CROWELL, FOARD COUNTY, TEXAS, THURSDAY, APRIL 24, 1952

EIGHT PAGES

FIRST YEAR NUMBER 40

RO CLOWN—An integral part of every rodeo is the clown. Not only does he provide many a laugh for the spectators, but he protects the cowboys from the angry bulls and antics designed to distract the attention of these rugged riders.

County H. D. Men to Join in Annual H. D. Week

County home demonstration women will join in the observance of the seventh National Home Demonstration Week, from May 3, announces County Home Demonstration Agent, Mrs. D. Brown, Acting County Home Demonstration Agent.

The theme, "Today's Home Tomorrow's World," was chosen for the first national week and is now accepted as the theme for home demonstration work in the Extension Service throughout the United States. In the United States, 2,565 counties employ home demonstration agents and assistants, a total of 255 are in Texas.

Agricultural Figures Show Farms Growing

According to figures released by the U. S. Department of Agriculture in connection with the 50th census, Foard County has a total of 495 farms in 1951 with 511 in 1945. Since the average size of a Foard farm has risen from 790 to 825.6 acres in 1950. The census also revealed that 45 per cent of Foard County farms are farm land. 2,640 acres are farm land. 249, all farm products sold to Foard County farmers to \$5,994,629 as compared to \$3,000,000 in 1944. There are 68 farms in Foard County of over 1,000 acres each and 121 of from 260 to 999 acres.

Revival Meeting at Methodist Church Closes Sunday Night

The revival meeting at the Methodist Church, which has been in progress since last Friday night, under the leadership of the pastor, Rev. M. A. Walker, with Rev. John Ford, pastor of the Methodist Church in Arlington, doing the preaching, will close Sunday night. Rev. Ford is preaching some excellent sermons and the crowds at each service have increased since the beginning. Having the morning worship service at 6:30 in the morning with breakfast being served by the ladies of the church, has attracted considerable interest. Coffee, scrambled eggs and bacon, hot biscuits and jelly have been served every morning since Monday, with the last one to be served Friday. On Monday morning there were 73 present, on Tuesday 83 and on Wednesday 98.

PRIVATE AID INCREASE

Direct private U. S. income abroad increased from \$1.1 billion in 1946 to \$13.6 billion in 1950. The Chamber of Commerce of the United States says that of the increases were in Latin American nations received little or no U. S. investment aid, and that the returns are large enough to justify the risks.

The new product constitutes a further improvement of Goodyear long-established blowout protective tube—the LifeGuard—introduced by that company in 1934, Mr. Crowell explained, stating that there now have been added to this product definite puncture sealing features that offer positive protection against other types of sudden tire failure, as well as the previous protection against dangerous blowouts.

The new LifeGuard has additional advantages, too, Mr. Crowell said. This tube is manufactured of American-made rubber that retains air five to 10 times better than natural rubber.

The new LifeGuard gives the motorist's pocketbook a break, Mr. Crowell declared, since it offers the added puncture-proof protection at no extra cost.

German, French, Italian, Romsch are all languages spoken in Switzerland.

Home Demonstration Notes

MARY DEEB BROWN

At council last Saturday the members voted to have re-upholstery training schools in May rather than a one-day demonstration. There is a very good reason for this as a good re-upholstery demonstration cannot be given in one day. We could re-cover a chair in one day, but many you can re-cover as well as I can and would learn nothing from a demonstration of this kind. To actually re-upholster we would learn to start with only the old frame and then re-pad it. The finished product would be a very good chair—perhaps even better than when it was new.

This will mean that I will not have a demonstration in each club in May. Instead, two women and one chair from each club will come to town and learn how to re-upholster correctly. We will completely re-do the chair starting from the frame out. This will take 3 or 4 days. Then these women will go back to their clubs and help those there who are interested. I understand that the Riverside Club members may have enough interested in doing this to have a separate training meeting there. If any other club feels that enough members would like to have this 3- or 4-day meeting in their community, please contact me so that we can start making plans for this.

I would like for all club presidents to send me immediately the names of the two women who will attend this meeting so that we can start our planning as soon as possible. As you know, wheat harvest is not too far off, and we would like to have all this finished before then.

Since I will be having all these training meetings, it will be impossible for me to meet with the clubs in May, so you will need to plan another program for that time. If I can help with this planning, or if there is any material in my office you need for this program, please feel free to call on me.

Opening Parade for Santa Rosa Roundup to Be Largest in History

The Santa Rosa Roundup opening day parade to be held in Vernon on Monday afternoon, April 28, at 3 o'clock, is planned to be the largest parade in the history of this section of Texas and Oklahoma, featuring more than 1,000 of the finest saddle horses in the area, and floats from clubs and organizations all over the Greenbelt. The theme of the floats in the 1952 parade is taken from Western songs.

Hosts for the parade this year will be the Santa Rosa Palomino Club which continues to win so many riding prizes in parades in this section, and the Vernon Riding Club. Riding clubs from nearly every county within 150 miles of Vernon have indicated they will take part in the opening day ceremonies to assure Vernon a large number of clubs in the event.

The parade will be more than 2 miles long with the riding clubs, bands and clowns interspersed with the colorful floats. Parading with the bands, as in years past, will be the famed Hardin-Simmons Cowboy Band, which has won international honors as a marching band in performances all over the world.

The grand entry Monday night at the Santa Rosa Roundup will bring this rodeo color to fans again when visiting cowboys and cowgirls will be featured in the most fabulous grand entry in the tanbark circuit. Riding in the grand entry will be the world's champion cowboy for each event in the rodeo; the sponsors and producers of the famed Santa Rosa Roundup; the Hendricks Family, including Byron and Leo with the Flying Twins, and Ann Hendricks with King Richard. Music for the grand entry will be played by the Ruby Nance Rodeo Band, which through the years has become the most sought after rodeo band in America.

The prize money attracting performers is the greatest this year, \$7,400 plus entry fees.

CARD OF THANKS

I want to sincerely thank my friends in Crowell who were so kind and thoughtful while I was ill. The cards, letters and gifts received are appreciated so much. Mrs. Crockett Fox. Abilene, Texas.

CARD OF THANKS

For the many words of consolation, for the deeds of love and friendship shown, for the lovely flowers, all sent during the illness and at the death of our loved one, we extend humble, heartfelt thanks. May God's richest blessings fall upon each of you.

Rev. and Mrs. Melvin A. Walker.

FOREIGN AID VS. WELFARE

The U. S. government would have to tax away 45 per cent of the people's incomes if it tried to pile, onto its present operations, a welfare state comparable to those in European countries which rely on American aid. The Chamber of Commerce of the United States, in reporting that fact, says that no European country has such a high tax rate.

WEST SIDE H. D. CLUB

"If you have some real old furniture, the wood is probably really good, and if you want to refinish this furniture, the commercial paint and varnish remover will not injure the wood and will not hurt your hands," Mrs. Mary D. Brown, acting County Home Demonstration Agent, told the ladies of the West Side Club when they met for an all-day meeting in the home of Mrs. S. E. Tate on Tuesday, April 22. "If you have a dark piece and want to make it lighter, it will need lots of sanding or you can use a commercial bleach, and after you have the article cleaned and ready, let dry two or three hours. Polish off with fine steel wool, put on a sealer coat and let set for about 20 minutes, then use a flat varnish," Mrs. Brown continued. A small table belonging to Mrs. E. V. Halbert was cleaned and finished.

Visitors present were Mesdames Bill Wells, Tom Patton, E. V. Halbert, Ed Norris, Miss Deulah Bowley, Mrs. Bessie Luscombe of Anna, and Mrs. Brown. Members present were Mesdames Donald Norris, Jack Lyons, M. O'Connell, Henry Ross, J. L. Kincheloe, G. H. Kincheloe, J. T. King, T. W. Cooper, Oscar Gentry, Henry Edgin, C. R. Bryson and the hostess, Mrs. Tate.

The club will meet with Mrs. M. O'Connell on May 13 and continue with the handwork started at the first meeting in April.

SHE'S THE SAFEST LADY ON THE ROAD

With Chrysler POWER STEERING plus Chrysler POWER BRAKES

At the wheel of a new Chrysler, you have quicker, surer control of motion than you've ever had in a car. You can't imagine what it's like till you drive it! With this full-time power steering, hydraulic power does 4/5 the steering work at your gentle pull on the wheel! You also turn the wheel 1/3 less distance. And on rough roads, soft shoulders, snow or sand, "wheel fight" just doesn't happen. Your hand actually has five times the usual steering control, through every minute of every mile... with the same sure "wheel feel" at all times!

With this safer way to steer, power brakes make stops at all speeds safer and easier, too. Power from the engine "boosts" every touch of your toe. Actually you stop with up to 2/3 less foot pressure than non-power brakes. You can bring your Chrysler to a halt from full speeds in many feet less distance than other cars of comparable size can stop. See your Chrysler dealer soon. For yourself why thousands of owners say Chrysler offers the two greatest advances in many years in driving safety and driving ease!

BAND ATTENDS COMPETITION FESTIVAL—RETURNS WITH HONORS

Sixteen members of the Wildcat Band with their director, Walter B. Harris Jr., attended the Texas Interscholastic League Competition-Festival at San Angelo, Saturday, April 19.

The competition which was held in the San Angelo High School Annex on Oakes and Second Streets was dedicated to the furtherance of solo and ensemble work in high school bands.

The bus left the high school building at about 1:15 Friday afternoon and arrived in San Angelo around 3:30. Reserved rooms awaited them in the Cactus Hotel which was conveniently located just two blocks south of the High School Annex.

Saturday proved to be a very exciting and rewarding day, for every member of the band received outstanding ratings for his accomplishments. Those entered in competition with class "A" schools were rated as follows: first place, Robert Davis, baritone; David Bayless, trombone; Leta Scott, clarinet; Anne Bayless, clarinet; and clarinet trio, Anne Bayless, Leta Scott and Gail Knox. Second place: Lula Scott, horn; Pat Davis, saxophone; and Cy Moore, cornet. Third place: cornet trio, A. L. McGinnis, Cy Moore and Don Brown.

In first class twirling competition were: second place, Frances Kincaid, Billye Bell and Marcia Kincaid. Third place, Billye McCoy and Sue Meason.

On the bus returning home, Mr. Harris read aloud each member's criticism sheet which was given to him by each judge, and those deserving first place received their medals.

Mrs. George Davis and Mrs. Moore accompanied the band on the trip. Mr. and Mrs. Foster Davis and Betty also attended the festival. Allen Taylor was bus driver.

ter B. Harris Jr., attended the Texas Interscholastic League Competition-Festival at San Angelo, Saturday, April 19.

IT'S HERE NOW!

THE NEW 100,000 MILE Re-usable LIFEGUARD SAFETY TUBE

by **GOOD YEAR**
Blowout-Safe! Puncture-Safe!

Here it is! The new LifeGuard Safety tube that makes the worst blowout harmless and instantly seals punctures. And this complete protection is economical. These new tubes will serve through as many as three sets of tires for 100,000 miles of re-usable protection. Come in for your set today.

1. No more worrying about blowout accidents.

2. No more lost time changing flats from punctures.

ORDINARY TUBE

When this tube blows out, all the air escapes in a rush and very often the car is thrown out of control. Tragic accidents may result.

How the LIFEGUARD works

Blowout-safe . . . When this tube blows out only the air in the outer chamber escapes. The inner chamber retains enough air to permit a safe, straightline stop. No tragic accidents result.

Puncture-Safe . . . When this tube is punctured, Goodyear puncture sealant (a layer of gum rubber) flows into the hole and around the puncturing object to prevent loss of air.

CROWELL'S
 CAR AND HOME SUPPLY

Mrs. George Davis and Mrs. Moore accompanied the band on the trip. Mr. and Mrs. Foster Davis and Betty also attended the festival. Allen Taylor was bus driver.

THANKS, AMERICA From a GI in Korea

(Note: The following article taken from the "Sul Ross Skyline," March 26, 1952, impressed the Wildcat staff. What do you suppose this boy thinks of the steel strike?)

Yes, I'm a G. I. in Korea. I'm tired, it's colder than hell. You know, my mind wanders back. I was a civilian once, yeah, I used to get the morning paper just like you, sit down and read it, think . . . well, the boys are doing all right in Korea . . . Hauh River, Kumsong, Kimpo Air Field, Iron Triangle, we got them all now. Yeah we got them all . . . then I'd finish my coffee and go on to work, dismissing the whole thing as part of my every day routine, KOREA.

Oh yeah, that was part of an every day story that was happening to somebody else. Now it's just a little different; I'm here; I'm part of that little forgotten story and show over here. You know, it could happen to you too. Maybe not today, but there is a tomorrow and it could be you. I'm getting away from my story. Here is what has just happened.

We're up here on the front. A patrol goes out. It's no large action. No, just what we call a security patrol; it's freezing, sub-zero weather. They are out scouting—dives for cover—that is, almost everyone, there are two of your buddies lying there.

The medics come up and take over. They are always there; seems you no sooner hit the ground, when there they are, to help, help you along that long road back. It's their job, unsung heroes working swiftly and efficiently, their job—get them back alive.

The Medical Aid men of the 224th medics start the ball rolling. We call it the chain of evacuation of the wounded and sick. They look over the men's wounds, patch them up temporarily, and call the litter bearers, who carry the men down the steep mountainous slopes, only a mountain goat could climb. How they do it, God only knows . . . half running, half stumbling, they carry the men down to the litter jeeps.

The litter jeep has been notified by radio; it's waiting, the men are put aboard. The roads are just goat trails, rough, narrow, steep cliffs . . . the driver, half frozen fingers so cold and numb he can hardly hold the steering wheel, starts down the trail. Lights? Hell no, blackout, so black you can't see your hand in front of your face.

But he'll make it. He has to. Those two men have to live. It's his job to see that they get started back . . .

At the bottom of that mountain goat trail there is a first aid tent where they are given plasma if needed and redressed. There is also an ambulance from the 3rd Platoon Ambulance Co., waiting there, with the engine running and a heater warming the enclosure. The patients are then transferred into the ambulance to begin another trip. Usually three or four miles long, all blackout driving, until they reach the 224th collecting station, where he is given more and better treatment, after which they are placed in another ambulance for another trip.

The driver leaves the windshield down at night so he can have a better view of the roads whenever possible. Treacherous passes to go over and bluffs running alongside the roads. The driver and assistant driver are always looking for snipers and some times they can be heard saying, "Today is Sunday, but it doesn't mean anything because our job goes on 24 hours a day, 7 days a week, the year long."

As soon as the ambulance makes the last trip, which is 7 miles long, it arrives at Clearing Co., 115 Med. Br., where doctors and surgeons are working round the clock trying to save one more life by giving more plasma and whole blood. They have no office hours either, and it is very seldom you hear a man say, "What's the use" . . . he has a job to do.

Inside the tent at the 115 medical clearing company there is a very hushed sound through the tent. The big question is "Have we done our job successfully? Will the man live?" The answer, "Yes." This same picture goes on day after day, seven days a week, no over-time . . . no time off . . . no leave time . . . no thanks from you. Just the satisfaction that we have done our job . . . but it takes more than us . . .

Out in our motor pool is a 50 gallon drum of gas. It takes oil workers, truck drivers, refinery workers, rail workers, warehouse men, tank truck drivers, and the logistical command just to put a 50 gallon drum of gas in our motor pool. Why? Because it takes all of us together just to save the lives of two men, two men who had guts enough to stand up and fight and risk their lives so you could read your newspaper without it being censored and to keep his home country from being mobbed and blown to hell, so that your family and mine could live in peace and security. To all of you, I want to say "Thanks, America," and well done.

But there is one little thing now that bothers me. You people back in the states are talking about an oil strike. If that happens, we can't get our gas and oil to help save the next man's life. We can't bring him down off the hill. When he gets hit, we would save him—if we had the gas. But will you let us? The Chinks can't kill him, will you? . . . I wonder, I don't think so. Sgt. Charles Kandel, 3rd Ambulance Platoon, 11th Med. Bn., 40th Inf. Div., APO 6, c-o PM, San Francisco, Calif.

YOUTH EVANGELISTS SPEAK AT ASSEMBLY
 The three youth evangelists, Rev. Bill Sherman, Rev. Bill Cook and Rev. Ray V. Mayfield, who led the First Baptist Church in one of the most successful youth revivals that Crowell has ever seen appeared before the student body Tuesday morning, April 15. The program which they had to offer was only typical of the excellent programs which were carried on from Friday, April 11, thru Sunday, April 20, at the

Baptist Church. Rev. Bill Sherman of Baylor University at Waco was master of ceremonies and led the students in group singing of several religious songs. He captured the audience's liking almost at once with his clever sayings and adroit handling of dry wit.

Rev. Bill Cook of Hardin-Simmons University at Abilene then gave a testimonial of a profound religious experience while attending a church camp for youth several years ago.

It was the talk of Rev. Ray V. Mayfield that was of such merit to high school students. Ray, who has experienced six years of football, as defensive guard two years at Texas University, two at Baylor, and two while in the Army, had adequate background and experience for the backbone of his speech. Ray compared the similarity of a young life with the game of football. He went on to explain a little about football for benefit of those to whom it was unfamiliar and through examples made very vivid the ways in which the good and bad points of football might be compared to a Christian life. "It has taken more real manhood from me to be a Christian than through all my six years of football," Ray said.

Mayfield closed with the thought that it was not until his sixth year of playing football that he found the big secret. One must play with all that is in him before it is possible to overcome his opponents. So it is in Christian living. One must live with all the best that is in him to overcome his great opponent, sin.

The three youth evangelists came to Crowell under the auspices of the State Baptist Student Union Department in Dallas.

SENIOR ACTIVITIES ARE ANNOUNCED

Senior activity plans were announced last week by the senior class officers.

Baccalaureate for seniors will be on May 11 at 8 o'clock at the First Methodist Church.

May 17-20 is the date of the senior trip to Galveston by bus. Twenty-eight senior students, 3 room mothers, and two sponsors will make the trip.

Commencement will be on May 22 at 8 p. m. at the high school auditorium.

JOHNSON WINS AT REGIONAL IN 880—AUSTIN NEXT

Ginger Johnson captured first place in the 880-yard dash at the regional track meet held in Dallas last Friday by nosing out Chapman of Hillcrest High School of Dallas and breaking the regional record by posting a fast 2:06.9 mark.

Ginger had previously dashed around the half mile in 2:05 at the district meet and probably would have had better time had he not been handicapped by a fairly strong wind which blew throughout the contest.

Hopes of his winning this contest appeared very dim as he trailed four sprinters with 50 yards to the finish line. Then like a jet he passed all but the leader and broke the tape just inches ahead of the Hillcrest entry.

He will go to Austin May 2 for the state meet which will be held in Memorial Stadium.

FUTURE HOMEMAKERS SERVE LUNCHEON

Betty Bartley, Ann Riethmayer, (Continued on Page 7)

MANPOWER NEEDS
 Manpower needs during the two years will be increased an estimated 3,500,000, according to Maurice J. Tobin, Secretary of Labor, to a total labor force of 68,000,000.

THE WILDCAT

(Continued from page 6)

Anne Bayless and Sue Meason prepared a luncheon last Thursday. Gaylon Whitley was invited to be the host.

The meal consisted of salmon souffle, green beans, french fries, vegetable salad, light bread, tapioca pudding and iced tea.

The girls' idea was to help some boy learn to be a good host. Instead they found Gaylon already a very capable host. He served like a veteran. Gaylon stated, too, that he was ready to recommend these girls to any desirable bachelor whom they preferred.

LET'S BE AMUSING

Well, we're at a loss for something to write. Humph! Amusement Column—Have you ever stopped to wonder about the life of the girl whose words you delight in reading? Eh?

Writing nonsense for a school paper can be a lot of fun. You have to learn to cooperate with all the members of the staff and the sponsor.

In this column called nonsense, which is strictly nonsense, is the "goings on" of the students, things not really happening, cute sayings, song dedications, and notices of various kinds. I also feature a lost and found column for boys who have lost their girls or visaversa.

It is very amusing the number of students who come up to you every Monday morning saying "Please don't put anything in the paper about me. If you do, you don't know what's good for you." With these kind of remarks they scare me so badly that I usually put it in the paper. If you listen to all of them, you would not have a column. The reason for this maybe your best girl friend will find out you have had a date with a beautiful blond in Quanah or Vernon. Like most girls they will try to put a stop to this and there you would be stuck with one girl when before you had two. Another familiar excuse is that you have gone with a boy or girl your mother objects to, and if she found out, you would be "up salt creek." These are some of the excuses from which you must determine what to write.

Each Monday morning I have to rack my brain, that is if you have one, to find something to write that interests the paper's readers. A lot of students get a "buzz" out of pulling a joke on some, but in return they find it not quite as funny.

Thursday is the most important day. That's when the news comes out, also when the fuse is lit. Some Thursday, you maybe met a block from your home with a raving student at stake. But what I will never understand is what makes them so angry when they really have done what was in the paper. Reckon I am just dumb? Writing this scandal, you will find a lot of "kids" who cannot take jokes. In this case, I do not tease them anymore. In almost all cases they cool off fast.

This was my first and last year to write scandal. It has been a lot of fun. I hope I haven't created too many enemies.

All of it will soon be forgotten.

SMILE AT THE BIRDIE HEARD BY SENIORS AS PICTURES WERE TAKEN IN CAPS AND GOWNS

"Turn a little more to the left; now to the right; right there—that's right; now hold it." Those words were uttered by Jimmy Ashford, willing and able photographer, last Wednesday when the seniors had their pictures taken in their caps and gowns.

Starting at the last of the first period, everyone had combed his hair, touched up her lipstick, and smiled for the camera by the middle of the third period. After the individual pictures were taken, the seniors assembled on the front steps of the high school building for a group picture of the entire class.

The pictures are expected to arrive in the near future.

FELLOW STUDENT RETURNS TO CHS AFTER ATTENDING SCHOOL AT ORANGE

Welcome back, Charles. CHS is glad to have you. This is the feeling everyone expresses concerning the return of Charles Spears to the halls of CHS.

In October of last year, Charles and his sister, Bobbie Jean, left Crowell and moved to Orange where they both attended school until Charles decided to return here last week.

Once again we say, "Welcome home, Charles."

NORMA'S NONSENSE

Ad: Anyone needing bus driving done over the week end contact "Tiny" Taylor. Cheap rates.

Congratulations to one of our co-editors, Camille Todd. Have you noticed her third finger? Beautiful sparkler.

Crowell, Texas, April 24, 1952 THE FOARD COUNTY NEWS—7

A. L. McGinny, that old skinny, he likes Billye, that old silly. May we ask what Coleman Self, Lowell McKinley, Joe Smith and Mike Wishon were doing in the floor board of a car? Better watch whom you are throwing eggs at.

Nita June and Donald Werley have been getting stars in their eyes, also Nancy Hallmark and Antone.

The would-be law enforcing agents of CHS who assisted in apprehension of the Paducah escapees have been studying and copying the constitution and amendments. CloVonne and Jean have also had the pleasure of doing the same.

What junior girl is planning on matrimony in June?

Ann Riethmayer's heart beats for none other than Buddy Kelly.

Ex-Seniors

Wanza Parks and "hubby," Dowal, were seen back in the halls of CHS. Welcome back.

Rosalie Roberts is all smiles about Charles Spears' returning to school.

Who was it who climbed down the ladders from the Cactus Hotel in San Angelo to get gum, pop and candy? (Could it have been "Slush Slush" Brown from Slusheott, Town?)

CHS loses; Marines gain. R. C. Sanders left April 18 for the Marines in San Diego. We all miss you, R. C., especially Lareta.

Riddle of the Week

She's cute, he's handsome, she's dark headed, he's light headed. Who could it be? None other than Jimmy Harper and Rebecca Calvin.

Coach Amoret, Ginger and "Grin" had a good time at Dallas. Congrats "Sweet" Johnson for winning the 880.

Noma gives all the Vernon boys a chance. Can't you decide upon one?

Roy Merle had fun Saturday night.

Vernon boys found "Tillie" pretty rough Friday night.

Barbara Thaxton was seen with "Moose's" brother. Pretty good to have a twin brother.

Couples seen over the week end: Billy and Carolyn, Jean and Jim Paul, Kenneth and George Ann, Norma and J. W., Leonard and Margaret.

Sollis, Taylor and Erwin missed the pool shark at Wichita Saturday night.

Everyone had a bang of a good time at the Junior-Senior Banquet Tuesday night.

The band did very good at the contest, don't you think? Five first places plus two second places.

Put your scandal in locker 15.

FORD WINS AGAIN!

TAKES FIRST PLACE IN CLASS "A"

Mobilgas Economy Run

New Ford Mileage Maker SIX Thriftiest in its Field!

Again this year... as in the past two years... Ford was first in gas economy over all other cars in its price class in the Mobilgas Economy Run. In this toughest test, a stock model Ford Six equipped with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon.

This was a very special triumph for Ford's All-New Mileage Maker high-compression Six. For now, with its new design providing 101-horsepower and free-turning overhead valves, Ford is definitely pound-for-pound the most economical low-priced car to run! Yes... Ford's thrift was clearly proved by the 1,415-mile grid from Los Angeles to Sun Valley. And a very important factor contributing to this victory is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas.

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons consumed.

"Test Drive" the Economy Winner Today!

For Economy plus Quality... Choose the '52 Ford!

Morning Ceremony Unites Couple at Vernon Church

In a quiet and impressive ceremony performed in the Holy Family Catholic Church at 8 o'clock last Monday morning, April 14, Mrs. Mary Tamplen Rupel of Vernon became the bride of Maurice Rupel of South Bend, Ind.

Rev. Ed Shopka performed the double ring wedding ceremony before family members and close friends of the couple.

The bride, daughter of Mr. and Mrs. Luther Tamplen of Crowell, was attired in a suit of beige imported linen with brown trim. She completed her costume with beige and brown accessories and a corsage of yellow gladioluses.

Miss Mildred Tamplen of Crowell attended her sister at the wedding. She was wearing a navy blue dress with pink accessories and a corsage of pink carnations.

Ray Tamplen of Lubbock, brother of the bride, attended the groom as best man.

Following the ceremony, a wedding breakfast was held in the candlelight room at Lloyd's in Vernon.

Mr. and Mrs. Rupel left for a wedding trip to points in Colorado, and upon their return will reside in Dallas.

Mrs. Rupel is a graduate nurse and received her training at Lubbock Memorial Hospital. She has been president of the St. Anne's Club at the Holy Family Catholic Church and very active in other church affairs.

The groom, son of Mrs. Alexis Rupel of South Bend, Ind., attended Notre Dame University and received his degree in construction engineering from Colorado A&M. He recently returned from Greenland where he was employed in government construction work.

Just This Once

ADELPHIAN CLUB

Members of the Adelpian Club enjoyed a rare treat on Wednesday, April 16, when they had as guest speaker, Mrs. Walter Hoffman of Vernon. Hostesses for the afternoon were Miss Florence Black and Mrs. Virgil Johnson.

Mrs. Hoffman brought a most interesting impression of outstanding points of interest in her recent tour of Europe. Her talk was supplemented by pictures and a display of souvenirs typical of the places she visited. Following her lecture, Mrs. Hoffman graciously

In the News . . .

30 YEARS AGO

Items below were taken from the issue of the Foard County News of April 21, 1922:

Mrs. M. A. Wingo, former Foard County resident, died at her home in Elk City, Okla., last Friday.

The display in the window of M. S. Henry & Co., which represented a farm home equipped with all conveniences, was sold during the good roads meeting to E. H. Perry of Plainview. It was built and placed in the window by Murry Martin and Velox Ward in the tin shop operated by this store.

Jim Cotton, John Raser and Gordon Gribble made a trip to Plainview Sunday.

Mrs. S. J. Ferguson returned home last week from a visit with relatives in Waco.

Miss Ruby Sams went to Wichita Falls last Friday to spend the week end with friends.

Mr. and Mrs. Reese Swindell were here from Quannah Saturday and Sunday visiting Mrs. Swindell's mother, Mrs. E. L. Howard, and family.

Miss Frances Cammack of Chicago came in yesterday for a visit with her aunt, Mrs. C. R. Ferguson.

Miss Frankie Kirkpatrick was at home this week from Trinity University at Waxahachie visiting homefolks.

Mrs. G. W. Walthall left Wednesday for a visit to Wichita Falls, Bowie and Dallas.

Allan Sanders and T. B. Klepper were visitors in Vernon last Friday to attend the evening service of the Methodist-Presbyterian revival.

Mrs. W. F. George of Fort Worth was here this week visiting in the home of Mr. and Mrs. N. J. Roberts.

The Masons held the first meeting in their new hall Saturday night.

Miss Bessie Crouch, music instructor, left for her home in McKinney Wednesday.

consented to a question and answer period, which added immensely to the pleasure of her listeners. Mrs. Hoffman's charm and wit mark her as a most interesting speaker. Thirty-four members and guests were present for this program. The hostesses served a delicious salad course during the fellowship hour.

COLUMBIAN CLUB

Mrs. R. L. Kincaid's home was the scene Wed., April 16, of the annual guest day tea program given by members of the Columbian Club.

Hostess duties were shared by Mesdames S. T. Crews and W. R. Womack with Mrs. S. P. Ferguson and Mrs. C. R. Ferguson in charge of the program.

Mrs. Womack greeted the members and guests on arrival with Mrs. M. N. Kenner directing them to their seats.

Attractive arrangements of tulips and iris were used throughout the party rooms. Mrs. Kincaid welcomed the guests and introduced Mrs. U. L. Wiley of Matador who was the speaker for the afternoon.

Mrs. Wiley has just returned from a three-months visit to Europe. She held her listeners spellbound with an account of her observations and experiences while on a good-will tour with a group of General Federation club women. Following the address, the guests were favored with a piano solo by Mrs. Crews.

In the dining room the table was beautiful with the Chinese hand-made cloth centered with a bowl of yellow carnations.

Mrs. John S. Ray poured punch with Mesdames Charlie Wishon, J. B. Fairchild, Kenneth and Grady Halbert assisting in the tea service.

CHICKEN DINNER

Families of the Gambleville Home Demonstration Club members were entertained with a chicken dinner at the country club house on Thursday, April 17. After the buffet dinner was served, guests enjoyed games of forty-two.

Acting as hostesses were Mesdames Clarence Orr, Cotton Owens and Ed Huskey.

GAMBLEVILLE H. D. CLUB

Mrs. J. C. Prosser was hostess to the Gambleville Home Demonstration Club on Friday, April 18. Members answered the roll call with a slogan for safety in the home. Mrs. Ed Huskey, president, conducted the business session.

Several different kinds of fancy needlework were shown by Mrs. Andrew Calvin. The social hour was spent working on needlecraft.

The hostess gift was awarded Mrs. Bessie Luscombe, a guest.

FRIENDSHIP NIGHT, O. E. S.

Crowell Chapter No. 916, O. E. S., had "Friendship Night" at its regular meeting on Tuesday night, April 22.

There were seven visitors from Quannah chapter, two from Memphis chapter and seven from Paducah chapter.

After closing the chapter the following program was rendered: Solo, "Star of the East," sung by Mrs. M. A. Walker, following which a three-act play, "The Fatal Guest," was presented. The cast was Mrs. Dove Carlile, Mrs. Pearl Moore, Mrs. Modena Stewart, Mrs. Rowlene Choate and Mrs. Lizzie Kenner. Following the play a solo was rendered by Mrs. Agnes Dunn and a reading by Mrs. Carlile. Refreshments were served.

M. Y. F. ELECTS OFFICERS

The Crowell branch of the Vernon District Methodist Youth Fellowship elected officers last week in view of the fact that it was near Assembly time and the new president and chairmen of programs in worship and evangelism needed to be planning to go to Assembly.

The officers elected were as follows: Jean Whitby, president; Marcia Kincaid, vice president; Jean Hughston, secretary and treasurer; CloVonne McKown, worship and evangelism; Bobby Davis and Robert Kincaid, recreation; Gwynne Johnson, world friendship; Frances Kincaid, community service; Mary Cooper, publicity; Billye Bell, song leader.

The Rebekah Study Club met last week in the home of Mrs. E. W. Kidd with the president in charge. After the opening of the meeting with prayer, a report was made on sick members.

The club has been invited to be the guests of Mrs. Nannie McDaniel on April 24 at 7:30 p. m.

The lodge deputy gave a study on reports, our homes, quorum, surrender of charters and restitution of Rebekah Lodges, also secret work.

Refreshments were enjoyed by the following: Lydia Bell Beisinger, Zola Greening, Mattie Sue Bartley, Nannie McDaniel, Ma Verne Teal, Mae Solomon, Madge Johnson, Ida Grace Sellars, Clea Manning, Rowlene Choate and the hostess, Mrs. Kidd.

Broadway in New York City is the longest street in the world.

Refreshments were served to 3 guests, Mrs. Luscombe, Mrs. G. C. Morgan and Mrs. Henry Ross. The members present were Mesdames Andrew Calvin, Milburn Carroll, Archie Campbell, Ed Huskey, Cecil Carroll and the hostess.

RIVERSIDE H. D. CLUB

"Fancy needlework is very old and has been handed down for generations," said Mrs. John S. Ray to the Riverside Home Demonstration Club Tuesday afternoon April 15 at the home of Mrs. Monroe Karcher.

Mrs. Ray showed several pieces of needlework to the group and then taught them how to do four different kinds of stitches. She stated that hemstitching was probably the oldest and most used of them all, but Bermuda fagoting was the stoutest edging.

Mrs. R. G. Whitten and Mrs. Roy Ayers volunteered to take the box of things that the women brought for the State Hospital at Vernon.

A called meeting will be held

in the home of Mrs. Ben Hopkins Tuesday, April 29, for a demonstration on yeast batters. Mrs. Hopkins and Mrs. Frank Ward will be the demonstrators.

Three visitors were present. Mrs. Arthur Schur and Mrs. Herbert Haseloff of Lockett, also Mrs. Herman Schwartz of Rayland. The club was happy to receive two new members, Mrs. Emma Bowers and Mrs. Agnes Kieschick. Others present were Mesdames Roy Ayers, Cap Adkins, Ben Hopkins, Walter Johnson, Sam Kuehn, Grover Moore, R. E. Moore, W. A. Mussetter, John S. Ray, Ewald Schroeder, Frank Ward, R. G. Whitten, John Zuehn and the hostess.

Queen Victoria's was the longest reign in British history.

Edward VI, Mary I and Elizabeth I, all rulers of England, children of Henry VII.
