A PRACTICING DENTIST even when he's playing, Dr. Harry Price, a champion midwest water skier, runs through a trick routine at Diamond Lake, Ill. Jumps such as this delight local sports enthusiasts, who turn out in force to watch Price rise.

LITTLE SECRET is confided to a big ear by Susan Pierce, 4, who's looking over a Texas-size exhibit at the Dallas Health and Science museum.

WAGWEED POLLEN and other airborne irritants that cause discomfort to hay fever sufferers are trapped by this new Minneapolis-Honeywell home electronic air cleaner. The unit is installed in the ductwork of a forced air comfort system and is said to trap 99 per cent of the pollen passing through the system.

New Operating District Formed by West Tex. Utilities

The organization of a new operating district of the West Texas Utilities Company was announced Wednesday by Cal Young, WTU president.

The new operating district will be known as the Panhandle District. It was formed by combining the Quannah and Childress districts. J. C. Randel, manager of the Quannah district and acting manager of the Childress district, has been named manager of the new district.

Randel, who has been manager of the Quannah district since 1956, assumed supervision of both districts in December of last year following the death of Allen Shahan, manager of the Childress district.

The new district will be the company's third largest, comparable in size to the Abilene and San Angelo districts.

The district office, which will be located in Childress, will be almost in the exact center of the Panhandle District. The district will extend approximately 60 miles in each direction; from Vernon on the east to Quitaque on the west, from Shamrock on the north to Paducah and Matador on the south.

Young emphasized that only the two district offices were involved. He pointed out that in no event would personnel in the district offices concerned lose seniority or be released.

"In our continuing efforts to hold electric rates to our pre-WW II level," Young said, "it is necessary that we take every step, such as the creation of this new district, to cut our operating costs, reduce our overhead and to improve our operating efficiency."

Randel, in speaking of his new assignment said, "The opportunity of operating one of the company's largest districts presents a wonderful challenge which I welcome."

"Today, when every economy of operation is necessary to keep our cost of service low to our customer," Randel pointed out, "it is just not practical to maintain two district organizations only 30 miles apart."

"In 1927, when the old Quannah and Childress districts were established," Randel said, "I do not recall there being a paved highway in our area and our communications, such as were available at the time, pretty well limited to a small operating area."

"Today, the situation is entirely different. With the excellent network of paved highways crossing the territory east to west and north to south, and with the convenience of modern telephone and two-way radio communication, we have found that district personnel can be responsible for and supervise larger areas."

"Another factor enters into this new development," Randel continued. "The areas of the two districts are very similar; the economies are closely related; and together they make a logical working unit for our operation."

"We believe that the future of the new Panhandle District holds great promise. With the wonderful ranch and farm lands providing the basis for a balanced agricultural economy; with the expansion of oil production and with the progressive community spirit of the people, I know we will be able to assist substantially in the development of the area included in the Panhandle District."

"Particularly with the various groups in the district working to solve the problem of adequate water supplies and to create a favorable climate for industrial expansion, it will be our purpose to work for the fullest industrial development of the area."

In commenting on his plans, Randel said, "Certainly it will take some time to completely merge the operations and personnel of the two district offices. Mrs. Randel and I plan to move to Childress; however, we have to first dispose of our home in Quannah and make arrangements for a new home in Childress."

The new district manager is a veteran WTU employee, having been with the company 34 years, most of which has been in the new Panhandle District area. In 1949, Randel was named assistant district manager and assigned to Vernon. He was promoted to district manager, with headquarters in Quannah, in 1956.

Named Quannah Local Manager—Crowell manager C. R. Seale said Tuesday that at the same time of the announced changes in district, Sam Russell was named local manager of the Quannah office of the WTU. Mr. Russell is a son of Mr. and Mrs. Tom Russell of Crowell.

March 3-10 4-H Week in Texas and the Nation

March 3-10 has been designated as 4-H Club Week in Texas. The same week will be observed across the nation as National 4-H Club Week.

In his official proclamation covering the week-long observance, Governor Price Daniel said, "The development of citizens and leaders for America is a high purpose in 4-H Club work."

"The 4-H program stresses the development of head, heart, hands and health as well as teaching the latest practices in agriculture and home economics."

"Since the 4-H program was inaugurated by the United States government in 1914, the movement has spread across our nation and established bridges of understanding to more than 50 foreign countries. 4-H Club members learn by conducting result demonstrations and participating in 4-H activities. By putting into action what they learn, club members improve their homes and communities."

"Voluntary adult leaders working with the club members provide a key to the success of 4-H. Parents and friends of 4-H give support and encouragement to club members. The Agricultural Extension Service of the A&M College of Texas, through county extension agents, directs the 4-H Club program."

"Any boy or girl from ages nine to twenty-one can take part in 4-H Club work. The opportunities offered to 4-H members to grow in citizenship, leadership, and practical skills are especially valuable to them, to the State and Nation. 4-H Clubs are a proving ground for the training of future leaders."

"Therefore, I, as Governor of Texas, do hereby designate the week of March 3-10, 1962, as 4-H Club Week in Texas."

Quannah to Be Host to Area Lodges at Meeting Thursday

Quannah Masonic Lodge will be host for a George Washington Birthday party on Thursday, Feb. 22 at the Quannah lodge hall.

Supper will be served from 6:30 to 7:30 and the speaker for the program will be O. C. Harper, Minister, Central Christian Church in Vernon.

This is an open meeting for Masons, their wives and guests. Each Mason and his wife are invited to ask another couple, not necessarily a Mason and his wife.

Hilton Crane Resigns Job as Jacksboro C. of C. Manager

Hilton A. Crane, former manager of the Foard County Chamber of Commerce, and the manager of the Jacksboro Chamber of Commerce for the past 13 years, has resigned that position effective March 15.

Mr. and Mrs. Crane went to Jacksboro from Crowell and he has been active in chamber of commerce work 20 years. He said his present plans are tentative.

A. G. Quinn Died Feb. 4 in Las Vegas

A. G. Quinn, former Crowell resident, passed away in Las Vegas, Nevada, on Feb. 4, according to a message received here by Merritt Carruth. Funeral services and interment were conducted in Mesa, Calif., on Feb. 8.

Mr. Quinn lived here in the early part of 1900 when his father, J. K. Quinn, owned and operated a dry goods store on the corner of Main and California streets. He is survived by his wife. They had made their home in Las Vegas for several years.

Application Made Last Week for Transportation Aid

According to Supt. Grady Graves, application has been sent off for the annual transportation aid that the State gives to those schools that can qualify.

The Crowell Schools draw about \$25,000.00 each year from this source that pays for approximately 75 per cent of the transportation cost. Crowell's school district covers over 700 square miles and is made up from a portion of three counties: Foard, Knox and King. With less than 700 schoolistics, Crowell is considered a "sparse district." This tends to increase the cost per pupil for transportation.

There are fifteen buses transporting 306 pupils in the Crowell District. The Truscott community sends the largest number to Crowell with 56 children. Allen Taylor and George Fox drive these buses. There are two "feeder buses" from the Masterson Ranch and Antelope Flat. They are driven by Homer Stephens and Mrs. Newell Loney. There are also 75 buses transporting the Thalia students. Marcus Mills and Alton Abston transport these 51 children. That District sends only their upper six grades to Crowell.

The other drivers and the number that they transport are as follows: Margaret has 34 with Ernest King as driver; Paul Wallace drives the Foard City route with 25 children; Roy Cooper has 24 pupils on the Black route; 21 ride Clyde Russell's bus on the Four Corners route; Early Pruitt drives the Riverside route and has 18 children; the Vivian route has 18 with Joe Smith driving; Carl Cox drives the Good Creek route with 15 children riding.

There are 44 colored children with Noel Matthews bringing 35 to Crowell, and Charles Calhoun driving a small bus to Vernon with nine students.

These routes average about 85 miles per day including both trips. This gives a total of 1,275 miles of transportation per day or 518,125 miles per year.

It has been the custom of the Crowell School to purchase two new buses each year. However, due to economic reasons, there were no buses bought this year. Two have been ordered for summer delivery, and will be ready by the time school starts next fall.

PTA-Sponsored Pancake Supper Slated March 1st

On Thursday, March 1, the Crowell Parent-Teacher Association will sponsor a pancake supper as a fund-raising project. The proceeds will be equally divided between the P-T-A and the Community Center.

The supper will be held in the school cafeteria and will begin at 5:30 p. m. and will continue until 7:30. The tickets will be sold for \$1.00 for adults and 50 cents for children under 10.

Henry Black and Leon Speer are ticket sales chairmen for the event and a one-day sales campaign is planned for this week end with high school students selling the tickets. For those who are not contacted, tickets will also be available at the door.

County Federation to Meet at Margaret Wednesday, Feb. 28

Mrs. Lorraine Kent of Vernon will be guest speaker at the Foard County Federation at Margaret on Wednesday, Feb. 28. Mrs. Kent made the post convention tour of the General Federation of Women's Clubs through South America last year. She will bring slides and other visual aids to help Texas club women gain a modern view of South America.

The meeting will be the usual covered dish luncheon. Riverside Home Demonstration Club will be the hostess club at the Community Center at Margaret with the Margaret Home Demonstration Club in charge of the program. All interested women of the county are invited.

Fruit Trees in Bloom After Warm Weather

Unseasonably warm weather during the past week or two has brought forth a rash of blooms on fruit trees over Crowell. With this early date blooming of the trees, odds are great that freezing weather probably will destroy the fruit crop.

EDITORIAL

Politics in C. H. S.

Although there was a scarcity of candidates for the Student Council elections last week, there were some magnificent campaigns put on. Almost every gimmick in the book was tried or at least was thought about. The posters, which were hung from every imaginable place in the school building, had the "kookiest" slogans—slogans that only the students of Crowell High School could have created. Some of the methods used to obtain votes were by handing out cake, candy, suckers, pin-on signs, bows, and other such confections.

Not only was there some excellent campaigning but also there were intelligent campaign speeches. As in all elections, there were a few "bad apples" in the campaign bushel, but they were the exception and not the rule.

Intramural Games

The Student Council met Monday, Feb. 19, for a regular meeting. The officers of the 1962-63 Student Council were in attendance.

Annually, the Student Council sponsors the Intramural basketball games. These games have been set for March 15-16. This year the basketball boys, as well as any other boy, will be eligible to play. The proceeds will be used to send the newly elected council members to the state meet.

Student Council Officers Elected

Last week every slogan and gimmick known to man was used to capture the coveted offices of the Student Council.

Candidates for the offices were as follows: Bob Borchard, president; Carolyn Hickman and Barry Barker, vice president; Scherry Goodwin and Freddie Wehba, secretary; Dena Todd and Mike Manard, treasurer.

After hearing the campaign speeches Wednesday afternoon, each student voted. The Student Council officers for the 1962-63 year are Bob Borchard, president; Carolyn Hickman, vice president; Scherry Goodwin, secretary and Dena Todd, treasurer.

Library News

Did you notice the Valentine motif construction by Lynda Harris for the bulletin board in the library office last week. It featured a beautiful red valentine of tissue paper and white hearts on a background of white. The caption was "Have a Heart." Featured books were "Carol of Long Chance Mine," by Helen Reynolds, and "Stars in Her Eyes" by Betty Cavanna. Thank you, Lynda, for such a beautiful display.

Senior Personality

Ina Joy Statser is the senior personality of the week. In school, Ina belongs to the Library Club, F. H. A. and Wildcat staff. She has been a member of the volleyball and basketball teams. Horseback riding, boating, playing volleyball, observing friends, and collecting things are some of Ina's hobbies.

Her favorites include the singers, Everly Brothers; actress, Sandra Dee; actor, Tony Curtis; food, steak; and color, blue. Her favorite subject is English; her hardest, civics; her easiest, home economics. Ina has a pet peeve: one who is a smart alec.

Ina's influence has come from several people: her mother, pastor, teachers, and friends.

To get out of school and to become a nurse for the mentally ill are Ina's ambitions. The best of luck should be Ina's.

Sports in Short

Sports fans, this last week our sports activities have been very short indeed. For no school sports contests have taken place. However, Jack "Legs" Carroll and "Sharp" Speer have been having some tennis matches.

Incidentally, the other day when Jack Carroll went to apply for a driver's license, an officer hastily thrust a paper across the desk.

"First name last and last name first," he said hurriedly.

"How's that, man?" asked Jack, a little confused.

"Like I said," replied the cop, "backwards."

So Jack wrote slowly, "kead llorrac."

Well, as the two Egyptian morticians said when they had finished a mummifying job, "That about wraps it up!"

What's New?

The first world's fair in the United States in twenty-three years is scheduled to be opened in Seattle, Wash., on April 21, 1962, by President Kennedy. A spectacular preview of life in the 21st century, the fair is expected to attract more than ten million visitors over a six months period to see the Five Worlds of Tomorrow. Theme of the Century 21 Exposition is "Man in Space," and some forty nations will exhibit their products.

"Gayway," a four acre amusement zone, will hold more than twenty exciting rides. It will be the biggest amusement zone ever created for a world's fair. The first U. S. mass-transit monorail will whisk 10,000 visitors an hour from downtown Seattle to the fairgrounds, a distance of about a mile, in just ninety-five seconds. The majestic United States exhibit will tell the story of the tremendous recent scientific breakthrough in the hope that it will influence young people to enter the scientific fields. One of the spectaculars of the science show is a "Spacearium" which will treat visitors to the simulated thrill of rocketing through abysmal space at the speed of light. Canada's exhibit will highlight her efforts to harness resources in the Arctic regions. There will be a number of invitational exhibits by U. S. and foreign firms in art, music, dance, and drama. After the fair is over, ninety per cent of the buildings will remain standing for the people of the future to see.

Paul Bax, how did you acquire the name of "Caveman"?

—, you shouldn't put a dead lamb in your neighbor's yard.

Judy S., what did you give Judy T. Saturday that she gave back to you Sunday?

What's this we hear of a new romance between Evelyn and Ray?

On cloud nine over the week end was Linda. Reason, Bill was home.

Jo Carol seems to have had fun Saturday and Sunday nights with Delton. Oh, those late hours.

Together Tuesday, Thursday and Friday nights were Judy and Charles. Sounds like last year, doesn't it?

Carolee, tell us what you would do for two cents.

Couples at the drive-in Saturday night were Gena - Gerald, Bob - Lynda.

Freddie, why did you come in so late Saturday night? Could you have had a date at Vernon?

Seen going to Violet's house Friday night was Ricky Traweck.

What's the tennis shoes fad? Ask Paul Bax, Kenneth and M. L.

Kenneth, tell us about the Big Bad Seymour boys.

Kenny, didn't you get your time and place mixed up Sunday? A flat in front of the Dairy Bar?

We extend deep appreciation to all our friends who did so much for us during our recent bereavement. The many expressions of sympathy and love were most helpful. May God bless you.

Mrs. G. J. Benham and Family.

Turman Seeks Attorney General Post in Primary

James A. (Jimmy) Turman of Fannin County, Speaker of the Texas House of Representatives, has begun his active campaign for Lieutenant Governor.

Speaker Turman said his decision to run for Lieutenant Governor was "based on the sincere belief that my record as a legislator and as presiding officer of the House qualifies me for the duties required of the Lieutenant Governor—to preside over the State Senate in a fair, effective and democratic manner and to help preserve the God-given personal and political rights and liberties of all our citizens."

Card of Thanks

The families of the late George S. Benham wish to express their heartfelt thanks to Bro. Fitzgerald and Bro. Burgen for their comforting words and the many, many friends for the thoughtfulness in flowers, cards, food, and the kind words of sympathy shown during the recent loss of our dear beloved husband and father and grandfather.

Mrs. George S. Benham, and children and grandchildren.

WHAT? BUILD A PICKUP TRUCK SPECIALLY FOR TEXAS?

YES SIR—THE '62 FORD!

IT STARTED IN TEXAS—when Ford engineers came here to track down exactly what Texans need in a pickup. They drove Texas roads... talked to Texas truck owners... and produced a truck that fits Texas to a "T." Drive the '62 Ford pickup and you'll agree!

The wheelbase is long—114 easy-riding inches (122 for 8-foot bodies). There's little chance of bumper-scrape on inclines because of the short front overhang—and more ride stability. The ride is smooth-oth. To the long wheelbase, add easy springing—and the ride's as soft as a Texas drawl!

The frame is strong. It's built to stand the twisting of high-crowned Texas roads.

The savings are BIG—and they start right today! You save now on Ford's pickup prices—the lowest of any leading make. And you save from now on! Save on gas with Ford's modern engines, Six and V-8. Save on oil—go 4,000 miles between oil changes, thanks to Ford's Full-Flow oil filter. Save on tires because Ford's I-beam suspension keeps front tires tracking true. In certified tests against pickups using independent front suspension, Ford front tires lasted up to 83% longer!

Stop in and drive a '62 Ford pickup today. It's built for Texas, built in Texas. Let us show you why Ford's full-time economy only starts with low price!

was the attorney without pay for
the association when the first
presentation was made before the
State Board of Water Engineers
when the State Board made the
first reservation of the water
rights involved in behalf of the
Greenbelt District. Later, as a
member of the Legislature, Heatly
assisted in the passage of the
bill which established the legal
body, the Greenbelt Municipal and
Industrial Water District.
Heatly is 49 years old and has
resided in Paducah with his wife
and three boys since 1947. He is
an elder of the First Christian
Church of Paducah and is now
serving as chairman of the build-
ing committee. He has served as
president of the Paducah Lions
Club, has served on the Texas
Commission of Alcoholism, and is
presently a charter member of the
Board of Directors of the newly
created Chamber of Commerce of
Paducah, as well as many other
important civic and fraternal ca-
pacities. He is a member of the
Knights of Pythias Lodge in Chil-
licothe and farms and ranches in
Cottle and Dickens counties,
and so knows the problems facing
landowners and taxpayers first
hand.

Grady Hazelwood of Amarillo.
He was one of the authors of
the House version of the Farm-
to-Market road bill that was pass-
ed during the last special session,
and stated that he had always
voted for all of the constructive
legislation affecting the farmer
and cattlemen and will continue
to support such constructive leg-
islation.
He has at all times voted to
maintain the operation of rural
electrification and will continue
to support legislation to maintain
it.
He says "I feel that there are
perhaps some inequities in the
insurance rating system and that
after the study committee reports,
those inequities should be correct-
ed."
Heatly says that 85 per cent of
all the money spent by the Texas
legislature is spent on education,
both public and high levels, high-
ways, mental institutions, welfare
and penal and reform schools.
During his tenure in office, he
says he has supported all construc-
tive measures which have aided in
elevating the standards of both
the public schools and colleges,
and will continue to support such
measures.
He points with pride, his work
on hospitals and special schools
in elevating them, thereby help-
ing many unfortunate people who
have become afflicted. Heatly has
also been a supporter of the M.
D. Anderson Hospital in Houston
that has the responsibility for the
care, treatment and research of
cancer.
During his tenure in office, he
stated that one of the major
accomplishments and perhaps that
which he feels the best about,
is the fact that he has had the
opportunity to assist many boys
and girls to obtain part-time em-
ployment at the state supported
colleges in order that they might
further their education.
Heatly is a Democrat, and says
if re-elected the democratic nomi-
nee again for the position which
he seeks, he will continue to give
the people of this district a com-
pletely sober representation at all
times.
Now that the district contains
eight counties, Heatly hopes to
be able to get around to see all
the people, but by this announce-
ment earnestly solicits each vot-
er's vote and influence.

Heatly Makes Announcement on Race for Office

W. S. (Bill) Heatly gives his formal announcement today as candidate for re-election of State Representative, District 82, comprised of Foard, Hall, Motley, Donley, Cottle, Childress, Hardeman and Wilbarger counties.
Heatly, a senior member of the Texas Legislature is offering himself as a candidate for re-election for the Legislature to represent Foard County and seven other counties now making up the newly formed 82nd District.
Heatly, an attorney, farmer, rancher and business man from Cottle County, has been in the Legislature since 1955, representing the 82nd District composed of Foard, Hardeman, Cottle and Wilbarger counties. With re-districting last year, Childress, Donley, Hall and Motley counties were combined with these, making the new 82nd district geographically the second largest legislative district in Texas.
Heatly is not new in service to the counties added to his district. In 1952 he served with other interested men from this area on the first steering committee when the Greenbelt Municipal Water District was established. He

Students Make Good Record on Tests

Eight senior students from Crowell High School recently took the SAT (Scholastic Aptitude Test) of the CEEB (College Entrance Examination Board.) This is an advanced placement examination required for entrance into 350 of the large colleges and universities of the nation including Yale, Purdue, Harvard, Princeton, State Universities, etc.

Texas schools requiring the test are Rice, S. M. U., Texas University, T. C. U., Baylor, Texas Tech, Trinity University, etc.

This test measures basic skills and abilities that a student has mastered in his academic work. It is a test of a student's verbal and mathematical proficiencies acquired over many years—both in and out of school. It is a test of reasoning ability, not of remembering facts. The verbal section emphasizes one's ability to read with understanding, to reason with verbal material, and to perceive word relationships. The reading passages are drawn from a variety of fields: the humanities, social science, and science. The ability to understand and to solve mathematical sections measure the problems, and it stresses reasoning rather than specific content of secondary school mathematics.

The record of one's high school grades has proved to be the best predictor of college success; however, the test grades are supplementary to the records. Therefore, the records made by local students is worthy of note. The students placed in the average score in one or both sections of the test. Several scored in the top one-fourth of the nation. Such scores would indicate that the students would rank among the top one-tenth of the students attending schools in Texas.

Tax Investigation Leads to Conviction, Three Indictments

Internal Revenue Service tax investigation led to one conviction and three indictments during January.

William Estep, a pseudo-medical practitioner, who has sold black boxes to cure everything and has dispensed atomic holy water in a number of cities throughout the country, went out of the medical practice for the next five years. Judge Dan Rice sentenced Estep to five years for income tax evasion on January 30, 1962, in Austin.

Dr. Anderson A. Griffin was indicted by a Federal Grand Jury for filing fraudulent income tax returns for 1955, 1956, 1957 and 1958. Dr. Griffin did not report \$77,309.14 of his taxable income during these years and the Fort Worth doctor owed \$30,434.98 additional tax.

Julian A. Nessmith, an ex-Fort Worth railroad man who recently moved to Madill, Okla., was indicted for filing false income tax returns for 1957, 1958 and 1959. Nessmith filed these false tax returns even though Chief Judge Joe Estes of Dallas had given him a two-year probated sentence for false statements to Internal Revenue on June 10, 1957.

Your Neighbors

If you must dislike some people let them be among those who cover the mountain, across the river, or on the other side of not your close neighbors, friends of your neighbors learn to love them, if possible. In the event of a great tornado or other disaster, might need your neighbors' help. A husky truck driver, next door, could be of service to you in the emergency than your rich living ten blocks away.

How long has it been since you visited your close neighbors? It may be time to re-visit them. Invite Mr. Jones to your guest at Rotary; invite Smith to go to church with you; take their young sons on week-end camping trips; give parties and then for their teen-age daughters. The boys and girls will be up soon, marry and leave home. When they do, what memories you will they carry away?

Make friends today and you will have friends tomorrow.

Wilderness Bill

"The Wilderness bill is supposedly an act to establish a national wilderness preservation system for the permanent good of the whole people and for other purposes. . . . Although we have nothing against setting aside places of awesome beauty as wilderness areas, the idea of sewing up public lands which are rich in timber and minerals seems out of all reason." — Sweet Home, Ore., New Era.

Texans Oppose Resolution on Mourning Doves

Texas sportsmen will oppose the passage of HR9882, introduced by Congressman Joseph E. Keith of Minnesota. This Resolution would amend the Migratory Bird Treaty Act, to prohibit the hunting of mourning doves. H. D. Dodgen, executive secretary of the Texas Game and Fish Commission, has written to Texas members of Congress and to members of the Commission, pointing out that the mourning dove population in the nation during the last two years increased sufficiently that U. S. Fish and Wildlife Service increased the bag limit from 10 to 15 birds per day, and possession limit from 20 to 30 birds. He says that in the 1960 hunting season, some 450,000 Texas hunters bagged in excess of 14 million birds.

The resolution offered by Congressman Keith provides that "notwithstanding any other provisions of this Act, the Secretary of the Interior shall not allow the hunting, taking, capturing, killing, possession, sale, purchase, shipment, transportation, carriage or export at any time, of the mourning dove."

The mourning dove has been the principal game bird of Texas for a good many years. In Minnesota, however, it is considered a song bird and the killing is prohibited under state law. This is true in a number of states, particularly in the Middle West. The bird being migratory, many of those harvested in Texas come from nesting grounds throughout the Middle West.

Texasmen may express their attitude to their Congressman in Washington, according to Mr. Dodgen.

There was no one there to defend the insect.

Ranchers learned from Florida how that state was swept free of this costly scourge by a dramatic program. Florida ranchers covered the state with sterile male screwworm flies, thus wasting the female flies' single mating period. First airplane distribution of flies in South Texas started the day of the Austin meeting.

Texas stockmen are raising \$3,000,000 by voluntary contributions to match an equal amount of Federal money put up by the U. S. Department of Agriculture. The screwworms cost Southwestern

Speaker James A. Turman appointed Representatives Ray Bartram of New Braunfels, Steve Burgess of Naogdoches, Stanley Boyesen of Yoakum, Glenn Kothmann of San Antonio and Gus Mutscher of Brenham to assist the SWAHRP in planning its attack on the screwworm fly.

A little fire even developed between the three republican candidates. Harry Diehl of Houston said Jack Cox of Breckenridge was "not a Republican—just a conservative candidate."

But two days later, Diehl withdrew from the race, leaving Roy Whittenburg as the only republican primary opponent for Cox.

Don Yarborough and Marshall Forby attacked the Daniel administration as "tired" and "lacking vigor." Daniel came back with a recital of his five-year accomplishments in education, industrialization and other fields.

Will Wilson's approach was that Daniel's entry collapsed the Congressional bandwagon by splitting Vice Pres. Lyndon Johnson's organization, and that the only way to get an uncontrolled candidate was to elect Wilson.

Candidates got in more punches in answering tough questions posed by nine newsmen. All of Daniel's opponents made the Governor's unprecedented four-term try a central issue. In the course of questions, Daniel came out for a two-term limit, but with four-year terms for governor instead of the present two.

Austin, Tex.—Texas newsmen quizzed seven candidates for governor at a session of Sigma Delta Chi, professional journalism society, and fanned early-season campaign sparks.

TEACHERS' TIME TABULATED—State Board of Examiners for Teacher Education and the Texas Education Agency sent out about 80,000 questionnaires, asking how Texas educators spend their time on curricular, co-curricular and extra-curricular activities.

So far, more than 20,000 answers are in. Agency researchers are anxious for other replies. They want to feed them to computing machines. Purpose is to get an analysis to help the Texas Legislative Council prepare a full report on teacher certification and the status of education in Texas.

Other facets of a report to be presented to the 58th Legislature in January will include the public view of education; a history of teacher education and certification in Texas; personal characteristics and social and economic data of teachers; a look at the current class of education majors and an analysis of their college course work.

When the "portrait of a Texas teacher" is completed, educators think it will represent the most comprehensive study of public education ever undertaken in this state.

A teachers' pay survey revealed that the West Texas towns of Crane and Kermit pay the highest salaries to new teachers—\$4,900 a year, and that practically all districts with 2,500 or more students pay more than the \$4,014 legal minimum.

GOP PRIMARIES UNDER FIRE—State democratic committee man Walter Sterling opened another argument in the inter-party battle when he accused republicans of dodging their responsibility by not holding a primary in every precinct in the state.

Sterling and the State Democratic Executive Committee questioned the legality of a republican primary nominee who has not been voted on by every republican.

Executive Director Clyde Johnson said, "The republicans should not be able to avoid legal and financial responsibility in these primary elections."

Republicans counter-charged that democrats failed to hold primaries in 24 counties during the

1960 special election. But Johnson promised the party will "follow the law as usual" and hold primaries in all 254 counties this May.

"The other dog, without batting an eyelash, would plunge into the creek and continue the chase on the other side. It goes without saying which dog caught the most rabbits."—Port Neches, Texas, Chronicle.

Baptist Church Sweetheart Banquet Held Saturday

"Moonlight and Roses" was the theme of the annual First Baptist Church Sweetheart Banquet held Saturday night in the church banquet room. One hundred and sixteen young people and adult workers from the Intermediate and Young People's Sunday School departments attended.

The banquet room was beautifully decorated in blue crepe paper streamers, which covered the ceiling and the walls. At one end of the room was a hover effect, with crepe paper streamers on three sides. Around it was a white picket fence, covered with twining ivy and red crepe paper roses. In the center was a white garden swing, which served as a throne for the king and queen.

Suspended from the ceiling were white crepe paper roses and glittered stars, and at one end of the room was a glitter-covered moon. The head table was decorated with silver candlesticks and

aperognes filled with white stock. At each place in the room was a red crepe paper rose and a red and white heart-shaped program. In charge of decorations was Mrs. Marlin Thompson, assisted by Mrs. Loraine Carter and others.

The dinner was catered by Underwood's of Wichita Falls. Barbecued beef, beans, potato salad, pickles and onions, bread, iced tea, and cherry pie were served.

The invocation was given by Rev. Glenn Willson, pastor of the church. Master of ceremonies was Wendell Callaway.

Following dinner, the king and queen were crowned. They were Miss Ella Ann Cates and Rickey Traweck, and they were crowned by last year's royalty, Scherry Goodwin and Woody Frank Lemons. They were each presented a beautiful red Bible. Runners-up were the candidates from the Young People's Department, Miss Barbara Bell and Wendell Callaway. She was presented a hand bouquet, and he was given a boutonniere.

Misses Linda McClain and Frances Cates sang a duet, "Moonlight and Roses," accompanied by Mrs. Walter Stapp.

The remainder of the program was presented by students from Hardin-Simmons University in Abilene. The University Men's Quartet, composed of Freddy Franks, Rex Wilson, Joe Taylor and Gene Stucky, presented several vocal numbers, and told several humorous stories. They were accompanied by Hillman Kirby.

Speaker for the evening was Claude Dollins, a varsity football player and ministerial student at Hardin-Simmons. He brought a

most interesting talk on the need of each person's having courage to face the trials of daily living in a Christian way.

Eastern Star Official Makes Official Visit to Local Chapter

Mrs. Ella Mae Fry of Wichita Falls, deputy grand matron of district 2, section 6, Order of the Eastern Star, made her official visit to the local chapter on Feb. 13. She brought greetings and instructions from W. G. M. Pearl Hall.

Mrs. Bernice Carroll presented the guest a gift on behalf of the chapter. The school of instructions will be in Wichita Falls on April 24.

Mrs. Alyene Graham, worthy matron, and W. R. Moore, worthy patron, presided.

A dinner was served in the banquet room preceding the meeting. Mrs. Vera Thomas gave the invocation. Serving as hostesses were Mmes. Lizzie Kenner, Cressie Erwin, Essie Cooper and Miss Dorothy Erwin.

Mrs. Ruth Cole registered the members and visitors.

H. D. Council Has Meeting Saturday

The Foard County Home Demonstration Council met in the agent's office Feb. 16 at 2:30 p. m. with four clubs represented and six delegates and the agent, Mrs. Janet Carroll, present.

Mrs. Dwayne Boren, chairman, presided with Mrs. E. A. Dunagan, secretary and treasurer. Mrs. Dunagan read the minutes of the last council meeting and the financial report which showed the council had a total of \$235.94.

The finance committee chairman, Mrs. Glen Jones, asked the council to pay \$5.00 on expenses for the delegates to the District H. D. convention to be held April 10 at Midwestern University in Wichita Falls.

The following delegates were elected: Mmes. Johnny Marr, Hugh Shultz, Walter Thomson, with Mrs. Monroe Karcher as alternate.

The 4-H Chairman, Mrs. Elton Carroll; Mrs. L. G. Simmons, yearbook chairman; Mrs. Warren Haynie, EEE chairman; Mrs. Clyde Cobb, civil defense chairman, presented their recommendations for 1962 to council and all of them were adopted.

All of the clothing demonstrations of each club are to get sewing training by the agent in March, so they can assist in the 4-H club room in the Youth Cen-

ter when the need arises.

The State H. D. convention will be held in Dallas at the Baker Hotel at a date to be set in September.

Present were Mrs. H. L. Shultz, Margaret; Mrs. E. A. Dunagan, West Side; Mrs. Elton Carroll, Gambleville; Mrs. Clyde Cobb, Gambleville; Mrs. Dwayne Boren, chairman; Mrs. Pearl Gray, Thalia.

Young People's Auxiliary

The Y. P. A.'s of the Free Will Baptist Church met on Feb. 7 at 7 o'clock for their first regular meeting.

"Ye are witnesses" was the theme of the program taken from Luke 24: 44-48. The program was to serve as a challenge to help potential soul winners. Ruthie Doyal, Sharon Golden and Yvonne Wheeler presented the program.

West Side H. D. Club

The West Side Home Demonstration Club met in the home of Mrs. Dwayne Boren Tuesday afternoon with Mrs. L. G. Simmons, president, in charge.

A "Valentine Wish" was read by Mrs. Jim Henry as opening exercise. Roll call was answered by the members and visitors with "my favorite color." Mrs. Donald Norris read the minutes. The H. D. Agent, Mrs. Janet Carroll, gave a program on combining colors using a slide projector to show the effect of colors in different rooms of the home. Recreation was directed by Mrs. Simmons in the absence of Mrs. B. J. Halenck. The club welcomed Mrs. A. L. Daniel as a new member, and also welcomed back Mrs. E. A. Boren after a long absence.

Refreshments were served to 11 members and 3 visitors. Mrs. George Johnson, Mrs. A. M. Bryson, Mrs. Donna Baize and sons, Johnny and Ronnie.

The next meeting will be in the home of Mrs. Dayton Everson February 27.

Home Builders Circle

The Homebuilders Circle met Tuesday evening of last week in the home of Mrs. Clyde Eddy, with Mrs. Eddy serving as hostess.

The president opened the meeting with prayer, whereupon, Mrs. Bob Thomas, the circle mother, presented an article on "The Missions of the Church of Christ in Latin America."

A guest speaker, Rev. Warren Everson, was the featured attraction of the program. Rev. Everson spoke to the circle basing his presentation on the spirit of brotherly love from the 3rd chapter of the Acts of the Apostles.

Upon completion of the program delicious refreshments were then served to eleven members and three guests, Rev. Everson, Mrs.

Everson and Mrs. M. M. Welch. The next meeting will be Feb. 27th with Mrs. Opal James.

Home Demonstration Notes

JANET CARROLL

Do your children receive an allowance?

The allowance is money that a child is permitted to use for something that likely would have been bought for him anyway.

What are the advantages of an allowance?

It helps a child to plan for himself, achieve a feeling of independence, understand what money will buy, and to decide on what is most important to him on his special "want list." An allowance also enables a child to save for a specific purpose.

How large should the child's allowance be?

This depends on the family income, the number in the family, the normal needs of one of his age, and what the allowance must cover.

An allowance is not a wage, rather it is a child's share of the family finances.

Since the allowance is not given as a reward, it should not be withheld as a punishment.

Egg whites at room temperature beat better than cold egg whites. Separate the whites from the yolks and leave the whites at room temperature for a short time before whipping. Cover the yolks with cold water and return to the refrigerator. Use as soon as possible.

Riverside H. D. Club

The first February meeting of the Riverside Club was held in the home of Mrs. Roy Ayers with nine members present.

The agent was ill and unable to give the scheduled demonstration, so only a business meeting was held. Next meeting will be with Mrs. Henry Bice on Feb. 20.

Card of Thanks

Words cannot adequately express our gratitude to those who expressed their sympathy and helpfulness to us so beautifully at the time of our recent sorrow. May God bless you all. The Family of Mrs. M. L. Owens. pd.

What size Chevrolet do you want to save money on?

CHEVROLET IMPALA Room, refinement and riding comfort. Foreground, the Impala Sport Sedan.

CORVAIR MONZA Sports Car spice without a sports car price. At rear is the Monza Club Coupe.

CHEVY II NOVA The frisky family-sized Chevrolet with a low, low price tag. Above right, Nova Sport Coupe.

Like your driving sporty, with quicksilver steering, flat-as-a-pancake cornering, sure-footed traction? Then a Corvaire Monza's for you.

Or maybe the new-size Chevy II is more to your liking. Built for big families and still slips neatly into small parking places. And, with this, the kind of ingenious engineering (new easy-riding Mono-Plate rear springs, for example) that

won this year's coveted Car Life Magazine Award for Engineering Excellence.

But say you want to go all out—to get the full treatment in space, spirit and splendor. Then there's nothing like a Jet-smooth Chevrolet. Makes paying more pointless.

So size 'em up—then save it up—at your Chevrolet dealer's.

Reading Like Mad
 "While fathers and mothers everywhere demand more education for their children, they're reading like mad themselves to keep up with the world."
 "Book sales are double 1952's figures in dollars, in spite of competition from all kinds of recreation and other entertainment. What we like to hear is that 49 per cent of the people would feel quite lost without the newspaper, while only 28 per cent would feel that way if the TV broke down. According to the survey that developed these figures, said to be the most comprehensive of its kind ever made, we're doing better than we thought."—Spring Valley, N. Y., Leader.

Archers Report 65 Deer Killed in Texas Hunting
 Members of the Texas Field Archery Association reported a total kill of 65 deer in the 1962 hunting season, according to a letter received by E. A. Walker, director of program planning for the Game and Fish Commission. The report was made by Jimmie D. Dickens, secretary-treasurer of the archery organization.
 Survey information of 35 of the deer showed there were 21 bucks and 14 does, and they averaged

From the News
THIRTY YEARS AGO
 News items below were taken from the Friday, Feb. 26, 1932, issue of The Foard County News:
 Frank Fiske, who gives his home as Montana, was found guilty in district court Wednesday of driving and operation of an automobile on a public highway while intoxicated and his punishment was assessed at one year and one day in the penitentiary.
 Miss Edith Jonas of Vernon, formerly of Crowell, became the wife of Johnny Wright of Frederick, Okla., Saturday night.
 Leslie Moore of this city was ordained for the ministry at the final services of the Christian Church revival here Wednesday night.
 As a result of rains last Friday and Sunday, the total rainfall for February now amounts to 1.66 inches at Crowell. Total rainfall so far in 1932 amounts to 3.99 inches and the total since Oct. 11 amounts to 15.40 inches.
 C. V. Allen, owner and manager of the Allen Company, received notice this week that his firm has been selected as the authorized Chevrolet dealer for Crowell.
 No penalty or interest will be charged if taxes for the Crowell Independent School district are paid by March 1.
 The city lake will be open for fishing during the months of March, April and May.
 The News is authorized to announce the candidacy of Jesse Owens of Vernon for the office of district attorney of the 46th Judicial District.
 After March 1, the rural mail route from the Margaret post office will be discontinued and will be consolidated with Route 2 out of Crowell.
 A meeting of the Foard County taxpayers association is to be held Saturday afternoon in the district court room.
 Olney won the first game of the series to decide the bi-district championship Wednesday night with a score of 24 to 18 in a basketball game at Olney.
 Work mules and horses for sale.—M. S. Henry & Co.
 Try a jar of Drucilla's salad dressing, made by Emma Pendleton. On sale at Haney-Razor, Fox Bros. Gro. and M Store.
 W. B. Griffin is the latest of Foard County poultrymen to bring a large hen egg to town. The brown leghorn egg that he exhibited here this week measured 10 1/2 inches in circumference and 7 inches the other way. It weighed 9 ounces.
 The ladies of Crowell were entertained in a most delightful manner by the Adelpian Club on the 17th of February at the palatial suburban home of Mrs. S. S. Bell, Mesdames Bell, L. A. Andrews, Fred Rennels and Miss Martha Schlagal were hostesses for the occasion.

Two Minutes With the Bible
 "Four Kinds of Men"
 According to St. Paul's inspired epistles, the human race is divided into four categories.
 1. "The natural man," i. e., the fallen son of Adam, as he is, without God. Of him the apostle says: "The natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned" (1 Cor. 2:14).
 This is not intended as a rebuke. It is a simple statement of fact. Mere intellectual acumen is no guarantee of spiritual understanding.
 2. "The babe in Christ." When a person sees himself as a sinner and trusts Christ as his Savior, he is "born again" and becomes a "babe in Christ." But babes can and should grow, so these are exhorted: "As newborn babes desire the pure milk of the Word, that ye may grow thereby" (1 Pet. 2:2).
 3. The carnal Christian, is one who, though perhaps a Christian for years, has not grown, due to indifference and neglect of the Word of God. He still has to be treated as a babe in Christ. The Corinthian believers were examples of this. Paul had to write them: "I . . . could not speak unto you as unto spiritual, but as unto carnal, even as unto babes in Christ. I have fed you with milk, and not with meat: for hitherto ye were not able to bear (digest) it, neither yet now are ye able" (1 Cor. 3:1,2). Everybody loves a baby, but the joy that fills the hearts of loving parents turns to bitterest sorrow if their babe fails to grow.
 4. The spiritual Christian, is one who, through prayerful study of the Word of God has grown to spiritual maturity. He is no longer merely a child of God; he is a "man of God." We should all "desire the pure milk of the Word that we may grow thereby—"that we henceforth be no longer children, tossed to and fro, and carried about with every wind of doctrine" (Eph. 4:15). Let us then heed St. Peter's inspired exhortation: "But grow in grace, and in the knowledge of our Lord and Savior, Jesus Christ" (II Pet. 3:18).

From the News
THIRTY YEARS AGO
 News items below were taken from the Friday, Feb. 26, 1932, issue of The Foard County News:
 Frank Fiske, who gives his home as Montana, was found guilty in district court Wednesday of driving and operation of an automobile on a public highway while intoxicated and his punishment was assessed at one year and one day in the penitentiary.
 Miss Edith Jonas of Vernon, formerly of Crowell, became the wife of Johnny Wright of Frederick, Okla., Saturday night.
 Leslie Moore of this city was ordained for the ministry at the final services of the Christian Church revival here Wednesday night.
 As a result of rains last Friday and Sunday, the total rainfall for February now amounts to 1.66 inches at Crowell. Total rainfall so far in 1932 amounts to 3.99 inches and the total since Oct. 11 amounts to 15.40 inches.
 C. V. Allen, owner and manager of the Allen Company, received notice this week that his firm has been selected as the authorized Chevrolet dealer for Crowell.
 No penalty or interest will be charged if taxes for the Crowell Independent School district are paid by March 1.
 The city lake will be open for fishing during the months of March, April and May.
 The News is authorized to announce the candidacy of Jesse Owens of Vernon for the office of district attorney of the 46th Judicial District.
 After March 1, the rural mail route from the Margaret post office will be discontinued and will be consolidated with Route 2 out of Crowell.
 A meeting of the Foard County taxpayers association is to be held Saturday afternoon in the district court room.
 Olney won the first game of the series to decide the bi-district championship Wednesday night with a score of 24 to 18 in a basketball game at Olney.
 Work mules and horses for sale.—M. S. Henry & Co.
 Try a jar of Drucilla's salad dressing, made by Emma Pendleton. On sale at Haney-Razor, Fox Bros. Gro. and M Store.
 W. B. Griffin is the latest of Foard County poultrymen to bring a large hen egg to town. The brown leghorn egg that he exhibited here this week measured 10 1/2 inches in circumference and 7 inches the other way. It weighed 9 ounces.
 The ladies of Crowell were entertained in a most delightful manner by the Adelpian Club on the 17th of February at the palatial suburban home of Mrs. S. S. Bell, Mesdames Bell, L. A. Andrews, Fred Rennels and Miss Martha Schlagal were hostesses for the occasion.

Two Minutes With the Bible
 "Four Kinds of Men"
 According to St. Paul's inspired epistles, the human race is divided into four categories.
 1. "The natural man," i. e., the fallen son of Adam, as he is, without God. Of him the apostle says: "The natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned" (1 Cor. 2:14).
 This is not intended as a rebuke. It is a simple statement of fact. Mere intellectual acumen is no guarantee of spiritual understanding.
 2. "The babe in Christ." When a person sees himself as a sinner and trusts Christ as his Savior, he is "born again" and becomes a "babe in Christ." But babes can and should grow, so these are exhorted: "As newborn babes desire the pure milk of the Word, that ye may grow thereby" (1 Pet. 2:2).
 3. The carnal Christian, is one who, though perhaps a Christian for years, has not grown, due to indifference and neglect of the Word of God. He still has to be treated as a babe in Christ. The Corinthian believers were examples of this. Paul had to write them: "I . . . could not speak unto you as unto spiritual, but as unto carnal, even as unto babes in Christ. I have fed you with milk, and not with meat: for hitherto ye were not able to bear (digest) it, neither yet now are ye able" (1 Cor. 3:1,2). Everybody loves a baby, but the joy that fills the hearts of loving parents turns to bitterest sorrow if their babe fails to grow.
 4. The spiritual Christian, is one who, through prayerful study of the Word of God has grown to spiritual maturity. He is no longer merely a child of God; he is a "man of God." We should all "desire the pure milk of the Word that we may grow thereby—"that we henceforth be no longer children, tossed to and fro, and carried about with every wind of doctrine" (Eph. 4:15). Let us then heed St. Peter's inspired exhortation: "But grow in grace, and in the knowledge of our Lord and Savior, Jesus Christ" (II Pet. 3:18).
