THIRTH YEAR NUMBER 45

Eighth Grade Graduation Held Tuesday, May 18

Miss Cora Carter, principal of the Crowell Elementary School, presented certificates to fifty-four boys and girls who had completed the prescribed courses for eighth grade graduation, last Tuesday afternoon in the High School auditorium.

The stage was artistically decorated with hydrangeas and Boston fern by Mrs. Mike Brown, one of the class mothers.

After the procession, "March Militaire," played by Elna Gayle McAnally and Jo Frances Long, the program was in charge of Ray Thomson, high point boy of the class with an average of 93.50.

Edith Davis, salutatorian with an average of 94.90, talked on "Education and Our Hopes," and Shirley Fox, valedictorian with an average of 96.10, spoke on "Our Desire to Succeed."

Musical numbers rendered were "Saviour, Teach Me Day by Day" by a double quartet composed of Jana Black, Shirley Fox, Sandra Sanders and Carolyn Monks; a piano solo, "Prisoner of Love" (Continued on page 8)

Foard County Receives More Rain Saturday Night, Sunday and Monday; This Is One of Wettest Mays on Record

Rain, which fell in Foard County Saturday night, Sunday and Monday, measured 3.42 inches in Crowell. Clouds and threatening weather remained through Tuesday night, with no precipitation.

Don Wilkins New Scoutmaster of Local Troop

At a meeting of the Boy Scout Troop committee Monday morning, Don Wilkins was elected to be acting Scoutmaster for Troop 49, replacing Chairman Bedford W. Smith, who has been serving while the committee has been endeavoring to find a Scoutmaster. There is the need for two men to assume permanent leadership since Don now plans to be away in college this fall and since Minister Smith will not be available to continue with the Troop, Clyde James has been selected to replace Minister Smith as Troop committee chairman, effective June 1.

Scout Executive Clois Rainwater of Vernon attended the breakfast meeting. He reported that beginning next week, arrangements were being worked out so that Scouts from Crowell can have free swimming at the Vernon pool during the summer months. Boys can become eligible for the free swimming by having paid up their dues and attending the required number of regular meetings of the local Scout Troop.

Scouts Needed to Sell Poppies. All Scouts who are willing to serve as salesmen for Memorial Day poppies on Saturday are asked to come in their uniform to the court house on Saturday at 8 a. m. The sale will probably be over before or by noon. Several Scouts helped last year and already several have volunteered for this year's sale of the poppies made by disabled veterans for aid to disabled or needy veterans.

Dr. John McFarland Speaks to Crowell High School Graduates

Dr. John McFarland, superintendent of the Vernon Public Schools, was principal speaker at the commencement exercises of Crowell High School held in the auditorium last Thursday evening when thirty-six graduates received their diplomas.

Dr. McFarland is an excellent speaker and his address was well received by the graduates and the large audience present for this annual occasion. He used the silver dollar to illustrate the solid, basic heritages of the American people. He explained the symbols on the dollar and emphasized that there is a right way to obtain dollars and a wrong way, and in closing stressed the importance of the phrase, "In God We Trust."

Veterans of Foreign Wars Requests Help for Selling Buddy Poppies May 29

"Everyone invited — everyone needed." That was the slogan of the local Veterans of Foreign Wars post when it met Thursday, May 20, to discuss the 1954 Buddy Poppy campaign that will be held here May 29.

Commander Lawrence O. Hallmark pointed out that the more people that are out selling Buddy Poppies, the more money that will be raised. He stressed that it was not necessary for volunteer workers to be on the streets all day.

Mrs. Ivy (Lawhorn) Hicky, \$1.00; Mrs. Maggie Hammonds, \$5.00; Mr. and Mrs. G. B. Neill, \$5.00; Claude Lawhorn, San Diego, Calif., \$10.00; Mr. and Mrs. Lee Shultz, \$2.00; Lee Sims (hauling sand) \$6.00.

Vance Favor of Quanah and Jim McCullough of Stamford, Bill Dorrill of Waco was also present.

recorded Tuesday. Total rainfall recorded by the Government gauge for 1954 is 14.05 inches.

This month has been the wettest May in thirty years and, so far, is almost equal to that of May, 1914, when 10.41 inches of moisture was recorded. Up to Monday 10.21 inches had been recorded by the government gauge during the present month with a great possibility that the record of 1914 will be broken before the month is gone.

The rainfall measured from 3 to 4 inches in all portions of the county, Tuesday night the skies cleared and prospects for more favorable weather for farming activities seemed probable. Some wheat will be ready for harvest soon and the cotton and row crop farmers need to get into the fields for planting and to do other work necessary for the summer crops.

Memorial Service to Be Held at Cemetery Sunday

Allen Hough Post 9177, Veterans of Foreign Wars, will conduct a memorial service at 2 p. m. Sunday afternoon, May 30 at the Memorial Marker recently moved by the Cemetery Association from the City park to its present location at the cemetery.

Honor Rolls Released for Thalia School's Last Six Weeks

Honor rolls for the last six weeks of the Thalia School follow: High Honor Roll Joanne Shultz, David Carpenter, Don Taylor, Eldon Whitman, Patsy McRae, Gayle Taylor, Judy Vaughn, James Wright, Joan Schwarz, Bruce Casada, Bill Taylor, Judith Johnson.

Low Honor Roll Edward Cody, Phil Johnson, Cecie Tarver, Jimmy Werley, Johnny Matus, Peggy Werley, D'Lois Shultz, Ruth Ellen Short, Judy Holland, Patsy Cody, Roy Martin Shultz, Louis Kajs, Mary Ruth Riley, Wesley Chism, and Gary Carpenter.

Perfect Attendance Joe Phillip Johnson, Larry Joe Riley, Cecie Burl Tarver, Joanne Shultz, David Carpenter, Alton McCurley, Donna Gayle Taylor, Judy Vaughn, Peggy Ann Werley, Gary Carpenter, Mary Ruth Riley, James Leslie Blakey, Roy Chism, Roy Martin Shultz, Judy Holland, D'Lois Shultz, Ruth Ellen Short, Vicki Sue Farrar, Martha Gaye Ramsey, Kay Ann Taylor, Jerry Toie, Rhetta Cates, Carolyn Werley, Mildred McCurley, Mike Cates, Mike Gamble, Paulette McBeath and Mary Ann Ramsey.

Home Demonstration Agent, Mrs. Mary Brown, Second row, left to right: Mrs. Herman Kincheloe, Mrs. Glen Jones, Mrs. Ernest Boren, Mrs. Glen Shook, Mrs. Fred Borchardt Jr., Mrs. W. O. Fish, Mrs. Dee Gilbert, Miss Myrtle Fish, Mrs. M. O'Connell, Mrs. Henry Ross, Mrs. Maude Rasberry, Mrs. T. W. Cooper, Mrs. Arthur Sandlin, Mrs. Allen Fish.

Ramp at Methodist Church Given by Geo. Self Family

The ramp recently constructed at the northeast door of the Crowell Methodist Church was a gift of Mr. and Mrs. George Self and daughter, Miss Rondyn, in memory of Mrs. Self's father, the late O. H. Dodson, who died April 16 at his home in Crowell.

This structure, which has been needed for years, is placed there for the benefit of those who are not physically able to climb steps. The ramp is thirty feet long and the ascent is gradual enough to make the entrance to the church building at this door comparatively easy. The steps have been eliminated and a wheel chair could be used at this entrance when necessary.

Contract for the construction work was given to Cicero Smith Lumber Co. and the re-inforced concrete work was done by Otto Davenport and the steel rails on each side were made by Andrew Calvin, owner of the Calvin Welding Shop.

County Agent Recommends Use of 2,4-D to Control Weeds in Small Grain

The most common annual and winter annual weeds found in grain fields are sunflower, mustard, fleabane, ragweed, pigweed, lambquarter, prickly lettuce, smartweed, russian thistle and dock. These may be readily controlled by using 1 pint of amine 2, 4-D (containing 4 lbs. parent acid per gallon) per acre, according to information furnished by Joe Burkett, County Agent.

Vacation Bible School at Methodist Church to Start Monday

The Crowell Methodist Church will hold a pre-registration picnic Saturday, May 29, at 4 o'clock for all children who plan to attend the Methodist Vacation Bible School. A picnic supper is being furnished by the Hospitality and Home Builders classes. All children interested in attending the school are invited to come.

Dr. and Mrs. Kincaid to Observe Golden Wedding Anniversary

Dr. and Mrs. R. L. Kincaid will celebrate the fiftieth anniversary of their marriage on June 9. On Sunday, June 6, in the Kincaid home, their children, Mrs. Harvey Turnbough of Lubbock, Mrs. Dale Grimes of Clarksville, Ark., and Merl Kincaid of Crowell will celebrate in observance of the anniversary with a tea for all friends of the family. The tea will be held from 3 to 5 p. m. and this is to be considered an invitation to all to attend.

Dr. and Mrs. Kincaid are pioneers of this section and have had a distinct part in its development. It is requested that there be no gifts.

D. CLUBS' DRESS REVUE ENTRANTS—Pictured are the members of the Home Demonstration Clubs of Foard County who participated in the Dress Revue held here Saturday, May 15. From left to right are: bottom row; Mrs. Ben Hopkins, Mrs. Frank Earl, Mrs. James Sandlin, Mrs. Warren Haynie, Mrs. Moore, Mrs. Marion T. Gilbert, Mrs. Walter Thompkins, Mrs. E. A. Dunagan, Mrs. R. J. Roberts, Mrs. Clyde Wesley, Mrs. George Wesley, Mrs. Dave Boren, Mrs. L. Johnson, Mrs. R. A. Bell, and the Foard County

Conservation Service Says Hairy Vetch Grown on Land Produces Large Amounts of Elements Needed in Soil

This will improve your soil, but it will improve your soil much faster if used as a green manure crop. A clipping of hairy vetch was taken from J. M. Jackson's farm north of Thalia recently and it was found that he has 14 tons of green foliage per acre on his field. If that crop was turned under as a green manure crop it would put 2 1/2 tons of dry organic matter into his soil. In this dry organic matter there is 180 pounds of pure nitrogen, 23 pounds of phosphorus and 119 pounds of potassium. All of this would be put into his soil if it were turned under as green manure. If used as a hay or grazing crop only the root system would be left to improve his soil which would be far lower in all of these amounts.

Church School Attendance Report

Church school attendance for May, 23, follows: Sunday School 91, Bible Class 224, Christian 87, Baptist 200, Will Baptist 46.

Fire Department Campaigns for Fire Safety; To Sell Fire Extinguishers

Following the danger of fire and destruction it causes, the Fire Department has started a campaign to put fire extinguishers in every home in Crowell. The extinguishers have been selected are of the Power-Pak Products of Buffalo, N. Y., who make CO-2 (carbon dioxide) extinguishers under the strict supervision of the Interstate Commerce Commission and include household units which are finished in enamel and can be hung in homes in the house, fire alarms, extinguishers for the automobile, barn, truck, tractor and

Bobbie Ruth Abston to Receive Degree at A. C. C.

Bobbie Ruth Abston, daughter of Mr. and Mrs. Bob Abston of Crowell, and a 1951 graduate of Crowell High School, will receive her first degree in education at commencement exercises of Abilene Christian College on May 31.

Bobbie Ruth Abston majored in business administration with a Bible degree and will receive a B. S. degree. She was a member of the Epsilon, business club; Gamma Club, women's pep club; Phi Kappa Phi, women's honorary organization; and Panhandle Club.

CORRECTION

In the list of graduates of Crowell High School appearing in the News last week, the name of Joyce Naron was unintentionally omitted. The News regrets this error and is glad to make the correction.

News About Our Men in Service

PROMOTED TO MAJOR Richard Vecera, son of Mrs. Tom Vecera of Crowell, has recently been promoted to the rank of major in the Air Force. Major Vecera has been in the service for 11 years with combat duty during World War II and the Korean war. He is presently stationed at Harlingen, Texas, Air Force Base.

ARRIVES HOME Presley Thomson of the USS Uhlmann came in Monday from San Diego, Calif., on a 30-day leave from the Navy. He is visiting his parents, Mr. and Mrs. Walter Thomson, and other relatives and friends.

The Uhlmann, completing its third tour of duty with UN forces, has been patrolling the waters around Korea, Japan and Formosa. The destroyer is due for an overhaul period at the Long Beach Naval Shipyard beginning about June 5.

TO INDOCHINA

Cpl. James B. Rasberry Jr., son of Mr. and Mrs. J. B. Rasberry, has been sent to Indochina to make up a radar instructional team consisting of three officers and three enlisted men. He is now sixty miles from Saigon, Indochina, at a French artillery school, where he will instruct radar. He flew from Seoul, Korea, to Tokyo, Okinawa, Manila and then to Saigon. He went from Saigon to the French artillery base with an armored car escort, as the Vietnam rebels attack the place about twice a week.

Five C. H. S. Students Place in Regional Soil Conservation Contest

The following five Crowell High School students placed in the Regional Soil Conservation Essay contest and attended the annual banquet held at Amarillo Wednesday evening at which time the awards were presented. This banquet was sponsored by the Fort Worth Press.

J. C. McCoy, Bill Halbert, Myrna Sprague, Lowell Page and Jean Whitby attended. J. C. McCoy received a \$25.00 prize for his first place award. The group was accompanied to Amarillo by Supt. Grady Graves.

Mr. and Mrs. Sim Gamble visited her brother, Frank Wood, and family and the Jim Breedloves in Vernon Tuesday night and Wednesday of last week.

Rev. Bob Oglesby left Tuesday for Kress to visit his cousin, Mrs. R. P. Reed, and family and then

Rain in Texas: When I had the pleasure of spending a week end in Texas recently, I was overjoyed to find that practically every section of the State has now been blessed with rain. Some areas received the first abundant rainfall they have had in several years.

Some weeks ago I expressed the hope, based on information from the Weather Bureau, that the Texas drought would shortly be broken. That has happened. All of us are thankful.

But the relief brought by the rain must not blind us to the fact that Texas still has a water problem of major magnitude.

Action on Water: Some of the friends with whom I have discussed this matter say, "Everybody is talking about water. Is anybody actually doing anything? If so, what?"

It is a fair question. I am happy to report that from the Federal angle—with which I, as your Senator, am concerned—a great deal is being done and a great deal is being planned. I want to tell you about some of these activities.

Reservoir Projects: Throughout Texas, Congress has authorized 20 major reservoir projects for construction by the Army Corps of Engineers.

Each of these projects was conceived as part of an overall plan to benefit the entire river basin in which it is located. Harnessed floodwaters stored in these reservoirs will be made available to Amarillo to attend Methodist annual conference.

Woodroe and R. E. Johnson of Amarillo spent the week end with their parents, Mr. and Mrs. Will Johnson.

Mrs. Mary Reed of Crowell spent Saturday night with her daughter, Mrs. Roland Taylor, and family.

Mr. and Mrs. Fred Glover of Crowell spent Sunday night with her parents, Mr. and Mrs. G. C. Short.

for industrial, agricultural, and municipal use.

These reservoir projects form an important part of the long-range solution to the Texas water problem.

Future Projects: In addition, I am pressing for authorization of other needed flood control and water conservation projects in Texas.

A few days ago, for example, I appeared before the several Waco citizens before the Flood Control Subcommittee of the House Public Works Committee to urge authorization of a dam on the Bosque River, near Waco. This is one of several recommended multiple-purpose reservoir projects for flood control and allied purposes on the Brazos River and its tributaries.

This project has been given Number One priority by the Corps of Engineers. I am hopeful that we can get authorization for it.

Canadian River: For several years I have worked hard on behalf of the Canadian River Project. We obtained authorization in 1950 for this project, which will supply municipal and industrial water to 11 cities in the High Plains region of Texas.

Upstream Water Control: Little dams as well as big dams are necessary. I am continuing to seek action on legislation which would encourage the building of small, upstream dams.

These dams would trap water near where it falls. They would give protection against the flash floods which do so much damage and carry away so much of our valuable topsoil.

Many-Sided Problem: The problem is one that has many angles. It is one to which I have given attention throughout my years as a public official.

One of the first things I did when I entered the Senate in 1949 was to ask the Bureau of Reclamation to make an appraisal of the overall water supply problem of Texas. The Bureau's report of its findings, released last year, helped to focus attention on the necessity of doing something to assure an adequate and permanent water supply in the State.

As J. E. Sturrock, general manager of the Texas Water Conservation Association said recently, a working partnership between the Federal Government and the State is essential in connection with this problem.

The challenge is tremendous. So is the opportunity.

Home Demonstration Notes
MRS. MARY D. BROWN

The pictures of the Dress Revue were very good and I'll bring them to the June clubs for you to see. If you like, you may order one of them then.

Also, your dress revue prizes finally came. I am so sorry that they were late, but will try to get them to each club just as soon as possible.

This last Wednesday, May 26, Janet Rasberry, Ginger Rasberry, Bettie Linda Knox and I left for District 3 Boys and Girls Camp at Buffalo Gap. We will return Saturday, May 29. These girls were chosen to attend because of their outstanding 4-H club work. Later in the summer they will help with the county encampment and thus pass on the things which they have learned.

Our recipe this week is Marzetti. This is an Italian dish and is an excellent one-dish meal.

1 pound ground beef, 2 table-spoons shortening, 1 large onion, chopped, 1/8 oz. can mushrooms (stems and pieces), 3/4 teaspoon salt, 1/4 teaspoon black pepper, 1/4 teaspoon Oregano, 1 can condensed tomato soup, 1 can tomato paste, 1/3 cup water, 4 ounces medium noodles, 1/2 pound sharp cheese, 1 tablespoon Worcestershire sauce.

Brown meat in shortening. Add

onion, green pepper and seasonings. Cook until tender. Place a layer of tomato paste, water and Worcestershire sauce. Cook noodles boiling salted water. Drain. Place a layer of medium tomatoes, then a layer of meat, with sauce and half the cheese which has been sliced and shredded. Repeat. Bake 75 minutes at 375 degrees F.

Mr. and Mrs. Dave Shultz and sons and Mrs. Glen Gable spent Sunday with their foster son and family, Mr. and Mrs. Louis Pyle,

and sons, Lavert and Jimmy, spent Saturday visiting her mother in Dodson, Texas. Mrs. Robinson and son, Jimmy, remained to be with her mother who is very ill.

Visitors in the home of Mr. and Mrs. W. T. Blevins one day this week were Mrs. Charlie Huskey of Crowell and Mrs. Raymond Sikes of San Angelo.

Mrs. T. B. Masterson Jr. and her sister, Mrs. Opal Stovall, were Quannah visitors Friday.

Mr. Appleby of Snyder was a Truscott visitor one day this week. He is a former resident of this community.

Mr. and Mrs. Ted Wisdom and children of Abilene spent the week end visiting her parents, Mr. and Mrs. Jim Jones, and other relatives and friends here.

A. C. Trimble was a recent visitor in Altus, Okla.

John Burton of Lubbock spent while last week end visiting in the home of Mr. and Mrs. H. O. Clark and Charles.

Mr. and Mrs. Cecil Chowning and children, Wilda Faye and Martin Wayne, of Electra spent Monday night and Tuesday visiting in the home of his parents, Mr. and Mrs. M. V. Chowning, and Mary K. For the past year, Mr. and Mrs. Cecil Chowning and children have been living in Moorecroft, Wyoming.

Carla Jo Browder was honored with a birthday party in the home of her parents, Mr. and Mrs. Carlton Browder, one day last week.

Those who attended the Hospital Day at the Knox County Hospital Sunday from Truscott were Mr. and Mrs. V. W. Browning, Mr. and Mrs. H. A. Smith, Mr. and Mrs. T. M. Westbrook and Tommy, George Brown and Naoma Brown, Mr. and Mrs. C. A. Bullion, Margaret Bullion and Mary Ann Brown, Mr. and Mrs. J. B. Eubank and girls, Mrs. G. G. Taylor Jr., Mr. and Mrs. Marion Chowning, Mary K. Chowning, Community chairman was Mrs. V. W. Browning. Those from Truscott who helped Mrs. Browning were Mary K. Chowning, Mrs. Marion Chowning, Mrs. H. A. Smith and Mrs. G. G. Taylor.

of Floydada.

Mr. and Mrs. A. J. Morris and daughter visited in Vernon Sunday.

Mrs. L. R. Werley and children of Thalia were dinner guests of their daughter and sister, Mrs. Carl Shultz, and family Sunday.

Mr. and Mrs. Harry Simmonds of Vernon visited a few days last week with his sister, Mrs. R. G. Whitten, and Mr. Whitten.

Mrs. M. E. Blocker, who has been here for an extended visit with her daughter and family, Mr. and Mrs. Ben Hopkins, left Wednesday for her home in San Diego, Calif.

Mr. and Mrs. Donald Werley of Vivian visited his sister and family, Mr. and Mrs. Carl Shultz, Sunday afternoon.

Mr. and Mrs. Ben Hopkins and her mother, Mrs. M. E. Blocker, spent Wednesday with Mrs. Blocker of Wichita Falls, A. L. Kirkland, of Wichita Falls.

Mrs. Ruby Mansel, who is staying with her sister, Mrs. T. L. Ward, visited her daughter and family, Mr. and Mrs. Edd Richter, of Electra during the week end.

Mrs. Gus Neill of Thalia visited Mrs. Cap Adkins Thursday afternoon.

Dr. and Mrs. D. J. Scott of Bolivar, Mo., their daughter, Mrs. Clyde Russell, and son, Rex, and his playmate of Altus, Okla., spent Thursday with Mrs. John S. Ray and mother, Mrs. W. A. Mussetter, Dr. and Mrs. Scott are old-time friends of Mrs. Ray and Mrs. Mussetter.

Ward Kuehn attended church at Vernon Sunday night.

Mr. and Mrs. Louis Ward and family of Wichita Falls spent Sunday night with his parents, Mr. and Mrs. Frank Ward.

Mr. and Mrs. Jimmy Hopkins of Benjamin spent the week end with his parents, Mr. and Mrs. Ben Hopkins, and family.

Mr. and Mrs. Charles Douglas of Canadian spent several days last week with her sister and family, Mr. and Mrs. Ira Toie.

Mrs. Ruby Robbins has returned to her home at Whitewright after visiting her brother and family, Mr. and Mrs. J. E. Blakely.

Mrs. Mary Gfeller of Vernon spent the week end with her daughter and husband, Mr. and Mrs. Ewald Schroeder.

Mr. and Mrs. Herschell Butler and children, Kent and Ann, of Chillicothe were dinner guests of her parents, Mr. and Mrs. R. G. Whitten, Sunday.

Mr. and Mrs. Cap Adkins visited Mr. and Mrs. R. C. Johnson of Crowell Sunday afternoon.

Bob Miller was taken to Vernon Monday for medical treatment.

Mr. and Mrs. N. J. Roberts of

Crowell and her sister, Miss Leona Young of Dallas, Mr. and Mrs. M. S. Henry and Mrs. Charlie Thompson of Crowell all visited Mrs. John S. Ray and mother Sunday afternoon.

Mr. and Mrs. J. Q. Simmonds of Vernon visited his sister and husband, Mr. and Mrs. R. G. Whitten, Sunday night.

Mr. and Mrs. Charley Machac and son, Marvin, visited his sister and family, Mr. and Mrs. Henry Hrabal, of Crowell Sunday afternoon.

G. W. Scales, who has been ill in a Wichita Falls hospital, has returned home and is improving.

Mr. and Mrs. Cap Adkins visited in the Bob Huntley home of Vernon Monday afternoon.

A shower honoring Mr. and Mrs. Jimmy Hopkins will be held at the home of Mr. and Mrs. Sam Kuehn on Tuesday night, June 1.

Dick Swan and son, Willis, of Amarillo spent Wednesday and Wednesday night with their son and brother and family, Mr. and Mrs. R. N. Swan, and Mike.

Mrs. Mary Richter, who spent the winter months in South Texas with her children, has returned to her home here.

Mrs. Charles Earthman and children of Vernon spent Sunday afternoon with her parents, Mr. and Mrs. R. G. Whitten.

ADVANCED TO EAGLE SCOUT

Robert Purkeypple, son of Mr. and Mrs. Laurance Purkeypple of Portland, Ore., received the award of Eagle Scout, the highest rank in Scouting, in a candlelight ceremony held in Portland on Thursday, May 6, in the presence of a member of the National Court of Honor. It was the first Eagle Scout award ceremony held in that area in many years.

Robert's mother, the former Nancy Cogdell of Truscott and the daughter of Mrs. Laura James of Crowell, who served as den mother and active in scouting for a number of years, was a constant source of help and encouragement to her son in completing work necessary to earn 21 different badges before qualifying for Eagle rank.

Mayor Proclaims May 29 as "Buddy Poppy Day" in Crowell

Whereas: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States, has been officially recognized and endorsed by the President of the United States and Veterans Administration; and

Whereas: V. F. W. Buddy Poppies are assembled by disabled veterans, and the proceeds of this

worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans; and

Whereas: The basic purpose of the annual sale of Buddy Poppies is eloquently reflected in the desire to "Honor the Dead by Helping the Living;" therefore,

I, Hubert C. Brown, Mayor of the City of Crowell, do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through the purchase of Buddy Poppies, on the day set aside for the distribution of these symbols of loyalty. I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

(Signed) HUBERT C. BROWN Mayor, City of Crowell.

In the News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, May 23, 1924:

Ernest King and Miss Violet Butler of Graford were married at the Presbyterian manse in Fort Worth Sunday at 8 a. m. They arrived in Crowell Monday to make their home.

Property holders have voted a change in the street paving program to asphalt instead of brick, as the contract formerly called for.

The new brick garage of Self Motor Co. is nearing completion and will be ready for occupancy within about two weeks.

Monday at Baxter Johnson's ranch Miss Christine Campbell had a narrow escape from injury when a horse she was riding fell with her.

The baseball game played here Saturday afternoon between Vernon High School and Crowell High School resulted in a victory for Vernon, 8 to 2.

A farmers co-operative society was organized in Foard City Wednesday night for the purpose of buying the Bell elevator. Officers are E. V. Halbert, president; Frank Weatherall, secretary; A. J. Blakemore, Tom Callaway, J. H. McDaniel and U. C. Rader, directors.

A large crowd attended graduation exercises in the Baptist Church Monday night. Members of the class having individual parts on the program were: salutatory, Miss Ada Hysinger; class oration, Jack Roberts; class poem, Miss Lennis Woods; class history, Miss Loretta Kincaid; class prophecy, Miss Hattie Veera; valedictory, Miss Pauline Haynes.

Mr. and Mrs. J. R. Beverly left Monday for an overland trip to Mabank to visit relatives.

M. N. Kenner closed a deal Wednesday whereby he sold a half interest in his new filling station to F. A. Davis.

Mr. and Mrs. R. T. Groves, residents here for the past two years, left Wednesday for Lubbock to make their home. During their residence here, Mr. Groves practiced law and Mrs. Groves was employed in the Crowell schools.

Tom Reeder Jr. returned Wednesday from a visit with relatives in Knox City.

Employment Commission. A decision of the Supreme Court in a case concerning Todd Shipyard Corporation is responsible for the refunds. Todd maintained that its unemployment tax rate was too high and would have been lower if the corporation had been notified by TEC of all claims made by former Todd workers.

In and Out. About as many Texans went into the armed services as came out in April, says Brigadier General Paul L. Wakefield, state selective service director.

Reserves to Meet. Texas Department of the Reserve Officers Association will hold an annual convention and service conference here May 28-29, when high ranking officers of all branches of the services from Washington will attend, along with an expected 200 state reserve officers.

New Building. Dedicated here was a new South Texas district headquarters building for the Internal Revenue Department.

Present for the ceremony was T. Coleman Andrews, commissioner of internal revenue.

Most of the five-story building will be occupied by the Austin district of the internal revenue department.

More Vegetables. There will be a 20 per cent increase in acreage planted to commercial vegetables planted in Texas this year, according to a forecast here by the Crop Reporting Board of the U. S. Department of Agriculture.

Panther Warnings Issued. Sheriff T. O. Lang of Austin has issued frequent warnings to Capitol City residents that a panther large enough to leave a print like a man is roaming the rugged Bee Cave area west of the city.

One housewife in the hill section reported hearing two panthers screaming, one on each side of her home, about a mile west of the Bee Cave road. Several citizens in the area report seeing the animal.

Burglar Trap. Austin police will be able to get the jump on burglars here, very soon now, thanks to a new piece of equipment devised by a local detective agency.

The secret is a quiet alarm that tips off the police via a panel in the Police and Courts Building. It replaces the jangling alarm bell so often found inside of buildings. The new silent alarm has no bells, switches or wires that are visible.

L. G. Phares, organizer and first director of the Texas Department of Public Safety, invented the new device. He has operated his own detective agency here since 1941.

Shivers Names Advisors. Dr. Henry A. Holle, state health officer, and Earl Cabell of Dallas, president of the Texas Manufacturing Association, have been added to the Governor's Advisory Commission, a recently appointed

2,4-D for Weeds . . .

(Continued from page 1)
creased dosages without injury. For special treatment of tall dense stands of resistant weeds shortly before harvest, use 2 pints per acre to give a quick knockdown of the weeds.

Recommended dosages and methods should be strictly followed. An overdose may result in a chlorotic condition and stunting of the grain plants at any stage while an underdose may not give satisfactory weed control.

Timing. For wheat, barley, oats and rye, 2,4-D may be applied at the following times:
1. Apply from time tillering (stooling) is completed until the boot stage (when the head begins to form within the leaf sheath). This is the best time from standpoint of greatest benefit from weed control.

2. Apply from end of blossom stage until a few days before harvest. Treatment of a weedy grain field following bloom is worthwhile and more than justifies the expense of treatment, but does not yield returns as great as earlier treatment.

Pre-harvest treatment probably yields greater returns in small grains than in any other crop. Mr. Burkett says. Treatment of heavy weed infestations just before harvest has resulted in enough saving in wear and breakage of harvesting equipment to more than repay the cost of spraying. The weeds may not be entirely killed before harvest, but they are curled and wilted sufficiently to pass through a combine without interfering with the separation of the grain from the straw and chaff. A pre-harvest treatment of a weedy grain field frequently makes it possible to harvest fields that otherwise would have to be abandoned.

Times Not to Spray. Do not apply 2,4-D to wheat at the following growth stages:

1. Do not apply 2,4-D from time grain appears above ground until tillering (stooling) is completed.
2. Do not apply 2,4-D from boot stage through to end of blooming period.
3. Do not apply 2,4-D in fall on winter grains.

If small grains are treated at too early a stage of growth (prior to completion of tillering) some growth reaction may occur later in the life of the grain plants. The heads may be malformed and the yield may be reduced. Too early a treatment of wheat may result in a tendency of the leaf sheath to fuse, making it impossible for the head to push up in the normal position and force the seed stalk to bend and emerge from the side of sheath. In other cases the arrangement of kernels on the head is altered and many

commission composed of some 25 members.
John M. Griffith, Taylor banker and president of the Texas Bankers Association, has been appointed to replace T. Neill Greer, past president.
Herschel E. Nix, San Antonio, replaces E. L. Powell, president of the South Texas Chamber of Commerce, on the same committee.

Hughston Insurance Agency

empty florets may occur. Treatment during the boot stage may result in a retardation of the growth of the plants, reduction in yield and possibly a reduction in germination of resulting seed.

Treatment of grains at the bloom stage or shortly thereafter may result in some tendency to lodge, but this condition is temporary and the plants soon recover to a normal position. There have been reports of a failure of grains to produce seed normally when treated in the bloom stage but experimental data is not sufficient for definite conclusions on this point at the present time. Many fields have been treated during the blooming period without apparent injury, but experimental evidence has not as yet justified a clear recommendation for treatment during that stage.

Application. Low-galloonage spray methods should be used for the most effective and economical application. Five gallons of water per acre is ample to use as a diluent for the 2,4-D when using ground equipment. Higher galloonage may be used, but the amount of liquid carried in excess of the above amount does not improve the results.

The spray boom of a low-galloonage ground type sprayer should be mounted 18 to 20 inches above the top of the foliage to allow the spray pattern from adjoining nozzles to meet and form a uniform pattern throughout the length of the boom.

Amine formulation of 2,4-D is especially well adapted to application by aircraft. Water may be used as a carrier without injury to small grains. The required amount of Amine 2,4-D should be applied in a minimum of 3 gallons per acre. Airplane spraying has become popular for the treating of small grains after the grain has reached a height liable to be injured by the wheels of ground spray equipment. Airplane spraying is used almost exclusively in the treatment of fully headed grain before harvest.

With both airplane and ground equipment it is necessary to take precautions to get complete coverage without missing strips in the fields. Some methods of marking should be used for ground

spraying and flagmen should be used for airplane spraying. Sure clear marking for the

CICERO SMITH LUMBER CO.

PERSONALS

Timmy Benefield of Plainview, nephew of Rev. Russell McAnally, visited in the McAnally home this week.

Mrs. Hines Clark spent the week end in Vernon and Wichita Falls visiting her sisters, Mrs. H. W. Norwood and Mrs. D. P. Beaty.

See the News for the special 4-months rate on the Star-Telegram. Daily and Sunday \$4.75, daily without Sunday, \$4.25.

Mrs. W. A. Pulliam of Vega, Texas, has returned to her home after having been here at the bedside of her mother, Mrs. J. A. White.

Mrs. John Binnion and two children, Peggy and Tex, of Weatherford, Okla., visited last week in the home of her parents, Mr. and Mrs. Dwight Campbell.

Plenty of money to loan on farms and ranches. Liberal prepayment privileges. No charge for inspection. See us.—Roberts-Beverly Abst. Co.

Mr. and Mrs. Bob Cooper of Denton spent Monday night here visiting his parents, Mr. and Mrs. J. G. Cooper. They were en route to the annual meeting of the Northwest Texas Methodist Conference which is being held in Amarillo this week.

Mrs. R. C. Stringer of Olney is visiting her daughter and son-in-law, Mr. and Mrs. Charlie Deeb.

Mrs. Ray Brown spent Saturday and Sunday in Wichita Falls with her parents, Mr. and Mrs. J. Deeb.

Mrs. G. M. Canup is visiting the home of her daughter and son-in-law, Mr. and Mrs. John Deeb, and family in Odessa.

Mr. and Mrs. R. C. Hines and children of Odessa spent the week here visiting Mrs. Hines' parents, Mr. and Mrs. Tom Shook.

Star-Telegram, 4 months, daily and Sunday \$4.75, daily without Sunday \$4.25. The News will be glad to take your order.

Mrs. Cone Green and daughter, Patsy Grace, of Levelland are here the first of the week visiting Mrs. Green's mother and Mr. W. S. J. Russell and Lottie Russell.

Mike Bird of Crowell was among the more than 5,000 buyers who attended the American Fashion Association's Fall and Back-to-School Market in Dallas May 16-21.

Mr. and Mrs. Jack Ballard of Odessa visited a short time with Mr. and Mrs. Tom Shook Sunday while en route home from a fishing trip to Lake Kemp.

Mrs. Goodloe Meason accompanied Mr. and Mrs. Raymond Hallmark of Electra to Kermit Saturday to visit relatives. Mrs. Meason returned home Monday.

Mrs. Hubert Brown is in Washington, D. C., visiting her daughters, Mrs. Thos. B. Johnson, and family, and Mrs. Ed Zak of Paris, France, who is also in Washington.

Mrs. J. A. White is now at home after having been in the Wichita Clinic Hospital and Quana Hospital for the last month, having had the misfortune of breaking her hip on April 10.

Mr. and Mrs. Joe M. Magee and children, E. M., Rudie and Jo Beth, of Pampa visited over the week end in the home of Mr. and Mrs. D. R. Magee and Mrs. Carrie Hart.

Mr. and Mrs. L. S. Smith and sons, Sam and Mike, of Amarillo visited over the week end in the homes of their parents, Mr. and Mrs. S. H. Ross, and sister, Mrs. J. C. Prosser, and family, and other relatives.

Hudson Harkins of Dallas stopped here Monday for a short time to visit his aunt, Mrs. G. J. Benham. Mrs. Benham had not seen him since he was a small child. He is a salesman for Ford Motor products.

Mr. and Mrs. Joe Smith returned last Friday from Excelsior Springs, Mo., where Mr. Smith went for a medical checkup. They were accompanied by their son and wife, Mr. and Mrs. Joe Vernon Smith.

Mrs. P. P. Cooper and Mrs. Sewell Roy of Amarillo and Roy Cooper of Memphis were here last Thursday to attend the graduation exercises for the 1954 class at the high school auditorium at 8 p. m.

Mr. and Mrs. Bert Ekern and children, Paul Bax and Jo Wynn, left Wednesday for Mexico, Mo., where they will visit Mr. Ekern's parents. From there they will go to their ranch in Montana where they will spend the summer months.

Special 4-month subscription rate on the Fort Worth Star-Telegram is \$4.75 for daily and Sunday and \$4.25, daily without Sunday. This is a saving of \$1.25 over the regular rate of \$6.00 for four months. The News will be glad to handle your order.

Mrs. C. W. Thompson returned Friday from a visit with Mr. and Mrs. C. W. Thompson Jr. and family in Iran and Mr. and Mrs. Crockett Fox and family in Abilene. Mrs. Fox and daughter, Laurie, accompanied her home for a short visit.

D. A. Hutton of Fort Worth was employed last week by Jeff Bruce as a barber in the Bruce Barber Shop. Mr. Hutton moved to Crowell immediately with his wife and two sons, W. D. and Tommy, and are living on East Commerce.

Mr. and Mrs. Lynn McKown and two sons of Memphis and Max Miller and Miss Fredia Miller of Childress were here last week in the home of Mr. and Mrs. Andrew Calvin to attend graduation exercises of Crowell High School. Miss Rebecca Calvin was a member of the class.

Mr. and Mrs. J. L. Farrar are the proud grandparents of a baby girl, born May 19, at Pampa. The young lady's parents, Mr. and Mrs. Joe Farrar, have a three-year-old son, Larry Joe. Mrs. J. L. Farrar is spending a few days in the home of her son and daughter-in-law.

Miss Leona Young, who spent last summer and the past winter in San Francisco, Calif., arrived here Saturday to visit her sister and husband, Mr. and Mrs. N. J. Roberts. She visited her brother, Willis Young, and family in Durango, Colo., en route to Texas. Recently she visited her niece, Mrs. John A. Watt, and husband in Las Vegas, Nevada. Mrs. Watt, the former Miss Marjorie Young, is a graduate of Crowell High School.

LET'S TALK LIVESTOCK BY TED GOULDY

Fort Worth—A definite trend to early Summer cattle marketing has developed in recent weeks, and on Monday the evidence of this situation was very clear. Cowmen are culling their herds earlier than usual in all of Texas' major cow country.

The day's cattle and calves numbered about 8,000, the biggest day's offering since last November. The run included the smallest supply of graded beef this year, and the percentage of aged cows and bulls in the run was the largest since last fall.

The cows came from all major cow-and-calf operating areas. Typical were the \$14.50 down from Charles H. Featherston of Wichita Falls, these cows off his Jefferson County, Okla., ranch near Addington and Loco, north of Red River. Dozens of loads and smaller lots of aged cows came from the valleys of the Brazos, the Navasota, the Trinity and the Sabine Rivers as well as the country drained by the Colorado. The principal cow sections of North and Northwest Texas also were represented, but in somewhat smaller numbers than the others on Monday.

Cowmen have several reasons for the early marketing of culled cows and bulls. First, they feel that prices early may be better than those later in the year. Second, they feel that it will help their grass to get these old cows and dry cows and bulls off early. Their grass will build better sod and produce more seed and if Summer rains help it along, the ravages of the drought will be wiped out sooner if they are lightly stocked. Third, many of them have larger than usual numbers of young cows and heifers coming along and need the grass for them.

On Monday, drylot graded steers and yearlings of good and choice kinds were fully steady, some weighty yearlings stronger. Grassy heifers and yearlings, especially plainer kinds, 50c to \$1 lower. Cows were mostly 50c off, some fat cows off more. Bulls steady to 50c lower.

Strictly good and choice slaughter calves steady, others weak to 50c lower. Choice stockers scarce and mostly steady. Plainer stockers around \$1 lower, some common kinds off more.

Top prices at Fort Worth Monday: fed steers and yearlings \$23.25; fat cows \$14.50; fat calves \$22.50; stocker calves, \$22; stocker steer yearlings \$21; stocker cows \$15.50; butcher hogs \$27; sows \$23; spring lambs \$23; shorn fat lambs \$17.25; slaughter ewes \$6; feeder spring lambs \$16.50; feeder wether shorn lambs, \$15, ewes to \$17.

J. M. Crowell has been attending a Philco refrigeration short course in Wichita Falls this week.

J. A. Stovall left the latter part of last week for Los Angeles, Calif., to visit relatives.

Mr. and Mrs. Fred Youree and son, Fredrick, left Wednesday for Columbia, Mo., where they will attend graduation exercises at Stephens College where their daughter and sister, Miss Maurine Youree, is a graduating senior.

Mr. and Mrs. Fred Youree and son, Fredrick, left Wednesday for Columbia, Mo., where they will attend graduation exercises at Stephens College where their daughter and sister, Miss Maurine Youree, is a graduating senior.

Vacation School . .

(Continued from page 1)
Marcia Kincaid will be their pianist.

Junior Ages
The Juniors (fourth, fifth and sixth grades) will learn about the Psalms and to "Pioneer with Christ." Mrs. Bill Bell and Mrs. Jack Walker are the leaders; Mrs. Glen Shook and Mrs. Clyde James are their assistants. Dorothy Egan will teach ceramics; Mrs. Paul Shirley will be in charge of the music, and Mrs. Mary Thompson will assist in the devotional services.

Intermediates
The Intermediates (seventh, eighth and ninth grades) will meet from 7:30 to 9 p. m. from May 31 through June 4. The youth will be challenged with a real purpose for living in their study of "Our Church for One World." Mrs. Moody Bursey, Tom McCandless, Mrs. Mike Brown and Mrs. Jeff Bruce will lead this group. Miss Frances Kincaid and Mrs. A. R. Sanders will assist with the music.

Captain Is New Killer of Black Spots on Leaves of Roses

Rose growers trouble by black spots on rose leaves will welcome captain—a new effective control. This new substance added to a spray is a sure control for the number one enemy of roses.

Black spot first appears on rose leaves as tiny dark spots which spread and kill the leaf. It may also cause leaves to turn yellow and drop off. The loss of leaves weakens the plant and single flowers or pale flowers may form. Black spots cause die-back which begins at the bloom and runs all the way down to the roots.

Joe Burkett, County Agent, says roses need to be treated within 24 hours after every rain. When the weather remains cloudy for a long period, roses should be sprayed once every ten days.

Various effective treatments for black spot are available, but sprays containing captain will stop

black spot after it has started. If sprays containing captain are not available, use a light dusting of copper-sulphur dust or 324-mesh sulphur. Another control is bordeaux spray which should be used according to directions on the container.

Mr. and Mrs. S. R. Taylor and daughter, Margaret Ann, of Denton were here Tuesday visiting relatives and friends and attending to business.

CHRISTIAN CHURCH BIBLE SCHOOL

About 45 students have been enrolled the first two days of the daily vacation Bible school at the Christian Church from 4 to 6 p. m. daily this week and next, Monday through Friday. Mrs. Bedford Smith is director.

Mrs. Pearl Branch returned home Sunday from a visit with relatives in Denton.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get sure but gentle relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

Chrysler President Speaks at Meeting of Automobile Merchants

Automobile merchants, in common with all businessmen, are vitally obligated in 1954 to make sure that their share of the American economy goes ahead instead of slowing down, according to E. C. Quinn, president, Chrysler Division, Chrysler Corporation. Mr. Quinn spoke last week at the forty-sixth annual dinner of the Automobile Merchants Association in New York.

tomers is king.

Quinn said that he believed that the major ingredient in successful business was attitude. Attitude spells the difference between failure and success and will decide whether the automobile industry gains or loses in 1954, he added. "Attitude is either good or bad and it's contagious," Quinn said. "The bad part of it is that any pessimism, uncertainty or lack of enthusiasm is contagious, too. This shakes the confidence of our business associates, disheartens the people who work for us and raises doubts in the minds of customers."

"On the other hand, real enthusiasm and confidence is just as catching. It rubs off on everyone we meet, doing more good to more people than we ever know about."

FIRST BUSINESS

Texas' first manufacturing business was the dressing of buckskins for clothes for the frontiersman.

LEND-LEASE

Russia is \$15,584,369 in default and Communist Czechoslovakia, \$31,309,524 behind in payments to the United States for lend-lease aid during World War II, according to the Treasury. The United States has billed foreign countries for \$4,740,000,000 under the program. Of this, \$65,307,000 is past due, \$13,494,000 is due this year and a balance of \$2,345,000,000 is scheduled to be paid in future years. So far the U. S. has collected \$2,319,000,000.

Members of a Chinese secret society, formed to rid China of foreigners, were known as the "Boxers."

A NEW MORE POWERFUL GASOLINE!

PHILLIPS 66 Flite-Fuel FOR YOUR CAR

Phillips is the first to bring you a gasoline with the added super aviation fuel component — Di-isopropyl (pronounced di-iso-pro-ull). This is a Phillips exclusive developed originally for highest powered military aircraft.

New Phillips 66 FLITE-FUEL provides increased power, smoother acceleration, higher anti-knock performance, greater fuel economy and freedom from cold stalling... plus famous Phillips 66 controlled volatility. And thanks to the clean burning qualities of Phillips 66 FLITE-FUEL, you don't need a special additive to combat spark fouling.

Today, start enjoying the exciting step-up in performance you get from new Phillips 66 FLITE-FUEL containing Di-isopropyl.

Only Phillips 66 FLITE-FUEL contains added Di-isopropyl. Get it at stations where you see the orange and black Phillips 66 Shield.

Phillips was the first to make Di-isopropyl and HF alkylate—so valuable to smooth motor performance that, until recently, their use was restricted by the U. S. Government to high performance aviation gasoline. Now authorities have removed restrictions, and these powerful aviation components can be blended into Phillips 66 FLITE-FUEL.

THE HIGH AND THE LOW OF IT

The world's altitude record and the world's deep drilling record both were set recently in the same county in California. In Kern County, an oil drilling crew bored more than 21,400 feet into the earth to set a world's record. In the same county, above Edwards Air Force Base, a Marine Corps pilot climbed to 83,235 feet to smash another world's record.

The nickel is legal tender up to the amount of 25 cents.

Our Weekly Sermon

On the Keeping of Promises

Years ago grandma crossed a busy street in our town against the light. The policeman on duty stopped her and told her that he was trying to make people obey the law, and the law was: cross streets only at intersections, and only with the green light. Grandma promised that she would never cross on the red light again. It became a family joke. . . the time grandma got bawled out by a cop. But never again, no matter how much of a hurry she was in, did she cross a street without waiting for the green light. In the impatience of adolescence we often tried to hurry her across a street against the light. "I promised that policeman never again to cross a street against the light," she would say, and we had to restrain ourselves and wait with her, although there wasn't a car in sight.

Many promises are made and broken every promise they make. Others are more conscientious (like grandma) about keeping their promises. Few people, however hard they may try, are able to keep every promise they have ever made.

There is One, however, who has given us many promises" (II Peter 1:4), and yet who is able to keep every promise He has ever made. That One is the Lord, who, the Bible tells us, is not slack concerning His promise" (II Peter 3:9). One of the most important things He has promised us is eternal life (I John 2:25; Titus 1:2), through belief in Jesus Christ, the Saviour.

God has also promised many things in this life to those who love Him and try to serve Him. Among these blessings are: companionship — "There is a friend that sticketh closer than a brother" (Prov. 18:24); guidance — "I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye" (Ps. 32:8); pleasure and joy—"In thy presence is fullness of joy; at thy right hand there are pleasures for evermore" (Ps. 16:11); peace—"Peace I leave with you, my peace I give unto you" (John 14:27); yes, and even happiness—for "whoso trusteth in the Lord, happy is he" (Prov. 16:20).
