Billious Attack. BY DR. JUNE M. COOK

The liver is to be regarded as a great poison filter for the entire body. So long as there is no interference with its nerve supply and function, it can deal with poisons as fast as they are form and the body is safe and can remain healthy. But if the liver does not function proper ly, the poisons are not handled properly and we become bilious. Our head aches, our tongue becomes coated, we have a bad taste in the mouth, we lose our appetite and feel stupid, dull and feverish.

Such waste products the liver cannot burn down, so that the kidneys and skin can handle them, it pours out through its duct into the intestine as bile. The bile is a yellowish brown fluid, which assists the pancreatic juice in the digestion of the food, and helps to dissolve the fats eaten. It is, however, chiefly waste product.

Besides being a great blood purifier, the liver is a blood maker in the sense that it changes the food stuffs in the plood from the intestines into forms which are more suitable for use by the brain, muscles and other tissues of the body. Some of the sugars, for instance, the liver changes into a kind of animal starch (glycogen) which it stores away in its own cells. It also turns both sugars and proteins into fat, part of which it pours into the blood and part of which it stores in its own cells.

The liver is very important in the network of organs of the body. Maintain its normal function by Chiropractic adjust-

FLOWER SHOW AT QUANAH

The 4th annual Flower Show will be held at Quanah by the Quanah Garden Club tomorrow, April 27, from 2:30 to 9 p. m. at the Henderson Cafe.

Special invitation is extended to flower fanciers in the surrounding Carroll, Nita June Carroll, Doris Cates, Gordon Cates, Saundra Choate, Marcia Clyburn, Fran-cyne Coffey, Janis Crowell, Patsy

ciety. Mrs. Waggoner is Sponsor and Honorary President of the

The date of the show is Saturday and Sunday, May 5 and 6. The grounds will be open all of both days. The flower show will be open from 1 until 6 p. m.

There is much of interest to see on the grounds, as Mrs. Wag-goner has planted hundreds of new plants since last year's show. She has camellias, azaleas, and many other plants that you would not expect to see growing in this part of North Texas. A map of the grounds, showing places of inter-est, will be furnished at the gate. A car will be provided for those unable to walk. The American Legion Auxiliary will have sandwiches and bottled drinks available at the Summer House.

The facilities for staging the show have been increased. The Artistic Arrangement Division alone is housed in a pale green and silver hay barn which is 65x 100 feet. The Horticulture Division is allotted almost as much space. 100x16 feet have been set aside for the Educational-Conservation Division, with classes for counties, clubs, individuals, and also a Special Invitation Class to etter. Cash awards amounting to \$250.00 will be given. Nine National Accredited Judges from out of the area have been invited to judge the show. The twenty-two committees required to stage this show have been selected from the seven counties which comprise the Santa Rosa Horticultural Society, namely, Archer, Baylor, Foard, Hardeman, Knox, Wichita and Wilbarger. Many, many more people are working on the show.

The Santa Rosa Horticultural Society was organized last year with the objective of furthering all of the horticultural arts. It is a non-profit organization, and the only dues are the admissions to the annual show and a small fee collected at the sponsored lectures. Mrs. John Carmichael of Ver-non was the Society's first presi-dent. She did a wonderful job of

"pioneering" as over 2,000 people attended the first show.

For additional information concerning the Horticultural Show, contact Mrs. Kenneth Henry, president, 3003 Paradise St., Vernon.

On Wednesday, April 18, Mrs. Roy D. Fox was hostess to twenty members of the Columbian Club at her home. This was the annual program on "Music" and with Mrs. A. G. Magee as leader, no doubt was felt but that there would be something unusual in store.

For an introduction with Mrs.
Magee at the piano, the club group
sang two songs, "Home on the

She then presented several High School students. Misses Bobbie Abston and Peggy Weaver rendered a pianologue. Readings, "The Big Game" by V. A. Smith and "Down with the Men" by Kay Cribbs proved mirth provoking. April 29-May 5 is National Home Mrs. Grady Halbert, imperson-
