C. of C. Monthly Meeting Held Tuesday Night

The regular monthly meeting of the Foard County Chamber of Commerce was held Tuesday night, May 10, in the directors' offices.

President Alton Bell stated that the number one project, telephones for the Thalia community, was making definite progress. He informed the representatives from Thalia, who were present at the meeting, that the C. of C. would continue working on this until an exchange had been obtained for the citizens of that community.

At the present time 89 names have been obtained on the petition and Mrs. Joe Johnson and Willie Cato are contacting others so as to bring the petition request to 100 or more.

Mayor Hubert C. Brown has informed Jack Seale, chairman of the civic committee and the cleanup campaign, that the drive will be conducted after the wheat harvest. In the meantime the mayor requests all property owners and tenants to keep alerted to the fact that polio cases today are double the normal for this time of year. If the weeds are kept under control now, then at the time of the spraying with DDT, the work will be much easier and safer.

Danger of Disease Transmission by Flies Emphasized

Austin, Texas—The summer season always brings an increase in the incidence of dysentery, diarrhea and enteritis, all of which are major menaces to the lives of small children, annually causing the death of hundreds of Texas youngsters.

The State Health Officer, Dr. Geo. W. Cox, declared that the chief cause of these intestinal diseases are contaminated milk, water or food; allowing the child to get overheated or exhausted; excessive sugar in the infant's formula, and foods that have been improperly refrigerated.

Act of Kindness Appreciated by Citizens Here

The directors in attendance Tuesday night at the regular monthly meeting of the Chamber of Commerce voted unanimously to have a resolution drawn up to express the appreciation of the entire membership, the City of Crowell and the county to R. B. Anderson and the Waggoner Estate for their great act of kindness in arranging to have Bobby Sanders, son of Mr. and Mrs. Leo Sanders, flown to Philadelphia for an operation to remove a crooked tack in his lung.

Mr. Anderson and the Waggoner Estate are members of the Foard County Chamber of Commerce.

Foster Davis was authorized to write the resolution.

Baseball Team to Close Season with Game Here Friday

The Crowell High School baseball team broke even in its two conference games played the last week. The Wildcats took the measure of the Olney Cubs at Olney last Friday afternoon to the tune of 6 to 0. However, they had one of their "off days" here on Tuesday afternoon committing ten errors and dropping overtime game to the Chillicothe Eagles by a 6 to 5 score.

Clifford Ohr, star pitcher for the Wildcats, turned in another one-hit affair at Olney and was credited with sixteen strikeouts.

Jack Turner, pitcher for Olney, allowed six hits and struck out thirteen Crowell batters. J. P. Bartley hit safely twice, and Bobby Jack Stinebaugh, Floyd Borchardt, F. L. Ballard and Ohr singled once each. Rex Bentley got the Olney hit. In the absence of Jon Coffey, Crowell's regular catcher, Billy Earl Lynch turned in an excellent game at that position.

The Wildcats took too much for granted in their game here Tuesday against the Chillicothe Eagles and little James Boone kept the Crowell hits scattered sufficiently to upset the Cats 6 to 5 in a game that went one extra inning. Clifford Ohr held the Eagles hitless for the seven regulation innings, but Gayland Howard came through with a single in the eighth to go ahead and score on a stolen base and two errors. Ohr struck out thirteen batters, but was rather wild in the early stages of the game. F. L. Ballard singled twice in the game, and Bobby Jack Stinebaugh came through with a double. Jon Coffey, Ohr and J. P. Bartley each singled once in this game. The Eagles scored once in the first inning, four times in the second frame, and the winning tally in the eighth round. Crowell scored twice in the fourth inning and three times in the fifth.

The Crowell team brings its season to a close here tomorrow afternoon when the Holiday Eagles play here. The Wildcats defeated this team 2 to 1 at Holiday three weeks ago. Archer City clinched the district championship Tuesday afternoon by defeating the Olney Cubs 3 to 0. The Archer City boys have one more game with Chillicothe but they could drop that contest and still remain two games out ahead of any other team in the district.

CROWELL GARDEN CLUB

A covered dish luncheon will be the main feature of the regular monthly meeting of the Crowell Garden Club on Friday, May 13, at the Community House. The luncheon at 11:30 a. m. will be followed by the business session and program.

About 125 young people were in attendance from the following places: Paducah; Foard City, Wesley Chapel; First Church, Vernon; Odell; Texas Street, Vernon; Trustcott; Quanah; Tell; First Church, Childress; Margaret; Elliott; Matador and Crowell.

The next district meeting will be held in Childress at some time in the latter part of August.

VETERANS' QUESTIONS AND ANSWERS

Q. Is a widow of a World War I or a World War II veteran entitled to a pension even though her husband had no service-connected disability?

A. For World War I widows the answer is yes. Benefits are payable under Public Law 483, 78th Congress, if the veterans' service meets the requirements and the widow's income does not exceed limitations established by law. A World War II widow whose husband had no service-connected disability is not eligible for pension.

Q. Is it true that National Service Life Insurance pays the insured veteran \$5 per month for each \$1,000 of insurance in force while he is totally disabled?

A. If the veteran pays the necessary extra premium, he will be paid \$5 per month for each \$1,000 of insurance in force after he has been totally disabled for 6 consecutive months. Application for total disability income may be made at your local VA office.

Q. Can the beneficiary or family of a veteran make premium payments on his National Service Life Insurance if the veteran doesn't care to do so?

A. Yes, but the insured veteran has the right to change his beneficiary or beneficiaries at any time without consulting with or receiving the approval of anyone. He may also surrender his permanent NSLI policy for cash at any time.

Q. I bought my home without a GI loan. May I secure a guaranteed loan to buy furniture for it?

A. No.

Bobby Sanders Flown to Philadelphia Tuesday for Emergency Surgery for Removal of Upholstery Tack from Lung

Bobby Sanders, 7-year-old son of Mr. and Mrs. Leo Sanders of Crowell, happened to the misfortune of swallowing an upholstery tack last Sunday afternoon while the family was en route home from a visit with relatives in Pampa.

After examination in Crowell by a physician with a fluoroscope, the tack was found to be lodged in the child's right lung. Mr. and Mrs. Sanders then took the little boy to Wichita Falls where doctors were unable to remove the tack and were advised to take him to a doctor in Philadelphia, Pa.

Friends of the family contacted R. B. Anderson, manager of the Waggoner Estate, and arrangements were made for the Waggoner's two-motored plane to take the boy and his parents to Philadelphia. They, with the pilot and the pilot's wife, who is a trained nurse, took off early Tuesday morning and arrived in Philadelphia Tuesday afternoon. Messages from them indicate that an operation would probably take place Thursday morning. The operation will be performed by Dr. C. L. Jackson, specialist and founder of

the Jackson Bronchoscopic Clinic in Philadelphia. There are only three machines in the United States capable of removing the tack from Bobby's lung.

Bobby is in the first grade in school and his fears as to whether he would make his grade or not were quelled by Mrs. A. S. Hart, his teacher, who told his mother he had already done his work.

Friends are anxiously awaiting news as to the child's development. He is the grandson of Mr. and Mrs. Abb Jones and Mr. and Mrs. Barney Sanders.

Re-Burial Rites for Geo. W. Wagley Held Tuesday

Services Held at Baptist Church at 4 o'Clock

Memorial services and re-burial rites were performed on Monday afternoon, May 9, for Seaman 2-C George W. Wagley, son of Mrs. J. I. Monroe, who died in the service on Jan. 17, 1942. His body reached Crowell Monday morning, escorted by Chief Machinist's Mate James L. Payne of Hearst, Texas.

Rev. Aubrey C. Haynes, an ex-chaplain, pastor of the Crowell Methodist Church officiated at the memorial service and he was assisted by Rev. N. B. Moon, pastor of the First Baptist Church. Services were held in the Baptist Church.

With Mrs. A. L. Rueker playing accompaniment, a quartet composed of Misses Betty Brock, Bobbie Ruth Abston, Maggie Evanson and Marjorie Brock, sang "The Jericho Road." Another quartet, "A Beautiful Life" was rendered by Dr. H. M. Burk, Mrs. Homer Zeibig, Glenn Goodwin and Ernest King.

Pall bearers were all ex-Navy men, Wayne Greening, E. J. Powers, Hugh Norman, Ernest King, John Nichols and Earl Manard. Flower bearers were Mrs. Jeff Todd, Mrs. Jeff Hardin, Mrs. Joe Eddy, Mrs. Howard Williams, Mrs. Clyde Cobb, Mrs. Don Maroney, Mrs. Milburn Carroll, Mrs. Ray Hysinger and Mrs. C. B. Graham.

Interment was made in the Crowell cemetery with the Womack Funeral Service directing. Full military rites were conducted at the cemetery with the Gordon J. Ford American Legion post officiating.

George W. Wagley was born at Santa Anna on May 27, 1923. He was an only child. He was active in Boy Scout work at the age of ten and was a member of the National Guard before entering the Navy. He became a Christian when young and was a regular attendant at Sunday School and church services.

He joined the Navy on Jan. 17, 1942. He received his training at San Diego, Calif. and was sent to Pearl Harbor in March, 1941, was sent on to the Philippines in August, 1941, and was in Manila when war was declared. His ship, the U. S. S. Peary, was bombed on Dec. 26 and was hit four more times while en route to Darwin, Australia. On Jan. 10, 1942, he was taken from his ship, because of his wounds and he died six days later. The last word received from him by his mother was on Dec. 26, 1941.

Survivors include his mother, Mrs. Monroe, his step-father, J. I. Monroe, two adopted sisters, Sandra and Lavetta; several aunts and uncles, a grandfather of Chillicothe. His father died when George was three years old.

Out-of-town relatives and friends attending the funeral were Mr. and Mrs. S. E. Hudson of Chillicothe; Mr. and Mrs. H. A. Grant, Mrs. Homer L. Dunning, Miss Elda Hudson and Mrs. Maggie DeWitt of Fort Worth, Mrs. G. C. Cearley of Wichita Falls; Mr. and Mrs. Royal Webb of Dublin and Mr. and Mrs. R. D. Hill of Denver City.

Army Worms in Wheat Fields of Foard County

Infestations of army worms have been found in several wheat fields in Foard County, according to Joe Burkett, county agent.

Farmers should watch their wheat closely and if worms appear in sufficient numbers to cause serious damage, they should apply control measures immediately.

These worms can be controlled by applying any of the following insecticides:

Twenty pounds of 5 per cent DDT per acre or two pounds of 50 per cent DDT. They can also be controlled by applying two pounds of technical grade chlorinated camphene (toxophene), or by applying one pint of technical grade (74 per cent) chlordane per acre.

Crowell Baseball Team Will Go to Kirkland Sunday

The baseball game between Turkey and Crowell had to be postponed last Sunday due to wet playing field. The league official states that a double-header will have to be played when Crowell journeys to Turkey on June 12.

This Sunday, May 15, Crowell will play at Kirkland. The game will start at 2:30 p. m. Trustcott will oppose Turkey, Sunday at 2:30 on the Turkey diamond. Paducah will be hosts to Dickens.

ROTARY CLUB

The regular weekly luncheon of the Crowell Rotary Club was held at the Deluxe Cafe Wednesday at noon. Visitors at this meeting were Rotarians Robert Wilson and Bud Harvel of Vernon, Rotarians Spencer Morrow, Grady Dodd and W. D. Reeves of Quanah, C. W. Sheppard of San Angelo, and Rotarian L. A. Wilkie of Abilene.

Following the luncheon and a short business session the club members adjourned to the Chamber of Commerce office where Mr. Wilkie, director of the Service Department of the West Texas Chamber of Commerce, made an instructive and interesting talk on town building to Rotarians and other visitors. Mr. Wilkie stated that "every citizen should strive to make his town the best and cleanest place in the country in which to live." When that job is done well, other improvements will follow.

Irving Fisch was in charge of the program.

There are 1,141,615,364 acres in the United States in farms. The land not in farms totals 845,000,000 acres.

Shivers Lauds the Employers' Tax Reduction Bill

Governor Allan Shivers today said that passage today of the bill was one of the major accomplishments of this session.

The tax-reduction bill is one of the milestones of the session," he said.

All of the discussion about increased governmental costs and possibility of additional tax increases, I am certainly happy that the Texas Legislature can pass legislation resulting in substantial tax decrease," he said.

Shivers said that this change in the Unemployment Compensation Act will save Texas employers \$6 and \$10 million in each year. He pointed out that at the same time HB 417 provides increased protection to the workers.

The amended bill now goes back to the House of Representatives. The bill would amend the TUC Act by lowering the minimum tax on employers' payrolls to one-half of one per cent.

HB 417 as amended will provide a 25 to 50 per cent tax reduction for a substantial majority of some 20,000 Texas employers who pay the tax," the governor said.

During the last ten years Shivers has made a study of the continued unemployment tax laws. A State Senator in 1939 he was the author of an amendment to the TUC Act by which the "Texas" sliding-scale tax rate was changed to the law. The Shivers structure became effective in 1941.

The Texas Employment Commission officials estimate that the bill would result in a saving during the following eight years of \$20 million to Texas employers.

The present reserve of \$205 million in the unemployment insurance fund is sufficient to meet foreseeable contingency. Because the new minimum rate, the bill provides an additional tax reduction for each \$5 million in the reserve of \$200 million in the reserve, Shivers explained.

"It is due to the credit for earlier savings to employers under the so-called Texas Plan," Shivers said. The TEC should be credited with a high level of conscientious and efficient administration. To a large degree employers were able to secure lower rates because the commission scrutinized carefully claims and worked diligently to find jobs for the unemployed.

The proposed amendment to the TUC Act carries the tax relief "further," he added.

We are opposed to the health program proposed by the administration. We concede that some steps toward health preservation are necessary but we do not believe it should be handled on a Socialistic regimentation plan. To begin with there is no such thing as free medicine, or free anything. If we get five times the medical care we have been getting we will pay five times as much for it.

Lassie, the Collie dog of the movies, receives a salary of around \$52,000 a year. Lassie is owned by Duke Weatherwax, a dog trainer of Hollywood. When he was born, Lassie was the runt of the litter. Believing that he could not compete in the dog show with his brothers, his owner took him to Weatherwax, the trainer. A short time later the dog's owner offered the dog to Weatherwax in settlement for his board and training bill amounting to about ten dollars.

Following the first World War, America led the nations of the world in the matter of scrapping its navy and air force and disbanding its army in the hope that it would bring world peace. It brought peace only so long as other nations, taking advantage of our disarmament holiday, could prepare themselves for war.

Russia naturally is critical of the North Atlantic Pact, claiming that it is an act of aggression. Russia can be assured that the North Atlantic Pact will never be invoked against her unless and until she attacks one of its members. The members of the Pact do not agree to come to the assistance of any member that attacks Russia.

Some Wonderful Buys in Foard Co. 640 acres of good land south of Crowell, 130 acres in cultivation, 210 acres in pasture, about 50 more that should be in cultivation. This is one of the best wheat sections in Foard County. If sold at once, buyer could get rent from the 430 acres of wheat and the crop is perfect. See me for price and particulars.

What We Think (By Frank Dixon)

I listened with intense interest to Winston Churchill's speech a few weeks ago before the Massachusetts Institute of Technology. It was a good speech delivered in Mr. Churchill's well known, forceful style.

I have always enjoyed Mr. Churchill's speeches. I think that his speech made following Dunkirk when England was experiencing her darkest hour, remains as one of the most forceful and eloquent human utterances of all time. It was the thing that gave to the people of Britain the courage and the spirit and the faith to continue the fight against the Hitler precision built war machine.

I like Churchill's speeches because it seems to me that whether I agree with him or not they are the sincere words of a vital character that take on his rugged physique, his high courage, his hope, and his faith in the ultimate outcome of events for the best. Churchill's speeches are eloquent, not because he uses the tricks of the orator, the gestures, the dramatic emphasis and flamboyant rhetoric, but because of his sincerity and his ability to put his virile personality into what he says.

I agree with Churchill that it is a most fortunate circumstance that the atomic bomb is in the hands of the Americans rather than the hands of the Russians—or some other people. I believe—and it is a conviction with me—that if the bomb were in the hands of the Communists that long ago they would have used it to bring under Communist rule every other nation of the world.

I also believe—and this also is a conviction with me—that the atomic bomb in our hands is a part of God's plan in the forward march of civilization and Christianity here on earth. We stand alone, in my opinion, as the only nation in the world today in whose hands the bomb could have been placed, with any assurance that it would not be used for selfish purposes, for territorial expansion and to further ambitions to become a world power. In our hands the bomb will be used—if it is ever used, for the furtherance of the cause of humanity and human rights. In this respect we are God's chosen people as much as were the people of Israel.

I believe with Mr. Churchill, that "Russia fears the friendship of the west more than she fears its hostility. The Russian leaders cannot afford to allow free and friendly intercourse to grow up between the vast area they control and the civilization of the west. The Russian people must not see what goes on outside, and the world must not see what goes on inside the Soviet domain. Thirteen men in the Kremlin, Mr. Churchill says, are holding down hundreds of millions of people and aiming at the rule of the world. They feel that, at all costs, they must keep up the barriers. Self preservation, not for Russia, but for themselves lies at the root, and is the explanation of their sinister and malignant policy."

This explains the iron curtain and the whole non-cooperative and distrustful conduct of the Russian leaders since the war. I agree with Churchill that whether the rest of the world likes the idea or not, Russia is going to have to be granted access through unfrozen waters to every ocean in the world and access on an equal basis with other nations to the raw materials of the world. Without this stabilizing condition, peace cannot be assured since no great and powerful nation is going to submit peacefully to such restrictions. This, however, could be solved with a more cooperative attitude on the part of Russia and when such an attitude is shown, it no doubt will be. Russia should remember that distrust creates distrust and there is much she can do to bring about friendlier relations.

A man should never be ashamed to own he has been in the wrong, which is but saying, in other words, that he is wiser today than he was yesterday.—Pope.

IN THE NEWS 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, May 9, 1919:

Foard County is next to Wilbarger County in a group of nine counties in this area in the collection of automobile taxes and the number of automobiles registered: Wilbarger 1,033, Foard 822, Hardeman 658, Hall 604, Collingsworth 545, Childress 473, Knox 370, Baylor 359 and Cottle 170.

Mrs. M. S. Henry was elected vice-president of the First District, Texas Federation of Women's Clubs, at the district meeting in Stamford last week.

Harvey D. Nelson and Miss Gayle Schlaegal were married at the Baptist parsonage Sunday night following church services.

Foard County has received eight inches of rain since Jan. 1, according to the record at the First State Bank.

Major Hines Clark, a medical officer attached to the Seventh Division, reported for discharge at the camp located on the site of his old homestead Tuesday. Major Clark lived on the land now a part of the military reservation of Camp Bowie at Fort Worth. As a child he ran the plow over the land where soldiers have been trained for the last year and a half.

Miss Mattie Page McKown came in Sunday from Portales, N. M., to visit relatives.

Miss Gladys Benson is assisting with the bookkeeping at the Crowell Grocery Store.

Misses Minnie Logan and Ruth Kenner came in Monday from Burkburnett to visit relatives.

Mrs. Joe Couch and little daughter, Frances, came in Friday from Dallas.

W. H. Dunagan came in Wednesday from Dallas and will put in a cotton crop on the Bird farm.

Wade and Mary Fox and Alyne Lanier attended commencement exercises of the high school in Knox City the first of the week.

WASHINGTON NEWSLETTER (By Congressman Ed Gossett)

Washington, D. C., May 5, 1949—The press has carried full reports of the House debate during this week on the various proposals to repeal or amend the Taft-Hartley Act. We have said so much on this subject that I will not make further comment at this time. Suffice it to say this week's fight wound up in a dog-fall, so to speak, with the recommittal of the whole matter back to the House Committee on Education and Labor. Efforts are now being made to compromise the various issues.

On Monday of this week, at the behest of Congressman Emanuel Celler of New York, chairman of the House Judiciary Committee, the President called to the White House all of us Democratic members of such Committee.

His object was to sell us on his proposal to bring in 400,000 so-called DPs from the DP camps of Europe. He was partially successful, since the Judiciary Committee this morning reported out a bill to bring in 339,000 of such individuals. There were nine of us in the Committee who voted against the bill. This whole plan has been promoted and sponsored primarily by the Zionist organizations of America. They have succeeded in getting a great many churchmen and organizations to join in these demands to bring these people to our shores. I shall oppose this bill as effectively as possible. However, proponents of this dangerous and unfair legislation have tremendous organization, money and propaganda behind them.

The volume of resolutions, petitions, memorandums, pamphlets, books, magazines, and other data coming to a Congressman's desk each day, is tremendous. If one were a fast reader and could put in 24 hours of each day simply reading this material, he would have time only to sketch it. The data and the statistics contained in a day's mail is usually more than one could digest in a week. All of us try to keep up with information essential to the doing of a good job. However, sorting the most important material from the least important material is a heavy task. Among the personal letters I get each day, are often as many as a dozen, enclosing articles and editorials for me to read, and asking my opinion concerning them. These personal letters, of course, get priority and must have prompt attention and reply. They are always welcome and appreciated.

In the morning, I will go with a number of Texas Congressmen to Waco. We are flying down in a C-54 to attend a big agricultural meeting to be addressed by

Mr. Brannan, the Secretary of Agriculture. On Saturday, we will fly out to Lubbock for a Jefferson-Jackson Day barbecue at which many thousands of persons of that area are expected to attend. After the Lubbock affair, I am going down to spend Saturday night and a few hours of Sunday morning (Mother's Day) with my father and mother who live on a farm 40 miles south of Lubbock and 11 miles west of Post. We will fly back to Washington Sunday afternoon.

Coming to my desk this morning, is a copy of a letter written by the Justice Department to Representative Emanuel Celler, chairman of the Judiciary Committee of the House. The various departments of the government are always asked for their opinions on proposed bills. While Committees of Congress do not always follow the recommendations of the Executive Departments and Agencies, they are sometimes influenced thereby. In the letter just mentioned, the Department of Justice expresses disapproval of H. R. 1153, a bill to amend the National Motor Vehicle Theft Act, on the ground that such proposed law would invade the States' jurisdiction over a particular class of crimes. The point is this: The Department of Justice recognizes State sovereignty in this matter. It expresses a policy which should reassure those who believe in States' rights, i. e., a policy that the Federal Government should not interfere in a matter of State responsibility.

HISTORY

Confederate Memorial Day — April 26; Memorial Day as a day upon which friends visit the cemeteries to lay flowers upon the graves of the departed loved ones originated in the South. It was instituted by a group of Southern women under the leadership of Mrs. Sue Landon Vaughn, a descendant of John Adams, the second president of the United States. The graves of the Confederate dead are decorated on this day in Alabama, Florida and Georgia. In North Carolina, South Carolina and Tennessee the day is May 10. In Virginia, Memorial Day is observed on May 30 and in Louisiana on June 3. Memorial Day began in the South by the ladies of the Confederate Memorial Association, was made an exclusively Southern action by the legislatures of seven Southern states. In Manchester, Virginia, the graves of the Confederate dead are decorated on June 6 and in Petersburg on June 9. The observation of Memorial Day in the North began, according to the people of St. Petersburg, when General John A. Logan observed the women of the Confederate Memorial Association strewing flowers on Confederate graves in Blandford cemetery on June 9. As General Logan was commander-

Two Minute Sermon

(By Thomas Hastwell)

Starting Where Dad and Mother Started: A couple of friends of mine were married the other day. Neither one of them was possessed of much of this world's goods. The few dollars they had saved up were spent in marriage preparations and in setting up the new home. It was a comfortable home but lacked most of the conveniences to which both were accustomed when they lived with their parents. The salary of the young husband was small and required the most careful management. Notwithstanding these things which many young people consider a hardship these days and even as a thing of which to be ashamed, the young couple are extremely happy. The fact that they have to do without many things does not disturb them. They do not fret about it or become unhappy over it. In fact the absence of material things in the home seems to enhance and magnify their own good qualities and graces each to the other. Instead of being diverted from the job of building a home their thought and attention and concern is all the more centered on it. They are not worrying about the material things they do not have and may have to wait quite a while to possess. Rather they are making the most of the things they do have, the fellowship and companionship and love. To me it represents an ideal marriage. Both are willing to start at the bottom and build a home and a competence together. This is as it should be. Instead of trying to start where dad and mother are today, they are willing to start where dad and mother started. It is a good and fundamentally wholesome way to begin to build a home.

in-chief of the Grand Army of the Republic he issued an order to all army posts in the North to decorate the graves of the Union dead on May 30, 1868, calling the day Decoration Day. A good many years later the name was changed to Memorial Day to conform to the name of the Southern Memorial Association. For a great many years the observance of Decoration Day in the North always included an oratorical glorification of the victory of the Northern armies. In the course of time this feature disappeared from Decoration Day services and they took on the form of the more acceptable and more suitable Memorial Day services we use today.

BABIES

Babies supervised by physicians are better babies. Your baby needs many things for successful growth and development. Wholesome food, warm clothing, love, kindness, and a mother's guiding hand. All this, and more is needed.

No one understands this better than your physician who has made an intensive and specialized study of the nutritional, emotional and physical needs of children. His extensive medical experience has shown the value of vaccination against such contagious diseases as whooping cough and diphtheria and the value of frequently changing your baby's formula to meet the new and increased demands of rapid growth.

From the standpoint of health, the first year is the most important year of your life. Consequently, periodic examinations are essential to determine if physical and mental development is normal and satisfactory. Because of such priceless contributions as these, the physician has assumed his respected position in the community.

TRADITIONAL SENIOR DAY ACTIVITIES DRAW TO CLOSE FOR 32 BOYS AND GIRLS

Festivities of the traditional Senior Days are drawing to a close for the 32 seniors. Activities really began at the Junior-Senior Banquet with its southern plantation theme. We want the juniors to know what a wonderful time we had at the banquet. We appreciate the hard work of the Junior mothers, Mesdames Veatrice Brock, C. S. Bartley, Dave Rhodes, and M. A. Wilkins. On Sunday, May 22, we will attend the Baccalaureate services at the Methodist Church. Monday, May 23, we leave for our senior trip. Our itinerary will be through Wichita Falls, Fort Worth, Houston to Galveston. After spending three days in Galveston, we plan to return home Thursday for our graduation. Friday night, May 27, we have everything ready and our reservations are made. All we are waiting for is the 23rd.

TRIP TO DALLAS DEPLETES F. H. A. BILLFOLDS

Thursday, May 5, two groups of FHA girls left Crowell, Dallas bound. One group jumped the gun and left at lunch. They were Neva Lou Potts, Tommie Meason, Maurine Youree, Barbara White and Mrs. Potts in the Potts' Jeep Station Wagon. The group which left Crowell at five twenty Thursday afternoon traveled in Kenner's car with Mr. Doyle Kenner driving; other passengers were Mrs. Kenner, Bertha Johnson, Pat Owens, Eva Rae Geaslin and Clara Jones. The groups were re-united next morning at breakfast in the Loma Alta Hotel. The second group got in so late, eleven at night, that the others had all ready gone to bed. The first morning, Friday, was spent at the auditorium on the State Fair Grounds in a meeting. The favorite number on the program was a speech by Senior de la Rosa, one of the twelve Mexican culture ambassadors who are

located in the chief American cities to spread good-will between the United States and Mexico. Senior de la Rosa has his headquarters in St. Louis, but he came to Texas especially to speak to the FHA meeting. Senior de la Rosa said that the United States has misconceptions about Mexico, and vice-versa. For instance, in our movies the Mexican is always a mustachioed, gun and knife-carrying villain. In Mexican movies, the United States citizen is portrayed as a gangster who wears a felt hat pulled low over his eyes and carries a machine gun in a violin case. Two hours were given for lunch but most of the girls returned to the Fair grounds at one. Clara and Pat explored the Dallas Historical Society Building where they saw many interesting relics. The other girls went on to explore the Midway.

After a short business session the Crowell delegation went down to the business section of Dallas to do some shopping. Naturally a tour through Neiman-Marcus was made. Only small purchases were made in Neiman's, but the girls enjoyed looking at \$800 crystal bowls and a \$1,300 feather-stuffed divan. In the tea room Eva Rae ate some delicious "worn out" sandwiches. She asked Mrs. Kenner what "petite" meant, and Mrs. Kenner thought she said "fatigue."

The four delegates—Barbara White, Neva Lou Potts, Eva Rae Geaslin and Clara Jones—attended a banquet Friday night in the Crystal ball room of the Baker Hotel. Mrs. Perkins made an interesting speech. Friday morning the House of Delegates met in the Crystal Ballroom. The constitution was revised, and the new officers were installed.

With tears in their sleep-wracked eyes, a lump in their throats, and sadly depleted billfolds, the FHA girls bade adios to grand old Dallas, Big D, the land of Neiman-Marcus at lunch on Saturday. The convention hounds arrived at Crowell in plenty of time for their Saturday night dates. The first thing the girls said when

asked about their trip was, "I hope we go to the Fair next year."

WILDCAT PURRS

The weaker sex of CHS would be a lot happier if some of their supermen would refrain from showing their fond affection by knocking the poor darlings across the hall when they meet. (pd. adv.)

In one of her usual mild (?) tempers, Peggy Evans put her hand in some hot water in case you wonder about the bandage.

What is Billy Halencak's strange influence over pretty women? In this case the pretty girl is Lavonne Owens.

Paul, Emilie, Evelyn and Charlie seemed to be having a good time over the week-end.

Has anyone noticed Peggy Eavenson and Jack Henderson in typing class?

Jean and Billy seemed to have spent their date in the cellar the other night.

Double dating over the week-end were Jesse, Mary Ruth and Travis and Maggie.

Billy Caddell is a handsome looking gent of CHS, girls.

Has anyone else tried chewing "Beech-Nut" chewing tobacco besides Peggy and Betty?

Rouse and Myra were seen over the week-end.

Mary Bergt seems to talk a lot about "Pushay" and "Bubba."

We wonder if this case between Mary Bergt and Bobby Railsback will last much longer?

Mary Matus still thinks this Melvin Matl of Seymour is her dream man.

Dorothy Wilson's heart still beats for the one and only, Vernon McCurley.

What boys were out on the Margaret highway besides Jon Coffey, Presley Thomson, Ham Tamplen and Kenneth Ownbey. What are your knees so skinned about, boys?

Mary Alice and "Kildee" were seen around lately.

Harold Thomson and Peggy Pittillo are a familiar twosome.

J. P., James and F. L. were seen escorting Joline, Doris and Maurine, Sunday night.

A cute couple seen Sunday night were Billy Earl and Faye.

Where was a certain Jean Gamble the other night at 9:30?

Peggy, Joline and Betty Lou were seen taking the rodeo in last Friday night.

Seen taking the Santa Rosa were Rondyn, Vernon, Frankie and Walter.

GLAD TO HEAR—Kenneth Ownbey was here for the best part of a week.

That "Pushay" got up enough courage to ask a girl for a date.

The Homemaking girls had a good time in Dallas.

WE WONDER—Who will capture that cute Bertha Holliday's heart?

If James McBeath and Rose Mary Moss enjoyed the Christian Revival?

If everybody had a good time at the rodeo Saturday night? We hear that "Hickey" Brown and his friend, Lad, did.

If Essie Franklin will ever get over her blue spell? (Hasn't everybody noticed her since Charlie Matus quit school?)

Who Norma Jean Mathews' next boyfriend will be?

If "Booger Red" has quit all girls lately?

Who "Kildee" was looking for Saturday night?

Who is James Pyle is that Patsy Carroll has been talking

about? For more juicy scandal, drop the little notes in Locker 29. 'Til next week, at this same time, I remain—The Cat's Tail. P. S.—Have you heard of the Bandaged Hand Club? Jon Sanders is president. J. P. Bartley and Peggy Evans are prominent members.

WILDCATS WIN TWO DURING WEEK

Clifford Ohr again turned in a masterful 2-hit pitching job as he and his teammates jumped on Bulldog pitchers for 10 hits. He also hit a homerun in the 3rd with two men on to help his own cause. Howie, J. P. Bartley, Wildcat first baseman, took hitting honors for the day with 2 hits in four official times at the plate. The Bulldogs started fast as they combined a hit batter and a single along with a ground out. However, Ohr struck out the next two men. After failing to score in the first inning, the Wildcats counted for 5 runs in the second and coasted the rest of the way to win with ease. This was Ohr's sixth victory of the season.

Again Clifford Ohr turned in a one-hitter, this being his second shutout of the week. As the Wildcats won 7-0, his mates got only 7 hits, but Olney errors. This kept Olney's starting pitcher in the hole all the time. Ohr had a no-hitter for 6 innings, but an Olney batsman banged out a single into centerfield for the only hit of the game off Ohr. Again J. P. Bartley led the hitters for the game and at the present time is leading the Crowell's hitters with a terrific .412. Others running closely with top average are Jon Coffey, F. L. Ballard and Floyd Borchardt.

LAFF REVUE TO BE PRESENTED

The Crowell High School Speech Class presents "The Laff Revue" Thursday, May 19th, at the High School Auditorium. The Revue will begin at 8 o'clock and promises to be a hilarious entertainment. Don Wilkins will be master of ceremonies and E. W. Kidd is comedian. Two one-act plays will be presented with vaudeville songs and jokes as between-act fillers.

Plan to attend this program, Thursday, May 19.

HOLIDAY COMES TO C. H. S.

By using our usual cosmopol-

itan approach (hey, you come here) we obtained an interview with the attractive new brunette freshman. She's from Abilene where she attended South Junior High. This new student likes C. H. S. because it is so friendly. She thinks the students are tops. The only difficulty this vivacious girl has had in getting adjusted at CHS is the difference in the subjects offered.

Here is a list of things designated as "my favorites" by the girl of the week. Favorites: beverage, Coke; food, squash; song, Forever and Ever; actor, Burl Ives; singers, Bing Crosby and Al Jolson; color, blue; pastimes, tennis and roller skating; career, nursing; boy, Roland Kendrick, the seventeen-year-old "boy next door" who recently joined the Marines. Oh, yes, the name is Bertha Holliday.

GRAMMAR SCHOOL ASSEMBLY REVUE

Music, tumbling and readings created the theme of the Assembly Revue that was given last Friday night, May 6, in the High School auditorium. This review was sponsored by Mrs. Moody Bursey and presented by the second through the sixth grades. The purpose of this program was to help frame the pictures that were presented to the Crowell schools from proceeds of the Art Exhibit held by the Adelpian Club.

First on the program, the Three Daniels boys and played their string instruments.

Second, the second grade boys and girls presented "The Old Woman in the Shoe."

Third, the sixth grade boys sang "Lavendar Blue."

Next, the "Wedding of the Flowers" was given by the two third grades.

Fifth, two of the third grade girls entertained with a tumbling act.

Then the sixth grade gave a choric reading, "The Sleeping Beauty."

Betty Sue Bartley and Betty Jean Anderson presented a dialogue, "It's Fun to Drive."

Charles Gafford, Gordon Graves and Jerry Knox entertained with chalk talks.

Last on the program led up to the climax when Mrs. Hubert Brown, president of the Adelpian Club, presented the different class pictures.

The Assembly Revue was attended by a full house with ticket sales amounting to \$85. This will be used to frame the pictures.

Weekly Sermon
 Consider Your Ways
 by Thomas Matherton, Moody Bible Institute, Chicago
 Maybe you've heard someone else say it, or you've said it yourself, "Life just seems to be a merry-go-round." You work hard, you're not extravagant, you go nowhere at night, you seldom travel, yet you save no money. You're not satisfied with things as they are, yet try as hard as you may it seems you can't change anything for the better. Living just is one monotonous grind.
 Time and time again you think of why everything seems to be wrong, but you can't put your finger on the exact reason. Instead of figuring it out for yourself, which you can't seem to do anyhow, take a few moments and turn to the book of Haggai. There in the first chapter, verses 5b and 6 we read, "Consider your ways. Ye have sown much, and bring in little; ye eat, but ye are not enough; ye drink, but ye are not filled with drink; ye clothe you, but there is none warm; and he that earneth wages earneth wages to put it into a bag with holes."
 The Israelites who had returned to their native land after seventy years of captivity were busy with their own affairs and were neglecting the rebuilding of the temple. Their thoughts were of self and not God; a thing displeasing in His sight. Because of neglect of placing Him first, nothing prospered.
 "Take no thought, saying, what shall we eat? or, what shall we drink? or, wherewithal shall we be clothed? . . . your heavenly Father knoweth that ye have need of all these things. But seek ye first the kingdom of God, and all these things shall be added unto you" (Matthew 6:31-33).
 If you can't seem to get anywhere, perhaps it's because you are serving self instead of the Saviour. Concentrate on pleasing Him, and in all He will satisfy you.
 Everyone, regardless of politics, will learn of Senator Arthur Vandenberg's intention to withdraw from public life at the close of his present term.

Two Columbian Club Distinctive Meetings Held Recently

The Columbian Club members have enjoyed two unusual meetings recently. Mrs. Jeff Hardin was hostess to the club on April 27. The scheduled program was combined with that of April 13 and Mrs. Hardin entertained the members and several additional guests with a beautiful picture at 2 o'clock.

A short business session was held at which the Junior sponsor, Mrs. Charlie Wishon, reported on the progress of the Sub-Junior Club. She reported 16 members and much interest.

The picture, "The Sun Comes Up" was a lovely Technicolor pro-

duction. It was beautiful, it was clean and the story and characters were interesting. The club thanks Mr. and Mrs. Hardin for their generosity in providing such splendid entertainment for the club.

Special guests for the afternoon were Mrs. Beard of Vernon, Mrs. Richard Hunt, Mrs. Alyene Graham, Mrs. Frank Moore and Mrs. S. B. Hord.

The mothers of the town and community were entertained on May 4th at the Christian Church. The first part of the program was rendered by the Sub-Junior Columbian and was as follows: piano solo, "Meditation" by Frances Kincaid; reading, "Adolescence" by Barbara White and a piano solo "Lullaby to Mother" by Betty Guthrie.

The second part of the program

was an able address by Vernon M. Newland, pastor of the Christian Church on the subject of motherhood. His theme, his illustrations and his quotations were enjoyed by all present.

Beautiful corsages were presented to the oldest and the youngest mother present. Punch was served by the Sub-Junior girls during a delightful social hour. Tommie Meason presided at the crystal punch bowl.

Entertaining the mothers on Mother's Day has long been a custom of the Columbian Club and is an occasion they enjoy very much.

Shower Held at W. A. Dunn Home to Honor Mrs. Ray Burrow

Mrs. W. A. Dunn complimented Mrs. Ray Burrow, who before marriage in Odessa on May 6, was Miss Dorothy Wharton, daughter of Mr. and Mrs. Oren Wharton of Odessa and granddaughter of Mr. and Mrs. J. H. Taylor of Margaret, at a bridal shower in her home on Monday afternoon.

Punch and cookies were served by the hostess to about thirty guests. Mrs. Jim Owens presided at the punch bowl and Mrs. Arthur Bell registered the guests in the bride's book.

The honoree received many lovely and useful gifts. Her husband is the son of Mr. and Mrs. Ted Burrow of Lubbock and was reared in Crowell.

B. & P. W. CLUB

Miss Cora Carter was elected to serve as president of the Business and Professional Women's Club for the 1949-50 term during the meeting held last Thursday evening at the home of Mrs. Inez Spencer. The meeting was held with the outgoing president, Mrs. Ella Rucker, in charge.

Other members chosen to serve on the official staff for the new year were Mrs. Dove Carlie, vice president; Mrs. Thelma Hunt, treasurer; Mrs. Inez Spencer, recording secretary, and Mrs. Lillie Welch, corresponding secretary.

Also during the business session plans were discussed for the inter-city tea which will be given at the Adelpian Club House on Sunday afternoon, May 22. Guest speaker for the occasion will be Mrs. Charley Ward of Houston, who is president of the Texas Federation of Business and Professional Women's Clubs.

Miss Viola Hall and Mrs. Marjorie Magee were elected to club membership.

Presenting a very interesting program, Mrs. Lillie Welch discussed projects for the coming year, after which Mrs. Alyene Graham showed colored slides of scenes in and around Crowell. There were fifteen members present.

FOARD CITY W. S. C. S.

The Foard City Woman's Society of Christian Service met at the church on Monday, May 9, with Mrs. Allison Denton bringing an inspiring devotional on "What a Friend We Have in Jesus."

Mrs. Virgil Johnson gave a talk on the convention of the World's Federation of Methodist Women. She said that the sun never goes down on Methodism for when it is night here, the sun is shining on other countries where our missionaries are at work. Our missionaries are very sensitive to the needs of the people. Their job is to know God and to make Him known to others.

"The world at our door or working together to build a Christian world," was presented by Mrs. J. M. Barker. The scripture reading and also a prayer was read by Mrs. Laura Johnson.

Nine members and two visitors, Mrs. Delmar McBeath and Mrs. J. L. Manning, were present.

SUB-JUNIOR COLUMBIAN

The Sub-Junior Columbian Club met on April 20 in the home of Barbara White. After a short business meeting, the leader, Frances Kincaid, conducted an interesting Texas Day program.

The club sang "Deep in the Heart of Texas" with Betty Guthrie playing piano accompaniment. "San Jacinto and the San Jacinto Monument" was discussed by Jean Gamble. Jean Whitby discussed "The Alamo." The program was closed with the leader's interesting talk on "Sam Houston."

The hostesses, Barbara White and Betty Guthrie, served dainty refreshments to thirteen members and Mrs. M. N. Kenner and Mrs. Charlie Wishon.

SUB-JUNIOR ADELPHIAN

Rondyn Self was hostess to the members of the Sub-Junior Adelpian Club on Wednesday, May 4. Mrs. T. B. Masterson led the members in an interesting discussion. Plans were made for a barbecue to be held on May 13 at

"Untamed Breed" Coming to Rialto

"The Untamed Breed," Columbia's Cinecolor action spectacle co-starring Sonny Tufts, Barbara Britton and George "Gabby" Hayes, is coming to the Rialto on Wednesday and Thursday, May 18 and 19. Edgar Buchanan and William Bishop handle the top featured assignments.

The movie, based on the great Saturday Evening Post adventure yarn by Eli Colter, is reported to be crammed with surging action, robust humor and tender romance. Some of the most amazing outdoor sequences ever filmed are said to take place in "The Untamed Breed." These include a mad bull pitted against a wild outlaw stallion in a battle to the death; a cowboy matching his strength and cunning against the fury of four-footed giants; and the more conventional, although nonetheless furious action, of man against man in raw-knuckled combat.

USDA RESEARCH DEVELOPS CHIGGER-PROOF CLOTHING

Chigger proof clothing that will stay that way for the life of the garment is a definite possibility as the result of U. S. department of agriculture research that has continued since the end of the war. Two organic compounds which can be used to impregnate cloth from which garments are made have remained deadly to chiggers after seven launderings. This would ordinarily cover most of the life of working clothes, hunting and outing garments and military uniforms for which chigger protection is most needed. The most promising compounds are listed as phenyl carbonate and x, x'-dichlorodiphenyl ether.

Pearl Harbor was the signal for intensive research in chigger protection. The army had to prepare for the Pacific campaign. Army doctors knew that one of the perils of the South Pacific was a disease known as scrub typhus which results from the bite of an in-

the Masterson Ranch.

Dainty refreshments were served to eighteen members and the two sponsors, Mrs. Masterson and Mrs. Merl Kincaid. Rondyn was assisted in serving by Bobbie Ruth Abston and Mary Alice Rader.

The last meeting of the year will be held on May 18, with Dorothy Thompson as hostess.

WARNING

To The Citizens of Crowell

It has been reported to us that some individual has been visiting numerous cities, calling at homes asking that he be permitted to go through the house and make a sketch of the floor plan.

He states that the purpose is to enter the home in a contest by some well-known national magazine.

He also states that he represents Wm. Cameron & Co., and that prizes for the best homes are to be given by Wm. Cameron & Co.

This is to warn the citizens of Crowell, and all other towns, that this person does not represent this company; that we are not participating in or conducting any contest; that we are offering no prizes of any kind.

If this man comes to your home presenting this proposition, and representing himself as an agent of Wm. Cameron & Co., or if you know he is operating in your town, get in touch with your local police and the Wm. Cameron store immediately.

fecting mite that is a close relative of the American chigger. Research got under way immediately at the Orlando, Fla., laboratory of the bureau of entomology and plant quarantine. By early 1944 Raymond C. Bushland, as an officer in the sanitary corps of the army, carried his findings in Orlando to New Guinea. There he showed soldiers how to make their uniforms chigger proof by dipping them in a 5 per cent emulsion of dimethyl phthalate and hanging them to dry. This would protect a soldier from the mites for a month—or until the uniforms were laundered.
