IS HADACOL A MIRACLE FORMULA?

No, there is nothing miraculous or mysterious about HADA-COL. The potent health-giving benefits of HADACOL are based on a proven scientific fact: Lack of sufficient vitamins and minerals in most diets leaves the door WIDE OPEN to diseases and weaknesses of all kinds. HADACOL, the scientifically balanced dietary supplement, helps to CLOSE that door and KEEP it closed.

BOBBY JEAN JUST ONE **OF THOUSANDS!**

Had is not been for HADACOL, the story of Mrs. Prejean's lit-tle boy, as told in her letter above, might have had a tragic ordine. His events are a stragic ending. His system was run down to the danger point. Medicines and treatments didn't help. What he really needed was a supply of "building ma-terials" for his poor little wasted body—and that's what he got from HADACOL. To-day like thousands of others day, like thousands of others, he is healthy again!

WHO SHOULD TAKE HADACOL?

HADACOL is not a medicine. It is a concentrated FOOD formula containing all the im-portant vitamins in the B Complex group as well as these vital minerals: iron, calcium, phosphorus and manganese. you are not getting your full daily quota of these essential dietary components, you may be heading straight into dan-ger—weakness, loss of appetite, and then disease!

Let HADACOL help you stay on the High-way of Health! Only \$1.25 for the regular size -\$3.50 for the
