SURVEY OF 1950 GRADUATES SHOWS THEM IN VARIOUS ACTIVITIES

Out of the 1950 graduating class 18 students are now attending college; others are working at various jobs or have married.

Two students — F. L. Ballard and Laverne Owens — are attending Texas Tech.

On the University of Texas campus you will find Joline Lanier. Joe Ray Setliff is taking a pre-med course at Abilene Christian College. Bobby Jack Stinebaugh is also taking pre-med work at Rice.

Clara Jones is representing CHS at Texas State College for Women in Denton.

Rondyn Self is the only graduate to go out of state for an education. She is taking pre-med work at Ward-Belmont in Nashville, Tenn.

Bobby Hord is studying at Hardin-Simmons and is a member of the Cowboy Band.

Midwestern is privileged to have E. W. Kidd studying pre-law. Following in old footsteps, E. W. is football manager for the B team.

Crowell is well represented at Wichita Falls. Leon McNeese, Betty Harper, Montez Laquey, and Evelyn Kajs are taking business courses at Draughon's Business College.

Vernon Business College has 4 CHSites for students. They are Jenny Wehba, Tommie Meason, Betty Smith and Joyce Hinkle.

Two ex-students who are reported to have sparklers on their left hand are Montez Laquey and Myrtle Bartley.

Others who have turned from education to matters of home are Josephine Halencak, who is now Mrs. Nile Bryant; Laverne Farrar, now Mrs. Junior Poyner, and James Bice, who married Violet Rummel. James and Violet are living in Vernon where they work at the pants factory.

Some decided to take a rest from studies and to take it easy by staying at home. They are Alan Hinkle, Charles Hudgens, Lewis

Wehba, Clovonne McKown, Jean Whitby, Jean Jones, Mary Lynn Hough, Ruth McRae, Joan Dixon and Carla Manning.

Most of these girls, after finding the Midway, seem never to have found their way out of it because that's where most of their time was spent. One of the new additions of the Midway was the double ferris wheel called the "Sky Wheel." The roller coaster was also ridden by several girls.

At 11 o'clock, the bus, full of tired girls, but still fair enthusiasts, started for home. Myra Don Self, who rode in front with the bus drivers because of the crowded bus, promised to keep them awake on their return trip. She begged for a fifteen minute sleep, but this lasted practically the entire journey home. The first stop was made in Electra, where we mention the White Rose Cafe again. After eating there, we were Crowell bound. The bus arrived in Crowell at 5 a. m.

Have you noticed the cute little hats of Jean Whitby, Clovonne McKown, Rebecca Calvin, Jean Hughton, Carla Manning, Jane Bruce, and Joyzell Thomson? They were Fair purchases. Other purchases were a lizard that changes color by Carla Manning, a gold fish by Pauline Wheeler, and a cedar chest by Ruth McRae.

Other girls' won dolls, monkeys and so forth. All in all, it was a very enjoyable trip.

FRESHMEN ELECT CLASS OFFICERS

Who says this is a man's world? Proof of the fact that it isn't is Carolyn Bell. Five feet four inches tall, with black hair and green eyes and a winning smile, Carolyn is the top boss of the freshman class this year. Besides being cheer leader, she likes to swim, play volleyball and eat ice cream. She enjoys running around with her chums and as far as her favorite subject, history rates first. In boys she admires courtesy most.

Recently, she's been seen around with Ginger Johnson. Although as a child she thought of being a ballet dancer, a Red Cross nurse

or an orchestra leader, her ambition now is to be housewife.

Two red-headed "Jameses" who hold official positions in the freshman class are James Pittillo and James Denton.

Vice president James Pittillo's friendly and polite manner wins him many friends. This 170-pound freshman likes football and is a likely prospect for a four-year letter man as a tackle for the Wildcats. James counts science as his favorite subject and likes to read sports magazines. Hunting, fishing and eating chicken are among his enjoyed pleasures. He says girls are "all right." In the future he would like to be a farmer.

Unanimously elected for class reporter, James Denton's cooperative spirit makes him a wanted member in any circle. Weighing 140 pounds, James will probably play a lot of football for the Wildcats this year as linebacker. Study hall is his favorite period.

Bookkeeper for the "fish" is Robert Graves. Robert is a quiet-mannered boy who rates baseball as his favorite sport. When asked what he thinks about girls, he said, "Aw, I think they're funny." A slice of cherry pie will make him smile any day of the week. Although he finds most of his studies easy, gym is his favorite subject. In his leisure time, you might find him reading a sports magazine, hunting or fishing.

BAND WINS TROPHY AT TEXAS-OKLAHOMA FAIR

There is a new addition to our trophy case. The Wildcat Band journeyed to Iowa Park Thursday to enter the Class B Texas-Oklahoma Fair Band contest.

A parade through town to the fair grounds was formed at the high school. Pictures were taken of the band and they are to be in a Wichita Falls paper in the near future.

After marching to the fair grounds, the band played their two contest numbers, "Loyalty" and "Showboy." The five bands that entered the contest were from Waurika, Okla., Ryan, Okla., Ar-

cher City, Holliday and Crowell. The winners were announced at 7:00 and a large group of band students waited eagerly for the announcements. The following was the result. Marching section: Waurika first, Ryan second and Archer City third. Concert section, Waurika first, Ryan second, and Crowell third.

The trophy is a drum major with a baton in his hand atop a cylindrical base. The engraving was not presented with the trophy, but it will arrive this week. The band is very proud of their first trophy. They hope to win many more.

SPIRITED PEP RALLY SENDS WILDCATS TO TIE

Students of CHS gathered to boost their team to a tie when they met for a spirited rally the seventh period in the auditorium before the Wildcat-Tiger game.

After three rousing yells and a number by the band, Coach Amorette stated that this game was very important to us and that the team would appreciate the support of the student body.

After the school song, the student body left the auditorium to the strains of the chant, "Wildcats Fight."

CROWELL FUTURE FARMERS REPRESENTED AT KANSAS CITY CONVENTION

Representing the Crowell FFA Chapter at the National FFA convention at Kansas City, Mo., this week are H. L. Ayers and Charles Wishon.

Leaving for Dallas Friday night, the boys left by train for Kansas City Saturday morning. They will participate in the convention as Crowell's chosen representatives. Both boys have been outstanding in vocational agriculture work for the past three years and have brought back awards from many FFA meets for their agricultural achievements and judging ability.

PLAYER OF THE WEEK

Jimmy "Booger Red" Rasberry always gets his man.

WEHBA'S ANNIVERSARY SALE

Thursday, Friday and Saturday

Booger is a six foot tall, 185 pound scrapper with a football record that began his freshman year.

Seventeen years old, and a senior this year, he is a four-year letter man. For the past three years he has played tackle for the Wildcats, and this year is helping to push victories as a guard.

Anytime you see the pigskin skin over the goal post, you will know Booger has chalked up an extra point with his educated foot.

HERE'S OUR CAFETERIA MENU FOR NEXT WEEK

Monday, October 16
 Light bread, barbecued weiners, kraut, macaroni and tomatoes, peanut butter with crackers, cabbage and pepper salad, orange cake.

Tuesday, October 17
 Corn meal muffins, pinto beans with bacon, spinach, deviled eggs, carrot strips, candied sweet potatoes, graham crackers with peanut butter and honey.

Wednesday, October 18
 Salmon croquettes, potato salad, green beans with tomatoes and onions, hominy with pepper and pimientos, lettuce, cherry cobbler.

Thursday, October 19
 Light bread, sausage, butter beans, cabbage cooked, cheese and crackers, fresh tomatoes, banana pudding.

Friday, October 20
 Light bread, creole spaghetti, black eyed peas, creamed potatoes, apple, celery and carrot salad, jello with fruit cocktail and cookies.

From Pills to Penicillin

OVER THE YEARS, behind our counters, we've sold many kinds of accepted medicines and we've filled thousands of prescriptions for people of this community. We've helped measure out a lot of medical progress. We've seen new treatments and new drugs turn illness into health, despair into hope.

This progress is more than statistics—it's people! And the people we know don't want it tampered with!

Free America has no place for a bureaucracy that stands between people and progress, between doctor and patient, between physician and pharmacist.

FREE AMERICA HAS NO PLACE FOR SOCIALIZED MEDICINE!

Mesquite Control Progress in Texas

Experimental work in mesquite control in Texas is giving some very promising results. The Texas Agricultural Experiment Station, is conducting most of this work at its various substations in the mesquite infested areas of the state, according to Joe Burkett, County Agent.

C. E. Fisher, superintendent of the Spur sub-station, is conducting much of the work. Since 1938, he has tested 5,000 different chemical mixtures for controlling mesquite.

Some of the most encouraging results in Fisher's work have been obtained from spraying 100 five-acre plots in 1949 by airplane with the most promising chemical mixtures.

Examination of the 100 plots 14 months after treatment showed the best control to be obtained from the ester of 2,4,5-T. An application of two-thirds of a pound of 2,4,5-T ester in one gallon of diesel oil and four gallons of water per acre gave 98 per cent top-kill, and 69 per cent of the mesquite plants showed no regrowth.

The regrowth which did occur was very spindly and abnormal, and usually less than six inches tall. These results were obtained by applying the 2,4,5-T ester in May. Less effective results were obtained from June and August treatments, and March and October treatments were generally ineffective.

This year, Fisher supervised the spraying of 20 large tracts of mesquite infested range with four of the most promising chemicals, which include the ester and the amine of 2,4,5-T. These tracts vary in size from 320 to 1280 acres each.

Airplane spraying is not practical for the small scale stockmen nor for controlling mesquite around corrals, water tanks or those near cultivated crops. Other methods of applying the chemicals are being developed.

A. H. Walker, range specialist for the Texas A&M Extension Service, is supervising pilot demonstrations of small scale control methods. Such demonstrations are being conducted by county agents in 16 counties.

The county agents are applying 2,4,5-T ester to mesquite trees on ranches in their respective counties and keeping records on the results obtained.

The results of this program indicate that applying a five tenths per cent (.5 per cent) solution of 2,4,5-T ester in diesel oil to the cut surface of mesquite stumps after the trees have been cut off gives a kill of 90 to 95 per cent. A kill of 75 per cent is being obtained by applying the same mixture to the trunks of mesquite trees up to about a foot above the ground. The mixture is also sprayed on the foliage of mesquite trees with a hand sprayer, but results for this method are not conclusive.

Walker points out that the growth and reproductive characteristics of mesquite make eradication of this improbable. Therefore, a long-time control program may be the answer to the problem.

The object of current experimental work is to find a chemical which will give a high per cent of kill with the least cost per acre. Walker says that information must also be obtained on the length of the control periods from applying the chemicals and whether or not the control methods are practical.

Walker points out that the search specialists are not yet ready to say they have the answer, although recent results are promising. More research is needed to find the answers to the many questions that are arising in connection with the program.

HOUSEWIVES MAKE PRICES

Prices are rising and the possibility of controls is being discussed. Again the importance of maintaining the free market except in the direst of war emergencies is widely ignored. The moment that controls are substituted for the free market scarcity becomes inevitable, and most important, the political and economic system which makes representative government possible in this country, begins to melt away before the fire of official "directives."

For example, meat prices, along with everything else, have been headed upward. But if supply and demand are allowed to function within the free market the situation will correct itself. In the words of L. H. Simerl of the Department of Agricultural Economics, University of Illinois: "Consumers themselves must accept the responsibility for meat prices. Farmers have cattle and hogs, and they must sell them. Likewise the packer must keep pushing the meat out of his coolers. Retailers, too, must sell practically every pound they buy, or losses will drive them out of business. The housewives at the meat counters get the meat at their own price. Of course, not every individual housewife makes her own price, but their combined actions certainly do make the prices . . . Just as they have lifted prices to these high levels, they can let them drop . . . they have done it before."

Both employment and wage rates are at or near peacetime record highs, and both are certain to go higher. With plenty of money in their pockets, consumers will not let meat prices drop very far. That is not because they want to keep prices of livestock up. It is simply because they like meat and are able and willing to pay for it.

Controls are a basic departure from the American system.—Industrial News Review.

It is estimated that the Missouri River Valley contains a fourth of U. S. farm land.

Most musical terms are derived from the Italian language.

New Chrysler Town and Country Station Wagon in Production

A new Chrysler Town and Country station wagon that features an all-steel body has just been put into production, it has been announced by Joseph A. O'Malley, general sales manager of the Chrysler Division.

The latest addition to the Chrysler line is a unique combination of luxury and utility. It is a 4-door model, featuring distinctive exterior lines that are characterized by a low sloping all-steel top and long sweeping fenders.

The interior is fashionably tailored in smart Tolex, a heavy and durable leather-like plastic material that can be easily washed with soap and water. The Airfoam seats are upholstered in brown Tolex, with light tan Tolex being used for the door panels and headlining.

Highlight of utility features is the spacious cargo-carrying capacity. A unique fold-down arrangement of the rear seat opens up a level cargo space running more than seven feet from behind the front seat to the tailgate. With the tailgate open the loading space is extended to nearly ten feet.

Even with the rear seat in its normal position, loading space behind it extends four feet with the tailgate closed and nearly six and a half feet with the tailgate open. For ease of loading and unloading and to provide a level cargo platform, the tailgate opens flush with the floor of the luggage compartment.

Picture window rearward vision is provided by a large window ex-

tended the entire width of the tailgate. This window can be completely lowered into the tailgate.

To obtain maximum use of floor space, the spare wheel is carried in a covered well in the floor of the luggage compartment where it is easily accessible.

Body paint colors available on the new model are fog green and pearl tan in the light shades and crown maroon in a dark shade.

For all its spacious carrying capacity, exterior dimensions of the Town and Country wagon have been held to the common-sense proportions dictated by modern traffic and parking requirements. It is powered by the 116 horsepower Chrysler Spitfire engine.

OWNERSHIP STATEMENT

Statement of ownership, management, etc., required by the Act of Congress of August 24, 1912, of The Foard County News, published weekly at Crowell, Texas, for October, 1939.

STATE OF TEXAS, COUNTY OF FOARD.

Before me, a notary public in and for the state and county aforesaid, personally appeared T. B. Klepper, who had been duly sworn according to law, deposes and says that he is the publisher of The Foard County News, and that the following is, to the best of his knowledge and belief, a true statement of ownership, management, etc., of the aforesaid publication for the date shown in the caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the reverse side of this form to-wit: That the name and address of the publisher, editor, managing editor and business manager is: T. B. Klepper, whose address is Crowell, Texas; that the known bondholders holding one per cent or more of the total amounts of bonds, mortgages, or other securities are, none.

That the average number of

copies of each issue of this publication sold or distributed, to paid subscribers through the mails or otherwise, during the twelve months preceding the date shown above is 1,455.

NELSON OLIPHANT, Notary Public.

Florida has a shore line of 8,426 miles, the greatest of any state.

The state of Georgia was named after King George II of England.

Who Runs America?

the Congress?

the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organ-

izations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

- General Federation of Women's Clubs
- American Farm Bureau Federation
- National Grange
- Veterans of Foreign Wars
- National Conference of Catholic Charities
- American Protestant Hospital Association
- American Legion
- National Association of Small Business Men
- United States Chamber of Commerce
- National Association of Retail Grocers
- National Retail Dry Goods Association
- American Bar Association

Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor.

In America—70 million people are protected by Voluntary Health Insurance! Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

You and Your Neighbor Run America!

WIN CREDITS FOR HOME PROJECTS

Smart and ambitious Home projects that slaved this summer for summer projects were awarded in the forms of good grades those long, white envelopes. Mrs. Kenner has been issued half-credit by cooking, housework, yard work, baby sitting and even repairing their rooms.

Kenner has visited each according to appointment, and over her summer's work. She resulted in some quite trips out of town, like Monday when she, and your reporter, Marcia, traveled to Truscott and then on out to JY Ranch headquarters.

LUBRICATION PLUS ENGINE PROTECTION

That's what your car needs for the cold weather ahead. And that's what it gets when you choose new Phillips 66 Premium Motor Oil. It's improved four ways to help your car stand up better under severe driving conditions.

A cross section of the summer homemaking experiences reveals the following facts:

1. Care and guidance of children, 6 girls.
2. Home improvement (interior or exterior) 30 girls.
3. Home and personal finance, 2 girls.
4. Laundering, 14 girls.
5. Meal planning and preparation, 23 girls.
6. Food preservation, 10 girls.
7. Gardens, 15 girls.
18. Selection, care, construction and renovation of clothing.

Here is a list of the girls who have completed their projects: Fay Black, Nettie Black, Jane Bruce, Kay Cribbs, Lois Eavenson, Jean Hugston, Bertha Johnson, Nell Johnson, Marcia Kincaid, Rosemary Moss, Helen Ribble, Melba Ward, Mary Lou Woods, Maurine Youree, and Eva Rae Gaslin.

DISABLED VETERANS EMPLOYMENT ESSAY CONTEST TO BEGIN OCT. 15

Once again the Department of Texas, Disabled American Veterans, is sponsoring a statewide essay contest for all junior and senior students on the subject, "Equal Opportunity in Employment for the Physically Handicapped."

The purpose of this contest is to develop an intelligent understanding of the problems of physically handicapped workers and their employability and reliability.

The first place national winner will receive a \$1,000 check from the President of the United States sometime in the summer of 1951. First place state winner will receive \$60.00. Second, third and fourth place winners will also receive cash prizes.

Deadline for entries will be December 15, 1950. Those who are interested in this contest, see Mrs. Sloan for rules and further information.

WILDCAT WHISPERS

Monday we saw a bunch of sleepy girls roaming the halls. Half of them were recovering from the Dallas Fair and the other half were recovering from Maurine's slumber party and some were recovering from both!

There were some cute boys on the Munday bus parked next to the Crowell bus at the Fair.

Joan Dixon and Carla Manning got them a cute beau at Dallas. Jimmy Everson seems to take an interest in Mary Lynn Hough.

We wonder why that cute red-headed freshman, James Denton, doesn't get him a girl friend.

Doris Morris, a former student here, seems to like Quannah, especially a certain senior boy there.

Mildred Tamplen and Harold Ribble make a cute couple, don't you think?

Camille Todd and Kenneth Polk were seen at the ball game Friday night.

Isn't love grand! Just ask our ex-senior, Myrtle Bartley, and Travis Vecera. He's given her a

pretty ring. Congratulations!

Something new: Noma Kelly and Joe Bill Hall. There were together Saturday night.

If you see Maurine going around with a smile on her face, you know it's because F. L. is coming home this week end.

Don Brisco has trouble in American History with his outlines, we hear. Too bad, Don.

Norma and Sebe are still seen together a lot. They went to the Fair Saturday. Barbara White went along as chaperone.

Frankie and Gordon Wood were seen together Saturday night.

A. L. McGinnis seems to think he and Melba Coker would make a cute couple.

That's all the scandal for this week. Put your scandal in Locker 77.

See you again next week, The Cat's Tail.

THALIA MRS. C. H. WOOD

Cap Morris of Clarendon visited Mr. and Mrs. J. M. Jackson last week.

Mrs. Raymond Grimm and Mrs. Less Abston visited Mrs. Grimm's mother, Mrs. A. K. Eden, and Mrs. J. A. Abston in Vernon Wednesday of last week.

Mr. and Mrs. T. R. Cates attended the funeral of J. F. McMillan in Abilene Monday of last week. Others attending the funeral from Thalia were a grandchild, Bill Cates, and family.

Ray Milland, Hedy Lamarr and Macdonald Carey star in Paramount's spectacular outdoor drama, "Copper Canyon," which opens Sunday at the Rialto Theatre. In color by Technicolor, the picture was directed by John Farrow and written for the screen by Jonathan Latimer.

Panel Meetings to Map WTCC Work Program for 1951

Abilene, Oct. 10 — Thirty minutes after the sound of the gavel opening the 33rd annual convention of the West Texas Chamber of Commerce, October 19-20 in Mineral Wells, committeemen and delegates will convene in seven separate open panel meetings to map and plan the organization's 1951 program of work.

First session is a general assembly at 2:30 p. m., Thursday, Oct. 19. WTCC President J. M. Willson Sr., of Floydada, has called the group meetings for 3 p. m. to permit all West Texans attending the convention to have a voice in determining the future activities of the regional chamber.

Willson has appointed group leaders to direct the meetings as follows: industrial, E. L. Buelow, San Angelo; oil and gas development, French Robertson, Abilene; agriculture and livestock development, Alton B. Bell, Crowell; water, Homer D. Grant, Lubbock; publicity - advertising - tourist promotion, Frank H. Kelley, Colorado City; taxation and legislation, M. C. Ulmer, Midland; local Chamber of Commerce Managers' meeting, E. O. Wedgeworth, Pampa.

Members of the WTCC's 1951 Program committee will attend each of the group panel meetings for the purpose of reporting proposals, recommendations, and suggestions for the coming year's program of work to the Board of Directors at a later session.

Registration for the meeting is scheduled to begin at 11 a. m., Thursday, in the lobby of the Baker Hotel.

At 7 o'clock in the evening, a barbecue dinner honoring local chamber of commerce managers and wives has been planned, with Hubert M. Harrison, General Manager of the East Texas Chamber of Commerce, delivering the principal address. Harrison will talk on the proper relationship between regional and local chambers of commerce.

Following the barbecue, the program calls for dancing on the roof of the Baker Hotel from 9 o'clock until midnight, with music furnished by Johnny Jordan's orchestra.

Activities for the second day, Friday, October 20, include a special breakfast for WTCC past presidents, board of directors' meeting and noon luncheon.

At the directors' assembly, committees will report on the panel meetings held the previous afternoon, and on resolutions, auditing

and property inventory, nomination and election of directors for 1950-51, and treasurer's report.

Officers who will serve for the coming fiscal year will be elected following a luncheon to be held on the roof of the Crazy Hotel Friday noon. Speaker for the occasion is John Ben Sheppard, Secretary of State.

Arrangements for the convention program are in charge of Clyde Westfall, Stamford, chairman; Buell Orr, Graham; L. D. Aston, Cleburne; Anthony Fenoglio, Nacoga; and J. B. Thomas, Fort Worth.

Work program committee consists of Jerry Debenport, Odessa, chairman; R. W. Whipkey, Big Spring; Clarence Whiteside, Lubbock; C. E. McCutchen, Wichita Falls; Clarence Leonard, Gainesville; Price Campbell, Abilene; J. R. Wright, Vernon; P. C. Stacey, Granbury; James N. Allison, Midland; Amos G. Carter Jr., Ft. Worth; Howard Vaughn, Levelland; Alton B. Bell, Crowell; Howard Gault, Hereford; Carl Harrison, Memphis; and Aubrey L. Townsend, Brady.

FLOUR SUPPLY
Approximately 6.7 per cent of America's wheat flour supply is stored for future use.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to the many friends who ministered to us with deeds and words of comfort and sympathy at the death of our dear mother, Mrs. A. A. Reynolds. Such kindnesses will ever be remembered by us.

CARD OF THANKS

I take this method of thanking my friends and neighbors for the nice cards, letters, flowers and visits I received while I was in the Crowell and Quanah hospitals. I especially want to thank John Cogdell for the blood.

ELECTRIC POWER

Austin, Texas, Oct. 1 — Electric power consumption in Texas gained 8 per cent from July to August, or a 17-per-cent rise from August, 1949, the University of Texas Bureau of Business Research reported.

Industrial usage rose 7 per cent from July; residential, 6 per cent; and commercial, 4 per cent. From a year earlier, August consumption of industrial power stepped up 20 per cent, and use of residential and commercial power climbed 14 per cent in August 1950.

After adjustment for seasonal variation, the Bureau's index of industrial power increased 3 per cent from July to stand at 351 per cent of the 1935-39 base period.

Moses of Biblical fame stuttered badly.

NOTICE

Since my practice has grown as it has here in Seymour, I feel that all of my time should be devoted to my practice here. Therefore, I will not continue to practice one day a week in Crowell.

NEW CORPORATIONS

Austin, Texas, Oct. 1 — New corporations formed in Texas during August totaled 303 with a capitalization of \$5,434,000, reports from the Secretary of State to the University of Texas Bureau of Business Research showed.

This compares with 325 charters issued during July and 349 in August 1949.

Real estate establishments received 62 charters in August; merchandising, 59; manufacturing, 3; construction and oil, 17 each, and banking-finance, 9.

LIVESTOCK SHIPMENTS
Austin, Texas, Oct. 1 — Shipments of livestock in Texas rose 24 per cent from July to 5,253 carloads in August, or 6 per cent

above a year earlier, the University of Texas Bureau of Business Research reported.

All classes of livestock registered gains over July shipments: calves, 87 per cent; sheep, 34 per cent; hogs, 10 per cent; and cattle, 9 per cent.

In comparison with August 1949 movement of calves climbed 108 per cent, and hog shipments were up 14 per cent, while sheep and cattle decreased 2 and 10 per cent, respectively.

EGG SHIPMENTS
Austin, Texas, Oct. 1 — Sixteen carloads of eggs were shipped from Texas stations during August as compared with 137 in July and 56 in August 1949, the University of Texas Bureau of Business Research reported.

Interstate receipts of eggs at Texas stations numbered 14 carloads in August, 16 in July, and 13 in August a year ago.

Thalia Couple Marry on Friday, October 6th in Margaret

Miss Jimmie Lorraine Swan, daughter of Mr. and Mrs. H. L. Swan of Thalia, became the bride of Ray Douglas Gable, son of Mrs. Ruth Hammonds, also of Thalia, on Friday, October 6.

They were married in the Methodist parsonage at Margaret with Rev. E. R. McGregor, pastor of the Thalia church, officiating with the double ring ceremony.

The bride wore a dress of dark green, street length, with gray accessories and a corsage of yellow roses. For the traditional, she wore a black onyx necklace and matching bracelet set in old gold, which belonged to her mother, to whom it was a gift from her son while he was in Germany. For something blue, she carried a concealed handkerchief.

The couple was accompanied by Floyd Oliver of Thalia and Miss Bobbie Ruth Brock of Chillicothe. Both Mr. and Mrs. Gable are graduates of Crowell High School and Mrs. Gable attended a business school in Wichita Falls and is now employed by the AAA in Crowell. Mr. Gable is employed at the Hammonds Service Station in Thalia.

Following a short visit in the home of the bride's sister and husband, Mr. and Mrs. Joe Tarver

C. G. McLain and Mrs. Ura Orr Wed in Paducah on Sept. 30

The marriage of C. G. McLain and Mrs. Ura Orr was solemnized on Saturday morning, Sept. 30, at 10 o'clock in the parsonage home of Rev. and Mrs. Jimmy Hays of Paducah. Rev. Hays is pastor of the First Christian Church in Paducah and is a cousin of the bride. His parents, Mr. and Mrs. John Hays of Graham, are former residents of Crowell.

The single ring ceremony was performed by Rev. Hays. The couple was unattended. Mrs. McLain wore a brown Milliken original suit with which she wore sable brown accessories. Her corsage was of brown Cymbidium orchids.

After a short trip to points in New Mexico, Mr. and Mrs. McLain are making their home in Crowell. Mrs. McLain has been in Fort Worth, until recently employed as receptionist at the Girls' Service League. She is the daughter of Mrs. Henry Hays of Crowell. Mr. McLain is rural mail carrier out of Foard City and has farming interests in Foard County.

ALPHA CLUB

Religious education was featured in the program at the meeting of the Alpha Club on Thursday, Oct. 5, when Mrs. Jack Whitaker and Mrs. Oscar Solomon were hostesses to the Alpha Club at the Methodist Church Annex in Truscott.

Mrs. Marion Chowning, as leader, introduced Miss Eudora Hawkins of Abilene, who gave a very interesting and instructive talk on "The Bible as a Source of Inspiration." The couple are at home in the McBeath house in Thalia.

"Palestine in History and in Prophecy." Miss Hawkins insisted that as citizens and Christians, to watch the conditions as they develop in Palestine each day, and see how the prophecies are being fulfilled. A picture of Palestine was shown, giving a geographical understanding of the country.

The hostesses served punch and cookies from a beautifully decorated table, centered with fall flowers. A business meeting was held at the conclusion of the program.

Mrs. Oscar Solomon was elected recording secretary and treasurer to replace Mrs. G. W. Comegys. Mrs. W. C. Taylor was elected parliamentarian to replace Mrs. Seth Woods.

The club will meet October 19 with Mrs. G. W. Comegys at her home.

BAPTIST W. M. U. MEETS

The First Baptist Church Woman's Missionary Society met Monday afternoon in the home of Mrs. Glen Fox.

Mrs. C. C. McLaughlin had charge of the installation of officers for the coming year. They are as follows: Mrs. Glen Goodwin, president; Mrs. W. F. Statter, vice president; Mrs. C. C. McLaughlin, secretary and treasurer; Mrs. Roy Fox, benevolence chairman; Mrs. T. W. Cooper, mission study chairman; Mrs. Cora Whatley, stewardship chairman; Mrs. Bernard Franklin, Baptist community mission chairman; Mrs. Glen Fox, mission chairman; and Mrs. J. B. Harlan, publicity chairman.

After the installation service, Mrs. W. F. Statter presented a very interesting Royal Service program, "What Is the Iron Curtain?" After being dismissed with prayer, the hostess, Mrs. Fox, served refreshments to the large group present.

The W. M. S. will meet next week in the home of Mrs. Allan Taylor.

THALIA P. T. A.

The Thalia Parent-Teacher Association met in regular session October 4, with Mrs. Grover Moore, vice president, in charge.

The program was opened with two songs by the group, led by Mrs. Jennings. A very interesting talk on "What is more often followed than the model of parents?" was given by Mrs. Charlie Huskey. Mr. Jennings and Mrs. Howard Bursy spoke words of thanks for the song books and magazines given each room by the P-T. A.

It was decided that the P-T. A. would again sponsor the Halloween carnival to be held at the school gymnasium on October 31. The king and queen contest will be held, and the coronation will be a part of the Halloween program. The room mothers will assist the teachers with the booths.

The P-T. A. will meet the first Wednesday in each month at 3:45 p. m.

FRIENDSHIP CIRCLE

The Friendship Circle of the W. S. C. S. of the Methodist Church met Tuesday, October 4, in the home of Miss Barbara White. A business session, held by the president, discussed the yearbooks.

The program was led by Mary Cooper and Virginia McKown gave an interesting talk on "The Kingdom and Coffee."

Refreshments were served to 8 members. The next meeting will be with Mary Cooper as hostess.

COLUMBIAN CLUB

The Foard City Community House was the scene of the Columbian Club meeting on last Wednesday, Oct. 4, with Mrs. Jack Welch as hostess. The program theme was "Texas Resorts."

Since the Big Bend National Park is to be dedicated this month, Mrs. C. R. Ferguson gave an interesting and informative paper on the size and beauty of this, the nation's youngest park. It is already ranking favorably with the others and is attracting many tourists from out-of-state.

Mrs. Crews Cooper discussed Texas vacation spots, stressing particularly the good fishing brought about by the wonderful artificial lakes.

At the conclusion of the program, Mrs. Welch served a delicious refreshment plate.

SEW-N-SEW CLUB

The Sew-N-Sew Club met Thursday, October 5, with Mrs. John White and Mrs. Marlin Thompson as hostesses.

Names of unknown friends were revealed and a project was voted on to be in effect for two months.

Members present were Mrs. Clarence Garrett, Mrs. Hoot McLain, Mrs. R. J. Owens, Mrs. Glen Shook, Mrs. Howard Ferguson, Mrs. J. C. Rader, Mrs. Kenneth Halbert, Mrs. Fred Borchardt, Mrs. Joe Roper, Mrs. James Sandlin, Mrs. Jack Welch and Mrs. Harry Trawick.

The next meeting will be on October 19 with Mrs. Ross Johnson and Mrs. Roy Payne as hostesses.

ATTEND FAMILY REUNION

Mr. and Mrs. Grover Cole attended a reunion in Wichita Falls Sunday, held in the home of Mrs. Oscar Haney in honor of Mrs. Ben Haney of Albuquerque, N. M., Mrs. Dan Roberts of Portales, N. M., and Earl Cole of Vernon. They are sisters and brother of the late Judge Robert Cole, formerly of Crowell and father of Grover Cole.

About thirty relatives were in attendance at the reunion. It was the first time in a number of years that the family had been together.

B. & P. W. CLUB

The Business and Professional Women's Club met in a regular business meeting at the home of Mrs. Irene O'Connell on October 5.

The subject for the program, "Meet Yourself," was discussed with interesting talks from Mrs. Marjorie Magee, chairman, and Miss Martha Rettig, after which they held a round-table discussion.

BLAMED FOR HORSE DISEASE

Research men in Georgia have uncovered new evidence that mosquitoes are spreaders of the virus that causes the horse disease known as encephalomyelitis or sleeping sickness. Laboratory tests with mosquitoes trapped at random in the state showed that some of them were harboring the virus of this deadly infection. Veterinary medical authorities say this finding re-emphasizes the need for eliminating insect pests on farms where horses and other livestock are kept.

MEN ATTENTION!

'Are you still wearing that old faded Summer Straw? Or have you dug out that old beat-up last year's felt?

You'll look better in a new fall STETSON.
