pared, it is a wise choice of food. Properly cooked pork is gray throughout. Undercooked pork is pink in color and should not be eaten because it is a common source of the disease trichinosis, says Dr. Geo. W. Cox, State Health Officer.
 "You are perfectly safe from this disease as long as you eat of hogs that did not have trichinosis when they were butchered. But, the danger is real as long as you buy pork and pork products without finding out where they come from. It is equally real as long as you are not careful about what your own hogs eat. Most hog trichinosis comes from hogs eating uncooked garbage."
 "This disease is caused by a tiny, parasitic, round worm called trichina. It has a particular fondness for the animals' muscular tissue, and while still in the larval stage, becomes embedded there. It is usually in this stage when the animal is killed. People eating the meat without taking prop-

er precautions swallow these larvae. From the mouth they go to the stomach. Then the larvae bore into the walls of the intestines. Here they grow rapidly and migrate into the blood stream, causing fever, intense pain in the muscles, swelling and a high white bloodcell count.
 "There is no absolute cure for trichinosis. The most important preventive measure is to eat only pork that is well cooked."
 Changing color with the seasons, deer have a reddish or rufous shade in summer and a grayer, rougher looking coat in winter.

For Representative, 114th District:
JUDGE O. L. BELL
of Hardeman County

In the News . . . 30 YEARS AGO

The news items below were taken from the issue of the Foard County News of Friday, Sept. 30, 1921:

J. H. Harper will leave next week for Happy, Texas, where he and his family will make their home.

The rains Saturday night were general over the county and came as a great boon to wheat crops.

Preparations are underway by Austin Bros. Bridge Co. to build a bridge across Little Wichita River.

J. O. Bagley, resident of the Margaret community for 21 years, left with his family this week to make their home on a section of land near Vaughn, N. M.

Mr. and Mrs. T. L. Hughston were here Saturday night and Sunday from Quanah.

Mr. and Mrs. Paul Bruce and Mr. and Mrs. Jeff Bruce were visitors in Vernon yesterday.

Mr. and Mrs. H. K. Edwards and little son, H. K. Jr., went to Clarendon Wednesday morning to visit Mrs. Edwards' parents.

Misses Jode, Gladys and Glynn Brian left Saturday for Austin where they will enter the University of Texas.

Miss Frances Clark went to Denton last week to begin her second year's work in the College of Industrial Arts.

Misses Ruth Elliott, Jessie Lee Cates and Claudia Carter left last Saturday for Denton to enter North Texas Normal College.

J. C. Self and Glenn Halsell went to Fort Worth Sunday afternoon in a car. Mr. Self going on to Dallas Monday morning.

Miss Hattie Eldridge has returned to C. I. A. at Denton, this being her second year in that college.

Those on the League program last Sunday were Leslie Hart, Hazel Dykes, Louise Thomas, Mildred Cordell, Katherine Clark, Everet Saunders and Ada Bell Stovall.

State Fair of Texas Midway to Feature Unusual Attractions

The most unusual attractions that have ever appeared in the Southwest will be featured on the million-dollar midway of the 1951 State Fair of Texas, Oct. 6-21.

The beautiful and the weird, the laughable and the sensational, will evoke emotions ranging from hilarity to amazement among the more than two million visitors to the world's greatest state fair.

For example, Betty Lou Williams, a 17-year-old Negro girl who actually has four legs and three arms, will make her first appearance in Texas. She was chosen by the late Robert L. Ripley of "Believe It or Not" fame for his "Odditorium" show when she was but five months old. Her case has baffled medical science as well as the millions of people who have seen her.

Then there'll be two mammoth giants who will bring to mind the fabled story of "Jack and the Beanstalk." One is an Amazon giantess seven and a half feet tall, and the other is the famous 8 foot tall giant brought to this country several years ago by the Ringling Bros., Barnum & Bailey Circus.

Jess Willard, former world's heavyweight boxing champion, will also appear with one of the shows on the midway.

The biggest little people's show on earth will bring to the fair a talented aggregation of midgets, including a tiny little charmer who looks very much like Mae West and puts on a very realistic imitation of her.

Divena, the underwater ballerina who performs in a glass tank filled with water, will be at feature of the midway, as the star of a lavish musical revue. She has been seen in the nation's biggest and best-known night clubs.

These are just a few of the attractions on the 1951 midway. Preparations for the 66th edition of the state fair are proceeding at an accelerated pace as the time grows short before the gates swing open on Saturday, Oct. 6.

More than 5,000 entries already have been made in the livestock and poultry shows. The fair's new \$125,000 livestock pavilion is nearing completion and will be ready by fairtime.

SUICIDE TRY FAILS

New York — Deciding to end it all, Ralph Nicolls, 40, gulped down some 17 aspirin tablets, the equivalent of 12 sleeping pills, a quarter pound of DDT, a quart of wood alcohol and, not satisfied, he went into the kitchen and turned on five gas jets. Discovered, he was taken to a hospital where doctors said he would recover.

New State Hunting License Provisions Listed by Commission

Austin—The Executive Secretary of the Game and Fish Commission reminded Texans of some extra state law license provisions for the new hunting season.

One is that all Texans over 16 years of age, planning to hunt waterfowl, must have the \$2 Federal duck stamp regardless of whether they hunt in their home area.

Under the new state combined hunting license law, Texans must have the \$2.15 license to hunt small game beyond their home county. All those hunting deer or turkey must have the state license, excepting those who hunt on the property of their residence and those who are under 17 years of age.

Those hunting deer or turkey on their home property or excused by youth, must obtain an "Exempt" license which is similar to the regular licenses. They are issued without cost, bear the regular two deer tags but have the word "Exempt" lettered in red across their face.

The Executive Secretary emphasized that, for the waterfowl season beginning November 9, only exemptions for the \$2 Federal fee are persons 16 years of age and under.

Reports from the approximately 2000 state license agencies indicate that a normal number of Texans have bought the combined hunting license, as well as the \$1.65 statewide fishing license. A few dealers already have asked for new supplies.

HAVE YOU GIVEN IT SERIOUS THOUGHT?

The members of Mr. Black's sixth period Driver's Education Class spent their class period in downtown Crowell last Thursday afternoon checking traffic.

In forty-five minutes they discovered the following facts: out of 297 possible signals only 10 people gave signals to indicate which way they were turning; 86 failed to come to a complete

stop at the stop light (coming from north or west); 4 double parked; 8 backed away from the curb and made an illegal turn in the middle of the street; 1 was parked in the alley; 8 people drove around the knob in the center of the intersection instead of following the curving white line to turn right or left. Two people talked to each other from different cars while stopped at the stop light.

If you are guilty of any of these misdemeanors, you are a lawbreaker! Those who break the traffic laws are abusing their privilege to drive a car. Thoughtless drivers, please take heed!

SUGGESTION BOX PLACED IN LIBRARY

A suggestion box was placed on the check-out desk in the study hall by the librarian, Mrs. Hulse, this week.

Students and teachers are invited to submit recommendations for any type of book or any title of a book that would prove entertaining and instructive. If you prefer more travel books, dog stories, football stories or have any other favorites, please let your librarian know.

Mrs. Hulse said that the assistant librarians would "collect the recommendations, digest them and make out a list of new books accordingly."

DRAMATICS CLUB ELECTS OFFICERS

The first meeting of the year for the members of Crowell High School Dramatic Club was held Sept. 18 at 7:30 p. m. in the CHS auditorium.

After all new members signed the roll, the election for 1951-52 officers followed. They are: Don Gobin, president; Virgle Smith, vice president; Jane Bruce, recording secretary; Camille Todd, corresponding secretary; Norma Mathews, treasurer; Thurston Edgin, parliamentarian; Faye Black, reporter. The entertainment committee consists of Don Brisco, chairman; Bessie Franklin and Mary Lou Woods, assistants.

Mrs. Elmo Todd read the names of the honor thespians, who are Billy Johnson and Maurine Youree. Later a brief talk was given by Billy Johnson about his trip to Lafayette, Indiana, and Maurine Youree gave a summary of life at Colorado University at Boulder, where she attended a dramatic session. Mrs. Todd read a letter from the University telling of Maurine's dramatic accomplishments. After a short business session, the meeting was adjourned.

A list of the production staff members was released Wednesday afternoon. This list includes Jimmy Franklin, stage manager; Don Brown and Doyle McNeese, assistants; Wanda Jones and Rebecca Kown and Bertha Johnson, costumes; Robert Brock and John Dugas, electricians; Thurston Edgin and Nancy Hallmark, makeup; Essie Franklin and Virginia Tamplin, prompters.

A program committee appointed to assist Virgle Smith, vice president, was Jean Hughston and Jean Whitby.

GORDON WOOD BELL OCCUPIES FATHER'S ROOM AT BAYLOR

Coincidence, you say. We believe we have one. Ex-student Gordon Wood Bell, on entering Baylor University, found that he was assigned to a room in the Little Wilson House. This room proved to be the same one that his father, Gordon Bell, occupied twenty-five years ago!

This must be a good luck omen, Gordon Wood.

LA CLASE DE ESPANOL TRANSPORTS REPORTER SOUTH OF THE BORDER

Ninety-nine and forty-four one

hundredths per cent pure! Yes, that's the true quality of the Spanish that is spoken in Professor Henry Black's second period Spanish class.

"I just happened" to "wander" (at the editor's order) into Room 102 in search of a story the other day and before I realized it, I was immediately transported "south of the border" where allowing only brief pauses for my bewilderment.

After assuring them that "I understood the stuff" ("understood" actually meaning my alert ears occasionally picked up a faintly familiar "si," "senorita" and "como") they proceeded to converse in very fluent Espanol like true sons and daughters of Latin America.

After the class was over, I secretly drew Senor Black to one side and got down to the business of finding out what it was all about. Actually it was very interesting.

He was telling his pupils of Spanish influence right here in our own USA. He told of how Juan el bountista Onote led his little expedition 1500 miles to the west coast and founded the little village of San Francisco (St. Francis). There were only two deaths on this long, hard journey, and healed to any in the history of mankind. He pointed out that Texas, Louisiana, New Mexico, Arizona, Florida, Nevada, Colorado and parts of Wyoming are all far more vitally connected to Spanish culture than to New England culture. Thus it should be more interesting to us to know Spanish and Mexican history than the early New England history.

Spanish legends, fiction and even romance followed. Sure wish I could have understood the romance. Ah-h-h amor! All of the accompaniment by a Spanish phonograph (it must have been Spanish)—it played only Spanish records) made me begin to feel that "I belonged."

As the class drew to a close the students bade each other farewell in their adopted tongue and so they would say, I bid you "hasta lavista!"

ENGLISH III REPORTS CONTINUED

An Enjoyable Vacation
 It seems that Mike Bird was going to St. Louis and wanted someone to travel with him. Whom do you think he asked? Well—June 21, 1951, saw Mike and I catch a bus to Amarillo from where we boarded a four-motor Trans World airliner Constellation for Kansas City. We switched planes at Kansas City and flew on in to St. Louis.

We arrived in St. Louis just in time to see the Brooklyn Dodgers show their power by clubbing the

St. Louis Cardinals 9-3 at Sportsman's Park. After the game we checked in at the Jefferson Hotel and retired for the night.

Monday found us enjoying a free meal at the cafeteria of Ely & Walker, the largest clothing firm in the world. That evening we attended a fashion show at the Chase Hotel. The ballroom was completely filled by the clientele of Ely & Walker who was sponsoring it.

Tuesday we again returned to Sportsman's Park to watch St. Louis battle the Boston Braves. The Braves won the game on errors committed by the Cardinal infield.

While Mike was buying his winter stock, I took in the Forrest Park Zoo and found it most interesting. Incidentally it is the second largest in America. I met Limon Davenport, an insurance salesman from Childress. We challenged the Crystal Lake Country Club golf course, and I came within a foot of making a hole-in-one.

Wednesday evening we boarded the U. S. Admiral for a cruise up "Ole Man River," the Mississippi, made possible also by Ely & Walker.

We started home Thursday morning, but our plane had motor trouble, and we didn't arrive home until Friday.

If anyone should ever want to go on a trip of business and fun, go to St. Louis with Mike.

Ginger Johnson.

FIRST F. H. A. MEETING HELD

The Crowell High School F. H. A. chapter held its first meeting in the auditorium Monday, Sept. 17, with Mary Lou Woods presiding.

The club voted to accept the names of the girls who were nominated for the different offices by the nominating committee. These officers are as follows: Maurine Youree, president; Virginia Tamplin, vice president; Rosemary Moss, secretary; Carolyn Bell, treasurer; Jane Bruce, parliamentarian; Faye Black and Norma Jones, sergeants-at-arms; and Elba Caddell, song leader.

Mrs. Charles Bartley, Mrs. Homer Black, Mrs. Merl Kincaid, Mrs. Fred Youree and Mrs. George Davis were elected F. H. A. sponsors for this year.

The program committee for the year was appointed with a representative from each class serving. Norma Mathews, George Ann Davis, Margaret Thompson, Nita June Carroll and Norma Jones were appointed. This committee will also decide the meeting date for the club.

FOOD SURVEY CONDUCTED THROUGHOUT HIGH SCHOOL

The eating habits of Crowell High School were checked by the

Home Ec. department last week. 176 students filled out reports. About 60 per cent of these students were considered to have adequate diets. 62 per cent have some form of fruit every day, 59 per cent drink milk, 90 per cent eat some form of whole grain products each day. Only 13 of the students never eat breakfast.

On the other hand, 60 per cent drink cold drinks, 34 per cent eat candy, 20 per cent eat hamburgers and hot dogs, 20 per cent drink coffee and 25 per cent drink tea every day.

According to other nutritional information secured, the CHS eating habits are below average. Each person should select some foods from each of the basic seven groups every day. Carolyn Bell: I'm not wearing it yet.

Jean Whitby: It doesn't bother me.

Elba Caddell: Everybody looks alike.

Helen Ribble: It's different.

Jean Hughton: South America, take it away.

TYPICAL REPORT OF TYPING NOVICE

I have been asked to report on the typinx class. This is a very difficult task to do since I am just a first-year student. To begin with, we were taught a few of the main keys on the typewriter. We learned to type fast and slow; like whizzes.

One of the main things, it seems, is to keep your fingers limber. We do this by wiggling them back and forth till they almost drop off. Then comes the exciting moment when we begin to type. At last you place your fingers on the key board and begin to type. You are typing away like an ex-PerT, when you realize that someone is hovering over you. You look up; it is Miter Bloke. "Pour your feet on the floor!" he says.

"But, Miter Bloke," you plead, "I can do so much better if I sit on them."

Like all teachers, Miter Bloke is merciful and compels you to do as he says. You place your feet on the floor and proceed to type. You are typing away like an ex-PerT. The Fifth time.

One of the worst things about typing is lessons! I hate lessons; for hours you sit at the same typewriter and pound away trying to get a copy with error only to have the teacher come in and have you type an exercise. So you have to take the Lesson out of the type writ2r, and wait to finish it some other time. But you might as well hand it in there because you can't never get it in diytrot again.

Well, I must go give this to Miss Sloan. This is the best I have eber done. I af mighte pour proud of it.

FASHION FLASH—FROM THE HALLS OF CHS

Most of our young co-eds will be wearing clothes this winter. On every well dressed girl, we find these clothes and on every well heeled foot will be suede loafers in all colors.

Getting down to serious business, we want to let the fashion-wise in on what the foremost-fashion are wearing this year.

This year gold and grey are the leading colors for the teen-age set with purple running a close second. Many of our young ladies will be wearing party dresses in fireman's red with red satin shoes. Our best fabrics are wool jersey, velveteen, corduroy and flannel, dial welcome to all services. **J. Fred Bayless, Minister.**

Ways of making money this year were also discussed.

PHOTOS SCHEDULED TO BE MADE THIS WEEK

Individual pictures for the Round-Up will be made beginning Sept. 19 in a temporary studio on the stage in the auditorium.

"All individual pictures must be made this week," said Mrs. Earl Manard, Round-Up sponsor.

CROWELL STOMPS MATADOR

The CHS football squad continued its winning ways by trampling the Bullfighters of Matador by the score of 33-6 last Friday night.

The Wildcats started the slaughter almost immediately after the kickoff. Both teams fumbled at the beginning, but later Crowell got the ball and marched for a touchdown.

This kept up until the first half ended, which left the score 26-0. Then after the half, the second squad made one more touchdown which put the score 33-0. In the fourth period the Bullfighters finally reached pay dirt.

The boys who saw action in this game were Jimmy Everson, Buddy Caddell, Gerry Knox, DuWayne Elliott, Coy Payne, James Denton, Robert Kincaid, Billy Abston, LeRoy Bice, Jim Norman, Robert Brock, Billy Latimer, Don Smith, Gordon Graves, Don Gobin, Ginger Johnson, Roy Whitley, Jimmy Harper, George Scott, James Pittillo, Buddy Morris, Robert Graves and L. C. Gordon.

Three boys for the Wildcats were unable to play on account of injuries. They were Leon Pechack, Raymond Halenack and Wayne Borchardt.

NORMA'S NONSENSE

To Dorothy Wilson: I'd climb the highest mountain for just one of your smiles. I'd swim the deepest ocean for a touch of your hand. I'd walk through fire just to hear one word from your sweet lips. I'll be over Saturday night.

WEEKLY HA! HA!

Although V. A. Smith had just won a new car in a raffle, he seemed decidedly glum. "What's the matter, Smith?" asked John Diggs. "Man," he answered, "this other ticket. Why I ever bought it, I just can't imagine."

Grin, when asked what kind of exercise he took, answered, "I get my exercise acting as a pallbearer to my friends who exercise." (Football players, no doubt)

Tony Jones to Mr. Jones, "Here's my report card, dad, and one of yours I found in the attic."

Bear cubs are surprisingly small at birth, being about eight inches long, and weighing from nine to twelve ounces.

SONG DEDICATIONS

Frances Kincaid to Gerry Knox, "Ferdinand and Fightin'." Margaret to Jimmy Hestand, "Harbor Lights." Essie to Joe Bill, "Somebody." Norma to J. W., "Because of You."

Notice to all the boys of CHS: Dorothy Gamble goes steady with Gary Smith from Vernon.

So far there hasn't been much scandal in the locker. Please turn in your scandal.

Orchids to our band for the between-halves performance last Friday night. Good work, kids.

"Grin" seems to like these late date "dotties." That is, if we can judge by Saturday night.

COLUMBIAN CLUB
On Sept. 19, the members of the Columbian Club met in the home of Mrs. C. R. Ferguson. The theme for the program was "Public Affairs" and confined to the study of the American Indian. Mrs. M. N. Kenner, Mrs. Kenneth Halbert and Mrs. N. J. Roberts each gave a discussion giving especial emphasis upon some of the peculiarities of the earliest settlers. Few in this section of the state know there is an Indian reservation in Texas. There is one in Polk County and its inhabitants are what is left of the Alabama tribe. For a number of years the Texas Federation of Women's Clubs have had an interest in providing extras for these underprivileged people and the Columbian Club members are sending a box of useful gifts which will go to Indian widows with chil-

dren. C. H. Jones, superintendent of the reservation staff, says they are always grateful to receive such items. Mrs. Ferguson served a delicious refreshment plate to twenty-two members and one guest, Miss Mary Sam Crews, of Houston.

BAPTIST W. M. S.
The First Baptist W. M. S. met Sept. 24 at 3:30 p. m. in the home of Mrs. Barnard Franklin. The program began with the group singing of "Glory to His Name." Mrs. Frank Long then led in prayer. During a short business, a report was given on the special offering for state missions. Rev. Barnard Franklin taught the Bible lesson, St. Luke, 1-13, "Parable of the Unjust Steward." The main scripture was verse 11, "If therefore ye have not been faithful in the unrighteous mam-

mon, who will commit to your trust the true riches?" After the lesson Mrs. T. W. Cooper led in prayer. The hostess, Mrs. Franklin, served a lovely salad plate and refreshing lime punch to the 23 members present. The WMS will meet Oct. 1 in the home of Mrs. W. F. Statser. This is to be the installation of officers for the coming year. The nursery will be open at the church at 3:30 and the Sunbeams also meet at 3:30 with Mrs. Glendon Hays in charge of the Sunbeams.

THALIA W. S. C. S.
Ladies of the W. S. C. S. of the Thalia Methodist Church met Monday, Sept. 24 at the church in the regular 4th Monday program and social meeting with Mrs. C. C. Lindsey as leader, and Mrs. W. G. Chapman, Mrs. Clark Campbell, Mrs. H. W. Gray and Mrs. C. H. Wood taking part on the program. A duet, "Kneel at the Cross," was sung by Mrs. Gray and Mrs. Wood. A skit written by Nora G. Smith in the Methodist Woman, (Cast Thy Bread) was presented by Mrs. Delmar McBeath, Mrs. W. G. Chapman, Mrs. Gray and Mrs. Wood. Mrs. Clark Campbell, newly-elected president, welcomed the visitors after which refreshments of sandwiches, potato chips, cookies and soda pops were served to 23 ladies by Mrs. Chapman and Mrs. Campbell, hostesses.

Mrs. Manard led a panel with the following subject for discussion, "A Day with the American System." Mrs. Manard spoke on "America Looks Ahead;" Miss Frankie Kirkpatrick used "The American System;" Mrs. Grady Graves reviewed "The United States Foreign Policy;" and Mrs. Luke Archer discussed "Other Forms of Government." Mrs. Mac Steele and Mrs. Nelson Oliphant were hostesses for the evening and served a delicious salad course to 28 members and one guest, Mrs. Joe W. Beverly.

In the same period, the Service deported 12,253 aliens and processed the voluntary departures of an additional 673,151 deportable aliens at their own expense.

HIT, DROWNS
Tampa, Fla. — W. W. Hudson, 63-year-old member of a railroad crew working on a bridge, was standing on the bridge when a truck, loaded with rough timber, approached. Hudson stepped aside but the timber struck him, knocking him from the bridge into the river below. He drowned before he could be rescued.

Home Demonstration Notes

MARY DEEB BROWN

Seems as if all of our club work starts in earnest in September and we begin to plan for the next year's work as well as finish up the work of this year. As most of you know by now, we plan to have our Achievement Day and Bake Show Oct. 27. I'm expecting to see at least one entry in the bake show from every club woman in the county.

Also each club will have an Achievement Booth and I would like to see there some of the things you've made or achieved during this year. Certainly some of you have done excellent work and I know that other women in the county would be interested in seeing it. It will be your duty as a club member to invite your neighbors and friends who are not club members in to see this display. That is one way to arouse interest in your club, you know. By showing your neighbors just what you learn in club, you often find that they too want to join. We still need programs for the yearbook. If you have anything that you would particularly like given as a demonstration, please tell your yearbook chairman or let me know. Notice to all club presidents: please get your list of new officers, including council delegates, in to me as soon as possible.

STOPPED DRIVER DIES
Los Angeles — Ordered by a policeman to pull over to the curb when Herbert Bringold drove through a red light, Bringold obeyed. The officer asked for his driver's license. Bringold produced it, held it out, then slumped over dead.

"SHOW BOAT"

(COLOR BY TECHNICOLOR)

When a picture like this comes along, it's wonderful to be in showbusiness. And it's wonderful to be in the audience too, for this new screen version of the Jerome Kern-Oscar Hammerstein II musical play is everything an exhibitor or moviegoer could ask for. Everybody knows that "Show Boat"—Edna Ferber wrote the popular novel; Florenz Ziegfeld produced the musical in 1927; Universal made the first screen version in 1929, with Laura La Plante, Joseph Schildkraut, Otis Harlan and Alma Rubens playing the principal roles; then in 1936 Universal made it again, this time with Irene Dunne, Allan Jones, Charles Winninger, Paul Robeson and Helen Morgan heading the cast. Among musicals, it is immortal; it is truly America. Here comes the Show Boat again—and this time better than ever. All decked out in wondrous Technicolor, highlighting the irresistible Kern melodies, well performed and directed, MGM's 1951 edition is indeed a joy to behold.

TUES. - WED. My Outlaw Brother
You enjoyed Mickey Rooney in "Quicksand." Don't miss him in this story.

THURS. - FRI. Country Parson
In these times fraught with uncertainties and unknown dangers ahead, men are turning once more to Christ and are in ever increasing numbers following in his footsteps. So like a Church steeple pointing its finger straight to God, this picture is more than a sermon on film. It is a challenge pointing its finger straight at your heart.
