Crowell High School Band Wins Division

Crowell High School Band, directed by E. L. Rickard, was placed in the highest bracket at Region II University Interscholastic League Marching Contest in Abilene last Saturday. The Division I rating, the band received by the band in its first year, is equal to a numerating of 95 to 100 per cent. The contest marked the culmination of two weeks of the hardest rehearsals in the history of the band. The regular one hour periods, the band rehearsed an extra thirty minutes each morning. Five two-hour night rehearsals were also held during the past two weeks.

Twirlers Take Honors
The Region II twirling contest, also held in Abilene, proved highly successful to the Crowell entries. The lowest rating received by any of the twirlers was a Division II-plus. Two ensembles made up of Nelda Brooks, Frances Kincaid and Billy McCoy; and Billy Bell, Barbara Fairchild and Sue Meason receiving Division I ratings. Each of the above mentioned entered a twirling solo and received the following awards: Billy Bell, Frances Kincaid, Billy McCoy and Sue Meason, Division I; Barbara Fairchild, Division I minus; and Nelda Brooks, Division II plus.

Four Twirlers to Graduate
The band will lose only four members this year via the graduation route. They are all twirlers: Drum major Billy McCoy, and Billy Bell, Frances Kincaid and Sue Meason. The personnel of the band includes four seniors, four juniors, five sophomores, nineteen freshmen, and ten eighth graders. Mr. Rickard states, "The fine spirit the band has shown along with the splendid cooperation on the part of each individual, is largely responsible for the fine showing the band has made. During these last two weeks each student has been put to the test and the results are obvious. The cooperation on the part of the students, teachers and administration is very commendable."

Moved Last Week to Liberty, Kansas
Mrs. Ed Roddy left Monday of last week for her old home in Liberty, Kansas, where she opened a grocery store Monday of this week in a building she owned in that city. She formerly owned and operated the Hi-Way Market and the Texan Courts on East Commerce in the east part of town. She sold the grocery stock to Mr. and Mrs. George Carlisle some time ago and has engaged to manage the Texan Courts. Rev. Wooten is pastor of the Free Will Baptist Church.

Go Quail Hunting; Bag Large Bobcat

Three of the Crowell school employees, Allen Taylor, Glen Taylor, Carl Cox and Mark Hill Taylor of Abilene, were out quail hunting last Sunday afternoon but ran into larger game. They found a large bobcat on the John Hunter farm that measured over three feet in length and weighed over 50 pounds. They had to shoot the animal seven times before finally killing it. The large cat offered fight and was within ten feet of them before Allen Taylor's gun brought him down. All of these brave men stood their ground but Tiny stated that he slept very little Sunday night.

Wildcat Cagers Fall to Quannah Indians Last Friday

The Crowell High School basketball team looked fairly good in its first practice game of the season at Quannah last Friday night when the Wildcats dropped a close game to the Quannah Indians by the count of 56 to 52. Crowell was in the lead by one point two minutes before the end of the game, but a couple of fast field goals and a free shot by Billy Wayne Sellars for the Indians spelled the difference. This was Quannah's third game of the season. The Indians have victories over Eldorado, Okla., and Kirkland. Dee Hargheiser of Quannah and Gordon Graves of Crowell left the game on fouls during the last quarter.

Wisdom High Point Man for Cags
Billy Wayne Sellars scored 21 points for Quannah and Mike Whiston made 28 for the Wildcats. Neither of these two boys played football and have been working out on the hardwood for several months. Each should be very valuable to their respective teams throughout the entire season. Whiston also led in percentage of shots made with 13 field goals out of 24 attempts; Graves hit 3 out of 8; Billy John Rader 4 of 14; and Lindell McBeath, Gerry Knox, Billy Hopkins and Eddy Ketchersid failed to score a field goal. Knox, Rader and Graves stood out for Crowell on defense. Charles Richardson looked the best for Quannah in this department.

Crowell's "B" team made up of freshmen and sophomores dropped its game by the count of 18 to 34. Boys representing Crowell in this lineup were Roy Don Payne, Aldon Ray Garrett, Lowell Page, Louis Rettig, Edward Howard, Sonny Cates, Prindley Gidney, Occie Tarver and Harvey Smith.

To Enter Matador Tournament
The Wildcats, both boys and girls, will participate in the Matador tournament this week end and play Quannah here on Thursday night of next week. Munday comes here on Friday night, Dec. 31.

DOWN TOWN BIBLE CLASS
Sixty-three men were in attendance at the Sunday morning service of the Down Town Bible Class at 9:30 o'clock, including nine visitors, who were introduced by Claude Callaway.
The president, Jack Seale, was in charge of the opening exercises, which included singing by the group with Mrs. J. R. Beverly as piano accompanist, and two numbers rendered by the Foard City quartet composed of Mrs. Howard Ferguson, Mrs. Ernest Weaver, Mrs. Bob Myers and Boss Johnson, with Mrs. Paul Shirley as accompanist.
The morning message was delivered by the teacher, Leslie Thomas, in his usual forceful manner.

Serious Questions Face Cotton Growers in December 14 Referendum

The outcome of the cotton marketing quota referendum to be held throughout the nation's cotton-growing area on December 14 will determine the level of price support for cotton produced in 1955 and therefore is of vital concern to every cotton grower, says C. N. Barker, Chairman of the Foard County Agricultural Stabilization and Conservation Committee.
The marketing quota program will be in operation for next year's crop, the chairman explains, if at least two-thirds of the votes cast in the referendum are in favor of the program. In that case, price support will be available for the 1955 crop of upland cotton at a level between 82½ and 90 per cent of parity. If more than one-third of the votes are against quotas, the price support level to eligible growers would drop to 50 per cent of parity.
The choice before cotton growers, according to Chairman Barker, essentially is whether or not they want a reduced acreage and price support between 82½ and 90 per cent of parity. He explains that acreage allotments will be in effect even though quotas are disapproved; compliance with such cotton allotments and with any other crop allotments established for the farm will be required for eligibility for price support, no matter what the level of support.
Chairman Barker urges all growers to vote in the referendum. In his opinion the decision will have far-reaching effects, and the question deserves the serious study and the carefully considered vote of all who grow cotton.

Son-in-Law of Mrs. Minnick Receives Promotion in Army

Word has been received here that Brig. Gen. James F. Cantwell, son-in-law of Mrs. J. H. Minnick of Crowell, has been sworn in as Chief of Staff of the New Jersey Department of Defense and promoted to the rank of Major General. His new rank is subject to U. S. Senate confirmation. He has risen from a private to a major general in the short span of fifteen years, which is unusual for an officer in the regular Army, and for one who is only 45 years of age.
Cantwell joined the New Jersey National Guard in 1939 and was commissioned the following year. He was inducted in World War II in February, 1941, and was overseas with the late General George S. Patton, 3rd Army. During his combat days, he was awarded the Croix de Guerre with gold star, the distinguished unit citation ribbon, the Bronze Star with Oak Leaf Cluster, and the Air Medal. He was in command of a field artillery battalion through the campaign of Normandy, North Africa, Central Europe, the Rhineland and the Ardennes.
After the war, Cantwell assumed command of the division artillery and was director of logistics on the New Jersey National Guard staff. He had held these positions until his present promotion.
His wife is the former Miss Blanche Minnick and they reside in Trenton, New Jersey, with their two children, Randy and Betsy Jane.

One Crowell Boy Listed on All-Area Football Team

Robert Kincaid, center for the Crowell High School 1954 football team, was placed on the Wichita Falls Record-News All-Area Class 1-A football team last week. He is a senior and weighs 205 pounds.
Two Crowell players were placed on the second team. They were Ed Daniel, guard, and Gerry Knox, back.
Receiving honorable mention were C. T. McDaniel, end; Jackie Walker, tackle; Don Smith, guard; and Gordon Graves, back.
The All-Area 1-A team was composed of five Paducah players, two from Chillicothe, two from Holliday and one each from Haskell and Crowell, and was published in last Thursday's edition of the paper, Dec. 2.

Duane Capps to Be New Deputy Sheriff January 1

Sheriff-elect Sherman McBeath has announced that Duane Capps of Thalia has been employed to serve with him as deputy sheriff when he takes office Jan. 1, 1955.
Mr. Capps is a native of Thalia and has lived there all of his life. He attended grade school in Thalia and graduated from Crowell High School in 1941, following which he was student in A. C. C., Abilene, 1½ years, and at Texas Tech, Lubbock, one-half year.
He served 38 months in the Air Force as a radio operator during World War II, spending fourteen months in China and India.
At the present time Mr. Capps is employed at the Farmers Station in Thalia. He is married to the former Miss Ruth Streit and they have two children, a daughter, Harletta, and a son, Marshall.
Mr. McBeath, who also said that R. R. Magee will be hired as office deputy, is in Austin this week attending a training school for law enforcement officers.

High School Band to Play Concert on West Side

Santa Claus will make his annual visit to Crowell Friday evening, Dec. 10, at 6 p. m., when he will be given a hearty welcome by Crowell and Foard County residents, as well as those from Truscott and the surrounding territory who will be here for the always happy occasion.
The activities have been planned to officially open the Christmas season and Old Santa, with his helpers, will distribute more than one thousand gifts to the children of this area who, no doubt, will be on hand to receive them. A cordial invitation is extended to everybody to attend and bring the children. Santa will be glad to see them.

Free Picture Show
In addition to the activities of the arrival of Old Santa, the Crowell Booster Club has made arrangements with Roy Hanson of the Rialto Theatre to put on a free picture show for those who care to attend. Name of the picture is "The Black Dakotas." The first show will start at 7 o'clock and the second show at 8:45.

Band to Play
Loud speakers will be installed on the west side of the court house by Marion Crowell and the prize-winning Crowell High School Band, directed by E. L. Rickard, will give a concert.

H. Gillespie, Jack Spikes, Byron Davis, J. M. Crowell, Ector Sallis, John Rader, Horace Phelps, Andrew Calvin, Lee Black and Jiggs Barker.

C. H. S. Cagers Defeat Munday Moguls Tuesday

Crowell High School won a basketball game at Munday on Tuesday night by the count of 69 to 64. The Crowell boys looked better on their shooting than they did in the first game. Mike Wishon continued to lead the way with 28 points. Jack Shapp scored 18 points for the Moguls.
Crowell's weakness seemed to be its inability to retrieve the ball off the back boards. Wildcat centers, Lindell McBeath and Eddy Ketchersid, looked better than they did at Quannah. The Wildcats play in the Matador tournament this week end.

ress are propelled by the constant presence of this great force. When the life giving blood of Abel flowed over the ground at the hands of his brother, Cain, it was competition that was responsible. Competition is not a good nor an evil but only a catalyst that creates a reaction of opposition that is as good or as bad as the involved participants.

Today there is a great competitive struggle occurring in our midst. Its outcome will affect the entire world. The doctrines of the United States and Russia, Democracy and Communism, are the two forces clashing together in this global competition, with the destruction of one and the reign of the other as the inevitable end.

You say, "We are not at war with the Soviet Union, yet." Oh, but we are! The battle between the two nations is being won or lost today by you and me. We are affecting morale by the booming shells of propaganda. We are picking our allies by our diplomatic actions. We are strengthening or weakening our world influence toward better understanding by the way we select our political leaders.

Our forefathers established this nation for the purpose of insuring domestic tranquility, to promote the general welfare, and to secure the blessings of liberty to ourselves and our posterity. The torch has been handed down from one generation to the other, and we certainly cannot afford to fail at this great task of preserving this democracy. God is on our side and He helps only those who help themselves.

Let us take a look at these two conflicting forces: One is the doctrine of Kremlin, Communism, the perfect plan, at first glance. But after closer scrutiny, we see that when it flies into motion, and a particle of corruption works its way into its mechanism, it cannot be uprooted. The corruption spreads and grows until it contaminates the entire machine, making life miserable for those who must live under its rule. Now let us look at Democracy, the principle of freedom. The late Joseph Stalin once stated, "that if left

alone, Democracy would destroy itself." Mr. Stalin had never lived in America; therefore he could not comprehend the feeling of unity that sweeps over a large group as they stand listening reverently to the final strains of the Star Spangled Banner. He could not understand the unquenched spirit of those gallant men at Valley Forge, nor the mounting morale of a wounded Marine on the blood spattered sands of Iwo Jima. He could not witness the farmer in Kansas as he kneels with his hands in the rich, clean soil, nor the New York constructor as he watches another skyscraper reaching for the sky. For these men know that they are part of a great nation doing their part to make it great.

Yes, the war between Democracy and Communism is in full swing. Our national strength is threatened more than ever before. More than during the trying days of the Civil War or the terrible global conflicts. The outcome of this war rests on the average American citizen more than any other struggle in American history. With the weapons of freedom, unity, and truth, you and I, in the sleepy quietness of a small southern town, and the exciting bustle of a large metropolis, can do more to conquer the evil forces of Communism than the most powerful atomic forces we possess.

Freedom's Answer to the Communist Threat

Publish your literature; plant your spies; spread your propaganda. It will be of no avail as long as I exist, and I am not easily destroyed, for my foundation is the principle of equal rights for all men, and my walls are built of truth, peace, knowledge, integrity and courage. As long as one man remains who can say with Patrick Henry, "Give me liberty or give me death," I live.

I was with the Christians at Rome, the British at Dunkirk, and the Americans at Valley Forge. You see, I am ageless. I'm a part of every man's soul and essential to his happiness. With me comes security, peace, prosperity, and contentment. Without me comes only despair and poverty, slavery and bondage. Where I am, there may be found new ideals, new beliefs, new inventions, and new knowledge.

As I grow, so does a nation. You ask for an example; look at America a moment. What once was a vast wilderness is now a thriving nation of cities, factories and farms. From coast to coast stretch highways, railroads, and airlines. There can be found more cars and radios per person than in any other country. The people have better clothing, better homes, better incomes, better schools, better churches, and better futures. That is America, and I am the

center of its way of life. So long as America stands as a monument of me for other peace loving countries to see, I shall outshine other forms of government.

You hurl threats at me. You boast that your way is superior to mine. You spread your propaganda through those who are in poverty, who hunger for power, who are weak in spirit. You threaten me with guns, cannons, tanks, and bombs. Are these points in your favor?

Your plans cannot be carried out unless people are taken in by your empty promises and boasts, and they won't be as long as men live to spread the truth about your lies. Others have tried to conquer the world with similar threats; they have failed. You have many resources to help you carry out your threats, but these are not enough. I am not afraid. I am a way of life and shall continue to be. You cannot harm me with any of your threats, for I shall always live in the hearts of men everywhere; although some of them may be beaten by you into submission for a time, I shall win out, because the desire for me burns so deeply in the hearts of men, that I cannot be quenched.

ABSENCES

The following students were absent one-half day or more due to sickness: Janet Rasberry, Joe Smith, Doris Smith, Sandra Thompson, Ella Black, Nelson Abston.

The following students were absent one-half day or more due to other reasons: Jerry Cates, Ray Gibson, Denton Werley, Lucille Sparks, Gaylon Whitley, Wilma Polk, Dale Jones, Katie Polk, Bobby Hopkins, Virginia Florida, Latrelle Duckworth.

BAND PLACES FIRST AT REGIONAL CONTEST

The Crowell High School band attended Regional Band Marching Contest in Abilene last Saturday to participate in the class A marching contest.

The hard work that Mr. Rickard and his students have spent in practice paid off with a first place rating. Out of the 18 bands com-

peting, Crowell was one of the four that received a first place. The other three that received a place were Ranger, Roscoe and Haskell.

The Crowell majorettes, Nelda Brooks, Frances Kincaid, Billy Bell, Billy McCoy, Barbara Fairchild and Sue Meason, took first division individual and ensemble twirling.

EX-STUDENTS COLUMN

Haven't much news this week; nevertheless, we thank everyone for reporting these few items.

Charles Pittillo, who has just returned from Korea after an 18 months stay, was a welcome visitor in CHS last week. Doyle Sparks and he plan to leave their "home town" again to attend Sul Ross College. Good luck.

Gvin Stinebaugh has been drafted. At least he has the right spirit. Keep it up.

Thanks, Paul Cooper, for sending us the Tech paper. Hope we hear from you again.

Word received from Tarleton College at Stephenville says that Larry Johnson made the honor roll.

A final plea before we go—help! Ex-Wildcats, send us some news, please.

KAT TELLS

Talk about slow week ends! Where was everybody? Congratulations to the band and majorettes. Couldn't blame you if your heads swelled so you couldn't get your hats on. We're proud of you, too.

One of the shortest duets in CHS was the Marilyn Stone-Robert Love combo. They must have hit the lost chord. Anyway, it's all over.

Peggy Gilland's admirer was here over the week end. His name is E. O. Reed.

Pink and white seem to be Zody's favorite colors. They're the colors of Dan Reynolds' Ford.

A merry mixup — Zody, Frances, Betty Sue, and Gordy Harvey, Tommy Smith and Bobby Harvey. You never know who will be with whom.

Bill Halbert and Marilyn Stone were at the local flicks Thursday

night. We hear Latrelle wandered all over Lubbock Saturday and Sunday calling "Here Chigger." She finally found him.

Patricia got a long distance telephone call from Buddy Monday.

Seen Sunday afternoon were Mary Hudson and Charlie McDaniel.

The sandstorm made "home bodies" of Deloin and Vida Saturday night.

Could Virginia and Kenneth be back together? They were seen Sunday.

Joyce Ann surely does wish that stamps grew on trees, because she has to write so many

letters to Waxahachie. Marilyn Stone and Joyce Ann seemed to enjoy their Quannah boys Friday night. Clements and Dan McGuire. Kat's Tail.

Opportunity sometimes to the man who waits, but he secures a key to the success.

The exciting new idea behind
 the motoramic Chevrolet

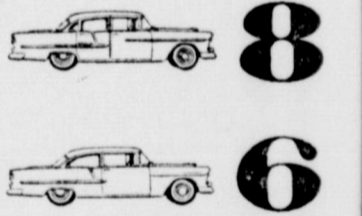

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Maybe once in a car-buying lifetime, you come across something that breaks all the old patterns and establishes new ones. This is that kind of car. This is the true story of how Chevrolet and General Motors shaped a new idea in steel.

Power Beyond Compare!

You also feel the new idea quickly... quick power like a panther's paw with the new "Turbo-Fire V8" (162 h.p.) and two new "Blue-Flame" 6's. And sparking this performance is a 12-volt electrical system giving you better ignition, faster starting, greater electrical reserve for any of the power assists you might desire. You have a transmission choice of economical Overdrive and improved, automatic Powerglide (optional at extra cost) or standard shift.

Even Air Conditioning!

And if you desire the convenience of power assists (optional at extra cost)... you'll find new power-steering and improved power brakes on all models. Power-controlled windows and powerhigh seat are available on the Bel Air and "Two-Ten" models, while air conditioning may be added on V8 models.

Won't You Try It?

Here, we can only tell you how successfully the Motoramic Chevrolet expresses the new idea behind it. But the car itself can quickly show you. Come in for a demonstration drive, won't you, first chance you get.

December 15 Named As "Safe Driving" Day Throughout Country

S-D Day could just as well be S-W Day.

S-D means safe driving, but safe walking will be almost as important if traffic accidents are to be held to a minimum on S-D Day Wednesday, Dec. 15.

More than 1,000 pedestrians literally walked themselves to death during December last year, according to National Safety Council figures. December is always the peak month of the year for pedestrian fatalities.

However, on Dec. 15, the walkers as well as the drivers will have an opportunity to prove that accidents don't have to happen if every individual makes a real ef-

fort to prevent them.

Children and older persons are most vulnerable as pedestrians. Of the 8,600 pedestrians killed last year about 1,950 were under 15 years and 3,350 were over 65.

In the News . . . 30 YEARS AGO

News items below were taken from the issue of The Foard County News of Friday, Dec. 5, 1924:

While there is no drilling going on in Foard County just now, things are looking favorable for activities in this line to start in the near future.

A Parent-Teacher Association was organized Nov. 28 at West Rayland. Officers are J. R. Coffman, pres.; Mrs. C. L. Adkins, sec.-treas.; J. L. Rennels, vice pres. and chairman of social committee; E. M. Key, 2nd vice pres. and chairman of membership committee; J. L. Rennels, T. H. Matthews and G. W. Scales, program committee; E. E. Powell, F. L. Farrar and R. G. Whitten, membership committee.

Corner stone of the new Thalia school building was laid Sunday.

Mr. and Mrs. T. S. Haney left Sunday for Sheridan, Wyo., to look after the business affairs of the late J. F. Check, Mrs. Haney's father.

A. T. Beazley was here from Rayland Saturday to sell his cotton because prices were better here than those offered by other nearby towns. He made at least 30 bales on 45 acres.

B. J. Glover has again become foreman of the Halsell ranch, a position he held for 15 years before resigning to engage in farming.

Sentiment in favor of constructing a sewer system for Crowell is growing and it is expected that initial steps to that end will be started soon.

Elsie Schindler and Elizabeth O'Connell of St. Mary's Academy at Wichita Falls spent Thanksgiving at home.

Mrs. E. L. Kincaid visited her sister, Mrs. Walter Hofmann, near Vernon yesterday, and also the South Vernon oil field in which she has interests.

Editor C. C. Woodson of the Quannah Times was in Crowell Sunday afternoon and visited for a time in the J. H. Self home.

Dr. Hines Clark returned Friday of last week from New Orleans where he attended the Southern Medical Association.

Jimmie Cotten has arrived from Van Alstyne and will be employed at the Magee Toggery until Jan. 1.

Some people live by their wits—others by the lack of other people's wits.

HOME MAKERS CLASS

The Home Makers Class of the Methodist Church met Tuesday, Nov. 30, at 7 p. m. in the home of Mrs. A. Y. Beverly. Since this was the last meeting of this year, the Christmas program was given. Mrs. J. A. Bell was in charge of the program and had as her guest her daughter, Donna Ann, who entertained the group by singing a solo, "Away in a Manger."

Mrs. Bell then gave an interesting talk about each character represented in the Nativity scene. Special interest was added by a brightly illuminated Nativity scene. Mrs. Beverly had placed in a corner of the room.

Mrs. Bell discussed the quotation, "Life is God's gift to us. What we make of our life is our gift to God," and she pointed out the importance of examining our own hearts to discover whether or not we, as individuals, are worthy gifts to present to God. Mrs. Travis Vecera gave the devotional, after which secret names were revealed. Gifts were

presented to each person present. Mrs. Beverly served refreshments to the following: Mesdames Sherman McBeath, Rusty Russell, Travis Vecera, Grady Adcock, Glenn Shook, Howard Ferguson, H. E. Monkres, J. A. Bell, and one guest, Donna Ann Bell. The next meeting will be Jan. 11.

There are two sides to every "swap" . . . giving and getting. All through life we are "swapping" . . . giving up something we want less to get something we want more.

That's exactly what happens when you open an account and add to it regularly. Once the saving habit is established, you'll hardly miss the small deposits you make each pay-day.

Yet, they can make your dearest dreams come true: a home of your own, a college education for your children, financial independence for your retirement years. This is the kind of "swap" that spells success and happiness in life.

And the best time to start "swapping" is NOW!

Federation Officer Speaker at Adelphian Club Last Wednesday

Mrs. H. P. Mundy of Shamrock, president of the Seventh District, Federation of Women's Clubs, was the honored guest and speaker at a tea Wednesday afternoon of last week at the Adelphian Club house. Members of the Foard County Federation of Women's Clubs and the Sub-Junior Adelphian Club were additional guests with Mrs. Dwight Campbell, Mrs. Henry Borchardt and Mrs. Grady Graves as hostesses. Guests were greeted by Mrs. Graves and presented to a receiving line of Mrs. H. N. Ekern, Mrs. Mundy and Mrs. Virgil Johnson, president of the Adelphian Club and leader for the afternoon's program. Mrs. Ekern represented Mrs. M. S. Henry, chair-

man member and organizer of the Adelphian Club, and State Board member of the Texas Federation. Music during the tea hour was rendered by Miss Judy Borchardt at the piano. She also introduced the program with a special number, "Bless These Hands," and accompanied the trio, Misses Charlotte Sledge, Danny Callaway and Jo Frances Long, who sang "Count Your Blessings Instead of Sheep."

Mrs. Mundy spoke on "The Challenge of Club Work," with the slogan, "You are the light of the world. Go out hunting for friends. Your purpose in Federation should be building a better way of life as service to others, the true base of mental health." Mrs. Virgil Johnson called attention to the box of gifts for the State Hospital near Vernon and asked that those who failed to bring their gift might send it to the home of Mrs. Dwight Camp-

bell during the remaining days of this week. Tea was poured by Mrs. Lewis Sloan and Mrs. Virgil Johnson from a lace covered silver and crystal appointed table in the dining room. A pyramidal arrangement of pink and white chrysanthemums topped by white candles graced the table. Appetizing tidbits added to the beauty of the table.

Special projects of the District Federation were informally discussed during the tea hour and Mrs. Mundy announced that Mrs. Ray Shirley had won second place as reader of the largest number of books in the Adult Education Department of the Seventh District.

Truscott H. D. Club Has Achievement Day

The Truscott Home Demonstration Club was hostess to the Benjamin H. D. Club Wednesday, Dec. 1, at the community center.

Those on the program were Mrs. J. G. Adecock and Mrs. Marion Chowning. The group enjoyed games directed by Mrs. Jack Hickman, and a sing-song was also held. They displayed many pretty things made by members of the Truscott club. Mrs. Jack Hickman served the coffee from a silver coffee server. Mrs. E. J. Jones served the salad. The table was laid with a cream colored cloth. A lovely arrangement of dried cattails, wheat, painted dried corn flowers, and other wild flowers and autumn leaves were arranged in a cedar stump, on a brown ceramic base. This arrangement was made by Mrs. John Brown of Paducah and was a gift to Mrs. Jack Brown. Around this arrangement were autumn leaves and orange pyra-cantha berries.

Thirty adults registered and were given corsages of yellow chrysanthemums. There were six children present. It was announced that the Truscott H. D. Christmas party will be Dec. 16 at the community house.

Shower at Truscott Honors Mrs. Palacios

On Monday, Dec. 6, at 2:30, a miscellaneous shower was given in the Methodist annex in Truscott honoring Mrs. Lee Palacios Jr., who was Miss Olivia Caram before her marriage here Nov. 28. Misses Mary Ann Brown and

Margaret Bullion sang a duet, and several games were played, directed by Miss Mary K. Chowning and Mrs. Paul Bullion. Mrs. Curtis Casey provided the music. During the afternoon, twenty-eight guests were received by Mrs. D. S. Ellis. Mrs. J. G. Adecock presided at the guest register.

The table was laid with a beautiful colored cloth and the centerpiece was a lovely bowl of spring fruit and green leaves with clear glass candelabras and red candles. The napkins were monogrammed in orange with the names—Olivia and Lee. The honoree received many beautiful gifts.

A pot of green jew was placed on a table near the door. Autumn leaves also were used for decorations, on the organ and flower holders. The hostesses were members of the Truscott W. S. C. S. and Miss Mary K. Chowning.

The home was artistically decorated for the holiday season and a program suitable to the occasion was presented. Mrs. Beverly was program leader and the program was opened by a piano solo, an arrangement of "Silent Night," played by Mrs. S. T. Crews. "Joy to the World" was sung by the group, with Mrs. C. W. Thompson directing.

A beautiful Christmas devotion-al was given by Mrs. Howard Fer-

geson. Mrs. R. G. Rasberry told an impressive Christmas story, entitled "The Miracle at Derrick, Texas." The program was brought to a close by the Lord's Prayer offered in unison.

The tea table was beautifully arranged with the Christmas motif prevailing. Frosted punch, dainty sandwiches, cookies, candies and nuts were served to 41 guests by the hostesses. Following the tea service, gifts were exchanged from a cleverly constructed Christmas tree.
