Home Demonstration Notes

MARY DEEB BROWN

Do you enjoy sewing? I do. I have learned so many new methods and practices while I was in the home demonstration program. I can hardly wait to show them to you at our next meeting. I am sure you will be as anxious as I am to try them after you have seen them. Don't forget to bring your sewing machine to our clothing program in the home demonstration building, as we will have a special program on sewing.

Cotton Crop in County Shortest in Several Years

According to figures secured from the five cotton gins of Foard County Tuesday afternoon approximately 835 bales had been ginned up to that time. Although that is a very small amount for the county, more cotton is being gathered than was anticipated during the dry, hot summer.

Christian Church Rally Is Big Success

Rally Day at the First Christian Church Sunday was but two in number short of the highest attendance record for 1952 in the Bible school. Mrs. Roy Steele, Junior Department Superintendent, led in a special program by pupils of her department at a general assembly opening program.

DOWN TOWN BIBLE CLASS

On Sunday, Sept. 28, R. B. Anderson of Vernon spoke to the members of the Down Town Bible Class with 75 men present. Mr. Anderson delivered a very interesting talk which was enjoyed by the large crowd of men.

What a Kitty

...AND CINDERELLA—This is pretty Miss Betty Honig, a young lady with Brunk's Comedians and the kitty "Cinderella." The kitty was recently lost when Brunk's were moving stands. When the tent was unrolled in Canon City, Colo., "Cinderella" was found after having spent forty hours in the roll of canvas. A little milk, administered by Betty, the kitty was soon on the job, keeping mice out of the ladies' dressing room. Betty barely missed a trip to Atlantic City. She appears in all the plays with Brunk's Comedians, and will play the part of the "victims" in "Natalie Needs a Nightie," the feature play to be presented Friday night. Brunk's will close their entertainment here Saturday night, and will move to Vernon for the next week. If you look carefully, you will see the kitty in the right hand corner.

News About Our Men in Service

Ed Thomas, who has been serving aboard the USS Boxer in the Pacific, is here visiting his mother, Mrs. Hazel Thomas, and other relatives and friends.

Sgt. Milton Hall visited with his parents, Mr. and Mrs. C. D. Hall, for the past two weeks. He left Sunday, Oct. 5, for New Jersey and then he will go to England. For the past several months he has been stationed in Arizona. Hall has been in the service for two years, with basic training at San Antonio.

130 Texas Schools Have Installed Weekly Defense Stamp Days

During the three weeks since school opened, a total of 130 Texas schools, with a combined enrollment of 40,636 students, agreed to install weekly Defense Stamp Days. Mrs. Evelyn Miller Crowell, Education Director for Texas of the U. S. Savings Bonds Division, announced October 1. These installations are in 41 Texas counties. Ninety-four of the schools, with enrollment of 29,335 students, are resuming weekly Defense Stamp Days held during 1951-52, and 36 schools, with enrollment of 11,301 students, represent new installations.

Fort Worth—No hogs or sheep were unloaded at Fort Worth Monday due to the embargo brought about by the finding of some hogs infected with vesicular exanthema on the yards late last week. It is expected that sheep shipments to the market may be resumed late this week.

Crowell Booster Club to Hold Regular Meeting Oct. 14th

The Crowell Booster Club will hold its regular monthly meeting Tuesday night, Oct. 14, at 8 o'clock at the Downtown Bible Class room, according to an announcement made Wednesday afternoon by the president, Irving Fisch.

Texans Make Own Fishing Spot

The current issue of Texas Game & Fish magazine tells how the folks over Bryan way made their own lake. The article states that the lake—Camp Creek Lake—has exceeded all expectations, adding: "Now these land-locked anglers have a fresh water area ranging to a depth of 38 feet, which seems ideal for fish life, and there are fifteen miles of shoreline." Thus these Texans, who decided life wasn't worth living without a handy place to go fishin', have created a permanent community recreation area and also have impounded a vast amount of water. The lake required a 1,750-foot earthen dam, tapping of a forty-square-mile Brazos River drainage area, assorted permits ranging up to a \$1500 state water license, and purchase of approximately 4,200 acres of land. The original financing hinged on 450 lake site owners-to-be contributing \$375, plus annual dues of \$35, now cut to \$20.

PANCAKE SUPPER

In the article appearing in last week's issue of the News concerning the Pancake Supper held Monday night, Pillsbury's Flour was unintentionally omitted from the list of food donations.

Lions Club Street Carnival to Be Held Oct. 9 and 11

The annual Lions Club Street Carnival will be held on the south side of the square in Crowell on Thursday (tonight) and Saturday nights. In addition to the four kiddie rides, there will be a ducking pond, bingo and other attractions, including a hot dog stand. The rides will operate tonight, Friday night and also on Saturday night. The Lions Club concessions will be open Thursday and Saturday nights.

College Students Who Want Deferments Must Ask in Writing

State draft headquarters this week warned college students who want educational deferments that they must ask for them in writing if they expect to get consideration. Brig. Gen. Paul L. Wakefield, State Selective Service director, said that a student who intends to take the draft qualification test must ask his board for deferment. "Application to take the test does not constitute an application for deferment," General Wakefield said. "The test score serves the purpose of added information for the draft board to consider."

Health Department Issues Warning About Scarlet Fever

The State Department of Health has just issued a warning in regard to scarlet fever, as the number of cases usually increases during the fall months. The majority of deaths from this disease occur from October through February. Scarlet fever is a very contagious and serious disease. Grown people may contract it, but children under 15 years are especially apt to have it, if exposed. It is especially dangerous for children under 5 years, and Dr. Geo. W. Cox, State Health Officer, warns mothers to "not let your children take any chances with scarlet fever. Call the doctor as soon as the first symptoms appear."

CHANGING LOCATION

The Hospitality Class of the First Methodist Church announces that the location of the picnic scheduled for tonight (Thursday) at the Country Club has been changed to the basement of the church. The time remains at 6:30.

Borden Stevenson, son of Democratic presidential candidate Adlai, crosses party lines to throw a little party in a Hollywood night club with Dorothy Warren, 21, whose father's Republican governor of California, Earl Warren, Young Stevenson is 20.

Foard County Men Sell Cattle on Fort Worth Market Mon.

R. L. Kincaid of Crowell had 59 cattle on the Fort Worth market Monday, according to the Texas Livestock Marketing Association, who handled the shipment. Dr. Kincaid had sixteen calves that averaged 313 and brought 21c, three steers that weighed 598 at 20c, a bull that weighed 1335 at 17c, three bulls that averaged 1221 also at 17c, seven cows that weighed 677 pounds at 13 1/2c, twenty-two cows that averaged 840 pounds and brought 11c, one cow that weighed 940 also at 13 1/2c, with the balance of cattle at various prices.

Crowell Wildcats Defeat Matador Bullfighters 35 to 0 Friday; Conference Opener at Iowa Park Tomorrow Night

The Crowell High School football team defeated the Class B Matador Bullfighters 35 to 0 last Friday night in the last non-conference game of the season for the Wildcats. The contest this week at Iowa Park will be for "keeps" as it counts toward the District 1A-9 championship. The Bullfighters were very stubborn during the first quarter and with the aid of a fumble and several severe penalties against Crowell, the Wildcats were held scoreless. However, the Foard County boys started to rolling during the second half and Ginger Johnson galloped for his first counter of the evening from thirty yards out when the Crowell line sent him on his way with some magnificent blocking. Jim Paul Norman made his first of five conversions of the evening to make the score 7 to 0. Shortly after the first score, Raymond Halenack, alert Crowell halfback, intercepted a pass and ran it back for sixty yards and Crowell's second touchdown of the game. Norman converted to make the half-time score 14 to 0.

Crowell Merchants Report Dollar Days Very Successful

The first in a series of monthly "Dollar Days" was held last Friday and Saturday in Crowell with local merchants reporting an increase in business as a result of the two day period. This indicated that the monthly affair will, in all probability, be a success as nearly all the merchants are members of the Crowell Booster Club which sponsors the Dollar Day sales, and likewise cooperate to promote savings for the people of this trade area.

Boy Scouts to Meet Tonight at 7 o'Clock

Application for the charter for reorganized Troop 49 of the Boy Scouts of America was sent in a few weeks ago with the names of 20 eligible boys. Five under-age boys who are almost eleven years old, have paid registration fees also and are studying their Tenderfoot tests so as to be ready to come into the Scouts in the near future. A few others of the eligible age 11 or older have come to join the Troop since the charter application was sent in. The youths are organized into four Patrols and Scoutmaster Marcus Mills is doing a very fine job. In appreciation of this, his Scout uniform has been purchased by the sponsoring organization, VFW Post 9177.

COOL SPELL

Following temperatures in the nineties on Saturday, a norther arrived here Sunday morning and had lowered temperatures to the low 40's by Monday night. No precipitation was recorded.

Fire Department Selling Seals to Raise Money

The Crowell Fire Department has mailed out letters this week with special fire prevention aid seals enclosed which sell for \$1.00 per sheet. Also enclosed is an envelope addressed to the Fire Department in which contributions, large or small, can be mailed to the department. This special effort by the Fire Department to raise funds is to keep the department supplied with the latest in equipment. Funds raised in this manner will be used for the community in better fire-fighting and life-saving.

**"COMMUNISTIC AGGRESSION"
DISCUSSED BY REV. HUDSON
AT ASSEMBLY**

Rev. Carl Hudson of Trusecett presented the problem of communistic aggression, its characteristics and impending danger in a talk at assembly Thursday so adroitly planned that its message reached young students and faculty members alike.

His speech was made compact when he stressed the four points in a young American's character education. This may be left vulnerable or have developed immunity to the communistic doctrine. He said that this will be determined by the degree to which America's future generation (1) studies history, civics, and government as they are in our world today; (2) discipline themselves to acceptance of the laws, both civil and moral; (3) practice high

moral standards, and (4) read, study and live by the Bible and the truth therein.

Rev. Hudson made the point that history itself proves that a totalitarian government, in order to conquer a Christian nation, must first gain control of the Church before it can succeed. Russia, he said, has jet-propelled airplanes and other aircraft that are as strong and in many cases exceed our own airpower. The Kremlin has many times more soldiers under its command. The Church and its influence, therefore, is our main guard against Soviet propaganda.

Rev. Hudson succeeded in delivering one of the most timely and thought-provoking talks that most Crowell students have heard in the course of their school years.

**DALLAS FAIR ATTENDED
BY FHA GIRLS**

At the early hour of 4 a. m. Saturday morning, the FHA girls left for Dallas. After making good time the group ate breakfast in Bowie. Arriving at the edge of Dallas at 10:15, the drivers squirmed through the heavy traffic and it was almost noon by the time the bus was parked.

The Dallas Fair officials annually set aside a day for all the FFA and FHA boys and girls as well as the 4H boys and girls. They are given a free pass (75 cents) and a badge which allows them a cheaper ticket for rides and some of the attractions. A free lunch is served on the fair grounds.

Some of the girls enjoyed the "tick-tack-toe" machine in the Bell Telephone Company's exhibit. This game is controlled by electricity and can outguess a human being.

Sue Meason, Gail Knox, Barbara Fairchild, Frances Kincaid, Kay Smith, Betty Ingle, Jo Ann Fox, Carolyn Bursley, Zonell Eddy, Nita June Carroll, Nan Sue Shultz, Joyce Sparks, Barbara Lucky and Mary Hough enjoyed the Ice Capades.

Norma Jones, George Ann Davis, Mrs. Edgar Jones, Mrs. Sloan and Mrs. Kenner went to see the antics of Dean Martin and Jerry Lewis.

Norma, Shirley and CloVonne enjoyed talking to three good looking sailors. Jean Whitby seemed to have met an attractive PFA boy from Weatherford. Lucille Sparks met a cute boy named David.

Frances and Nita June were impressed by the pink Cadillac on exhibit at the automobile building. Leta Scott and Pauline Wheeler liked to ride the hammer. Barbara Lucky enjoyed the sky wheel. Frances Kincaid and Joyce Sparks were thrilled by riding the roller coaster.

The agriculture exhibit proved to be very interesting as it had

an attractive exhibit from each county.

The science exhibit was very educational. It gave information on polio and also presented a television broadcast.

The group left Dallas Saturday about 11 p. m. and arrived in Denton at North Texas State about 12:15 where reservations had been made. The next morning the girls enjoyed breakfast at the college cafeteria and then went on a tour of the campus. Everyone ate lunch in Wichita Falls and arrived home Sunday afternoon at 3.

Mrs. Edgar Jones, Mrs. Homer Black and Mrs. Lewis Sloan accompanied the group as well as their sponsor, Mrs. Doyle Kenner. The girls received this answer when they asked Mrs. Kenner and Mrs. Sloan what they would do when they no longer traveled to the fair with them. They said, "When we reach the wheel chair stage, we will hire one and be pushed about the fair grounds observing all the attractions, especially the FHA girls."

**THESPIAN MEMBERS AND
DRAMATIC CLUB PLAN
YEAR'S WORK**

Plans for the 1952-53 school year were made by Crowell High's Dramatic Club and Thespian Troupe 1101 at the first meeting of the year, Sept. 26.

Newcomers were welcomed and the point system requirement for becoming a Thespian was explained. Ten points are required and may be obtained by working backstage, acting and other dramatic work such as play writing. Thespian members strive for the highest achievement, four star Thespian.

The officers for the Dramatic Club are elected from the Thespian group and are as follows: Don Gobin, president; Virginia Tاملين, vice president; treasurer, Faye Black; recording secretary, Billye Bell; corresponding secretary, Frances Kincaid; parliamentarian, Ginger Johnson; and reporter, Wanda Jones.

There are 51 members of the Dramatic Club and 14 Thespians. Under the direction of Mrs. Elmo Todd, sponsor, they have begun work on a 3-act teen-age comedy, "Ever Since Eve." The Speech I classes have started on two 1-act plays.

The production staff has been elected by Mrs. Todd and are as follows: stage manager, V. A. Smith; electricians, Doyle McNeese and Don Kidd; properties, Mary Cooper; scenic designer, Gordon Graves; advertising, Don Brown; make-up, Wanda Jones and Loretta Lyons; costumes, Dorothy Gamble and Norma Jones; promoter, Virginia Tاملين; and programs, Jackie Rasberry, Joan Roberts and Carolyn Bursley.

V. BOND VISITS CHS

Teachers and students greeted V. Bond, a visitor at CHS last Monday.

After serving for four years in the Navy, V is now working for the Bell Telephone Co. in Dallas.

It was especially interesting to the FHA girls to know that V helped install all the "Tick-Tack-Toe" machine, the micro-wave system and other features of the Bell Telephone exhibits.

V is visiting his parents, Mr. and Mrs. Bill Bond, who have recently moved back to the Margaret community.

WILDCATS MAUL MATADOR

The Crowell Wildcats came through with another victory last Friday night when they defeated the Matador eleven 35-0.

The Wildcats went into this game just a little over-confident. They were held scoreless during the first quarter but were able to smash over two touchdowns before the half. At halftime the score was 14-0 for Crowell.

Ginger Johnson started Crowell off with a 45 yard touchdown run. Jim Norman kicked the extra point. Late in the second quarter little Raymond Halencak intercepted at Matador pass on his own 40 and behind excellent downfield blocking went all the way untouched for a Crowell counter. Jim Norman faked a kick and ran the point after touchdown.

In the third stanza Johnson took the ball on the Matador 25-yard line and snaked his way across the double mark for Crowell's third touchdown. Norman's try for extra point was again good. A short time later Johnson took a fourth down punt on the fifty and galloped onto pay dirt. Norman converted and at the end of the third quarter left the score at 28-0.

During the last stanza the first team boys saw very little action; however, the Wildcat reserves made a very good impression. They held the Matador team scoreless and were able to punch out one touchdown themselves. Gordon Graves passed to Harper for the six points. Norman kicked good and the final score was 35-0. Crowell journeys to Iowa Park for their first conference game tomorrow night.

THE OWL'S HOOT

The triangle of the week is Norman Shultz, Arleta Teague and Sible Henry.

The couple of the week is A. L. McGinnis and Vita Jean Tarver.

If anyone saw stars in Wanda

Jones' eyes this week end, it was only because Bobby Lax was home. We see that Rat's girl from Sundown was in town Sunday. Good luck, kids.

Fishermen and Hunters of Texas Have Doubled

The Executive Secretary of the Texas Game & Fish Commission said the numbers of hunters and fishermen in the state has more than doubled since World War II.

He made the announcement in a speech before the International Association of Game Commissioners in Dallas.

The Executive Secretary added: "It cannot be said that the wildlife population has improved to meet this demand. So far it has been met by lower bag limits and shorter harvest periods. There is an end to how far such curtailment can go and yet be satisfactory.

"The problem of the ever increasing number of sportsmen who go afield and cause an additional pressure on the wild-life resources has as yet no answer. Everyone is encouraged to go hunting and fishing who will. It is the job of

EAGLES STALK ANTELOPES

Deer Lodge, Mont. — While out in a valley, Marvin Pearce of Deer Lodge, saw a golden eagle circling in the sky. Suddenly the bird folded its wings and plunged earthward. A few feet from the ground, the eagle threw out its wings, braking the drive and stabbed its sharp talons into the back of an antelope fawn. Game Warden Les Barton declares the eagles have been killing an average of one fawn a day since June 1st and do not confine their killings to antelope but also kill deer fawns and calf elk.

ADELPHIAN CLUB

Members of the Adelpian Club met at the club house for their regular club study on Oct. 1 with Mrs. Frank Flesher as hostess.

Mrs. Lewis Sloan acted as leader for the afternoon, substituting for Miss Florence Black, who was unable to attend the meeting. The program for the afternoon centered around the subject of Public Affairs.

Mrs. Ray Shirley spoke on "Citizenship" using for her source a series of articles recently published in The Ladies Home Journal. She made some challenging statements regarding the common inertia among the women of the present generation in exercising their privilege of the vote, the very vote for which women of a past generation so vigorously labored.

Mrs. Sloan told a beautifully moving story, "The Shattered Dream," which vividly portrayed the disillusion often suffered by immigrants when they come face to face with some of the rackets poisoning our larger cities. This concluded the program for the afternoon.

The hostess served a delicious salad course to about twenty-five members. The club adjourned to meet next on October 15.

MAYOR SWORN IN AT SEA

Orange, Texas. — Sid J. Callavet was a guest of the Navy aboard the USS Dixie, somewhere between Pearl Harbor and San Diego, when he was sworn into office as mayor, via a radio-telephone hookup. The Navy arranged the hookup so his inauguration wouldn't be delayed by his trip.

The Executive Secretary noted that "it would not be well to say that wildlife work in Texas is poorly financed, but never has it been financially strong enough to accomplish more progressive management practices that those closer to the problems would like to see done." He went on to observe that "the work of wildlife conservation is as well financed as the people of the state want it to be and will be improved at such time as public sentiment sees the need for it, and this without pleading from the Commission itself."

GOOD TAX NEWS

Rheumatic fever can occur in surroundings, but it is most common among children living in crowded homes, and children who do not get enough of what is called the protective foods such as milk, eggs, butter, fresh fruits, vegetables like.

Rheumatic fever actually has symptoms that are all its own. A few of the group of symptoms the doctor looks for are: persistent fever, poor appetite, tired failure to gain weight, pale repeated nosebleed and especially pain and inflammation that spread from joint to joint.

Rheumatic fever is a disease that may affect any part of the body—skin, joints, blood vessels, heart or brain—but usually the heart that is most seriously affected. Unless they are prevented by good management, acute attacks have a tendency to come back again and again. This happens, the valves of the heart are usually affected; sometimes so slightly that the heart is not handicapped; sometimes seriously that the child dies. present-day treatment of rheumatic fever is directed at things. First, reducing the heart damage from an acute attack by bed rest and appropriate treatment with drugs. Second, everything possible to prevent another attack after recovery from the first.

STRIKE COST

John R. Steelman, acting fence mobilizer, has estimated 25,000,000 man-days of work lost by during the idleness of 600,000 striking steel workers stoppages in allied industries fore the 54-day strike was boosted this total to 1,400 men. Mr. Steelman estimated output this year at about 600,000 tons, 14 per cent less 1951 and the lowest since 1948.

HIGHWAY TOLL

In the next eight years, 41 persons in this country will be in automobile accidents; 1,500 will be permanently injured; and 600,000 will be seriously hurt at a combined cost of \$22,000,000, a national highway engineering was told recently.

HEALTH LETTER

From Texas State Dept. of Health

Rheumatic fever and its complication, rheumatic heart disease, probably disable more school age children than any other cause except accidents, declares Dr. Geo. W. Cox, State Health Officer.

Rheumatic fever is a well known enemy of children, still physicians do not know exactly what causes it. It usually appears about two weeks after an infection caused by germs of the streptococcus such as tonsillitis, scarlet fever or sore throat. Some children appear more susceptible than others and this trait seems to run in families.

 We hear that J. C. Kincheloe has a blonde that is a soph too. Is this so, J. C.?
 Caria, did you get mad Friday night? Better hold that temper; a good man is hard to find.
 Henry Teague, Vera Kindt, David Jackson and Jonnie Dee all had a good time coming home from the ball game Friday night.
 Sue and Gerry are doing swell! They seem to be one of the steady couples of CHS.
 Wonder why "Cuckeburr" was waiting around the show Saturday night? Couldn't have been because Nancy H. was working?
 Nita June and Donald are still hitting it off. Could this be love?
 Girls, there are some cute boys running around unattached. They are Billy Hopkins and "Son" Love. Good catch if you are lucky.
 "Hamlet" Johnson thinks that there is a mighty cute "Fish" girl this year. We wouldn't dare call any names, but her initials are Barbara Lucky.
 Ronny still makes very frequent trips to Chillicothe. Wonder why? Couples seen Sunday night were Barbara and Raymond; Wayne and Zonell; Billye and Gordon.
 "Lefty" Kincaid and Robert Davis seem to have an interest over in Quanah. That's the spirit, boys.
 Rudy Hinkle is interested in Paducah. These CHS girls ought to get on the ball.
 Johnson-Kincaid "combo" is still going strong. WOW! Have they got it bad!
 "Smilin' Ed" was happy too, he saw his Quanah girl Saturday night.
 It seems that Dorothy Gamble is interested in a certain Lockett boy by the name of Leonard. Power to ya, "Dot."
 Fred Barker and Virginia are really a cute couple. Fred seems to think so.
 What is this we hear about Mike and Billy Johnson being such experts at letting air out of people's tires? (Band director's, especially.)
 Special to Ed Thomas
 Students and teachers welcomed former Student Ed Thomas, back to the halls of CHS Monday. Ed is on furlough from Japan where he is serving with the US Navy.

Anybody care to run for this office?

Candidate Wanted: Must be efficient, honest, experienced. Pay and term of office uncertain, since public will vote every day to see if candidate stays in office.

We bet you don't want that job of being forced to get elected every day. Yet it's a reasonably accurate description of what a manufacturer must do to hold his job.

Every day at the sales counter, millions of women and men vote General Electric in or out of a job.

When you stop to think of it, we don't hold office for four years—or even two. We have a daily fight on our hands.

Hands at the sales counter pick up G-E products—hold them, turn them over, inspect them, try them against competitive articles for value and price—then decide for or against.

The only way we can win the election is by constantly improving our product. Thousands of engineers are paid to think up ways to improve, redesign, simplify. We use every known device of mass production to deliver more for the money. And our employees are as keen on winning our daily "public election" as is the salesman at the counter.

Manufacturers sell products on the basis of "be good every day—or get out of office." The result is the American public has the world's highest standard of living.

You can put your confidence in—

Barker-Caldwell Betrothal Announced at Tea Saturday

Mr. and Mrs. Roy N. Barker of Crowell have announced the engagement and approaching marriage of their daughter, Betty, to Dr. Joe Buck Caldwell, son of Mrs. Christine Caldwell of Kaufman and Joe B. Caldwell of Groveton.

At a tea complimenting Miss Barker Saturday, October 4, at the home of Mrs. Roy Barker, Mesdames Barker, Howard K. Bell, A. E. Barker and Grady Graves were hostesses.

In the candle-light dining room, guests were served from a table covered with white Madeira cloth. Centering the table was a large white styrofoam Bible surrounded by golden sprayed huckleberry leaves and white gardenias. Suggesting a book marker, long ribbon streamers lettered "Betty-Joe" extended from the Bible. Floral arrangements of du-honnet and white were used throughout the reception rooms. Miss Judy Barker, sister of the bride-elect, presented guests with miniature parchment scrolls which revealed plans for a winter wedding with the inscription, "Betty Barker—Dr. Joe Caldwell, February 14." Miss Marcia Kincaid played incidental piano selections throughout the tea hour. Other members of the house party were

Mesdames G. M. Canup, C. N. Barker, C. V. Barker, John Rader and J. H. Gillespie.

Miss Barker has attended North Texas State College and is now a student at Hardin-Simmons University in Abilene. Dr. Caldwell is a graduate of North Texas State College and Southwestern Medical School and is now interning at Parkland Hospital in Dallas.

Mrs. Marie Bell-Moody Weds on August 30

News has been received by Mrs. Thomas Hughston of Crowell that her cousin, Mrs. Marie Bell Moody, daughter of Mrs. Arrie Bell of Pomona, Calif., and the late John Bell, and Mike McQueen of Santa Ana, Calif., were married at the Gretna Green Wedding Chapel in Yuma, Ariz., on August 30, 1952.

They were accompanied to Yuma by Mrs. McQueen's daughter, Jimmie Marie Moody, and Roy Miller, both of Pomona. The party visited in Calexico, Calif., Mexicali, Mexico, San Diego and Elsinore, Calif., on their return trip to Pomona. They were met there by Mr. and Mrs. Johnnie Moody and small daughter, Heather Ann, of Victorville, Calif., for the week end.

Mr. and Mrs. McQueen are now located in their home at 127 40th St., Newport Beach, Calif. Mr. McQueen is with the South Coast Boat and Yacht Co. in Newport Beach.

BAPTIST W. M. S.

The W. M. S. of the Baptist Church met at the church Sept. 29, for Bible study and covered dish luncheon. The lunch was enjoyed by fifteen members and visitor, Bro. C. A. Powell. Rev. Barnard Franklin was in charge of the lesson period. Mrs. Glen Goodwin was in charge of a short business session. The group voted to have installation of officers at the regular Wednesday night prayer service.

Rev. Franklin presided over the meeting and brought an inspirational message to the new officers. Mrs. W. F. Statter led the group singing of "Jesus Calls Us." The devotional was brought by Mrs. C. T. Hord. Those being installed were: Mrs. Dan Callaway, president; Mrs. C. T. Hord, vice president; Mrs. C. C. McLaughlin, secretary and treasurer; Mrs. Glen Fox, young people's secretary; Mrs. W. F. Statter, chorister; Mrs. Homer Zeibig was installed as pianist and Mrs. Frank Moore as reporter.

Mrs. Goodwin read the names of all standing chairmen, and expressed appreciation for their service during the past year. Those reappointed for another year are: Mrs. Barnard Franklin, community missions; Mrs. Roy D. Fox, benevolence; Mrs. Tom Cooper, mission study; Mrs. W. F. Statter, missions; Mrs. Glen Goodwin, stewardship; Bro. Franklin, Bible study.

The ladies met at the church Monday, Oct. 6, for regular business. Mrs. Dan Callaway brought a brief devotional and was in charge of the business session. It was decided to meet next Monday at 3:30 for a Royal Service program.

GAMBLEVILLE H. D. CLUB

The Gambleville Home Demonstration Club met Friday, Oct. 3, in the home of Mrs. Fred Diggs with the president, Mrs. Andrew Calvin, in charge of the business and program. Following the opening song, plans for the next year were discussed. Mrs. Calvin gave an interesting report on council.

Mrs. Clarence Garrett gave at several meetings a report on her trip to Kingsville and Old Mexico.

The following officers for the next year are: Mrs. Andrew Calvin, president; Mrs. J. C. Prosser, vice president; Mrs. Cotton Owens, secretary and treasurer; Mrs. Cecil Carroll, reporter. Mrs. Milton Hunter was elected clothing leader; Mrs. Milburn Carroll, foods; and Mrs. Clarence Garrett and Mrs. Guy Bounds were selected to be the club's delegates to council.

The hostess served refreshments to eight members. The club will meet Oct. 17 in the home of Mrs. Hulien Monkres.

COLUMBIAN CLUB

Nineteen members of the Columbian Club answered roll call at the country home of Mrs. Charley Wishon on Wednesday afternoon of last week.

Three members were there with their maps and other data to take their fellow club women through a tour of more of the New England states. This is a country little known to the people of this area. However, it developed that Mrs. S. P. Ferguson had lived in New Jersey and Mrs. R. L. Kincaid had visited relatives there on numerous occasions.

Mrs. Kenneth Halbert conducted a 10-day imaginary tour

through the Cape Cod region of Massachusetts. Aside from being an ideal tourist resort, there are many industries such as fishing, manufacturing, etc.

Mrs. J. T. Carter brought out the many interesting features of the State of Connecticut. At Hartford is the life insurance center of the United States. Yale University is also located there. Farming is confined largely to the cultivation of tobacco.

Mrs. Kincaid concluded the series with the states of New Jersey and Rhode Island, both much smaller than many Texas counties. She stated that many of the homes of New Jersey belonged to

Mrs. Wishon, assisted by daughter, Ann, served a salad plate with lemonade.

Texas Democrats want TEXAS-BORN IKE

"RESOLVED . . . that it is the recommendation of the Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice-President . . ."

**TEXAS STATE DEMOCRATIC CONVENTION
AMARILLO, TEXAS * * * SEPTEMBER 9, 1952**

**A MAN OF PRINCIPLE
WHO THINKS AS WE DO**

You can be a Democrat without being a Trumanite. Your party's state convention in Amarillo on September 9 passed the resolution quoted above. Texans who believe in the time-tried Jeffersonian principles of the Democratic Party are going to vote for Dwight D. Eisenhower on November 4. If you are tired of Trumanism and want to help elect Eisenhower, send in the coupon. Be a Texan—not a Trumanite—vote Ike.
