MR. AND MRS. T. F. WELCH

Mr. and Mrs. T. F. Welch Honored on Golden Wedding Anniversary Jan. 12

On Sunday afternoon, January 12, Mr. and Mrs. T. F. Welch were honored at their home by their son and wife, Mr. and Mrs. Jack Welch, in recognition of their fiftieth wedding anniversary.

The home was attractively decorated with yellow chrysanthemum arrangements with gold leaf and other motif of the occasion. A three-tiered gold and white wedding cake and punch were served from a table covered with a beautiful lace table cloth over gold. Approximately sixty relatives and close friends registered for the occasion.

Assisting with hostess duties were Mrs. J. C. Prosser, Mrs. James Welch, Mrs. Munson Welch, Mrs. Norman Dollar, Mrs. Roberta Barker, Mrs. Pat Simpson, and Misses Pat Prosser and Betty Ann Welch.

Mr. and Mrs. Welch received many beautiful gifts, cards, letters and flowers.

Out-of-town relatives present for the occasion were Joe McLain, Capt. and Mrs. S. J. Brune and Rip Welch of Anna; Mr. and Mrs. Pat Simpson and Mrs. Corda Simpson of McKinney, Mr. and Mrs. Norman Dollar and son, Bill, of Seminole.

Mr. and Mrs. Welch were married in Anna, Texas, January 12, 1908, and moved to Foard County in 1917. They lived in the Foard City community until moving to Crowell in 1953. While living in the Foard City community they were active in church and community affairs.

Their only son, Jack, manages their farming interests at the present time. They have three grandchildren, Don, Betty Ann and Peggy Jan.

District Football Banquet Held Here Last Wednesday

"Learning how to compete" is the greatest benefit a boy receives when he plays football, stated Bill Meek, head coach at S. M. U. when he addressed the annual All-District Football Banquet at the Crowell School Cafeteria last Wednesday evening. Two other outstanding benefits of football to the individual youth as emphasized by Coach Meek were: teamwork and loyalty. Meek urged the youths present to do their very best in their school work, as well as in sports, and advised them all to get a college education. As many jobs as there are in college towns, he said it is in the power of every young person to secure a college education.

Preceding the program, the 138 people present enjoyed a barbecue beef dinner, prepared by a Wichita Falls catering firm, and served by Crowell High School girls.

Dick Todd served as master of ceremonies for the program, and introduced Crowell Coach Thayne Amontett. Amontett introduced the coaches and other school officials of each of the District 1A-11 schools: Crowell, Paducah, Chillicothe, Munday, Archer City, Iowa Park and Holliday. Following introduction of school officials, Amontett presented certificates to the All-District offensive and defensive teams, and to all boys who received honorable mention.

Coach Meek's impressive talk to the boys followed.

The All-District Football Banquet is given at the end of each season with the district winner as host.

To Show Sheep at Fat Stock Show

M. L. Speer, 4-H Club boy, will show one of his Southdown fat lambs at the Fat Stock Show in Fort Worth. The show runs from January 25 through February 3.

M. L.'s entry will be shown in the Junior Division of the sheep department. His sheep is a fat lamb and will compete in the fat lamb class of the Southdown breed.

The sheep in this class will be judged Saturday, January 25, by J. A. Gray, Animal Husbandman, Texas A&M College.

M. L. will be accompanied to the show by his parents, Mr. and Mrs. Leon Speer, and Joe Burkett, county agent.

Jack Welch, 4-H Club leader, is helping M. L. fit his lamb and get it ready for the show.

Lubbock, and Mrs. Herman Greening and Mr. and Mrs. Kenneth Greening were present for the occasion.

Mrs. Williams prepared the dinner for her husband's birthday.

Statistics Released on Foard County Businesses

Statistics released this week by A. J. Hemphill, district manager of the Fort Worth office of Dun & Bradstreet, Inc., reflect a decrease in the number of business firms in Foard County during the past five years. Figures obtained from a physical count of the Dun & Bradstreet Reference Book for November, 1957, totaled 62 manufacturers, wholesalers, and retailers in this area as compared to 78 listings in 1952—a decrease of 20.5 per cent for the period.

The Reference Book, incidentally, lists only manufacturers, wholesalers, and retailers. It does not include some of the service and professional businesses such as barber and beauty shops, stock and real estate brokers. Thus the figure for businesses in Foard County would actually be higher than the 62 quoted above.

Mr. Hemphill also added that during the past year 35 changes were made in the Reference Book listings of Foard County businesses. The Reference Book contains approximately three million business listings for over 50,000 communities in the United States. It is published every sixty days to keep listings current. During the past sixty days nearly 63,000 new names were added and nearly 60,000 names were removed. Credit ratings were changed during this period on more than 100,000 business concerns.

Using the Dun & Bradstreet Reference Book listings as a guide, it is interesting to review what has happened in the two principal Foard County communities during the past five years:

In Crowell, the reference book listings in November, 1957, were 58; in 1952 there were 70; a 17.1 per cent decrease.

In Thalia, reference book listings in November, 1957, were 4, and in 1952 were 8, for a 50 per cent decrease.

As one phase in revising credit ratings and keeping them up-to-date, every year the credit reporting agency writes to all businesses who are listed in the Reference Book to request their year-end balance sheets. Mr. Hemphill says that this letter speeds up the flow and processing of some of the facts on which credit ratings are based. "More than 95 per cent of all commercial transactions in the U. S. are made on credit terms," he added. "The purpose of the Reference Book is to help businessmen in any part of the country make credit decisions to ship or sell to businessmen in any other part of the country."

The credit rating is one of the key factors in approving orders to ship or sell. The rating consists of two symbols. The first, a letter of the alphabet, indicates financial strength or tangible net worth of the business. The second symbol is a number. It reflects a composite appraisal of the background, operations, financial stability, and payment record.

Each Reference Book listing, which includes the rating, is a condensed summary of the information contained in the Dun & Bradstreet credit report. The report includes a history of the business (who owns it, who runs it, and how long it has been operating); a description of what the business does and how it does it; a financial section (which usually includes the latest financial statement); and a record of how the concern pays its bills.

While credit reports are primarily used by businessmen who want to evaluate the credit risk before shipping or selling, insurance underwriters also use credit reports to review risks, rates, and coverage for fire and other types of insurance.

Boys and Mothers March for Dimes to Be Held January 30

Boys and Mothers march for dimes for the polio fund will be held at 6 p. m., Thursday, Jan. 30, it was announced this week by Cecil Driver, fund drive chairman.

Those who take part will assemble at the Barker Implement Co. building. The march will be under the direction of Mrs. C. V. Barker.

DOWN TOWN BIBLE CLASS

There were 30 present at the Sunday morning meeting of the Down Town Bible Class with Dick Todd in charge.

Miss Janie Bowers rendered two solos in the opening exercises, "For Others" and "Near to the Heart of God," with Noel Wilkins as accompanist. Miss Bowers also played the piano for the group singing.

Recie Womack, the regular teacher, delivered the morning message.

Only Nine More Days Left to Get Poll Tax Receipt

Only nine more days remain for Foard County residents to obtain that poll tax receipt which will qualify them to vote in the several elections slated for this year. As of Tuesday afternoon, 467 poll tax receipts had been issued—far short of the normal number of receipts issued during an election year.

In addition to the local campaign to get people to pay their poll tax, Gov. Price Daniel is urging all Texans to get that poll tax receipt now, before the Jan. 31 deadline.

Says the Governor, "Bad public officials are elected by good citizens who do not vote. I urge every Texan who loves this State and believes in majority rule to pay his poll tax and take an active part this year in the fight for constitutional government of, by and for the people." He emphasized that "minority groups should not be allowed to take over Texas."

Husband of Former Crowell Lady Buried in Mullins, S. C.

William Gause Smith, husband of the former Miss Mayme Lee Teague of Crowell, and scion of an old and distinguished family of Marion County, S. C., died unexpectedly Wednesday morning, January 15, at a Mullins hospital where he had been a patient for only a short time.

Mrs. Smith and two sons, Tex and Gause, had just returned to Mullins after spending the Christmas holidays here with her mother, Mrs. L. Kamstra, and family.

Funeral services were held last Thursday morning, Jan. 16, from the Macedonia Methodist Church with the pastor in charge of the rites. Interment was in Cedarvale cemetery.

Forty-three years of age, Mr. Smith was a graduate of Mullins High School and was graduated from Clemson College in 1935 and received a commission in the ROTC. He served for five years in the U. S. Army, with many months overseas in the European theater, and was discharged in March, 1946, with the rank of major.

Mr. Smith had extensive farming interests, and numerous business connections. He was owner of WJAY, Mullins-Marion radio station, having been instrumental in its organization.

Survivors include the widow; two sons, Tex and Gause Smith; one sister, one brother, an aunt and several nieces and nephews. One son preceded him in death in 1948.

Mrs. Ector Sollis of Crowell and Mr. and Mrs. Bob Whitaker and daughter, Bobbie, of Chillicothe, went to Mullins immediately after Mr. Smith's death. Mrs. Sollis and Mr. Whitaker returned home last Sunday, but Mrs. Whitaker and daughter remained in Mullins for a longer visit.

Remodeling for Dial System to Begin Jan. 27 at Local Plant

The start of construction on remodeling the building to house Crowell's future modern dial telephone equipment was announced this week by F. A. Robinette, District Manager for the General Telephone Company of the Southwest.

The letting of the contract has been made to Commercial Contracting Company, the district manager said. Construction is planned to begin on January 27.

Robinette said that the new unattended dial equipment that will be housed in this new building will bring to Crowell the most modern telephone facilities, permitting the customer to dial directly to the desired numbers, without the services of an operator.

This will permit a much more rapid completion of local calls.

Before the cutover to dial operation, new telephone numbers will be assigned to all Crowell customers, said Robinette. This is known as the "2L-5N" numbering plan, where each telephone in Crowell will have the two letter prefix of "Murray," followed by five numbers. The new prefix will assign this city to the national designation plan, and nowhere else in this area will the combination "MU" be found.

At the present time, completion of the new building is planned for April 30, 1958, said Robinette. The date of the cutover to dial operation tentatively is planned for August 17, 1958.

APPLIES FOR DEGREE

Robert Bradley Graves of Crowell is one of 259 seniors who have applied for bachelor's degrees to be awarded at the winter commencement at North Texas State College in Denton January 28.

Graves, a candidate for the degree of bachelor of science in social sciences, is the son of Mr. and Mrs. Grady Graves of Crowell. He is a 1954 graduate of Crowell High School.

Mr. Graves has accepted a position as mathematics teacher in Big Spring Junior High School, and will begin his new duties after receiving his degree.

Program for March of Dimes to Be Held at Gym Monday Night, January 27

The polio program for the "March of Dimes" drive will begin promptly at 7 o'clock Monday night, January 27 in the high school gym. The program will feature an all-star basketball game, a colored choral group, the crowning of the Polio Queen, and a Sock Hop for the white and colored school children with Earl Hesse's "Mad Men" musicians.

The voting boxes for the Polio Queen still remain in the local stores and will remain until late Saturday afternoon, January 25. These voting boxes are taking the place of the usual iron lungs, which have been the dispensers for dime collections each year.

All children under 12 years of age will be charged an admission of 10c, and admission for adults

will be any amount they would like to donate to the fund.

Everyone is urged to attend this program to help keep "Dimes for Polio" marching. There are many who still need therapy treatment. Those who yet remain in iron lungs, rocking beds, braces and hospitals are still being cared for by the National Foundation for Infantile Paralysis.

Foard County 4-H Clubbers to Attend Fat Stock Show

The Foard County 4-H Club members who are feeding out lambs plan to attend the Fat Stock Show in Fort Worth January 24 and 25.

These boys and girls are making this trip in order to learn more about sheep and how to handle and care for them.

The following boys and girls plan to make the trip: Mary Ann Myers, Mike Gamble, Philip Welch, Mike Cates, Bobby Bond, Paul Bax Ekern, Jon Lee Black, Denny Todd and M. L. Speer.

These 4-H Clubbers will be accompanied on their trip by the following adult leaders: Dick Todd, Jack Seale, M. M. Welch, W. A. Dunn, T. R. Cates Jr., Leon Speer and Joe Burkett.

Youth Week to Be Observed at Methodist Church Next Sunday

In observance of Youth Week, the youth of the Crowell Methodist Church will have complete charge of the worship service next Sunday morning.

Caleb Hildebrand, who is a freshman in McMurry College in Abilene studying for the ministry, will be the guest speaker. He is well known among the youth of this district for his faithful Christian work, having served as president of this M. Y. F. Sub-District during 1956 and 1957. He has also served on the M. Y. F. Council for many years.

The youth of the church, who will also have charge of the singing, are urged to fill the choir for this occasion.

The public is invited to attend this service.

New Oldsmobile Dealer Appointed for Crowell

The Borchardt Chevrolet Company has recently been selected as Oldsmobile dealer for Crowell. Appointment of the new dealer is being announced with a big Oldsmobile ad in this issue of the News.

Owners of the Borchardt Chevrolet Company are Henry Borchardt and Glenn Goodwin. The ad announcing the new dealer will be found on page 2.

Rain and Snow Fall Here Sunday

First moisture of the new year was recorded here this week. Rain, which fell here intermittently all day Sunday and about 2 inches of snow which fell Sunday night totaled .67 of an inch of moisture by the gauge at the Crowell State Bank.

The norther which brought the snow dropped temperatures to the upper 20's Tuesday morning and below-freezing temperatures were also recorded early Wednesday.

As is practically always the case, the moisture was needed here and will greatly benefit the wheat crop.

TO TAKE CHURCH CENSUS NEXT SUNDAY

Members of the Methodist Church will take a friendly church census Sunday afternoon, Jan. 26, it was announced this week by the Membership and Evangelism committee of the church.

Work will begin at 1:30, and if the census is not completed, it will be continued the next Sunday afternoon.

MOVE TO CROWELL

Mr. and Mrs. Osgood Jones and two sons, Fred and Gary, finished moving to Crowell last Friday.

Mr. and Mrs. Jones have bought the City Cleaners plant and opened for business Monday morning.

BACK TO THE GRIND!

This week began a new semester, the last semester of this school year. With its beginning, a major portion of the CHS students settled down for another eighteen weeks' work toward the coveted high school diploma.

Our society, our country, is set up with education as its basis. In the centuries that history has been written, this has been proven the best way.

Yes, I know—you're just one person in millions. And you consider that your own benefit comes

first. Quitting school is no benefit! Sure—you can get a job and support yourself, even save some money. And suppose you decide working an extra eighteen to twenty-six hours a week is well worth it.

To the majority, this has been nothing they did not already know. But to those few, I have this last statement. I would not have written this had I not known about what I was writing. Think it over.

FOOTBALL BANQUET IS HELD

The all district football banquet was held in the School Cafeteria Wednesday, the 15th. Approximately 140 guests, including the district champions, Crowell, honored the district offensive and defensive teams and also those who rated honorable mention.

As the guests entered the cafeteria, they were served by the cheerleaders and six other high school girls. Underwoods of Wichita Falls prepared the delicious menu which consisted of barbecued beef and gravy, potato salad, beans, pickles, onions, milk or coffee, and ice cream.

Following the meal, Coach Amnett presented the awards and also recognized all visiting school officials. Dick Todd, master of ceremonies, introduced the guest speaker, Bill Meek of SMU, who spoke of his experiences at the University of Maryland and Kansas, and while coaching at SMU.

Supt. Keith D. Swim of Iowa Park gave the benediction.

ONE-ACT PLAY CAST IS SELECTED

The one-act play, "Lost Victory," has been chosen as the contest play this year. The play was written by North Baker; it tells the dramatic story of Agatha Van Dorm, a tyrant who rules with a merciless hand in a dark desolate house in which there is no happiness.

Characters chosen are: Agatha Van Dorm, Carolyn Monks; Annie, Linda Johnson; Cordelia Van Dorm, Sue Bursey; Paula Vincent, Judy Borchardt; Cynthia Van Dorm, Wanda James.

CROWELL WINS FIRST CONFERENCE GAMES

Well, did everybody enjoy the games Tuesday night between Crowell and Chillicothe? The girls' team looked like district champs, against the Chillicothe team, with the final score of 48-11. Gayle Taylor and Pat Prosser ran Crowell's score up, by scoring 12 points each.

MUNDAY TEAMS LOSE TO CROWELL

That fighting girls team has done it again! It looks like they are going all the way this year. The game Friday night between the Crowell girls and Munday girls was too close for comfort; the final score was 68-63. Once again Gayle

Taylor sparked our team to a glorious victory by scoring 27 points. Two other forwards that can really handle that ball are Prosser and Vaughn.

Adkins and Vessel with their fast reactions did a tremendous job on defense for the team. With a final score of 59-31, the Crowell boys team won over the Munday boys. Ivan Cates was high point player with 15 points; Jerry Bob Sellers trailed him with 12 points.

The third conference game will be played Friday night at Paducah.

"CAT SCRATCHES"

Half over! Can you realize that school is half over? For some, I suppose, this first half drug by and for some it flew by. For me, it did fly by and I only hope that the second half flies by even faster!

I am so ashamed of myself; I have never (until last Friday night) been to a basketball game. As a matter of fact, I didn't even know what a basketball game was.

I was determined to find out about this sport, so last Friday I followed one of the coaches. We drove to the school and stopped. Why were we stopping here? The coach got out of the car and headed for the gym!

As I stepped in the building, I was deafened by the shouts of the fans as their yells echoed back and forth between the walls. I didn't want to be seen, so I hid in a dimly-lit corner and waited for something to happen. There was a crowd on both sides of the

gym, but absolutely no one in the center. I grew tired of waiting, so I came from my hiding place and started ambling across to the other side. About the time I was in the center, I looked up and saw vicious looking boys thundering down on me. Needless to say, I was kicked, thrown, hurled and mashed. Once, I found myself in the basket. (I must have been mistaken for the basketball). I don't have to say what I did next. I got out of there!

I know now what a basketball game is and I like it—as long as I'm not being used as a basketball!

SENIOR OF THE WEEK

LaRue Diggs is 5' 6" tall, has brown hair, and contrasting blue eyes. LaRue's hardest subject was English literature, but since she is taking grammar the last semester, she doesn't know if it will be quite so difficult.

Her favorite participating sport is basketball, but her favorite spectator sport is football. Barbecued chicken is her favorite food while Glenn Chevrolet—I mean—Glenn Ford is her favorite movie star. Western music is her favorite brand of music.

After graduation, LaRue plans to be a telegrapher. For you that aren't squares, a telegrapher is one who sends telegrams. But anyway, we wish you luck, LaRue.

TATTLE TALE

Well, here we are again to tell everything we know. Couples seen in the Plaza were Jana-Jimmy, Sandra-Donald, Roxie-Gerald, Peggy-Bubba, Pat-Jimmy Dean, Sonny-Lizzy.

Making the rounds at Vernon Sunday night were Roxie-Gerald, Carolyn, did you and Ted enjoy watching TV Sunday night? We would like to congratulate the basketball teams on winning their games last week.

At church Sunday morning and night were Sandra-Donald, Jana-Jimmy.

Patty surely has a long face since Butch left for the army. Carolyn-Mike, Sonny-Lizzy were at the ball game Friday night.

Seen together Saturday night were Janise-Joe, Kay-Bobby, and Sue Robertson-Don.

Margie seemed awfully sad over the week end. Could it be because Duane was in Amarillo?

What was Carol Bell doing in the back end of a cattle truck? Did it stink very bad, Carol?

Seen at the Plaza Saturday night were Bobby-Ginger.

Who is it that Carol and Janise have their eyes on?

CLUB NEWS

The Sub-Junior Adelphean Club met in the club house January 15 at 3:30 p. m.

The meeting was called to order by the president, Jana Black. The secretary and treasurer gave their reports. The roll call was answered by "New Year's Resolutions."

Dr. Martin Kralicke answered questions asked by the members. Delicious refreshments were served by the hostess, Mrs. Gordon Erwin.

The Sub-Junior Columbian Club met in the home of Mary Anne Myers on January 15. A new amendment was brought before the club and added to the year book.

WANT TO WIN AN "ELVIS" TEDDY BEAR?

Guess the name of the mystery person and win a genuine "Elvis Presley" teddy bear or ten top records. The mystery person is a local resident. All you have to do is sign your name, contribute a dime, and decide who on earth that odd looking creature is.

PICTURES TO BE TAKEN JANUARY 26TH

The pictures of the cheerleaders, annual staff, Wildcat staff, class officers and favorites will be taken Sunday afternoon, Jan. 26, at the J. B. Fairchild home. Everyone is requested to wear dress clothes.

MENU

Monday, Jan. 27: light bread, meat loaf with cheese, lima beans, candied sweet potatoes with orange sauce, celery and apple salad, fresh apple and orange slices. Tuesday: corn meal muffins, pinto beans, ham salad, buttered spinach, tomato slices, peaches.

BAND BEATS

Practice, practice, and more practice! Those are the standing orders for all the members of the band. But, of course, it is only through practice that we can sound as well as we should.

The music in our folios has been narrowed down to a few important pieces. We hope that those will be the ones on which we win a first division rating at contest.

The dance band has been holding weekly practice rehearsals. It's the general opinion that they are really going to be a good musical group. Mr. Hesse has certainly done much to encourage the students to work hard in the many band activities.

LABOR COSTS RISE 61%

A Labor Department analysis says that industry's labor costs increased 61 per cent in the past 10 years as against only a 26 per cent increase in labor's average productivity. National Review points out that the difference "could be bridged only by price inflation."

TRUCKS IN TEXAS
 Texan ranks first in the nation number of registered trucks and trailers, the University of Texas Bureau of Business Research reports.
 Some 1,016,100 trucks and trailers are in use in Texas today, according to the number registered in 1946, writes Robert H. Drenner, research associate.
 Trucks serve each of the 782 incorporated cities in Texas, and

there are 1,788 Texas communities exclusively dependent upon trucks for shipping service. In addition, 43 county-seat towns and 17 entire counties have no other means of shipping transportation available, Drenner reports.
 Earnings date back to pre-historic times.
 Next total eclipse of the sun will be Oct. 12, 1958.

Davy Jones is the popular name of sailors for an evil sea spirit or the devil generally.
 Charles Dickens' novel, "David Copperfield," was first published in 20 monthly installments.
 Name "Dixie" was given to the South, according to popular belief, by Negroes who were fond of a Manhattan slave owner by that name.

Home Demonstration Notes
 MRS. MARY D. BROWN

Remember, the THDA training meeting will be in Haskell next Wednesday, January 29. We will leave here about 8:15 that morning. Be sure to call me if you can attend this meeting.
 Also let's not forget the first meeting of the Drapery Workshop next Monday, January 27, at 2 p. m. in my office.

Our committees have all met now and made their recommendations. Each club committee chairman will present those recommendations to her club for adoption. Remember, if you adopt these recommendations, then they are the goals you are to work on during the year.

We are planning to have our craft day in March of this year. At council last Saturday, the members discussed several different crafts. Please decide in your club which one you favor so that your club president can report at the February council meeting. If you can think of crafts other than those suggested, I'm sure the recreation committee would be glad

to consider them.
 Our recipe this week is:
Quick Tortoni Ice Cream
 1 quart vanilla ice cream, slightly softened, 3/4 cup crumbled almond or coconut macaroons, 1/4 cup maraschino cherries, 1/2 cup salted, toasted almonds.
 Combine all ingredients. Stir quickly. Press into paper cups, mold or freezer tray. Freeze. May be sprinkled with toasted almonds. Serves 6 to 8.

WHAT ATTRACTS INDUSTRY?
 What attracts industry to a region? A Business Week article says this: "While a company expanding into another area will probably first scan labor, raw materials, markets and power potentials, the company—all things being equal—is apt to settle for the community where taxes are the lowest."

Austin, Tex.—Pay your poll tax! Pay your poll tax! Pay your poll tax!
 That's the cry from all corners as individuals and groups begin their campaigns for support in the upcoming 1958 elections.

AFL-CIO and strong labor committees are making a vigorous drive to get union members to pay the \$1.75 right-to-vote tax, and become eligible to put labor in the saddle in Texas government.

Gov. Price Daniel is urging all Texans to get that poll tax receipt now, before the Jan. 31 deadline.
 Says the Governor, "Bad public officials are elected by good citizens who do not vote. I urge every Texan who loves this State and believes in majority rule to pay his poll tax and take an active part this year in the fight for constitutional government of, by and for the people." He emphasized that "minority groups should not be allowed to take over Texas."

Also busy contacting eligible voters are the State Democratic Executive Committee, headed by Jim Lindsey of Texarkana and Jake Pickle of Austin.
 Equally active is the DOT, whose chief spokesman is Mrs. Frankie Randolph of Houston. Aiding her are Alex Dickie of Denton, Creechmore Fath of Austin, AFL-CIO heads, and NAACP leaders.

"It looks like a country folks-big city battle," said an observer. "With labor determined to swing the big cities, the final decision may rest in the hands of the multitude of smaller Texas towns and the rural folks. Usually they can be depended upon to vote, rain or shine."

POLITICKING IS ON — By tradition, the opening of the red bud in East Texas is a sort of starting gun for politicking.
 Some seasoned campaigners regard an announcement before red bud time as a farmer would look on planting before the last frost. But for politicking or farming, there has to be some fence mending, tool sharpening, seed buying and ground ploughing before planting time.

Hence, this January, though the air is still frosty, Texas politicians are preparing the ground for a hoped-for harvest of votes next summer. In Austin every move by a person in public life is interpreted as tool sharpening.
 These events in the news are regarded as part of the pre-campaign cultivation.

INTEGRITY AND ECONOMY in state departments will be emphasized in 1958, said Gov. Price Daniel in a speech kicking off his second year as chief executive—and the year in which he is expected to seek re-election.
 Speaking to some 200 state officials, Daniel asked them to be responsible in their departments for strict compliance with reform laws passed last year. He said two types of people can undermine public confidence in Texas' 56,000 officials and employees—a "very few" wrongdoers and "self-seeking demagogues" who capitalize on the scandals.

He's not ready to sing bankruptcy blues, said the governor, referring to predictions that the state treasury would be in the red by 1959. Nor is he yet convinced, he said, that new taxes will be necessary next year.
 But he urged department heads to keep a sharp eye on expenses and offered services of his budget staff to officials needing help in dollar stretching.

DEMOCRATIC PARTY CONTROL is expected to be a hotter issue this year than most campaigns for Capitol posts.
 Stage is set for the first round of customary shin-kicking and name-calling at the State Democratic Executive Committee meeting here Feb. 1. SDEC is largely made up of conservatives favorable to Governor Daniel. Their critics and opponents are the Democrats of Texas, a liberal group which contends its partisans were in the majority at the last state convention, but were unfairly squeezed out of party posts.

DOT has drawn up a proposed "code of ethics" which, it says, will prevent any fast shuffles at future conventions. At the Feb. 1 meeting DOT representatives will urge the Executive Committee to adopt the code.

RATTLING THE BARS—More housing, more paroles, more industries are recommended by the Board of Corrections to relieve "a potentially explosive situation" in Texas prisons.
 Board said it will probably ask next Legislature for \$7,500,000 housing appropriation. Mgr. O. B. Ellis' report to the board on prison "rumbling" said that with the inmate population at 10,500, at least 75 per cent have to be crammed into "tanks" (one-room barracks) with 400 sleeping on the floor.

Board also urged speed in getting into operation the paid parole supervisor program, authorized by last Legislature. Supervision system is designed to permit more paroles. About one-third the required number of supervisors has been hired so far.

Federal government threw a monkey wrench into prison operations by cutting back on the prison farms' cotton acreage, said the governing board. It said more work opportunities for prisoners must be developed.

GOLDEN AGE AIDS — Ways to improve the outlook for Texas' older citizens are being sought by

A 15-member committee of legislators and private citizens.
 Sen. Crawford Martin of Hillsboro was named chairman at the first meeting of the panel.
 It's not "just an old age pension committee," said Martin. It'll consider such sticky problems as the number of aged persons in mental institutions because no one knows what else to do with them. Also the difficulty oldsters have finding employment even with valuable training and experience.

Percentage of "over 65's" in Texas population has doubled in past 50 years.
EVERYBODY CAN APPOINT —Who has the right to appoint the attorney to handle affairs of an insurance company in receivership probably will continue to be a source of controversy.

But Renee Alfred Jr., whose right to that post had been contested, can keep his job as the result of a Supreme Court ruling.
 At issue was whether the Board of Insurance or court handling the receivership should name the attorney. Alfred was appointed by a local district court.

High court said, in effect, the board has first appointive power, but the court can step in where necessary.

GALLUP POLL
 Dr. George Gallup, the country's leading public opinion poll taker, finds that "The evidence is overwhelming as to the basic strength of the newspaper with the American public." And he sees small chance that TV, radio or any other media can materially change this situation in the foreseeable future.

Adults Still Control the Shopping Dollar as Children's Television Programs Fold

By T. B. KLEPPER

A couple of years ago we were wondering about the wisdom of advertisers who were investing money in television programs for tots and toddlers.

We wondered about the buying power of the nursery school set. And we were skeptical about the ability of the three-year-old to influence mother's soup and cereal buying. In fact, we dared to hold to the notion that a fair degree of adult intelligence would continue to control the shopping dollar.

The demise of such programs as Ding Dong School and Winky Dink seems to justify our skepticism. Junior just wasn't ringing the cash register. So advertisers dropped the children's programs. The director of a toy manufacturing firm tells why he switched his advertising support:

... advertisers get paid in sales, not rating points. It is obvious that children do not have the purchasing power of adults. From the standpoint of business and advertising this should be a healthy turn of thinking. It reaffirms the principle that direct and honest advertising is the best advertising. And it points up the strength of newspaper advertising. There is no question about the maturity and buying power of the audience reached through a newspaper.

The newspaper advertiser can

Mrs. McDaniel Seeks Office of County, Dist. Clerk

Mrs. Blake McDaniel has entered the race for County and District Clerk of Foard County and has authorized the News to announce her candidacy in this issue of the paper, subject to action of the Democratic primary.

She released the following statement: "In announcing for County and District Clerk, I feel like I need no introduction to the people of Crowell and Foard County. I was born and reared in Foard County. Was born in the Thalia community, moved to Crowell when a small child, and lived here until I married and moved to the Foard County community where I have lived for twenty-nine years. I am a daughter of the late Mr. and Mrs. C. W. Beidleman and widow of the late Blake McDaniel.

"I feel like I will be capable of handling the duties of this office, and know that I will enjoy the work. I will do my best to serve the county and the people in an efficient way, if elected to this office.

"Thanking you in advance for any consideration you may give me."

CLASSIFICATION OF G. O. C.

Those who volunteer their services for Ground Observer Corps work, need not be told of a technical classification as they know its civic value, not only individually but to every business, be it large or small. The Tennessee Valley Authority was created because local power plants would not recognize the value of civil defense for National security. General Telephone Company and West Texas Utilities Company here in Crowell have classified civil defense as a business, and by so doing, it would classify those who donate their services free in this work, as "BOOT-LEG" civil defense. GOC and civil defense do not ask free service from either the West Texas Utilities Co. or General Telephone Co., but will pay for what service they render on a minimum base. Over three thousand of our service men lay buried in Pearl Harbor because information was not accepted by our high officials when they were told of the coming attack by the Japanese; a lone ground observer turned in this information; but it was refused because of unknown methods used.

We are asked to donate our time free; to protect our nation and that includes all businesses including telephone and electric light service. But both those companies demand full business pay for what little service they render, even when it protects their own security. We have a complete GOC working organization in Crowell, except telephone and electric lights; this we can pay for on a minimum base when used. We are in defense of our own liberty; should we get in a war, then it will be everybody's business. Remember, that is true.

News from the Conaress

by Congressman Frank Ikard

An acute disaster hit most farmers in the great area of our country during the 1957 growing season. It was actually more than a disaster. It was a calamity in a large area of the Southwest and the Deep South. Heavy rains during planting and growing seasons and early frosts and freezes during the harvest season greatly reduced farm yields and the quality of farm commodities. As a result, many of the farmers who had just gone through an extended drought find themselves in an acute economic condition. Along with other members of Congress from the effected areas, I have met with representatives of the Department of Agriculture this week in an effort to work out some workable plan through the Farmers Home Administration or other agencies for making additional financing available and working out ways to extend existing F. H. A. obligations. It is hoped that something constructive can be developed immediately. The farm plan that Secretary Benson presented to Congress yesterday has little chance of being approved for it has practically no Congressional support.

In the News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Jan. 20, 1928:

Announcements for office in this issue were Miss Eva Blake, more for Treasurer, A. B. Wisdom for Commissioner, Precinct 2, and Miss Emily Purcell for Treasurer.

L. W. Greenway happened to the misfortune of getting one of his hands so badly cut in a gin at Rayland Tuesday morning that amputation was necessary.

Johnnie Gamble and family have sold their farm near Lamesa and have moved back to Crowell.

Byron Reese, engineer for the State working on Lee Highway, is now making the survey west of Crowell.

Mr. and Mrs. Allen Wise of Ostella, Tenn., are here visiting their son, Alfred Wise, and family who live on the Ferguson Bros. farm east of Margaret. Mrs. Wise is a niece of Ferguson brothers.

The following marriage licenses have been issued from the clerk's office during the last week in December up to Jan. 16: Monroe Athey to Miss Vannie Tucker, Dec. 6; Charles L. Wilson to Lillie Mae Walker, Dec. 30; Harry M. Reynolds to Bertha L. Cook, Dec. 30; Alton Beggs to Leo Polk, Dec. 30; Owen Ketchersid to Bessie Holland, Jan. 4; O. W. Harris to Bernice Sims, Jan. 6; Jodie Foster to Zannie Parkhill, Jan. 13; Dennis McCauley to Lena McKinley, Jan. 16.

Mesdames W. T. Blevins, J. S. Owens and M. W. McConnell of the Margaret community complimented Mrs. Brown Franklin of Crowell with a miscellaneous shower at the home of Mrs. McConnell at Margaret Saturday afternoon.

The dam for the lake at Spring Lake Country Club was completed this week. The lake now stands five feet in water which comes from springs.

Mrs. B. H. Daughtry died at the home of her daughter, Mrs. M. M. Hankins, in Austin this week. She was one of the early settlers in Crowell and had lived in Chillicothe for many years where she will be buried.

M. M. Hart Jr. was called to Dallas the first of the week on account of his father, Dr. M. M. Hart, being critically ill.

Miss Mildred Owens has recently gone to Denton where she is a student in the State Teachers College.

Miss Dorothy Erwin Enters Race for County, Dist. Clerk

Miss Dorothy Erwin has authorized the News to announce her candidacy for county and district clerk of Foard County, subject to action of the Democratic primary.

Native of Foard County, Miss Erwin is a graduate of Crowell High School and attended a business school in Wichita Falls, and has made her home here all of her life.

In making her announcement Miss Erwin released the following statement: "If the voters of the county see fit to elect me to this important office, I promise that I will attend to the affairs of the office to the best of my ability in a fair and impartial manner.

"I will make an effort to see every voter in the interest of my candidacy and will appreciate any influence that may be rendered in my behalf.

"I respectfully solicit the vote of every person in the county."

Tax Man Sam Says

The income tax folks spend a lot of time sending back income tax returns that Papa signed and forgot to have Mama sign. One taxpayer wrote the Internal Revenue that he had enough trouble with his wife without letting her know how much money he made.

Since Texas is a community property state, Mama has to know how much Pop made because she is responsible for taxes on half of it.

Every year the Revenue folks tell taxpayers to have both husband and wife sign the joint return. Every year thousands of tax returns are sent back by the Internal Revenue folks who forgot to sign. If you don't want to take up corresponding with the Internal Revenue Service, get Mama's signature the first time.

Texas Hunting Seasons End; Results Good

Another hunting season has gone into history. A final tabulation is not in as yet, but indications are generally it has been a good one, according to Howard Dodgen, executive secretary of the Game and Fish Commission.

Duck season ended Jan. 14. Quail season closed two days later. Squirrel season also closed in many counties, although there are some still open. Local game wardens should be consulted before attempting to hunt squirrels from now on.

The season still is open on rabbits and crabs, according to Mr. Dodgen. A rabbit hunt probably will be staged in the Panhandle area within the next few weeks to kill off thousands of rabbits.

There is open season on crabs at all times. Shooters are urged to use up their old shells in an effort to get rid of as many crabs as possible before nesting time.

From early reports over the state the quail season has been the best in years. More cover was available during the past year. The hatch was good and more than 40,000 birds were planted in the state by the Game and Fish Commission from its Tyler hatchery.

Duck and goose shooting was erratic. Some hunters reported fine kills, while others didn't have such good luck. The occasional hunter seemed to fare better than the constant hunter. Men who hunt every day in many instances reported too much water and unsatisfactory shooting.

"Throughout the remainder of the year we must concentrate on developing management practices that will produce more game for next season's harvest," the Secretary says.

"Our entire harvest depends upon proper management and land uses. We can't expect to improve the quality of our deer or increase their quantity without proper practices. It seems now that we will have the best range conditions we have had in years. A few more rains later in the year will have much to do with next season's harvest."

State to Stock Sand Bass in Lake Houston

Lake Houston will be stocked with sand bass within the next few weeks, it has been announced by the Director of Inland Fisheries of the Game and Fish Commission. Biologists will begin immediately taking white bass from below the dam at Lake Worth.

The white bass then will be transported from Fort Worth to Lake Houston.

The white bass was first introduced to Texas fresh-water fishermen in the early thirties, when a dozen were planted in Lake Dallas. From there, the fish has spread so rapidly they now have a creel limit of 25 per day.

—unemployment—has reared its unwelcome head once more, and once again our government planners begin to wonder how to get around this problem.

Operating on so tight a production and employment schedule as has American business in recent years, the least sign of downward adjustment invariably throws thousands of workers out of jobs and causes us to wonder just what is wrong with our economic system, employment-wise.

The most feasible resolution of many of our unemployment problems is to reclaim many of the jobless back to the valuable post they left during trying times—agriculture.

There appears to be a close connection between rural population declines and recent increases in unemployment. Those farmers who left the land in times of stress, such as our recent crippling drought, found unskilled jobs in the labor market at a time when production, business and government spending levels were high. And when the slack appears between labor needed and labor available, it is the ex-farmers who are usually the first to be laid off.

In the past seven years, our farm population dropped from twenty-five million persons to twenty-two and a quarter million.

This means a loss of nearly three million rural citizens in less than ten years—one of the most rapid declines in history.

If we could re-absorb into agriculture all these people, it would take a tremendous cut out of our unemployment roles.

In Texas, the ratio between farmers lost and unemployed persons is even higher. In the closing weeks of 1957 we had 149,000 unemployed persons on the rolls. Since 1950, we have lost 231,000 persons off Texas farms. For that terrific loss, of course, we have the drought largely to blame.

But the prevailing attitude in higher governmental circles of "get rid of the small farmers" hasn't helped the situation any. If agriculture is to help relieve the unemployment situation—and it can—Washington has got to do an about-face and begin encouraging a return to the farm.—John C. White, Commissioner of Agriculture.

QUICK CHANGE

Engine changes on a new turbo-jet airliner will require only 30 minutes—about the same time required for a lubrication job and oil change for the family automobile.

Air Quote . . .

"... I stated the concept that whoever has the capability to control the air is in a position to exert control over the land and seas beneath. I feel that in the future whoever has the capability to control space will likewise possess the capability to exert control of the surface of the earth.

"We airmen who have fought to assure that the United States has the capability to control the air are determined that the United States must win the capability to control space.

"In speaking of the control of air and the control of space, I want to stress that there is no division, per se, between air and space. Air and space are an indivisible field of operations.

"Ninety-nine per cent of the earth's atmosphere lies within 20 miles of the surface of the earth. It is quite obvious that we cannot control the air up to 20 miles above the earth's surface and relinquish control of space above that altitude . . . and still survive."—General Thomas D. White, Chief of Staff, U. S. Air Force, November 29, 1957.

Dinosaurs ranged from house cat size to monsters 90 feet long weighing 40 tons.

H. D. COUNCIL MEETS

The Foard County Home Demonstration Council met last Saturday, January 18, with 17 members and two visitors present.

Mrs. Arthur Sandlin, Council chairman, appointed the following committee: chairmen: Mrs. Clarence Garrett, finance; Mrs. Ed Huskey, marketing; Mrs. E. A. Dunagan, E.E.E.; Mrs. Virgil Johnson, year-book; Mrs. C. M. Carroll, recreation; Mrs. George Wesley, reporter; Mrs. James Bowers, 4-H.

Committee recommendations were read and council voted to take them back to the clubs for approval.

Mrs. Garrett reported a total of \$68.48 in the treasury. Mrs. Garrett also reminded members of the THDA training meeting to be held in Haskell January 29.

Mrs. Mary Brown, agent, discussed the Drapery Workshop with council members.

Standing rules were read and re-adopted. Mrs. Elton Carroll of the Gambleville Club discussed with council members the possibility of organizing a walking blood bank. Council voted to discuss it with the clubs.

Council adjourned to meet again February 15.

GAMBLEVILLE H. D. CLUB

"A suggestion for the open meeting in February" was answered by each member of the Gambleville Home Demonstration Club present at the meeting in the home of Mrs. Buster Cates January 17. Mrs. A. B. Calvin presided in the absence of Mrs. Willie Garrett, president. Mrs. Cecil Carroll read the minutes of the previous meeting.

For the recreation, Mrs. Elton Carroll gave a quiz on animal phrases. It was announced that all the things for the box to be given to the State institution are to be in the box at Bartley's laundry by February 1.

For the program, Mrs. Cates presented the group with recipes for biscuits and breakfast recipes, then demonstrated a very tasty recipe of butterscotch and spicy raisin biscuits and also stressed what a person needed for a nourishing breakfast.

The party of the month will be held at the Adelphian Club house Thursday night, Jan. 23, at 7 p. m. with a covered dish supper. Each member is to bring supper for her family, a meal, vegetable or salad, and dessert. Mrs. Clarence Garrett is hostess. The hostess gift was drawn by Mrs. Elton Carroll. Refreshments were served to nine members.

M. Y. F. MEETS WEDNESDAY

The M. Y. F. of the Methodist Church met in the home of Mrs. H. E. Monks Wednesday evening, January 16.

Judy Borchardt presided in the absence of the president, Betty Davis.

The customs, art and religion of the Japanese people were given by Miss Borchardt. Problems of the Japanese youth were given by Wanda James, followed with a discussion by those present. Sue Bursley dismissed the group.
