Ban Lifted on Return of Cotton Burrs to the Land

Lifting of Ban Applies to Foard and 41 Other Counties

The State Department of Agriculture has lifted the ban on returning cotton burrs to the land in Foard County and 41 other counties of West Texas. In revoking the regulation under which burrs have been burned as "gin trash," Agricultural Commissioner John C. White stated: "These counties in West Texas are only lightly infested with the cotton pink bollworm, and we feel that the cotton burr can be returned to the land without danger of spreading pink bollworm infestation. "The pink bollworm is one of the most serious threats of the cotton farmer of Texas has ever faced. We have to maintain rigid controls wherever there is evidence that infestation is spreading to the point where there is a chance of damage to the grower. There are now 193 counties of Texas under pink bollworm quarantine measures, and this year planting and plow-up deadlines, with penalties under the law for non-compliance, have been extended to include 59 counties. "Lifting the ban on return of the cotton burr to the land in West Texas does not mean, of course, that the quarantine itself is lifted. Other quarantine regulations will remain in effect. It does mean, however, that since there is little likelihood that it will cause pink bollworm infestation to spread at this time, the grower can put the burr to profitable use on his land. "The growers of West Texas have been anxious to return the burr to the soil for its important organic and fertilizing effect. During the drought the burrs also will help prevent soil erosion from blowing. "The cotton yields of this area were annually getting lower. At the same time, the area occupies a high place in the nation's cotton production, and the Department felt that measures should be taken to balance insect control regulations with the economic situation of the area. "The burrs are released from ginning time in 1952 until March 31, 1953. Commissioner White made his announcement after conferring in Lubbock for two days with cotton growers, ginners and oil millers of West Texas. Counties other than Foard released include Gray, Hall, Childress, Hardeman, Wilbarger, Wichita, Motley, Cottle, Floyd, Hale, Lamb, Bailey, Cochran, Hockley, Lubbock, Crosby, Dickens, Kent, King, Knox, Baylor, Archer, Yoakum and Terry. Also Lynn, Garza, Stonewall, Haskell, Throckmorton, Young, Gaines, Dawson, Borden, Seurry, Fisher, Jones, Shackelford, Stephens, Donley, Collingsworth and Wheeler.

Fitzgerald, who was assisted by Rev. Barnard Franklin, Baptist pastor at Crowell. Mr. Pigg passed away at the home of a daughter, Mrs. Roy Carmichael, in Fresno, Calif., early Saturday morning, March 1. He had been visiting in California for several months. He came to this section long before Foard County was organized when settlers were very few. He was a true pioneer, suffering the reverses and hardships that were the lot of most early settlers. Crowell High School Cagers Win 2nd Place in Basketball Tournament Held in Denton During the Past Week End

The Crowell Wildcats, under the leadership of Coaches Thayne Amont and Gordon Erwin, climaxed the 1951-52 basketball season at the Denton tournament Saturday night by dropping the regional finals to Plano by a score of 55 to 44 in the North Texas State gymnasium.

Crowell had previously defeated the Lancaster Tigers in the initial game to the count of 43-40 last Friday morning. In the semi-final game, the Wildcats tamed the Grandbury quintet to the tune of 55-39 to advance to the finals Saturday night against Plano. The locals started off to a good first quarter lead with Lancaster and never relinquished it throughout the period. Good team work and well executed passes highlighted this encounter. Crowell's entire team showed up well against this group. Jim Paul Norman was high point man with 18 markers to his credit. The Grandbury game was featured by outstanding rebound work on the part of the Crowell forwards, Clinton and Billy Marlow, with center Norman taking the majority off the backboard. Norman was also top scorer in this game with 30 points. Crowell was badly hurt in the Plano game by the loss of the stalwarts, Roy Murrell Whitley, Clinton Marlow and Jim Paul Norman, who left the game by the foul route in the third quarter. Martin Langham, Gaylon Whitley, Gordon Graves, Don Gobin and Jimmy Harper saw service against Plano and performed in a very creditable manner considering their limited experience. Ginger Johnson and Billy Marlow were the only two starters who played the entire game. These two boys are due much credit for keeping the team operating smoothly since three of the regulars had been fouled out. Plano's towering center, Red Braden, dealt the Wildcats misery throughout the evening by controlling the back board and pouring in 20 points for their cause. Norman and Billy Marlow led the Crowell five with twelve and ten points, respectively. The locals thus finished the season with 22 victories against 6 defeats, with a total score of 1369 points to their opponents' 973. This is an enviable record for any team. The services of Clinton Marlow and Roy Whitley will be lost to the Wildcats for the next season. Their places will be difficult to fill, however, there will be several boys from the "B" team who should be able to fill these positions.

Uncle Sam's Labor Problems

A number of labor unions are now seeking wage increases and other benefits. Washington officials are hard pressed to settle these demands without strikes and without breaking down the program to prevent inflation.

A panel of the Wage Stabilization Board is now considering demands of the CIO steel workers for a pay boost. Aluminum workers numbering thirty-four thousand are also seeking higher pay and John L. Lewis is expected to make a similar move this spring.

In addition, there is a wage dispute in the aircraft industry. While it is true that strikes in key industries rarely occur when the Stabilization Board is considering a case, the more important question is will the Board make a decision to permit a break-thru in present wage ceilings?

Management has taken the position that wage boosts must be accompanied by price increases. Some of the labor unions are seeking more than wage increases. The steel workers, for example, are seeking a guaranteed annual wage.

About the only thing certain is that a big batch of labor troubles have been placed in the government's lap.

Some folks may think that none but publishers think much of men who advertise. In this they are mistaken. Nearly every man in the country, especially those who own property, have a big place in their hearts for the advertiser. The reason is plain since it is an admitted fact that no country will advance without newspaper representation. —Stephenville Empire.

SUB-JUNIOR COLUMBIAN

The Sub-Junior Columbian Club met Wednesday, Feb. 27, in the home of CloVonne McKown. Sue Meason, the president, was absent, and Genevieve McDaniel, secretary, presided over the meeting.

An interesting discussion was held by Mrs. Grady Halbert on dating "do's and don'ts." After a delicious refreshment plate was served by the hostess, the meeting was adjourned until March 12.

Methodist Youth of Vernon District Met Monday in Quannah

The Vernon District Methodist Youth Fellowship met for its annual district banquet on Monday evening, March 3, in the First Methodist Church in Quannah.

In a short business session preceding the banquet meal, the group elected officers for the new year to begin in June. The following youth of the Vernon district were elected: president, Jimmy Davis of Childress; vice president, Bob Holcomb of Quannah; secretary, Jean Hughston of Crowell; treasurer, Jerry Denton of Childress; publicity co-chairmen, Faye Black of Truscott, and Marcia Kincaid of Crowell; worship and evangelism co-chairmen, Gwendolyn Tucker of Thalia and Carolyn Mitchell of Vernon; missions and world friendship chairman, Opal Faye Bates of Childress; community service chairman, Sherry Adams of Quannah; recreation chairman, Gerald Chaffin of Vernon; and power and concern representative, Jimmy Johnston of Quannah.

From the business session the youth and their counselors went into the church dining room and were served a delicious meal by the ladies of the Quannah church. A group of 240 youth and 40 adult counselors were present for the banquet meal. This is one of the largest groups of Methodist Youth to attend such a meeting in the history of the Vernon district, it was stated.

After the banquet meal the youth group, their counselors and about 75 other special guests were entertained and inspired by the Williams Brothers quartet. This Negro quartet is composed of four brothers, Jack, Maurice, Cecil and Earl Williams, all four of whom are senior students in Samuel Huston College in Austin. The quartet, one of the finest of its kind in the Southland, thrilled the hearts of everyone present with their song selections.

Dr. Robert F. Harrington, president of Samuel Huston College, climaxed the program with a devotional challenge to the young people that they shall remember through the years. Dr. Harrington told the group that everyone looked at the youth and envisioned the best and most noble that could be imagined by the human heart.

Students Give Town A Dozen New Words
Lexington, Ky. — Dozens of new words are beginning to take hold in the vocabulary of Lexington residents.
A group of pre-journalism students at the University of Kentucky have unearthed the "words" which they argue should be in Mr. Webster's famous book.
Two of them are "instantooters" and "blabeads."
A "blabead" is a young man who kisses and then talks, while an "instantooter" is the frequently encountered driver who cannot resist blasting his auto horn the moment the traffic light changes to green.
Who knows, maybe they'll soon be a part of the vocabulary of residents in hundreds of home towns across the nation.

Ben Greening to Seek Re-Election to J. P. Office
Ben Greening author of News this week to announce he is a candidate for re-election to the office of Justice of the Peace, Precinct No. 1. He has the following statement:
"Friends: In announcing my candidacy for the office of Justice of the Peace, I will say the precise what you have done in the past and with consideration and support for the future. Thanks."

THIS STARTLING PICTURE is the result of study by the National Chamber's Government Economy Program, based on figures from the U.S. Department of Commerce. Incomes of all people include all that goes to individuals as wages, salaries, interest, rent, and dividends. Since latest Commerce Department figures available for the map were for 1950, the Chamber estimated total 1953 incomes at 15 per cent higher than those for 1950. Total 1953 spending under the President's budget would equal the incomes of all people west of the Mississippi plus 96 per cent of the incomes in Wisconsin and all the incomes in Massachusetts.

Federal Land Bank Holds Annual Meet in Houston Feb. 20

At the annual stockholders' meeting of the Federal Land Bank held in Houston on Feb. 20-21 the stockholders went on record to ask for changes in federal and state laws affecting various phases of its operations. Attending from this area was Alfred Dunson of Chillicothe, representative of the Hardeman - Foard National Farm Loan Association.

Resolutions were unanimously adopted giving support to legislation providing for a twelve-man, part-time Farm Credit board to be appointed for staggering 6-year terms of office for the purpose of supervising and regulating the Farm Credit System, with one member to be selected from each of the twelve land bank districts in the United States.

The stockholders also unanimously agreed to support legislation that would provide for a separate board of directors of each Federal land bank. Such board would consist of five men, all to be elected by the locally owned and operated national farm loan associations who, in turn, own all of the capital stock of the respective Federal Land Banks.

The present members of the district Farm Credit board, consisting of seven members, serve as a board for the four Farm Credit institutions, Federal Land Bank, Houston Bank for cooperatives, Federal Intermediate Credit Bank and the Production Credit Corporation. At present the stockholders of the Federal Land Bank, Production Credit Associations, and the Bank for Cooperatives each elect one member with one other being appointed by the Governor of the Farm Credit Administration from the three high nominees of national farm loan associations. Three are direct appointees of the Governor of the Farm Credit Administration.

They will also press for state legislation that will place a limitation upon the period of time for which minerals and the surface of the soil can be separated. It will be proposed that the sale of minerals be limited for a period not to exceed 20 years unless production of minerals is being obtained.

Judge J. A. Elkins, prominent Houston attorney and chairman of the Board of Directors of the City National Bank of Houston, addressed the group on "What Does the Future Hold for Farmers?"

CHS-ITES PROUD OF TROPHY, TEAM AND COACH

Hi gang! Jeeps-creeps, do you realize that we have a coach and basketball team to be mighty proud of? Suppose I don't have to remind ya, though.

Our team brought back a beautiful trophy for second place in the Regional Tournament, T. I. L. Class A from Denton last week.

The district champs left after school last Thursday and headed toward Cowtown.

After reaching their destination at North Texas State College and looking over the "purty" girls, they won their first two games. The Wildcats lost to Plano in the

final game Saturday night.

Roy "Ace" Whitley and Clinton "Scout" Marlow played in the final game for the Wildcats in the final game for the tournament Saturday night. How did these boys take the loss? More or less the only and best they could. When asked about the game, one of the first five answered, "No, it didn't make me angry, but it broke my heart."

Guys, once more, we want to say that we're mighty proud of the trophy and what it symbolizes—our coach, our team, and the hustle and hard work it took to go so far.

Crowell has a very active 4-H chapter, and we wish to praise its sponsors, Mrs. Ray Brown, home demonstration agent, and Joe Burkett, county agent, for their good work with the chapter, especially the work sponsored by them in

NOTICE TO BAND PARENTS AND STUDENTS

Last week Mr. Grady Graves, superintendent, received a letter of appreciation from Mr. Bynum, director of the McMurry Band, complimenting the Crowell Band students, their parents, and director for the courtesy, hospitality, and sportsmanship shown the McMurry Band during its stay in Crowell.

As the letter was mislaid last week, the staff regrets it is published late.

"This is to thank you for the courtesies extended the McMurry College Band while in your city last week. All our players enjoyed their stay there and I as director certainly did. Please thank Mrs. Davis and all the ladies who fed us and certainly remember us to Mr. Harris.

"I was impressed with the excellent behavior of your school people during our concert. That type of conduct reflects credit on the town and homes and the school. I hope our program was acceptable and that we made some friends for the college.

"I regret not getting to hear your band play. While I am not very well acquainted with Mr. Harris I know from talking with him and seeing him direct our band he is a splendid musician and a good man to have over the young people. I hope the students themselves are giving him their full measure of cooperation in producing a fine band.

"I hope your people will invite us back for another concert. Best wishes to you in your work and personally. Sincerely, Raymond T. Bynum."

GRAVES AND TODD MISSED AT SCHOOL; BOUNDS RESUMES WORK

Fighting against chills and fever, Mr. Grady Graves, our much loved superintendent, made the trip to Denton. Influenza caught up with him at last. Because of this fact, he had to stay in bed and miss the exciting regional playoffs. We all miss him very much and hope he will be back soon.

Mrs. Emma Belle Bounds is back in school after an illness of several days. Her students have missed her very much although her usual classes have been made pleasant by an excellent substitute, Mrs. Jeff Bruce.

Speech students are eagerly awaiting the return of Mrs. Elmo Todd, who is still suffering from after effects of her wreck. Mrs. Moody Bursey is working faithfully practicing the contest play and hoping Mrs. Todd will return soon.

ELEVEN NEW LIBRARY FACES GREAT STUDENTS EACH MONTH

"Flying," "Travel," "Saturday Evening Post" and "Seventeen" are four of the fourteen outstanding magazines that the students enjoy in Crowell High School's library every month.

For the students who love to travel and are interested in far-away places there is "Travel" or "National Geographic Magazine." March's issue of "Travel" covers everything from "Mardi Gras, New Orleans" to a "Dispatch from Paris" urging all winter sports enthusiasts to quit Paris for the French Alps. "National Geographic Magazine" featured "Caught in the Assam-Tibet Earthquake" by a British scientist and explorer which was exciting reading.

Homemakers-to-be find many helpful hints in "Ladies Home Journal," "Good Housekeeping" and "Seventeen." This year's outlook on the smartest styles for spring was discussed in "Ladies Home Journal" in an article entitled "Thinking of Spring." Beautiful and delicious Italian dishes were on menu in "Seventeen's" "Buon Appetita."

The students inclined to the inventive and out-of-door type find many a good study hall's worth of reading pleasure in "Outdoor Life," "Flying" and "Popular Science." "Outdoor Life" takes you this month on a boar hunt with General Jonathan M. Wainwright in "Standing Order for a Boar."

OF INTEREST TO ALL

Students who are not perhaps the out-of-door type or can claim no inventive characteristics in their nature can always fall back on "Saturday Evening Post," "Reader's Digest," "Newsweek" and "Today's Health."

"Today's Health" is a very heart-warming, true story about a disease that has a possibility of affecting every young person, rheumatic fever.

ASPERMONT'S LOSS IS OUR GAIN

Aspermont lost a good student and an "all right" guy when Billy Green, freshman, moved six miles west of Truscott on the Alexander Road.

Slow talking and slow walking Bill takes on the wings of Pegasus when he hits the gridiron. As for sports, Bill thinks football is IT and when it comes to discussing school, just give him English and the noon hour.

Billy is a shy brunette who was born in Ballinger August 17, 1935. Mr. and Mrs. Green were proud of their son when he was elected to the post of historian in the Aspermont FFA his first year in high school.

Have you met him yet? If not, now's the time. Bill's easy to get along with and his pleasing smile adds to his personality. His interest for the present is centered on food. Not any certain kind, as Bill says, "just all of it, and the same thing goes for girls, not any certain kind, just all of them."

BAND MANAGER MCGINNIS BARELY HAS CHICKEN EATING TIME

Have you ever noticed that busy six foot tall boy with the brown hair and blue eyes running from one task to another just before a band performance or just before a movie is shown to the student body? That boy is A. L. McGinnis, band manager and Mr. Black's general handyman.

As band manager A. L. has a multitude of duties. He sees that everything is in order and ready to go before a band concert or trips, he checks the roll, makes sure everyone is in place before marching, serves on the band committee, and it is rumored that he is capable of playing any instrument in the band that needs playing.

A. L. is the unofficial projection man when movies are shown to large audiences in high school. In addition to this he is usually the person Mr. Black sends to town to run errands that have to be run.

When asked whether or not he has a hobby, he replied, "Hobby? When do I have time to spend on a hobby? I just barely have fried chicken eating time."

After he graduates next year, A. L. plans to devote all the time possible to the serious business of farming. And he'll be an efficient one if one may judge from his work in CHS.

SANDWICHES, COKES TAKE LEAD AS STUDENTS' FAVORITE SNACKS

A recent poll shows that sandwiches and Cokes lead as the favorite after-school snacks of CHS students.

POODLE CUTS, HORSE TAILS HEAD COIFFURE FASHIONS

A la femme! The "poodle cut" has been paid tribute upon tribute as the newest in hair styles.

A "poodle cut" consists of a head circling mass of fetching curls brushed with the upward stroke, and its advantages are limitless. The hair, which is usually from one-half to two inches in length, is cut depending upon the shape of the head.

The poodles can be parted anywhere, requires little setting, occasional brushing, and cannot be easily windblown.

Lengthier rival of the poodle is the "horsetail," which is characterized by a shock of long hair, slightly curling, falling from center back of the head and tied with a rubber band, ribbon, cluster of flowers, or other original means. The front elevation finds the forehead bare and the sides likewise, except in some cases, a slight wave.

The "four way" haircut of the 49-50-51 seasons is still the most popular among the teenage groups, though no longer among the most fashionable. Known as fashionable last year, the "shingle" is not so popular.

Since 1949 a wide variety of hair styles has been offered the women. But before the females can decide which hair style to wear, they must take into consideration their facial features.

Can you wear a "poodle" cut? Or is that long tress daintily tied back in a "horsetail"?

A SPECTATOR'S VIEW OF THE BALL GAMES

At 11:30 Friday morning I was there, straining every muscle and sweating it out with the boys. I cheered as each basket was made, and strained my ears for each blast of the referee's whistle. Until the very last seconds, I was out on the court playing alongside the Wildcats.

Saturday morning dawned bright and clear. When the game started I was tense with excitement with each thrilling shot that brought us two points closer to victory. Basket after basket and we surged ahead to win!

Yes, Saturday night I was also there sharing every thrill and chill with our boys. They fought hard but the odds were stacked against them. The fight was long, the toil was hard, but defeated physically we lost. Mentally we won. The boys knew they had played their best and that was enough.

Yes, the excitement brought many thrills and chills, but there was only one flaw, I wasn't there in person to see the game; however, mentally and giving moral support to the boys of whom we are so proud, I was there.

CATS DEFEATED BY PLANO FOR REGION II TITLE

After beating Lancaster and Granbury, the Crowell High School basketball team lost to Plano 55-44 in the finals of the regional tournament in Denton last week end.

This game ended the cage season for the Cats and a very successful one, too. It was as the charges of Coaches Amonett and Erwin racked up 22 victories while suffering only six defeats. For advancing this far in the playoffs, Crowell received a beautiful trophy designating the Cats as second place winners in region.

The Lancaster game featured the hustling by the entire team with Jim Paul Norman and Scout Marlow taking a good percentage of the backboard rebounds and the Cats coming out on top 43-40. The

Granbury affair, which took 55-39, was close until final quarter when Crowell, ahead by a decisive margin, led both quietists in the with 32 points.

In the Plano game, the tion was fast and aggressive. Crowell was hurt badly by Whitley, Scout Marlow and Norman leaving the game foul-out route in the third

Thus, the Wildcats advanced past the district to two consecutive years and though they will be without services of Roy Whitley and Marlow they will be out again next year with the

Weekly Sermon

from Moody Bible Institute, Chicago

THIS ONE THING I DO

The apostle Paul was a man of one idea that completely possessed him—the single and solemn purpose of magnifying Christ. This one thing I do," he says (Phil. 3:13,14), and the accomplishment of it may be summed up in three words, forgetting, reaching, and pressing.

"Forgetting the things which are behind"—they are not worth remembering, anyway. No man's life is intended to have an anti-climax. The saddest thing you can hear about a person is the fact that he has seen better days. To the Christian the climb in life should constantly grow higher and happier.

Forget the things which are behind, in second place, because they interfere with the present. A man cannot run with eyes over his shoulder. By patient and persistent efforts you may get ahead of evil, but if you stop to look back at it, evil will overtake you.

"Reaching forth unto the things which are before." The past is to be forgotten because of what the future holds. Civilized man finds the pen too slow, hence he scatters type and libraries. He constantly improves his means of communication and transportation and comfort. If the progressive spirit is true of civilized people, how much more of those who are born to live eternally in glory. Oh, the glorious estate of holiness and happiness that is reserved for those who are reaching forth unto the things which are before.

Forgetting, reaching, pressing. "I press toward the mark." Good resolutions that end in themselves are a positive detriment. You must press toward the right direction. We do not run alone. Millions of eyes are fixed upon us.

Can you say with Paul, "This one thing I do?" Some are trying to do several things. Some are trying to serve Christ and serve the world at the same time. Some would have to say, "This wrong thing I do"; their one aim is busi-

Ex-Farmer Plans Repeat of Own Funeral

Burlington, Colo. — The people of Burlington are in for another show—and many of them don't like it. Jim Gernhard is planning a repeat performance of his own "funeral."

Gernhard, who will be 75 in June, presided over his own "funeral" last year. It cost him an estimated \$15,000 which included a \$4,000 copper coffin, \$2,500 granite monument and incidentals. The coffin is stored in his basement.

"Don't think it will be near as big a blowout as it was last time," he said of this year's event. "Those big funerals are mighty tiring, you know... a man can't take just so much of them."

A retired farmer, Gernhard ran into mild opposition last year. He said he held the "funeral" partly to make sure he wasn't buried like a dog, and partly to spend some of his estimated \$75,000 fortune before his death "so that relatives won't get it."

William Howard Taft was the first President of the 48 states.

THE WILDCAT

(Continued from page 6) other regulars, Jim Norman, Billy Marlow and Ginger Johnson back. Gaylon Whitley, Don Gobin, Martin Langham, Gordon Graves and Jimmy Harper are the reserves who will be out to fill those two positions next year to help our cage team cop another championship.

TRACK SEASON OPENED WEDNESDAY

Coach Thayne Amonett's tracksters have begun practice for the district track meet, which is to be held at Quannah April 5. He has eight lettermen back from last year's team. They are Ginger Johnson, Raymond Halenck, Johnny Johnson, Lee Roy Bice, James Denton, Wayne Borchardt and Jimmy Everson; however, there will be several more boys out. Most of these will be football and basketball players.

Last year was the first year for track at Crowell, and most of the boys were inexperienced. Coach Amonett is trying to establish track as a regular sport.

The team is as yet undecided, but Coach has a few good prospects on his list. Glyndon Johnson, who is a letterman from last year, will be working on the 440. Ginger Johnson will be concentrating on the high jump, 880, and the 100. Lee Roy Bice is expected to come through on the high jump and also the broad jump. Clinton Marlow, Jim Paul Norman and Raymond Halenck will be running the 100.

Coach Amonett has some good material in which to build his track team from. Crowell should be well represented at the district meet.

Since Coach Amonett has been at Crowell three years, he has proved his ability to turn out good teams in all sports. Although he has not won a championship in football, he has come close. Maybe he'll turn the trick next year.

He has coached two championship basketball teams. The first went to bi-district and the second (this year) was second in Region II. So all in all, Coach Amonett has done well at Crowell. We wish him lots of luck in the future.

NORMA'S NONSENSE

How are you all after such a big week end? Given out, I reckon. Appreciate Our Fans Distance doesn't mean that the Crowell fans couldn't go to see our cagers win second in the regional tournament. We wish to express the appreciation to the following who attended the game at Denton: James McBeath, Cotton Owens, Jack Turner, Jim Erwin, "Grin" Stinebaugh, Fred Barker, C. S. Bartley, Gus Russell, Mrs. Dale

Appreciate Our Fans

The Blue Bonnet Inn was loaded with Crowell Friday night. This could become a habit—A. L. and Billye McCoy being together every Saturday night. "Holly" was lonesome Saturday night since his girl was in Childress.

Ex-Farmer Plans Repeat of Own Funeral

Burlington, Colo. — The people of Burlington are in for another show—and many of them don't like it. Jim Gernhard is planning a repeat performance of his own "funeral."

Gernhard, who will be 75 in June, presided over his own "funeral" last year. It cost him an estimated \$15,000 which included a \$4,000 copper coffin, \$2,500 granite monument and incidentals. The coffin is stored in his basement.

"Don't think it will be near as big a blowout as it was last time," he said of this year's event. "Those big funerals are mighty tiring, you know... a man can't take just so much of them."

A retired farmer, Gernhard ran into mild opposition last year. He said he held the "funeral" partly to make sure he wasn't buried like a dog, and partly to spend some of his estimated \$75,000 fortune before his death "so that relatives won't get it."

William Howard Taft was the first President of the 48 states.

GRINS BY "GRIN"

There was an ex-negro parson who was sent over to help out in the Korean situation. As the bombardment increased in intensity, he fell on his knees and prayed: "Oh, Lord, send yoh' Son down to save us 'fore we all gits killed! Oh! Lawd! Send yoh' Son down here to help us 'fore we all gits blowed to pieces! Oh, Lawd! send yoh' Son—"

A comrade interrupted: "Don't send Yoh Son, Lawd. Yoh come down here yoanself, Lawd; dis ain't no boy's job!"
