SEVENTY-SECOND YEAR

NUMBER 37

CROWELL, FOARD COUNTY, TEXAS, THURSDAY, MARCH 21, 1963

EIGHT PAGES

Six Accidents Reported in County During February

The Highway Patrol investigated six rural accidents in Foard County during the month of February, according to Sgt. D. R. Dowdy, Patrol Supervisor of this area.

These wrecks accounted for five persons injured and an estimated property damage of \$2,215.00.

The rural traffic accident summary for Foard County for the first two months of 1963 showed a total of eleven crashes resulting in seven persons injured and an estimated property damage of \$4,070.00.

The patrol supervisor reported that a new hazard has been added to the traffic picture. You may not realize it, but the current hiking had added an element of danger to driving. The sergeant added that everyone who decides to make one of these fifty mile hikes, or a twenty-five mile hike should be aware of the traffic dangers that are involved and also that all Texas drivers should be alerted to the fact that these pedestrians may cause a certain amount of danger. Hiking today is a great deal different than it was 20 years ago. With spring just around the corner more pedestrians will be seen on our streets and highways and it is important that all drivers recognize this hazard and be prepared to take evasive action if necessary.

"Our records reveal that approximately ten per cent of all rural fatal motor vehicle accidents involved pedestrians during the last few years and this figure was somewhat higher in our cities, which points out the necessity for safe walking as well as safe driving," the sergeant stated.

National Camp Fire Girl Birthday Now Being Observed

The national Camp Fire Girls organization celebrates its 53rd birthday this week. The organization began in 1910 when the late Dr. and Mrs. Luther Gulick, the founders, felt that character was really developed during one's leisure time.

Though there are four levels of Camp Fire Girls, Crowell only has two—Camp Fire and Horizon. When a girl becomes nine years old or in the fourth grade, she can become a Camp Fire Girl. The symbol or insignia of the Camp Fire Girl is the crossed logs and flame, which stand for two very important things in the program: (1) From very early times the flame (fire) meant home, and woman was the keeper of the fire; (2) The fire also means the outdoors, the campfire standing for beauty, wonder and friendliness.

The law of the Camp Fire Girl is to worship God, seek beauty, give service, pursue knowledge, hold on to health, glorify work and be happy.

The Horizon Club is the oldest level, and is made up of girls from 14 through 17 or in the ninth grade through high school. Their program suits their more grown-up tastes and helps them develop their individual talents. Activities stress personality development, vocational exploration, boy-girl fun, and personal service in the community.

The Horizon Club desire is: "As horizons are ever changing and always distant, I shall not stand still and look in their purple shadows. Instead, I shall seek the higher purposes and the new adventures that lie beyond. I shall reach ever outward to the horizon that is always just beyond my grasp."

The other two levels of the Camp Fire Girl program are the Blue Birds and Junior High Girls. Blue Birds include seven and eight year old girls. The program for this group is built around the Blue Bird Wish as follows: To have fun, to learn to make beautiful things, to remember to finish what I begin, to want to keep my temper most of time, to go to interesting places, to know about trees and flowers and birds, and to make friends.

Girls in the seventh and eighth grades are included in the Junior High program. This program is much the same as the Camp Fire Girl level except it is based on a more mature level.

There are eleven adult members working with the two groups of Camp Fire Girls and the Horizon Club in Crowell. Mrs. Ray Shirley is the guardian and advisor, and Mrs. Norman Hopper and Mrs. R. G. Rasberry are her assistants. Sponsors are Messrs. Hubert Brown, Foster Davis, Clinton McLain, Howard Bell, R. J. Owens, Alton Bell and Ray Shirley. Plans are being made to organize a Blue Bird group in Truscott with Mrs. Jackie Brown as guardian.

Out-of-Town Relatives and Friends Here for W. B. Griffin Funeral

Out-of-town relatives here to attend the funeral of W. B. Griffin Wednesday afternoon of last week at the First Baptist Church were Mr. and Mrs. Lewis Brown of Ballinger, Joe Brown of Abilene and Mr. and Mrs. Charlie Harrison, of Goltry, Okla.

Out-of-town friends present included Mr. and Mrs. M. H. Mayes, Mr. and Mrs. John R. McFall, George H. Nelson, Jack Reeves, Mrs. Sandra Smith, Mrs. Beth Ann Waddell, Mrs. Linda Johnson, Miss Gale Stotts, Charles Don Brice, Bill Maddle, O. Ray Wells, Paul Phillips, all of Lubbock; Mrs. Carl Smith, Mrs. Floyd Boren, Mrs. Ralph Thayer, Mr. and Mrs. H. S. Calahan, Bary Calahan, Mr. and Mrs. T. L. Hollard, of Floydada; W. J. Carter and Percy Carter of Littlefield.

Attend District 4-H Council Meeting

Miss Jean Burkett attended the District 4-H Council meeting held in Vernon Saturday, March 16.

Jean gave the response for the District. She is treasurer for the council and participated as one of the officers.

Mrs. Virginia Ilseng accompanied Miss Burkett to the meeting.

Sherrie Hall Wins Foard County Spelling Bee Title

Sherrie Hall, a seventh grader at Crowell Grade School, spelled her way to the 1963 Foard County Spelling Bee championship Monday by defeating Cathy Moore of Thalia. Only two girls were entered in the championship bee, which was held at 2 p. m. in the school auditorium.

The girls spelled their way through 51 words before Cathy faltered on "desperate," spelling it "desperate."

Sherrie corrected Cathy's spelling and went on to spell "design" correctly to cop the championship and the right to represent Foard County in the District Bee at Wichita Falls on April 20.

County Judge Leslie Thomas was director of the bee and Grady Halbert was the pronouncer. Judges for the contest were Mmes. L. E. Archer, L. A. Andrews and Cornelia McDaniel.

Sherrie is the 13-year-old daughter of Mr. and Mrs. Ance Hall. This was her first year to participate in the school bee.

Her alternate, Cathy, 12, is a sixth grader at the Thalia School and is the daughter of Mr. and Mrs. Jesse Moore. Cathy was alternate for her school bee last year.

Both girls received pens from the Times and Record News.

Sherrie will compete with 19 other county winners from North Texas and Southern Oklahoma for the national bee in Washington, D. C.

Youth-Led Revival to Be Held at First Baptist Church

The youth of the First Baptist Church are now preparing for a Youth-Led Revival which has been scheduled for March 29, 30 and 31.

Two young men from Wayland College in Plainview will be holding the revival. Terry Hammonds, a senior at Wayland, will be doing the preaching, and Jim Gibson, a junior from Wayland, will be leading in the song service.

Everyone—especially the youth of this area—is invited to attend.

Down Town Bible Class

Twenty-five men heard Rev. Glenn Willson bring the lesson at the Sunday morning meeting of the Down Town Bible Class.

Cecil Carroll, vice president, was in charge of the meeting.

Rev. Clarence Bounds led the group singing, and Miss Lanette Lemons played accompaniment.

Four New Vehicles

Four new vehicles were registered here last week:

March 14, Karl Karcher, 1963 Chevrolet tank truck; March 14, Glenn C. Fox, 1963 Ford pickup; March 14, Grady Rogers, 1963 Oldsmobile sedan; March 15, W. F. Statser, 1963 Chevrolet pickup.

Moves to Crowell

Mrs. Nina Chandler, who has been living in Wichita Falls, has moved to Crowell to make her home. Visiting her this week were her sons, Walter Chandler, and wife of Los Angeles, Calif., and J. D. Chandler, and wife of Irving.

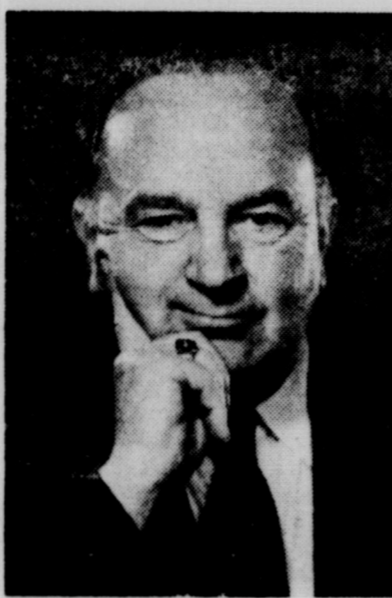

Fruit Trees Blooming

The spring-like weather of the past several weeks has brought forth blooms on peach and apricot trees over Crowell. Chinese elm trees are also leaving out.

Due to the so-called "Easter spell" yet due, most fruit tree owners are doubtful if Mother Nature will let the blooms get through the spring without a killing freeze.

Wins Second at Meet

Dale Doyal won second in the 880-yard run at the Knox City track meet Saturday.

R. C. McCord, evangelist of the First Christian Church, will conduct a Pre-Easter Revival beginning April 7 and continuing through April 14, beginning at 7:30 p. m. The minister will do the preaching and all the churches of the community are invited to attend.

Ben Crowell, Wichita Falls Oil Man, Brings Program to Rotarians

Gordon Erwin, secretary, gave a report on the Rotary convention held in Mineral Wells the week before at the regular meeting of the Crowell club Wednesday of last week. Those attending were Mr. Erwin, Grady Halbert and George Self.

The program was introduced by Marion Crowell. His cousin, Ben Lee Crowell, an employee of an oil company in Wichita Falls, conducted a contest in oil exploration, participated in by the Rotarians. The contest showed the odds against the explorer, typical costs involved and the percentage depletion. The contest proved very interesting and showed the great financial risk involved in the search for oil. One in nine wells drilled find oil.

Ben Lee Crowell is a son of Mrs. Ben Crowell of Wichita Falls and her late husband, both of whom were reared in Crowell.

Leader Training Meeting Will Be Held March 28

A leader training meeting will be held Thursday, March 28, for the leaders in charge of the April meeting for the Home Demonstrations, C. H. D. A. Mrs. Virginia Ilseng announced Monday.

The meeting is entitled "Medical Self Help Training," and will be given by Mrs. M. M. Kralicek. Anyone who is not a member of a Home Demonstration Club is also invited to attend this meeting in the Home Demonstration Agent's office.

Westside Church of Christ to Have Out-of-Town Speakers

Guest speakers at the Westside Church of Christ Sunday, March 24, will be Bro. Darrell Fleming and Bro. Sammy Smith, both of Amarillo.

The public is cordially invited to attend the Sunday services at the Westside Church.

Oil Test to Be Drilled on L. K. Johnson Land

Texaco Inc. has staked its No. 22 L. K. Johnson, 15 miles southwest of Crowell, 467 feet from south and east lines, section 38, block L, SPRR survey.

Country Club to Have Open House Sunday

Rev. Aubrey C. Haynes Died in Amarillo Sunday

Funeral Services at Methodist Church Monday Afternoon

Rev. Aubrey C. Haynes, a retired Methodist preacher and the pastor of the Crowell Methodist Church from 1948 to 1951, died about 8 a. m. Sunday in the Veterans Hospital in Amarillo. Rev. Haynes had been in poor health for a number of years.

Funeral services were conducted from the Crowell Methodist Church Monday afternoon at 3 o'clock with Rev. Vernon Henderson of Amarillo officiating. Rev. John Fitzgerald, local pastor, assisted.

The body was taken to Cleburne Tuesday for burial in the Cleburne cemetery. Arrangements were made by Womack Funeral Home.

Pall bearers were Doris Gentry, Clyde James, Cecil Carroll, Fred Youree, Floyd C. Borchardt and Bill Klepper.

Rev. Haynes had been in the ministry of the Methodist Church for about fifty years. He retired two years ago because of his declining health.

Rev. Haynes was born in 1894 in Linden, Texas. He had served as pastor of churches in Phillips, Spearman, Crowell, Seagraves, Hanson, Haskell, Turkey and Buenavista during his service with the Northwest Texas Conference of the Methodist Church.

During World War II, Rev. Haynes served as a Chaplain with the Armed Forces. He was a member of the Crowell Masonic Lodge. Survivors include a son, Dr. Aubrey Hugh Haynes of Irving, and two sisters, Mrs. George Chappell of Borger and Mrs. Ouida Battle of Cleburne; and three grandchildren.

Band Members Win Seven First Place Medals

The Crowell High School solo and ensemble groups entered the annual University Interscholastic League solo and ensemble contest held at Midwestern University in Wichita Falls Saturday. The flute trio composed of Faunce Fairchild, Virginia Stapp and Mary Sue Speer all received a first division rating and first place medal. The saxophone quartet composed of Ella Ann Cates, Elaine Crowell, Keaton Barker and Karen Shirley, also received a first place rating and first place medal. The trombone trio composed of M. L. Speer, Otis Smith and James Welch received a second division rating. The cornet quartet composed of Denny Garrett, Larry Wright, Paul Stapp and Joe Mike Fish, and the clarinet quartet composed of Charles ten Brink, Dena Todd, Rosa Latimer and Merida Taylor, both received a third place rating.

Soloists that were entered, Virginia Stapp on flute and Paul Stapp on cornet, both received second division ratings. All of these ratings were exceptionally good and showed up well the CHS band program.

Also making the trip were Mrs. Earl Hesse, Mrs. Walter Stapp and Earl Pruitt.

Area residents are reminded that next Thursday is the date for the Variety in Review show. Everyone is invited and an exceptional show is in store for those attending.

Company Sets Up Crowell Office to Test Copper Ore

Hopes for re-activating the copper mine on the Johnson-Ekern Ranch northwest of Crowell now rest with the results of tests which will be made at the site during the next four months.

Four Wichita Falls men, working for the Oredon Refining Co. of California, will be testing at the copper mine to determine if enough ore is available to make mining profitable.

The company has rented the Leon Speer building on East Commerce Street, and in addition to testing at the mine, the tests will be analyzed at their office here in Crowell.

A geologist will be located in Crowell to test the ore, according to Frank Cooper, president of the Booster Club, who arranged for the office building for the company.

Testing will continue for about four months.

Wichita Falls Men Present Program for Brotherhood Meeting

Eight young men from Wichita Falls brought an outstanding program on Christian testimony to a large gathering of Foard County men at the Methodist Men's meeting last Thursday night at the church.

Members of the group were Charles Featherston, J. B. Featherston, Donald Tabb, Earl Blair, Donald Bowley, Bob O'Hair, G. C. Powers and Paul Wade.

J. B. Featherston concluded his portion of the program by singing a solo, "For All My Sin." He played his piano accompaniment and also played accompaniment for the group singing led by Marcus Mills.

Preceding the program, a barbecue dinner was served to over sixty men present. The delicious barbecue was prepared by Clyde Eddy and Cecil Carroll. Other committees furnished the trimmings.

Anxious to show the public the many improvements made at the Country Club during the past month, the directors of the organization are inviting the residents of this area to an open house next Sunday afternoon, March 24. The public is invited to drive through the Country Club, and see the many improvements which have been made. Refreshments will be served at the club house.

There are now seven holes playable on the golf course. The brush on these seven holes has been grubbed, and weeds shredded. In addition to the clearing of the weeds on the golf course, other areas of the club property have also been cleared. New sand has been placed on the greens of these seven holes and new sand cups installed. Most of the trees have been pruned and white-washed. The shed over the water well has been re-shingled and painted.

Existing roads have been graded and new roads made around the lake for the convenience of fishermen. Drainage ditches have been dug leading to the lake.

The club house has been painted and the area around the house cleaned up. Trees in the park have been pruned and white-washed, and the park area cleaned. President Nelson Oliphant stated that two swings will be placed in the park in the near future.

The club now has a tractor, and the fairway mower has been repaired, so that the fairways can be kept in good condition.

Golf Class to Be Conducted

Mr. Oliphant stated that Jesse Whitfield, one of the best golfers in this area, will conduct a golf class each Saturday morning for the new members who are interested, and also for the members of long-standing who would like to improve their game.

Anyone who saw the Country Club six months ago, and has not been back since the improvement work started, will be amazed at the change that has been made. It has been transformed from a weed and mesquite covered "pasture" to a golf course. Everyone should go out Sunday and see it.

Future Events Planned

President Oliphant also says plans for future events include a fish rodeo, barbecue for members and their families and gold tournaments.

Annual Meeting of Crowell Co-Op. Gin to Be Held Mar. 23

The annual meeting of the Farmers Co-Op. Gin of Crowell will be held on Saturday, March 23, W. F. Statser, president, announced this week.

The stockholders meeting will begin at 2 o'clock in the District Court Room in Crowell.

The directors will meet with the auditor at the gin office at 11 a. m., and the auditor will also be present for the afternoon meeting.

Bill King is manager of the gin, having accepted the position when H. C. Duncan retired last year.

Family Reunion Held Sunday at Home of Mrs. E. A. Dunagan

A family reunion was held at the home of Mrs. E. A. Dunagan in Crowell Sunday. Relatives attending were:

Mr. and Mrs. E. S. Flesher of Billings, Mont., who will be moving to Vernon in the near future, and their daughter, Mrs. Raymond Turnbough of Willis, Mont.; Mr. and Mrs. R. V. Holman of Arlington; Mr. and Mrs. Russell Bryson of Hollis, Okla.; and Mr. and Mrs. Malcolm Bryson and Mr. and Mrs. Charlie Bryson of Crowell.

Fire Saturday Night

Fire destroyed a small shed at the home of Mr. and Mrs. Jack Welch on the Benjamin highway early Saturday night.

The Pitfalls of Spring

When the days start getting warm and pretty, students naturally get restless. As spring approaches, interest in lessons dwindles, and grades begin to lose altitude (sometimes dropping below "C" level) as once eager students become members of the "bored of education."

The arrival of spring-like weather compels people to be outside. It stimulates interest in outdoor exercise—like the President's 50-mile hike program. Unfortunately, teachers do not appreciate the

wonderful world of the great outdoors and force students to attend classes inside. Of course, teachers do appreciate nature—why, just last week Mrs. Manard allowed her English IV students to write a 5-page theme on nature. Of course, all references were to come from the poems in the literature book.

Seriously though, the coming of spring puts extra stress on teacher and student alike. The end of school—nine weeks away—seems very far. We, as students, must not stop applying ourselves now, for these last nine weeks are just as important as any other weeks. Spring fever is highly contagious and dangerous. There is no one immune to it, but a person will suffer only a light case if he remembers that this is the important time in the school year.

Band Students Win Recognition

Last Saturday the CHS band attended the University Interscholastic League solo and ensemble contest held at Midwestern University in Wichita Falls. Seven first place medals were won. These were won by the flute trio composed of Fauncine Fairchild, Mary Sue Speer and Virginia Stapp, and the sax quartet composed of Ella Ann Cates, Elaine Crowell, Karen Shirley and Keaton Barker.

The trombone trio including M. L. Speer, Otis Smith and James Allen Welch received second. In the clarinet quartet contest, Chas. ten Brink, Dena Todd, Rosa Latimer and Merida Taylor, and the cornet quartet, Denny Garrett, Larry Wright, Paul Stapp and Joe Mike Fish, both received third ratings. Congratulations, band students.

Senior Personality

Most everyone knows the senior personality for this week, that is if they attend football games. For four years she has served as majorette, three of which she was head majorette. This past year she was leading the band as drum major. She has won many awards in both school and NETA competition.

Fauncine Fairchild dislikes people who put themselves above fault, but she doesn't have a total negative attitude because she likes enchiladas and fried squash. She also likes to water ski, to hear Connie Francis and Dale Shannon sing, and to bake in the sun in the summer. Her favorite song is "Our Day Will Come," and her favorite color is yellow. Her hardest and favorite subject is algebra II. She has been active in the Library Club, FHA, YWA's, stage band, Wildcat staff, and annual staff, and has served as reporter of her junior class.

Her teachers, her parents, and the leaders of the Baptist Church have been guiding lights in her life. She plans to attend Tech next fall. We hope that she has a full and happy life the rest of this year, throughout her college days, and in her years to come.

Best wishes and good luck, Fauncine.

Spring Fever

Editor's note: This week three students wrote articles for the paper, each mentioning spring fever. Since no one knew what the other was writing about and each chose the subject, CHS may be in for an epidemic.

Spring fever has sprung! Spring as defined by the teacher: "the time to push the kids to try to get them ready for next year;" by the student: "a time to party and do as little as possible in school." Spring fever is the disease of the students; spring "unfever" is the disease of the teachers. For example, Mrs. Manard pushes the last two six weeks, the students pull. She works toward themes, climaxed with the research theme; the senior work toward senior activities, climaxed by the senior trip; so they both stay at a medium; too much work to suit the kids, too little to suit the teacher.

As the students slow up, the only things that seem to move with any "vigah" are the occasional tornadoes, but even the tornado warnings add to the sluggishness of spring. They give the people an excuse to come home early from work, or even not to go to work at all. They are even the cause of school's being turned out

early on many occasions. Spring fever is one epidemic which the doctors know is coming, but they don't know how to prevent it. Doctors can prevent polio by mass inoculation, but there is no pill for the fever. In all of the schools in the land, it hits like an H bomb, giving impetus to a situation that can best be described as an "energetic rider on an old nag."

Library Officers Elected

Tuesday, March 12, the Library Club met in Mrs. King's room for their next-to-the-last meeting of this school year. Fauncine Fairchild and Theresa Wright served the group ice cream and Cokes. Judy Traweck used a poem for the background of a devotional. Ronni Sue Oliphant used as the program the topic "Libraries." When President Pat Brown asked for volunteers to prepare next year's yearbook, there were so many hands that it was hard to count them all. Ha! Ronni Sue and Terri Thomas received this honor, though since their hands were the only ones up! The following officers were elected: president, Ronni Sue Oliphant; vice president, Yvonne Wheeler; secretary, Terri Thomas; reporter, Betty Ann Welch; and treasurer, Nelda Chappell. These officers will be installed at the next meeting; also at the next meeting, the senior librarians will receive the traditional library pins.

Sports

Spring fever has become an epidemic in the halls of CHS. Speer and Ekern found they had lost their energy and were defeated in the first round of the Vernon tournament in which they had been selected first.

The track team traveled to Knox City Saturday. The following events were entered: 440 relay by Fitzgerald, Borchardt, Campbell and Doyal; the 100 yard dash by Borchardt, Campbell and Doyal; the 220 yard dash by Campbell; the 440 yard dash by Fitzgerald, the 880 by Doyal; the mile by Wehba; and shot put by Doyal. Doyal won second in the 880 by a controversial decision in which

he was given one-hundredth of a second slower time than a Knox City boy. His time was 2:05.41, two seconds faster than he ran it last year. Fitzgerald won fifth in the 440. A home triangle meet is scheduled for this week, a meet at Chillicothe will be next week. The district meet is set for April 6 at Wichita Falls.

Quanah Band Entertains

The Quanah High School stage band performed for our student body on Friday at 1 p. m. Their program consisted of popular tunes, several vocal numbers, and a novelty German band. The Crowell student body wishes to thank Quanah for presenting such wonderful entertainment for us.

The Crowell stage band plans to perform at Quanah High School on Friday, March 29.

The Flapping Lip

Here we are again for another "jiving" week of CHS.

Together at the Plaza viewing "Forty Pounds of Trouble" were Scherry-Otis, Fauncine-Bob, Ella-Edward, Paul Bax-Mary, M. L. Pat, Elly-Boob, Betty-Dale, Dale-Carolyn, Kathy-John Carl, James R. Sharon, Judy-Otis, Barry-Lyn-da.

Why is the word "hello" so funny?

Mary Sue has a certain charm. Together Saturday night were Judy T. and Charles (Getting regular, isn't it?) Jill-Larry, Bobby-Jeanne Price.

Riding around Sunday night were Dale-Betty.

Together Friday night were Dale-Elaine, Jill-Larry.

Horseback riding Sunday afternoon were Judy T.-Charles, Barbara-Bobby.

Together Sunday were Elly and Boob, Barry-Lyn-da.

Has anyone ever heard of "Burger Eight"? Hearts, Clubs, Diamonds, Spades for over an hour.

What were Sharon Golden and Sharon Glover doing in Wichita Falls Sunday afternoon?

Together Friday night were Ruth-Philip, Ken-Mary Ann, Beverly - Charles, Barbara - Bobby, Johnny-Pam, Sandra-Toye.

At Judy T.'s house Monday night were Jaul Bax-Judy S., Bob-Judy T.

We are happy to see Gena and Carolyn H. back at school.

Did the freshmen have fun Friday at the show?

Remember, kids, there are only ten more weeks of school.

Please put all scandal in the scandal locker.

Menu

Monday, March 25: light rolls, fried chopped pork, creamed potatoes, blackeyed peas, tomato slices, peach half.

Tuesday: corn meal muffins, pinto beans, turnips and greens, corn, cabbage, carrot and pepper salad, jello with fruit.

Wednesday: light rolls, barbecued meat balls, spaghetti, green beans, cheese and crackers, vanilla cup cakes.

Thursday: hot dogs, potato salad, peanut butter and crackers, orange cake.

Friday: tuna fish sandwiches, vegetable stew, lettuce and tomatoes, doughnuts and pear halves.

Intramural Basketball Games to Be Held

Next Monday and Tuesday nights, March 25 and 26, the boys intramural basketball games will be held as usual at the local gym, beginning at 7 o'clock. On the first night, the freshmen will play the sophomores; and the juniors will play the seniors. Tuesday night, the winners and losers will play.

The public is invited to attend these games. The admission is 25c for students and 50c for adults. The money intake will be used by the student council to send next year's officers to the district meeting.

Truscott

MRS. H. A. SMITH

Mrs. E. J. Jones, and Mrs. Jack Brown accompanied Mrs. Chester Hord, Mrs. L. A. Andrews and Mrs. Glen Fox to Dallas Saturday morning and they attended the flower show at State Fair grounds and returned home via Weatherford and visited the Channon Garden of that area.

Mrs. J. T. Anderson, Sherman and Mrs. Dennie Ayers, Kansas City, Mo., visited their aunt, Mrs. R. B. Glidewell, last week.

Mrs. Olie Ilseing is in Ocean-side, Calif., visiting her granddaughter.

Word has been received here that Charley Reagan, a former resident of Truscott, is in a Houston hospital critically ill.

Mr. and Mrs. Kenneth Smith

INSURANCE OF ALL KINDS

Hughston Insurance Agency

of Pampa spent Saturday night with his brother, H. A. Smith, and family.

Mmes. Wm. Ryder Sr. and Wm. Ryder Jr. and daughter, Judy, of Benjamin visited Mrs. H. O. Clark and Charles Sunday and also visited in the Gilliland community.

Mr. and Mrs. Kelly Bullion and sons of Odessa spent the week end with his mother, Mrs. John Bullion.

Rev. and Mrs. F. D. Hankins of Mosquero, N. M., moved to Truscott last Thursday. He is to be pastor of the Baptist Church.

Mr. and Mrs. J. W. Huckaby of Bangs, Texas, were guests of her sister, Mrs. F. D. Hankins, and husband Sunday.

Owen New is a flu patient at the present time.

Mr. and Mrs. Bill Owens were San Angelo visitors Saturday and Sunday. They visited her sisters, Mrs. S. E. McRoberts and husband and Mrs. Leon Kincaid, husband and daughter, Sharon, who is a student in Shannon Hospital.

Jacklyn Brown is visiting the Q. D. Williams family in Floydada. Mrs. J. D. Cook visited her mother in Vernon Wednesday.

Mrs. Bruce Eubank and daughter, Edna, and Mrs. Gladys Eubank visited Irwin Eubank in Lubbock Sunday.

Mrs. Caldon Boone visited her mother, Mrs. Lillie Smart, this past week and helped her celebrate her 81st birthday Friday. Mrs. Irene Gerald was also Mrs.

Smart's guest Friday.

Mrs. Portwood of Azle and Meredith of Vernon visited J. D. Cook Thursday.

Mr. and Mrs. A. S. Tapp visited their son, Dan, and Canyon Wednesday and Thursday.

Mrs. Edmond Tomaneck, local chairman of heart fund in Truscott, and has reported total of \$67.12 and she like to thank everyone who ed make it such a success.

Mr. and Mrs. Ted Wigg Abernathy and Mr. and Bryan Jones of Amarillo, their parents, Mr. and Mrs. Jones, Sunday.

The Carl Haynies had a reunion Sunday. Mr. and Warren Haynie and child Vivian, Mrs. Beatrice Wagoner and the Carl Haynies were guests.

Call Mission Collect if Screwworm Found

Knowing immediately where every screwworm case in the Southwest is located has become so important to the eradication program that arrangements have been made so livestockmen can call the Mission headquarters collect when an infestation is detected, according to Joe Burkett, county agent.

When a screwworm case is found, officials would like producers to do two things: (1) collect about 10 worms from the wound, place them in water or alcohol and hold for further instructions and (2) report the infestation to eradication officials by calling collect to Justice 5-1646 (Mission). No telephone call should be made unless a sample is available.

The following information should be available at the time the call is made:

1. Name. 2. Address and telephone number where producer can be contacted. 3. Date when sample was collected. 4. Location of farm or ranch where case was found. 5. Location of wound on animal.

Producers are urged to call day or night, whenever the infestation is found. At night or on weekends, the information will be relayed to eradication officials, who will contact the producer for further information and instruct him to either mail the sample or hold it to be picked up by a livestock inspector.

From the information received, a determination can be made as to the action that is necessary. In many cases, a screwworm livestock inspector will be sent to the premises to pick up the sample and obtain additional information. If the sample is identified as a true screwworm, sterile flies will probably be dispersed in the area.

The key to the system, officials said, is that sample of worms be collected at the time the wound is detected. Without the sample, they won't know whether the infestation was from a screwworm or from some other maggot, similar in appearance and characteristics. Screwworm infestations are now at a minimum, the eradicators said, and through prompt reporting, action can be taken to prevent the infestation from mushrooming into a large scale outbreak.

Junior Leaders

The Foard County Junior Leaders met March 19 at the Community Center with 24 members attending. The boys met with their leader, Joe Burkett, and Joe Drabek gave the program "Lighting Safety." The girls met with their leader, Mrs. Virginia Iseng, and Charlotte Drabek and Billye Sue McClain had the program on "Bedroom Improvement."

Joe Drabek and Charlotte Drabek served delicious refreshments. The next meeting will be April 2 and all members are urged to attend.

Mr. and Mrs. S. B. Middlebrook of Vernon visited their parents, Mrs. W. R. McCurley and Mr. and Mrs. Bax Middlebrook, Saturday evening.

Don Keith Ingle of Lubbock spent the week end with his parents, Mr. and Mrs. Buss Ingle, and his grandparents, Mr. and Mrs. W. A. Dunn Friday, March 22.

Conditions on Plains Excellent for Severe Dust Season

More than a million acres in northwest Texas are presently susceptible to severe wind erosion, according to reports just received by H. N. Smith, State Conservationist of the Soil Conservation Service. This is mostly cropland on which there are insufficient residues to protect the surface from wind blasting.

The areas most susceptible are the sandy soils of the southern High Plains south and west of Lubbock and the sandy soils in the eastern Panhandle around Wellington and Wheeler. There are about one-half million acres in the south High Plains that are presently unprotected.

Although the wind season has not fully started, there have already been 39 windstorms reported in the southern High Plains that have been of sufficient velocity to move soil and about 62,000 acres of cropland have already been damaged, according to reports from the SCS field offices.

Smith warned that the present conditions have the potential for a severe dust season. Twelve soil conservation districts out of 51 reporting are very dry, the soil moisture inadequate to plant crops. Thirty-four have only fair moisture conditions and unless additional moisture is received, will be in poor shape to resist erosion even with emergency treatment. Only seven counties report good moisture conditions.

Grain producers have until March 22 to decide whether or not to participate in the 1963 Feed Grain program. The decision is sufficiently important, says C. H. Bates, extension farm management specialist, that all commercial growers should consider the income possibilities of the alternative choices.

Budget forms are available from the offices of county agents for use in figuring estimated returns under the program for both compliance and non-compliance. Bates suggests contacting the local county agent for assistance in using the forms.

Mrs. W. H. Tamplin, and J. T. Mr. and Mrs. Joe Orr visited Mr. and Mrs. Karl Streit of Lockett Thursday.

The H. D. Club meets with Mrs. W. A. Dunn Friday, March 22.

Mr. and Mrs. John L. Hunter visited his brother, Worth Hunter, and wife at Childress Sunday.

Mr. and Mrs. August Rummel have been attending the bedside of their grandson, Douglas Hobratchek, in a Wichita Falls hospital and her sister-in-law, Mrs. Schoppa, who is a patient there.

Mr. and Mrs. R. F. Wellmull of Munday and Homer Ketchersid of Crowell visited Mr. and Mrs. Owen Ketchersid Sunday.

G. W. Sikes of Quanah visited his parents, Mr. and Mrs. G. M. Sikes, Saturday.

Mr. and Mrs. S. B. Middlebrook of Vernon visited their parents, Mrs. W. R. McCurley and Mr. and Mrs. Bax Middlebrook, Saturday evening.

Don Keith Ingle of Lubbock spent the week end with his parents, Mr. and Mrs. Buss Ingle, and his grandparents, Mr. and Mrs. W. A. Dunn Friday, March 22.

In general the 1963 program is similar to the one in effect last year. The grower agrees to reduce his feed grain acreage, corn, grain sorghum or barley, by at least 20 per cent; to comply with the diversion as shown by his sign-up papers and add the acres taken out of grain production to conservation use. This acreage, explains Bates, is in addition to the farm's base acreage in conservation use.

The specialist notes a change in the substitute crop provision. A percentage of the minimum diversion payment is available when the diverted acres are planted to certain crops. These and the percentage of payments are: sesame, 40 per cent; guar, 30 per cent; sunflower, 30 per cent; and sorghum, 20 per cent.

Feed grain producers having questions regarding any phase of the 1963 program are advised to contact their county Agricultural Stabilization and Conservation Service staff for detailed information. And, reminds Bates, the final date for making a decision on whether or not to participate is March 22.

Card of Thanks

For the visits, flowers, cards, prayers and all expressions of sympathy in the passing of our dear mother and grandmother, we are deeply appreciative.

Mrs. Luther Tamplin and family,
 L. J. Hough and family,
 Paul Hough and family.

WOMACK'S

JUST LIKE OLD MAN RIVER

If you want a truck that does its work without yelling for attention all the time, buy a "new reliable" Chevrolet.

You have to take care of it; it's a machine. But this isn't a full-time activity. The clear idea is that the truck works for you, not vice versa.

The way to build such a truck is to put more quality into it. For example, Chevrolet doesn't build one type of suspension system for all sizes of trucks. Chevrolet designs suspension systems to

fit your need. The light-duty type is strong on comfort. Another kind for heavier trucks stiffens up as you increase your load and vice versa. Make sense?

Conventional pickups have double-wall construction in cabs, doors, lower side panels. Roofs are insulated. Body floors are select wood, not metal. Tailgate chains are wrapped in rubber. If you'd like to examine or drive a new '63 Chevrolet truck, just call us. We'll be right over.

District PTA Spring Conference to Be Held in Hamlin April 23-24

Dates for the annual 18th District Texas Congress of Parents and Teachers spring conference was set for Tuesday and Wednesday, April 23-24, at a meeting of the district executive committee. The committee meeting was held in Hamlin which is the site for the annual conference.

Delegates will report April 24 at the First Baptist Church in Hamlin for work sessions under the theme, "Homes Create Community Strength Through Good Citizenship."

District 18 is comprised of Knox, Motley, Scurry, Stonewall, Taylor, Cottle, Dickens, Fisher, Foard, Haskell, Jones, Kent and King Counties.

Adelphian Club

The Adelphian Club met on March 13 at the club house for its regular meeting. Hostesses for the occasion were Mrs. Percy Taylor and Mrs. Duane Naylor.

Mrs. L. A. Andrews announced that the club had purchased an eight-foot tree and in so doing had become an active constituent in the beautification project of Sheppard Air Force Base. A metal tag on the tree bears the name of the donor, Mrs. Ray Shirley announced that the Adelphian Club is responsible for decorating one table at the district convention in Vernon. The club voted to

cooperate with the Easter egg project for the Vernon State Hospital.

Texas Day, a required program, was the featured program for the afternoon. To further accentuate the theme, six flags of Texas, cactus and a replica of a chuck wagon were used.

Mrs. Leslie Thomas brought the devotion thoughts in which she stated that God's values of life are higher than man's values. A man's soul will be dyed with the color of his thoughts.

Betty Ann Welch sang "Texas, Our Texas." She was accompanied at the piano by Elaine Crowell. Both girls are members of the Sub-Junior Adelphian Club.

Mrs. Virgil Johnson, member of the county Historical Survey Committee, traced the history of Foard County from the time that it was a part of the Red River Municipality. Later this area was within the bounds of Fannin County, then Hardeman County. Margaret was the county seat of Hardeman County. W. T. Dunn was the first county treasurer of Hardeman County. In 1887 the railroad was built to Quanah and soon afterwards became the county seat.

On April 27, Crowell and Foard County will observe their seventy-second birthday. Records show that the first court house was built in 1892 and cost \$4,250. The present court house was constructed in 1910 and was remodeled after the tornado in 1942.

The Texas Almanac of 1860 said of this area, "The land is not favorable for farming." The

Texas Almanac of 1867 gave this information, "This country is not settled and probably never will be to any great extent. Seventeen members and three guests were present.

Lydia Class

The members and guests of the Lydia Class of the First Baptist Church enjoyed an unusual program at the home of Mrs. Fred Priest Tuesday evening, March 12. The program consisted of a devotional describing Biblical places and methods of worship, followed by a detailed, authenticated history of the Crowell Baptist Church, both presented by Mrs. Claude McLaughlin. Much time and effort had been spent in research on the history of the church and Mrs. McLaughlin illustrated her talk with pictures of former buildings and people who have been associated with the church in the past. She pointed out that the church was organized in 1889, two years before the organization of Foard County, and that several of the present members and community residents are descendants of the 12 charter members of the church which met at Sand Rock. Several years later, when the group had its own building, the salary of the first janitor was \$4 per month. Mrs. Ruby Greening was given honorable mention for having served 25 years in the Beginners Department of the Sunday school. It was also noted that the GA's had given the corner-stone for the building which had been destroyed by the tornado, and that that same corner-stone had been put into the east side of the present edifice. After mentioning others who have rendered outstanding service and reviewing some historical milestones, the meeting was concluded with reminiscences of humorous incidents by Thelma Lemons. Guests present were Meses. Jim Ewing,

Ada Burkett, Mary Moore, Clyde Bowley, Jewel Sollis, McLaughlin, and the members.

Ka-Nun-Ka Camp Fire Girls Meet

The Ka-Nun-Ka Camp Fire Girls held their regular meeting last Friday afternoon, and went to the North Pocket Park. They each built a fire as required for a bead; and lit one to roast marshmallows and make "some mores."

During the meetings of the last month, the girls made George Washington favors for hospital trays, and cleaned the little house and yard. They each earned two beads for their ceremonial jacket.

Horizon Club

The Horizon Club held a regular meeting last Wednesday and after a short business session, went on a cookout at North Pocket Park.

At their business session, the girls voted to be responsible for 400 eggs for the Vernon State Hospital Easter egg hunt to be held April 12. They will decorate the eggs, and a group will go over to assist in hiding them for the patients.

A report of the Blue Angels, the hospital aide program, was given. All girls worked their two hours last week, as the flu epidemic had subsided sufficiently for them to do so. A thank-you letter was read from Loraine Carter in appreciation of the girls' work at the pancake supper.

Camp Letoil brochures were distributed, and plans were discussed for ways of making money in order to go to a one-week session this summer. The registration fee of \$5 will be paid by the club treasury from the candy sale just completed.

Truscott H. D. Club

The Truscott Home Demonstration Club met at the community center, Thursday, March 14. Meeting was opened with 2 songs. The THDA prayer was said in unison. Twelve members and 5 visitors were present. Mrs. W. O. Solomon gave the council report. Announcement was made of the Rotary Club luncheon March 27; also for the Lions Club luncheon April 16. The 23rd Psalm was recited by all as the devotional. Program on arthritis was given by Mrs. Smith and Mrs. Rake. There are three types of arthritis, osteoarthritis, rheumatoid arthritis and gout. About 11 million people suffer from some form of arthritis. 218,000 people are completely disabled. 1,500,000 people are disabled part of the time. Next meeting will be March 28 in the home of Mrs. Edmond Tomanek. Refreshments were served by Mrs. Bill Owens.

Mrs. Chun Gafford of Bryan is visiting Mr. and Mrs. Otis Gafford and Mrs. Leslie McAdams and son this week. Jackie Thomas spent Saturday with Buff Nelson of Crowell. Mr. and Mrs. Donald Werley and daughters visited his mother, Mrs. L. R. Werley, in Crowell Sunday. Warren Haynie was ill last week with the flu. Mr. and Mrs. W. R. Henderson and daughters of Vernon visited Mrs. W. O. Fish and other relatives Sunday afternoon. Mr. and Mrs. Jim Mac Gafford, who are attending Texas Tech in Lubbock, spent the week end with his parents, Mr. and Mrs. Otis Gafford, and his grandmother, Mrs. Leslie McAdams, and son. Mr. and Mrs. John Fish, Harvey Ward, Mr. and Mrs. Bill Fish and children and Mrs. W. O. Fish visited Mrs. Allen Fish of Crowell Sunday night. Mrs. Donald Werley and daughter visited Mrs. Mike Whitten of Crowell one afternoon last week. Mr. and Mrs. Melvin McAdams of Vernon and Mrs. Nina McAdams of Quanah were visitors in this community Friday. Mr. and Mrs. Lewis Norris of Childress visited Harold Fish last Monday afternoon. Mrs. C. S. Lewis of Paducah spent Sunday in the A. T. Fish home. Mrs. Dee Gilbert, Miss Myrtle Fish and Tammye Gilbert visited Mrs. A. T. Fish Jr., Mrs. Cecil Boyles and Mrs. C. S. Lewis of Paducah Saturday. Mr. and Mrs. Harold Fish and children spent Sunday with her parents, Mr. and Mrs. Frank Moss of Paducah. Mr. and Mrs. A. T. Fish Jr. and daughter, Darlene, and Mrs. Reba Jo Gilbert and daughter, Cheryle, of Paducah visited Misses Myrtle and Neoma Fish and father Sunday afternoon. Tammye Gilbert spent Sunday with Cheryle Gilbert of Paducah. Mr. and Mrs. Harold Fish and children visited her cousin, Kenneth Moss, and family of Hackberry Sunday afternoon. Frank Bradford of Amarillo is visiting his son, Myrl Bradford, and family this week. Mr. and Mrs. Myrl Bradford and children visited her brothers, Dewey Nolen, and family and Raymond Nolen of Paducah Sunday afternoon.

Home Builders Circle

Members of the Home Builders Circle of the Methodist Church met at the Men's Class Room last Tuesday night with Mrs. W. L. Johnson as hostess.

Mrs. Baylor Weathered, president, presided over opening exercises.

Mrs. DuWayne Elliott brought her devotional "Taming the Maverick," a true story of a converted cowboy. She also read some of his original poetry.

Mrs. Fred Collins, program leader, presented Mrs. A. L. Daniels, who gave a lovely book review of "One Saint and Seven Sinners."

A brief period of fellowship and refreshments were enjoyed by members, and 3 visitors.

H. D. Council Meets

The H. D. Council meeting of March 14 was held in the agent's office. Margaret club gave the opening exercise. Five clubs were represented with 11 present, and two visitors, Mrs. Iseng and Miss Hodge, district agent from Vernon. The chairman presiding was Mrs. Duane Boren; finance report given by Mrs. Glenn Jones; election of THDA chairman was Mrs. Milburn Carroll.

4-H Club Meeting

The 5th Grade 4-H Club met and enrolled 23 members. They talked about modeling their 4-H skirts and they will be modeled May 4 at the auditorium. Mrs. Iseng taught the girls how to measure their skirts and what material is the best, etc. The 4-H girls decided the place and time to start making 4-H skirts.

Vivian

MRS. W. O. FISH

Mr. and Mrs. Warren Prater and children, Jeanette and Billy, Mr. and Mrs. Frank Moss and H. H. Fish were visitors in the Harold Fish home Sunday. Joe Mike Fish spent Monday night in the Henry Fish home of

Your Symbol of Better Living ...Electrically

Buying a new home should be one of life's greatest thrills and most rewarding experiences. More and more home buyers are finding the rewards greater when they insist upon a "Medallion Home"—a home wired for full housepower, an all-electric kitchen, ample light for living. The medallion sign is a nationally-recognized hallmark for excellence in planning and construction—planning so that you can live better electrically. Look for it. Insist on it. Know the joy of electric living!

West Texas Utilities Company an investor owned company

From the News . . .

THIRTY YEARS AGO

News items below were taken from the Friday, March 23, 1933, issue of The Foard County News:

Elevations are being established on bench marks in Foard County this week by a party of seven men of the U. S. Coast and Geodetic Survey.

At about sunup Tuesday, the six-room house belonging to W. A. Dunn was completely destroyed by fire. It was located about 3 1/2 miles northeast of Margaret and was the home of Bill Bond at the time of the fire.

"The Severed Cord" presented by Crowell High School in the district one-act play contest won first place over eight other schools last week end. Mrs. I. T. Graves was director and the cast was composed of Jim Lois Gafford, Mitchell Allee and Crockett Fox.

Fourteen area counties will send delegates to the District P-TA conference to be held in Crowell Tuesday and Wednesday.

Misses Susie Johnson and Evelyn Jones, who teach school at White City, visited relatives in Crowell Friday and Saturday of last week.

Jack Welch of Foard City and a graduate of Crowell High School, was one of ten out of 31 contestants at Texas Tech making the highest scores in the seventh annual freshman livestock judging contest that was held in Lubbock under the supervision of Prof. W. L. Stengel, head of the livestock department.

At the regular meeting of the Crowell P. T. A. on Tuesday afternoon, Mrs. A. Y. Beverly was elected president for the coming year.

Mrs. H. D. Nelson and Mrs. Ed McDaniel entertained a number of little boys and girls on the afternoon of March 17 in celebration of the 8th birthday of Charles Nelson.

The Crowell wholesale plant of The Texas Company is being dismantled and removed to Henderson, Texas. The local wholesale agency has been discontinued.

Mrs. John Diggs and small daughter of Crowell spent Thursday night with Mrs. F. E. Diggs of Gambleville.

"Air Mail," starring Ralph Belamy, Pat O'Brien and Gloria Stuart, will be shown at the Rialto next Tuesday and Wednesday.

The Truscott business man are having cement walks made from the Magnolia filling station to the corner of the Brown Drug Store.

Reporting for spring football training Monday were Bill Dunn, Glen Rasberry, Herbert Rettig, Martin Owens, James Hendrix, Aldon Horn, Jiggs Barker, Jim Riley Gafford, Mark Saunders, John Cogdell, Paul McKewn, Oliver Brisco, James Henry Kimsy, Albert Dunagan, Millard Marr, Stanley Womack, Bill Dunagan, F. L. Rennels, Norman Dollar, George Owens, John Mills, Raymond Gibson, J. M. Brown, John Welch, Rudell Russell, Berl Lovelady, Billy Drabek, Dupree Allen, Sam Crews Jr., Ike Wilson, Fred Mabe, W. F. Brisco, James Joy, Dick Todd and Lester Patton.

The state health nurse will begin several weeks of health work in the Foard County Schools next Monday. The work will consist chiefly of health examination of school children and educational health activities.

Card of Thanks

Our hearts are filled with humility and appreciation for our many good friends whose comfort during our recent sadness meant so much to us. We also have a deep appreciation for our friends who have been so faithful through the years. God bless each one of you.

Oris Reynolds New Owner of Vernon Stockyards

Vernon Stockyards, one of Texas' oldest and most modern livestock markets, is now owned and operated by Oris Reynolds, widely known marketman.

Reynolds, former co-owner of Abilene Livestock Auction, purchased the stockyards firm from Mrs. Lorraine Kent of Vernon. He is vice president of Texas Livestock Auction Association and a director of Texas Auctioneers Association.

The new owner said that he "pledges to continue the operating policies which have built the trustworthy reputation of this leading livestock market." Weekly sale is held every Thursday beginning at 11 a. m.

Jim Tune, also of Abilene, has moved to Vernon and is serving as manager of the firm.

Prior to purchasing an interest in the Abilene market eight years ago, Reynolds was a livestock auctioneer. He has been associated with the livestock industry all his life and holds a degree in animal husbandry from Texas Tech, Lubbock.

"Our sincere aim," Reynolds said, "is to render livestock producers the most efficient and superior market service to help them make more money in their livestock operations."

Vernon Stockyards, a Federally-approved market, is registered and bonded under the Packers & Stockyards Act, U. S. Department of Agriculture.

Collectively they have obtained the \$1,000 which is now on deposit at the bank in Paducah. It is their intention and expectation that this is in the form of one reward, to be given to any person or persons that supplies evidence that would lead to the arrest and final conviction of any person or persons guilty of cattle theft in Cottle County.

This has been done in the spirit of protection of the cattlemen in Cottle County.

At the same time, cattlemen feel that the \$1,000 would encourage people to give what evidence they might have and discourage disappearance of cattle in that county. It is not applicable to any cases

Cottle County Ranch Men Offer \$1,000 Reward in Thefts

A \$1,000 reward has been placed in escrow at the First National Bank of Paducah and will be awarded to anyone providing evidence that leads to the arrest and final conviction of any person or persons found guilty of cattle theft in Cottle County.

Cattlemen of Cottle County recently discussed the continual disappearance of cattle from pastures and concluded that they should join in and assist in encouraging people to give what evidence they might have to law enforcement and prosecuting officers.

More geese were observed during the midwinter survey in the Central Flyway showed encouraging signs that the curtailed season of 1962 had served its purpose in preserving waterfowl breeding stock. Observers reported 15 per cent more waterfowl observed this winter than in 1962, the Department of the Interior announced this week.

Ducks observed in the United States portion of the Flyway were up 23 per cent compared with 1962, but still almost 18 per cent

below the long-term average. The preferred duck Central Flyway hunting season of 1962, this is still 26 per cent above the average number observed the past eight years.

More geese were observed during the Central Flyway survey, but the total was 14 per cent below the long-term average. The closed hunting on redheads the past year has helped to slow or decline.

The annual midwinter survey was carried out by 309 in the Central Flyway, 21,668 miles in 39 and traveled another 25,620 car, boat, and even snow

Results Surveyed of Central Flyway Winter Waterfowl

Ducks and geese observed during the midwinter survey in the Central Flyway showed encouraging signs that the curtailed season of 1962 had served its purpose in preserving waterfowl breeding stock. Observers reported 15 per cent more waterfowl observed this winter than in 1962, the Department of the Interior announced this week.

Ducks observed in the United States portion of the Flyway were up 23 per cent compared with 1962, but still almost 18 per cent

that might have occurred previous to this date.

Cattlemen in Paducah agreed that the \$1,000 reward could help to curb cattle losses in the county. During the past few years, almost every rancher in Cottle County has lost cattle that were believed to be stolen. Approximately 50 stockmen have contributed to the reward fund.

Collectively they have obtained the \$1,000 which is now on deposit at the bank in Paducah. It is their intention and expectation that this is in the form of one reward, to be given to any person or persons that supplies evidence that would lead to the arrest and final conviction of any person or persons guilty of cattle theft in Cottle County.

This has been done in the spirit of protection of the cattlemen in Cottle County.

At the same time, cattlemen feel that the \$1,000 would encourage people to give what evidence they might have and discourage disappearance of cattle in that county. It is not applicable to any cases
