scratch single. The Crowell infield committed nine errors to allow five Vernon unearned runs. The Crowell boys were able to score only four runs on five hits. Ohr led in the hitting attack with a single and a triple. J. P. Bartley, Floyd Borchardt and Rouse Todd received a single each for the Wildcats. Vernon scored two runs in the last inning to cinch the victory.

These two clubs play here Friday afternoon at four o'clock. Crowell plays Wichita Falls two games next week, at Wichita Falls on Tuesday and here on Friday.

## Foard County Gets Good Rain Sunday Afternoon - Night

Rain which fell over Foard County Sunday afternoon and night measured 1.7 inches by the Government gauge at the Crowell State Bank.

The precipitation was general and came just at the right time to benefit the wheat crop most. According to farmers, the promise for a good wheat crop was never better than at present, with the exception of the west part of the county, where considerably less rain has fallen than in all other sections of the county.

## Crowell Schools Visited by State Deputy School Supt.

O. C. Cook, Deputy State School Superintendent, visited the Crowell Schools on Wednesday and complimented the Crowell School Board and School Officials on the splendid condition of the entire school system. He especially commended them on the Vocational Agriculture shop and bus shop that have been added since last year. He is recommending to the State Department of Education that Crowell High School be granted an additional credit in band which gives the school a total of thirty-two credits. He also recommended that the Crowell Colored School be accredited for a nine-month term and two teachers for eight grades. However, he listed several improvements that should be made in the Colored School before the beginning of a fall term.

## April Has Been Proclaimed Child Welfare Week

Mrs. Clyde Cobb, American Auxiliary chairman of child welfare, announces that the month of April has been set aside as Child Welfare month and with the help of Charles Branch, Legion Child Welfare chairman, ask all churches in the county to enlarge their church attendance for veterans and veterans' children, especially during the month of April.

It has been decided that, in view of the particular interest which the American Legion has in the spiritual welfare of all children, that every effort will be made to encourage their regular attendance at church. "Toward this end," says Mrs. Cobb, "parents will be urged to consider their obligation in seeing to this very vital need of their children and to further its attainment, both by encouragement and by example."

The American Legion is dedicated to service to God and country, and the Child Welfare program is for service to the whole child, its physical, mental, emotional and its spiritual needs.

## Membership Campaign Began Tuesday for Foard Co. Chamber of Commerce; Many New Members Secured First Day

Plans were organized Monday night in a meeting conducted by the membership committee of the Foard County Chamber of Commerce for an extensive drive to secure the membership of every business person, farmer and rancher in Foard County.

"The purpose of this organization is no other than individual community and county development. Working for the betterment of each community and the county as a whole, hence, it is highly important," remarked president Alton Bell, "to secure each business man, rancher and farmer as a member. Furthermore, Mr. Bell continued, "this organization is not limited to men only. Ladies who desire to live and do business, a more wholesome place in which to raise their children, can and should join the Chamber of Commerce."

Those present at the meeting were president Alton Bell, chairman, J. R. Beverly and the following committeemen: Jack Seale, Fred Carr, Ernest Johnson, T. S. Haney, Foster Davis, Leon Speer, James Weiss and Henry Borchardt. Two on the committee were absent, Ike Wilson and Fred Thompson.

## Howard Payne College Acapella Choir to Be Here March 29th

On Tuesday, March 29, the Howard Payne College Acapella Choir is being presented in formal concert in the high school auditorium at 2 o'clock in the afternoon.

Howard Payne College Acapella Choir is now regarded as one of the fine choirs in Texas. It is composed of forty singers who rehearse two hours daily on five days each week. Tone production with this group is automatic and secure. Their entire program is perfectly memorized by each singer so that, in performance, each individual becomes a unit in a big instrument which is devoted to making the music dynamic and to portraying the emotions felt by the composer when the music was being written.

Every choir is as good as, or no better than the director. Howard Payne College is exceedingly fortunate in the caliber of director selected for the Acapella Choir. He is Woodrow Wall, a native of North Carolina, and the son of that state's leading Baptist preacher, Dr. Zeno Wall. Woodrow Wall holds the BA degree from Wake Forest College of North Carolina. He spent two years in the School of Music of the Southwestern Seminary, Ft. Worth, having withdrawn from the latter institution to serve overseas in the US Navy during the war. On his return from the service, he entered the Westminster Choir College of Princeton, N. J., from which he graduated in 1947. He was brought up as a boy in choir singing and directing. His experiences, his training, his personality, and his energies have made him one of the outstanding young chorals in America. His singers love him and therefore work long and tediously in acquiring the tonal intricacies which belong to the Wall concept of choir singing.

The public is invited to this program and the admission will be 25c and 10c.

## Farmers Urged to Make Preparations for Labor Needs

W. C. Albright, local office manager for the Texas Employment Commission, urged farmers today to take time off from their chores to study and make preparations for their farm labor needs this year.

"No one is forced to use the rural free mail delivery service these days," Albright said. "The old method of making special weekly trips to the post office is still available. The same situation is true in keeping an adequate labor supply on the farm or ranch. The old hit and miss method which usually results in a lot of lost motion by taking time off to hunt and hire workers for farm and ranch can still be used.

"However," Albright added, "the better way is for farmers and ranchers to make their needs for workers known to the nearest Texas Employment Commission office far enough in advance of the actual need as possible and practical. When this anticipation of need is made known, whether it's for one farm or dairy hand or for fifty harvest hands, the Farm Placement Division of the TEC will endeavor to give prompt and efficient service—without cost to farmer or worker."

Albright said, "Early plans mean more workers, better workers and workers on time."

The local office is located at 1613 Pease Street, Vernon, Texas.

## PICTURES TO BE MADE

The Sunday School of the First Christian Church will have its picture taken Sunday morning. Pictures will be taken both of the entire school and also of the "Loyalty Group." All members and friends are urged to be present Sunday and to get in the picture.

Do you tell time by Baby?

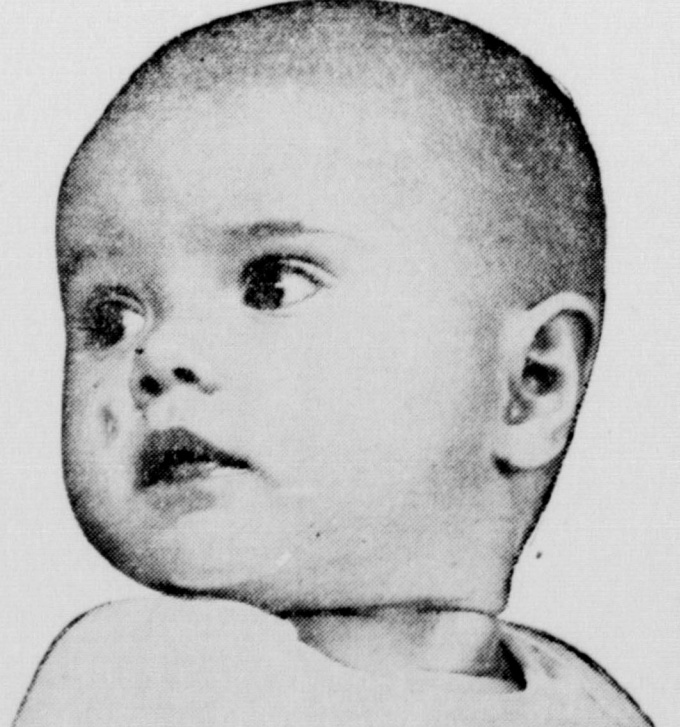

At his feeding times, yes. He sounds off on the dot when a meal's due. But the rest of your day, you're wise to depend on electric clocks.

With a baby in the house, it's surprising how much you depend on electric service—to prepare and refrigerate his food, heat water for his bath and laundry, wash his clothes, and so on.

Of course, you depend on electricity to help take the work out of your housework, too. Always ready, it lends a willing hand with heavy chores, provides comfort, ease and even entertainment. And best of all, you can depend on its economy—for what other item in your budget does so much for so little?

Your friends and neighbors in this company—under sound business management—are continually using their technical skill and practical experience to keep electricity the biggest bargain in that budget of yours. You can depend on that, too!

**WASHINGTON NEWSLETTER**

(By Congressman Ed Gossett)

Washington, D. C., March 19  
—The House this week passed a rent control bill. The primary feature of the House Bill was the Williams local option amendment. This amendment would give any town, county, or state the right to decontrol itself should it desire to do so. The Senate will pass a different rent control bill. Then a conference between the House and Senate will probably write still a different bill. No one knows just what sort of a bill will finally be enacted. I voted against any extension of rent control. While controls may be needed in certain areas, to continue rent control is to extend OPA on just one class of persons, to wit, the owners of rental property. Again, many of us feel that the housing situation would be helped, not hurt, by the removal of rent control. Furthermore, about 85 per cent of rental property is owned, not by big firms or rich people, but by widows, old people, and folks who depend upon meager incomes for

livelihood. I have many pitiful letters from people of this class. One lady writes: "I worked in a factory most of my life to pay for my home. I am seventy-six years old and unable to work now. The only income I have now is \$21.00 a month from Social Security and \$5.00 a week from a two-room furnished apartment with all bills paid. The OPA will not allow me to increase my rent." A man writes: "My wife and I are both 64 years old. We are heavily in debt on our property. If rent control is continued we will probably lose what we have invested. Because of my age I cannot get employment and my wife is sick most of the time." From another lady I get this letter: "We have just spent \$674.00 to repair our seven-room cottage duplex, installing a new range for \$189.00, a total of \$863.00. We were allowed only an increase of \$3.50 a month in rent. This is all we have to live on. Mr. — is eighty three years old and I will be eighty in May. I have recently fallen and broken my hip. Our son will have to pay these bills after we are gone." I have dozens of such letters.

**Pending Bills**

Among bills soon to come before the House are a bill extending the coverage of the Wage and Hour Act and raising the minimum wage to 75c; a rural telephone bill to provide rural telephones on a basis similar to REA; and the oleomargarine bill about which much has been written.

I would vote for some increase in the minimum wage although the pending bill is subject to several serious objections. I expect to support the rural telephone bill with provisions to eliminate duplicating competition. Rural phone service is worse now than it was thirty years ago. An oleomargarine bill should be passed; the tax on oleomargarine is discriminatory and unreasonable. It is wrong to tax any food simply because it competes with some other food. The dairy industry, segments of which have generally opposed the oleomargarine bill, gets along pretty well in the Washington area. The Gossett family while here has averaged paying the Chevy Chase Dairy around \$35.00 per month.

**The Party Platform**

In this morning's mail I received a letter from Congressman Anthony Cavalcante of Pennsylvania in which he writes: "Although I am a first term member of the House I wish to call your attention to a matter which I believe should be of urgent concern to all Democrats. First, as Americans, we owe a duty to the people to enact into law the Democratic Platform adopted at Philadelphia and which was endorsed by the people at the polls on November 2, 1948." No southern Democrat will take Mr. Cavalcante's appeal seriously. We feel that we have a right to make up our own minds as to what is best for the party and for the country. Texans had very little to do with the writing of the Democratic Platform at Philadelphia last fall. We gave Mr. Truman his biggest majority in

the national election, but we certainly did not endorse everything in the Democratic Platform. Like most southern Democrats, I support administration measures when I possibly can in good conscience. However, he serves his party best who serves his country most.

As a good Democrat, I do not feel myself bound to vote for something simply because some Democratic leader demands it. Mr. Cavalcante is overreaching himself just a little.

**RAILROAD MILES**

In 1947, railroad freight train locomotives ran more than 756 million miles including train switch miles. In 1947 railroad passenger train locomotives ran more than 409 million miles including train switch miles. Switching locomotives exceeded 367 million miles which includes both freight and passenger operations.

In 1947 the railroads received an average of 1-8/100 cents for hauling 1 ton of freight 1 mile. —Santa Fe Almanac.

**IN THE NEWS 30 YEARS AGO**

News items below were taken from the issue of the Foard County News of March 21, 1919:

Fifteen cars of cattle were shipped to the Kansas City markets this week. These were cows for the most part. One stockman has 400 steers which he is feeding and will put on the market later. Speaking of the wheat pasture, he stated that he had paid out something like \$4,000 for grazing this winter and that he was only one of many.

C. P. Sandifer is having new roofs put on all the brick buildings from the corner at M. S. Henry Co., to the post office.

Lambs shipped to the Kansas City market this week brought 19c per pound, or \$14.50 a piece.

Duke Wallace announced this week as a candidate for city secretary. W. B. McCormick is also a candidate for this office.

A red Poll bull raised by S. W. McLarty of Vernon took first prize as a junior yearling bull at the Fort Worth Fat Stock Show.

T. L. Hughston and wife came in Sunday from Clarendon. Mr. Hughston has about closed up his business there and has come back to stay.

Mrs. Claude Adams and little son came in Sunday from St. Jo.

Mr. and Mrs. S. K. Oats were here this week from Burkburnett.

Mrs. O. F. Billings came in Sunday from Quannah to visit relatives.

The Todd Jack will make the season's stand at the A. Brian farm.

Miss Mary Scott of Good Creek is assisting Miss Runa Maude Wallace, in the millinery department of the Edwards Dry Goods Store.

Mrs. A. E. Propps left Thursday for her home in Benjamin.

Henry Ferguson says they are preparing to raise hogs on their farm east of Margaret and are putting up hog wire fence.

George Self and Misses Gladys Benson and Ruth Pool were visitors in Vernon Sunday.

### What We Think

(By Frank Dixon)

I am disturbed over the fact that there is not more concern on the part of a greater number of people over the matter of a substantial reduction in the national debt.

I will admit that this concern may be due to a more than average amount of conservativeness and what the idealist would call a lack of faith, but be that as it may, I feel that there is not enough concern being given to the matter of reducing our debt. My concern is prompted by the realization that the debt, however we may attempt to belittle it and laugh it off as a matter of no consequence, represents a substantial, a very substantial mortgage on our future. Totalling as it does some 253 billions of dollars, it represents a debt which, with the interest requirements, cannot be paid off even with the best of management in anything under fifty years. To do this will require the best of management, and a sizeable amount of taxes. This is assuming that business and employment continues good, and that during the next fifty years the Ship of State does not run into a storm of depression, and falling prices, and reduced incomes do not result in a reduction of the government's receipts. To assume that we will go through the next 50 years without encountering one or more of these setbacks is simply to close one's eyes to the facts as clearly revealed in the nation's past history.

I am disturbed also because too few people seem to realize that we are living in an abnormal period. They seem to forget that our above the average employment and unprecedented wages are due to the fact that the injuries of this country, since the war, have been working night and day to produce merchandise and goods to replace those worn out or destroyed during the war. Even the most optimistic person cannot believe or hope that the condition under which we are now living can continue.

There is talk of federal control to prevent too much unemployment, to hold prices steady, to subsidize the farm industry and the like, but even the novice in economics must know that when matters reach a certain point in their readjustment not all of the maneuvering of the so-called economists is going to be able to stop the readjustment of the leveling out. It, like other great forces of nature, possesses an irresistibility against which the force of humans is wholly to cope.

There is much talk these days and large plans for a strong system of defense—and there can be no argument against it in the world as it exists today, but in my opinion a lowered, a consistently lowered national debt is as important a part of national defense as anything that has yet been proposed.

We have fought a great war and won it, but we do not seem to be able to bring ourselves to

### CARD OF THANKS

### CARD OF THANKS

The Foard County Committee for the Cancer Fund Campaign, which starts officially on April 1st, wishes to take this opportunity to thank the players on the recent basketball tournament, also all others who in any way assisted them and Mr. Crane, Chamber of Commerce manager, for the part they played in making the tournament a success.

The \$50.00 given the Cancer Fund from the net proceeds will be a great help in reaching the ultimate goal for Foard County. Mrs. A. G. Magee, County Chairman. (pd.)

the point where we are concerned about paying for it.

There is not a man or a woman who has gone into debt, and has by thrift and economy finally discharged the obligation and paid the debt, who does not know that the only way to pay a burdensome debt is by thrift, and self-denial, and an active concern for a reduction of the obligation. There is not a man or a woman who has paid such a debt who does not know that it is dangerous to put off the payment of such a debt to a more convenient day. They know that there is no more convenient time than now, and that no better formula has ever been devised than that of giving up something, and some times many things, some which are important and desirable to make accomplishment of the desire possible.

### CHEMISTS HOLD NOSES BUT LEARN

"A nose is a nose is a nose." If yours smells properly, you've probably discovered that the two large south rooms in the center of second floor have what the chemist calls a "characteristic odor."

Located there are the laboratory and classroom of the chemistry department, and the odors—good and bad—that attack your nostrils aren't the only hazards that the chemistry student faces. Others include acid holes in clothes, multi-colored fingers, or flying glass from a funnel as it shatters.

Obviously a chemistry laboratory is no place for sloppy or careless work, and one of the most important things which students must learn is proper laboratory procedure.

Last week the smells from the lab were pleasing, for the boys concentrated on making shaving lotion while the girls created cleansing cream. Could we have an Elizabeth Arden in our midst

or the creator of a new Burma shave?

At present sixteen students are enrolled in chemistry at CHS. Mrs. Jack Sauls, their instructor, earned BS degree at TSCW. Mrs. Sauls says, "My greatest pleasure in teaching is watching good students develop."

### SPRING BLOWS IN WITH BANQUET PLANS

You may not believe it when you look out the window and see a cold rain coming down from the gray skies and hear a frigid north wind whipping around the corner of the house, but spring is here at last!

The Junior Class looked at the calendar last week and decided it was high time plans were begun for the Junior - Senior banquet. A Junior class meeting was called in Mrs. Sloan's room during first period last Thursday and then everything started clicking. The chief executive (president to you), F. L. Ballard, called the meeting to order and told the class of the purpose of the meeting. Out of all the talk and chatter

that followed this announcement, these facts seemed to be the most important.

A "southern plantation" theme will be followed in the decorations, menu, and programs. The banquet will be held at the Community House, Friday night, April 8, at eight o'clock.

Those on the entertainment committee are Joline Lanier, Laverne Owens, Betty Brock, Don Wilkins and Rondyn Self. The members of the decorating committee are Bobby Hord, Leon McNeese, Myrtle Bartley, Tommie Meason and Billy Johnson. The Senior prophesy will be written by Montez Laquey, Joe Ray Settiff and Clara Jones. The committee members who will make up the waitresses in blackface are Evelyn Kajs, Letha Marlow, Peggy Eavenson and Laverne Farrar. The sophomore girls who will serve are Bobbie Abston, Laverne Shultz, Jean Gamble, Anna Owens, Mary Alice Rader, Jenny Wehba, Mildred Tamplen, Violet Rummel, Betty Barker, Rosella Autry, Frankie Mabe and Iris Abston.

### V. A. BUILDING WEARS NEW ROOF

A new gray-green composition roof is now on the roof of the V.A. building. In keeping with their usual industry, the boys put the roof on themselves. Although Mr. Myers was not able to be with the boys to direct their work, he did start them on the roofing work last Monday. The work was finished under the supervision of Mr. Graves.

The roofing of the V. A. building took five days with all the V. A. boys working on the project. Using twenty-five squares of shingles, the boys estimated the cost of the roof to be \$190.00.

Later in the spring the classes will plant grass on the grounds of the building.

### NEW YELL LEADERS AND SPONSOR ELECTED FOR 1949 AND '50 TERM

Yell leaders for the coming school term were elected March 17.

The meeting opened with the singing of "Dear Ole Crowell High," led by the cheer leaders of '48.

Betty Brock and Betty Barker were re-elected for the third consecutive year. Virginia Tamplen and Myra Don Self were elected as two new leaders. Myra Don tied with Tommie Meason but was the winner in the run-off.

Mrs. Otto Davenport, who was elected sponsor, is experienced in this work, as she served in this capacity in 1947 and '48. Mrs. Davenport will accompany the girls on all games during the coming football season.

### QUANAH CHORUS VISITS CHS

The Quanah High School A Capella Choir, directed by Mrs. Velma Wells, presented us with an excellent program of nine numbers last Monday afternoon. The choir is composed of fourteen girls and eight boys. Two religious numbers and four classical numbers were presented by the entire choir. Ruth Henderson sang two solos, "Until" and "Cruising down the River." A quintet composed of five boys, Don Clark, Don Givens, Richard Phillips, Layton Holt and Charles Welch presented a novelty hit, "Row, Row, Row," but the number which received the most applause of all was "I Like Mountain Music" by the same five boys.

The student body enjoyed this program very much, and we want to welcome the Quanah A Capella Choir back to visit us again soon.

### MONOTONY BROKEN BY GREYHOUND BUS TOUR

"This monotony is killing me," declared the students of the sixth period American History class. However, they took a new lease on life after seeing the film, "Love on a Greyhound Bus."

Interesting facts were discovered. For example, did you know that there is a pyramid in the United States older than any other in the world? Glimpses of scenic wonders and historic places such as Grand Canyon, Niagara Falls, Natural Bridge, Statue of the Minute Man, St. Augustine (oldest city in the United States), the White House, Washington Monument, Broadway

with the largest neon sign in the world (Wrigley's Chewing Gum which consists of a fish, package of chewing gum and "Wrigley" in large letters) and the Alamo—but we can't mention them all. It will be a great deal of trouble for most of us to decide where to spend our vacation.

### SENIORS SLAVE SATURDAY

J. P. Bartley — Crowell's Hardware, appreciated help of cute little girl.

Helen Reithmayer — Foard County Hospital, gained experience making cotton swabs.

Dalton Biggerstaff — Fox-Thompson Grocery, N. C. N. (No comment necessary).

Ramona Hammonds — Wright's Grocery, Thalia, learned to peddle prunes.

Baxter Gentry—Morris - Naron, Shine, shine, give her that old Kaiser-Frazer shine.

Faye Jones— I got mixed up and went to Beverly's Hardware instead of Roberts-Beverly Abstract Co.

Billy Bond — Bird's Dry Goods, worked hard playing pin ball machine, as Ferguson Drug was next door.

Norma Gamble — Farmers Gin, sorted checks but had rather cash them.

Walter Caddell — Cameron's Lumber Co.

Peggy Pittillo — Crowell's Radio Shop, I finally succeeded and got my airplane ride.

Ray Gable — Foard County Implement Co. Learned to work crossword puzzles.

Maggie Eavenson — Mills Barber Shop, enjoyed being cashier and giving Mary Jones a shave.

Mary Jones — Sheriff's office, typed and sold license plates—wanted to wear sheriff's guns; in fact, she thought she would get to.

Bobby Cate — Fisch's Department Store, my feet are killing me.

Mary Johnson — Womack's—wanted to drive the bus and truck, but since she didn't know how to drive, they were afraid of an explosion.

Rose Marie Werley — Premier Hotel, enjoyed the work.

Emilie Kajs — County Judge's office, she had a very tedious job drawing very small lines.

Jon Coffey — Magnolia Station, Jon Coffey sold too many gallons of gas to the women.

Dorothy Thompson — Thompson's Service Station.

Floyd Borchardt — Kane's Bakery.  
 Floyd Oliver — Cates & Hays Motor Co.  
 Peggy Evans — Stovall's Grocery, it seems as though Peggy had a lovely wild goose chase hunting a left-handed wrench to keep Stovie's milk from spoiling.  
 John Potts — Phelps Motor Co., We might speak to John about taking us for a ride in a new Willys Jeep.  
 Julia Johnson — Wishon Grocery, I can imagine Julia carrying around those canned goods, can't you?

### WILDCAT PURRS

As the wind blew and the lightning struck, I sat in a dim lit cellar and tried to think of what all the boys and girls were doing.

We hear J. C. Thompson tore up his car Sunday night. Don Wilkins was the hero of his rescue.

Well, well! Seems as if Presley Thomson enjoys the company of Mary Ann Henderson of Vernon. Also Ham Tamplen was with a cute blonde.

Jon Sanders was enjoying Saturday night with Jackie Fortune, who was visiting Maureen.

Mickey Tamplen and "K" Cates make a cute couple of Saturday night.)  
 Charles Wishon and Betty Er were seen together again Saturday night. This is getting to be a case.  
 Ray Gable was very glad to see Mary Ayers here over the weekend.

Peggy Pittillo and Harold a frequent two-some.  
 Bobby Railsback and Mary B are seen together a lot.  
 Mary Alice and Rozella, lonesome Saturday night, say that their OAO's were out of town.

We wonder why Rusty's are on-ask anyone because nobody knows.

Wonder what a boy and motorcycle were doing in Dallas Saturday night?

Buster, what were you doing in Herman's Sunday?

Have you noticed Buddy's new permanent? The crooks to Raymond Carter, who knows, he may be a famous hair operator at Pierre's.

Wonder if Maureen had anything to do with F. L.'s haircut?

Lois Gentry sent out her love to James Weathers but kept it to herself.

## TWO KINDS OF MEDICINE

Dorothy Thompson devoted one of her recent columns to the proposed bill to establish compulsory government health insurance. She observed that she had lived under socialized and regulated medical systems in England, Austria and Germany. She then had this to say about them: "They cost the people far too much. They provide inferior services at a high price. They are incapable of dealing with really serious and complicated cases. They result in two sorts of medicine—good medicine for the well-to-do; and bad for the masses, at high cost to those who can at least afford it. And they build up a vested interest of physicians and bureaucrats which the people will never get rid of."

Miss Thompson can hardly be branded as a black reactionary—which is one of the labels the socialists often pin on those who do not agree with the premise that the cure for everything is more and more government and more and more taxes of all kinds. She observes that this country certainly does need better health service, and that people who honestly can't afford to pay for adequate care must be assisted. But, as she says, "Just why this most inventive country seems compelled blindly to copy social measures originating elsewhere is baffling." A segment of the American people, apparently, believe that we can succeed with schemes which have been an utter failure everywhere else. And that attitude, if it is reflected in action, could be disastrous.

The compulsory health insurance plan is simply one of the planks in a platform that would create a total state. Lenin himself ranked socialization of medicine high among communist objectives. And socialized medicine will come as surely as night follows day if we give the bureaucrats control over medical practice.—Industrial News Review.

Adams captured it on the way. P. L. (prisoner of love).

Well, Barbara White is back to "Ole Faithful." Yes, you guessed it. None other than Joe Sokora. Margaret Daniel surely looks sad these days since Charlie Hinds left to work on the J Y Ranch.

Since Virginia Rallsback decided not to move to Vernon, Doyle Sparks walks around with stars in his eyes.

Look at Patsy Carroll's new glasses. Now she can wink at James with all four eyes.

Since Melba and Melvin have broken up "for good," they probably won't be seen together for several weeks.

Eva Rae and Carl Shultz seem to have a good time in General Business copying from Margaret's notebook.

Wonder how long it took for Peggy to find the left-handed monkey wrench Saturday?

Wonder how Mary Ruth enjoyed her free shave Saturday?

We hear Mary Johnson had a wonderful time learning to skate Friday night.

Well, that's all for this week. We'll be around again next week all classes and services."

## Unusual Number of Smallpox Cases Reported Over State

Austin, Texas.—With the appearance of an unusual number of smallpox cases during the past week, Dr. Geo. W. Cox, State Health Officer has issued a warning that this dangerous, disfiguring and often fatal disease can once again become a widespread health problem unless vaccination is used to protect the public against it.

Four cases of smallpox were reported from one county, and while that number may not seem great, it is nevertheless the same total as was reported for the whole state during the entire year of 1948.

"Smallpox vaccination, which affords complete immunity from this disease, is a painless, inexpensive procedure, which should be used to protect every individual in the state," Dr. Cox said. "When we grow lax about our vaccination and allow susceptible persons to be exposed to smallpox, it follows that the disease will spread through the unvaccinated population, bringing serious illness and possible deaths."

Dr. Cox urged all parents to see that their children have been properly vaccinated, and if there is doubt about the immunity still being in effect, they should be given another vaccination. If they are immune, the vaccination will not "take," but if it does take, then the immunity was low and the vaccination was needed for their protection. "This same thing applies to adults," Dr. Cox said. "Check and be sure that your own immunity is established, as well as that of your children," he advised parents.

## Donald Ward Weds Miss Martha Ann Richardson Recently

Donald J. Ward of Tulsa, son of Mr. and Mrs. Joe Ward of Crowell, married Miss Martha Ann Richardson of Tulsa at the Central Avenue Christian Church in Tulsa on Sunday evening, March 23.

Rev. James Rutherford, pastor, read the vows before an altar decorated with baskets of white snapdragons, gladioli and stock and carnations.

Mrs. Claude Legon, organist, and Miss Lillian Greig, soloist, gave a program of traditional

wedding music.

The bride, given in marriage by her father, wore a gown of white satin, fashioned with a sweetheart neckline and a modified empire bodice. The skirt extended into a sweeping train and her important veil was held by a seed pearl. A single strand of pearls, her only ornament, was a gift of her paternal grandmother. She carried a cascade bouquet of gladioli and snapdragons.

Mrs. Richard Legon was matron of honor and Misses Nella Ward, sister of the groom, and Joan Murphy were bridesmaids. Bill Dizon served as best man and Richard Legon, Dennis Winstead, brother-in-law of the bride, and

Richard Henley were ushers. Following the wedding, Mr. and Mrs. W. A. Richardson were hosts at a reception at their home. After a wedding trip, the couple went to their home at 1311 1/2 S. Denver Ave., Tulsa, to reside.

## Birthday Celebration Given for Doris Morris on March 10

Mrs. G. W. Camp entertained friends of her granddaughter, Doris Morris, at her home on Saturday evening, March 10, to celebrate her 17th birthday.

Refreshments were served to the following guests: Doris Morris, Carolyn Bell, Catherine McKelvey, Joan Whitey, Cacia Manning, Joan Dixon, Genevieve McDonald, George Ann Davis, Mary Lynn Houpt, Rebecca Calvin, Fred Barber, Larry Johnson, James Denton, Jimmie Emerson, Joe Don Thompson, Gladys Morris, Calvin Carroll and Betty Ferguson.

The honoree received many birthday remembrances.

## Birthday Celebration for Nancy Archer

Pink lemonade, ice cream and cake were the featured attractions at a birthday party given Tuesday, March 23, by Mrs. L. E. Archer, honoring her little daughter, Nancy Archer, on her ninth birthday.

During the social hour, party favors of bellini pulled balloons were given each child, after which the many birthday gifts were opened by Nancy.

Those present at the party were Nancy Bell, Tom Thomas, Charles Carroll, Kenneth Carroll, Ken Ferguson, Helen Marta Ben Brina, Charles Ben Brina, Marcella Carroll, Wendie Frank, Lemona, Jean Wynn Elbert and Jean Subert.

### COLUMBIAN CLUB

The Columbian Club members enjoyed a delightful program of music at the home of Mrs. Sun Crowe, when her pupils, Misses Joan Eggenstun, Betty Gutierrez and Marcella Elnquist, appeared in solo numbers and a quartet of young ladies from high school, Bonnie Alston, Betty Barber, JoAnne Lauer and Mary Alice Ender, favored with several numbers.

Mrs. Crowe was not present, having been called away unexpectedly, but plans had been made and her co-hostess, Mrs. J. B. Parental, served a lovely springtime refreshment plan. She was assisted by Marcella Elnquist and Joan Eggenstun.

Guests other than those on the program were Mrs. D. E. Dodd, Mrs. Earl Ben Brina, Mrs. Joe Alston and Mrs. Abel Elnquist.

The next meeting will be the annual book review, Mrs. Donald of Wichita Falls, one of the best references in West Texas, will be heard in a review of "The Pioneer Preacher."

### ADELPHIAN CLUB

"The Amazing America," a color and sound film of a trip to

points of interest throughout the United States by Greyhound Bus, formed a program of interest to members of the Adelphian Club Wednesday, March 23, at the Clubhouse. The projection machine is owned and was operated by George D. Sell and this courtesy was greatly appreciated by the club.

During the business session, Mrs. Hubert Brown was elected club delegate to the district convention to be held in Lubbock and Mrs. Betty Burdett was elected alternate. Mrs. Nelson Oliphant was elected recording secretary to fill the unexpired term of Mrs. Walton Johnson who moved to Hamlin.

Mrs. Miss Eastberry was declared winner of the vanilla sale contest and received a coupon. A thank-you note was read from the contestant.

Mrs. Dwight Campbell and Mrs. Ray Shirley, hostesses for the afternoon, served delicious refreshments appropriate to the St. Patrick's Day season, to members of the club and one guest, Mr. Sell.

### GANESVILLE H. D. CLUB

The Ganesville Home Demonstration Club met Friday, March 23, in the home of Mrs. Andrew Calvin. Members said whether they planned an outdoor living room at the end was called.

Mrs. J. C. Prosser was selected as the club's nominee to the P. E. D. A. convention in Wichita Falls. The delegate will be chosen from the county as its representative.

Members voted to change the meeting time to 2:30. All members are urged to be present for the next meeting, April 1, in the home of Mrs. Earl Davis. A guest from Vernon will demonstrate tea-

## "The Senator Was Indiscreet" at Rialto

"Senator" William Powell could run for almost any public office and win hands down if voters had come from seeing his hilarious role in "The Senator Was Indiscreet," according to publicity released by the Rialto Theatre. Powell gives the most delightful performance of his career in the rollicking political comedy.

Although one agrees with his opponents in the story that he shouldn't be president one help liking the old boy in fence-sitting, promise-filled case.

### B. & P. W. CLUB

An evening of fun and frolic was enjoyed by the members of the Business and Professional Women's Club on Thursday, March 22, when they met at the Premier Hotel with Frances Duvon, Mad Solomon, Irene O'Connell and Edna Quinn as hostesses.

For the occasion, the beautifully decorated T-shaped tables were laid with great numbers enhanced with attractive arrangements of pink flowering jonquils. To complete the setting, place cards adorned with pink flowers were laid for each guest. The pink and green color scheme represented the club's chosen colors. Colorful decorations included artistic arrangements of jonquils and tulips. The occasion was presided by Irene O'Connell.

During the social hour, folk dancing was directed by Frances Duvon. One guest, Mrs. Charles Dickerson, of Ardmore and eight members were present for the meeting.

Joseph Stalin is 43 years old.
