Crowell Wildcats Win Football Game From Munday Moguls Friday Night by Score of 27 to 0 in Local Stadium

The Crowell High School Football Team turned on a running back last Friday night that proved to be the Munday Moguls to the score of 27 to 0. The Wildcats started early when the Munday Moguls under-estimated the strength of Crowell's line and made two yards instead of kicking the ball on the fourth down. Crowell took over on Munday's fourteen yard line and scored three plays. Captain Rouse Grady carried the last yard for pay dirt. Billy Earl made a perfect kick to make the score 7 to 0 for Crowell in the first quarter. Lynch made a beautiful eleven

yard run in the second quarter to give the Wildcats their second touchdown. Lynch again kicked the extra point to make the score 14 to 0 at half time.

James (Fresh) Weathers scampered thirty-five yards in the third quarter to set up Crowell's third touchdown. Todd picked up the remaining seven yards on a play that was featured by the blocking of Crowell's line. Lynch failed on the extra point try to leave the score 20 to 0 at the end of the third quarter.

Crowell nearly scored early in the fourth quarter when the Moguls held on their own one-yard line. Munday came back to drive seventy-five yards and registered five first downs, but failed to score. Late in the game Lynch intercepted a Mogul pass on Munday's fifteen yard line and ran the ball back for a score. Lynch made his third extra point kick good to make the final score 27 to 0.

Crowell scored fourteen first downs to Munday's six; Crowell made 222 yards rushing to Munday's 112; Munday picked up 39 yards passing to Crowell's 0; Munday completed three passes out of fifteen while Crowell completed none out of three attempts. Crowell intercepted one pass that resulted in a touchdown. Munday did not intercept a Crowell pass.

Crowell's entire line looked good on the defense, but Hack Norman, left tackle, and Captain James Bice, left guard, played outstanding ball. The ball-handling off of the "T" formation by quarterback F. L. Ballard was the feature of Crowell's backfield play. The line-plunging of Scottie Ponder and the defensive play of center Joe Stevens looked the best for Munday. The Wildcats did not look so good on blocking on the pass plays and the down-field blocking was only fair.

The Wildcats journey to Paducah this Friday night to take on another one of their old rivals, The Dragons are one of the strong teams of District 6A and the Wildcats will need lots of support from the Crowell fans to win this one. The Crowell boys don't only need your moral support, but inasmuch as Crowell receives one-half of the gate receipts, you have two good reasons to journey to Paducah tomorrow night and see another good football game.

Soil Conservation News of District

Lower Pease River Soil Conservation District, Lower Pease River District Board: W. C. Howard, Grady Halbert, O. T. Edman, O. H. Brandon, H. L. Ayers.

With the rains that fell last week, conditions are very favorable for planting winter cover crops. These crops should be planted as early as possible in order to get as much growth as possible before cold weather. In most areas there is plenty of moisture now to get these crops up. Some district cooperators have already used their vetch and rye, and are planning to plant this week.

Adopted crops are: Hairy vetch, winter peas, Dixie winter peas and Madrid clover. The common method of planting these crops is to mix them with the kind of grain such as rye, sorghum or barley. The most common mixture is 10 pounds of vetch or peas and 20 pounds of grain. All legume seed should be inoculated for best results.

Winter cover crops are a great benefit to the soil in that they add nitrogen and organic matter to prevent blowing. With controlled wheat acreage for another year, there is a good place for these crops in the rotation on the farm. They can be used for winter grazing and a cash crop desired.

The board of supervisors want to encourage all cooperators to plant as soon as possible.

Two 1950 Agricultural Conservation Program Practices Announced Monday

There are two practices which should be started soon to be eligible for payment under the 1950 Agricultural Conservation Program. It has been announced by Dwight Campbell.

Mr. Campbell further adds that one of the practices, that of seeding winter legumes such as Hairy Vetch and Austrian Winter Peas, has been used to an advantage in this county in previous years. The other practice approved for Foard

County has not been carried out for payment before this year. This is the practice of turning under or leaving on the land a satisfactory stand and growth of rye seeded in the fall of 1949. The payment rate for carrying out this practice will be \$1.50 per acre.

The payment rate for winter legumes is made by the pound of legumes seeded. For Austrian Winter peas the ACP payment is \$5.80 per hundred pounds, and for Hairy Vetch the payment is \$15.40 per hundred pounds.

According to Mr. Campbell, any person desiring to carry out any of the above mentioned practices must notify the County ACP office and request prior approval of the County Committee before putting the seed in the ground.

Polio Foundation in Urgent Need of Donations

C. R. Seale, chairman of the Foard County Infantile Paralysis Chapter, has been notified that the National Foundation is urgently in need of funds to combat the dread disease.

In a release from the Foundation headquarters, it was pointed out that the number of cases requiring foundation aid, have almost doubled in 1949 the figure of 1948.

The local chairman is calling on all persons who feel they can afford a donation for this very worthy cause to mail or give it to Charles Davis, treasurer of the Foard County Chapter, or "Polio Fund," Crowell.

This is an emergency and is in addition to the "March of Dimes Campaign" which is held in January. All the funds collected at this time will be forwarded to the National Foundation to care for hundreds of counties that are in dire need of funds.

"It is expected that if the epidemic maintains its current pace," said Mr. Seale, "by October 1, National funds will be nearly depleted." More than twice as much money has already been expended by the headquarters this year than for the same period last year.

Carl Wishon Sells Grocery Store to H. G. (Bill) McClain

Mr. McClain is an experienced groceryman, having been associated with this type of business since 1937. Until selling out to his partner two years ago, he operated a drive-in grocery store on West Wilbarger Street in Vernon. Mr. McClain's family consists of his wife and two daughters and they will move to Crowell to make their home as soon as suitable living quarters can be obtained.

"The Stratton Story" Coming to Rialto

The gallant story of one of the most courageous figures in the world of sport will be unfolded Sunday and Monday, Sept. 18 and 19, on the Rialto screen in "The Stratton Story." MGM's new film based on the spectacular and dramatic career of Monty Stratton, who came from the sandlots of Texas to win fame as a pitching star with the Chicago White Sox.

While backgrounded with the thrills of big league ball park scenes, the sports angle of the narrative is subservient to the true-to-life story of Monty Stratton, who after two seasons that put him on the verge of all-time greatness, suffered a hunting accident that caused the amputation of his right leg. How he came back, eight years later, to resume a pitching career in the game he loved and to be named the "Most Courageous Athlete of the Year" in 1946, makes for a story that will leave few onlookers untouched.

Revival Meeting to Begin Sunday Night Under Tent

The big tent meeting, with Evangelist B. B. Crimm and party leading, will begin in Crowell Sunday night at 8:30. The people of all faiths are asked to participate in these meetings.

Rev. Crimm said, "I don't know much about anything except what I read in the Bible, but I believe I have a sure prescription for an old fashioned revival of heaven-born religion. I have tried it out for 37 years under every conceivable condition, and am sure it works."

"First, let a group of twice-born souls examine themselves and get thoroughly right with God. This is fundamental and essential."

"Second, let them bind themselves together in prayer to pray for a revival till God opens heaven and comes down."

"Third, let them put themselves at the disposal of God for Him to use as He sees fit in winning others to Christ."

This party has just closed a great meeting at Vernon where many people found their way back into the fellowship of the Lord. The service will begin 30 minutes later on Sunday night, giving churches time to have a brief service and get to the tent. Week-night meetings will begin at 8 o'clock.

WELCOME, FISH!
School days. School days. Happy golden rule days! What better proof do we have of this fact than the warm Indian summer days at old CHS than the sight of a timid little Freshman jumping in the nearest doorway when they see one of the upper classmen walking down the halls.

Hello to all old friends, sophomores, juniors and seniors. To you new people—Hi! We're glad to meet you.
We may not know you now, but we hope to within a few weeks. Right now we are busy getting adjusted to our new schedules while you new students are having your hands full remembering what seems to be a hundred and one new rules. Those rules are often little things, but they are important in making our school a smooth running organization. Don't be afraid to ask an upperclassman a question about the rules. He will be glad to help you, and it is a good way to get acquainted.

Some of you Fish may have objected to the hazing you have received. Hazing can be good or bad, whichever you make it. The seniors aren't going to make it hard on you if you are a good sport and do what they say. Besides the other Freshmen see that you aren't being a good sport and they will remember it in the future years at CHS. Hazing is one way of becoming acquainted with your fellow sufferers; they'll like you better if you grin and bear it with them.

We hope we have not sounded too preachy, but we upper classmen want you to have four fun-filled years at CHS as enjoyable as our own years have been.
Start out your freshman year with a smile and "hi" for everyone, and if you keep it up right on through your Senior year, you will always have fond memories of dear old CHS.

SKETCHES OF NEW TEACHERS AT CHS

There are five new teachers in CHS this year, and one new teacher in grammar school. We thought you would like to read something about these new teachers, therefore, we took the opportunity to miss as much of English as possible to interview them.
The first teacher we interviewed was our librarian, Mrs. Sarah Taylor. The boys have been heard

wishing she didn't have "Mrs." in front of her name. Mrs. Taylor asked us into her inner sanctum, the library, and began to answer our questions. She grew up in Dublin, Texas. Later Mrs. Taylor attended North Texas State College where she majored in library science and received her BS degree. Before Mrs. Taylor came to CHS, she was librarian at Port Neches High School.

Her favorite pastime is suitable for a librarian, it is reading. Football is listed as her favorite sport. Mrs. Taylor said that she thought the students were friendly and well-mannered from what she had seen of them. (Just give us time, Mrs. Taylor.)

Sister to Mrs. Taylor is our speech teacher, Beulah Grace Turney. Following in her sister's footsteps, Miss Turney grew up in Dublin. She also attended NTSC where she received a BA degree. As would be expected, Miss Turney majored in speech at college.

She lists Eugene O'Neill as her favorite author and rates Mexican food as "good eating." For active sports, her favorites are horseback riding and swimming, with football the favorite spectator sport. Her pet aversion can be told in one word—cats.

Mrs. Lola C. Black comes to CHS from Eastland, Texas. She received her BS degree from Sam Houston Teachers' College in 1942 and this past summer, she received her Master's degree at Hardin Simmons University at Abilene. Mrs. Black is teaching Freshman and sophomore English in CHS.

Those Fish and Sophomores who would like to make A's in English may be interested in knowing that Mrs. Black likes reading, talking, the works of Milton, football, basketball, and just plain food. Her pet aversion is unkind people. Mrs. Black said, "I have received a wonderfully good impression of CHS."

Mrs. Martha Thomas is again teaching in the Crowell Grammar School. She taught at Crowell until the past few years when she taught at Riverside. Mrs. Thomas attended Texas Tech and NTSC. It was at North Texas State College that she received a BS degree in elementary education. She is now teaching the fourth grade in Grammar School.

Mrs. Thomas' favorite pastime is horseback riding while her favorite sport is football. Mrs. Thomas' pet peeve is something all her students should know—running in the halls.

Mrs. Jeanne Davis, our dark-haired choral singing teacher, went

to three colleges, Daniel Baker, NTSC and Southwestern Seminary. It was at the latter that she received a BS degree. Her majors in college were speech and music. Mrs. Davis is the pep squad sponsor. Her favorite pastime is singing. She likes to eat anything with whipped cream and read mystery stories, preferably by Earle Stanley Gardner.

The next few paragraphs will be devoted to those two handsome, young, and unattached male members of the CHS faculty whom you girls have been wondering about.

First, we will give you the low-down on Charles Sylvester, one of the Senior sponsors. This is Sylvester's first year of teaching. He teaches chemistry, general math and plane geometry. Sylvester went to Texas Tech from his hometown of Ropesville, Texas. At Tech, he majored in chemistry and last spring received his BA degree. During World War II, he served nineteen months in the U. S. Navy as Pharmacists' Mate, third class.

This blue-eyed, brown haired professor has very definite likes and dislikes. He likes—listening to records, Moss Hart, steaks and football. He dislikes people who don't show up on time. Sylvester also likes CHS.

Thayne Amonett, our tall red-haired coach with twinkling blue eyes coached at Ralls, Texas, before he came to CHS. He received his BS degree at Texas Tech where he majored in physical education. During World War II he served four years and three months in the U. S. Army as a Warrant Officer. Besides his coaching duties, Coach Amonett teaches American History and civics.

Coach listed movies as his favorite pastime and steak as his favorite food. He likes nearly all sports but football tops the list. We students welcome these new teachers to Crowell and we hope their first year here will make them want to come back again.

CROWELL WILDCAT BAND

With a crash of drums and the sounding of many different horns, the Crowell Wildcat Band will be very much in evidence this coming school year. Starting from a small beginning only last year, it seems hardly possible that the boys and girls who emitted such spine-chilling sounds that nearly drove the students and also the teachers out of their minds, could emerge into the efficient, well-organized band it is today, considering it is only one year old.

Since the Wildcat Band began practice on August 15, it has accomplished a great deal. Among these is learning two of John Philip Sousa's marches. They are the "Thunderer" and "High School Cadets." These are very familiar marches, and they are an accomplishment for a second year band.

The band also has new uniforms. They are, of course, the school colors, black and gold. The uniforms are made of black whipcord and trimmed in gold. The cap is black with a gold braided band and a gold gilt lyre. The coat is the Berkeley double breasted style. There is gold soutache braid around the sleeves and edges of the collar. Also there is an inside music pocket in which the student will keep his music. There are two gold stripes down each side of the trousers. These stripes are centered with a black sou-

NEW OFFICERS

CHS students Wednesday suddenly specified class rooms, and sat meditating. The reason for the effort? Class meetings to elect new sponsors, officers, and class mothers all were underway. Starting with the mighty Seniors, let us peek into the meetings and see what capable persons were chosen to serve this year.

The Seniors met in the book-keeping room, and, after thinking it over, chose two efficient sponsors, Henry Black and our new chemistry teacher, Charles Sylvester. Officers were as follows: Montez Laquey, president; Don Wilkins, vice president; Clara Jones, secretary; F. L. Ballard, reporter. Class mothers are Mrs. Veatrice Brock, Mrs. M. A. Wilkins, and Mrs. C. S. Bartley.

Journeying to the auditorium, we see our junior class has chosen a capable as well as attractive sponsor, Mrs. Sarah Taylor. Officers are: Buster Laquey, president; Gordon Bell, vice president; Myra Self, secretary; Betty Barker, reporter.

Sophomores met in the speech room and chose the attractive new speech teacher, Miss Beulah Turney, for their sponsor. Officers are: Robert Brock, president; Don Briscoe, vice president; Maurice Youree, secretary; Elba Caddell, treasurer; Patsy Carroll, reporter.

Last, the freshmen met in the study hall and unanimously elected Marvin Myers as their sponsor. Officers are: that old ex-printer, Don Gobin, president; Rita Gilbert, vice president; Jane Cooper, secretary; Jim Paul Norman, reporter.

Class mothers for the junior, sophomore and freshman classes will be elected at a future meeting.

LIBRARY REMODELED

Is there anyone who has not noticed the latest addition to the study hall? It's that modern library with the new look. New book shelves have been built and painted a bright, cheerful powder blue, and the magazine rack painted to match.

The old cage has been removed from the charging desk. This desk has a new plastic cover, trimmed with chrome. The new book shelves around the study hall enable the students to browse through the books and choose what they want. The books are being arranged ac-

ording to the Dewey Decimal System. Books of the same subject are placed together. You may find the books by author, title, or subject matter by referring to the new card catalogue. Reference and reserve books are kept in shelves behind the charging desk.

Students will be given lessons by our new full-time librarian, Mrs. Sarah Taylor, on how to use the library and the library tools. A junior girl was heard to remark, "The prettiest addition to our library is Mrs. Taylor, who is efficient and courteous, but alack and alas, the Mrs. before her name means business, boys."

HOME MAKING II

Kitchens! Kitchens! Kitchens! The fall term has just begun, as everyone can see. All our second year Homemaking class talks about is kitchens. What goes in a kitchen and how much time may be saved if you are going to cook a lunch for five people. In order to save time, the stove, cabinet, tables and refrigerator must be near each other, so that many steps will be saved for the busy homemaker.

We are also learning what it takes to make a good kitchen and what kind of covering is most suitable for the floor. It may be asphalt tile, rubberized tile or just plain linoleum. Not only big saucepans, skillets, and roasters go in the kitchen but there are many small gadgets to consider such as the can opener, flour sifter, measuring cups, jello mold, egg poacher, cookies cutter, measuring spoon and small funnel. Yes, all of these and more go into a kitchen, and you can find a use for each one.

The homemaking class will make a notebook soon which will contain pictures of the kitchen utensils that I have just told you about. Along with these pictures there will be page after page of stories telling about their use.

The Crowell merchants even let some of the girls bring some of their gadgets to school to help them explain improvements in utensils and gadgets. Each girl will make a special report on one of these.

There are many other classes

but to me, homemaking is a choice. Now you see why we are making II girls say kitchens, kitchens and more kitchens.

NEW STUDENT ENROLLMENT

A new student entered our period Eng. III class last Tuesday, September 8. The boys were blond hair and big brown eyes that would melt any man's heart. The new student has a wonderful personality and always has to visit other students. The fault we find with the student that it kisses all the girls. Your curiosity probably has best of you. It is the cutest blonde Cocker Spaniel that visited our class.

Ginger and Marcia are topping the date list now. Maurine Youree and F. L. Ballard are still topping the steady list.

Just what is the matter with the sophomore boys? Not bashful, are you? Then why not prove it because Elba, Camille, Eva Rae, Neva Lou, Barbara, Jane and "oodles" more of the sophomore girls are waiting.

Sophomore couple of the week is Norma Mathews and Don Briscoe.

I suppose it is all right for senior girls to go with junior boys. At least La Verne Owens and Tommie Meason think so.

Gordon Wood enjoyed entertaining his friends, girls at that, from Temple after the ball game Friday night. John S. was pretty eager to help since there were two of them.

Betty Brock and Myrtle Bartley seemed to be having a good time after the ball game Friday. Could it be because Buster Laquey, Rusty McNeese, Billy Johnson, Joe Williams and Billy Caddell were keeping them company?

Rouse Todd and Myra Don are still seen around. Don Wilkins still enjoys the company of Martha Johnson.

Bobby Lax's heart still beats for Virginia McKown. Say, has everybody seen La Verne Farrar's sparkler on her left hand. Wonder if she could give us some details?

Frankie Mate is quite interested in the JY Ranch. Could it be because Bob Cooper is seen around there?

The eternal triangle of CHS is Bobbie Abston, Kildee Cates and Charles Wishon! Carry on, Jerry.

Jimmy Jones' little heart is broken. Could it be because Mary Alice has something to do with it? Does anybody else wonder why Jerry has been singing "Cotton-Eyed Joe" to Joe Williams?

Henry Black and Mrs. Davis enjoyed interesting letters from Pvt. Ray Gable, Lackland Air Force Base, San Antonio, Texas. We hear that John Potts joined the Air Corps with Ray. Let us hear from you, John.

We wonder how Rondyn, Frankie, Tommie, Mary Alice, Betty Fern and Myrtle enjoyed their trip to Quanah last Monday afternoon? J. P. Bartley and Joline Lanier are still hitting high on the date list.

The girls in the Sub-Junior clubs are gathering together for the "Pow-Wow" of the year, Wednesday, Sept. 14. Put your scandal in Locker 136, please. Be seen' you, The Cat's Tail.

PEP SQUAD HOLDS FIRST MEETING OF SEASON

The pep squad met in the auditorium Wednesday, Sept. 7, at noon, to elect a new cheer leader and to organize for the 1949 football season.

The meeting was off to a good start with the Wildcat Band playing several numbers and the pep squad joining in with "When that Ole CHS Team Falls in Line."

Mrs. Jeanne Davis was elected sponsor. Cheer leaders for this year are Myra Self, Betty Brock, Myrtle Bartley and Betty Barker. Myrtle was elected Wednesday to fill the spot vacated by Virginia Tamplin, who plans to spend part of her time in Vernon with her sister.

The leaders announced that this year's membership cards will be issued to all pep club members attending two out of three meetings a week. The cards will contain the squad rules and suggestions for rooting. Further discussions for organization of the club will be considered later. The pep squad is larger this year than in many seasons past and is ready to back our football team with greater enthusiasm than ever before.

The girls plan to back the squad by being right there on the front bleacher every Friday night.

Bridal Shower to Honor Miss Meason Given at Owens' Home

Miss Jo Ann Meason, bride-elect of J. T. Hughston, was complimented on Thursday afternoon at the home of Mrs. Leo Owens at a lovely miscellaneous bridal shower. Mrs. Owens was assisted in the duties of hostess by Mesdames R. J. Thomas, Roy Fox, Alton Higginbotham, Doris Gentry, and Frank Plesher. Mrs. Owens received the guests and asked them to register in the bride's book. Mrs. Thomas headed the receiving line and introduced Miss Meason; Mrs. Goodloe Meason, her mother; Mrs. Thomas Hughston, mother of the groom-elect and Mrs. T. L. Hughston, his grandmother. Each one wore a corsage of pink rosebuds. Pink rosebuds were used throughout the house in decoration. Asked into the dining room by Mrs. Plesher, the guests were served punch and cookies and mints by Mrs. Higginbotham and Miss Dortha Hampton. The refreshment plate followed the pink and white motif. Mrs. Leon Speer and Miss Sharon Hanev alternated at the piano with incidental music during the reception hours. Mrs. Gentry directed guests into the gift room where the many beautiful gifts to the bride- and groom-elect were displayed. Mrs. Fox entertained in the gift room.

Columbian Club Opens Year's Work with Breakfast

On Wednesday, Sept. 7, the Columbian Club ushered in its 1949-50 year with a delightful breakfast at 9 o'clock in the beautiful new home of Mrs. Percy Ferguson with Mrs. Ferguson, Mrs. S. J. Ferguson and Mrs. C. R. Ferguson as hostesses. Mrs. Crews Cooper served as program leader and introduced Mrs. T. L. Hughston who gave a devotional, using as her theme "Love" and basing her timely re-

marks on the 13th chapter of First Corinthians.

Mrs. Cooper then presented Mrs. B. W. Self, the incoming president of the club, who reminded her club members that this was the beginning of the 41st year of its existence, that the object of its organization was "self improvement" and never at any time had it lost sight of its ideals. Of the original members, there are ten still living. Three of these are still active, seldom missing a meeting.

Mrs. J. S. Ray, chairman of the year book committee, was asked to review the programs planned for this club season. There will be lectures, programs and a number of social events, all in all, a promise that the 41st club year will be the best yet. Mrs. Charlie Thompson and Mrs. T. B. Klepper will be hostesses for the meeting of Sept. 21st. At that time, Miss Eudora Hawkins of the West Texas Utilities Co. will present a lecture with films.

Following the picture show, the young ladies enjoyed refreshments of sandwiches and Cokes. The hostesses presented their honorees with attractive wooden scrap-books as a memento of the occasion. The guest list was comprised of Misses Meason and Barker, Sharon Hanev, Betty Seale, Dortha Hampton, Mrs. Gordon Erwin and the hostesses.

Ex-Residents Are Honored on 33rd Wedding Anniversary

Mr. and Mrs. John A. Starkey of Childress were host and hostess at an informal party on Friday evening, Sept. 9, to honor Mrs. Starkey's parents, Mr. and Mrs. Jim Clifford, former residents of Crowell, who celebrated their 33rd wedding anniversary.

For entertainment, games of bingo were enjoyed. The group was served refreshments from a lace-covered table centered with a bouquet of garden flowers on a mirror reflector, and lighted by candles in autumn colors. Many lovely gifts were presented to the couple.

The Cliffords went to Childress from Foard County in 1925. They were married here in 1916. Both are members of the Methodist Church. Mr. Clifford is a contractor. Mrs. Starkey is their only child. Mr. Clifford is a brother of Mrs. Gordon Cooper of Crowell.

instance in the life of Christ was relayed to the audience with all the depth and intensity of the author.

As the club members and special guests arrived, they were invited into the dining room for punch and mints. The table was covered with a cloth of Italian cutwork. A butterfly theme was carried out in the centerpiece which was a large green, white and gold ceramic butterfly, exquisitely detailed. Fern sprays encircled the butterfly. A smaller replica was placed in a corner of the table. The refreshments were served from crystal and silver appointments.

Following the book review, dinner was served at quartet tables for twenty guests. At each place-card, reposed a ceramic butterfly given as a favor by the hostess. Their beautiful coloring and authenticity brought forth inquiries which revealed that Mrs. Stover had made and painted them herself during a course in ceramics she took at WTSC at Canyon during the past summer.

The out-of-town guests included Mrs. Hagaman and Mrs. F. G. Spann of Clovis, N. M.

The dinner was served by candlelight, white tapers in silver candelabra furnishing the illumination. Frills of pink ribbon were placed at the base of the candle holders.

A two-course dinner was served, after which gifts were exchanged by the bride and groom-elect and each presented their attendants with a gift. A gift, linen place mats and napkins, was given to the honor guests by the host and hostess.

Place cards marked places for Mr. Hughston, Miss Meason, Miss Dortha Hampton of Vernon, Miss Sharon Haney, Bill Klepper, Ray Brown, Dr. and Mrs. Ralph Fleisher of Vernon, Mr. and Mrs. T. F. Miss Jo Ann Meason Becomes Bride of J. T. Hughston in a Ceremony Read at Meason Home Saturday Evening at 7:30

The home of Mr. and Mrs. Goodloe Meason was the setting on Saturday evening for the wedding of their daughter, Miss Jo Ann Meason, to J. T. Hughston, son of Mr. and Mrs. Thomas F. Hughston.

Rev. Aubrey C. Haynes, pastor of the Methodist Church, officiated with the impressive double ring ceremony in the presence of the immediate families of the couple. The marriage vows were exchanged before an ivy-entwined wrought iron archway with pink tinted wedding bells hanging from the top of the archway. Graduated candelabra at each side of the altar held tall white tapers and large baskets of white gladioli and mums flanked the whole arrangement.

Pro-nuptial music was provided by Mrs. Leon Speer, pianist, and Miss Sharon Haney, vocalist, who sang "Till the End of Time" and "Because." Mrs. Speer wore a blue lace and faille ankle-length dress and Miss Haney was attired in a blue taffeta frock and both wore carnation corsages.

Mrs. Speer played "The Flower Song" while Misses Tommie Meason and Jean Hughston, sisters

of the bride and groom, lighted the candles. Miss Hughston wore an aqua blue taffeta frock and Miss Meason wore an orchid dress same fashion with close-fitting bodice, sweetheart neckline and full skirt.

The traditional wedding marches were played by Mrs. Speer. Miss Dortha Hampton of Vernon was maid of honor to the bride. She was dressed in a light blue taffeta frock, with tight bodice and full skirt and her corsage was of white carnations. Bill Klepper served the groom as best man. Strains of "Claire de Lune" were played during the ceremony.

The bride, given in marriage by Mr. Meason, was attractively dressed in a white slipper satin wedding gown, with a round yoke of imported lace with tiny satin-covered buttons down the back of the yoke, with puffed sleeves and a full ballerina length skirt. Her mitts were of the lace of the yoke. Her finger-tip veil of illusion was fastened with a coronet of imported French orange blossoms. She carried an orchid on a white Bible with streamers of

white satin ribbon. She carried out the tradition of wearing something old, new, borrowed and blue and also a sixpence in her shoe. Her only jewelry was a pearl necklace and a gold watch, both gifts of the groom.

She wore an antique cameo attached to a chain which belonged to her maternal grandmother. White organdy mitts and linen opera pumps completed her costume. Her shower bouquet of stephanotis with detachable corsage of vanda orchids was carried on a white Bible.

Attending the bride were Miss Sharon Haney of Crowell, maid of honor, and Miss Betty Seale, also of Crowell, bridesmaid. They wore identical gowns of pastel green organza with berthas and skirts embroidered in white. The skirts were worn over hooped petticoats. They carried colonial bouquets of crown asters in yellow and pink outlined with lace leaves. Coronets of asters of the same shade were worn in their hair.

Charles Raine was his brother's best man. Groomsmen were Louis Schwartz, John Dale Ingram and Bob Cy Tate, cousin of the groom. Candelighters were Charles Willingham of Sabinal and Charles Monkhouse of Hondo, both cousins of the bride.

For her daughter's wedding, Mrs. Monkhouse wore blue crepe with an orchid corsage. The groom's mother wore green satin with orchid corsage.

Following the ceremony, a reception given by Mrs. Byron Pulliam of Uvalde and Mrs. Gordon Bell of Crowell, aunts of the bride, was held at the Uvalde Country Club where baskets of white gladioli and maroon daisies graced the reception rooms.

The bride's table was covered with a white satin damask cloth and the centerpiece was the four-tiered wedding cake which was embossed with white orchids and lilies of the valley. Crystal candelabra with white tapers flanked the centerpiece. The punch table was covered with a white satin damask cloth and the punch bowl stood in a ring of white daisies and fern. Mrs. Bell cut the cake which was served with the punch. Mrs. T. S. Haney of Crowell was among the out-of-town guests, besides Mrs. Bell and Misses Haney and Seale from Crowell.

When the couple left for their wedding trip, Mrs. Raine was wearing a green shantung dress with brown accessories. Upon their return, they went to Austin where the groom will continue his schooling at the University of Texas.

The bride resided in Crowell several years ago and was graduated from Crowell High School. She has attended Baylor University at Waco and Texas Technological College in Lubbock. For the past five months, she has resided in Uvalde. Mr. Raine is a graduate of Uvalde High School and at present he is a pre-med student at the University of Texas. During the war he served two years with the U. S. Navy in the Pacific area.

Prior to her marriage, Miss Monkhouse was complimented with numerous parties, teas, luncheons and showers. While in Uvalde, the Crowell ladies were guests at the affairs honoring the bride elect. The rehearsal supper was given by the parents of the groom and Mr. and Mrs. Cy Tate, his aunt and uncle.

Information concerning the marriage and its attendant functions was furnished The Foard County News by the Uvalde Leader News.

The state of Wyoming has more than 100 producing oil fields in 18 out of its 28 counties.

Marriage of M. W. Wagnon and Miss Ramsey Is Announced

The marriage of M. W. Wagnon, son of Mr. and Mrs. M. W. Wagnon of Crowell and Miss Juanita Ramsey, daughter of Mrs. Frank Ramsey, of Abilene, which occurred in Abilene on June 1, has recently been announced. The marriage has not been announced before this time because the father of the bride was very ill at that time and has passed away.

Mrs. Wagnon wore a white dress with blue accessories for her marriage which took place at the Catholic Rectory in Abilene. The couple visited in the home of his parents here last week.

Mrs. Wagnon is a graduate of Abilene High School and has attended Hardin-Simmons University one year. Mr. Wagnon graduated from Crowell High School and has had three years in Hardin-Simmons. They plan to continue their schooling.

Miss Ruth Barker Named Honoree at Lively Bridal Shower

At the home of Mrs. T. S. Haney on Monday afternoon, Miss Ruth Barker was complimented with a miscellaneous bridal shower with Mrs. C. G. Graves, Mrs. O. W. Davenport, Mrs. J. B. Fairchild, Mrs. J. H. Gillespie, Miss Betty Seale and Miss Sharon Haney as joint hostesses with Mrs. Haney. Miss Barker will become the bride of Howard Bell on Sept. 24.

Miss Haney admitted the guests at the door and introduced them to the honor guest, Mrs. Roy Barker, her mother, and Mrs. M. L. Hughston, aunt of the groom-elect.

Mrs. Fairchild presided at the bride's book. In the dining room, the table reflected the bridal theme in its decoration. Two satin covered rings, replicas of the engagement and the wedding rings, stood before candelabra holding white tapers. The rings had tiny white chrysanthemums to represent the gems in the settings to complete the simulation. Tiny white mums in a maline ruffle surrounded the punch bowl. Mrs. Gillespie presided at the punch bowl and Miss Seale and Mrs. Graves assisted in serving the cookies, nuts and mints. The cookies were also in the form of wedding rings.

Miss Virginia Rose Monkhouse Weds in Uvalde Aug. 29

Miss Virginia Rose Monkhouse, daughter of Mr. and Mrs. Joseph B. Monkhouse, of Italy, Texas, and niece of Mrs. Gordon Bell of this city, and Jon Walton Raine, son of Mr. and Mrs. J. R. Raine of Uvalde, were united in marriage in a double ring ceremony performed Monday evening, August 29, at the First Methodist Church of Uvalde.

Rev. M. M. Fulmer of the First Baptist Church officiated at the ceremony, assisted by Rev. H. Ellis Thomas, pastor of the First Methodist Church.

Miss Ura Odum, organist, rendered the nuptial music and accompanied Mrs. Clyde Tate of Crystal City, aunt of the groom, who sang "All For You" and "Through the Years."

Wrought iron candelabra holding cathedral tapers and floor baskets of white gladioli decorated the church, with palms and fern forming the background. The family pews were marked with white maroon daisies, satin ribbons and candles.

Entering on the arm of her father, who gave her in marriage, the bride wore a dress of white imported organdy, the upper part and berthas of which formed a drop shoulder effect, being em-
