Best Wheat of 1954 Crop Received at Truscott Sunday

The first load of 1954 wheat received at the Farmers Co-Elevator in Truscott Sunday, June 28, was announced Monday morning by Lester Hickman, manager. The wheat tested 60 with 13.41 moisture content and was brought to the elevator by John Kimball of the Gilliland community. It is estimated that the yield will be 100 bushels per acre.

(Tex) Taylor Work in Spain

Steven T. Taylor, nephew of T. W. Cooper of Crowell, returned in the June 11 edition of Collier's Magazine as an instructor in heavy machinery operation in foreign countries. His assignment is in Acampo, Calif., and he is currently employed by the U. S. Army as a civilian instructor in building of air bases in Spain. Taylor was teaching the military mechanics of Thai machinery in Bangkok, Thailand, when American contractors summoned him to Spain. He arrived 32 days later. After less than 24 hours in Spain, he left for North Carolina to see what equipment he would be requisitioned for the new base.

FINISHES REFRIGERATION SERVICE SCHOOL COURSE

J. M. Crowell finished a week's short course in servicing refrigerators, deep freezers and room refrigeration air conditioners last Friday in Wichita Falls. The course was sponsored by the Philco Corporation with a factory-trained serviceman in charge. The school was held for the purpose of training their dealers and servicemen in changing inoperative compressors on refrigeration systems without changing the entire unit. This service is past on sealed units. This service will greatly ease the serviceman's problems and give the owner quick and complete refrigeration service. The principals and practices learned in the school will be applicable to all types, makes and models of refrigerators, deep freezers, and room air conditioners, and the compressors will be stocked at Crowell's store.

ROTARY CLUB

At the Wednesday noon luncheon of the Rotary Club, a quartet composed of Misses Frances Kincaid, Billye Bell, Sue Meason and Betty Bartley, entertained the club members with two numbers. Miss Marcia Kincaid was accompanist. Merl Kincaid was in charge of the program and made an interesting classification talk on sound money. Rotarian Vance Favor of Quanah and Larry Sparks of Altus, Okla., were visitors. Herbert Edwards read the history of the club during the year Henry Ferguson was president, 1934-35.

LIONS CLUB

The Crowell Lions Club held its regular Tuesday noon meeting in the Down Town Bible Class room with President Kenneth Halbert presiding at the business session. Richard LePorte of Abilene and Harold Langston of Vernon were visitors. Dr. Martin Kralicke was in charge of the program and showed pictures that he took while in Korea. His pictures were outstanding and presented with the human interest in mind.

IN HIS HEAD — Though Robert Nathan 7, appears dreadfully injured with scissors protruding from head in San Francisco hospital, he actually was in pain. Shears thrown by brother's brother in argument penetrated skull, but missed vital tissue, and doctors said boy's condition was excellent.

Memorial Service Sunday Attracts Large Crowd

A large crowd was present Sunday afternoon at 2:30 o'clock at the Crowell Cemetery to witness the Memorial Service conducted by Allen-Hough Post 9177, Veterans of Foreign Wars, which was in charge of Lawrence Hallmark, post commander. Honor guests for the service were the Gold Star mothers, Mrs. T. R. Cates Sr., Mrs. Mattie Davis, Mrs. Josie Jones, Mrs. G. F. Pierce, Mrs. John Williamson and Mrs. J. L. Gobin. Barn Destroyed by Fire on McArdle Farm Near Thalia

The barn at the home of C. C. Wisdom, 2 1/2 miles south of Thalia, was struck by lightning Tuesday night and the building and all of its contents were destroyed. The farm is owned by Mrs. Pauline McArdle of Gainesville. No insurance was carried on the building. Mr. Wisdom's loss included his pickup, cotton seed and hay. The pickup was insured, but the balance of the contents were not covered.

Soil Conservation Service Reports Many Plantings of Grass

Leroy Perkins has planted 30 acres of guar and seeded 15 acres of weeping and fan lovegrass on the D. T. Wilson farm 9 miles northeast of Chillicothe. Both the guar and the grasses are up to a good stand. Joe Tidwell has seeded about 4 acres of blue panic grass on his farm 1 mile west of Medicine Mound. Emil Scharnegall has just completed turning under a good cover of Austrian winter peas on his farm 1 mile west of Goodlett. Bill Hopkins seeded 15 acres of blue panic grass on the S. J. Bailey farm 5 miles north of Goodlett. The grass is up to a good stand. Bill plans to irrigate his grass. Gene Kennedy, who operates a farm 6 miles southwest of Chillicothe has a good cover of about 70 acres of Austrian winter peas. W. C. Howard and Foy Horton, who operate a farm 9 miles north of Goodlett, have a good cover of Austrian winter peas. They plan to leave part of the crop residue on the surface of the soil to help prevent wind erosion. Many other cooperators in the Lower Pease River Soil Conservation District have reported good growths of winter cover crops. A moist spring has resulted in an excellent stand of grasses that have been seeded thus far. Technicians working in the district expect 6,000 or more acres of guar to be planted for seed production, wind erosion control, and soil improvement.

Soil Conservation News of District

Lower Pease River Soil Conservation District, Lower Pease River District Board: W. C. Howard, Grady Halbert, O. T. Holmes, O. H. Brandon, H. L. Ayers. Many fields of cotton, feed and guar planted recently were washed out of the ground or covered up by heavy rains during the past week end. In the Quanah, Chillicothe, Crowell and Goodlett area, from three to five inches of rain washed gullies across fields and removed one of fertile top soil by sheet erosion. The county roads, in many cases, were washed out or covered with soil from nearby fields. Fields protected with vegetation, contour farming, and terracing received less damage than unprotected land. A waterway covered with alfalfa on the Paul Cain farm, east of Quanah is well protected. Another waterway on the Bill McPherson farm north of Chillicothe has an excellent stand of alfalfa. Water from terraces empty into the waterway without erosion at the end of the terrace. Waterways on the O. L. Sims land south of Chillicothe and the W. H. Flynn farm east of Quanah have been established and terrace ends are protected as surplus water is discharged without causing soil loss.

Month of May Goes into Records as "Wettest May" in History of Foard Co.

Rain which totaled .77 of an inch fell in Crowell last Wednesday night and together with that already received during the earlier part of May, broke all rain records for the month of May in Foard County. A total of 10.97 inches of moisture fell here last month. This exceeds the next high month, May of 1914 when 10.41 inches fell, by .56 of an inch. Foard County has an excellent season for row crops, and cotton and feed farmers have planted their crops, or are waiting for the land to dry out from the rain. The weather has been hot and windy for the past week, ideal weather for drying out wheat fields and ripening the wheat.

Home Demonstration Notes

MRS. MARY D. BROWN

Last Saturday, Janet Rasberry, Ginger Rasberry, Bettie Linda Knox and I returned from the first Joint District Camp at Buffalo Gap. While there the girls swam, played games, made copper pictures and learned more about citizenship and safety. We all enjoyed it and are looking forward to going back next year.

Clubs won't meet again until the latter part of June. At that time Mrs. Alberta Rivers of the Singer Sewing Center will give the demonstration on machine embroidery and I know you will all enjoy it.

Our recipe this week is for—**Tomato Surprises**

8 tomatoes, 1 onion, minced, one 8-oz. can mushrooms, 3 tablespoons butter, 1/2 teaspoon salt, 1/16 teaspoon sugar, 1/8 teaspoon pepper, 1/4 cup bread crumbs, 2 eggs, clove garlic.

Wash tomatoes. Cut off tops and scoop out centers. Sauté minced onion and chopped mushrooms in butter. Add to tomato pulp and simmer 4 to 5 minutes. Season and add bread crumbs. Add slightly beaten egg. Heap mixture lightly into tomatoes. Top with tomato cover. Place in baking dish and bake 30 minutes or until brown. If garlic is used, rub frying pan with a clove before melting the butter. Serves 8.

Good and choice slaughter steers and yearlings \$18-\$22, common and medium kinds \$12-\$18. Fat cows \$10-\$13, a few heiferish kinds to \$13.50 and above. Canners and cutters largely \$7-\$10. Bulls \$9-\$14.50, few higher. Good and choice slaughter calves \$18-\$22; cull, common and medium kinds from \$10-\$17.

Some typical sales: Scaling V Ranch, Clay County, 21 feeder yearlings, 506 lbs. \$21.25; 21 cows, 1,100 lbs., \$13; 11 cows, 1,086 lbs., \$15; five cows, 1,036 lbs., \$13; 12 cows, 1,100 lbs., \$12; R. H. Gaudin, Palo Pinto County, package 528-lb. calves \$19.50; Joy W. White, McCulloch Co., 42 calves at 299 lbs. at \$22; Neale Farms, McLennan Co., package yearlings 532 lbs. at \$18. C. C. Black, Milam Co., load 537-lb. yearlings \$18 and load 620-lb. yearlings \$16.

Henry Elder, Tarrant County, 15 calves at 455 lbs. at \$23, and eight at 592 lbs. at \$20. Millard & Scharbauer Eidson, Lea Co., New Mexico, load canners 721 lbs. at \$9; Pitchfork Land and Cattle Co., Dickens Co., load cutters \$9.50 and \$11, some 1424 lb. bulls at \$14.

Spring lambs topped at \$24 to \$25 readily at Fort Worth Monday and were fully steady at those prices. The fair to good kinds of slaughter spring lambs sold around \$18 to \$24, and stocker and feeder kinds, and the lower grade killers sold from \$12 to \$17.

Old crop shorn fat lambs of good and choice kind sold from \$16 to \$17.50, and cull, common and medium killers sold from \$10 to \$15. Feeder yearling wethers sold around \$13 to \$14 down and some stocker yearlings and ewes of the white-faced kinds drew \$15 to \$16 and some black-faced kinds ranged up to \$17 and \$18. Slaughter ewes sold at \$4.50

Fort Worth, May 31 — Major population centers in the Midwest and on the Eastern Seaboard reported movement of most kinds of meat at wholesale and retail levels last week were spotty and disappointing and in the main prices worked lower.

This condition was reflected in prices of most kinds of livestock in lowered prices. The beef trade was burdened with an influx of medium and low grade calf meat from the farms and plantations of Mississippi, Alabama, Georgia and Florida.

Pork prices tumbled from five to 14 cents per pound in the New York area as consumers shied away from the highest pork loin prices in years. Finicky buyers with nothing else to criticize about it, were making enough of an issue about the way the pork was trimmed and the amount of fat on it, to call for a report of that fact on the national news circuits.

At virtually all points, packers and wholesalers complained that cattle and calves were making unsatisfactory kills because of the evidence of "grassy" finish and fat.

Lamb buyers complained that old crop shorn lambs were showing more yearling than lamb characteristics and the "horsey" sizes and failures to "break joint" created additional hurdles. Spring lambs were reportedly in rather liberal supply, and off grades were reportedly numerous.

The Southeastern lambs were reported in heavier volume. All of this set the stage for the "June break" in cattle prices,

In the News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, May 30, 1924:

The 14th birthday of Raymond Hallmark was celebrated at the home of his grandmother, Mrs. B. F. Hallmark, Tuesday evening.

G. M. Bryan, a farmer of Knox County and candidate for the Legislature, was here Saturday.

Merl Kincaid, Forest Burk, Mattie Russell and Martha Lou Ray returned Monday from Clarendon College where they attended school the past winter.

Boys from 12 to 13 years old perfected a Boy Scout organization Monday night. Tuesday night they went on a hike to N. J. Roberts' lake near Foard City, accompanied by Grady Magee. The boys are Charlie Ashford, Vance Swain, Ragsdale Lanier, Joe Roberts, Jack Thomas, Tom Reeder and Arthur Bell.

Estimates of this year's wheat yield run from 15 to 20 bushels, according to many of the farmers. Recent rains have benefited the crop.

Tom Hampton, formerly one of the biggest farmers in this county, was here this week from Rock Springs.

Miss Cassie Dockins, head nurse of the Knox City Sanitarium, visited here several days with her parents, Mr. and Mrs. A. J. Dockins, in the Clayton community.

A. C. Adkins and Brown Bros. of Truscott sold to Masterson & Weymouth of Amarillo last week 1200 head of cattle to be put on pasture in Potter County. Crews, Shirley and Offield sold 100 cows and calves to J. A. Moody at Truscott last week at \$45.50 per head.

A fine boy was born to Mr. and Mrs. Oscar Gentry of the Black community on May 23rd.

S. H. Ross and family made a trip to Wichita Falls Saturday to visit his brother, Otis.

Mr. and Mrs. Sam Mills are the proud parents of a fine girl which arrived on May 16th.

which on Monday average around 50 cents to \$1 per hundred, some more and some less. On top of the break of a week earlier, this moved prices nearer to levels of a year ago.

County Agent Urges Farmers to Clean Out Storage Bins

Wheat harvest really begins before the combines roll to the field. The first step, says Joe Burkett, County Agent, is to rid all storage facilities of possible sources of weevil, rodent or bird infestation. Progressive farmers attend to these jobs now—before the new crop is harvested, says Burkett.

Even a handful of wheat left over from last year may harbor enough weevils to spread quickly into a serious infestation.

With the emphasis this year on storage, Burkett recommends that bins be thoroughly cleaned to remove all bits of grain and dust from corners and cracks. Then the walls and floors should be sprayed with an effective residual insecticide.

Let the pre-harvest clean-up extend beyond the storage bin, however. Feed rooms, small pockets of wheat left in machinery and spilled grain are common "hot spots."

Check for leaks and openings through which moisture may enter. A metal flashing around foundations and over holes serves as an effective rat proofing. Burkett says lumber and trash piles which may harbor rodents should be cleaned up.

Wettable powders of DDT or methoxychlor at two and a half per cent concentration are recommended bin sprays. Another ef-

County Agent Gives Treatment to Rid Lawns of Chiggers

This is chigger season and many Texans are in for a lot of misery before it's over, says Joe Burkett, County Agent. Although it might not be economical to control the pests all season, entomologists say 50 to 75 cents worth of chlordane or toxaphene will kill the red bugs on the average home lawn for about seven days.

Such a plan is suggested to anyone planning an occasional summer picnic, party or other outdoor gathering. Or these insecticides may be applied to a smaller area where the family lounges or plays in the yard.

One pound of five per cent toxaphene or chlordane dust applied to 1,000 square feet is recommended by the Texas Agricultural Extension Service. These dusts are available from feed, drug and most grocery stores. If a spray is preferred, use one-half pint of toxaphene (containing 6 parts technical toxaphene per gallon, in 4 gallons of water and

spray lawn thoroughly. Sulphur dust has long been a popular chigger killer, but these treatments are more effective, the entomologists add.

NO POOL LIKE AN OIL POOL

A "pool" of oil in deposits under the ground is not like a lake on which you could boat. An oil "pool" is oil packed under terrific pressure in porous sandstones, limestones or other types of rocks. Sometimes gas is packed in with the crude oil by the same pressures, and must be separated when brought to the surface.

State Capitol NEWS

by VERN SANFORD
Texas Press Association

Austin, Texas — Most discussed subject in Austin is the United States Supreme Court decision abolishing racial segregation in the public schools.

Not only are the people talking about this important ruling, but they are taking their pens and pencils in hand to let Governor Shivers know how they feel about it. There is no doubt about how Texans feel on the subject for the mail shows a 30 to 1 ratio in favor of maintaining segregation.

Governor Shivers pointed out that the Supreme Court has indicated it will have more to say on this matter later this Fall, and there is very little that can be done until we know its final opinion.

The Texas Education Agency has advised schools in Texas to plan for continued segregation in the term starting next September.

Roy M. Hall, executive director of the Texas Association of School Boards, said that the segregation problem will be mostly a local headache and that in most instances it will be at least several years before the reality of non-segregation becomes evident.

Insurance Company Probe
Hottest news out of Austin is the insurance company probe. Indicted by a Travis County grand jury were Leslie and Paul Lowry of Beaumont, D. H. O'Neil, Beaumont, and Spencer Treharne of El Paso.

four persons with criminal violations of Texas insurance laws. In addition to perjury counts against the four, Paul Lowry was charged with submitting a false statement.

All the indictments concerned submission of alleged false reports to the State Board of Insurance Commissioners regarding funds of insurance firms at Beaumont, Ennis and El Paso.

Insurance firms concerned were the Texas Mutual Insurance Co. of Beaumont; Texas Fire Insurance Co. of Ennis, a subsidiary of Texas Mutual; and Texas Western Insurance Co.

Investigations which have been going on since the first week Attorney General John Ben Shepperd took office in 1953 reveal that some insurance companies have been formed in Texas with borrowed capital which banks deposited to the credit of the insurance firm, but with the understanding that the money was not to be withdrawn. Once the firm was approved by the Insurance Commission and a charter granted, the bank's money was returned, the loan canceled and the insurance company was in business. Loser in the transaction was the policy holder who was dealing with an insufficiently financed firm.

Shepperd has been working closely with Travis County District Attorney Bob Long in connection with the grand jury's investigation. One of Shepperd's top assistants, Willis Gresham, has been appointed by the attorney general to handle the prosecution. Gresham played a big part in the attorney general's recent investigation in Duval County.

Tightening of Insurance Laws?
Legislation tightening the state's insurance laws is indicated. Acting Governor Ben Ramsey has called the legislative council into session to begin a study of existing laws.

Court disclosures of loopholes, lack of safeguards, and loose enforcement which permit improper organization and operation of small insurance companies, prompted the move.

Executive of the 1,884 insurance companies doing business in Texas have been asked by Ramsey to submit recommendations for remedial legislation. Changes recommended by the legislative council will go to the Legislature next year.

New Duval Grand Jury
The way has been opened for the appointment of a new grand jury to look into the jumbled affairs of Duval County.

The Court of Criminal Appeals refused to set aside 79th District Judge A. S. Broadfoot's discharge of a grand jury commission the judge ruled was lax in selecting fair and impartial grand and petit jurors.

Judge Broadfoot can now appoint a new commission which in turn will set up a new grand jury.

Island Development Delayed
A dispute over the amount of land to be given for highway purposes has snarled the proposed development of Padre Island as a big vacation spot. The obstacles

arose when County Judge Oscar C. Dancy of Brownsville said that the 100 feet which developers want to give for the island's highway right-of-way is insufficient.

C. S. Eidman Jr. of Brownsville and one of the island's land owners, said all the property owners had agreed that 100 feet was enough for the right-of-way. The squabble will be aired at a public hearing before the state highway commission.

Inks Lake Resort
Construction of a state-owned \$1,000,000 tourist resort at Inks Lake State Park, northwest of Austin, will start in the near future.

Two years has been spent getting this project ironed out.

Board Chairman Frank D. Quinn reports that all preliminaries have been successfully completed.

When completed the Inks resort center will be the biggest tourist facility in Texas. The project is self-liquidating, being financed through the issuance of revenue bonds. It is the first of three similar big-scale revenue-financed undertakings by the state park system. Others would be in Eisenhower State Park near Lake Texoma, and on Possum Kingdom Lake in northwest Texas.

Draft Quota High
Brigadier General Paul L. Wakefield has issued a draft call for 1,187 men for July. It is the largest draft quota in six months.

The state director of Selective Service declared that calls for the next 12-month period will be on an increased level. Cause of the increase, General Wakefield asserted, is the fact that more men will be getting out of uniform during the government's next fiscal year.

Coke Fights Congress
Coke Stevenson, Jr., Texas Liquor Administrator and newly elected president of the National Conference of State Liquor Administrators, is readying a blast against federal interference with state liquor laws.

The National Conference adopted a strong resolution to be presented to congressmen pointing out that the repeal amendment returned to the states the licensing and supervision of the liquor industry. There are bills now pending in Congress prohibiting beer and liquor advertising.

Need Industrial Safety Law
Elevators in Texas are not inspected for safety, says C. H. Cavness, state auditor. He advocates inspection laws similar to those in many other states.

Cavness commented also on the need for an industrial safety law, with proper authority for enforcement.

He noted that 247,371 accident claims were handled last year by the Industrial Accident Board. This compares with 179,152 cases eight years ago. Claims last year totaled \$22,000,000 as compared with \$10,581,000 eight years ago.

Present laws do not require safety inspections of boilers in schools and court houses. The Labor Department will ask the 1955 legislature to pass a law requir-

Endrin Is Best-Yet Cotton Insecticide

Endrin, a newcomer to the insecticide world, this year takes the cotton insecticide spotlight. Entomologists report that it comes as close to an all-purpose cotton insect control as anything yet tested.

A close relative to dieldrin, endrin is now widely used to control bollworms, boll weevils, thrips, cotton leafworms, cotton fleahoppers and lygus bugs.

Endrin appears for the first time this year in the official Texas cotton insect control recommendations. U. S. Department of Agriculture researchers have tried it under a wide variation of growing conditions in Texas, Louisiana, South Carolina and Mexico.

In Texas, endrin is recommended for boll weevil and cotton leafworm control at rates of one-fourth to one-third of a pound to the acre. Bollworm treatments call for applications of one-third of a pound per acre, according to Joe Burkett, County Agent.

This welcomed newcomer, however, does not control pink bollworm such inspections.

Dairymen to Promote Industry
June is dairy month. Dairymen of Texas will contribute two cents per hundred weight of the milk and one-half a cent per pound butterfat in cream they sell this month to the state ADA headquarters in Austin.

Sam Von Rosenberg, state manager of the American Dairy Association of Texas, says that it is a voluntary plan proposed to the 30,000 milk producers in the state to provide \$150,000 annually to promote an increase in the sale of milk, butter, ice cream, cheese and other dairy products through advertising.

More Wild Life
Wild animals seem to be taking liking to the rugged area west of Austin. There has been a panther scare for several months. Latest report is the appearance of a 33-inch long alligator — which walked out of Shoal Creek almost in the heart of this capitol city.

Leon Pechacek and Miss Buckholt Marry

Marriage vows for Miss Virginia Aline Buckholt of Quannah and Leon Pechacek of Crowell were read at the Holy Family Catholic Church in Vernon Saturday afternoon, May 22, at 4 o'clock. The double ring vows were recited in the presence of the immediate families and close friends with Rev. Ed J. Shopka officiating.

The bride is the daughter of Mrs. Oscar Buckholt of Quannah

and the groom is the son of Mr. and Mrs. R. L. Pechacek of Crowell.

Preceding the exchange of vows, Mrs. J. A. Huber, organist, presented "On This Day, O Beautiful Mother." As the bridal party entered, Mrs. Huber played Loehengrin's Bridal Chorus, and a muted rendition of Rosewig's "Ave Maria" accompanied the recitation of the vows. The wedding recessional from "A Midsummer's Night's Dream" was played as the party left the church.

Miss Tommie Kay Buckholt, sister of the bride, was maid of honor. The groom's attendants included his brother, Dan Pechacek, of Quannah, as best man, and Warren Wilson, brother-in-law of the groom, of Vernon, as usher.

The groom is a graduate of Crowell High School of the class of 1952, and later served with the Air Corps. He is employed with the Texas Highway Department in Quannah. Mrs. Pechacek graduated from Quannah High School with the class of 1951, attended a business college in Wichita Falls, and is employed with the Q. A. & P. Railway.

Following a short wedding trip the couple has established residence at 107 West 9th Street in Quannah.

CAMERON'S ANSWER TO THE GRAIN STORAGE PROBLEM

RILCO GRAIN STORAGE AND UTILITY BUILDING

A storage loan covers 80% of the cost of the building above foundation. For tax purposes building cost can be written off in five years. Can you afford not to build?

We have free plans and will gladly quote you the price for the size building you need. We think you'll be surprised at the low cost of approximately 27c per bushel

TRUSCOTT H. D. CLUB

The Truscott Home Demonstration Club met Thursday, May 27, at 2 o'clock in the home of Mrs. J. M. Chowning. After the business meeting the program was turned over to Mrs. Chowning, who gave a demonstration on how to prepare a swiss steak. Mrs. Oscar Solomon gave an interesting demonstration on how to hang out the washing and ironing a shirt. Bulletins and recipes were given to each club member. Roll call was answered with a Proverb. The club voted to change the meeting time to 3 o'clock during the summer. A game was directed by Mrs. Marion Chowning Jr.

Refreshments were served to the following: Mrs. Jack Hickman and daughter, Mrs. Rex Haynie, Mrs. W. O. Corder and son, Mrs. Marion Chowning Jr. and daughter, Mrs. C. C. Browning, Mrs. Jack Brown, Miss Naoma Brown, Mrs. J. G. Adcock, Mrs. Jess Boykin, Mrs. Ed Good, Mrs. Oscar Solomon, Mrs. H. P. Gillespie, Miss Mary K. Chowning and the hostesses, Mrs. Marion Chowning, and Mrs. T. M. Westbrock.

FOARD CITY W. S. C. S.

Installation services for incoming officers of the W. S. C. S. were held at the Foard City Church on Monday afternoon, May 31, at 3 o'clock. Mrs. Howard Ferguson, accompanied by Mrs. Jack Welch, led the song service. Mrs. W. L. Johnson presided over the business session.

The devotional, given by Mrs. Blake McDaniel, was based upon the necessity of repentance in the life of a Christian. She concluded her talk with a poem and, with fitting remarks, presented Mrs. Fred Traxew with a Life Membership pin.

Mrs. Allen Forbis spoke on the challenge of the coming year's work. She told of the privilege of knowing and doing the work of the W. S. C. S.

Following a moment of silent prayer, Mrs. Virgil Johnson led the group in prayer as a prelude to the installation of officers. Mrs. Forbis called each officer to the altar, inspiring each to do the work of her office to the best of her ability. When all were assembled at the altar, a prayer was given by the pastor and all repeated the Lord's Prayer.

A social hour followed in the recreation room. Twenty members were present for the service.

CO-LABORERS LUNCHEON

Twenty-three members of the Co-Laborers' Class of the Methodist Sunday School enjoyed a covered dish luncheon in the home of Mr. and Mrs. Will Jones last Thursday afternoon when Mrs. Jones, Mrs. A. Y. Beverly and Mrs. Claude Callaway were joint hostesses.

A social hour was held in the morning, also a business meeting. Before the noon meal, which was served at quartet tables, the invocation was given by Mrs. Hines Clark. Following the delicious meal, the program was given by Mrs. C. W. Thompson was devotional leader on the subject, "God is hunting you," Luke 19:10. Several songs were sung by the group. Mrs. Percy Ferguson reviewed an article "Between Preamble and Postscript" from the Christian Advocate, which dealt with the work of a young missionary. Mrs. Thompson directed a brief installation service for the incoming officers for the year 1954-55. The meeting was brought to a close with "Best Be the Tie," sung with hands joined and heads bowed.

WEST SIDE H. D. CLUB

Mrs. C. R. Bryson reviewed several favorite Bible stories at the West Side Home Demonstration Club May 25. The meeting was held in the home of Mrs. M. O'Connell with Mrs. Parker Churchill as hostess.

It was decided to entertain the club families with a 42 party in the home of Mrs. Donald Norris
