Foard County Part of CCC Experiment

Foard County has been selected as one of 13 experimental counties in Texas for inauguration of the wheat insurance program by the Federal Crop Insurance Corp., Ward Taylor, District 3 field officer of the PMA, announced Monday.

Mr. Taylor explained that the insurance plan covered the 1952 wheat crop for Foard County farmers. He explained that under the plan all premiums paid remain in the respective county.

"Premiums average about .7 of a bushel per acre under the commodity premium plan," Mr. Taylor pointed out. "Coverage averages around six bushels per acre."

The district field officer for the PMA explained that the new plan was to offer protection to the farmer for anything that might happen to his wheat crop.

All farmers in Foard County who are interested in the plan are urged to contact their local PMA officer. The drive closes Aug. 31.

Other counties in District 3 selected for the plan include Childress, Knox and Stonewall.

Jimmy Rasberry to Play Tackle on East Squad at Childress

Childress, Tex. Aug. 5 (Spl.)—Forty-eight of the top high school grid stars of the state last year, including Jimmy Rasberry of Crowell, a tackle on the east squad will take part in the second annual Greenbelt Bowl football game in Childress on the night of August 17.

Ki Aldrich, all-American center at Texas Christian in the 30's will head the east squad, and will be opposed by Jack Mitchell, all-American at Oklahoma in 1949 under Bud Wilkerson, who will coach the west squad.

Aldrich will be assisted by Hunter Kirkpatrick, assistant coach of the state champion Wichita Falls Coyotes, and Doyle Malone, TCU's center in 1949, now assistant at Childress.

Mitchell, now assistant at Texas Tech, will have as his assistants Chesty Walker, head coach at Phillips, and Charles Churchill, Childress head coach.

A training clinic, open to all coaches whether or not connected with the game, will be conducted Friday, the day of the game.

Instructors will be Elmer and Delmar Brown, former track greats at North Texas State, and now trainers for TCU and Baylor, respectively.

All boys invited to take part in the game have won at least all-district honors, and thirteen of the lads have captured all-state laurels.

Tickets for the contest are now on sale through the Childress Chamber of Commerce, at \$1.20 for general admission, \$1.80 for reserved seats, and \$2.40 for box seats.

The church invites everyone to attend these services.

Price Clinic to Be Held Here on August 14th

The Fort Worth District OPS has announced a "price clinic" to be held here August 14th starting at 9 a. m. in the district court room.

OPS District Director Ellis H. Boyd said the clinic was scheduled to assist local businessmen in complying with price stabilization regulations.

"A check of filings for Crowell under Ceiling Price Regulation 34 (the price order governing pricing for service-type concerns) shows that only one business here has had their filings returned to them for additional information," Boyd said.

"The OPS representative will be available to assist these people in making corrected reports to the OPS," he stated. "Businessmen who have had their filings returned to them should avail themselves of this opportunity for advice and assistance," he continued.

Ceiling Price Regulation 34 requires all service businesses, with the exception of certain professional services, to file a statement with the District OPS of their prices in effect during a base period of December 19, 1950, to January 24, 1951. The highest prices charged during that period are the ceiling prices for that particular concern, said the district director.

Amendments to State Constitution Being Published This Month

Five amendments to the State Constitution will be published in the next four issues of the Foard County News. The amendments will be submitted to a vote of the qualified electors of this State to be held throughout the State of Texas on the second Tuesday in November, 1951, which will be Nov. 13.

Readers of the News are urged to read these proposed amendments in order to gain a complete knowledge of them.

W. B. Fitzgerald Accepts Pastorate of Thalia Church

After conducting a very successful eight-day revival meeting at the Thalia Baptist Church, Rev. W. B. Fitzgerald, former pastor of the First Baptist Church of Crowell, has been called by the Thalia congregation as pastor and he has accepted.

Rev. Fitzgerald comes to Thalia from Sweetwater and will assume his duties with the church in about three weeks. He and Mrs. Fitzgerald, who is also an excellent church worker, will reside in the parsonage near the church.

Rev. Fitzgerald was pastor of the Crowell Church from 1935 to 1942, during which time he endeared himself to the people of the entire county, and his many friends rejoice that he will again be located in the county. During the latter part of his ministry in Crowell and a great portion of the time since, he has been in ill health, but has now recovered sufficiently to again assume full-time duties as a pastor.

Farmers and Other Persons Interested in Agriculture to Have Opportunity to Express Views About Farm Program

Farmers and other persons interested in the welfare of agriculture and farm life will have opportunity this summer to express their opinions about programs and policies which affect the farm family, according to Joe Burckett, County Agent for Foard County.

The State Agricultural Mobilization Committee, headed by B. F. Vance, chairman of the State P. M. A. Committee, is in charge of the review program in the state. Dwight Campbell, chairman of the county Mobilization Committee, along with other committee members, will handle the program in the county. The purpose of the review program is to get from farm families their suggestions on how services rendered by State and Federal agencies to farm families can be improved.

Meetings will be held in the counties and communities of the state during the next several weeks and through these meetings farmers and others will be given ample opportunity to express their views and to make recommendations for improving existing services.

According to Mr. Vance, the United States Department of Agriculture thinks the family farm is so vital to the economy, prosperity and military defense of the nation that it is reviewing current farm programs and activities to make sure that they are serving the farm family well. They also believe that improvements can be made and that local discussions will bring them to the attention of the Mobilization Committee.

Many family farmers who represent an estimated 98 per cent of America's farms, are too small, too poorly equipped or too lacking in essential resources to supply the families who operate them an adequate income, says Vance. There is a real need to provide these farm families with better opportunities to improve their livelihood to make a greater contribution to the nation's agricultural output. Even the most productive and efficiently operated family farms could make improvements if proper guidance or aid were made available to the farm families who operate them.

The Department of Agriculture, points out Vance, is desirous of adapting future policies to the needs and recommendations of family farms. It is therefore, he adds, important that all interested persons attend one of the meetings or else send their suggestions to the local county Mobilization Committee.

A summary of the recommendations from each county will be sent to the State Committee and the county reports will then be consolidated into a state report which will be sent to Washington. The Family Farm Review Committee of the Department of Agriculture will in turn study the state reports and make final recommendations to the Secretary of Agriculture.

Vance says this is democracy in action. He adds if democracy is to be a continuing source of hope to rural people elsewhere in the world, democracy must then continue to advance in rural America. Progress in agriculture must be continued and he says no person is in a better position to make recommendations for this program than the man or family who operates a farm.

House Joint Resolution No. 2

Proposing an Amendment to Section 49-b, Article III, Constitution of Texas, so that the total amount of bonds or obligations that may be issued by the Veterans' Land Board is increased to One Hundred Million Dollars (\$100,000,000); providing for the issuance of said bonds and certain conditions relating thereto and the use of the Veterans' Land Fund; providing for an election and the issuance of a proclamation therefor.

Be It Resolved by the Legislature of the State of Texas:

Section 1. That Section 49-b, Article III, Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Veterans' Land Board may issue not to exceed One Hundred Million Dollars (\$100,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas, in such form, denominations, and upon the terms as are now prescribed by Senate Bill No. 29, Chapter 318 of the Acts of the Fifty-first Legislature (provided, that when the limitation of Twenty-five Million Dollars (\$25,000,000) is used in said Senate Bill No. 29, the same shall hereafter be construed as One Hundred Million Dollars (\$100,000,000), or as said Act may be hereafter amended, or by other laws that the Legislature may hereafter enact; provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum, and that the same shall be sold for not less than par value and accrued interest.

"In the sale of any such bonds, a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent School Funds, such bonds to be issued as needed, in the opinion of the Veterans' Land Board.

"The Veterans' Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State, (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison

System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of the Veterans' Land Fund.

"The Lands of the Veterans' Land Fund shall be sold by the State to Texas Veterans of the present war or wars, commonly known as World War II, and to Texas Veterans of service in the United States of the United States of America subsequent to 1945, as may be included within this program by legislative act, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

"All moneys received and which have been received and which have not been used for repurchase of land as provided herein by the Veterans' Land Board from the sale of lands and for interest on deferred payments, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in like manner as provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period ending December 1, 1959; provided, however, that so much of such moneys as may be necessary during the period ending December 1, 1959, to pay principal of and interest on the bonds heretofore issued and on bonds heretofore issued by the Veterans' Land Board shall be set aside for that purpose. After December 1, 1959, all moneys received by the Veterans' Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any of such moneys not so needed shall not later than the maturity date of the last maturing bond or bonds be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All bonds issued hereunder shall, after approval by the Attorney General of Texas, registration by the Comptroller of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute obligations of the State under the Constitution of Texas. Of the total One Hundred Million Dollars (\$100,000,000) of bonds herein authorized, the sum of Twenty-five Million Dollars (\$25,000,000) has heretofore been issued; said bonds are hereby in all respects validated and declared to be obligations of the State of Texas. This amendment shall become effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the second Tuesday in November, 1951, at which election all voters favoring the proposed Amendment shall

write or have printed on their ballots the following words:

"FOR the Amendment to Section 49-b, Constitution of Texas, for increasing Veterans' Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945."

Those opposing said proposed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Section 49-b, Constitution of Texas, for increasing Veterans' Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said

election, and shall have published required by the constitution and laws of this State.

Fourteen Texas Youths Win Awards in 1951 Fisher Body Contest
Detroit, Mich. — Fourteen youthful Texas automobile designers have been named award winners as a result of their skill in building miniature cars in the 1951 Fisher Body Craftsman's Guild competition, it was announced recently in Detroit where judging of the model cars has been in progress for three weeks. Top honors for the Texas boys went to Jimmy Powers of Lubbock, and James Hendricks, of Fort Worth. Powers in the Senior division, and Hendricks, in the Junior, took first place awards in the state. Then, their models were judged best for their divisions in the region comprised of Texas, Arizona and New Mexico. As state winners they each receive \$150 in cash. As regional winners, the youth will receive expense-free trips to the national convention of the Craftsman's Guild in Detroit August 14-17. At that time their models will compete with other regional winners for the eight university scholarships offered as grand national awards.

SOMETHING WRONG

We are not experts when it comes to tax matters, especially the devices in the income tax laws affecting corporations.

Nevertheless, it is interesting to read that a certified public accountant in the State of New York, testifying in a criminal case, said that the company concerned had losses of \$607,000 in 1945 but that it "amounted to a net gain of \$47,000 because, by the carry-back feature of the tax law, the losses "wiped out the company's liability on past profits and entitled it to a refund of taxes paid."

This should be interesting to little people trying to pay income taxes out of their salaries and earnings. When a \$607,000 loss, suffered by a company in one year, becomes a profit of \$47,000 through the operation of the provisions of the income tax law, there must be something wrong with the statute.

THE DESIRE FOR YES-MEN

No one can dispute the assertion of Senator Paul H. Douglas of Illinois that there is a "deplorable tendency for the leaders of groups, as they grow powerful, to want only yes-men in their organization."

This statement applies not only to politics, but to practically every field of human cooperation. The organization which begins as a democratic mechanism finds that its leaders, once established in positions of power, resent suggestions from the rank and file and attempt to set themselves up as the last word in connection with decisions to be made by the organization.

Such a process represents the negation of democracy. It stifles the expression of individual opinion, tramps on the freedom of individuals and, eventually, defeats the purpose of the organization itself.

Peace is not a matter of standing idle. It is an ideal to be fought for with all the wisdom and all the experience of the past.

Austin—There is some confusion about the Texas Motor Vehicle Responsibility Act.

Most insurance salesmen will give you the right information about this new law.

But misunderstanding has been caused by a few unscrupulous persons who have led people to believe that they must buy public liability insurance now.

Here are the facts:

Owners and operators of motor vehicles are not affected by the law until January 1, 1952.

After that date, persons who are involved in traffic accidents must show financial responsibility up to \$15,000 or quit driving.

If you have \$15,000, you don't have to buy any insurance at all—you may, of course, if you choose.

But if you can't show \$15,000 worth of assets, your only way to keep on driving—after the first accident—is to purchase public liability insurance.

If you never have an accident, you are not concerned about this law. But if you are ever involved in a crash, no matter whether you are at fault or not, then you must show financial responsibility.

State officials are taking steps to halt the issuance of misleading statements by insurance people.

Governor Allan Shivers and Colonel Homer Garrison, director of the department of public safety, have asked the Board of Insurance Commissioners to stop anyone from implying in advertising that the act is now in effect and that the purchase of a liability insurance policy is compulsory.

Joe P. Gibbs, casualty insurance commissioner, said that appropriate action would be taken against those who employ misstatements in an attempt to sell policies.

Insurance representatives should tell the public about the law and about liability insurance, Gibbs said.

He added that the salesmen must state clearly that the act does not affect motorists until the first of the year, and that thereafter, insurance is not compulsory.

One reason why the Legislature saw fit to pass the responsibility law is there is an ever-growing number of motor vehicles on the road. It stands to reason that the more motor vehicles there are, the more chance for accidents.

And there is every reason why drivers and owners and motor vehicles should be brought to realize their responsibility.

The Texas Highway Department reported the other day that there

puts it this way: if each Texas vehicle were driven by a Texan, each driver could find only one Texan to run over.

If You Are An Average American

Your automobile is your second largest investment—and when you protect it, you also protect your home.

For if your automobile is uninsured or underinsured, it may become necessary for you to place a mortgage on your home in order to pay a liability judgment.

DON'T GAMBLE on these unpleasant probabilities when adequate protection costs so little.

May the Divine Father bless and keep each one of you always. The Family of Bud Pruitt. W. S. C. S. Mrs. Allen Sanders, Mrs. Gordon Cooper and Mrs. Joe Brown were joint hostesses to the Woman's Society of Christian Service of the Methodist Church in the home of Mrs. Sanders on Monday afternoon. As the opening number, William Nichols, the evangelistic singer for the meeting in progress at the First Christian Church, favored the group with a solo, "The Old Rugged Cross," with Mrs. Sanders playing piano accompaniment. Mrs. Grover Cole was leader of the lesson which concerned the older adults of the church and what we do and can do for them. The group sang "Jesus Is All the World to Me." Mrs. Cole's devotional was appropriate to the general theme. Mrs. J. W. Bruce presented an article from the World Outlook entitled "The Church's Mission to Older Adults." At the close of the program, "Glory for Me" was sung, after which a refreshing plate of iced punch and cake was served to the eighteen members present.

H. D. Agent Gives Recipe for Watermelon Rind Preserves Watermelons are in plentiful supply in most parts of Texas. They are so luscious looking and so good when they are red ripe and cold. Since watermelon cannot be frozen very satisfactorily, Mrs. Mary Brown, Acting County Home Demonstration Agent, says if you want to preserve some for future use, it may be done by making watermelon rind preserves. She says to select melons which have a thick rind. Trim off the outer green skin and the pink flesh, and use only the greenish white parts of the rind. Cut the rind into one-half or one-inch cubes and weigh. Then soak the cubes for three and one-half hours in lime water (2 quarts water and 2 tablespoons lime-calcium oxide). Next, drain and place the cubes in clear water for one hour. Again, drain off the water and boil for one and one-half hours after fresh water has been added. Then drain. For each pound of watermelon rind (weigh before soaking), Mrs. Brown says use one pound of sugar (2 cups) and one quart water. Make a syrup, then add the rind and boil one hour. As the syrup thickens, add one-half lemon thinly sliced for each pound of fruit. When the syrup begins to thicken and when the melon is clear, she says, the preserves are ready for the jars. Pack the preserves into hot sterilized jars, add enough syrup to cover the preserves and seal. Mrs. Brown says watermelon rind preserves have a tasty flavor and can be used for sandwich spread, to add taste to salads, or to go with the breakfast toast. Characteristics of New Wheat, "Quanah," Given in Bulletin College Station — The characteristics of Quanah, a new disease-resistant hard red winter wheat of excellent quality, are given in a new Texas Agricultural Experiment Station bulletin. This new variety was developed by Dr. I. M. Atkins, Denton station agronomist, who is a joint employee of the Texas Agricultural Experiment Station and the U. S. Department of Agriculture. Dr. Atkins reports that the average yield of Quanah has equaled or exceeded that of the present commercial wheat varieties at Denton, Greenville, Temple, Comfort, Stephenville, Iowa Park and Chillicothe. Comanche and Westar have given better yields than Quanah in the drier sections of Texas. Quanah was developed from a complex cross of (Comanche x Honor-Forward) x (Mediterranean-Hope x Comanche). It has shown a high degree of resistance to common races of leaf and stem rust and to stinking smut. However, races of both leaf and stem rust are known which can attack Quanah. Quanah is similar to Comanche in milling and baking characteristics. Tests show that it is satisfactory for the production of bakery flour. Bulletin 734, "Quanah Wheat," is available from the Publications Office, College Station, Texas. Mr. and Mrs. E. A. Dunagan have returned from a week's visit in the Davis Mountains near Alpine where they attended the 31st consecutive session of the Paisano Baptist encampment. Hazards of Covey of Quail Listed in July "Texas Game & Fish" Austin — Day-by-day hazards of a covey of bobwhite quail are recounted in the current issue of "Texas Game & Fish" magazine. Quoting Aldo Leopold's "Game Management," an article follows a covey around the calendar and describes how the original covey of 15 is reduced to seven by the end of March. The quail look continues: "Comes April and comes spring. Feeding on green alfalfa and waste corn, the birds begin to pair on warm days and to look for nesting territories. The unmated cock whistles his disappointment. "Three pair begin nesting in May, one in the alfalfa, one in the greening marsh, another in the ditch. "Romance yields to tragedy as

Chryslers Equipped with Power Brakes Pass 113,000 Mark
Chrysler has shipped its 113,000th car equipped with power brakes, reports J. A. O'Malley, vice president and general sales manager, Chrysler Division, Chrysler Corporation. "Power braking was developed by Chrysler before the war to provide extra safety for fast stops," O'Malley said. "It has proven very satisfactory in the hands of owners who have given the equipment a grueling test in millions of miles of highway driving." The power brake unit is self-contained and utilizes intake manifold vacuum to multiply the braking power of the hydraulic brake system, O'Malley said.

London — A postmortem performed on Lord Holden, 51-year-old deputy speaker of the House of Lords, after he collapsed and died on July 6 while eating lobster salad at the home of a friend, revealed that the peer had a large lump of lobster lodged in his larynx. Benjamin Franklin made the first harmonica.

Chrysler power braking provides the driver with the proper "feel" from the brake to enable him to determine the right amount of pressure to apply," O'Malley said. "For fast stops at high speeds, it requires only one-third the pedal pressure required to stop a car not equipped with power brakes." Power brakes are standard equipment on all Chrysler New Yorker, Imperial and long-wheelbase Windsor models and they will be standard on the Saratoga models which are being introduced in August. They were first introduced as optional equipment in 1933 on Chrysler Imperial models.

Is Your Investment SECURED?
Protect it with a **WHEAT Federal Crop Insurance Policy!**
No Crop Grows Under Open Sky Without Risk of Loss . . .
A Federal Crop Insurance policy protects the crop investment against loss from unavoidable production hazards that man cannot control — drought — excessive rain — flood — hail — wind — frost — lightning — fire — wildlife — insect infestation — plant diseases — and others too.
Federal Crop Insurance protects you against the unknown — the many production risks that can destroy any crop on any farm any year. It adds stability to a farming operation by assuring the farmer when he seeds that he will at least get his investment back if it is a poor crop year and the profitable bumper harvest that he expected fails to materialize.
It is a basic principle of good business to protect what you invest. Wheat farming is a good business — Federal Crop Insurance will make it a better business.

HANDCUFFS SAFE MEN
Walhalla, S. C. — Answering a call for help, Police Chief J. P. Massey hurried to the scene with a wrecker truck and found two men, Caleb Justice and Ernest Sterns overcome by gas while cleaning a well on a mountain farm near here. The 50-year-old officer had himself lowered into the well, snapped a set of handcuffs on the unconscious men, fastened himself to the victims with another pair of handcuffs and, grabbing the escape rope, had all three spun to the surface by the wrecker's windlass. Massey's quick action is credited with saving the two men. Andrew Jackson gave more political offices to newspapermen than all of the other presidents put together.

House Joint Resolution No. 6

Proposing an Amendment to the Constitution of the State of Texas amending Article III, Section 51a, providing that the Legislature shall have the power to provide assistance to and provide for the payment of same to residents of the State of Texas who are needy aged persons over the age of sixty-five (65) years, needy blind persons over the age of sixteen (16) years, needy children under the age of sixteen (16) years; remov-

ing the Thirty-five Million Dollars (\$35,000,000) limitation upon expenditures for such purposes and providing for a limitation of Forty-two Million Dollars (\$42,000,000) upon such expenditures; providing a maximum payment of Thirty Dollars (\$30) per month from State funds for old age assistance; prohibiting payment of assistance after disposition of property under certain conditions; providing for the acceptance of financial aid from the Government of the United States of America for such

assistance; providing that the payment of such from State funds shall never exceed the payments from Federal funds; providing for the necessary election, and providing for the form of ballot, proclamation, and publication. **Be It Resolved by the Legislature of the State of Texas:** Section 1. That Section 51a of Article III of the Constitution of the State of Texas be amended, and the same is hereby amended so that the same shall hereafter read as follows:

"Section 51a. The Legislature shall have the power, by general laws to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions, and regulations as may be by the Legislature be deemed expedient for assistance to, and for the payment of assistance to:

"(1) Needy aged persons who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to such assistance while such inmate; and provided that any resident of the State, if otherwise eligible, may not be excluded who has resided in the State for five (5) years during the nine (9) years immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application; provided that the maximum payment per month from State funds shall not be more than Thirty Dollars (\$30) per month.

"Any applicant for or recipient of assistance, including the spouse in each instance, who shall dispose of any property after June 1, 1952, and any person who initially applies for assistance after June 1, 1952, who has disposed of any property within five (5) years prior to the date of application, shall be ineligible to receive assistance; provided, that if such property was disposed of by bona fide sale and conveyance, and for value commensurate with the actual market value thereof, such disposition shall not affect eligibility for assistance if it be shown that all proceeds from such sale have been used by such person and spouse for normal living expenses, or for the purchase of other real property of like value. If any recipient of assistance or spouse shall sell any real property, neither such recipient nor spouse shall thereafter receive assistance until all net proceeds of sale have been expended for normal living expenses, and in case of disposition of such property by gifts or for an amount less than its actual market value, such person and spouse shall not thereafter receive assistance until the expiration of the period of time during which the net proceeds of said sale would have paid their normal living expenses had the actual market value been realized therefrom.

"(2) Needy blind persons who are over the age of sixteen (16) years, provided that no such assistance shall be paid to any inmate of any State-supported institution, while such inmate; and provided that any resident of the State, if otherwise eligible, may not be excluded who has resided in the State for five (5) years during the nine (9) years immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application.

"(3) Needy children who are under the age of sixteen (16) years; provided that any child, if otherwise eligible, may not be excluded who has resided in the State for one (1) year immediately preceding the filing of the application for such assistance, or, if said child is under the age of one (1) year, whose parent or other relative with whom the child is living has resided in the State for one (1) year immediately preceding the birth of such child.

"The Legislature shall have the authority to accept from the Federal Government of the United States such financial aid for the assistance of the needy aged, needy blind, and needy children as such Government may offer not inconsistent with restrictions herein set forth; provided, however, that the amount of such assistance out of State funds to each person assisted shall never exceed the amount so expended out of Federal funds; and provided further that the total amount of money to be expended out of State funds for such assistance to the needy aged, needy blind and needy children shall never exceed the sum of Forty-two Million (\$42,000,000) per year.

"Should the Legislature enact enabling laws and provide an additional appropriation hereto in anticipation of the adoption of this Amendment, such Acts shall not be invalid by reason of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of Texas at the Election to be held throughout the State of Texas on the Second Tuesday in November, 1951, at which election there shall be printed on such ballot the following clause:

"FOR the amendment to the Constitution giving the Legislature power to set up a system of payments of assistance to needy persons over sixty-five (65) years of age; to needy blind persons over the age of sixteen (16) years; to needy children under sixteen (16) years of age; removing the Thirty-five Million Dollar (\$35,000,000) limitation upon amount of State expenditures for such purposes; disqualifying persons who dispose of property under certain conditions; providing a maximum payment of Thirty Dollars (\$30) per month from State funds for old age assistance; providing for the acceptance and expenditure of funds from the Federal Government; providing that expenditures from State funds shall not exceed the expenditure from Federal funds with respect to any individual; and providing conditions as to residence within the State in order to be eligible to receive assistance; and providing a limitation of Forty-two Million Dollars (\$42,000,000) per year on State fund expenditures for such purpose each year. **AGAINST** the amendment to

the Constitution giving the Legislature power to set up a system of payments of assistance to needy persons over sixty-five (65) years of age; to needy blind persons over the age of sixteen (16) years; to needy children under sixteen (16) years of age, removing the Thirty-five Million Dollar (\$35,000,000) limitation upon amount of State expenditures for such purposes; disqualifying persons who dispose of property under certain conditions; providing a maximum payment of Thirty Dollars (\$30) per month from State funds for old age assistance; providing for the acceptance and expenditure of funds from the Federal Government; providing that expenditures from State funds shall not exceed the expenditure from Federal Funds with respect to any individual; and providing conditions as to residence within the State in order to be eligible to receive assistance; and providing a limitation of Forty-two Million Dollars (\$42,000,000) per year on State Fund expenditures for such purpose each year."

House Joint Resolution No. 22

Proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new Section to be numbered 63, and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county; providing the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein; and providing that administration of said system may be committed to the same body set up to administer the statewide municipal retirement system authorized under Section 51f of Article III, providing for the calling of an election and the publication and issuance of the proclamation therefor.

Be It Resolved by the Legislature of the State of Texas:

Section 1. That Article XVI of the Constitution of the State of Texas, be amended by adding thereto a new Section, to be numbered Section 63, which shall read as follows:

"Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such a plan and pro-

gram as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary and shall first be authorized by vote of the qualified voters of such county; provided further that the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for by Section 51f of Article III."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors at an election to be held throughout this State on the second Tuesday in November, 1951, and at said election the ballots shall have printed thereon the words:

"FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and

"AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees."

Each voter shall strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed Amendment published as

required by the Constitution for proposed amendments thereto. Sec. 4. If at said election, majority of the votes are "FOR" the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees" the foregoing proposed Amendment shall become Section 63 of Article XVI of the Constitution of Texas, and proclamation shall be made by the Governor thereof.

House Joint Resolution No. 37 Crowell, Texas, Aug. 9, 1951 THE FOARD COUNTY NEWS—7

Proposing an Amendment to Article VII of the Constitution of the State of Texas by adding a new section after Section 11 thereof to be designated as Section 11a, providing for the investment of the Permanent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution of the State of Texas; providing for the necessary proclamation and publication, and calling of an election therefor.

Be It Resolved by the Legislature of the State of Texas: Section 1. That Article VII of the Constitution of the State of Texas shall be amended by adding after Section 11 thereof a new section to be designated Section 11a, which shall read as follows: "Section 11a. In addition to the bonds now enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Permanent University Fund may be invested in such other securities, including bonds, preferred stock and common stocks, as the Board of Regents of the University of Texas may deem to be proper investment for said fund; provided, however, that not more than fifty per cent (50%) of the said fund shall be invested in any given time in stocks, nor shall more than one per cent (1%) of the said fund be invested in securities issued by any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors. This amendment shall be self-enacting."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1951, at which election all ballots shall have printed thereon (or in counties using voting machines, the said machines shall provide) the following: "FOR the constitutional amendment authorizing the Legislature to provide for the levy of an ad valorem tax not to exceed Fifty (50) Cents on the One Hundred (\$100.00) Dollars valuation for the creation and establishment of rural fire prevention districts," and "AGAINST the constitutional amendment authorizing the Legislature to provide for the levy of an ad valorem tax not to exceed Fifty (50) Cents on the One Hundred (\$100.00) Dollars valuation for the creation and establishment of rural fire prevention districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. 3-4tc

Horses have two sets of teeth, just as humans do.

for such Amendment shall be paid out of the proper appropriation made by law. The name, United States of America, originated when it was written into the Declaration of Independence. 3-4tc

Miss Emilie Kajs and Mr. Portwood Will Marry on August 11

Miss Emilie Kajs and Dewey Portwood of Wichita Falls are to exchange wedding vows during an afternoon ceremony scheduled for August 11 at Camp Rucker, Ala., where the young man is serving with the Army.

News of their betrothal has been revealed by the bride-elect's parents, Mr. and Mrs. Antone J. Kajs of Crowell. The groom-to-be is a son of Mrs. Paul Deckard of Wichita Falls.

Miss Evelyn Kajs of Crowell is to attend her sister as maid of honor. Best man for the groom will be Bill Low of Big Spring and Camp Rucker.

Miss Kajs, a graduate of Crowell High School, received a business education in Wichita Falls. She is now employed in the office of the Wichita Falls Board of Education.

Mr. Portwood is a graduate of the high school in Blair, Okla., and he also attended business college in Wichita Falls. Before enlisting in the Army, he was employed there by the Texas Electric Service Co.

The young people plan establishment of residence in Ozark, Ala.

HENRY CIRCLE

The Henry Circle of the W. S. C. S. of the Methodist Church met on Monday in the home of Mrs. Earl Manard.

The chairman, Mrs. Foster Davis, was not present and Mrs. M. S. Henry was in charge for a short business meeting.

Mrs. Bill Bell gave the devotional. William Nichols, song leader at the Christian Church revival, sang "I'd Rather Have Jesus." David Bayless played piano accompaniment.

Mrs. Fred Carr gave "Our Attitude Toward Old People." Mrs. M. S. Henry gave a review of the Book of Esther.

"Work for the Night Is Coming" was the closing song.

The hostesses, Mrs. Ray Deckworth and Mrs. Earl Manard, served a delicious refreshment plate to twelve members.

Home Demonstration Notes

MARY DEEB BROWN

We really had a wonderful time camping last week and are sorry that many of you were unable to attend. I took some pictures, and if they are any good, I'll bring them to the next club meetings to show the rest of you ladies just how much fun you missed.

We are not having scheduled meetings in August, but hope that you will all be ready to start again in September.

I still have some of those excellent pickle and relish bulletins left, so if you would like to have one, please let me know.
