

Sportsmen Urged to Prevent Accidents While Hunting

Austin—The seasons are set, bag limits established and prospects call for pretty fair hunting for most of Texas.

But the routine will not be complete until the "forms" are distributed.

The "forms," according to the Chief Clerk, go to the game wardens to cover casualty reports.

On the theory that stressing the grim side in advance might save sordid details later, the Chief Clerk explained a potent section or two in the "forms."

This one implies the more common causes of hunting casualties: cause of accident, intentional discharge of firearm, victim moved into line of fire without warning, victim covered by excited shooter swinging on game, victim unseen

by shooter, victim mistaken for game, shooter stumbled or fell, trigger caught in brush, clubbing game or cover, removing weapon from boat or vehicle, crossing fence, didn't know it was loaded.

The Chief Clerk suggested sportsmen study these main causes of hunting accidents, become more safety conscious and help curb tragedies afield.

SLAYS JAILER

Lewisburgh, W. Va.—George Bartgis, about 65, who had been released from a county jail after serving fourteen of the eighteen years he had been sentenced for murdering a woman, returned to the jail, knocked on the jailer's door and then killed him with four shots in the face. He wounded a second officer before he was fatally wounded himself.

FASTER DOLLAR RATE

Production of goods and services in the United States is at the highest rate, when measured in dollars, in the nation's history.

On an annual basis, the Department of Commerce, estimates our output for three months, April-June, \$305.6 billion dollars. This is about one hundred billion higher annually than the peak war year 1944.

Figures as to production, based on national income statistics, are not necessarily the same as the index of industrial production in physical units. This is shown when we see that the Federal Reserve Board's index of this type stands at 215 for July, compared to the monthly average of 239 achieved in the war year, 1943. This is still the high point of production as measured in physical units.

HAVE NOT HURT INDUSTRY

"Has our economy, our industry, been harmed by controls?" This is a question raised by Charles E. Wilson, director of Defense Mobilization and himself one of the leaders of industry. What is his answer? Here it is, in his words:

"I look over the balance sheets of the nation's industries, in a few of which I own a few shares of stock, and I find that they are making money, sometimes forty per cent more than they did in 1950, and 1950 was not a bad year."

With military orders being placed at the rate of a billion dollars a week, Mr. Wilson says the nation is entering a new phase of its production program and facing shortages of various kinds. He insists that the time has come when we must consider the problem of raw material scarcities and warns of the need for conservation.

ARABS SUSPICIOUS OF U. S.

From Beirut, Lebanon, comes information that fellowships at the American University are going begging as Arab students decline to accept the offers of the United States to assist them receive instruction in government, administration and technical subjects.

Throughout the Arab world, so the report goes, the impression prevails that there is something fishy about the U. S. effort to help students. Unaccustomed to anybody giving away something for nothing, the Arabs wonder what this country expects to "get" in return for its liberality under the Point Four program, which is thus under suspicion.

This incident emphasizes the difficulty of doing something for somebody who is too ignorant to understand your motives, much less appreciate the generosity that leads to an effort to help the so-called underprivileged.

Business that has been ruined for the past twenty years, is making bigger profits than ever before.

Old Age Assistance Amendment Would Do a Great Injustice

Austin—A vote on Nov. 13 for House Joint Resolution 6, the old age assistance constitutional amendment, would do a great injustice to every needy old person in the State of Texas.

That is the conclusion drawn after an exhaustive analysis of the proposal by Texas Research Institute, an agency devoted entirely to studies of State government.

Every needy old person now drawing old age assistance is in danger of getting a cut in his grant, or at best, he cannot expect any increase.

Although the amendment provides an additional \$7 million from State funds for old age assistance, blind assistance and aid to dependent children, most of the additional money would be required to make grants to thousands of aliens who will become eligible if the proposed amendment is adopted.

The present Constitution provides that assistance may be granted to "Needy aged persons who are actual bona fide citizens of Texas..." The underscored words do not appear in H. J. R. 6.

Instead, the proposed amendment substitutes the word "resident" for the word "citizen." H. J. R. 6 makes it clear to all that aliens are to become eligible by using the following language: "any resident... may not be excluded who has resided in the State for five (5) years during the nine (9) years immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application..."

If the amendment is adopted, a special session of the Legislature would be required to appropriate an additional \$7 million per year, all of which would have to come out of the pockets of Texas taxpayers.

SOLDIERS AND GUNS NOT ENOUGH

"Soldiers and guns will not save the free nations from Communist aggression and totalitarianism," declares Alcide de Gasperi, Premier of Italy, who says that there must be "full cooperation" in gaining a higher standard of living and social welfare. He stressed the necessity of strengthening democratic institutions by improving living conditions, so that nations will be better able to defend themselves.

What the Italian leader is saying is that there is a lack of capital in many free countries which makes it impossible to utilize potential productive power that would give employment. He warns that if this is not done, it means "discontent at home and a weakened social and economic position," which would be of great help to an aggressor.

The Italian Premier recognizes that Italy is unable by itself to put this program into motion. He calls for "international cooperation," declaring that disaster in one country must sooner or later spread to another.

The words of the Italian have some import to Americans who believe in what is called the free enterprise system. Obviously, it cannot prevail in a world if it is confined to the United States of America. Equally apparent is the necessity of American capital, either in the form of loans or grants, to assist other free peoples to build up their economy for the purpose of improving the standard of living, which means, in essence, satisfying the demands of their peoples.

The Point Four Program, proposed by the President of the United States, apparently takes cognizance of this necessity. If it is carried into effect, with the consequent result of gradually improving conditions in other countries, it will have a tremendous bearing in the economic war between Capitalism and Communism. Those who do not like it, or think that the United States cannot afford it, should come forward with their solution for the present economic ills of the free peoples.

In the News... 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Nov. 11, 1921:

Armistice Day will be observed in Crowell on Nov. 11, in accordance with President Harding's and Governor Neff's proclamations.

The bargain day price of the Fort Worth Star-Telegram is \$6.75 per year, \$1.10 cheaper than last year.

Mrs. J. H. Lanier entertained last Saturday at her home with a party for her little daughter, Aylene. Little Miss Marjorie Spencer was the honor guest and very popular.

S. S. Bell was foreman of the grand jury for the October term of District Court in 1921. J. A. Nabers was District Judge.

Texas' cotton crop this year is estimated to be 1,820,000 bales by Chas. E. Baughman, commissioner of Markets and Warehouse Department at Austin.

Attention is called to the fine November weather now prevailing to that of November of 1907 when a light snow fell on November 7. The winter of 1907 was one of the most severe in the history of the county with plenty of snow and followed by a good wheat crop.

Mrs. A. H. Clark and little daughter, who had been visiting here for a month from Oklahoma City, left Sunday for their home.

Miss Minnie Logan returned home yesterday from Aspermont.

Edgar Logan returned the first of the week from Cuba, N. M., where he filed on a section of land.

Jimmie Russell returned last Friday from Henderson, Texas, and he brought back some ribbon cane and ribbon cane syrup.

Judge J. N. Browning of Amarillo, 71, died suddenly yesterday. He was a member of the Senate at the time Foard County was created, and Lieut. Governor from 1898 to 1902.

OUR GREATEST DANGER

Herbert Hoover's most recent major address dealt with the subject of honor in public life. In the course of it, the ex-President said this: "Dishonor in public life has a double poison. When people are dishonorable in private business, they injure only those with whom they deal or their own chances in the next world. But when there is a lack of honor in government, the morals of the whole people are poisoned..."

"Our strength is not in politics, prices, or production, or price controls. Our strength lies in spiritual concepts. It lies in public sensitiveness to evil..."

"The issue is decency in public life against indecency."

"Our greatest danger is not from invasion by foreign armies. Our dangers are that we may commit suicide from within by complaisance with evil. Or by public tolerance of scandalous behavior. Or by cynical acceptance of dishonor. These evils have defeated nations many times in human history."

"The redemption of mankind by America will depend upon our ability to cope with these evils right here at home."

Remember that next time you read of five-percenters, mink coat and deep-freeze "gifts" to government officials and employees, sordid tie-ups between politicians and gamblers, and morally indefensible activities within the RFC and other government agencies. These things are terrible symbols of moral decay. As Mr. Hoover has eloquently warned, that decay could destroy us more surely than any foreign enemy. — Industrial News Review.

Political Announcements

For Representative, 114th District:

JUDGE O. L. BELL of Hardeman County

SELLING SOCIALISM

In a recent Saturday Evening Post article, which has been widely quoted and where Charles Stevenson described government activities in the field of propaganda—paid for, of course, by all the taxpayers.

One section of his article dealt with the Federal Security Agency's labors on behalf of compulsory government health insurance and related legislation. According to Mr. Stevenson, anyone who challenges the program "stands denounced in the FSA's speech-releases as a 'reactionary' who is against health, against social security, against education, against a living wage, against everything that means anything to ordinary people, and in the end against our very liberty, our opportunity, our hopes for the future'."

Mr. Stevenson also pointed out that the American Medical Association was roundly abused for spending money to fight compulsory health insurance, which it believes would dangerously undermine our standards of medical care and make the doctor the servant of the politician. Yet, he said, FSA has apparently been spending far greater tax-supplied sums for its own propaganda. He cited a case where a man appeared before a congressional committee to argue for health insurance as an independent citizen. He got in 9,000 words of testimony before questioning disclosed he was a full-time government employee. He was then in the Labor Department and later was employed by FSA.

Mr. Stevenson described many such instances. Every possible form of pressure was used to sell a health insurance scheme which, if historical precedent means anything, would have been merely a prelude to socialized medicine. Mr. Stevenson said, "These campaigns are typical of propaganda techniques that are spreading throughout the government."

Luckily, the people weren't fooled—the health insurance scheme has been shelved. But that's only a temporary strategem. It will be back—and the only way we can be sure of stopping it is to be eternally vigilant. — Industrial News Review.

CREATING PROGRESS

A short time ago a group of German food chain executives came to this country under government sponsorship. Their objective was to study American food chain distribution and to see at first hand the American system of doing business.

One of the visitors has written a letter describing the trip. He gave the highest praise to American retail stores. Then he wrote,

FOR COMPLETE AUTOMOBILE LIABILITY PROTECTION SEE US TODAY! \$15,000.00 Automobile Bodily Injury and Property Damage Liability Insurance FOR ONLY \$25.00. Hughston Insurance Agency

"A seven weeks' stay in the U. S. A. has shown us something of what you call the American way. Before this it was only a slogan for us, the same as so many others. But today we know that there is really something behind it, that the friendly cooperation of even the most ardent competitors is a fact, that you Americans are really in favor of competition with all your hearts, because it serves progress."

The German visitor went home with a very clear concept of how retailing works in this country. It is true that, in most cases, the competitors are friendly—but that doesn't make them any less competitive! Quite the contrary—there's nothing any storekeeper likes better than to take trade

away from the shop down the street or in the next town. He uses every inducement possible to get lower stocks, better services, larger prices, better advertising, and so on. That goes for big stores and little stores, chain stores and independent dealers in every conceivable commodity.

Yes, competition serves progress. And it creates progress for the producer, the consumer, the worker, the retailer, everyone. It is the heart of what we call the American way.

Americanism: Men, working hard to acquire a fortune in order to be able to play and then dying because they failed to play.

Telephone Co-Op. Making Progress on Loan Agreement
The board of directors of the Santa Rosa Telephone Co-Op. met in special session in Vernon on Saturday, Nov. 3, to complete final requirements of the loan agreement for construction of telephone service to its members and requested the administrator of R. E. A. to proceed with the loan agreement, it was announced this week.

C. G. Freeling, president of the board, feels hopeful that the loan agreement or contract, engineer area design and engineering contract will be ready for acceptance by the board of directors on Nov. 12, at 7:30 p. m., when the regular monthly meeting is held.

When these different obligations are accepted by the Santa Rosa Telephone Co-Op. board of directors, and executed, Mr. Freeman said, the Co-Op. will be in position to accept bids for material and start construction of the system soon thereafter.

Convention of West Texas CC to Be Held in Amarillo Nov. 14-16
Amarillo—Better trade relations with Mexico will be the theme of an address by Jack D. Neal, acting officer in charge of Mexican Affairs of the U. S. Department of State, at the 34th annual convention of the West Texas Chamber of Commerce to be held here November 14, 15 and 16.

Neal is a native Texan, a resident of Marlin and Houston. In 21 years of service in the State Department he has served in Colombia, Nicaragua and Mexico. He has been chief of the Department's Division of Foreign Activity Correlation and later was associate chief of the Division of Security.

In 1945 he was the department's representative on the exchange vessel, "Gripsholm."

He studied in the University of Texas, 1926-30. He is a graduate of the National War College, which is the government's highest educational institution where selected personnel from the armed forces and certain civilian agencies study and prepare for the exercise of joint high level policy, command and staff functions, and for strategic planning duties.

English Teachers in This Area to Meet in Wichita Falls Nov. 10
English teachers from 24 counties in the North Texas area will meet at Midwestern University in Wichita Falls for a one-day workshop November 10.

Ways to make the teaching of English more effective in Texas through combined efforts of high schools and colleges is the purpose of the annual workshops, sponsored jointly by the Texas Conference of College Teachers of English and the English section of TSTA. This year the teachers will discuss the role of newspapers, radio, movies, and other mass media in teaching.

Dr. Cuthburn M. O'Neal of Arlington State College will give the workshop's main speech at a luncheon from 12:15 till 2 p. m. His subject will be "English as the Heart of Common Learning."

Dr. Margaret Lee Wiley of Commerce, chairman of the joint committee sponsoring the workshop, will attend. She will give the Texas Education Agency's conference report on certification of teachers.

Health Letter
Texas State Department of Health, Austin, Texas. Geo. W. Cox, M. D., State Health Officer.

Austin—As the hunting season gets underway, Dr. Geo. W. Cox, State Health Officer, urges caution in handling firearms. More than 160 Texans were killed in 1950 as a result of carelessness in handling guns. At a time like this it is more than ever important that we should conserve human life whenever possible.

"It is not enough to deplore the waste of human lives caused by the careless handling of firearms," asserts Dr. Cox, "we should learn from the deaths of these victims the lessons of safety which will prevent this needless and shocking waste. With the price of meat at the present high level there is a possibility of more hunters going into the field than ever before."

The State Department of Health gives the following safety suggestions in handling guns:

- While hunting to be sure that the loaded gun is on safety until ready to fire.
- Never shoot without seeing your target clearly.
- Never crawl through a fence carrying a gun.
- If hunting with a companion stay close to him.
- Do not strike the ground or a wounded animal with the butt of a loaded gun.
- Never scuffle while holding a loaded gun or point it at a person "for fun."
- Always unload a gun before attempting to clean it.
- Always unload guns before taking them into camp or houses.
- All guns should be carefully put away in the home out of reach of small children.

W. S. C. S. MEETS
The W. S. C. S. of the Crowell Methodist Church met in the home of Mrs. J. W. Bruce Monday afternoon for their monthly social meeting. Mrs. Oscar Gentry and Mrs. Will Jones shared hostess duties with Mrs. Bruce.

"Something for Thee" was the first program number with Mrs. C. W. Thompson leading. Mrs. Hines Clark was leader of the lesson which had for a title, "Thy Will Be Done South of the Border." She was assisted by Mrs. Chas. Bryson and Mrs. Clint White who talked on the various phases of the subject. Mrs. White talked on "Possible Solutions to Existing Conditions."

The hostess served a delicious refreshment plate to twenty-three members present.

ADELPHIAN CLUB
The Adelphian Club met Oct. 31 at the club house with Mrs. Dwight Campbell as leader of a program on art.

Mrs. Hubert Brown showed colored slides of Near Eastern Art, which included pictures of ancient Iranian pottery, Persian faience, and manuscripts. Mrs. Campbell gave an interesting talk on the National Art Gallery in Washington, D. C., and a report on the progress of the art project in the local grammar school.

The works of art of the following local artists were on display: Mrs. C. P. Sandifer, Mrs. Otis Gafford, Mrs. Merl Kincaid and Mrs. Bill Tysinger. This display included oil, pastel, and pallet pictures, ceramics and china painting.

WHY MAKE A D?

Now that almost everyone has gotten over the shock of his first report card and the second six weeks is well under way, this is a good time to ponder the rather unusual question, "Why make a D?"

Although a D is an unwelcome visitor, it is taken into the homes of a small number of students each six weeks.

As a matter of fact, there are three kinds of D's, one is made by the person who makes little or no visible effort to pass the course. Another is the one received by the tumbled student who puts in little effort, but spends most of his time on his favorite subjects and neglects the others. The third is received by those who work hard at a course, but aren't quite able to make a D.

The second six weeks can be an entirely new story for the D recipient. The one who made no effort at all will probably do about the same, or may drop the

course. The one who puts in some effort may work a little bit harder to try to make a C, or he may decide he hasn't a chance and fall by the wayside. Best prospect is for the one who barely failed to rise above the D level. As a rule, he will really get in the harness and work for a better grade.

If you have received a D, ask yourself the question, "How do I stand?"

SEVENTEEN OFFERS PRIZES

One thousand dollars in prizes will be awarded to the five winners in the "Seventeen" magazine's sixth annual short story contest. All teen-age fiction writers between the ages of 13 and 19 are eligible to enter.

First prize in the contest is \$500, second prize \$200 and \$100 each for the next three places. All entries must be in by Dec. 15.

The three rules for entering stories are as follows: (1) manuscript must be original, (2) the entries must be between 200 and 3500 words in length (3) a notarized statement must be submitted by the author saying that he is between 13 and 19 years of age.

Contestants may enter as many manuscripts as they wish. All manuscripts not winning prizes will be automatically considered for publication in "It's All Yours," a monthly department in "Seventeen."

Entries will be judged on suitability for publication as well as literary merit.

Winners will be announced in the April, 1952, issue of the magazine.

Mail entries to Short Story Contest, Seventeen Magazine, 488 Madison Ave., New York 22, N. Y.

WATCH THE BIRDIE.

"Watch the birdie," is a saying that all of Norma Jones' friends have become acquainted with during the time that she has been photographer on the annual staff.

Norma and her camera have become familiar sights on the campus; at board meetings, on trips like the one to the State Fair at Dallas, on the school buses, and at parties.

"Norma has really been on the job," says Mrs. Manard. And so she has, but she could use some help. Why doesn't everyone enter a snapshot or two in the snapshot contest which ends Nov. 30?

All school colors are a symbol of school pride and school spirit. The variety of colors that, at various times of the year, bedeck Crowell Stadium are representative of a school, a student body, and a nickname. When goal posts are decorated before games with streamers of colorful papers, it is with the theme of school colors in mind.

The first team to invade Crowell Stadium was the Munday Moguls, who, robed in purple and gold, were defeated 26 to 0.

The Wildcats then invaded the Paducah Stadium. There the black and gold reigned over orange and white to the score of 26 to 7.

The Matador Bullfighters of the red and black were the next to tussle with the Wildcats. Again, the black and gold reigned to the score of 26 to 0.

Decorating both goals in black and gold, the Quanah Indians prepared for the skirmish with the Wildcats, whose colors duplicated theirs. The colors were the only duplications, however. The Wildcats lost by the lopsided score of 49 to 13.

The Wildcats came back the following Friday night to win over Iowa Park's green and white Hawks. The results were 25 to 7.

Red and white proved to be un lucky to their teams but lucky for the Wildcats, as Crowell defeated the Holiday and Chillicothe Eagles, 27 to 13 and 34 to 0, respectively.

Next, the Archer City Wildcats journeyed to Crowell to tussle with the Crowell Wildcats and to win a victory over Crowell 7 to 6.

Archer City colors are the same as ours.

Tomorrow night, the Wildcats will carry their black and gold banners into the Bobcats' home field with the intention of a victory over Newcastle's green and white.

The last game of the season will be with Henrietta. The black and gold of the Wildcats will be mixed with the same colors for the Bearcats.

WOMEN FIRST ON MY LIST, STATES SENIOR EDGIN

Talking to and looking at good looking girls has been Thurston Edgin's favorite pastime since "knee high to a grasshopper." However, he still has lots of time to spend on other things as well. During his high school career, he has devoted three years to the band, two years to being art editor of the Round-Up. He is also a Thespian who has done quite a bit of work toward furthering dramas in high school.

His great ambition is to be a lawyer and handle the affairs of some large corporation. He plans to join the Navy after graduation and afterwards study law.

Even with his varied activities, this 6 ft. 1 inch, 220 lb. senior of CHS finds time for eating steak, girls, wearing blue and green (his favorite colors), girls, sketching, girls, painting portraits, girls, and last, but certainly not least, girls.

ELBA RATES HILLBILLY MUSIC AND SEWING AS CHIEF ENTERTAINMENTS

An ambition to be a beauty operator and a craving for good old hillbilly music couldn't possibly characterize anyone else but likeable Elba Caddell, senior.

Along with standing 5 feet 4 inches tall, green eyes and brown hair, Elba is famous for having the most contagious giggle in all high school.

Elba says she knows she wants to be a beauty operator, but her plans beyond that point are still a little undecided as yet.

She has seen many outstanding actresses and actors in her time, but Claudette Colbert and Robert Mitchum are her favorites.

Outside the realm of hillbilly and western music, which she enjoys so much, she has to admit that Nat King Cole's version of "Because of You" is tops.

Her giggle, which is more catching than measles, and her warm personality, have earned her the honor of twice being her class favorite.

She considers many things hobbies, but so far as being enjoyable and practical at the same time, it's

SPORTS REVIEWS

The Crowell Wildcats face the high-flying Bobcats of Newcastle on the Bobcats' home field this Friday night in the most crucial game of the year. Although Newcastle has remained undefeated and unscathed on, they have not faced the schedule that has been faced by the Wildcats. It is no secret to anyone that the Wildcats will have to beat Newcastle to remain in the district championship race. According to most authorities, the Crowell team is just the team to defeat the Bobcats, and Coach Amone's charges are going to Newcastle Friday with an upset in mind. After the way the Chillicothe team ripped up the Newcastle line, we are hopeful about the chances that the Wildcats have to beat the Bobcats. We all know our CHS eleven is really going to be out there fighting every minute of the game to bring home a victory, so we urge everyone to travel to Newcastle and support the Wildcats wholeheartedly.

CROWELL RESERVES EDGE VERNON 18-13

Poor football players. If it's not raining, it's snowing when the Crowell teams are playing a football game. They must be the unluckiest bunch in the district. Although it was cold and snowing last Thursday night, the Crowell reserves managed to add another victory to their unbeaten record. They slipped by the Vernon team by a close score of 18-13. All of the B teams' scoring came in the first half. Jimmy Everson started it when he intercepted a Vernon pass on the 25 yard line, and behind good blocking, went all the way for a touchdown. Wayne Borchardt failed to make the extra point. In the second quarter Gerry Knox and Borchardt made nice runs to set up six more points for the Wildcats. Coy Payne plunged over from the 5 yard line. The try for extra point failed, leaving the score 12-0. A little later in the same quarter, Coy Payne let go a long pass to right end Roy Whitley that covered about fifty yards and a touchdown. Crowell was unable to score the extra point. The half ended 18-0 with Crowell leading. The Vernon B team came back with lots of fight in the last half and scored twice. Their first touchdown came when one of Crowell's backs fumbled on the five yard line and Vernon recovered. It took just three line plays to score. Their attempt for the extra point failed. Again in the last quarter Vernon capitalized on a Crowell fumble. They marched 45 yards for another touchdown and scored the extra point. This ended the scoring for both teams and the final score was 18-13 in favor of Crowell.

NORMA'S NONSENSE

I love the paper. I think it's swell. On Thursday mornings I run pell mell to get my copy and read each line. The stories and columns I think are fine. I laugh at the jokes. I read all the ads. I note all the news. I take up the fads, when I praise the paper I scorn those who laugh. I'm really most loyal I'm on the staff!

Miss LaVerne Owens Becomes Bride of Ray Tamplen in Vows Exchanged at Margaret Church Saturday Evening

The marriage of Miss LaVerne Owens, daughter of Mr. and Mrs. A. B. Owens of Margaret, to Ray Tamplen, son of Mr. and Mrs. Luther Tamplen, was solemnized at the Margaret Baptist Church Saturday evening at 7 o'clock with Rev. G. C. Laney, the pastor, officiating at the impressive double ring rites.

The church was attractively decorated with the improvised altar at the front formed of tall candleabra holding tall white tapers, each decorated in pink roses. Tall baskets of white gladioli and stock interspersed with greenery also was a part of the altar decorations.

J. T. Tamplen served the groom as best man and J. S. Owens Jr. and Earl Ingle did duty as ushers. Mrs. W. F. Bradford played appropriate piano selections as a pre-nuptial background and played accompaniment to Mrs. W. A. Dunn, who sang "I Love You Truly." Mrs. Bradford also played the traditional processional and recessional marches for the bridal party. "The Flower Song" was played during the recitation of the vows.

The bride, given in marriage by her father, was prettily attired in a wedding gown of Venice lace, made over slipper satin and adorned with seed pearls. The yoke of the lace and was outlined with medallions from the lace material which were filled with seed pearls.

The dress had short scalloped sleeves and lace mitts which came to a point over the hands. They were buttoned to tiny self-covered buttons as was the scalloped pointed basque which was attached to a full, ballerina-length skirt, also scalloped.

The finger-tip veil of illusion

hung from a calotte of gathered lace ornamented lavishly with seed pearls. Her bouquet was of gardenias and stephanotis carried on a white Bible.

Jimmy Joe Owens, cousin of the bride, carried the rings on a satin pillow. Miss Mildred Tamplen, a sister of the groom, was maid of honor, while Miss Virginia Tamplen, another sister, and Miss Genevieve Ingle, a cousin of the bride, were bridesmaids. They wore, respectively, hunter's green, pink and lime green costumes of net over taffeta, all fashioned alike. The maid of honor wore a net stole and the flowers of each were white pom-pom bouquets. The candle lighters were Betty Jane Ingle and Sandra Joy Ingle, both cousins of the bride, and they wore blue and yellow dresses of net over taffeta, each with headress and mits to match.

The mother of the bride wore a dress of dark blue crepe with bolera jacket and a corsage of split pink carnations. The mother of the groom wore a turquoise blue dress and a split pink carnation corsage.

For going-away, Mrs. Tamplen wore a beige gabardine suit with brown accessories and a gardenia corsage. After a wedding trip the couple will reside in Lubbock, where Mr. Tamplen is employed by Southwestern Bell Telephone Co.

Mrs. Tamplen is a graduate of Crowell High School. She attended Texas Tech and completed a business course in Lubbock.

She is a granddaughter of Mrs. Valeria Owens and Mrs. Ella Ingle, both pioneers of the Margaret community.

Mr. Tamplen is also a Crowell High School graduate. He attended Decatur Baptist College and served in the Navy for fourteen months.

A reception at the Owens home followed the marriage with Mr. and Mrs. Owens, parents of the bride, as hosts. Mrs. Mary Rupel of Vernon, sister of the groom, presided at the guest register.

The beautiful 3-tiered wedding cake, after having been cut first by the bride and groom, was cut by Miss Mildred Tamplen and Miss Virginia Tamplen poured punch.

Mrs. Lee Blevins of Quanah and Mrs. John L. Hunter Jr. also assisted in the dining room. All the members of the bridal party assisted throughout the reception rooms.

Out-of-town relatives and friends present for the wedding included Mr. and Mrs. H. L. Swan Jr. of Pampa, Mr. and Mrs. Henry Bradford of Lubbock, Miss Lou Sun of Electra, Mrs. Bob Gohin and Mrs. Lee Echols of Lubbock, Mrs. Lee Blevins and daughter, Lee Ann, of Vernon, Miss Betty Laney of Paducah, Mrs. Carl Ingle of Quanah, Mrs. Mary Rupel and two children of Vernon, Mr. and Mrs. Earl Davis of Petersburg and Mr. and Mrs. A. W. Owens of Quanah.

The Henry Circle held its social meeting on Monday, Nov. 5, in the home of Mrs. Mark Henry with Mrs. Tom McCandless as assistant hostess.

A Thanksgiving program was carried out, with Mrs. Henry Borchardt giving the first number which was an explanation of the Apostles' Creed, stating the interesting fact that each apostle was responsible for one thought in it. Peter opening it and Matthew closing it. She also gave Grace Noll Crowell's new Thanksgiving poem, "A Woman Gave Thanks."

Mrs. J. C. Prosser gave a talk on the article, "Faith for This Great Day," stressing the thought that faith acts as a power for achieving the victory over tasks life sets before one.

Mrs. Lewis Sloan closed the program with a short story and one of Oscar Wilde's fairy tales, "The Grateful Heart." If one possessed the gift of love and appreciation and used it in his daily life, he would bring peace and happiness unattainable by any other means.

The moral of another Oscar Wilde's stories, "The Happy Prince," was that giving to others brings more happiness to lives than possessions. A prayer in unison closed the study.

An appetizing plate was served during the relaxation period.

SUB-JR. ADELPHIAN CLUB

The Sub-Junior Adelpian Club met Oct. 24 with Jane Bruce as hostess.

The program subject for the afternoon was "Selecting Clothes" with Rebecca Calvin as leader. Marcia Kincaid opened the program with a piano solo, "Liebestraum," by Liszt and the leader followed with "Budget and Cost of Clothing."

Mary Cooper told of "Thin Girl Has Problems and a Lot to Gain" and Doris Morris followed with the closing number, "A Tall Girl and Her Problems."

Nuptial Mass at Catholic Church in Crowell Unites in Marriage Miss Irene Marie Pechacek and George Wm. Lawn

The wedding of Miss Irene Marie Pechacek, daughter of Mr. and Mrs. R. L. Pechacek of Crowell, to George William Lawn, son of Mr. and Mrs. Andrew A. Lawn, DuBois, Pa., was solemnized Tuesday morning, Oct. 30, in St. Joseph's Catholic Church in Crowell. Rev. Ed. J. Shopka, pastor of the Holy Family Catholic Church of Vernon, officiated at the double ring ceremony.

The altar rail was banked with foliage of huckleberry entwined with Pyracantha berries while striking arrangements of the Pyracantha berry were placed on the two side altars. Large low baskets of giant yellow mums with huckleberry foliage were placed on either side on the main altar with grouping of palms and lighted candles making a beautiful setting for the occasion. Coffee iridescent satin bows tied the bronze chrysanthemums, which were used in alternating pew caps. Grouping of palms were also placed in the entrance of the church.

Preceding the exchange of vows, Mrs. A. G. Magee, organist, presented a program of nuptial music. As the bridal party entered the church Mrs. Magee played Lohengrin's Bridal Chorus and a muted rendition of Traumerel was

played during the recitation of the vows. Miss Ruth Ann Henderson of Quanah was the soloist. Miss Henderson sang "On This Day, O'Beautiful Mother," "Mystery of Love" and Bach-Gounod's "Ave Maria." The wedding recessional from "Midsummer Night's Dream" by Mendelssohn was played as the party left the church.

Escorted to the altar by her father, the bride wore a street-length dress of brown velvet fashioned with a mandarin neckline and rhinestone studdings. Inset swirls of silk corded braid extended in a scroll effect on the sleeves. The bride enhanced her costume with a tiny brown velvet hat with soft veiling which was bordered with rhinestone-sprinkled scallops formed by the pattern of the veil. Brown velvet gloves and a single bronze orchid on a white and gold prayer book, a gift of the groom, completed her attire. The traditional "something old, new and blue" was observed, and a coin in the bride's shoe was an 1854 cent piece, owned by Mrs. Magee and loaned to the bride for the occasion. The penny was originally owned by Gen. Lew Wallace's bride.

Mrs. Bobby Henderson of Chillicothe, sister of the bride, matron of honor, wore a sheer all-wool creation of Viennese coffee fashioned with a high neckline, three-quarter length sleeves, and a full skirt falling into many soft pleats. She wore a close fitting helmet-style coffee feathered cloche with accessories of brown velvet and carried a bouquet of Taisman roses.

Masculine attendants included Dan Pechacek of Quanah, brother of the bride, as best man while Warren Wilson of Vernon and Leon Pechacek, also a brother of the bride, assumed duties of the ushers.

For the wedding Mrs. Pechacek, mother of the bride, wore a black wool crepe suit fashioned with gold studdings. She chose a coral velvet hat with soft veiling and matching accessories and wore a camellia corsage. Mrs. Lawn, the groom's mother, chose a wool suit of royal blue with matching accessories and wore a corsage of red rose buds.

Buffet Breakfast

Following the church ceremony, Mr. and Mrs. Pechacek honored their daughter and her groom with a buffet breakfast in their home. Guests were greeted at the door by Mrs. Warren Wilson, a sister of the bride, of Vernon. Receiving with the host and hostess were the honored couple and Mr. and Mrs. Lawn of DuBois, Pa.

Presiding at the register was Miss Jean Ann Hirschi of Wichita Falls while Mrs. Zack Hammock Jr., also of Wichita Falls, served the punch and Miss Rosalie Drabek cut the cake. All silver appointments accented the Maderia covered table which was centered with the all-white five-tiered wedding cake. A cluster of white roses topped the cake while the base was surrounded with huckleberry foliage and white gardenias.

Mrs. Lawn traveled in a smart grey suit with which she wore a small French colour hat of grey with steel head trim. Her gloves and bag were black velvet and she was wearing pearls, a gift of the groom, and single orchid corsage.

The bride is a graduate of Crowell High School and St. Paul's School of Nursing in Dallas. She had made her home in Wichita Falls for the past year.

The groom attended the University of Pennsylvania and Columbia, receiving his bachelor's degree in physical therapy. He subsequently did graduate work in that field in New York University and will receive his master's degree this year. He served for three years in the U. S. Navy during the war. He is now engaged as chief physical therapist at the University of Buffalo Research Institute.

After a wedding trip to Mexico City the couple will establish residence in Buffalo, N. Y.

Out-of-town guests for the wedding were Mr. and Mrs. A. A. Lawn of DuBois, Pa., Mrs. Agnes Carr of Miami, Fla., Mr. and Mrs. Clyde Carr of Del Rio, Texas, Miss Jean Ann Hirschi, Mrs. P. O. Phillips, Mrs. Clay Britz, Mrs. Ray Hirschi, Mrs. Zack Hammock Jr., and Mrs. Ed. Stine, all of Wichita Falls.

Joe Drabek Home Scene of Lovely Rehearsal Dinner

Rehearsal for the Irene Pechacek-George W. Lawn nuptials was climaxed with a dinner party in the Joe Drabek home. Assisting with the host and hostess duties were Mr. and Mrs. M. O'Connell, Mr. and Mrs. Charlie Drabek, Mr. and Mrs. Bill Drabek and Miss Rosalie Drabek. All silver and china appointments accented the ecru linen cut-work cloth which was centered with a lovely arrangement of yellow chrysanthemums. Place cards were laid for the wedding party and the following out-of-town guests: Mr. and Mrs. Andrew A. Lawn of DuBois, Pa., Mrs. Agnes Carr of Miami, Fla., Mr. and Mrs. Clyde Carr of Del Rio, Texas, Miss Ruth Ann Henderson, Mr. and Mrs. Dan Pechacek, all of Quanah, Mr. and Mrs. Bobby Henderson of Chillicothe and Mr. and Mrs. Warren Wilson of Vernon.

Gifts were exchanged by the honored couple and each presented the respective attendants with remembrances of the occasion.

Miss Sharon Haney Honoree at Shower Saturday Afternoon

Naming Miss Sharon Haney, bride-elect of Ronald Baehr, as honoree on Saturday afternoon at the Adelpian Club House, Mesdames Howard Bell, Roy Barker, Hubert Brown, James Weiss, J. H. Gillespie, R. J. Thomas, Lee Black and Henry Borchardt were hostesses to approximately one hundred ladies at a lovely miscellaneous bridal shower.

Mrs. Borchardt received the guests and introduced them to the receiving line composed of Mrs. T. S. Haney, mother of the bride-elect; Miss Haney; Mrs. T. M. Haney, her grandmother; Mrs. John Rasor Sr. and Mrs. W. H. Rowand, her aunts.

Mrs. R. J. Thomas registered the guests in a pretty bride's book.

The guests were directed into the dining room where the table was lovely in its appointments of green and white, chosen colors of the bride. Covered with a white cut-work cloth, it was centered with a huge arrangement of asters, snapdragons and magnolia leaves. Pouring spiced tea were Mrs. G. C. Morris and Mrs. Beach Barton, aunts of Miss Haney.

Assisting further in the dining room were Mrs. Hubert Brown, Mrs. James Weiss and Mrs. Lee Black. Served with the tea were cheesecakes, cookies and mints. The napkins were in green.

Mrs. J. H. Gillespie, Mrs. Howard Bell and Mrs. Roy Barker supervised the display of the many beautiful gifts.

Misses Jean Hughston and Marcia Kincaid alternated throughout the afternoon in furnishing piano music for the entertainment of the guests.

All members of the house party wore corsages of white carnations and lemon leaves.

MARGARET W. S. C. S.

Highlighting recent activities of the Woman's Society of Christian Service of the Margaret Methodist Church was the Day of Prayer program, which was held on Thursday, Oct. 25, with Mrs. Ray Hysinger as hostess, and Mrs. Melvin Mathis in charge of the program.

Lyrics by the entire group included "I Am Praying for You," "Take Time to Be Holy," "Savior Like a Shepherd," "I Need Thee Every Hour," and "Sweet Hour of Prayer." Mrs. W. A. Dunn played the piano and sang a solo, "An Evening Prayer," accompanied by Mrs. C. R. Moore.

Mrs. John H. Taylor read the Scripture passage. Talks were given by Mrs. Clois Orr, Mrs. Moore, Mrs. Dunn, Mrs. Hysinger, Mrs. H. E. Monkres, and the pastor, Melvin Mathis. Prayers were led by Mrs. Luther Tamplen and Mrs. George Wesley.

Others present included Mrs. Gilbert Clate, Mrs. William Bradford and Mrs. Jim Owens.

A series of three sessions was recently spent on a study book, "The Beginning of Christianity," by Craig, and led by the pastor.

ALPHA CLUB OF TRUSCOTT

Gentlemen's evening was observed on Thursday, Nov. 1, at 7 p. m. by the Alpha Club of Truscott with Mrs. Marion Chowning as hostess.

An attractive table decorated with chrysanthemums and tapers was arranged in the dining room where a delicious chicken dinner was served by the hostess, assisted by Mrs. Jack Whitaker.

Following the dinner which was served buffet style, the guests played 42 for diversion.

Gentlemen's evening is an outstanding event in the club year and the club members enjoyed having the gentlemen as guests.

FOARD CITY H. D. CLUB

The Foard City Home Demonstration Club met Tuesday, Nov. 6, with 8 members present.

Following an interesting discussion, all decided to order material to make more baskets.

The next meeting will be on Nov. 20. The hostess, Mrs. Ethel Barker served cake and coco.
