## Tito Frees Imprisoned Archbishop

UPGRADE—Catholic Archbishop Aloysius Stepinac (left) opens his way to freedom as door of Yugoslav dictator Tito's prison opens for him after 5 years. But new conflict looms as he insists and Tito denies that he is still leader of the nation's Catholics.

## Former Crowell Resident Buried Vernon Sunday

Funeral services for Ben Henderson, resident of Crowell for many years early in the century, were held at 2:30 Sunday afternoon at the Church of Christ in Vernon, Texas. The deceased was buried in the cemetery there. Mr. Henderson had been a resident of Vernon since 1919.

Henderson died in a Veterans hospital last Friday after an illness of three months. Henderson was born Sept. 18, 1880, in Young County. He married Miss Nellie Small on Dec. 10, 1905, in Cisco. After coming to Crowell with his parents, he was employed for a time in the office of N. J. Roberts. He was deputy district clerk under the late T. N. Bell and his last employment was as bookkeeper for R. B. Edwards.

## American Legion Urges Texans to Pay Poll Tax and Vote

Front apathy is letting democracy die of malnutrition while soldiers in Korea are defending democracy from death by a sword on the head, State Legion commander Charlie Gibson said in urging Texans that the failure to vote is the greatest weakness of the state.

Urging Texans to pay their poll tax promptly to crush apathy, he said that too many eligible voters call the obligations and duties of citizenship "privileges" and that they can take them when they have them alone.

It is inexcusable to let American boys die in Korea for the principles of democracy, if we let a mockery of those principles at home," Gibson said on the eve of the Legion's annual statewide "Operation Democracy" Day, a campaign to wipe out apathy and neglect of citizenship duties.

On the tenth anniversary of the attack on Pearl Harbor found organizers and members of the Auxiliary working as deputy poll tax collectors in an attempt to get out the vote in all counties. Special "Voting Freedom" luncheons last Friday were sponsored by many of the Legion posts in cooperation with civic organizations. Governor Shivers as "Operation Democracy" Day in Texas at the request of the Legion.

Others present Sunday were Roy and family of Paducah, I. B. Lindsey of Tacoma, Milton Hunter and family, J. J. Britt and son, Tom, and family of Chillicothe, Miss Beulah of Paducah and Mr. and Mrs. Earl Manard and son, Mike, whose home the reunion was held at.

## YOUTH REPORTS

BY YOUTH COUNCIL

The officers of the Youth Center announced that it will not be open this Saturday night, for they are planning a Christmas party next Saturday night. As they plan an orchestra with the trimmings, there will be a slight charge. The charge will be fifty cents per person, and one dollar per couple. Wayne Borchardt, president, will have the tickets for sale the latter part of this week. All high school students are invited!

## Protein Supplements Give Equal Gain in Cattle Production

College Station — Practically equal gains were obtained with solvent-processed and hydraulic-processed cottonseed meals as protein supplements in the 1950-51 cattle feeding studies at the Spur Experiment Station.

P. T. Marion, assistant animal husbandman at the Spur station, reports that gains obtained with whole cotton seed in this experiment were too expensive for economical feeding, when cotton seed was valued at \$90.50 per ton.

A greater net return was obtained from feeding steers four pounds of cottonseed meal and four pounds of sorghum grain daily than from feeding two pounds of cottonseed meal and six pounds of grain. The steers fed four pounds of cottonseed meal gained one-fifth of a pound more weight per head daily.

The addition of four pounds of alfalfa hay to rations containing cottonseed meal, sorghum grain and sunflower silage increased the steer gains and net returns over rations fed without alfalfa hay.

Daily gains of steers were lowered 0.32 pound by the addition of one-half of a pound of granulated salt per steer to the daily ration. Other than lower gain and a decline in appetite during the last 28 days of feeding, no ill effects were apparent from the high salt intake.

Progress Report 1402, which gives these results, is available from the Publications Office, College Station, Texas.

## CROWELL GARDEN CLUB

The Crowell Garden Club will meet December 14 at 3 o'clock at the Adolphian Club House, instead of the Community House as scheduled in the Garden Club year book.

## Amputee to Wed

Oakland, Calif. — Love transcends the tragedy of war as Marine Sgt. Walter Reininger, 22, who lost parts of four limbs in Korea, and Jeanette Stretton, 21, reveal their engagement amid smiling embrace. Couple will marry in June.

## C. H. S. Cagers Extend Winning Streak by Two

The Crowell High School basketball team continued in its winning ways the past week by defeating Roaring Springs 56 to 24 here last Friday night and the Munday Moguls 49 to 38 here on Tuesday night. The Wildcats had very little trouble with the Roaring Springs five but the Munday boys were stubborn until the final whistle.

James McBeath was high in points for Crowell in both of these games but the floor work of the guards, Roy Whitley and Ginger Johnson, was the outstanding factor that contributed to the local club's victories. Forward Clinton Marlow and center Jim Paul Norman have looked good at times but neither one of them has quite hit his stride that was instrumental in helping Crowell win bi-district laurels last season. Substitute Billy Marlow played good ball in the Munday game. Referee McClung of Vernon called fifty-one fouls in the "A" game Tuesday night, and Ford, Lang and Powell fouled off for Munday and Norman went out this route for the Wildcats.

Crowell's "B" team won its games 46 to 17 from Roaring Springs and 38 to 23 from the little Moguls. Gaylon Whitley looked the best for the Wildkittens in these games. Jimmy Stinebaugh, Lee Roy Bice, Don Gobin, James Hall, Gordon Graves, Jimmy Harper and Billy John Rader were other Crowell boys participating in these contests.

The Wildcats will enter the Matador invitational tournament this week end. They play the winner of the Ralls-Silverton game on Friday night.

## Volunteer Weather Men Cited for Patriotic Service

The government, through Secretary of Commerce Charles Sawyer and the Chief of the U. S. Weather Bureau, Dr. F. W. Reichelderfer, officially took notice recently of the volunteer weather men serving in this area by issuing a special volume dedicated to their long and patriotic service to the nation.

Entitled "The Cooperative Weather Observer," it lists the names of 102 observers in the State of Texas who have served voluntarily as cooperative weather men for more than 10 years. Of this number, 47 have given the government more than 20 years' service; 4 more than 40 years; and 1 more than 50 years. For each who has served over 20 years, the volume carries a short biography.

Lee Black is the official weather observer of Crowell and was honored in the edition.

Each volunteer mentioned will receive a copy of the book and Secretary Sawyer is sending letters of commendation to those who have served over 40 years.

Cooperative weather observers operate one of two general types of observing stations; the precipitation station, at which they record rainfall only; and the full climatological station at which they record high and low temperatures and rainfall.

Operating with simple standard gages and thermometers provided by the Weather Bureau, the cooperative weather observer, regardless of the severity of the weather which he is to record, each day makes his readings and records them on a special form which he mails to Weather Bureau Section offices once a month.

In paying tribute to the cooperative weather observer, Secretary Sawyer said: "The volunteer weather man represents the highest type of American citizen, who unselfishly devotes his time and exposes himself to the severest of weather in the service of his government, and who is content to do so for the general good he performs."

"The weather observation so gathered in out-of-the-way stations throughout the breadth of the country cumulatively add up to an invaluable body of information of importance to the commerce and industry, agriculture and defense of the nation."

## BIBLE CLASS

The Monday night Bible class of the First Baptist Church will meet on next Monday night at 7:15. "Things to Come" as recorded in Revelation, is the theme. Visitors are welcome.

## News About Our Men in Service

Pfc. Billy Ray Davis called his mother, Mrs. Mattie Davis, by telephone from Alaska last week and reported that he was doing well and feeling fine. Plenty of ice up there, he says.

Pvt. Cecil Davis, son of Mrs. Mattie Davis, is coming home for Christmas, his mother says. He will come by plane from Camp Gordon, Ga., to Dallas.

## Issue of Dec. 27 to Carry Christmas Greetings Ads

The issue of the Foard County News of Dec. 27 will be printed early and will carry Christmas greetings ads. In order to print these two editions so close together, it will be necessary to print next week's issue, Dec. 20, on Wednesday instead of Thursday, if possible. We would appreciate the rural correspondents sending in their items a day earlier next week and the items for the next issue would have to be in on Friday of next week. We would also appreciate our advertisers getting in copy for ads next week one day earlier.

This is being done in order that the News force can have a few days off during Christmas week and the cooperation of everybody will be deeply appreciated.

The News has a fine selection of ready-to-print Christmas and New Year's greetings ads and would be glad for you to select one at your earliest convenience. Phone 43 or call for samples. T. B. Klepper, Publisher.

## Tommy Cotner of Altus to Give Organ Concert Dec. 16

Tommy Cotner, young and talented musician of Altus, Okla., will give an organ concert in the Crowell Methodist Church on Sunday afternoon, Dec. 16, at 4 o'clock sponsored by the Senior and Junior Columbian Clubs of Crowell.

Mr. Cotner is the son of Mr. and Mrs. H. W. Cotner of Altus, Okla., and is the grandson of the late Mr. and Mrs. J. C. Thompson, pioneer residents of this community. He has been studying music for nearly nine years, starting preliminaries under the direction of his mother when he was in the first grade in school. Later he began studying under Miss Georgia Winton in Altus, taking piano lessons from her until the family moved to Carlsbad, N. M., in 1946. There he studied with T. B. Best and in 1948 the family moved back to Altus and he began studying piano with Mrs. Stella Parrish, who is still his teacher in piano.

In 1949 he began the study of the organ under Dr. Nita Akin of Wichita Falls and studies voice under Dr. Cecil Lapo, also of Wichita Falls.

The public is cordially invited to attend this concert.

## SYNTHETIC FIBER USE RISING

In 1950, synthetic fibers accounted for more than one out of every five pounds of textile fibers used in the country, a new high. Rayon consumption was 1.4 billion pounds and other synthetics were 145 million pounds, making a total of about one and a half billion pounds. Many synthetic fibers, including rayon, may have petroleum derivatives in their ingredients.

## METHODIST HOME CHILDREN TO PRESENT CHRISTMAS RADIO PROGRAM

These five Methodist Home children will take part in the Christmas radio dramatization to be heard Sunday, December 16, at 8:15 a.m.

Christmas with 400 children will be the setting for the final radio broadcast of the series, "These Are Your Children," to be presented at 8:15 a.m., December 16, by the Methodist Home, Waco, Texas.

A visit from old Santa and Christmas songs by the Methodist Home chorus will highlight the portrayal of a typical Christmas eve and Christmas day as they are thankfully observed by the Home children, according to Hubert Johnson, superintendent.

"We have many children who have come to the home this year who have never known the thrill of a happy and joyful Christmas," Mr. Johnson explained. "To them Christmas is a dream which has never come true, and Santa is a fictional character who never keeps his promises."

"This year, however, thousands of friends in Texas and New Mexico will share in making Christmas come true for these 400 children of broken homes," Mr. Johnson said.

Activities of the Methodist Home at Christmas as well as every other day in the year are financed by thousands of small gifts from Methodists and other friends who have recognized the outstanding program of rehabilitation being carried on there.

Fifteen radio stations of Texas and New Mexico are cooperating with the Methodist Home in making the broadcasts possible. They are: WFAA, Dallas; WOAI, San Antonio; KPRC, Houston; KRIS, Corpus Christi; KRGV, Weslaco; KGNC, Amarillo; KROD, El Paso; KGGM, Albuquerque; KFYO, Lubbock; KFDM, Beaumont; KFRO, Longview; KVAL, Brownsville; KERB, Kermit; KTBC, Austin; and KBST, Big Spring.

DR. HINES CLARK

## Santa Claus Visits Crowell Last Friday at 5:30

Santa Claus arrived in Crowell last Friday afternoon at 5:30 o'clock to help usher in the opening of the Christmas shopping season. The occasion was sponsored by the Crowell Lions Club and with the cooperation of Crowell business men and the Crowell High School band, the event proved to be a very successful one. A large crowd was here to greet Old Santa Claus and participate in the yuletide festivities.

The parade formed on North First Street at 5 o'clock and led by the band, came down First Street and around the square to the north side where Santa distributed gifts to the kiddies.

Several musical numbers were rendered by the band and the Crowell High School chorus. In the judging of the window displays, Womack's Store won the first prize, a lamp donated by the West Texas Utilities Co. Christmas decorations at the homes of the town will be judged some time between the 15th and 25th of December and a \$25.00 defense bond will be awarded to the winner by the Lions Club.

Montgomery, Ala., was the first capital of the Southern Confederacy.

## Crowell Youth Council Honors Dr. Clark Saturday

Dr. Hines Clark was honored by the Crowell Youth Council Saturday, December 8, on the 51st anniversary of his medical practice in Foard County.

At the program in the Methodist Church, the council presented as an honor a portrait of the physician, painted by Emil Hermann of Wichita Falls, which has been hung in the lobby of the Foard County Hospital.

Dr. Clark was instrumental in establishing the hospital, which was opened in 1941.

V. A. Smith, president of the Youth Council, acted as master of ceremonies, during the presentation of the program. With Miss Marcia Kincaid as organist, a chorus rendered two numbers, and was composed of Nell Johnson, Jean Hughtson, Norma Jones, Virginia Tamplen, Frances Kincaid, Faye Black, Jane Bruce, Billy McCoy, Dorothy Gamble, Noma Kelly, Mary Cooper, Billy Bell, Don Gobin, Jimmy Everson, DuWayne Elliott, Mike Wishon, Chun Gafford, Robert Kincaid, Gordon Graves, Edward Morris, Gerry Knox and Billy Rader.

Misses Sue Meason and Carolyn Bell unveiled the portrait. Robert Kincaid and Jack Wishon served as ushers.

The invocation was given by Rev. M. A. Walker. Judge Leslie Thomas gave the history of Dr. Clark, followed by a solo, "My God and I," sung by Miss Peggy Weaver. Presentation of awards was made by V. A. Smith, and Miss Martha Rettig, superintendent of the Foard County Hospital, accepted the portrait for the hospital.

Dr. Clark was born in Fort Worth Aug. 6, 1876. His parents farmed on land which later became part of Camp Bowie and later Arlington Heights. The family moved to Albany when he was nearly grown.

He received his pre-medical training at Texas A&M College and was graduated in 1900 from the Fort Worth Medical School. He rode into Crowell astride a gray horse on Dec. 8, 1900, put his mount in a lively stable on the southwest corner of the square and hung up his shingle.

On Oct. 13, 1902, he married Miss Arrie Thomson. They have two sons, Dan H. Clark and Charles S. Clark, are practicing medicine in Corpus Christi.

The Crowell physician served almost two years as a medical officer in World War I and was honorably discharged at Camp Bowie, Fort Worth, in 1919 with the rank of major, after serving overseas duty in France. Two years later he accepted a commission with the Texas National Guard and served as surgeon of the 142nd Infantry Regiment until his retirement on Aug. 6, 1940.

He made his medical rounds on horseback until 1909, when he purchased a Brush automobile in Dallas. Driving the car to Crowell consumed four days.

Dr. Clark is a member of the Crowell Methodist Church and has served on its board of stewards for more than forty years.

Mr. and Mrs. James Sandlin and daughters, Judy and Sherry, Mr. and Mrs. Pat McDaniel, Mr. and Mrs. Clyde Bowley, Mr. and Mrs. Arthur Sandlin, Mr. and Mrs. Otis Gafford and Mrs. Leslie McAdams attended the funeral of Mrs. J. M. Speck in Crowell Monday afternoon.

Mr. and Mrs. R. L. Walling and son, Danny, and Mrs. A. L. Walling were Quanah visitors Thursday.

A large crowd from this community attended the Christmas opening in Crowell Friday night.

mation, now enables producers to develop a field by drilling one well to about 40 acres, in contrast to one well for every 5 acres a quarter century ago. Not only does this practice save many billions of dollars in drilling costs but also it produces more oil.

**TITO FLAYS STALIN**

What good would houses and railways and factories be if we had to live under a Soviet governor?"

This is the question that Premier Marshal Tito asked the people of Yugoslavia, after telling them that the Soviet Union is massing bombers in Hungary and other neighboring lands to attack Yugoslavia.

In a strong attack on the Soviet Union, which he accused of having "imperialist aims" and of wanting "to dominate all nations," the Yugoslavian leader gave praise to the Western nations. Declaring that Yugoslavia had turned to the West for salvation, Marshal Tito said that "they did give us help and they did not try to dominate us."

Declaring that "we are arming ourselves and we are on the alert," the Premier accused Soviet Premier Joseph Stalin of "being bent on an imperialist campaign of conquest in the Balkans unrivaled by even old Czarist Russia."

**Notes and Comments**

It seems to us that the average person of today isn't quite so average as he used to be.

Some people learn how to relax. Others never learn how to do anything else.

Men put off things they ought to do, and women put off things they ought to wear.

Things we stub our toes on today are ones we laid around carelessly yesterday.

Excessive tidiness is said to indicate a mild form of insanity, for which most newspapermen are happily immune.

The fellow who used to walk a barbed wire fence barefoot, with a wildcat under each arm, is now married to a little red-headed woman who makes him do the dishes three times a day.

**In the News . . . 30 YEARS AGO**

News items below were taken from the issue of the Foard County News of Friday, Dec. 16, 1921:

The Methodist people of Texas are planning to raise \$160,000 during the Christmas season for their children's home at Waco.

The price of farm products is down, close to the 1914 level. That would be fine if other commodities were down in proportion.

A delightful affair of the week was the 12 o'clock luncheon given by Mrs. J. H. Shults on Wednesday at noon to a crowd of young people. They were Misses Floy Cheek, Minnie Logan, Gladys Benson, Winnie Jewel Norwood and Mary Cook; Hid Haney, Wright Randolph, Douglas Earthman, Glynn Shults and Jim Cotten.

Glenn Offield came in Saturday from New Mexico where he had been looking after his cattle.

Ellis Gafford of Sulphur Springs was here Saturday.

Mrs. W. W. Griffith visited relatives in Chillicothe the first of the week.

Mrs. C. C. Browning and small daughter have returned to their home in Truscott after visiting here for several days.

Grady Magee returned the latter part of last week from Waco where he attended the Grand Chapter, R. A. M., of Texas. He is Most Excellent High Priest of the Crowell Chapter.

Vernon Pyle was here this week, having recently returned from a three-weeks stay in Fort Worth.

At a mass meeting of the citizens of Crowell Tuesday night in the district court room the proposition of a new railroad from Fort Worth to the Plains country was discussed.

The two first teams of C. H. S. played Truscott teams on the latter's court Friday. The girls' team consisted of Hanks, McDaniel, Billington, Campsey, Blakemore and Smith. Carter, Cates, Jones, Beverly and Hayes composed the boys' team.

**SULFUR RECOVERED FROM REFINERY GASSES**

Additional supplies of sulfur, currently in short supply, may be recovered from waste gases given off in petroleum refining and other manufacturing processes. Sulfur recovery from these gases, by a recently patented process, will not only help relieve the sulfur shortage, but also ease air pollution. The petroleum industry plans to increase by 190,000 tons a year the nation's supply of the critical material.

**Taxes More Than Food**

According to the president of the Grocery Manufacturers of America, the American consumer now pays more in taxes that he pays for his food! In 1940, the nation spent \$17,100,000,000 for food and paid \$12,700,000,000 in taxes. Last year, by contrast, the food bill was \$52,500,000,000 and the tax bill was \$57,000,000,000.

This does not take into account the increases in taxes that have occurred during the current year, nor the additional increases which are in prospect.

Here is more proof of the fact that the tax bill is the biggest item of expense the American people face. Some of our taxes we pay directly, in income, property, inheritance and similar levies. Others we pay indirectly, as in the case of excise and so-called "luxury" taxes. Others still are hidden in the cost of every service and article we buy. All told, taxes now consume close to a third of the national income.

Taxation on this level destroys incentive. It dries up "risk capital"—why should a man take a chance on a venture when he must pay the whole cost if he loses but will gain little or no profit if he succeeds? It makes it abnormally difficult and in many cases impossible for the small business to grow—the money that would be used for expansion goes, instead, to the government. It discourages production and progress.

There is but one solution—rigorous economy in nonessential government spending, all the way from the village to Washington. At best, taxation must be heavy. If the present trend continues, it will prove ruinous.

**Grass Roots Opinion**

East Rochester, N. Y., Herald: "Did anyone ever ask how to increase their take home pay the quickest and easiest? Did anyone ever think that by cutting down on the great masses of rats which are gnawing away at the paychecks of every man, he could get an immediate lift in that take home pay? It's just like a barnful of grain as long as the rats continue to carry it away, you have to work that much harder to raise more to take up the losses. These Federal rats have waxed fat over the years, and they have grown more and more defiant of the public, by the protection which the government has given them. They have reached a point of an army of rats which not only will not be dislodged, but demand more and more of the public money."

Sycamore, Ohio, Leader: "Alexander F. Jones, president of the American Society of Newspaper Editors, calls for a prompt end to the free press privileges granted Communist correspondents in Washington."

"Tass Agency (the Soviet press bureau) enjoys the full privileges of the free press in the United States," says Jones. "American reporters in the Soviet countries are subjected to every indignity—even jail—in their attempt to do an honest reporting job . . . Tass is not a news service. It is a Russian government-supported and controlled propaganda bureau. Its Russian employees—Mikhail Fedorov in Washington, for example—are Soviet government employees who come to this country on diplomatic passports. Tass serves no free customers. They represent a government whose political philosophy teaches and advocates the overthrow of the United States Government by force and violence. Yet these representatives are accorded every privilege of the free press in Washington."

**TIME-SAVING TRACTORS**

A modern oil-powered tractor and its associated equipment now save about 850 hours of man labor per year per farmer, compared with the time required by the animal power and equipment used a generation ago.

Most things a fellow waits for are not worth the delay.

Man is the only animal that blushes, or has need to.

**Men Working**

"Although millions of words have been written and spoken on our current taxation program too little attention has been paid to one aspect of it which jeopardizes the nation's future," says W. Alton Jones in the magazine Service.

"In the early days of the Republic John Marshall stated that the power to tax was the power to destroy, and James Madison described one way it could be done—by eating up the seed corn."

"What is seed corn? As any farm boy knows, seed corn is that part of the year's harvest which is set aside for the next year's planting . . ."

"The seed corn of business is likewise the difference between what a man produces and consumes. It is called profit, or savings . . ."

"When political agencies expand a nation's saving in no-wealth producing enterprises, rather than individuals in the development of new industries, there can be no progress."

"Two-fifths of our total employed in 1930, as Senator Byrd pointed out recently, had jobs in industries which did not exist in 1900."

"Here are two facts: For twenty years, more and more of our seed corn has been consumed by Washington agencies in non-wealth producing enterprises . . ."

"Thoughtful men realize that no political organization since the world began ever developed a great industry. Even water works and the post office were developed by the savings and energies of individuals who pooled their resources under private management . . ."

"We advise our representatives in Congress, to whom we have given the power to tax, that they keep constantly in mind that it is also the power to destroy. They should consider whether the so-called present-day 'welfare' we are distributing so widely at home and abroad is unduly depleting our seed corn, and our eating it today will deprive us of the conveniences and even the necessities of life tomorrow."

"Let us make certain that under the guise of promoting the general welfare we are not, as the Chief Justice feared, destroying it."

**Counting Stockholders**

A recent editorial in the Christian Science Monitor observes, "The New York Stock Exchange, in conjunction with the Brookings Institution, is undertaking an interesting project. The project is a census of stockholders in the

United States. "Surprisingly, no one knows just how many people hold shares in the ownership of American industry. There have been estimates—many of them. They range all the way from 5,500,000 persons to 20,000,000 . . ."

"Even the lowest estimates would count about four per cent of the population as participating in the control and profits of American corporate business. The proportion may be higher."

"This is America's free-enterprise way of distribution of capital holdings and rewards. There is good indication that the number of voting and dividend-receiving stockholders in American enterprise is substantially greater than the number of members of the Communist Party who exercise comparable influence or receive

comparable gain from the operation of state industry in Russia. Moreover, in our much-reviled capitalist economy, the investor has complete freedom of action. He can buy one or more shares of any security in which he has confidence—and he buys at a price which no one "fixes," and which is determined entirely by the workings of the free market. If he wants to sell, the market is available to him every business day and the going price of any listed stock is a matter of public knowledge. That's only possible in a free economy."

After all is said and done, keep on saying and doing.

"Money is the root of all evil—that's why we have to dig for it."

## Christmas Tree Can Be Fire Hazard

The center of attraction in most homes from now until after Christmas will be the family Christmas tree. Most families, says Mrs. Mary D. Brown, acting County Home Demonstration Agent, fail to realize that this tree is actually a fire hazard in the home. Every effort should be made, she adds, to cut down on the possibilities of a fire starting from the tree.

First try to buy a tree that is in good condition. Mrs. Brown points out that this means one with fresh leaves or needles. If the tree is placed aside for a few days before the decorating job can be done, Mrs. Brown says to make a new cut above the original and place the butt of the tree in a container of water. This will keep it fresh. When the tree is moved into the house it should be left with the trunk in water. There is less danger from fire when the leaves or needles contain moisture. The water container will need an addition of water just about every day. This will also help prevent leaf or needle shedding, says Mrs. Brown.

Next she warns against decorating the tree with inflammable material. Check the electric light cords that connect the tree lights and be sure that all poor connections are repaired. If cotton is used around the base of the tree, get that which has been treated for fire control. Candles should never be used to light a tree, says Mrs. Brown.

It is up to each individual family to make the holiday season a safe one, warns Mrs. Brown, and those who fail to take into account fire and accident hazards may find their holiday marred by a serious fire or accident.

## NATURAL GAS POTENTIAL SOURCE OF MORE FUEL

Natural gas available in the U. S. offers a means for increasing the available supply of motor fuel nearly 20 per cent, the American Chemical Society was told at its recent convention. Around 400,000 barrels daily of additional high quality motor fuel could be condensed from available natural gas if the need arose, it was stated. An indication of the trend toward use of these liquefied petroleum gas motor fuels is that in 1950 over 100,000 tractors were converted to this type of fuel. Far from running out of oil, America's petroleum industry is continually finding new ways to stretch its available resources.

## CARBON BLACK FROM OIL FOR RUBBER MANUFACTURE

Synthetic rubber without carbon black is like a dress shirt without starch; it has no stamina. Much of the recent improvement in synthetic rubber manufacture is traced to the carbon blacks used. The most important recent development in this field is production in this field of carbon black from crude oil instead of from natural gas. One oil company says its newest "black" from oil will produce tire treads having 20 to 50 per cent better wear resistance than similar treads commercially.

## NEARLY HALF-MILLION WELLS PRODUCING OIL

At the beginning of 1951, the United States had about 468,000 producing oil wells scattered thru 27 states. Totals for leading states were: Texas 122,100, Pennsylvania 82,200, Oklahoma 56,800, Illinois 33,100, Kansas 30,200 and California 28,100. In addition, there are about 65,000 producing gas wells.

## NOW IS THE TIME!

Now is the time!  
 Time for what, you say?  
 Time for the Freshmen and Sophomores to get in their term themes.  
 Time for the band and speech students to put the final touches on the Christmas program.  
 Time for you to come to see our winning basketball teams.  
 Time for all girls to start saving money for the Friday slave auction (Twirp Day).  
 Time for English IV students to make their book reports.

Time for Crowell High School to have a girl trio like the McMurry Chanters.  
 Time for the Spanish Class to invite everyone in to their class feast. What a lovely way to study Spanish.  
 Time for three weeks tests; what a horrible thought.  
 Time for Solis to buy another time to replace his checker board one (the one he wears when he gives a test).  
 Time for the paper to get more interesting articles than this one.  
 Now is the time!!!

## CHRISTMAS PROGRAM TO BE FEATURE OF HOLIDAY HERE

Ninety-nine will participate in C. H. S.'s annual Christmas program on Dec. 19.  
 Directed by Mr. Walter B. Harris Jr. and Mrs. Elmo Todd, the program is both secular and popular music.  
 The first part, which will consist of the grade school chorus composed of students from the sixth, seventh and eighth grades, will sing the popular number, "Rudolph, the Red Nosed Reindeer," and also "Jingle Bells." The traditional Christmas reading, "The Night Before Christmas," will be given by Camille Todd.  
 During the second part of the program the students will witness the musical dramatization of the Christmas Story.  
 Narration will be carried on by Norma Jones with pantomime by Patricia Todd as Mary, Edward Daniel as Joseph, Aldon Garrett, J. C. McCoy and Gary Sellers as the three wise men; Jimmy Rogers, Johnny Wehba and Glen Carroll as shepherds.  
 The public is cordially invited to attend this program.

## SADIE HAWKINS WEEK POSTPONED

As you all soon found out, the Sadie Hawkins Week activities were postponed from last Friday until tomorrow.  
 Friday the girls bid for the boys as they walk across the auditorium stage, with proceeds going to the P.H.A. For one week the girls ask boys for dates and go in their own cars. A novel name for the week is "Twirp" season, or The Woman Is Required to Pay. Good chance to give the boys a rest!  
 The girls stand up and bid for the boys. Bidding starts at one penny and goes on up.  
 All you boys be good sports and walk across the stage. It's all in fun! Walk down the halls the girl who buys you and carry her books. Please everybody cooperate, have a lot of fun, and help the CHS girls.

Cleve was born near Quanah in 1924. He is now attending A&M for his sixth year. He completed his BS degree in 1950. He is now house master of his dormitory and student senator of the Post-Graduate Hall. Says Cleve, "I like being senator because I get 16 free passes to the show that way."  
 Cleve's favorite pastime is being around people. He enjoys hand-icraft and cherry pie too.  
 When asked how he liked Crowell, he replied "I hope to return in the spring for another week of observation" since two weeks of observation are required each semester in order to obtain his degree.

## PLANNING ACCIDENT? DON'T DO IT!

Until you have notified the safety education class.  
 The safety education class has been divided into various committees whose function will be to direct a safety program for every-day needs. The committees consist of a safety investigation committee, inspection committees, slogan committee, and poster committee.  
 The slogan and poster committees plan to have safety slogans and posters placed, in the high school and grammar school buildings soon.  
 John Rader of the investigation committee expresses his wish that all accidents happening on or around the campus be reported to him as soon as possible.

## HIGH SCHOOL THESPIAN TROUPE NO. 1101 HAS FORMAL INITIATION

Twelve new members were initiated into the local Thespian Society at a dramatic club meeting open to the public Monday evening, December 3, in the high school auditorium. A number of visitors were present.  
 The stage was decorated in blue and gold, the Thespian colors, and the Thespian banner was displayed at the back of the stage with the newly-framed local charter hanging beneath it. The center table, similarly decked in the national organization's colors, bore the Thespian emblem.  
 On this table the robed speakers placed tall blue candles lighted in turn to represent the seven steps of man in his search for knowledge in the development of the dramatic arts: speech, dance, music, other arts, literature, thespian and theatre. Added light for this candle-lit ceremony was provided by the baby spot fitted with the color wheel.  
 Acting officers and sponsor, Mrs. Todd, were seated to the stage right with the usher, Billy Johnson, and the initiates were seated to the left of the center table. All were in formal dress and created an effective stage picture. Acting officers were: president, Robert Brock; vice president, Jeanette Johnson; secretary, Camille Todd; treasurer, Norma Mathews. Initiates were the following students: Nettie Black, Jane Bruce, Rebecca Calvin, Thurston Edgin, Don Gobin, Ginger Johnson, Wanda Jones, Marcia Kincaid, Jackie Rasberry, V. A.

Smith, Virginia Tamplen and Dorothy Wilson.  
 Speakers representing the steps in drama development were Don Brown, Nita June Carroll, Frances Kincaid, Gordon Graves, Dorothy Gamble, Jimmy Huskey and Billy Bell. The chorus, which sang several National Thespian songs, was (Continued on Page 7)

## FOURTH GRADE TO PRESENT PAGEANT

The fourth grade rooms are to present a Christmas pageant depicting the birth of Christ at 10:30 on Wednesday, December 18. A chorus of approximately 30 voices will provide appropriate music to accompany the action.  
 The students in the pageant hope that they will have an appreciative audience composed of grammar school and high school students and many interested parents.  
 Exact time for the Christmas programs will be announced later.

## STUDENTS ENJOY McMURRY CHANTERS

The McMurry choral singers, under the direction of Dr. Richard von Ende, presented a very inspiring program for Crowell students in assembly last Thursday.  
 An unusually well developed organization, the chorus has 47 members. The ensembles, solos, trios, and quartet numbers were especially clever. We wonder whether some of the voices may not be heard of in after-college years.  
 Congratulations to Dr. von Ende and Miss Mary Ellen Hays, accompanist-organist, for a wonderful program.

## OFF TO THE CIRCUS

Last week Mrs. Cooper's third graders were all in a dither when she told them that Mr. Irving Fisch was going to pay their way to the Shriners' Circus in Wichita Falls.  
 About 12:30 p. m. Friday, six cars of enthusiastic children were off to the circus. For some of the children this was their first time to see a circus; others had seen one before. It was enjoyed immensely by everyone, including the adults.  
 Mrs. Cooper and her third graders wish to thank Mr. Fisch for such an enjoyable time, which will long be remembered by everyone. Also they would like to thank Mr.

## VAMOS A TENER TERTULIA A Party in the Spanish Class

"Quiere usted la comida?" or "Do you care to eat," is a question now typical of the second period Spanish class.  
 Such good things that have been on the menu, too! Some fruit juice for an appetizer and then the main course—hot rolls, fried chicken, mashed potatoes. . . Well, not quite, but the sight of food that has been served has been enough to make onlookers wish they were in the classe de Espanol.  
 What goes on in the typing room, which has been adopted for a Spanish room for the time being, while the rest of the school looks on with watering mouths? The answer is very unusual. They are learning to speak Spanish by actually doing the things they talk about.  
 This is a good example of the usual conversation trend translated Spanish-English.  
 Hostess to guest: "Quiere usted la comida?" or "Do you care to eat?"  
 Guest, "Si, Si, Senorita, muchos gracioso" or "Yes, thank you very much."  
 Second guest to hostess, "La comida esta muy ecclente." or "The meal is excellent."  
 Hostess: "Gracioso" or "thank you."  
 So it goes, and I think the Spanish students are all agreed it is one of the most enjoyable forty-five minutes of their day.

## MR. MYERS GETS AN ASSISTANT FROM A&M

The VA boys had a visitor from A&M last week. He was Observation Teacher Houston Cleve Walk-up, called Cleve by all his friends. He spent last week observing the activities in the CHS agricultural department as a part of his work toward a degree in agriculture, which he will complete in 1952.

## THE WILDCAT

(Continued from page 6)  
led by Maurine Youree and was composed of dramatic club members.

Others participating in the program were these students: pianist, Faye Black; ushers, Sue Meason and Maurine Youree; spotlight, Doyle McNeese; decoration committee, Nettie Black, Norma Jones and Jackie Rasberry.

### INTRODUCING . . .

Jane Bruce, "Sprucie," as she is called by her many friends, was born in Crowell on March 7, 1934. She has attended school in Crowell for eleven years. This, her senior year, will make a grand total of twelve for Jane.

This brown haired, brown eyed girl enjoys many pastimes, which include watching spectator sports, reading books by Maureen Farley Granger or Debbie Reynolds, and eating T-bone steak with french fries; but the perfect pastime for Jane is drinking a Coke, munching an apple, and listening to "Too Young" sung by Bing Crosby.

Jane, who is a slender 5 feet, 7 and one-half inches, says she has no definite plans for the future. However, she wants to attend college for awhile and then work for an insurance company. Meanwhile, she'll just go on wearing her favorite colors of brown and blue and riding around with her pals.

### "ONE-ARMED GOVERNMENT COMPARABLE TO ONE-ARM DRIVING," SHEPPERD SAYS

"The one-armed driving of teenagers is not as bad as the one-armed government supported by grown people today," stated Secretary of State John Ben Shepperd in an assembly program

Wednesday, Dec. 5.

In his entertaining and very timely speech to the student body, Mr. Shepperd explained that the ancient belief that the soul left the body when one sneezed, and if someone else didn't say, "Bless you," the evil spirits lurking in the air would take over the body, is comparable to the world situation today.

The evil spirits represent the many modern isms, communism, totalitarianism, socialism, and fascism. The soul is the spirit of true democracy whose place the isms will take if people do not say, "Bless you." This, if people do not take over their responsibilities and be leaders in their government, not followers.

Mr. Shepperd, who is truly one of the few men in our government who still believes in a government of the people, for the people and by the people, not for the officials to get rich in, told the student body that, when they became old enough to vote, the share of each in the national debt would total \$1800. He explained that every person who did not keep up with current happenings in the government had no right to criticize what is being done.

### THREE-ACT PLAY CAST SELECTED THIS WEEK

The cast for the three-act comedy, "Ever Since Eve," was selected at the final try-outs on Dec. 3. This play, written by Roy C. This play, written by Roy C. This play, written by Roy C.

The cast in order of appearance follows: Marcia Kincaid, Billy Johnson, Don Gobin, Ginger Johnson, Faye Black, Norma Mathews, Maurine Youree, Thurston Edgin, Robert Brock, Camille Todd, Gordon Graves, Gene Paul Pogue, L. C. Gordon, Jimmie Huskey and John Diggs.

Production staff was announced as follows: Robert Brock, John Diggs, Gordon Graves, Thurston Edgin, Jackie Rasberry, Clovonne McKeown, Jane Bruce, Wanda Jones and Nell Johnson.

V. A. Smith will act as student director and date of production will be announced at a later time.

### "B" TEAM STILL WINNING

Crowell High School "B" team kept its record clean again here last Friday night when they dumped Roaring Springs 46-17. They have played three games this season without a defeat.

Sharpshooting by G. Whitley and J. Stinebaugh, and the floor work of L. Bice and J. Hall were the outstanding factors of this game.

At the end of the first quarter, Crowell was leading by a small margin of 5-2; however, they began to pull away in the second and third quarters and were never threatened again. The second and third quarters proved to be fatal for Roaring Springs. Crowell racked up 29 points in these two periods.

High scoring was by Gaylor Whitley who piled up 15 points. He was being crowded by Stinebaugh who scored a creditable total of 13.

The boy who did the most damage to Crowell from Roaring Springs was C. Long. His floor work and the eight points he scored were outstanding.

### CHS CAGERS RACK UP NO. 3

Scoring 25 points in the first half and adding 31 markers in the last canto, the CHS Basketeers racked up victory number three by clipping the Roaring Springs quintet 56-25 here Friday night.

Crowell's height and experience overhauled the speedy, but inexperienced visitors from the beginning, as Cats Clinton Marlow, James McBeath, Jim Paul Norman, Roy Whitley and Ginger Johnson each played hustling ball as well as having sharp eyes for the basket.

McBeath was high point man for the locals with 15 points followed by Whitley's 12, and Marlow's 11 markers. Norman and Johnson contributed 8 and 6 points respectively for the Cats.

### ROVING REPORTER

After a close examination, I find that Sollis only wears that checker board tie when he's planning a review or a test.

Also, I hear that after a little maneuvering on the part of one of our Seniors that Brock had to act the part of president in the Thespian initiation.

I have made the discovery that the revolting habit of sitting on tacks is not only painful but embarrassing.

Scoop! Scoop! I find that Don Brown finally raked up enough money to get a haircut.

I find that the Truscott bunch was walking Sunday night due to the fact that Babe's pickup would roll in reverse only.

From what I have heard, some of you freshmen boys should shove off toward Thalia some night. Those eighth grade girls are sure cute.

Upon further examination of the slave auction Friday, I find that there are going to be some beautiful friendships made and broken. Did you girls ever think how those boys are going to feel? Why, this is practically buying cattle, but more fun to see who gets who. So you girls had better break open the piggy bank. After all I have heard about it, I think those boys are going to be pretty hungry.

This is your roving reporter, John Diggs, signing off.

### NORMA'S NONSENSE

Wow! What a week end! The other day Margaret and Leonard were riding around in town. Mr. Petty came up and asked Leonard why he didn't use both hands? Leonard said, "I have to use one to drive with."

Laying all jokes aside and getting down to this nonsense.

Crowell, Texas, Dec. 13, 1951

THE FOARD COUNTY NEWS—7

The question in the halls of CHS is "Who shot the chicken instead of the quail?"

Maurine had a good time at Lubbock over the week end. The main attraction was the Lubbock and Arlington Heights football game.

I hear that Billy Ray Dunn had a little trouble Saturday night getting home. He thought he had a flat; so he leaned out of the door to see if he did. He lost his balance and fell out. Meanwhile the pickup went on down the road, hit a few fence posts, ran into a bar ditch, and finally landed in a farmers wheat field. When he fell out, he lost his hat and glasses. He had to find his glasses before he could find the pickup. Notice: "Cocklebur" better enroll in the driver's education.

Welcome back to CHS, Jane Cooper.

The English III class all got a charge out of V. A. Friday. From all reports V. A. was applying for a job. Incidentally, he was a woman.

Why don't Buddy Kelly and Buddy Morris wise up and ask a girl for a date?

Congratulations! Rosemary has gotten an engagement ring. The lucky boy, Bill Willis.

The volley ball girls are rather envious since the hand got their jackets and they haven't.

Don Brown was seen at the Thespian Initiation with Thelma Sharber.

That "fish," Dorothy Gamble, really gets around. Just ask Billye Bell.

New romances, Coy Payne and Charline Borchardt, Nancy Hallmark and Jimmy Harper.

Ginger Johnson lost some bets to Martin. Isn't Marcia lucky, Ginger?

The faculty members have sent a complaint to the school board. The complaint was that Mr. Myers had a helper and they decided that they want one. Mr. Black applied for a blonde.

Seen at the English Tea Room Saturday night were Martin and Posey, Ginger and Marcia, Nora Lee and Jackie Walls, Elba and Sonny, Lana and Fred Glover, Carla and Billy Caddell, Jamile and Margaret, James McBeath, Jimmy Woods and Barbara Mink.

Notice: We would like to buy

two seeing eye dogs as we can neither one see.—Mary Lou and Eva Rae.

"Diggs," what was this girl at the drive-in comparing?

Norma Jones and Jack Rowland, Faye and Billy and Mary Lou and William Willman were all in Vernon at the show Friday night.

Noma Kelly enjoyed the sights of Oklahoma City over the week end.

The volleyball girls go to Iowa Park Tuesday. Here's hoping we win. At least we can hope.

Girls, let's all bring our piggy banks to school Friday. That is, if you want a boy.

Put your scandal in locker 15.

### GRIN BY GRIN

Mrs. Manard studied the menu. "Do you think raw oysters are healthy?" she finally inquired of the waiter.

"They probably are, madam," was the reply. "I've never heard one complain yet."

"Why are you late for school this morning, Brown?" demanded Mr. Black of the boy straggling in.

"On account of the bell rang before I got here," explained Don Brown patiently.

James McBeath, "There's only one thing wrong with me, Blondie, I'm color blind."

"You sho must be, mistah."

Drivers License Examiner, "Do you know what it means if a driver puts out a hand?"

Thurston: "Well if it's a man he is going to stop, turn left, turn right, speed up or slow down. If it's a woman you only know that the window is down."

"Have a good time at the party, Faye, and be a good girl."

"Make up your mind, Mother."

Donald Werley: "Are your neighbors honest?"

Billy Marlow: "Sure."

Donald: "Well, what's that loaded shotgun over there for?"

Billy: "To keep them honest."

James Buchanan was the only bachelor to become president of the United States.

Visitors were Mrs. Arthur Bell, Mrs. Jodie Owens from Margaret; Mrs. Arthur Sandlin and Mrs. Clyde Bowley from Vivian; Mrs. Roy Cooper from Vivian; Mrs. Morris Callaway from Houston; Mrs. J. C. Autry and Mrs. Dillard Howard and daughter of Foard City.

Mrs. Bell and Mrs. Owens gave a demonstration on how to make pretty corsages from old nylon hose and showed several they had made.

Mrs. Tom Callaway and Mrs. Bill Cox were hostesses for this meeting and they served cakes and Cokes.

## VIVIAN H. D. CLUB

The Vivian Home Demonstration Club met in an all-day called meeting on Friday, Dec. 7, with Mrs. I. D. Gilbert Sr., and Mrs. I. D. Gilbert Sr.

Final plans were made for the annual community Christmas party which will be held Friday night, Dec. 21, in the home of Misses Myrtle and Neoma Fish. Each family is asked to bring homemade cookies, and those wishing to exchange gifts bring one in value

from 75c to \$1.00. Men will bring gifts for men, women will bring gifts for women and children will bring gifts for children.

Committees appointed were: refreshments, Mrs. I. D. Gilbert Sr. and Mrs. Clyde Bowley; program, Misses Bernita and Neoma Fish; and children's games, Mrs. Darvin Bell.

Mrs. Ray Brown gave a lesson in making reed baskets. Nine baskets were completed.

Those present were visitors, Mrs. C. S. Lewis of Paducah, Mrs. A. L. Walling, Mrs. John Brothers, Mrs. Ray Brown and Mrs. Arthur Sandlin, Mrs. Clyde Bowley, Mrs. Allen Fish, Mrs. W. O. Fish, Mrs. J. B. Raspberry, Mrs. T. W. Cooper, Mrs. I. D. Gilbert Jr. and Della Ree, Misses Myrtle and Neoma Fish and the hostess.

Everyone is invited to attend the Christmas party.

The next club meeting will be with Mrs. I. D. Gilbert Jr. on Jan. 10.

## BAPTIST W. M. S.

The ladies of the First Baptist Church W. M. S. met Monday, Dec. 3, at 3:30 to begin the Week of Prayer program for foreign missions with the theme, "Unto You a Savior Is Born."

The Hopes and Fears was given by Mrs. Homer Zeibig; Africa, Europe and the Near East by Mrs. Cora Belle Whately; the Baptist Leper Colony by Mrs. W. F. Statter; Southern Rhodesia by Mrs. Glen Fox; European Baptist Seminary by Mrs. Chester Hord. The church has set a goal of \$1,500 for the Lottie Moon Christmas offering for foreign missions. Richard Johnson had charge of the foreign mission program on Wednesday night. James Welch gave an inspiring devotional.

Foreign missions in Philippine Islands by Glen Goodwin; missions in Japan by Jeff N. Bell; our offering by W. F. Statter.

The WMS met Friday, Dec. 7, from 9 to 11 a. m. for the Day of Prayer Around the World. They presented unto Him gifts, was given by the program leader, Mrs. Howard Williams; God's Gift to Us, by Mrs. Glen Goodwin. Dismissed by prayer by Mrs. C. C. McLaughlin.

The society met Monday, Dec. 10, for mission study led by Mrs. T. W. Cooper, which was the concluding chapter in Foreign Mission Book, "Pilgrimage to Spanish America." Mrs. Iva Petty and Mrs. Chester Hord gave the story and voyage of Dr. Everett Gill and family in their foreign mission

## Home Demonstration Notes

MARY DEEB BROWN

All of you who came or sent things to the food sale last Saturday will be pleased to know that we made a total of \$53.20. All of the clubs were represented and all had a share in making the day a success.

Let me remind you to be sure and send me word where your club will meet in January. Your yearbooks will be ready for the first meeting and I think you will be pleased with them.

Many of us are beginning to think of Christmas decorations and pretty red berries are always in demand. If you have some you plan to use and want them to stay on the stems, you might try this treatment. Cut the branches or

sprays of berries carefully; and to keep berries plump and fresh looking, dip the entire branch in melted paraffin or liquid wax and hang them stem end up to dry. Another treatment is to dip the branches into a pan of clear varnish, lacquer, or white shellac diluted with alcohol. Any one of these methods adds a luster which often emphasizes the beauty of the berries.

## SUB-JR. ADELPHIAN CLUB

Gail Knox and Marcia Kincaid were hostesses to the Sub-Junior Adelpian Club and the Sub-Junior Columbian Club at a Christmas tea held at the Kincaid home recently.

The Junior Columbians, who were special guests for the occasion, were first to be served the delicious refreshments from the gayly decorated dining table.

Refreshments included dainty sandwiches in the shapes of angels and Christmas trees, cookies topped with wild plum jelly and the drink was a steaming cup of the traditional Christmas drink, was-

work in Brazil, Chili and Peru. Dismissed in prayer by Mrs. Glen Goodwin.

The next meeting will be Monday, Dec. 17, at 3:30 for a Christmas program by the Sunbeam group. Mrs. Howard Williams and Mrs. Guy Todd will have charge of the program and all are invited.

## Santa Claus Letters

Thalia, Texas, Dec. 4, 1951

Dear Santa Claus:

This is what I would like for Christmas, Eledsic football, eskimo sled, box of 22 long rifle shells, and blue jeans, size 13.

Your Friend,  
Joe W. Coufal.

Crowell, Texas, Dec. 4, 1951

Dear Santa Claus:

I want twin scabbards, cowboy gloves and a cowboy hat.

Bobby Barker.

## THALIA BAPTIST W. M. S.

The Thalia Baptist W. M. S. had its Week of Prayer for Foreign Missions program each day last week for five days.

On Monday afternoon, the program was in charge of Mrs. Sim V. Gamble; on Tuesday morning from 9 until 10, Mrs. Cap Adkins led the program; Wednesday night Mrs. W. B. Fitzgerald was in charge; on Thursday afternoon, Mrs. Delmar McBeath led the program; Friday afternoon Mrs. Gus Neill had charge. The Friday afternoon program closed with playing a record of an address by the W. M. U. president, Mrs. George Johnson.

sail.

Doris Morris, program leader, introduced the guest speaker, Mrs. W. B. Tysinger, who spoke on "How to Be Happy in Your Leisure Time."

Mrs. Tysinger stated that there are a few things that every individual wants to do sometime in his life, like, perhaps, wanting to write a book or paint a picture. She went on to say that if a person would start taking advantage of his leisure hours, even if it be just fifteen minutes now and then, they can accomplish these things. To illustrate her point, Mrs. Tysinger had several beautiful things that she had made in her leisure time, an oil painting of a country scene, and a number of pieces of ceramic work that she had molded herself.

Two solos followed Mrs. Tysinger's talk. Jo Ann Fox sang "White Christmas" and Lavata Gray sang "Winter Wonderland." Both girls were accompanied at the piano by Jane Bruce.

Maurine Younce gave the Christmas reading, "The Night Before Christmas," as the final number.

Special guests were recognized after the short business meeting: Mrs. Grady Halbert and Hollis, Jo Wynn Ekern and Billie Kay Johnson.
