Christ Arose!

Easter Sunday has long been a festive and impressive occasion. This Sunday is Easter Sunday. Of course, everyone knows the story of Easter; we know that Christ died and rose again. Somehow, however, although we know the story of Easter, we seem to forget the importance of the story. Easter, much like Christmas, has become commercialized. It's become the excitement of Easter

rabbits, colored eggs, and new clothes, not of a risen Christ. We have asked CHS students what they thought of Easter and what it really meant. They told us this:

Easter, better called Resurrection Day, is the most important day of the year to a Christian. On this day we commemorate Christ's resurrection from the dead. His death and burial without the resurrection would be nothing to us. The resurrection is what made Jesus so different from any other man; it is what gives us our hope. With the importance of this event in mind, we cannot think of Easter as simply a day to show off clothes.

To me, Easter is a very important time of the year since it is the time that Christ arose. Instead of thinking of clothing and Easter eggs, we should emphasize the real meaning of Easter even to the younger children. If they grow up knowing what Easter really means instead of thinking of it as a big party, it will always mean more to them.—Faucine Fairchild.

Sunrise Breakfast for All Youth

Five o'clock! Sounds early, doesn't it? But for once, don't you think it would be worthwhile? The Methodist Youth Fellowship is planning an Easter sunrise breakfast, and every youth is invited to attend. The group will meet at the Methodist Church at 5 a. m. and then go to the north pocket park, where a special program will be presented and breakfast will be served.

Homemaking II News

The girls in Homemaking II are making an intensive study of first aid. At the close of the study, the girls are required to pass a test in order to obtain a certificate from the American National Red Cross.

Because the girls were studying the portion involving artificial respiration, Rev. Carl Hudson, with the help of his son, Carl Wayne, demonstrated the mouth-to-mouth method of artificial respiration. The mouth-to-mouth technique is considered most practical method. Rev. Hudson demonstrated the use of a respirator and left one for the homemaking girls to practice with.

Students Win Speaking Awards

The annual Interscholastic League contest was held at Henrietta last Friday, April 8. The participating Crowell students won the following awards:

Declamation: Charlotte Sledge, second and Linda McClain, third. Poetry reading: Bill Graves second and Jo Frances Long first. Extemporaneous speaking: Monte Churchill and Judy Borchardt, second. Spelling: Judy Johnson and Jo Ann Schwarz third. The typing team, composed of Kay Johnson, Jo Frances Long and Monte Churchill, placed fifth. The results of the ready writing

contest, entered by Arlos Moore and Judy Borchardt, have not been determined as yet. In a total score, Crowell placed second. Iowa Park won first.

Judy Johnson Named Essay Winner

Earlier this year, some of the junior and senior English students submitted soil conservation essays for the annual contest sponsored by the Fort Worth Press. The results were recently announced and we wish to congratulate Judy Johnson for placing third in the region. As a result, she will be awarded a trophy at a banquet to be held in Brownfield on May 10. Crowell has consistently had at least one student to win the soil conservation theme contest, and we are very proud of Judy for continuing the record.

CHS Places Third in Track Meet

The CHS track team participated in the district meet in Wichita Falls Saturday. Crowell received awards in the following events: High Jump: Wesley Cummings won first by breaking the previous record. Hurdles: George Moss placed second; 220-yd. race, Gerald Howard placed 4th and Don Welch 5th; 440 relay, Don Welch, Bobby Barker, Gerald Howard and Jim Henry, 3rd; 100 yd. dash, Don Welch reached the finals, but did not place.

In the total scores, Iowa Park placed first, Paducah 2nd, and Crowell ranked third. We want to congratulate the boys on their achievements and awards. We also want to wish Wesley and George good luck in the regional meet to be held at Denton April 22.

Band News and Views

Last Saturday, the senior and junior bands went to Craterville Park and competed in concert, twirling and stage band contests. The junior concert band placed 4th in their division; senior concert, third. The majorettes, wearing their cowboy suits, hats, and boots, won first place and received a beautiful trophy. The stage band also won first place and received another wonderful trophy. Since Crowell was the only Texas band present, we are very proud of her winning these honors. Besides competing in these events, the members of the band thoroughly enjoyed the park, and it is very true to say that there were some very tired kids on the homeward bound buses. Nevertheless, that is over and the next events are the Paducah rodeo and Variety in Review. Till next week, bye!

Senior of the Week

Bobby King is 17 years old, 6' 1" tall, and has black hair and blue eyes. His list of favorites include the color yellow, the food chicken fried steak, rock 'n roll music, the sport football, Rock Hudson, Brigitte Bardot, and the subject typing. His hardest subject is English IV. In his opinion, his parents are the most important people in the world. His pet peeve is a person who is always borrowing things. During his spare moments, he enjoys hunting, fishing, riding around, and just "roofig". Bobby has been a member of FFA for three years. After he graduates, he plans to start working. Bobby, all of us here at CHS want to wish you a

lot of success with your future plans.

New Library Officers

The CHS Library meeting was held in observance of National Library Week on April 5. Dorothy Wehba gave the devotional, and Jo Ann Schwarz led in prayer. Before the election of officers, Lois Ann Painter read and discussed the by-laws of the club. Dorothy Nell Denton was elected president; Jo Ann Schwarz, vice president; Genell Wheeler, secretary-treasurer; Sharon Wharton, reporter for the 60-61 term. Refreshments were served by the hostesses, Genell and Sharon.

F. H. A. News

The local FHA chapter observed National FHA Week April 4-8. During this week the members tried to emphasize the importance of National FHA Week by doing several things to draw attention to it. On Monday, members wore badges in observance of the week. On Tuesday, they helped their teachers by doing errands for them. Wednesday, the creed was read over the intercom. Thursday, a morning devotional was given. In the afternoon, the FHA meeting was held in the auditorium. Carolyn Aydelotte, local president, gave a very interesting book report. She emphasized the author's purpose for writing the book and how he carried out his purpose. Also, Cecilia Drabek and Margie Rasberry gave a very helpful demonstration on safety.

The FHA members would like to thank the committee responsible for the many activities of the week: Wanda Moore, Virginia Hudgens, Joyce Latimer and Cecilia Drabek.

Freshman Dress Revue

The Homemaking I class held its annual dress revue on April 3 in the cottage. The judges for the event were Wanda Moore, Margaret Faske and Cecilia Drabek. Winning first place were Patricia Brown, Karen Wilson, Gena Adeock, Linda McClain, Faucine Fairchild and Lynda Meehell. Those winning second were Marjolein Denton, Nancy McCurley, Carolyn Sinks, Sue Cates, Judy Traweck and Teresa Wright. Those placing third were Linda Hall, Alicia Lozano, Rachel Wilkins, Frances Whitley, Carolyn Eubanks and Virginia Kinsey. Those placing in fourth place were Anna Hall, Rhetta Cates, Judy Sandlin, Elly Wehba and Carolyn Werley.

FFA Boys Have Barbecue

The Crowell FFA boys held their annual barbecue last Friday evening at the Country Club.

Cecil Carroll helped the boys prepare the meat, which turned out to be exceptionally good. Music was furnished by Ivan Cates, Loy Hopkins and Bud Hopkins. Gold awards, provided by the national FFA Foundation, were presented as follows:

Chapter Star Farmer: Don Welch and Loy Hopkins. Star Greenhand: Bob Borchardt. Soils: Jimmy Thompson, Benjie Hopkins, and Junior Hopkins. Dairy judging: Thomas Hopkins, Carroll Chowning and Dale Henry. Farm Mechanics: Bobby Powers, Gerald Howard, Marion Payne and John Stone. Approximately 75 people attended the event.

Eyeful of Fashion

The swimsuit has come into its own. No longer is it a spectacle on the beach, it's now a versatile fashion designed for the active swimmer or beach goer. The two piece suit has been accepted faster than was expected, and it will be very big this season. However, I think most people prefer a one-piece suit. Either style, though, comes in many different colors and patterns, and most have some sort of cover-up jacket. Suits are being made in many different materials — jersey, latex, or new "miracle" fabrics. This goes for men's bathing suits, too. By the way, most of the men's outfits will be cabano sets this year. This includes the trunks and a shirt to match. The shirt can double as either a beach jacket or sport shirt. So, you see, there's no reason why all of you can't find a suit just made for you!

News and Nonsense

Well, now! Tonight's the night. Junior-Senior banquet time—wonder how we'll feel this time tomorrow? How about this? The band kids took a day off and went to Craterville. Quite some time, huh? Couples there were Judy-Eddie, Janey - Charles, Charlotte - Tom, Janis - Jerry Don, Barbara-Gary. Something new in CHS — Sue Sanders is going steady with Bobby S. Another steady is Gena A. and Gerald H. Having fun at the lake Sunday: Janey-Charles, Linda-Don. Boob seems quite interested in Vernon. Heard he and Pat B. had quite a time at the dance Saturday at Vernon. Visiting Paducah Saturday — Arlos. He and Claudette had quite a case going. Say! Seems Tim M., Bob B.

Assembly of God G. A.'s Attend Vernon Meeting Monday

The Wichita Falls sectional Christ Ambassador (C. A.) group of the Assemblies of God Church was held in Vernon Monday night at the First Assembly church. A special song was rendered by David and Marjolein Denton of Crowell, accompanied by Carolyn Denton, Bro. Jeffcoat, a 16 year old evangelist from Frederick, Okla., brought an inspiring message. The C. A.'s attending from the local church were Betty Duncan, Loretta Bingham, Marjolein and Carolyn Denton, Sharon Glover and Paulette McBeath of Thalia, Keaton Barker, David Denton, Alen and Clyde Bingham, Mesdames Lana and Sandra Glover, H. E. Thomson, H. C. Duncan, Allison Denton, J. M. Barker, Bro. and Mrs. Kenneth Bingham.

Symbol of Intent

"Nothing serves so strikingly as a symbol of a man's intent and purposes as his attitude toward a free press." "He who must silence his critics, he who must equate their complaints with treason, has become a dictator, no matter how much he may deny it." "Castro is approaching that important border line. If he snuffs out a free press in Cuba, the last illusions about his libertarian idealism will go crashing in the dust."—Winnemucca, Nev., Humboldt Star.

and Jon B. were really giving the girls a whirl at Craterville. Seems like the freshman girls enjoyed flirting with a little engineer at Craterville. Wanda is counting hours! Billy is supposed to arrive at 2:30 p. m. Friday. Riding around Sunday: Elly - James R., Carol - Jim, Sue - Bobby S., Carria - Ronnie, Judy - Eddie, Jo - Miles, Maria - Bobby. Who went with Walter? Was there a party at the park Sunday? Riding around Saturday night: Carolyn Werley-Denny. Together Thursday night: Janey-Charles, Charlotte-Tom, Judy-Eddie. A short affair—Kay and Danny aren't going steady anymore. They were together, Friday, Saturday and Sunday. See you at the banquet and prom tonight! Banquet is at 8 and prom about 9:30. Have fun over the holidays!—News and Nonsense.

Sixteen Boy Scouts Re-Register with Troop for Coming Year

Sixteen Boy Scouts of Troop 49 re-registered last Thursday evening at their regular meeting. Mike Shrode was presented his Tenderfoot card and badge. Ernest Magee and Steven Bell were inducted into the troop. Senior Patrol Leader M. L. Speer led the group as they made their final preparations for a three day and two night camp beginning on Thursday afternoon. Program committees were appointed to provide a program during the camp through which each boy could complete the outdoor and camping requirements for his second class and first class rank advancements. The troop leaders will also begin a camping log of its camping activities in order to qualify for the National Boy Scout Camping Award in 1960. To qualify for this award, the troop must camp out a required number of days and nights, must offer acceptable advancement leadership for advancement in rank, and must show increased development in camping and outdoor skills and craftsmanship. The troop will leave the Methodist Church on Thursday afternoon at 3 p. m. for their campsite in the North Wichita River breaks. All of the troop members are urged to contact troop quartermaster Ken Ferguson if they have not already done so, in order that supplies may be included for their camping experience. The troop will hold its recently postponed court of honor in the Methodist Church on Thursday evening, April 21, at 7:30 o'clock. A large number of advancements and awards will be presented at this time. All parents and the general public are invited to attend this court of honor. Scoutmaster DuWayne Elliott has decided not to re-register with the troop next year and the troop committee, under the leadership of Leon Speer and C. V. Barker, is seeking a Scoutmaster to lead the troop for the new year of charter activity.

M. Y. F. Elects New Officers Wednesday

The Methodist Youth Fellowship of the Crowell Methodist Church held its annual election last Wednesday evening. The following officers for the conference year beginning in June were elected: president, Alta Nell Bartley; vice president, Bob Borchardt; secretary-treasurer, Kay Johnson; and publicity chairman, Jo Carol Cooper. Last Tuesday evening, Misses Johnson and Bartley and Mrs. W. L. Johnson attended the annual election of officers in the Methodist Youth Fellowship for the Childress district of the Methodist Church, which was held in the First Methodist Church in Childress. Kay was elected to the office of district secretary-treasurer for the new year. The names of several local Methodist youth have been submitted to the sub-district nominating committee which will present its report at the MYF meeting in the First Methodist Church in Vernon on Monday evening, April 18, at 7 p. m. From this list of nominees, a slate of sub-district officers will be elected for the new conference year. The local Methodist youth have completed plans for an Easter sunrise worship service at the roadside park north of Crowell at 5:15 a. m. on April 17. The group will gather at the Methodist church at 5 a. m., go together to the worship site, and following the worship service, they will prepare their breakfast on open fires near the worship site. All of the youth in the local area are invited and are urged to contact MYF president Jo Frances Long so that breakfast preparations may be made for them.

What Product Will Be Next?

Legislation is being drafted to regulate all actions of the petroleum industry in the State of Washington. As contemplated, the board would regulate production, refining, transportation, distribution and sale. "Passing another law, licensing the gasoline dealers, and forcing a price control on gasoline, is not in the best public interest. If this can be done with gasoline, what or what product will be next on the list of government control?" —Chewelah, Wa., Independent.

STATE CAPITAL

Highlights

AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

Austin, Tex.—Texas adults by the thousands are going back to school this year.

Their object: to learn what nuclear warfare could mean to the country and what they can do to better their chances of surviving it.

Texas Education Agency and the State Division of Defense and Disaster Relief are co-sponsors of the civil defense adult education program. Since the program got underway late last year, 2,816 persons over the state have taken the free 12-hour course. Another 1,295 persons are attending 66 classes now in progress, and 150 new classes are due to begin this month.

Classes are held at public schools and taught by public school and junior college teachers who have been trained and certified by TEA's civil defense staff.

Seven new teacher training workshops are scheduled within the next few weeks. Eventual goal is to have civil defense classes in or near every Texas community.

Course material ranges from study of the effects of a nuclear bomb and probable capabilities of hostile powers to step-by-step instructions for personal survival preparedness.

Persons interested in having the course in their communities may contact their local school superintendent or write Civil Defense Education Director, Texas Education Agency, Austin.

NO SESSION BEFORE PRIMARY

Gov. Price Daniel said he will not call a special legislative session to raise teacher pay before May 7—the first primary date.

Conferences with lawmakers have convinced him, said the governor, that there is no hope of a successful session during the coming eight weeks.

However, the governor said he may call a session after the May 7 primary or submit the school improvement program as an emergency measure at the 1961 regular session. If he waits until 1961, Daniel said he would recommend an increased program to make up for money lost by delay.

Many observers have noted that a special session after the first primary election would pose many problems. As much as 25 to 30 per cent of the House could be made up of "lame ducks"—persons retiring from office or defeated at the polls. Incumbent legislators with run-off races would not want to leave their home districts to come to Austin.

Teachers would prefer to have the matter submitted at a special session. Regular session rules require that the budget be provided for before new spending can be considered. Last year approval of the budget was just about the last thing before adjournment.

ACCIDENT STUDY

A new study indicates that motor vehicles and heart attacks or similar difficulties were involved in more than half of Texas' fatal industrial accidents in the last fiscal year.

Industrial Accident Board reported on an analysis of 23,000 accident claims. In the group studied, it found that fatal accidents were most often connected with motor vehicles, 23 per cent; heart disease, 25 per cent; slips and falls, 10 per cent; striking or being struck by an object, 7 per cent.

Altogether, in the last fiscal year, the Board processed claims resulting from 195,000 non-fatal and 497 deaths.

Annual cost of industrial accidents is estimated at \$500,000,000 a year. Board plans to make an accident analysis every year to gain information for planning improvement programs.

UTILITY PAYMENTS AVAILABLE

Cities and private utility companies can now get reimbursement for money spent moving utility lines to make way for new interstate highways.

State Highway Commission said it is now ready to begin making payments under a law that was held constitutional by the State Supreme Court earlier this year.

Cost of the utility moving, as well as construction costs for the interstate system, comes 90 per cent from federal funds, 10 per cent from state funds.

BRIDLE PATHS CONTESTED

Whether a person owning grazing rights in a state park area can bar the public from riding horseback in that area is at issue before the Supreme Court.

High court is to hear arguments March 30 stemming from a dispute over use of the Davis Mountains State Park.

Trial court upheld the right of the grazing lease holders to lock out horseback riders while the lease is in effect. Court of Civil Appeals held that riders should be kept out at least nine months of the year.

BOMB LAW ATTACKED

A law prohibiting possession of a bomb or a conspiracy to bring about a bombing is under attack

in a case before the Court of Criminal Appeals.

Defendant in the case is accused of having masterminded a bombing of the premises of a non-striking employe of a Dallas industrial plant during a union walk out. Two persons who were convicted of having thrown the bomb in the victim's driveway said they were carrying out the defendant's instructions.

Attorney for the defendant called "dangerous" a law that makes it a felony to possess items from which a bomb could be made.

CRIME TOLL MOUNTS

An average day in Texas sees 3 murders, 3 rapes, 7 robberies, 32 aggravated assaults, 43 automobiles stolen, 266 thefts other than automobiles and 125 burglaries.

This is the end result of a crime increase that in the past ten years has brought a 73.2 per cent jump in crime while the population increased only 24.4 per cent.

Department of Public Safety announced that in all categories, crime in 1959 was up 3.9 per cent from the previous year. Largest gain was in aggravated assault—up 22 per cent. Only robbery showed a decline.

Years ahead in style... that's why Ford is far ahead in sales!

The "bug" bites thousands of people every week. They've been driving high-priced cars year after year. But suddenly they sprout out in 1960 Ford Galaxies, pleased and proud as punch. They're switching to Galaxie because they want that years-ahead Thunderbird look, with a glamour and grace that won't ever wear thin. They're going for Galaxie because Galaxie gives them—in look and in deed—an elegance denied to all but costlier cars. And Galaxie gives them all this for far less than what they've paid in the past... plus a high resale value! And these selfsame values are crafted into every car we sell—from Thunderbird to new Ford Falcon! Come let us prove it!
