## Bridal Shower and Party Honors Mrs. Frost at Vernon

Mrs. Delbert Frost, formerly Miss Carol Marie Orr, was honored Friday evening with a bridal shower in the home of Mrs. Roy Brazil of Vernon.

Co-hostesses with Mrs. Brazil were Mesdames Laura Huffman, Wayne Bell, Floyd Carlton, Milas Childress, H. D. Frost, F. H. Road, Jesse Miller, George White, Ed Mechell, Gene Thomas, John L. Hunter, Thelma Collins and Frank Cooper.

Junior hostesses included Misses Betha Stinnett, Patsy Condon and Sarah Ann Brandon.

Guests were greeted by Mrs. Brazil and presented to the honoree; her mother, Mrs. Eva Orr; and the groom's mother, Mrs. H. R. Frost.

The register table was centered with a large pink heart sprinkled with glitter and outlined with pink net ruffling. Miss Brazil secured signatures of 45 guests in a white leather bride's book.

Mrs. Frost was attired in a powder blue jersey and lace sheath dress and wore a white carnation corsage, which was a gift of the hostesses.

Featured in decorations throughout party rooms were the bride's chosen colors of white and blue. A white organza cloth over blue covered the refreshment table. An arrangement of white gladioli centered the mantle. Burning tapers in crystal candelabra flanked the center arrangement.

Misses Marietta Bell, Stinnett, Condon and Mesdames Childress, Bell and White alternated at the crystal punch service.

Mesdames Cooper, Frost, Carlton, Miller and Huffman attended the gift rooms. Gift of the hostesses was a set of aluminum cookware and a crystal water set.

Mrs. Frost is the daughter of Mr. and Mrs. Earl Orr of Vernon, and Mr. Frost's parents are Mr. and Mrs. H. R. Frost of Kirkland. The couple was married Feb. 5 in Quanah.

Cut of town guests for the shower were Mrs. W. S. Carter Jr. and daughter, Linda, of Burkburnett; Mesdames H. R. Frost, Roy Reese, Don Reese and D. J. Beavers of Kirkland; Mesdames Henry Borchardt and Clyde James, and Misses Janie Bowers, Wanda James and Judy Borchardt of Crowell.

## 5TH GRADE GIRLS 4-H CLUB

The 5th Grade girls 4-H Club met in Miss Black's room Tuesday. The meeting was called to order by Evelyn Fiske. The roll was called by Betty Ann Welch and the minutes were read and approved. The subject was talking about making dresses for the dress revue.

## Mrs. S. T. Crews Presents Pupils in Musical Program

The pupils of Mrs. S. T. Crews with their parents and a few friends, were honored with a reception and musical program at the home of Mr. and Mrs. Crews last Friday evening.

A well-prepared program was rendered by Misses Janice Daniel, Renee Cooper, Jo Nell Bradford, Carolyn Eubanks, Paulette McBeath, Sueella Smith and Elaine Crowell.

The house was beautifully decorated with cut flowers, gifts from friends.

Delicious refreshments were served to thirty guests.

## PIONEER CIRCLE MEETS

The home of Mrs. R. H. Cooper was the meeting place of the social meeting of the Pioneer Circle of the Woman's Society of Christian Service of the Methodist Church Monday afternoon. Co-hostesses with Mrs. Cooper were Mrs. A. R. Sanders and Mrs. Ed Tharp. Mrs. A. Y. Beverly was program leader on the subject, "The March of Missions in Healing." Mrs. J. W. Bruce gave an inspirational devotional, basing her thoughts on Matt. 5:24, 25. "Help Somebody Today" was sung by the group with Mrs. C. W. Thompson leading. A prayer was led by Mrs. Hines Clark.

Miss Dorothy Erwin, a guest, gave an article on "Korean Methodism Today." Mrs. Beverly had provided a worship center consisting of a lighted candle and an open Bible before a map of the United States. She told that the first Methodist Church was in Maine and the first college was in Maryland.

Mrs. Beverly and Mrs. S. S. Bell presented a skit which concerned the Brewster Hospital in Jacksonville, Fla. A question and answer period followed. Mrs. Clark talked on Sarawak.

The meeting was brought to a close by "The Lord's Prayer," repeated in unison.

## WEST SIDE H. D. CLUB

A very enjoyable day was spent at Mrs. J. T. King's home when the West Side Home Demonstration Club held an all-day meeting Tuesday, Feb. 25. Collect for club women and THDA Prayer repeated in unison opened the meeting. Mrs. Baylor Weathered brought the opening exercise titled "Johnson's Grocery Store," with Mrs. Henry Ross reading "Don't Pretend."

Business was discussed, with an Easter forty-two party planned and the making and wearing of an home-made Easter hat or beret. Mrs. Weathered gave an interesting demonstration on "Good breakfasts," stressing that skipping or missing this important meal is causing noticeable loss of efficiency at work and of youth at play much ill health, and a lot of bad members. The members present were Mesdames J. T. King, Donald Scott, E. Norris, Henry Ross, S. E. Tate, Bert Mathews, Oscar Gentry, Walter Thomson and J. B. Weathered and Mike.

## GAMBLEVILLE H. D. CLUB

At the home of Mrs. Andrew Calvin Friday, Feb. 21, the Gambleville Home Demonstration Club met for its regular meeting. Presiding was Mrs. Willie Garrett, president, and in the absence of Mrs. Cecil Carroll, secretary, Mrs. Garrett called the roll. The council report was given by Mrs. Calvin who also conducted a quiz for the recreation period. The hostess gift was drawn by Mrs. Rusty Russell.

For the program, Mrs. W. A. Johnson of the Thilla H. D. Club, demonstrated how to monogram glasses and other glassware. Also, different hobby magazines were showed to the club by Mrs. Johnson and different members ordered various articles.

There were 12 members and one visitor present. Mrs. Archie Campbell will be hostess for the next meeting Friday, March 7, at 2 p. m. Visitors are welcome.

## VIVIAN H. D. CLUB

The Vivian Home Demonstration Club met Feb. 27 in the home of Mrs. C. M. Carroll for an all-day meeting. A covered dish dinner was enjoyed by 9 members and 2 visitors. Plaster of paris planters were made by 3 members and 1 visitor. The demonstrators were Mrs. J. A. Marr and Mrs. Arthur Sandlin.

Mrs. Clyde Bowley was in charge of the afternoon session. Mrs. Sandlin read a poem and they sang "The More We Get Together" for the opening exercise. Mrs. C. M. Carroll was elected to be a delegate to the THDA district meet and Mrs. J. A. Marr to be a nominee for the THDA chairman office. The club project of cleaning the Vivian Cemetery was set for April 1. There will be a covered dish dinner on that day and all interested people are invited. The club will meet March 13

with Mrs. J. A. Marr. The program will be a talk by Mrs. Mary D. Brown.

## T. E. L. CLASS

The T. E. L. Class of the Baptist Church met Feb. 27 with Mrs. Cora Belle Whatley and Mrs. W. R. Womack as co-hostesses. The meeting was opened by prayer by the president, Mrs. Doyle Callaway. Mrs. Leotis Roberts quoted from memory First Corinthians 2:9 for the devotional thought. Mrs. Frank Moore led in prayer for the coming revival.

After a short business session, the meeting was closed by prayer by Mrs. Maggie Fox. The ladies had a very interesting Bible quiz for the social hour. Refreshments were served to 12 members and 3 guests, Mrs. Bill Bell and daughter, Barbara, and Mrs. Ola Weatherers.

### THIS WEEK -In Washington

With  
**Clinton Davidson**

Washington military, diplomatic and congressional leaders are measuring the relative U. S. and Russian military potentials in preparation for a firm stand at the forthcoming summit talks.

The yardstick being used in striking power, measured both in total force and ability to move rapidly to counterattack once the first blow has been delivered. The opinion of military experts we've talked with is that neither nation could deliver an initial knockout blow.

Japan, they recall, delivered an all-out sneak attack on Pearl Harbor that crippled our Navy. Our superiority in the movement of men and material to distant parts of the world proved, in the end, to be decisive.

Russia undoubtedly has, or will soon have, the ability to strike an even more punishing first blow through the use of long-range missiles.

Rep. Albert Thomas (D., Tex.), another member of the subcommittee, told us that "if and when the next war starts, the initial movement of men and supplies must be done by air. This can be done only if we maintain and strengthen our air power, both military and civilian. An adequate reserve through the commercial airlines is of the utmost importance."

Rep. John J. Rooney (D., NY), also a member of the Air Force subcommittee, said "air power will continue to be of vital importance in our total defense for some time. I favor maximum utilization of both military and civilian planes as the most economical method for maintaining our air strength."

**BLOCKED FOUR PUNTS**

End Pat Hartsfield, Texas Tech's alternate captain this fall, blocked four punts in one game playing for the Lubbock state high school champions of 1952.

### CONSEQUENCES OF ALL POWER CONCENTRATED IN STATE

Towner Phelan writes in The Freeman: "If all power is concentrated in the State, it is of no importance, in the long run, whether that State represents communism, facism, British socialism, or Welfare Statism, carried to its logical conclusion, or any other 'ism.' The men who control such a State may start with the best intentions—but they will end as bloody tyrants. It is impossible to reject capitalism except in favor of its only alternative, the omnipotent State, under which man cannot be free and his dignity will not be respected."

NEVER OUT OF EXISTENCE

"Government . . . never goes out of existence. Government has no competition so there are no competitive factors that force it to be efficient."—Quincy, Mass., Patriot Ledger.

Trespassing Is Most Common Cause of Arrest by Wardens

Persons who persist in hunting on private property without permission of the owners caused most of the work of game wardens last month, according to a report of the Director of Law Enforcement for the Game and Fish Commission. It showed 119 arrests for trespassing violations.
Night hunting occupied second place with 65 arrests, indicating that night hunting and trespassing may go together.
Hunting from automobiles was also another heavy offense for the month, with 27 arrests. There were also 27 arrests for hunting without licenses.

CARD OF THANKS

We wish to hereby express our sincere thanks to Dr. Kralicke and the hospital staff for kindness and courtesies extended to my mother, Mrs. Katba Wehba, during her stay in the hospital and to all friends who have remembered her and us with deeds of kindness—flowers, cards, etc.

OVER \$5 BILLION FOR ELECTRIC INDUSTRY GROWTH
Generally speaking, capital investment by industry is substantially down from the very high levels of last year. A major exception to this rule is the electric utility industry. Gene Smith writes in the New York Times that the utilities will spend \$5,300,000,000 this year for expansion—a new record. They will add 16,400,000 kilowatts to their capacity, also a new record.

Hatchery Fish Not Necessary in Many Texas Lakes

Stocking of many Texas lakes and streams from fish hatcheries is a waste of time and money, according to Marion Toole, director of Inland Fisheries of the Game and Fish Commission. "They just simply do not need hatchery restocking," the Director said. "We have known this for a long time. It was brought out again early this month when we did a complete kill on Lake Fort Brown near Brownsville."

This is a lake that had been restocked from hatcheries for the past three years. More than 7,000 bass had been released in the lake during that period. When the lake was treated a couple of weeks ago only 38 large bass were brought out, and about 10 bass which might have been from the 2,000 fingerlings released into the lake last year.

"Hatcheries can't hope to duplicate natural breeding," the Director said, "Where new lakes or rehabilitated lakes are in need of stocking, hatcheries serve a wonderful purpose. We must have them. On the other hand, one pair of 3 pound brood bass to the acre of water in a lake will produce some 25,000 offsprings in comparison to 200 per acre under restocking."

"When we restock impoundments that contain other fish, all we are doing is to pour in rather high-priced fish food for the rough fish already in the lakes."

The director pointed out that biologists long have been accumulating data showing the fallacy of random restocking. Public demands, however, have been so insistent that many times hatchery fish were placed in lakes against the best interests of the lake.

The director said that almost every major lake in Texas had an excessive and successful natural spawn last year, which means plenty of catchable fish for the next several years.

95 ACRES FOR ATHLETICS  
Approximately 95 acres of Tom's Brook's 2,000-acre campus are used for intramural and intercollegiate athletics.

You Get Good Traction with PHILLIPS 66 FARM SERVICE TIRES  
The more traction you get from your rear tractor tires, the quicker and easier your work gets done. That saves you both *time* and *money*! You start making this double saving when you put husky Phillips 66 tires to work on your tractor. Their open Center Flex-Action Tread grips firmly and cleans the tires as they roll. Phillips' deep, tapered "Pyramid-Type" lugs won't pull off or loosen. They're paired for steady, continuous pull. Result: Fast, easy field work. Get ahead with Phillips!  
FRONT TRACTOR TIRE  
In the field or on the road Phillips 66 front tractor tires steer easily and wear long. Reason? High center rib. Double side ribs help them hug the furrow and sid in pulling out of it.  
IMPLEMENT TIRE  
Cushions equipment, load, and operator. Thick tread gives long service. Deep-grooved ribs fight slippage, let implements roll easily. You save *time* and *fuel*. Ideal for all free-rolling wheels.

ROAD TO LESS LIBERTY
From an address made by Herbert Hoover in 1953: "It is a false liberalism that expresses itself by Federal operation of business in competition with the citizen. It is the road not to more liberty but to less liberty. True liberalism is found not in striving to spread bureaucracy, but in striving to set bounds to it. . . Liberalism is a force truly of the spirit coming from a realization that economic freedom cannot be sacrificed if political freedom is to be preserved."

MIGHT GET INCOME TAX REDUCTION

Reports from Washington indicate that if business doesn't show a pickup by mid-year there is a distinct possibility of the Administration and Congress approving a reduction in the individual income tax. Opinions differ as to how this should be done. Some want a straight percentage cut; others favor increasing exemptions.

WAGES INCREASE 75 PER CENT IN PAST 10 YEARS

A Ford Motor Co. executive reports that wages and salaries paid by U. S. corporations have increased 75 per cent in the last 10 years, while profits as a per cent of sales have declined 35 per cent. This, he says, demonstrates that wages and not profits are a major inflationary influence.

About Your HEALTH

Well over half of Texas' paralytic polio victims last year were less than five years of age, a final tabulation of the 1957 polio incidence shows. The record discloses that of the 364 paralytic cases reported last year, 218 were pre-schoolers under five. That figures out to be 59.7 per cent for Texas, compared to 45.4 per cent for the nation as a whole. Of the remaining Texas cases, 44 were between the ages of five and nine; 23 were in the 10-14 age group; 19 were between 15 and 19; and 61 were over 20. Clearly revealed in these "age group distribution" figures is the necessity of placing special emphasis on the immunization of pre-school children, while at the same time keeping in mind that every one up to 40 years of age should take the series of three shots in proper sequence. It still takes almost eight months to take the entire series. The second shot is given two weeks after the first, and the third seven months after the second. Parents must take the initiative in seeing that their younger children are properly immunized and in getting immunized themselves. In the four years since the advent of Salk vaccine, its efficiency in conferring immunity against

the crippling effects of polio has exceeded all expectations. This is its record of performance for the past five years. In 1952, Texas suffered 3,984 cases of both paralytic and non-paralytic polio. That was the worst year in state history. In 1953, reported cases totalled 1,751. There were 3,037 cases in 1954; 1,931 in 1955; and 1,359 in 1956. Now compare those yearly totals with the 729 cases last year—slightly over half the number experienced in the lightest year of the previous four. The time for parents to take action toward having their youngsters—especially those of pre-school age—vaccinated is right now, before the polio season begins. And parents will be making a mistake if they neglect to get one up to 40 years of age should take the series of three shots in proper sequence. The tendency of many people is to take one or two doses of vaccine, and forget about the third. True, one shot does give some protection, and two give even more. But only by taking that third shot can maximum protection be assured. Getting vaccine is no problem nowadays as it was in the beginning. Latest estimates put the nation's vaccine supply at 30 million doses.

## H. D. Council Has Meeting Saturday

The Foard County Home Demonstration Council met Saturday, March 8, with 14 members and 4 visitors present, representing six clubs. Mrs. S. E. Tate and Mrs. E. A. Dunagan gave the opening exercise "Billboard Sermons" and "Don't Pretend."

Mrs. Clarence Garrett reported a total of \$212.38 in the treasury. Mrs. James Bowers reported on recent 4-H activities concerning National 4-H Club Week. Mrs. Dunagan reported that pecans were now much higher.

Mrs. C. M. Carroll reminded council members that March 21 was Craft Day to be held at Foard City beginning at 11 a. m. Mrs. Virgil Johnson reported that members need not bring plate, silver, etc., for that day—only a covered dish.

Mrs. L. A. Andrews spoke to the group about letters of thanks to the Commissioners Court and the Rotary Club for their recent support of the library. The club presidents signed these letters.

After the council meeting, Mrs. Clarence Garrett, THDA chairman, called a THDA meeting to elect a new THDA chairman and three delegates to the district meeting.

Mrs. Elton Carroll was elected THDA chairman. Mrs. Glen Jones, Mrs. Ed Huskey and Mrs. C. M. Carroll were elected delegates and Mrs. Elton Carroll and Mrs. S. E. Tate were elected alternates.

## CLD ACQUAINTANCE DINNER

Mrs. N. J. Roberts was hostess at her home on Saturday, March 8, to a group of friends at an "Old Acquaintance" dinner at which guests were friends of earlier days and Mrs. Hines Clark was an honored guest. Mrs. Clark is soon leaving for Corpus Christi to make her home. She was presented a corsage by the Down Town Floral Shop.

A turkey dinner was served at the noon hour. This was supplemented by covered dishes brought by the guests and served at quarter tables throughout the rooms. In the afternoon, a period of reminiscing was enjoyed and an informal program was presented. Old pictures and old clippings produced much merriment. Mrs. Bonnie Davis gave a reading, "A Negro's Sermon" and Mrs. A. S. Hart read "The First Settler's Story." This was dedicated to the memory of the late Mrs. Gordon Witherspoon, who gave the same reading in 1900. Mrs. Witherspoon was a cousin of Mrs. Roberts.

With Mrs. Davis at the organ, a number of songs were sung, favorites of each one present. The remainder of the program was impromptu.

The following were present: Mrs. E. R. Magee (Betty Allee), Mrs. Allen Fish (Matic Klepper), Mrs. Claude McLaughlin (Grace Self), Mrs. G. W. Thompson (Mary Ragland), Mrs. A. S. Hart (Carrie Allee), Mrs. A. E. Propps (Birdie Thacker), Mrs. T. N. Bell (Effe Gordon), Mrs. E. W. Self (Inez Allison), Mrs. Earl Kennedy (Georgia Ayers), Mrs. J. M. Hill (Edna Thacker), Mrs. Hines Clark (Arrie Thomson), Mrs. J. R. Beverly (Emma Perkins), Mrs. S. S. Bell (Edna Nelson), Mrs. Bonnie Davis (Bonnie Gordon), Mrs. M. L. Hugston (Ora Bell), Mrs. J. E. Long (Inez Bower), Mrs. T. B. Klepper (Virginia Newton), and Mrs. Roberts (Effe Young).

Texas' first railroad building charter was granted Dec. 16, 1836.

## COLUMBIAN CLUB

At the home of Mrs. Karl ten Brink, the Columbian Club met for a covered dish luncheon on Wednesday, March 5. Mrs. M. O'Connell was co-hostess with Mrs. ten Brink.

The lesson study was on Texas Day. The roll call was answered with Texas brags. The leader was Mrs. N. J. Roberts.

Most of the afternoon was spent in telling the history of Foard County. Each one told where she was born and when she came to Foard County.

A delicious luncheon was served to fourteen members and four guests, Mrs. T. N. Bell, Mrs. J. H. Davis, Mrs. Bax Middlebrook and Mrs. J. B. Rasberry.

The next meeting will be held at the home of Mrs. Roy D. Fox on March 19th.

## THALIA H. D. CLUB

"We eat with our eyes and the few minutes it takes to pretty up a meal makes it well worthwhile," Mrs. Mary Brown told the members of the Thalia Home Demonstration Club when they met March 6. While Mrs. Brown prepared her demonstration on lunches, the club held a short business session with Mrs. Beatrice McCarty presiding and Mrs. Roy Shultz, secretary, reading the minutes of previous meeting.

After Mrs. Brown had prepared a corn bread ring, ala chicken and cole slaw, she served it and Mrs. G. A. Shultz, hostess, served cookies and pop to 6 members and one visitor, Mrs. Jim Moore.

Mrs. Roy Shultz drew the hostess gift. Club will meet again April 3 at 2:30 instead of 2.

## BAPTIST W. M. U.

On March 10, W. M. U. of the First Baptist Church met in the home of Mrs. Guy Todd for Bible study.

Meeting opened with group singing of "Love Lifted Me," followed with prayer by Nancy Gafford.

Lesson titled "We Found Him" was taught by Bro. C. T. Aly. Prayer was led by Bro. Aly. President, Mrs. W. F. Statser, made announcements of week's work and after discussions, prayer by Mrs. Walter Cates dismissed the group.

Refreshments were served by the hostess to ten members.

## BUREAUCRATS CAUSE CONFUSION

"Dr. Charles H. Kline, scientific director of a large New Jersey company, in a speech in New York, said that proper management is more important than money if research is to be effective. . . . We think that his words drive at the root of the United States' lag in the missile race. Congress, in seeking a solution, should not overlook the hindrances to efficiency caused by Washington's bureaucratic web of confusion." —Wilmington, N. C. Morning Star.

#### HOW TO GET WHAT WE NEED

(A distinguished Texas judge offers pointers on combating our rapidly increasing juvenile delinquency problem.)

By JUDGE SARAH T. HUGHES

Texas like to brag — and we have much reason to be proud. But we can't brag about our facilities for handling juvenile delinquents. They're inadequate.

The state institutions are heavily overcrowded. There are no state parole officers for children released from them. Many counties have neither institutions nor parole officers.

While the Legislature provided for some additional facilities, the buildings will merely permit less crowding and replace unsafe structures. No more children will be accommodated. No probation officers were authorized.

You Can Get Them

There is, however, something that can be done, and it is up to us, the people, to do it.

Public officials respond to what the voters want. On the county level it is the Commissioners Court, and for the state the Legislature has the responsibility.

If there is strong enough public opinion favoring adequate facilities and probation officials, our representatives in county and state office will provide them.

Develop Public Opinion

Public opinion is something you can be a force in developing. Talk to your friends, your clubs, your church. Write your legislators, county commissioners, newspapers.

And if your county is too small to afford paid probation people, get volunteer ones, ministers, other people with character . . . yourself!

Next week: The Biggest Factor.

## Farmers Have Optional Method of Reporting Income

Farmers who will shortly be filing a combined Federal income tax and social security return for 1957, are reminded that they have an optional method of reporting their farm income that no other businessman has, Erton F. Tate, district social security manager at Wichita Falls, announced this week. Every farmer needs to keep accurate records to determine whether his farming operations are profitable and to help him prepare his income tax returns.

Only items that represent income from farming operations should be included on his social security report. Rental income when the landlord does not "ma-

terially participate" in the farm management and sales of dairy, breeding or work animals should not be included. Farm expense items including depreciation and taxes must be deducted from gross receipts in arriving at "net earnings" from self-employment.

After arriving at his "net earnings," the law permits a farmer with a gross income of \$1800 or less to use either his actual net earnings or 2/3 of his gross farm income for social security purposes provided the gross is as much as \$600. If his gross income exceeds \$1800, but his net earnings are less than \$1200, he may report his net earnings as \$1200. This method may be used by farm partners as well as individual farm operators. It applies equally to farmers who keep their books on the accrual basis and those who use the cash method as well as farmers who use a fiscal year in

reporting their farm income. Anyone desiring additional information on social security can meet with the representative who will be in Crowell at the court house all day March 11.

## Social Security for Farmers Same as for Other Working People

Erton F. Tate, district manager of the Wichita Falls social security office, points out that the purpose of social security for farmers is the same as social security for other working people and their families. Social security insurance old-age benefits are intended to replace part of the income lost because of lower earnings or loss of earnings due to retirement.

Tate stated that the farmer who has no earnings after he becomes

entitled to his social security payments may receive his benefits regularly. Even though a farmer did not retire after he applied for the social security payments, he may receive the benefits for all months if his earnings for the year are not more than \$1200. The farmer whose earnings are more than \$1200 may still receive benefits for some months if his earnings for the year do not exceed \$2080, or if his farm work has been seasonal and he did not work in some months.

Tate pointed out that all farmers who have applied for the social security payments and who were not yet age 72 by February 1st must report to the social security office if their earnings for the year are more than \$1200.

Persons who desire information or assistance in social security mat-

ters are invited to meet with representative who will be in Crowell at the court house on day at 10 a. m., April 8th.
