New State Highway Department Warehouse and Office Building for Foard Co. Being Occupied This Week

The new State highway warehouse and office building for the Highway Department in Foard County, which has been under construction for the past six months, has been completed and occupied this week. It was occupied Monday by W. V. Faught, maintenance foreman for the Highway Department. The new 60x120-foot sheet iron building is located on a five-acre tract north of town on Highway 288 and will furnish ample

office space and storage for supplies needed to maintain highways in Foard County. New office fixtures have been installed in the building.

The grounds around the building have been leveled and gravelled in order that they can be used in all kinds of weather. Lawrence Glover is now serving as temporary patrolman for the department and the five other regular employees are A. W. Dishman, A. A. Manning, John Golden, Perry Hinkle and Dayton Everson.

Moving of all highway equipment from the former location on South Main Street is expected to be completed this week. The building which housed the department for many years, is being advertised for sale.

\$5.00 Raised in Booster Club Membership Drive

The Crowell High School Band Boosters Drive has been terminated by Director E. L. Rickard, a total of \$315.00 being received, and still many members not accounted for. Mr. Rickard says that all those who have joined and wish to do so to send their membership cards to Mrs. L. M. Brown. Membership cards will be mailed out near future.

Crowell Nets \$482.63 from Game Here Friday Night

A financial report of the Crowell-Chillicothe football game played here last Friday night has been released and follows:

Total receipts were \$1,122.15 and does not include pre-season sale of optional reserve seats. Expenses included the officials, \$133.82; football, \$15.00; guards, \$12.00; marking off field, \$5.00; check to Chillicothe, \$473.70; for a total of \$639.52.

High Average Daily Attendance Reported at Crowell Schools

Average daily attendance has been quite high in the Crowell Public Schools, a report submitted by Superintendent Grady Graves reveals.

At the end of the first six-week period the school had an enrollment of 584 students, and the average daily per cent of attendance for that 30 days of school hit the 97.63 per cent mark.

High School Has 98.03%

At High School, Principal Henry Black reports 178 enrolled, with 98.03 per cent average daily attendance. The freshmen class had the best percentage with 98.66 per cent.

97.23% in Grade School

At the Grade School, Principal Clark Hill reports 406 enrolled, with 97.23 per cent average daily attendance. Mrs. Dannie Graves' home room 2B had the best percentage with 99.53 per cent.

Colored School Reports 87.73%

The Colored School, Principal Paul Barea reports he has 74 enrolled with 87.73 per cent average attendance. Marie Menefer's room, made up of 4th, 5th and 6th grades, had the best report in this school with 91.23 per cent.

HOBOW STEW

The annual Hobo Stew, under the auspices of the Gambleville Home Demonstration Club, will be held at the Crowell Community House Saturday, Oct. 30, at 6 p. m.

The public is extended a cordial invitation. Each family is asked to bring their eating utensils and canned vegetables, onions or potatoes for the stew.

Games of 10c bingo with homemade baked goods as prizes will be offered.

DOWN TOWN BIBLE CLASS

In the opening exercises of the Down Town Bible Class Sunday morning, Mrs. Delmar Paul McBeath and Mrs. Howard Ferguson sang two beautiful numbers with Mrs. Paul Shirley as accompanist.

NO EVENING SERVICE

There will be no evening service at the First Christian Church this Sunday evening. The membership is invited to attend the Fifth Sunday Rally at Haskell at the First Christian Church.

News About Our Men in Service

Pvt. William E. Waggoner, son of Mrs. Virgie Towry of Route 2, Crowell, recently arrived in Germany for duty with the 1st Infantry Division. The only American division to remain in Europe since World War II, the 1st Infantry is receiving intensive training as part of the U. S. Seventh Army. Waggoner, a pioneer in the 1st Engineer Battalion, entered the Army in March, 1954, and completed basic training at Fort Leonard Wood, Mo.

Serving in the Far East aboard the attack aircraft carrier USS Yorktown is Bobby D. Johnson, seaman, USN, son of Mr. and Mrs. Will L. Johnson of Thalia. Before entering the Navy in January of 1951, he was graduated from Crowell High School.

The Yorktown, the "Fighting Lady" of World War II fame, recently returned to the Far East for the second time since her recommissioning in December, 1952. The ship was the first carrier to qualify the F9F-6 Cougar jets for carrier operations and was the first to carry the "souped up" jets into Far East operations.

E. Kenner Joins Horseless Carriage Tour to Fair Oct. 8

E. Kenner and his daughter, Mrs. Clyde Russell, and Mr. and Mrs. John Kenner of Fort Worth, with Mr. Kenner's 1912 model Ford touring car, joined the Abilene group of the Horseless Carriage Club in Waco on Oct. 7 for the horseless carriage tour to Dallas for the opening of the world's largest state fair on Oct. 9. There were 50 old-model cars entered in the tour, first to be held in Texas, and it took two days to make the trip from Waco to Dallas. Oldest model car in the tour was an 1897 King.

Participants in the horseless carriage tour were required to dress in the style of clothes that were worn in the year the car was made.

Mr. Kenner transported his 1912 Ford to Waco on a trailer. The Horseless Carriage Club was organized in Los Angeles, Calif., on Nov. 14, 1937, and since that time has spread all over the United States. Mr. Kenner has been a member for about two years. In addition to his 1912 Ford, he owns a 1925 model Ford.

Wildkittens Defeat Chillicothe Little Eagles Monday Night

The Wildkittens, Crowell's Grade School football team, continued in its winning ways here last Monday night when the little Eagles from Chillicothe were defeated by the tune of 42 to 0. Jerry Clifford and Gerald Bradford were the big guns again in the backfield. Clifford ran a touchdown on Crowell's first offensive play and these two boys took time about running scores across for the rest of the evening.

David Carpenter, big tackle for the Kittens, led Crowell's line in this victory. Other Crowell boys who saw action were Ivan Cates, Jim Henry, Thomas Crowell, Don Lee Daniel, J. W. Golden, Charles Todd, Fredrick Youree, Bill Graves, Duane Johnson, Dale Johnson, Don Tole, Kenneth Bell, Larry Ferguson, Gordon Fish, Loy Hopkins, Eugene Monkes and Joe Wheeler.

Crowell Reserves Win

Crowell's reserves from the high school team won its scrimmage from the Chillicothe reserves 24 to 0. Roy Don Payne led the way in this contest with three touchdowns of 12, 65 and 40 yard runs. Billy Everson made one score. Printie Gidney looked good at the quarterback post. The feature of this game was the splendid blocking by the entire team. Other boys playing for Crowell in this scrimmage were Aldon Garrett, Harvey Smith, Floyd Bice, Jerry Pittillo, Louis Rettig, Dale Rettig, Joe Calvin, Roy Thomson, Edward Howard, Gordon Cates, Melvin Washburn, Lowell McKinley, Gaylon Whitley and Joe Don Thompson.

Henry Black to Head 1955 March of Dimes Campaign

Appointment of Henry Black, Principal of the Crowell High School, to head the 1955 March of Dimes in January was announced Wednesday by John W. Wright, chairman of the Foard County Chapter of the National Foundation for Infantile Paralysis.

"Mr. Black is assuming the leadership of the polio campaign at a critical time in the fight against the disease," Mr. Wright said. "There is reason to hope that the American people are on the verge of winning the fight against polio. A vaccine that holds great promise has been tested, and the results of that trial should be known by April 1."

Meanwhile, 1954 was one of the heaviest polio years on record and thousands more will be struck down in 1955, Mr. Wright pointed out.

"Seventy per cent of all money contributed through the March of Dimes goes to pay doctor and hospital bills and other costs for families who need help. Thousands of polio patients are receiving help from the March of Dimes this winter. The National Foundation is taking a calculated risk and is stockpiling nine million dollars worth of the Salk vaccine to be used next spring if the vaccine proves effective. In such case, this vaccine will be offered free to the three following groups: 1. All first graders; 2. All children who participated in the vaccine field trials but did not get vaccine; and 3. All women 12 weeks pregnant."

"We realize that we must set a high target for the 1955 appeal to make certain that there is no let-down in the polio program at the crucial point," Mr. Wright continued, "and we are fortunate to have a community minded citizen of Mr. Black's ability to direct our campaign."

Crowell Colored School to Resume Fall Term Next Monday

The Crowell Colored School has been turned out for the past six weeks to allow the children the opportunity of helping to harvest the cotton crop in this county. It will be resumed next Monday, November 1. This year's term started on August 16 and school was conducted six days per week up until six weeks ago. The rest of the last term will be made up on Saturdays after Christmas.

The farmers should keep in mind that the federal law will not allow them to engage children below 16 years of age to work during school hours. There must be at least two hours of school each half day and 175 days of instruction during the school year.

Crowell Wildcats Fall to Powerful Chillicothe Eagles 25-6 in Conference Clash Friday; Play Archer City Next

The Chillicothe Eagles defeated the Crowell Wildcats 25 to 6 in a IA-9 conference football game here last Friday night to knock the local team from the undefeated ranks. Chillicothe and Paducah are the only undefeated teams left in the district race.

Crowell Led in Statistics

The Crowell boys led in both total yardage and first downs in this contest but Veon Scott, fast Eagle back, plus breaks and injuries were too much for the Wildcats. The Cats went into the contest without the services of Jimmy Thaxton, regular right halfback, and both Gerry Knox, left halfback, and Gordon Graves, quarterback, received injuries during the game that prevented Crowell from going places during the

Over 2,500 Bales Cotton Ginned by Foard County Gins

Up to Wednesday morning Foard County gins had ginned 2,528 bales of the 1954 cotton crop, according to figures released by the five gins in operation in the county.

It is conservatively estimated that the county will average one-fourth of a bale to the acre. Some farmers have made as much as a half bale to the acre.

This year's crop has been made on very little additional moisture since the rains that fell in May.

The Foard County crop is turning out exceptionally well considering the lack of moisture during the growing season.

Roy Martin, manager of the Rayland Gin, stated Wednesday morning that they had ginned 670 bales and it is estimated that 60 per cent came from Foard County fields and 40 per cent from Wilbarger County farms.

It's Free, You Know

At times it is impossible to account for the behavior of people. Sometimes they will pay prices far above the value received on the mistaken assumption that price is the index of value, or they act on a whim. Often they ignore bargains when they are offered to them.

A real bargain is being missed in Crowell these days. It is a free chest x-ray to discover unsuspected tuberculosis and heart disease.

All of us ought to welcome the opportunity to have our chest x-rayed for nothing, but actually we have shown an annoying disregard for the opportunity. Our carelessness is having the effect of lowering the morale of those who are contributing their time and effort to the campaign.

People are carelessly forgetting to keep their appointments but here is one we must not forget. Remember the dates November 12 and 13. This is one appointment accompanied by a bargain. Let us not show a lack of civic pride and spirit. Let us show that Crowell can be the country's model in this x-ray campaign. If it works here, it will be used elsewhere to fight those insidious killers, tuberculosis and heart disease, before they strike a telling blow.

At stake is the health of the people of Crowell and Foard County. This is truly an appointment worth keeping.

ROTARY CLUB

Visitors at the Wednesday noon luncheon of the Rotary Club of Crowell were Rotarian Vance Favor of Quannah and his father, S. L. Favor of Knox City.

Glenn Goodwin was program chairman with Grady Halbert introducing the speaker, George Self, whose talk on projects for community service were interesting and enlightening. Community service is being stressed this year in connection with the observance of the 50th Anniversary of Rotary International.

TANKER TAKES SALUTE

A giant new 707-foot oil carrier recently received the traditional water salute from New York fireboats and welcoming whistles from harbor craft as she entered the Hudson River for the first time. Built at a cost of \$9,500,000, without government subsidy, the 38,000 dead weight ton tanker has spacious quarters for her crew and is completely air conditioned. The new vessel is a tribute to private enterprise.

last half. Graves did complete seven of ten passes for 79 yards during the last half. Most of these passes were completed to C. T. McDaniel, right end. Crowell made 13 first downs to Chillicothe's 9; and had a total of 265 yards on the offense to the Eagles' 246. Chillicothe made 208 on the ground and 48 in the air. Crowell made 186 on the ground and 79 in the air.

Crowell Scored in 2nd Quarter

Neither team was able to score in the first quarter. Crowell scored about the middle of the second period when the Wildcats, with Knox doing most of the carrying, traveled 59 yards to pay dirt. The touchdown came from 6 yards out when Graves went through the line and lateraled off to Knox, who went across for the score. Ray Gibson missed the extra point try. After an exchange of punts, Crowell again traveled most of the distance across the field but bogged down at the Eagle twelve yard line. Chillicothe took over here and by gambling on fourth down on two occasions continued down to Crowell's 22. At this point a Chillicothe boy fumbled the ball about ten yards downfield and recovered to give the Eagles the ball on Crowell's 12-yard line. The Wildcats held Chillicothe for two yards on three tries at the line, but a delayed screen pass from Scott to David Spears was good for 10 yards and Chillicothe's first touchdown. Tommy Collins kicked the extra point to place the Eagles ahead 7 to 6 at halftime. Crowell led in first downs nine to four and in total yardage 130 to 91 at this stage of the contest.

Second Eagles TD

Crowell had started another drive in the third quarter when Graves passed to McDaniel, who in turn attempted to lateral to Roy Don Payne, right half. However, as McDaniel thrust the ball out to pass it, Scott, alert defensive left half, snatched the ball from his hands, and raced thirty yards for another Chillicothe counter. On the ensuing kick-off, Knox returned the ball 72 yards to Chillicothe's twenty, before Scott came up from behind to make the tackle. Knox received an injury on this play that kept him from carrying the ball any more for the evening. Graves had previously received a helmet block on the hip that made Crowell short of three regulars in the ball-carrying department.

Last Quarter Mostly Scott's

The last quarter was mostly Scott's, who ran two touchdowns of 77 yards and 37 yards to make the final count 25 to 6 for Chillicothe's first victory over Crowell in seven years.

Exceptionally Clean Game

The game was exceptionally clean with both teams going all the way without a personal foul. Buddy Burt, all-district guard, and David Spears, right halfback, stood out on defense for Chillicothe. Crowell's entire team, led by Don Smith in the line and Ray Gibson in the backfield, looked good on defense most of the game. Veon Scott, all-district back for the Eagles, was the difference in offense. He ran for three touchdowns and passed for another.

Cats Play Archer City Friday

Crowell travels to Archer City this week for its fourth conference game of the season. Archer City has only one conference victory, over Iowa Park, but the Archer County Wildcats have been playing all season without the services of Pat Knox, all-district back from last year. This boy moved away from Archer City in the summer and returned about one month ago. He becomes eligible this week for participation. However, in case Crowell's injured players, Gerry Knox, Gordon Graves, C. T. McDaniel and Jimmy Thaxton, are able to play, the Crowell boys should definitely be picked to win this contest. It looks like all of these players will be able to see limited action.

Crowell Students Attend District FHA Meeting in Vernon

The Area IV District I meeting of the Future Homemakers of America was held Saturday, Oct. 23, in the Wilbarger Memorial Auditorium in Vernon.

At the meeting Miss Janis Crowell of Crowell was elected District Pianist, and DeAnna Ferguson, also of Crowell, was elected as State Nominer for a future Area IV meeting to be held at Stephenville.

Those representing Crowell from the local F. H. A. chapter were Mrs. Doyle Kenner, chapter sponsor, and Misses Latrelle Duckworth, Joann Fox, Sandra Choate, Barbara Fairchild, Jo Helen Aly, Anna Marie Faske, Janis Crowell, DeAnna Ferguson and Clara Faske.

HOW TO BE UNSPORTSMANLIKE

A great deal has been said through the years about school sportsmanlike conduct on the part of both the student body and the fans. Students and fans each week view on their own television sets the boxing and wrestling matches and observe the fans booing both the officials and

contestants. They also see participants in these professional contests violating the sportsman code in every respect. All of this is a form of training in "How to be unsportsmanlike."

Unfortunately, some of these fans and students transfer to the boots and catcalls from the professional arenas to the playing fields of amateur sports, where the aim of the contest is entirely different from that of the professional.

The primary goal of professional athletics is to make money. The aim of amateur sports is to provide recreation, fun and valuable training for both contestants and spectators. The professional athlete expects "cat calls" and boos which sometimes serve as an added attraction to the athletic event. Such is not the purpose of amateur sports in the public school stadiums.

The superintendent, principal, and coach should initiate at the beginning of each sports season a public relations program in the school and community devoted to good sportsmanship. The key man is the coach. If he shows any indication of unsportsmanlike conduct, the student body and fans will take it up immediately. — From Interscholastic Leaguer, Austin, Texas, Oct. 1954.

FIGHT THE GOOD FIGHT

Remember the ball game last Friday night? Even though we lost, the Crowell team put up a valiant fight. Many times our wounded warriors marched slowly off the field while courageous replacement went in to take their places. Everyone must agree it was a gallant struggle, a clean sportsmanlike loss.

But, what about the Crowell spectators? Remember, also, it is the duty of a good fan to be sportsmanlike. Did you boo? Did it help our team any when we began leaving at the beginning of the third quarter? Remember how the cheerleaders tried desperately to raise the spirits of the team? "Everyone for Crowell stand up and holler!" Who stood up and yelled? Only a few of our loyal Crowell fans.

Don't desert our team now. Stand by them, and remember, a good fan shows sportsmanship, too! — A Junior.

FRANCES KINCAID IS BAND SWEETHEART OF '54-'55

Her most Royal Majesty, Sweetheart Frances Kincaid, reigned over the half-time festivities last Friday night at the Chillicothe-Crowell game.

The theme of the band activities was "The Old and the New." Beginning, the band marched snappily onto the field and to the center. The majorettes used a new

step. Eddy Rickard, band director, having command of the speaking system, announced that they were to crown the Band Sweetheart. Then the band marched to the far end of the field and the lights were snapped out. When the lights came on, it was the year 1930. George Self, accompanied by Zonell Eddy in a 1925 Ford represented the 1930 queen and led the band proudly to the center of the field. There the president of the band, Robert Davis, walked timidly to the car, presenting Zonell with her flowers, pecking her on the cheek. Being a bit embarrassed, he ran back to the band. Then the car sped around the field and returned to the far end.

The band began following with a "snappy" (I say snappy) march. One poor soul discovered something in his shoes besides his foot, and had to stop and take it off. He finally managed to catch the band. When they reached the end of the field, the lights were snapped off again. When they were switched on, it was the year of 1954, and the Sweetheart, Frances Kincaid, sat in the newer sports car chauffeured by Chun Gafford. The band with a complete modern march followed the car to the center of the field, where president Robert Davis presented her with her bouquet and then kissed her (there was nothing old fashioned about that kiss). Then the field was cleared and the game was resumed.

ASSEMBLY—OCT. 19

In observance of National Bible Week, Minister Wase Tucker, minister of the First Christian Church of Crowell, spoke to the student body in the high school auditorium October 19.

Bro. Tucker, though a native of Kentucky, expressed his satisfaction and appreciation of Texas. Beginning with a prayer, Bro. Tucker said, "The Bible is like a student—it has friends as well as enemies." How true this is! Although one may be considered a sissy if he reads God's Word, he actually gains understanding, pleasure and peace of mind from it. No other book is so magnificent or can make a student stand up for Christianity as forcefully as the Holy Bible.

Certainly it is easy to neglect to read the scriptures and just lay them aside for worldly interests; however, one should consult the Bible daily for guidance and strength.

The Bible is about 100 years above and beyond the race segregation problem and the atomic field; nevertheless, many are against it. Hitler tried to replace it but failed; and we, who let it remain idle, are perhaps its greatest enemy.

The Bible has endured and has

been triumphant because it produces the truth.

DISTRICT I FHA MEETING

Nine FHA girls left from Crowell at 8 a. m. Saturday on a bus driven by George Fox on a Wilbarger Memorial Auditorium in Vernon. The girls, accompanied by Mrs. Doyle Kenner, chapter sponsor, attended the Area IV District I meeting of the Future Homemakers of America.

The theme of this year's meeting was "If you care—you share." The Crowell girls gave a panel discussion on Civil Defense. In the morning they enjoyed the impressive address given by Dr. John W. McFarland, Superintendent of the Vernon Schools, and the Chillicothe Choral Club featuring a trio composed of Buddy Burt, Veon Scott and Tommy Collins.

After a delicious lunch, they enjoyed a demonstration of flower arrangements given by Mrs. George Beavers of the Vernon Garden Club. During the installation of officers, Janis Crowell was elected as the incoming District I pianist. DeAnna Ferguson was elected State Nominee for a future Area IV meeting.

After shopping in Vernon, the girls arrived at Crowell about 5 p. m. The girls making this trip were Joan Fox, Saundra Choate, DeAnna Ferguson, Jo Helen Aley, Janis Crowell, Latrelle Duckworth, Barbara Fairchild, Anna Marie Fiske and Clara Fiske.

JUNIOR CLASS WILL HOLD HALLOWEEN PARTY OCT. 30

A Junior Class Halloween party will be held Friday night, Oct. 30, starting at 7 p. m. at Moody Bursey's barn which is haunted by Hecate and all her witches.

An entertainment committee, composed of class mothers, Mesdames Moody Bursey, J. B. Fairchild, Foster Davis, Gerald Knox, Ed McDaniel, Jack Walker and Buster Cates, is busy planning other features to carry out the Halloween theme.

The president of the junior class, Ray Gibson, has asked that everyone wear levis and sloppy shirts.

CATES ENJOYS JOYRIDING, NELDA AND FRIED CHICKEN

J. M. Cates, an unaffected likeable boy, is known and loved on your own side, is the senior boy in the spot light this week. He has light brown hair, a good physique, a green Mercury known around town as "The Green Hornet," and a girl friend named Nelda Kay.

J. M.'s favorite sport is basketball and horseback riding. When asked about his favorite past-time, he just grinned a real big grin and said, "Joyriding with my girl."

In preference to the latest jazz music, he likes hillbilly music but true to tradition, his favorite food is fried chicken with all the trimmings.

BARTLEY — PERSONALITY OF THE WEEK

Do you like people who are friendly? Then I am sure you must like Betty Sue Bartley, a cute senior girl with short blond hair. Her pretty brown eyes have a twinkle in them that portrays the warmth and sweetness of her personality.

Betty, a vivacious "full of pep" girl, enjoys a long swim or a good game of tennis, but like almost everyone else in her taste for a spectator sport, she likes football. If you know Betty at all, you know that dancing is her favorite pastime and her favorite song is "Stardust." If there is one thing she enjoys more than liver smothered in onions, it is Rock Hudson.

Among her many characteristics her most outstanding one is meeting people and making friends.

EX-STUDENT COLUMN

Someone has asked for Paul Glover's address. Here it is: Pvt. Larry P. Glover, RA 18457127, Hq. Btry., 50th AAA Bn., (AW) (SP), APO 60, c-o Postmaster, San Francisco, Calif.

Students home from college over the week end were Nan Sue Shultz, Paul Cooper, Larry Johnson, James Denton, Wayne Borchardt, George Ann Davis, Robert Graves, Coy Payne and V. W. Latimer.

CANTEEN ATTRACTS CROWD FRIDAY NIGHT

A large crowd of CHS students gathered Friday night at the Canteen and everyone apparently had a good time.

We want to thank our sponsors who were Mesdames J. B. Fairchild, Lee Black, Charlie Bartley, Bernice Sanders and Gerald Knox.

CORRECTION

We left J. C. Kincheloe's name off the ex-student list last week. He is going to Tarleton.

EAGLES CLIP WILDCATS

The Chillicothe Eagles stopped Crowell's winning streak last Friday night as they rolled past the Cats by a 25-6 score.

The Crowell boys made the first touchdown of the game in the second quarter when Gerry Knox scampered six yards to the end zone. Ray Gibson failed to convert, to leave the score 6-0. However, the Eagles fought back and scored on a pass. The score at halftime was 7-6.

It was just "too much Chillicothe" in the second half as the Eagles, led by Veon Scott, scored three more TD's. A sparking 66-yard run by Gerry Knox in the third period placed the Wildcats in sight of the goal, but they failed to cross. The Wildcats' line again looked very well. Outstanding on defense were Ed Daniel and Gordon Graves. The boys played very hard and didn't give up until the gun sounded.

The Wildcats play Archer City there Friday night.

KAT TELLS

Oh well! We'll clobber Chillicothe next year. Couples at the canteen Friday night were Sue-Gerry, Marketta Ed, Babs-Ray, Betty Sue-Paul Keith and Lena-Billy.

Glad to see George Ann, Glynndon, Wayne, Robert and James home.

"Blue Skies" seems to be Boyce and Peggy's theme song. They were together Friday, Saturday and Sunday.

Seeing "Suddenly" at the Plaza Saturday night were Ted and Barbara.

Zonell-Joe on, Betty Sue-Joe Jackson, Frances-Sammy Abbott had fun at the Sportatorium Saturday night.

Maxine and R. C. were seen together over the week end. What happened to Dan?

Doris and Coleman were at Vernon Saturday night.

Also at "Big Vernon" were Sue and Gerry.

Rufus and Gwen were seen around Crowell Friday and Sunday.

We hear Virginia and Kenneth are having troubles. Could it have anything to do with a Lockett girl, Kenneth?

Jana seemed to have a good time at the canteen Friday.

Nelda and J. M. went to church Sunday night.

George Ann and Glynndon were at the Plaza Saturday night.

J. R. Eldridge returned the latter part of last week from a visit to his old home at Plano.

Enoch Wallace of Tipton, Okla., visited his sister, Mrs. A. V. Beverly, here the latter part of last week.

G. D. Owens was here last Saturday from Lubbock looking after his farm in the Ayersville community.

Mrs. Will Shaw of Buffalo, N. Y., came in Wednesday for a visit with her sister, Mrs. Will Roberts, at the Pease River bridge.

Mr. and Mrs. Crutcher Cole and daughter of Vernon were here Sunday visiting relatives.

Mr. and Mrs. T. M. Beverly returned Sunday from a visit with relatives in McKinney.

For Sale—1922 Ford touring, in splendid condition, good tires, \$235.—M. S. Henry & Co.

Christine Campbell was leader for the Epworth League program Sunday. Others on the program were Marian Cooper, Jewel Brown and Fredia Miller.

Class A of the tenth grade selected their colors, flower and officers at a meeting Wednesday. Officers are Ralph Hunter, president; Robert Long, vice president; Mayne Lee Collins, secretary-treasurer; and Addie Smith, reporter. Minnie Ola Nash, Florence Griffith, Cornelia Beidleman, and Myrtle Hunter, form the social committee.

Baxter Johnson received 1,200 two-year-old steers Wednesday which he bought in Eastern New Mexico recently for his ranch in the northwest part of the county. They were shipped to Quanah and unloaded and driven to the ranch pasture.

Salesmen were asking sharply higher prices at Fort Worth Monday in anticipation of a reaction from the sharp breaks of the previous week. However, the buying side took a gloomy view of the huge runs reported around the 12 major markets (over 152,000 cattle and over 39,000 calves) and they also reported wholesale meat trade was very spotty and weak.

Packers reported beef running into increasingly heavy competition from pork and also the low-priced turkey and broiler chicken were making beef sales harder. The hunting season was also putting a crimp in red meat sales as it usually does at the Fall season.

Stocker and feeder buyers reported Cornbelt buyers still inclined to resist current stocker and feeder prices, despite some really great improvement in the subsoil moisture condition at some places that had previously been reported dry.

Cornbelt farmers were still preoccupied with the corn and soybean harvest in many areas, too.

Result of this was that most slaughter cattle sold near steady with a few spots 25 to 50 cents higher on cows and bulls. Slaughter calves of choice kinds were fully steady, but the less-than-choice variety sold on a weaker basis, some 25 to 50 cents lower.

Choice stockers were steady, but those of less quality were weak to 50 cents lower.

Fat cows sold from \$8 to \$12, few over \$11. Bulls drew \$8 to \$12, a few top bolognas to \$12.50. Canner and cutter cows drew \$5 to \$8.

Yearlings and older sheep sold fully steady. Slaughter ewes drew \$4.50 to \$6 and stocker ewes cashed at \$6 to \$12. Old wethers drew \$7 to \$11 and old bucks sold around \$4. Yearling muttons sold from \$8 to \$15.

Hogs topped at \$19.75 to \$20.25 at Fort Worth Monday. This was steady to 25 cents under last week's close. Texas hogs again enjoyed a strong position as hog runs in the Cornbelt in recent days have been small enough that not many surplus hogs from that area are being offered to Texas packers. Less attractive butcher hogs sold at \$18 to \$19.50. Sows were steady at \$14 to \$18.50.

Home Demonstration Notes MRS. MARY D. BROWN

Last week at the Foard City Club, Mrs. Virgil Johnson gave a short summary of the proposed amendments to the Texas Constitution which we are to vote on.

She stressed the fact that we should always study these things before we go to vote, for an uninformed voter is almost as bad or perhaps even worse than one who doesn't vote at all.

Most of us neglect the opening exercises at our clubs when we could use them to good advantage as the Foard City Club does. We could have a song or a poem, or a short talk on current events or an unusual fact that some everyday item. At the Gambleville Club's last meeting Mrs. Milton Hunter read a beautiful poem written around the Lord's Prayer. Everyone there felt better for having heard it.

Our recipe this week is for **Cherry Logs**

1 egg white, 1/4 teaspoon salt, 1/4 cup sugar, 1 cup corn flakes, 1 cup chopped candied cherries, 1/4 cup chopped pecans, 2 tablespoons.

Beat egg white and salt until very stiff. Add sugar gradually, beating after each addition. Fold in corn flakes mixed with cherries, pecans coconut, extract. Divide into twelve portions. With wet fingers shape in bars. Bake on well-greased cookie sheet in moderate oven (350 degrees) 30 minutes. Makes 1 dozen.

Mr. and Mrs. Dave Shultz, Mrs. Glen Gable and Mr. and Mrs. Carl Shultz and son of Vivian visited Mr. and Mrs. Lee Shultz of Thalia Sunday afternoon.

Mr. and Mrs. Loyd Gray and family of Iowa Park spent Sunday with his parents, Mr. and Mrs. Charley Gray.

Mrs. August Rummel returned last week from a visit with her daughter and family, Mr. and Mrs. James Bice, and Monte of Dumas.

Mr. and Mrs. Junior Poyner and family of Amarillo returned to their home Sunday after spending last week with her parents, Mr. and Mrs. S. B. Farrar.

Crowell 4-H Girls Clubs Elect Officers

The Foard County 4-H Girls Clubs have reorganized for the coming year and the following officers have been elected, according to an announcement made Monday by Mrs. Mary D. Brown, County Home Demonstration Agent.

THE WILDCAT

(Continued from page 2)
 Saturday night.
 Roma Jan and Lowell Brown were making the rounds Sunday night.
 We wonder—did C. T. Lefty and Gibson have car trouble Saturday night?
 Maxine had a visitor from Vernon. Namely, Don Reynolds.
 Gail, why so sad?
 Don Smith, what were you doing in Vernon Saturday night? Where was Clara?
 Beat Archer City!

LOWELL'S LAUGHS

The train suddenly ground to a stop. The nervous lady called the conductor, "What happened?"
 Conductor, "Nothing much, we just ran over a cow."
 Mrs. Todd, "Was she on the track?"
 Conductor, "No, we had to chase her across the field."

Responding to a knock on the door, a housewife found a man standing apologetically before her. Henry, "I just ran over your cat, and I'd like to replace her."
 Mrs. Davis, "Well, get busy, there's a mouse in the pantry."

ABSENCES

The following students were absent one-half day or more due to sickness: Betty Davis, Larry Love and Betty Bartley. The following students were absent one or more days due to other reasons: Jonny Kajs, Barbara Ford, Joe Don Thompson, Mary Denton, Norma Hall, Bobby Hopkins, Billy Hopkins, Joe Pruitt.

SIXTH GRADE BOYS' 4-H CLUB

The sixth grade boys 4-H Club was organized Thursday, Oct. 21, 1954, under the direction of Joe Burkett, County Agent. The following club officers were elected: Joe Barry, president; Don Welch, vice president; Tommy Woods, secretary; Miles Welch, reporter; and Ronny Coffey, song leader. Jack Welch will assist the group in its work on projects with

NOTICE OF SALE

Sealed proposals for sale to the highest bidder for the purchase of the old warehouse and site at Crowell will be received at the office of the District Engineer, Childress, Texas, until 10 a. m., Nov. 16, 1954, and then opened and read publicly.

The property is located on the northwest corner of State Hwy. 283 and Railroad Street and consists of 4 lots, total of 200' x 140', more or less. The property will be conveyed by quitclaim deed, and abstracts as furnished by the sellers to the State, with such corrective documents as required by the Attorney General, will be furnished to the purchaser.

Bidders or authorized agents are invited to be present. Each proposal shall be accompanied with a Certified or Cashier's Check on a State or National Bank of Texas for \$50.00 made payable to the order of the State Highway

Commission of the State of Texas as a guaranty that the bidder, if successful, will consummate the purchase. Proposals will be received on or before the hour and date set for the opening thereof, and must be in the hands of the official indicated by that time. The price bid for the property shall include the amount of \$11.40 to cover the cost of advertising the property as required by law. The right is reserved by the State Highway Commission to reject any and all proposals or to waive all technicalities. When submitted by mail, the bids shall be addressed to Mr. Palmer Massey, P. O. Box 829, Childress, Texas.

Bidding forms and any additional information may be obtained at the office of Mr. W. V. Favor, Sr., Maintenance Foreman, Quanah, Texas. Certified or Cashier's Check of the highest bidder may be retained until after the purchase is consummated. Check of all except the highest bidder will be returned within forty-eight hours after opening bids. 15-3tc

CARD OF THANKS

Our sincere thanks to each one who in any way helped to make the spread of luscious food and old-time gathering at the Community House last Thursday night an enjoyable one. Your gifts, food, and words of interest are truly appreciated. It's an honor to be honored on such a memorable occasion. In leaving Truscott and old friends, we will seek new friends in our new location. May the Lord richly bless and watch over each of you.

Low...and behold!

The motoramic Chevrolet for '55

Chevrolet and General Motors took a whole new look at the low-cost car

—and just look what happened! **NOW BEING SHOWN!**

The Bel Air Sport Coupe—one of 14 new Fisher Body beauties in three new series.

The valve-in-head V8 as only the valve-in-head leader can build it!

8

Now Chevrolet, the leading builder of valve-in-head engines, introduces the "Turbo-Fire V8." It carries the V8 design to a new high in efficiency with its high horsepower (162), high-compression (8 to 1), high performance and surprisingly high gas mileage. Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

6

You can choose from two new sixes, too!

Chevrolet also offers the last word in six-cylinder performance and economy! There's a new "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with either standard transmission or Overdrive.

Can't you tell just by looking that Chevrolet and General Motors have come up with a completely new idea about the low-priced car? The idea is this: to build a car that offers the very newest thing in styling, the most modern features, the finest kind of performance and the highest quality of manufacture—all at a modest price. It's something that took a lot of doing and that only the world's leading car builders could do. Everything's new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. Come in for the most fascinating visit you ever made to an automobile showroom!

The motoramic Chevrolet

More than a new car—a new *concept* of low-cost motoring!

1955 Chevrolets on Display Today at Borchardt Chev. Co.

Pronounced mechanical advances plus new riding comfort and a complete re-styling of bodies give Chevrolet for 1955 its most spectacular model announcement. The new Chevrolets went on display this morning at Borchardt Chevrolet Co.

No major part of the car has been overlooked in the broadscale improvement program. Driving ease and riding comfort benefit along with the creation of fresh automotive design. The accomplishment, says the company, has been possible only because of a thorough job of product re-engineering and the tremendous new plant facilities Chevrolet adds this year.

From an extraordinary long list of new features the public will see at that time, these are particularly outstanding:

1. First automobiles in the low-price field to reflect the "dream car" influence of the General Motors Motoramas. All roofs have been visibly lowered with a corresponding reduction in hood and belt lines to accentuate a longer, sleeker appearance. Overall, sedans have been lowered two and one-half inches. At the same time passenger room has been increased.
2. First V8 engine offered on a Chevrolet in 35 years. Profiting by recent research in combustion and manufacturing techniques the V8 is unveiled as "far more precisely built and efficient in performance than others in its class." Named the "Turbo-Fire V8" the V8 delivers 162 horsepower.
3. Higher horsepower ratings and new quietness and smoothness in two "Blue Flame" sixes. Engines are of the traditional valve-in-head design, which in the last few years has won virtually 100

per cent acceptance by other makes. A 123-horsepower engine is available with the manual gear-shift. The six built exclusively for the Powerglide automatic transmission now develops 136 horsepower.

4. Integrated body and frame design. Chevrolet points out it has been able to obtain close unity with body and frame by engineering components to complement each other. An important reduction in vibration has been effected and weight saved. The frame is more rectangular and twist-resistant. With a scientific re-positioning of mounts and the utmost application of rubber insulation, the body is isolated from road shocks to an unusual degree.

5. Front and rear suspension revamped. Added riding comfort and roadability, Chevrolet states, are assured by vastly improved suspensions. At the front, a modern version of the ball-joint design aids car handling and steering as well as comfort. One improvement new to the industry is a control arm geometry that cancels out most of the objectionable "dive" that often accompanies brake stops. The suspension also applies a new and more durable lightweight bearing material while the design decrease lubrication points from 15 to 4. Rear suspension improvements include leaf springs nine inches longer to an overall length of 58 inches. For stability, rear spring mounts are outside the frame, after the fashion of the Chevrolet Corvette.

6. Increased safety through greater visibility. Every car window of safety plate glass—front, rear and side—is larger in 1955 Chevrolet bodies. The gain is due largely to the extension of glass over areas that have been "blind spots" since the early days of the automobile. Increase in visibility through the sweep-sheet windshield alone is 19 per cent. As another example of the improvement, glass area in four-door sedans totals an amazing 24.5 square feet.

7. Optional overdrive. An overdrive installation will be offered for the first time. Engine speed reduction of more than 20 per cent is accomplished by the overdrive which automatically cuts in when the foot is lifted off the accelerator above 31 miles an hour.

8. More electrical power. A 12-volt electrical system will furnish ample reserve power for the ever-growing demands of accessories. Even more appealing colors than the brilliant array of 1954

are available. Of 14 solid color options, ten are new. All 21 of the two-tone paint combinations are new except one.

A result of years of research and hundreds of thousands of miles of severe testing, the valve-in-head V8 carries a compression of 8 to 1 and a displacement of 265 cubic inches. The engine is exceedingly compact with a bore of 3.75 and a stroke of 3 inches. Ammeter and oil pressure gauges have been dropped from the instrument panel and red warning lights substituted. The glove compartment is now in the center of the panel for the greater convenience of drivers. Another among scores of improvements is the perfect counterbalance of trunk lids and hoods.

Chevrolet's all-weather air conditioner will be available only with V8s as an option.

An intriguing "first" for drivers seeking high performance is a "power package" which can be purchased on V8 models. This includes a four-barrel carburetor and dual exhaust system for a consequential horsepower rating of 180.

by VERN SANFORD
Texas Press Association

Austin, Tex. — Democratic State Committee members, led by Governor Allan Shivers, have taken steps, some of them unprecedented, to keep Texas politically conservative.

With the goal being a strong conservative backlog when the national election comes up, committee members made several moves, beginning at Texas grassroots, to insure that conservative forces can present a strong front in the campaign.

The committee created a special statewide group to keep conservative party leadership active through 1956, added 27 "special advisers" of Governor Shivers to work over the state, and decided to hold quarterly meetings from the precinct level up, for closer contact with voters.

It also voted to hold \$50-a-plate fund-raising dinners to maintain interest in the off-election year, and increased the committee budget from \$12,000 to \$20,000 a year.

Shivers emphasized the importance of maintaining political interest over the state. He told the committee that it would determine Texas' role in the election campaign, and said that Texas could be a pivotal factor in 1956 national politics.

UT Growth
Suggestions of Dr. Logan Wilson, president of the University of Texas, that the giant college's enrollment should be halted at 20,000 students stirred up quite a ruckus in the state capital.

Wilson made the remark in an explanation of the University's problem of meeting space requirements for an increasing student body. The present "forty acres," he said, were not capable of providing facilities or space for many more than the present 16,000 students.

Opposing the "freeze" were Austin Chamber of Commerce Manager John D. Simpson, Jr., and Land Commissioner Bascom Giles, who urged that other University property in Austin be used for expansion.

After the matter had been discussed and debated for several days, President Wilson made a vigorous restatement that "educational excellence"—not bigness—is the number one consideration for the university.

In his annual report to the faculty, Dr. Wilson put the immediate future of the school into the collective lap of the 1955 Legislative session.

"We believe our case is a strong one," Dr. Wilson said, "and that the proper approach should be informative rather than manipulative."

Since the legislature holds the university's purse strings—and with an increasing number of students apparently headed for the "forty acres" incoming years, the upcoming legislative session could be the most important in UT's history.

Union Law
A law giving a union member full protection if he disagrees with union politics is proposed by University of Texas professor.

Jerre S. Williams of the University law school suggested that the National Labor Relations Act be amended to let the federal labor board settle cases involving union discipline.

That would determine whether a member was thrown out of a union for just cause, said Williams.

He said that union officials have been promising for fifty years to set up better methods of handling such disputes.

Gasoline Suit
Gasoline wholesalers involved in a state anti-trust suit have asked the Supreme Court to review its charges.

Firms asked the court to write an opinion on certain key questions involved in the case, saying that it would save both money and time for an Austin district court that will be assigned the suit.

Attorneys for the companies argued that the trial court has insufficient guidance on interpretation of anti-trust laws.

Oil Allowance
An increase of 64,300 barrels

of crude oil per day in November has been ordered by the Railroad Commission.

The boost will jump total permissive flow to 2,864,749 barrels daily.

Truckers Protest
Texas truck operators are protesting a suggestion of the Texas Railroad Association that increased financing for Texas highways be derived from a ton-mile tax on truck freight.

Spokesmen for the Texas Motor Transportation Association, state trucking organization, vetoed the suggestion on grounds that:

The tax would necessitate an increase of truck freight rates and a reduction in service.

Similar taxes in other states have been repealed as unfair, expensive, and not in the public interest.

The suggestion was made at a group meeting called by the Texas Highway Department to discuss ways of obtaining additional financing for highways.

Savings Bonds
Governor Allan Shivers has designated the remainder of 1954 as a "Put Texas Over The Top 1954 Savings Bonds Drive."

Shivers urged that everyone help make the drive a success, pointing out that \$75 million in additional bonds are needed to reach the state goal.

Water
Stream flows continued to decrease over Texas in September but storage in reservoirs still can meet needs, the Board of Water Engineers has reported.

MY OLD STETSON HAT

Stained with alkali, sand and mud
Smearred by grease and crimson blood.

Battered and bent from constant use,
Still you have stood the dang abuse,
A true companion through all these years.

Fanning brones and longhorn steers,
I dedicate this to the old gray lid,
For the useful things the old hat did,
Used to decoy some rustler's lead,
Or as a pillow beneath my head;
Coaxing a smouldering fire in the cold.

Panning dust in search of gold,
Pushed up big and knocked down flat,
Has been the lot of my Stetson hat,
For carrying oats to a piebald bronc,
Security for drinks at the Honky Tonk,
Mistreated, abused on a roundup spree.

Walked on, tromped on, Old J. B.,
Fighting fire in a clapboard shack,
And stopping wind in an open crack,
Been everywhere that a hat can go,
In forty-eight states and Mexico,
I've grown old as we trailed along,
While you, old hat, are going strong;
You have been a good pal through all of that

You dirty, old Gray Stetson hat.
